

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Technical support for TV connections
Inquiry Sub-Category	Internet connectivity issues
Description	Customers face difficulties with their internet connection, affecting streaming services, on-demand content, or Smart TV functionality. This category covers troubleshooting steps for internet connectivity problems, including checking router settings, restarting the modem, or contacting the ISP for assistance.
Data Size	5,110 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

Can _____ and router enhance streaming _____ performance _____?

_____ the _____ and routers improve _____ app _____ satellite TV?

Do you believe that rebooting the modem andRouter _____ or satellite _____?

_____ and _____ can be _____ in the internet-enabled _____ app for satellite _____

_____ modem androuters _____ re-booted to _____ satellite/cable tv app _____?

The satellite app's _____ could _____ by _____ modem _____

Is restarting _____ modem _____ likely _____ improve the _____ app _____ satellite _____ cable _____?

_____ the modem _____ to improve _____ Streaming app on _____ cable _____?

_____ androuters be _____ to make the _____ tv streaming _____ effective?

_____ restarting _____ improve the performance _____ the _____ cable TV apps?

_____ the modem _____ re-booted _____ the _____ tv streaming _____ more performance?

_____ satellite/cable _____ streaming app will get _____ the modem androuters _____.

_____ modem be reprogrammed to make _____ apps _____?

Will the modems be re-booted _____ satellite/ cable tv _____?

The _____ could _____ by _____ modem and router

_____ to _____ the modem _____ router _____ improve the _____ app?

_____ modems and _____ to improve _____ in Satellite/cable _____?

Will _____ be _____ in order _____ make _____ tv streaming app _____?

_____ the _____ re-booted to _____ the satellite/cable _____ streaming app _____?

Do _____ think _____ the _____ improve performance _____ streaming apps _____ or _____ television?

_____ boost cable/satellite streaming

Rebooting the _____ router could improve _____ applications.

_____ androuters _____ to make _____ tv streaming app more efficient.

Will _____ modems _____ in order _____ the _____ cable _____ app more effective?

Is it _____ reset _____ boost cable/satellite streaming?

_____ the modem _____ be changed _____ the satellite/cable _____ better?

_____ the _____ androuters be re-booted _____ the _____ satellite/cable TV app?

_____ and modems _____ performance in _____ internet-enabled streaming app for _____?

Is there _____ better streaming _____ if _____ power _____ both _____ modem and _____?

_____ the _____ be repaired _____ the _____ streaming application better?

_____ restarting _____ bolster satellite/cable _____?

Do _____ believe that resetting modem _____ can improve _____ streaming _____ on _____?

Do _____ believe that resetting _____ and routers _____ performance of _____ small satellite/cable tv?

_____ a modem and router rebooting _____ app _____ the satellite _____ service.

The _____ and routers could _____ make the satellite/cable tv _____ effective.

_____ modem _____ likely _____ the _____ of the Streaming app on satellite _____ cable TV?

Is it _____ the _____ to _____ improved by rebooting _____ and router?

Will the _____ be _____ improve _____ satellite/cable _____ applications performance?

_____ modems be re-booted to make _____ satellite/ _____ application _____?

_____ the modems _____ re-booted _____ order to make _____ satellite/cable _____ app more _____?

_____ of _____ app can be _____ rebooting modem _____ routers.

_____ think _____ modem _____ can _____ the _____ of the streaming app on _____ small _____ tv?

_____ modem _____ re-booted to _____ the _____ application better?

Will _____ modem _____ routers _____ satellite/cable _____ better?

Will _____ and router _____ the streaming _____ for _____ satellite tv service?

The _____ of _____ applications on _____ could _____ rebooting _____ modem _____ router

Can the _____ be reprogrammed _____ improve _____ cable/satellite streaming _____?

Will _____ re-booted to make the satellite/cable _____ perform better.

Is _____ and _____ likely to improve streaming _____ on cable _____ tv?

Does the _____ and routers _____ to be _____ to make _____ app _____?

Will the _____ be re-booted _____ satellite/cable _____ streaming _____ better.

The modems and routers _____ re-booted to make the _____ TV _____.

Will _____ and routers be re-booted _____ the satellite/cable _____ app do _____?

_____ modems and ROUTERS be _____ the _____ of TV and _____?

Does _____ the _____ streaming app _____ or cable tv?

Will reset _____ the _____ app on _____?

The _____ could be improved _____ rebooting _____ and routers.

_____ it _____ boost _____ quality on satellite/cable _____ just power cycling _____ modem _____?

Will the _____ re-booted _____ order _____ the satellite/cable _____ streaming app perform _____.

Will _____ an improved _____ with _____ I power cycle the _____ routers?

_____ improved _____ experience _____ if _____ power cycle both modem and _____?

_____ streaming _____ will _____ even better _____ the modems and _____ re-booted.

_____ modems and ROUTERS be _____ boost _____ performance _____ satellite _____ TV _____?

_____ performance _____ satellite _____ could _____ improved _____ and routers were rebooting.

_____ the modems _____ make _____ TV application better?

_____ modem and routers likely _____ performance _____ satellite _____ and cable TV?

_____ resetting modem and _____ the streaming app _____?

_____ modems and ROUTERS _____ re-used to _____ for satellite?

Is _____ the modem and routers _____ to _____ the _____ of the Streaming _____ tv?

Will the _____ and _____ be re-booted to _____ the _____ satellite/cable TV _____?

_____ the modem and _____ make the satellite/cable TV _____ apps _____?

Can the _____ be _____ to _____ app?

_____ restarting _____ to _____ the _____ of _____ satellite _____ cable tv apps?

_____ the modem likely to improve _____ cable _____ performance?

Will the _____ be _____ to make the _____ application _____?

_____ restart modem _____ apps?

_____ the _____ to _____ re-booted _____ make _____ satellite/cable TV app better?

____ a ____ and ____ rebooting ____ the ____ performance go ____ the satellite tv ____?
 Is restarting ____ satellite/cable ____ apps?
 ____ modem and routers ____ for streaming ____?
 Do you ____ and routers can ____ the performance ____ streaming ____ the ____ satellite/cable tv?
 ____ restarting the ____ router ____ to improve ____ performance of ____ TV app?
 Do ____ believe ____ resetting modem and routers ____ the ____ app ____ the ____ satellite/cable tv?
 Will the ____ be ____ to make the ____ perform ____?
 ____ resetting modem and routers ____ improve the ____ on the ____ tv?
 ____ possible to ____ performance ____ satellite/cable applications with the ____ modem and ____?
 Will the ____ be ____ to improve the ____ streaming ____?
 Can modems ____ ROUTERS be ____ performance ____ streaming app for satellite?
 Can ____ be re-used ____ boost ____ the internet-enabled ____ app for satellite ____
 Streaming ____ satellite/cable ____ boosted by restarting ____ and ____.
 ____ and routers ____ re-booted ____ the satellite/cable tv streaming ____ better.
 If ____ and routers ____ re-booted, ____ satellite/cable tv ____ app will be ____.
 Can restarting modem improve ____?
 Do ____ believe ____ resetting ____ and ____ improve performance ____ the ____ app ____ small ____ tv?
 Re-booting the modems ____ make ____ satellite/cable ____ perform better.
 ____ and routers be re-booted ____ TV streaming app better.
 ____ app ____ be improved ____ the ____ and Router ____ reset.
 Can ROUTERS ____ modems be ____ to ____ the ____ application?
 Do you ____ the streaming ____ on the ____ tv can ____ by resetting ____ routers?
 ____ way to boost ____ quality ____ by power cycling ____ modem and ____?
 Is ____ the modem ____ routers likely ____ on ____ TV ____ cable tv?
 ____ it ____ to improve ____ performance ____ satellite TV ____ rebooting the ____ router?
 ____ performance of ____ satellite ____ improved by messing with the ____.
 Do you ____ the streaming ____ on ____ television ____ improved ____ reset modem and routers?
 Is the ____ and routers ____ make ____ satellite/cable TV ____?
 Will ____ modems and routers be ____ make ____ tv ____ app more ____.
 ____ ROUTERS and ____ be re-used ____ performance ____ satellite application?
 ____ it possible ____ the modem and ____ to ____ app ____.
 ____ and routers ____ to be re-booted to ____ the satellite/cable ____ app ____.
 ____ modems and ____ re-used ____ improve the ____ Satellite/cable applications?
 ____ the modem ____ be re-booted to ____ app better?
 Do you ____ that ____ the modem and routers will ____ the ____ the small satellite/cable ____?
 ____ modem and routers ____ to ____ of satellite and cable TV ____?
 ____ modem ____ routers likely ____ satellite and cable streaming app ____.
 ____ will be re-booted ____ the ____ TV streaming ____ better
 ____ believe that resetting ____ and routers can ____ performance ____ streaming ____ on ____ satellite/cable set?
 Do you think it's ____ performance of ____ streaming ____ the ____ set by ____ the modem and ____
 Can ____ modem and Router ____ to improve the ____?
 Satellite/cable ____ benefit from ____ network ____.
 ____ resetting the modem ____ router ____ the satellite/cable ____?
 Will the modems ____ be regenerated to ____ satellite/cable ____ app ____?
 Can ____ modem and routers be ____ to ____ the ____ performance?
 ____ it possible ____ improve ____ of ____ applications on satellite/ ____ restarting ____ modem and ____?
 Rebooting ____ make ____ tv streaming app even better.
 ____ the modem and ____ improve satellite/cable app ____?
 Will ____ modems and routers be re-booted to ____ apps ____?
 Will I notice an ____ I ____ cycle ____ the ____ and routers?

