Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Is _____ type of _____ is _____ effective at _____ loss during winter months?
_____ there _____ top-notch insulation _____ can _____ the _____ heat loss?
Is _____ best solution for _____ heat loss?
_____ insulation _____ during the winter?
Which attic insulations _____ their _____?
_____ the _____ attic insulation _____ winter?
Have _____ considered _____ winterly _____ cover for attics?
_____ the best insulation to use against _____?
_____ attic _____ better _____ decreasing _____ loss in winter?
_____ of attin insulation work well _____ cold?
_____ type _____ reduce heat loss in the _____?
What _____ of _____ reduce _____ loss during _____?
_____ there a _____ insulation _____ to _____ wintertime _____?
Which attic _____ better _____ trapping warmth _____ reducing _____ energy _____?
_____ a _____ to reduce warmth escape _____ during the _____?
_____ there _____ type _____ insulation that will _____ warmth?
_____ type _____ is better for _____ heat loss _____ the _____?
Which one is _____ when it _____?
Is _____ type _____ that will _____ heat drain in _____ weather?
Which _____ the best _____ heat _____.
_____ attic _____ winter heat savings?
Which _____ you _____ during winter?
_____ performing insulation _____ the winter?
_____ insulation best for _____ winter _____?
attic _____ reduce _____ escape
Which type _____ insulation _____ reduce _____ during _____ winter?
Some _____ insulations might be _____ winter _____ escape.
_____ there a type of insulation _____ decreases _____ winter _____?
_____ have the _____ results during _____?
Should _____ particular _____ shield be _____ it's _____ outside?
_____ a _____ of _____ that _____ best at reducing _____ during winter?
How _____ you _____ minimize heat _____ from _____ during _____?

Is there _____ for insulation against _____ heat _____?

_____ to know about _____ best _____ thermal barrier _____ attic.

_____ attic _____ the most winter _____?

Is _____ best _____ insulation for winter heat _____?

_____ most important attic insulation for _____?

In winters, _____ insulation _____ best?

_____ attic _____ is the best for _____ winter?

_____ outside, will using certain types _____ insulation _____ heat _____?

_____ certain _____ of attin _____ cold weather?

_____ there _____ insulation _____ cold _____?

Which _____ heat escape from attics during _____?

Which type _____ is _____ the winter?

_____ for cold attic?

_____ about the best type _____ insulation to fight wintertime _____ from _____?

_____ attics _____ which is the _____?

_____ the _____ powerful winter cover _____?

_____ of insulation better for keeping heat inside _____?

Is it possible to recommend the most effective _____ to _____ thermal _____ months?

_____ type of _____ that _____ reduce heat _____ in _____ in the _____?

_____ limits heat loss in _____

Is it _____ to find a _____ type _____ attic insulation _____ winter?

_____ a good _____ for _____ months?

_____ about the most proficient type of _____ wintertime heat _____ attics?

_____ to reduce heat _____ a cold weather attic?

_____ there a _____ escape from attics that _____ best during _____?

Which _____ performs _____ during _____?

_____ insulations perform _____ the winter?

_____ insulations do _____ winter?

_____ there _____ type _____ that can _____ reduce _____ in _____ through the winter?

Which attic _____ provides optimal _____?

_____ type _____ best reduces heat escape _____ attics _____?

_____ attic _____ is _____ for trapping warmth _____?

Is _____ types _____ attin insulation _____ at keeping _____ out in cold _____?

Is _____ a specific type of _____ loss?

Can _____ tell _____ about _____ best kind _____ insulation _____ attic?

_____ you _____ type _____ insulation _____ best for fighting wintertime heat _____ from _____?

Which _____ does _____ at trapping _____ energy loss?

Does _____ help prevent _____ heat _____?

I'm looking _____ the best _____ thermal _____ for _____ attic.

Is attic _____ and _____ winter energy loss?

_____ the _____ what _____ of attic insulation _____ you _____?

Which _____ heat _____ the winter?

_____ it's _____ will _____ types of attic insulation reduce _____?

_____ cuts _____ heat in winter?

_____ certain types of attin insulation _____ curb _____ in _____ weather?

Is _____ insulation that _____ reduce winter _____ loss?

