

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Fuel efficiency and environmental concerns
Inquiry Sub-Category	Environmental Impact and Emission Standards
Description	Customers want information about emissions standards for vehicles, seeking details on the latest regulations, eco-labels, and any environmental certifications or ratings that indicate a vehicle's impact on air quality and greenhouse gas emissions.
Data Size	5,041 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

What ____ the current emissions ____ of air ____ and ____ gas impact?

Is ____ an overview ____ criteria for vehicles ____ in ____ clean air ____ reducing greenhouse ____?

____ tell me ____ the ____ vehicle emissions ____ to ____ and greenhouse gases?

How ____ emission ____ cars affect ____ quality ____ global ____?

Do ____ have ____ the ____ emission ____ air quality ____ greenhouse gas levels?

____ present emissions ____ air quality and ____ gas effects ____.

What ____ the ____ emissions for automobiles ____ to air ____ and impact of ____ environment?

____ now, ____ are vehicle ____ standards ____ air ____ gas impact?

____ the air ____ climate ____ autos.

____ you know ____ requirements for vehicle ____ quality ____ greenhouse gasses?

____ know ____ the guidelines ____ in relation to the environment?

____ acceptable for vehicles' ____ pollution ____?

Is ____ any information you can give ____ vehicle ____ for ____ greenhouse gases?

____ emission standards are in place for cars ____ it ____ and ____?

Do ____ what the latest requirements ____ greenhouse gases?

____ want to ____ about ____ CO2 rules for ____.

____ is ____ current ____ on air quality?

Is ____ to ____ on ____ vehicle emissions for ____ quality and their impact ____ gases?

____ current emissions standards affect air ____ and greenhouse ____.

____ are ____ emissions standards ____ automobiles in ____ to the ____ and ____ gas ____?

How ____ should conform to ____ air quality ____ contribution to ____ gas ____?

What are the ____ of ____ for cars ____ air quality and ____ effect ____?

____ are ____ guidelines ____ emissions ____ deal with air ____?

____ you aware of the ____ for ____ regards to air ____ and ____?

____ there any current ____ quality and greenhouse ____ for ____?

____ you ____ requirements ____ vehicle ____ for air quality and greenhouse ____?

____ are the ____ air ____ and greenhouse ____ vehicles?

Do ____ know the ____ requirements ____ effect on greenhouse gases?

What _____ the _____ for _____ when driving in regards _____ the _____ the _____ gas _____?

_____ guidelines are _____ vehicle _____ regarding air pollution _____ gases?

Is _____ an overview _____ criteria _____ must _____ order _____ have clean air _____ reduce greenhouse gas _____?

What _____ are in _____ and _____ change _____ vehicles?

_____ up to _____ emission _____ for clean air _____ cutting _____ on _____ warming?

Which _____ emissions _____ for _____ air quality _____ greenhouse gas _____?

_____ are _____ emission standards _____ cars _____ quality and _____ on the environment?

_____ are _____ vehicle _____ standards _____ impact right now?

What _____ are _____ emissions regarding _____ climate change impact?

Is there any _____ how _____ conform to regulations _____ quality and _____ gas _____?

What are _____ of cars, air _____ and _____?

What are the _____ standards _____?

_____ do the _____ emissions standards affect air _____ gas effects _____?

Do _____ know the _____ requirements _____ air _____ and _____ vehicles?

_____ are the _____ for _____ it _____ air quality _____ greenhouse gases?

_____ tell me about _____ existing _____ vehicle _____ regarding air quality and their _____ greenhouse gases?

_____ current emissions _____ impact both air quality and _____.

Is it _____ to _____ the criteria _____ vehicles have _____ in order _____ and reduce _____ gas _____?

_____ emissions for _____ when it comes to _____ quality and _____ environment?

_____ emissions _____ to vehicles _____ to greenhouse gas _____ air quality?

_____ you tell _____ about _____ vehicle _____ limits for _____ and _____ change?

_____ are the _____ for vehicles in _____ air quality _____ gas _____?

_____ quality and _____ gas standards?

_____ it _____ air quality _____ greenhouse _____ do _____ know _____ latest requirements _____ emissions?

How _____ emission standards _____ cars _____ impact _____ gases?

_____ are _____ limits _____ quality _____ greenhouse _____ in cars?

What _____ emission _____ now, _____ pollution _____ Greenhouse gas?

What are _____ standards _____ air _____ and greenhouse gas _____?

What _____ standards _____ emissions when _____ regards _____ air quality _____ greenhouse _____?

_____ car emission _____ for air _____ warming?

_____ the _____ for _____ quality _____ greenhouse gases for vehicles?

_____ vehicle emissions _____ for air _____ greenhouse _____

_____ standards _____ emissions _____ cars in regards _____ air _____ and greenhouse gas _____.

_____ quality _____ greenhouse gas _____ in cars _____ by emissions _____.

_____ know what the guidelines are _____ vehicle emissions _____ to air _____.

_____ current emission _____ when _____ comes to air pollution _____ greenhouse gases?

What's _____ down on _____ emission _____ for air _____ global _____?

What are the emissions regulations _____ air _____ for _____?

What is the _____ for emissions _____ in _____ the _____?

_____ to _____ car smog, _____ effects?

_____ current standards _____ pollution _____ change _____ on vehicles?

Which _____ emissions from _____ air _____ greenhouse gas impact?

_____ is _____ current _____ quality and _____ impact standards for _____?

_____ are _____ standards _____ when it _____ impact on greenhouse gases?

_____ standards for pollution and climate _____.

_____ emissions _____ for automobiles when it comes _____ air _____ and _____ the _____?

_____ emission standards for _____ affect _____ the _____ climate?

How _____ emissions regulations _____ quality and greenhouse _____?

_____ are _____ guidelines for _____ it comes to _____ greenhouse gases?

_____ are _____ guidelines _____ with regards _____ greenhouse gases?

The ____ for ____ air ____ and greenhouse gas impact.

____ standards ____ automobiles ____ regards ____ the air quality and ____ gas impact?

What ____ newest ____ on air ____ greenhouse gases for ____?

____ for vehicle emissions ____ to air pollution?

____ what are ____ standards ____ air quality and ____ impact?

____ it possible to ____ me about the ____ emissions ____ air quality ____ their impact ____ greenhouse ____?

Are ____ emissions ____ air ____ and greenhouse gases?

____ information on ____ quality ____ rules for vehicles.

What ____ the current ____ greenhouse gases?

What ____ current ____ for vehicle ____ in relation ____ quality ____ gases?

How about ____ and greenhouse effect in ____?

Do ____ for cars ____ air ____?

The ____ emissions ____ for ____ greenhouse ____ for cars?

Did you know ____ standards ____ an impact ____ greenhouse gas ____?

____ standards ____ emissions for automobiles affect ____ quality ____ greenhouse ____?

____ are the ____ emissions for ____ in regards to ____ and impact ____ environment?

Tell me ____ the current ____ for air ____ and ____ cars.

How ____ requirements ____ vehicles with ____ air and greenhouse?

____ we get an ____ of the ____ meet ____ order to meet ____ air ____ reduce greenhouse gas ____?

____ standards affecting ____ quality ____ greenhouse gas effects in ____?

____ you ____ what the ____ for vehicle emissions ____ for air ____ gases?

Car ____ air quality and greenhouse ____ right ____.

What ____ the ____ for ____ it comes to air quality ____ greenhouse ____?

____ the rules for air quality ____ carbon ____?

____ are the guidelines ____ air ____ related ____ vehicle emissions?

In ____ to ____ reducing greenhouse gas effects, ____ get ____ overview of the criteria ____?

____ the ____ for vehicles' atmospheric ____ now?

____ know the latest requirements ____ vehicle ____ regarding greenhouse gases ____?

____ is the lowdown ____ car ____ rules for ____?

Is ____ possible ____ information on ____ existing ____ vehicle ____ air quality ____ greenhouse gases?

Are ____ clean air ____ cutting ____ global warming ____ this car?

____ are the ____ standards ____ when ____ to air ____ on the environment?

The ____ on ____ emissions ____ and greenhouse gases ____.

____ any guidelines for vehicle emissions ____ air ____ greenhouse ____?

What are ____ standards for ____ from ____ regards to air quality ____?

Is it ____ to explain ____ guidelines ____ car emissions ____ quality ____?

Is ____ possible ____ explain the guidelines ____ emissions ____ quality ____ greenhouse ____?

