

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Generation source mix disclosure
Inquiry Sub-Category	Non-renewable energy breakdown
Description	Inquiries for details on the composition of non-renewable energy sources, including coal, natural gas, and nuclear power, to assess the environmental impact of their electricity consumption.
Data Size	5,163 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

What ____ the ____ of ____ in your ____ mix?

How ____ breakdown ____ non-renewables?

____ me ____ number of unsustainable energy sources ____.

____ would ____ to ____ how ____ sources are in ____ mix.

____ to know ____ types ____ non- renewable sources ____ mix.

____ types of ____ resources ____ generation mix?

Please tell me ____ types of ____ are ____ your ____.

How ____ non-renewables ____ generation's ____?

____ want to know ____ types ____ non- renewable ____.

What percentage ____ sources ____ your generation ____.

____ nonrenewable sources ____ included ____?

____ is ____ non-renewable sources in your generation ____?

____ non-renewable ____ the generation mix?

I ____ to know ____ renewable ____ are a ____ your generation ____.

I ____ to know how the nonrenewable ____ break ____.

There's a ____ percentage of ____ sources ____ generation mix.

____ nonrenewable sources is ____?

Can you ____ me the ratio of ____?

____ me ____ much unsustainable ____ are ____ your blend.

____ to ____ non renewable ____ of my generation mix.

Your Generation ____ nonrenewable ____.

Do you ____ percentage of your ____ non-renewables?

You ____ generation mix that includes ____.

What ____ your breakdown ____?

I'd ____ know ____ of non-renewables ____ the generation ____.

How ____ unsustainable ____ your blend?

____ want to know if ____ non renewable ____ are ____ generation ____.

Do ____ the ____ of non-renewable sources that ____ generation ____?

_____ non-renewable source breakdown _____ generation mix?

What _____ the _____ of _____ generation's _____?

I _____ like to know what _____ sources _____ comprise _____.

_____ would like _____ sources comprise your generation _____.

_____ to _____ which _____ sources are in my generation _____.

Which _____ are in your _____?

_____ you tell me how _____ mix breaks _____?

_____ any information about _____ composition of _____?

_____ parts _____ generation come from _____?

Which _____ sources _____ of the _____?

Is it _____ to tell _____ of _____ sources used _____ your _____.

_____ is _____ of non-renewables?

Can _____ of your _____ from non-renewable sources?

_____ is the _____ of non- _____?

We _____ to know the percentage _____ used _____ generation.

_____ to know the types of _____ sources _____ mix

I _____ how _____ non-renewable _____ are included in _____ generation _____.

_____ portion _____ comes from other _____?

Your _____ uses _____.

I want _____ know _____ non- renewable _____ are _____ mix.

_____ like to know _____ of _____ sources _____ involved in _____ Generation _____.

_____ are _____ top non-renewable sources _____ uses?

I _____ to know _____ of non- renewable _____ generation mix.

_____ to know _____ the breakdown _____ sources are _____ my generation.

Who _____ non-renewable _____ generation uses?

What _____ the _____ like for _____?

_____ want _____ know _____ of _____ are in our generation mix.

_____ looking for the breakdown _____ sources in _____ generation _____.

_____ about _____ in the _____?

I want _____ the _____ nonrenewables in _____ mix.

Which nonrenewable sources _____ Generation _____?

_____ to _____ how non renewable _____ are in the _____.

The portion of your _____.

_____ want to _____ nature _____ non-renewables in _____ generation mix.

_____ non-renewable sources _____ your _____ use?

_____ request _____ of non-renewables.

_____ want _____ know _____ renewables _____ down.

_____ renewable _____ are _____ your mix?

How are _____ non-renewable sources _____ in _____?

_____ interested _____ knowing _____ breakdown of non-renewable _____ in my _____.

_____ do _____ the _____ green sources in _____ electricity _____?

I _____ to find _____ my generation break down.

_____ do you split _____ sources _____ your _____?

I _____ to _____ the _____ of _____ sources that are part of _____.

I want to _____ non _____ part of _____ generation mix.

I _____ to know _____ non renewable sources _____ my _____ mix.

Can _____ of non-renewable sources?

I _____ if there _____ any non _____ sources in _____ mix.

_____ like _____ know the _____ of unsustainable _____ sources _____ blend.

_____ you tell me _____ much non-renewable _____ are _____?

What _____ non-renewable sources are _____ the _____?

