

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Lost or stolen device concerns
Inquiry Sub-Category	Data backup and restoration
Description	Customers seeking guidance on how to retrieve their saved data, contacts, and other personal information from lost or stolen devices, along with recommendations for data backup solutions and options for restoring data on a new device.
Data Size	5,005 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

How ____ does ____ take for the ____ restoration process when switching ____ ?

When I switch ____ a loss ____ theft, ____ is ____ time ____ for the ____ process?

____ how ____ it ____ to ____ when you lose a device?

____ normal for a ____ to back up ____ data after ____ ?

____ I ____ a different device ____ loss what ____ the ____ recovery?

____ there a figure ____ amount of ____ backup ____ recovery when devices are lost ____ ?

____ change ____ because ____ loss or theft ____ time ____ it take ____ them?

____ switch ____ to a ____ or ____ is the time taken ____ the ____ restoration to happen?

What is ____ for the ____ when I switch my ____ are ____ ?

When I switch my devices ____ one after ____ were ____ the time ____ backup?

____ I switch to another device ____ their theft, ____ for ____ backups?

____ much time is ____ restore ____ a ____ switch ____ a loss?

____ should it take to ____ backups, ____ restorations after losing ____ your ____ ?

____ is ____ on backups and recoveries when ____ devices?

When ____ devices ____ long does it take to back up?

____ are switched ____ theft ____ long does the back ____ restore ____ take?

How ____ you ____ will take ____ back up and ____ a ____ switch?

How ____ should it ____ for ____ restoration when you switch ____ ?

What amount of ____ is ____ up/storing ____ units?

Do ____ know if ____ restore backups ____ or loss?

____ I ____ another ____ after ____ loss, ____ the restoration timelines?

How long ____ back ____ and recovery of device ____ to afterloss or ____ ?

____ has a ____ how ____ it take ____ up and restore data?

Is there ____ frame for restoring ____ up a device switch ____ ?

Do ____ it ____ to ____ following a theft or loss?

How ____ take ____ restore ____ backup data if a ____ causes a ____ ?

Is there ____ time ____ restoring or ____ a ____ a loss or ____ ?

When ____ devices ____ or ____ is taken for the ____ and restoration?

_____ you _____ time it takes _____ back up _____ restore data _____ you switch devices?
 Do you know _____ it _____ to restore backups, _____?
 _____ long is the _____ frame _____ and _____ device _____ to afterloss?
 Do _____ how long _____ will take to _____ after _____ theft?
 Do _____ know _____ it takes _____ when the _____ lost or stolen?
 How _____ should it _____ data when moving _____ and _____ phones?
 When you change _____ after a _____ when _____ backups _____ be _____?
 _____ I _____ after loss _____ theft, _____ is the _____ for backups and _____?
 What _____ typical _____ of time _____ backup _____ switching devices?
 _____ is the typical _____ of time needed _____ a _____ switch?
 When _____ devices _____ to loss _____ theft, what _____ times for backups _____?
 _____ the wait time _____ my _____ if I lose _____ get a stolen _____?
 _____ you _____ how long _____ to _____ your _____ a theft or loss?
 When I _____ due _____ theft what is the _____ the _____ and restoration?
 When I switch _____ to loss or _____ how long is _____ and _____?
 _____ to _____ or theft, what _____ of time _____ to restore them?
 _____ taken for the backup and _____ process _____?
 How _____ time _____ taken _____ while _____ or stolen items?
 _____ is _____ and restoration _____ for device switch?
 When I _____ due to _____ what is _____ time _____ the restoration _____?
 _____ the timelines for recovery _____ backup when _____ switch _____?
 Do you know _____ takes _____ change devices _____?
 When devices _____ to loss _____ how long _____ the back up and _____ process _____?
 Time _____ for backup and _____?
 _____ time _____ required _____ restore and backup _____ when _____ device switch _____?
 How _____ does it _____ to _____ and _____ data when _____ switch _____?
 When I switch _____ or loss, _____ is the _____ taken for _____?
 When I switch _____ to loss _____ theft, what is _____ for the _____?
 How long _____ it _____ a backup/restore _____ from _____ device?
 Can you _____ me the _____ takes _____ restore _____ or theft?
 _____ there a _____ for _____ needed for backup and recovery _____ devices?
 _____ there be enough time _____ up and restore information _____ transitioning _____?
 _____ is spent backing up/storing when _____ stolen _____?
 _____ change devices because of loss or theft _____ time _____ it _____ up and _____?
 What's the wait time _____ and _____ after _____ taken?
 Do _____ know how long _____ takes to restore _____?
 When I switch my devices _____ loss _____ is the time _____ the backups _____?
 When you change devices _____ theft, _____ you _____ how _____ will _____ to get _____ the _____?
 When _____ switch my devices _____ what's the _____ time from _____ and restoration?
 _____ due to _____ or loss, what time _____ the back-up and _____?
 _____ typical amount of _____ for backups when devices _____?
 _____ you know _____ long it takes _____ a device _____?
 _____ know _____ the time _____ takes _____ restore _____ after _____ theft?
 _____ should it take _____ data to _____ when _____ between lost/stolen _____?
 _____ switches due to _____ or _____ is _____ usual _____ backups _____ restoration?
 When _____ switch devices due _____ theft, _____ it take for the _____ happen?
 _____ time from _____ and _____ when I _____ my devices after _____ have _____?
 How _____ will _____ take for backing _____ and restoring _____ device _____?
 Do you know how _____ it takes to _____ stolen _____?
 How _____ does it _____ to _____ up and _____ device switch _____ loss?

