

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Network coverage and availability questions
Inquiry Sub-Category	Slow internet speed
Description	Customers experience consistently slow internet speeds, and this category includes inquiries regarding potential reasons behind the issue and possible solutions to improve the speed.
Data Size	9,830 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Could interference _____ networks _____ reducing _____ and _____ speeds?
 _____ neighboring _____ affect _____ download _____ speeds?
 Is _____ possible that other networks _____ our _____?
 Our _____ is reduced _____ network _____.
 Do _____ networks have _____ on _____ and _____?
 Do _____ networks affectdownload _____?
 Does _____ other networks _____ downloads and _____?
 _____ other networks _____ internet?
 Is nearby network interference _____ reason for _____?
 Could _____ networks _____ and _____?
 _____ it me _____ those nearby _____ slow down my _____?
 _____ it possible that there is _____ of speed _____ nearby wireless _____?
 _____ network _____ affecting _____ and upload rates for _____?
 Is _____ possible that _____ our downloads?
 _____ signals affect _____ download and uploading _____
 Do _____ networks _____?
 _____ nearby _____ affect uploads _____?
 _____ it _____ that _____ signals from close _____ devices negatively affect _____?
 _____ interference from _____ networks responsible _____ slow internet _____?
 _____ possible _____ networks _____ slowing _____ our uploads?
 Does _____ from local _____ uploads _____ downloads?
 Could _____ and downloads?
 _____ the _____ with my internet _____?
 _____ from local _____ cause _____ slower _____ and uploading _____ for us?
 Our _____ be _____ our neighbor signals.
 Is _____ possible that _____ of _____ a _____ of obstructions by _____ connections?
 Our uploading and _____ abilities _____ signals.
 _____ download _____ uploading _____ disrupted by _____ networks.

_____ being _____ by other networks?

Is the _____ from our _____ speeds?

_____ might _____ the upload/download _____.

_____ it possible _____ neighbors are _____ for _____ slowdowns _____?

_____ possible the networks are _____ speed?

_____ hurting uploads _____ downloads?

_____ neighboring _____ interfering with _____ downloads?

_____ for download and uploading?

_____ think the decrease in internet _____ is _____ network _____?

_____ cause _____ decreased _____ rates _____ neighboring network interruptions?

_____ that other local _____ can slow _____ our _____?

Is our download _____ speeds _____ from _____ networks?

_____ interference from _____ slowing _____ internet _____?

_____ networks impact our internet _____?

Is it possible that our _____ and uploading _____?

Will _____ wireless networks _____ down _____?

Slow _____ thought _____ caused by interference from _____ networks.

_____ neighboring _____ affect _____ files?

Is _____ download _____ uploads _____ interference _____ nearby networks?

Does _____ from _____ networks _____ impact _____ download and _____?

_____ data transfer efficiency affected _____ nearby _____?

Can _____ affect _____ download rates?

_____ if _____ networks were slowing _____ downloads.

Is _____ speed _____ to _____ from nearby networks?

Will _____ disruptions _____ uploading/downloading _____?

Is it _____ connection speed _____ going _____ network interferences?

_____ neighboring _____ going to affect our _____ Upload speeds?

Is interference by _____ internet _____?

_____ networks _____ our internet speeds?

Is the reduction in upload _____ due _____?

Could interference _____ neighboring networks _____ and _____ speeds.

_____ it _____ that the decrease _____ speed _____ due _____ other _____?

_____ that a _____ transfer _____ affected by _____ by nearby _____ connections?

Is _____ uploading/downloading speed?

_____ that _____ slowing _____ our downloads?

_____ the _____ nearby _____ affect uploads and downloads?

_____ uploads were affected by _____.

My downloads _____ uploads _____ nearby networks.

_____ it possible for _____ to _____ due _____ from other connections?

I wonder if my _____ and _____ the _____ from nearby _____.

Do _____ think that _____ decrease _____ is due to _____?

Do _____ affect our _____ upload _____?

_____ neighbors' networks affect _____.

_____ could be slowed _____ interferences _____ networks.

Is it possible that _____ neighboring networks _____?

Is _____ that _____ networks _____ us are _____ our connection _____?

_____ be _____ due _____ interferences on other networks.

_____ cause of _____ uploads/downloads _____ neighbor network interruptions?

_____ the _____ the nearby networks _____ downloads?

_____ nearby _____ my data transfer _____?

Is _____ causing us slower download and _____?

_____ believe we're _____ that limit _____ data transfer?

_____ uploads can be _____ neighbors' _____.

Does _____ networks _____ our _____ speed?

Downloads and _____ could _____ by _____.

