

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network speed and performance concerns
Inquiry Sub-Category	Slow internet connection
Description	Customers experiencing slow network speeds or delays in accessing data services.
Data Size	6,751 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ take before normalcy is restored _____ current _____ experienced _____ using _____ networks?
How _____ time _____ it _____ for this slowness _____ mobile _____ improve?
_____ possible to restore _____ network performance _____ an estimated _____?
How _____ fix _____ lousy cell network speeds?
Time _____ the phone _____ speeds?
_____ anyone _____ an _____ of when this issue _____ be solved?
Do you _____ cellular networks _____ return _____ normal _____?
_____ would it _____ to _____ the _____ cellular _____ issue?
How quickly will _____ cell networks _____?
_____ cell networks _____ normal?
The sluggishness _____ networks _____ fixed soon.
Is _____ possible to get _____ for _____ cellular _____?
Will _____ sluggishness in _____ network _____?
Do you _____ time _____ in mind for _____ be able _____ our mobile _____ speeds?
_____ does cellular _____ turn _____?
Will _____ return to normal _____ it _____ to _____?
Do you _____ when _____ cell _____ speeds will _____?
_____ will _____ to _____ these _____ cell network speeds?
There _____ on _____ mobile networks.
When _____ issues be fixed?
_____ you have _____ when normalcy _____ return _____ cellular service?
_____ is your expected _____ it _____ to recovering _____ this disruptive _____ on mobile _____?
_____ the cell networks _____ to function _____?
_____ take some time _____ better signal speeds _____.
_____ long can we expect _____ cellular _____ performance?
_____ is _____ network slow, _____ long before it _____?
The _____ networks will _____ normal _____.
_____ you forecast _____ mobile _____ improve?
_____ will it take _____ this _____ issue _____ phone _____ be solved?
_____ you know how _____ will take _____ the _____ in _____ networks?
How _____ slow performance on _____ cellphone _____ last, until everything _____ fixed?
_____ longer until _____ with the network _____ solved?
_____ long _____ finally stop _____ phones?

_____ much will it _____ until _____ ?
 How _____ it take to resolve _____ sluggishness _____ ?
 How _____ it _____ to _____ cellular speeds' problem?
 _____ you _____ the cellular networks will _____ normal?
 How long will _____ see _____ with _____ ?
 When _____ expect the sluggishness in cellular _____ ?
 _____ a question _____ networks will be _____ to normal.
 Do you _____ a _____ frame _____ you _____ able to get _____ speeds _____ to normal?
 _____ enough _____ to _____ network issues?
 How _____ the _____ networks _____ to _____ ?
 Will it _____ a _____ time to see _____ network?
 _____ slow mobile _____ fixed _____ ?
 _____ I expect _____ connection to improve?
 How _____ time is _____ fix _____ cell network _____ ?
 Will _____ improvements in the _____ slowdown _____ networks?
 _____ you _____ how long _____ take to _____ the sluggish cell _____ ?
 _____ slowness _____ our _____ networks be solved _____ ?
 What _____ for normal speed _____ the phone _____ ?
 Do _____ the cellular networks _____ be _____ and _____ before?
 _____ take a long time _____ networks _____ improved?
 _____ can we _____ slow experience with _____ mobile service provider?
 Is it _____ provide _____ estimate _____ cellular service _____ return to _____ ?
 _____ see an improvement in the mobile _____ ?
 _____ you know _____ can expect _____ return to normal?
 _____ soon should the issue of _____ cellular _____ ?
 Can you _____ mobile connection _____ get better?
 _____ the _____ issue _____ phone carriers will be _____
 _____ cell networks resolve _____ sluggishness _____ ?
 _____ you think _____ on the cellular networks _____ soon?
 Recovering from _____ slowdown on mobile _____ what's _____ resolution _____ ?
 Will _____ we see an _____ in _____ mobile networks?
 Is it _____ get back to _____ ?
 Are _____ able _____ tell _____ when _____ can expect my _____ connection _____ ?
 _____ an _____ of _____ the _____ issues will _____ fixed?
 Time for _____ speed to _____ .
 _____ will the _____ cellular _____ ?
 _____ the _____ frame for _____ slow _____ ?
 cell _____ will _____ again?
 _____ long _____ take _____ normal _____ of _____ networks to _____ restored?
 How _____ the _____ service _____ correctly again?
 _____ or weeks should I _____ until everything _____ fixed _____ my _____ ?
 Is _____ for a _____ speed _____ phone network?
 How much _____ to _____ crummy cell _____ speeds?
 How long is _____ going to _____ lousy cell _____ ?
 _____ our _____ networks _____ fixed soon.
 _____ the _____ networks be functioning _____ ?
 _____ long _____ is _____ on the mobile networks?
 _____ it take to _____ the _____ problem in _____ ?
 We _____ finally _____ this annoying slow _____ when?
 Time to get _____ the phone _____ ?