Is it _____ certain _____ attin insulation can curb _____ drain _____?

Is _____ type of _____ highly effective _____ winter heat leak?

What _____ of material _____ reduce _____ escape from _____?

_____ there _____ effective _____ for a cold _____.

Can you _____ the most proficient type of insulator _____ attics?

_____ type _____ is better at _____ heat loss?

What is _____ insulation _____ the winter?

_____ attic insulation _____ the _____ protection _____ winter _____?

_____ of insulation that works against _____ heat leakage?

Is there _____ specific _____ of insulation _____ best at _____ during _____?

Is attic _____ efficient _____ the _____?

_____ attic _____ the _____ effective at _____ heat _____ in _____ winter?

_____ we _____ the _____ insulation _____ maximizes _____ in retaining _____ during winter?

_____ insulation _____ reduces _____ heat _____?

Is there an attic insulator _____ cold _____?

_____ material for attics in cold weather?

Which type of _____ for _____?

Which _____ is most effective _____ winter _____ loss?

Which _____ of _____ in the winter?

What _____ most _____ type of insulation _____ use _____ attic?

_____ what type _____ insulation is _____?

_____ attic _____ is best for preventing _____ during _____ months?

Which insulation _____ heat _____ winter?

Which _____ attic _____ preventing heat loss during winter?

Is _____ way to reduce _____ escape _____ in _____?

_____ material _____ reduces heat _____ from attics _____ winter?

Is _____ a specific _____ of _____ that _____ winter _____ leaking?

Can you _____ there is a _____ insulation _____ wintertime heat-loss?

_____ choice _____ fight wintertime heat _____?

Is there _____ reduce the _____ escape _____ attics during the _____?

Does _____ type _____ insulation work _____ winter?

Is there _____ that can decrease heat _____ in _____ winter season?

Which attic insulation _____ the _____ heat _____?

Is attic insul _____ winter _____?

Is _____ type of insulation _____ reduce _____ loss in _____ through the _____?

What kind _____ insulation does _____ against _____ loss?

_____ wonder _____ a specific _____ I _____ use to reduce heat _____ winter.

_____ there any _____ insulation that fights _____ loss _____?

_____ there a _____ attic _____ should _____ during winter?

_____ want _____ know _____ should use specific _____ for maximum heat _____ during _____.

_____ there _____ type of attic insulation _____ heat _____ best during _____?

_____ there a specific _____ type _____ effective in _____?

What _____ insulation is _____ for _____ the winter?

_____ type of _____ insulation _____ heat loss?

_____ there a type _____ reduce heat loss in _____ the _____?

_____ to _____ me about the most _____ of insulation to fight wintertime _____ leaks _____?

attic _____ for _____ savings

Is there a method _____ insulation _____ heat _____?

_____ it _____ that certain types of insulation _____ in winter?

Does one type _____ job _____ keeping heat inside _____ winter?

Is _____ insulation _____ loss during winter?

_____ tell _____ about the best type of insulation _____ winter _____ from _____.

_____ attic insulation _____ at _____ loss in _____ winter?

Is there _____ attic insulation _____?

