

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Water conservation tips and advice
Inquiry Sub-Category	Outdoor landscaping tips
Description	This category covers inquiries related to water-efficient landscaping practices, including proper irrigation techniques, selection of drought-resistant plants, and use of mulch to reduce water evaporation.
Data Size	5,132 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

Do _____ perform _____ under conditions _____ rainfall may _____ limited during summer _____?
 _____ grass species _____ summer season _____ adequate rain?

If _____ rain a _____ the _____ what _____ the best _____ options?
 _____ grass _____ have better _____ during _____ of little _____.

Some _____ can _____ under limited _____.

Will particular grass species _____ summer _____ adequate _____?

Some _____ of _____ better _____ summer _____.

_____ grass _____ are best _____ rain?

_____ limited summer _____ can _____ grass types perform better _____?

_____ best during the _____ summer _____?

Do _____ have _____ dry summers?

Is _____ that _____ low watering during hot summers?

Which _____ varieties fare best _____ areas _____ rains?

Which _____ species _____ without _____ lot _____ in summer?

When _____ is scarce _____ summertime, _____ species _____ well?

Is _____ true _____ some grass _____ are _____ summer _____?
 _____ perform better in _____ summers?
 _____ can grow without _____ in summer?

Is _____ that _____ of the grass will _____ better _____ low _____?

During rainless _____ show better performance?

_____ that _____ grass varieties fare _____ the summertime?

There _____ some _____ varieties _____ do _____ in _____ of minimal _____.

Is _____ better at _____ limited _____?

Which _____ of grass _____ low _____?

Do _____ of lawn _____ less _____ during the summer _____?
 _____ different _____ types show better performance _____?
 _____ lawn grass _____ are _____ adapting _____ scarce summer _____?
 _____ grass _____ other grass in _____ dry summers?

_____ limited summer _____ can certain grass _____ others?

_____ grass types be _____ to _____ summer rains?

_____ it true that certain _____ of grass _____ summertime?

_____ there a specific _____ type _____ can _____ in _____ summer precipitation?

When _____ water in the _____ some _____ better than others?

Is _____ true that _____ grass have _____ weather _____ summertime?

What type of _____ can handle _____ in _____?

_____ types can _____ limited summer _____?

What effect _____ on grasses during summer _____?

Some _____ better _____ when there _____ little _____ rain.

_____ grass species have _____ resistance to _____ summers?

Is _____ possible _____ more _____ to summer rains?

Do specific _____ varieties _____ the summer _____?

Is _____ a specific _____ that _____ areas with reduced _____ levels?

Does the grass _____ little _____ in _____?

What _____ lawns _____ low _____ in the summer?

_____ there a chance _____ some _____ will _____ better under _____?

Can _____ grasses _____ more _____ weather during _____ summer?

_____ it possible _____ to beat others _____ with _____ summer rain?

_____ types handle _____ summer rains _____ than _____.

_____ grass _____ better _____ minimal summer _____.

_____ some _____ types _____ in the _____ when there's _____ water?

_____ is _____ during _____ do certain grass _____ excel?

Is _____ specific _____ grass _____ can excel in _____ with _____ summer _____ levels?

When _____ is hard _____ come _____ the _____ types stand out?

Is there _____ preferred _____ the areas that have _____ rainy _____?

_____ grass _____ better than _____ for limited _____ rain?

Is the _____ of grass _____ better with _____?

Are _____ any grass types that excel in _____?

_____ it possible for some _____ types _____ tolerate _____ the _____?

_____ lawn _____ improvement _____ dry summers?

_____ there a specific grass _____ that performs _____ with reduced _____?

_____ there _____ specific type _____ grass that does well in _____ precipitation _____?

Is _____ true that certain _____ of _____ enjoy _____ in _____?

_____ low _____ rains, _____ types of _____ fare _____?

Some _____ better _____ summer climates.

_____ certain _____ grass _____ under low summer weather?

_____ is _____ the summer, _____ grass is best?

_____ any grass _____ well without much _____ summer?

_____ grass _____ well in low summer _____?

_____ water is scarce in the _____ grass _____?

_____ specific grass varieties do a better _____?

Which _____ of _____ well _____ low summer _____?

Some grass varieties _____ performance when _____ summer _____.

Do you _____ of _____ takes _____ water in the _____?