When _____ performance _____ what it _____?

_____ will _____ take to fix crummy _____?

_____ do you think _____ networks _____ to normal?

Will it _____ long _____ improved mobile _____?

How _____ for mobile networks to _____ better?

Do you _____ a _____ in _____ for _____ our mobile _____ back to _____?

Can _____ long it will take to restore _____ network _____?

When _____ sluggishness _____ networks _____ to be _____?

When does _____ on track?

What is your _____ resolution _____ comes _____ recovering from the _____ slowdown?

Are _____ the _____ networks _____ be back _____ running smoothly?

Is _____ known when we _____ expect a return _____ normal _____?

_____ a while before _____ cell _____ back to normal.

When _____ slowness _____ cellular networks to decrease?

_____ we get _____ the mobile networks?

How _____ going _____ take to restore _____ cellular network _____?

Can _____ expect _____ slowness _____ cellular _____ diminish?

When _____ network _____ fixed?

What _____ resolution _____ for _____ from this disruption on mobile _____?

Recovering from _____ on mobile connections, _____ is your _____ resolution _____?

Is _____ an estimate _____ the normal _____ be _____?

When _____ performance get _____ track

_____ is _____ case _____ frame after recovering from the mobile _____?

When will _____ connection _____?

How _____ time _____ needed _____ network slows down?

_____ your _____ resolution _____ from the mobile connection slowdown?

Are _____ sure that _____ networks _____ run _____ again?

_____ gets back on _____

Will _____ cell networks _____ to normal?

_____ long _____ network gets better?

_____ till we _____ improvement _____ mobile networks?

How _____ will _____ the slowness _____ with _____ carriers to be _____?

The cellular _____ are very _____.

When the _____ network _____ return _____?

Is _____ time when _____ networks _____ return to _____?

Does anyone know when we _____ a _____ to _____?

_____ when will _____ cellular _____ back up and _____?

Can you _____ an _____ on _____ return _____ the cellular _____?

Can our _____ dragging?

_____ slowness in _____ network _____ solved _____?

_____ the slowness _____ phone carriers _____ resolved?

Is it _____ for normal _____ network?

_____ it going to take long _____ improve?

_____ there an estimate of _____ the _____ will _____?

_____ before _____ is _____ on _____ mobile networks?

_____ slow mobile _____ is _____ to _____.

_____ think that the _____ cellular networks _____ fixed soon?

Time _____ the _____ to _____ at normal _____?

Cell _____ functioning again.

_____ a while _____ see _____ improvement in mobile networks?

_____ a _____ performance _____ back _____ track?
 When _____ a resolution to the slow experience _____ our _____?
 Will it _____ time _____ see improvements _____ the _____ networks?
 Do _____ know when _____ return _____ normal cellular speed?
 _____ current _____ using cellular networks _____ take _____ time to _____ restored.
 Can you _____ me when the _____ phone _____?
 _____ to know _____ the mobile _____ can _____.
 How much _____ before cellular performance _____?
 _____ don't know _____ long I _____ expect _____ slow _____ on my _____.
 _____ to get _____ normal _____ the phone _____.
 _____ of when this issue with phone _____ resolved?
 When _____ pick up?
 _____ does cellular _____ make _____?
 _____ it take _____ our mobile networks improve?
 _____ possible to get _____ time to restore cellular _____?
 Will the _____ cell _____ resolve _____ soon?
 When _____ networks be _____ up and running _____?
 When will there _____ the slow _____ with our _____ provider?
 How long _____ for the sluggishness _____ back to normal?
 How long will _____ take _____ sluggishness with _____ networks _____?
 _____ does _____ performance _____ back on _____?
 There is _____ networks.
 Are _____ the _____ networks _____ back to normal?
 _____ long do _____ to wait _____ phones to stop _____?
 _____ improvements with mobile networks?
 _____ cell networks _____ again?
 Can you provide _____ estimate of _____ service _____ normal?
 Cell networks _____ functioning again.
 _____ long until _____ current _____ fixed?
 Will the current _____ of mobile _____ fixed _____?
 Can _____ an _____ of when _____ performance will _____?
 _____ cellular _____ problems be resolved?
 _____ will it take _____ with the cell _____?
 Recovering _____ the _____ slowdown _____ connections, what _____ expected case resolution _____?
 _____ it _____ we _____ a _____ normal speed _____ cellular connections?
 _____ long will _____ takes to _____ slow cellular _____?
 _____ long _____ the mobile _____ fixed?
 When can we _____ this _____?
 _____ long _____ to _____ the crappy network speeds?
 The slowness in _____ cell _____ be _____.
 _____ network slowness, how much time does _____ take _____?
 Are the _____ going _____ up and _____ way _____ were before?
 How _____ will the mobile _____ be _____ it _____?
 _____ know _____ it _____ take to _____ our _____ speeds to their normal state?
 _____ slowness issue with _____?
 How _____ will _____ to _____ cell _____ working again?
 How long _____ take to _____ for sluggishness _____ while using _____?
 When _____ expect a _____ to _____ slow _____ with our mobile _____?
 When _____ cell _____ will _____ working _____?
 _____ amount _____ I expect this _____ on my _____ until _____ is fixed?

