

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Scalability and expansion capabilities
Description	Customers are interested in learning about the potential for expanding and adding more devices or features to the telecommunications equipment as their needs grow or change.
Data Size	5,032 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ is the _____ adding more devices _____ this telecommunications equipment?
_____ max _____ for _____ on the telecom equipment?
_____ the _____ equipment _____ room for _____?
_____ maximum amount _____ devices that can be _____ the _____?
_____ there _____ more devices and functions _____ this _____?
How _____ capacity _____ included _____ the telecom equipment _____ add _____ features _____?
How _____ is the _____ adding more components _____?
Can I _____ communications _____ limit?
Is _____ able to _____ its device _____ features?
Can _____ expanded with gadgets?
_____ devices of _____ be added _____ telecom equipment?
_____ possible to _____ equipment _____ functions in a _____ gear?
_____ much _____ to be _____ to telecommunications equipment?
_____ the _____ of devices that can be _____ this telecom _____?
_____ your telecommunications _____ max _____ capacity by adding _____?
_____ capacity can _____ additional devices and functions in _____ gear?
How _____ devices _____ telecommunication gear _____?
What _____ can _____ for _____ and _____ in this _____ gear?
What capacity _____ made _____ fit _____ devices _____ the _____ gear.
What _____ can be made _____ in _____ devices and functions _____?
What _____ capacity _____ the _____ gear to offer _____?
_____ amount _____ capacity can you _____ to _____ equipment _____ devices?
_____ the max _____ of devices _____ can _____ added to _____ telecom _____?
Is there enough _____ expanded _____ or device _____ in _____?
_____ the _____ the space to _____ device _____ or feature set?
_____ of capacity can you _____ the _____ devices or features?
What _____ is there _____ equipment for additional devices _____?
Is _____ a _____ to what _____ do _____ telecom setup?

Is ____ possible to fit ____ a ____ for ____?

____ is ____ amount of ____ that ____ be ____ to telecom ____?

What ____ capacity ____ this telecom ____ add more devices?

What is ____ features that ____ be added to ____ equipment?

____ there ____ extra ____ to be accommodated in ____ gear?

____ many more ____ or features can ____ install ____ apparatus?

Is it possible ____ modify ____ gear ____ more devices ____?

Is there a ____ the ____ on ____ communications hardware?

____ be had ____ functions in telecommunications equipment?

How much ____ included in this telecom equipment ____ features ____?

____ much ____ is included in ____ telecom equipment ____ and ____?

____ capacity ____ accommodating ____ devices ____ functions in ____ gear.

What capacity can ____ to the ____ for ____?

____ capacity ____ be created ____ fit additional ____ and functions ____ the ____?

How much ____ add more ____ features to ____ telecommunications equipment?

How ____ features and ____ hold?

Is ____ limit ____ the ____ of features ____ can ____ telecom setup?

How many ____ can ____ provide?

____ capacity can ____ be in the ____ devices?

How ____ is ____ to the ____ equipment for more devices?

How much ____ is ____ equipment ____ more devices or ____?

How much ____ allowed to ____ in ____ telecom ____?

____ is the maximum ____ of ____ that can ____ to ____ telecom ____?

What ____ is ____ accommodating more ____ in ____ gear?

____ have enough ____ its ____ count or feature set?

What ____ we have ____ accommodating ____ devices ____ functions ____ gear?

____ the equipment ____ space ____ new ____ or add more ____?

What ____ can ____ utilized for additional ____ functions in ____?

____ capacity is included ____ equipment ____ more items?

Is there ____ the ____ devices included ____ the telecom ____?

Is ____ limit ____ the number ____ things one can ____ in ____.

____ there a ____ the number ____ devices ____ can be added ____ the ____?

____ gear ____ to ____ more devices and functions?

Is ____ limit ____ the number of features ____ your phone?

How ____ is the capacity ____ the ____ to ____ and functions?

____ capacity you can ____ the telecommunication ____ for more ____?

____ a ____ the ____ of ____ telecom gear to support extra ____ function?

How many ____ we install ____ apparatus?

Is ____ to how ____ can ____ integrated into a telecom ____?

____ much ____ allowed to ____ to ____ telecommunications equipment?

____ of capacity ____ in ____ equipment ____ add more devices and features?

Can ____ the ____ limit for ____ devices ____ features here?

Could ____ devices and ____ this gear?

How ____ or ____ this gear ____?

How ____ capacity ____ included ____ for adding ____ and features?

Is there a limit ____ the ____ can ____ into the ____?

____ this ____ accommodate ____ bigger device ____ or ____ set?

____ telecommunications device have a ____?

____ this telecomm equipment big ____ for additional ____?

____ capacity ____ the ____ gear ____ offer more devices ____ functions.

Is _____ cap _____ how _____ you _____ add to _____ stuff?
 _____ your equipment _____ out _____ capacity _____ more devices _____ features?
 _____ capacity _____ there for additional devices and _____ this _____?
 _____ can be _____ to _____ in the telecom gear?
 What _____ can be had for _____ gear?
 Is _____ equipment able _____ add more _____ features?
 _____ can be _____ to _____ devices and _____ the telecommunications _____?
 Is it possible _____ increase the _____ limit _____?
 Is _____ possible to put in _____ this gear?
 Is _____ to fit more _____ in _____ gear?
 What _____ additional devices _____ functions in telecommunications gear?
 What _____ capacity for adding _____ to this _____?
 How much is the _____ adding more components _____?
 _____ we scale up features _____ beyond _____ in communication _____?
 _____ for _____ gear to fit more devices _____ functions?
 What _____ the _____ gear to _____ devices and functions?
 What _____ of _____ is included _____ telecom _____ to _____ devices?
 What _____ maximum number of _____ that _____ added to _____ telecom _____?
 _____ much capacity _____ you _____ to your _____?
 What is the capacity _____ to _____ more _____ and _____?
 _____ it be _____ add _____ gizmos/ functions into _____ consoles _____ exceeding _____ thresholds?
 Does _____ equipment have enough capacity for expanded _____?
 Do _____ is _____ fit _____ devices and _____ in _____ telecommunications gear?
 _____ capacity can be _____ more _____ in _____ gear?
 Does the _____ room _____ new _____?
 Is _____ feasible to _____ and functions _____ this _____?
 How many _____ or _____ accommodate?
 _____ capacity is _____ the equipment _____ devices _____ features?
 _____ capacity can be _____ for _____ in _____ telecommunications equipment?
 What _____ will _____ in additional _____ functions in _____ gear?
 _____ equipment _____ enough room _____ adding to _____ device _____ or _____?
 Is _____ possible to upgrade _____ hardware _____ or features?
 What capacity can be made to _____ things _____?
 _____ telecomm equipment _____ for more?
 _____ possible _____ more devices _____ functions in _____ telecommunications gear?
 What capacity _____ in _____ telecom _____ for more _____?
 _____ possible _____ scale _____ features and _____ limit of communication gear?
 _____ it possible to _____ and _____ in _____ telecommunications gear?
 _____ there for _____ devices in _____ gear?
 Is _____ the things that can be _____ your _____ stuff?
 _____ gear _____ the capacity to accommodate _____ and _____?
 _____ much capacity _____ included _____ equipment to add _____ things?
 Will we be able to _____ more _____ telecom _____?
 Does _____ space _____ its device count or feature _____?
 _____ is _____ maximum _____ for _____ more _____ to _____ gear?
 What _____ maximum amount _____ add _____ this _____ gear?
 _____ much _____ can _____ added _____ equipment _____ more devices, features _____ the _____?
 Is it possible to _____ count or _____ this _____?
 Does this _____ space _____ adding more devices _____ new _____?
 How _____ the _____ of the telecommunications gear _____ extra _____ and _____?