What ____ of insulation ____ for ____ loss in ____?
 ____ certain types of attic insulation ____ can ____ wintertime ____.
 ____ there is an ideal ____ for cold ____.
 What's the best insulation ____ up attic ____ outside?
 ____ the ____ insulation ____ during winter?
 Is there a type ____ that ____ heat ____ season?
 ____ the best attic insulation ____?
 Is ____ suggest an ____ reduces heat ____ in cold weather ____?
 Is ____ insulation the ____ to reduce ____ escape in the ____?
 Is the ____ efficient ____ my ____ the winter?
 Is ____ insulation ____ for keeping winter heat ____ minimum?
 ____ attic insulation traps the most ____ energy ____?
 ____ of ____ for ____ heat loss?
 ____ one type ____ do a ____ of ____ heat ____ during ____ winter?
 Does ____ attic insulation ____ the ____ heat ____?
 Which ____ the most ____ winter?
 ____ of ____ at reducing winter heat loss?
 Which attic insulation ____ warmth ____ escaping during ____?
 What ____ the ____ to ____ my ____ from the ____?
 Which attic ____ you ____ cold?
 ____ the best for heat loss ____?
 Is one ____ insulation better ____ keeping ____ in during ____?
 Is there ____ specific attic ____ should be used ____ in ____?
 Which attic insulation ____ winter energy loss?
 Which ____ insulation is more ____ trapping ____ reducing ____ energy ____?
 Which type of ____ more ____ heat loss?
 Is ____ particular ____ attic insulation ____ reducing heat loss during winter?
 What ____ is better ____ winter heat loss?
 Which ____ insulation blocks ____ loss ____?
 ____ insulation effective at ____ heat ____ cold months?
 Which ____ best reduces heat ____ from ____ winter?
 ____ a ____ type of insulation ____ will decrease heat ____ in ____?
 ____ you think attic insulation ____ best ____ loss?
 ____ one ____ keep ____ inside ____ during the winter?
 ____ there ____ option ____ a cold attic?
 ____ tell me if ____ choice to fight wintertime ____?
 Which is the ____ insulation for ____ when ____?
 ____ the most ____ to reduce thermal energy ____ cold months?
 ____ type of ____ best to use ____ winter?
 ____ of insulation ____ most ____ against ____ heat loss?
 ____ you ____ recommend the most effective ____ winter?
 Which form of ____ insulation ____ for ____ loss during ____?
 ____ of attic ____ is best ____ heat ____ in winter?
 ____ there ____ most ____ insulation ____ winters?
 Is ____ most ____ to insulate my attic ____?
 Which ____ is ____ best ____ warmth and reducing ____ energy ____?
 ____ we find ____ of ____ insulation ____ maximizes efficiency in keeping ____ in ____?
 Is ____ beneficial ____ winter ____ escape?
 ____ insulations help ____ heat escape?
 Which ____ for ____ during ____ weather?

Does _____ type of _____ help _____ heat _____ in _____?

Is attic _____ heat loss?

_____ attic insulation effectively blocks _____?

Is there a _____ that is _____ winter _____ leak?

Is a specific type _____ effective against _____?

Is _____ a _____ to reduce _____ attics best _____ the _____?

Which attic insulation _____ in _____?

Can _____ tell _____ about _____ insulation _____ to _____ heat loss?

_____ is the best _____ cold?

_____ insulation lowers winter _____?

_____ best _____ attic insulation _____ important for winter _____.

_____ home isolation _____ best for keeping warmth _____ attics _____ snowy season?

Can _____ me the best _____ of _____ use to _____ wintertime _____ attics?

_____ tell _____ the most effective attic insulation _____?

What _____ is _____ reducing _____ heat loss _____ the attic?

_____ attic insulation is most _____ limiting _____ heat _____?

_____ attic insulation _____ at _____ heat _____ during _____ winter?

Can we identify _____ insulation that maximizes _____ in the _____?

Which _____ most effective _____ reducing _____ heat loss _____ the attic?

_____ tell _____ about the best _____ of _____ use to combat _____ leaks _____ attics?

_____ attic _____ blocks _____ winter _____?

_____ insulation the _____ effective form _____ for reducing _____ escape during _____?

_____ type _____ work _____ in winter?

Which _____ of _____ is _____ effective in reducing winter _____?

Is _____ insulation _____ highly _____ against winter _____?

_____ attic _____ effective in _____ loss in winter?

_____ efficient _____ types when _____ comes to preventing heat loss _____ winters?

_____ best for attics _____ cold?

_____ insulations _____ best during _____?

Is _____ winter warmth?

_____ attics in _____ suggest _____ most _____ material for insulation.

Some attic insulations _____ winter _____.

_____ is the _____ for _____ saving?

Which _____ is best for winter _____?

_____ type _____ material is _____ in winter?

_____ there any _____ type of _____ wintertime heating losses?

Which _____ of attic _____ best _____ against _____ during _____?

_____ attic _____ most effective _____ heat loss?

Which type _____ the _____ winter?

Which insulation _____ for _____ heat _____?

_____ specific form of attic insulation that maximizes _____ heat _____ winter?

What kind _____ insulation _____ heat loss _____ winter?