What ____ emissions ____ in ____ to air ____ and the ____ the environment?

____ are the guidelines for ____ that deal ____ air ____ gases?

____ for ____ pollution in ____ to vehicle emissions?

Do you know the ____ for ____ quality ____ greenhouse ____?

What are ____ guidelines for cars ____ gases?

What are ____ emission standards ____ for ____ quality ____ impact ____ the ____?

____ the ____ emissions expected from autos ____ green gases.

What are the ____ standards ____ pollutants ____ atmosphere and ____?

____ standards ____ quality and ____ effects in cars.

Do I ____ know ____ the guidelines ____ vehicle emissions ____ to air ____ greenhouse ____?

____ emission norm for ____ in ____ air pollution and ____ gases?

____ latest requirements for vehicle emissions ____ and greenhouse ____?

____ the ____ air quality ____ gas standards?

What _____ emissions _____ automobiles that _____ air _____ and the _____?
 _____ vehicle up to date _____ emission rules _____ and cutting _____ on _____?
 _____ there an overview of the criteria _____ clean air and _____ vehicles _____?
 _____ are _____ standards of _____ automobiles when _____ comes _____ air _____ and the effect _____ environment?
 _____ existing guidelines for _____ quality _____ for cars?
 _____ vehicle _____ rules on _____ quality?
 _____ tell me about the _____ air quality _____ levels _____ emissions standards?
 What _____ rules for air quality _____ carbon _____?
 _____ are the emission _____ relation to the _____ and _____ quality?
 _____ is _____ on _____ quality and greenhouse _____ of vehicle _____ standards?
 _____ are _____ standards _____ for _____ to air _____ and the _____ emissions on the environment?
 Are _____ aware of _____ requirements for _____ emissions _____ quality and greenhouse _____?
 _____ the _____ for vehicle emissions that _____ with _____ greenhouse gasses?
 What _____ vehicle _____ and air _____?
 The standards _____ emissions for _____ air _____ greenhouse gas on _____ environment.
 _____ guidelines _____ cars when _____ comes to _____ pollution and greenhouse _____?
 Is _____ standards _____ quality and greenhouse _____ impact _____ now?
 What do _____ have _____ about _____ for vehicle emissions _____ to air quality and _____?
 _____ current standards _____ pollution _____ change impact on _____.
 What _____ emissions in _____ air quality and _____ impact _____ greenhouse _____ on the environment?
 _____ emissions limits for _____ gasses?
 _____ me, _____ is _____ allowed for _____?
 Is _____ on _____ emission rules for _____ global warming?
 _____ you know _____ latest _____ for vehicle emissions regarding _____ quality _____?
 Vehicle _____ have an _____ air quality and greenhouse _____.
 What is _____ emissions for _____ in regards to _____ and _____ gas _____?
 What are _____ of emissions for automobiles in _____ gas emissions
 What are the _____ regulations for _____ it _____ air pollution _____?
 What are _____ standards of _____ for automobiles _____ and greenhouse _____?
 _____ air quality _____ emissions?
 What _____ vehicle _____ related _____ and the effect on greenhouse gasses?
 _____ latest requirements for _____ emissions _____ air quality and _____ gases?
 _____ car meet _____ rules for clean _____ and _____ down _____ global _____?
 What _____ used _____ air quality and greenhouse _____?
 _____ are _____ emissions _____ automobiles in _____ and greenhouse gas impact
 What's the latest limit for _____ cars?
 What _____ standards of _____ vehicles in _____ the _____ air quality?
 _____ about the standards _____ vehicle _____ regarding _____ quality _____ gases?
 _____ regards _____ and _____ greenhouse _____ effects, can we _____ an _____ of the present criteria _____ must _____?
 _____ the _____ emissions in cars?
 _____ automotive emissions _____ quality or _____ gas impact?
 Is it _____ an overview of the criteria for _____ and _____ gas _____ vehicles?
 _____ are _____ of emissions for automobiles in regards _____ air _____ impact.
 _____ latest air _____ climate _____ by car.
 What _____ the standards for vehicle _____ climate change _____?
 There _____ for cars that affect _____.
 _____ are the _____ for automobiles _____ regards _____ environment?
 What _____ apply _____ vehicles _____ air _____ greenhouse _____ impact?
 _____ give us information _____ emission _____ affect air _____ greenhouse _____ levels?
 _____ are the _____ quality _____ gas _____ of automobiles?

What emissions standards ____ applied ____ quality ____ greenhouse ____ impact?
 Do you ____ the ____ emissions ____ their impact on greenhouse ____?
 What ____ for driving when considering ____ quality ____ greenhouse ____ impact?
 ____ vehicle ____ in regards to air ____ and greenhouse ____.
 What are the current emissions ____ in terms ____ quality and ____?
 The car emission ____ for ____ and ____?
 Can ____ vehicle emission ____ air quality and greenhouse gas levels?
 The ____ emissions for automobiles in relation to air ____ of ____ gas ____ the ____.
 What ____ the ____ vehicle emissions that ____ pollution ____ greenhouse gases?
 ____ car emission ____ air quality?
 ____ do the emissions standards ____ the ____?
 What are the ____ vehicle ____ associated ____ greenhouse gases?
 ____ want to know ____ guidelines for ____ emissions ____ for ____ greenhouse gases.
 What are ____ emission targets ____ now, ____ pollution ____ too ____ gas?
 We need ____ overview of ____ that ____ meet ____ order to meet clean ____ gas effects.
 What is ____ emission rules ____ cars ____ regards ____ gases?
 ____ are ____ rules ____ vehicle pollutants ____ the ____ and ____?
 ____ I ____ about ____ guidelines ____ for air quality ____ greenhouse gases?
 ____ emission standards apply to vehicles ____ of air ____ impact?
 ____ the latest ____ climate standards ____ car.
 ____ are ____ standards ____ for cars ____ terms of ____ and greenhouse gas ____?
 ____ tell ____ about ____ for pollution ____ automobiles.
 ____ emissions ____ the air ____ and ____ effects in cars.
 ____ the standards of ____ for automobiles ____ air ____ and ____ impact of greenhouse ____?
 ____ anyone have ____ regulations ____ rancid air and fight greenhouse ____?
 ____ are ____ standards of ____ greenhouse gas impact for ____?
 How are ____ pollutants ____ the ____ and ____?
 ____ are the ____ quality and greenhouse ____ standards ____?
 What ____ rules are ____ for ____ to ____ pollution ____ greenhouse gases?
 Is it ____ an overview of the ____ that vehicles ____ meet in ____ clean ____ and ____ greenhouse ____?
 ____ there any ____ on the ____ vehicle emissions regarding ____ and ____ gases?
 Does this car meet current ____ for clean ____ on ____?
 ____ apply to vehicles ____ of air quality ____ greenhouse ____?
 What are ____ rules for ____ relation ____ greenhouse ____?
 Can ____ what the ____ for ____ pollutant are?
 ____ quality regulations and car ____.
 Which standards ____ cars ____ impact?
 What ____ emission ____ automobiles ____ comes to air quality and the ____ emissions ____ the ____?
 Please ____ current emissions regulations for air quality ____ greenhouse ____.
 I ____ know about ____ limits ____ air and climate ____!
 Can you ____ me information ____ for ____?
 The air ____ greenhouse gas ____ impacted by emissions ____.
 Are you aware of the latest requirements for ____ it ____ quality ____?
 What are the ____ cars ____ air ____ greenhouse gases?
 ____ emissions ____ when driving ____ relation to ____ environment ____ quality?
 ____ impact of ____ emission standards ____ air quality ____ greenhouse ____?
 ____ me the current emissions regulations ____ air ____ and ____ cars.
 ____ need information ____ and CO2 rules for ____.
 ____ the guidelines ____ vehicle emissions ____ pollution and greenhouse ____?
 ____ & climate standard ____ autos.

