

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Network coverage and availability questions
Inquiry Sub-Category	Slow internet speed
Description	Customers experience consistently slow internet speeds, and this category includes inquiries regarding potential reasons behind the issue and possible solutions to improve the speed.
Data Size	5,031 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Is distance from the _____ our _____ and resulting in _____?

Is proximity a _____?

Does being further away _____ the _____?

Is _____ that being _____ far away from _____ internet _____ cause _____ signal _____?

Is _____ slower _____ it's far _____ router?

Is _____ possible _____ being far away _____ is causing _____?

I'm wondering _____ away from _____ internet _____ harder for _____ to _____.

_____ wondering _____ away from the _____ me _____ have slower _____.

_____ possible that being a _____ distance from _____ slowing _____ connections?

_____ it the distance _____ causing _____ wi-fi?

I'm _____ if being a _____ away from _____ is causing _____ more _____.

_____ it possible _____ weak _____ is caused by _____ from the _____?

Is _____ being far from _____ router that _____ slows?

I'm wondering _____ long distance away from _____ me have a harder _____.

_____ wondering _____ being far away _____ my _____ to _____ slow connections.

Being _____ from _____ internet _____ can be causing _____.

_____ too _____ away from the _____ could cause reduced surfing speed?

_____ being _____ away _____ causing slower connections?

_____ from my internet _____ it to slow _____.

_____ possible that being too _____ away _____ the _____ impacting _____ speeds?

Is it _____ that _____ internet _____ is affected by _____ signal and _____ router

Are we experiencing decreased _____ we _____ far away _____ wireless _____?

_____ it _____ being _____ far away from _____ wi-fi _____ signal strength?

I'm wondering if being _____ distance away _____ is _____ connections.

It is possible that _____ my internet connection _____.

It might _____ far _____ my internet connection is _____ connections.

_____ it possible _____ the _____ from _____ routers is _____ speeds of _____?

_____ strength _____ be compromised _____ distance from the router.

Is _____ possible _____ being _____ distance away _____ my routers _____ sluggish _____?
 _____ it _____ being far from my broadband is _____?

Is _____ far _____ from the routers _____ internet service?

I _____ being _____ long way away _____ my internet is causing _____ slower _____.
 _____ it _____ being _____ distance from _____ causes my connections _____ be slow?
 _____ it possible that _____ too _____ away _____ internet _____ strength and reduces surfing _____?

I'm _____ being away from my internet is _____ it _____ online.

Is it _____ being far from _____ is _____ things _____?

I am _____ if _____ my internet is _____ me _____ connections.

Weak _____ caused by _____ far from the _____.
 _____ it possible that _____ too far _____ source could cause _____ in _____ strength?
 _____ wondering _____ from my internet is causing _____ to _____ slow connections.

Is _____ slower _____ far from _____?

I'm wondering _____ far _____ from _____ internet _____ making _____ slow.

I'm wondering if being _____ away from _____ me to _____ slow _____.
 _____ it _____ being far from my router is _____?

Is _____ the internet _____ is _____ the distance between _____ router _____ signal?
 _____ the weak _____ due _____ far _____ from it?
 _____ wondering _____ away from _____ making it _____ to connect.

I _____ being far _____ from _____ causing me to have _____ connections.

It's _____ that _____ far _____ my _____ connection _____ connections.

_____ it _____ being _____ away from _____ internet _____ decreases signal strength?
 _____ if being a _____ distance _____ my _____ is making it _____ to _____.
 _____ wondering if being too far _____ from the _____ is _____ have _____.
 _____ possible _____ being far _____ connection is _____ connection slower.
 _____ wondering if _____ a _____ distance away _____ internet is _____ more trouble.

Our internet _____ be slowed _____ if _____ not _____ to _____ router.

Are we experiencing decreased _____ because _____ away _____ the home _____ hub?
 _____ far away _____ a wireless _____ cause _____ signal to _____?

_____ it _____ that being _____ our wi-fi _____ could cause less _____ strength?

Slower _____ be related to the _____ proximity from _____.

_____ possible that being _____ from _____ source will decrease signal _____?

Is it possible that _____ away _____ our wi-fi _____ could _____?

_____ far away from my _____ the connections _____?

It could _____ away _____ my _____ connection causes _____ connections.

Is _____ that being _____ away _____ the _____ the signal weak?

Is it _____ further _____ from _____ wireless _____ causes issues?

I'm _____ if _____ long away from my _____ is making _____.

Is it possible that _____ wi-fi _____ would _____ by _____?

Is it _____ being far away _____ the _____ that _____?

Is _____ signals in _____ wi-fi _____?

It is _____ that being _____ making things slower.
 _____ away from _____ network making the _____ slow.

Is _____ possible _____ too far away from our _____ could cause _____?

It is _____ being far from _____ my _____ connections.

Is _____ possible that _____ are _____ by _____ the routers.

Is _____ being far from my _____ causes _____?

Our _____ speeds _____ be _____ by the distance _____ the _____.
 _____ being away _____ a wireless _____ the _____?

Are we _____ decreasing _____ speed because _____ far away _____ wireless _____?

_____ possible that being _____ routers is making _____ more _____?
 I'm _____ a long _____ away from my _____ things down.
 Is _____ because I _____ from _____ causing _____ connections?
 _____ if a _____ away _____ my _____ is _____ it harder to connect _____.
 Are _____ diminished connection _____ because we _____ from our _____ wireless hub?
 Weak and _____ could _____ caused _____ Router distance.
 _____ being _____ my internet causes me to have _____ connections.
 Is the _____ strength caused by _____ proximity _____ router?
 It _____ be _____ far _____ my internet _____ slowed _____ connections.
 _____ because of distance?
 Will _____ far _____ from _____ wireless _____ an impact _____ the _____?
 Can _____ on how far _____ we _____ from _____ router?
 Is _____ to weaken wi-fi _____ from the router?
 I'm wondering _____ being _____ long distance _____ is making _____ experience _____ connections.
 Are we experiencing _____ connection _____ we are _____ away from _____?
 _____ if being a _____ away from my internet _____ my _____ connection _____.
 There _____ that the internet _____ is affected _____ distance between the _____ signal _____ my _____.
 Is a weaker _____ from the access _____?
 _____ if being a long distance _____ from _____ causing _____ more trouble _____.
 _____ wi-fi and _____ might _____ the distance _____ the Router.
 _____ being _____ wireless router cause the _____ to _____ down?
 _____ possible _____ the internet speed is _____ between the internet _____ and the _____.
 _____ if being _____ away from my internet is causing _____ more _____.
 I'm _____ if _____ distance _____ from my internet _____ my _____ slower.
 _____ wi-fi all due to how _____ away _____ are _____?
 I'm _____ if being _____ away _____ internet is causing me _____ have _____ it.
 _____ slow because _____ distance?
 _____ possible that _____ from _____ routers _____ weaken the signal?
 Is _____ distance of the _____ harder _____ connect _____ the _____?
 _____ speeds might be _____ by the _____ router.
 I'm _____ if being _____ my internet makes _____ connections _____.
 _____ wondering if _____ a long way from my _____ to have _____.
 _____ weakness _____ the wireless _____ due to _____ far _____ are?
 _____ it _____ that _____ away _____ our _____ source _____ signal strength?
 _____ internet speeds _____ affected by being _____ away from _____?
 _____ if _____ a long _____ from _____ internet is _____ me _____ have _____ connections.
 _____ it possible _____ far away from our internet _____ cause a _____ in _____?
 _____ internet slower because _____ from the _____?
 Is it because we are _____ away from _____ that _____ decreasing?
 _____ it because _____ from the router _____ internet _____ slower?
 _____ possible that _____ farther _____ router causes issues _____ the internet?
 Is it possible _____ the _____ issues _____ caused _____ further _____?
 _____ the _____ speeds _____ due to the _____ from our _____?
 _____ long-distance _____ our _____ causing sluggish _____?
 _____ wondering _____ far away from my internet _____ down.
 Is _____ possible that being too _____ from our _____ source could _____?
 Is _____ being _____ from _____ router can impact _____ internet speeds?
 Is it possible _____ weaken the wi-fi _____ being _____?
 _____ it possible that being _____ from the routers _____?
 _____ from _____ internet connection _____ the connection slower.

