

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network coverage and signal issues
Inquiry Sub-Category	Call quality problems
Description	Customers face issues with call quality, including poor sound quality, echoes, or call drops, and seek guidance on troubleshooting steps or solutions to improve the overall call experience.
Data Size	12,381 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Are _____ consistently _____ poor connections, _____ in compromised calling _____?

Do _____ places have bad _____ which lead _____?

_____ poor _____ call _____ issues in any _____?

_____ recurring scenarios of _____ connectivity _____ affect _____?

Poor _____ issue in _____ same _____?

_____ it _____ always have bad _____?

_____ the location prone _____ network issues _____ calling _____?

_____ we stuck with _____ in many _____?

There _____ locations that face _____.

Some _____ the _____ face _____.

_____ connections keep popping _____ in _____ places?

_____ bad _____ my calls _____ be _____?

How common _____ bad connections _____ endanger smooth _____?

How _____ for _____ connections to _____ smooth telephonic _____?

_____ hard to talk to the _____ where _____ terrible.

Is it _____ areas _____ connection problems _____ phone conversations?

There are _____ are _____ hit _____ connections.

Are _____ bad _____ affecting _____?

_____ a _____ that has _____ issue with _____ network connection?

_____ there _____ poor _____ connections and compromised _____ calls _____ certain _____?

Some places _____ a weak network _____ make calls.

Quality conversations _____ hampered by _____ locations.

_____ you _____ bad connection preventing smooth conversations _____ places?

There may _____ a _____ issue _____ network _____ negatively affects _____.

Are recurring scenarios _____ limited _____ limited _____ a _____?

_____ you _____ deal with lousy _____ conversations at some _____?

Do _____ areas _____ unreliable connections and _____ quality of _____?

Are there places _____ don't _____?

_____ always a bad _____ call _____?
 Is it because _____ low service _____ are _____?
 _____ possible that places are _____ to _____ affect calls?
 Is _____ that _____ experience bad telephone _____?
 _____ places _____ by weak connections
 _____ certain spots _____ bad signals _____ my calls.
 I _____ to _____ are _____ where bad _____ my calls terrible.
 _____ face an awful _____.
 Are _____ regions known _____ phone _____?
 _____ unreliable voice calls?
 _____ that have _____ that affect the experience?
 _____ places deal _____ bad network _____ make calls _____.
 Do _____ places often encounter _____?
 How about poor _____ same _____?
 _____ because of long-term _____ unreliable voice _____ be made?
 Is _____ compromised _____ in connection?
 Is it _____ make my _____ bad?
 _____ certain _____ always _____ bad connections?
 _____ possible _____ they frequently demonstrate subpar network _____ impacting _____ of _____?
 Is _____ true _____ crappy connections keep popping _____?
 Is there a place that has _____ signals?
 _____ with _____ reception and disrupted calling experiences?
 _____ any _____ from _____ networks?
 Is _____ common _____ certain _____ to face _____ that _____ quality?
 _____ places that _____ network issues, _____?
 Is _____ that is prone _____ issues that affects _____?
 There _____ some spots that _____ disrupted calls.
 _____ prone _____ poor call experiences.
 Is it _____ certain _____ frequently _____ poor _____?
 Some areas are frequently _____ connections _____ disrupted _____.
 _____ we _____ with _____ phone experiences _____ areas?
 _____ conversations will _____ if certain locations suffer _____ network _____.
 _____ it normal _____ have _____ connects in certain _____?
 _____ there _____ place _____ connections make my _____ terrible?
 Weak _____ be preventing quality _____ in _____.
 _____ locations experience poor connections on _____?
 _____ coming up _____ certain places?
 Quality _____ by weak _____ in some _____.
 _____ the poor network causing _____?
 Is _____ normal for _____ areas _____ have _____ links that _____ mess _____?
 Is unreliable connections _____ to _____ calls _____?
 Do _____ lot _____ connection problems?
 Are _____ using weak _____ signal to _____ calls _____?
 Do you have _____ experience with poor _____ conversations _____?
 Is _____ a place where _____ the experience?
 _____ regions _____ to have bad _____ ruining _____?
 Is it possible _____ certain _____ connections that lead _____?
 _____ call quality impacted by bad _____ in _____?
 Does patchy connection _____ of _____?
 _____ there _____ location _____ the _____ conversations _____ by _____ connectivity issues?

_____ regions known _____ have _____ connections ruining _____ conversations?

_____ area _____ bad _____ our calls due to frequent _____ problems?

_____ it unusual _____ to have bad links _____ ruin _____?

_____ tend _____ unreliable connections, _____ to compromised calls.

Are they some areas that _____ a _____?

