

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Installation and setup assistance
Inquiry Sub-Category	Configuration settings
Description	Helping customers understand and adjust the appliance's default settings, such as language, time, temperature, or other personalized preferences.
Data Size	9,312 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

Is it ____ to ____ energy-saving ____ this device?
____ modify the ____ mode here?
Can ____ the preset ____ function?
____ the preset eco ____?
Can we modify ____ set-up ____ energy ____?
____ this device's power saving?
I am ____ if ____ modify ____ energy-saving ____ of this ____.
Do you ____ we ____ default ____?
Can the ____ option ____?
____ energy-saving ____ could be changed.
____ this device's ____ is ____.
This item's ____ should ____.
Can ____ energy-save setting?
____ the ____ conserve setting be ____?
____ we ____ the device ____ Energy?
Is there ____ way ____ personalize the ____ mode?
____ way to ____ the ____ mode.
____ like to change the ____.
____ to ____ the device's ____ energy-saving setting?
Change ____ mode.
Is it ____ us ____ change the power-saver ____?
____ default energy-saving mode ____ this ____ possible.
____ be possible to modify ____ set ____ mode ____ this ____?
____ want to ____ the preset ____
Can I ____ energy- ____?
____ there a way ____ change ____?
____ possible ____ change ____ setting.
____ a possibility to alter the ____ default ____.
Can ____ to change the power-saving ____?

Will we be _____ change how _____ conserves _____?

The _____ default _____ can be _____.

_____ it _____ modify the energy-saving _____ of this _____?

_____ believe it _____ possible _____ change the _____ saver?

Are you _____ to modify the _____ appliance?

_____ it _____ to change _____ device's _____?

_____ I change the _____?

Is _____ to change _____ save _____?

_____ there a way _____ energy-saving feature?

_____ change the set-up _____ save _____?

_____ we could change _____ power-saving _____ device.

_____ is a _____ the default energy- saving _____.

_____ we modify _____ power saving _____?

_____ built-in _____ saving _____ be customized?

_____ I _____ the default _____.

Can you tell _____ I _____ change the _____?

_____ if _____ to _____ the eco-mode of devices here.

_____ of _____ mode?

_____ to _____ energy-saving setting.

_____ I _____ low-energy usage function?

_____ I change the _____ saving feature _____ I need _____?

_____ make _____ device conserve _____ by _____?

Changing the _____?

_____ there _____ way to adjust _____?

Can _____ mode _____?

Is there a way _____ the device's _____?

_____ settings could be changed.

_____ the _____ option _____ altered?

Can I alter _____ mode _____?

_____ it possible to _____ power _____ setup?

Is _____ option _____ change _____ thingamajig?

_____ option to alter _____ saves _____.

_____ a way to _____ default energy-saving mode of _____?

_____ it doable to _____ the _____ saving feature?

_____ the _____ Eco-mode settings?

_____ changing _____ in power _____ doable?

_____ you _____ what to do with the _____ saver _____?

How _____ the _____ power saving setup _____ device?

_____ energy is _____ on this _____ be _____?

_____ this device's _____ saving setting to _____ changed?

Can we _____ to how this _____?

Can _____ power saving _____?

_____ we _____ the device _____ less _____?

Is _____ to modify _____ power saving setup for _____?

Would _____ be _____ to _____ power _____ on this device?

Is it _____ to _____ thing's default _____.

_____ able _____ built-in energy-saving feature?

_____ possible for us _____ alter the _____?

How do _____ adjust _____ saving feature if I _____?

I want _____ power saving.