_____ wondering if _____ a _____ way _____ from the internet _____ to _____ slower _____.
 _____ internet connections _____ be caused _____ a weak _____ signal _____.
 I'm wondering if _____ a long distance _____ my internet connections.
 Is it possible _____ being _____ from _____ impacts my internet _____?
 Our overall _____ may be _____ by _____ distance we _____ router.
 _____ it _____ our wi-fi when we _____ from it?
 _____ if being _____ from _____ internet _____ to _____ more trouble connecting.
 I'm wondering _____ internet is making my _____ connection slow.
 Is _____ a chance that _____ internet _____ by _____ between the internet signal _____ my _____?
 _____ being far away _____ routers _____ things _____?
 _____ overall connection speeds _____ by the distance _____ router.
 Is it _____ that _____ from _____ is making _____ slower?
 _____ experiencing decreased connection speed _____ we are _____ wireless _____?
 Is it possible _____ our _____ would _____ weakened _____ decreased _____ the _____.
 Is it possible _____ being far away _____ router _____ my _____?
 Is _____ possible _____ wi-fi _____ by being further _____ modem?
 _____ wondering if being _____ from my _____ causes me _____ experience _____ connections.
 It _____ be that _____ far from _____ slowed _____ connections.
 _____ it possible _____ a long _____ routers is causing sluggish _____.
 _____ away from the wireless router _____ lead to _____ connection?
 Is _____ that being _____ routers _____ slowing things down?
 I'm _____ far away from _____ internet is making _____ slower.
 Is the reason _____ due to _____?
 _____ wondering if _____ far _____ my internet _____ it _____ difficult to _____ it.
 _____ being _____ way from my internet _____ slowing _____ down.
 _____ being far _____ routers _____ the performance _____ internet?
 _____ because _____ am far from my _____ that connections _____?
 _____ wondering if _____ from my internet is _____ for me _____ it.
 Could the _____ between the device _____ down _____ broadband _____?
 Is it _____ far from my _____ is making _____?
 Is our wi-fi's _____ affected _____ from _____ routers?
 _____ far from _____ can cause slower _____.
 Is it possible that _____ affected _____ the distance _____ and the router.
 _____ wondering _____ internet _____ making it more difficult to connect.
 I'm wondering if _____ from the internet is _____ down.
 It _____ be that _____ far _____ from my _____ internet _____.
 Being too _____ away _____ internet connection may be _____.
 _____ it _____ that internet is _____ because _____ is _____ from _____?
 _____ weak _____ signal _____ to _____ cause slow connections.
 _____ possible _____ far _____ from _____ wireless Router will affect the _____?
 Is _____ wi-fi _____ distance?
 Being far _____ from _____ slowed down _____ internet connections.
 _____ the internet speed affected by the _____ my _____?
 Is _____ being a long _____ from _____ routers _____ causing poor _____?
 _____ signal strength _____ be caused by _____ far _____.
 _____ possible that _____ a _____ distance from my Router _____ slow _____?
 Are _____ experiencing a decrease in connection speed _____ from _____ wireless _____?
 Is _____ possible _____ the _____ signal is _____ far from _____ Router?
 _____ possible that long-distance causes _____ to _____ wi-fi experience?
 Slower _____ be _____ by being far _____ internet _____.

____ it ____ speeds will ____ affected ____ being ____ far from ____ router?
 ____ possible ____ internet ____ is affected by the ____ my ____ signal and my ____.
 Is the performance ____ lowered because we ____ far ____ router?
 Is it ____ that being ____ from ____ is making ____?
 Is ____ possible ____ internet ____ because it's ____ from the ____?
 Can ____ far away ____ router ____ my ____ speeds?
 It ____ be that ____ from ____ internet connection ____ making my ____.
 Are ____ a decrease in connection ____ to being too far ____?
 I'm wondering if being too ____ away ____ my connection ____.
 ____ experiencing ____ speed due to being ____ away ____ our ____ hub?
 ____ being far ____ causing ____ to ____ slow connections?
 ____ wi-fi and ____ may ____ distance of the server.
 ____ possible that being ____ away from ____ internet source ____ reduced surfing ____?
 I'm wondering ____ away ____ my ____ to ____ trouble connecting to it.
 ____ it ____ far away from ____ network will slow ____ signal?
 ____ it possible that wi-fi is ____ distance?
 It could ____ that being far away ____ slower ____.
 Is ____ possible ____ far from my routers ____ slow ____?
 It's ____ far ____ our wi-fi source will cause ____ signal ____.
 It's conceivable that being ____ long ____ making my connections ____.
 ____ if being far away ____ makes it ____.
 Is ____ far away ____ my ____ slowing down ____?
 ____ the poor wi-fi strength due to ____ router?
 ____ am wondering ____ being ____ from ____ internet ____ making it harder ____.
 ____ it ____ decreased proximity ____ the ____ our internet connection?
 I am ____ my internet is making ____ slower.
 ____ possible ____ connections ____ slower ____ of ____ from the routers?
 ____ away from ____ causing me to have trouble ____ my connections.
 Is it ____ that ____ internet is slow ____ the routers?
 ____ it ____ to weaken the ____ being farther away ____ network?
 ____ weakness of the wi-fi ____ to ____ we are ____?
 Being ____ from my ____ slowed my internet ____.
 Is it ____ that being too ____ from ____ of ____ reduced surfing speed?
 Is long-distance causing ____ affect our ____?
 Is ____ possible ____ being ____ distance away from ____ routers ____ slowing down ____?
 ____ weakness of ____ wi-fi ____ to ____ fact that ____ are far ____?
 Is ____ distance from the ____ is affecting ____ internet ____.
 Is ____ due to ____ far ____ our home's wireless hub that we ____ connection ____?
 I'm ____ far away ____ my ____ is ____ me ____ trouble ____ it.
 Slower connection ____ may be ____ proximity ____ our routers.
 ____ it ____ being far away from ____ router will ____ impact ____ signal?
 ____ possible ____ slower ____ are down to the distance ____?
 Is ____ wi-fi lagging ____ of ____?
 Is ____ affecting our wi-fi's performance ____ away ____ router?
 I'm wondering ____ away ____ the internet causes ____ to have ____.
 There is a ____ the internet ____ affected ____ the distance ____ signal and the ____.
 Is it ____ distance from the ____ our ____ speeds?
 ____ away ____ the wireless ____ slow ____ the signal?
 Is ____ of ____ distance that ____ wi-fi ____ slow?
 ____ weak ____ due ____ how far away we ____ it?

Are we experiencing _____ speed just because _____ are _____ the wireless _____?
_____ it possible _____ the _____ due to being _____ from _____ routers?
_____ wondering _____ being far _____ my _____ is _____ have slow internet _____.
_____ possible that the internet is slower due _____ from _____?

Is a weaker _____ greater _____ from the access _____?
_____ if being _____ away from my internet _____ lag.

Can the distance from the _____?
_____ because we are too _____ away from the _____ hub?
I'm _____ if _____ a long distance _____ internet _____ me _____ connecting to _____.

It's _____ that _____ from _____ connection is making _____ connections slower.

Is _____ far from _____ routers _____ making _____ connections slow?

Is _____ possible that being _____ long _____ is effecting my _____?

Is it possible that being _____ from _____ will _____?
_____ it _____ that _____ too far away _____ our internet _____ strength?
_____ internet slow _____ being _____ away from the _____?
_____ that _____ are due _____ a distance _____ the router?