_____ it _____ for some types _____ lawn _____ handle low _____ hot _____?

_____ varieties handle _____ rain _____ the _____.

Does _____ if there isn't much _____ summer?

Is _____ true _____ lawn _____ during dry summers?

Which grass _____ can _____ during a _____ summer?

Is ____ a specific ____ excel ____ areas ____ reduced ____ precipitation?
 ____ which ____ species can thrive without ____ water?

Will ____ species ____ through the ____ without ____ rain?

Is ____ possible ____ grass varieties have ____ performance ____ the ____?
 ____ grass species thrive ____ the ____ without ____ rain?

Which ____ fare ____ summertime rains?

Is there ____ performance ____ summer rain ____ certain ____?
 ____ summer rain ____ certain grasses?

Do certain strains ____ grass ____ over ____ surviving dry ____?

When faced ____ limited ____ can ____ grass ____ improve?
 ____ lawns can cope ____ little ____ the ____?

During ____ do ____ types ____ grass ____ better?

Which ____ can ____ through dry ____ to ____ options?

Is it true ____ grass have better ____ in ____?
 ____ a ____ species suitable for ____ summer rain?

Which grass varieties ____ driest ____?
 ____ strains of grass ____ dry summers?

Is it ____ some types ____ lawn to ____ watering ____ summers?
 ____ hard to ____ by ____ the ____ will some ____ types prevail?
 ____ grass performs best ____ the summer ____ water?

Is ____ chance that ____ do better ____ summer precipitation?

Will certain grass species survive ____ during ____?

Which grass ____ dry ____ better?

The ____ that show ____ dry summers.

Which types of grass ____ conditions?

In ____ low summer ____ are ____ grass types ____?
 ____ grass species ____ in rain-limited summers?

Does some ____ types ____ in ____ summer?

Is ____ type better ____ summer rains ____?
 ____ grass ____ for dry summers ____ other options?

When it doesn't rain ____ does ____ better?
 ____ types ____ grass ____ under low summer rain.
 ____ water is scarce in ____ summer, ____ grass ____?

What ____ can thrive ____ summer without ____ water?
 ____ grass ____ will ____ summer heat and ____ conditions ____ parts?

Can ____ grasses ____ more ____ rains?

Is grass better for ____ summers ____?

What lawns ____ keep up ____ little precipitation ____?
 ____ certain ____ types ____ others ____ with limited ____ precipitation?

Is ____ any chance ____ kinds of ____ will perform ____ low ____?
 ____ varieties ____ the dry summers?

Do ____ varieties have ____ during ____?
 ____ it doesn't rain much ____ the ____ there any ____?
 ____ better ____ summer climates.
 ____ might perform ____ under ____ summer ____.

____ it true ____ certain ____ of grass ____ suited ____ summer ____?
 ____ lawn variations show ____ improved ____ during ____?

Which types of grass ____ well ____?
 ____ faced ____ a ____ summer ____ certain grass types out ____?
 ____ types ____ perform best ____ no water ____ the summer?

Can some types ____ lawn have ____ in ____?

____ types ____ grass are best ____ days?

Do you ____ some ____ of grass are ____ in ____ spell?

Which grass ____ best in ____?

Which types ____ are ____ for ____ summers?

____ different ____ grass do better in ____?

What ____ varieties ____ during ____ summers?

When ____ is scarce in summer, ____ some grass ____ the ____?

Some strains ____ effective ____ dry summers.

____ summer ____ more than others?

____ faced with ____ weather, can ____ grass types ____?

Can ____ types handle ____ summer ____?

____ it ____ lot in ____ are the best lawn ____?

Does grass ____ in ____ there isn't ____ rain?

____ areas with ____ summertime ____ which ____ varieties ____ best?

____ better ____ with limited summer rain?

____ faced with ____ rains ____ certain grass ____ others?

Can certain ____ do ____ in ____ summer than ____?

Is ____ possible for some types of ____ low ____ during ____.

____ produce ____ best results in ____ summertime rains?

Is the performance of different ____ restricted ____?

Will ____ thrive through the ____ without adequate ____?

Is ____ a specific ____ that thrives in ____?

Can ____ types ____ better ____ faced with ____ rain?

____ grass ____ better ____ summer rain.

Which ____ varieties ____ survive the ____?

What are the ____ for ____ with reduced ____?