____ do ____ adjust this product's ____ energy ____ ____ I ____ to?
 ____ energy saving feature if I need to?
 It's feasible ____ gadgets ____.
 Can I fiddle ____ the ____?
 Does altering ____ saving feature ____?
 I wonder if ____ is ____ change ____ setting.
 ____ you believe it's ____ to modify the ____?
 ____ this device be modified to ____ energy-saving ____?
 ____ you tell me how ____ energy-saver ____?
 ____ the ____ option on ____ device?
 ____ I ____ device use ____ energy?
 Can the ____ settings ____ appliance be ____?
 Something ____ done to ____ the ____ default energy-saving ____.
 Will it be ____ gadgets ____?
 Can ____ power ____ setting on ____ machine ____?
 ____ to adjust the ____ saving setup ____ this ____.
 ____ the ____ be changed ____ its ____?
 ____ the ____ mode change?
 ____ we ____ automatic power-saving ____ change?
 ____ way energy ____ saved by ____.
 ____ it ____ for ____ default ____ mode to ____ changed?
 ____ I ____ energy- ____ settings?
 Is it ____ gizmo's eco-mode?
 ____ the ____ saving ____ customized?
 ____ alter the ____ energy-saving settings.
 If need ____ do I ____ product's built-in energy ____?
 I ____ if ____ power-saving ____ be altered.
 Can the ____ be changed ____ needed?
 Can the ____ option ____?
 Is ____ alter ____ energy-save.
 ____ there ____ way ____ change ____ gadgets ____ saving setting?
 Can ____ correct the ____?
 How ____ I change ____?
 ____ there a way to ____ built-in ____ saving ____?
 Is ____ a way ____ change the ____ energy- ____?
 ____ you ____ me with ____ the ____ setting?
 ____ it feasible to ____ mode?
 ____ possible ____ change the ____ saving ____.
 Is there ____ the ____ mode?
 ____ permissible to change ____?
 ____ the ____ power-saving ____ to be ____?
 Do ____ we can ____ power- saver?
 ____ it possible to ____ the ____ power-saving ____?
 ____ it ____ to ____ energy-efficient settings.
 Is ____ possible to modify ____ device's ____ saving ____?
 ____ be possible ____ modify the ____ mode?
 Do ____ think ____ possible ____ change ____ saver?
 Can it ____ how ____ saves juice ____?
 Does the ____ the ____ change its ____ energy ____?
 ____ do I adjust ____ product's ____ feature?

_____ possible to _____ the _____ settings?

Can the power-saving _____ my _____?

Do you _____ to change _____.

Is it _____ saving setup work on this _____?

_____ it possible to _____ this _____ built-in energy _____?

_____ I can change _____ energy-efficient _____.

How about _____ the _____ appliance?

Do you think _____ to _____ on this _____?

_____ to change the default _____ on the device?

How about changing _____ built-in _____?

_____ there _____ change _____ default energy mode?

_____ preset energy-efficient settings?

The _____ function _____ be _____.

Is _____ energy-conservation mode of the equipment?

_____ power-saving _____?

_____ gadget's _____ can be _____.

Change _____ mode of _____?

What _____ be _____ to modify this _____?

_____ if _____ can _____ the _____ energy- efficient settings.

_____ adjust _____ energy saving feature _____ the product?

_____ eco mode?

Will _____ to adjust _____ default _____ saving setup?

Is _____ way to _____ the _____ mode on _____?

_____ the _____ energy-saving _____ doable?

Can _____ tell _____ how _____ the _____ default energy-saving _____?

Can I _____ the _____ energy-efficient _____?

How do I adjust _____ energy saving _____ I _____?

This _____ power _____ may _____.

_____ possible to adjust _____ energy-efficient mode _____?

How _____ the device's _____ setting?

_____ change energy-save _____?

_____ it _____ to _____ default energy-saving _____?

Would _____ be _____ to change _____ energy-saving feature on _____?

Can _____ energy mode _____?

_____ appliance could have _____ default _____.

Can the _____ altered to _____?

_____ want _____ change the device's _____.

_____ there a way _____ adjust _____?

_____ can _____ default _____ option.

_____ it _____ device's default energy _____.

_____ possible to _____ item's _____ mode?

_____ there _____ an _____ to _____ it saves juice?

_____ it _____ to _____ default _____ mode.

_____ it's _____ to _____ devices' _____ here.

Is it possible to _____ the _____ settings _____?

Can _____ the way this _____.

Is _____ built-in power saving _____?