_____ it possible _____ our neighbors _____ download _____ speeds?

Is neighboring _____ downloads?

_____ network interferences _____ uploads?

_____ of a speed loss due _____ network _____.

_____ upload and _____ speeds _____ affected _____ interference.

_____ effect uploading/downloading speed?

_____ from nearby networks causing _____ uploads.

_____ neighboring _____ download _____ uploads on the internet?

How come _____ near us _____ and _____ rates?

_____ neighboring _____ internet download and uploads capabilities?

_____ that _____ networks are affecting _____ download speeds?

_____ the _____ from nearby _____ the downloads and _____ make?

_____ be affected _____ from surrounding networks.

_____ neighboring _____ cause of decreased upload _____?

Are _____ affecting our download _____ uploading _____?

_____ networks _____ our _____ and uploads.

Slow _____ are _____ interference from adjacent _____.

Is _____ between network _____ internet _____?

_____ my internet _____ due to _____ net _____ reaching _____?

Slow internet _____ are _____ by _____ from nearby networks.

Does interference by _____ speed?

The _____ might be affected _____.

_____ network interruptions be the cause _____ uploading/download _____?

Is it _____ the networks nearby _____ downloads and _____?

_____ internet _____ affected _____ neighbor signals?

_____ be sluggish because of _____ caused by _____.

Is it _____ that _____ network _____ are _____ the decrease _____?

_____ neighboring _____ to _____ uploads and _____?

_____ interfere _____ internet download and uploading abilities?

_____ it possible _____ networks might slow _____ our _____ rates?

Data transfers could _____ slower if interferences _____.

Does neighbor _____ upload?

Our _____ may _____ due to interferences _____ nearby _____.

Is _____ possible _____ networks are slowing _____ uploads?

_____ neighboring _____ have _____ effect on _____ uploading?

_____ local networks _____ slower _____ upload rates for us?

Data _____ decrease _____ neighboring _____ are nearby.

Is _____ in upload _____ speed _____ result of interfering _____?

_____ surrounding _____ interventions _____ download times.

Data transfers might take _____ of _____ other _____.

_____ disruptions affect uploading/downloading _____?

I _____ if the _____ from _____ affect _____ downloads and _____.

Data transfer _____ can _____ lessened _____.

Is _____ our internet _____ interferences on other networks?

_____ if neighboring _____ affect _____ downloads?

_____ may _____ our internet speed.

_____ neighboring wi-fi signals affect _____ uploading _____

Is interference _____ other _____ causing slower _____?

Is _____ networks _____ internet download and _____?

Is _____ interferences the _____ for slower _____ uploads?

I wonder if surrounding network _____ connection speed.

Is it _____ that _____ local networks _____ slow down _____?

It _____ possible _____ networks are _____ slower _____ upload speeds.

Is it possible that _____ uploads are _____ by _____?

I _____ my _____ and uploads _____ affected _____ nearby _____.

_____ the internet _____ of _____ other nearby networks?

Is _____ possible _____ our _____ and upload _____ could _____ interference from _____ networks?

Is _____ interferences responsible _____ slowing _____ downloads?

_____ nearby network _____ to blame _____ downloads _____ uploads?

_____ other networks decreasing our _____ upload speeds?

Does _____ from nearby _____ uploading and _____?

Are _____ interferences _____ for _____ downloads _____ uploads?

_____ neighboring networks messing with _____ and _____ speeds?

_____ limit the uploads and _____?

Are _____ our download _____?

_____ from neighboring _____ may affect _____.

_____ neighboring networks interfering _____ download and upload _____?

_____ network _____ be _____ uploading/downloading?

_____ the other _____ slowing our _____?

Is interference _____ other _____ download _____ uploads speeds?

Does _____ networks impact download _____ for us?

_____ nearby interferences _____ speeds?

Does interference _____ networks _____ speed?

Can _____ networks _____ down _____ uploading and _____?

Our upload/download rates can _____ other local _____.

_____ may be _____ messed up by other _____.

Is interference between _____ internet speeds _____?

_____ nearby network _____ speed?

_____ the proximity of other _____ down your _____?

_____ internet _____ experiencing _____ of other _____ sources reach?

Does interference _____ cause internet _____?

_____ affect our uploading/downloading _____?

Is _____ possible that _____ interferences is slowing _____ downloads _____?

_____ affect internet speed?

Does interference _____ networks _____ in slower download _____?

Is it _____ the _____ is impeded _____ nearby _____ connections?

_____ reduction _____ and upload speed due _____ with _____ networks?

When _____ affect download/upload _____?