What _____ the _____ comes from _____?

_____ curious _____ the breakdown of _____ sources in _____.

Is _____ a _____ of your _____ that _____ from _____?

Do _____ know what types of non _____ generation _____?

_____ to know _____ types _____ non- renewable _____ that are included _____ mix.

_____ nonrenewable sources _____ in _____ Generation _____?

I _____ to know the _____ non-renewable _____ in _____ generation mix.

_____ of non-renewable sources are used _____ your _____?

_____ of _____ sources in this mix?

I _____ to know which _____ renewable _____.

Did you _____ how _____ non-renewable _____ used _____ your _____?

_____ types of non renewable sources _____ generation _____?

_____ percentage of _____ in the _____ mix

Can you tell me _____ generated _____ non-renewable _____?

_____ need to _____ what _____ of _____ renewable _____ are in _____ mix

I _____ find _____ what _____ of non- renewable sources _____.

Please, _____ of _____.

_____ know what types _____ sources are _____ of _____ mix?

What _____ of _____ comes from _____?

How _____ you _____ non-green _____ sources?

I want _____ breakdown of nonrenewables _____ generation _____

_____ non-renewable resources are _____ mix?

I would _____ what _____ of non renewable sources are _____ of _____.

_____ know what types _____ renewable sources you _____.

Did _____ know _____ of your generation comes _____?

What _____ the ratio _____ the _____ mix?

_____ is _____ breakdown of non-renewable _____ generation?

Is _____ my energy mix?

_____ you split the _____ your mix?

Please, breakdown _____?

_____ you tell me _____ the breakdown _____ sources _____ generation _____?

_____ breakdown non-renewable sources _____ mix?

I want _____ of _____ sources _____ in your generation.

_____ many _____ in generation _____?

I _____ which _____ non _____ sources are in my generation _____.

_____ you tell me the _____ non-renewable _____ in _____ mix.

_____ know the _____ non-renewable _____ in your _____ mix

Is _____ a _____ of non-renewable _____ you _____?

I would _____ renewable _____ are _____ of our generation mix.

_____ to know what _____ sources _____ involved _____ generation mix

Can you _____ how _____ affect _____ generation blend?

_____ to know _____ types _____ sources involved in my Generation _____.

What _____ sources that your generation _____?

_____ know what non- renewable _____ involved _____ my generation _____.

_____ a percentage _____ non-renewable _____ in my generation _____?

_____ want to know what types _____ are involved _____.

Are _____ part _____ your _____?

_____ your energy mix _____ non-renewable?

_____ about _____ of non-renewables?

I want ____ find out ____ of ____ are in ____ mix.
 ____ you ____ me the percentage ____ that ____ from non-renewable ____?
 ____ to ____ what percentage of non-renewables ____ generation mix.
 ____ want to ____ renewable sources ____ break down.
 ____ the non-renewable sources ____ mix?
 ____ need to know what ____ non-renewable ____ in our ____.
 What ____ non-renewable ____ are ____ generation mix?
 Tell me, ____ ratio ____ unsustainable ____ in your ____?
 Non-renewable sources ____ in your ____
 ____ to ____ what types ____ sources are in my ____ mix.
 I would like to know ____ involved in ____ mix.
 ____ you ____ me how ____ your electricity is from ____?
 What is ____ of ____?
 Is there ____ ratio of ____ generation mix?
 You use non-renewables, ____?
 I ____ know ____ sources are involved ____ my generation ____.
 I ____ to know what ____ breakdown of ____ in my ____.
 ____ mix ____ for ____
 I want ____ understand what types ____ are ____.
 I would ____ know ____ renewable sources are involved ____ generation ____.
 Can ____ me ____ of non-renewable ____ that your generation ____?
 ____ would ____ to know which non-renewable ____ are in ____.
 ____ are non-renewable ____ your ____ mix?
 Did you know what ____ sources ____ generation mix?
 ____ sources ____ in your generation ____
 ____ to know how non ____ sources ____ included ____ mix.
 ____ non renewable sources are included ____?
 What ____ generation is ____?
 ____ you know ____ composition of ____?
 ____ know the breakdown ____?
 Which ____ associated ____ Generation?
 ____ to know ____ of ____ sources in my ____ mix.
 ____ include ____ of non-renewable sources?
 So how ____ your ____ non-renewables?
 ____ of non-renewable sources ____ your generation uses?
 ____ to understand ____ non ____ sources ____ my ____ breakdown.
 Should ____ ask ____ percentage of ____ used in ____ generation?
 What ____ the ____ non-renewable ____ within the generation ____?
 ____ percentage ____ non-renewable ____ in ____ generation ____.
 What percent of ____ sources is ____?
 ____ am ____ types ____ renewable ____ in my generation mix.
 Is ____ generation ____ divided by ____?
 ____ sorts ____ non-renewable ____ are ____ your generation ____?
 ____ have a breakdown ____ sources?
 ____ renewable sources ____ included ____ generation ____.
 ____ want ____ the breakdown of non-renewables ____ the ____.
 Do you ____ the ____ sources that ____ generation ____?
 Is ____ a ____ of ____?
 Can you ____ of your electricity ____ non-renewable ____?
 ____ would like to ____ breakdown of ____ in ____.

