

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Technical specifications and requirements
Inquiry Sub-Category	Performance and Efficiency
Description	Inquiries about the performance metrics, energy efficiency ratings, noise levels, and water consumption of our appliances.
Data Size	5,024 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

Are _____ technical _____ installation and operation?
_____ anyone _____ any _____ requirements _____ the operation and _____?
_____ specifications are _____ set up _____ run this _____?
Is _____ necessary _____ meet any _____ technical _____ operational stages?
What technical _____ are _____ to _____?
Does it _____ any specific _____ requirements _____?
_____ any _____ technical _____ to operate or _____?
_____ technical prerequisites are _____ setup _____?
What _____ of technical requirements are _____ installation _____?
_____ there _____ specific that's needed _____?
Is there _____ for its _____?
Does there have to _____ technical _____ for _____ operation?
What _____ technical _____ for _____?
Does the installation/ operation _____?
Did _____ or operation _____ requirements?
_____ is _____ specifications for _____ up and _____ thing?
_____ specific requirements for _____ running _____.
_____ we _____ certain technical _____ setup and _____ stages?
_____ is _____ technical requirement _____ install _____ operate?
Do _____ tech necessities during _____ usage?
Does _____ specific technical requirements exist _____ operation _____?
Does the installation _____ defined technical _____?
_____ the tech _____ installation?
_____ the _____ installation need _____ requirements?
Is there _____ running this?
_____ there any unique tech _____ during installation _____?
Does _____ to _____ technical requirements _____ the installation or _____?
_____ there _____ to be specific technical specifications _____?
For _____ operation, _____ are the _____?
_____ you _____ specific technical _____ for _____ operation _____ installation?

Does _____ operation have _____ requirements
 _____ anything _____ required _____ setup?

Does _____ a _____ requirement?
 _____ or operation _____ require specific _____.

Does the _____ some specific _____?

Do technical _____ need to be _____ the _____ and _____?
 _____ there any _____ technical requirement _____ the operation _____?
 _____ we need to _____ any technical _____ in _____ and _____?
 _____ specific _____ for the installation or the _____?
 _____ there _____ required for _____?

Are there _____ specifications for _____?

Is _____ for specific technical _____ and operation?

Does _____ require _____ requirements?
 _____ installation have to _____ specific _____?

Should _____ any _____ technical requirements for _____?

Are there _____ operational _____?
 _____ you _____ unique _____ necessities during _____ or usage?

Does _____ to _____ any _____ specifications for the _____?

Special _____ install and _____?

Is _____ for us to _____ certain _____ during the setup _____?

 _____ to _____ specific technical requirements?

Will there _____ for setup?
 _____ technical requirements _____ install?

Is _____ or _____ requirements?
 _____ are the _____ are _____ to install _____ run _____ thing?
 _____ installation _____ need a _____ technical requirement?

Does there need _____ be specific technical _____?

Do _____ need _____ be _____ specific _____ installation and operation?
 _____ the _____ or _____ a specific _____ requirement?
 _____ there requirements _____ operate _____?
 _____ need to _____ certain criteria during _____ stages?
 _____ there be _____ needs?

Can _____ tell _____ if there are _____ technical conditions for _____?

What are your _____ requirements _____ and _____ product?

Does there _____ to _____ requirements for an _____ operation?
 _____ or usage have any _____ tech _____?
 _____ are _____ essential _____ for _____ and _____?
 _____ it _____ to have certain _____ installation?

Can _____ tell me about _____ installation?
 _____ this _____ requirements _____ installing and _____?
 _____ be some _____ requirements _____ installation _____ operation.
 _____ you _____ any unique tech _____ for _____ usage?
 _____ may _____ certain requirements for _____ and _____.
 _____ are _____ for installation and _____?

Is _____ a specific _____ demand _____ operation?

Do there _____ requirements for installation and _____?

Will there _____ operational prerequisites?

What special tech needs _____ have _____ install _____?

Is _____ any _____ technical requirements _____ installation or _____?

_____ installation _____ to have specific technical requirements?

_____ install or _____?

What is the _____ requirement _____ and _____?

Is _____ a requirement _____ specific _____ requirements for _____?

_____ any technical requirements _____ installation and _____?

Does a specific _____ installation and _____?

_____ for the operation _____ installation?

_____ to install and _____ this?

Is _____ for _____ and running _____?

_____ tech requirements are _____ and _____?

_____ we need to meet _____ to _____ it?

What tech _____ do _____ installation?

_____ specific _____ to install and operate?

_____ are the _____ for installation?

What technical requirements _____ needed _____?

_____ be _____ requirements _____ its implementation?

Do there need _____ be any specific _____ for _____?

Is _____ specific _____ for _____ and operations?

Will there be _____ technical requirements for _____?

_____ installation or _____ may require _____.

Does _____ any specific _____ for the _____?

Specific tech _____ operation?

_____ you _____ different _____ necessities _____ or usage?

Do I need _____ operate?

Does the operation or installation _____ specific _____?

_____ you have _____ to _____ it?

_____ require _____ technical requirements for the installation _____?

Is there _____ operational _____?

What technical _____ for _____ operation?

_____ have to _____ technical requirements for installation _____?

Do _____ have to be _____ specific _____ for installation _____?

_____ need _____ specific requirements for _____ installation or the _____?

Does the _____ or _____ have to _____ specific _____?

