

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Information regarding scheduled maintenance
Inquiry Sub-Category	Maintenance impact
Description	Customers inquiring about the potential impact of maintenance on their electricity supply. They want to know if there will be any changes in voltage, reliability, or any other issues that might arise as a result of the maintenance work.
Data Size	7,550 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ voltage be _____ the maintenance _____?

_____ affect my _____?

Is _____ changed by _____?

_____ don't _____ if the _____ my _____.

Will maintenance cause _____ electrical _____?

The power _____ disrupted _____ work.

_____ the volts _____ during _____?

_____ messed up _____ maintenance?

Maintenance messing _____ supply?

Will _____ repairs _____ supply?

Maintenance _____ messing with _____.

_____ voltages _____ to _____ due _____ maintenance?

It's _____ that _____ affect my _____.

Is the _____ work?

_____ it possible that a _____ is _____ conduct repairs?

_____ the fixin' _____?

_____ work _____ happens _____ the power?

_____ voltages _____ while _____ do _____ checks?

_____ maintenance _____ that affect _____ voltage.

_____ be _____ by maintenance?

_____ work, will _____ electricity _____ affected?

The _____ be _____ maintenance.

During the _____ at yer _____ power gonna _____ with?

Maintenance is _____ volts?

_____ drop during repairs?

Did _____ affect _____?

I want to know if _____ work _____.

During maintenance, is _____?

_____ the electrical power?

_____ may _____ power supply.

Maintenance _____ power

_____ work _____ affect _____ system.

Is the _____ going _____ due _____ activity

_____ power going _____ during maintenance?

_____ voltage going to be _____?

What affect _____ upkeep _____ my _____?

Is _____ upkeep impacts voltage _____?

_____ affected _____ the work?

_____ maintenance affecting my _____?

_____ of _____ power supply?

Is _____ maintenance _____ power voltages?

_____ the voltage changes in _____?

_____ may have _____ with _____ of maintenance.

_____ my _____ affected _____ the _____?

_____ voltages _____ during maintenance?

_____ affect the level _____?

_____ maintenance _____ impact on _____ voltage?

The _____ impact _____ maintenance impact?

_____ with respect to _____?

Does _____ in repairs?

Is there a _____ of _____ voltage _____ work?

_____ fixin' going _____ voltage to suffer?

Is _____ power _____ during _____?

_____ voltage at _____ during _____ maintenance?

_____ I _____ maintenance _____ power?

Is my power going _____ messed with _____?

_____ there _____ the voltages due to maintenance _____?

_____ tasks _____ voltage?

The impact of Voltage _____?

Will _____ fixin' cause _____ fall?

_____ is a possibility of _____ voltage _____ you _____.

What impact _____ on _____ volts?

_____ the voltages _____ fixin'?

Will _____ be _____ power problems _____?

_____ maintenance going _____ mess up _____?

_____ on electricity _____ while _____?

Is the _____ at _____ during _____?

Does _____ voltages?

Maintenance _____ that _____?

_____ be a _____ in voltages _____ to _____.

_____ upcoming maintenance could _____ my _____.

_____ power _____ change after _____?

_____ the power _____ disturbed during _____?

_____ the work _____ my voltage?

_____ the _____ of _____ be _____ voltage?

Maintenance affect _____?

_____ my _____ to be damaged _____ the _____?

Are _____ voltages _____ by _____?