____ limited ____ affect ____ grasses?

Some ____ species ____ less ____ the summer.

In low ____ types more resistant?

____ lawn variants ____ during dry ____?

Different types of ____ in ____ summers.

Do certain ____ perform better ____ as much ____?

____ can ____ in the summer ____ water?

Is ____ a preferred ____ grass in areas with ____?

Some ____ lawn can ____ difficult ____ hot summers.

____ certain ____ perform ____ under summer ____?

____ it possible ____ some ____ are ____ tolerant ____ summer ____ others?

____ it ____ that some ____ types handle ____ than others?

____ different types ____ grass perform ____ the rainless ____?

Is there a ____ some ____ grass ____ perform ____ during ____ summer?

____ it ____ some types of lawn ____ low ____ in ____ summer months?

Which ____ of grass ____ under low ____?

When ____ scarce ____ the summer, do particular ____ species ____?

Do ____ show better performance ____ rainless ____?

Some ____ types ____ summer rain ____ others.

____ strains ____ during dry summers?

____ summer precipitation ____ certain ____ differently?

____ best in dry summers?

When ____ is ____ summer, ____ grass species excel?

____ it ____ that some grasses ____ water shortages during the ____?
 Which ____ types adapt better ____?
 ____ summer precipitation ____ can benefit from ____ grass types.
 ____ it true ____ certain ____ variants show ____ during ____ summers?
 Which ____ grass is ____ dry summers?
 ____ grass varieties can ____ summers?
 ____ rain ____ some ____ types more resistant?
 ____ does well ____ without much rain.
 Does ____ of summer ____ grasses differently?
 ____ grass do well with little ____ the ____?
 ____ types ____ grass ____ you ____ do ____ under ____ summer conditions?
 How ____ diminished rain affect ____ months?
 What strains ____ grass are ____ summers?
 ____ might ____ better under ____ rains.
 ____ species that is ____ that don't get ____ lot ____ summer rain?
 Do ____ grass ____ fare better ____ hotter ____?
 In low ____ rainfall ____ grass types ____?
 ____ specific ____ perform ____ limited summer rain?
 Is ____ possible ____ specific ____ types that ____ well ____ with reduced summer ____?
 ____ areas with reduced summer precipitation ____ recommend ____ grass ____?
 ____ some ____ respond ____ to low ____ rain?
 ____ variant ____ improved performance during dry ____?
 Do ____ kinds ____ grass give ____ during rainless ____?
 ____ grass ____ better in the ____ much precipitation?
 What ____ able ____ little precipitation in the ____?
 ____ specific ____ thrive ____ summer without adequate rain?
 ____ are ____ effects ____ less rain on ____ the summer ____?
 Which lawn grass ____ Adaptable ____ scarce summer ____?
 Is it ____ variants show improved ____ during dry ____?
 ____ with limited ____ precipitation can ____ grass ____ surpass ____?
 Is it true that lawn ____ performance ____?
 Is ____ chance that some ____ grass ____ better ____ low summer ____?
 When ____ dry summer ____ turf strain shines ____ best?
 Does specific grass varieties ____ when ____ rain?
 ____ grass species ____ in the ____?
 ____ are the ____ of ____ grasses during the ____?
 Is ____ any ____ between limited ____ and ____ grasses?
 ____ lawn variations show improvement?
 Is ____ a ____ that some ____ of ____ will do ____ rains?
 Is ____ possible ____ different kinds ____ grass ____ during rainless ____?
 When ____ limited summer ____ can certain ____ types ____ others?
 When faced ____ rain is ____ types better than ____?
 Is grass ____ low ____ rains?
 Is it ____ strains of grass ____ in surviving dry ____?
 Which ____ of ____ perform ____ is little water in ____?
 Does ____ limited ____ affect grasses ____ than ____?
 ____ preferred type of ____ for areas with ____ summers?
 ____ certain strains ____ grass ____ effective than ____ dry ____?
 Do certain grass ____ there ____ much rain?
 ____ grass types that ____ in ____ with ____ summer precipitation?

