

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Service outage or disruption reports
Inquiry Sub-Category	Complete Internet Outage
Description	Customers report a complete loss of internet connectivity, where they are unable to access any online services. This category covers inquiries related to service disruptions caused by network outages, equipment failures, or maintenance activities.
Data Size	11,758 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ will _____ network _____ back _____ after experiencing such _____ outage _____ this _____?

I would _____ know _____ will _____ this problem.

_____ be _____ for the network to _____ back.

Will _____ resume _____ a _____?

When the _____ be back _____ this _____.

_____ soon _____ I _____ my misery to end and _____ back?

_____ offer an update _____ expect the network _____ to normal?

There is _____ estimate _____ network _____ return _____ normal.

Are there _____ projections _____ to get back to normal?

When _____ operational once more?

Can _____ an _____ for the time _____ the network _____ be restored?

Do _____ know when _____ be _____ to _____ service after _____?

_____ point should we _____ restoration of service _____ a _____?

When will the _____ up after a _____ like _____?

_____ long would _____ get this network working _____?

How _____ service be _____?

_____ know when services _____ resume after _____ big _____?

How _____ expect _____ network _____ restart?

Can _____ me when _____ will _____ after this _____?

When do _____ the _____ be _____?

Is _____ time when we _____ expect _____ connection _____?

_____ service will _____ after a _____?

Can _____ the network _____ come _____ from such _____?

_____ know _____ will get _____ of _____ after this huge outage.

We're _____ can _____ restored service.

_____ experience restored service?

_____ service restarts _____ a _____?

_____ the _____ after the outage?

_____ internet _____ be back online _____.

After facing _____ interruption, _____ will _____ be up _____ running _____?

When _____ restore the _____?

_____ network will be _____ this _____.

_____ the connection _____ work again?

Do _____ know _____ network will be _____?

_____ we _____ the _____ to _____ to normal _____ this _____?

Network died and _____ come back _____?

_____ will likely be _____ for _____ while in light _____.

_____ expect a working _____ after such _____ failure?

_____ the network _____ after such an event?

_____ my misery _____ end and the internet _____ work again?

Will _____ back to normal _____ this _____ outage?

When _____ service _____?

_____ much _____ does _____ take _____ our _____ to _____ restored?

When will we _____?

Is there _____ time _____ the _____ back up?

_____ the _____ be up _____ after _____?

_____ you give _____ an _____ of when the _____ be _____ functional _____?

_____ want _____ know _____ we _____ the network to _____ functional _____.

How _____ it _____ for our _____ to _____ restored _____ the _____?

Can _____ give us an idea _____ network will _____ again?

Is network restored _____?

When might _____ expect _____ up?

How long will it take _____ our _____?

It is _____ known _____ network _____ be _____.

Will _____ network _____ this _____?

_____ there _____ idea on _____ long _____ will _____ to _____ a _____ outage?

The _____ failure _____ extensive downtime _____ resumed?

The _____ be back _____.

_____ might we have _____?

Predicting when _____ will regain access to the fully _____ cut?

Will _____ network _____ incident?

Can _____ provide _____ the time _____ will take _____ network to _____ restored?

Will _____ network _____ on?

Will service _____ after _____ by this _____?

_____ before the network is up _____ a big _____?

_____ possible that we _____ to the fully operational _____ infrastructure _____ massive power _____?

How _____ will _____ and my internet _____ back?

_____ possible for our _____ to _____ recovered after _____ event?

_____ was _____ following that _____.

_____ soon will _____ get _____ back?

_____ we expect a _____?

Will the network _____ up _____?

What is the time _____ on _____ working _____?

Can _____ expect _____ work after such _____ failure?

_____ our network operate _____?

Can _____ an estimate of _____ long _____ will take _____ networks to _____ restored _____ the _____?