____ impact on ____ from ____?
 ____ the ____ potentially at ____ maintenance?
 There ____ be power _____.
 ____ be ____ by maintenance?
 During ____ happens ____ the ____?
 Will ____ fixin' ____ a ____ voltage?
 ____ power be ____ maintenance?
 Is the ____ because ____ work?
 The ____ change ____ of ____ tasks.
 ____ maintenance ____ voltage?
 ____ the voltages change ____?
 Will ____ power ____ disrupted during ____?
 ____ voltage change ____ repair?
 ____ upkeep affects voltage levels?
 ____ work ____ the power ____?
 ____ my electricity be ____ maintenance ____?
 ____ will ____ voltage respond ____ maintenance?
 ____ I have my voltage ____?
 ____ out if ____ were affected _____.
 Does the ____ change ____?
 ____ something, is ____ ok?
 ____ the ____ affecting my ____?
 ____ the ____ during ____ maintenance?
 The ____ is will ____ voltage ____ maintenance.
 ____ my ____ suffer because ____?
 ____ may be affected ____ work.
 Does ____ decline during ____?
 Does my ____ change ____?
 Will ____ while ____ your checks?
 ____ there any ____ during ____ work?
 ____ going ____ tank during ____ repairs?
 ____ process ____ impact ____ voltage.
 ____ maintenance have ____ electrical voltage?
 ____ my voltage go down ____?
 ____ be reduced during the ____?
 When ____ is ____ voltage suffer?
 Do ____ with ____ electricity?
 ____ the voltage decline ____ activity?
 ____ there be ____ in voltages ____ maintenance activity?
 ____ servicing ____ to ____ volts?
 ____ affect voltage levels?
 ____ the ____ at ____ is my ____ to ____ messed with?
 Maintenance ____ could ____ the ____?
 I wonder if ____ supply's voltage level.
 ____ my power ____ to ____ up ____ the fixin'?
 ____ voltage ____ change during ____.
 ____ my electricity ____ repairs?
 While ____ repairs could there ____ impact?
 Affected ____ maintenance on ____?
 Does ____ upkeep impact ____ power?

_____ upkeep _____ voltages levels?

During _____ what _____ to _____?

_____ could be _____ the power flow during _____.

_____ the maintenance _____ my _____?

A _____ voltage?

Is _____ you have _____ voltage impact _____ you conduct _____?

_____ the _____ affect _____ voltage?

_____ the _____ going to change _____.

_____ I have maintenance _____ power?

_____ voltage _____ be affected _____ upcoming maintenance.

Maintenance _____ my electrical _____?

Is _____ power _____ be _____ during the fixin'?

_____ have _____ effect on _____ voltage.

_____ with my volts?

_____ the voltage _____ because _____ activity?

What _____ do _____ have _____ my _____?

_____ voltage changes _____ the repairs time?

Does maintaining _____ voltage _____?

There _____ an issue _____ the power _____ during _____.

_____ power _____ up _____ the fixin'?

_____ upcoming _____ might affect _____ level

I wonder _____ will _____ the repairs.

The _____ affect the _____ level.

_____ upkeep _____ my _____ power?

Is _____ possible _____ the _____ change _____ time.

Is _____ change _____?

Is the maintenance _____ voltages?

_____ maintenance _____ to _____ volts?

You might _____ while you conduct _____.

_____ the _____ change during _____ period?

There _____ that _____ an effect _____ voltage.

_____ servicing _____ happens _____ my _____?

_____ the maintenance work _____ my _____?

This _____ affect _____ voltage.

Can _____ the fix?

_____ is _____ my power?

Could the _____ maintenance _____ level?

Will the _____ maintenance activity?

Does _____ work _____ voltage?

Is _____ affected _____?

_____ maintenance _____ to ruin _____ volts _____?

_____ voltage change _____ repair time?

Does maintaining _____?

_____ may _____ change _____ voltage.

_____ there _____ any power troubles _____?

_____ maintenance might affect _____ level.

Maintenance can _____ to _____.

Does _____ have _____ on _____ power?

Will any _____ supply?

Does upkeep _____?

_____ power _____ hit _____ maintenance?

Is _____ upkeep impacting _____ of _____?

_____ true that _____ power voltages _____ altered by _____?

Maintenance will have some _____.

_____ power going _____ change _____ fixin'?

Does _____ the electrical _____?

Is _____ true _____ alters power _____?

The _____ disrupted during repairs.

_____ will the _____ affect the _____?

Will _____ power _____ by the _____?

Is there _____ voltage change _____?

_____ change during the _____ upkeep?

Is _____ maintenance _____ on the _____?

Can _____ be affected _____?

_____ the _____ an effect on _____ power?

_____ voltage change _____ the _____?

_____ my _____ gonna be messed _____ during _____?

Are _____ during the repair?

Maintenance _____ affect _____ voltage?

_____ repair changing _____ power _____?

_____ can _____ power.

_____ be _____ problem with _____ power flow during _____?

Does _____ voltage change _____?

What _____ the voltage _____ repairs time?

Should _____ affect my supply's _____?

_____ would maintenance _____ on _____?

_____ this _____ my voltages?

Is _____ power going _____ disrupted _____ the _____?

_____ effect _____ maintenance _____ on electrical _____?

_____ power _____ affected by repairs?

Will _____ be power _____ during _____?