_____ wondering _____ I _____ modify the _____ energy-saving setup _____ this _____.

_____ option to adjust _____ saves _____ by default?

Will the preset _____ mode _____ changed _____?

____ the factory-set ____ changed?
 ____ the ____ power saving need ____?
 Is ____ possible to alter ____ built-in ____?
 Do you believe ____ us ____ the default power-saving?
 Is ____ for ____ modify ____ gizmo's power-saving?
 Is it possible ____ adjust ____?
 The ____ mode ____ be ____.
 Am ____ able ____ change ____ preset ____?
 I want to ____ mode ____ equipment.
 ____ the set-up ____ saving energy?
 ____ it possible ____ modify how ____ device ____ in ____ energy-saving ____?
 Is ____ possible to ____ set?
 Is it possible ____ this device's ____?
 I ____ if it's possible to ____ area.
 ____ power-conserving function ____ feasible.
 Is it ____ preset ____ mode.
 Is ____ power saving feature ____?
 ____ default power ____ mode
 ____ wonder ____ alter the ____ saving ____ this device.
 What can I do ____ factory-set ____?
 Is ____ to ____ the ____ on this device?
 Is it ____ adjust ____ default ____ setup?
 ____ modify the ____ more energy?
 Do you want ____ device's built-in ____ setting?
 Will I ____ to change ____ of this ____?
 Changing ____ default ____ be possible.
 How do ____ change ____ product's ____ saving ____ needed?
 Will ____ be ____ change the power ____ on the ____?
 ____ it possible to ____ default ____ mode on ____?
 Could ____ possible to change the ____?
 There ____ a ____ the ____ default energy-saving setting.
 ____ the ____ saving settings be ____?
 Are there ____ the built-in ____?
 ____ should ____ adjust ____ product's ____ saving ____ I need to?
 ____ we ____ set-up for ____?
 Is ____ to adjust the ____ saving ____ machine?
 ____ is a chance that ____ device's ____ changed.
 It's possible ____ power ____ on this device.
 ____ I change ____ mode ____ this equipment?
 ____ you ____ the ____ saving ____ different?
 Is ____ possible ____ modify the ____ of ____ thing?
 Is ____ a ____ to change the ____ here?
 ____ we ____ the equipment's ____?
 ____ it possible to ____ built-in ____ saving ____?
 ____ it possible ____ modify the ____?
 ____ feasible ____ the ____ saving setup?
 ____ it ____ change ____ setting for energy ____?
 ____ you suppose ____ preset ____ mode?
 ____ the ____ settings on this ____ adjusted?
 Will the ____ power-saving ____ altered?

Can _____ be changed _____ eco _____?

Is it possible to _____ built-in _____.

Do you _____ possible _____ power-saving of this gadget?

_____ to _____ energy saving setting?

Are it _____ the energy-save _____?

How do _____ change this _____ if I _____ to?

_____ we _____ how _____ device conserves _____?

_____ we modify _____ equipment's _____ Mode _____?

_____ default power saving _____ adjusted _____?

Can _____ power saving _____ be _____?

Can I change _____?

Do _____ it _____ to change _____ power saving _____ on _____ device?

Can I _____ this _____?

_____ it _____ possible to change the power _____ on _____?

_____ defaults power-saving _____ changed?

If _____ how _____ adjust _____ built-in energy _____ this product?

Is _____ change the _____ mode

_____ about _____ default _____ mode?

Can _____ modify _____ default _____ option?

Is _____ change this _____ built-in _____ conserve setting?

Can _____ the _____ device conserves _____?

_____ it doable _____ energy-saving feature?

_____ mode should _____ changed?

The _____ energy-saving _____ be _____.

This item _____ be _____ mode.

_____ it _____ to change _____ default energy- saving _____?

_____ might be changed.

Am I _____ automatic _____ on this device?

_____ you tell _____ to _____ device's _____ energy-saving setting?

_____ it possible to _____ power saving set _____ this _____?

_____ we _____ the standard _____ settings _____?

_____ device's _____ can _____ changed.

Can I change _____?

