

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Gas leak reporting and emergencies
Inquiry Sub-Category	Natural Gas Ignition Problems
Description	Customers report difficulties in igniting gas appliances, which may indicate underlying issues in the gas supply or appliance functionality.
Data Size	9,637 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Could _____ functionality be _____ difficulties _____ igniting natural _____?
_____ think that _____ faulty _____ with the natural _____ process?
_____ of gas _____ by faulty _____?
_____ my appliance can _____ preventing _____ ignition of _____ natural _____.
_____ the _____ damaged appliances causing _____ to _____ gas?
Is my _____?
_____ think _____ these _____ slowing down _____ gas ignition?
Is _____ ability _____ natural _____ by _____ with equipment?
Is it possible that faulty _____ more _____ ignite natural _____?
_____ in burning _____ may _____ to _____ in appliance _____.
_____ possible that _____ functions _____ gas ignite?
_____ causing _____ problem with the natural _____?
Is appliance problems affecting _____?
_____ possible that a _____ make _____ gas difficult?
_____ start _____ by a bad _____?
_____ to _____ natural gas affected by _____ equipment?
There may _____ malfunction that _____ natural _____ ignition.
Is _____ gas light up?
Is the ability _____ ignite natural _____ equipment _____?
It's possible _____ function _____ making _____ harder to _____ natural _____.
Is it _____ that _____ caused by _____ gas ignition?
_____ equipment might affect _____ to _____ gas.
I _____ these appliance _____ are _____ reason I'm _____ lighting _____ supply?
_____ ability _____ ignite _____ gas seems to _____ by _____ equipment.
Is _____ malfunctioning appliance making _____ natural gas?
Is it possible that _____ by _____ hinder successful _____?
Is _____ making it _____ for _____ gas to _____?
Can _____ problems with _____ natural _____ from faulty _____?
Are _____ natural _____ connected to _____ appliances?
_____ hard for natural _____ spark _____ the defective gear.

_____ that lights _____ gas is _____?
 Can faulty _____ functions be _____ it _____ ignite _____?
 Is it possible the _____ hard to _____ gas?
 _____ a _____ that malfunctioning _____ could disrupt _____ lighting?
 Is _____ the _____ caused _____ a faulty appliance?
 Are problems _____ gas caused _____ appliances?
 _____ appliance _____ issues _____ gas _____ success?
 Is it because these _____ gizmos _____ bad _____ not _____ my _____?
 Can a faulty appliance _____?
 _____ the hassle _____ NatGas due _____?
 Is _____ a _____ natural gas _____?
 _____ want to know if _____ the _____ I'm not _____ my _____ supply.
 A _____ device _____ from _____ fire?
 _____ wonder if _____ broken gizmos _____ preventing me _____ that _____ gas.
 _____ the natural _____ ignition _____?
 Is faulty appliances _____ in _____ gas.
 Is _____ caused _____ will hinder natural gas ignition?
 _____ could be impeded _____ appliances.
 _____ gizmo _____ be _____ for _____ not lighting up _____.
 _____ natural gas may _____ by _____ appliance function.
 Is a faulty _____ gas?
 Is the _____ gas linked to _____?
 _____ by malfunctioning equipment _____ affect _____ natural gas ignition.
 Is the _____ natural ga being impacted _____ operations?
 _____ appliance malfunction _____?
 Is it _____ appliance operations _____ the ability _____ ignite _____?
 _____ causes _____ lighting natural _____
 _____ is a _____ that _____ obstruct natural gas _____.
 Do _____ believe _____ process for natural _____ is _____ hampered _____ a faulty _____?
 _____ causing trouble _____ gas?
 Is it difficult _____ the _____ if the _____ malfunctioning?
 _____ a busted _____ be _____ for a _____ NatGas?
 _____ devices _____ interfering with natural gas?
 _____ may _____ the _____ fuel ignition
 _____ appliance _____ natural gas _____ success?
 _____ starting and maintaining gas _____ can _____ a _____ appliance.
 Is the ability to _____ by _____ equipment?
 The _____ natural _____ ignition _____ impeded by appliance _____.
 _____ igniting _____ is _____ by _____ up.
 Is _____ an _____ with _____ gas ignition?
 The _____ for natural _____ can _____ a faulty appliance.
 The equipment _____ igniting _____ gas fuel _____.
 _____ in _____ might be caused _____ appliance functions.
 Is _____ a problem _____ natural _____?
 faulty _____ the natural fuel _____.
 _____ appliance malfunction obstructing _____ ignition?
 Natural fuel ignition _____ be _____ is faulty.
 Is _____ appliance malfunctioning _____ causing _____ gas _____?
 Is _____ with faulty equipment disrupting _____?
 _____ appliance _____ gas start _____?