How _____ affect the _____?

Is _____ going _____ power?

The voltage _____ by maintenance.

_____ power flow disrupted _____ repairs?

Do _____ the _____ change _____ to maintenance?

There are _____ tasks _____ the _____.

_____ messing with _____.

The voltage will _____ work.

Do _____ think the voltages _____ due to _____?

_____ upkeep _____ voltage _____

_____ my voltage.

voltage change _____

_____ fixin' cause _____ volts to _____?

Maintenance mess _____?

Maintenance work _____ power.

Was maintenance _____ power?

_____ will _____ work affect _____?

Will my _____ affected _____?

Is _____ repair affecting _____?

_____ impact _____ the _____ maintenance process.
_____ fixing, any _____ ?
_____ effects affect _____ concerns?
Is my power _____ with _____ the fix.
_____ the _____ work include _____ voltage _____ ?
Does _____ electrical _____ change _____ ?
_____ am wondering _____ voltage is _____ by _____ repair.
What effect is _____ ?
_____ there _____ problem with _____ power flow _____ repairs?
How is _____ electricity going _____ during _____ ?
Does _____ maintenance?
Is _____ affected _____ maintenance?
_____ might be _____ voltages _____ conduct repairs.
How does _____ amidst maintenance?
_____ going down during _____ ?
_____ impact _____ is expected?
How _____ affect _____ power.
Might _____ power _____ by _____ ?
There _____ a possibility _____ voltage impact _____ maintenance _____ .
_____ repair is _____ of _____ my _____ .
_____ mess _____ my volts.
Is _____ because _____ maintenance tasks?
_____ my _____ my maintenance?
_____ is the power _____ maintenance?
Will there be _____ voltage _____ to maintenance _____ ?
Any _____ my voltage _____ of _____ ?
Do _____ maintenance _____ voltage?
_____ the repair change _____ ?
Do you _____ if _____ during maintenance work?
_____ does _____ my power usage?
What _____ impact of voltage _____ ?
Is _____ power _____ because of _____ ?
I _____ wondering if maintenance _____ affect _____ .
_____ work will my _____ disrupted?
_____ effect on _____ voltage _____ ?
_____ affected during maintenance?
_____ the _____ the levels of _____ ?
The impact _____ the _____ on _____ ?
Is _____ power _____ to get _____ with after _____ ?
Is my _____ go _____ during _____ repairs?
_____ there a _____ of _____ voltage impact during _____ ?
_____ servicing, _____ happens _____ volts.
_____ effects _____ upkeep _____ on my _____ ?
Will _____ change _____ maintenance?
_____ in voltage due to maintenance.
Maintenance _____ my voltage to _____ .
The power flow _____ repairs.
_____ will _____ have _____ voltages?
_____ hamper _____ voltage.
There will _____ a _____ on _____ .

_____ the _____ to suffer?
 Does _____ voltage?
 _____ will the work _____ to _____?
 _____ voltage change when _____ is _____?
 Will the impact _____ voltage _____ maintenance?
 During repairs, _____ there be a _____ power _____?
 Will my _____ be affected _____?
 Is _____ different because _____ tasks?
 _____ maintenance _____ affect _____ voltage?
 Is _____ impact on _____ maintenance?
 _____ will _____ power decline?
 _____ my voltage.
 Will voltages _____ of _____?
 _____ at risk _____ maintenance.
 _____ repair affect _____ voltage?
 _____ possible _____ the _____ changes _____ of maintenance tasks?
 _____ could _____ my _____?
 _____ a maintenance mess _____?
 What _____ have on _____ output?
 _____ my voltage.
 _____ upcoming maintenance could _____ voltage _____.
 Does _____ affect _____ supply?
 Will your _____ change _____ you _____?
 _____ maintenance, _____ it at _____ of _____?
 _____ the _____ on _____ levels the result _____?
 Maintenance _____ any _____ electricity?
 voltage _____ maintenance
 _____ my _____ be affected _____ maintenance _____?
 _____ the _____ change _____ do the _____?
 _____ the _____ my voltage _____ affected?
 Is _____ in the power of _____?
 Will the voltages increase or _____ the _____?
 _____ upcoming _____ affect _____ supply's voltage _____.
 How _____ maintenance _____ electricity?
 Will _____ maintenance _____ impact _____?
 Is _____ possible that impact _____ while _____?
 _____ bad _____ the fixin'?
 You _____ could _____ be a _____ impact?
 Maintenance _____ effect on _____ power?
 Do _____ the _____ will suffer from _____?
 Maintenance may _____.
 _____ might have _____ impact on _____.
 _____ the power supply?
 _____ power supply affected _____?
 _____ affect my electrical _____?
 _____ the power flow be _____?
 _____ be affected during _____.
 _____ the _____ risk in the _____?
 _____ want to _____ if _____ altered _____ this repair.
 _____ be power troubles _____ fixing?

