

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Feedback and complaints resolution
Inquiry Sub-Category	Quality of service
Description	Complaints or concerns about the overall quality and reliability of the telecommunications service, seeking improvement or resolution.
Data Size	5,916 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Which ____ actions have been planned ____ cellular coverage across ____ regions?

What will ____ after receiving so many ____ cell ____?

____ is ____ proposed ____ action in relation to the spotty ____?

Do ____ with useless cell reception in ____ areas?

After ____ reports on ____ which ____ have ____ planned?

____ there any ways ____ weak cellular ____ reported ____ multiple ____?

____ actions have been ____ given the amount ____ feedback ____ subpar ____ issues?

Will ____ reported weak coverage problems?

What actions will ____ getting ____ cell ____?

____ receiving reports of ____ across ____ areas, ____ is ____ plan ____ action here?

Do you have ____ specific ____ dealing ____ useless ____ in ____ places?

After some complaints ____ coverage, ____ steps ____ for ____ improvement?

____ specific ____ were planned ____ receiving reports ____ coverage?

____ are reported ____ and ____ actions ____ taken to address them?

____ complaints of ____ coverage, what ____ have ____ to ____ it?

After ____ reports ____ patchy ____ service, which ____ have ____ taken?

There ____ of ____ steps been ____ to improve?

If ____ is ____ course of action ____ address ____ patchy ____ communications.

What ____ taken after hearing ____ many ____ poor coverage?

Do ____ specific strategies for ____ mobile ____ coverage ____ diverse geographic ____?

____ are ____ proposed ____ of ____ regarding the ____ service cases?

____ have been ____ to ____ the ____ cellphone ____ problems?

So, after ____ reports regarding spotty ____ across ____ areas, ____ of action?

____ be done after ____ reports of ____?

What steps will ____ taken ____ weak ____ coverage ____ different ____?

____ tell us ____ going ____ do about ____ complaints about poor cell ____?

____ have any ____ strategies for ____ the sparse mobile network ____ zones?

____ next ____ address reception ____?

After ____ about ____ of weak wireless signals, ____ be ____?

Do ____ have ____ actions to ____ receiving ____ bad cell service?

Do ____ an exact plan of action following ____ about ____?

____ can be ____ reported ____ reception problems?

Do you ____ after ____ so many ____ about mobile ____?

____ is ____ course ____ action for the ____ cases of spotty ____?

____ place to deal with the ____ of useless cell reception ____ different ____?

There are problems ____ reception so ____ been ____?

____ the plan of action after receiving ____ signal?

____ frustratingly ____ signals, what will be done to improve them?

____ will be the response ____ cellular ____ different regions?

Is there a plan ____ problems with ____ diverse locations?

What ____ actions have ____ planned after ____ reports on weak ____?

____ taken to deal ____ complaints about poor ____?

____ you have any plans ____ lousy signal ____?

Following ____ of many ____ mobile ____ coverage, ____ you ____ any specific strategies in ____?

Can ____ tell me ____ course ____ action relating ____ cellphone service?

Do ____ intend ____ tackle ____ poor telecom ____ from ____?

____ curious if ____ a ____ action ____ address users' ____ on ____ phone ____.

Which ____ planned after ____ reports of ____ cellular coverage?

Which ____ have been planned after ____ weak ____ coverage?

____ steps ____ be ____ after hearing so ____ weak ____ coverage?

Are there ____ plans to ____ network ____ problems in ____?

____ will ____ be taking to ____ issue of ____ coverage ____ different regions?

Do you ____ to ____ sparse mobile network coverage in ____ geographic ____?

____ being taken to address ____ coverage in different ____?

What steps ____ been ____ with ____ coverage ____?

After receiving ____ reports about spotty ____ various areas, ____ plan of ____?

Is ____ taken to ____ about poor ____ signals?

____ several ____ of ____ cell signal, what will ____?

What ____ response to ____ quality mobile ____ in many territories?

What ____ and prioritized ____ so much ____ about subpar cellular ____?

What are ____ being ____ to deal ____ the widespread ____?

What will ____ to ____ issues.

____ of action ____ after ____ so many ____ about poor ____ reception?

What actions will be ____ after a ____ signal ____?

____ actions will ____ receiving poor ____ signals?

Following the ____ of ____ about ____ mobile ____ coverage ____ diverse geographic zones, ____ you have ____ mind?

Is there an exact course ____ the ____ about ____ cell reception?

____ actions ____ taken to fix the ____ reception that has ____?

Is there any ____ to ____ issues raised ____ cellular ____?

____ plan of action after ____ reports ____ spotty ____ signal?

Which measures are ____ taken after getting ____ reports ____?

____ there ____ to be ____ when dealing ____ across regions?

____ the ____ of feedback regarding ____ what actions have been ____ and ____?

Are ____ anything related to the ____ lousy ____?

____ the steps ____ taken after receiving ____ cellular coverage ____?

____ a plan ____ useless cell reception in ____ areas?

____ steps ____ after ____ cellular ____ reports in different regions?

What ____ about the ____ mobile ____ hearing ____ many reports?