What _____ additional equipment _____ this telecom equipment?
 _____ for _____ features or _____ in the equipment?
 Is it _____ add _____ devices _____ features _____ the telecommunications _____?
 _____ devices _____ functions be accommodated in _____ gear?
 Will it be _____ to _____ within _____ of the telecom _____?
 _____ much _____ are you _____ to add _____ the _____?
 _____ there _____ the equipment to expand _____ or feature _____?
 Is _____ to fit additional _____ functions _____ this _____?
 _____ capacity _____ added to the telecommunications _____?
 _____ limit to _____ be integrated into a telecom _____?
 _____ can _____ to fit additional _____ and _____ telecommunications gear?
 _____ available _____ devices and _____ in the gear?
 Is it possible _____ add _____ and _____ to _____ equipment?
 _____ there a limit _____ number of _____ that _____ be _____ into _____ telecom _____?
 _____ capacity is included in the _____ more _____ features?
 Is this _____ for _____ bigger device _____ or feature _____?
 _____ capacity can _____ created _____ and functions in this telecom _____?
 _____ much _____ to be added to equipment for _____ devices?
 _____ many _____ features _____ we install in _____ telecommunication apparatus?
 How much capacity is _____ the telecommunication equipment _____ more _____?
 Is _____ many _____ or features we can _____ this telecommunication apparatus?
 _____ is included _____ the telecom _____ more items?
 _____ be _____ to _____ other devices _____ functions _____ the telecommunications gear?
 What capacity can _____ functions have in _____?
 _____ is _____ capacity of the telecommunication _____ to support _____?
 _____ a limit _____ number of _____ can add _____ a telecom _____?
 _____ limit _____ what you _____ to your telecommunication equipment?
 What capacity can _____ additional devices _____ these _____?
 Would it be _____ the capabilities _____ this _____?
 _____ capacity of the telecommunications gear _____ offer _____ and _____ is _____.
 _____ big deal _____ capacity _____ the telecommunications gear _____ extra _____ functions.
 Is there _____ on adding extras _____?
 Is there enough _____ equipment _____ feature _____ or _____ counts?
 Is _____ limit _____ adding more devices _____ the _____?
 What _____ the _____ adding more devices _____ this telecom _____?
 _____ capacity _____ created for _____ devices and _____ in _____ telecom _____?
 _____ we _____ this telecommunications _____ for more things?
 How _____ capacity _____ to add _____ your equipment _____ more devices, _____?
 Is it possible to _____ your telecommunication _____?
 How large _____ a deal _____ the _____ the telecommunications _____ extra _____ and _____?
 What is _____ capacity _____ telecommunications gear _____ offer _____ functions?
 _____ equipment _____ room for a _____ or feature set?
 Can _____ tell _____ the _____ for _____ devices _____ this equipment?
 _____ is the capacity of this gear _____?
 How much capacity _____ in _____ equipment _____ add _____?
 To add more devices, _____ this telecom equipment?
 _____ space is available _____ this _____ extra _____ and functions?
 _____ capacity can be _____ devices and _____ in these _____?
 Can the _____ for _____ devices or functions _____ in this _____?
 _____ can be _____ additional _____ and _____ in the _____ gear?

_____ it possible _____ elements to be included _____ limit _____ gear?
 Is it _____ accommodate _____ devices and _____ gear?
 _____ this gear _____ more _____ or _____?
 _____ is the _____ to accommodate _____ devices and functions _____?
 What capacity _____ be made _____ more things _____ gear?
 _____ put _____ gizmos/ functions into these _____ consoles without exceeding _____ values?
 What capacity _____ made to _____ other devices _____ gear?
 Is there a limit on _____ of _____ be _____ into _____ telecom _____?
 _____ maximum _____ of devices _____ can add to the _____?
 Is there a _____ adding more devices _____ options _____?
 _____ capacity _____ be provided for _____ devices in _____?
 Is _____ limit _____ the _____ of extras _____ to the _____ setup?
 How big is the capacity _____ telecommunications gear _____?
 _____ we _____ up _____ devices beyond the limits _____ gear?
 _____ there _____ increase the feature/device _____ communications hardware?
 Is it possible _____ elements _____ the telecom _____?
 _____ to _____ more _____ in a telecommunications gear?
 What capacity _____ extra _____ and functions in _____ gear?
 What _____ of the _____ gear to give _____ functions?
 _____ the _____ to offer more than one device and _____?
 How _____ can _____ to the _____ equipment?
 What is the _____ telecommunications _____ to offer extra _____?
 How _____ capacity is included _____ equipment _____ add _____ and _____.
 _____ it possible to _____ telecom _____ with _____ features?
 Is it possible _____ hardware with extra _____ devices?
 How _____ capacity are _____ be _____ to _____ equipment _____ features and more?
 _____ can be made to _____ more _____ functions _____ the telecommunications _____?
 How _____ capacity _____ have to add more _____?
 Is it _____ to _____ more _____ functions in _____ telecommunications _____?
 Does the _____ have enough space _____ expand _____ feature set?
 _____ can be _____ to fit _____ in _____ telecom gear?
 _____ room for a bigger device _____ feature set?
 _____ capacity is _____ these telecommunications gear _____ additional _____ functions?
 Is there _____ limit on the _____ that _____ phone?
 Is the maximum capacity _____ this _____?
 _____ capacity _____ included in this telecom _____ more devices?
 What capacity is _____ devices _____ functions _____ gear?
 How much _____ included _____ Telecom equipment _____ devices?
 _____ devices _____ can telecom _____ hold?
 Is _____ left _____ the _____ expand _____ device count or _____?
 How _____ are you allowed _____ add _____ for more _____ or _____?
 _____ there _____ maximum _____ more devices _____ the telecom system?
 _____ the _____ capable of adding more _____ or _____?
 Is _____ a _____ to _____ amount of _____ do _____ this telecom _____?
 Can _____ functions be put _____ these comms _____ exceeding their _____?
 Does this equipment _____ expanded feature _____ counts?
 Is it possible _____ incorporate other _____ the _____ of _____?
 What capacity can be _____ in _____ telecommunications _____ devices _____?
 How much _____ in _____ telecom equipment _____ more _____?
 _____ capacity are _____ allowed _____ add _____ this telecommunication _____?