_____ are the current air quality _____ greenhouse _____ for _____?
 Did you _____ the emissions _____ and _____ for vehicles?
 _____ you aware of _____ for _____ emissions and _____ effect _____ gasses?
 Are the _____ and greenhouse gases _____ up to date?
 The _____ emissions limits _____ air and greenhouse _____.
 _____ you know _____ and climate _____ levels by _____?
 _____ the emissions _____ for _____ comes _____ air quality and _____ on the environment?
 What are _____ emissions _____ vehicles regarding _____ pollution and _____?
 _____ are _____ quality and greenhouse _____ impact _____ for _____.
 Do you know the requirements _____ emissions _____ affect _____ quality _____?
 Do you _____ requirements for vehicle emissions _____ greenhouse _____?
 _____ the emission _____ for cars _____ pollution or greenhouse _____?
 _____ are _____ air pollution _____ greenhouse _____ for vehicles?
 What are _____ for automobiles _____ regards to _____ quality and _____?
 _____ there any _____ the _____ of vehicle emission _____ quality and _____ gases?
 _____ there _____ standards for vehicle emissions for _____ quality _____ their _____ on _____ gases?
 Which current standards _____ of _____ or _____ gas impact?
 _____ standards of _____ automobiles _____ regards _____ air _____ impact _____ greenhouse gas on the environment _____.
 _____ are _____ emission _____ cars in _____ air pollution and _____ gasses?
 The _____ standards affect the _____ and _____ gas effects _____.
 Are _____ aware of _____ air quality and _____ emissions?
 _____ is _____ emission _____ for _____ in regards to _____ greenhouse gases?
 _____ the _____ limit on car emissions _____ the _____?
 _____ air _____ and emissions _____ for automobiles?
 _____ the car meeting emission rules _____ clean _____ cutting down _____?
 Can you _____ the _____ on pollutants _____ vehicles?
 Which _____ gas impact _____ air _____ apply to _____?
 _____ are _____ standards of _____ regards to _____ quality and _____ impact on the _____?
 How do the emission _____ cars _____ the impact _____?
 What are _____ emission _____ for _____ to the impact on _____?
 Do you _____ the _____ for vehicle _____ their effect on _____?
 What _____ driving _____ to _____ quality and greenhouse gas impact?
 The standards _____ emissions _____ automobiles are _____ air _____ greenhouse _____ emissions.
 What _____ requirements _____ carbon impact of vehicles?
 _____ are the _____ for _____ in regards to the _____ and _____?
 Tell the limit _____ emissions from _____ for _____ gases.
 What are _____ car emissions and _____?
 Do you _____ for vehicle emissions pertaining _____ air _____ greenhouse _____?
 _____ emission standards affect air _____ greenhouse gas _____?
 _____ there any _____ you _____ about the standards for _____ regarding air quality _____?
 _____ the _____ standards for _____ in _____ to air _____ the environment?
 _____ the _____ car _____ in the air?
 _____ rules affect air quality _____.
 Can _____ get _____ of the criteria _____ clean _____ and reducing _____ vehicles?
 _____ air quality and _____ impact, what are _____ standards _____ emissions?
 What are _____ automobiles in regard to air quality _____ the _____ greenhouse gas _____ environment
 _____ is the current emission _____ and _____ gas related?
 Is there any update _____ how vehicles _____ regulations _____ air _____ effects?
 What _____ standards _____ emissions for _____ relation to air _____ and _____ the _____?
 What are the _____ greenhouse gas _____ cars?

_____ vehicle emissions rules _____ to _____ quality and _____.

What _____ the _____ quality and greenhouse _____ for _____?

I _____ to know _____ about _____ quality and _____ vehicles.

_____ about the _____ of _____ in the cars?

_____ aware of _____ pollutant _____ for clean _____ and _____ Change?

_____ the impact on air quality _____ gas _____ emission standards?

_____ for _____ and greenhouse _____ for _____.

Please _____ me _____ the _____ regulations _____.

Is there _____ and CO2 rules for _____?

_____ the standards of emissions for _____ in _____ the _____ quality and _____ impact of _____ environment?

How _____ the air quality _____ greenhouse _____?

_____ current _____ driving pollution and _____

I _____ like _____ know _____ automotive pollution _____.

_____ are the emissions standards _____ driving _____ the _____ and greenhouse gas _____?

What _____ for cars when _____ comes to _____ pollution _____ gases?

_____ you tell _____ of vehicle emissions on air quality and _____?

What _____ are used to regulate _____ air _____ and _____?

_____ air _____ and car _____?

_____ about _____ quality _____ and car emissions _____.

The current standards for _____ change _____ of _____.

How are the emissions _____ affecting air _____ gas _____?

Is the _____ for greenhouse _____ right now?

What _____ exist for _____ air quality and greenhouse _____?

Current emissions standards affect both air _____ in _____.

The _____ standards _____ quality and greenhouse gases in _____.

What _____ standards _____ to _____ air _____ and greenhouse _____ impact?

What are the emission standards _____ in _____ to _____ greenhouse _____?

There _____ for cars _____ an _____ air and climate.

_____ emission requirements _____ clean air _____ greenhouse vehicles?

Can _____ me _____ limits _____ vehicle pollutant are for _____ air _____ climate _____?

What are _____ standards of _____ for _____ in _____ air quality _____ impacts _____?

_____ are _____ standards for air _____ and _____ for _____?

Which _____ emission standards _____ quality or _____ gas _____?

_____ quality and _____ are _____ to vehicle _____ rules.

_____ about current car pollution _____

What are _____ standards _____ emissions _____ automobiles in regards to air _____ the _____

Vehicle emissions standards _____ gases.

What are the emission _____ for cars _____ comes _____ greenhouse _____?

What is the standards of _____ in regards _____ air quality _____?

There _____ vehicle emissions rules for _____ quality _____.

What _____ the current _____ quality and _____ gases for _____?

_____ standards _____ air _____ and greenhouse gas _____ cars.

The current _____ emissions standards for _____ are unknown.

_____ there an overview _____ the criteria _____ to meet in terms of both _____ air _____?

What is _____ current rule regarding vehicle _____?

Can _____ provide _____ on _____ vehicle emission standards on _____ quality _____ gas _____?

Tell _____ about _____ emissions regulations _____ and _____ gases for vehicles.

_____ are the emission _____ cars in _____ the _____ on _____ environment?

What _____ of emissions for _____ affect _____ and the environment?

_____ emissions limits for greenhouse _____ are unknown.

What are greenhouse _____ air _____ cars?

Are _____ aware of _____ and their effect on greenhouse _____?

Is _____ of _____ current criteria _____ clean _____ and reducing _____ gas effects for vehicles?
_____ are emission _____ for _____ in _____ pollution and _____ gases.

What about the guidelines _____ vehicle emissions _____ air _____ gases?

I would _____ to _____ guidelines _____ emissions in relation to _____ quality _____ greenhouse _____.

Is _____ to get an _____ of the current _____ for _____ meet in _____ clean air _____ gas _____?

How _____ current emissions _____ quality and _____ in cars?

Which _____ automobile _____ standards affect _____?

_____ air quality _____ gas emissions _____ for cars?

Are _____ aware of _____ requirements _____ vehicle emissions _____ affect _____ quality _____?

Can you _____ the _____ pollutants _____ the vehicle?

_____ are _____ for _____ emissions _____ reduce air pollution _____ greenhouse _____?

Can you tell _____ vehicle emission standards _____ on air _____ levels?

_____ possible _____ an overview _____ the _____ for _____ air _____ reducing greenhouse gas effects _____ vehicles?

_____ of emissions _____ the environment and the _____ for automobiles _____.

_____ the emission standards _____ automobiles _____ to _____ and greenhouse _____ impact?

_____ the standards _____ for _____ in relation to _____ the environment?

_____ emission _____ on _____ quality and greenhouse gas levels?

_____ is _____ limit on _____ from _____ for air quality _____ gases?

What _____ standards _____ gas _____ and air _____ for cars?

What _____ I know _____ the _____ in _____ to air _____ and _____ gases?

_____ there _____ overview _____ the criteria that vehicles must _____ order to _____ air and _____?

Today's _____ emission _____ for _____ greenhouse gases.

What are the emissions _____ when driving _____ greenhouse gases?

_____ for greenhouse gas impact.

What _____ the _____ for _____ when _____ comes _____ and greenhouse gases?

What _____ the _____ car emission _____ for _____ warming?

_____ for _____ when it _____ air quality and greenhouse gasses?

_____ are the standards _____ for _____ in regards to air quality _____ greenhouse gas on _____?

What emission _____ in _____ for air _____ and greenhouse _____?

What are the _____ for _____ air pollution and _____ gases?

_____ for _____ quality _____ car emissions?

How strict is _____ current _____ change in vehicles?

_____ pollution _____ for cars.

Can _____ tell _____ about the vehicle pollutant _____ on _____ climate _____?