Is it possible to _____ issues _____ being _____?
_____ that _____ too _____ from our _____ source makes the signal _____?
_____ possible _____ far away from the wireless _____ the _____?

Are the _____ connections _____ my _____ from it?
Is _____ because _____ being _____ away from _____ that _____ internet _____ slow?
_____ it _____ the slower connections are _____ distance _____ router?
It _____ be _____ far from _____ slowed my _____.
Is _____ because of being _____ the _____?

_____ it possible _____ too _____ routers is making my connections _____?
I'm wondering _____ being a long _____ me experience slow internet _____.

Is it _____ being far _____ router is _____ of _____ wireless network?

I'm wondering if _____ away from _____ internet causes _____ slow connections.

It's possible that being _____ things slow.

Being _____ from my _____ connection could be _____.
Is _____ possible _____ distance from _____ router _____ our Internet _____?

It might be _____ being far _____ slowed _____ internet connections.
_____ is _____ that _____ far _____ internet has slowed my _____.

Do we have decreased _____ speed because _____ are _____ from our _____?
_____ wondering if being _____ away from _____ internet is _____ slow.

I'm _____ being _____ long _____ from _____ is slowing it down.
_____ that being _____ away _____ the _____ causes wi-fi issues?

I'm wondering if being _____ my _____ causing _____ to experience slow _____.

Slow wi-fi and weak _____ by the _____ routers.

I'm _____ if _____ away from the internet _____ to connect.

I'm _____ being _____ from my internet _____ my connections _____.
_____ it _____ that being far _____ from _____ slowing things _____?

I'm wondering _____ being far _____ my _____ me to have _____.

Being _____ from _____ internet _____ may be making _____ connections _____.

I'm _____ far _____ from _____ internet is slowing _____ down.
_____ it possible _____ decreased proximity to _____ would _____ connection?
_____ wi-fi connection might be weakened _____ the _____.

_____ possible that being far away _____ my network _____?

Is _____ possible that _____ far _____ from _____ source of _____ signal strength could _____?

Is _____ that we are slow connections because _____ from _____?

_____ that _____ my internet connection causes slow _____.
 _____ wondering if being _____ is causing _____ have more slow connections.
 _____ far _____ connection might _____ causing slower connections.
 _____ possible that _____ from the _____ slows _____ internet speed?
 _____ connections can be caused _____ being _____ my _____.
 I'm _____ if _____ my internet is making me _____ with _____ connections.
 _____ weak _____ due to distance _____ internet connections?
 Does _____ signal due _____ distance affect _____ internet _____?
 Are _____ connection _____ are _____ away from our wireless hub?
 _____ if _____ a long distance _____ from my internet is _____ more trouble _____.
 Is _____ so _____ from _____ network causing slower _____?
 _____ wondering if _____ a _____ way away _____ is causing _____ slow _____ connections.
 _____ am wondering _____ being a long distance _____ my internet _____ me have more _____.
 Are _____ experiencing _____ a _____ of being too far _____ our _____ wireless hub?
 _____ away from _____ cause a slower signal?
 I'm wondering _____ far _____ from the _____ me _____ trouble connecting.
 Is internet _____ of being far away _____?
 _____ it _____ being _____ far away from _____ wi-fi source _____ causing reduced _____?
 Weak _____ could _____ be caused by _____ far _____ routers.
 Weak and _____ signals _____ be caused _____ of _____ routers.
 _____ if being a _____ my _____ is _____ my internet connections slow.
 Is it possible that _____ our _____ source can decrease _____?
 _____ possible that _____ too _____ the routers can affect _____ internet _____?
 _____ we experiencing _____ reduction _____ connection speed _____ are _____ from our wireless _____?
 Is it possible _____ too _____ our wi-fi _____ could cause _____ signal _____?
 _____ that being far away from _____ connection is _____ slower?
 _____ my network making _____ connection slower?
 _____ weak wi-fi signal _____ cause slower _____ connections?
 _____ in _____ due to _____ being too _____ away from the _____ hub?
 _____ possible _____ long away _____ is causing sluggish connections?
 Is _____ possible that slower _____ have _____ do _____ distance _____?
 It _____ be _____ from _____ internet _____ down my connections.
 _____ the weak _____ to how far _____ are from _____?
 Is _____ possible _____ far _____ routers lowers _____ performance of our _____?
 Is _____ possible that the _____ speed can be _____ by _____ distance _____ signal _____ my _____?
 _____ due to distance?
 Is it affecting our _____ performance _____ from _____ routers?
 _____ our _____ performance being affected by being _____ the _____?
 _____ it possible _____ being far from _____ my connections?
 _____ that _____ connections are _____ distance from the router.
 _____ wondering if being _____ away _____ my _____ is _____ me _____ have _____ connecting.
 Is _____ distance _____ router is affecting our _____ speeds?
 I'm wondering _____ away _____ internet is _____ connections.
 _____ if being _____ from my _____ making _____ for me _____ use it.
 _____ it possible _____ speed is affected _____ the _____ my _____ the internet?
 _____ that _____ are due to _____ far away we _____ our routers?
 Is being _____ from _____ connections slow?
 It _____ be that _____ from _____ internet slowed down _____.
 I am _____ from my internet is _____ me _____ more trouble _____.
 _____ it possible _____ far _____ from _____ causes issues with the _____?

____ it possible that ____ far from ____ is ____ down.
 Is it ____ from ____ can impact my internet speeds?
 Will ____ away ____ wireless ____ lead to slower ____?
 Is ____ that being a long ____ my routers ____ my ____?
 ____ connection ____ because ____ are ____ far ____ from the wireless hub?
 I'm ____ being a long ____ away ____ internet is making it ____ difficult to _____.
 ____ that being a ____ from my routers is making ____?
 ____ the weakened wi-fi ____ be ____ by ____ proximity ____ the ____?
 ____ it possible ____ we ____ wi-fi connection ____ decreased proximity?
 Is it ____ slower ____ the distance from the ____?
 ____ distance from ____ router could be affecting our connection ____?
 Slower internet ____ be caused ____ being far _____.
 Is ____ possible ____ my internet speeds can ____ affected by ____?
 ____ it ____ being a long distance ____ internet ____ causing slow ____?
 ____ may be ____ due ____ distance ____ the routers.
 Is ____ being too far ____ from the routers ____ internet ____?
 Is it possible that ____ signal is ____ by ____ the ____?
 Is ____ possible ____ speed to be ____ by ____ the internet signal and ____ router?
 Is the distance ____ interfering ____ the ____?
 ____ possible ____ distance from ____ wi-fi makes connection ____?
 ____ my network disrupting my connections?
 ____ internet speed ____ affected ____ the ____ between ____ router ____ wi-fi signal.
 ____ possible ____ the ____ connections ____ because ____ far ____ from our routers?
 It ____ possible that ____ internet speed ____ the distance ____ internet ____ and the router.
 Is it possible ____ connections are down ____ from ____?
 ____ possible ____ weaken the ____ signal ____ you are ____ out?
 ____ because ____ network ____ away that the connections ____ slow?
 Slow wi-fi and ____ signals can ____ caused ____ of _____.
 ____ am wondering ____ being far ____ from ____ internet ____ making ____ me ____ connect.
 ____ far ____ network making my connections ____?
 Slow and weak signals may ____ caused _____.
 Is ____ being too ____ away ____ source of ____ internet ____ decreases ____ strength?
 ____ weak wi-fi ____ distance bad for my internet ____?
 It is ____ that being ____ far ____ wi-fi ____ causes ____ signal _____.
 Weak wi-fi signal ____ slow connections
 Is ____ possible ____ a long way away ____ my routers ____?
 Is being ____ from ____ network ____ to ____ down?
 ____ it ____ being ____ far from ____ router might affect ____ speeds?
 ____ the internet slow due ____ being ____ from ____?
 Is ____ possible that ____ from the ____ speed?
 It ____ be ____ far from my internet ____ it _____.
 ____ internet speeds be ____ by ____ far away from ____?
 ____ the ____ our wi-fi ____ hampered ____ being far away ____ the ____?
 ____ experiencing ____ speed just ____ we are far away ____ wireless hub?
 Is it ____ signal while you're farther ____?
 ____ possible ____ internet speed may be ____ by the distance between ____ internet ____ my ____?
 Is it possible ____ being ____ our ____ source could cause ____ surfing _____.
 ____ it possible that being ____ from ____ will ____ slower ____?
 ____ if being far away ____ my internet ____ more slow _____.
 Is it ____ that ____ long way ____ my ____ causes ____ connections?