What ____ can ____ given to additional ____ and ____ in ____ ?
 Does ____ enough room ____ to its device ____ features?
 ____ a maximum ____ incorporating additional ____ a telecom system.
 Can you tell me ____ for adding ____ this ____ ?
 ____ this ____ enough ____ for adding ____ device count ____ feature set?
 ____ be ____ for additional devices ____ functions in this ____ ?
 ____ capacity ____ fit in other devices ____ functions ____ telecom gear.
 What ____ the capacities ____ additional ____ and ____ this gear?
 Will there ____ enough ____ for ____ bigger ____ feature set?
 ____ it ____ to scale ____ features ____ the ____ in communication ____ ?
 Is it possible to put ____ into ____ without ____ values?
 Is ____ a ____ to how many extra ____ the ____ setup?
 Is ____ possible to ____ devices beyond the ____ communication gear?
 ____ there ____ limit ____ one ____ integrate into a telecom setup?
 Is it possible ____ increase ____ hardware's ____ ?
 ____ there any ____ left ____ equipment ____ expand ____ count or feature ____ ?
 What is ____ capacity ____ telecommunications gear to support ____ ?
 ____ there ____ for adding ____ into this system?
 ____ much ____ is there for ____ or ____ on ____ equipment?
 ____ maximum amount ____ you can add to ____ ?
 ____ possible to upgrade this ____ hardware with ____ ?
 ____ is ____ capacity for extra functions ____ gear?
 What is ____ capacity ____ to offer more?
 Is ____ room left in this ____ more ____ ?
 What is ____ of ____ equipment?
 What's the capacity of ____ telecommunications ____ and other ____ ?
 Is this gear ____ of ____ extra ____ ?
 How big ____ of ____ telecommunications ____ to ____ more?
 Is ____ to ____ more devices and ____ a ____ gear.
 ____ there ____ how ____ devices ____ can put in this ____ apparatus?
 Is ____ to upgrade this ____ hardware with ____ features?
 Is there ____ limit to ____ with ____ telecom setup?
 Is it feasible ____ fit ____ in a telecommunications ____ ?
 ____ there ____ incorporating additional devices into the ____ ?
 ____ can ____ add ____ the equipment for more devices with ____ ?
 How ____ capacity ____ contained ____ telecom equipment ____ more ____ ?
 Could it ____ possible to ____ devices ____ in ____ telecommunications ____ ?
 ____ devices ____ telecom equipment hold?
 ____ of features can ____ added ____ telecom equipment?
 ____ you ____ the ____ for adding more components ____ gear?
 Is ____ possible ____ many more devices or features ____ ?
 ____ on ____ number of devices ____ be in the ____ system?
 ____ is the ____ of ____ added in a telecommunication gear?
 Can ____ add more features and devices ____ ?
 ____ telecomm equipment ____ for more ____ or features?
 ____ different devices can ____ accommodate?
 ____ much capacity ____ in ____ equipment to ____ and devices?
 ____ is ____ to be added ____ for ____ features and devices?
 What capacity ____ the gear ____ other ____ functions?
 How ____ more ____ we able to ____ in this ____ ?

What level of _____ you add _____ equipment?
 Would _____ gizmos and functions _____ the comms consoles _____ exceeding _____ thresholds?
 _____ additional features _____ devices _____ this _____?
 _____ the maximum amount _____ added to this telecom _____?
 What is the maximum _____ can add to _____?
 Is it _____ fit more _____ into a _____?
 _____ devices and functions be _____ gear?
 Does _____ equipment have _____ space to add _____ features?
 Is there room for _____ bigger _____ or _____ set _____?
 _____ you tell _____ the _____ capacity _____ more _____ to this _____?
 _____ capacity can be _____ to fit _____ additional devices _____ the _____?
 What _____ the _____ for additional devices _____ equipment?
 _____ is the capacity _____ telecom gear to _____ extra _____?
 Is _____ possible _____ increase _____ this telecommunications equipment _____ things?
 Does the equipment _____ to _____ the _____ count or _____?
 _____ possible to fit _____ functions within a _____ gear?
 _____ can be _____ additional devices and functions _____ gear?
 What is the maximum _____ additional _____ into _____ system?
 _____ it possible to fit more _____ into _____ gear.
 _____ is available for additional _____ on this _____?
 Is _____ of _____ to its device _____ features?
 How _____ features _____ be added to _____?
 _____ big a deal is _____ of _____ telecommunications gear _____ devices _____ functions?
 _____ much capacity _____ you allowed _____ the _____ equipment?
 What capacity _____ be made to _____ in _____ functions _____ this _____
 What _____ the _____ for accommodating extra _____ functions _____ gear?
 _____ be more _____ device of features added _____ the _____?
 Can _____ expanded capabilities _____ this _____ with _____ gadgets?
 _____ to increase _____ communications _____ features?
 How _____ capacity could _____ equipment _____ more devices?
 _____ is _____ maximum _____ of devices that you can _____?
 _____ fit in _____ devices _____ a telecommunications gear?
 _____ we _____ up features, _____ beyond the _____ of _____ gear?
 What is the _____ can _____ added to telecom _____?
 Does this _____ enough _____ a larger device _____ feature _____?
 _____ more devices _____ the gear _____?
 What is the _____ capacity _____ comm equipment?
 _____ of capacity is _____ this _____ add more devices?
 _____ is _____ for adding additional devices to _____?
 _____ is _____ maximum _____ adding _____ to telecommunications equipment?
 Do _____ the _____ phone-feature/gadget _____ your equipment?
 _____ room for _____ devices and _____ in _____ gear?
 _____ this _____ devices and functions?
 What _____ there _____ and functions in _____ telecommunications equipment?
 Is it possible _____ of devices and functions in _____?
 _____ this telecomm equipment _____ room for _____?
 _____ there _____ limit _____ the _____ of _____ that can be _____ telecom system?
 _____ be had _____ telecommunications _____ for more devices and _____?
 Can _____ devices and functions _____ in this _____?
 _____ have enough space to _____ new _____ increase device _____?

How big of _____ capacity of the communications _____ extra devices _____?

_____ there _____ limit to _____ number of _____ can _____ this telecom _____.

What _____ the _____ of the equipment to _____ devices _____?

_____ is the _____ the telecom equipment _____ offer _____ devices _____?

_____ this _____ enough room to _____ device count or _____ features?

_____ capacity can _____ for additional devices and _____ gear?

Is it _____ devices and functions _____ the _____?

_____ can _____ had for additional _____ in _____ telecommunications _____?

_____ is _____ capacity of the telecommunications _____ to support _____?

Is it possible _____ and devices _____ gear?

_____ capacity can _____ had _____ equipment for more _____ and _____?

Is _____ place _____ devices and functions _____ a _____ gear?

Is _____ for _____ bigger device _____ or feature _____ this equipment?

_____ of capacity is in this telecom equipment _____ more _____?

_____ can be added _____ gear to fit additional devices _____?

What _____ can _____ made available _____ devices _____ functions _____ these telecommunications _____?

_____ equipment _____ more than one device or _____?

Does the equipment have _____ to _____ new _____ or _____ device _____?

_____ is the maximum number _____ components that can _____ this _____?

Can we scale _____ features, _____ limit _____ communication _____?

Is it _____ in more devices _____ system?

Is there _____ to _____ many extra things _____ add to _____?

_____ it possible _____ more components to the _____?

Does _____ equipment offer _____ a bigger _____ count _____ set?

Is _____ more _____ and functions in _____ gear.

Can _____ additional devices?

Is _____ to expand the _____ devices, _____ gear _____ limit?

_____ be _____ to _____ in additional devices and _____ in this _____?

_____ it possible _____ features, devices, and communication _____ beyond _____?

_____ is the _____ of devices _____ added to this _____?

_____ this _____ expanded to include _____ devices _____ features?

_____ capacity is _____ telecom _____ to add features?

_____ the capacity to accommodate _____ devices _____ this _____?

Is _____ possible _____ put other _____ limits _____ the telecom _____?

_____ the _____ have _____ space for expanded _____ or _____?

_____ possible to add _____ gizmos _____ comms _____ without exceeding their _____?

There _____ limit _____ the _____ integrate into a telecom setup.

How big _____ the _____ of _____ telecommunications _____ to support _____?

Is _____ a limit _____ of _____ things _____ in the telecom setup?

How big _____ deal is _____ capacity of _____ gear _____ for _____ devices _____ functions?

how much capacity is _____ this _____ equipment _____ add _____ and _____

Is _____ possible for _____ system to _____ more _____?

capacity for _____ functions _____ these _____ gear?

_____ can _____ made _____ other devices in _____ telecom gear?

What capacity is _____ extra _____ and _____ equipment?

_____ can this telecom equipment _____?

Can we _____ features and devices _____ of _____ communication _____?

Is it _____ to _____ telecom hardware with extra _____.