____ the ____ and routers be ____ to improve ____ of ____ TV streaming apps?
 Are restarting ____ modem and routers ____ cable ____ performance?
 The modems ____ will ____ re-booted ____ make the ____ cable ____ more ____.
 Is it possible ____ improve ____ performance of ____ apps ____ modem ____?
 ____ the modems and routers ____ make ____ satellite/cable TV ____ performance ____?
 ____ the modem ____ routers likely to improve streaming ____ satellite?
 ____ modems and routers ____ make ____ satellite/cable tv ____ apps performance better?
 Will ____ be re-booted ____ the ____ cable TV streaming ____?
 It ____ possible ____ improve ____ satellite ____ performance by ____ routers.
 ____ the modems ____ routers be re-booted ____ increase ____ the ____ tv streaming ____?
 ____ the modem likely to improve ____ of ____ cable ____ streaming ____?
 ____ believe ____ modem and Router ____ improve ____ for streaming ____ on cable ____ satellite TV?
 ____ and routers ____ the streaming app ____ satellite/cable?
 Is ____ likely ____ improve Streaming app ____ satellite TV and ____ TV?
 ____ it ____ to rebooting modem and ____ to ____ apps?
 ____ restarting ____ and ____ to ____ Streaming ____ on satellite or cable television?
 ____ the modems ____ to improve the ____ the ____ tv ____ app.
 Is ____ possible to reprogram ____ modem ____ routers ____ how this ____ app performs ____ satellite?
 ____ it possible ____ improve ____ of ____ on ____ small satellite/cable set by resetting ____ routers?
 Do ____ resetting the ____ and ____ can ____ performance ____ the streaming app ____ small satellite/cable ____?
 Will ____ re-booted ____ make the satellite/cable ____ streaming app ____?
 ____ believe that ____ routers ____ improve the performance ____ app ____ the small satellite/cable tv?
 Modems ____ satellite/cable tv streaming app more effective.
 modems and routers ____ be re-booted to make ____ tv ____.
 Does ____ the modem ____ router ____ satellite/cable ____?
 Do you ____ that ____ of the modem ____ routers ____ performance of ____ the small ____ set?
 Can the modem ____ re-booted ____ make ____ TV application ____?
 ____ the modems and routers be re-booted ____ for ____?
 ____ it ____ boost ____ with modem reset?
 ____ cable tv ____ will ____ more effective if the ____ and routers ____.
 ____ you ____ the ____ and Router might ____ the performance ____ cable or ____ TV ____?
 Better ____ apps could be a result of ____.
 ____ ROUTERS ____ re- ____ boost ____ in the ____ streaming app on satellite?
 Will ____ streaming ____ with satellite/cable if ____ power ____ the modem and ____?
 Is it possible to ____ cable/satellite streaming ____?
 ____ performance for ____ apps could be a ____.
 Can ____ and ROUTERS be re- used ____ boost ____?
 Will ____ experience ____ satellite/cable ____ if ____ cycle ____ the modem ____ routers?
 ____ wonder if ____ can ____ streaming apps.
 ____ modems ____ ROUTERS ____ re-used ____ of the internet-enabled ____ app for ____ /
 Can ____ and ____ be re-used ____ boost performance ____ streaming app ____.
 ____ Router ____ performance ____ cable/streaming apps?
 ____ for ____ come from Modem, Router reset.
 ____ it possible ____ improve ____ performance of satellite/cable streaming ____ rebooting ____ routers?
 Will the modems ____ be ____ make ____ streaming app ____?
 ____ the modems and routers be re-booted ____ make the satellite/ ____?
 modem ____ re-booted to make the satellite/cable ____ streaming ____.
 ____ performance for ____ with a Modem, ____?
 ____ the ____ re-booted to ____ the satellite/ cable ____ streaming ____ more ____?
 ____ modems ____ ROUTERS ____ re-used to improve ____ performance of ____ satellite ____?

Is restarting ____ modem ____ to ____ and ____ streaming app ____?

Will the modems and routers be re-booted in ____ make the ____?

Will ____ and ____ improve ____ streaming?

____ app speed ____ be improved ____ the modem ____ router.

____ and routers will be re-booted ____ the ____ app ____ effective.

____ restarting the ____ to ____ Streaming ____ performance on ____ TV or cable ____?

Will the modems and routers ____ re-booted ____ satellite/cable ____ streaming ____?

____ you think rebooting the ____ and Router will ____ streaming ____ cable or ____?

____ possible to ____ streaming applications?

____ the modems ____ to make ____ satellite TV streaming ____?

____ you believe that the streaming ____ small satellite/cable tv can ____ by ____?

Can modems and ROUTERS be re-used to ____ the streaming ____?

____ the ____ routers likely to improve ____ performance ____ satellite TV?

____ and routers ____ re-booted ____ make ____ satellite/cable ____ apps perform better.

____ reset ____ router ____ the satellite/cable streaming ____?

Is it ____ to ____ the performance ____ streaming applications ____ restarting ____.

Does ____ the modem ____ routers ____ streaming ____ performance ____ satellite ____ cable ____?

Is it ____ the ____ and router to improve ____ app ____?

____ restarting ____ modem and ____ to ____ streaming ____ performance ____ satellite and ____ TV?

Will ____ and routers ____ re-booted to make ____ tv streaming ____ run ____?

____ will ____ to make the satellite/cable ____ streaming application ____.

Will the ____ be ____ improve the ____ of the satellite ____?

Do you believe that ____ reset of ____ and ____ improve the performance ____ tv ____?

____ be re-booted so ____ the satellite/cable tv ____ app performs ____?

____ satellite ____ performance ____ be increased by ____ routers.

The ____ need to be re-booted ____ make ____ satellite/cable tv streaming ____.

____ and ____ be re-used to boost the ____ internet-enabled streaming app ____?

Do you ____ resetting ____ and ____ can ____ performance ____ streaming app on ____ small satellite/cable ____?

The ____ can be ____ to ____ streaming apps.

Will ____ modems ____ be changed ____ to make ____ streaming ____ better?

____ the ____ routers likely ____ the performance of ____ satellite ____ cable ____ apps?

____ believe ____ resetting ____ routers can improve the performance ____ the ____ the ____ satellite/ cable set?

Do you think ____ and Router ____ performance for ____ cable ____ satellite tv?

____ satellite app ____ increased by ____ and routers

Can ____ and ____ be re-used ____ boost the ____ the ____?

____ satellite/cable tv ____ app be ____ modem and routers are re-booted?

____ modem and ____ make the app ____ satellite/cable?

____ tv streaming app performance is ____ improve with ____ modem ____ routers.

____ restarting ____ modem ____ likely to ____ Streaming ____ satellite tv and ____ tv?

____ the ____ router be ____ enhance the cable/satellite ____?

____ streaming ____ up when the modem and ____ are re-booted?

Will the ____ be ____ make the satellite/cable ____ better?

____ it possible to ____ the ____ of streaming applications ____ satellite/cable ____ messing ____ modem ____?

____ modems and routers be re-booted to ____ the satellite/cable ____?

My ____ experience ____ satellite/cable would be ____ a ____ my ____ and router.

Is ____ restart ____ & enhance satellite/cable streaming ____?

Is ____ the ____ to improve the Streaming ____ and satellite TV?

The satellite ____ could be enhanced ____ modem ____ routers.

____ you believe that reseting ____ can ____ the ____ of the ____ app ____ small satellite/cable ____?

Will ____ and routers ____ streaming app ____ cable/satellite?

Is _____ modem _____ to improve the _____ streaming app on satellite _____ cable tv?

Will _____ streaming experience with satellite/cable if _____ power _____ routers?

Is _____ modem _____ improve the performance of satellite _____ tv _____?

The satellite _____ performance _____ be _____ by rebooting the _____.

The _____ of _____ app could be _____ by a _____ and _____.

_____ it _____ to _____ improve satellite/cable streaming apps?

Can modem and _____ be _____ improve _____ internet-enabled streaming app _____?

_____ of _____ satellite app _____ be _____ by rebooting _____ modem and _____.

The satellite _____ could _____ by _____ modem and _____.

_____ modems _____ be _____ increase _____ performance of the Satellite/Cable _____?

Resetting _____ routers can improve _____ performance of _____ streaming app _____ small _____ do you _____?

It's _____ that _____ streaming applications on _____ could be _____ rebooting _____ modem _____ router.

The _____ of _____ app _____ be _____ the _____ of _____ and routers.

Is _____ possible to _____ streaming quality _____ satellite/cable _____ just _____ modem _____ router?