_____ you _____ an approximate _____ fully _____ from this system _____?

_____ you know _____ we _____ get the network _____?

Is ____ an ____ on how long ____ ____ ____ ____ resolve a ____ black ____ ____ this?
 ____ ____ will the network be ____ ____ ____ this?
 ____ you tell me ____ the ____ ____ be ____ to ____ fully operational ____?
 ____ you give ____ any insight into when ____ network ____ be ____ ____ ____?
 ____ the ____ ____ ____ on track soon?
 How ____ will ____ ____ to ____ our ____ after this ____ ____ event?
 What ____ do ____ think ____ will be ____ after a ____ ____?
 ____ ____ expect ____ restoration ____ the network?
 When ____ ____ expect the ____ to ____ back to ____?
 We would like ____ ____ when ____ ____ expect ____ ____ to be operational ____ ____ this ____ outage.
 When ____ my ____ come ____ after the ____ ____?
 When ____ we ____ the ____ ____ be ____ ____ a major interruption?
 ____ will it recover ____ ____ large ____?
 ____ ____ ____ idea ____ when we ____ get back ____ normal after ____ event like ____?
 Network ____ ____ ____ ____ been ____ out yet.
 When ____ the network ____ back ____ after ____ ____?
 Are ____ ____ ____ ____ from its pit of despair?
 Can ____ ____ me ____ we ____ ____ ____ to get the network online ____?
 I wonder ____ ____ will ____ ____ this ____.
 ____ ____ do you think ____ will ____ ____ to ____ our ____ up and running ____?
 Can you ____ ____ an ____ about ____ ____ will take ____ ____ networks to be fixed ____ this ____?
 There ____ ____ ____ when ____ will return.
 What ____ ____ expected times ____ ____ ____ be restored after ____ ____ interruption?
 ____ long ____ ____ take ____ ____ to ____ restored following an outage ____ this?
 Is ____ a ____ ____ ____ the complete recovery ____ our ____?
 ____ a ____ time frame ____ ____ ____ ____ account today's network outage?
 ____ ____ after an ____?
 ____ would ____ expect ____ to be ____ ____ such an ____?
 When ____ the ____ come ____ ____ ____ crash?
 We ____ know when ____ ____ will ____ ____.
 Will ____ ____ ____ back online ____ ____ bit?
 Can ____ expect to ____ the ____ ____?
 Is there ____ ____ for ____ full ____ ____ our system?
 Do you know ____ long ____ ____ take ____ ____ ____ restoration?
 We would like ____ know when we ____ expect ____ ____ ____ ____ ____.
 When will ____ ____ restoring ____ network ____ ____ disrupted?
 So ____ is ____ network going ____ come ____ ____ its ____?
 Is it ____ ____ the ____ ____ be ____?
 Can ____ be ____ ____ ____ the network will return ____ normal?
 ____ ____ there any idea ____ ____ we ____ get back to ____ after experiencing ____ ____ of ____ ____?
 How ____ until ____ ____ network ____ back ____ again?
 How ____ ____ ____ be ____ ____ network is back?
 Is ____ a way to resolve ____ ____ ____ ____ ____ in a ____ time frame?
 Network restored ____ ____?
 Can you ____ ____ ____ when ____ will ____ able ____ ____ the ____ back online?
 ____ ____ ____ see a ____ again?
 How ____ ____ we be ____ ____ ____ access ____ the ____ ____ networking infrastructure after this massive power ____?
 We don't know what will ____ ____ ____ ____ a ____ ____ failure.
 ____ ____ expect ____ network to ____ back from an ____?
 How long ____ ____ take ____ ____ ____ to ____ working again?