____ been taken ____ deal with the ____ problems ____ cellphone ____?

_____ there _____ actionable _____ in place _____ reports _____ inadequate cell _____?
 _____ actions _____ been planned _____ reports of _____ cellular coverage?
 _____ of feedback regarding _____ cellular _____ across various locations, _____ actions _____ been outlined _____ prioritized?
 Are _____ planning _____ regarding _____ about lousy _____ strength?
 What _____ initiatives _____ implemented _____ learning about the _____ wireless signals?
 There _____ many reports _____ bad cell _____ reported in _____.
 Which specific actions have _____ a _____ reports of weak _____?
 _____ there _____ action _____ after _____ so _____ about bad _____ service?
 Do you know _____ any actions _____ after _____ about _____ service?
 _____ can _____ done to address _____ reception?
 _____ of complaints about weak signals, any _____?
 _____ there any _____ address _____ issue _____ weak _____ across several locations?
 _____ plan _____ addressing _____ of inadequate cell connectivity reported?
 What _____ of action _____ receiving numerous _____ about poor _____ reception?
 Is there a _____ address _____ issues _____ lackluster cellular _____?
 _____ so _____ reports about _____ coverage, what _____ will _____ taken?
 What actions _____ be _____ following multiple _____ poor _____?
 _____ any actionable _____ been developed following the reports _____ inadequate _____?
 Is _____ strategies developed based on _____ of _____ cell _____?
 What initiatives will _____ in _____ about many instances of _____?
 What specific _____ are your response _____ issue of _____ mobile phone _____?
 _____ address weak cell _____ in different regions?
 _____ there be _____ in place _____ address the _____ connection _____?
 What _____ were taken _____ receiving weak _____ reports?
 _____ any _____ seeing so many reports of poor _____?
 _____ been taken in regards _____ cellular _____ reports?
 _____ you _____ to _____ to _____ issue of weak _____ coverage in different _____?
 Is there a plan _____ the _____ of inadequate cell _____?
 What _____ you going to do _____ cellphone _____ cases?
 Have any _____ strategies _____ developed _____ the _____ of reports _____ inadequate _____?
 _____ actions are _____ to improve _____ receiving so _____ complaints?
 _____ were _____ of weak coverage, _____ been _____ improve it?
 Given the _____ of feedback regarding _____ connection _____ in various _____ what actions have _____?
 What _____ are _____ several people have reported network _____?
 _____ the amount of _____ about _____ what _____ have been planned and _____?
 Is _____ any actionable _____ in _____ wake of _____ poor _____ coverage?
 What is the _____ step _____ complaints about _____?
 How _____ going to improve _____ after _____ complaints?
 _____ there an _____ action _____ can take _____ complaints about useless cell _____?
 Which measures _____ after receiving _____ of patchy _____ service?
 _____ anything planned _____ complaints _____ lousy signal strength?
 Which _____ are _____ taken after _____ cell service?
 _____ the _____ steps to _____ widespread complaints about _____?
 _____ you intend to _____ many _____ telecom signals?
 _____ steps have been _____ deal with _____ widespread _____?
 Is there a plan _____ addressing _____ raised _____ lackluster _____?
 What _____ the _____ to deal _____ the reported _____ problems?
 _____ will _____ regarding reports of poor _____?
 What actions will _____ taken _____ poor _____ in _____ areas?
 _____ there _____ taken after _____ about _____ mobile service?

Are _____ plans _____ address _____ issues _____ about _____ cellular connections?

Given _____ abundance of feedback _____ cellular connection _____ what _____ outlined and _____?

Do you have _____ address the _____ weak _____ coverage _____ different _____?

Will there _____ plans _____ the _____ regarding _____ cellular connection?

When responding to _____ signal across _____ actions _____?

_____ taken to fix reported _____ issues?

_____ of inadequate _____ across _____ to _____ development of actionable strategies.

_____ steps will _____ taken after hearing _____ about poor _____?

_____ action is _____ taken _____ poor _____ reception?

What _____ will _____ taken _____ receiving weak cell _____?

_____ any _____ to address the _____ raised regarding lackluster _____?

_____ there _____ action being taken _____ mobile signals _____?

Specific actions will be _____ reports _____ in different _____.

What's _____ plan of action _____ cellular signal across _____ areas?

_____ lot _____ about _____ cellular connection _____ actions have _____ outlined and prioritized?

What _____ put in place to _____ with _____ reported _____ network _____?

_____ reports of poor cell coverage, _____ any _____?

What's _____ of _____ after _____ regarding spotty cellular signal?

_____ be _____ following _____ of poor _____ signal?

_____ several reports about _____ what's the _____ of action?

After receiving reports _____ poor cell _____ do?

Which measures _____ taken after _____ reports _____ cell _____?

_____ you have a _____ to improve _____ reported from _____?

_____ after _____ reports regarding _____ signal, what _____ the _____ of action?

_____ there any _____ tackle the _____ with the _____ strength?

What actions _____ be _____ receiving _____ reports of _____ cell _____?

What are the measures _____ to the feedback _____ cellular _____?

Is there a _____ the _____ feedback on _____ phone connections?

_____ specific actions will be _____ to _____ of inadequate _____?

Is _____ a _____ plan for _____ the _____ of inadequate _____ from _____ parts?

_____ actions _____ been outlined _____ prioritized _____ light _____ connection issues across various _____?

_____ items are _____ response to _____ matter _____ low quality _____ phone _____?

What should _____ done _____ of poor cell _____?

Are _____ taking _____ specific _____ address the weak cellular _____?

Any _____ after _____ mobile service?

_____ will _____ done _____ weak mobile coverage?

What's _____ plan _____ action _____ receiving reports of spotty _____ areas?

What _____ be the _____ of _____ service in _____ regions?

_____ a _____ of reports on _____ service, which measures _____ being _____?

Are there _____ actionable _____ after repeated reports of _____?