_____ being _____ from the _____ is making my connections _____.

Is _____ slower _____ due _____ distance?

Is it possible _____ weaken the _____ being so _____?

_____ wondering if being a _____ my _____ making my connection _____.

_____ the distance from _____ wi-fi _____ the _____?

_____ the problem with slow _____?

I'm wondering _____ being far _____ from _____ internet _____ have _____ connections.

Is the weakness of _____ wi-fi _____ far _____?

_____ being _____ away from the _____ the signal?

Is _____ possible _____ connections are _____ to the _____ router?

_____ could be that _____ from _____ slowed down _____ connection.

_____ may _____ far _____ internet connection _____ making my connections slower.

Is _____ that _____ further away from the _____ causes _____?

_____ wondering if being _____ long _____ from _____ effecting _____ internet connections.

I'm wondering if being far away _____ causes _____ connections.

_____ wi-fi _____ be _____ by the router distance.

Can we _____ connections _____ due to _____ router?

I _____ being far _____ my internet _____ making me _____ slow _____.

_____ being too far away from _____ my internet _____?

Is _____ that _____ weak signals _____ our wi-fi experience?

Are _____ speed because we _____ away from _____ wireless hub?

Is it _____ being _____ from the _____ the _____ of _____ wi-fi?

It might _____ that _____ far _____ my _____ slowed _____ down.

_____ wondering if _____ a _____ away _____ is causing me _____ connecting.

_____ we _____ decreased connection _____ too far away from _____ home's _____ hub?

Is _____ being _____ away from the _____ router _____ problems?

_____ it _____ that _____ distance from the router may _____ our _____?

It _____ possible that being _____ making my internet _____ slower.

I'm wondering if being _____ away _____ is slowing _____.

_____ far _____ network caused _____ connections?

Is _____ possible _____ being _____ is affecting my connections?

It _____ be _____ being _____ from _____ slowed _____ my internet connection.

_____ being far away _____ the _____ router _____ a _____?

_____ we say that _____ connections are due _____ distance _____?

_____ wondering _____ being _____ long way _____ from my _____ me _____ trouble connecting.

_____ wondering if _____ far away _____ my internet _____ to _____ connections.

_____ internet could _____ due _____ distance from the _____.

Slow connections are _____ caused _____ from _____ router.

_____ possible being _____ my routers is _____ things _____?

_____ the connections _____ because I'm far _____ network?

Being far from my _____ could _____.

It's _____ too _____ our _____ source reduces signal strength.

_____ possible that _____ far _____ provider is making _____ connections slower?

Is it _____ the distance _____ affecting _____ connected speeds?

_____ that _____ far _____ the _____ connection causes slower connections.

Is my internet _____ by _____ too _____ from _____ router?

_____ being a _____ away _____ internet is hurting my connections.

_____ if _____ a _____ way away _____ my _____ is making my internet _____.

Is _____ far _____ from _____ making things _____?

Is _____ from _____ network making _____ slow.

_____ slower due to being far _____ the _____?

Being _____ internet connection could _____ causing slower _____.

_____ away from my internet _____ slowing _____ my _____.

_____ connection speeds may _____ affected by _____ distance _____ the _____.

Is _____ distance between the _____ and _____ wi-fi _____?

Is _____ possible that _____ slower _____ to distance from _____.

I'm wondering _____ far _____ from _____ is making it _____ to _____.

_____ it possible _____ far away _____ wi fi _____ decreases signal _____?

_____ it _____ that the _____ distance from my routers _____ my _____?

Is _____ we _____ far _____ from our home's _____ that _____ have decreased connection _____?

Is it possible _____ a result of _____ the _____?

_____ weak wi-fi _____ result _____ how _____ away _____ are?

_____ distance _____ the _____ connection slower?

I'm wondering _____ a _____ internet slows it down.

Is it possible that _____ is affecting the _____ of our _____?

_____ possible _____ being far _____ from _____ wireless _____ will _____ slower internet?

_____ wondering if _____ far _____ from the internet _____ to have _____ trouble _____.

_____ the internet slower _____ to _____ far _____ the _____?

_____ sure _____ being _____ away _____ my _____ is making _____ difficult to connect.

_____ it _____ that _____ far _____ my router _____ causing slow _____?

_____ possible _____ internet speeds _____ too far away from the _____?

Does _____ further _____ from _____ connection _____ issues?

Is _____ from my network _____ the _____ connections?

_____ connection slower _____ of the _____ the wi-fi?

_____ possible that being _____ from my _____ is _____ connections.

Is _____ possible that being far _____ my _____ slower?

Will _____ far away _____ wireless router affect _____?

Is long-distance _____ our wi-fi experience _____?

Is _____ far _____ from _____ my connections?

_____ wondering if _____ long away _____ my _____ to experience _____ connections.

Is being _____ way from my _____ causing _____?

Are we experiencing _____ speed because we _____ far _____ wireless _____?

Is it _____ being _____ from the _____ lowering _____ performance of _____?

_____ possible that being _____ from a wi-fi _____ decreases signal _____?

_____ it _____ weaken our wi-fi _____ proximity to the _____?

_____ distance between _____ signal affect my speed?

_____ it possible _____ away _____ my internet provider _____ making _____ slow?

I'm _____ if _____ far _____ from my internet _____ connection to _____.

Is being far _____ wireless router _____ to have _____ the _____?

Would _____ wi-fi connection _____ caused _____ to the routers?

_____ because _____ too far away _____ our home's _____ hub that _____ connection _____ decreasing?

Will _____ away from a wireless _____ a _____ in _____?

_____ weaker connection correlate _____ farther _____ access point?

_____ speed because we are too _____ from _____ wireless hub?

Is _____ that _____ connections _____ of distance _____ the network?

Is _____ weak wireless signal perpetuated _____ main internet hub _____ sluggish _____ rates?

Is it _____ far away from _____ will cause the signal _____?

I _____ wondering if _____ far away from my _____ causing me _____ more trouble _____.

It _____ that _____ away _____ internet connection is _____ slow connections.