____ will ____ internet come ____ after ____ crash?
 There ____ no idea ____ back.
 Does anyone know ____ estimate of ____ will ____?
 I wonder if ____ been ____ the ____ outage?
 ____ was disrupted, when ____ it ____ back online?
 We need ____ when ____ will be operational ____.
 ____ network be back up ____ running?
 When ____ the ____ again ____ outage?
 ____ is ____ going to come ____ despair?
 How ____ can we expect ____ to ____ restored ____ network ____?
 We do ____ can expect full ____ of ____.
 How ____ it ____ for the ____ return?
 ____ want to know when we ____ the ____ be ____ again after ____.
 How ____ it take for ____ get up and ____?
 We ____ on when we can expect ____ to ____.
 Can ____ give me an estimate ____ the time ____ will ____?
 ____ will ____ network be back ____ a significant ____?
 Is ____ as to ____ can get back to ____ event?
 How ____ the darn network ____?
 How soon ____ my misery to ____ have the internet ____?
 We ____ when ____ network ____ from ____ an outage.
 ____ do ____ think service will ____ restored after a ____ disruption ____?
 ____ might be ____ a ____ interruption.
 ____ there a ____ when the ____ be up ____ running ____?
 When ____ we regain access ____ operational networking ____ the power ____?
 ____ do ____ plan to restore ____ after ____?
 Can ____ service resume after ____?
 I ____ there was ____ idea on how ____ take to get ____ network ____ up.
 ____ Network ____ to ____ its despair?
 ____ a big ____ in your network, when ____ expect ____ service?
 ____ network be restored ____ this ____ outage?
 ____ we ____ access ____ the ____ operational networking infrastructure ____ this power ____?
 ____ will you ____ able ____ restore ____ after dealing ____ a ____?
 How much time will ____ us ____ our ____?
 How ____ our network back up after ____ significant downtime ____?
 When ____ after this outage?
 ____ to come back?
 ____ much time ____ restored?
 ____ the ____ gets up and ____?
 ____ can ____ expect the ____ to ____ from an ____?
 The network ____ down for a long ____.
 Can we expect ____ network ____?
 Does there an ____ when the network ____?
 ____ need to ____ the network ____ operational again after ____ a ____.
 ____ long will ____ for ____ end and for ____ to come back?
 ____ until all service ____ restored?
 Do you have an ____ a ____ downtime?
 ____ idea on ____ the ____ be fully operational again?
 Can we expect ____ after ____ a big ____?
 When can we ____ function ____?

_____ say when the _____ be _____ to normal?
 What _____ it take _____ to be _____ a network interruption?
 How _____ will it _____ before our _____ back _____?
 _____ from such an event?
 _____ we _____ getting this network working _____?
 _____ it _____ that we _____ regain _____ to the _____ operational _____ this massive power _____?
 _____ expect _____ to be resolved?
 _____ an _____ when _____ the network return _____ normal?
 Can _____ estimate for the time it will _____ network?
 Will our network _____ and _____?
 At _____ the _____ be _____ online?
 Is _____ any information _____ recovery timelines _____ this _____?
 Was _____ the network's _____ time?
 _____ expect service _____ after a _____ disruption in your network?
 Does _____ network _____ to _____?
 When _____ it _____ like this.
 _____ are _____ timelines for resolution _____.
 It _____ possible _____ network _____ soonest _____?
 _____ long do you _____ it will _____ to restore network _____?
 _____ be online _____ quickly?
 _____ the _____ be back _____?
 Does the _____ normal _____ point?
 _____ you have a _____ time _____ to fully _____ from _____ major _____?
 _____ the catastrophic _____ the _____ restored?
 _____ is it until the network _____ back _____?
 Is there _____ time frame for _____ recovery _____?
 _____ we _____ service to return?
 _____ you give _____ an _____ network's restoration time?
 How _____ before we _____ to be restored?
 _____ network restored soonEST _____?
 _____ long do _____ think the _____ be _____?
 How much _____ it _____ the network _____ and _____ again?
 _____ you know _____ timetable _____ after this outage?
 When will _____ network be _____ to _____ from such _____?
 What time frame _____ it _____ to _____ back _____ running?
 Can _____ an estimate _____ time _____ will take _____ our networks _____ such a crash?
 How _____ until _____ service is _____ outage like _____?
 _____ failure, when _____ expect a working connection?
 _____ a tentative _____ for normal operations _____ come _____?
 When _____ the network be _____?
 When _____ you expect to restore service _____?
 _____ the extensive _____ caused _____ this _____ has _____ resumed?
 Is _____ a point _____ we _____ full _____ service?
 _____ an estimated time _____ the _____ to come back _____?
 _____ soon _____ access again?
 Will the _____ restored _____ outage?
 _____ it take _____ to be restored _____ a network interruption?
 How soon _____ expect _____ to end and get _____?
 _____ you think _____ to recover _____ network following this _____ outage?
 What time _____ again?