Are we _____ with _____ phone _____ areas?

_____ many _____ experience _____ connections _____ call quality?

_____ a tendency _____ to _____ constant internet _____ that _____ calling experiences?

Areas _____ poor _____ call _____ issues?

_____ spots that _____ call _____?

_____ always bad _____ certain places.

_____ a _____ destination _____ affected by _____ coverage?

_____ there _____ network _____ can affect the effectiveness _____ calls?

Some _____ subpar network _____ impacting _____ effectiveness _____ calls.

_____ locations have _____ connections _____ affect _____?

Some spots _____ connections which compromise _____ of _____.

_____ it _____ a _____ area to always _____ bad _____?

We _____ stuck _____ terrible _____ in some areas.

Do _____ areas _____ from poor _____?

_____ hard _____ the _____ certain _____ where the connection is terrible.

_____ connection _____ compromised calls?

_____ quality _____ calls _____ areas are _____ by unreliable _____.

_____ locations persistently _____ from bad _____ calling experiences?

_____ places that are cursed _____.

Is there _____ with _____ network _____ places?

_____ many places _____ connections _____ callers?

_____ know of areas where poor _____ call _____?

Do certain _____ face _____?

_____ causing _____ voice calls.

_____ certain _____ have _____ signals?

Do _____ areas _____ connections _____ affect the quality of _____?

_____ wondering if there _____ areas _____ make _____ calls terrible.

_____ true _____ certain _____ ruin phone calls?

_____ it _____ that weak _____ call experience?

_____ it true _____ frequently encounter poor network _____?

Is _____ a _____ conversations are _____ by crummy connection _____?

_____ are impacting phone _____.

_____ that have chronic _____.

_____ there _____ area _____ shows _____ the effectiveness of calls?

Are there places where _____?

_____ common is a _____ connection _____ smooth _____ communications?

Poor _____ is _____ to compromised call _____ some _____.

I want to _____ are _____ where lousy connections _____.

_____ locations with bad _____ experiences?

_____ call reception and _____ destinations are _____ insufficient _____ coverage.

The locations are _____ by _____.

Do they show _____ network _____ affecting the _____?

_____ areas with _____ networks _____ call _____?

Any _____ that _____ ruin _____ conversations?

It's _____ chronic _____ issues.

____ quality ____ calls ____ be ____ by unreliable connections ____ certain ____.
 ____ certain regions impact ____ calls.
 ____ some ____ hard ____ call ____ of poor connections?
 Is ____ areas constantly ____ from poor calls?
 ____ it ____ that weak ____ are ____ quality ____ difficult?
 ____ are troubled locations ____ experiences?
 ____ locations ____ coverage.
 There are ____ issues?
 ____ the cause ____ unreliable ____ calls?
 Are ____ areas ____ by ____?
 ____ locations ____ poor connections ____ affect ____?
 Is ____ true ____ areas always ____ from compromising ____?
 ____ there ____ bad reception ____?
 Is ____ for voice ____?
 Do ____ have bad ____ signal?
 Do ____ always have bad ____ that ____ calls?
 Certain places ____ terrible ____?
 Some ____ consistently have ____ lead to compromised ____.
 ____ spots ____ always ____ disrupted calls.
 ____ true that ____ regions face ____?
 Is there ____ area that ____ subpar ____ impacting the effectiveness ____?
 Do ____ areas ____ have ____ connections ____ make calls ____?
 The ____ persistently ____ coverage.
 Have ____ dealt ____ poor ____ preventing smooth ____ at some ____?
 ____ making quality conversations difficult.
 ____ that weak ____ are ____ down the quality of ____?
 Are ____ phone ____ in certain places?
 Will ____ quality issues?
 ____ there ____ of ____ mess up phone calls?
 ____ areas suffer ____ connections?
 ____ there ____ persistently affected ____ communication?
 Is ____ always ____ spot hit ____?
 Does ____ connection ____ spots and ____ compromised ____ conversations?
 ____ have persistently terrible ____.
 Does the region ____ issues ____?
 ____ the same ____ are an ____?
 Is ____ a ____ where weak connections ____ the ____?
 ____ to deal with weak ____ signal to make ____?
 Is ____ that ____ locations are prone to ____ that ____ severe ____ calls?
 Do some ____ signals ____ make calls difficult?
 ____ it ____ connections ____ popping up in ____ spots?
 Is ____ that certain areas ____ suffer ____ connections?
 ____ there ____ affected by ____ connections?
 Certain ____ have ____ coverage.
 Is it possible ____ often overburdened by insufficient ____?
 Is ____ that ____ spots ____ hit by ____ connections?
 ____ it ____ bad network ____ to wreck ____ at ____ locations?
 Why ____ certain ____ cursed ____ weak ____?
 Is ____ are affecting ____ calls?
 ____ call ____ by poor connections in ____?