_____ I adjust the product's _____ feature if I _____?

_____ this device's _____ mode _____?

_____ it _____ the built in power saving _____.

_____ the _____ saving _____ viable?

Can _____ machine's _____ adjusted?

Is _____ possible _____ energy-efficient mode?

_____ is _____ to alter _____ energy-saving _____ this appliance.

_____ to _____ the power _____ feature?

_____ would like to alter the _____ default _____.

Changing _____ default _____ save _____ is _____.

Would _____ possible to _____ default power saving _____?

_____ can _____ be _____ into its _____ mode?

Is _____ to _____ this power-saver?

_____ show _____ how to change _____ energy-saver setting?

_____ change _____ device's _____ saving?

Can _____ power-saving _____ be _____?

Could we _____ the _____ feature?

Is there a _____ to _____ mode energy _____?

There _____ a _____ to alter _____ mode.

I _____ can _____ energy-saving mode.

Do _____ built in energy-saving feature _____ doable?

_____ the _____ usual eco-mode settings?

Is _____ device's energy-saving.

Do _____ to modify _____ preset _____?

_____ it be _____ adjust _____ power saving setup on _____?

I _____ possible _____ modify device's _____ here.

Can _____ adjust _____ energy right now?

_____ it be possible to _____ default _____ saving _____?

Where can I _____ the _____?

There is a possibility to _____ the _____.

_____ you think _____ possible for _____ to change _____?

_____ make _____ power-saving mode _____?

_____ if I can change the _____ energy _____.

Can _____ energy-saving _____ there?

_____ change how it saves juice

_____ is _____ to _____ the automatic _____.

_____ think it _____ possible for us _____ change _____ saver?

_____ possible _____ change _____ energy-saving setting.

Can _____ the _____ energy-saving _____?

_____ wonder _____ devices' _____ changed here.

Do _____ it _____ possible _____ modify the _____ mode?

Do you have _____ change _____ way it _____?

I want _____ the _____ energy-saving _____.

_____ it possible to _____ the _____ power saving _____?

Would _____ modify the device's _____?

_____ this _____ mode _____ changed?

Does _____ saving feature work?

_____ machine's _____ power _____ setting can _____.

_____ change _____ way _____ conserves energy.

_____ it possible to _____ savings _____?

_____ to change how energy is _____ device?

_____ change the power _____ on _____ device?

Is _____ default _____ changed on _____?

_____ think it _____ possible _____ the _____ mode on this device?

Is it _____ change _____ energy-saving _____.

Is it _____ to _____ setting?

How do _____ the _____ energy _____ feature _____ this _____?

_____ change _____ way this _____ energy?

_____ can this _____ be _____ energy?

_____ we make _____ eco-mode _____ better?

I am _____ sure if _____ to _____ eco-mode _____.

_____ the power-saving option?

Can _____ energy- efficient _____.

_____ changing _____ preset _____ mode?

Can the device's _____?

_____ device's power _____ be _____.

Can I change the _____?

_____ is possible to change _____ built-in _____ saving mode.

_____ do I do _____ built-in energy _____ feature?

Can _____ be a _____ to _____ default _____?

_____ a _____ to change the _____ energy _____ setting?

The automatic power-saving _____ be _____.

_____ want _____ know if _____ default _____ mode is _____.

_____ possible to _____ defaults?

_____ could be done _____ change _____ default _____.

Can _____ machine's default _____ setting _____?

There is feasibility _____ power-conserving _____.

_____ there _____ way to alter the _____ energy-saver _____?

_____ can _____ do _____ change the _____ mode?

Wouldn't _____ be feasible _____ modify _____?

_____ this _____ power saving _____ adjusted?

_____ change the _____ here?

Is _____ doable to _____ the _____?

_____ built-in _____ saving _____ be changed?

_____ it _____ to _____ energy- save _____?

_____ there _____ to change _____ preset low-energy utilization _____.

_____ possible to change the _____.

Would it _____ feasible to modify _____ power _____?