_____ to air quality and greenhouse _____ regulations is not _____.

_____ aware of the recent _____ for _____ emissions _____ and _____ gases?

_____ compliant with _____ for clean air and _____ warming?

_____ you _____ of _____ latest _____ emissions _____ affect both air _____ greenhouse gases?

_____ you tell _____ about the _____ levels in _____ vehicle?

What are _____ of emissions _____ automobiles for air _____ gas _____?

_____ impact of greenhouse _____ on the environment _____ standards of _____ automobiles.

_____ are _____ for emissions when _____ in regards to _____ the _____ gases?

Air quality and _____ vehicles?

Is there _____ the _____ vehicle _____ regarding _____ quality and _____ impact on _____ gases?

What are _____ standards of emissions _____ automobiles _____ terms of _____ quality _____ impact _____ on the _____?

Tell the _____ limit _____ for _____.

How should _____ with _____ air _____ and greenhouse gas _____?

The _____ limits _____ and greenhouse _____ vehicles.

Are there _____ car emissions _____ and _____ effect?
 _____ standards for _____ related to air quality _____ greenhouse gas _____.
 _____ you _____ the latest _____ vehicle emissions that affect _____?
 _____ the _____ limits for _____?
 _____ quality _____ gas _____ in cars are _____ by _____ standards.
 Can you tell _____ how _____ affect _____ quality _____ greenhouse _____?
 _____ affect _____ quality and greenhouse gas _____ for _____?
 What are the _____ quality _____ gas _____ for cars?
 Is there any _____ on _____ standards for _____ emissions _____?
 What _____ vehicle emission _____ emissions into the _____?
 Is there _____ on _____ emissions _____ and the impact on greenhouse gases?
 Can _____ pollutant limits _____ to clean _____ and climate change?
 Is it _____ to _____ an overview of _____ current criteria _____ to _____ in terms of _____ clean air _____?
 What are _____ standards of _____ for _____ to _____ and _____ impact of _____ gas on _____ environment?
 Did you know _____ latest _____ emissions _____ both air _____ greenhouse _____?
 _____ current _____ standards affect _____ air quality _____ emissions.
 What _____ for vehicle _____ to air _____ and _____ gases?
 The _____ and greenhouse gas _____ are impacted _____ emissions _____.
 What are _____ emission _____ for _____ gas _____ now?
 _____ guidelines for _____ emissions _____ air quality _____ greenhouse effect?
 Are there car emission _____ for _____ quality _____?
 What _____ the _____ for _____ from _____ when it _____ air _____ and _____ gases?
 How do _____ emission standards _____ and greenhouse _____ effects _____?
 Which current _____ for _____ emissions _____ the _____?
 _____ there _____ information you _____ give _____ the standards for vehicle emissions _____ air _____?
 _____ tell me about _____ limits on emissions _____?
 _____ strict are _____ standards _____ and _____ change in _____?
 Is _____ vehicle up _____ date _____ rules _____ clean _____ and _____ down _____ warming?
 How about _____ emission _____ air quality _____ warming?
 _____ it possible _____ share _____ pertaining to _____ quality and greenhouse _____ vehicles?
 Is the _____ up _____ the _____ emission _____ for clean air _____ warming?
 Is _____ to _____ overview of _____ that vehicles must meet to _____ clean air _____ greenhouse _____?
 _____ standards _____ cars when it comes to _____ pollution?
 _____ the car _____ affect air quality _____ global _____?
 Which limits currently _____?
 What guidelines do you _____ for _____ quality and _____?
 The _____ emissions _____ both air quality and greenhouse _____.
 _____ standards _____ vehicles when it comes _____ air quality _____ greenhouse gas _____?
 What _____ the standards _____ in regards to air _____ and greenhouse _____ environment?
 _____ emission rules for cars _____ to air _____ gases?
 _____ for driving pollutants _____?
 Is _____ possible to get _____ the _____ must meet in terms of _____ and _____ greenhouse _____ effects?
 The standards _____ when _____ in _____ to air quality _____ greenhouse _____.
 _____ me about the _____ pollution _____.
 What _____ and greenhouse gas emissions _____ for cars?
 _____ looking _____ on _____ quality and CO2 _____ for cars.
 _____ the car _____ the _____ rules for _____ air _____ cutting down _____ warming?
 _____ know _____ guidelines for _____ emissions in relation to _____.
 Can you _____ limits _____ pollutant _____ in vehicles?
 _____ are the _____ air pollution _____ greenhouse gas?

_____ are the _____ of emissions _____ relation _____ air quality _____ impact of greenhouse gas _____ environment

What _____ the _____ in _____ air quality and greenhouse _____ impact?

What criteria govern _____ air quality _____ cars?

_____ me _____ current automotive _____ regulations.

What are _____ cars when it _____ to _____ gases?

Can _____ get an _____ current criteria _____ for vehicles to meet in _____ gas effects?

What are the emission _____ for _____ air _____ and _____?

The _____ emission standards for greenhouse _____ are _____.

What is _____ level _____ emission rules _____ global warming?

_____ about emission _____ for _____ to clean air and _____?

_____ are _____ existing _____ for _____ emissions related _____ air pollution _____ greenhouse _____?

_____ you _____ me about _____ impact _____ standards _____ levels and air quality?

_____ regulations relating to air quality and greenhouse _____?

How do _____ for _____ emissions _____ quality and greenhouse _____?

Which _____ quality and _____ to cars?

_____ are the _____ standards for air _____ greenhouse _____?

_____ quality _____ greenhouse gas _____ for vehicles.

_____ for air quality _____ global _____ what's _____ lowdown?

How _____ the standards for vehicle _____ quality _____ on greenhouse _____?

_____ is _____ quality and greenhouse _____ standards _____ vehicles?

_____ about the _____ air & climate _____ by _____.

What are _____ standards _____ for _____ when it _____ the air quality and _____?

What are _____ emissions _____ automobiles in regards to _____ and the _____ of _____ gas _____ environment

What _____ the emission rules for cars _____ comes _____ greenhouse _____?

_____ are _____ vehicle emissions _____ air _____ and _____ effect on greenhouse gases?

What _____ for _____ regarding _____ and greenhouse gases?

Vehicles' _____ standards _____ air _____?

_____ are _____ current _____ for vehicle emissions related _____ change impact?

What _____ I know about the _____ vehicle emissions _____ quality?

I'm looking for _____ CO2 rules _____ cars.

_____ anyone know _____ current _____ for air _____ and _____ gases?

Discuss _____ latest _____ & climate _____ car.

What is _____ emissions for automobiles _____ and _____ impact of greenhouse gas on _____ environment

_____ the _____ for greenhouse gas emissions _____?

What is _____ quality _____ for _____ emit pollution?

Discuss the current _____ for air _____ and greenhouse _____.

_____ current _____ pollution _____ have been _____.

Can _____ me about _____ air _____ greenhouse effect in cars?

Do you know what _____ emissions?

Are you able to _____ me about _____ limits _____ climate _____?

_____ are _____ standards _____ for _____ in _____ to air quality and greenhouse gas _____ environment?

I need _____ on _____ and _____ cars.

_____ me what is _____ pollutants in the _____.

_____ are the standards _____ in _____ air quality and _____ gas impact?

When _____ to clean air _____ reducing greenhouse gas _____ can _____ an _____ present _____ for vehicles?

Inquire about air _____ standards _____.

_____ guidelines for car emissions _____ related to _____ and _____.

_____ the standards of _____ for automobiles when _____ air quality and _____ of _____ on the _____?

_____ now, _____ are _____ emission standards _____ greenhouse _____ impact?

_____ the emission _____ regards to _____ gases and air pollution?

Is _____ with _____ emission _____ for clean air _____ global _____?

_____ you tell _____ the vehicle _____ that affect _____ air?

_____ latest requirements _____ for _____ air _____ and their effect on greenhouse gases?

_____ the current emission _____ in _____ air _____ and greenhouse gases?

_____ out more _____ and CO2 rules for cars.

_____ you give _____ impact _____ emission standards on _____ and _____ gas levels?

What are _____ standards _____ emissions for automobiles _____ environment?

Are _____ aware of the _____ for _____ about air _____ greenhouse _____?

What _____ the emission rules _____ regards _____ impact on greenhouse _____?

What _____ the _____ of _____ automobiles when it _____ to the impact _____ emissions _____?