Is _____ impact of maintenance _____?

Will _____ scheduled maintenance?

_____ my supply's voltage level?

_____ electricity supply?

Is _____ that _____ is affected _____?

During _____ is _____ gonna _____?

Will _____ have an _____ on _____?

_____ my voltage _____ maintenance?

How _____ power _____ servicing?

The impact _____ on _____ expected?

Will _____ go down _____?

_____ it _____ the fixin' _____ hurt the _____?

Are _____ maintenance _____ responsible _____ the _____?

The power will _____

_____ supply _____ be _____ by _____.

Will _____ make a difference _____?

_____ is a possibility _____ a _____ while _____ repairs.

Maintenance work _____ voltages?

Is my power _____ to be _____?

Maintenance has any _____?

_____ are at _____ during _____

_____ the _____ the electricity?

Will my _____ as _____ result of _____ work?

_____ maintenance _____ affect _____ power supply?

_____ work _____ affects the _____?

_____ there _____ power troubles _____ the _____?

Is _____ to affect _____?

_____ affected during _____?

_____ at _____ maintenance

Is _____ disrupted _____?

Will the _____ vga?

Do you think _____ change in _____?

Maintenance _____ changes _____ power?

During _____ work _____ Voltage _____ affected?

Does the _____ change _____?

Maintenance tasks can _____ change _____.

_____ current change _____ maintenance?

Will the _____ negative _____ the voltage?

Maintenance effects _____ voltage?

_____ wondering if the _____ work _____ my _____.

_____ affected by Maintenance.

_____ will _____ voltage to _____.

_____ any power _____ when _____?

_____ will _____ effect _____ the _____ supply.

During _____ going to _____?

_____ of maintenance _____ voltage?

_____ electrical levels?

_____ power going _____ down during _____ repair?

Does _____ affect _____.

_____ the voltage _____ to maintenance _____?

_____ impact _____ have on electrical _____?

Will the _____ affect _____?

_____ Maintenance _____ my _____?

This _____ my _____.

Is _____ a voltage _____ when you conduct _____?

_____ power going _____ get messed _____ during _____?

_____ possible that my _____ affected _____ maintenance?

Will _____ during repairs?

The _____ voltages _____ maintenance process?

_____ work change _____ voltage?

Is my power _____ be messed _____ is happening?

Is my _____ messed with during _____ fixing?

Do _____ work _____ my _____?

Does _____ the electric _____?

_____ my voltage _____ be altered by _____ repair.

_____ my _____ going to _____ bad _____ the _____?

_____ upkeep affect _____ of _____?

_____ the _____ going to _____ as you _____?

_____ wonder _____ will affect _____ voltage.

_____ could _____ trouble _____ current.

_____ maintenance _____ my _____?

_____ a possibility of _____ during repairs.

Maintenance _____ the _____ voltage.

Could there _____ a _____ flow during the _____?

Is _____ voltage in _____ maintenance?

How _____ affect my _____?

_____ my electricity?

I _____ voltage will _____ affected by _____.

Will _____ any problems _____ power _____?

A _____ mess _____?

_____ the _____ work _____ power?

_____ is _____ voltage _____ to do _____ your _____?

Will my _____ by maintenance _____.

_____ work _____ affect my _____.

_____ on my voltages?

How _____ my _____ during _____ maintenance?

_____ maintenance _____ myvolt?

Is there _____ power _____?

During _____ how will my _____?

_____ is a problem with _____ flow during repairs.

_____ will the _____ affected _____ maintenance?

_____ the power be changed _____?

Can there _____ power _____?

_____ your _____ how will _____ perform?

_____ repair _____ change _____ voltages.

_____ upkeep do _____ voltages?

_____ an impact on _____.

I _____ maintenance affects _____ power.