_____ don't know _____ are affecting our _____ and _____ speeds.

_____ reduced _____ download _____ a result _____ interfering networks?

_____ interference _____ leading to _____ dropping?

_____ decrease in uploading/download rates _____ the neighboring _____?

Is interference by _____ speed?

Slow _____ might be _____ by _____ nearby networks.

_____ our neighboring networks are affecting _____ uploads?

_____ effect on data transfers?

_____ it _____ and uploads could be affected by _____?

_____ rates can _____ reduced _____ connections.

_____ times _____ surrounding network interventions.

_____ my download and _____ by _____ nearby networks?

_____ neighboring networks _____ uploading of _____?

_____ it _____ that the loss _____ speed _____ a _____ of _____ by _____ connections?

_____ the _____ in _____ download _____ due _____ interfering neighboring networks?

Do network _____ uploads/downloads?

Slow _____ speeds could _____ caused _____ nearby _____.

Data transfers _____ be _____ interference.

Is it possible _____ and _____ will suffer because of _____?

_____ our _____ speeds affected _____ other networks?

_____ my internet experiencing _____ of other _____ reach?

Do neighboring _____ and uploads rates?

Is interference _____ slowing down our _____.

Do _____ signals _____ other _____ our _____?

_____ times affected by _____?

_____ our _____ affected by _____ signals?

_____ network _____ affect our _____ upload rates?

_____ the signals _____ nearby _____ uploading _____ Downloads?

Network disruptions _____ affect _____.

Our _____ and downloading _____ hampered _____ nearby _____.

_____ network _____ affect _____ uploading/downloading speeds?

Is interference _____ making _____ fall?

Is neighbor networks _____ our _____?

_____ data transfers slower because _____ interference _____?

Downloads being _____ network _____.

Slow _____ speeds _____ believed to _____ caused _____ from _____ networks.

_____ might _____ uploads _____ downloads.

_____ interference from local _____ cause _____ download _____ rates?

_____ interference _____ networks slowing _____ the _____?

_____ interference _____ the other _____ our internet _____?

_____ network interference _____?

_____ networks interfering with _____ Internet _____ and _____ capabilities?

Is the _____ messing _____ speeds?

_____ from neighboring networks _____ our download _____ speeds?

_____ networks _____ download and _____?

_____ transfer _____ affected by _____ connections

_____ to interference _____ nearby networks?

Is _____ problems due to _____ sources reaching _____?

_____ service affect speed?

How _____ nearby networks _____ download _____?

_____ speed may _____ being affected _____ neighbor _____.

_____ the _____ rate affected by _____?

Are _____ networks _____ downloads?

Is _____ possible that _____ networks can slow _____?

_____ neighboring _____ influence _____?

Is _____ with our internet _____.

Is the interference from _____ affecting _____ upload _____?

____ our internet's speed ____ signals?
 Is ____ possible that ____ are ____ with our ____ and ____ speeds?
 ____ nearby ____ affect my ____ transfer ____?
 ____ that we are having ____ because ____ neighbors?
 ____ our ____ affected ____ neighbor signals.
 ____ it ____ that interference from ____ our download and uploads ____?
 Is it possible ____ nets ____ the ____ downloads?
 Is it ____ downloads ____ uploads will ____ because of ____ networks?
 Is data transfer ____ connections ____?
 Our ____ affected ____ nearby networks.
 ____ you ____ dealing ____ neighbors who limit our ____ speed?
 ____ wonder if interference from ____ networks will ____ download ____.
 Is ____ decrease ____ and uploading ____ caused ____ interfering ____ networks?
 Do you ____ the ____ in ____ connected to ____ network ____?
 ____ downloads ____ uploads might be ____ by ____.
 ____ it possible that local ____ limit ____ rate?
 Does ____ effect download ____ upload rates?
 ____ are ____ effects of ____ interferences on ____?
 Is ____ in download and ____ a result ____ interfering ____?
 ____ nearby ____ affect my ____ performance?
 ____ it possible ____ interference ____ is ____ our download speeds?
 ____ neighboring network interferences affect ____?
 Do ____ network ____ uploading and downloading ____?
 Is interference ____ adjoining ____ slow ____?
 ____ downloads and ____ caused ____ interference from ____ networks.
 ____ if ____ downloads ____ will suffer due to interference ____ networks.
 Data ____ slower ____ of interferences from surrounding ____.
 Downloads and ____ be ____ neighbor's ____.
 Did ____ affect ____ download and uploading ____?
 What ____ reason ____ neighboring networks ____ with our ____ uploads?
 Downloads times ____ by surrounding ____
 ____ can be decreased by neighboring ____
 Is interfering ____ responsible ____ decreasing ____?
 Why are ____ up ____ speeds?
 Could ____ uploads and downloads ____ affected ____?
 Is it ____ uploads ____ suffer due ____ network interference?
 ____ online experience affected ____ my ____ with my ____?
 Could ____ nets affect ____ downloaded ____?
 Is interference from ____ networks ____ downloads ____?
 ____ transfer rates can ____ connections
 ____ download and ____ rates disrupted by ____ networks?
 Is ____ other networks slowing down ____ uploads?
 ____ interference between neighboring ____ the ____ drops ____ internet ____?
 ____ come some ____ our ____ and ____ rates?
 Are ____ interferences ____ slow ____ and ____?
 ____ interference between ____ causing slower ____?
 Slow internet ____ probably caused ____ interference ____ nearby ____.
 Is it ____ that obstruction ____ wireless ____ is ____ the ____ of speed during data ____?
 Are ____ speeds ____ to interference ____?
 Our internet speed ____ be _____.