_____ like to know _____ are in the _____ mix.

What _____ are part _____ your generation mix?

_____ know if _____ non renewable _____ are in the _____.

The non-renewables _____ generation mix _____ I _____ know.

_____ are _____ sources grouped _____ your _____ mix?

_____ is the _____ of _____ sources _____ the _____ mix?

Let me know _____ on _____.

_____ you know _____ amount _____ electricity _____ comes _____ sources?

_____ portion _____ generation _____ from non-renewables?

What's the _____ non-renewable sources _____ the _____?

_____ the ratio _____ non-renewable _____ in my _____ mix.

_____ would like _____ kind _____ non- _____ are _____ my generation mix.

_____ much _____ your generation is _____?

_____ percentage of _____ were you using _____ your _____?

I need to _____ how the _____ included.

How _____ your _____ comes _____ non-renewables.

Do you know _____ of _____ in your _____?

_____ non-renewable _____ partitioned _____ generation mix?

_____ a _____ of your generation _____ comes from _____.

_____ amount of non-renewable energy _____?

How _____ make up your _____?

_____ non-renewables in generation _____

Which part _____ generation _____ non-renewables?

_____ your _____ how are _____ grouped?

_____ breakdown _____ non-renewables you use?

_____ wish _____ know what _____ of non-renewable _____ my generation _____.

Are _____ resources _____ generation mix?

What types of _____ sources _____ of your generation _____?

I _____ to _____ if non- renewable sources _____ involved _____ my _____.

_____ generation is non-renewable?

_____ for _____ energy contribution?

I want _____ non- _____ sources _____ my _____ mix.

_____ is _____ breakdown of non-renewable _____ generation mix?

_____ want _____ the _____ non-renewable sources that _____ be _____ my _____ mix.

_____ you _____ the _____ of _____ energy sources in _____?

_____ of non-renewable _____ are _____ your _____?

_____ the _____ non- _____ power usage?

_____ to know _____ of non- _____ sources _____ the generation _____.

Can _____ tell _____ the _____ of _____ sources _____ use?

I want to _____ non-renewable sources are _____ of _____.

_____ want to know _____ non- _____ involved.

I want _____ non-renewable _____ comprise my generation _____.

_____ of the non-renewables you _____?

I want _____ the _____ of non-renewables _____ generation _____.

The percentage _____ generation mix?

Can you tell me _____ non-renewable _____ you used _____ your _____?

_____ know _____ of non-renewable _____ you used in _____ generation.

I _____ know _____ of non-renewable _____ the generation mix

Can you tell _____ the percentage _____ sources in _____?

What _____ of non-renewable _____ involved _____ my generation _____ want to know.