_____ there an estimate for fixing _____ with _____?

Time _____ to improve?

Will it _____ while _____ see _____ in the _____ networks?

_____ is _____ of when the slowness _____ with phone _____ resolved?

I want _____ when you can _____ the _____ improve.

_____ time will it take _____ cellular _____ are _____?

When will we _____ able _____ this slow _____?

_____ it take _____ long time to _____ to _____ networks?

How long _____ phones _____?

_____ have a time line _____ we'll _____ able to _____ mobile internet speeds _____ to _____?

_____ cellular networks go away?

_____ it possible to _____ cellular network _____ in an _____?

Do you _____ we _____ a return to normal _____ our _____?

_____ expected case resolution _____ from _____ disruptive slowdown on mobile _____?

_____ slow _____ issues _____ be resolved.

_____ network problems are resolved?

How long will _____ take for _____ garbage _____ go _____?

Can _____ tell me _____ network issues _____ better?

When _____ this _____ network _____ over?

_____ it possible to give an _____ cellular _____ back _____ normal?

Will our _____ get _____?

_____ long is it _____ issues _____ resolved?

When _____ slow cellular network _____ be fixed?

_____ take to fix _____ slow cellular speeds' _____?

_____ does _____ performance _____ it was before?

_____ before the _____ issues are _____?

_____ have _____ time _____ for when _____ will _____ able to _____ our mobile connections _____ normal?

_____ is _____ about when things will _____ back _____ normal on _____.

How much time _____ it take _____ cellular _____ back?

_____ estimate a timeframe for _____ cellular _____ performance?

Do you have a _____ frame _____ we will _____ get _____ internet _____ back?

How much time _____ it take _____ the _____ the _____?

_____ long _____ performance goes _____ normal?

Can _____ tell _____ will return _____ on my phone?

_____ will _____ to normal _____ the _____?

_____ will the _____ in _____ better?

How long will _____ cell service to _____?

How _____ it _____ take to fix _____ cellular speeds _____?

How _____ will it take for _____ network _____ be _____?

_____ soon _____ you believe the _____ networks _____ be fixed?

_____ you _____ how long it _____ us to get _____ mobile _____ back _____?

Do you have _____ specific time _____ when we'll _____ our mobile speeds _____ to _____?

When will _____ possible _____ get _____ this _____ network situation?

Do _____ a _____ frame for fixing _____ our _____ speeds?

_____ the cell networks _____ normal?

Can we _____ an _____ for when _____ be restored?

How _____ longer _____ network issues _____?

How long _____ the slow cellular _____ issue _____ fixed?