Will _____ and _____ improve the satellite/cable TV _____ performance?

_____ believe _____ routers can improve the performance of _____ streaming _____ on _____ satellite/cable _____?

_____ restarting _____ modem help _____ streaming app _____ TV _____ cable TV?

_____ modem be re-booted _____ improve cable/satellite _____?

_____ you believe _____ on _____ small _____ tv _____ be _____ by reset modem _____ routers?

_____ the _____ re-booted in _____ to _____ satellite/ cable TV streaming _____ better?

The performance of the _____ app could _____ by _____.

_____ reset _____ and router improve satellite/cable _____ speed?

_____ restarting _____ and routers likely to _____ Satellite _____ app performance?

Will _____ modems _____ re-booted _____ make the _____ streaming _____ reliable?

Can the modems and routers be _____ make _____ work better?

Would it be possible _____ streaming _____ by _____ power cycling the _____?

_____ you believe _____ a reset of modem _____ routers _____ the _____ streaming _____ on _____ satellite/cable set?

_____ the modems and routers _____ re-booted _____ improve satellite TV streaming _____?

_____ possible to restart _____ and _____ satellite/cable _____ applications?

The performance _____ streaming applications _____ satellite/cable _____ be improved _____ modem _____.

_____ and ROUTERS be _____ increase the performance of _____ application?

_____ an improved streaming _____ satellite/cable _____ I _____ both the modem and _____?

_____ restarting the _____ router likely _____ Streaming _____ performance _____ satellite TV?

_____ the performance of streaming apps on cable or _____ improved _____ rebooting _____ modem _____?

_____ the modems _____ be re-booted to _____ the _____ more effective

_____ modems and _____ be _____ the satellite/cable tv _____ more efficient?

_____ to improve _____ streaming apps?

_____ modems _____ to make the _____ tv _____ app do _____?

_____ satellite/cable _____ streaming app should be even better _____ the _____.

Is _____ possible to _____ the modem and Router _____ app _____?

Are the _____ and routers _____ to _____ re-booted _____ make the _____ TV _____?

Is _____ the modem _____ to _____ performance of satellite _____ tv _____?

Do _____ think _____ the _____ can improve the performance of streaming _____ or _____ TV?

Better performance _____ could _____ achieved _____ the Modem _____.

modems _____ re-used _____ boost _____ the internet-enabled streaming app for _____

_____ restarting the modem _____ to improve _____ app performance _____ satellite _____ or _____?

Is it _____ improve _____ quality _____ satellite/cable _____ power _____ modem and _____?

_____ restarting the _____ routers _____ to _____ streaming performance on _____ and _____ tv?

_____ can be _____ used _____ performance in _____ internet-enabled streaming _____ on satellite.

_____ the _____ and routers be re-booted to make _____ TV _____ application _____?

Will the performance _____ streaming _____ go _____ because _____ router rebooting?
 _____ and _____ could _____ re-used _____ boost performance in the internet-enabled _____
 _____ restarting the modem _____ improve _____ app performance on _____ or _____?
 Does restarting _____ improve _____ app _____ on _____ tv and cable _____?
 _____ streaming would _____ the reboot of _____.

Is _____ possible _____ improve satellite _____ app performance?
 Will _____ modems _____ Routers _____ re-booted to improve _____ performance?
 _____ streaming _____ performance for _____ by rebooting the modem and router?
 _____ modem and routers _____ re-booted _____ satellite/cable TV streaming apps _____?

Better performance for cable/ streaming _____ can _____ Router _____.
 modems _____ be re-booted to make _____ satellite/cable _____ streaming _____.
 _____ it possible _____ rebooting the modem _____ might improve performance _____ on _____?
 Will _____ modems be _____ make the _____ streaming _____ better?
 Will the _____ to _____ the satellite/cable tv _____ app perform _____?
 _____ restarting _____ likely _____ the streaming app performance on satellite _____ cable tv?
 _____ you think _____ to _____ performance of _____ streaming app on the small satellite/cable _____ a _____ and
 _____ the modems and routes _____ re-booted to _____ better?

Satellite/cable app _____ improved _____ resetting _____ modem _____ router.
 _____ believe that _____ modem _____ improve the performance of _____ app on the _____ satellite/cable set?
 _____ restarting the modem _____ routers likely _____ improve _____ of satellite _____ apps?
 Is restarting _____ modem and _____ and _____ tv _____ app performance?
 Is it possible _____ router _____ make a difference _____ how this streaming _____ satellite/cable?
 _____ the modem _____ be re-booted to _____ the _____ of _____ satellite/cable _____?
 _____ and routers _____ be _____ make _____ satellite/cable TV streaming _____ better.

Will the _____ and routers be _____ satellite/cable TV _____ performance?
 Better _____ cable/streaming apps _____ be achieved _____ Router _____.
 _____ restarting the _____ and _____ likely to improve _____ app performance _____ tv?
 _____ it possible to _____ boost cable/satellite _____?
 _____ modem and _____ can improve _____ of the _____ app _____ small _____ set?

Satellite TV _____ app results _____ be _____ the modem _____.
 _____ modem and _____ streaming app _____ on cable?
 _____ reset _____ improve streaming _____ on satellite?
 Do _____ the _____ will be re-booted _____ make the _____ streaming app _____?
 Can restarting _____ improve satellite _____?

Is _____ and routers likely _____ streaming _____ on satellite _____ cable TV?
 _____ it possible _____ performance _____ applications on _____ by fixing the _____ router?
 _____ be re-booted to improve the performance of _____ apps?
 _____ modems _____ re-booted to _____ the satellite/cable TV streaming _____ better?

Satellite and _____ tv streaming app _____ if the _____ and _____ are _____.
 _____ modems _____ to make the satellite/ cable _____ app _____ effective?
 _____ the modems _____ routers be re-booted _____ satellite/cable TV streaming app _____?
 _____ the _____ and router likely _____ improve _____ Streaming app _____ and _____ tv?
 Is it possible to _____ streaming _____ with _____ if I _____ the _____ router?
 Is restarting _____ modem _____ to improve _____ app _____ satellite TV _____?
 Is _____ the _____ router _____ improve _____ on satellite TV and cable TV?
 Will the _____ and routers _____ make _____ Satellite/Cable TV streaming _____?
 _____ there _____ way to _____ on satellite/cable _____ the modem _____ router?
 Will the _____ and routers be _____ in order _____ the _____ TV streaming _____?
 Does restarting the _____ aid _____ of _____ app on _____ or cable _____?
 _____ restarting the modem possible to _____?

_____ be re-booted _____ make the _____ app work better?

_____ modems _____ to be _____ improve streaming app _____?

_____ modems _____ ROUTERS _____ used to _____ the performance of _____ streaming app _____?

Satellite/cable _____ speed can be improved _____ the reset _____.

Satellite/cable _____ could _____ reboot _____ devices.

Can _____ be re-_____ to _____ the performance _____ satellite/cable application?

_____ app _____ could _____ enhanced by restarting _____ modem _____ routers.

_____ streaming app performance improve for _____ service _____ and router _____?

_____ rebooting _____ the cable/satellite _____ better?

Will _____ modems and routers _____ streaming app results?

_____ for cable/streaming _____ would be a _____ of _____ Router _____.

_____ performance _____ cable/ streaming _____ be achieved _____ a _____ Router _____.

Will _____ be re-booted to _____ satellite/cable tv app _____?

_____ restarting _____ modem and _____ likely to improve _____ cable _____?

_____ modems and _____ boost performance in an _____ app _____ satellite?

Is _____ the _____ and _____ to _____ satellite and cable _____ performance?

Can restarting _____ satellite/cable streaming _____?

_____ modem _____ routers be re-booted to improve the _____?

Will _____ satellite TV _____ have _____ streaming app performance _____ and _____?

_____ modems and routers _____ re-booted for _____ TV streaming _____?

_____ the modem and _____ to _____ streaming performance _____ or cable television?

Will the modem and router _____ to make _____ satellite/cable _____?

_____ restarting _____ modem and _____ likely to improve the _____ cable _____?

Is restarting _____ modem _____ likely _____ improve satellite TV and _____ app _____?

Do _____ think the _____ the streaming _____ satellite/cable _____ can be _____ by resetting modem and _____?

_____ restarting _____ and routers _____ the _____ and _____ streaming _____ performance?

Can _____ reprogrammed to improve the _____ streaming _____?

_____ you _____ resetting modem _____ can _____ the _____ of the _____ app _____ small satellite/cable television?

_____ and routers re-booted to make the _____ perform better?

_____ possible _____ performance _____ the streaming _____ the _____ satellite/cable _____ if you reset the modem and _____?

_____ be rebooted _____ benefit satellite _____.

Do you believe that _____ both _____ modem _____ could _____ performance for _____ cable _____ satellite _____?

Can _____ and _____ to _____ performance in the internet-enabled _____ for _____?

_____ can _____ to benefit satellite/cable _____.

Will _____ and routers _____ in _____ improve the satellite/cable TV _____?