Will _____ upkeep affect _____?

_____ maintenance _____ my _____?

_____ an impact _____ voltage levels?

The power _____ disrupted during _____.

The _____ from maintenance.

Is the _____ supply going _____ by _____?

_____ a _____ Voltage because of _____ tasks?

Maintenance _____ power _____.

Maintenance _____ to hamper _____.

_____ of _____ in the _____ of _____

Does _____ affect _____ power?

_____ voltage _____ suffer _____ fixin'?

Maintenance may _____.

_____ maintenance _____ my _____?

_____ my voltage _____ during _____?

During servicing, what _____ to _____?

How _____ the maintenance _____?

_____ maintaining _____ voltages _____?

_____ can my _____ be _____?

Maintenance might be _____.

_____ if _____ maintenance work will _____ my _____.

_____ any _____ on my _____?

Maintenance _____ voltages.

Is _____ work going _____ my _____?

Will my _____ by maintenance?

_____ affect _____ volts?

How's _____ to _____ the maintenance?

Will _____ electricity be disrupted _____?

During maintenance, _____ my _____?

_____ messing _____ my _____?

Is _____ voltage _____ off during _____?

Will _____ be _____ by _____?

Maintenance may _____.

Maintenance _____ what happens _____ the _____?

_____ there any _____ voltage _____ maintenance?

There _____ be _____ troubles _____.

_____ maintenance cause _____ electricity to _____?

Do _____ think the fixin' _____?

Is there any _____ the _____?

_____ might _____ a _____ impact while _____ do _____.

Is my power going _____?

Maintenance _____ power.

_____ a question regarding whether the _____ will _____ maintenance.

_____ possible _____ you have a voltage _____ conduct _____.

_____ does _____ to my _____.

_____ is _____ holding up, _____ maintenance?

_____ the work _____ volts?

Will _____ cause _____ voltage _____ fall?

_____ if the _____ affects my supply's _____?

_____ possibly _____ my _____.

Is _____ going _____ power?

_____ power problems during _____?

_____ there any power _____?

Maintenance work _____?

I _____ the upcoming maintenance _____ voltage level?

During _____ work, _____ my _____ be _____?

_____ power going _____ be _____ the fixin' _____

_____ the work _____ voltages?

Can _____ power _____ messed _____ during _____?

_____ is _____ in maintenance.

_____ maintenance _____ effect _____ the electrical _____?

During the _____ yer _____ get messed with?

_____ a problem with _____ power _____ during a _____?

Maintenance will _____.

_____ anyone know _____ is any _____ troubles during _____?

Is _____ affected _____ maintenance.

Are there _____ troubles when _____?

_____ there be _____ during _____?

Is _____ repair _____ my _____?

_____ voltage change _____ maintenance?

Are the _____ of _____ electrical _____?

_____ voltage going to fall _____?

Is _____ upkeep _____ the _____?

_____ question is, _____ the voltage _____ due _____ activity?

Is _____ maintenance

During _____ will my voltage _____?

_____ there any power _____ during _____?

Should the _____ maintenance?

_____ my _____ go down _____ maintenance?

_____ there _____ power _____ during _____?

_____ wonder _____ maintenance will _____ my _____.

_____ be _____ by maintenance.

Are _____ going to _____ by maintenance?

_____ the voltages?

_____ you are doing repairs, could _____ be _____?

_____ there _____ maintenance on _____ levels?

Will _____ maintenance work _____ my _____?

The _____ could _____ my supply's _____.

_____ any power _____ the work?

Maintenance _____ has the _____?

_____ maintenance work impact _____?

What is my _____ going _____ during _____?

Maintenance process _____ power _____.

Are the _____ effects _____?

Is the fixin' _____ hurt _____?

Is _____ to _____ you _____ checks on wires?

_____ of maintenance on _____?

Does the maintenance _____?

What _____ power _____ the servicing?

Does upkeep _____ current?

The _____ may affect _____.

_____ repair _____ my power _____?

Will ____ fixin' ____ voltage.

____ myvoltage ____ during the ____?

____ power supply ____ during ____?

Will ____ voltage ____ down during ____?

____ there any ____ electrical ____ from maintenance?

____ voltage ____ fixin'?

____ ruin my ____?

____ voltage could ____ affected ____.

____ the Voltage ____ during ____?

Do ____ affect my ____?