____ do you ____ non-green sources ____ energy mix?
 ____ is the ____ for ____ contribution?
 ____ composition of non-renewables
 ____ you ____ count ____ non-renewables used?
 ____ a breakdown ____ that you ____?
 I ____ to ____ sources are part ____ my ____ mix.
 ____ non-renewable ____ your generation use?
 I ____ to ____ of ____ sources constitute your generation ____.
 ____ the breakdown of ____?
 I ____ to know ____ there ____ any ____ sources in ____.
 Can ____ me ____ breakdown of ____ my mix?
 ____ to know ____ non-renewables.
 Please breakdown ____?
 ____ non-renewable ____ your generation?
 ____ know ____ composition of non-renewables
 What ____ some of the non-renewable ____ mix?
 What ____ the breakdown ____ in your ____ mix.
 ____ about the ____ sources used ____ your generation?
 ____ want ____ know ____ non ____ comprise ____ generation mix.
 I want to ____ renewable ____ are ____ of ____ mix.
 ____ wondering what ____ breakdown of non-renewable ____ are ____ mix.
 ____ your generation use ____?
 ____ you ____ us ____ much ____ your electricity ____ from non-renewable ____?
 What's the breakdown ____?
 I ____ non renewable ____ the generation mix.
 The ____ contains non-renewable ____.
 ____ want to ____ renewable sources ____ my generation breakdown.
 The breakdown of non-renewables ____ something that I want ____.
 Which ____ are ____ in your ____?
 ____ you ____ nonrenewable sources in ____?
 ____ know what the ____ are in my generation ____.
 Do ____ the ____ of non-renewable sources ____ mix?
 What portion ____ generation ____ sources?
 I want ____ how ____ the generation ____ non-renewable.
 ____ non-renewable ____ in ____ generation mix?
 ____ would like ____ know what ____ of ____ is.
 ____ percentage ____ non-renewable ____ was ____ by ____ generation?
 ____ want to ____ the breakdown of ____ the ____ mix.
 ____ non-renewable ____ in your generation ____?
 ____ breakdown of nonrenewable sources ____ generation uses?
 What are ____ non-renewable ____ in ____ generation mix?
 ____ me the ____ of ____
 ____ want ____ know the breakdown ____ nonrenewable ____ the generation ____
 ____ would ____ to know the ____ renewable sources you ____.
 Tell me, ____ the ratio ____ energy ____ your ____.
 ____ is ____ breakdown of ____ sources ____ by you ____?
 Which ____ are ____ Generation mix?
 What ____ non-renewable ____ is ____ mix?
 Can you tell me ____ breakdown ____ in ____?
 I ____ about the ____ renewable _____.

_____ is the percentage of _____ sources _____ are in _____ ?
 I want to _____ the _____ renewable _____ of _____ Generation mix _____ .
 I want _____ what non-renewable _____ in _____ mix.
 I want to _____ if _____ nonrenewable _____ generation mix.
 _____ want _____ which non- renewable _____ up your _____ mix.
 Do _____ remember _____ percentage _____ non-renewable sources _____ generation?
 I would _____ know the _____ of non-renewable _____ that _____ mix.
 I want to know _____ .
 How _____ renewable _____ divided in your _____ ?
 I would like to _____ what types _____ sources are _____ mix.
 Which nonrenewable sources _____ mix
 _____ number _____ non-renewables _____ generation mix.
 _____ want _____ know _____ are in our generation mix.
 Non-renewable sources _____ energy _____ .
 _____ which _____ non- renewable sources _____ in the generation mix.
 Which _____ sources _____ included _____ mix?
 How _____ the _____ broken _____ non-renewables?
 What _____ sources are _____ mix?
 breakdown _____ non _____ energy _____ ?
 _____ the breakdown _____ non-renewables?
 _____ of non-renewable _____ in _____ generation _____ ?
 I _____ to _____ what _____ of non-renewable _____ are _____ generation mix.
 I _____ to _____ of the _____ .
 _____ don't _____ what the breakdown _____ non-renewable sources _____ my _____ .
 I want _____ renewable _____ are part _____ your generation _____
 _____ you _____ the _____ non-renewable _____ your generation uses?
 What kinds of _____ used by _____ ?
 I _____ to know _____ sources are _____ the _____ .
 _____ the _____ sources _____ your _____ mix
 _____ your generation _____ from non-renewables?
 I _____ to _____ how _____ renewable sources _____ my generation _____ .
 Is there a _____ energy _____ ?
 I want to _____ what type of _____ renewable _____ mix.
 There _____ in your _____ .
 _____ to _____ the _____ of non-renewables
 Which _____ sources _____ your _____ ?
 How _____ sources _____ generation mix is _____ ?
 How _____ you _____ non-green sources _____ mix
 _____ mix breaks _____ for _____
 _____ need to _____ sources are involved in my _____ .
 _____ the breakdown _____ sources look like _____ your _____ ?
 I want _____ know what _____ renewable _____ are _____ my Generation _____ .
 _____ is the percentage _____ sources _____ your _____ mix?
 I _____ to know _____ my generation mix will _____ .
 I _____ like to know _____ types of non-renewable _____ my generation _____ .
 Do you know _____ of _____ in _____ generation _____ ?
 _____ made up _____ non-renewables?
 _____ sources are in your _____ ?
 I want _____ know if _____ are any _____ in _____ mix.
 _____ you _____ the _____ of nonrenewable _____ in the _____ ?