____ types of ____ work well ____ ____ weather?
 Is ____ suited for ____ precipitation?
 When ____ summer rain, can certain ____ win?
 ____ some ____ have ____ weather ____ the summer?
 ____ it ____ rain much ____ summertime, are there ____ options?
 ____ it ____ that ____ certain ____ more than others?
 Which ____ varieties ____ last through ____ ?
 ____ different ____ superior during rainless ____ ?
 Are there ____ grass types ____ in ____ summer precipitation levels?
 ____ it's hot, can some ____ lawn ____ watering?
 ____ effect ____ diminished ____ the summer ____ on grasses?
 Is there ____ that ____ will perform ____ under low ____ ?
 ____ grass ____ best in low ____ ?
 ____ types of ____ well under ____ summer ____ conditions?
 ____ it true ____ certain types ____ grass ____ the summer?
 ____ some ____ species ____ better ____ the ____ ?
 Do some grass ____ better ____ ?
 Is ____ that does ____ in the summer ____ ?
 ____ possible for some types of ____ watering in the ____ ?
 Which ____ grass ____ in low ____ ?
 ____ there ____ minimal ____ rain, do some ____ do ____ ?
 Is there a ____ of ____ areas that ____ summers?
 Which ____ grasses are ____ to scarce ____ ?
 ____ there any chance ____ of ____ will ____ better under low ____ ?
 There is ____ summer ____ which grass ____ ?
 Is ____ that certain ____ of grass need less ____ ?
 When faced ____ limited ____ grass types out perform ____ ?
 ____ do ____ better job in the summer ____ .
 What ____ of grass do you ____ low summer ____ ?
 ____ it ____ that ____ types of grass fare ____ during ____ ?
 ____ there a ____ that thrives ____ limited summers?
 Is ____ chance that some ____ perform better ____ the ____ ?
 ____ when it isn't rained on much?
 ____ the summer, do ____ grass do ____ without ____ rain?
 ____ a preferred type ____ grass for ____ rainy ____ ?
 ____ types of ____ that ____ well ____ the summer?
 ____ there a ____ between limited summer ____ certain ____ ?
 ____ rain, do specific grass ____ better?
 Which ____ of ____ do best ____ low ____ ?
 Some ____ do better ____ summer ____ .
 Is some grass ____ more ____ the summer?
 ____ show better performance ____ the rainless summer ____ ?
 ____ it ____ certain ____ of ____ have ____ weather ____ the summer?
 Does ____ rains affect ____ others?
 ____ can ____ affected ____ low summer rain.
 It is questionable ____ types of lawn ____ watering during ____ .
 ____ types are ____ resistant to rain ____ summer.
 ____ work best in ____ summer ____ ?
 Which ____ types ____ suited to dry ____ ?
 ____ with reduced summer ____ can benefit from specific ____ types.

Do different types of _____ during _____?
 _____ certain _____ types _____ better _____ others _____ faced with less _____?
 Which _____ grass do _____ under _____ precipitation?
 Is there a _____ type for _____?
 Is _____ a chance that _____ under _____ summer rains?
 _____ best when _____ is less water _____ summertime?
 _____ with limited summer rains?
 Is there _____ chance _____ grass _____ better _____ low summer _____?
 Which _____ can do _____ during _____?
 Which _____ does _____ in _____ when _____ less water?
 _____ varieties perform _____ during _____ minimal summer rain?
 Which types of _____ well _____ low _____?
 _____ is scarce _____ the summer, will _____ types _____?
 _____ limited summer _____ certain grass _____ out perform others?
 _____ any _____ species _____ that don't have much summer _____?
 _____ different _____ varieties _____ better _____ rainless _____?
 _____ of grass more _____ during dry _____?
 There are _____ varieties _____ limited _____ the _____ months.
 Is _____ any chance _____ grass _____ do _____ low summer _____?
 _____ it possible _____ lawn _____ tolerate low _____ during hot _____.
 _____ species that are _____ for places with _____ rain?
 _____ diminished rain have _____ the summer season?
 Can _____ grass _____ do _____ than others when _____ rain?
 Is it possible _____ some types _____ lawn _____ watering _____ the hot _____?
 Is it possible _____ types of _____ low _____ during _____ summers?
 _____ limited summer rain, _____ specific grass _____ perform _____?
 _____ does diminished rain have _____ grasses during _____?
 _____ grass _____ better _____ summer when it _____ rain a _____?
 Is _____ grass _____ for limited _____ rains?
 _____ are some _____ more resistant to rain?
 Which grass _____ can _____ well _____?
 _____ of grass perform well with _____?
 _____ the _____ of summer rains affect _____ more _____?
 _____ water is _____ the _____ will _____ types beat _____ rest?
 Do _____ perform better in dry _____?
 Some types of grass _____ well _____ rain _____.
 _____ of grass have _____ in _____ summers.
 Is there grass species _____ places that _____ rain?
 Which lawn _____ able _____ weather scarce summer _____?
 Is _____ some _____ be more _____ than others in _____ summer?
 In _____ summer, do _____ better?
 _____ some _____ when there is _____ much rain?
 _____ different types _____ perform better during _____.
 _____ improved performance _____ dry summers?
 Do _____ grass _____ periods of _____ summer rain?
 Do _____ grass _____ better in rainless _____.
 Can some _____ types _____ low _____ summer?
 Is _____ more effective _____ the dry summers?
 Is _____ grasses to be more _____ tolerant _____ summer?
 _____ do best _____ there is _____ summertime precipitation?

