

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Information on security system regulations and codes
Inquiry Sub-Category	Understanding fire safety codes
Description	Customers seek information on fire safety codes applicable to their home security systems, including the types of smoke detectors required, locations for placement, and regular maintenance and testing requirements.
Data Size	6,404 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

Where should _____ smoke detectors _____ to fire _____?
_____ detectors is part of safety _____ requirements.
smoke _____ locations _____ to _____?
_____ smoke _____ are supposed to be placed _____.
It's _____ question about _____ detector _____ codes.
_____ should _____ alarm _____ for compliance?
_____ detector _____ follows safety _____.
_____ rules, where should these _____ be placed?
_____ to find _____ where to install _____ codes?
_____ wondering _____ to put my _____.
Where _____ position _____ smoke _____.
According _____ fire codes, where _____ smoke detectors?
Where do I _____ a _____ to _____ smoke _____?
Where do I _____ my _____ alarms _____ fire _____?
According to _____ safety laws, _____ be mounted?
_____ are the _____ places _____ install smoke _____ codes?
_____ the best _____ put _____ smoke _____?
_____ should I place _____ detectors, _____ to _____ codes?
Smoke detectors _____ where _____ safety _____ indicate.
_____ you _____ spot _____ the smoke sensors?
According _____ where _____ I _____ my smoke _____?
_____ you _____ the _____ installation areas for _____ detectors?
Can _____ the location for _____.
_____ fire safety _____ regarding the _____ smoke detectors.
_____ there a _____ to _____ smoke _____?
_____ detector locations _____ codes.
Need _____ position _____.
Where _____ I find smoke _____ to _____?

_____ to _____ alarms is _____ question.

_____ are _____ places to get _____?

Where _____ best put my _____?

_____ is _____ place _____ alarms to _____?

What are _____ proper _____ alarms?

_____ should you _____ the _____?

As fire _____ the _____ detector spots _____?

_____ detector _____ per _____ rules

_____ do _____ smoke alarms?

There are regulations on _____.

According _____ where should I put _____.

Where _____ I _____ fire alarms?

The _____ to put my smoke _____.

Where _____ put my smoke detectors?

_____ for the right _____ for _____ detectors.

Optimal _____ placement is related _____ constraints...

Where _____ the _____ go.

_____ correct _____ of smoke _____ needed.

_____ place to _____ smoke sensors _____ in _____ the _____ guidelines.

_____ about _____ the smoke _____ installed?

According to fire safety _____ should _____ put _____?

_____ codes _____ there be spots _____ smoke _____?

_____ to fire _____ where should _____ place _____ smoke _____.

_____ best place _____ put smoke _____?

Where _____ the smoke _____?

_____ location _____ fire _____ is part _____ safety _____ requirements.

_____ to put my _____?

What's the _____ alarms?

_____ store the smoke _____?

_____ correct spot _____ smoke alarm?

_____ smoke alarms where.

_____ best _____ the smoke sensors _____ be located?

_____ my _____ detector _____ placed?

Where _____ you _____ proper installation areas _____?

_____ want to _____ how _____ smoke _____ in compliance with _____.

_____ should _____ the fire safety _____.

How _____ find the _____ installation areas _____ smoke _____?

_____ need to be placed, following fire _____.

_____ can you tell _____ about the _____ areas for _____?

_____ instructed by fire _____ laws where _____ should _____ their alarm _____.

_____ the _____ detectors should _____ according _____ fire safety codes.

Can you _____ the _____ location _____ the _____?

Can you _____ a _____ for _____?

_____ is the proper _____ smoke _____.

_____ know how to place smoke _____ compliance _____ fire _____.

Smoke detector _____ regulations.

_____ per _____ the optimal location for smoke _____?

_____ the codes, where _____ place _____ smoke detectors?

_____ detector _____ related to _____.

_____ the right _____ the _____ sensors?

_____ position the _____ detectors.

_____ want to know how _____ smoke _____ fire code.

Where _____ smoke _____ be placed _____ code _____?

Where are _____ for _____ compliance?

Should _____ safety _____ dictate _____ detectors _____?

The location of fire detectors _____ related _____.

Where _____ set _____ sensors.

_____ sensors should _____ placed _____ regulations.

_____ to _____ smoke alarms _____ code _____?

As per fire _____ can _____ where to _____ smoke _____?

Is _____ a _____ for a _____?

I need _____ to _____ find _____ standard spot to _____ the smoke _____.

_____ detector locations _____ with _____ regulations?

Is it _____ for _____ detectors _____ go where _____ safety _____?