_____ you know when I _____ the mobile _____ get _____?

_____ until _____ cell service _____ well again?

_____ know _____ the slowness _____ cellular networks _____ be _____?
 _____ does it take for the mobile _____?
 Time _____ normal _____ the _____ network?
 _____ we expect the _____ in the _____ improve?
 _____ does it take _____ get _____ after _____ slowness?
 _____ the sluggishness _____ cellular _____ ease _____.
 How _____ it _____ to take to fix _____ network _____?
 Can you give an _____ of _____ normal service _____?
 _____ for _____ normal _____ speed?
 Is there _____ the slowness issue _____ networks?
 _____ the _____ cellular network _____ going to _____ fixed?
 _____ have _____ plan for _____ it will _____ to _____ our _____ connection _____ to normal?
 Will _____ the _____ mobile _____ take _____?
 _____ now, the _____ are _____.
 _____ there _____ to fix slow _____ issues?
 _____ cellular networks should ease _____.
 I _____ know _____ it will _____ the cell reception _____.
 _____ know _____ I have _____ deal with these _____ services.
 _____ the cellular _____ up and running smoothly?
 _____ till _____ network _____ are solved?
 _____ our phones _____ dragging?
 Our cell networks _____ be _____ soon?
 _____ need to _____ I _____ expect _____ mobile connection _____ better.
 How long _____ this _____ fixed _____ the mobile _____?
 _____ how long _____ will take to fix _____ in networks?
 How _____ or _____ should _____ performance on my cellphone _____ get better?
 What _____ the _____ for _____ cellular _____?
 How _____ are we _____ to _____ with the _____?
 Can _____ calculate a time _____ restoring normal _____?
 What _____ does _____ on track?
 When _____ the networks _____ return _____?
 _____ long time before we see improved _____?
 _____ cell network speeds?
 _____ long can it take _____ fix _____ speeds?
 When will _____ annoying _____ situation finally _____?
 _____ will it take for _____ sluggishness experienced _____ cellular networks _____?
 _____ long until _____ are sorted _____?
 Do you _____ a _____ frame in mind _____ we will _____ able to _____ speeds _____ normal?
 When _____ there _____ resolution to _____ slow experience _____ our mobile _____?
 _____ this _____ issue _____ mobile _____?
 _____ does _____ back on track.
 Do _____ how long _____ will take _____ to _____ mobile connections _____ to _____?
 _____ long will we _____ the _____ the mobile _____?
 Is _____ time _____ return _____ after facing _____ slowness?
 _____ know when _____ will be back _____ cellular connections?
 We _____ in our cell networks.
 _____ would like _____ know _____ will _____ normal on _____ phone.
 _____ cell _____ will be back _____
 _____ will it _____ before _____ is back on _____?
 How _____ it take to _____ problem _____ networks?

_____ will _____ functioning again.

Do you know _____ will take to resolve _____ problem _____?

_____ before the mobile _____ up?

How _____ it take to _____ slow cellular _____?

Is _____ cellular _____ possible with an _____ time _____?

_____ me how long it _____ take _____ get this _____ fixed?

_____ can we _____ solution _____ experience _____ our mobile service provider?

How _____ does _____ for normal connections to _____?

The _____ networks _____ been _____.

_____ long will it be _____ issues are _____?

How much time _____ fix crappy cell _____?

Do _____ what _____ return _____ normal _____ cellular connections _____ be?

_____ will get fixed

How soon _____ networks start to _____?

How can we _____ cellular network _____ fixed?

How _____ longer does _____ for cellular _____ return to _____?

Is there an estimate _____ issues will _____?

How _____ does _____ networks' slowdown to be _____?

_____ you _____ long it _____ take to _____ the _____ problem?

How _____ will _____ for the _____ speeds _____ be fixed?

What _____ will it _____ my _____ to _____ to _____?

How long before _____ cell _____ is _____?

Do _____ have _____ frame _____ you'll be able _____ get our _____ back _____ normal?

_____ long will the _____ for slow _____?

will _____ networks _____ normal?

Can _____ get _____ estimated time for restoring _____?

How _____ will _____ be until I get _____?

Do _____ know _____ the speed _____ cellular _____ will return _____?

_____ issue with _____ need an _____.

How much _____ will it take to _____ network _____?

I _____ to _____ when I can expect _____.

_____ should _____ expect my _____ to _____?

The _____ cellular _____ be _____ to improve.

Can _____ me _____ can _____ mobile connection to improve?

_____ sluggishness in _____ is expected to _____.

How _____ will _____ take _____ cellular _____ issue?

What time _____ see improvements with _____?

I wonder _____ the _____ better.

_____ long _____ it take _____ fix _____ speeds' issue.

_____ when you can _____ the _____ to improve?

We _____ time for _____ cellular _____ performance.

_____ long before the _____ improves?

_____ estimate _____ when _____ issue _____ phone _____ gets resolved?

_____ in _____ be solved soon.

_____ will the _____ service _____ work again?

How long _____ it take to _____ the _____?

_____ will we _____ improvements _____ mobile networks?

Can you _____ me _____ connection _____ improve?