_____ ROUTERS be _____ improve _____ performance in the satellite/cable _____?

Better _____ for cable _____ apps _____ be achieved _____ reset.

Will _____ be changed to make the _____ better?

_____ the _____ and routers get _____ make the satellite/cable _____ even better?

Will _____ streaming experience _____ improve if _____ both the _____ and _____?

_____ be _____ to make _____ satellite/cable tv streaming app _____.

The _____ app performance could _____ rebooting modem _____ routers.

Do _____ that the _____ app on small _____ be _____ by resetting _____ routers?

Will _____ modem _____ changed to _____ the satellite/cable _____ app _____?

_____ modem and router rebooting cause _____ app _____ the _____ TV service?

Will the _____ and _____ be _____ to _____ the satellite/cable _____ streaming _____?

_____ restarting the modem _____ likely _____ improve _____ Streaming app performance _____ cable?

_____ and routers _____ be re-booted _____ make _____ TV _____ apps _____.

_____ streaming app performance _____ up for _____ to _____ and routers _____?

_____ the _____ be _____ in order to improve _____ tv streaming _____?

Will the _____ be _____ to make the _____ better?

_____ it possible _____ rebooting both modem _____ to enhance _____?

_____ believe _____ the _____ app on the _____ set _____ be _____ by reset modem _____ routers?

Is _____ modem _____ routers likely _____ improve Streaming _____ on satellite TV _____?

_____ you believe that rebooting _____ modem _____ will _____ streaming apps _____ cable or _____?

Can _____ and _____ be re-used to _____ performance _____ on satellite?

Will _____ modems and routers be _____ to make _____ streaming app _____?

_____ rebooting _____ modem and Router will improve performance _____ streaming apps on _____ TV?

_____ the modem _____ be changed _____ make the _____ TV _____ apps _____?

_____ the modems and _____ to _____ satellite/cable TV _____ app?

Is restarting _____ modem and _____ Streaming app performance _____ TV?

_____ the _____ be re-booted to make the _____ TV _____?

Do you _____ that resetting modem and router can improve the _____ satellite/cable _____?

Is it possible _____ improve the _____ of _____ on _____ rebooting _____?

_____ the _____ re-booted to _____ satellite/cable TV _____ perform better?

Can modems and _____ re-used _____ boost _____ of the TV _____?

_____ be used to _____ performance in _____ streaming application on _____?

_____ be _____ to make the satellite/cable tv _____ app _____ effective.

_____ of _____ applications _____ satellite/cable _____ improved with the _____ the modem _____ router.

_____ the modem _____ be _____ to _____ the _____ app?

_____ the modems and routers _____ re-booted _____ make the satellite/cable _____?

_____ the modem _____ likely to _____ streaming app performance _____ satellite _____?

_____ restarting _____ your satellite/cable _____ apps _____?

The satellite/cable tv streaming _____ more effective _____ and _____ are _____.

Is _____ and _____ likely _____ increase _____ and cable _____ performance?

modems _____ to make _____ satellite/cable TV streaming app _____.

Will the _____ be _____ to make the _____ tv _____ powerful?

_____ restarting _____ likely _____ performance _____ satellite and cable TV applications?

Is _____ boosting streaming on _____?

_____ the _____ help with _____ speed?

Is _____ routers likely _____ improve Streaming _____ performance _____ satellite _____ or cable _____?

_____ modem likely to improve _____ of your _____ app _____ satellite _____ and _____?

Will the modems _____ order _____ improve the performance _____ the satellite/cable _____?

Will _____ be _____ make the satellite/cable tv _____ effective?

_____ the _____ re-booted _____ make the _____ cable TV streaming _____ better?

Will the _____ re-booted, to make _____ satellite/cable _____ even better?

_____ restarting the _____ routers _____ to improve _____ app performance _____ cable?

The _____ and routers _____ re-booted to make the _____ streaming _____ more _____.

_____ the modems _____ be re-booted _____ the satellite/cable _____ faster?

Will the modems and routers be re-booted _____ improve _____.

I _____ the _____ of _____ satellite/cable could be improved _____ the modem _____ router.

Will the _____ be _____ to _____ app results for _____?

Is _____ possible _____ restart the modem and _____ to _____ experience on _____?

Will _____ and routers _____ make _____ satellite/cable TV streaming app _____?

_____ a _____ of the modem and _____ app speed?

_____ the _____ be re-booted to improve the _____ tv _____.

Can _____ ROUTERS be _____ boost _____ the satellite application?

Can _____ re-booted to _____ streaming applications?

Is _____ possible _____ performance of _____ app _____ the _____ satellite/cable set by _____ the modem _____?

Will _____ routers be re-booted _____ make the _____ better?

Will _____ androuters be re-booted _____ satellite/cable tv streaming app _____ ?
 _____ it _____ improve the performance of applications on _____ changing _____ and _____ ?
 _____ you think _____ will improve _____ performance of _____ streaming _____ on cable _____ satellite TV?
 _____ rebooting the modem _____ router _____ the _____ of _____ app for _____ ?
 _____ restarting the _____ improve cable/satellite _____ ?
 _____ restarting the _____ improve the _____ performance on cable _____ ?
 Can _____ with satellite _____ cable _____ ?
 Will modems _____ make _____ satellite/cable tv streaming _____ even _____ ?
 Will the _____ be re-booted _____ the _____ tv streaming app _____ ?
 _____ it possible to rebooting the _____ to _____ streaming _____ ?
 Does _____ the _____ androuters _____ the satellite/cable _____ application _____ ?
 Do _____ think restarting the _____ improve _____ streaming apps _____ cable _____ satellite _____ ?
 Will _____ modems be re-booted _____ improve _____ app?
 _____ restarting _____ likely _____ improve the _____ cable streaming _____ performance?
 _____ androuters be _____ make the satellite/cable _____ app _____ better?
 Can _____ re-booted to _____ the satellite/cable _____ application better?
 Will the _____ be re-booted _____ make _____ TV app _____ ?
 _____ the modem _____ reset _____ cable/satellite streaming?
 _____ modem _____ be re-booted _____ to improve the satellite/cable _____ ?
 The _____ be re-booted _____ satellite/cable tv streaming app _____ better.
 _____ possible _____ re-boot _____ modem to enhance cable/satellite _____ ?
 _____ the modems _____ to make _____ satellite/cable TV _____ better?
 Will the modems and _____ re-booted _____ satellite/cable _____ app perform _____ ?
 _____ restarting _____ help fix satellite/cable _____ ?
 _____ will _____ to _____ satellite/ cable TV streaming _____ perform better.
 Will _____ modems androuters _____ the satellite/cable TV streaming _____ ?
 Can modem and ROUTERS _____ boost performance in _____ ?
 _____ the modems androuters be _____ the satellite/cable _____ streaming apps _____ ?
 _____ the modem _____ re-booted _____ streaming better?
 _____ modems and routers _____ to make the satellite/cable _____ ?
 Will the _____ with _____ be improved _____ cycle both the _____ and _____ ?
 _____ androuters _____ re-booted to _____ streaming app results for satellite _____ ?
 Satellite _____ TV app performance may _____ improved by _____ the _____ .
 Do _____ believe _____ and routers _____ improve performance _____ streaming _____ on the _____ satellite/cable set?
 Can the modems _____ re-booted _____ improve the _____ TV _____ ?
 Will the _____ to improve streaming _____ results?
 _____ androuters _____ re-used to _____ in the internet-enabled _____ on satellite
 _____ the modems androuters be re-booted to _____ the _____ more _____ ?
 _____ modem and routers to _____ satellite/cable app speeds?
 _____ modems androuters might be re-booted to _____ streaming _____ .
 Will the _____ re-booted in order _____ the performance of _____ satellite/cable _____ ?
 Is restarting the modem _____ router _____ improve the _____ the _____ on satellite _____ cable _____ ?
 Is _____ the _____ likely to improve _____ app performance _____ satellite _____ cable TV?
 _____ you believe that a _____ modem and routers can improve _____ of _____ app _____ satellite/ _____ set?
 _____ modem _____ re-booted to make _____ satellite/cable TV streaming _____ .
 _____ ROUTERS be _____ improve performance in the internet-enabled _____ app _____ satellite?
 _____ modems androuters be _____ to _____ TV app _____ better.
 Will _____ the modem _____ app _____ ?
 Resetting modem and routers can _____ app _____ the _____ set.
 _____ androuters going _____ re-booted to _____ the satellite/cable _____ application better?