Is it _____ modify the _____?

Changing the built _____ power _____.

_____ it _____ to change the _____ here?

Do _____ the device's default power-saving _____ changed?

_____ I adjust the _____ energy saving _____ if _____?

Can _____ default energy-saving mode?

_____ need _____ be changed in _____ eco mode?

_____ the default _____?

_____ it possible for _____ to modify _____ default _____?

_____ want this _____ energy saving setting _____ be _____?

Am _____ the built-in power saving _____?

Is changing the _____?

I _____ know _____ it's possible _____ devices' eco-mode _____.

Can we _____ device conserves energy?

Is it _____ to modify the _____ saving _____ this _____?

Is it _____ to _____ equipment's _____?

_____ default _____ mode may _____ to _____.

_____ we _____ to _____ this _____ settings?

_____ adjusting _____ energy-saving feature _____?

_____ I modify the _____ setup _____ this _____.

_____ the _____ have _____ power-saving option _____?

Maybe there _____ a way to change _____.

_____ thing's default _____ be changed.

_____ think _____ possible to _____ energy-saving setting here?

_____ there a way to _____ built-in energy _____?

_____ change the energy saving _____ on the _____?

_____ can _____ change _____ default _____ setting _____?

Is _____ default power-saving _____?

_____ do I adjust _____ saving _____ in this _____?

_____ possible _____ change the _____ feature.

Is _____ to _____ energy- _____ mode?

How _____ device default power _____?

Might I _____ mode?

Will _____ to _____ energy-saving setting?

How can I _____ this product's _____ if _____ to?

Is it possible to _____?

_____ you think this _____ energy _____ setting _____ changed?

Will _____ to modify _____ eco-mode?

Can _____ power saving?

_____ the power _____ option?

_____ modifying this gadgets _____?

Is _____ possible _____ switch _____ energy-saving mode on _____?

_____ you want to _____ the _____?

Is _____ way _____ change _____ power _____ mode?

_____ device's power _____ can be _____.

Can _____ defaults energy-saving _____?

_____ it _____ alter the default _____ setup on this _____?

_____ it feasible to change the power _____?

Are _____ change the _____ mode?

Is _____ to _____ default _____ saving setting?

Altering the _____ saving _____ be _____.

_____ we _____ device _____ energy _____ some way?

I wonder _____ is possible _____ energy-saving _____.

_____ it _____ to _____ the power _____ on this _____?

_____ I _____ mode _____ the device?

Do you wish _____ change _____ power-saving _____?

Will it _____ adjust the _____ energy-saving _____?

_____ change the built-in _____ saving mode?

_____ there a _____ to adjust the _____?

Is _____ possible _____ saving mode?

_____ know if _____ can change _____ default energy-saving _____.

How _____ the _____ eco mode?

_____ we adjust _____ energy-saving _____?

Can _____ to lower _____ use on this _____?

I _____ thing's _____ energy-saving mode.

_____ you think it _____ possible to _____ default _____?

_____ we make _____ work _____ its _____ mode?

Is _____ a way _____ saving setup on this _____?

Is _____ viable _____ power saving feature?

Is _____ possible to change _____ automatic _____?

_____ we _____ this device conserves _____?

_____ change _____ built-in energy-saving feature?

_____ there a way _____ the device's _____?

_____ could change _____ settings on this _____.

Do _____ want _____ change _____ energy _____ setting?

I am curious if _____ devices' eco-mode _____.

I wonder if _____ possible _____ modify _____ devices' _____.

_____ change the _____ power-saving mode.

Do you _____ to _____ setting?

Is _____ possible _____ the _____ saving
_____ it viable _____ alter _____ power saving _____.

I _____ know if _____ can _____ device's _____.

Is there _____ modify _____ default energy saving _____?
_____ to modify _____ power-saving mode?
_____ a _____ to adjust _____ energy-efficient settings?

Can _____ modify _____ defaults?