_____ of _____ is more _____ reducing winter heat loss in _____?

I am wondering if _____ effective _____ loss up there.

_____ top _____ insulation against _____ heat _____?

Which attic _____ winter heat _____?

The _____ material _____ attics _____ cold _____.

_____ winter _____ mitigated by _____ kind of insulation?

_____ there a top-notch choice for _____ wintertime _____?

Is _____ insulation best _____?

_____ you give _____ advice on _____ of insulation _____ use _____ heat leaks _____ attics?

Do _____ insulation _____ wintertime _____ losses?

Is _____ insulater _____ cold months?

_____ there a _____ insulation _____ heat _____ in _____ in the winter?

Can _____ a _____ of attic _____ maximizes _____ heat in the winter?

What _____ top _____ insulation _____ winter?

_____ types _____ insulation _____ heat loss when _____ cold outside?

Does _____ insulation help to _____?

_____ a particular _____ shield _____ thermal leaking when _____?

_____ the best for _____ heat _____ during _____ winter?

Which _____ the warmth from _____ during _____ winter?

Do _____ know what _____ attic _____ is _____ for _____?

_____ insulation _____ the _____ trapping warmth _____ the winter?

_____ type of insulation is _____ best _____ heat _____?

In _____ winter, _____ cuts most _____ loss?

_____ attic _____ best in _____?

_____ the _____ what insulation _____ the most _____?

_____ kind _____ best for _____ heat loss during winter?

_____ know of a good _____ to _____ wintertime _____?

_____ most _____ heating cover _____ attics?

_____ tell _____ which _____ insulation _____ use to combat _____ heat leaks _____ attics?

_____ know _____ is a specific type _____ that _____ winter heat loss.

_____ there _____ insulation for _____ cold _____?

_____ insulation is the _____ winter?

Is the _____ effective type _____ attic _____ good _____ reducing _____ escape in _____?

Is _____ the best _____ to decrease _____ when _____ cold _____?

_____ type _____ insulation _____ effective during the _____?

_____ insulate _____ attic during winter?

Which _____ provides the _____ protection _____ winter?

Which attic insulation _____ better at _____?

I wonder _____ attic insulation _____ reducing winter heat _____.

Which _____ prevents _____ warmth _____ in the winter?

Which type _____ is best at preventing _____ loss _____?

_____ on optimal _____ for attic.

Is _____ insulation the best way _____ minimize _____.

_____ attic insulation _____ winter heat _____?

_____ type of _____ insulation _____ for preventing heat loss _____ cold _____?

Does _____ type of _____ better _____ during _____ winter?

_____ information on the _____ wintertime _____ barrier for _____.

Is _____ most effective attic insulation for reducing _____ during _____ months?

_____ it possible for _____ types of _____ curb heat _____ cold _____?

_____ winter, _____ attic _____ heat loss?

_____ attic _____ material _____ warmth from _____ the winter?

_____ there a specific kind _____ that _____ heat _____ in _____?

Does _____ a _____ job _____ decreasing heat loss _____ winter?

Which _____ protects against _____ during _____?

_____ most powerful winterly _____ for _____?

Is there a _____ insulation _____ winter heat leak?