_____ modems _____ be re-used to _____ in _____ streaming application on _____?
 Is _____ possible _____ improve _____ performance _____ satellite/cable applications _____ modem?
 Is restarting _____ and routers likely _____ performance _____ and cable _____?
 Is restarting the _____ and _____ likely to _____ Streaming _____ satellite tv _____.
 Is restarting _____ modem _____ likely to _____ the _____ performance _____ satellite _____?
 Will _____ modem _____ be _____ to improve _____ satellite/cable streaming _____?
 _____ the _____ and routers be _____ to _____ TV app _____?
 Is restarting _____ modem _____ routers _____ to _____ Streaming _____ satellite TV _____ tv?
 _____ modem and Router _____ performance _____ streaming apps _____ cable or satellite _____.
 Will _____ and routers be _____ order to _____ the satellite/cable TV _____?
 Do you _____ resetting modem _____ the _____ the _____ app _____ the _____ satellite/ cable set?
 _____ service have better streaming _____ performance because _____ the modem _____ rebooting?
 _____ the _____ be re-booted to _____ the _____ app performance _____?
 _____ the _____ and _____ be re-booted to _____ the _____ tv _____ powerful?
 _____ performance _____ streaming applications _____ be _____ by _____ the modem _____ router.
 Will the modems _____ the satellite/cable TV _____ apps _____?
 _____ the _____ be re-booted to make _____ cable _____ streaming _____ powerful?
 Better _____ for _____ apps _____ be achieved _____ a _____.
 Can _____ modem _____ with _____ streaming _____?
 Does _____ the modem improve streaming _____ performance _____?
 Will the _____ re-booted to make the _____ TV _____?
 Are restarting the _____ and _____ likely to _____ your _____ app _____ satellite _____ and _____?
 _____ restarting the modem help the performance of _____ app _____ or _____?
 Is _____ the _____ and _____ likely _____ performance _____ satellite _____ or cable tv?
 The _____ of _____ applications _____ be _____ by rebooting the _____ routers
 _____ the _____ routers _____ to _____ satellite and cable stream?
 _____ the _____ re-booted to _____ the cable/satellite _____?
 _____ the modem and routers be _____ satellite/cable TV _____ better?
 _____ modems and _____ be re-booted to _____ satellite/cable TV streaming _____?
 _____ re-booted to make the _____ TV streaming application _____?
 _____ modem _____ be _____ to make the satellite/cable tv streaming _____?
 _____ modems _____ will _____ to increase _____ of the _____ streaming apps.
 _____ streaming app experience on satellite/cable _____ be _____ restart of the _____.
 _____ restarting _____ streaming _____ on Satellite TV or cable TV?
 _____ reseting _____ and routers _____ performance of the _____ app _____ the small satellite/cable set?
 Is restarting _____ likely to _____ Streaming _____ performance on cable _____ satellite _____?
 Is _____ the modem _____ to improve _____ satellite and cable streaming _____?
 Is it possible _____ rebooting _____ and _____ cable/satellite streaming?
 _____ streaming app experience _____ could _____ improved by _____ restart _____ my modem _____.
 Do _____ think _____ modem and routers _____ the _____ of _____ app on _____ TV?
 _____ restarting _____ modem _____ likely to improve _____ cable _____ streaming _____ performance?
 _____ the modems _____ being re-booted make _____ satellite/cable _____ perform _____?
 _____ the _____ and routers _____ make the satellite/cable _____ app perform even _____?
 _____ it _____ reset the _____ and _____ to improve _____ app _____?
 _____ and routers _____ make the satellite/cable TV streaming application _____?
 Will _____ and routers be _____ to _____ TV _____ app better?
 Network _____ could be rebooted _____.
 Will _____ go up _____ a modem and _____ rebooting?
 _____ modems _____ to be _____ to make the satellite/cable _____ apps _____.
 Is the _____ tv streaming app _____ the _____ and routers _____?

Do _____ modem _____ improve _____ for _____ apps _____ cable or satellite tv?
 _____ modems and _____ re-booted to _____ the satellite/cable tv _____ better?
 Do you _____ restarting the _____ and _____ improve satellite and _____?
 _____ modems and _____ to boost _____ in the streaming app _____?
 _____ restarting _____ likely to improve _____ app on _____ and cable TV?
 _____ of the _____ could _____ enhanced _____ of modem and routers.
 Will the _____ service's _____ app performance _____ as _____ of _____ and routers _____?
 _____ it possible _____ modem _____ enhance cable/satellite streaming apps?
 _____ modem _____ re-booted to _____ the satellite/cable TV streaming _____?
 _____ the _____ re-booted in _____ make _____ satellite/cable _____ app perform better?
 _____ and ROUTERS be _____ used _____ performance in _____ internet-enabled _____ on satellite?
 Will _____ to _____ satellite/cable tv streaming app _____ better.
 _____ TV streaming _____ will _____ better if _____ modems _____ re-booted.
 _____ the modems and routers _____ to _____ satellite/cable TV streaming application?
 Do _____ think that _____ reset _____ modem and _____ improve the performance _____ the _____ on the _____?
 Will _____ modems be _____ in _____ to _____ streaming apps perform _____?
 _____ satellite _____ be improved _____ re-booting modem and _____.
 _____ and routers improve _____ cable tv _____ app performance?
 _____ the modems and routers be _____ the streaming results _____?
 Will _____ modems and routers _____ re-booted _____ make _____ tv streaming _____ effective?
 _____ the _____ and routers _____ satellite/cable tv streaming app more _____.
 _____ and routers might be re-booted _____ the _____ TV _____ application _____.
 Is restarting the modem _____ likely _____ the _____ of the _____ cable _____?
 Is restarting _____ modem and router likely _____ Satellite _____ performance?
 _____ there be _____ improvement _____ the streaming _____ satellite/cable if I _____ both the modem _____?
 Is _____ possible to improve _____ performance _____ satellite _____ cable television _____ restarting _____ routers?
 Is _____ increase the performance of streaming _____ satellite/cable _____ and router?
 _____ the _____ be re-booted _____ the satellite/Cable TV _____ better?
 _____ restarting _____ modem and routers likely to _____ satellite _____ streaming apps?
 Can _____ and _____ re-used to _____ the TV and _____ application?
 Do _____ the _____ of streaming apps on cable _____ TV _____ be _____ by _____ modem _____?
 _____ modems _____ will be _____ make the satellite/cable tv _____ effective
 _____ performance _____ cable/streaming apps _____ achieved _____ Modem, Router _____.
 Is _____ the _____ and _____ likely _____ improve the Streaming _____ on _____ tv?
 Will _____ modems _____ to make the satellite/cable _____ apps _____ better
 _____ think that _____ and router can improve _____ performance _____ app _____ the small satellite/cable _____?
 Can _____ ROUTERS _____ improve the performance _____ the satellite _____?
 _____ have to be re-booted to make _____ streaming application _____?
 Are _____ router _____ to improve satellite and cable TV _____?
 Can modems _____ ROUTERS _____ used again _____ boost _____ performance _____ internet-enabled _____ app _____?
 Is restarting _____ likely _____ improve the performance _____ satellite TV _____?
 _____ modem and Router might _____ performance for _____ apps _____ cable _____.
 Reboot _____ benefit _____ and cable _____.
 Are _____ going to _____ re-booted _____ make the _____ application better?
 Is restarting the _____ to _____ app on cable or _____ TV?
 Satellite _____ cable _____ app _____ likely to _____ the _____ and routers are _____.
 Is _____ routers _____ to improve _____ performance _____ satellite or cable television?
 Do you believe that resetting _____ can improve _____ of _____ app _____ cable set?
 _____ modems be _____ the satellite/cable TV _____ run better?
 _____ the _____ likely _____ Streaming _____ performance on satellite or _____ tv?

____ performance ____ the ____ could be enhanced by rebooting ____
 ____ of enhancing satellite/cable streaming ____?
 ____ the ____ to make the ____ tv streaming app more ____?
 ____ modem help satellite/cable ____?
 Does ____ the ____ and routers ____ app ____ satellite ____ cable?
 ____ modems and ROUTERS be ____ increase ____ the ____ application on ____?
 Do you think ____ modem and Router ____ improve ____ performance of ____ apps on ____ or ____?
 ____ the ____ to help ____ satellite/cable tv streaming ____?
 ____ modems and routers ____ to make the ____ streaming application ____?
 Will ____ routers ____ re-booted ____ improve ____ satellite/cable ____ streaming application?
 ____ and routers ____ re-booted to improve the satellite/cable ____?
 Do ____ believe ____ is possible to improve ____ performance ____ the streaming ____ satellite/cable ____ by changing
 ____ and ____?
 ____ you believe ____ modem and ____ will ____ the ____ of ____ on the small ____ tv?
 ____ restarting the ____ likely ____ improve streaming ____ on ____ or ____ television?
 ____ that resetting modem and routers ____ app on the ____ satellite/cable ____?
 Will ____ modem and routers improve ____?
 ____ the ____ with ____ improve ____ power cycle both the ____ and routers?
 ____ to ____ cable/satellite streaming quality ____ that the devices ____?
 Do ____ think that resetting ____ and ____ improve the ____ of ____ on small satellite/cable ____?
 Is ____ the modem likely ____ improve ____ performance on ____ TV ____?
 ____ restarting ____ modem ____ and cable streaming app ____?
 ____ routers could ____ the performance of satellite/cable ____.
 ____ restarting the modem and routers ____ to improve ____ satellite ____?
 ____ ROUTERS be re-used ____ improve ____ performance ____ satellite/ cable application?
 ____ the modems be re-booted ____ make the satellite/cable ____ better?
 Is ____ modem ____ going to ____ make ____ satellite/cable TV ____ better?
 Will ____ modems and routes ____ re-booted ____ streaming app better?
 ____ modem ____ to make ____ TV streaming apps better?
 ____ be ____ to make the ____ tv streaming app ____ better?
 ____ app ____ improved by ____ the modem ____ routers.
 ____ possible to boost ____ streaming ____ satellite/cable by ____ the modem and ____?
 Is restarting ____ modem likely to ____ and ____ performance?
 ____ restarting modem ____ the ____ better?
 Is restarting the ____ likely ____ Streaming app performance ____ or ____?
 ____ the modems ____ routers ____ re-booted to ____ the satellite/cable TV ____?
 ____ tv ____ app will be even ____ routers are re-booted.
 Is ____ modem ____ to ____ satellite ____ cable TV application performance?
 ____ possible ____ cable/satellite streaming apps ____ both modem and ____?
 Is ____ the ____ and ____ likely ____ satellite and cable ____?
 Is restarting ____ modem ____ likely ____ app performance on ____ or cable?
 Will ____ re-booted so the ____ tv streaming ____ performs ____?
 Is restarting ____ modem and ____ likely ____ the performance of ____ satellite ____ and cable ____?
 The ____ should ____ to improve the performance ____ satellite/cable ____ streaming ____.
 ____ the modems and routers be re-booted in ____ to ____ satellite/cable ____?
 Is restarting the ____ likely ____ improve streaming ____ performance on ____?
 modems and routers will ____ re-booted ____ satellite/cable tv streaming app.
 Will the ____ to ____ the satellite/cable tv ____ app ____ better.
 Satellite TV ____ the modems and routers are re-booted.
 Is restarting ____ modem ____ likely to ____ cable TV ____?
 ____ the modems ____ re-booted ____ make the satellite/cable tv ____?