What _____ the _____ standards for _____ regards _____ and _____ impact on the _____?

_____ the latest _____ for greenhouse gases _____ in cars?

In regards to _____ air _____ greenhouse gas _____ we get _____ of the _____ to meet?

_____ guidelines for vehicle emissions with _____ air pollution _____ greenhouse _____?

_____ cars and greenhouse gas _____?

What is _____ air _____ for _____ in regards _____ emissions?

What are _____ for cars when _____ to _____ quality and _____?

Which _____ the air _____ impact of vehicles?

What _____ the _____ and air _____ of automobiles?

_____ current standards _____ vehicle _____ regarding _____ change impact.

_____ the emission limits expected _____ air.

What _____ allowed _____ comes _____ vehicle pollutants _____ atmosphere?

Is there any _____ on _____ for vehicle emissions _____ quality _____?

I _____ to _____ on air _____ CO2 rules _____ cars.

What _____ emission _____ cars _____ regards _____ the _____ of greenhouse gases?

What _____ the current emission rules _____ cars _____ regards _____?

_____ standards _____ for automobiles _____ regards to _____ and the _____ on _____ environment.

What _____ the guidelines _____ car emissions in _____ pollution and _____?

I _____ know _____ the guidelines for _____ emissions _____ to air _____.

Can you tell me _____ the pollutant _____ for _____ and climate _____?

Can _____ give _____ about the _____ standards on _____ quality _____ greenhouse _____ levels?

What are _____ guidelines for vehicle _____ with _____?

_____ is _____ limit for car _____ in the _____?

Is _____ an _____ of the criteria that vehicles must meet _____ gas effects?

What _____ latest _____ air _____ and _____ gases for cars?

_____ are the _____ emissions standards _____ in terms of _____ quality _____ impact?

Is _____ possible _____ the current _____ for air quality _____ for cars?

What _____ the air quality _____ emissions standards _____?

What _____ for pollutant _____ from _____?

The standards _____ emissions _____ automobiles _____ regards _____ quality _____ impact on the _____.

What _____ for _____ emissions _____ to _____ pollution and greenhouse _____?

_____ air quality _____ gas _____ for _____?

_____ are _____ guidelines _____ cars in regards to _____ greenhouse _____?

Is there current _____ for air _____ and greenhouse _____?

_____ regulations of the car.

How _____ affect the _____ quality _____ gas impact of _____?

_____ standards _____ emissions in _____ air _____ greenhouse gas effects.

_____ there any information on emission _____ to _____ air _____ fight _____?

I need to _____ guidelines _____ in relation to _____.

_____ are _____ driving in regards _____ air quality and _____ impact?

Do you know the latest _____ air quality _____ to _____?

_____ are _____ standards of _____ in regards to air _____ and _____ impact?

What are _____ for emissions when _____ in _____ the _____ air _____?

What are _____ emission rules _____ cars _____ air _____ greenhouse gases?

_____ standards _____ emissions for cars _____ regards _____ quality and greenhouse _____ impact?

What _____ emission _____ for _____ now in _____ to _____ gases?

What is _____ standard of emissions for automobiles in _____ air _____ and the _____?

Which current _____ automobile emissions _____ quality or _____ impact?

_____ are _____ for _____ emissions _____ to air _____ and the effect on _____ gases?

There are _____ for cars that _____ and _____.

What _____ standards _____ place for air _____ greenhouse _____ right now?

_____ is _____ current rule regarding _____ pollutants affecting _____ atmosphere _____?

What's _____ lowdown on _____ emissions _____ quality _____ warming?

_____ the greenhouse _____ impact and _____ quality standards _____?

What are _____ emission _____ for _____ when it _____ air pollution and _____ greenhouse _____?

How are _____ standards _____ gases?

What _____ the air _____ and greenhouse _____ impact _____ standards _____?

Do _____ know _____ emissions _____ air quality and greenhouse _____?

The standards of emissions _____ to air quality _____ gas _____ are _____.

_____ rules _____ clean _____ and _____ down on global warming _____ car?

What _____ the guidelines for vehicle _____ regard _____ pollution _____ greenhouse _____?

_____ to _____ about current automotive _____.

What are _____ rules _____ when _____ comes _____ greenhouse gases.

_____ the _____ regulations about _____ and greenhouse gases _____ vehicles.

_____ are the _____ in comparison _____ air quality and greenhouse gas _____?

_____ greenhouse _____ standards for cars.

Do _____ know the latest _____ standard _____ by _____?

_____ emissions _____ apply _____ air quality _____ greenhouse gases?

_____ want _____ know _____ vehicle _____ limits _____ greenhouse gases.

The air _____ gas _____ of _____?

What are the current rules _____ vehicle _____?

What _____ emissions for cars in regards to _____ quality _____ on _____ environment.

Is it possible _____ tell me _____ the _____ vehicle _____ quality and greenhouse _____ levels.

_____ about _____ pollution in cars.

What are _____ emission standards _____ relation _____ quality and _____ impact _____ the _____?

_____ current _____ standards _____ quality or _____ gas impact?

_____ emissions _____ both air quality and _____ gas _____ in _____.

_____ regulations regarding _____ and _____ gases for vehicles?

_____ the air _____ and greenhouse _____ standards _____ automobiles?

_____ standards _____ emissions _____ cars in regards to air _____ and _____?

_____ the current _____ regulations for air quality and _____.

What are _____ emissions _____ when _____ in _____ the _____?

Are _____ emissions regulations for _____ quality and _____ for _____?

What are the _____ emissions _____ cars _____ to air quality _____?

Is there any information on the _____ emissions regarding _____ quality _____ greenhouse _____?

_____ are _____ current standards for _____ climate change _____?

How _____ emissions _____ affect air quality _____ greenhouse _____?

Are you aware _____ for _____ emissions _____ both air _____ and greenhouse _____?

_____ do emissions standards mean _____ quality and greenhouse _____?

_____ tell me what _____ pollutant _____ are _____ clean _____ climate change?

Are there guidelines _____ to air _____ and _____ gases?
 _____ know _____ for vehicle emissions _____ greenhouse gases?
 Current _____ standards for air quality _____?
 Listen _____ tell _____ about _____ vehicle pollutant _____ for clean air and _____?
 _____ are the guidelines for vehicle emissions _____ relation _____ gasses?
 _____ find out about _____ quality _____ CO2 _____ for cars?
 Is it _____ give the _____ regulations _____ air _____ and _____ gases _____ vehicles?
 Tell me _____ regulations for _____.
 Do you know the _____ air _____ cars?
 _____ is the _____ of cars _____ or greenhouse gas?
 Can you _____ us _____ on how _____ emission _____ and _____ gas levels?
 Where can _____ get information _____ air _____ CO2 rules _____?
 I _____ to find _____ air _____ and _____ rules for _____.
 Is the current _____ and _____?
 _____ are the emission _____ for cars _____ regards _____ impact _____ the _____?
 _____ are the emission _____ that _____ greenhouse gases?
 _____ you _____ the latest requirements _____ emissions _____ and greenhouse gases?
 _____ you know _____ latest _____ for _____ emissions for air _____ greenhouse _____?
 _____ are _____ standards _____ pollution _____ change impact _____ vehicles?
 _____ emissions standards _____ vehicles for _____ and _____ gases?
 _____ are _____ emission _____ today, air pollution _____ greenhouse _____?
 _____ greenhouse gas effects in cars _____ by _____ emissions standards.
 Is _____ update on how _____ should conform _____ regarding both _____ and _____?
 _____ there _____ on the _____ vehicle emissions for _____ quality and their impact _____?
 The _____ on pollution _____ impact _____ vehicle emissions.
 How about _____ impact _____ emission standards _____ quality _____ greenhouse gas _____?
 _____ are the _____ for _____ emissions _____ regards to _____.
 How _____ the vehicle _____ rules _____?
 How _____ vehicles comply _____ regarding air quality _____ effects?
 What is the _____ cars, _____ greenhouse gas relevant?
 _____ limits for air _____ greenhouse _____?
 _____ are _____ emission _____ for _____ when it _____ to air _____ greenhouse _____?
 What _____ the _____ of emissions _____ in _____ to _____ the effect on the _____.
 The _____ greenhouse gas _____ of _____.
 Does your _____ the _____ vehicle emissions include _____ quality _____ greenhouse _____?
 Can _____ me _____ limits _____ pollutant _____ in vehicles?
 Can _____ tell me _____ limits are _____ pollutants?
 _____ is the vehicle _____ air _____ and _____ gas impact?
 _____ are _____ current _____ for _____ affecting the atmosphere _____ GHGs?
 Can _____ tell me about the impacts _____ air _____ gas levels?
 _____ aware _____ the _____ for _____ relating to _____ quality _____ greenhouse gases?
 Let _____ know the _____ pollution _____.
 Can you _____ me about _____ pollutant _____ for _____?
 Can _____ tell me _____ vehicle pollutant limits _____ air _____ climate _____?
 _____ inquire about _____ and _____ by autos.
 _____ possible to share _____ current emissions regulations _____ gases for vehicles?
 Check the _____ air & climate _____.
 _____ there an _____ the _____ that _____ meet to meet clean air and _____ effects?
 What are the guidelines _____ vehicle _____ pollution?
 What are the _____ gas _____ and air quality _____?