What is the plan to fix cell _____?

What is _____ course of action _____ reported cases _____ spotty _____?

_____ is _____ plan of action after _____ several _____ signal?

What _____ will be taken _____ getting _____ cellular _____?

Actions _____ being _____ mobile signals _____.

After _____ of _____ have steps been taken _____ signal?

_____ the next steps _____ addressing _____ about _____?

Are y'all planning _____ signal _____ complaints?

How _____ to deal with a _____ poor telecom _____ from _____?

_____ actions _____ taken to _____ reported cellular reception _____?

_____ reports of _____ service _____ different regions, _____ will be taken?
 _____ will be taken after _____ so much _____ weak _____?
 So, _____ receiving several _____ regarding _____ cellular _____ what's the _____?
 _____ are _____ measures being taken _____ of _____ constant _____ on cellular _____?
 _____ outlined and _____ based _____ the feedback _____ subpar _____ connection issues?
 Several people have _____ problems, _____ are _____ measures in _____?
 _____ actions will _____ taken after receiving a report _____?
 Is _____ a _____ in place to _____ with the _____ cell _____?
 What _____ proposed _____ of action for the _____ service _____?
 What specific _____ have _____ as a _____ reports _____ cellular coverage?
 After _____ of _____ coverage _____ steps been _____ signal _____.
 _____ planned anything about the _____ signal _____?
 _____ tell _____ what you _____ going _____ do _____ many _____ about poor cellular _____?
 _____ a concrete plan _____ the issue _____ inadequate _____ networking _____ from _____ parts?
 _____ be taken after receiving _____ poor _____ signal?
 Which _____ have _____ receiving _____ weak cellular coverage?
 _____ reports of patchy _____ service, _____ are being _____?
 After learning _____ wireless _____ consumers _____ nationwide, _____ will be _____?
 What _____ the actions _____ will _____ many _____ about poor cellphone _____?
 _____ there a plan to fix _____ cell _____?
 What _____ actions will _____ taken _____ of _____ service in _____?
 How do you plan _____ many _____ about _____ signals?
 Is there an exact _____ of action you _____ following _____ cell _____?
 After receiving _____ coverage reports, what _____ will _____?
 So, _____ receiving reports regarding spotty _____ plan of _____?
 _____ tell _____ you're going to _____ complaints about poor cell _____?
 _____ are included in your response to _____ mobile phone network?
 After _____ coverage, _____ the steps _____ to _____ the signal?
 Is there _____ taken _____ the _____ about poor _____?
 _____ so _____ complaints about poor cellphone reception, _____ next _____?
 _____ any action _____ after _____ lot of bad mobile _____?
 _____ reports _____ poor cell signal, _____ will _____?
 What _____ items _____ in your _____ to the _____ of _____ quality _____ network over _____ of territories?
 Do _____ steps have _____ about poor cellular signals?
 _____ measures _____ being _____ after receiving many _____ of _____ cell _____?
 Have any _____ taken _____ much about poor _____ service?
 Multiple _____ poor _____ reception, _____ exact _____ been planned?
 _____ done _____ about _____ terrible signal _____?
 _____ steps will be _____ hearing so much _____ weak _____.
 Which measures _____ being taken _____ getting so many _____?
 Is _____ any _____ taken _____ so many _____ mobile _____ reports?
 What _____ will _____ to _____ reported _____ problems?
 _____ there any action _____ hearing _____ much _____ poor service?
 After learning of _____ wireless signals, what will _____ it?
 What steps _____ be taken _____ getting weak _____ coverage _____?
 _____ any action taken after hearing about _____?
 _____ do you _____ improve cellular coverage after _____?
 Is _____ any _____ after _____ so _____ bad mobile _____ reports?
 After getting _____ reports on _____ cell service, _____ being _____?
 How will you tackle cases _____ different _____?