Proper location _____ detectors is a _____ code.

Where _____ smoke alarms?

There are _____ safety _____ should _____ where smoke _____ should _____.

_____ do I _____ detectors?

The ideal _____ for smoke _____?

What _____ the best _____ install _____ under the _____?

_____ is the proper _____ to be located?

_____ safety _____ where should _____ detectors _____?

There are _____ codes _____ smoke detectors _____ go.

_____ the _____ best place of smoke sensors...

_____ be _____ smoke _____ locations in _____ codes.

_____ safety codes _____ include _____ detector _____?

How do the _____ safety _____ say _____ locating _____?

_____ me know _____ place _____ in compliance _____ code regulations.

_____ where to install smoke _____ under the _____?

_____ smoke detectors _____ positioned correct.

Smoke _____ are best for _____?

_____ accordance with _____ all that jazz, _____ should I _____ smoke _____?

Do you _____ position _____ smoke _____?

where _____ safety codes _____ detectors _____?

_____ per _____ safety _____ you suggest _____ of _____ detectors?

I _____ know what _____ spot is _____ smoke _____.

_____ detectors _____ go _____ fire _____ indicate.

_____ are fire codes _____ position _____.

_____ do _____ smoke detectors?

I _____ where the _____ for smoke detectors _____.

_____ to locate _____

_____ fire safety rules, _____ should smoke _____?

_____ you _____ me where _____ should be

_____ smoke detectors according to _____ safety laws?

_____ do _____ locate _____ alarms?

What _____ fire _____ code say _____ detectors?

Can you tell _____ best places to _____?

Where _____ smoke _____?

Where should we _____ smoke _____ for _____?

_____ the _____ location for smoke _____?

_____ you tell me _____ for smoke detectors?

_____ location for fire _____ by _____ codes.

The location _____ detectors is related to _____.

_____ location for fire detectors is one _____.

_____ compliance with _____ regulations, show _____ to position smoke _____.

According _____ the _____ where should _____ put my _____?

_____ I _____ detectors to install?

_____ location of smoke sensors can be found _____ with _____.

_____ fire safety codes, _____ should _____ smoke detectors?

_____ line with safety guidelines?

I _____ the smoke _____ should _____.

_____ location for fire _____ is _____ safety code _____.

_____ detector location per fire _____?

I'm trying _____ locate _____ fire-safety standard _____ the _____ detectors.

_____ it _____ put the smoke _____ under _____ code?

How to _____?

How to find _____ install _____ under the _____.

Where _____ to find the _____?

What _____ the _____ put _____ smoke sensors?

_____ where should the smoke _____?

Where _____ smoke _____ go?

Where should we _____ for _____?

_____ do smokes detectors _____?

_____ meet _____ codes for smokes _____?

How do _____ spot for _____ smoke sensors?

_____ detection locations _____ fire _____?

_____ to _____ to _____ detectors in compliance with the fire _____.

_____ are guidelines regarding _____ to _____.

Where _____ position _____ alarms?

_____ of _____ detectors _____ needed

_____ proper positioning of _____ is _____.

Yes, according _____ should _____ set my _____ detectors?

The _____ location _____ fire _____ relevant _____ safety code _____.

There _____ be _____ smoke detector _____ code.

Is there a _____ put smoke _____ under _____?

How _____ detector under _____ code.

Is _____ to _____ optimal smoke detector locations _____?

_____ you tell me _____ proper _____ detectors?

_____ state _____ to install _____ detectors.

_____ right place to put _____?

Is it possible _____ smoke detectors as _____?

My _____ be mounted _____ current _____ safety laws.

_____ a need _____ positioning of _____.

_____ codes and other _____ where should I _____ detectors?

_____ the _____ that are required to _____ placed?

What's _____ best _____ put _____ alarm?

_____ know _____ smoke detectors in compliance _____ fire code regulations.

Where are _____ with safety _____?

_____ was _____ if _____ me the right _____ smoke detectors.

Under fire code, _____ smoke _____?

Depending on _____ fire safety laws, _____ smoke detectors?

Which _____ should _____ smoke _____?

_____ smoke detector locations _____ are _____ with safety _____.

_____ know _____ I should _____ the _____ alarms?

_____ smoke detector _____ per fire _____.

Are there _____ with safety regulations?

The _____ place to _____ the smoke sensors is _____.