How long do you think _____ restore _____ use of _____?

_____ this disruption _____ connections, _____ is your case resolution _____?

I ____ to ____ how ____ will take to solve ____ cell ____.
 How ____ will ____ take ____ connection returns?
 ____ will ____ take ____ resolve ____ issue in networks?
 Can you tell me when ____ can ____ better?
 ____ long does ____ fix ____ networks?
 ____ much longer ____ wait ____ cell connection speeds to improve?
 ____ to know ____ timeframe for restoring normal ____ network ____.
 Will it ____ time ____ improvements ____ the current ____ networks?
 Do ____ know how long it ____ this ____ in networks?
 ____ does it ____ for the ____ to improve?
 Do you ____ a ____ for when ____ be ____ to ____ internet back ____?
 ____ get an ____ for how long ____ to restore ____ cellular ____ performance?
 ____ it ____ resolve this problem in the ____?
 The ____ to start ____ again.
 ____ get ____ to normal after ____ current ____ experienced while using cellular networks?
 Will ____ networks be ____?
 How long ____ on the mobile ____ is ____?
 ____ slowness, ____ time is necessary to return ____?
 How ____ until ____ issues with ____ are ____?
 How ____ until ____ service ____ again.
 Can ____ me ____ estimate ____ when ____ connection ____ be fixed?
 How ____ will I ____ these slow ____ services?
 When ____ the ____ in ____ networks ____?
 When can ____ expect ____ to decrease?
 How long will it ____ current sluggishness ____ cellular networks?
 ____ get ____ estimate ____ when the network ____ back ____ normal?
 ____ long ____ we ____ improvements ____ the mobile ____?
 ____ will the sluggishness ____ begin ____ decrease?
 ____ we ____ this annoying ____ network ____ over?
 ____ it ____ to restore normal cellular ____?
 ____ days or ____ should ____ this slow performance on my ____?
 Is ____ estimate for ____ issue with the ____?
 ____ cellular ____ getting slow.
 How will ____ networks change?
 Can ____ an ____ of ____ normal will ____ to cellular ____?
 ____ resolution timeline after ____ from ____ disruption on mobile connections?
 ____ you know ____ long ____ will take to ____ problem in ____?
 ____ a chance we ____ expect ____ return ____ normal ____ on ____ connections?
 Can ____ estimation ____ the time it ____ restore normal cellular network ____?
 Will it ____ long ____ the ____ mobile networks ____ better?
 Is there ____ for fixing this ____ with ____?
 ____ tell ____ if the current ____ on ____ will ____ fixed soon?
 When ____ we ____ having this ____?
 I am ____ things will return ____ phone.
 How ____ cell ____ works again?
 How ____ will it take ____ the ____ cell ____?
 What is ____ fixing crummy ____ speeds?
 Is there a chance that we ____ expect ____ to normal ____?
 ____ does it ____ for regularity to ____ a ____ slowness?
 I ____ to ____ when ____ expect the ____ to _____.

Does anyone _____ will take before the _____ reception _____?

_____ slowness _____ with _____ networks.

Do you have a _____ will _____ able to _____ our mobile internet speeds _____?

_____ is the time frame _____ slow _____ speeds?

_____ the _____ network _____ fixed?

How _____ the mobile _____ get _____?

How long will _____ be _____ cell _____ are _____?

_____ there _____ for when _____ will improve?

_____ know _____ it _____ take for us to get our mobile _____ back _____?

_____ will _____ to _____ normal state?

_____ cell networks _____ themselves?

How long _____ resolve _____ sluggishness in networks?

_____ long will _____ for cell _____ to _____ on track?

_____ until network issues _____ fixed?

_____ network might _____ fixed.

_____ it _____ get an _____ timeframe for _____ normal network _____?

Can the _____ working _____?

_____ it _____ to _____ a _____ before we _____ improvements in _____ networks?

_____ speeds are _____ quickly.

_____ the slowness _____ networks go _____?

We _____ to know when _____ sluggishness _____ decrease.

Is there _____ slow network issues?

_____ it long before _____ the mobile networks?

_____ slowness issue _____ mobile network?

When will _____ return to _____?

_____ of _____ issues are solved?

_____ these cell networks _____ to _____?

_____ there _____ a solution to the _____ experience with _____ provider?

_____ your _____ case resolution _____ relation to _____ this disruptive slowdown on _____?

How _____ will it _____ things _____ to _____ when _____ cellular networks?

I need an estimate _____ fixing _____ mobile _____.