_____ switch devices _____ or _____ the time _____ to back up and restore?
 _____ is the usual _____ restoration _____ device switches?
 What's the _____ amount _____ time _____ for backup and retrieve _____?
 _____ to back _____ restore data _____ moving between _____ and lost phones?
 When I switch my _____ after _____ what are the _____ back _____?
 _____ I switch _____ devices after _____ the _____ from backup and _____?
 Can you _____ how long _____ take to restore devices _____ experience _____ loss?
 How long _____ usually _____ for back up and _____ to be _____ to _____ theft?
 When I switch devices _____ to _____ or _____ what _____ for _____ and _____?
 How _____ is the time frame for _____ up _____ recovery _____ theft _____?
 How _____ have to _____ a backup if _____ replace _____?
 _____ switches due _____ loss or _____ the _____ time _____ backups _____ restoration?
 _____ I switch devices _____ loss or _____ the _____ for backup and _____?
 _____ is it _____ and back up _____ when _____ device switch _____ lost?
 When _____ a stolen device, _____ does _____ take _____ back _____?
 _____ long _____ you think _____ to _____ data _____ replace lost/stolen _____?
 When I switch devices _____ loss or theft, _____ long _____ to _____?
 How _____ it _____ restore _____ backup data _____ a device switch causes _____?
 Is _____ for the amount of _____ it _____ for _____ and recovery _____ when _____ lost?
 Is there a _____ long _____ takes _____ backups and _____ procedures when _____ or stolen?
 _____ are the timelines for recovery _____ when _____ to a _____ after _____?
 _____ know when you can get _____ backups _____ you _____ devices _____ theft?
 _____ backup and restoration time _____ for device _____?
 When _____ switch devices _____ does _____ take to _____?
 How _____ time is required to _____ and back _____ in _____ because _____ data.
 How _____ does _____ take _____ conduct backups and recover _____ stolen device?
 _____ because _____ or theft, _____ is the _____ taken for the backup?
 When _____ switch _____ of _____ or theft, what _____ backups _____ restoration?
 _____ switch due _____ or theft, _____ the usual time _____ and _____?
 _____ time _____ required _____ and restore data _____ device switch _____ lost?
 Do you _____ the _____ takes to restore _____ or theft?
 _____ I _____ to _____ device after _____ loss, what _____ timelines for _____ up?
 _____ much _____ is necessary _____ restore _____ data after a device _____ loss?
 _____ I _____ device due _____ loss _____ what _____ the _____ for _____ backup and restoration process?
 _____ know the _____ it takes _____ after a theft?
 When _____ switched out _____ how _____ does the back _____ process _____?
 _____ I change my _____ because of loss or _____ long does it _____?
 Do _____ know _____ it _____ take to get _____ backups back _____ you _____?
 When _____ change devices _____ a theft, _____ you _____ long it _____ your backups back?
 When _____ due _____ loss or _____ what _____ it take _____ the restoration?
 _____ long does it take _____ up and restore _____ device _____ causes _____?
 When I _____ devices _____ loss _____ what is the _____ for _____ and _____?
 _____ are _____ due to _____ or _____ does the _____ and restore process _____ a long _____?
 How _____ should it take to restore _____ if _____ device _____ loss?
 How long _____ to _____ backups _____ devices in _____ or theft scenarios?
 After a _____ or an _____ what _____ wait time for back up and _____?
 _____ how long _____ will _____ to get _____ backups back _____ you change _____?
 When _____ to another _____ after their theft what's _____ time _____ the _____?
 When changing _____ been lost _____ is _____ duration _____ backups and restorations?
 _____ devices _____ to loss or _____ is the time taken _____ the back- _____ and _____?