Are _____ possible _____ change _____ default _____?
_____ I adjust _____ product's _____ in energy _____ feature if I _____?
_____ I alter _____ energy-conservation _____?
_____ change be _____ to the default _____ mode _____ device?

Is it _____ to _____ factory set _____?

Is changing the _____?

Is it _____ modify _____ built- _____ saving feature?

Is adjusting _____ power _____?
_____ it possible _____ change _____ defaults _____?
_____ device's _____ setting changed?
_____ you want to change _____?

Could you _____ default energy _____ on _____ appliance?

Can _____ default power-saving _____ on my _____?
_____ is _____ way _____ make the _____ more _____ efficient.

I _____ there _____ way to _____ eco-mode here.
_____ you _____ the _____ power _____ feature?
_____ I change _____ device's _____ settings?
_____ it possible to _____ mode?
_____ the default _____ option.

_____ is possible _____ change _____ default power-saving on _____ gizmo?
_____ you able to _____ default _____?
_____ you think _____ could _____ the _____?
_____ it _____ to change _____ default energy-saving _____?
_____ default power-saving _____ changed?

Can _____ efficient settings _____ adjusted?

How _____ preset low-energy utilization _____?
_____ you _____ to _____ built-in energy saving _____?

How _____ I change the _____ feature?
_____ change _____ default _____ mode?
_____ want _____ change _____ preset _____ mode.
_____ way _____ change the built-in energy _____ on _____ device?
_____ a _____ of altering the _____?

I _____ possible _____ modify _____ eco-mode here.
_____ we make _____ the _____ settings?

Could _____ the _____ eco-mode?
_____ I change the power _____ on _____.

Should _____ mode _____ this _____ be _____?

Is _____ possible to _____?
_____ you _____ changes to lower _____ on _____ device?
_____ possible _____ alter _____ defaults?
_____ think it's _____ to _____ the _____ power-saving?
_____ default energy-saving setting _____ changed.

The _____ save might _____.

_____ a way _____ the device's _____ energy-saving mode?

The possibility _____ preset power-conserving _____.

I _____ can change the _____ energy-saving _____ here.

_____ ways to change _____ default energy-efficient _____?

Can I _____ mode?

Does it make _____ change the _____?

_____ if it _____ possible to alter devices' _____.

Can _____ default _____ setup _____ adjusted?

It is _____ to _____ eco-mode.

_____ change _____ energy saving setting?

Is _____ doable _____ modify the built-in _____?

Is there a _____ change the _____?

_____ I _____ save more power?

_____ possible _____ change the built-_____ energy saving _____?

_____ to _____ the device's default energy-saving _____?

Can we _____ the standard _____?

Changing the _____ mode _____ doable.

Can _____ be _____ an eco _____?

Does the _____ have _____ adjusted?

How _____ I _____ the product's energy _____ if _____ to?

Could _____ change the _____ something else?

Is changing _____ doable?

Can _____ what to _____ device's energy saver setting?

_____ am _____ if _____ is _____ to _____ eco-mode of devices _____.

_____ you _____ change the _____ default _____ option?

_____ to modify _____ settings for this appliance?

Is _____ a _____ to change the _____ set _____?

The default _____ be switched _____.

_____ it possible _____ change the power-saving _____ device?

Is _____ change _____ default _____ for energy-saving?

_____ possible to change _____ thing's default _____ mode?

_____ I _____ the _____ power _____?

Are _____ energy-saving setting?

It's possible to _____ the automatic _____ this _____.

_____ modify _____ default energy-efficient _____ here?

Is there an option to _____?

_____ device's _____ option should _____.

_____ we _____ the default _____ mode?

Could the _____ energy-saving _____?

_____ it _____ change _____ default energy-saving mode?

Is it _____ defaults?

_____ to _____ the power-saving mode.

Do _____ think _____ alter the default _____?

Is _____ possible to _____ device's _____ feature?

Is _____ the power _____?

_____ I can change the power-saving _____ on this _____.

_____ energy-saving _____ might be _____.

What _____ I _____ change _____ low energy utilization _____?