_____ you _____ me _____ smoke detectors should be _____?

_____ do I _____ to _____ smoke _____?

_____ to _____ codes and all _____ jazz, _____ should _____ put _____ smoke _____?

_____ tell _____ where I can _____ right _____ detectors?

Where _____ fire _____ say _____ to _____ devices?

There _____ fire _____ of smoke alarms.

Smoke _____ placed in _____ location _____ complies with _____ safety _____.

I need _____ where _____ place _____ detectors.

As per fire _____ is _____ proper _____ for _____?

When it _____ to smoke alarms, _____ place?

As _____ safety codes _____ you suggest _____ the smoke _____?

_____ you _____ on _____ placement of _____?

_____ is _____ safety _____ place _____ put the smoke _____?

_____ location of _____ related to safety _____.

How _____ the _____ place _____ the _____?

_____ detectors is required by the _____ code.

_____ of _____ are needed.

_____ detectors _____ safety codes are?

I _____ to _____ to _____ smoke detector in _____.

_____ know how to _____ smoke detectors in _____ fire _____?

Can _____ tell me _____ of _____ detectors?

_____ position the smoke _____?

_____ the smoke _____ for _____ compliance?

_____ position _____ smoke detectors be?

It's a question of _____ detector _____ codes.

These smoke detectors _____ to _____ placed _____ a _____.

There are _____ rules _____ to be followed _____ smoke _____.

_____ like _____ know where the _____ alarms should _____.

_____ wondering where _____ standard spot is _____ mount _____ detectors.

The _____ of _____ alarms _____ safety _____.

_____ place smoke alarms?

_____ detector locations _____ the _____ regulations?

I _____ know how to _____ detectors in accordance _____ code _____.

Where _____ alarms be?

_____ smoke detector _____ per _____ codes.

What's the _____ alarms?

Fire _____ of _____ is something _____ be done.

Where _____ sensor.

Where _____ I _____ smoke _____?

Where _____ the _____ detector?

Better smoke detector _____ codes?

Where's _____ spot _____ mount _____ smoke detectors?

As per fire safety codes, _____ suggest _____ location _____?

Can you ____ me ____ place the ____ alarms?
____ do ____ my smoke ____?
What is the ____ site ____?
Yeah, ____ should ____ my ____ detectors?
Can you ____ the best ____ detectors?
The placement ____ the ____ the fire ____.
Where is ____ best place ____?
According to ____ should my smoke ____?
How should ____ of ____ detectors be ____ under ____?
According to ____ codes, ____ I put ____ detectors?
Where ____ rules require smoke detectors ____ placed?
Applying fire codes ____ my smoke alarms?
____ detectors be going?
____ where are the smoke ____?
____ help me ____ the ____ the smoke detectors.
____ codes, ____ should I locate ____ smoke ____?
____ to ____ codes, ____ should ____ my smoke detectors.
____ it appropriate ____ smoke ____ the fire code?
Is ____ a ____ smoke alarms ____ be ____ under safety ____?
____ are the smoke ____ placed?
According ____ where ____ my ____ be?
Is ____ suggest ____ smoke detectors in accordance with ____ safety ____?
Can you ____ proper location ____ detectors?
Smoke ____ placed in ____ with ____.
____ sensors ____ accordance with ____ regulations.
Proper location ____ detectors ____ required ____ safety ____ requirements...
There are ____ safety rules about ____ of ____.
____ fire safety codes, can you ____ placement ____ the ____?
Smoke ____ per safety ____.
Where to ____ the ____?
What are the ____ for ____ install the ____?
____ to fire codes, ____ should I ____ my ____?
Should smoke ____ near ____ codes?
Should ____ detector ____ be per ____?
The smoke ____ should be ____ fire safety ____.
____ best spot ____ a smoke ____?
____ where the smoke alarm should ____?
Possible ____ alarms under ____ codes.
____ best place to ____ smoke ____ line ____ the guidelines.
____ codes ____ put smoke alarms.
____ put ____ sensors is in compliance with the ____.
____ detector locations in ____ safety regulations?
I wonder what ____ safety ____ says ____ locating ____.
Where ____ smoke alarm?
Fire codes ____ where ____ put ____.
____ put ____ detector ____ fire code?
____ it possible to ____ correct ____ for ____ detectors?
____ the smoke sensors?
____ mandates where should I ____ smoke ____ setting?
____ you ____ me where ____ should install ____ smoke ____?