Is ____ broken ____ harder to ignite ____?
____ the ability ____ ignite ____ affected by ____ equipment?
____ natural ____ to faulty appliances?
____ to ignite natural ____ connected ____ malfunctioning devices?
____ there a ____ malfunctioning appliances ____ issues ____ igniting natural ____?
____ it ____ that natural ____ ignition can ____ hampered ____ function?
Is there ____ with the ignition ____ for ____?
Challenges in ____ natural gas ____ connected ____ faulty ____.
A faulty ____ be responsible for ____ easily.
Can ____ functions ____ natural ____ success?
____ for natural ____ to ____ nicely because ____ faulty gear.
Natgas ____ be ____ to ignite ____ appliance ____ correctly.
It's ____ malfunctioning appliances are ____ with ____.
____ a broken ____ cause the ____ to ____?
____ the ____ process ____ natural ____ hampered by a ____?
____ with appliance ____ that ____ affect gas ignition.
Is ____ gas ____ up appliance?
____ with ignite the natural ____ be ____ by ____ appliance.
____ malfunctioning ____ gas ignition?
____ a ____ affecting natural ____?
There ____ with ____ of natural ____.
____ defects disrupt ____ lighting?
____ a ____ affecting ____ ignition.
Will ____ be ____ to ____ the natural gas ____ malfunctioning ____?
____ busted gadgets ____ NatGas hassles?
Is appliance operations ____ ability ____ ga?
These ____ messing with ____ natural gas.
____ related to ____ and ____ with natural gas?
____ device connected to ____ ignition?
Is ____ possible ____ these gizmos ____ starting that ____ natural ____?
____ it ____ light the ____ due ____ malfunctioning appliances?
____ the ____ trouble lighting natural ____?
You ____ devices are interfering ____ gas ignition?
Is ____ to be difficult to ____ to malfunctioning ____?
____ with appliance ____ could ____ it hard ____ gas.
____ if ____ equipment is ____ fuel ____?
____ be issues with the device that ____ light ____.
____ might be messing ____ the ____.
____ the natural fuel ignition
Issues ____ it difficult to start gas.
____ ignition might ____ affected by ____
____ you believe that ____ faulty ____ is ____ ignition ____ natural gas?
It's ____ to spark ____ of the ____ in the gear.
____ ignition ____ affected by ____ with ____ functionality.
____ would be ____ if the ____ was malfunctioning.
Problems with appliance ____ gas ____.
____ mess making ____ to light the ____?
____ difficult for natural ____ to ____ of ____ in gear.
Are ____ connected ____ faulty devices?
Is the ____ damaged appliances ____ gas to ____?

_____ malfunction affect _____ proper _____ gas _____?

_____ are equipment issues _____ may _____ gas _____.

_____ thing _____ hard to light the _____?

Natgas would be _____ was not working.

_____ functions _____ making _____ difficult _____ ignite natural gas?

faulty _____ functions might _____ it hard _____ natural _____

_____ there difficulties in lighting _____ gas _____ malfunctioning _____?

_____ be _____ ability to ignite natural gas.

Is it _____ equipment could disrupt _____?

Do _____ a faulty appliance _____ with the natural _____?

_____ issues affect _____ gas ignition _____?

Is appliance _____ preventing _____?

_____ ignite with the malfunctioning appliance.

A _____ making trouble _____ gas.

_____ it a fault device that _____ gas _____?

_____ gas _____ success can be _____ by _____ function _____.

_____ gadgets cause _____ hassle with _____?

_____ is _____ gas ignition

Problems _____ natural gas come _____.

faulty _____ disrupting natural _____.

Problems with appliance _____ ignition.

Gas ignition _____ be _____ faulty _____?

_____ could _____ the success of natural gas.

Natural gas _____ impeded _____ malfunctioning.

A malfunctioning _____ may _____ affecting _____.

Is _____ reason _____ NatGas hassle?

There might be _____ fuel _____.

It's difficult for natural _____ to _____ in the gear.

_____ machine _____ is _____ starting gas hard?

_____ fume to spark nicely _____ there's faulty _____.

_____ ignition might _____ by _____ defects.

There may be issues _____ ignition.

Natgas can _____ hard _____ ignite _____ is malfunctioning.

_____ issue with natural gas caused _____ appliances?

Is _____ malfunction stalling _____?

_____ difficult _____ natural fume to _____ nicely _____ in the gear.

_____ a _____ appliance _____ hard to start and maintain _____?

_____ there a _____ causing _____ ignition?

_____ you _____ the ignition process _____ is affected by _____ faulty _____?

_____ that faulty _____ function is _____ problems with natural _____?

_____ there an _____ with _____ gas linked _____ malfunctioning _____?

Is the _____ to ignite _____ by problematic _____?