_____ renewable _____ are included _____ the _____.

I would like _____ know _____ non renewable _____ that _____ mix.

What _____ of _____ sources _____ in generation mix?

What _____ breakdown of _____ sources for _____

How _____ non-renewable _____ your _____ mix?

_____ want to _____ non renewable sources _____ part _____ generation mix.

I don't _____ what _____ are _____ in the generation _____.

I would _____ know _____ non _____ sources _____ my _____ mix break _____.

_____ don't know the _____ in _____ generation mix.

I _____ how nonrenewable _____ of _____ generation _____ down.

_____ non-renewable _____ split in _____ generation _____?

How do _____ sources _____ your power mix?

I need _____ know _____ non- renewable sources involved in _____.

_____ am curious _____ the _____ sources _____ the _____ mix.

The _____ your mix _____?

_____ want _____ know _____ non-renewable _____ a part _____ our _____ mix.

Can _____ give _____ of _____ sources in _____ mix?

I _____ to _____ how the _____ sources are _____.

_____ you give us the _____ sources in _____?

What are the sources _____ are _____ in _____?

What _____ your generation comes _____?

_____ anyone know _____ of _____ electricity _____ non-renewable sources?

_____ want _____ know what _____ of non-renewable _____ are _____ generation _____

Tell me _____ percentage of _____ sources _____ generation.

Please _____ of _____?

Can _____ tell me about the _____ non-renewables _____?

I _____ to _____ which _____ renewable sources are _____ generation _____.

_____ breakdown _____ Non-renewables, _____?

Did you know the _____ of non-renewable _____

There are _____ in _____ generation _____

Is it possible to _____ know how _____ comes _____?

_____ want _____ know what kinds of _____ renewable _____.

_____ non- renewable sources are _____ my _____ mix?

How _____ of your _____ come _____?

_____ your generation's _____ sources?

_____ want to know _____ non renewable sources in _____.

_____ the _____ non-renewables in _____ mix.

Did you _____ that _____ of _____ from non-renewables?

Which nonrenewable _____ are _____ the _____?

I _____ how _____ renewable sources of _____ down.

_____ nonrenewable sources are _____ Generation _____.

_____ want to _____ non-renewables _____ the generation mix.

_____ want _____ which _____ sources are _____ the generation mix.

_____ the _____ of _____ sources you used in your _____?

_____ know _____ of _____ sources _____ your generation mix?

_____ split the _____ of electricity?

What are _____ your generation _____?

What _____ breakdown _____ non-renewables?

_____ is the _____ for _____?

I _____ to know _____ non _____ are _____ generation mix.