What is the best _____ ?
_____ not sure _____ put my smoke _____.
Where do the smoke detectors _____ be _____ comply _____ safety _____?
_____ detectors need to _____ fire _____ rules.
As per _____ safety _____ can _____ the _____ of smoke _____?
_____ I _____ detectors to comply with _____?
Smoke _____ per regulations.
_____ the _____ where should my _____ be installed?
Where _____ the smoke detectors _____ be _____?
Where's _____ mount the _____ detectors?
The proper location _____ fire _____ is related _____.
As per fire _____ is _____ spot for smoke _____?
Where _____ smoke _____ safety codes?
Smoke _____ in line _____ safety _____
_____ I find _____ code compliance?
Where's the _____ to _____ smoke _____?
The proper _____ of fire detectors _____ of the _____.
_____ are some smoke detector locations that _____.
_____ tell _____ about the placement _____ smoke _____?
_____ is the _____ place _____ alarms?
Do you know _____ smoke alarms _____ be _____?
Proper _____ fire detectors is part _____ safety _____.
_____ should _____ put my smoke _____ requirements?
Where _____ smoke _____?
_____ fire _____ codes lead to _____ detectors _____ go?
Where should _____ placed?
_____ place to put _____ alarms?
_____ where should I place _____ smoke detectors?
_____ give me where the _____ alarms should _____?
_____ proper _____ for fire _____ is mentioned _____ the _____ code _____.
Where do I _____?
Do _____ know where to _____ smoke _____ compliance?
Where _____ smoke detectors _____ to be _____ safety rules?
_____ is _____ for _____ smoke sensors to be _____?
_____ a way _____ find _____ proper installation _____ for _____ detectors?
Where _____ smoke _____?
_____ fire codes, _____ is _____ proper _____ smoke alarms?
_____ put my smoke _____?
_____ to know _____ to _____ the smoke _____.
What place _____ I _____ my _____?
_____ to keep _____ smoke _____?
_____ is _____ safety standard _____ to mount _____ smoke _____?
_____ positioning of _____ alarms is _____?
I want _____ place _____ to fire safety _____.
It's possible _____ smoke alarms _____ fire _____ way.
I _____ to put the smoke _____.
_____ proper place for _____ is related _____ safety _____.
Smoke _____ spots should be _____ safety _____.
_____ you _____ rules for _____ alarms?
According to fire _____ where should _____ install _____?

_____ can _____ for smoke detectors?

What is _____ put smoke _____?

Should _____ alarms _____ under _____ codes?

_____ position _____ detectors is _____.

_____ locations must meet _____.

_____ places authorized by _____ where one should _____ their _____.

_____ can we _____ out _____ smoke detectors under the _____?

The _____ to _____ smoke sensors is in _____ safety _____.

I _____ know _____ I can _____ my _____ detectors.

_____ code _____ about locating _____ detectors.

The smoke _____ should _____ as _____.

Where is the _____ that _____?

_____ location for _____ sensors?

What _____ fire safety _____ about _____ smoke _____?

Where to _____ my _____?

_____ can I place _____?

The location _____ to safety code requirements.

_____ the smoke _____ with the safety _____?

_____ to _____ smoke _____ in _____ with _____ fire code.

_____ fire safety _____ smoke detectors should _____?

Where _____ go _____ it comes to fire _____?

_____ smoke alarms _____ for _____ compliance?

_____ a _____ place _____ smoke alarms?

Where _____ the _____ put smoke _____?

What _____ the _____ smoke _____ locations _____ codes?

_____ want to _____ to _____ detectors in compliance.

_____ tell _____ the _____ alarm should be located?

_____ know where to _____ my smoke _____ meet _____.

Where _____ I _____ put _____ detector?

_____ detector locations per _____?

_____ you properly _____ fire _____ devices?

_____ alarms placed for code _____.

Where _____ smoke _____?

Smoke _____ per safety _____.

How about _____ smoke alarms?

_____ to code, _____ I _____ my smoke _____?

_____ optimal _____ locations according _____ codes.

Is it possible _____ tell _____ spot _____ a _____ detector?

_____ the right _____ place _____ sensors?

Can _____ tell _____ correct _____ smoke detectors?

Where _____ location for _____ detector?

_____ are the _____ to install _____?

_____ is _____ best spot _____ sensors?

_____ location _____ per _____ rules

Where _____ I _____ my _____ meet the regulations?

_____ there _____ place to _____ smoke _____?

_____ the smoke _____?

_____ code _____ proper _____ fire detectors...

_____ codes, where do _____ smoke _____?

Where _____ the smoke detectors _____ to _____ following _____ rules?

_____ safety codes indicate _____ the _____ detectors _____.

Should _____ detectors go _____ safety _____ are?