_____ believe _____ possible to _____ default power-saving _____ this gizmo?

Is _____ to change _____ default _____?

_____ make the _____ energy efficient?

Do _____ change the _____ built-in _____ conserving setting?

_____ it possible _____ device's default _____?

_____ way _____ modify the default _____ mode.

It could be possible _____ setting.

I am _____ it _____ to change the eco-mode _____.

_____ adjust the _____ energy-saving feature.

Can _____ energy-saving _____ of this _____?

_____ device's default power save _____.

_____ we _____ for saving energy?

_____ you believe _____ can _____ power-saver?

_____ to adjust energy-saving _____?

Can _____ energy-saving feature?

Do _____ believe it's _____ change _____ default power-saving?

_____ modify _____ mode?

_____ you _____ it _____ possible _____ us _____ modify _____ power-saving device?

I want _____ energy-saving mode can _____ changed.

Is it possible _____ change _____?

_____ it _____ possible to change the _____?

Can _____ my preset _____?

Can _____ energy-saving mode be _____?

Can _____ mode of _____ saving?

Can we _____ the eco-mode _____?

_____ I change _____ energy-saving _____?

I _____ to _____ mode _____ my device.

_____ want to change this _____ efficiency setting?

_____ possible to _____ the power-saving _____?

Is it _____ the power- _____?

_____ possible to _____ the equipment's _____ mode?

The automatic _____ to _____ changed.

_____ there a _____ power-saving option on this _____?

Do _____ need to modify _____?

_____ it possible to _____ the power-saving _____ this _____?

_____ be done _____ energy-saving setting here?

Could you _____ changes to _____ to _____ power?

_____ to save power?

_____ it _____ to change the _____ power-saving _____?

_____ this _____ power _____ to _____ changed?

_____ considering _____ default power-saving option?

Can _____ change _____ device operates to _____?

_____ we _____ the power _____ option _____ device.

Do you want _____ change _____ gadget's built- _____?

_____ you think _____ to _____ the default _____ of _____ device?

_____ modify the _____ saving _____?

_____ to _____ this _____ default energy-saving _____.

_____ to _____ device's default energy _____.

Can I _____ energy _____?

I wonder if _____ modify _____ device's _____ here.

How do I _____ this _____ saving _____ if _____?

Possible to modify _____ settings on _____.

_____ altering the _____ doable?

I would _____ modify the default _____ mode _____.

_____ I _____ to _____ default _____ mode?

_____ is a way to _____ default _____ efficient _____.

_____ it possible _____ equipment's _____ settings?

_____ you think _____ is _____ to _____ default _____ on this _____?

Is _____ possible to _____ changes _____ lower _____ on this _____?

_____ possible _____ adjust the _____ power saving mode?

Is _____ a _____ to change _____ energy-efficient _____.

_____ can _____ power-saving mode be _____?

_____ power-saving _____ on my device?

Modification of _____ energy-saving _____ on _____ appliance _____ possible.

_____ power-saving _____ be changed?

_____ this _____ have _____ mode changed?

_____ can the _____ be adjusted?

_____ want to change _____.

Do _____ think you _____ modify the _____ energy-saving _____ this _____?

_____ possible to change _____ default _____ saving _____?

I _____ like _____ the _____ mode on the _____.

What _____ modifying this _____?

_____ default power-saving _____ could be _____.

Is _____ this device's _____ mode?

Can we change the _____ on _____ device?

_____ we _____ modify the default energy-efficient _____?

_____ ways _____ change the _____ power saving _____ this device?

Is it _____ change _____ mode?

Can _____ save setting?

Will _____ personalize the built-in power saving _____?

Is there _____ way to _____ the _____ saving _____?

Did _____ want to _____ device's _____?

Can _____ the _____ power-saving _____?

There's a _____ change _____ default energy-saving _____.

Do _____ think it's possible _____ the default _____?

_____ modify the _____ power-saving _____?

Is it _____ to modify _____ on this _____?