When changing devices _____ theft _____ how _____ it take to _____ ?
 _____ you _____ devices _____ you know how long _____ take to _____ the _____ ?
 _____ stolen device, how long is _____ backup/restore?
 _____ is the _____ amount of time _____ for backup and _____ devices due to _____ ?
 When _____ devices due to theft, how long _____ you _____ ?
 _____ a _____ or _____ item gets lost, what's _____ wait time _____ and repair?
 _____ moving _____ stolen _____ a time _____ for backup _____ restore?
 _____ you _____ estimate _____ the time _____ take to restore and _____ after _____ been lost?
 When _____ switch my _____ to _____ theft what _____ the time from backups _____ ?
 When I switch _____ to _____ how long do _____ have to _____ ?
 When _____ my devices _____ loss, what are the _____ and back _____ ?
 When _____ switch _____ due _____ the time period _____ backups?
 _____ you _____ how _____ take _____ the backups when you change the _____ ?
 _____ devices _____ loss or theft, what _____ the usual _____ ?
 When _____ to _____ device _____ theft, _____ normally the time _____ the _____ process?
 _____ for restore when moving _____ stolen _____ ?
 _____ a device _____ causes _____ how long is necessary _____ restore _____ ?
 When changing _____ after _____ or loss, _____ long _____ take _____ restore _____ ?
 When _____ due to loss or theft, _____ frame for _____ them?
 How long does it _____ for data _____ moving between _____ stolen _____ ?
 How _____ do you usually take _____ restore data during _____ switch _____ loss or _____ ?
 What _____ restoration time _____ device _____ to loss _____ theft?
 _____ is required to restore _____ data when _____ causes a _____ ?
 _____ does _____ take to _____ when _____ switch _____ to theft?
 What _____ the timelines _____ recovery _____ change _____ after _____ loss?
 Do _____ long it _____ take to _____ the backups when _____ to a _____ ?
 _____ switch _____ due _____ loss or theft, _____ the _____ for the backup _____ process?
 _____ from a stolen device, _____ long it will _____ ?
 How _____ it take _____ backups and _____ when _____ switch between _____ in _____ theft scenarios?
 _____ usual _____ time for device switch due to _____ ?
 _____ required _____ restore and _____ up _____ when it is lost in _____ switch
 What _____ the _____ taken _____ the _____ after I _____ devices due to _____ or _____ ?
 _____ phones for _____ theft, how _____ is a backup _____ time?
 When _____ devices _____ a _____ when _____ get _____ backups back?
 _____ time taken _____ the _____ I switch devices _____ to loss _____ theft.
 When _____ switch _____ lost, how much _____ required _____ and backup _____ ?
 _____ stolen device, when _____ time frame for backup/restore?
 _____ will _____ take _____ a _____ to _____ when _____ from _____ stolen device?
 _____ is the average duration _____ backups _____ recovery _____ phones _____ lost _____ ?
 _____ is switched off due _____ loss _____ theft, _____ the back up and _____ process _____ ?
 _____ are switched out due _____ loss, how _____ up and _____ process?
 When a _____ has a loss, how _____ back _____ and restore _____ ?
 _____ much _____ needed to _____ up and restore _____ in a _____ because _____ data.
 _____ switch devices _____ loss _____ theft, _____ happens to backups _____ restoration?
 _____ to _____ the _____ time for backups and restoration?
 _____ much time is _____ backup _____ recovery procedures _____ stolen _____ lost?
 Is there _____ for _____ time _____ for _____ procedures _____ devices are stolen?
 _____ long do _____ think _____ takes _____ back up _____ data _____ switch is lost?
 When _____ devices due _____ loss or theft, what _____ taken _____ restore _____ ?
 How much _____ should _____ and _____ information between lost and stolen _____ ?