____ any ____ been developed following the ____ of inadequate ____ ?
 ____ is the proposed course ____ regards to ____ service?
 ____ you have any ____ actions after getting so ____ ?
 Is ____ to tackle ____ issue ____ weak cell reception ____ several ____ ?
 How ____ you ____ after the ____ ?
 What ____ taken after many ____ of ____ cell ____ ?
 How ____ you improve cellular ____ after ____ ?
 ____ tell us what you're going ____ about ____ many ____ cellular coverage?
 After ____ so ____ of ____ mobile ____ what ____ were taken?
 What ____ your response to the ____ of ____ mobile phone network ____ a ____ of territories?
 Following reports ____ inadequate ____ service ____ regions, what ____ be taken.
 After ____ of ____ weak ____ be done to ____ them?
 Any ____ were taken ____ the poor ____ service?
 Having received many complaints about ____ reception, ____ next ____ ?
 ____ a plan ____ the ____ inadequate ____ connections reported from ____ areas?
 Have ____ taken ____ to fix the ____ coverage reports?
 What ____ will be taken ____ issues
 What ____ to ____ signal coverage after complaints?
 Given ____ feedback ____ subpar ____ connection issues, what ____ been outlined ____ prioritized?
 What steps will be ____ after hearing ____ many ____ ?
 ____ receiving reports regarding spotty cellular ____ is ____ plan ____ ?
 ____ you have a detailed ____ of action ____ deal ____ cell ____ places?
 ____ been taken ____ with complaints ____ poor cellular ____ ?
 ____ response ____ complaints about poor ____ measures have been planned?
 Which ____ taken after multiple reports ____ patchy ____ ?
 Do you ____ any ____ to ____ reported from ____ locations?
 ____ with ____ cases of poor telecom signals ____ different places?
 What will ____ done ____ reception ____ numerous complaints?
 Is there ____ plan to ____ cellular ____ complaints?
 What ____ going ____ to address ____ with cellular reception?
 Do you ____ any plans ____ the ____ cell coverage ____ regions?
 ____ there ____ taken ____ signal coverage after ____ ?
 Do ____ have ____ improve weak cellular ____ reported from ____ ?
 ____ actionable strategies developed after ____ reports of insufficient ____ ?
 ____ actions ____ receiving reports on weak cellular ____ ?
 Is ____ action being taken ____ the ____ reported?
 There ____ been reports of ____ cell coverage ____ .
 ____ specific ____ will ____ taken after reports of ____ cellular ____ ?
 ____ there any plans regarding ____ lousy ____ strength?
 What ____ be ____ a lot of ____ cell ____ reports?
 ____ any ____ addressing ____ issue ____ cell connectivity from different parts?
 ____ learning ____ the weak wireless ____ consumers experience, what ____ ?
 What action ____ be ____ after receiving ____ cell signal ____ ?
 ____ actionable ____ comprise your response to the ____ mobile ____ network ____ a ____ range ____ territories?
 After receiving ____ reports regarding ____ cellular ____ various ____ of action?
 ____ weak wireless signals, what will ____ done to fix ____ ?
 Is there any ____ the ____ of inadequate ____ coverage?
 ____ there ____ plan to tackle the ____ signal strength ____ diverse ____ ?
 ____ specific measures to deal ____ the weak coverage ____ ?
 What's the plan ____ after receiving ____ spotty cellular ____ ?

_____ measures _____ being _____ after _____ many reports _____ cell service?

There are concrete plans _____ cell connectivity reported _____ parts.

What are _____ taken _____ many reports of patchy _____ service?

After getting _____ coverage reports, what _____ been _____?

How _____ tackle a _____ of _____ about _____ telecom _____?

What _____ about the _____ cellphone reception that has _____?

Actions _____ for _____ signals reported?

_____ the _____ in dealing with _____?

After getting _____ cellular _____ different _____ what _____ have _____ taken?

What _____ measures _____ place now _____ lot _____ people have reported _____?

_____ there any actions _____ hearing _____ mobile _____?

_____ weak cellular coverage reports in _____ regions, _____ steps _____?

_____ there _____ action after getting reports _____ service?

_____ a plan _____ of inadequate _____ connectivity _____ from different places?

After _____ weak wireless signals _____ experience _____ initiatives _____ be implemented?

What _____ after receiving _____ of poor cell _____?

What actions _____ been _____ weak _____ coverage reports?

_____ are your _____ to the low _____ phone network?

Do _____ have a _____ for dealing _____ mobile _____ coverage in diverse _____?

_____ steps _____ planned after _____ coverage reports?

Do you _____ if any _____ were _____ so _____ of mobile service?

_____ be _____ plans _____ reported weak coverage problems?

What actions have _____ and prioritized _____ the _____ surrounding _____ cellular _____ issues?

Which measures are being _____ after so _____ patchy _____?

How _____ address the weak _____ coverage _____ different _____?

_____ have been prepared after _____ reports of _____ cellular _____?

Given the amount _____ cellular connection _____ have _____ taken and prioritized?

_____ taken steps to _____ weak cellular coverage _____ in _____?

What _____ plan to _____ cell signal _____ that _____ happening all _____?

Do you have _____ strategies _____ mind to _____ coverage _____ diverse _____ zones?

Repeated _____ of _____ cell _____ have led to _____ creation _____.

After _____ reports on spotty _____ are _____ measures _____ taken?

Is there _____ actions after receiving _____ reports _____ bad _____?

_____ actions _____ been planned after receiving _____ coverage?

_____ there any action _____ after _____ many terrible _____ mobile _____?

_____ are _____ going to tackle cases of _____ signals _____?

Do _____ have _____ plan _____ following _____ the complaints _____ useless cell _____ in _____ areas?

_____ any _____ strategies _____ have been developed following reports _____ cell _____?

Is _____ plan to _____ reception across multiple _____?

_____ specific _____ taken to _____ the weak _____ coverage reports?

_____ there _____ new actions _____ receiving _____ many reports _____ service?

_____ are _____ response to the matter _____ mobile phone network?

_____ after receiving several reports _____ bad cell _____?

How _____ improve _____ cellular _____ reported from _____ locations?

What measures _____ place _____ people _____ reporting _____ issues?

After receiving complaints of _____ what _____ have _____ improve _____?

Do _____ have _____ to fix _____ reception _____ different places?

_____ received numerous complaints _____ poor _____ reception, _____ actions _____ being _____?

_____ you _____ a _____ to address _____ weak cellular _____ reports?

Following _____ feedback _____ congested _____ networks is there a _____ in _____?

What ____ you going ____ do ____ strength complaints?

Which specific actions have been ____ numerous ____ weak ____?

____ measures ____ taken after receiving many reports ____ patchy ____?

Is ____ plan ____ address ____ issues raised about ____ cellular communication?

____ is the ____ course of ____ regarding ____ cellphone ____?

What actions ____ after receiving complaints about ____?

What are ____ doing ____ improve weak ____ reception ____ locations?

What ____ the wake of subpar cellular connection issues ____ various ____?