_____ network _____ be _____ after this _____ outage.

Are you _____ a _____ after this _____?

After _____ failure can we _____ connection again?

Are _____ able to _____ up and _____ again?

Are _____ times _____ normal operations _____ resume, taken into _____ network _____?

_____ when _____ the network up and _____ again?

_____ is _____ getting _____ network working again?

When is _____ to come back _____ despair?

We would _____ to know when _____ the _____ to _____ working _____.

_____ resume after _____?

_____ you know how much _____ it _____ take for _____ online?

_____ long _____ access _____ back?

How _____ will _____ take _____ network _____ recover from this _____?

Is there a timetable for _____ taken _____ account today's _____?

_____ to come back _____.

How _____ the network _____ until _____ restored?

_____ know _____ the network will _____ again.

_____ darn network's up again?

How _____ it take _____ service _____ an event _____ this?

_____ you _____ any _____ to when the network _____ be _____ normal?

How _____ we hear _____ service?

How soon _____ the _____ this?

_____ deadline for restoring network function after _____?

_____ should we expect _____ return to _____?

The _____ of downtime, has service resumed?

When _____ network will _____ online _____ is _____ in _____ air.

How _____ service _____ restored?

_____ it take _____ to regain _____?

_____ long _____ or can _____ eventually fix it?

Do _____ the _____ frame after this _____?

_____ you give an estimate _____ the _____ will _____ to _____ restored?

_____ will we _____ able _____ get the _____ back?

When _____ expect _____ network to _____?

How _____ time _____ network is _____?

_____ when _____ to be back?

_____ there _____ how long _____ will take _____ resolve _____ large network _____?

_____ there a _____ network _____ return to normal?

_____ is _____ restoration _____ network interruption?

How _____ can we expect _____ come back _____?

_____ have an _____ restoration window for getting _____ after such _____?

Can _____ restored again?

I don't _____ how _____ I'll _____ able _____ internet back.

Is _____ estimated time _____ system to _____?

_____ Network _____ soonest possible?

How _____ the network be restored after _____?

_____ restart _____ crash?

We _____ on when we _____ the _____ to normal.

Can you _____ me _____ network _____ be _____ after such a _____ disruption?

_____ network _____ up again.

What time _____ you anticipate _____?

_____ can _____ to be fixed?

Is _____ possible _____ recover _____ network _____ this _____?

_____ it _____ to get our network _____ again?

_____ long _____ the _____ is restored after _____ a _____?

Do _____ an estimated restoration window to _____ back _____ after _____?

_____ know _____ timelines after _____ outage?

We might expect to _____ following a _____.

_____ there a time _____ for _____?

When is the _____ after _____?

_____ after a big _____?

Can you give _____ for _____ it will _____ our networks to _____?

When will _____ be able to _____ big _____?

What _____ estimated _____ for _____ to _____ to normal?

_____ possible _____ resume normal operations _____ today's _____ outage?

Is there _____ we _____ get back _____ normal _____ magnitude of outage?

Will _____ be back online _____?

_____ there _____ idea on how long _____ take to _____ blackout like _____?

_____ long does _____ to _____ recover from _____ system failure?

How _____ will _____ us to recover _____ extensive outage?

_____ long will it take _____ network _____ up and _____?

_____ network be _____ soon _____ this downtime?

_____ when expected to _____ back?

The _____ will _____ restored _____ this _____.

How _____ until _____ get _____ service _____?

_____ network will take a _____ to recover _____.

_____ you have an idea when the _____ up _____?

_____ or estimates _____ may _____ to _____ operational networking infrastructure after the power _____.

How _____ do _____ reckon it _____ to _____ recover after _____ major _____?

Can you _____ an update on _____ can _____ normal?

_____ can _____ network _____ back _____ normal?

When _____ going _____ from _____ one?

Network _____ when is _____ gonna come _____?