_____ time _____ back _____ and recovery after a device switch?
 _____ the average _____ for _____ when you switch _____ because _____ theft _____ loss?
 When devices _____ due to _____ how long _____ back up and restore process _____?
 How much time is required to _____ and back _____ a _____ of lost _____
 What is _____ time _____ for _____ Restoration _____ I switch devices because of _____ theft?
 How long _____ takes to _____ affected _____ loss or theft?
 How long _____ take _____ and back _____ devices because of _____ or theft?
 _____ completing backups and relevant restorations _____ changing phones _____ they _____ lost?
 What _____ the _____ for _____ and _____ when I _____ due _____ loss or _____?
 When I switch devices because _____ loss _____ theft, _____ time _____ the _____?
 _____ long _____ take to transfer data _____ lost _____ stolen _____?
 _____ device _____ or theft how long _____ it take to restore _____ data?
 Is _____ a figure _____ the _____ of time needed for _____ lost or stolen?
 _____ is _____ time taken _____ and restoration _____ devices _____ lost or stolen?
 How long does _____ take to _____ data when _____ a _____?
 What _____ time _____ backups to be _____ after _____ lose or _____ a _____?
 After you switch devices, _____ some _____ to _____ back.
 When _____ switch _____ of _____ or theft, how long will _____?
 _____ long does _____ take _____ up _____ restore data _____ caused by loss?
 _____ there _____ figure for _____ long _____ take _____ backups and _____ devices _____ lost?
 _____ take to back up _____ restore _____ when _____ lost and stolen _____?
 How much _____ is needed _____ backup data _____ device _____ causes _____ loss?
 _____ a _____ device, how long _____ take to restore?
 _____ I switch _____ devices _____ another one _____ theft, what _____ normally _____ time from _____ and _____?
 When I switch _____ due _____ loss, what's _____ time _____ for _____?
 _____ much time _____ when a device switch is lost?
 Do _____ know the time it will _____ if you _____ devices?
 _____ you _____ how long _____ takes _____ restore backups _____ theft _____?
 _____ take to _____ backups and recover _____ that have been lost _____?
 _____ stolen _____ what time frame _____ used to back _____?
 _____ know the time it _____ when _____ are lost?
 When _____ another device after _____ theft, _____ the time _____ restoration?
 When _____ devices due _____ loss, what _____ timetable for _____ restoration?
 _____ I switch my devices _____ another _____ after _____ what are _____ restoring _____?
 When _____ switch _____ to _____ what is _____ frame for _____?
 How much time is _____ device switch causes _____ loss?
 _____ know _____ it will take to get _____ back _____ switch to _____ new device?
 What _____ the typical amount _____ time needed _____ retrieve _____ when _____ stolen?
 _____ there _____ restoring _____ backing up deviceswitch due to loss _____?
 _____ long _____ backup and recovery when you _____ of a _____?
 _____ a device _____ how much time is required _____ data?
 When _____ switch _____ after their _____ what is _____ time from backups _____?
 _____ the exact _____ it will _____ to get _____ backups _____ change devices?
 _____ the expected amount of _____ take _____ create backups, initiate restorations after _____ an _____ item
 _____?
 _____ I _____ devices due _____ loss _____ theft, what is _____ time taken _____ backup _____ to _____.
 How much time _____ needed _____ back _____ a device switch due to _____ or _____.
 What's _____ usual _____ and restoration _____ for _____ switching?
 When _____ switch _____ due to loss or _____ how _____ it _____ for _____ restoration _____?
 Can you give an estimate _____ how long it _____ and _____ after _____ been _____ or _____?
 When I switch _____ after _____ are _____ timelines for _____?

_____ devices _____ to theft _____ the time taken for _____ backup to happen?

_____ I switch my _____ another _____ after they've been _____ the time _____?

During device _____ how much time is required to _____ data?

_____ much time _____ spent on _____ and _____ when changing _____?

When _____ switch _____ due _____ or _____ how long does it take _____?

When _____ switch _____ loss _____ theft, is _____ normal _____ you to _____ up and _____ your data?

How long does _____ take _____ device _____ up _____ after loss or theft?

When _____ theft, _____ will it take to _____ back _____ backups?

What is the _____ backup and _____ for _____?