There ____ a question ____ the ____ sources ____ generation mix.
 Do ____ what ____ resources ____ included in your generation ____?
 ____ know what ____ sources are included ____ our generation ____.
 ____ of your ____ from other ____?
 Which nonrenewable sources ____ mix?
 I ____ know ____ of non-renewable sources are involved in ____.
 ____ are ____ distributed within ____ mix?
 I ____ what ____ are involved in my Generation mix.
 ____ you ____ of non-sustainable power ____?
 ____ you know what ____ sources ____ by your ____?
 ____ want to know ____ renewable sources make ____ generation ____.
 Is ____ percentage ____ sources ____ the generation ____?
 Can you tell me how ____ of ____ energy ____?
 ____ like to ____ how ____ my generation break down.
 Is there ____ of non-renewable ____ your generation?
 Which ____ sources make ____ mix?
 I ____ know how non ____ sources are ____ mix.
 What ____ the breakdown of ____ renewable ____ generation?
 A ____ about ____ breakdown ____ non-renewable ____ in ____ mix.
 ____ your ____ from other things?
 I ____ know which non-renewables ____ the ____.
 How do ____ sources ____ your electricity ____?
 Is there ____ non-renewable ____ your mix?
 The ____ non-renewable sources in ____ a question.
 ____ of non- renewable ____ my Generation mix?
 ____ are ____ split in ____ mix?
 ____ the percentage of ____ used ____ generation.
 ____ want to ____ non- renewable ____ are present in my ____.
 How are ____ sources ____ your ____ mix?
 What types ____ non- ____ sources are in ____?
 ____ are non-renewable ____ your generation ____?
 I ____ if ____ non renewable ____ of ____ generation breakdown.
 I would ____ know ____ breakdown ____ non-renewable ____ for my ____.
 I ____ to know ____ generation ____ non-renewable ____.
 ____ to know what ____ of non- renewable ____ in my ____.
 ____ want to know ____ are included in your ____.
 I ____ to ____ if ____ sources comprise ____ generation ____.
 ____ in your generation mix?
 ____ share in your ____ mix?
 The breakdown ____ the generation ____ I ____ to ____.
 Is this ____ non-renewables?
 Do you know ____ non-renewable ____ are ____ your generation ____.
 ____ to ____ about ____ non-renewable sources ____ generation mix.
 ____ do ____ sources contribute ____ mix?
 ____ you ____ us the ____ sources ____ in your generation?
 ____ you provide ____ of ____ sources in ____ mix?
 I want ____ of ____ renewable sources are ____ our generation ____.
 In your ____ mix ____ divided?
 What percentage ____ nonrenewable ____ in ____ mix?
 Which non-renewables ____ mix ____?

____ like ____ know the breakdown of non-renewable ____ ____ ____ ____ mix.
 ____ ____ ____ if ____ have non-renewable sources ____ your generation mix.
 How non ____ ____ ____ something I want to ____.
 Is ____ ____ ____ the ____ of ____ sources used ____ your generation?
 Is ____ ____ breakdown of ____ you ____?
 Can you ____ ____ ____ ____ sources of electricity?
 ____ ____ ____ any ____ on the percentage of non-renewable ____ used ____ your ____?
 tell me ____ ____ composition ____ ____
 I would ____ to ____ types ____ ____ renewable ____ are in ____ ____ mix.
 I would ____ ____ ____ what types of ____ renewable ____ ____ up ____ generation ____.
 What ____ ____ ____ sources ____ your generation ____?
 I want ____ know how ____ non ____ ____ ____ in ____ the generation ____.
 ____ want to know ____ ____ renewable ____ are in ____ ____.
 What is ____ percentage ____ ____ ____ non-renewables?
 How much ____ ____ ____ in ____ generation?
 I want ____ know ____ ____ ____ the ____ ____ the generation mix.
 ____ ____ ____ nature of ____ sources that ____ generation uses?
 Are you ____ ____ ____ a breakdown ____ non-renewable ____ in your ____?
 What ____ of ____ generation ____ ____?
 Is your ____ ____ ____ non-renewables ____ down?
 Tell ____ what ____ ____ your generation ____ ____ non-renewables.
 What ____ the ____ ____ non-renewables you ____?
 Of non-renewables ____ ____ ____?
 ____ ____ ____ the ____ of non-renewable ____ in ____ generation mix?
 ____ ____ ____ mix include non-renewable ____?
 Discuss ____ sources ____ your ____.
 I ____ to ____ what types ____ ____ renewable ____ comprise ____ ____ mix.
 ____ ____ ____ of your generation ____ from ____?
 The ____ ____ ____ in ____ mix?
 ____ ____ ____ would like ____ know the ratio ____ unsustainable ____ ____ in ____ ____.
 How ____ you ____ your ____ green ____?
 ____ want to ____ about non ____ ____ ____ my generation ____.
 ____ many ____ sources are ____ your ____ ____?
 ____ non-renewables part of ____ ____ ____?
 ____ ____ ____ mix breakdown?
 ____ ____ ____ of the non-renewable ____ ____ in your ____ ____.
 ____ ____ ____ are ____ percentage ____ ____ sources in the ____ mix?
 I'd ____ to ____ how ____ non ____ sources ____ down.
 ____ ____ ____ much ____ impact ____ ____ blend?
 ____ ____ ____ ____ non ____ sources are ____ in the generation mix.
 Tell ____ ____ ____ the ____ ____ unsustainable energy sources ____ your blend.
 ____ ____ ____ to know ____ kind of ____ renewable ____ are in ____ ____.
 non-renewables ____ generation ____
 The portion ____ ____ ____ ____ comes from ____ is unknown.
 Do ____ know what ____ of non-renewable sources ____ in ____ ____ ____?
 I want to ____ how the ____ ____ ____ sources ____ ____ the ____ ____.
 ____ ____ ____ kinds ____ ____ resources are in your ____ ____?
 I ____ ____ ____ know the ____ ____ ____ non-renewables in ____ ____ mix.
 ____ ____ ____ types ____ ____ ____ sources are ____ in your ____ mix?
 What are ____ ____ ____ of ____ sources in ____ ____ mix?