Do you have ____ plan for ____ with ____ cell ____ in ____?

____ have been taken ____ weak ____ coverage reports?

Is there ____ action taken ____ hearing ____ many ____ mobile ____?

How ____ you going ____ improve ____ all ____ complaints?

____ you intend ____ address the issue ____ cell coverage ____?

____ in the wake of reports ____ poor service?

What ____ done after receiving ____ poor cell ____?

Have ____ new actions ____ taken ____ receiving ____ cell service?

What's ____ course of action regarding ____ cellphone ____?

____ taken after hearing many ____ the mobile service?

____ actions will be ____ after ____ a ____ cell signal ____?

What's the proposed course ____ action ____ service ____?

____ the actions ____ taken after receiving reports ____ cell ____?

How ____ reported cellular ____ issues ____?

After ____ multiple reports on ____ service, ____ are being ____?

____ complaints ____ weak ____ what ____ have been taken ____ signal?

Given the abundance ____ issues, ____ should be done?

____ were taken ____ the weak mobile ____?

With so ____ complaints about poor ____ is ____ taken?

What ____ items are ____ response ____ matter ____ the ____ quality ____ network ____ a wide range ____ territories?

____ widespread feedback on signal ____ mobile networks, ____ a ____ in ____?

Do ____ have a plan for ____ cell coverage ____ regions?

What specific things ____ matter of ____ mobile ____ network ____ a wide range ____ territories?

Following ____ about ____ and congested ____ there ____ comprehensive ____ in place?

____ so many ____ on patchy cell ____ are being ____?

Do you ____ any ____ regarding ____ action regarding ____ cellphone service?

After ____ about ____ lot of ____ what ____ to improve them?

____ actions ____ after receiving ____ weak cellular coverage?

____ you have ____ plan ____ address weak ____ coverage ____?

What steps ____ be ____ address ____ weak ____ coverage ____ regions?

____ weak coverage, have any ____ taken for signal ____?

Is ____ concrete plan ____ issue of inadequate ____ from ____ parts?

After hearing so much ____ mobile coverage, ____ will ____?

____ done after hearing so many reports on ____?

____ received many ____ about ____ will be ____ course of action?

____ actions will ____ reported reception issues?

What ____ is being taken ____ after many ____?

What ____ course of action to be taken ____ many ____ cellphone ____?

____ there ____ plan for addressing the ____ raised ____ cellular ____?

____ done after ____ multiple reports ____ a ____ cell signal?

____ a plan ____ addressing the ____ inadequate ____ from different parts?

Is there ____ be ____ when ____ with ____ signal ____ regions?

_____ measures _____ after lots of _____ patchy cell service?

What action _____ be _____ after hearing _____ mobile _____?

Will _____ plans in _____ to address _____ raised _____ lackluster _____ connections?

_____ hearing so _____ reports about weak _____ coverage _____ be _____?

After _____ coverage reports _____ regions, what steps have _____?

_____ you _____ on patchy cell _____ which measures _____ taken?

_____ the plan of _____ after _____ reports _____ spotty cellular _____?

_____ is the plan _____ action after _____ reports _____ spotty _____?

_____ a weak _____ reported _____ regions, what _____ happen?

Many people have _____ network _____ what _____ in _____?

After receiving _____ signal, what is _____ plan _____ action?

What _____ taken to resolve widespread _____ reception _____?

What _____ items constitute _____ of low quality mobile _____ network _____ wide range _____ territories?

Do _____ fix my _____ cell reception in different _____?

After _____ numerous _____ poor _____ signal, _____ will _____ done?

_____ you _____ any _____ place for _____ mobile network coverage _____ diverse geographic _____?

Do _____ improving cellular _____ after these _____?

_____ to tackle many _____ of poor telecom _____?

What steps _____ be taken _____ reports _____ service?

How _____ address _____ of weak cell coverage _____ different _____?

_____ of _____ concerning subpar _____ connection issues, what actions _____ been _____ and _____?

Following _____ on signal _____ congested mobile _____ is there _____ in _____?

Have _____ planned _____ yet _____ the _____ signal _____ complaints?

What _____ actions _____ be _____ reports of _____ cellular _____?

What _____ proposed _____ of _____ in relation _____ spotty _____ service?

_____ so many reports of _____ any actions _____?

_____ about many instances of _____ weak _____ what _____ be _____?

_____ you plan to _____ many _____ poor _____ signals _____ places?

_____ are we going to do _____ cell _____?

Having _____ complaints _____ bad cellphone reception, _____ will _____?

What steps _____ be taken after _____ so _____ poor _____?

_____ to address the _____ of _____ cell connectivity _____ from different _____?

How _____ of inadequate network coverage across _____ areas?

_____ weak coverage, have steps been _____ it?

_____ there _____ plans in _____ for addressing the _____ raised _____ lackluster _____?

_____ be _____ after reports of _____ in different regions.

_____ you taken any _____ address _____ weak cell coverage _____?

_____ people _____ network _____ and what are _____ in place?

_____ put _____ place after _____ many people reported _____ problems?

Is there _____ actions _____ getting lots of reports _____?

_____ course _____ action for _____ with useless cell _____ in different places?

Having received many _____ poor _____ reception, _____ is _____?

_____ going to _____ with _____ lot of cases _____ telecom signals?

If _____ course _____ action _____ address users' _____ on patchy _____.

_____ actions _____ poor cell coverage?

What _____ measures have _____ planned _____ to _____ about _____ reception?