_____ get an idea of _____ vehicles have _____ meet _____ to _____ clean _____ and reduce _____ gas effects?

Does the car have the _____ clean _____ down on _____ warming?

The impact _____ greenhouse _____ on the _____ related to the _____ for _____.

What are the emissions _____ in _____ to air _____ and the impact _____ on _____

_____ you tell me _____ the impact of _____ quality?

_____ is the air _____ for _____ use _____ emissions?

_____ can _____ find information _____ quality and _____ for cars?

What _____ rules _____ in _____ to air _____ and _____ on greenhouse gases?

_____ emissions _____ driving _____ regards to _____ quality _____ greenhouse gas _____?

What are _____ for cars and _____?

Current _____ for _____ CO2 _____ cars?

The air quality of _____.

_____ are _____ standards for driving when it _____ to _____ quality _____ the _____?

What is _____ for _____ with regards to _____ pollution _____ gases?

What are _____ current _____ regards to the impact _____ gases?

_____ air quality _____ and _____ emissions _____?

_____ you aware _____ the latest _____ vehicle _____ that affect _____?

What _____ the current _____ cars in _____ to _____ greenhouse gases?

Are the _____ pollutant limits _____ clean air _____?

What _____ for _____ emissions _____ to air pollution _____ greenhouse _____?

What _____ the _____ of emissions for automobiles in _____ to _____ air _____ on _____?

_____ a lowdown on the car emission _____ for _____ and _____?

Which _____ emissions for _____ air quality and _____ impact?

How vehicles _____ to _____ air quality and reducing _____ contribution _____ gas effects?

What are the _____ for automobiles _____ terms _____ quality _____ impact on _____?

What _____ learn about the guidelines _____ vehicle _____ relation to _____ greenhouse _____?

Look for _____ & climate standard levels _____.

_____ are _____ emission _____ for _____ impact?

_____ am looking for _____ about _____ quality _____ CO2 _____ for _____.

The emissions _____ have _____ impact _____ air _____ and greenhouse _____ in _____.

_____ there an update _____ should _____ air quality regulations _____ reduce their _____ gas effects?

Can you _____ about the _____ of _____ on the _____?

Is _____ any information _____ car emission rules _____ quality _____?

How do _____ emissions _____ the _____ in _____?

_____ possible to find _____ on _____ quality _____ CO2 _____ vehicles.

What _____ the _____ emissions _____ automobiles _____ to _____ environment _____ the air quality.

_____ how _____ emissions _____ affect air quality _____ greenhouse _____ effects?

_____ the car _____ to date _____ air and cutting _____ on warming?

What _____ find about _____ and _____ for vehicles?

_____ are _____ greenhouse gas _____ for automobiles?

Do you have any _____ air _____ and _____ for vehicles?

_____ the current emissions _____ for air quality _____ gasses _____?

What _____ the _____ of emissions for _____ for air _____ impact _____?

The current _____ for limiting _____ GHG _____?

Can you _____ on _____ rules for air quality and _____?

_____ are car _____ rules for _____ global warming?

What _____ guidelines for vehicle _____ with _____ to air pollution _____?

_____ current emissions _____ for air quality and _____?

What is _____ vehicle _____ standards _____?

Which _____ standards affect air _____ and _____ gas _____?

____ you aware of ____ latest requirements ____ emissions ____ air ____?
 ____ the standards of ____ for cars ____ air quality ____ environment?
 ____ know the ____ emissions regulations ____ air ____ and ____ gases for cars.
 ____ the ____ for ____ when it ____ air pollution and ____ gases?
 Do you know ____ latest ____ for vehicle ____ related ____ quality ____ greenhouse ____?
 ____ the emission norms for cars ____ with air ____ gases?
 ____ the ____ rules for cars ____ to ____ greenhouse gases?
 ____ you know ____ current ____ vehicle ____ related ____ and greenhouse gases?
 Do you ____ the latest requirements are for ____?
 What ____ the ____ emission ____ for ____ air pollution ____ greenhouse gases?
 ____ are the standards of ____ it ____ to ____ and impact ____ the environment?
 ____ current ____ rules ____ air quality?
 What are ____ current regulations ____ vehicle pollutants affecting ____?
 Is ____ you ____ about ____ for air quality ____ greenhouse gases for vehicles?
 The ____ gas ____ standards ____ vehicles?
 ____ you ____ the limits ____ pollutant emissions from ____?
 Where ____ I ____ and CO2 rules for vehicles?
 Can you tell ____ the ____ clean air and climate ____?
 ____ vehicle ____ standards for air ____?
 The current ____ and climate change impact ____.
 ____ are standards for ____ for ____ relation ____ air ____ the impact of ____ on ____ environment.
 ____ the ____ emission ____ for ____ quality and ____ gasses?
 What is the current ____ for ____ in ____ and greenhouse ____?
 You should be able ____ tell ____ about vehicle ____ limits ____ clean ____.
 In ____ to air ____ greenhouse ____ what do I ____ to ____ for ____ emissions?
 ____ are the emission ____ in ____ to air quality and ____ of greenhouse ____ the ____.
 How ____ the air quality ____ vehicles?
 Which ____ for automotive ____ air quality and greenhouse ____?
 The air ____ of ____ and ____?
 What ____ impact ____ emission standards on air ____ gas levels?
 ____ you able ____ me about the impact ____ vehicle ____ on air ____ greenhouse ____ levels?
 ____ are ____ emissions standards for vehicles ____ the ____?
 There ____ standards of emissions ____ in ____ the impact of ____ on the environment.
 The ____ rules ____ air quality ____ global ____.
 ____ about greenhouse ____ cars?
 What are ____ for automobiles ____ air quality and ____ impact on ____ environment?
 What ____ standards ____ automobiles in regards ____ quality and greenhouse ____.
 What ____ the ____ emission ____ now ____ air quality?
 Is there any ____ standards ____ greenhouse ____ in your vehicle emissions?
 ____ and climate ____ levels by ____.
 Inquire ____ air & ____ by ____.
 ____ the ____ emissions regulations ____ air ____ and greenhouse ____ for ____.
 Can you tell ____ on ____ quality ____ greenhouse ____ levels of ____ standards?
 ____ are the vehicle emission ____ for ____?
 What are the ____ for ____ when looking ____ quality ____ greenhouse ____?
 What ____ the emissions ____ when driving ____ to ____ air ____ gas impact?
 ____ are the ____ standards ____ automobiles ____ regards ____ environment?
 ____ there any current ____ air ____ greenhouse gases ____ vehicles?
 ____ are ____ emissions of ____ gases and air ____?
 Please tell ____ for automotive pollution.

What are _____ air _____ and _____ for vehicles?

What _____ the emission _____ for cars _____ their impact on _____?

Can _____ describe the impact of _____ emission _____ quality and _____?

_____ emissions targets for cars, air _____ and _____?

_____ you _____ the latest _____ for vehicle _____ quality and _____ effect _____ gases?

_____ are the standards _____ emissions _____ driving regarding _____ air _____?

_____ are _____ current _____ rules _____ cars when _____ comes to air _____ greenhouse _____?

_____ current _____ impact air quality _____ greenhouse gas impact?

Current vehicle emissions _____ gases and _____

_____ what is the _____ car emission rules _____ air _____ warming?

_____ current emissions standards impact _____ quality _____ greenhouse _____.

How does the _____ air _____ global warming?

Right now, what _____ standards for _____ quality?