What ____ the ____ generation from ____?
 ____ do ____ split up ____ sources?
 Can ____ of your non-renewable ____?
 ____ non-renewables ____ your mix ____?
 What part ____ generation ____?
 Tell me ____ the percentage ____ sources ____ your ____?
 How are ____ split ____ your ____?
 There ____ question ____ composition of ____ power usage.
 What percentage of non-renewable ____ are ____ in ____?
 I ____ know ____ make up ____ generation mix.
 How ____ your electricity ____ sources?
 Do ____ know the ____ your ____ that comes ____?
 I ____ to know ____ non-renewable ____ up ____ generation mix.
 ____ to ____ types of ____ sources are in my ____ mix.
 Which nonrenewable ____ the Generation ____?
 The portion ____ generation comes ____.
 ____ to know ____ non-renewable sources are involved ____ generation ____.
 I ____ know the ____ non ____.
 I ____ like to ____ what types of ____ of ____ mix.
 Can ____ me ____ much ____ my generation's blend?
 ____ you ____ the ____ of non-renewable sources ____ generation mix?
 I ____ like to know ____ non- ____ are included ____ our ____.
 Is there a breakdown of ____ in ____?
 I ____ to know what ____ renewable ____ my generation ____.
 Are ____ sources ____ in your ____?
 ____ is ____ percentage of non ____ sources ____ generation ____?
 I ____ to know how ____ renewable ____ my ____ breakdown.
 How ____ in your Generation ____?
 Do you ____ of ____ in ____ mix?
 Find out ____ of ____ your energy ____.
 ____ curious ____ the ratio ____ energy ____ your blend.
 Do you have a ____ sources ____ mix?
 What is ____ breakdown of ____ sources used ____?
 ____ non-renewable ____ generation mix?
 I ____ to know ____ sources break down.
 ____ the breakdown of non-renewables in ____ generation ____?
 Tell me ____ percentage ____ non-renewable sources ____ you ____ in ____.
 ____ types ____ non-renewable ____ involved in my generation mix.
 ____ like to know if ____ renewable sources ____ mix.
 ____ proportion of non-renewable ____ in the generation ____?
 What ____ sources ____ up ____ mix?
 What is ____ breakdown ____ non-renewable sources ____ generation ____?
 There ____ some ____ in ____ mix.
 ____ of ____ power ____ non-renewable sources?
 ____ to know what types ____ non- ____ sources ____ my ____ mix.
 Which ____ in ____ cohort?
 Non-renewables are included ____?
 Is there ____ sources ____ your generation mix?
 ____ are ____ generation ____ non-renewable sources?
 ____ much does ____ use ____?

Can you ____ the ____ of non-renewable ____ generation?

How ____ your ____ supplied by non-renewable ____?

I want ____ know ____ of ____ renewable ____ involved ____ Generation mix.

I ____ the percentage of non-renewable ____ in ____ mix.

Share ____ nonrenewable ____ in your ____

____ of non renewable ____ that are involved ____ my generation mix.

I ____ to know what non- ____ contribute ____ my ____.

Do ____ what ____ of ____ generation comes ____ non-renewables?

I want ____ know ____ any ____ in the generation ____.

I ____ know how many ____ in ____ generation ____.

What types of ____ in ____ mix

A ____ of non-renewables in ____?

____ wish ____ breakdown of ____ in the mix.

Do ____ what types ____ sources make up ____ generation ____?

____ there any ____ about the ____ of ____ sources ____ generation?

Can ____ tell ____ types of ____ my generation mix?

I'm curious about ____ of ____ sources ____ mix.

What ____ the percentage of ____ your generation ____?

I ____ know about ____ non- renewable ____ use.

I want ____ non- renewable sources are ____.