Some _____ connections _____ compromise _____ experiences.

_____ places are _____ burdened _____ weak _____.

Do _____ places _____ bad connections that _____ _____?

Weak connections and _____ _____ places.

_____ _____ coverage affect call reception _____ in _____ destinations?

Is _____ _____ call quality?

_____ patchy connection _____ hard for _____?

_____ may be adversely _____ by _____ network in _____.

_____ suffer from poor _____?

Is there _____ place _____ weak _____?

Is it normal _____ have bad _____ connections _____ _____ quality?

Is _____ possible _____ suffer from poor _____?

Is _____ a reason why _____ places _____ with _____?

Some spots _____ poor _____ the _____ experience.

_____ conversations might be _____ suffer from crummy connectivity.

There _____ places _____ are cursed with _____ ruin _____ conversation.

Is _____ any area that's _____ for _____ that _____ our calls _____?

Several _____ to be _____ weak _____ and flawed _____ experiences.

Call _____ and _____ be affected by _____ network coverage.

Is it possible _____ certain locations _____ prone _____ call _____?

Is _____ an issue _____ in some _____?

Is _____ that _____ suffer _____ poor connections?

Do certain _____ unreliable connections that affect _____ of _____?

_____ we _____ experiences in some parts of _____ world?

Is there _____ recurring _____ inadequate _____ in the _____?

Is _____ a correlation _____ connection _____ and _____ phone calls?

_____ are frequently _____ weak connections and _____ experiences

Poor networks _____ in _____ same _____.

Is _____ bad _____ connects at certain areas?

Are there areas _____ to be terrible?

Is there a _____ has _____ network _____ affect call _____?

_____ becomes hard _____ talk _____ the phone in _____ where _____ is _____.

Do _____ have _____ connection _____ that lead _____ negative _____ experiences?

_____ phone _____ be ruined if _____ from crummy _____ issues.

_____ you _____ if _____ places have _____ negative telephone experiences?

_____ where _____ are bad?

Is it _____ areas to _____ problems?

_____ there any _____ where _____ connection _____ constant issue?

_____ patchy _____ in _____ phone conversations?

_____ regions _____ are known _____ have _____ connections?

Are _____ to _____ connections?

_____ certain places _____ network connections and compromised _____?

_____ some _____ experience _____ calls _____?

Is it true that _____ prone _____ impact call _____?

_____ there always _____ horrible call _____?

_____ poor network connection a _____ to _____ call performance?

_____ reception and _____ can _____ affected _____ the lack _____ in _____ destinations.

Is _____ some _____ experience chronic connection _____ and _____ experiences?

Do the _____ connections _____?

_____ are areas where lousy _____.

_____ if there _____ areas _____ bad connections _____ my calls _____.
 _____ there _____ problem _____ lousy connections _____ my _____ bad?
 _____ the _____ have compromised _____ experiences?
 _____ it possible for certain _____ _____ lousy _____ conversations?
 _____ areas _____ show subpar network _____ lot?
 _____ possible that spots _____ persistently affected _____ connections?
 _____ places deal _____ weak network _____ to _____ calls _____ to _____.
 _____ not _____ for certain places to _____ connectivity _____ that _____ it difficult _____?
 Is unreliable _____ to _____?
 Do _____ places _____ chronic _____ that _____ negative telephone experiences?
 Are we stuck with _____ areas?
 _____ that _____ location is prone _____ issues that _____ calls?
 Does patchy connection _____ be _____?
 Is there _____ constantly deals with _____ network _____ calls difficult?
 _____ unusual for certain _____ connection _____ that compromise _____ conversations?
 Some _____ are using _____ to make calls _____ to _____.
 Some _____ have _____ connections that can _____ to _____ compromised.
 _____ are locations _____ have _____ call _____.
 _____ areas that _____ network quality?
 Is it that long-term low service _____?
 _____ be _____ connections _____ to compromised calls.
 Are there _____ from weak connections _____ the _____?
 Are _____ places _____ hit by _____?
 _____ normal _____ places to _____ poor _____ connections and _____ phone calls?
 Is it _____ for _____ to _____ hit by _____ connections _____?
 It _____ be _____ to _____ phone in areas _____ the _____ terrible.
 There _____ that _____ connections which compromise _____ experiences.
 Is it possible _____ locations _____ from _____ phone _____?
 _____ spots _____ constantly hit by _____.
 Is _____ links that mess up phone calls?
 _____ it true that _____ are _____ calls are _____ negatively?
 _____ specific locations _____ affect calling quality?
 _____ there a location _____ prone _____ constant _____ communications?
 _____ frequently _____ specific places encounter _____ network _____ compromised phone _____?
 _____ have bad _____ that _____ unreliable.
 _____ and _____ experiences can _____ found in some _____.
 _____ the _____ connections _____ my calls?
 _____ places _____ have bad connections _____ to _____ calls.
 _____ connection _____ a negative _____ phone conversations?
 _____ places are _____ dealing _____ signal to make calls _____.
 Is it _____ stuck _____ terrible _____ experiences _____ some _____?
 _____ connections and flawed _____ are burdens _____ several _____.
 Do _____ connection _____ conversations?
 Is _____ phone call _____?
 _____ have bad connections, _____ calls _____.
 Is _____ for certain _____ to experience _____ connection _____?
 Several _____ by weak connections.
 _____ a _____ places always have bad connections?
 _____ think troubled _____ poor _____ experiences?
 _____ there any _____ that's bad for _____ calls _____ connectivity _____?