Will the voltage change ____?

____ with my electrical ____?

____ voltage ____ during maintenance?

____ there ____ power troubles ____?

Will ____ interrupted by ____?

____ are ____ which affect the ____.

Will the voltage ____ a ____ activities?

____ power ____ be affected during maintenance ____?

How ____ the ____ by upkeep?

____ it possible ____ may ____ voltage ____?

____ affect my ____ levels?

____ to cause ____ voltage ____ while you conduct ____?

The ____ may change as ____ activity.

____ it ____ the ____ will ____ the voltage?

Will ____ my voltage?

Will ____ change ____ maintenance?

____ to know ____ voltage is ____ during maintenance.

Are ____ power ____ by ____?

____ the maintenance work, ____ voltage ____ up ____ down?

Does ____ affect ____ power ____?

____ power ____ during maintenance.

Do ____ levels?

____ could change ____ voltage.

____ maintenance ____ electric ____?

____ maintenance work will the ____?

How do repairs ____?

____ maintenance how ____ my voltages ____?

____ change ____ Voltage.

During ____ happens ____ electrical system?

Does the ____ change ____?

During the ____ my ____ disrupted?

Maintenance ____ an ____ voltages.

____ my power ____ messed up by ____?

____ the maintenance work, ____ voltage ____?

____ going to go ____ the ____?

____ change ____ current?

____ repairs affect ____ power ____?

Does ____ work ____ the ____?

Will ____ supply?

Is ____ possible that ____ affect ____?

Does _____ my electric _____?

The _____ the voltage _____ maintenance.

Will their _____ supply?

_____ may _____ disrupted _____ maintenance.

How's _____ going _____ your maintenance?

_____ power be _____ repairs?

_____ could _____ power.

The impact _____ on _____ is _____?

Do _____ power?

_____ the _____ going to _____ your _____?

_____ if maintenance alters power _____?

Will the _____ change _____ scheduled _____?

_____ my voltage going _____ during your _____?

Is _____ to _____ messed _____ during the fixin'.

Does upkeep _____?

During _____ yer _____ will my _____ get _____ with?

During _____ is _____ affected?

Will the _____ the _____?

I _____ this _____ will _____ voltage.

_____ my power change _____ your _____?

_____ upkeep affect _____?

Impact _____ maintenance _____ electrical _____?

_____ ruin _____ electricity?

Does _____ my _____?

_____ the voltage?

Will the _____ because of _____?

_____ be _____ the fixin'?

How will my voltage _____?

_____ the maintenance _____ electrical _____?

Is _____ at risk _____

_____ the _____ going to tank _____?

Is _____ possible _____ upkeep _____ levels.

_____ the _____ change due _____ the _____?

Is _____ on _____ supply _____ maintaining?

I wonder _____ will _____ my _____ voltage level.

_____ may affect _____

Is _____ in _____ time?

There could _____ an _____ with _____ flow _____ repairs.

_____ affect a _____ supply.

Is the _____ mess _____?

_____ maintenance have an _____ my _____?

_____ repair _____ might the _____ flow _____?

Maintenance work _____ my _____.

_____ is at _____ during _____

During maintenance _____ the _____?

_____ impact _____ maintenance _____ electrical levels?

Is the _____ maintenance?

_____ work _____ voltages be affected?

_____ be impacted _____?

_____ possible that _____ voltage _____ change _____ to maintenance?

Maintenance _____ my voltages.

I am _____ the _____ change due _____ maintenance.

_____ change my _____?

_____ the _____ anything to _____ voltage?

Maintenance _____ the power _____?

Is it possible _____ voltage _____?

Is it possible that _____ voltage _____ conduct repairs?

_____ maintenance affect _____ power.

_____ voltage _____ during maintenance?

_____ tasks cause a _____ voltage?

During your _____ what _____ my _____?

_____ the fixin' going _____ the _____?

_____ happens _____ power when _____?

_____ trouble _____ my _____ due to maintenance.

Is _____ going to _____ to _____?

_____ repairs _____ the _____ supply?

_____ expected _____ impact on _____ voltage.

There _____ a _____ if _____ voltage _____ change _____ to _____.

Does _____ be _____ by _____?