_____ switch to another _____ their theft, what is _____ from backup _____?

When I _____ to _____ theft how _____ it take for the _____ to _____?

Is the time _____ a _____ when moving _____ a _____?

_____ should be devoted _____ up and restoring _____ transitioning between _____ or lost _____?

When is _____ for back up _____ device _____ or an item _____ lost?

_____ much _____ spent backing up/restoring when replacing _____?

_____ much _____ it take for backup and _____ switch devices _____ loss?

I want to know how _____ it _____ data on lost _____.

If you change _____ for _____ or _____ long is _____?

When I _____ their theft, what is _____ from _____ and restoration?

How _____ time _____ takes _____ back up _____ recover a device after _____?

When _____ devices due to loss _____ much time _____ take to _____ them?

When _____ are switched _____ to loss _____ long _____ up _____ restore take?

_____ is it _____ take for my backups _____ up after _____ lose _____ get _____ device?

_____ does _____ take to back _____ and recover device after _____ lost _____?

How long _____ it _____ takes _____ up _____ data during _____ caused by _____?

Do _____ know when _____ to get _____ backups back when _____?

_____ switch devices _____ theft, what is _____ time _____ the backup _____ restoration?

When I switch my devices _____ another one _____ their theft, _____ from _____ restoration?

How much _____ is required _____ and backup _____ a _____ a _____?

When _____ switch is caused by _____ how _____ it take _____ restore and _____?

Will it _____ to restore _____ when changing _____?

Is _____ you _____ back _____ restore your data after _____ device switch _____ or stolen?

When I _____ my devices _____ another _____ after their _____ what _____ usually the _____ or _____?

When I _____ due to loss _____ theft, _____ time is _____?

How _____ it _____ to _____ and _____ a device switch _____ a loss?

When _____ after a _____ you _____ it takes to restore backups?

_____ is the time from backup _____ restoration _____ I _____ to _____ theft?

How _____ will it take to _____ restorations _____ having your _____ item _____?

_____ much time should _____ back up _____ restore _____ between _____ and lost _____?

When _____ switch my devices _____ one after _____ theft, _____ is the _____ backup and _____?

When I _____ devices due to _____ or theft, _____ the _____ restoration to happen?

_____ switch my devices _____ a _____ what _____ the _____ for _____ up?

Do you _____ backups after a device is lost or _____?

_____ moving from a _____ long is _____ period?

During a device switch time _____ restoration?

What _____ of time _____ backing _____ restoring _____ while transitioning between lost and _____?

_____ replacing _____ units, _____ long _____ it take _____ up?

_____ there _____ to _____ restore information while moving between _____ and lost _____?

Do you know _____ take to restore _____ switch devices?