_____ connection a problem _____ in compromised _____ conversations?
 Is there _____ where bad connections _____ my _____?
 Is _____ quality _____ affected by lousy _____?
 _____ it possible that _____ marred _____ reception and _____ calling experiences?
 Some _____ have _____ tendency _____ unreliable connections _____ lead _____ calls.
 Is _____ true _____ suffer from bad phone _____?
 Is _____ possible _____ locations _____ from crummy _____ ruin _____ conversations?
 Some _____ have _____ reception _____ disrupted _____.
 Is it _____ places are _____ to _____ that impact _____?
 _____ areas _____ connections that _____ quality.
 _____ location prone _____ that affect calls?
 _____ regions _____ network connection can _____ to compromised call _____.
 Is there _____ where _____ are _____?
 Do _____ connection problems _____ areas?
 Is _____ recurring _____ inadequate _____ affects call quality?
 Are _____ spots that _____ quality because of _____ issues?
 Is it _____ some _____ from _____ phone conversations?
 Some places _____ weak _____ signal that _____ hard to _____.
 Is _____ still bad _____ and _____ calls _____ locations?
 _____ experience can _____ compromised by inconsistencies _____.
 Are there spots where _____ by _____ connected issues?
 _____ have _____ signals _____ messing up my _____.
 _____ reception _____ clarity _____ destinations can _____ affected by insufficient network _____.
 Some _____ atrocious _____.
 Can _____ tell me _____ certain places have _____ or _____ experiences?
 Have you _____ dealt _____ connection preventing a _____ some _____?
 _____ have unreliable _____ to compromised _____.
 Is _____ common _____ certain area _____ links that mess _____ phone _____?
 _____ links _____ hard to have good _____?
 _____ there a _____ weak _____ are impacting call _____?
 _____ phone conversations _____ ruined if _____ locations _____ from _____ connections.
 Is _____ network connection _____ that causes _____ performance?
 The _____ facing _____ awful _____?
 Is _____ that _____ spots _____ horrible signals?
 _____ a location _____ connections _____ always _____?
 _____ they _____ show _____ network quality?
 How _____ that _____ phone communications?
 _____ persistently face _____ issues?
 _____ low service may be _____ blame _____ calls.
 _____ weak _____ may _____ making calls _____.
 _____ bad _____ affect call _____?
 _____ you see _____ call _____ is ruined by _____ connecting _____?
 Do _____ encounter _____ network connections _____ compromised _____ calls?
 _____ areas suffer from _____?
 Do _____ up stuck with terrible _____ experiences _____?
 Do some _____ bad _____ that _____?
 Poor connections _____ compromised _____.
 _____ typical _____ bad network connects at specific _____?
 _____ there a correlation _____ unreliable _____ poor _____ quality?
 bad signal _____ calls.

Does ____ connection affect several ____ and ____ phone ____?

Some ____ hit by bad ____ and ____ often.

Is ____ possible ____ are prone to ____ impact calls?

____ areas show ____ quality and impact ____ of ____.

Is ____ that ____ hit by bad connections ____ calls?

Do any regions ____ networks ____ lead ____ compromised call ____?

Do ____ locations have bad ____ call ____?

Do some ____ signals?

Will ____ be ____ by the inconsistencies ____ connection?

Is ____ call ____ with by bad ____?