Do _____ safety codes _____ detectors _____ go?

_____ smoke _____ spots are _____ safety _____?

_____ should _____ alarms by code?

How do _____ where to install smoke _____?

_____ fire safety codes tell _____ locating smoke _____?

Applying fire codes, where do _____ best _____?

I _____ where I should _____ detectors.

_____ tell me where _____ get _____?

I _____ where I _____ put _____ smoke _____.

Smoke detectors need _____ go _____ fire _____.

I'm _____ where _____ smoke _____ should _____ installed.

_____ positioning _____ smoke alarms should _____.

_____ do the _____ safety code tell you _____?

_____ detector _____ align _____ safety _____?

_____ I put my _____ detectors, _____ to _____?

_____ fire safety _____ can _____ me the _____ spot for smoke _____?

There _____ smoke _____ correspond to safety _____.

According _____ fire safety laws _____ should _____ place _____ smoke _____?

As _____ codes, _____ ideal _____ for smoke alarms?

Where should _____ alarms _____ by _____?

Can _____ suggest _____ appropriate _____ for _____?

What _____ place _____ smoke detectors?

_____ fire _____ code state _____ locating smoke _____?

_____ fire _____ codes _____ should I _____ smoke detectors?

_____ detectors need _____ be placed following _____.

_____ the _____ of _____ smoke detectors _____ following fire safety _____?

Concerning current _____ laws, where _____ I _____ my _____?

_____ to locate a _____ detector?

_____ is _____ for smoke detectors?

The location of _____ fire detectors is _____.

Where _____ alarms be _____?

The proper location for _____ detectors _____ in _____ code _____.

_____ to _____ smoke _____

There _____ for the _____ of _____ alarms.

_____ best _____ place _____ sensors is in line _____ safety _____.

Where _____ I _____ put smoke _____ applying fire _____?

Where _____ detectors?

Optimal _____ detector _____ fire _____?

As per fire codes, _____ the _____ alarms?

_____ be proper positioning _____ detectors.

It is a question _____ smoke _____ safety codes.

What _____ to put smoke detectors?

_____ detector location per code?

Where should _____ my smoke _____ protect _____?

The _____ detector _____ per _____ code?

What's _____ smoke alarms?

Do you _____ where _____ the _____ for the smoke _____?

According _____ fire _____ i put _____ smoke detectors?

_____ smoke alarms _____ for _____ compliance?
_____ for smoke detector _____ codes?
I _____ to know how _____ smoke detectors _____.
Does _____ smoke _____ locations _____ safety _____?
Where _____ the _____ detectors _____ be placed.
Where _____ the _____ alarm?
What _____ code say about _____ locations?
How _____ place _____ under _____ code?
Under safety _____ find _____ alarms?
In _____ safety _____ best placement _____ can be found.
_____ to _____ codes, where should _____ put _____ detectors?
Where to _____ with the regulations.
_____ detectors _____ placed _____ per fire _____ codes?
_____ to _____ detection equipment?
_____ to find the proper areas _____ codes?
Optimal smoke _____ is _____ fire _____ restrictions.
Where _____ detectors _____ during _____ safety _____?
What is _____ for _____ smoke _____ to be?
Where fire _____ detectors be?
_____ need _____ know the _____ spot _____ smoke _____.
_____ the _____ to _____ smoke alarms?
_____ smoke _____ follow the safety _____?
Smoke _____ the safety rules.
Smoke detectors are _____ to go _____ codes _____.
Where _____ detectors to be _____?
_____ plant _____ detectors?
Where _____ detectors?
The best _____ alarms _____ safety codes.
Where are _____ alarms located _____ compliant?
_____ suggest the best _____ for _____ smoke _____?
The _____ smoke detector locations _____.
An _____ smoke detector _____ codes.
The _____ placement _____ the smoke detector is _____.
_____ the smoke _____ be installed?
_____ of _____ sensors can be _____ compliance with the safety _____.
Where to _____?
_____ code-conscious _____ of smoke _____ possibility?
_____ code, how to _____ detector?
According to _____ codes, where should _____ find _____ detector _____?
I _____ put _____ smoke detector.
Smoke detectors should go _____ safety _____?
_____ where to _____ the smoke detectors _____ fire safety codes?
There are _____ by fire _____ where _____ place their _____ modules.
_____ fire _____ codes, _____ should _____ put the _____ detector?
Where _____ I _____ to _____ smoke _____?
_____ what's the _____ smoke sensors?
_____ the proper location _____?
How _____ locations per fire _____?
According to _____ safety _____ where _____ I place _____?
_____ want _____ where _____ mount my _____ detectors.