_____ networks _____ and uploads.

Slow _____ could be _____ of _____ from nearby networks.

_____ speeds may _____ caused by _____ with it.

_____ that _____ downloads _____ uploads _____ from interference from nearby _____?

_____ making _____ harder _____ uploads and downloads?

_____ interference _____ neighboring _____ making _____ slow?

_____ neighboring networks _____ Upload?

Should _____ uploading/downloading speed?

Is it _____ that the surrounding _____ our connection _____?

Is _____ and _____ would suffer due _____ nearby networks?

_____ dealin' _____ neighbors _____ limit _____ rapidity _____ data transfer?

_____ network interferences _____ uploading _____?

_____ interferences _____ download/upload speeds?

_____ interferences _____ down downloads and _____?

I _____ my _____ uploads would suffer due _____ networks _____.

_____ think _____ are dealin' with neighbors _____ the _____ of _____ transfer?

Is the _____ speeds _____ interference from _____ networks?

Could _____ neighbor signals _____ messing _____ speed?

Do neighboring _____ affect our download _____?

_____ possible that _____ may affect _____ and Downloads?

Downloads and _____ are _____ neighbors _____?

Is _____ transfer _____ by _____ connections?

_____ network _____ reducing _____ speed?

_____ network _____ our download _____ uploading _____?

Is it possible _____ the networks are _____ and _____?

Can neighboring _____ interfere with _____ internet download _____?

Is it _____ that adjacent networks _____ downloads?

_____ the _____ my online speed?

Is _____ internet's _____ and upload capabilities _____ by _____?

Is _____ decrease _____ download and upload _____ to _____?

_____ it _____ other local networks to slow _____ our _____?

Why _____ our download/upload speeds?

Our _____ be _____ by _____ signals.

_____ neighboring nets affect _____ and _____?

_____ the _____ download and _____ speed due to _____ networks?

_____ interference from local networks affect _____?

Are _____ interfering with _____ download _____?

Do _____ networks affect _____ content?

_____ may limit _____ rate.

_____ the cause of decreased _____ due _____ neighboring _____?

Our _____ may _____ slow _____ of interferences from _____.

_____ interference between _____ causing internet _____?

_____ our _____ diminished by other _____?

Is nearby interferences _____?

Are neighboring _____ interfering _____ download and _____ capabilities _____?

Could local _____ interferences _____?

Is neighboring networks _____ internet download and _____?

Are _____ our _____ and downloading speed?

Do _____ signals from neighboring _____ affect _____ and _____?

Is _____ due to interference _____?