_____ it _____ that _____ natural _____ could be _____ to _____ malfunctioning appliances?

I _____ these broken gizmos are _____ me _____ sparking up _____.

_____ starting _____ gas _____ faulty appliances _____?

_____ question about _____ appliance malfunction is _____ natural gas _____.

_____ affect _____ ability to ignite natural _____ smoothly.

Is _____ possible _____ issues with _____ appliance are preventing proper _____?

Is _____ of _____ gas _____ faulty appliances?

Are _____ affecting _____ ignition?

____ may ignite natural gas _____.
 ____ it possible that ____ with ____ appliance _____ proper _____ natural gas?
 Is there a connection _____ and _____ natural gas?
 Is ____ any ____ in starting the _____ of malfunctioning ____?
 Do you _____ a faulty ____ is _____ of ____ gas?
 ____ the equipment _____ ignition ____?
 ____ there a chance that _____ with natural _____?
 Is there a chance _____ gas _____ malfunctioning devices?
 Bad ____ can ____ the start _____.
 These appliances might _____ with ____ natural _____.
 _____ the ignition process for natural _____ by ____ faulty appliance?
 Is ____ possible ____ problems ____ by ____ functioning will _____ ignition?
 The ability ____ ignite _____ be hampered by ____ appliance _____.
 _____ if faulty ____ function is _____ to ignite ____ gas.
 Is ____ possible ____ faulty _____ it hard to ignite natural ____?
 _____ function ____ natural ____ fire?
 Is _____ these gizmos are _____ from sparking ____ that ____ gas?
 Is malfunctioning ____ affecting _____?
 ____ starting gas difficult _____ machine?
 _____ are preventing me from _____ that blasted natural gas?
 Is ____ appliances _____ ignite ____?
 _____ causing ____ lighting ____ gas
 Is _____ that causes problems with the _____?
 There is _____ device that ____ natural gas _____.
 ____ bad appliance _____ start?
 ____ there _____ stopping gas spark?
 Is faulty _____ cause of _____ ignite ____?
 Problems with ____ gas ____ from _____?
 ____ may be issues ____ appliance functions _____ ignition.
 Can appliance _____ affect _____ of ____ gas?
 ____ it ____ that the start of natural _____ from _____?
 _____ busted gizmos are preventing me ____ generating that _____ gas?
 ____ gas might ____ kept ____ exploding _____ fault device.
 It's _____ appliances ____ issues ____ reignite the gas.
 Is ____ appliance ____ up _____ gas?
 _____ if these _____ are preventing me from sparking _____ gas.
 Fix _____ gas spark ____?
 This contraption _____ it hard ____ light ____ gas.
 _____ lighting easily _____ gizmo ____ blame.
 Is ____ a fault that _____ ignite?
 The equipment that ____ the _____ fuel ____ questioned.
 Is ____ appliances to blame _____ problems _____ gas?
 Is it ____ that ____ appliance ____ is ____ difficulties in _____?
 _____ appliance making ____ difficult _____ gas.
 ____ appliance _____ the success _____ gas?
 ____ with ____ natural gas _____ malfunctioning appliances?
 _____ appliance ____ could make ____ hard _____ natural gas.
 ____ with the ignite ____ natural ____ may ____ caused ____ a _____.
 ____ the _____ problems with natural ____?
 _____ ignition can _____ faulty functioning.

Gas _____ easily, _____ faulty gizmo _____?

I wonder _____ appliance _____ preventing _____ gas _____ lighting up.

_____ broken _____ it difficult to _____ gas?

_____ a _____ appliance prevent _____ lighting _____?

Do _____ the ignition _____ natural _____ hampered by faulty _____?

_____ the _____ to _____ our _____ ga being impacted by _____?

Natgas would _____ difficult _____ ignite _____ the _____ faulty.

Are _____ operations _____ to ignite our natural _____?

_____ start can be _____ bad _____.

_____ possible _____ a faulty appliance _____ preventing the _____ of _____?

Problems starting _____ gas can _____.

_____ faulty appliance _____ causing _____ natural gas?

_____ are _____ affect _____ success of natural gas ignition.

Could _____ faulty _____ be _____ for Gas _____ easily?

_____ with equipment _____ to ignite gas?

_____ can appliance _____ affect natural _____?

_____ it _____ gizmos are _____ me from _____ up _____ gas?

Problems with appliance _____ affect _____ start up _____.

_____ faulty _____ blame for _____ ignite gas?

_____ the _____ appliance gizmos are the reason _____ not _____ gas _____.

_____ the appliance _____ hard to ignite gas?

Is _____ that _____ affect _____ gas ignition success?

Problems _____ appliance _____ affect gas _____?

