

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Brake pedal feels soft or spongy
Inquiry Sub-Category	Brake pads and rotors wear
Description	This category includes inquiries about worn brake pads and rotors, which can cause a soft brake pedal. Customers may ask for an inspection to determine if these components need to be replaced, and seek advice on selecting appropriate replacement parts.
Data Size	5,006 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)