Will modem and routers _____ to _____ satellite/cable TV streaming _____ ?
 _____ restarting _____ modem and _____ likely _____ increase satellite _____ cable _____ ?
 _____ and routers going _____ be re-booted _____ make the _____ TV streaming _____ ?
 _____ the _____ and routers be _____ make the _____ TV stream _____ ?
 _____ and cable _____ performance could _____ by _____ the _____ and routers.
 _____ it _____ the _____ of the streaming _____ on _____ satellite/cable _____ by resetting modem _____ routers?
 Will _____ Routers be _____ the _____ streaming app even better?
 _____ streaming app performance go _____ for satellite/cable tv _____ rebooting?
 Will the _____ and routers _____ to _____ the _____ tv _____ work better?
 modems and _____ will be re-booted _____ make _____ satellite/cable _____ app _____ .
 Will the _____ be re-booted _____ the _____ app _____ better?
 _____ modems be _____ the _____ tv _____ app even better?
 _____ modems _____ be re-booted to _____ the streaming _____ .
 _____ it _____ to _____ modem _____ router _____ improve _____ app speeds?
 _____ a _____ app performance _____ up for the satellite TV service?
 Is _____ satellite/cable _____ app more effective if _____ re-booted?
 Will _____ modems _____ be _____ in _____ make _____ cable TV streaming app _____ ?
 The modems _____ re-booted to make the _____ application _____ .
 _____ it possible _____ performance _____ streaming _____ on satellite/cable _____ the modem _____ router?
 The _____ of the _____ by _____ modem and routers.
 Is restarting the modem _____ your _____ app _____ on cable _____ ?
 _____ and routers be re-booted to make _____ streaming _____ perform more _____ ?
 Will _____ see _____ experience _____ if _____ power cycle both _____ and routers?
 _____ modem and _____ likely _____ Streaming _____ performance _____ TV and cable tv?
 Will _____ re-booted in order _____ make the satellite/cable _____ better?
 Is restarting the _____ routers likely _____ improve _____ or cable?
 Will _____ modems be _____ to _____ satellite/cable _____ application _____ ?
 Can _____ be _____ to increase performance _____ application on satellite?
 reset _____ and routers can improve performance _____ streaming _____ small _____
 Is it possible _____ performance _____ applications on satellite/cable _____ the _____ router?
 Will the modem/routers be _____ to _____ satellite/cable _____ better?
 _____ satellite/cable tv streaming app _____ better _____ the _____ and routers _____ re-booted.
 _____ may be boosted by restarting _____ and _____ .
 Satellite/cable _____ improved if the modems and routers _____ re-booted.
 _____ the _____ and routers _____ to make _____ satellite/cable tv streaming _____ .
 Will the _____ and routers _____ to improve the _____ app?
 _____ the _____ re-booted _____ make _____ tv app work better?
 Is _____ modem and routers likely _____ app performance on _____ ?
 _____ and routers _____ re-booted to _____ cable tv streaming app?
 Will the _____ re-booted _____ increase _____ of _____ satellite/cable TV streaming _____ ?
 _____ restarting _____ and routers likely to improve _____ performance on satellite _____ ?
 Is _____ the modem _____ routers likely to _____ Streaming _____ performance on _____ ?
 _____ routers can _____ the _____ of the _____ app on the _____ satellite/cable _____
 _____ the modems and routers be _____ the satellite/cable tv _____ app _____
 The _____ of the satellite _____ by _____ and routers.
 _____ the _____ and routers be re-booted to make _____ satellite _____ ?
 Will the modems _____ to _____ satellite _____ app _____ better?
 _____ and routers _____ re-booted to make the _____ tv streaming _____ more _____ .
 _____ the modem _____ routers _____ re-booted to _____ the satellite/cable _____ ?
 _____ and _____ could be re-used to _____ in _____ streaming _____ satellite.

____ it possible ____ improve ____ performance of ____ applications ____ by ____ the ____.
 Does restarting the ____ help ____ streaming app ____ Satellite ____?
 Is ____ the modem and routers likely ____ streaming ____ satellite/cable ____?
 ____ the ____ to improve the ____ and cable ____ performance?
 ____ performance for ____ could be ____ through ____ reset.
 Will ____ re-booted in order ____ make ____ satellite/cable ____ streaming ____ better?
 Can restarting modem ____ applications?
 ____ modems and routers get re-booted ____ the satellite/cable ____ app ____?
 Can ____ and ROUTERS be ____ to ____ in ____ Satellite/Cable ____?
 ____ believe that ____ and ____ can improve ____ of ____ app on a small satellite/ ____ set?
 Is ____ modem and ____ going ____ Streaming app performance ____ satellite ____ cable ____?
 Is ____ improve the performance of ____ on ____ small satellite/cable set ____ resetting the modem ____?
 ____ restarting the ____ routers improve satellite ____ cable streaming ____?
 ____ and ROUTERS could be re-used ____ boost performance ____ the ____
 ____ the modems and routers ____ to make ____ results ____?
 ____ the modems ____ re-booted ____ make the ____ tv streaming app ____?
 ____ modem and routers ____ to improve ____ on satellite and cable ____?
 ____ the streaming app performance ____ the ____ and routers ____?
 ____ satellite/cable ____ app will ____ more effective if ____ modems and routers ____.
 ____ it ____ to improve streaming app ____ on ____ connection ____ the ____ and ____?
 ____ modem ____ be ____ to make the ____ streaming apps perform ____?
 ____ and routers ____ to make ____ satellite/cable tv streaming ____ more effective.
 Will the ____ are ____ to ____ satellite/cable ____ app better?
 Will ____ and routers be ____ to make ____ app ____?
 Will ____ and ____ improve ____ satellite/cable?
 ____ you think that ____ reset ____ modem ____ routers can ____ of ____ streaming app ____ small satellite/cable ____?
 Is it ____ reprogram the modem ____ router ____ cable/satellite ____?
 The performance ____ satellite app ____ by modem and ____.
 ____ can ____ modem ____ satellite/cable ____ apps?
 ____ and ____ can be ____ boost the ____ the internet-enabled streaming ____ on ____.
 Are the ____ to be re-booted ____ satellite/cable TV app ____?
 ____ the ____ might improve the performance ____ apps on ____ satellite ____.
 ____ and routers ____ to improve the performance of the ____ TV ____.
 ____ my ____ and router the best way ____ streaming ____ on satellite/cable ____?
 ____ the ____ likely to improve ____ cable streaming app?
 ____ modem and ____ improve the satellite/cable TV streaming apps ____?
 ____ modems and ROUTERS be ____ boost performance ____ streaming ____ on satellite?
 Is restarting the modem ____ and cable TV app ____?
 ____ and routers ____ improve ____ performance of ____ app on ____ satellite/cable set, do ____ think?
 Does ____ modem ____ routers ____ satellite/cable ____?
 Is ____ the ____ router ____ improve satellite and ____ app ____?
 Will modems ____ be ____ to make ____ better?
 Are restarting the ____ likely ____ improve satellite ____ cable tv ____?
 ____ modem be ____ to boost ____?
 ____ performance for ____ apps ____ with ____ Router reset.
 Network ____ can bebooted ____ satellite/cable ____.
 Will ____ be changed to ____ the satellite/cable ____ streaming ____?
 Is ____ the modem ____ routers ____ to improve Streaming ____ on ____ and ____.
 ____ performance of the satellite app ____ restarting the modem ____
 ____ the modems ____ re-booted ____ improve the satellite/cable ____?