_____ there a _____ device _____ keeps _____ gas from _____?

_____ ignition success can _____ by appliance _____.

Is appliance _____ issue in _____ gas _____?

Can _____ with my appliance _____ making it hard _____ gas _____?

_____ when a _____ is broken?

_____ hard to _____ the appliance was not _____ well.

_____ it _____ to ignite the _____ gas _____ devices?

Is this contraption _____ gas and _____ it _____ light _____?

_____ is _____ natural fume to _____ nicely because _____ the _____.

_____ ignition can be _____ by _____ malfunctions.

Is appliance function a _____?

There was an _____ about _____ the _____ of _____ fuel.

Fix _____ with _____ appliance?

_____ may be a _____ malfunctioning devices _____ natural _____.

_____ this _____ and _____ it _____ to _____ the gas?

_____ could be _____ with _____ function that affect _____.

_____ might be affecting _____ ignition.

A _____ starting gas harder.

faulty _____ the natural fuel _____.

Is _____ affected _____ device.

Problems _____ gas can _____ caused _____ fault in _____.

Is _____ not lighting _____ to _____ faulty _____?

_____ the _____ to ignite _____ affected by _____ equipment

_____ machine _____ hard to start?

Could _____ faulty _____ be to blame _____ not _____?

Problems _____ be caused by faulty _____.

Is _____ with my gas?

Problems ____ ignite ____ be ____ faulty appliances.
____ broken ____ making ____ to ignite?
____ wonder if these busted ____ me from sparking ____ gas?
____ busted device ____ reason ____ NatGas hassles?
____ problems with ____ natural ____ be related ____ malfunctioning ____?
Proper ____ ignition may be ____ appliance ____.
____ appliance ____ causing natural ____?
Is natural gas ____ appliance ____?
Is there ____ problem with the ____ to ____?
Is ____ possible ____ broken ____ make ____ gas hard?
Can there be ____?
A fault ____ causing ____ gas
____ machines make ____ difficult to ____?
Is the ability ____ gas affected ____ equipment?
____ be disrupting ____ natural ____ ignition?
____ appliance ____ slowing ____ start.
____ was ____ about ____ that disrupted ____ igniter ____ gas fuel.
Is ____ that ____ will disrupt natural ____ lighting?
Are ____ a reason ____ NatGas ____?
A faulty gizmo could ____ to blame ____ gas ____.
Natural gas ignition ____ be ____.
____ possible ____ are preventing me from ____ that blasted ____ gas?
Is ____ my ____ from light ____?
Is ____ fault ____ causes trouble lighting natural ____?
Is ____ an ____ appliance that is preventing proper ____ natural ____?
____ the ____ machine ____ gas hard?
____ in ____ gas ____ be due ____ appliance function.
It's ____ fume to ____ due ____ faulty gear.
____ is possible ____ faulty appliances ____ difficulties in ____.
____ the problem ____ natural gas ____ by ____?
____ causing problems lighting ____ gas.
Could ____ appliances be ____ gas?
Problems with ____ function might ____ of natural ____.
Natural ____ ignition can be ____ if ____ caused ____
____ the ____ faulty ____ the ____ the natural gas?
____ any problems with ____ ignition process for natural ____ to ____?
____ to ____ gases due to malfunctioning appliances?
Can ____ cause ____ NatGas?
Natural ____ ignition might ____ equipment.
____ fault ____ keeps natural gas ____?
It ____ difficult ____ natural gas ____ nicely because ____ defects ____ gear.
It ____ hard ____ fume ____ nicely due ____ the defects in ____.
Is ____ malfunction preventing ____?
____ with ____ could ____ natural gas ____.
There are ____ in igniting the ____ due ____.
Is ____ natural ____ linked to ____ appliances?
____ affect the ability ____ ignite natural gas.
Is ____ causing an ignite ____ natural ____?
____ would be ____ ignite if ____ appliance is ____.
____ know ____ appliance gizmos are the reason ____ lighting my gas ____.

Is ____ device ____ gas ____?

Are the ____ in sparking ____ to faulty ____?

____ are impacting the ability to ____ natural ga.

Are ____ issues with ____ gas related ____ malfunctioning ____?

____ caused ____ faulty functions ____ be a problem ____ ignition.

Fix ____ appliance ____ gas ____?

Can ____ broken machine ____ very ____?

Is ____ that these busted gizmos are ____ that natural ____?

____ issues affecting ____ gas ____?

____ burning gas difficult due ____?

____ faulty ____ responsible for gas not ____ easily.

____ trouble lighting ____ gas

Is ____ a ____ with ____ process ____ natural gas because ____ faulty ____?

____ appliances ____ make it ____ to ignite the ____ gas.

____ hamper natural ____ ignite?

Does a ____ and maintaining gas ____ difficult?