_____ have a time frame _____ get _____ mobile internet speeds _____?

_____ we _____ time period for restoring _____ network _____?

_____ will we _____ a resolution _____ slow experience with the _____?

_____ you _____ cellular networks will be _____ to _____?

How long should I wait _____ slow _____ cellphone to _____?

_____ are the timelines for _____ cellular _____?

_____ you _____ that _____ cellular _____ will run _____ again?

Can _____ cellular _____ to decrease?

How soon _____ cell networks _____?

_____ you _____ me an _____ when the cell _____ will _____?

How long _____ more stable?

How _____ it take for _____ networks to be _____?

_____ do _____ it would _____ to fix the slowness _____ with _____?

_____ long does _____ take for these _____ connection _____ stop?

_____ from a _____ connections, what are your _____ case resolution _____?

Do _____ think the _____ up and running smoothly?

_____ long will our _____ stop _____?

_____ you _____ an _____ on when the service _____ normal?

_____ an issue _____ with mobile _____.

What time _____ performance _____ to _____?
 _____ sluggishness _____ our _____ networks may be _____.
 _____ believe that _____ networks will _____ to normal?
 _____ we get _____ estimated time _____ normal cellular _____?
 _____ much time _____ it _____ for cellular _____ restored?
 _____ cell _____ to normal?
 _____ long before our _____?
 _____ the time period _____ slow cellular _____?
 Time _____ needed _____ regularity _____ return after _____.
 _____ it take _____ fix these terrible _____ network _____?
 _____ until the _____ performance _____?
 _____ long should it take _____ cellular _____ be _____?
 _____ timetable for fixing _____ cellular _____?
 _____ the slowness in _____ cells _____?
 _____ there _____ estimate _____ when the issue _____ carriers _____ solved?
 _____ much longer _____ performance gets _____ normal?
 How long _____ Network _____?
 Is _____ time for _____ to _____ after _____ slowness?
 _____ is _____ in cellular _____.
 How _____ expect cellular network _____ return?
 How long will _____ take _____ cell service _____?
 Will we _____ to _____ on cellular connections?
 Do _____ timetable _____ we'll _____ able to _____ our mobile _____ back _____ normal?
 When will _____ normalized?
 How long will it take for _____ using _____?
 _____ might _____ time _____ normal speed on _____ network.
 _____ do _____ the _____ service will _____ to work again?
 Do _____ think _____ cellular _____ be _____ and running smooth?
 _____ start to improve?
 _____ will _____ networks _____ normally?
 _____ the _____ performance improve?
 Do you know when we _____ cellular speeds?
 Is there _____ issue with phone carriers _____ solved?
 The _____ network _____ fixed someday.
 Will _____ network _____ normal soon?
 Are _____ to run smoothly _____?
 _____ you know _____ you'll be _____ and _____ our mobile connections _____ their _____?
 _____ long _____ I _____ slow performance _____ cellphone until _____ fixed?
 _____ long _____ cell service returns _____?
 How soon _____ start _____ again?
 When do _____ see _____ resolution for _____ slow experience _____ our _____?
 _____ will _____ slow cellular _____ issue _____ fixed?
 _____ performance _____ back on _____.
 _____ performance _____ back on track?
 _____ will it take _____ the current _____ in _____ to _____ restored?
 _____ is it _____ service works right?
 I don't _____ take to _____ the _____ reception _____ to normal.
 _____ does _____ slow _____ network _____ fixed?
 _____ of _____ the problem with phone _____ will be _____?
 While using cellular networks, how _____ for normal _____?

_____ for normal _____ network _____?

_____ networks _____ supposed _____ start functioning _____.

I am _____ the mobile _____.

Can _____ tell _____ long _____ will _____ to resolve _____ sluggishness _____ networks?

_____ don't _____ when we will see _____ mobile _____.

_____ long _____ we waiting _____ with _____ mobile networks?

Can _____ expect the _____ network issues to _____?

_____ we _____ able to _____ a _____ and _____ connection?

_____ you _____ when the _____ network speeds _____ fixed?

_____ long _____ it take _____ after network _____?

Will the _____ be back _____ running _____?

How _____ I wait _____ performance _____ my cellphone to _____?

Are _____ going to see _____ resolution _____ with _____ mobile _____ provider?

How much _____ should I _____ the _____ until everything is fixed?

How _____ slowness issue _____ carriers be resolved?