What additional capacities _____ be _____ to _____ in _____?

_____ capacity _____ the _____ gear to _____ extra device _____ is an _____.

____ many ____ fit into the ____ contraption?
 ____ it ____ to ____ more ____ into ____ comms consoles ____ exceeding their ____?
 What amount ____ to ____ equipment for more devices, features ____?
 Is ____ limit ____ many devices ____ features we ____ have in this ____?
 Is ____ possible ____ within the ____ of telecom gear?
 Are ____ possible ____ more devices ____ telecommunications gear?
 Does ____ telecommunications ____ cap on ____?
 Can ____ up features, devices ____ limits ____ our communication ____?
 ____ it be ____ to add more ____ into these ____ their ____?
 What is ____ devices ____ to be added to ____ gear?
 ____ capacity ____ the telecommunications ____ enough ____ offer more devices ____ functions?
 What ____ be done ____ functions in these ____ gear?
 Is ____ possible to add ____ this ____ gear?
 ____ capacities can ____ made to ____ in ____ gear?
 ____ devices and ____ be added ____ this ____?
 How large is the ____ of ____ telecommunications gear ____?
 ____ and feature additions in this telecom ____?
 ____ much ____ be ____ to the ____ for more devices, ____ or ____?
 Does this ____ have ____ space ____ add a device ____?
 The maximum amount of ____ that ____ be ____.
 ____ it ____ to ____ features, ____ communication gear beyond the ____?
 How ____ allowed ____ be added ____ the telecommunication ____?
 ____ can be ____ to ____ more ____ in ____ telecommunications gear?
 How ____ capacity in ____ equipment is included ____ features?
 Is ____ able to add new ____ more ____?
 Is ____ possible ____ more ____ functions ____ telecommunications equipment?
 ____ a ____ number of devices ____ included into this telecom system?
 What ____ and functions can ____ added ____ telecommunications ____?
 ____ is the capacity ____ gear ____ more ____ and functions?
 What ____ number of ____ that can be ____ to ____ telecom ____?
 What ____ the maximum number of ____ can ____ telecom gear.
 What capacity can be provided ____ devices ____ telecommunications ____?
 Does this ____ has ____ room ____ device count ____ set?
 Is ____ to scale up ____ and devices ____ limits ____ gear?
 ____ capacity are you ____ to ____ to your ____ devices, ____?
 ____ this equipment ____ enough ____ more features or device ____?
 ____ much capacity is ____ in this telecom ____?
 ____ capacity ____ needed to ____ in additional devices and ____ gear?
 ____ more ____ and functions be added ____ telecommunications ____?
 ____ this ____ enough space ____ add to its ____ count ____ set?
 How ____ is the ____ of ____ gear for extra ____?
 How ____ the ____ the telecommunications gear ____ offer ____?
 ____ much more ____ telecom equipment ____?
 What is the ____ for ____ devices ____ equipment?
 ____ features and devices beyond ____ in your communication ____?
 Is ____ a ____ to how many ____ one can have ____?
 ____ capacity is ____ in this telecom ____ for more ____?
 Is ____ use more ____ functions ____ this gear?
 What ____ can ____ made to fit ____ devices ____ this ____?
 What ____ can ____ for ____ devices and functions ____?

_____ possible to _____ up _____ beyond the limits of _____ communication _____?
 How _____ capacity _____ equipment _____ add more devices _____ features?
 Does _____ telecommunications _____ a limit _____ the _____?
 What _____ be found in these equipment for _____?
 _____ much _____ is _____ equipment to add more _____ features?
 Is there _____ to _____ functions one can _____ into a _____?
 What _____ equipment hold _____ devices and functions?
 What capacity can _____ additional devices _____ the _____?
 _____ feasible to scale up features, devices beyond _____ gear?
 Does the _____ enough _____ for expanded _____ sets _____ counts?
 _____ capacity _____ telecommunications _____ enough _____ offer _____ devices and functions?
 _____ you allowed _____ equipment for additional devices or features?
 What is _____ capacity for _____ this _____ equipment?
 _____ made in the _____ gear _____ fit more devices and _____?
 _____ be made available _____ in _____ devices and functions?
 What capacity _____ be added _____ the _____ additional devices _____ functions?
 Is _____ any limit _____ or _____ we _____ install _____ this telecommunication apparatus?
 Does _____ equipment have _____ to have _____ device count _____ feature _____?
 How much _____ is allowed _____ telecommunications _____ for _____ devices?
 What capacity _____ for additional _____ functions _____ telecom gear?
 What _____ amount _____ devices _____ add to this gear?
 How much capacity can _____ add _____ equipment _____ devices?
 _____ capacity could _____ had for additional _____ in this _____?
 Is _____ possible to fit more _____ gear.
 What is _____ capacity of this _____ to _____ and _____?
 Can _____ and _____ be _____ to fit in _____ gear?
 What amount _____ capacity _____ included _____ equipment _____ add _____ devices _____ features?
 What _____ can be _____ more devices _____ this telecom gear
 What _____ to fit _____ more _____ and _____ in this telecom _____?
 _____ have _____ room _____ add _____ count or add new features?
 Will your telecommunications _____ out _____ if you _____ more _____ or _____?
 _____ capacity can be made _____ fit _____ and functions in _____?
 What amount of devices _____ accommodate?
 _____ to add _____ features to your _____ equipment?
 _____ capacity can be _____ for other _____ functions in _____?
 Can we scale up features _____ in _____?
 _____ it _____ fit more _____ a _____ gear?
 What capacity _____ be made _____ in more _____ one _____ telecom _____?
 _____ many _____ you _____ to this telecom _____?
 _____ it _____ even _____ devices in a _____ gear?
 _____ this equipment _____ space _____ bigger device _____ or _____ set?
 How much capacity can be made _____ fit in _____ functions _____?
 _____ added to the telecom equipment?
 What _____ had for _____ devices in _____ equipment?
 How _____ is allowed to _____ to the _____ for _____ features _____ more?
 _____ this equipment accommodate more _____?
 _____ capacity can be made to _____ devices _____ gear?
 _____ there a _____ to _____ many _____ we _____ in this telecommunication _____?
 _____ is the maximum _____ devices _____ added _____ the _____ gear?
 What _____ there for _____ functions in _____ equipment?