____ appliance problems ____ affect ____ gas ignition success.

____ preventing gas ignition.

Problems with ____ gas may ____ caused by ____.

Problems that are ____ success of ____ ignition.

____ lighting ____ gas may be ____ by ____ faulty ____.

____ if ____ gizmos ____ preventing me ____ starting up ____ blasted natural ____.

____ cumbersome ____ are impacting ____ to ____ natural ga?

____ a problem ____ the natural gas ____ appliance?

Maybe these appliances ____ messing ____?

Problems ____ and maintaining ____ be caused ____ faulty appliance.

Problems ____ burning gas ____ be ____ to ____ appliance's ____.

Problem igniting ____ was caused ____ the ____.

____ a malfunctioning ____ affecting ____ ignition?

Can equipment ____ is malfunctioning ____ ignite gas?

____ you ____ these devices are preventing ____ natural ____?

____ it ____ that ____ with ____ appliance are preventing ____ ignition?

____ the ____ ignite natural gas affected ____ issues ____?

Problems ____ ignite natural gas ____ be ____ function.

Is ____ of natural ____ affected ____ appliances?

Is ____ hard to ____ fault in appliance ____?

There is ____ possibility that malfunctioning ____ natural ____

____ makes it ____ for ____ fumes to ____.

____ function could prevent gas ____.

____ with ____ gas may be ____ to ____ appliance ____.

____ are some issues with ____ that ____ affect ____ light ____.

____ be affected ____ a ____ device.

Problems in ____ gas are ____ faulty ____.

Is faulty ____ it ____ to ____ natural gas?

____ the appliance ____ problem ____ gas?

Is ____ possible ____ faulty ____ could ____ disrupting ____ ignition?

Is ____ any issues ____ device ____ hinders ____ gas light ____?

Is the ____ malfunctioning so that ____ gas ____?

____ with the ignition ____ for natural ____ due to ____ faulty ____?

Is a ____ gas?

Could ____ appliance ____ making it hard to ____ ?
 Maybe these ____ gizmos ____ reason ____ not lighting ____ gas ____ .
 Problems ____ igniting natural ____ may ____ linked to ____ .
 ____ it ____ gizmos prevent me ____ up ____ blasted natural gas?
 Could faulty ____ be making ____ natural gas?
 There are problems ____ to appliance ____ .
 Do ____ think ____ faulty appliance is ____ with ____ ignition ____ natural ____ ?
 ____ appliance function ____ be making ____ to ____ gas
 A successful ____ of natural gas ____ hampered ____ .
 ____ don't know ____ gizmos are ____ me from sparking up that ____ .
 Is ____ a ____ keeps natural gas ____ ?
 Issues with ____ function could ____ ?
 ____ a ____ device that ____ lighting natural gas?
 Is ____ natural ____ ignition ____ by ____ ?
 ____ possible that issues ____ are ____ gas from being ignition?
 I wonder if these ____ me ____ that blasted natural ____ .
 ____ the ____ gizmos are ____ from making that blasted ____ gas?
 ____ this ____ messing with ____ and making it ____ light?
 ____ natural gas is ____ fault ____ ?
 ____ ignite ____ supplied natural ga ____ impacted by ____ operations.
 A fault ____ gas ____ exploding?
 Is ____ issue with natural gas ____ appliances?
 ____ igniter ____ could be ____ appliance.
 ____ the ____ gas light up?
 Problems in ____ due ____ fault ____ the appliance function.
 ____ to ignite ____ the ____ is malfunctioning.
 ____ natgas would ____ tough ____ the ____ was malfunctioning.
 I wonder ____ gizmos are preventing me ____ up ____ natural ____ ?
 Is ____ that broken appliance ____ it ____ to ____ gas?
 ____ wonder if ____ with my appliance that are ____ proper ____ the ____ .
 ____ would ____ hard ____ ignite ____ appliance ____ not working.
 Is ____ and ____ problems ____ the gas?
 The ____ to ____ gas can ____ by ____ equipment.
 There ____ a ____ that malfunctioning devices ____ lighting.
 Is ____ device ____ reason for ____ hassle with ____ ?
 Is ____ making ____ to ____ the gas ____ the contraption?
 Are these ____ with the ____ ?
 There are appliance ____ can ____ natural ____ ignition ____ .
 You ____ making ____ to ignite natural gas?
 Is it possible ____ the ____ are ____ up ____ natural gas?
 ____ the broken appliance making ____ ignite ____ ?
 Is ____ hard ____ ignite the ____ due ____ malfunctioning ____ ?
 There is a ____ if ____ appliance is impacting ____ ignition.
 ____ ignition of ____ could be ____ by ____ with ____ function.
 natgas would be ____ to ____ the appliance ____ .
 ____ trouble lighting natural gas is ____ .
 malfunctioning appliances could ____ to ____ gas.
 Do you ____ ignition process for ____ gas ____ hampered ____ a ____ ?
 Problems ____ natural ____ stem from ____ appliances.
 Natgas would ____ to ignite ____ malfunctioning ____ .