When _____ precipitation can certain grass types _____?

Which lawn grass is _____ precipitation?

When there _____ in the _____ some _____ types _____ the rest?

Can certain grass types _____ others when _____ limited _____?

Which lawn grass types _____ adapting _____ dry _____?

_____ rains _____ certain _____ differently?

_____ with _____ rain, which grass _____ do best?

Will some _____ thrive _____ the summer?

_____ possible _____ recommend grass _____ that _____ in areas with _____ the summer?

Is _____ more _____ during _____ rains?

_____ types are _____ summery climates.

Is the grass _____ dry summers?

Is _____ that specific types _____ fare _____ in _____ summer?

_____ varieties _____ survive _____ driest _____ summers?

Wondering _____ type _____ less water during the _____?

_____ with _____ summer rain, _____ certain _____ types _____ the others?

Some grass strains are _____ surviving dry _____.

Do _____ variants _____ better performance _____?

Is _____ a _____ performance with limited summer _____ varieties?

_____ limited _____ rain affect some _____ others?

Which _____ can survive _____ water _____ summer?

Is _____ of grass _____ that have _____ rainy summers?

Can some types of lawn _____ with _____?

_____ resistant to low summer rain?

Some grass _____ to _____ of minimal summer rain.

_____ effective in _____ dry summers.

Do _____ grass _____ well in the summer _____ lot of _____?

In _____ with low _____ which _____ varieties _____ best?

_____ rain-limited summers are _____ specific grass _____?

_____ grass _____ limited summer rain?

Is _____ possible for _____ to fare better under _____?

_____ are some grass _____ do well _____ much rain.

_____ varieties _____ the dry summers?

_____ periods _____ minimal _____ do _____ grass varieties _____ better _____ others?

_____ grass _____ in the low summer weather?

_____ it _____ that _____ will do better under _____ summer _____?

_____ performance of different _____ different under restricted _____?

_____ the _____ than other grass during _____ summers?

Is it _____ to recommend _____ excel _____ areas with reduced _____?

Do lawn _____ improved performance _____?

Is grass _____ effective in _____?

_____ types _____ endure _____ during _____ summers?

Does _____ grass more than others?

Is there _____ grass _____ the areas _____ have _____ rainy summers?

_____ grass _____ do _____ periods of little _____ rain.

_____ varieties _____ hold _____ own during _____ summers?

Is there _____ chance _____ will _____ better under _____ rain?

_____ species can _____ much water in _____ summer?

_____ any _____ types that _____ areas that _____ less _____ precipitation?

_____ any grass _____ that is suited for _____ summer _____?

Some strains ____ grass ____ others ____ surviving ____ summers.

It's ____ about whether ____ lawn can tolerate ____ watering ____ summers.

Do ____ varieties ____ better job ____ summer?

____ suited for ____ that don't ____ of summer rain?

____ limited ____ rain can ____ varieties ____?

____ there grass ____ suited for places ____ get much ____?

____ grass ____ there is ____ in the summertime?

____ grass ____ are best ____ areas with low ____?

Is the performance ____ grass ____ periods of minimal ____?

Do you ____ grass are ____ during a ____ season?

____ restricted summertime ____ does ____ performance ____ different turfgrasses ____?

____ with ____ rain, which grass varieties ____ better?

Which grass varieties can ____ done in ____?

Is there a specific ____ rain-limited ____?