_____ you _____ change _____ preset _____ mode.

_____ you alter _____ mode?

_____ a _____ to _____ this gizmo's _____ saving setting?

_____ option have _____ be changed?

Do you _____ power-saving option _____ be _____?

How can _____ preset _____ function.

_____ we change its _____?

Is _____ a way to _____ feature?

Will I be _____ the energy-saving _____ this _____?

I _____ if _____ possible to _____ eco-mode.

_____ tinkering _____ built-in power saving _____?

_____ default power-saving mode?

_____ power-saving _____ needs to _____ changed.

Is _____ to modify the _____ here.

_____ it possible to modify _____?

____ you modify ____ energy-saving ____?
 Is ____ to ____ the ____ setting?
 Would it be possible ____ option?
 There ____ a possibility ____ the ____ energy-saving ____.
 ____ it ____ to ____ the power-saving mode on ____.
 ____ device's energy-saving?
 Can I change ____?
 ____ to change the default ____ set up ____ this ____?
 ____ I adjust this ____ energy saving ____?
 Is ____ change ____ saving setting here?
 ____ I ____ the preset low ____ function different?
 Is ____ possible to ____ preset ____ efficiency ____?
 ____ is there a way ____ saves juice?
 ____ modify device's ____?
 Could ____ possible to change the ____ setting.
 ____ change device's energy- ____?
 ____ adjust energy-saving defaults?
 ____ I change ____ settings.
 ____ can ____ change the ____ power ____?
 Could you ____ device ____ lower ____?
 ____ reprogram ____ preset eco ____?
 ____ wonder ____ possible ____ devices' eco-mode here.
 How energy is ____ default ____ might be ____.
 Do ____ change ____ default power saver?
 ____ changing ____ default ____ feasible?
 ____ device's power-saving ____ be ____?
 Should the ____ energy-saving settings ____ on ____?
 ____ you wish ____ this device's ____ saving setting?
 ____ believe it is possible ____ to ____ the ____ power-saver?
 Do you think it is ____ power-savings?
 ____ the preset power-conserving ____.
 ____ it ____ to ____ built- in energy-saving ____?
 ____ I ____ device's ____ save?
 ____ the built-in ____ might ____ doable.
 ____ you ____ it's ____ to change ____ power-saving of ____ device?
 Modification ____ this ____ eco-mode ____.
 Will ____ alter the default ____ mode?
 Is there ____ way ____ modify the ____ saving ____?
 Can ____ default energy-saving ____ device be ____?
 There might be a ____ the ____ energy-efficient ____.
 There is a ____ the ____ efficient mode.
 Is ____ possible to ____ power-saving ____?
 ____ default power save ____.
 Can ____ change ____ energy-saving setup ____ this ____?
 Do you ____ we ____ change ____ preset ____?
 How ____ power saving feature?
 ____ to change the device's ____.
 Do ____ think it's ____ to ____ power-saving?
 ____ default energy-saving setting ____ feasible.
 ____ the factory-set power-saving mode?

Is it possible to _____ energy _____?

Is there _____ chance to _____ the _____ juice?

_____ is possible _____ energy-saving settings.

We _____ be able _____ the power-saving _____ on _____.

Do _____ the built-in energy-saving _____?

_____ like _____ change the energy-saving _____ of _____ device.

_____ possible _____ the energy-saving mode?

The _____ be adjusted.

_____ change the device's _____ of _____?

_____ possible _____ modify the default _____.

It's Feasibility _____ adjusting the _____ power-conserving _____.

Is _____ to change _____ device's _____.

_____ the device's default _____ saving _____?

Change _____?

_____ standard eco-mode settings?

_____ we _____ change the _____ power-saving _____.

_____ wonder if it's _____ to _____ device's _____.

_____ I change _____?

Can _____ change _____ energy-save _____?

Can I change _____ power-saving _____?

Changing the _____ mode _____ a _____.

Altering _____ power _____ be viable.

Can _____ adjust _____ set-up _____ saving _____?

Can _____ energy-saving mode _____ altered?

_____ you _____ the default _____?

Is _____ change _____ default energy-saving _____.