_____ long _____ necessary _____ restore and backup _____ when _____ switch is _____?

_____ the typical _____ time _____ procedures when a _____ is lost?
 _____ does _____ to restore and _____ data when _____ device _____ caused by loss?
 Do you _____ how _____ takes _____ backups _____ loss _____ devices?
 _____ my devices _____ another one _____ losses, what _____ timelines _____ recovery?
 When _____ switch my _____ to another _____ after _____ theft, what _____ and _____?
 _____ know how _____ up and restore when you change _____?
 _____ devices are switched out due _____ theft _____ long is _____ restore process?
 Do you _____ time _____ get the backups _____ after a _____?
 How _____ will _____ take _____ restore and _____ during _____ device _____?
 _____ I switch _____ another _____ after _____ what are _____ timelines _____ recovery and _____?
 When _____ my _____ loss or theft, what is the _____ backup _____ restoration process?
 Can _____ an _____ of _____ of time it takes to _____ after they have _____?
 How much _____ is _____ to _____ data after a device _____?
 Does _____ know _____ time it takes _____ after loss _____?
 How _____ it _____ backups, initiate restorations after losing _____ having _____ stolen?
 Is it _____ a time _____ and restore data _____ the _____ of _____ device _____?
 _____ is _____ for backups _____ you switch phones because _____ a _____ theft?
 _____ you know _____ time it _____ be _____ back backups _____ you _____?
 _____ the time frame for backups _____ restoration _____ to loss?
 Is _____ to _____ up _____ restore your _____ after _____ device _____ is stolen?
 _____ know how long it takes to _____ backups _____ a _____?
 How long _____ have _____ for my backups to _____ after I lose or get _____?
 _____ I switch _____ one after _____ them _____ are _____ for restoring them?
 _____ you know how _____ for _____ to be restored _____ theft?
 _____ for recovery _____ I _____ to another _____ after loss?
 How much _____ required to _____ a _____ causing _____ loss?
 _____ does it take _____ to _____ transferred _____ replacing lost/stolen _____?
 _____ long do _____ usually _____ to back up _____ caused by loss?
 During _____ change _____ long _____ it take _____ back _____ and _____?
 When _____ switch _____ long will _____ take to restore them?
 _____ there enough time to _____ restore _____ between _____ lost devices?
 When I _____ devices due _____ or theft, what _____ the _____ taken _____?
 _____ devices _____ switched _____ due _____ theft, how _____ it take to _____?
 Do _____ know how long it _____ to _____ the backups back _____?
 _____ long _____ it _____ back up and recovery _____ to be _____ after loss?
 _____ much time is spent _____ backing _____ units?
 When _____ switch _____ due _____ loss or theft, what _____ timelines _____ restoration?
 _____ the typical _____ and restoration _____ device _____ due _____ or theft?
 _____ a _____ time _____ for backups _____ recovery procedures when devices _____ or _____?
 If you _____ after _____ how _____ take to get _____ backups back?
 When I switch _____ to _____ theft, _____ long do _____ back up/restoration?
 _____ do _____ usually take _____ up _____ restore data during device-switching caused _____?
 What _____ timelines _____ recovery and back _____ when _____ my devices after _____?
 Do you know _____ to _____ when a device is _____?
 How long it _____ to restore and _____ data in _____ related to _____ or _____.
 _____ device _____ how long will _____ take to _____ and _____?
 What _____ and _____ time for _____ switch due to _____?
 How _____ think it will take _____ initiate restorations after losing or _____ stolen?
 How _____ time should _____ backing _____ and _____ transitioning between _____ and lost _____?
 _____ is lost, _____ will _____ take to back up _____ restore data?

_____ moving _____ stolen phones, what is _____ average duration _____ back _____?
 What _____ the typical time frame _____ restoring data _____ switch?
 When _____ switch devices _____ theft, how long _____ it take _____ restore _____?
 _____ know how _____ it _____ when devices are stolen?
 _____ much _____ is spent _____ backups _____ recovering _____ one _____ devices?
 When a device switch causes _____ does it _____ back _____ data?
 Do _____ know _____ long it _____ after a _____ lost device?
 _____ another device after _____ what's the _____ restoration or backup?
 _____ I switch _____ they are _____ the time from _____ and restoration?
 _____ you _____ it will take _____ back the backups _____ a _____ change?
 _____ after _____ loss, what are the _____ and backup timelines?
 _____ long does _____ take _____ back up _____ devices _____ or theft?
 Is there enough _____ backing up and _____ information while _____ between _____?
 When I switch _____ to theft _____ loss, _____ the time _____ backups and _____?
 When I _____ devices _____ or theft, _____ long does it _____ to _____?
 When I change devices with loss _____ how _____ it _____ and _____?
 _____ time _____ will _____ get the backups back when you _____ device?
 Do _____ know _____ long _____ takes to get _____ theft or _____?
 How long _____ need to _____ and backup data _____ a _____?
 How long _____ to restore _____ backup data _____ switch is _____?
 How _____ is _____ restore _____ backup _____ when a device _____ causes _____ loss?
 When _____ switch _____ devices after _____ what are _____ timelines _____ and _____?
 _____ device switch _____ caused _____ loss, how _____ should _____ take _____ restore and _____?
 _____ devices after a theft, do _____ know how long _____ will take _____?
 When you _____ to loss or theft, _____ is _____ for _____ restoration?
 _____ you tell me _____ duration for backing _____ and _____ moving _____?
 How _____ for the _____ and restoration _____ I switch devices due to _____ or _____?
 What _____ the average _____ back up _____ recovery when _____ phones because of _____?
 _____ you _____ takes to restore backups _____ theft or loss?
 _____ I change my _____ loss or theft, how _____ does it _____ restore?
 How long _____ to restore and _____ data in _____ device _____ because _____ or _____ data?
 Do you know _____ much time it _____ after a _____?
 _____ phones _____ owing _____ non-suited _____ pillage, _____ is _____ for backups and _____ operations?
 Is _____ enough time to _____ up _____ information while _____ stolen and _____?
 When _____ change _____ due _____ or theft, how _____ does it _____ to _____ up _____?
 When you switch due to loss, _____ time _____?
 What is _____ expected _____ time _____ will take to _____ restorations after _____ electronic item stolen?
 When _____ switch devices due _____ theft, _____ taken for the restore _____?
 _____ or _____ units, how _____ is spent on _____ up?
 What _____ time _____ needed _____ backup _____ retrieval procedures when _____ are _____ due _____?
 What is _____ for backup and restoration _____ I _____ loss?
 During _____ switch, _____ long _____ backup _____ restore process take?
 Can _____ how _____ takes _____ up _____ restore my device after it's _____ lost?
 _____ I _____ because _____ loss _____ how long will _____ to back up _____ restore?
 When moving from _____ stolen _____ a _____ frame _____?
 _____ is needed to back _____ restore data _____ switch _____ a loss?
 _____ is _____ for repairing or _____ after _____ device is taken?
 _____ time _____ required to restore and _____ a device _____ causes a _____ theft?
 _____ long does it take to restore _____ are lost _____?
 Do you know _____ amount _____ takes to _____ backups _____ changing _____?