_____ the signal strength compromised _____ far _____ from _____ router?

____ it ____ my ____ is ____ that ____ connections are slower?
 I'm wondering ____ being long ____ causing me ____ experience slow ____ connections.
 Is ____ possible ____ internet ____ could ____ by being ____ the router?
 ____ from ____ making ____ connections slow?
 Is ____ possible ____ far away ____ the routers ____ the performance ____ ?
 I ____ wondering if ____ a ____ my internet is ____ have ____ with my connections.
 ____ it ____ that being ____ far away ____ our wi-fi ____ strength?
 ____ the ____ slow ____ far ____ the router?
 ____ we experiencing ____ decreased ____ speed because ____ too far ____ our wireless ____ ?
 ____ making ____ connections slow ____ I am far ____ my ____ ?
 Are ____ connection speed simply because ____ away from ____ home's ____ hub?
 Does ____ wireless connection worse?
 Is ____ being ____ far from the ____ impact ____ internet speeds?
 ____ long-distance ____ that affect our ____ experience ____ we're online?
 Is ____ lag in wi-fi ____ ?
 It could be ____ being ____ away ____ slowed down ____ connections.
 ____ possible that ____ too ____ away ____ internet source could ____ reduced surfing ____ ?
 I'm wondering ____ is making it harder for ____ connect.
 ____ weak wi-fi signals ____ we moved further ____ ?
 ____ if being far away from ____ me ____ have slower ____ .
 Is ____ is making our wi-fi ____ slower?
 ____ speeds ____ a ____ of the ____ proximity ____ our routers.
 Is ____ wireless ____ caused by ____ from the internet ____ ?
 ____ weak signals are ____ by the ____ the Router.
 ____ being ____ away ____ router ____ my internet speed?
 Being ____ from my network ____ .
 ____ if being a long way ____ from ____ is ____ slow ____ .
 Is ____ possible that being ____ from my ____ is ____ ?
 ____ it possible ____ wi-fi ____ by being further ____ it?
 ____ we ____ reduced connection speed just because we ____ far ____ from ____ ?
 It might ____ being ____ from my internet ____ my ____ connections.
 ____ performance of our wi-fi ____ by ____ so far ____ from ____ ?
 ____ that being far from my ____ is ____ connections.
 ____ that being far from my ____ connections slow.
 ____ causing weak signals ____ network?
 It is possible that being ____ making things ____ .
 Is ____ possible that being too far ____ wi-fi ____ signal ____ ?
 I'm ____ if ____ a long way ____ causing me to have ____ .
 Is ____ that being ____ away ____ broadband is ____ slow?
 Does the distance ____ and ____ affect ____ internet ____ ?
 Is the ____ connection speed ____ our home's wireless hub?
 ____ if being a ____ away ____ internet causes ____ have trouble with ____ .
 I'm wondering ____ being ____ from my ____ a slower connection.
 I'm wondering ____ far ____ from ____ internet is making ____ connect.
 I'm wondering ____ too far away ____ my internet ____ more ____ connecting.
 Is ____ away ____ the network causing ____ connections?
 ____ it possible ____ internet speed is ____ distances ____ the internet ____ my routers?
 Why are ____ when we move further ____ ?
 ____ being ____ distance ____ from ____ internet makes my internet ____ slower.
 ____ if ____ long way away from my ____ causes ____ have ____ slow ____ .

Is _____ far away from our _____ decreases signal _____?

_____ it _____ that the distance _____ could affect _____ speeds?

Slow wi-fi _____ can _____ caused _____ the _____ between _____ routers.

_____ we decreasing _____ because _____ are _____ our home's wireless hub?

I'm _____ being far _____ internet is _____ me _____ internet _____.

_____ possible _____ from my internet has _____ my _____.

Is being _____ away from _____ connections?

Is it _____ slow _____ to how far we _____ from _____?

_____ experiencing _____ decrease in connection speed _____ to _____ too far _____ from _____?

Lackluster connexion _____ be caused _____ a weak wireless signal _____ by _____ distance from _____.

Is _____ possible _____ connections are related to the _____?

_____ am wondering _____ being a long distance away _____ my _____ down.

The speed _____ could be affected by _____ the _____.

_____ it possible _____ distance _____ the routers _____ slowing _____ wi-fi?

_____ it possible _____ being _____ affecting the performance of our internet _____?

Slow wi-fi _____ weak signals are _____ the _____ routers.

Is it because of _____ distance that _____ is _____?

_____ a long distance _____ from my _____ is _____ me to connect.

Is it _____ being _____ away _____ my _____ is _____ slow connections?

_____ wi-fi _____ weak signals may be _____ by a _____.

_____ it possible that _____ far _____ my router _____ things _____?

Is it possible _____ from my _____ is making _____?

_____ it _____ that _____ far _____ the _____ making things slower?

I'm _____ way _____ my internet is _____ my internet connection slow.

Is _____ that being further _____ from _____ cause _____ connections?

_____ it _____ that being _____ away _____ router will impact _____ speeds?

_____ from my network _____ slow _____?

_____ my _____ speeds _____ affected if I'm too _____ the _____?

_____ wi-fi _____ signals may be _____ the distance the _____ are _____.

Is the decrease _____ because _____ are too _____ away _____ our wireless _____?

_____ possible _____ connections to _____ blamed on _____ the routers?

Slow _____ be a _____ of being _____ far _____ the _____.

It _____ possible that _____ by _____ distance between my _____ and internet _____.

_____ decrease _____ connection speed due _____ being too far _____ from our _____?

I'm wondering _____ being _____ away from my internet _____.

Is it _____ is slow _____ it's far from _____?

The gap between the _____ the _____ slow down _____.

I'm wondering if _____ my _____ causing _____ to _____ more trouble connecting to _____.

_____ it _____ that internet is _____ because of _____ network?

I'm wondering _____ being _____ away _____ my internet causes _____ to _____.

Slower _____ rates may be _____ wireless signal perpetuated _____ increased _____ main internet hub.

Being far away _____ my internet _____ connections.

_____ it _____ being _____ far away from _____ signal _____ and _____ surfing speed?

It _____ that _____ away _____ wi-fi source could decrease signal _____.

Does the distance between us and the router _____?

_____ wondering _____ a _____ from _____ is making it hard _____ me to connect.

Is _____ too far away _____ our wi _____ could affect _____ strength?

Slow internet _____ due _____ a _____ can be caused _____.

_____ being far _____ my _____ causing _____ slower _____?

Is _____ possible that the _____ the distance between the internet _____ and _____ Router?

_____ far from _____ a slower connection?

Is it possible that slower _____ to _____ the _____?

_____ it possible that _____ from _____ router causes slower _____?

_____ long-distance _____ our _____ experience _____ causing weak _____?

Is _____ possible _____ far away from my _____ slower connections?

Is _____ possible to weaken our _____ by _____ to the _____?

_____ lowering the performance of _____ internet _____ are _____ the router?

_____ the distance between _____ router _____ the internet _____ it _____?

_____ far from my internet _____ causing _____ connections.

Is _____ causing _____ wi-fi experience when online?

Is _____ possible that _____ too far _____ the _____ my _____ speed?

Is _____ that _____ internet _____ is _____ by _____ distance _____ the internet _____ my _____?

It _____ that _____ the internet has _____ my connections.

_____ being _____ from _____ slowing things _____?

Can _____ from _____ router _____ down our internet _____?

_____ it possible _____ our connection _____ decreased proximity _____ the routers?

_____ it possible for _____ router _____ down our internet _____?

Is it _____ that being _____ the router _____ performance?

I am _____ if _____ away from _____ making it harder _____ connect.

_____ it _____ we _____ too _____ away _____ wireless _____ that we _____ experiencing decreased connection _____?

_____ it _____ that being far _____ from _____ causes _____ signal strength?

_____ wondering _____ away from my internet _____ my internet _____ slower.

It is _____ that _____ away has slowed down _____.

I'm _____ being _____ from _____ internet is _____ it difficult _____.

I'm wondering if _____ way _____ my internet is making _____.

_____ we _____ the _____ are due to _____ distance _____ routers?

_____ performance _____ internet _____ affected _____ far from the router?

Is _____ possible _____ being _____ my routers is slowing _____?

Is the internet _____ due to being _____?

Is _____ possible _____ from my router is _____ slow?

_____ could be _____ being far away _____ my _____ makes _____.

_____ possible _____ internet has slowed down my connections.

_____ it _____ that _____ a long _____ from my _____ is causing _____?

Are _____ connection speed _____ we are too _____ away from _____ hub?

Is being far away _____ my _____?

Is it _____ that being a long _____ making _____ have _____ connections?

Is _____ possible _____ too _____ from _____ internet source _____ signal strength and _____ surfing speed?

_____ wondering if being _____ from _____ is affecting my _____.

_____ because of _____ the Router that internet is _____?

_____ connections _____ be a result _____ being _____ away _____ the _____.

Our _____ can _____ slow _____ we are not _____ router.

Is it _____ the _____ signal when _____ are farther _____?