____ grass better in ____ summers?

Does limited ____ rains ____ more than ____?

Is ____ any specific ____ that thrives ____ summers?

Will ____ grass species ____ summer ____ rain?

____ there ____ better strain of grass to ____?

Which ____ types are able ____ handle ____ rains?

____ of ____ best in ____ summertime conditions?

Does summer ____ affect ____ in ____?

____ performance ____ different ____ differ under ____ summertime rains?

Is ____ grass more ____ to ____?

____ rain ____ summers, ____ there specific ____ species that ____?

Is some grass ____ resistant ____ rain ____ the ____?

____ grass ____ perform ____ low summer ____.

Does limited summer precipitation ____ grasses ____?

____ types ____ in ____ summer rain?

____ limited summer rain affect ____ others?

____ much in the ____ grass do better?

Grass ____ in limited ____ rain.

____ it ____ types thrive under little rain?

____ grass ____ fare best ____ low ____?

It's ____ question of ____ strain shines ____ dry summer.

____ faced with ____ can certain ____ types ____ others?

Is it true ____ grass can get more ____?

Is there ____ chance that ____ perform better in ____ summer ____?

Does limited ____ rain ____?

Which ____ adapt ____ to scarce summer ____?

____ types of ____ are ____ best during dry ____?

____ under low summer weather?

____ effects ____ diminished rain ____ on ____ summer?

____ certain strains ____ more effective during dry ____?

Is ____ of ____ areas ____ have little rainy summers?

What ____ of grass ____ are more effective in ____?

When ____ with ____ summer ____ certain grass ____ compete?

____ grass ____ do ____ when ____ with ____ rain?

____ some ____ varieties have ____ there is ____ rain?

____ do well with little ____ summer?

_____ is unclear if some _____ of lawn can _____ summers.

Can _____ handle _____ summer _____?

_____ lawn _____ better to sparse _____ rains?

Is _____ chance that _____ of grass _____ perform better _____ summer _____?

_____ question about _____ performance _____ grass varieties with limited _____.

Do _____ grass _____ have better performance _____ little _____?

In _____ summer, which _____ species _____ without _____?

_____ water is _____ summer, will some grass _____ out the _____?

_____ types _____ with _____ watering during hot summers?

Is it _____ are _____ resistant _____ the weather during the _____?

_____ amount _____ summer rainfall _____ certain _____?

_____ it _____ types of grass _____ better weather _____ the _____?

_____ of _____ in low _____ weather?

_____ grass species _____ thrive during _____ summer _____ without _____?

_____ summers, _____ show better performance?

When _____ with _____ rains _____ certain _____ types compete?

_____ might _____ better _____ summer rain.

Is it possible _____ grasses _____ more _____ water _____ the summer?

_____ lawn _____ low watering _____ the hot summer months?

_____ some _____ do _____ the summer _____ water is _____ to come _____?

_____ improved _____ during dry summers?

Where _____ isn't _____ summer _____ can you _____ grass _____?

Does _____ grasses more _____ others?

When _____ is _____ water _____ summer, will some grass _____ better _____?

There _____ certain types _____ that _____ well _____ much _____ the summer.

_____ you _____ of grass _____ little better during a _____ spell?

_____ hardy _____ the summer months?

_____ perform best _____ low summer _____?

There _____ grass _____ that _____ in _____ summers.

_____ of _____ rain affect _____ differently?

What _____ the effects _____ diminished rain _____ summer?

_____ there isn't enough water _____ the summer, _____ types _____?

_____ perform best in _____ low summertime rainfall?

Does _____ rains affect _____?

_____ that some grass will do better _____ summer _____?

_____ variant's _____ during dry summers?

With _____ rain, do _____ do better?

Is _____ more _____ summer rains?

_____ different _____ of grass perform _____ during the _____?

_____ grass types are _____ to low _____.

Do some _____ better _____ in the _____?

When _____ is _____ do grass _____ excel?

_____ lawn variants have _____ summers?

With little rain _____ the summer, do _____ perform _____?

_____ some grasses be more tolerant _____ others _____?

Which _____ suited to summer _____?

Do lawn _____ increased _____ during _____?

_____ grass types _____ summer rain?

_____ can hold up _____ dry _____?

_____ lawn _____ show better performance _____.

Some ____ variations ____ improved performance ____ ____ ____.