Network died _____ so when _____ back?

_____ will it _____ until there is _____ restoration?

When can we _____?

When can we _____ to _____ back _____?

_____ the _____ will be back _____ is _____ for _____.

Is there _____ normal operations to _____ network failure?

_____ know when the _____ will be _____ again _____ major outage.

_____ longer _____ it take to get _____ network _____ and _____?

_____ time _____ take to _____ our network _____ running again?

How _____ time do _____ think _____ take to _____ recover _____ major _____ failure?

_____ network is _____?

_____ fast _____ get restored _____?

When will _____ up after a large _____?

What is _____ estimated time _____ after a _____ event?

_____ could we get _____?

_____ you be able to _____ after _____ in your network?

I am _____ services _____ after this _____.

_____ will the _____ be able to _____?

How ____ will ____ be ____ full service ____?

We don't ____ full restoration ____ is ____ occur.

How long ____ the darn ____ back ____?

____ know what ____ recovery ____ is after the ____?

____ an estimate for ____ it ____ take ____ repair the ____?

____ will the ____ and running after ____ major disruption?

____ when my internet will ____ after that ____.

How ____ take for the ____ to ____ restored after ____ this?

____ back ____ after that catastrophic interruption?

The ____ to be ____.

There ____ extensive downtime ____ failure.

What ____ will ____ take to ____?

Do you have ____ for restoring ____ function ____?

Is ____ a projection ____ when ____ get back ____ after ____ magnitude?

Can we expect ____ network ____ make ____?

How ____ can we expect ____ return?

We ____ to expect ____ service ____.

Is it time ____ service ____ big ____ your network?

____ be ____ time for ____ network to come ____ up?

Is there ____ projection ____ when ____ get back to normal ____ of ____?

____ we expect the ____ to ____?

____ it ____ for ____ system ____ be recovered ____?

____ network is ____ to ____ down ____ a while ____ one.

How ____ can ____ network to be ____?

____ the ____ work ____ such a failure?

Is there ____ estimation of how ____ it will ____?

____ has not been ____ since the ____.

____ a ____ frame ____ when normal ____ will ____ restored?

____ wonder how ____ until ____ restored?

____ can ____ network ____ be back on?

____ the estimated ____ for reestablishing access to ____?

Will ____ bounce ____ one?

How soon ____ running again?

Network ____ a ____ interruption?

____ don't know ____ services will ____ after ____.

How ____ until the ____ online?

When ____?

____ in ____ the network ____ be fully operational ____.

Can ____ tell me when we ____ be online ____?

____ extensive ____ caused by the ____ service resumed?

How soon ____ I expect my ____ end ____ get ____?

How ____ will ____ this big ____?

____ much ____ will ____ take to ____ network from ____ outage?

____ until the network is ____ running?

When ____ able to restore ____ problematic ____?

When ____ back?

What is the expected time ____ getting ____ running ____?

____ take ____ time for ____ system to ____ recovered?

How ____ it ____ the network is ____ again?

____ don't know when ____ back after ____ problem.

_____ will service be _____ a large network _____?

I _____ no _____ internet will return _____ that _____.

_____ we expect a _____ again?

_____ no _____ the network _____ get _____ and running again.

It's possible _____ network _____ restored _____.

Is an _____ network _____ possible?

_____ estimate of how long _____ to _____ us online again?

Is _____ tentative time _____ normal operations _____ taken into account _____?

Will the _____ up and running again _____?

_____ can _____ from major _____?

_____ will the network be _____ again _____ this?

_____ we expect a connection again after _____?

_____ a _____ of _____ outage, what is _____ downtime _____ our network?

The _____ has not _____ that _____ outage.

When will _____ come back up after _____?

Is there _____ estimate as _____ when _____ can _____ to _____?

_____ the network be _____?

_____ know _____ the network will _____ back to _____?

_____ does _____ take to _____ network after this _____ downtime _____?

_____ the network _____ back _____ soon?

How _____ will it take for _____ network _____ go _____?

_____ any _____ on _____ services _____ resume?

What time will my _____ come back _____?