How _____ features are we able to _____ in _____ apparatus?
 _____ equipment have _____ for expanded feature _____ device counts?
 _____ this _____ room _____ a _____ device count or _____ set?
 How many _____ be included in _____?
 Is _____ a limit _____ devices included in _____ telecom _____?
 _____ maximum _____ for _____ on the telecom equipment?
 _____ to incorporate _____ elements _____ limits of telecom gear?
 _____ for _____ additional devices and functions _____ this _____ not _____.
 _____ is _____ additional _____ and functions in _____ equipment?
 What capacity _____ added to fit additional _____ functions in _____?
 _____ much capacity can _____ be added _____ for _____ devices?
 What _____ the _____ for adding more _____ this _____?
 What capacity can be made _____ other _____ and functions _____?
 What additional _____ and functions _____ be _____ gear?
 _____ significant is _____ capacity _____ the _____ to support extra device _____?
 _____ capacity _____ available for _____ devices and functions _____ equipment?
 _____ capacity _____ in the telecom _____ to _____ devices and _____?
 _____ might be _____ maximum _____ for _____ additional _____ this _____ system.
 Is _____ possible _____ additional _____ and functions in _____ gear?
 _____ capacity _____ be _____ devices and _____ in this equipment?
 _____ this _____ equipment _____ room for more features _____?
 _____ there _____ limit _____ you can add to _____ phone?
 What's the _____ capacity _____ additional _____ equipment?
 How much capacity _____ in telecom _____ more _____ and _____?
 Is _____ possible _____ fit _____ devices _____ telecommunications gear?
 How many _____ can _____ hold?
 _____ capacity can be found _____ devices _____ functions _____ equipment?
 _____ you have a cap _____ features _____ your telecommunication _____?
 What _____ is _____ for _____ this gear?
 _____ many things _____ the telecom _____?
 What is the capacity of the _____ more _____?
 What _____ be had for additional _____ in _____ gear?
 _____ I increase _____ device limit _____ my _____ equipment?
 What capacity could _____ fit in _____ devices _____ functions _____ telecom _____?
 _____ the telecomm _____ have _____ space _____ or features?
 Is _____ a _____ extras that _____ be _____ your phone?
 _____ capacity can we have _____ devices and _____ these _____?
 How _____ could _____ the telecommunications equipment?
 _____ have _____ threshold for incorporating additional devices _____ this _____?
 How many _____ features _____ the _____?
 We _____ know how _____ devices or _____ can install in _____.
 Can you add _____ and _____ your _____ gear?
 Is the telecomm _____ big enough _____ hold _____?
 _____ any capacity _____ accommodating extra _____ in this _____?
 How _____ is the _____ gear to _____ additional devices _____ functions?
 _____ limit to how many extra _____ one _____ integrate _____ this _____?
 A big deal is the capacity of _____ to _____.
 What _____ the capacity of _____ gear to _____ functions?
 _____ much is the _____ of the _____ to _____ extra devices _____?
 _____ have for _____ devices _____ functions in _____ telecommunications gear?

What capacity could _____ devices _____ these telecommunications gear?
 Would it be possible to _____ devices and _____?
 _____ capacity _____ extra _____ functions in this gear?
 _____ capacity can _____ fit in additional devices _____ in _____ gear.
 What extra capacity _____ be _____ fit in _____?
 What _____ can be have _____ devices _____ functions in _____?
 _____ the feature/device limit _____ my communications _____?
 _____ a _____ the _____ of _____ can add into _____ telecom setup?
 How _____ capacity _____ able to add to _____ telecommunications _____ more _____?
 What _____ be made to fit _____ things _____ the _____?
 Is _____ to _____ features, devices beyond what _____ in your _____?
 _____ capacity in the gear _____ additional _____ functions?
 _____ is _____ maximum _____ components _____ can be added in _____ telecommunication _____?
 _____ the _____ equipment hold many _____?
 Is the _____ for _____ functions in _____ gear?
 How _____ is the _____ of the Telecommunications _____ to support _____?
 Is _____ on how much you _____ add _____ phone _____?
 Capacity can _____ had for additional _____ telecommunications gear.
 What is the capacity _____ having more _____ one _____?
 _____ there _____ additional devices _____ functions in this equipment?
 How much capacity is included _____ telecom _____ more _____.
 _____ capacity can there be _____ the _____ for _____?
 _____ much capacity _____ be _____ to the _____ for _____ devices, _____ of the _____?
 Would _____ to _____ in the comms _____ without exceeding their _____?
 _____ capacity _____ be made _____ additional device _____ function in _____ telecommunications gear?
 How much _____ the _____ capacity _____ your _____?
 Can the telecommunications _____ expanded _____ or features?
 How many _____ have in this telecommunication _____?
 _____ there a _____ the number of things _____ add _____ phone?
 _____ it possible for this _____ to be expanded _____ terms _____ feature _____?
 _____ is _____ maximum _____ of _____ that can _____ to the _____ gear?
 _____ there a _____ number of things you _____ in _____ setup?
 _____ to scale _____ and devices beyond the _____ in your _____ gear?
 _____ equipment have _____ for adding _____ device count or _____?
 What _____ can _____ more devices and functions _____ the telecom _____
 _____ can _____ made to _____ more _____ one _____ in the _____ gear?
 _____ the _____ apparatus _____ on _____ many more _____ features _____ can install?
 _____ capacity _____ additional devices on the _____?
 _____ capacity _____ in more equipment in this _____ gear?
 What _____ does this _____ have _____ accommodating _____ devices _____?
 Is _____ possible _____ other _____ the limitations _____ telecom gear?
 _____ allowed to be added _____ equipment _____ more devices?
 _____ is the _____ of _____ in _____ equipment for _____ devices _____?
 _____ capacity _____ have _____ more _____ functions in the gear?
 _____ capacity can _____ the telecommunication equipment?
 _____ for _____ and _____ telecommunications equipment
 What _____ of capacity _____ to _____ added to the _____?
 _____ is _____ amount _____ that _____ be _____ to telecom equipment?
 _____ is the _____ for _____ this telecom equipment?
 _____ more _____ or _____ max _____ your gear?

_____ is _____ to fit _____ more _____ and _____ in the _____ gear?
 _____ _____ for additional devices and _____ in telecommunications _____?
 _____ tell me the maximum phone-feature/gadget _____ equipment?
 _____ capacity _____ available _____ the additional _____ and functions _____ gear?
 _____ the _____ a limit _____ number of extras _____ can integrate?
 _____ possible to add _____ gizmos/functions _____ these comms consoles _____ exceeding _____ threshold _____?
 Does _____ equipment have _____ room for _____?
 _____ the _____ a larger device count or _____ set?
 _____ more devices _____ the _____ your telecommunications equipment?
 _____ this _____ of _____ count or feature set?
 What capacity can _____ additional _____ in the _____?
 _____ capacity _____ for additional _____ and features _____ this _____?
 Is _____ to _____ elements within the capacity _____ telecom _____?
 _____ is _____ maximum _____ for features _____ devices on _____?
 Would it _____ to add _____ gizmos and _____ comms consoles _____ exceeding _____ threshold _____?
 What _____ to fit in _____ devices and _____ this gear?
 _____ we add _____ features and _____ to _____ telecommunications _____?
 Is it _____ to add _____ gizmos into _____ without exceeding _____.
 What _____ capacity _____ the telecommunications gear to _____?
 _____ gear accommodate more _____ functions?
 _____ to include _____ devices into this _____ system?
 Can there _____ in _____ telecommunications _____?
 What is _____ number _____ can _____ added to _____ gear?
 What _____ made to fit in more things _____?
 _____ capacity _____ telecommunications equipment have for additional _____?
 Can we _____ more _____ or features in _____?
 Is there a _____ threshold _____ adding _____ a telecom _____?
 _____ capacity _____ for more _____ and functions _____ telecommunications equipment?
 _____ be _____ to _____ in other devices and _____ in _____ gear?
 _____ be _____ and functions in _____ gear?
 What capacity _____ be had _____ functions _____ additional _____ in _____?
 _____ can be put _____ the gear for _____?
 Is _____ to the number _____ devices that can _____ incorporated _____?
 _____ is the capacity _____ functions in _____ equipment?
 What capacity are _____ devices _____ functions _____ the telecommunications _____?
 _____ gear capable _____ accommodating more _____ features?
 Is it possible _____ more _____ functions _____ gear?
 _____ capacity for additional _____ on telecom equipment?
 _____ is _____ limit for _____ new _____ to telecom _____?
 How big _____ the capacity of _____ telecommunications _____ to _____ and _____?
 _____ the telecomm equipment _____ room _____?
 What _____ made _____ fit _____ other devices _____ functions _____ the telecommunications _____?
 What is the _____ the communications gear _____ and _____?
 What _____ the _____ of _____ telecommunications equipment _____ extra device _____?
 _____ much _____ be added to _____ equipment for more _____?
 _____ the _____ machine _____ expanded with _____?
 Would it be _____ to add _____ into _____ without exceeding _____ threshold _____?
 Will _____ room to add _____ or increase device _____?
 _____ this _____ big enough _____ additional devices or _____?
 _____ be used for additional _____ these telecommunications _____?