_____ appliances a _____ in igniting _____?

_____ lighting _____ could faulty _____ responsible?

The ignition of _____ be _____ appliance functions.

Is there _____ appliance _____ gas _____?

_____ possible that malfunctioning devices could _____ natural _____?

_____ appliance _____ the gas start?

_____ functions affect _____ ignition?

_____ that _____ cause trouble in ignite gas?

_____ the _____ of natural gas igniting _____ malfunctioning _____?

Problems in _____ natural _____ faulty appliance features.

_____ the malfunctioning appliance _____ for natural gas _____?

faulty _____ be responsible for the gas _____.

Is _____ a _____ with my _____ that _____ natural _____ heating?

_____ a _____ appliance _____ natural _____ ignition?

_____ a fault device _____ gas from _____ fire?

_____ making gas _____ hard?

_____ the _____ a reason _____ the hassle with _____?

_____ might be issues with _____ that are _____.

_____ my _____ glitchy _____ with _____ gas?

_____ it _____ to _____ due to malfunctioning equipment?

Is _____ that _____ preventing _____ ignition?

_____ natural gas ignition _____ problems caused _____ faultyFunctionality?

_____ wonder if _____ appliances _____ it difficult _____ ignite _____.

_____ in ignite _____ by faulty appliances.

_____ there _____ in _____ that makes burning gas _____?

_____ natural gas prevented _____ issues with my appliance?

_____ ignition can _____ hampered by problems _____ technology.

_____ there a problem with _____ is preventing the _____ natural _____?

_____ difficult _____ ignite if the appliance was not _____.

_____ to ignite _____ gas connected to _____ devices.

Is _____ possible that broken _____ it _____ gas?

A fault _____ keeps natural _____?

_____ starting _____ hard _____ the machine _____?

Is it _____ that _____ my _____ are _____ proper _____ natural gas?

_____ a faulty _____ for _____ lighting easily?

Can _____ equipment disrupt the _____?

_____ jacked up appliance may _____ preventing _____ from _____.

I _____ gizmos _____ preventing _____ from generating that _____ natural gas?

_____ these appliance gizmos are _____ reason _____ lighting _____ gas supply.

_____ natural gas _____ be _____ to _____ because _____ appliances.

_____ these devices _____ also _____ proper _____ gas ignition?

Does the _____ for _____ gas to light _____?

Natural _____ can _____ affected _____ appliance _____

Problems _____ gas _____ to _____ appliances?

_____ faulty _____ hard _____ start the gas emissions?

Is there _____ with _____ gas and malfunctioning _____?

faulty _____ might be disrupting _____.

_____ equipment is _____ gas fuel.

_____ a _____ device _____ a reason for _____ hassle?

Is the _____ NatGas due _____?

_____ there _____ natural gas _____ faulty devices?
 _____ natural _____ be related to _____ appliances.
 _____ hard _____ ignite the natural _____ malfunctioning appliances?
 Issues with appliance _____ could _____ related _____.
 _____ malfunctioning _____ make it _____ to _____ gas?
 _____ that troubles in _____ natural gas _____ due to _____?
 Is _____ ignite _____ gas affected by problem _____?
 _____ gas _____ by a _____ appliance?
 _____ there _____ problem with _____ malfunctioning appliances are _____?
 A _____ device is _____ trouble _____ natural gas.
 Is it possible _____ appliances _____ problems in _____?
 _____ this _____ malfunctioning _____ making _____ hard _____ light the _____?
 The _____ be _____ natural gas.
 Could _____ it hard _____ ignite natural gas?
 Problems _____ are connected to _____ devices.
 _____ gas _____ be _____ to _____ due to _____ appliances.
 Does _____ function hamper _____?
 Logistical problems can _____ the _____ to _____.
 Is it possible _____ have difficulties _____ due _____?
 Gas ignition _____ be _____ appliances
 _____ the _____ ignite _____ supplied natural ga _____ by _____ appliance _____?
 Is it difficult _____ ignite the _____ malfunctioning _____?
 Is _____ appliance causing _____ problem _____?
 _____ ignites _____ if _____ up.
 _____ bad appliance _____ gas _____.
 _____ natural gas _____ to _____ appliances?
 Is the _____ sparking natural _____ malfunctioning appliances?
 _____ for _____ spark nicely because of faulty _____.
 _____ proper _____ gas _____ by _____ malfunction?
 _____ of natural gas could _____ by applianceFunctionality
 I wonder _____ appliances _____ hard to _____ gas.
 _____ equipment _____ be _____ gas ignition.
 _____ with the ignition process _____ natural gas _____ of a _____?
 Are problems _____ equipment _____ to _____ gas?
 _____ appliance _____ the ability to _____ natural _____?
 The _____ natural gas _____ be _____ applianceFunctionality problems.
 _____ ability _____ ignite _____ natural ga impaired _____ operations?
 _____ would _____ to _____ if the _____ was malfunctioning.
 _____ the gas due to malfunctioning devices?
 _____ caused _____ faulty _____ can _____ the _____ of natural _____.
 Is _____ natural _____ ignition?
 Is _____ faulty device _____ gas _____?
 Is it _____ starting _____ gas _____ faulty appliances?
 Could appliance functions _____ with _____?
 Is sparking _____ gas related _____?
 _____ appliance preventing _____ start?
 _____ would _____ hard _____ if the appliance _____ bad.
 _____ appliance operations _____ to ignite our natural ga.
 _____ are _____ with _____ that _____ ignition.
 A bad _____ affecting _____?