I'm wondering if _____ a long distance _____ the _____ me _____ internet _____.

Will _____ a _____ router cause a slower _____?

_____ it possible that being _____ away from the _____ the _____ the _____?

Is it _____ that being _____ away _____ reduces signal strength?

Is _____ of _____ far _____ from the _____ that the _____ slower?

Is the distance _____ wi-fi _____ slower?

_____ if _____ far _____ from _____ internet _____ causing _____ to _____ trouble with my connections.

_____ being long distance away from _____ internet is _____ harder _____.

_____ possible _____ internet speeds _____ be _____ by being too _____ from _____?

The _____ be caused by _____ far from _____.

_____ it _____ to weaken _____ wi-fi signal by _____ from _____?

I'm wondering if being far _____ for me to _____.

_____ it a _____ being _____ my _____ is making things _____?

_____ possible that _____ far _____ routers will _____ down the signal?

_____ far from the router will affect _____ internet _____.

_____ it _____ that being _____ from _____ router _____ making things _____?

_____ too far _____ our internet _____ could _____ strength.

Is _____ possible to _____ connection by being _____ close to _____?

Is it _____ farther from the _____ the _____ and cause _____ connections?

Are _____ I _____ far from my network?

_____ it _____ slower _____ are _____ result of distance _____ the _____?

_____ it possible to slow our _____ by _____ router?

_____ possible _____ far from _____ is _____ things slow?

_____ if _____ distance away from my internet _____ causing _____ trouble _____ connections.

_____ it _____ that _____ so far away from _____ routers _____ making _____?

_____ too far _____ from the _____ affecting _____ performance of _____?

I'm _____ away from the internet is _____ slow _____.

Will being away _____ router _____ signal?

_____ my network making _____ connections _____?

_____ too far _____ our wi-fi source _____ strength.

Is it _____ being far _____ our _____ causes signal _____ decline?

Is _____ possible _____ distance _____ is affecting our _____ speeds?

Is _____ possible that _____ far from my Router _____?

_____ it possible that _____ far _____ my _____ service is _____ slower?

Slow connections _____ by being _____ from _____ internet _____.

_____ if _____ a long _____ from my internet _____ making _____.

Is _____ that _____ from _____ routers can _____ slower connections?

_____ we _____ decreased _____ speed due to _____ far _____ home's _____ hub?

_____ know if being far _____ the performance _____ our internet.

Is _____ internet _____ because _____ far away _____ the router?

_____ if being _____ far away _____ my internet _____ making _____ hard _____.

_____ reduced connection _____ because _____ far away _____ our wireless hub?

I'm _____ being _____ my internet is making it more _____.

Why are we _____ we moved further _____?

Is _____ network messing with the _____?

_____ and weak _____ by the distance of the _____?

Is _____ weak wi-fi all _____ fact that _____ are _____?

_____ far _____ my internet _____ making _____ harder for me to connect _____ it.

_____ the weak wi-fi _____ how far _____ are?

I'm wondering _____ being _____ from _____ internet is causing _____ to _____ connections.

Is being far _____ my _____ slowing _____?

Is it possible _____ being _____ far _____ our _____ will decrease _____?

It could be _____ being far _____ from _____ my internet _____.

Our _____ speed may _____ by _____ from the _____.

I'm _____ being _____ from _____ causing me to experience slower _____ connections.

Is _____ possible _____ the weak _____ by _____ away from the _____?

_____ if _____ far _____ the internet is making _____ slower.

_____ wondering if being _____ long _____ away from _____ making _____ have _____ connections.

_____ possible that long-distance causes _____ signals in _____ ?
 Is _____ strength compromised _____ being _____ away _____ router?
 _____ if _____ a long distance _____ my internet is _____ internet connections _____.
 _____ could _____ that being _____ from _____ internet _____ it down.
 Our _____ performance _____ be _____ far from the _____.
 Is it because I'm _____ network that _____ are _____ ?
 _____ are weak _____ slow _____ due to the _____ routers.
 _____ it _____ too far away _____ our internet _____ signal strength?
 Can _____ by being _____ far away _____ the network?
 _____ the _____ slow _____ internet speed?
 Is the _____ of _____ being affected _____ being _____ away from _____ ?
 _____ a decrease _____ just because we are _____ far _____ from the _____ ?
 _____ wondering if being _____ distance away _____ internet is making _____ to _____.
 Is _____ far _____ my _____ making _____ slow?
 Are we _____ connection _____ due _____ being _____ far _____ from _____ hub?
 _____ to weaken the _____ signal while being _____ router?
 _____ it because _____ away _____ the _____ that the internet _____ slow?
 Slow wi-fi _____ being _____ by the distance of _____.
 _____ disrupting _____ in _____ wi-fi network?
 _____ it _____ that _____ is affected _____ the distance _____ my _____ signal and _____ router
 _____ the _____ too far from the router?
 It _____ possible that being far from _____ is _____.
 It's _____ that _____ from my _____ causing slow connections.
 I'm _____ being far _____ the _____ is making me _____ more _____.
 _____ it possible that _____ from _____ could affect our _____ ?
 I _____ know if being _____ from _____ will _____ my _____ speeds.
 _____ away from _____ wireless _____ going to _____ slower internet?
 _____ to _____ wi-fi _____ by being _____ from the modem?
 _____ and _____ signals may _____ caused by _____ distance _____ the _____.
 _____ wondering if being _____ long way away _____ my _____ it harder _____.
 _____ wondering if _____ far _____ internet is _____ me to experience slow _____.
 Does _____ distance between _____ and _____ routers affect _____ and _____ speeds?
 I'm wondering _____ being _____ long way _____ from my _____ slowing _____.
 Being far _____ my _____ making _____ connections slow?
 Can _____ weak wi-fi signal _____ distance _____ down _____ internet _____ ?
 _____ from the _____ connection speeds?
 Is _____ to slow down our Internet _____ ?
 Is it possible that _____ far _____ the _____ lowering _____ internet service?
 Is _____ that being _____ from the _____ affect _____ signal?
 _____ not _____ close _____ my network _____ the connections _____ ?
 _____ wondering _____ being _____ way _____ from my _____ my internet connection slower.
 The _____ speeds may be _____ due _____ distance _____ the _____.
 _____ long-distance disrupting _____ wi-fi experience, _____ connections?
 Is it possible _____ being _____ from _____ weaken the signal and _____ ?
 _____ far from _____ could _____ slower _____.
 _____ far from my _____ slower?
 _____ being so far away _____ making _____ slow?
 _____ the connection slower because _____ the wireless _____ ?
 _____ wondering if _____ a long distance _____ my _____ making my _____ slower.
 _____ the distance _____ my _____ wi-fi affect my _____ ?

Is it possible that _____ away _____ our wi-fi _____ would _____ ?
 _____ if _____ a long _____ my internet causes it to _____ .

Is it _____ that being a _____ making _____ connection slow?

It's possible that _____ from my _____ my _____ slow.

I _____ long _____ away _____ my internet _____ causing me to experience slow _____ .
 _____ connection speed because we are _____ far _____ from the _____ ?

Is it possible _____ being far _____ connection _____ making _____ ?
 _____ possible _____ a long distance from my _____ connections?

I'm _____ if being _____ from _____ internet causes me _____ slow _____ .
 _____ far from _____ network making _____ connections slow.
 _____ far from my _____ cause slower _____ .

Is _____ away _____ my network _____ slow connections?

Is _____ to the fact that _____ are far _____ ?

Being _____ from the internet _____ down _____ connections.

_____ you are _____ away from _____ router, _____ be slower?

_____ it possible _____ distance from my routers _____ causing _____ connections?

_____ we _____ speed _____ we are located _____ far away _____ our _____ wireless _____ ?

I'm wondering _____ a long _____ away _____ internet _____ connection slow.
 _____ far _____ router affect _____ internet speed?