_____ the _____ work _____ the _____ my house?

_____ the power be _____ the _____?

_____ changed _____ this repair?

_____ might be _____ the power _____ repairs.

Maintenance tasks might _____.

Will my voltage _____ work?

_____ maintenance cause my voltage _____?

If _____ in repairs _____?

_____ if _____ the power _____?

_____ the voltage to _____.

Voltage change _____.

Is _____ power gonna _____ messed _____ repairs?

Voltage _____ repairs?

_____ my _____ when I _____ it?

Will there be _____ change in _____ activity?

Is _____ to be affected by _____?

Is _____ the _____ because of maintenance?

Maintenance _____ can change _____.

During _____ any _____?

_____ does the upkeep _____ the _____?

_____ maintaining on _____ levels?

_____ fall during maintenance?

Will _____ change while you _____?

Does the _____ affect the _____?

_____ upkeep _____ the _____?

Will Voltage suffer _____?

_____ that the _____ fluctuates during _____?

_____ the power.

_____ is _____ that _____ voltage may _____ by maintenance.

_____ impacts my _____?

Will _____ voltages _____ you do _____?

Is my power ____ to ____ during the ____?

Will ____ affected by ____?

____ affect the ____.

____ be messed up ____ maintenance or ____?

____ maintenance mess up ____ electrical ____?

____ affect my ____ source?

____ could be ____ the ____ due ____ maintenance activity.

____ the ____ work ____ my ____ output?

The ____ might ____ voltage level.

____ my ____ to ____ adjusted ____ maintenance?

A ____ about ____ of ____ on electrical ____.

Will maintenance have an ____?

____ power ____ impacted ____ maintenance?

Maintenance ____ my ____ reliable.

____ power troubles during the ____?

____ there ____ on ____ voltage from ____?

____ may ____ power voltages.

____ flow ____ be interrupted ____ the ____ work.

During your ____ maintenance, ____ voltage ____?

____ upkeep ____ my volts?

____ maintenance work cause ____ go down?

____ the maintenance ____ voltage?

____ the voltage ____ due ____?

____ the ____ is expected to be maintenance ____.

____ voltage change ____ of maintenance ____?

Will ____ be any ____ problems ____?

____ power supply?

Will ____ because of ____ fixin'?

____ what happens to ____?

Maintenance ____ affect the ____?

____ likely to ____ repairs?

____ happen ____ the ____ supply after ____?

____ maintenance going to have ____ voltage?

Is ____ power issues ____ the ____?

____ on ____ voltage while you conduct repairs?

____ affect my power ____.

____ might affect ____.

Any ____ on ____ from ____?

____ power troubles ____ the work?

Maintenance work ____ may not ____.

Repairs ____ a ____ voltage.

Could ____ voltage change ____?

Maintenance ____ power supplies?

____ affecting electricity flow ____?

____ cause ____ volts ____ go down?

____ negative effect on my ____.

____ will be ____ that ____ impact ____.

____ work affect ____?

How ____ power ____ by ____?

Did power be ____?

Will _____ ruin _____ not?

_____ is a _____ a voltages impact _____ repairs.

Maintenance _____ power

_____ upkeep affect _____ power?

_____ the _____ my power level?

_____ to _____ impacted

Will _____ maintenance be on _____?

Do _____ the voltage _____ change due _____ maintenance?

_____ maintenance affect _____ strength?

Maintenance _____ cause _____ voltage.

During service, _____ power?

I _____ wondering _____ upcoming maintenance could _____ my _____ level.

_____ voltage fluctuate during _____?

_____ servicing _____ happens _____ my electrical _____?

_____ the voltage can _____ during maintenance?

Maintenance work, _____ voltages?

During _____ work, _____ go down?

There might be a problem _____ during _____.

Is the _____ during _____?

Will _____ by maintenance?

_____ voltage _____ while you _____ wires?

Is _____ possible _____ suffer from the _____?

_____ theVoltage _____ during _____?

This _____ on my voltage.

How does upkeep _____?

_____ any _____ on _____ from maintenance?

Is maintenance _____?

There could _____ in _____ in repairs.

Is the expected _____?

_____ may mess up _____.

_____ flow might be _____?

The effects _____ on _____?

During servicing _____ electrical supply?

_____ the _____ maintenance _____ the _____ levels?

During _____ can my _____?

Is _____ maintenance work _____?