_____ appliance _____ makes it hard to ignite _____?

It's tough _____ fumes _____ spark nicely _____ defects in _____.

_____ natural gas problem _____ a _____ appliance?

_____ with _____ gas may be related to _____.

_____ might _____ affecting _____ ignition.

Is there a _____ faulty _____ and _____ gas?

_____ are some issues _____ device _____ impede natural gas _____.

Is it _____ that these busted _____ are preventing _____ gas?

_____ it possible _____ natural _____ stem from _____ appliances?

_____ appliance cause the gas _____?

_____ faulty appliance functions _____ making _____ hard _____ gas.

_____ think _____ things are _____ proper _____ ignition?

Is appliance _____ successful ignition of _____ gas?

The ability _____ be _____ by problematic equipment.

_____ appliance would make natgas _____.

Natural gas _____ be affected by _____ by _____

Is there _____ that _____ affecting _____ ignition?

The ability to _____ gas _____ could _____ affected _____ equipment.

Problems _____ starting _____ may _____ by _____ appliances.

_____ of natural _____ could be _____ applianceFunctionality problems.

_____ problem _____ ignite the gas?

_____ ability _____ ignite _____ gas _____ affected.

Is _____ ignite the _____ due to malfunctioning _____.

_____ natural gas might _____ hard _____ ignite because _____.

I wonder _____ are _____ ignition?

_____ broken machines _____ gas to _____?

_____ wonder _____ faulty _____ impacting natural gas.

_____ broken machine _____ start gas _____?

_____ appliances that can cause problems _____ lighting.

_____ a chance _____ malfunctioning _____ could _____ gas lighting.

_____ hard _____ natural _____ due to faulty devices?

Is _____ ignite Natural gas _____ equipment?

These _____ could _____ with _____ natural _____.

_____ if these busted gizmos are _____ that _____ natural gas.

It's _____ natural fume to _____ nicely because of _____!

_____ the ability to _____ supplied _____ by cumbersome appliance _____?

cumbersome _____ be _____ the ability _____ ignite our natural _____

_____ gas ignition affected _____ problems _____ faultyFunctionality?

Bad _____ hard to start _____.

_____ it possible that a _____ interfering _____ the _____ process for _____?

Cause _____ trouble _____ gas?

_____ possible _____ could cause _____ issues?

The ability to _____ natural _____ is _____

Can the broken _____ gas _____?

faulty equipment _____ the natural _____

_____ it possible _____ issues with _____ appliance _____ the _____ ignition _____ the _____ gas?

_____ is affected _____ appliances.

The success _____ gas may be _____ functions.

Is there _____ problem with _____ the _____ gas _____ a _____?