____ some spots ____ my ____?

Do ____ any ____ that ____ terrible ____ connections?

Is it common for ____ places ____ encounter ____ connections ____ compromised ____?

Are ____ always stuck ____ terrible phone ____ some ____ country?

Do ____ areas suffer ____ poor ____?

____ places ____ call ____ due to poor ____.

____ that certain areas ____ connections ____ makes calls unreliable?

____ bad phone connections?

____ connection is ____ it's hard ____ on the phone.

Does it happen ____ places ____ bad ____?

Is ____ rare for certain ____ connection problems ____ compromise phone ____?

____ there a ____ of ____ some places ____ affects ____ quality?

____ there a recurring issue ____ some areas?

Is it true ____ certain ____ have ____?

Is ____ a ____ poor ____ and compromised phone ____?

____ patchy connection ____ to break?

____ may cause ____ be compromised

The call quality in some ____ by ____ network.

Is ____ possible ____ some ____ horrible ____ due to sucky ____?

Any ____ where ____ are ____ by troubling ____?

Is ____ that ____ are areas that ____ calls ____?

____ the ____ affect the calling ____?

Do places ____ from bad ____?

Is it ____ locations have poor connections ____ result ____?

Can you ____ if it's ____ to face ____ that ____ it ____ to ____?

Is ____ recurring ____ network ____ quality in some places?

____ any regions that suffer ____?

____ spots may ____ hit by ____ connections ____ calls a ____.

____ places that ____ from weak ____?

____ always rotten links ____ up ____ in certain places.

Some ____ frequently ____ network ____ impacting ____ effectiveness of ____

____ there ____ with weak ____ that ____ experience?

____ locations face really ____.

There ____ connections make ____ calls horrible.

____ persistently experience distorted ____ due to ____ connectivity.

Some places deal with ____ signal ____ calls ____

Poor network ____ lead to ____ call performance ____.

____ spots ____ by subpar phone ____.

Is the call reception ____ by ____ in ____?

____ there ____ where subpar ____ affects the effectiveness ____ calls?

_____ locations _____ terrible _____.

Is _____ common for certain _____ to face _____ it hard _____ make _____?

_____ the _____ of _____ affected by unreliable _____?

There are areas where _____ are _____ connections.

_____ are locations that _____ experiences.

Is _____ where calling experience _____ impacted _____ weak connections?

Is _____ normal _____ to encounter poor _____ connections _____ compromised _____ calls?

_____ it possible that several places are _____?

Do _____ ever _____ with terrible _____ experiences in some _____?

Is _____ common to have _____ that compromise _____?

Is _____ correlation between _____ connectivity issues _____ phone _____?

_____ spots have _____ connections _____ experiences.

_____ cause issues _____ phone calls?

Is there _____ connection problem _____?

Is _____ service causing _____?

_____ any _____ unreliable networks _____ compromised call experiences?

_____ there _____ that is persistently _____ by subpar _____?

_____ the places _____ chronic _____ have negative _____ experiences?

_____ wreck _____ quality by having bad _____.

Is _____ correlation _____ connections _____ compromised calling Experiences?

_____ there _____ area prone _____ poor _____ causing call _____?

_____ constantly dealing with a _____ signal.

Quality _____ hampered _____ weak links _____ places.

_____ have bad call _____.

_____ some _____ always _____ connections that lead _____ being compromised?

Is it _____ that bad connections _____?

_____ hard to talk on _____ phone _____ areas _____ connections.

_____ there _____ have poor _____ for _____?

_____ quality being played havoc _____ by _____ locations?

_____ difficult _____ talk _____ the _____ in _____ that have _____ connection.

_____ areas _____ have bad connections _____ affect _____?

Do _____ from weak _____?

Do you _____ places _____ that ruin _____ call _____?

Is _____ long term low _____ vibracies _____ voice _____?

Some _____ demonstrate _____ network _____ that impact _____ effectiveness of _____.

_____ some _____ always _____ from _____ phone _____?

_____ there _____ lot _____ bad _____ jeopardizing smooth _____ communications?

_____ you _____ ruin your _____ quality?

Is it _____ have bad _____ ruin calls?

Is _____ common for certain places to _____ that _____?

Some _____ often _____ network quality, _____ the _____ of _____.

Is _____ possible _____ links _____ affecting _____ of conversations?

_____ it true that _____ unreliable connections?

_____ it possible that _____ places cause _____ experiences due _____?

_____ it _____ that some _____ to _____ crummy phone conversations?

Is there _____ disrupted calling _____?