Can _____ give _____ network restoration time?

When _____ network _____ to normal _____ an interruption?

Is _____ estimate to when _____ will _____ to _____?

_____ long _____ it take for _____ to _____ from _____ outage?

_____ an exact time _____ network recovery _____ outage?

_____ the _____ be back _____ soon.

_____ it _____ to _____ network _____ again?

_____ don't _____ full _____ of service is going _____.

_____ recover from _____ outage?

_____ there _____ information _____ recovery _____ outage?

After _____ big _____ can _____?

_____ or _____ when _____ may regain access to the _____ networking _____ power cut?

_____ can the _____ be _____?

Do _____ recovery time is _____ outage?

_____ long will it _____ for full service _____?

When _____ online?

When will _____ able to expect the _____?

When _____ my internet _____ back _____ huge _____?

After _____ failure, when _____ we expect a _____?

When will _____ to our fully operational _____ infrastructure _____ the _____?

Do _____ know when _____ after _____ problem?

Is _____ any idea on how long _____ a _____ network outage?

How _____ till the _____ is _____?

What is the _____ time _____ our _____?

When would _____ online?

Can _____ give _____ an update on _____ can expect the _____ fully _____?

We would like _____ when _____ the network _____ be operating _____.

Can anyone _____ estimate on _____ the _____ restored?

What time _____ expected _____ to be _____?

_____ extensive _____ caused by this _____ failure _____ service.

The _____ restored just yet.

_____ long will _____ for our _____ recovered after _____ extensive outage?

_____ estimate for when _____ network will be _____?

When _____ from _____ downtime?

_____ can _____ network come back _____ such _____?

_____ the network _____ going _____ be _____ running again?

_____ there a timetable _____ service _____ network interruption?

_____ we be _____ to regain access to _____ fully _____ infrastructure following _____ cut?

How _____ I _____ my misery _____ end _____ get _____?

Is _____ information _____ recovery timelines _____ outage?

_____ need to _____ when _____ can be _____ again.

How _____ our _____ up and _____ again?

_____ you intend _____ service _____ a big disruption?

Can _____ tell me when _____ expect _____ return _____ normal?

When do you _____ service to be _____ a _____?

_____ will it take _____ get _____ again?

_____ it bounce _____ from _____ downtime?

Do _____ when _____ be _____ to restore _____ network?

When _____ expect _____ to be _____ up?

How _____ will _____ take _____ service to _____ restored _____ network _____?

Will _____ darn network _____?

Do _____ expect _____ a big disruption?

_____ Network _____ back from the depths of _____?

_____ soon can we expect _____?

_____ long will the _____ be down _____ it _____?

_____ we _____ regain _____ to the _____ infrastructure after this _____ power cut?

When _____ we _____ a connection _____.

Do you know _____ can _____ function after _____?

_____ you give _____ update on _____ the _____ be back _____ normal after _____?

_____ when is Network going _____ come back _____ of _____?

Will _____ network _____ from this _____?

Can you tell me _____ for _____ function _____ this _____?

Will the network _____ a major outage?

_____ might expect _____ service restored?

My internet will _____ after the crash.

_____ we expect _____ restoration?

_____ is _____ until this _____ again?

When will _____ network _____ large _____?

How soon _____ expect service _____?

Will _____ back up _____?

_____ recovery after an _____?

_____ it take for service to be _____ network interruption?

How much time will _____ for my _____?

The _____ be _____ soon.

_____ the _____ be _____ after this?

_____ long is it _____ take to _____ our _____?

Service _____ resume _____ a _____?

Is _____ an amount of _____ the _____ come back _____?

_____ will _____ network _____ working again?

Does _____ know when services _____?

Can _____ give _____ on _____ status _____ the _____ given the recent _____?

_____ long _____ it _____ for _____ network to be _____ after _____?

_____ back from _____ downtime?

_____ it going _____ for our _____ to get back _____ normal?

_____ you _____ how _____ it will take _____ recover from _____?

Can _____ update _____ when _____ network will _____ functional again?

When will our network _____ facing _____ an _____?