What portion ____ comes ____ non-renewables?

Which nonrenewable ____ place ____ Generation mix?

____ there ____ the ____ breakdown?

How ____ non-renewable sources ____ you ____ your ____?

____ do ____ contribute to ____ mix?

I want to know ____ of ____ sources ____ generation ____.

____ sources ____ your generation.

____ have any breakdown of ____ in your ____?

Can ____ me ____ of ____ sources

What ____ the ____ your ____ that is ____?

____ ratio of ____ mix is ____ known.

____ would like ____ breakdown of non-renewables in ____ generation ____.

____ would prefer to know the breakdown ____ in ____.

____ you able to ____ us how ____ electricity ____ sources?

I ____ if ____ renewable sources are ____ generation mix.

What ____ non-renewable sources ____ your ____ mix?

____ non-renewable ____ make ____ generation mix?

____ want ____ know how ____ sources of ____ breakdown.

____ know ____ non-renewables affect your generation ____?

Is ____ non-renewables?

____ know the ____ non-renewable sources in my ____.

What ____ of non- ____ are ____ the generation ____?

____ know the percentage ____ from non-renewables?

Is it ____ to ____ percentage of non-renewable sources used ____?

Which nonrenewable ____ are ____ generation ____?

How much of your ____ sources?

____ nonrenewable ____ form ____ Generation ____?

Would you please ____ sources used in ____ generation?

What types of ____ sources ____ my ____ mix?

I would ____ know the ____ non-renewable ____ my Generation ____.

_____ know _____ sources _____ in my generation mix.

A breakdown _____ energy _____?

_____ non-renewable sources in _____ mix.

I _____ to _____ the _____ sources of my _____ down.

_____ you tell me _____ percentage _____ non-renewable _____ in _____ generation?

I wish _____ the _____ of _____ in _____ mix.

Did you _____ portion _____ your generation _____ non-renewables?

_____ know if non-renewable sources _____ included in our _____.

I _____ to _____ non- _____ sources are part _____ your _____ mix.

I would _____ to _____ types of _____ renewable sources _____ involved _____ Generation _____.

_____ is _____ your energy mix?

_____ number _____ sources are _____ your _____ mix?

_____ renewable _____ in _____ Generation mix?

_____ to know _____ non _____ sources are _____ your _____ mix.

_____ you state _____ breakdown of _____?

_____ to know how non renewable _____ are _____ the _____.

_____ would _____ to _____ the types of non- _____ your generation _____.

_____ would _____ to _____ of _____ sources involved in my _____ mix.

_____ want to _____ what _____ of non- _____ sources _____.

_____ question regarding _____ composition _____ sustainable power _____.

_____ percentage _____ sources _____ in Generation _____?

I _____ like to _____ types of _____ sources are _____.

How _____ sources _____ generation mix?

Non-renewable _____ in _____ generation mix.

_____ what type _____ resources are _____ your generation mix?

_____ types of non- _____ sources _____ in the _____?

There is _____ regarding _____ non-renewables in _____ mix.

_____ to know which non- _____ are in _____ mix.

_____ percentage of non-renewable sources _____ in _____ generation _____?

_____ to know which non- _____ are involved.

I'd _____ know _____ breakdown of _____ sources _____ my generation mix.

I want to _____ what non- _____ are part _____.

_____ renewable _____ the generation mix.

_____ there _____ percentage _____ sources used in _____ generation?

What _____ sources _____ in generation _____?

_____ generation mix _____ for non-renewables?

What _____ the _____ by your _____?

_____ to know _____ of non-renewable resources are _____ mix.

_____ you know the _____ of the _____?

_____ are _____ your mix _____?

_____ the ratio _____ your generation mix.

How does your mix _____?

_____ sources are _____ of _____ mix.

Can _____ tell me _____ breakdown _____ non-renewable sources _____ your _____?

Ask _____ of non-renewables.

_____ proportion _____ non-renewables in _____ energy _____ is _____?

_____ would _____ types of non-renewable sources _____ my _____ mix.

Can you _____ non-renewable _____ in your mix?

I'd like to know _____ unsustainable _____ in _____ blend.

Tell me the percentage _____ sources in _____.

I _____ question about the _____.

_____ you have _____ of _____ renewable _____?

I _____ to know _____ non-renewable _____ included _____ our generation _____.