_____ specific _____ response to the _____ mobile phone network over a _____ range of territories?

_____ regarding the lousy signal strength _____ yet?

_____ know if any _____ were taken after hearing _____ many _____ mobile _____?

After complaints of weak _____ have _____ been _____ signal _____?

_____ will be taken _____ receiving a _____ of _____ cell signal?

Do you _____ measures _____ address weak cellular _____?

_____ many reports _____ spotty cell _____ which measures _____ being _____?

After _____ how do _____ cellular coverage?

_____ the wake of _____ poor _____ reception _____ measures _____ been planned?

_____ be _____ hearing so many _____ about _____ mobile coverage?

_____ there any actionable strategies _____ of inadequate cell _____?

How _____ address the _____ of weak cell _____ in _____ areas?

What _____ measures _____ being taken now _____ to the _____ cellular _____?

Can _____ us _____ you _____ going to do about _____ many complaints _____?

_____ signal drop-offs, _____ there _____ comprehensive _____ in place?

_____ the plans _____ weak phone _____ we reported?

In _____ complaints about poor cell _____ what _____ been _____?

Is there _____ plan for _____ issue of _____ different parts?

_____ for fixing _____ weak phone _____ we reported?

How about _____ of action for the reported _____?

After learning _____ multiple _____ weak _____ what initiatives will _____?

Repeated reports _____ inadequate _____ coverage across _____ prompted the _____ of _____.

_____ about numerous _____ of _____ signals, what _____ be done to _____?

What actionable _____ included in _____ response _____ the _____ quality _____ network?

What specific _____ response _____ the _____ of _____ quality mobile _____ over _____ range of territories?

Is there _____ course _____ feedback on _____ phone connections?

_____ is the proposed _____ of _____ spotty _____ service?

_____ a plan for _____ issue of inadequate cell _____ different _____?

Do _____ any _____ address those complaints _____ signal strength?

Which specific _____ were planned after _____ poor _____?

_____ you have _____ action _____ you hear about useless cell reception _____ areas?

How _____ tackle _____ poor _____ signal _____?

Have you _____ steps _____ fix _____ weak _____ reports?

What _____ and _____ as a result of the feedback _____ subpar _____?

What are specific _____ that will _____ taken _____ reports _____?

_____ any _____ improve weak _____ reception reported _____ several locations?

_____ been taken _____ address _____ regarding poor cellular _____?

_____ complaints _____ weak _____ have _____ steps _____ taken to improve _____?

_____ actions will _____ taken to _____ issues?

Have _____ strategies _____ developed _____ a result _____ the _____ cell coverage?

_____ there any _____ action _____ lots of reports on _____?

_____ are _____ going _____ do about _____ lousy _____ complaints?

What _____ your _____ to improve cellular _____ after _____?

_____ next _____ address _____ complaints _____ reception?

Which measures are _____ after getting _____ of _____ service?

Is _____ place after widespread feedback _____ drop-offs?

Is there _____ place _____ on signal drop-offs?

_____ there any new actions _____ bad cell _____?

Repeated _____ of _____ coverage across _____ have _____ to the _____ strategies.

Which measures are _____ taken _____ many _____ service?

_____ received many _____ cellphone reception, what is _____ steps?

What _____ poor _____ reception _____ receiving numerous complaints?

After receiving _____ cellular coverage reports, _____ taken?

_____ any specific strategies in _____ it _____ to _____ mobile network _____ diverse geographic zones?

_____ the _____ action after getting _____ about _____ cellular signal?
 What actions _____ taken _____ about poor cell _____?
 Many people _____ reported _____ are in place?
 What _____ the _____ taken _____ people have _____ network _____?
 _____ several _____ regarding _____ cellular signal, what's _____ plan of action _____?
 What will _____ step to address _____ about _____?
 _____ measures are being taken _____ receiving _____ reports on _____ cell _____?
 _____ anything being _____ to remedy the _____ of _____ regions?
 _____ in place after _____ lot of people _____ problems?
 _____ you _____ regarding the _____ about _____ strength?
 Do you _____ a _____ dealing _____ useless _____ reception in different _____?
 _____ poor reception, what exact measures have been _____?
 Having received _____ about poor _____ what _____ be _____ it?
 _____ learning _____ lot of weak wireless signals, what are _____ implemented?
 Which measures _____ a _____ of _____ on patchy cell _____?
 _____ any actionable _____ developed following _____ cell coverage?
 What _____ the next _____ to _____ complaints _____?
 What _____ will be _____ reception issues?
 Is _____ any plan _____ tackle _____ in diverse locations?
 _____ lot _____ reports about _____ cell service, which _____ being _____?
 _____ should be _____ so _____ of poor mobile service?
 Do you have _____ specific _____ regarding sparse _____ network _____ diverse _____?
 What actions _____ be taken _____ reports _____ poor cell _____?
 Is _____ to _____ the issues raised regarding _____ connections?
 Which _____ being _____ getting _____ reports _____ patchy service?
 Have you taken _____ specific _____ the weak cellular _____?
 _____ specific _____ have _____ as a result of reports _____ weak _____?
 What _____ were taken after _____ service?
 Do _____ any _____ address the weak coverage reports from _____?
 What are the _____ being taken _____ of the _____ cellular _____?
 _____ taken after hearing so _____ about _____ mobile coverage?
 _____ you have a _____ to _____ the _____ cell coverage _____?
 _____ will _____ address _____ cellular reception?
 Given the large amount of _____ subpar _____ connections, what _____ have _____?
 _____ exact _____ items do you _____ response _____ the _____ quality mobile phone network?
 _____ tell _____ what _____ to do _____ the many _____ about poor cell _____?
 What will be _____ to address _____.
 What will happen _____ receiving multiple _____ signal?
 What measures _____ in _____ to deal _____ network _____?
 _____ do _____ want to _____ many _____ telecom signals _____ places?
 Is _____ a plan to _____ the _____ raised _____ cellular _____?
 Is _____ a plan in _____ addressing _____ raised regarding lackluster _____?
 It _____ curious _____ is _____ of _____ to address users' _____ on _____ service.
 Repeated _____ inadequate cell coverage across _____ led to _____ development _____ some _____.
 If there's _____ course _____ to address _____ feedback _____ phone _____.
 _____ actions _____ been planned after receiving reports _____?
 _____ exact _____ response to _____ matter _____ quality _____ phone _____ over a wide _____ of territories?
 Have _____ found _____ to _____ cellular reception _____ several locations?
 What _____ items _____ your response to the issue _____ quality mobile phone _____ over a _____?
 _____ learning _____ poor wireless signals consumers _____ nationwide, _____ be _____ about _____?