Is ____ ____ ____ grass would ____ ____ under low summer rains?

____ different ____ of grass ____ better in the ____?

Which ____ ____ ____ more Adaptable to scarce ____ precipitation?

____ ____ ____ limited summer ____ ____ certain grass types ____ better ____ others?

____ ____ ____ of ____ can it tolerate low watering ____ ____ summers?

____ some grass ____ ____ than ____ ____ summer climates?

Is ____ a ____ type of ____ ____ ____ areas with ____ rainy summers?

Is ____ ____ ____ of grass fare better in ____?

In ____ with ____ ____ summers, ____ there a preferred ____ of ____?

Is ____ ____ ____ rain ____ for grass ____?

____ strains ____ ____ are more ____ than others ____ surviving dry ____.

____ ____ preferable type ____ ____ for areas ____ minimal rainy summers?

Is there any chance ____ ____ ____ will ____ ____ in ____ ____ weather?

____ ____ varieties perform ____ during ____ of minimal ____ rain.

Is there any particular ____ ____ ____ ____ during ____ summers?

Do ____ types ____ ____ perform better ____ a rainless ____?

What ____ does diminished ____ have ____ grasses in ____?

Is there ____ better type ____ grass ____ ____ have ____ rainy ____?

____ grass ____ can last ____ ____ in ____ summers?

____ grass species ____ ____ places with ____ ____ rain?

What impacts ____ diminished ____ ____ on grasses ____ ____ summer?

Is some grass ____ better able to ____ ____ ____?

Do some ____ types ____ ____ resilience in ____?

Some grass do well ____ a ____ ____ rain ____ ____.

____ ____ grass species suited for places with ____ ____ ____?

Is ____ ____ ____ that ____ ____ without much rain in ____ summer?

Is it ____ that specific ____ types excel in ____ ____ ____ ____?

Some grass ____ are ____ ____ ____ climates.

____ you think ____ types ____ ____ are better in ____ ____ season?

Which ____ varieties ____ better ____ ____ summertime ____?

Certain ____ ____ grass do ____ ____ the ____ without a ____ of ____.

____ low watering during ____ summers possible for ____ ____ ____ ____?

____ ____ is scarce ____ the summertime, do grass ____ ____?

When ____ with ____ ____ ____ can ____ grass ____ ____ better than others?

____ there grass ____ does ____ ____ the ____ ____ a lot of ____?

Are there ____ ____ ____ excel in areas ____ reduced ____ precipitation?

____ low ____ ____ are some ____ ____ more resilient?

Is limited summer ____ better ____ ____ types than ____ ____?

Which grass varieties are ____ for areas ____ ____ ____ ____?

Grass ____ ____ ____ ____ to low summer rain.

____ ____ ____ ____ for places that ____ get ____ ____ of summer precipitation?

Will ____ ____ ____ ____ without ____ in the summers?

When there ____ no ____ ____ the ____ ____ ____ grass ____ stand out?

____ grass ____ ____ better during dry ____?

When water is ____ through the ____ ____ ____ ____ thrive?

Is ____ more ____ to low ____ ____?

____ we've got a dry summer, ____ ____ ____ ____?

With limited summer ____ ____ ____ grass varieties ____ ____ performance?

____ some ____ be ____ ____ to ____ weather ____ the summer?

Which grass types _____ the _____?

_____ grass _____ perform _____ in dry summers _____ to _____?

_____ can certain grass types make up for _____?

_____ scarce through _____ do certain _____ species _____ well?

Is _____ grass types more _____ summer _____?

Which grass varieties _____ areas _____ low _____ rain?

Is _____ certain varieties _____ better weather during _____ summer?

Some grass _____ better _____ with limited _____.

Is there any _____ grass performs _____ under _____ rain?

Is there _____ grass will perform _____ low summer _____?

_____ of grass perform _____ rainy summers?

During _____ summers, do different _____ grass _____ superior _____?

Is _____ a _____ grass species that _____ in _____?

_____ well with _____ rain in _____?

Will certain grass species _____ during the _____?

When _____ the summer, will _____ types prevail?

Which _____ varieties are _____ suited _____ summers compared _____ other _____?

How does _____ grasses _____ summer _____?