Do _____ how _____ it _____ complete backup and _____ when _____ switch _____?

When a device switch _____ how _____ is required to _____?

I want _____ know the wait _____ backups to be _____ get a stolen device.

_____ I switch my _____ another one after _____ loss what _____ timelines _____?

_____ much time _____ to restore _____ protect _____ a device _____ lost?

What _____ time it _____ for my backups to _____ back _____ I _____ get a _____?

When I _____ devices due _____ loss _____ theft, what is _____ them _____?

How _____ is spent _____ backups _____ from _____ stolen devices?

What _____ the _____ and _____ time _____ for switches?

Can you tell _____ how _____ takes to back _____ when _____ device?

_____ devices due to _____ long will it _____ to _____?

When switching _____ theft what _____ time for backup and _____?

_____ duration for completing backups and relevant _____ when _____ after losing _____ them _____?

_____ I change _____ devices after _____ loss, _____ are the timelines _____?

_____ tell me how long it _____ to _____ backups _____ theft _____?

_____ I _____ devices _____ to _____ what is the time taken _____ backup _____?

_____ devices due to _____ or _____ is the _____ it _____ to _____ them?

Can you provide _____ estimate of _____ it will take _____ a _____?

How _____ do _____ usually _____ back _____ and restore _____ during device-switching _____ loss or _____?

When I _____ to loss or theft, _____ is taken _____ and _____?

What _____ time _____ for backup _____ restoration when _____ switch _____ due _____?

What's the _____ period for _____ and _____ when _____ to theft?

Do you know _____ long _____ to get back your _____ you _____?

When moving from a stolen device, _____ for _____?

Do _____ long _____ restore _____ after devices are lost?

How long would it take for _____ to create _____ after _____ item stolen?

When moving _____ a stolen _____ how _____ it _____ restore?

Is there _____ the _____ for _____ and _____ when _____ lost or stolen?

_____ switch _____ to loss or _____ long _____ it take for _____ to happen?

_____ it will _____ and _____ data when _____ device switch _____ lost?

When devices are switched _____ loss or _____ the back up _____ restore _____ take _____?

When I _____ of _____ or _____ is the _____ taken for _____?

How much _____ needed _____ back up _____ restore _____ switch _____ of _____ or missing _____?

When _____ switch devices due to _____ theft, _____ do _____ up?

What is the _____ to _____ up _____ during _____ change?

When _____ devices _____ do you know when _____ the backups _____?

When I switch _____ to another _____ their _____ normally _____ from _____ and restoration?

When I _____ devices _____ to _____ loss _____ what _____ time taken for _____ back-up _____ restoration?

When moving _____ stolen _____ a _____ for backups and restores?

_____ to loss _____ what is the _____ taken for the recovery?

_____ time is required _____ restore and _____ if a _____ causes _____?

When _____ loss or _____ how _____ does _____ take for _____ backup and restoration _____ occur?

What _____ the _____ time _____ for device _____ to _____?

_____ I switch _____ devices _____ another one _____ theft, what's _____ period to _____ them?

When _____ devices due _____ loss or theft, what _____ the _____ taken _____ and _____?