_____ are any _____ specifications for _____.

_____ there any specific requirements _____?

_____ particular installation _____ requirements?

What _____ technical _____ installation _____ operation?

_____ have any _____ for _____ and _____?

What _____ are _____ and operation?

Is there _____ operational requirement?

_____ anyone have _____ requirements for _____?

_____ need to _____ based on specific _____ criteria?

_____ specific you need to _____ for _____?

It's possible _____ specific _____ for installing _____ it.

_____ tech _____ for install _____ use?

_____ anyone _____ if _____ are _____ technical specifications for _____?

Does any specific _____ for successful operation _____?

_____ requirements _____ install and run _____?

_____ there have _____ requirements for the installation or _____?

Is _____ special _____ or use?

_____ the _____ or installation _____ requirements?
_____ you have _____ specific _____ installing and running _____?
Is _____ a specific technical requirement _____?
_____ kind _____ technical requirements _____ installation?
_____ that is _____ for _____ and use?
_____ have _____ particular _____ or _____ requirements?
Do we need _____ meet _____ criteria during _____?
_____ there need _____ certain technical _____ successful _____ and installation?
_____ operating it, are _____ detailed _____?
_____ there _____ needed _____ install and _____?
Does the _____ a _____ technical _____?
Specific _____ and operating _____?
_____ anyone _____ there _____ requirements for installation and operation?
Does there _____ be _____ requirements _____ operation and _____?
_____ require _____ installing and running.
_____ are the _____ use or _____?
_____ a technical requirement _____ implementation?
Do _____ requirements _____ and install?
Does there need _____ be _____ specific technical _____ for _____?
During the setup and operational _____ any specific technical _____?
_____ needed to install _____ use?
Does there _____ to be _____ specific _____ installation and _____?
_____ installing _____ do we _____ specific tech criteria?
_____ be a _____ technical _____ for successful operation _____ installation?
Specific _____ to _____ operate?
What _____ or _____ prerequisites _____ there?
_____ any technical requirements _____ installation _____?
What _____ requirements should be _____ to _____ or _____?
Do _____ have anything special _____ usage?
What _____ essential _____ installing/operating?

 Does _____ or the installation _____ requirements?
 _____ there particular _____ for installation _____?
 _____ there be any _____ for installation or _____?
 _____ there _____ required _____ conditions for _____ usage?
 What technical requirements are _____?
 _____ need specific technical _____?
 _____ may _____ for setup _____ use.
 There _____ technical specifications _____ operation.
 _____ be _____ installing and running _____?
 What _____ requirements _____ install and operate?
 What _____ needed to _____ and _____?
 _____ there _____ technical requirement _____ implementation.
 _____ there _____ be _____ for operation and installation?
 _____ and operation of any _____?
 Is _____ possible to give information on _____ necessary _____ installation _____?
 There is a _____ about _____ its _____.
 Does that _____ specific _____ for _____ operation?
 _____ operation need _____ specific technical requirement?
 Do _____ to have certain tech _____ to _____?
 _____ any _____ installation or operational _____?
 _____ requirement _____ install and _____?
 Is _____ a _____ for operation _____ installation?
 _____ need _____ specific requirements?
 What _____ the _____ for installing _____ the product?
 _____ a technical _____ for _____ installation or _____?
 Can there be _____ technical _____ for _____ installation _____?
 Is there _____ specific you _____?
 Do _____ need _____ special tech _____ operation?
 During _____ setup _____ do _____ need to _____ certain _____ criteria?
 Does the _____ need _____ technical requirement?
 Does there _____ to _____ specific technical _____ for _____?
 _____ have _____ anything _____ for the _____ or operation?
 _____ anything _____ related _____ installation _____ usage?
 _____ operation _____ installation have to _____ specific technical _____?
 _____ are _____ specifications for _____ operation?
 What _____ operation and _____?
 _____ be _____ requirements for the operation or installation?
 _____ might require specific _____ installing _____ running _____.
 Can _____ any specific technical _____ for installation _____?

Is _____ the installation _____ operation?
_____ technical _____ is _____ operate _____ install?
_____ specifications _____ and operation?
Is it possible _____ requirements for _____ and _____?
_____ to operate or _____?
Are _____ equipment I need _____ set _____ up _____ run _____?
Is there _____ and running this?
_____ we need _____ criteria to _____?
Does it _____ meet specific _____ to _____ installed?
Which _____ requirements _____ in place to _____ and _____?
Does _____ installation require any _____.
_____ there any requirements _____ and _____?
_____ there _____ installation or _____?
_____ requirements are needed for _____?
Is _____ requirements _____ and using this product?
_____ be _____ special _____ requirements?
_____ there something I _____ know about installation _____?
_____ there need _____ technical requirements for _____ use?
_____ there a particular requirement for _____?
Is _____ a specific _____ for _____?
_____ tech demands _____ installation?
_____ installation _____ operation need _____ specific _____?
_____ know _____ specific _____ specifications for installation and _____?
_____ technical conditions _____ used _____ setup _____?
_____ there _____ to be _____ specific _____ the _____ and operation?
_____ be a _____ technical _____ the _____ or operation.
_____ technical _____ are associated _____ installation _____?
_____ requirements are required _____ install and _____ product?
Does _____ installation or _____ require _____ requirement?
Should we need _____ meet specific _____ install _____?
Does the installation _____?
Should _____ be _____ technical _____ for _____ and _____?
_____ the operation _____ installation _____ specific _____?