_____ is _____ capacity _____ telecommunications gear to offer more devices _____ ?
 _____ capacity is _____ in _____ telecom equipment to _____ more _____ and _____
 What is the _____ of _____ gear to _____ for more _____ ?
 What is _____ of this _____ more devices?
 How much capacity _____ be _____ telecommunication _____ for more _____ ?
 What is the _____ Telecommunications gear to offer _____ functions?
 Is the _____ accommodating extra _____ this _____ ?
 How much _____ you _____ to add _____ the _____ or features?
 How much _____ is included in _____ to _____ ?
 _____ needed _____ fit in _____ devices and _____ in the telecom _____ ?
 _____ capacity can be _____ devices _____ functions in _____ equipment?
 _____ equipment have enough _____ for more _____ ?
 Does _____ capacity of _____ equipment _____ for _____ features?
 _____ it _____ to incorporate _____ within _____ confines of _____ gear?
 How big of a deal _____ the _____ to _____ devices _____ functions
 Is this equipment _____ larger device _____ or _____ set?
 _____ capacity _____ there for additional devices _____ functions _____ telecommunications _____ ?
 Do you know _____ many _____ be _____ telecom equipment?
 _____ it _____ to fit more _____ in a _____ ?
 What is the _____ of _____ to _____ this telecom _____ ?
 How many _____ devices _____ accommodate?
 _____ possible _____ scale _____ beyond the _____ in your communication _____ ?
 Is there a _____ what _____ can _____ telecom setup.
 _____ space for a bigger _____ or feature set?
 _____ we add more _____ equipment?
 _____ capacity _____ contained in this _____ for more _____ ?
 _____ this _____ accommodate _____ or features?
 _____ this equipment _____ room for additions _____ its _____ feature set?
 _____ is _____ maximum number of _____ be added to _____ ?
 _____ capacity _____ able _____ to the telecommunication equipment for _____ devices?
 _____ devices and _____ in these _____ equipment?
 _____ capacity can _____ additional _____ and functions in the telecom _____ ?
 _____ much _____ capacity of _____ gear _____ offer _____ devices and functions _____ ?
 Is it possible _____ and functions in a _____
 What capacity _____ accommodate more _____ and functions _____ this _____ ?
 _____ is _____ capacity of _____ equipment _____ more devices _____ ?
 _____ it possible to _____ additional _____ a _____ system?
 How _____ capacity can you _____ the _____
 _____ capacity can _____ additional _____ and functions in this _____ ?
 _____ is the _____ of _____ gear _____ accommodate _____ devices and _____ ?
 _____ functions _____ added _____ comms consoles without exceeding _____ thresholds?
 _____ capacity can _____ made _____ other devices _____ functions in this _____ ?
 _____ much capacity is _____ in this _____ or devices?
 _____ enough _____ expand its device count _____ feature set?
 _____ there a _____ adding _____ devices to _____ system?
 _____ telecommunications _____ max out _____ capacity _____ adding more devices _____ ?
 _____ capacity can _____ made _____ fit _____ for this telecom _____ ?
 _____ equipment have _____ expanded feature sets _____ device counts?
 What can be _____ devices _____ in _____ telecommunications gear?
 Is _____ capacity _____ accommodate extra _____ functions _____ this _____ ?

____ capacity ____ we have for additional ____ in ____ gear?
 What ____ the ____ of ____ more devices and ____ functions?
 ____ include ____ elements within the limits of ____ telecom ____?
 Is it ____ fit more ____ a ____ gear?
 Is ____ room in ____ equipment for ____ count or feature ____?
 ____ the ____ number of ____ that ____ be added to ____?
 ____ capacity ____ there ____ the gear ____ additional ____?
 What ____ the ____ amount of ____ can ____ this telecom gear?
 What is ____ amount of capacity in ____ to ____ devices ____?
 ____ be had for additional devices and ____ in ____?
 How ____ more ____ features do ____ have to install in ____?
 ____ is there to accommodate extra devices ____?
 ____ telecomm equipment ____ for ____ devices ____ features?
 Does the ____ have enough ____ for ____ and ____?
 ____ of a ____ the capacity of ____ telecommunications ____ extra ____ and functions?
 ____ you ____ me ____ limit ____ adding ____ elements to this ____?
 ____ limit to ____ number of ____ can make ____ the telecom ____?
 ____ you ____ how much ____ is ____ to ____ to ____ equipment for ____ devices?
 The ____ of devices that can ____ to ____?
 What capacity ____ this telecom ____?
 ____ there be ____ features added ____ this ____?
 How ____ features ____ this ____ equipment ____?
 Can additional devices and ____ this ____?
 ____ be ____ devices and ____ in the ____ equipment?
 ____ limit on ____ number ____ or ____ we ____ have in ____ telecommunication apparatus?
 What is ____ of ____ in telecom equipment ____ devices?
 What is ____ on ____ components ____ the ____ gear?
 ____ this telecom machine ____ expanded ____?
 ____ capacity of ____ telecommunications ____ to ____ extra devices and ____?
 Does ____ enough room ____ features or increase ____ count?
 What ____ the ____ gear to offer ____ devices ____ functions?
 ____ gadgets that can be added to ____ gear?
 What ____ can ____ fit ____ additional functions and ____ in ____ telecom ____?
 What ____ amount ____ devices that can be put ____ gear?
 ____ are ____ features ____ devices ____ this telecom ____ can ____?
 What ____ can ____ had in ____ telecommunications ____ for ____ and ____?
 What capacities can be ____ in ____ functions ____ this ____ gear?
 ____ capacity ____ be ____ fit into ____ devices ____ in the ____ gear?
 ____ it possible to ____ features, ____ the limit ____ communication ____?
 ____ the capacity ____ telecom gear to ____ more ____ other functions?
 ____ capacity can ____ for ____ in telecommunications equipment?
 ____ there a limit ____ of things one ____ integrate ____ telecom ____?
 How ____ additional ____ can we install in ____ apparatus?
 What capacity does ____ gear ____ for ____ functions?
 How ____ capacity ____ you ____ to add ____ more ____ and devices?
 ____ it possible to ____ more ____ functions ____ telecommunications gear?
 ____ capacity can ____ made ____ fit ____ more ____ in ____ gear.
 Is it ____ fit more equipment ____ telecommunications ____.
 ____ there ____ on the number of devices that ____ be included ____?
 Is ____ possible ____ expand ____ gear ____ more gadgets?

The capacity of _____ telecommunications _____ to offer _____ devices _____.

_____ much capacity can you add _____?

How much _____ of the telecommunications _____ to offer _____?

_____ the capacity of _____ gear _____ extra devices _____ functions?

_____ had for devices in _____ telecommunications gear?

Is it possible _____ features, devices _____ limits _____ gear?

_____ can be made _____ and _____ in _____ telecommunications gear?

_____ the feature/device _____ of my _____ hardware?

What _____ the maximum capacities _____ on this _____?

_____ it _____ upgrade the _____ hardware with _____ devices _____ features?

_____ conceivable to _____ more devices and _____ a _____ gear?

Is _____ possible to _____ the limit in _____ communication gear?

Is there a _____ incorporating _____ the telecom _____?

_____ had for additional equipment _____ the _____ gear?

How _____ is included in _____ equipment _____ more _____?

Is _____ possible to _____ telecom _____ devices/features?

_____ is _____ of capacity _____ can add to _____ telecommunications _____?

How _____ more _____ and features can _____ in _____ telecommunications _____?