_____ died big time, and when _____?

_____ network _____ down for a _____.

_____ a _____ frame _____ system _____ be completely recovered?

When _____ get back _____?

Network _____ time so when _____ it _____?

_____ like to _____ when we can expect _____ to _____ back _____.

_____ would we expect _____ come _____ on?

_____ question _____ when the _____ will come _____ up.

When will _____ service resume _____?

Is there _____ idea on _____ it _____ to _____ a network _____ like _____?

Is there an _____ time _____ the entire _____ to _____?

We don't know _____ full _____ of service.

_____ provide _____ with _____ estimate of _____ time it will take _____ networks to _____?

Service _____ after this _____?

What _____ for _____ our network?

_____ anyone _____ me when _____ services _____?

_____ long _____ it take _____ after this event?

When will the _____ be _____ after _____ interruption?

I don't _____ when we can expect _____ online.

_____ don't _____ we can _____ full restoration _____ at _____ point.

_____ up and running again.

At _____ will we be able _____?

Is it possible _____ the _____ recover from _____?

_____ don't know _____ will _____ from such an _____.

We want _____ know when the _____ will _____ back up _____.

Getting _____ network _____ again _____ issue.

How long _____ take to get _____ working _____?

When _____ should expect the _____ to _____?

_____ recover _____ an _____?

_____ be able _____ the problematic network?

What _____ frame do _____ have for recovery _____?

We _____ when the _____ be _____

Network _____ down, when _____ come _____?

_____ the _____ online after this?

_____ we _____ able to get _____ network _____ online?

_____ long _____ take to _____ services _____ network interruption?

_____ the network _____ be up _____.

_____ expected to come _____?

The network is _____ down for _____ while due to _____.

_____ long _____ network is back?

Is _____ an _____ of how _____ will take _____ system _____ recover?
_____ network _____ be _____ soon.

When _____ to restore the _____ that _____ disrupted?
_____ it _____ an estimated _____ for our _____ be _____ normal?

Is there _____ how _____ it will take _____ resolve _____ large network _____?
_____ happen when _____ network _____ down like this _____?

How _____ will _____ network _____ this disaster?
_____ will it _____ for _____ after an event like _____?
_____ are _____ to expect a working _____?

How _____ will _____ to be fixed following _____ outage?

We don't _____ what _____ full restoration _____ happen.

_____ expect _____ network _____ come back _____ normal?
_____ down _____ a long time and _____ it be _____ up?

How _____ can it take _____ service _____ restored?
_____ give an _____ the time _____ will _____ to _____ the network?

How _____ will _____ back _____ line?
_____ you _____ an estimate for _____ amount _____ it will take _____ the _____?

When _____ regain access _____ the _____ operational _____ infrastructure _____ power cut?
_____ will _____ be up and running _____?

When _____ expect _____ the _____ back?
_____ online after the outage?

_____ can we _____ full _____ of _____ such a large _____?

How long _____ it _____ from this _____?
_____ like _____ when _____ can expect the network to _____ again after the _____.

_____ is _____ the _____ up and running again?
_____ long do _____ have _____ wait _____ get _____ network up and _____?
_____ long should _____ restored _____ a significant network interruption?
_____ will _____ network _____ back up _____ running _____?

Can _____ a working connection _____ devastating failure?
_____ tentative timetable for normal _____ return?

Will _____ come back _____ crash?
_____ we can expect _____?

How long will _____ to get _____?
_____ will _____ get _____ working _____?
_____ long _____ going to take for our network _____?

Will _____ network _____ back online _____?
How long will _____ system to _____ fully _____ after the _____?

_____ it _____ to _____ our _____ running again?
_____ there _____ it will _____ to resolve such a large _____ blackout?
_____ expect the _____ to return?

When will we _____ access the _____ infrastructure _____ the power _____?
_____ long will it _____ before _____ after _____ outage?

_____ network _____ be restored _____ extensive _____.
_____ long _____ the network _____ functional _____?

Can you give me _____ on _____ the network _____ be _____?
_____ long _____ to recover the _____ this outage?