Do steps have _____ taken to _____ complaints about _____?

_____ planned anything _____ complaints about lousy _____ strength _____?

After _____ many complaints _____ network coverage in _____ do _____ have any specific _____ mind?

_____ you know what _____ were _____ after _____ many bad _____ mobile _____?

After _____ weak coverage, _____ steps _____ to improve signal?

Can _____ tell us _____ you're going to _____ complaints about _____?

A lot _____ on patchy _____ which _____ are _____ taken?

_____ new _____ after receiving _____ lot of bad _____ reports?

Do you _____ specific _____ of _____ for following _____ gripes about _____ reception?

_____ have _____ network _____ so _____ the measures in place?

Has _____ been _____ measures _____ weak cellular coverage reports?

What is _____ address _____ widespread _____ about reception?

It _____ curious if there _____ a course _____ address _____ phone connection.

_____ there _____ of action to address users' _____ on _____ coverage.

_____ anyone planned _____ lousy signal _____ complaints?

_____ you doing _____ weak cellular reception _____ from _____ locations?

_____ a concrete plan _____ addressing the issue of _____ reported _____ different _____?

How will _____ poor cell coverage _____ different regions?

If _____ action taken to address users' _____ on _____ phone _____.

_____ are you going _____ insufficiency of network _____ in different _____?

Is _____ progress _____ for _____ after complaints of _____ coverage?

Is there _____ to _____ the _____ of inadequate _____ reported?

What's _____ action after _____ several _____ about spotty _____ signal?

_____ actions have _____ outlined _____ on the amount of _____ connection issues?

_____ reports of inadequate cell coverage _____ regions have _____ actionable _____.

_____ been _____ to address complaints about _____ signals?

What steps are _____ taken _____ address _____ regions?

What _____ the _____ to _____ the _____ coverage we reported?

After learning _____ some _____ weak wireless _____ consumers _____ will be _____?

_____ are the _____ that _____ taken, given _____ on _____ cellular network?

_____ new action after receiving so _____ bad _____ reports?

Which _____ being taken _____ receiving _____ lot _____ about patchy cell _____?

_____ the _____ action after receiving _____ reports _____ cellular signal?

_____ are _____ steps to _____ receiving weak _____ coverage _____?

After getting _____ about _____ service, which measures _____ being _____?

What _____ you _____ do about those complaints _____ strength?

There have _____ many _____ bad cell service _____.

_____ the _____ being _____ response to the feedback _____ cellular _____?

_____ being _____ after getting more reports of patchy _____?

_____ what is the plan of action _____ several _____ spotty _____?

_____ do you _____ improve _____ reception reported _____ several locations?

_____ strategies been developed _____ reports of insufficient _____?

What _____ measures _____ been planned in _____ poor _____ reception _____?

After receiving _____ of _____ cell _____ will _____ done?

What measures are in _____ so many people _____?

Is there _____ action _____ hearing so _____ bad _____ about _____?

_____ course of _____ to address users' _____ phone services?

_____ steps will _____ to resolve _____ cellular _____ issues?

Given the _____ amount _____ feedback regarding subpar _____ issues, _____ been _____ prioritized?

What _____ have been outlined _____ about subpar cellular connections?

What steps were _____ coverage reports?

What will _____ after receiving many complaints?

_____ you _____ to _____ coverage after these complaints?

_____ there any _____ strategies developed _____ were reports _____ cell _____?

What actions will be _____ reports _____ cellular _____?

_____ steps _____ taken _____ receiving weak _____ coverage reports.

After _____ reports _____ spotty cellular signal, _____ the plan _____?

After _____ reports of poor _____ signal, what _____?

_____ you improve weak cellular _____ from _____?

_____ you _____ us _____ to _____ about the _____ complaints _____ poor cellular connection?

What _____ are your response to low quality _____ phone _____ a _____ territories?

_____ actions will be taken following _____ in different _____?

_____ action will _____ taken _____ hearing so many _____ coverage?

_____ come _____ with _____ to improve weak cellular _____ reported _____ several _____?

_____ there _____ plans to _____ issues _____ lackluster cellular communication?

What will _____ done _____ inadequate _____ in different regions?

There _____ lot of feedback on _____ connection _____ actions have _____ outlined _____ prioritized?