Can _____ beyond _____ limits of _____ communication gear?

_____ done _____ more devices and functions in this _____ gear?

_____ know if there is _____ threshold for _____ additional _____?

What capacity could _____ for _____ in _____ gear?

_____ be possible _____ gizmos _____ functions into these _____ without _____ their thresholds?

What capacity does _____ for _____ devices?

What _____ can _____ be for _____ devices _____ in the _____?

_____ expand features, _____ beyond the limits _____ communication gear?

How big is the _____ of the _____ support extra _____?

_____ is _____ capacity _____ the _____ to _____ devices and functions?

What _____ can _____ in additional _____ and functions _____ the _____ gear?

_____ capacity _____ have for _____ devices and functions?

_____ be made for more _____ in this telecom _____?

_____ much _____ is _____ this _____ equipment _____ add more _____?

How _____ capacity _____ there be added _____ the _____?

How _____ allowed _____ be _____ to _____ telecommunications equipment.

Can you _____ me _____ much _____ can add _____ this equipment _____?

_____ capacity can _____ made _____ fit additional devices _____ functions _____ the _____

_____ capacity can you _____ the equipment for _____ features?

_____ the _____ equipment _____ room _____ more _____?

_____ can be made _____ devices _____ functions in _____ telecom gear?

_____ fit in additional devices and functions _____ telecom _____?

_____ is the maximum _____ that can be _____ telecom gear?

How _____ the gear to offer _____ and functions?

Do _____ have a _____ much _____ can add _____ telecommunication stuff?

Is _____ enough capacity in _____ gear for _____?

_____ up features, devices beyond the limits _____?

_____ tell _____ if there _____ cap _____ adding _____ features _____ your telecommunication stuff?

What _____ the max _____ be added _____ telecom gear?

How _____ are you permitted _____ telecom equipment?

_____ large of _____ deal is _____ capacity _____ the telecommunications _____ devices and _____?

_____ cap on adding more components _____ gear?

What is the maximum of _____ be _____ telecom _____?
 _____ this _____ equipment large enough for _____ features?
 Can you tell me _____ phone-feature/gadget _____ of _____?
 _____ the equipment _____ room _____ a larger _____ or feature _____?
 What _____ the _____ capacity included _____ this equipment to _____?
 Is _____ to fit _____ and functions _____ telecommunications _____.
 _____ capacity _____ used _____ for more devices or features?
 What _____ to accommodate additional _____ in telecom gear?
 _____ there a limit to how _____ integrated _____ telecom setup?
 _____ amount of _____ are _____ to add _____ the _____ equipment?
 How _____ capacity is _____ equipment for other _____ or _____?
 How much capacity _____ additional _____ on this _____?
 How much _____ is offered by _____ gear to _____ and _____?
 Is _____ a _____ for _____ more devices _____ system?
 _____ is the maximum capacity for adding _____ equipment?
 Can _____ equipment be expanded _____ use _____ and _____?
 Can _____ me _____ maximum _____ more devices _____ features to this _____?
 _____ possible _____ fit larger devices in _____ gear?
 _____ is there for _____ devices _____ functions in _____ telecommunications _____?
 _____ large is the capacity _____ the _____ gear _____ extra _____ and _____?
 _____ is _____ gear to hold _____ devices and functions?
 _____ the _____ space for _____ count or feature set?
 Is it _____ upgrade telecom _____ devices _____ features?
 _____ big _____ the capacity of _____ telecommunications gear to _____?
 _____ it possible to _____ elements within the _____ telecom _____?
 Does the _____ more devices _____ features?
 _____ more _____ to this telecommunications equipment _____ maximum capacity.
 _____ is the capacity of _____ support extra _____ function?
 What capacity can be made _____ in _____ telecom _____?
 _____ large is the _____ gear to support extra _____ functions?
 _____ is _____ maximum number of devices _____ be _____ this telecom _____?
 _____ a _____ for _____ devices into this telecom _____?
 Can _____ accommodate _____ devices?
 _____ the _____ can add to the telecom equipment _____?
 _____ this equipment have enough _____ new _____ or _____ counts?
 What _____ can be _____ for additional devices _____ equipment?
 _____ me if it is _____ fit more _____ functions _____ a telecommunications _____?
 What capacity _____ be added _____ additional _____ and functions _____ telecom _____?
 What _____ is _____ more _____ and functions _____ equipment?
 What is the _____ limit _____ devices _____ telecom _____?
 Can we _____ more _____ to _____?
 Is it possible to _____ in _____ and _____ a _____?
 _____ is the maximum _____ of _____ equipment?
 What _____ in the _____ for _____ devices?
 _____ it _____ this _____ to accommodate _____ and functions?
 Is it possible _____ incorporate other _____ gear?
 Can _____ equipment _____ enough space _____ expanded _____ sets _____ counts?
 Is it possible to _____ devices beyond _____ in _____?
 Does _____ telecommunication apparatus _____ on how _____ devices _____ features we _____?
 _____ it possible _____ add _____ devices _____ a telecommunications gear?

What _____ be had for _____ devices and _____ in _____ ?
 Will _____ be _____ more devices and _____ in _____ telecommunications _____ ?
 What _____ devices _____ the gear?
 _____ capacity _____ be found _____ these _____ equipment _____ more _____ and _____ ?
 _____ for features _____ telecom equipment?
 Capacity can _____ for _____ functions _____ these telecommunications equipment.
 Does _____ have room for _____ ?
 _____ capacity can be _____ telecom gear _____ additional _____ and functions?
 What capacity is _____ telecommunications _____ to _____ additional devices _____ ?
 How _____ capacity can _____ added _____ equipment?
 _____ big _____ deal _____ the Capacity of the _____ gear to _____ device and _____ ?
 Is it possible _____ devices and functions _____ this _____ ?
 Is _____ possible _____ fit _____ functions _____ devices _____ telecommunications _____ ?
 _____ capacity of the _____ gear _____ offer _____ and functions _____ question.
 How many additional devices _____ features _____ ?
 _____ the _____ of _____ telecommunications gear _____ accommodate extra _____ functions?
 _____ many devices or _____ we _____ in this _____ ?
 _____ many gizmos can _____ into _____ contraption?
 What capacity _____ fit additional _____ functions in _____ telecom gear?
 _____ there enough room _____ count _____ feature set _____ this equipment?
 Is it _____ scale _____ beyond the limits _____ your _____ gear?
 Is it possible _____ up _____ the limit in _____ ?
 How _____ is _____ of _____ telecommunications gear _____ support _____ ?
 Is the _____ more features _____ device counts?
 What capacity can be _____ in _____ in _____ gear
 _____ possible _____ up _____ devices beyond _____ current limits of communication _____ ?
 _____ capacity _____ be made to _____ in _____ the _____ gear?
 _____ the equipment _____ to _____ a bigger device _____ or feature _____ ?
 _____ the equipment have _____ a _____ device count _____ feature _____ ?
 _____ needed for _____ devices and functions _____ the _____ ?
 What _____ can fit in _____ in _____ telecom gear?
 Is it _____ to upgrade the _____ with extra _____ ?
 _____ the _____ amount of _____ add _____ the equipment _____ more devices?
 What capacity _____ used _____ devices _____ in these _____ equipment?
 Is _____ have more _____ functions _____ this gear?
 Does the _____ have enough _____ feature _____ device counts?
 Is it possible _____ devices in a _____ ?
 Is _____ enough _____ in _____ equipment to add _____ ?
 _____ we expand beyond the _____ ?
 Is _____ limit on _____ that you _____ to _____ phone?
 Does _____ enough _____ new _____ or _____ add more devices?
 _____ many devices or _____ this _____ gear _____ ?
 _____ is the amount _____ devices _____ be added _____ this _____ ?
 What _____ functions can _____ these telecommunications equipment?
 How much capacity are _____ permitted _____ to _____ equipment _____ more _____ ?
 What can be made _____ fit _____ functions _____ telecom gear?
 What _____ of _____ to telecom equipment?
 _____ capacity can _____ found _____ devices _____ in these telecommunications _____ ?
 How _____ devices or _____ the telecommunication _____ ?
 How much capacity is _____ equipment _____ more _____ and _____ ?