_____ long after _____ network be up and running?
_____ network _____ be back _____.

Do _____ when service will be _____ after _____?

How long will _____ take to _____ interruption?

We _____ when _____ is going to be _____.
 Is _____ a timescale for the complete _____?
 _____ many _____ will _____ network be _____ and _____ again?
 _____ a _____ when will _____?
 How _____ should _____ take for _____ to be restored _____ event?
 _____ give us an _____ when the networks _____ online after _____ crash?
 _____ want _____ can expect the network _____ come _____ online.
 _____ it take for the _____ to come _____?
 How long _____ we can _____?
 _____ is _____ expected _____ after _____ significant network interruption?
 _____ the _____ recovery _____ for _____ network?
 _____ long _____ it _____ for _____ service to be _____?
 _____ network _____ for some time.
 _____ you give us an estimate _____ how _____ will take _____ to _____ up?
 _____ you know when _____ network _____ be _____ running?
 How _____ will it take _____ up _____ running again?
 _____ when the _____ will return to normal?
 Is there any _____ will _____?
 _____ an _____ time for complete _____ our system?
 _____ was wondering _____ my internet would _____ back _____.
 When will _____ be _____ the network disrupted _____?
 The _____ be _____ after this _____.
 Can we _____ connection again _____ failure?
 _____ probably restored _____?
 _____ can _____ network come _____ to _____?
 _____ before _____ network is working _____?
 _____ have _____ estimate of _____ we'll be _____ again?
 _____ is _____ of when the _____ return _____ normal?
 This major _____ downtime, and _____ service _____?
 How long _____ going _____ take us _____ network _____ and running _____?
 We _____ know _____ we _____ expect the network _____ return _____.
 How _____ will it _____ our network after this _____?
 _____ much _____ will it _____ the _____ to be _____?
 _____ you know _____ the _____ timelines _____ this?
 _____ can _____ network be restored _____ a _____?
 _____ are you _____ to _____ service _____ a disruption?
 Is _____ an _____ time for _____ to be _____?
 _____ is _____ point _____ which _____ can expect full _____ service?
 _____ is the _____ for _____ to _____ back on?
 How _____ are _____ get our network up _____ again?
 When will _____ be _____ regain access _____ fully _____ infrastructure following this massive _____?
 Is _____ time for _____ network _____ come back _____?
 Was _____ an _____ for the _____?
 After _____ devastating _____ we _____ a working _____ once more?
 _____ will _____ recovery _____ after _____ outage?
 Is there any information _____ the recovery _____?
 How _____ a working _____ again?
 Is it _____ for _____ today's network outage?
 Do _____ network functions after this outage?
 We do not know _____ can _____ a _____.

_____ there an idea on _____ will _____ resolve _____ significant _____ black out?
 How long _____ to _____ our network _____ and running again _____ outage?
 How _____ will _____ be _____ a network interruption?
 Is _____ any _____ for normal _____ be restored?
 How _____ we _____ service to _____ back _____?
 _____ network hasn't been _____.
 Is the network _____ to be back _____?
 When might _____ to _____ service _____?
 _____ there an estimated _____ window after _____ severe _____?
 _____ long _____ expected to _____ our network to be _____?
 _____ we _____ network will be _____ again after _____ failure?
 The _____ will come _____ crash.
 Network _____ or _____?
 _____ back _____ after the outage?
 When can we _____ connection _____.
 _____ don't _____ network _____ be back to normal.
 _____ can _____ the network to be back _____ normal?
 _____ when _____ network will be _____?
 Is _____ that network _____ possible?
 Do we know _____ will _____ normal?
 When the _____ will be _____ a major _____?
 _____ you have _____ will take to get us back _____?
 When _____ it _____ online after _____?
 We don't _____ when _____ network _____ be _____ again.
 _____ about when _____ will resume after this big _____.
 _____ will we _____ back _____?
 _____ network to be restored _____ to normal?
 When _____ be able to restore _____ a big _____ network?
 Is _____ any projections on when _____ can _____ to _____ like this?
 When _____ a problematic _____?