_____ have persistently _____ coverage?

_____ they _____ have subpar _____ quality?

Do _____ with _____ messing _____ my _____?

_____ my calls _____ crappy connections?

There _____ spots that have _____ connections _____ to _____ calls.
 _____ have had connections _____ ruin phone conversations?
 Have _____ poor _____ preventing smooth _____ at _____ places?
 _____ areas _____ suffer from _____?
 Is that _____ have chronic _____?
 There are spots _____ persistently affected _____ communications.
 Does _____ connections _____ affect calls?
 _____ is _____ to _____ the _____ in places _____ connection is poor.
 _____ connection preventing smooth conversations at places?
 _____ any _____ that _____ notorious for having _____ problems?
 _____ patchy connection a _____ causes _____ phone _____?
 _____ it not _____ for _____ to face _____ to make calls?
 Is it _____ that _____ internet issues that _____ calls?
 _____ have unreliable _____ lead to compromised _____.
 _____ talk _____ phone in areas with a terrible _____.
 Does _____ connection _____ conversations?
 _____ it _____ have _____ network signal that _____ calls difficult?
 Weak _____ are affecting _____ some _____.
 _____ are _____ by poor connections and _____.
 Is it _____ that any _____?
 _____ are _____ where bad _____ make _____ calls terrible.
 _____ areas have bad connections that _____?
 _____ there places _____ always have _____ callers?
 _____ low _____ unreliable _____ calls?
 Do _____ places _____ phone signal?
 _____ are areas _____ network that cause call _____.
 Does _____ result in _____ being _____?
 Do _____ know if places _____ chronic _____ negative _____ experiences?
 _____ it _____ places _____ face issues that _____ difficult to use the _____?
 _____ quality _____ calls affected when _____ areas _____ from unreliable _____?
 _____ there _____ place _____ always has poor connections _____?
 _____ cause problems in _____.
 Is _____ call compromised _____ of _____ in _____?
 _____ connections _____ make calls _____.
 _____ some _____ show subpar _____ quality?
 Is it _____ spots _____ up _____ calls?
 Is _____ spots always _____ calls?
 _____ some _____ suffer from poor reception and _____?
 _____ it common _____ connections to endanger smooth _____?
 _____ patchy _____ affect phone _____?
 There might _____ troubled _____ call _____.
 _____ there a spot _____ connection?
 It _____ talk _____ the phone _____ a terrible connection.
 What if _____ areas have _____ connections _____ make _____?
 Is it possible that certain _____ calls?
 There are _____ that _____ weak _____ callers.
 _____ compromised _____ the inconsistencies in connection?
 _____ there _____ recurring _____ with inadequate network in _____?
 _____ hard _____ on _____ phone _____ areas _____ the connection is poor.
 _____ locations _____ awful coverage?

Do you know _____ places _____ issues _____ call quality?
 Is it _____ consistently _____ unreliable connections?
 Is _____ true _____ have unreliable connections _____ lead _____ compromised _____?
 _____ patchy _____ affect calls?
 _____ of long-term _____ service _____ unreliable voice _____ are happening?
 _____ spots prone to poor _____ which _____ experiences?
 Is there _____ from unreliable _____?
 Do _____ keep _____ up?
 Any _____ conversations consistently?
 How many _____ jeopardize smooth _____?
 _____ certain _____ have _____ connections.
 _____ a consistent problem _____ call _____?
 _____ connection causing calls _____ be _____?
 _____ you ever _____ connection _____ smooth _____ at some places?
 How common are bad _____ ruin _____ calls _____?
 Do _____ areas have _____?
 _____ the regions _____ unreliable _____?
 _____ to have _____ network connects in specific _____?
 Is _____ for certain _____ to face _____ that hamper _____?
 Poor _____ can lead _____ compromised _____ in some _____.
 Is there areas where _____ a _____?
 Some _____ have poor _____ compromised _____.
 Same _____ in _____ same _____ networks?
 Several _____ are _____ burdened _____ and _____ calling experiences
 Do _____ crummy _____ conversations?
 Do we know _____ any _____ from _____?
 Is _____ experience compromising _____ the inconsistencies _____ connection?
 _____ locations _____ poor _____ and _____ in _____ calling experiences.
 _____ there _____ that _____ bad reception?
 _____ patchy _____ lead to _____?
 _____ any _____ with poor _____ causing call quality _____?
 _____ are frequently burdened _____ connections and _____ calls.
 Is _____ possible _____ certain _____ suffer from _____ connection _____ calls?
 _____ suffer from _____ connection problems?
 _____ does _____ cause call _____ issues?
 _____ have _____ network cause _____ quality _____?
 Have you _____ with _____ preventing _____ talks at _____ places?
 Is it common _____ to _____ problems with _____?
 Is _____ true _____ certain _____ more _____ to _____ affect calls?
 _____ bad locations _____ playing havoc _____ quality?
 _____ it _____ for _____ connectivity issues that make it _____ call?
 _____ specific places often encounter _____ network _____ and _____?
 Is _____ locations _____ plagued by _____ connections?
 Do _____ issues _____ calls?
 Is it _____ that _____ areas _____ suffer _____ bad _____?
 Some regions have _____ phone _____.
 Can calls _____ due _____ bad connections _____ certain _____?
 Is _____ bad _____ and _____ calling _____ some places?
 _____ are _____ with sucky _____ horrible call experiences.
 Is _____ certain areas to _____ persistent connection _____ compromise _____?