Is it _____ slower internet _____ by _____ far _____ router?

Can we _____ slower _____ of the _____ from the router?

Is _____ that _____ too far _____ internet _____ affects signal strength?

Why _____ weak _____ when we move _____ away?

_____ it possible my _____ could be _____ by _____ away?

_____ wondering _____ being a _____ away _____ my _____ makes it _____ to _____ .
 _____ wondering _____ being _____ away _____ my _____ making it difficult to _____ .
 _____ due to distance?

_____ it _____ connection _____ are far from the _____ ?

It could be _____ being _____ from _____ internet _____ connection.

Is _____ possible _____ being far _____ internet _____ is _____ things _____ ?

Is _____ possible _____ being _____ the internet _____ making _____ slow?

I'm _____ if _____ a long distance _____ my _____ is _____ more trouble _____ .

I'm wondering _____ being _____ away _____ my internet _____ access it.

Is _____ distance from the router slows _____ internet _____ ?

Is _____ that being _____ from _____ is causing slow connections?

_____ possible _____ the internet _____ affected by _____ distance between _____ signal _____ routers.

I'm _____ being far from my internet is _____ slow _____ .

Is _____ weakness _____ the _____ due _____ far _____ we are?

_____ it _____ to _____ the _____ signal _____ being further _____ the _____ ?
 _____ it because of being _____ router _____ internet _____ slower?
 _____ wi- _____ due to _____ far _____ we are?

Is _____ possible _____ our connection _____ our distance from the _____ ?

Are _____ decreased connection speed because _____ close _____ wireless hub?
 _____ far from _____ internet connection may be _____ .

Is being _____ far _____ my _____ making the _____ ?

Is it possible that _____ far _____ from our _____ source decreases _____ strength _____ speed?

Is _____ problem _____ wi-fi _____ to _____ distance?

Is _____ that _____ far from my _____ causing the _____ ?

Is being _____ long _____ from _____ the connections _____ ?

Is it possible _____ being far _____ the wireless router _____ ?

Is it possible that _____ are _____ the _____ the _____?

_____ can _____ result of _____ away from the routers.

Slow _____ caused by being _____ my network.

Slow _____ may _____ a result _____ far _____ from _____ network.

I'm _____ far _____ from my internet is causing _____ to have _____.

_____ from the router _____ problems _____ the internet?

I _____ if _____ far _____ from my internet is _____ hard _____ to get _____.

Is _____ possible that being too _____ decreases _____ strength and reduces surfing _____?

_____ wondering _____ being _____ far away _____ my internet is making _____.

_____ being away _____ internet _____ slowing down my internet _____.

_____ poor _____ of _____ wi-fi due _____ how _____ away _____ are?

Does being _____ internet _____ cause problems?

I'm wondering _____ far _____ from _____ internet is _____ me to connect.

I'm _____ if _____ long _____ from _____ internet _____ making it _____ slower.

_____ possible _____ distance from the router _____ affecting our _____?

Is it possible _____ weaken the wi-fi _____ when _____?

Is _____ possible that _____ from _____ affect the signal?

_____ possible that being _____ from _____ network _____ connections slow?

_____ if _____ long _____ away from _____ is _____ it _____ difficult to connect.

_____ that being too far _____ the _____ can _____ my internet _____?

_____ far from my network _____?

Are _____ connection speed _____ are too _____ away from _____ hub?

_____ it possible _____ the _____ is _____ the distance between _____ router _____ internet _____.

_____ wi-fi _____ are _____ by the distance from the _____.

I'm _____ if being far away from _____ making _____.

_____ possible that being _____ far away _____ source could _____ surfing speed?

Is _____ to be _____ far _____ from _____ source decreasing _____ strength?

The internet _____ distance between the _____ signal _____ my router.

_____ being far from _____ network making _____ slow?

_____ possible _____ connections are due to _____ from the _____?

I _____ if being _____ away _____ my _____ is _____ slower _____.

_____ more separation _____ connection _____?

_____ signals may be _____ by _____ distance _____ the modem.

_____ wondering if being too _____ away from _____ me _____ connections.

_____ weak _____ signal due _____ distance _____ your internet service?

_____ being far from the _____ internet _____?

_____ if being _____ long distance _____ my _____ harder to _____ to it.

_____ am wondering if _____ away from _____ me _____ slower connections.

Can we _____ that the connection is _____ the _____ router?

Are _____ and connection _____ affected by the _____ and the _____?

Is the decreased _____ due to _____ too _____ from _____ hub?

_____ am wondering _____ being _____ away from _____ is causing me _____ experience _____.

Will _____ far _____ from a _____ to slower _____?

Is _____ being far away from the wireless _____ on _____ signal?

Is _____ internet is slower because _____ being far _____ network?

_____ far _____ the _____ may be _____ connections.

_____ could be that being _____ from _____ it down.

Is it _____ being _____ distance from _____ causing sluggish connections?

Is _____ that being _____ long distance from _____ causing _____ connections?

Are _____ slow because I'm far _____?

____ it possible ____ impact ____ internet ____ by ____ ____ from the network?
 ____ it ____ that being away ____ my routers ____ down?
 ____ make the ____ reception worse?
 Is ____ distance ____ the router is affecting ____ our internet?
 ____ it possible ____ weaken the wi- ____ signal ____ farther ____?
 Is it ____ that being too ____ from our wireless ____?
 Is ____ to weaken our ____ proximity is decreased?
 ____ it ____ that ____ my router causes slow ____?
 ____ a ____ signal due ____ distance make ____ internet ____ slow?
 Is ____ that being ____ long ____ away from ____ network ____ making ____ slow?
 It could be ____ being far from ____ connection ____.
 ____ that ____ far from ____ internet ____ is making it ____.
 Is ____ connection ____ because ____ distance ____ the ____?
 Is it ____ from ____ network that the ____ are ____?
 ____ signal strength may ____ compromised because of ____ distance ____.
 Is it ____ that ____ away ____ network ____ making the ____ slow?
 Is the ____ to being ____ far away ____ router?
 ____ be ____ being ____ my internet connection ____ slower connections.
 It's ____ that ____ are due to distance ____.
 Are we ____ a decrease in connection ____ are too ____ away from ____?
 I'm wondering if ____ the ____ is causing me ____ have ____ connections.
 ____ wi-fi's ____ may ____ lowered ____ we ____ far ____ the router.
 Is ____ being far away ____ things to be slow?
 Is it possible to weaken ____ connection ____ being ____ router?
 Is it ____ that ____ away ____ my ____ makes things ____?
 Is the ____ due ____?
 ____ my ____ affected ____ being too far away ____ the ____?
 I ____ wondering if ____ far ____ my ____ making ____ slow.
 Is our ____ performance affected ____ being ____ the ____?
 Being far from my internet ____ be ____.
 It could ____ that ____ far ____ my internet ____ my ____.
 I'm ____ if being far away from ____ leads ____.
 ____ the distance ____ slow ____?
 Is ____ of the wi-fi ____ being ____ from the ____?
 Are the ____ I ____ far ____ my network?
 Is it ____ that being ____ my ____ is ____?
 Is it ____ that ____ is due ____ being ____ the ____?
 I'm wondering ____ being ____ is ____ me to have more ____.
 Does ____ away ____ wi-fi ____?
 ____ lowering ____ wi-fi's performance if ____ are far ____ the ____?
 Is internet ____ due ____ being ____ away ____ the ____?
 Is it ____ that ____ a long ____ routers ____ slower connections?
 Is it ____ from my ____ is slowing my connections ____?
 ____ wondering if being a long ____ internet ____ making ____ have ____ trouble ____.
 ____ being ____ from my internet ____ causing me problems ____ it.
 I ____ if being ____ away from my ____ is ____ to ____ slow ____.
 I'm ____ being ____ long ____ away from my internet is causing me ____.
 ____ if being far away ____ is ____ effect on ____ internet connections.
 Is ____ farther from the ____ causes ____ connections?
 Is ____ from ____ network ____ the ____ connections?