_____ does _____ take to back up _____ restore data _____ device-switching caused _____ theft?

_____ much time _____ spent on backups and recoveries when _____?

What _____ the typical _____ time _____ backup _____ device is lost or stolen?

How long is _____ to _____ and backup _____ a _____ switch _____ loss?

_____ a device _____ the average time _____ backups and _____?

Do _____ how long it _____ take _____ get back _____ theft or _____ change?
 _____ changing devices _____ a _____ long _____ it _____ to restore _____?
 How long _____ backups and recoveries when _____ between _____ stolen devices?
 When I _____ devices due to _____ take to _____ them?
 Is there _____ wait time for _____ to be _____ lose or get _____ device?
 _____ you _____ time it _____ get back _____ when you change devices?
 When I switch my _____ after _____ what _____ the _____ and backup?
 When I switch my devices _____ device after _____ the _____ them?
 Is _____ time _____ up and _____ of _____ after loss or theft?
 When I switch _____ devices _____ another _____ after their theft, what's _____?
 _____ a _____ loss, how long is it required _____ and _____ data?
 When _____ change _____ theft, do _____ know _____ get your _____ back?
 When I switch devices _____ to _____ or loss, _____ time _____ restore _____?
 _____ devices because of _____ or theft, what time _____ restoration take?
 What is _____ and restoration _____ frame _____ switch out?
 _____ long will it _____ complete backups _____ restorations when _____ change _____ lost or _____?
 For _____ due to loss _____ the usual backup _____ time frame?
 When devices _____ out _____ to loss _____ theft the _____ and restore _____ a _____ time.
 When _____ devices _____ loss _____ theft, _____ the _____ for the _____ and restoration?
 _____ I _____ to another _____ after _____ theft, what's _____ for _____ process?
 _____ the _____ from backup and _____ when _____ my _____ they're stolen?
 Is _____ backup _____ restoration _____ frame _____ switch due to loss _____?
 Do _____ know _____ it will _____ to _____ back the _____?
 _____ I switch _____ because _____ a _____ or theft, what _____ to restore _____?
 _____ I _____ devices _____ theft _____ long do you recommend the _____?
 What _____ time taken _____ and restoration _____ I _____ devices _____ loss or theft?
 Is _____ figure for _____ of time needed _____ and _____ procedures _____ devices are _____ lost?
 What _____ the _____ backup _____ time _____ device _____ due to loss?
 How _____ will it _____ complete _____ and _____ restorations _____ change _____ have been lost or stolen?
 What is the _____ for _____ backups _____ after they _____ lost or _____?
 When _____ switch _____ or theft, _____ the usual time _____?
 _____ I switch _____ due _____ and _____ how long _____ to restore?
 _____ switch my devices to another _____ they _____ been stolen _____ normally the time from _____?
 What _____ the _____ it will _____ my backups to come _____ I lose or get _____?
 When _____ switch my devices to _____ time is it _____ backup and _____?
 What is the time taken _____ process when _____ switch _____ loss?
 What _____ the timelines for _____ I _____ after a _____?
 It _____ some _____ to _____ back everything after _____ switch _____.
 _____ to _____ or theft, what is _____ time taken _____ back up?
 If my device _____ or stolen, _____ it _____ to _____ backups?
 What _____ time _____ backup _____ restore during device _____?
 _____ time is _____ back up and _____ when _____ device switch _____ lost?
 What _____ the _____ it _____ to be back up after _____ or get a _____?
 _____ required to restore and backups _____ device switch causes _____?
 What is the _____ restore _____ when moving _____ stolen _____ lost _____?
 _____ my devices _____ are the timelines for recovery and _____?
 _____ know the _____ it takes to restore _____ if _____ device?
 What _____ the _____ for backup _____ recovery when I switch _____ another _____?
 When I _____ devices due _____ loss or _____ is _____ it _____ restore?
 _____ long will _____ take for my _____ to _____ back _____ after I lose _____?

How ____ do ____ take ____ back ____ and restore ____ device switch ____ loss/theft?

When I ____ because ____ loss or theft, ____ is ____ backups to happen?

Do ____ know ____ time ____ restore backups after theft ____?

____ the ____ of time spent backing ____ lost/stolen units?

____ long will it ____ before ____ are back ____ after ____ or ____ device?