Is _____ network _____ making calls _____?
 _____ certain areas really suffer _____?

Is _____ for a certain _____ have bad _____?

Is _____ normal for some _____ to _____ links _____ calls?
 _____ there areas where _____ connections _____ calls _____?

There are regions that _____ troubling _____ conversations.
 _____ places _____ bad connections which lead to _____.
 _____ persistently experience _____ issues?
 _____ call compromised due _____ the _____ connection?

Some _____ poor connections which _____.

Do some locations _____ connections _____ quality?

Some spots _____ that compromise _____.

Poor network _____ quality _____.

_____ there _____ problem _____ that compromise calls?
 _____ if _____ suffer _____ weak connections?
 _____ there a susceptibility _____ constant _____ issues _____ call _____?

Does _____ connection _____ to make _____?

Is it _____ suffer _____ compromising calls?
 _____ the _____ to _____ issues _____ impact calls?
 _____ spots _____ hit _____ disrupted _____ often.

Some _____ that lead to _____ compromises.

Is _____ calling experience compromises _____ to _____ connection?
 _____ places are persistently burdened _____ flawed _____ experiences.
 _____ certain areas affected _____ connections?

Certain locations _____ horrible _____.

_____ places _____ terrible _____.

_____ with _____ network that negatively affects call _____?

Does unreliable connections _____ of _____ in certain _____?

Is _____ a _____ problem?

Do _____ Areas always _____ from _____?

Is _____ consistent issues that impact _____?

Is _____ to _____ when making _____?

Certain _____ have _____ coverage.

Is there _____ phone _____ are ruined _____ signal?

There _____ that have _____ coverage.
 _____ conversations _____ be _____ by weak _____.

_____ patchy connection _____ phone _____ that _____ compromised?

Do _____ locations regularly _____?

Is _____ spot messing _____ my _____?

_____ certain regions _____ that affect _____ calls?

Bad _____ phone _____ in some _____.

_____ common are bad _____ that _____ phone _____?

I _____ there are areas where bad connections _____.

_____ there a _____ of _____ connections _____ affect calling _____?

Do you _____ are _____ with compromised call _____?

_____ it possible _____ have messed up _____?

_____ any area that _____ our calls _____ of _____ problems?
 _____ stuck _____ phone experiences in _____ areas?
 _____ it possible _____ locations are _____ affect calling experiences.
 _____ there _____ lot of poor network connections _____ in some _____?

_____ are persistently _____ weak connections.

Poor _____ may _____ calling _____.

Is _____ that unreliable _____ affect _____ quality _____ calls?

_____ the _____ with chronic _____ problems have _____ telephone _____?

Did you _____ spots _____ by disrupted calls?

_____ there areas _____ poor network causing _____ quality _____?

_____ normal for _____ be burdened _____ connections and _____ calling experiences?

Are you aware _____ where a _____ makes _____ talk on _____ phone?

Some locations _____ poor calling experiences.

_____ it _____ for _____ issues that _____ it hard to make _____?

Is _____ correlation between sucky signals _____ call _____?

_____ there _____ chronic _____ issues.

The quality _____ calls may be _____ affected _____.

_____ it because we are _____ with terrible phone _____?

It's hard _____ talk _____ phone in _____ have _____ connections.

_____ call quality issues?

_____ regions face connection _____ impact phone _____?

Bad _____ can _____ certain _____.

_____ persistently _____ for certain locations.

There _____ places _____ chronic _____.

_____ it not _____ certain spots _____ bad links?

_____ spots get hit by _____ calls often?

Several _____ often burdened _____ connections.

How _____ chronic _____ issues?

_____ they some _____ that _____ subpar _____ quality _____?

Are there _____ have _____ connections impacting _____?

Is _____ that a location _____ that affect _____ experiences?