Is streaming app _____ up for _____ to modem _____ routers _____?

_____ satellite/cable app speed can _____ improved _____ the modem _____.

_____ modem and Router likely to _____ app performance _____ or _____?

_____ there a way to improve _____ by simply _____ cycling _____ and _____?

Rebooting _____ and routers will make the _____ tv _____ effective.

_____ you _____ that _____ the _____ and Router _____ improve performance for _____ apps on cable _____?

_____ it _____ to improve _____ of _____ on the small _____ set by resetting _____ and routers?

_____ app experience on satellite/cable _____ be _____ a _____ restart of _____ router.

Will _____ re-booted _____ the satellite/cable tv _____ even better?

_____ restarting the modem likely _____ improve _____ and _____ app _____?

Is it _____ reset _____ modem and _____ satellite/ _____ app speed?

Do _____ think _____ both the modem and Router _____ improve _____ for streaming apps _____?

_____ restarting _____ for enhancing _____ apps?

_____ modem and routers _____ make the satellite/cable _____ better?

Is restarting _____ to _____ your _____ app _____ on _____ TV _____ cable tv?

_____ performance _____ cable/streaming _____ with _____ reset.

_____ modems and routers be re-booted to _____ streaming app _____ better?

_____ satellite/cable tv _____ be even _____ if the _____ and routers _____ re-booted.

Will the _____ cycle both the modem and router?

_____ performance _____ cable/streaming _____ with the _____ reset?

_____ it _____ to _____ streaming quality _____ by cycling _____ and router?

_____ it _____ to _____ cable/satellite streaming _____ both modem and _____?

_____ the modem and _____ going to _____ performance _____ satellite TV and _____ tv?

_____ cable _____ streaming app will _____ even better _____ and routers _____ re-booted.

_____ the modems _____ be re-booted _____ make the satellite/cable _____?

_____ restarting _____ routers _____ Streaming _____ performance on satellite TV and cable TV?

_____ you _____ that a _____ of modem _____ routers can improve _____ performance _____ app on _____ small _____?

Will a modem _____ router _____ streaming _____ go _____ for _____ tv?

_____ reset _____ and routers _____ on satellite?

Do you believe _____ and _____ can _____ performance of the _____ on the small _____?

Will the _____ and routers be _____ improve _____ satellite/cable _____ application?

_____ and ROUTERS _____ re- _____ to _____ performance in _____ streaming app on _____

_____ be _____ to make the streaming _____ better?

Does restarting the modem and _____ improve _____ performance _____ cable _____?

Will _____ modems _____ be re-booted to _____ of _____ app?

Can reset the _____ and _____ the _____ speed?

Satellite/cable _____ might be improved _____ the modem _____ reset.

Do _____ that resetting _____ and routers _____ the _____ of _____ streaming _____ small satellite/cable tv?

The performance _____ app could be enhanced with _____ routers.

_____ believe that _____ and _____ will improve performance of the _____ app on _____ television?

_____ restarting _____ satellite/cable streaming?

Will the _____ streaming _____ performance improve because _____ a _____ rebooting?

_____ modem possible _____ improve satellite/cable _____ apps?

_____ and routers _____ re-booted to make the _____ tv _____ application better?

Is _____ the modem and _____ likely to improve _____ satellite _____ cable?

Is restarting your _____ and _____ likely _____ your streaming app performance _____ TV _____?

Will _____ to boost _____ app speed on _____?

_____ modems be _____ to improve _____ satellite/cable _____ streaming _____ performance?

_____ modem and Router might improve performance for streaming _____ on _____?

modems and _____ can _____ performance of _____ satellite/cable application.

Is ____ possible ____ improve ____ performance of ____ on ____ small satellite/cable ____ resetting modem and ____?
 ____ modem ____ routers ____ improve satellite and ____ streaming performance?

Can ____ to improve ____ internet-enabled streaming app on satellite?
 ____ speed can ____ improved by resetting ____ and ____.

Can ____ modem be ____ improve ____ cable/satellite ____?
 ____ performance ____ the satellite app could ____ enhanced ____ modem ____ routers.

The ____ on ____ be improved ____ the modem and routers were ____.
 ____ it ____ the ____ androuter to improve ____ app speed?
 ____ can ____ the performance of the streaming app on small satellite/cable ____?
 ____ the ____ routers be re-booted ____ satellite/cable ____ app work better?

Is ____ an improvement ____ the ____ satellite/cable if I ____ both ____ modem and ____?
 ____ possible ____ of the streaming app on ____ small ____ by ____ the ____ and routers?

Will ____ androuters be ____ the satellite/cable TV ____ apps?

Can modems ____ ROUTERS be re-used ____ in ____ app for ____?
 ____ modem ____ and enhancing satellite/cable ____?

Can the ____ be ____ to improve ____ streaming?
 ____ there ____ improved streaming ____ satellite/cable ____ cycle my modem ____ router?
 ____ you ____ the modem andRouter may improve the ____ of streaming ____ cable ____ TV?
 ____ resetting modem ____ improve the streaming app ____?
 ____ used to ____ the performance ____ streaming application on satellite/cable?

Can restarting modem ____ satellite/cable ____?
 ____ app ____ can ____ by resetting the modem ____.

Is restarting ____ to improve the ____ Streaming app ____ cable TV?
 ____ the ____ androuters be ____ to ____ satellite/cable ____ streaming ____ perform better?

Do ____ think it's possible to ____ performance ____ the ____ app on ____ satellite/cable set ____ modem ____?
 Better ____ for cable/streaming ____ be ____ of modem, Router ____.

Is it possible to ____ the ____ and ____ to ____?
 The modem ____ be re-booted ____ make ____ satellite/cable tv ____ app more ____.

Can ____ modem and ____ satellite/cable streaming ____?

Satellite ____ cable streaming ____ performance ____ be ____ by ____ and routers.
 ____ the ____ get re-booted to ____ streaming app even ____?
 ____ of ____ satellite app could ____ the modem and routers.
 ____ streaming ____ that can be enhanced by ____ modem.

Do ____ think ____ the ____ andRouter ____ improve ____ of streaming ____ on cable ____ TV?

Can ____ with ____ streaming app?
 ____ modems and ____ be ____ to boost ____ in ____ internet-enabled ____ streaming ____?

It is possible to improve ____ of streaming ____ on satellite/cable ____.
 ____ satellite/cable ____ streaming app would be ____ androuters ____ re-booted.
 ____ modems ____ re-booted, to make the satellite/cable tv ____?
 ____ be ____ streaming experience with satellite/cable if I ____ cycle ____ and ____?
 ____ the modem ____ to make ____ satellite/cable ____ streaming ____ better?
 ____ the ____ be ____ to make the ____ tv ____ app even ____
 ____ possible that ____ modem and ____ boost ____ streaming?

Is ____ the modem ____ streaming app performance on ____ and ____?

Is ____ likely to improve the Streaming ____ satelliteTV and ____?
 ____ the ____ re-booted to make ____ satellite/Cable ____ streaming ____ better?
 ____ resetting modem and ____ improve the ____ small satellite/cable ____ streaming app?
 ____ the modems ____ be ____ make the ____ streaming apps ____ better?
 ____ performance of the satellite ____ may be ____ modem ____.
 ____ modem ____ good ____ streaming on satellite?

Better ____ for ____ can ____ with modem, routers ____.

____ you ____ that a ____ of the ____ and ____ can improve ____ performance of ____ streaming ____ satellite/cable set?

____ possible ____ improve the ____ of ____ streaming applications ____ the modem and ____?

____ the modems and routers ____ changed ____ improve ____ results ____ TV?

____ it ____ improve the ____ apps on satellite ____ changing the ____ router?

____ ROUTERS ____ used again ____ boost the ____ of the ____ application on ____ and ____?

Do you think ____ modem ____ improve the ____ of ____ on ____ or satellite TV?

____ the ____ app ____ satellite improve ____ and router ____ reset?

The ____ satellite app could be ____ reestablishing ____ routers.

____ the modem ____ routers ____ the performance ____ the ____ app on satellite ____?

____ the modems ____ be ____ to ____ the streaming app ____?

____ satellite app ____ enhanced by rebooting ____ modem ____.

Satellite/Cable app speed can be ____ modem ____.

Satellite/Cable ____ improved if the modem ____ router ____ reset.

Can ____ modems and routers ____ re-booted ____ the ____ streaming app work ____?

____ the streaming ____ better ____ power ____ the modem and Router?

Is ____ modem ____ router helping ____?

____ help with ____ streaming apps?

Is ____ possible ____ improve ____ app speed by ____ and ____?

____ the modems ____ to make ____ streaming app better?

Will the modems and routers ____ re-booted ____ improve ____ for satellite ____?

Will ____ app ____ go up for ____ service because of ____ and ____?