____ the ____ of decreased upload/ ____ to neighboring ____ interruptions?
 ____ it ____ that ____ nearby wireless ____ causes the ____ speed during ____?
 ____ networks ____ down our download ____?
 ____ it ____ that other networks ____ affect ____ rates?
 ____ neighboring ____ affect our uploading ____ rates?
 Is neighboring ____ the ____ decreased ____ rates?
 ____ my internet ____ obstacles ____ of ____ net sources ____?
 ____ neighboring networks ____ with our ____?
 ____ that the internet ____ down because of ____?
 ____ internet speed ____ be ____ by ____ networks.
 ____ neighboring ____ interferences change ____ download and ____?
 ____ and ____ are affected ____ neighbors' ____.
 There is an issue with ____ downloads ____ from ____.
 Is interference from local ____ and uploads?
 ____ interference ____ networks slowing ____ and ____?
 Do ____ connections ____ my data ____?
 Is ____ to hinder ____ and ____?
 ____ transfers ____ slower with interferences ____ networks.
 Is ____ affected by ____ neighbor signals?
 Slow ____ be the ____ of ____ surrounding networks.
 Is it possible ____ neighbors ____ download?
 Local ____ and upload rates.
 Does ____ affect ____ download ____ on the internet?
 Our internet ____ is being ____.
 ____ possible that ____ are slowing down download ____?
 ____ download ____ upload speeds a result of ____ networks?
 ____ it ____ that adjacent networks ____ causing ____ download ____ speeds.
 Data transfer ____ lowered ____ neighboring ____.
 Is interference ____ nearby networks ____ and ____?
 ____ internet may be ____ to ____ by ____ networks.
 ____ that ____ network ____ are ____ cause of ____ upload/download rates?
 Are the ____ interferences ____ speeds?
 Is ____ possible ____ networks ____ causing slower ____ and ____ speeds?
 ____ be ____ problem due ____ from adjacent networks.
 Are ____ networks slowing ____?
 ____ interference ____ networks ____ and uploads?
 ____ it possible ____ interference from ____ networks ____ my ____ and ____?
 Does ____ by competitors ____?
 Is the interference ____ downloads ____ uploads?
 I ____ are ____ for ____ down my ____ and uploads?
 ____ may be ____ because of ____ from ____ networks.
 Are nearby ____ download/upload ____?
 Are network ____ affecting ____?
 Is ____ networks ____ the ____ speeds?
 ____ other local ____ our upload/download ____?
 ____ be ____ after ____ from surrounding networks.
 Is the cause ____ decreased ____ to ____ neighboring ____ interruptions?
 Is it ____ that ____ download ____ speeds ____ be impacted ____?
 Is ____ networks decreasing ____?
 ____ internet speeds ____ other ____ are nearby?

Is the _____ speed reduced _____ of interfering _____?

Why _____ the neighboring networks _____ speeds?

_____ that obstruction by _____ wireless connections _____ responsible _____ the loss _____?

Is it _____ neighboring network _____ the _____ of _____ uploads _____ downloads?

_____ other networks _____ download _____?

Will _____ experience reduced _____ interference from surrounding _____?

_____ interference from _____ Internet speeds?

Is _____ possible _____ neighbors are to blame _____?

Is the _____ and _____ speed due to _____ neighboring _____?

Slow downloads _____ an issue _____ to interference from _____.

Is it _____ and downloads could be affected _____?

Data _____ efficiency _____ be _____ by _____.

Do network _____ affect _____ upload _____?

Do other networks _____ uploads?

_____ can _____ affected by _____.

Do you believe _____ decrease _____ speed _____ due to _____ network _____?

_____ affect _____ download _____ upload rates?

_____ and _____ affected _____ the nearby networks?

Is _____ from _____ making _____ slower?

Are network _____ affecting _____ download _____?

_____ it _____ local _____ limit uploaded/download rate?

Will _____ slow _____ downloads?

_____ come _____ networks _____ our _____ uploads rates?

Is our _____ upload speeds affected _____ interference from _____?

_____ neighboring connections reduce _____?

_____ the download/upload speeds?

_____ the signals _____ nearby _____ uploads?

Is _____ between _____ down _____ internet?

_____ neighboring _____ signals interfere with _____ uploading and _____?

Is _____ affecting uploading/download _____?

_____ wonder if other _____ our internet speeds.

Is the _____ in _____ and _____ speed due _____?

Do bad neighbor _____ speed?

There could _____ a _____ loss _____ by _____ interference.

Do _____ interferences _____ and _____?

How are _____ download _____ uploads _____ nearby _____?

_____ wonder _____ network interruptions are _____ cause _____ decreased uploading/download _____.

_____ neighboring connections _____ data _____ rates?

_____ do _____ do _____ our download _____ upload rates?

_____ neighboring _____ signals affect _____ capabilities

_____ it possible _____ neighboring nets _____ limit _____ downloads?

_____ networks slowing our _____?

_____ neighboring networks _____ our _____?

_____ the _____ networks nearby?

_____ from other _____ causing _____ upload speeds _____ go down?

_____ it possible _____ network _____ could _____ uploading/download _____?

Is interference _____ neighboring _____ going _____ our download and _____?

_____ speed _____ due to nearby _____ interference.

_____ the signal from nearby _____ affecting _____ downloads?

_____ network _____ the _____ download rate?

Are ____ interferences ____ down our downloads ____ uploads?

The ____ due to interferences from other ____.

____ interference by ____ affect ____ speed?

____ downloads are ____ by ____ from ____ networks.

Does ____ networks ____ download and upload ____?

How do ____ download and ____?

Our ____ due to interferences from other ____.

____ internet experiencing problems ____ net sources?

Data ____ can be ____ to neighboring ____.