_____ until _____ phones _____ dragging?

_____ we _____ an _____ time _____ cellular network performance?

Recovering _____ slowdown _____ mobile connections, _____ are your expected _____ resolution _____?

How long _____ service _____?

_____ much time will it _____ network issues _____ better?

When _____ be _____ to expect a return to _____ cellular _____?

_____ long until we can see _____ the _____?

Do _____ for _____ be able to get our mobile _____ back _____?

Time _____ the _____ network _____ normal _____?

_____ cell _____ start functioning properly _____?

_____ the sluggishness _____ the _____ networks _____?

What's your _____ for recovering from _____ on mobile connections?

How long would _____ for _____ to _____?

_____ you _____ cellular networks will be _____ up _____ again?

How _____ it be _____ cell network _____ are _____?

_____ don't _____ the cell networks _____ normal.

_____ can it _____ regularity to _____ network slowness?

_____ much _____ should _____ to fix the slow _____ issue?

_____ there a _____ network situation will be _____?

_____ me _____ time _____ to fix my _____ connection?

_____ we _____ sluggishness in _____ to get better?

How _____ the _____ service _____ work _____?

_____ will it take _____ fix _____ of slow _____ speeds?

_____ will it take to fix _____ networks?

How much time will it take _____ fix _____?

_____ long is it _____ see improvements _____ networks?

_____ can we _____ networks to get _____?

Will we _____ improvements in _____ networks in _____?

How _____ before cellular networks are normal _____?

_____ from this _____ on _____ connections, _____ resolution timeline?

_____ it take for _____ to return to their _____ performance level?

I have _____ when _____ on my _____ will return _____.

_____ have _____ time frame _____ mind for when _____ our _____ back to normal?

How much _____ until network _____?

When will _____ return _____ previous _____?

_____ much time _____ take _____ resolve _____ slowness issue _____ phone _____?

_____ you tell _____ it will take to _____ connection _____?

Recovering from this _____ on mobile connections, _____ case _____?

When _____ return to _____?

Do _____ have _____ plan for when _____ to _____ our mobile _____ back _____?

_____ an _____ restoring cellular network performance.

_____ think we can _____ a return to _____ connections?

We _____ know _____ long _____ phones stop _____.

_____ you know when _____ will _____ normal?

_____ want you _____ me _____ the _____ connection _____ improve.

Will the _____ cell _____ away _____?

Does _____ my phone _____ go back _____ normal?

_____ you _____ frame in mind for getting _____ mobile connection _____?

Time for the _____ to _____?

_____ know when _____ return to normal _____ on _____ be?

Should _____ expect _____ connection to _____?

Is _____ cell networks _____ normal?

_____ will the _____ in _____ be _____?

When _____ the slow _____ with the _____ be _____?

_____ much time will _____ take to _____ speeds?

_____ will the cell _____ normal?

There are _____ about _____ networks _____ slow.

When can we finally _____ this _____?

Will the _____ cell _____ end _____?

_____ I _____ expect my mobile connection _____ improve.

_____ when _____ will be _____ to the cellular service?

How long will _____ for the _____ network _____ to _____?

_____ is a _____ issue with phone carriers that _____.

When _____ see improvements in _____?

_____ anyone have an _____ the _____ issue _____ mobile networks?

_____ it take to fix the _____ with mobile _____?

Is it possible _____ we will _____ return to normal _____?

When _____ there _____ resolution to the slow _____ with _____?

Recovering _____ a _____ on _____ what is your expected _____ time?

_____ cellular _____ return _____ normal speed?

_____ you know how long _____ resolve _____ sluggishness problem _____ the _____?

To fix _____ with mobile _____?

_____ long would _____ fix _____ networks?

How long _____ it _____ mobile _____?

_____ quickly will _____ networks go back _____ normal?

_____ slowness _____ mobile networks?

_____ it be until network _____ solved?

When will _____ slow _____ end?

_____ will a solution be _____ experience with _____ service provider?

Are _____ networks going _____ back _____ and _____ smoothly?

What _____ they _____ the _____ network _____?

Fix _____ with the _____ network?

How long _____ mobile _____?

How _____ more days or weeks _____ slow performance _____ cellphone until _____ fixed?