What course of _____ is _____ after _____ numerous complaints _____ reception?

_____ an _____ plan of _____ for following up on _____ about _____ reception?

_____ have a plan _____ my bad _____ reception _____ areas?

_____ any plan to _____ the _____ raised _____ lackluster cellular _____?

What actions are _____ taken _____ the _____ cellphone _____ that _____ received?

_____ you have any _____ after _____ about bad cell service?

Do _____ any _____ regarding _____ network coverage in _____ geographic zones?

_____ are _____ that _____ in place after many _____ network problems?

What _____ constitute _____ to the _____ of a _____ mobile phone _____ a _____ range of territories?

_____ of _____ subpar _____ connection _____ what _____ have been outlined and prioritised?

Will _____ be _____ to _____ cellular _____ different regions?

Are _____ planning _____ anything about _____ lousy _____ complaints?

Plans _____ to fix the _____ coverage _____ we _____.

What actions were _____ after _____ weak _____ in _____ regions?

Will there _____ plans _____ place for addressing _____ regarding _____ connections?

What actions have been _____ based _____ regarding subpar _____ issues?

Are _____ actions _____ the weak _____ reported?

_____ been planned after the reports _____ cellular coverage _____ received?

_____ your _____ the low _____ phone network over a wide _____ of _____?

Do you _____ specific _____ of action for _____ with _____ reception _____ areas?

Specific _____ taken _____ reports of poor _____ service.

_____ is being _____ receiving so _____ about poor cellphone _____?

Which measures _____ taken _____ getting _____ reports of patchy _____?

_____ the steps that _____ been taken _____ weak cellular _____?

_____ be _____ after _____ poor cell _____?

Do _____ plan _____ action to deal with _____ reception issues _____ different _____?

What's the _____ of action after _____ signal across _____ areas?

_____ actions will _____ taken _____ getting a lot _____ poor _____?

After learning about _____ of _____ signals, what initiatives will _____?

Are _____ any plans for those _____ lousy _____?

What initiatives _____ implemented after _____ of frustratingly weak wireless _____?

_____ any actions _____ taken after _____ many complaints _____ the _____?

_____ steps will _____ taken _____ hearing _____ complaints about _____ mobile _____?

Following _____ poor cell signal, _____ will _____?

_____ improve _____ cellular _____ reported from multiple locations?

The next _____ about patchy _____?

Do you _____ if steps _____ to _____ with _____ cellular _____ around?

_____ about several _____ of _____ signals, what _____ be implemented?

_____ getting several _____ cellular signal, what is _____ plan of _____?

_____ have _____ those complaints about _____ signal strength?

Did you take any _____ fix the weak _____?

Is _____ strategies _____ following the reports _____ poor cell _____?

After getting _____ on _____ cell service, _____ are being _____?

Can you tell _____ you're _____ to _____ many _____ poor communication?

_____ of _____ on _____ service, which measures are being _____?

What _____ outlined and _____ given _____ amount of feedback _____ connection issues?

_____ you improve coverage _____ complaints?

What steps _____ to _____ reported cellular _____ issues?

_____ any _____ be _____ hearing so many _____ reports _____ service?

What steps _____ been taken _____ weak cellular _____?

_____ a course _____ action to _____ patchy phone service?

_____ are _____ tackle weak cell _____ several locations.

_____ plan _____ fix these _____ signal issues?

So, _____ several _____ spotty cellular signal, _____ the plan _____ here?

_____ you know what _____ going _____ about _____ complaints _____ cellular connection?

What _____ the _____ to _____ coverage _____ we reported?

_____ planned for the _____ on lousy _____ strength?

_____ feedback on mobile _____ and signal _____ a plan _____ place?

_____ are _____ that will _____ taken following reports _____ cellular _____?

Is _____ plan _____ addressing the issues raised about _____?

_____ measures _____ been taken after _____ weak cellular _____?

Given _____ of feedback _____ cellular _____ actions have been _____ and outlined?

_____ been outlined and _____ in the wake _____ the _____ cellular _____?

_____ you _____ you are going to _____ about _____ cell _____ in _____?

_____ steps will be _____ reports _____ mobile coverage?

_____ will be _____ many reports _____ weak _____ coverage?

_____ actions have _____ and prioritized _____ wake of _____ cellular connection _____?

_____ specific measures to address _____ issue _____ service indicated _____ users?

Is _____ plans to _____ the _____ with network _____ strength _____ locations?

Recent _____ inadequate cell coverage across regions _____ the development _____.

What will be _____ after receiving _____ of _____?

Is _____ any new _____ after _____ a _____ of _____ reports?

_____ any plan to _____ issue of _____ reception _____ several locations?

Having _____ many _____ poor cellphone reception, what _____ be _____?

_____ there a _____ plan _____ issue _____ inadequate cell _____ reported from different _____?

What _____ are being taken _____ about _____ cellphone reception?

How _____ you _____ deal _____ cases related _____ poor telecom _____?

Do you _____ action _____ all the complaints about _____ cell _____?

After _____ of _____ coverage, _____ been taken _____ improve it?

_____ actionable _____ are _____ in your response _____ low _____ mobile phone _____?

What specific _____ are _____ to the _____ quality mobile _____ a _____ range of _____?

Will there be _____ plans _____ reported _____ problems?

How _____ you deal with _____ coverage _____ different areas?

What ____ are ____ taken ____ getting ____ many reports ____ cell ____?
 ____ be done after receiving ____ number ____ cell ____?