____ network ____ affecting ____ uploading/downloading ____?

Has ____ down ____ downloads?

____ and uploads may be due to ____.

Is my ____ downloads affected by ____ networks?

____ of ____ uploads/downloads due to ____ network interruptions?

____ the interference ____ networks ____ the download ____ speeds?

Can ____ say that the ____ was caused by disruptions ____?

____ and ____ by neighbors network.

____ think ____ dealin' with ____ limiting ____ data transfer?

Are ____ interferences ____ speeds?

____ it ____ that interference ____ other ____ down ____ internet connection?

Data ____ be slow ____ of ____ surrounding networks.

Is ____ adjacent ____ affecting our ____?

____ it possible that neighboring ____ and downloads?

____ affect ____ and uploads?

Is ____ possible that ____ signals ____ wi-fi devices ____ affect ____ rates?

____ it ____ the ____ interferences are slowing down ____ connection ____?

____ it ____ networks ____ slowing down downloads ____ uploads?

Are ____ networks interfering ____ internet ____?

Is it ____ neighboring network ____ are the ____ decreased ____?

Do ____ networks ____ and uploading ____ for us?

____ slow downloads caused ____ interference ____?

Our internet's ____ affected by ____ neighbor ____.

____ it possible ____ from neighboring ____ are ____ and upload speeds?

Data ____ slower due ____ interferences.

____ neighboring ____ making ____ for uploads ____ downloads?

____ downloads might be due ____ from ____.

____ networks are ____ our uploads ____ downloads.

____ it ____ that our ____ are ____ download ____ upload speeds?

____ nearby network ____ our uploading/downloading ____?

Some ____ our internet speeds.

Do the ____ from ____ networks ____ the ____ downloads we ____?

Is ____ connections able ____ transfer ____?

Is ____ nearby networks making ____ uploads ____?

Is ____ reason for slower ____ uploads?

Does ____ neighboring ____ internet speeds ____ plummet?

Should ____ nearby networks ____ uploads ____ downloads?

Are the neighbors messing ____?

____ transfer rates ____ because ____ neighboring ____.

It ____ that interference from ____ networks ____ our ____ upload speeds.

____ the internet ____ because ____ interferences ____ other networks?

_____ adjacent _____ are _____ the upload and download slower?

How _____ neighboring networks _____ messing _____ our _____ uploads?

Have other _____ slowed our _____?

Is _____ decrease in _____ rates _____ network _____?

Is the _____ hampered _____ networks?

_____ networks impact our download and upload _____?

_____ internet _____ due _____ interferences _____ other networks?

_____ theDecrease _____ download _____ upload speed _____ of _____ neighboring networks?

Data _____ may _____ interference from surrounding networks.

Is it possible that _____ connections leads to a loss _____ data _____?

Is the _____ upload/download _____ due _____ neighboring networks?

_____ nearby _____ affect _____ speeds?

Do _____ affect _____ and _____ capabilities?

_____ speed loss could _____ interference.

_____ other _____ have _____ effect _____ our internet _____?

Is _____ is _____ down due to neighbors?

_____ that neighboring networks _____ interfering _____ our internet _____?

_____ networks affect my _____?

_____ it possible that _____ connection _____ falling _____ to network _____?

_____ transfer rates _____ if neighbors _____.

Do you _____ other networks _____ interfering with _____?

Our download and _____ are hindered _____ neighboring _____.

Is internet speed _____ to _____ networks?

_____ you think _____ decrease in internet _____ is because _____?

Is _____ interferences _____ download/upload _____?

_____ internet getting slower _____ of other net _____?

Can neighboring _____ an _____ transfer rates?

Is _____ in our _____ speed _____ network interferences?

_____ you believe that _____ speed _____ decreasing because _____ network _____?

_____ and _____ by interference from nearby networks.

Is it _____ that the networks _____ causing _____ and _____?

_____ internet speeds _____ be _____ by interference _____ networks.

_____ you think network interferences _____ causing _____ decrease _____?

Is interference _____ neighboring networks _____ our _____ speeds?

_____ there an issue with _____ by _____ from adjoining _____?

_____ nets _____ and downloads?

Is _____ the loss of _____ transfer speed is _____ nearby _____?

Is there _____ decrease _____ download and upload _____ networks?

Is neighboring _____ internet download _____?

I wonder if _____ surrounding networks _____ result _____ transfers.

Downloads _____ uploads _____ affected by _____.

Do _____ wi- _____ affect our uploading and _____

Is _____ and uploading _____ result of interfering networks?

Did neighbor _____ internet _____?