_____ my voltage be affected?

_____ tasks could _____ a _____ in _____.

How does maintenance _____?

_____ wondering _____ maintenance affects my _____.

Will _____ an impact on _____ voltages _____?

_____ power _____ to be messed with _____ repair?

_____ myvolt altered _____ this _____?

_____ Voltage hold up during _____?

Maintenance may _____ messing _____.

_____ the _____ fluctuate during the _____?

_____ the repair work, could there _____ power flow?

_____ mess _____ voltage, _____?

_____ repair _____ my power?

_____ maintenance _____ my _____ voltage level.

_____ maintenance affect _____ activity?

The _____ of _____ on _____ anticipated.

_____ if _____ voltage _____ be affected _____ the work.

Is _____ for _____ voltage _____ in repairs time?

_____ affect _____ power?

_____ it because of _____ tasks _____ change?

_____ will _____ my _____ not.

_____ does upkeep affect _____ of _____?

_____ could change _____ voltage.

Did the _____ change _____?

Will _____ voltages _____ down _____ the _____?

_____ may _____ an issue with _____ power _____ repairs.

_____ tasks _____ voltages?

Is the _____ going _____ my _____?

What happens _____ my _____ the _____?

_____ does maintenance impact _____?

_____ changed _____ to maintenance?

_____ impact _____ electrical _____?

What _____ voltage changes _____ repairs _____?

_____ to my electrical system _____ being _____?

_____ my _____ to _____ during _____ maintenance?

_____ the _____ go down _____.

Will the power be _____ with during _____?

Will _____ voltage _____ to _____ maintenance _____?

Will _____ the _____ supply?

Is _____ a _____ voltage _____ repairs?

Is _____ voltage change _____?

Will _____ voltage _____ to _____ work?

_____ maintenance _____ may _____ a _____ in _____.

_____ change _____ to the maintenance _____.

_____ there _____ maintenance mess _____ the _____?

Can _____ voltage _____ during _____?

_____ affect _____ electricity?

Is the power _____?

How _____ voltage affected _____ upkeep?

Maintenance _____ with _____?

How _____ output _____ of upkeep?

Maintenance may _____ my _____.

What _____ effect of _____ voltage?

This repair may _____.

_____ if _____ change _____ repairs time.

_____ effects: Does it _____?

_____ tasks _____ have an _____ on _____.

_____ maintenance _____ affect _____ supply's voltage level?

_____ an impact _____ electrical voltage.

_____ be affected by _____?

There _____ have an _____ on the voltage.

Is _____ problems _____ the repair?

_____ might _____ the _____ power.

_____ my _____ when I fix _____?

_____ voltage affected when _____ is _____?

Will my voltage _____ by _____?

Is the _____ electrical equipment?

Maintenance _____ power.

_____ the _____ my voltage?

_____ my _____ be _____ during the _____?

The _____ maintenance may _____ my _____.

What if the _____ activity?

_____ the work _____ power _____?

How does _____ electricity?

_____ voltage changes _____ a _____ maintenance _____.

_____ my _____ this repair?

_____ Voltage change during _____?

Is the _____ you _____ things?

_____ the power _____ change _____ repairs?

_____ there will _____ issues affecting _____?

_____ the power supplies?

_____ there _____ troubles during repairs?

_____ happens _____ during a service?

_____ it possible _____ will _____ messed with during _____ fixin'?

_____ the _____ going _____ change _____ of the maintenance _____?

Maintenance _____ the _____ output.

Is the voltage _____ to change _____ you _____?

_____ this repair _____ change in _____?

_____ the _____ ruin my _____?

_____ a _____ impact while you do repairs?

_____ could _____ power supply?

Is there _____ problem _____ the _____ during _____ work?

_____ concerns: _____ effects?

Does _____ maintenance _____ affect _____ electrical _____?

_____ by this repair?

Maintenance _____ be _____ with _____ voltage.

The _____ maintenance _____ electricity?

_____ it possible that _____ voltage _____ change because _____?

_____ if my _____ affected _____ maintenance?

An _____ while maintaining _____ affected during _____ job?

Is the repair _____?

_____ maintenance may hamper my _____.

During maintenance, does _____?

Will the _____ effect _____?

_____ the electrical _____ maintenance?

_____ down during maintenance?

Could _____ upcoming _____ my _____ level?

There _____ voltage _____ while you are repairing.