_____ appliance functions _____ ignition of natural _____.

____ a ____ appliance impacting ____?
 Do ____ failures affect ____?
 Can ____ machines ____ to start?
 Is the gas ____ the ____?
 ____ with gas ____ be caused ____ faulty ____.
 Natgas ____ hard ____ of appliance problems.
 Is ____ appliances ____ factor in ____?
 Can ____ equipment ____ to ignite ____ gas?
 ____ appliance making ____ to start ____?
 There could be ____ with appliance ____ gas ____.
 ____ it ____ that issues ____ my ____ are ____ the ____ from being ____?
 Is a faulty appliance ____?
 ____ be ____ to ignite if the appliance ____.
 ____ start might ____ hampered ____ bad ____.
 ____ fault device ____ trouble ____ natural gas.
 Issues ____ appliance ____ possibly affect ____.
 Possibly ____ equipment ____ natural fuel ____?
 ____ ignite ____ gas is affected by problematic ____
 There ____ about whether ____ appliance ____ interfering with ____ ignition.
 There ____ a ____ device that keeps ____ gas ____.
 Can a ____ machine ____ gas ____?
 The ____ of ____ gas ____ be hampered ____ appliance ____.
 ____ natural gas to ____ nicely ____ of ____ bad gear.
 Is it ____ to malfunctioning ____ and ____ natural ____?
 Problems ____ starting ____ gas emissions can be ____ by ____.
 ____ start ____ by ____ appliance?
 Do you ____ that the ignition process ____ gas ____ being ____ by ____?
 ____ there an ____ my appliance that ____ ignition ____ natural gas?
 ____ malfunctioning appliances are reducing ____ ignition?
 Can ____ device be the reason ____?
 Does ____ machine make starting ____?
 You think ____ these devices ____ gas ignition?
 ____ any ____ with the device ____ natural ____ light up?
 ____ it ____ the ____ can make ____ gas hard?
 Do you ____ a ____ the natural ____ process?
 You think ____ devices are ____ gas ____?
 ____ the ____ NatGas ____ by busted ____?
 Trouble ____ gas ____ acting up.
 Is ____ equipment ____ gas ignition?
 ____ equipment making it ____ to ____?
 Problems ____ ignite natural gas might ____ by ____.
 Natural ____ might be disrupted ____?
 Can ____ be disrupting ____ fuel ____?
 ____ these appliance gizmos ____ reason ____ not ____ my gas ____?
 ____ appliance functions ____ natural ____?
 I ____ a jacked ____ appliance ____ preventing my ____ from ____.
 ____ with appliance ____ could ____ it ____ to ____ gas.
 Proper ____ ignition ____ impeded ____ appliance ____.
 ____ with equipment could be ____ to ____ gas.
 There might ____ issues ____ function ____ could affect _____.

____ it necessary ____ fix ____ stopping gas ____?
 ____ with ____ could cause a ____ with ____ gas.
 ____ natural ____ ignition ____ there are ____ caused ____ faultyFunctionality.
 Problems ____ burning gas may ____ appliance's function.
 The ____ the gas ____?
 ____ malfunctioning ____ making ____ ignite gas?
 Any ____ with the ____ with ____?
 It's ____ for ____ fume to ____ nicely because ____ bad ____.
 Is ____ appliance ____ the ____ from ____?
 Is ____ possible to have ____ burning ____ a ____ in ____ appliance?
 It's possible that ____ appliances cause ____ that ____ gas ____.
 Problem igniting ____ due ____ up?
 Is appliance ____ causing ____ start?
 Does ____ functions ____ gas ignition ____?
 Is ____ appliance ____ from ____ up?
 ____ chance ____ malfunctioning ____ impede natural gas lighting?
 ____ it possible that ____ from ____ up that blasted natural ____?
 Is there ____ between ____ and ____ ignitent gas?
 There ____ be ____ burning gas ____ a fault ____ the appliance ____.
 Is ____ problem ____ affecting ____ gas?
 ____ the ____ to ____ natural Gas ____ problematic equipment?
 ____ faulty equipment ____ natural ____?
 ____ faulty ____ cause problems ____ gas?
 ____ be ____ by malfunctioning appliances.
 ____ with ____ appliance can ____ natural gas ____.
 ____ sparking gas due ____ up?
 ____ natural ____ issues ____ be ____ to malfunctioning ____.
 ____ wonder ____ are the reason I'm ____ lighting ____ gas supply.
 faulty ____ disrupting ____ fuel ____
 Is ____ harder ____ gas connected ____ faulty devices?
 Does ____ device ____ igniter?
 The natural ____ can be difficult ____ malfunctioning ____.
 ____ natural ____ ignition being ____ with ____ these ____ appliances?
 ____ ignition of natural gas ____ be ____ issues.
 Is a ____ ignition of ____?
 ____ broken appliance ____ it ____ be ____ ignite gas?
 ____ to ignite if the appliance ____ faulty.
 ____ may ____ linked to ____ issues.
 faulty ____ the ____ fuel ignition.
 ____ would be ____ to ignite ____ appliance was ____.
 faulty ____ function ____ be ____ it ____ to ____ gas
 You ____ think ____ devices are interfering ____ natural ____?
 faulty ____ could be ____ not ____ easily?
 Issues with ____ could cause ____ to be ____.
 Could ____ appliance functions ____ it ____ to ignite the ____?
 There ____ be ____ burning gas ____ to a ____.
 ____ appliances making ____ hard ____ gas?
 ____ appliance functions ____ making ____ hard to ignite natural ____.
 Natgas ____ if the appliance ____ not functional.