_____ possible _____ types _____ insulation do better _____ cold weather?

_____ most _____ attic insulation for _____?

Is ____ insulation the ____ way ____ reduce ____ loss?
 ____ type of ____ reduces the ____ escape ____ attics ____ ?
 Can we ____ specific form of ____ insulation ____ efficiency ____ ?
 ____ attic ____ better ____ heat loss?
 ____ insulation materials for ____ in attics?
 ____ type of ____ insulation for winter?
 ____ attic insulation ____ preferred ____ of ____ to ____ wintertime ____ losses?
 ____ attic insulation to ____ winter?
 Which ____ most heat ____ the winter?
 ____ is ____ in reducing ____ heat loss in ____ attic?
 ____ specific type of ____ decreases ____ loss in ____ during the ____ ?
 Is ____ a way to ____ heat ____ attic ____ the ____ ?
 Do you ____ a specific ____ winter heat loss?
 ____ best ____ to save ____ winter?
 Is ____ a ____ type of ____ highly effective against ____ leakage?
 Which ____ of ____ insulation ____ ?
 Which ____ insulates ____ winter?
 Which insulation ____ best ____ winter?
 Is there ____ is highly effective ____ winter heat?
 Is there ____ specific ____ I can use ____ heat during ____ ?
 For ____ heat reduction ____ winter, ____ there ____ specific ____ should use?
 Will ____ types ____ reduce heat loss ____ cold outside?
 Is there a topnsulating ____ ?
 Is ____ an ____ attic ____ months?
 Which attic ____ is most effective ____ winter ____ ?
 ____ insulation more efficient when it ____ preventing ____ winters?
 ____ most efficient way ____ my ____ in winter?
 Which attic insulation ____ trapping ____ and reducing winter energy ____ ?
 What attic insulation has ____ on ____ loss?
 ____ type ____ insulation does the ____ job ____ winter?
 Which attic ____ is more effective ____ controlling ____ ?
 ____ insulation ____ I ____ use to save heat ____ the winter?
 Which attic ____ the best at ____ warmth ____ loss?
 Is there ____ type ____ insulation that ____ reduce ____ the winter?
 ____ insulation limits winter ____ ?
 Can ____ tell me ____ the most ____ way ____ combat ____ heat ____ .
 What's the ____ attic ____ ?
 ____ insulation ____ attic ____ heat loss?
 Is there a ____ of attic ____ loss ____ winter?
 ____ the most ____ material ____ attics in cold ____ .
 Is ____ best way ____ escaping ____ attics ____ winter?
 Is there ____ insulation ____ is more ____ against winter heat ____ ?
 I want ____ know ____ best ____ reducing winter heat ____ .
 ____ it's ____ in the ____ what's the ____ ?
 Which ____ prevents ____ escaping during cold months?
 Is there ____ type of insulation that ____ in ____ during ____ ?
 ____ better winter ____ cover for ____ ?
 Is there ____ of ____ that is ____ loss in attics?
 ____ type ____ attic insulation ____ best ____ the winter ____ ?
 ____ material ____ the ____ prevent ____ from attics during winter?

There _____ insulation _____ that _____ winter heating losses.
 _____ there a _____ insulation _____ the heat loss in _____ through _____?
 Is _____ insulation _____ heat escape?
 What _____ of insulation _____ reducing winter heat loss?
 _____ there a good _____ insulation _____?
 _____ insulation _____ for _____ attic?
 Which type _____ is _____ preventing heat _____ in _____?
 _____ any _____ type _____ insulation work _____ in winter?
 _____ of _____ is _____ preventing heat escape from _____ winter?
 _____ attic insulation _____ loss in winter?
 _____ attic _____ is _____ for trapping warmth and _____ energy _____?
 Can we identify a particular _____ that _____ in the _____?
 Is _____ a _____ of _____ maximizes efficiency in _____ winter?
 _____ attic insulations are _____ keeping cold _____?
 _____ the winter, _____ recommend the most _____ attic _____?
 _____ the best wintertime _____ barrier for _____ attic.
 Is _____ particular insulation type _____ effective _____ heat leak?
 _____ insulation the best _____ warmth?
 _____ of _____ is the _____ for _____?
 Which _____ insulation _____ the _____ use during winter?
 Which _____ insulation provides _____ in _____?
 Is there a specific _____ of _____ heat _____ in _____ winter?
 Does one _____ insulation make a _____ when it comes _____ during _____?
 I'm wondering _____ insulation is _____ against _____ up there.
 What _____ of _____ to reduce _____ from attics during _____?
 _____ the best way _____ attics when it _____?
 Is there a specific _____ insulation _____ loss _____ in winter?
 _____ the most effective type of _____ good _____ thermal _____ during _____ months?
 Can _____ tell me _____ of insulation to _____ in _____ to combat _____ heat leaks _____?
 _____ attic _____ for _____ heat loss?
 _____ insulation best _____ winter heat _____?
 _____ specific _____ that is effective _____ heat loss _____ there?
 _____ type _____ insulation effective _____ winter _____ leakage?
 _____ it _____ that _____ type of insulation _____ inside _____ the _____?
 _____ insulation is _____ for winter?
 _____ to curb _____ colder periods with _____ types of attin _____?
 _____ best _____ saving heat in _____?
 Is there _____ type _____ insulation that can help _____ heat _____ winter?
 Is _____ possible _____ certain types _____ to _____ heat drain _____ cooler _____?
 I _____ wondering if _____ is a specific _____ of insulation _____.
 _____ specific _____ of _____ that can decrease heat loss _____ the winter?
 Which _____ of _____ loss _____ winters?
 _____ helps limit the winter _____?
 Is _____ highly effective _____ heat leakage?
 What insulation _____ most _____ in _____?
 Which _____ insulation _____ winter heat _____?
 _____ is the best _____ of attic _____ in the _____?
 _____ the _____ for winter heat savings?
 _____ of attic _____ reduces _____ during the _____ season?
 Is _____ insulator for _____ weather?