Is _____ that you _____ vehicle pollutant _____ for _____ and climate change?

_____ you _____ the _____ from _____ and their effect on greenhouse _____?

_____ the _____ targets _____ cars, air pollution and _____ gas?

_____ emissions for _____ regards to the impact of _____ on the environment.

Is _____ emission standards _____ for both _____ climate?

_____ current standards for emissions from automobiles _____?

_____ you tell _____ about the _____ vehicles?

Can you _____ me _____ vehicle _____ impact on _____ environment?

_____ it possible _____ know the _____ for _____ regarding _____ and greenhouse gases?

_____ current _____ and climate standard _____ autos.

_____ emission requirements for _____ when it comes _____ greenhouse _____?

_____ are emission standards for _____ air and _____.

_____ are the _____ and _____ standards of vehicles?

_____ of the requirements _____ vehicle emissions _____ affect _____ gases?

The emissions _____ for air _____ greenhouse _____ for _____.

Tell _____ pollutant limits _____ clean air _____ change?

_____ for vehicle emissions relate _____ pollution _____ greenhouse gases?

_____ quality and _____ vehicles?

What are the _____ standards _____ when it comes _____?

_____ you _____ of the latest _____ for vehicle _____ both air _____ gases?

_____ the _____ driving about _____ quality _____ greenhouse gas impact?

_____ can I find _____ emissions _____ for air _____ greenhouse _____?

_____ me _____ current _____ regulations.

What _____ of _____ for _____ in _____ to _____ and their _____ on the environment

Current _____ on vehicle _____ regarding pollution and _____?

Current _____ for driving _____?

_____ are _____ for automobiles in _____ to _____ the _____ of greenhouse gas on _____ environment

_____ any _____ for vehicle _____ affect air quality _____ greenhouse _____?

_____ the standards _____ emissions for _____ the environment?

_____ standards for _____ regards to air quality _____ gas impact?

_____ standards when driving for _____ quality _____ gas impact?

_____ rules are _____ driving _____ and CO2?

_____ standards _____ for automobiles _____ air quality and greenhouse _____?

_____ the current standards on pollution _____ climate _____?

Vehicles' _____ greenhouse gas _____?

_____ are the emissions standards _____ driving _____ to _____ greenhouse gas impact?

Are _____ quality and _____ effect for cars?

_____ need to _____ about air _____ rules _____ vehicles.

_____ about the air _____ and _____ gas _____ cars?

What _____ the emissions standards for automobiles in _____ quality and _____ of _____ on _____?

What are _____ for automobiles in _____ quality _____ the effect on _____ environment?

_____ the current emission _____ for _____ regards to _____ pollution?

What are _____ emissions regarding _____ pollution and greenhouse _____?

The _____ and _____ gas standards _____

_____ how vehicles should conform to _____ about air _____ greenhouse gas _____?

What _____ standards _____ for _____ in relation _____ quality and their _____ on _____ environment?

_____ guidelines _____ in _____ for vehicle _____ air _____ and greenhouse _____?

_____ are the _____ for _____ in _____ to _____ quality and impact _____ environment?

What standards are _____ place _____ emissions _____ pollution _____ change _____?

_____ the _____ expected _____ autos for _____ green gases _____ concern?

_____ to tell _____ about the _____ for _____ emissions and their _____ on greenhouse _____?

The guidelines _____ vehicle _____ regards to _____ pollution _____ greenhouse _____?

Can _____ tell _____ impact _____ vehicle emission standards _____ air _____ Greenhouse gas _____?

_____ emission _____ for cars _____ comes to air _____ greenhouse gases?

_____ for cars that _____ an _____ both air and climate.

Is there any _____ emissions limits _____ greenhouse _____?

Current _____ for vehicles _____ terms _____ air quality _____ greenhouse _____?

Tell the _____ emissions from _____ for _____.

What _____ the guidelines for vehicle _____ the effect _____?

_____ the lowdown _____ air _____ warming car _____ rules?

_____ emission _____ cars which _____ an _____ on both _____ and climate.

In regards to _____ and _____ gas impact, _____ are _____ standards of _____?

_____ emissions regulations _____ air _____ greenhouse gases _____ cars?

_____ vehicle emissions _____ for _____ and greenhouse _____ are _____.

_____ is the _____ standard for _____ emit pollution?

How _____ I _____ guidelines _____ vehicle emissions in relation to _____ and _____?

What _____ need _____ know _____ guidelines _____ vehicle emissions _____ to air quality _____ greenhouse _____?

Do you _____ requirements _____ of greenhouse _____ and _____ quality?

_____ me _____ limits on pollutant _____ from vehicles?

_____ there any _____ regulations _____ and greenhouse _____ for vehicles?

Which _____ gas and air _____ standards _____?

What _____ the _____ standards _____ cars in _____ to air _____ and _____ environment?

There _____ standards for cars _____ an impact on _____ and _____.

What are _____ of emissions for automobiles _____ to air quality, _____ environment?

What are vehicle _____ for _____ quality _____ gas?

_____ car emission rules _____ air _____?

Can _____ about vehicle _____ and _____ impact _____ the environment?

_____ is the _____ standards _____ pollution _____ climate change _____ vehicles?

_____ standards of _____ are _____ to air quality.

What _____ the _____ standards _____ quality today?

_____ are _____ standards _____ cars in regards _____ the impact _____ greenhouse _____?

I _____ know _____ and CO2 rules for _____.

_____ emission standards _____ and greenhouse gas _____ right _____?

_____ the _____ standards for cars that _____ environment?

_____ are _____ emission _____ automobiles _____ terms of _____ greenhouse gas impact?

There are guidelines for _____ regarding _____ quality _____.

What are _____ automobiles in _____ to air quality _____ the impact _____ on the _____?

What ____ the ____ for ____ change in cars?

____ emissions ____ for ____ in regards to ____ quality ____ impact on ____ environment?

What ____ standards ____ emissions when ____ in ____ to ____ quality ____ greenhouse gas ____?

Is it ____ about ____ current standards for vehicle ____ regarding ____ greenhouse gases?

Which ____ car ____ standards affect ____ quality ____ gas ____?

What ____ guidelines ____ vehicle emissions ____ pollution and ____ gases?

Is ____ car current ____ rules ____ clean ____ global warming?

Do you know the latest requirements ____ gases ____ air ____?

What ____ standards ____ for ____ regards to ____ quality and the ____?

What ____ the ____ for emissions ____ driving ____ to ____ quality and ____?

What are ____ quality ____ emissions standards ____ automobiles?

____ about the emission ____ for ____ and global ____?

____ are ____ used ____ vehicle-related ____ restrictions?

Can ____ emission standards and ____ impact on air ____ and greenhouse ____?

What ____ emission standards for ____ when ____ comes to ____ on ____?

____ possible to find information ____ air quality ____ for ____?

Which current standards ____ for ____?

What ____ guidelines for ____ when it comes ____ gases and ____?

____ are the guidelines ____ vehicle ____ associated ____ pollution?

The car ____ limits ____ and ____.

Can you ____ us know ____ the impact ____ vehicle ____ quality and ____ levels?

____ are ____ rules ____ in relation to air pollution ____ greenhouse ____?

What ____ vehicle ____ for ____ gasses?

____ there ____ existing standards for vehicle emissions pertaining ____ air ____ and their ____ on ____?

____ me what the current ____ from vehicles.

Inquire about ____ standards by ____.

____ an air ____ standard for ____ regards to ____ emissions?

____ guidelines ____ vehicle ____ regard to air pollution?

____ are the ____ automobiles in relation to ____ quality and impact ____?

____ lowdown ____ the car ____ rules for air ____?

____ and greenhouse gas ____ in cars ____ affected by ____.

What ____ the guidelines for vehicle emissions when ____ with ____?

____ quality and ____ standards.

____ air and ____ standards ____ autos.

There are emissions standards ____ affect ____ quality and ____ cars.

____ you ____ of ____ latest requirements for ____ to air quality ____ gases?

Tell ____ the car ____ are.

____ emissions when driving about air quality ____ greenhouse ____.

____ the ____ emissions ____ for air ____ greenhouse gases?

Do ____ know about ____ latest ____ vehicle emissions ____ to ____ and greenhouse ____?

Tell the ____ limits ____ clean air; ____ a ____?

____ the current ____ standards for cars when ____ pollution?

What are ____ for emissions from vehicles ____?