_____ grass _____ better for _____ rains?

_____ the _____ in low _____ rains?

_____ grass _____ can _____ dry summer months?

Is a _____ grass _____ limited _____ rain?

_____ there a _____ that does well _____ limited _____?

_____ grass _____ better suited for _____ rain _____ summers?

Is _____ grass _____ more resistant _____ low _____?

_____ grass _____ with little water in _____ summer?

There _____ that perform _____ in summer _____.

Which _____ can survive dry _____ other alternatives?

_____ there a preferred type of _____ with minimal _____?

Which lawn _____ types are _____ to scarce _____?

_____ grass _____ do the _____ summers?

Will certain _____ of grass be _____ than _____ during _____?

Which _____ can hold _____ dry summers?

_____ grass _____ do better _____ faced with _____ rain?

When _____ is scarce _____ some _____ types do _____ than others?

_____ scarce through _____ do _____ grass species excel?

When faced with limited summer _____ grass _____?

Which _____ can survive _____ the _____?

_____ the summer _____ species can thrive _____ water?

Does _____ do better in _____ it _____ rain?

Should some _____ types _____ to low _____ rains?

_____ for _____ type of _____ low watering during hot summers?

Does some _____ do better _____ isn't much rain _____?

Is specific _____ effective with limited _____?

Does _____ better _____ the _____ if there _____ much _____?

Is the _____ for _____ little _____?

Are there any _____ grass _____ areas _____ less summer _____?

_____ it true that _____ types of _____ can _____ rain _____ the _____?

_____ of _____ summer rain do _____ varieties perform _____ others?

Is _____ of _____ good _____ rain _____ the summer?

There _____ types of grass _____ well without _____ in _____.

Is _____ more effective _____ dry _____?

_____ facing limited summer rain, _____ do _____ than others?

Some of the grass _____ in _____.

With limited summer rain _____ better?

Which grass _____ do _____ low summer _____?

_____ performance during dry summers?

_____ more resistant to _____ during the summer?

_____ possible that _____ strains of grass are _____ surviving _____?

Is there _____ preferred type of _____ rainy _____?

Which grass _____ in _____ summers?

Is _____ possible for _____ lawn _____ tolerate low _____ hot summers?

_____ grass _____ the driest summers?

_____ are _____ kinds of grass _____?

The lawn _____ that _____ dry summers.

_____ grass types _____ in _____?

Which _____ types are _____ to scarce summer _____?

_____ grass more effective than _____ dry _____?

When there _____ less _____ the summer, will some _____?

Where rain _____ summer _____ do certain grass varieties _____ better?

Some _____ varieties do _____ during _____ minimal _____ rain.

_____ varieties can last the longest _____.

_____ varieties _____ up in _____ summers?

What _____ does _____ rain _____ on grasses during _____?

_____ types _____ perform better when faced _____ limited _____.

Which grass _____ during _____ summer season?

_____ do certain grass types _____ better than others?

_____ there _____ chance _____ some kinds of grass _____ better _____?

_____ doesn't _____ much in summer, _____ do better?

Which grass _____ in the _____?

_____ faced _____ limited _____ rains _____ grass types win?

_____ it true _____ variations show improved performance _____?

_____ grass do well when there _____ low _____?

During rain-limited _____ grass species _____?

Which grass types _____ well _____?

When _____ is scarce _____ the summertime, do _____ perform _____?

_____ a _____ type that _____ areas with _____ rainy summers?

_____ it _____ specific types of grass fare _____ the _____?

Which _____ species thrives _____ summer _____?

_____ there _____ preferred grass _____ in _____ that have _____ rainy _____?

_____ varieties _____ best in low _____?

_____ grass types _____ well _____ summer _____.

There _____ grass types that _____ better _____ summer _____.

When water is _____ in summer, _____ types _____?

Is grass _____ effective _____ summers compared _____ other _____?

Is there _____ will _____ better during _____ summer rains?

_____ grass _____ thrive _____ summers.

_____ types _____ grass do _____ job in _____ summers?

Some _____ weather reduced rain _____.

Which _____ hold _____ in _____ summers compared _____ other options?

_____ the _____ rain better than others?
 There _____ chance _____ some grass _____ better under _____ weather.
 _____ it true _____ types of _____ get a _____ soaking _____ the _____?
 When faced _____ limited summer rain, _____ others?
 _____ summer _____ grasses differently?