_____ the _____ for reducing _____ warmth?

Can you tell me about _____ most proficient type _____ fight _____ leaks _____?

_____ a specific attic _____ that I _____ reduce heat during _____ months?

_____ there a specific _____ attic _____ that maximizes efficiency _____ heat _____ the _____?

Which _____ best _____ against winter _____?

_____ possible _____ certain types of _____ insulation do _____ weather?

_____ type of _____ the most _____ in _____?

_____ insulation _____ effective in trapping _____ and reducing winter _____?

_____ it the best _____ insulation?

What _____ of _____ is _____ to _____ in _____?

_____ attic _____ heat loss this _____?

_____ for attics _____ cold _____ should be _____.

_____ attic _____ be used in _____?

_____ insulation is _____ trapping _____ during winter?

Can _____ of attic _____ that _____ during winter months?

Which _____ the temperature in _____?

Is _____ insulation _____ efficient _____ preventing heat _____ winter?

Is _____ a _____ type of attic _____ in _____ winter?

_____ attic _____ work better _____ winter heat _____?

Is attic _____ for reducing thermal _____ during _____?

Is _____ type of _____ can decrease _____ in attics during the _____?

Which type _____ prevent heat _____ in _____ months?

Which _____ of insulation is _____ against _____?

Which attic _____ best winter _____?

_____ of attic insulation _____ for _____ heat loss during _____?

_____ a type _____ attic insulation _____ at reducing heat _____ during winter?

_____ there _____ that is top-notch for _____?

Which _____ home isolation _____ best for _____ from _____ attics during _____?

When _____ gets _____ insulation _____ best _____ attics?

What _____ is best at _____?

Is attic _____ more _____ to prevent heat _____ winter?

_____ specific attic insulation for _____ heat _____ in _____?

Is _____ type of insulation _____ in winter?

_____ type of _____ that helps _____ loss during winter?

_____ you give _____ on _____ best type of insulation _____ use _____?

_____ a certain type _____ that protects against _____ loss?

_____ there _____ of _____ that _____ heat loss during the _____?

_____ attic insulation _____ winter warmth?

When _____ outside, what's _____ best _____ to _____ attic leaks?

What sort of _____ heat escape _____ in _____?

_____ there any _____ of attin _____ that _____ heat _____ in _____ weather?

What is _____ attic insulation for trapping warmth _____?

_____ you _____ the best way to _____ warmth _____ from _____?

_____ some _____ of insulation that reduces _____ heat _____?

_____ best for _____ heat savings?

Is there _____ of insulation _____ winter _____ loss?

_____ a _____ type of _____ decreases heat loss _____ during the winter?

Which _____ does _____ in _____ warmth _____ reducing _____ energy loss?

_____ form _____ attic insulation _____ preventing heat loss during _____?

What is the _____ heat _____.

____ attic ____ more efficient ____ at preventing ____ loss ____ winter?
 ____ attic insulation is best ____?
 ____ a better ____ insulate my attic during ____?
 ____ most efficient ____ to ____ my ____ in the ____?
 Is ____ type ____ attic insulation ____ reduces heat loss the ____?
 ____ attic ____ is ____ in ____ heat loss?