_____ if being _____ long _____ away from _____ causing me to have more _____ using _____.

Being far from _____ internet _____ be _____.

Is it _____ distance _____ my _____ affecting my internet connections?

_____ wondering if _____ away _____ the internet _____ making _____ connections _____.

Is _____ possible my _____ speeds _____ by being too _____ the _____?

_____ wondering _____ being _____ long distance _____ from my _____ causes me _____ experience _____.

Is _____ being too _____ from our wi-fi source _____ strength?

_____ compromised by _____ away from the router?

_____ we experiencing _____ connection _____ are too far away _____ wireless hub?

Are we experiencing decreased connection _____ just because _____ from _____ hub?

_____ it possible _____ being _____ away from the _____ the internet?

I'm wondering if _____ long away _____ internet _____ slower.

Is _____ possible _____ the _____ the router _____ affecting _____ connections?

_____ it possible _____ too _____ away from _____ wi-fi _____ decreased signal _____?

_____ that being far _____ my internet _____ is _____ connection slower.

_____ away from my internet is making it harder _____ to _____.

Will _____ far away from _____ affect the _____?

Isn't it _____ a _____ distance _____ routers is making _____ connections _____?

_____ it _____ that _____ from the _____ affecting _____ internet speed?

Is the _____ wi-fi _____ to _____ we are _____ your _____?

_____ internet speed _____ affected _____ distance _____ routers and wi-fi signal.

_____ it _____ that _____ the _____ is _____ the connection speeds?

Is it _____ that _____ could _____ our connection speeds?

_____ it possible that being a _____ from my _____ connections?

_____ if being _____ from _____ internet is _____ me experience slow connections.

_____ possible that _____ the _____ is affecting the _____ of the _____?

Our wi-fi _____ could _____ weakened if _____ to _____ decreased.

Will being far away _____ wireless _____ a _____?

_____ being _____ my network slowing _____ connections _____?

_____ it _____ that _____ too _____ from our _____ source decreases signal strength _____ surfing _____?

Is _____ weak _____ to how _____ are from your _____?

_____ it _____ that _____ would weaken _____ connection because _____ decreased _____?

_____ because _____ from my network _____ are slow?

I'm wondering _____ away _____ my _____ causes _____ slower connections.

_____ if being away _____ me to have slow _____.

_____ wondering _____ being _____ far _____ is making me _____ slower connections.

_____ wondering if being _____ from _____ making me have slower _____.

Is it _____ being too far _____ the router _____ impacting _____?

Is _____ possible that the internet _____ of _____ far from _____?

_____ my internet connection could _____ making my _____.

Is _____ that being too _____ from _____ routers _____ impacting _____ internet _____?

_____ the internet speed _____ affected _____ the distance between _____ internet _____ and my _____.

Is it _____ my _____ speeds can be affected _____ from _____?

_____ less _____ speed because _____ away from our wireless hub?

I'm wondering if _____ far _____ is causing _____ to _____ slow _____.

_____ it possible _____ decreased _____ router _____ weaken our internet _____?

Is it possible _____ slower _____ related _____ the router?

I'm _____ if being _____ from my internet _____ making my internet _____.

_____ my internet connection could be _____ connections.

Is it _____ weaken our wi-fi _____ to _____ proximity?

____ possible ____ my internet ____ is slowing it down.
 Is ____ possible ____ being far away ____ a ____ router ____ affect ____?
 ____ be caused ____ the ____ proximity from our routers.
 ____ being far from my ____ connection is ____ me ____.
 ____ possible ____ proximity ____ the router ____ weaken ____ internet connection.
 ____ distance of the ____ the ____ the wi-fi?
 I'm ____ if ____ a ____ from my ____ me ____ trouble with it.
 ____ it ____ that ____ too ____ the internet ____ decreasing signal strength?
 It is ____ being far ____ my internet ____ connections.
 ____ we ____ slow connections ____ how ____ we are ____ our ____?
 Is it ____ to weaken our ____ connection ____ decreasing ____ proximity ____?
 I ____ wondering ____ a long ____ away ____ is making me ____ trouble ____.
 ____ the ____ far from the network?
 ____ if ____ away ____ my internet is ____ connection slower.
 ____ messing with our wi-fi ____ when we ____?
 ____ possible that the ____ between ____ and the internet ____ making the ____?
 ____ possible ____ being ____ long distance ____ my ____ is bad ____ my ____?
 Is ____ because of the ____?
 ____ far ____ network ____ slower connections?
 Is it ____ that ____ too ____ the router is ____ my ____?
 Is it ____ away ____ our wi-fi source ____ and reduces surfing ____?
 ____ is possible that being ____ from ____ connection ____ my connections.
 ____ wondering ____ being a ____ way away from my internet ____.
 Is ____ possible ____ connection is slow because we ____ routers?
 Being far ____ connection could ____ slowing down ____.
 I'm wondering ____ being away ____ me ____ more trouble connecting.
 ____ because I'm ____ from my ____ connections are ____?
 Slow ____ weak ____ could be ____ by the ____ the ____.
 Is being far ____ my ____ interfering ____?
 ____ being far away from ____ me have ____?
 ____ wondering ____ far away ____ causes it to ____ slow.
 ____ the distance from ____ routers ____ affecting our ____?
 ____ wondering if being far ____ from my internet ____ have ____.
 ____ possible that being too ____ from ____ my internet speeds?
 Is it possible that ____ away from ____ decreases signal ____?
 It could be that ____ far ____ my ____ my ____.
 ____ it possible that being far ____ internet ____ making ____?
 I am wondering ____ a ____ distance ____ my ____ is ____ me to ____ connections.
 Is it possible that ____ slower ____ due ____ from the ____?
 Can ____ distance from ____ routers slow ____?
 I'm wondering if ____ a ____ internet ____ making me have ____ connections.
 ____ possible that ____ too ____ away ____ the ____ affects my internet ____?
 I'm ____ if being ____ from ____ is slowing it ____.
 Slow ____ and weak signals ____ be ____ the ____ is ____.
 ____ wondering ____ being a ____ away from my ____ causing ____ connections.
 ____ that being ____ away from our ____ source ____ signal strength.
 Is ____ possible that ____ away from my internet ____ connections?
 Is ____ that ____ from my network causing ____ connections?
 ____ we ____ speed ____ we are so far ____ our ____ wireless hub?
 ____ it possible that being ____ far ____ our ____ reduce ____ strength?

_____ between the router _____ the internet slowing _____ wi-fi?

Are _____ experiencing decreased connection speed _____ are _____ from _____ hub?

_____ is _____ being a long way _____ my _____ making _____ slow.

Is being far _____ network _____ connections _____?

It is possible _____ too far away from _____ wi-fi _____.

Is _____ far from my broadband is _____ things _____?

_____ possible _____ being _____ from _____ network will affect _____ and _____ to slower _____?

Is it _____ that being a _____ my routers _____ connections _____?

Slow Internet _____ by a weak _____ signal _____ to _____.

Is _____ my _____ having slower _____?

_____ it _____ far _____ from my network _____ making things _____?

_____ signals _____ caused by the _____ the Router is _____.

_____ the _____ because I am far from my _____?

_____ possible that _____ far _____ my routers is _____ slower.

_____ wi-fi _____ weak _____ could _____ caused by _____ of _____ Router.

_____ connections may be caused _____ far from _____.

_____ that _____ too far away _____ our internet _____ will _____ signal _____.

Is the _____ being far _____ the router?

_____ it possible to _____ the wi-fi _____ you _____ far _____?

Are _____ speed due _____ too far _____ from the wireless _____?

I'm _____ if having _____ distance from _____ internet _____ to have slower _____.

Is _____ possible that _____ are slower _____ from the _____?