Is there a region _____ a constant _____?

Does patchy _____ affect _____ and _____ in compromised _____?

_____ specific locations _____ connections?

Are _____ known to _____ problematic connections _____ conversations?

_____ regions _____ phone conversations _____?

Is it true that certain _____ are _____ that _____?

_____ could cause _____ to be _____

Do _____ locations experience _____?

_____ any areas where our _____ are _____?

_____ location experience poor connections that _____ call _____?

Is _____ compromising _____ inconsistencies in connection?

Are the areas _____ show subpar _____ quality _____ of _____?

_____ possible _____ with poor phone experiences in _____ areas?

Phone calls are _____ certain regions.

Does _____ connection cause _____ fall _____?

Is _____ always _____ compromising calls _____ areas?

_____ a _____ where _____ plague callers?

Are we _____ with terrible _____ experiences _____ areas?

Do _____ places _____ bad _____ calls?

_____ burdened by weak connections.

_____ certain _____ experience _____ calls _____?

There _____ a _____ problem _____ network in _____ places.

There _____ where _____ not strong.

____ it true ____ locations ____ from crummy ____ issues?
 ____ quality ____ calls ____ be negatively affected by _____.
 Where are areas ____ network causing call ____?
 Is ____ true ____ bad phone calls?
 Is ____ locations for ____ experiences?
 Is ____ true that certain ____ connections, compromising ____?
 Is there persistently ____ disrupted ____ in certain ____?
 ____ a ____ between the ____ of ____ connections and ____ calls?
 Is ____ a common occurrence ____ certain ____ that ____ reliability?
 ____ there always ____ in certain places?
 ____ stuck ____ terrible phone experiences ____ parts ____ country?
 ____ the ____ with ____ issues?
 Is it ____ have bad ____ certain locations?
 ____ there ____ scenarios where ____ communication?
 Several ____ weak connections and flawed calling ____.
 Several places ____ perennially ____ down ____ weak ____ flawed ____ experiences.
 I ____ lousy locations ____ playing havoc with ____ call ____.
 Certain ____ have persistently ____?
 ____ there any ____ persistently ____ from unreliable networks?
 Are ____ playing havoc ____ my ____?
 Does insufficient network ____ affect ____?
 Do you ____ if ____ quality problems?
 Is ____ certain areas to ____ persistent connection ____?
 ____ some ____ always get ____ poor connections ____ calls?
 ____ a ____ have problems ____ making ____?
 ____ stuck with ____ phone experiences in certain ____?
 It ____ be hard ____ on the ____ in areas ____ a ____.
 Is there ____ poor ____ leads to compromised ____ performance?
 ____ specific ____ telephone experiences?
 Is there ____ for ____ have persistent connection ____?
 ____ patchy connection ____ in ____?
 ____ you ever ____ with bad ____ preventing ____ conversation ____ places?
 Certain ____ coverage.
 Is there a ____ that are ____ by ____ and ____ calling ____?
 ____ it common for places ____ poor network ____ and ____?
 How common ____ affect phone ____?
 ____ you ____ dealt with lousy ____ preventing smooth ____ some ____?
 ____ possible that there ____ locations ____ compromised ____ experiences?
 ____ there always poor ____?
 ____ it ____ suffer from poor phone service?
 Some ____ with ____ network signal ____ make calls ____.
 ____ affected the quality of ____?
 Are there ____ weak connections ____ callers?
 Are ____ with ____ connections for ____?
 Is there ____ locations ____ constant internet issues that ____?
 The ____ be ruined ____ certain locations ____ from crummy ____.
 Did ____ connection ____ affected phone calls?
 Is the ____ connection ____ phone ____?
 ____ can affect the ____ of ____.
 Is it common ____ certain ____ to ____ that ____ unreliable ____?

_____ regions have _____ issues _____ impact _____.
 _____ areas frequently demonstrate _____ the effectiveness of _____.
 There _____ connection issues _____.
 Is it not unusual _____ to _____ it difficult _____ call?
 _____ connection _____ in some _____?
 _____ there a pattern of poor _____ compromised _____ calls in _____?
 How _____ are bad _____ for smooth _____ in _____?
 _____ keep getting weak connections for _____.
 _____ where poor network _____ causes compromised call _____.
 _____ know if there _____ any _____ are bad for our _____.
 There are _____ face _____ coverage.
 Is _____ between _____ connections _____ calls being compromised?
 Is the region _____ suffering _____?
 Do certain areas suffer _____ unreliable _____ of calls?
 _____ are areas that _____ connections that _____ terrible.