____ what the ____ are ____ vehicle pollution.

Inquire ____ climate ____ by autos.

____ me ____ the ____ pollutant limits that ____ to ____ and climate change?

Can ____ tell ____ car ____ limits?

What ____ vehicle ____ for ____ gasses?

What ____ current ____ standards for ____ gases?

____ rules ____ and CO2?

What _____ of _____ for automobiles when it _____ and the impact _____ greenhouse _____ the environment

How _____ the emissions regulations _____ air _____ greenhouse _____ for _____?

car _____ air _____ and _____ warming?

Can _____ me what _____ in vehicles are for clean _____ change?

What _____ the _____ air _____ greenhouse _____ of cars?

I would _____ to know _____ current _____ regarding _____ greenhouse gases.

Do you _____ about _____ requirements _____ that affect _____ and _____ gases?

_____ tell _____ about _____ limits _____ pollutants _____ the cars?

What are _____ guidelines _____ vehicle emissions _____ it _____ pollution and _____.

_____ am _____ supposed to know about _____ guidelines for _____ in _____ to _____ and greenhouse _____?

_____ are the guidelines for vehicle emissions due _____?

Vehicles have _____ greenhouse gas _____

_____ are _____ for _____ emissions when _____ comes to air _____?

_____ are the emissions _____ in _____ to _____ quality _____ greenhouse _____ impact?

What are _____ standards _____ emissions _____ automobiles in regards _____ air _____?

What are _____ guidelines for _____ with _____ to _____ pollution and _____?

_____ about limits _____ vehicle pollutant emissions?

Which _____ car emission standards _____ air _____ gas _____?

What are _____ for _____ and car emissions _____?

_____ regulations for _____ and greenhouse gases _____ vehicles?

What _____ the emissions standards _____ the environment _____ air quality?

_____ standards _____ auto _____ air quality?

Are there _____ regulations _____ air _____ greenhouse _____ for _____?

Today's vehicle _____ rules _____ quality _____ greenhouse gases.

_____ are the emission _____ for _____ when _____ to _____ gasses?

Are _____ of _____ newest requirements _____ emissions for air _____ greenhouse _____?

Do _____ know _____ limit _____ expected _____ clean air?

What are the _____ change on vehicles?

Tell _____ what's _____ vehicle _____ the atmosphere.

I want to know _____ limits _____ to _____ climate change.

_____ are the current _____ and greenhouse gases for _____?

_____ want _____ know the _____ emissions _____ quality and greenhouse gases _____.

What _____ standards for _____ gas impact?

_____ current on emission rules for clean _____ warming?

Can _____ tell us _____ impact _____ vehicle _____ standards on _____ quality and _____?

_____ affects air _____ and greenhouse gases.

_____ pollution rules _____ air _____ and _____ gases.

_____ vehicles' air _____ greenhouse _____ standards.

_____ is the latest _____ emissions limit _____ and greenhouse _____?

What _____ standards of emissions for _____ in _____ air _____ and _____ impact _____ the _____?

I _____ information on _____ quality _____ CO2 _____ for vehicles.

What _____ the emissions _____ in cars?

_____ of emissions _____ regards _____ air quality and greenhouse _____ on the _____.

_____ you _____ the requirements for _____ emissions _____ quality and _____?

Is there any updated _____ on _____ vehicles should conform _____ air _____ and greenhouse _____?

Do you know the _____ for _____ and their _____ greenhouse gases?

What _____ standards _____ automobiles _____ to the environment and air _____?

_____ emissions _____ to vehicles for _____ greenhouse gas impact?

Can _____ give _____ about the limits _____ pollutant _____ vehicles?

_____ limit _____ air _____ and greenhouse _____?

What are _____ for cars _____ regards _____ greenhouse gases _____ pollution?

Tell me about _____ pollution _____.

_____ the current vehicle pollution rules _____ air _____ emissions?

_____ the _____ for greenhouse gases _____?

What _____ emissions standards for vehicles in _____ of _____ quality _____?

_____ are the _____ emissions for automobiles _____ relation _____ quality and _____ greenhouse gas on the _____

What are _____ for driving in regards _____ the _____ and _____ greenhouse _____?

_____ overview _____ the criteria for vehicles to meet _____ have _____ air and _____ gas effects?

_____ are the _____ of air _____ greenhouse gas _____ for _____?

_____ the standards for _____ air quality and greenhouse _____?

_____ information _____ prevent rancid air and fight _____ gases?

_____ tell me _____ on _____ emission rules for _____ quality?

The _____ of _____ for _____ are related to _____ impact _____ greenhouse _____ environment.

Get _____ latest _____ climate standard _____ by _____.

Could _____ tell _____ standards for _____ and greenhouse _____ in vehicles?

Which _____ to cars when it _____ to _____ quality _____ impact?

Is _____ any _____ rules _____ pollution and _____?

What _____ vehicle _____ for air quality and _____ right _____?

_____ you _____ the _____ requirements for _____ from _____ that _____ air quality _____ gases?

_____ currently _____ vehicle-related _____ restrictions?

_____ standards _____ to _____ for greenhouse _____ impact?

Can _____ current criteria _____ air and reducing _____ gas _____ of vehicles?

Please let us know the _____ air _____ gases.

What do I need to _____ about _____ for _____ in _____ air quality _____?

_____ the emissions _____ driving _____ considering air quality and the _____?

_____ latest car emissions limit for _____ and _____?

_____ there any information about _____ prevent rancid air _____ gases?

_____ you know _____ requirements _____ for vehicle _____ air quality and _____ gases?

_____ vehicle emissions rules _____ air _____ greenhouse _____ unclear.

There are _____ for _____ that have an impact _____ both _____.

_____ there _____ pollutant limits _____ air and climate _____?

Is there _____ overview _____ the _____ have _____ in order to _____ clean _____ and reduce greenhouse _____?

Please _____ about the pollution _____.

_____ for _____ quality _____ gas impact for vehicles.

Can you _____ impact of vehicle _____ on greenhouse _____ and air _____?

Which _____ standards for emissions from automobiles _____ and _____?

_____ are _____ limits _____ air and greenhouse gases?

_____ searching for _____ and CO2 rules _____ vehicles.

_____ is _____ emissions _____ for air quality and greenhouse _____?

I want _____ about vehicle pollutant limits _____ clean _____.

Is there _____ information _____ standards _____ vehicle _____ that _____ greenhouse _____?

_____ is _____ emission _____ when it comes to _____ gases?

The _____ for air quality and _____ gases.

What _____ standards for cars in regards to _____ greenhouse gas on _____ environment?

_____ standards _____ emissions _____ automobiles _____ relation _____ air quality and greenhouse _____ on _____ environment?

Is it possible _____ tell _____ standards for _____ quality and their impact on _____ gases?

What are _____ for emissions from _____ to air _____ greenhouse _____?

_____ are _____ emissions _____ for driving in _____ to _____ quality and _____?

_____ current vehicle emissions standards _____ and climate _____?

_____ the car _____ rules _____ air _____ global warming?

What are _____ cars when _____ to the _____ greenhouse gases?

_____ is _____ latest air _____ and greenhouse _____ for _____?

What are _____ rules _____ vehicle pollutants _____ and GHGs?

Did _____ vehicle _____ air quality and _____ gas levels?

I _____ more about _____ CO2 rules for vehicles.

What _____ vehicle _____ for _____ gases?

Which current _____ from cars _____ quality _____ greenhouse gases?

_____ about cars' emission targets, air _____ greenhouse _____?

_____ of autos _____ clean air.

What _____ standards _____ in regards to air quality _____ impact _____ the environment _____?

Do you have _____ impact of vehicle _____ air _____ and greenhouse _____?

Can _____ me _____ the limits _____ pollutants in _____?

How _____ the standards _____ for air quality _____ greenhouse _____?

What are the _____ emissions from _____ air _____ and _____ gases?

_____ it _____ to _____ standards _____ vehicle emissions regarding _____ quality and _____ impact on greenhouse gases?

_____ limits for _____ on vehicles?

I _____ the _____ emissions regulations _____ air quality _____ gases for vehicles.

_____ pollution and CO2 _____?

How do _____ air _____ and greenhouse gas _____ in _____?

The vehicle _____ limits for air _____ gases _____.

What are the _____ of emissions _____ in relation _____ air quality and _____ emissions _____?

Today's _____ emissions _____ are related to _____ gases _____.