_____ think _____ are _____ with our internet speed?

Is _____ possible _____ the _____ in _____ is due _____ local networks?

Is _____ internet _____ messed _____ crappy neighbor _____?

Do neighboring _____ speed?

_____ it possible _____ our _____ networks _____ our _____ speed?

Neighbors may _____ and _____.

Is it possible _____ networks _____ impacting our _____ speeds?

Is the _____ upload _____ to neighboring networks?

_____ do _____ to _____ affect _____ download and _____ rates?

What _____ do to _____ and uploads rates?

_____ nearby _____ interferences _____ down our _____ uploads?

_____ our _____ affected by crappy _____?

_____ by peers affect _____?

_____ nearby network _____ uploading/downloading speed?

The _____ affect _____ speeds.

_____ possible that networks next _____ each _____ causing _____ download _____ speeds?

_____ interference _____ internet delays?

_____ it possible _____ network _____ limit the upload/download _____?

Do you _____ are _____ reason _____ the decrease _____ speed?

Do network interferences _____ uploads?

_____ think _____ dealing with neighbors who _____ data transfer?

_____ networks _____ download and _____ rates?

_____ connections _____ me in data _____?

_____ nearby network _____ reduced _____ uploading/downloading _____?

Is nearby _____ impacting _____?

_____ it possible _____ are _____ slower download _____ upload speeds?

Is _____ other networks _____ upload speeds?

Is _____ of slow downloads _____ from adjacent _____?

_____ interruptions cause a _____ in _____?

interferences _____ speeds?

_____ wi-fi _____ affect _____ uploading abilities

Do _____ we're _____ with _____ limit the speed of _____?

In _____ way _____ affect uploads _____ downloads?

Does _____ local networks _____ slower download and _____?

_____ possible that network _____ affect _____ and _____ rates?

_____ possible that neighbors _____ the _____ in _____?

_____ decrease in _____ download _____ to other networks?

_____ it _____ adjacent _____ affecting our connection speed?

Is _____ cause of decreased _____ a neighboring _____?

Is it possible _____ my _____ and uploads _____ of _____?

_____ come networks _____ affect _____ download and _____ rates?

Are _____ disrupting _____ download and _____?

Do neighboring _____ affect _____?

Do _____ and download?

_____ uploading capabilities are hampered _____ signals.

Can _____ data transfer _____?

_____ other _____ downloads or uploads?

_____ neighboring signals _____ it _____ to _____ upload.

I want _____ if interference from nearby _____ affect my _____.

_____ messing with our internet _____?

_____ and _____ can _____ by _____ networks.

Do you _____ from _____ networks _____ internet speed?

_____ transfer rate can _____ neighboring _____.

_____ wonder _____ other _____ slowing _____ downloads and uploads.

_____ nearby connections _____ my data _____?

_____ the decline in _____ speed a _____ interference?

Do _____ download _____ Upload rates?
 Should _____ download and upload _____ be _____ by interference _____?
 _____ it be that _____ affecting _____ connection's speed?
 Is _____ from nearby _____ going to _____ download _____ speeds?
 _____ the _____ in _____ download _____ result of interfering networks?
 Due _____ the interference from _____ and uploads suffer?
 Do _____ affect _____ downloads?
 _____ and _____ capabilities may be _____ by neighboring networks.
 _____ network _____ download and _____ rates?
 _____ it possible local network _____ the _____?
 _____ disruptions affect uploading _____?
 Is _____ networks causing drops _____?
 Is the network _____ our _____ and uploads?
 Is _____ interference from _____ networks _____ for my _____?
 Are network _____ and uploads?
 _____ possible that the adjoining _____ causing _____ download and _____?
 Is _____ me or those networks _____ close _____ down my _____ and _____?
 _____ from _____ networks _____ download and _____ rates?
 _____ speeds might _____ dropping _____ of interference between _____.
 Downloads _____ uploads _____ be _____ by _____.
 Could _____ decrease _____ transfer _____?
 How _____ our download and _____ disrupted _____ nearby _____?
 _____ interference _____ networks _____ slower downloads?
 _____ from neighboring _____ and uploading speeds?
 _____ our _____ due to _____ from other _____?
 Do _____ wi-fi signals impact _____ download _____?
 Are there _____ speeds?
 _____ networks affect _____ speed?
 _____ neighboring _____ cause _____ slower download and upload speeds?
 Is _____ networks a _____ in _____?
 _____ be that our internet _____ slow _____ nearby networks?
 Do _____ disruptions affect _____?
 Do you believe the _____ speed is _____?
 Is it possible _____ other networks _____ rates?
 _____ possible that _____ networks are causing _____ download _____?
 _____ be a loss of _____ to _____ interference.
 Is _____ uploads _____ due to interference _____ networks?
 _____ are hindered by _____ wi- fi signals.
 _____ nearby networks _____ downloads?
 Could _____ limit _____?
 Is _____ slowing downloads?
 Other networks _____ be effecting _____.
 _____ other _____ slowing _____ the _____?
 Is the _____ due to _____?
 Is interference _____ networks a _____ internet speed?
 _____ if interference from neighboring _____ is _____ download _____ speeds.
 _____ interference from _____ networks _____ for _____ downloads?
 Is _____ by _____ down internet connection _____?
 _____ from _____ networks limit uploading/download _____?
 _____ nearby connections _____ data _____ efficiency?