What is the _____ more devices and other functions.

Can _____ additional devices _____ this _____?

What capacity can there _____ devices and functions _____?

_____ possible to _____ more _____ a Telecommunications gear?

What _____ can _____ devices and functions _____ the telecommunications _____?

_____ the maximum amount of _____ be _____ to this _____?

Is _____ possible _____ features, devices beyond _____ in _____ gear.

_____ much _____ included in this _____ equipment for _____?

Is _____ a possibility _____ fit more _____ functions _____ this _____?

_____ is the _____ of _____ that can _____ to this _____ gear?

_____ is possible for _____ devices _____ functions in _____?

Can there be _____ devices _____ features in _____?

_____ a _____ how many extra things _____ into _____ telecom setup?

_____ possible _____ add more _____ to this _____ machine?

_____ capacity _____ be made to fit _____ telecom gear.

What _____ for the additional devices and _____ this _____?

_____ capacity of _____ telecommunications _____ to support _____ function large?

Is _____ possible to _____ more _____ and features to _____?

_____ can _____ made _____ fit in additional _____ in _____ telecommunications _____?

_____ is the maximum _____ on the telecom _____.

What _____ the max _____ features _____ this telecom _____?

Does _____ have room for _____ devices _____?

_____ capacity to _____ devices be increased _____ this _____ hardware?

What _____ had for additional _____ in _____ telecommunications _____?

_____ is _____ to _____ in _____ devices and functions _____ telecom gear?

Does the _____ have enough _____ new features _____ add _____?

Is it _____ to _____ other _____ within _____ telecom gear?

_____ possible to scale up features, _____ the _____ communication gear?

_____ possible _____ increase _____ capacity for _____ extras in _____ hardware?

How many _____ devices and _____ can _____?

_____ much capacity are _____ to add to _____ devices?

_____ capacity _____ in telecom _____ for more?

How big _____ capacity of the telecommunications _____ devices _____ functions?

_____ capacity can _____ add to the _____ or devices?

Is there a _____ to _____ of _____ one _____ in the telecom _____?

How much _____ are _____ to _____ to this _____?

How much capacity is _____ telecom _____ more device and _____?

_____ capacity _____ be _____ devices and functions _____ telecommunications equipment?

_____ hardware _____ more capacity for integrating extra _____?

Is it _____ for this _____ more devices?

_____ there _____ limit _____ things that can _____ integrated into _____ telecom setup?

Is _____ a _____ components in this telecommunication _____?

What is _____ capacity _____ handle _____ devices _____ functions _____ this _____?

Is there enough _____ in _____ to _____ more _____?

What _____ max phone-feature/gadget _____ for your _____?

What _____ the _____ adding _____ components to this _____?

_____ the limit _____ new devices to _____ telecom _____?

What capacity can be found for _____?

I _____ it is _____ to increase the _____ my _____ hardware.

Is it _____ fit _____ and functions in _____ gear?

Is it possible to _____ other _____ limits of _____?

_____ enough _____ in _____ telecom _____ for more devices or _____?

_____ much _____ included _____ equipment _____ more devices and features?

_____ to _____ more devices and functions _____ telecommunications gear _____ capacity _____ telecom equipment _____ for more devices?

Is there a way _____ device limit _____ my _____?

The maximum _____ of devices _____ added _____ telecom _____?

How _____ the _____ the telecommunications gear _____ support extra _____ and _____?

_____ features _____ be _____ Telecom equipment?

_____ is _____ telecom equipment to add features?

What capacity can be had _____ in the _____?

_____ the equipment have enough _____ to _____ more _____ or _____ number _____?

What capacity _____ made to fit more _____ functions _____?

How _____ included _____ this _____ equipment for more _____?

_____ accommodating additional devices and _____ in _____ is unknown.

What is _____ capacity for _____ on _____ telecom equipment?

_____ you add in _____ telecommunications equipment?

_____ maximum amount of _____ can _____ added _____ this _____ gear?

What _____ max for adding _____ devices _____ telecom _____?

Is _____ possible _____ add more gizmos _____ consoles without exceeding _____ values?

_____ is _____ this gear to hold extra _____ functions?

The _____ of the _____ gear to _____ and _____ a _____ issue.

_____ know the maximum phone-feature/gadget _____ equipment?

What _____ be done _____ devices _____ functions _____ this _____ gear?

What _____ be _____ these _____ for _____ devices and functions?

_____ have the _____ new features _____ add more devices?

What _____ the _____ amount _____ devices can _____ added _____ telecom _____?

_____ is the _____ more devices _____ this gear?

_____ there room _____ expanded feature _____ device counts _____ this _____?

How many _____ this _____ gear _____?

Can the _____ fit _____ devices _____?

_____ it _____ fit more devices and _____ in the _____?

_____ there any limitation on _____ and feature _____ this _____?

_____ equipment _____ add new features _____ increase its device count?

_____ capacity can _____ made to _____ this telecom gear?

How much capacity is there _____ in _____?

What capacity _____ be _____ in additional _____ and _____ in telecommunications _____?

Can _____ more _____ functions _____ a telecommunications gear?

_____ capacity is included in this _____ more _____?

_____ capacity is _____ to fit in _____ devices _____ functions _____ gear?

Is _____ include additional _____ this telecom system?

What _____ made to _____ additional devices _____ this telecom gear?

How much capacity is there in _____?

_____ can _____ had for more _____ functions in _____ gear?

_____ possible to _____ up _____ and _____ beyond _____ current limit _____ communication _____?

_____ much capacity _____ for _____ devices or _____ in _____ equipment?

_____ we able to scale _____ features, _____ limit in _____?

Is _____ possible _____ more devices and functions _____ a _____?

How _____ can this _____ hold?

How much _____ you allowed to add to _____ for _____?

Is there _____ the _____ of different _____ can be _____ into _____ setup?
_____ be _____ for additional devices and _____ these telecommunications _____?
What _____ can _____ had for additional _____ and _____ this _____?
Does _____ enough space _____ add new _____ or increase _____ count?
Can we scale up _____ limits of _____ communication _____?
How _____ capacity _____ in the _____ equipment _____ more _____?
Can _____ more devices?
_____ is _____ capacity _____ the telecommunications _____ extra devices _____ functions?
_____ can be done _____ and functions _____ this telecom gear?
_____ there enough room _____ the _____ to expand its _____ count _____?
Is _____ equipment _____ to _____ its device _____ feature _____?
_____ capacity can be _____ in _____ devices in this _____?
_____ it possible _____ additional devices in a _____?
Is _____ to fit in additional _____ in _____?
_____ can you add _____ telecommunications _____?
_____ it possible _____ scale _____ beyond the _____ your communication _____?
_____ additional _____ functions can _____ accommodated _____ the gear?
Is _____ possible _____ more _____ and _____ in a telecommunications _____?
Does _____ have room for a _____ device _____ or _____?
_____ maximum _____ you can put _____ this telecom gear?
What _____ maximum amount _____ to be added _____ telecom _____?
_____ is included _____ to add more devices and _____?
