

[Demo] NLP Dataset for Customer Service Automation

Company Type	Credit Card Companies
Inquiry Category	Foreign transaction fees and currency conversion
Inquiry Sub-Category	Double currency conversion concerns
Description	Customers express concern when they notice multiple currency conversions on their credit card statement, such as when a foreign transaction is first converted to USD and then to their local currency. They seek clarification on why this occurs and if any additional fees are charged.
Data Size	5,053 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)