____ does ____ networks ____ download ____ uploading?
 ____ affect our ____ and uploading ____?
 ____ affected ____ the ____ network interventions.
 ____ nearby connections ____ effectiveness?
 Do ____ uploading and download capabilities
 ____ neighboring networks interfering ____ our internet ____ capabilities?
 ____ my internet experiencing obstacles due ____ other ____ sources ____?
 The ____ may ____ to interferences ____ by ____ networks.
 ____ it possible ____ downloads and ____ could be ____ nearby networks?
 Can ____ uploads and ____ by ____ networks?
 Is ____ that ____ affect ____ download and upload ____?
 Is ____ possible ____ loss of ____ is due ____ obstruction ____ wireless ____?
 ____ the ____ the download/upload speeds?
 ____ it possible ____ the adjacent networks ____ download ____ uploads?
 ____ from other ____ result ____ slower ____ transfers.
 ____ nearby ____ and upload speeds?
 Download and ____ by ____ networks.
 ____ interferences to ____ slower downloads?
 ____ interference ____ neighboring ____ slowing download and ____?
 ____ the ____ in ____ speed is the result ____ network interferences?
 ____ interference ____ a ____ slowing ____ and uploads?
 What do ____ do to our download ____?
 ____ is possible ____ networks are ____ and uploads.
 Is it possible ____ a neighboring ____ upload speeds?
 ____ you think ____ dealing with ____ that limit ____ rapid ____?
 ____ networks messing with ____?
 There ____ that affect download/upload ____.
 ____ with our internet?
 I ____ neighboring nets ____ affect ____ downloads.
 Are ____ with ____ internet ____ and ____ capabilities?
 ____ other ____ slowing ____ downloads and ____?
 Did ____ interferences ____ speeds?
 ____ the decrease in ____ upload speed ____ interfering?
 ____ local ____ affect our uploads ____?
 Is there ____ with slow downloads due ____ from ____?
 ____ by neighboring networks ____ an ____ our ____ speed?
 Is ____ possible that neighbors affecting ____ to ____ downloads?
 Is ____ internet ____ slower ____ of other ____?
 ____ neighboring ____ have an ____ on ____ and ____?
 Can other ____ affect ____ rates?
 Is ____ interferences ____ down downloads?
 ____ internet ____ could be the result ____ interference ____.
 ____ the slow ____ nearby networks?
 ____ interference ____ download ____ upload rates?
 Are ____ affecting ____ speeds?
 Is neighboring nets ____ uploads ____?
 Is ____ that the cause of decreased ____ rates ____?
 Are ____ with ____ internet speeds?
 I ____ if my ____ downloads ____ due to ____ interfering.
 ____ the transfer efficiency?

Is the _____ for slowing _____ the _____ uploads?

Is _____ that _____ networks _____ effecting our _____ and _____ speeds?

_____ that _____ connections affect _____ transfer rates?

_____ it _____ uploads _____ downloads suffer because _____ nearby networks?

_____ neighboring _____ with our Internet _____?

_____ nearby interferences _____ download _____?

_____ interferences _____ our download _____ rates?

Could _____ interferences _____ and _____ rates?

Is other networks _____?

_____ speed seems to be _____ by neighbor _____.

_____ internet _____ issues _____ of other net sources _____?

Can other _____ our _____?

_____ the internet speed _____ compromised _____?

Are _____ due to interference _____ neighboring _____?

_____ other networks _____ our _____ and upload speeds?

It's _____ that our _____ is affected _____ networks.

Is interference _____ the cause of _____?

_____ internet sluggish _____ interferences _____ other networks?

_____ network _____ download _____ uploading?

Is _____ that interferences _____ surrounding networks _____ slower _____ transfers?

Is _____ possible _____ the decrease in _____ of disruption from _____?

_____ neighboring _____ affect _____ and _____?

_____ possible that _____ from other _____ result _____ slower data _____?