____ be re-booted ____ the satellite/cable TV streaming ____?

____ that ____ modem and Router will improve ____ for ____ apps?

____ and ____ be re-used to increase ____ the Satellite/cable ____?

Do ____ that ____ modem ____ routers can improve ____ the ____ app on ____ satellite/cable set.

____ and routers will ____ re-booted ____ the satellite/cable ____ streaming ____ better

____ the modems ____ re-booted ____ the satellite/cable tv ____ better?

Do you believe ____ resetting modem ____ routers ____ the performance ____ the ____ app ____ satellite/ cable ____?

Do you believe ____ modem ____ routers ____ the performance of ____ on ____ satellite/cable ____?

____ the ____ be re-booted ____ the satellite/cable TV ____ better?

____ and ROUTERS can ____ re-used ____ performance in ____ streaming app ____ /

____ it ____ to restart ____ and ____ cable ____ apps?

The satellite/cable tv ____ might ____ the modems ____ are ____.

____ restarting the modem and ____ likely ____ and ____ app performance?

____ the modem ____ be reset to improve the ____?

Is the ____ streaming app ____ get better ____ the re-boot of ____?

Is restarting ____ to ____ the performance of Streaming app ____ satellite and ____?

Is it ____ that ____ the modem and Router ____ performance for ____ apps ____ TV?

The satellite/ ____ tv streaming ____ will ____ even better ____ and routers ____.

Is ____ and router boosting ____?

____ the ____ and ____ changed to ____ streaming better?

Do ____ modems and routers will be re-booted to ____ streaming ____ better?

Will ____ be re-booted ____ the ____ app performance?

Can restarting modem help ____?

Is ____ modems ____ to be ____ make ____ satellite/cable ____ streaming app ____?

modems and ____ be re-used ____ boost ____ in the ____ on ____.

Is restarting ____ modem ____ likely to improve streaming performance ____?

____ and ROUTERS ____ to boost ____ in the internet-enabled streaming ____ satellite?

Will ____ and routers be re-booted to ____ tv streaming ____?

Is restarting the modem and routers ____ to ____ satellite ____?

Can ____ modems be re-used to increase ____ in ____ for ____?

Rebooting ____ can ____ the ____ streaming ____.

____ streaming app ____ going ____ the satellite ____ service because of ____ router ____?

Can ____ be ____ to ____ in ____ streaming app on satellite?

Do ____ rebooting ____ the modem and Router ____ improve ____ apps on cable or satellite ____?

Is ____ improve satellite and ____ tv streaming app ____?

____ you know if ____ is ____ boost ____ quality on ____ simply ____ the ____ and routers?

Will the modem ____ to ____ satellite/cable TV app ____?

Will ____ and routers ____ re-booted to improve ____ performance of ____ tv ____?

Will ____ modems and routers ____ re-booted ____ the satellite/ cable ____ app ____?

Satellite/cable app ____ be ____ by ____ the ____ routers.

Will ____ re-booted ____ the ____ TV app ____ better?

Will ____ modem ____ reset to make ____ satellite/cable ____ better?

____ possible ____ the ____ streaming ____ on satellite/cable to be improved by ____ and router?

____ restarting ____ to ____ satellite and cable tv streaming ____?

____ satellite/cable ____ streaming app ____ better ____ modems and routers are re-booted.

Will ____ changed to make ____ TV streaming apps ____ better?

Is ____ modem ____ likely to improve Streaming ____ on ____ TV ____ TV

____ streaming ____ benefit ____ restart of ____ devices.

Can ____ modem and ____ be ____ make the ____ tv ____ even ____?

Will ____ modems and routers ____ in ____ to ____ the satellite/cable ____ app?

Is ____ streaming ____ I ____ cycle both the modem and Router?

____ reset ____ and ____ streaming app speed ____ cable/satellite?

____ be re-booted to ____ satellite/cable ____ streaming app better.

Will an ____ streaming ____ satellite/cable if ____ power cycle both ____?

Will ____ modem and ____ improve ____ app on ____ and ____?

Is ____ possible to ____ the ____ and router ____ streaming ____?

Is streaming ____ going up for satellite/cable tv ____ and ____?

Is restarting ____ modem ____ likely to improve satellite and ____?

____ resetting can ____ streaming?

Does ____ the modem ____ of ____ streaming app on satellite ____?

____ modems and routers be ____ to ____ satellite/cable tv ____ app even ____?

Is ____ possible ____ performance ____ streaming app ____ a ____ satellite/cable set by changing ____ modem and ____?

The ____ and routers ____ be re-booted ____ make ____ tv ____ more effective

____ the ____ tv streaming app even ____ the ____ are ____?

____ the ____ TV ____ streaming ____ performance ____ up ____ of ____ and routers rebooting?

____ app speed ____ be ____ resetting the ____ and ____.

Will ____ modems ____ be re-booted to ____ the satellite/cable ____ any ____?

____ restarting ____ modem ____ to improve ____ app ____ on Satellite TV ____ TV?

____ restarting ____ make the ____ streaming ____?

____ restarting ____ modem and routers ____ to improve the ____ TV?

The performance ____ the ____ could ____ by rebooting modem ____.

Do you believe that rebooting ____ and Router can improve ____ performance ____ or satellite ____?

____ the ____ make ____ apps ____ better?

Is restarting the ____ likely to ____ app ____ on ____ or ____ tv?

Will the routers be ____ the ____ streaming app even ____?

Do ____ the modem ____ of the streaming ____ or cable TV?

____ modem ____ routers ____ to improve ____ performance on Satellite ____ or ____ TV?

____ to ____ the ____ of ____ satellite/cable by ____ the modem and routers?

The _____ may _____ re-booted to _____ the satellite/cable tv _____ effective.
 _____ restarting the _____ and _____ likely _____ improve _____ performance on _____ or cable _____?
 _____ and ROUTERS _____ be _____ performance in the _____ application.
 _____ to _____ the _____ and _____ to improve satellite/cable _____ speed?
 Can the _____ be _____ to _____ the cable/satellite _____?
 Will a modem _____ make streaming _____ up for _____ tv?
 _____ you believe that reseting modem _____ improve _____ performance of the _____ on _____ small _____?
 _____ streaming app _____ up _____ the satellite _____ service because of _____ router _____?
 _____ be _____ order _____ make the _____ TV _____ apps perform better.
 How _____ help satellite/cable streaming _____?
 _____ ROUTERS be _____ to increase _____ in _____ internet-enabled _____ app on _____ /
 _____ the modems be re-booted to make _____ more _____?
 Will _____ modem _____ be re-booted to _____ streaming _____ more performing?
 _____ modems and routers need to _____ make _____ TV streaming _____ better.
 _____ possible that rebooting _____ modem _____ improve the performance of streaming apps _____ cable _____?
 _____ restarting modem help _____ satellite/cable _____?
 Is it _____ restart _____ and _____ the _____ apps?
 _____ and _____ streaming app _____ may be improved _____ restarting _____ modem _____.
 _____ possible _____ resetting _____ and _____ the performance _____ app on the small satellite/cable television?
 Will _____ modem _____ the _____ on satellite/cable?
 _____ performance _____ the satellite app _____ improved _____ modem _____ routers.
 Is it _____ the modem _____ to improve cable/satellite _____?
 _____ I expect _____ streaming experience with _____ if _____ cycle both modem _____?
 _____ restarting _____ modem and _____ likely to improve _____ and _____ streaming _____?
 Will _____ modem and routers be re-booted to make _____ more _____.
 Will the _____ reset to _____ app _____ satellite/cable?
 Will the modems and routers _____ re-booted _____ app _____?
 _____ possible to improve Streaming _____ and cable _____ the modem and routers?
 Is _____ possible _____ quality _____ satellite/cable _____ by power cycling the _____ and _____?
 Is restarting _____ improve the Streaming app on _____ TV _____ cable _____?
 The satellite/cable _____ even _____ if the _____ and routers were re-booted.
 Is _____ and routers _____ improve _____ streaming _____ performance on _____ TV?
 _____ modem and _____ be _____ to _____ the cable/satellite _____ apps?
 Can modems _____ to _____ the _____ of _____ streaming application on Satellite/cable?
 _____ restarting _____ modem _____ likely to _____ the satellite _____ TV app?
 Can _____ and _____ to boost performance _____ internet-enabled _____ app _____ satellite?
 Is restarting the modem _____ the _____ Satellite _____ or cable _____?
 Is restarting _____ and routers likely to improve _____ performance on _____.
 _____ I get _____ experience with satellite/cable _____ power cycle both _____ modem _____?
 _____ a rebooting of the modem and Router _____ improve performance _____ streaming _____ or _____ TV?
 Is restarting _____ modem and _____ improve the performance _____ streaming?
 The modems _____ be _____ to _____ the _____ TV streaming _____ better.
 _____ the _____ and _____ likely to improve streaming app _____ tv or _____?
 _____ and routers may be _____ to _____ TV _____ perform better.
 _____ you believe that the _____ app on _____ small _____ tv _____ reset _____ and routers?
 Can _____ re-used to _____ performance in the _____ app?
 Is _____ up for _____ TV service because _____ modem and routers rebooting?
 Can _____ modem be _____ improve _____?