_____ the _____ performance return _____ normal?

How _____ it take for _____ performance to _____ track?
_____ will _____ until we _____ improvements with the mobile _____?
Is it time _____ the phone network _____?
_____ will these cell _____ again?
_____ there a _____ when _____ back to normal on _____?
Does anyone know when _____ will get _____ on _____?
Do _____ think _____ will be normal _____?
_____ it take a _____ before _____ are improvements in _____?
How _____ it take _____ the cell _____ be fixed?
_____ soon _____ in _____ networks normal?
Our _____ have been _____.
How long _____ we need to _____ performance?
Is _____ for a _____ phone _____?
_____ have _____ estimated _____ for restoring normal _____ network performance?
When will we _____ a _____ to _____ the cellular _____?
Is _____ an estimated time for _____ normal _____?
Will it take some time _____ we _____ in _____?
_____ long _____ the process _____ slow _____ speeds?
Cell _____ start functioning _____.
Are _____ able _____ tell _____ I can _____ better _____ connection?
_____ will it take for this _____ issue _____ carriers _____ get _____?
_____ cell _____ back to normal?
How long _____ it _____ slow network issue?
Can you _____ things _____ get _____ with the _____ issues?
_____ the cellular networks _____ to normal, _____?
Will we _____ the mobile _____?
_____ before _____ stop dragging?
Can _____ tell _____ when you _____ the _____ connection _____?
When will _____ cell _____ function _____?
Is _____ estimate for _____ slowness issue _____ the _____ networks?
Will it _____ long time _____ the _____ improve?
I _____ know when _____ will improve.
Do you _____ networks _____ be back to _____?
_____ it _____ long _____ before _____ mobile networks are _____?
How _____ is required _____ the _____ down?
How _____ it take _____ the slow cellular _____?
Will _____ sluggishness in cell _____ return to _____ future?
_____ long _____ I expect _____ mobile connection _____?
_____ much time is _____ return to _____ a _____ network?
When will _____ performance _____ back _____?
How _____ will it _____ to fix Slow _____?
How _____ will _____ slowness issue _____ phone _____ resolved?
_____ cell _____ need _____ be fixed.
After facing _____ slowness, _____ much _____ is _____ to return?
_____ we _____ an estimated _____ period for _____ cellular network _____?
_____ we _____ it _____ take for normal _____ performance to return?
_____ tell _____ how long _____ will take _____ fix crummy _____ speeds?
_____ improvements _____ the _____ networks' slowdown?
_____ performance get _____ normal?
_____ the _____ be functioning again?

When ____ slow ____ issues be ____?

I ____ how long ____ my ____ normal.

When can ____ sluggishness in ____?

____ cell networks ____ to work ____?

____ can we ____ normal cellular ____ performance ____ return to?

Is ____ we can expect a return ____ on ____ connections?

Can you ____ me a ____ the cell ____?

When ____ the ____ to normal?

____ will ____ sluggishness ____ cellular networks start ____ up?

How ____ take to fix ____ problem in the ____?

____ have any idea ____ will return ____ normal?

When can ____ expect ____ slowness ____ cellular networks ____?

Do you ____ an idea of ____ long it ____ to ____ our mobile ____ normal?

Cell ____ start ____ again.

____ you have ____ frame in ____ for fixing ____ returning ____ speeds?

____ sluggishness in ____ cell networks might ____.

____ long should it take ____ network speeds?

I ____ things on my phone will ____.

____ we ____ sluggishness in the ____ networks to ____?

Can you tell me ____ take ____ this ____ to ____ fixed?

____ not sure ____ will come back ____ normal ____ my ____.

How ____ before ____ slowness on ____ mobile ____?

The ____ in ____ networks ____ back to ____.

____ it take ____ in cellular networks to be ____?

How ____ will it ____ crappy cell ____ speeds?

How much ____ take for ____ issue ____ phone carriers ____ solved?

____ long until ____ cell ____ right ____?

____ long do we have to ____ for ____ connection ____ stop?

We ____ cellular network ____ will be fixed.

____ long should I ____ my ____ until everything is ____?

Does anyone ____ how ____ take to ____ sluggishness problem ____ networks?

How ____ should it ____ regularity ____ return after a ____?

Do you ____ when ____ expect our cellular ____ to ____ normal ____?

____ performance ____ back on track ____.

How ____ will it ____ cell network speeds?

____ will ____ take for ____ cellular ____ issues to be ____?

Do you know ____ the ____ networks will ____?

____ have ____ deal with ____ services for a while?

How long will ____ to ____ problem ____ the networks?

____ you give me ____ period to ____ the ____?

When ____ be back to ____.

____ an ____ the slowness issue with ____ networks?

How ____ for sluggishness experienced ____ networks ____ be normalized?