Smoke _____ to be located _____.

_____ detectors _____ fire _____?

According _____ fire codes, _____ I keep my _____?

_____ sensor _____ dependent _____ fire _____ constraints...

_____ must smoke _____ go for _____?

Safety rules _____ location.

Smoke detectors should be _____ the _____.

_____ there _____ best _____ smoke _____ under safety codes?

_____ fire _____ do I _____ my smoke _____?

_____ to _____ how to _____ smoke _____ in _____ fire codes.

_____ location of fire _____ is _____ safety code _____.

According to _____ safety codes, _____ I place _____?

Proper _____ detectors is necessary _____ safety _____ requirements.

Installation of _____ detector _____?

_____ sensor should _____ per regulations.

I want to know _____ to position _____ compliance _____ code.

_____ smoke detectors _____ needed.

There are places _____ by _____ safety laws _____ should _____ modules.

Somewhere to _____ my _____?

_____ do the smoke detector _____?

_____ safety _____ smoke detector _____.

_____ smoke _____ placement _____ the fire _____.

_____ am I _____ to _____ my _____?

_____ wonder where _____ smoke _____ to _____ placed.

Where _____ the smoke _____ to _____?

_____ appropriate _____ go where fire safety codes say to _____?

Optimal smoke detector locations _____?

I _____ how to _____ detectors in a way that _____ fire _____.

Where _____ fire codes _____?

_____ location of _____ needed.

_____ detectors _____ located where fire safety _____?

_____ does _____ code say about where _____ find _____?

_____ alarms _____ a fire code-conscious thing.

_____ per fire codes _____ proper spot for _____?

_____ per fire _____ what's _____ optimum _____ for _____ alarms?

The _____ location for fire _____ to safety _____.

_____ should I _____ my _____ according to _____ codes?

_____ location _____ fire detectors _____ determined by _____ requirements.

_____ detector _____ by safety _____.

According _____ where should I _____ my _____ detectors?

_____ position smoke _____

What does the _____ you about locating _____?

Where should _____ be _____?

_____ best _____ to _____ smoke _____ is _____ accordance _____ safety guidelines.

_____ about where _____ smoke alarms.

There _____ about _____ to place _____ alarms.

_____ safety laws, _____ should I place my _____ detectors?

_____ where the smoke alarms need _____ be?

The _____ sensor placement relates _____ constraints.

According to fire _____ detectors go?

____ can ____ smoke detectors?
 ____ the ____ spot to ____ sensors?
 There ____ be ____ the ____ detector under the ____ code.
 ____ correct ____ for smoke ____?
 There are ____ that ____ position of ____ devices.
 ____ correct ____ for smoke sensors?
 Where ____ detector?
 I ____ someone to ____ locate ____ fire ____ spot ____ mount ____ smoke detectors.
 ____ are the recommended ____?
 ____ smoke ____ go?
 ____ will ____ the ____ place ____ put my ____ detectors?
 ____ it ____ to fire ____ do ____ detectors need to be ____?
 ____ to place ____ smoke detectors according ____ safety ____.
 Is ____ for ____ detector ____ go where fire safety ____?
 ____ be ____ smoke detector placement under ____ code.
 ____ smoke ____ to place ____ regulations.
 ____ the best spot ____ smoke sensors ____ be ____?
 ____ know ____ spot for ____ sensors?
 Where is the ____ place ____ the ____?
 ____ fire ____ where ____ I put my ____ detectors in ____?
 ____ do ____ find ____ to put my smoke ____?
 Where ____ fire ____ codes indicate ____ smoke ____ go?
 ____ can we find ____?
 ____ the ____ location ____ sensors?
 Should ____ be ____ fire ____ codes indicate?
 ____ codes, where ____ the ideal ____ smoke alarms?
 Can you suggest the ____?
 ____ what ____ I put my ____?
 ____ me ____ a place to ____ smoke detectors.
 Where ____ best ____ smoke alarms?
 I have ____ question ____ to place the ____.
 ____ for ____ is regulated by ____ safety code.
 ____ for smoke alarms ____?
 ____ is it that ____ put my ____?
 ____ should ____ my smoke detectors?
 ____ to ____ where ____ I set ____ smoke Detectors?
 How do ____ codes say where ____ smoke ____?
 ____ you ____ the ____ smoke detector locations ____ fire ____?
 ____ did ____ need to ____ placed?
 ____ do ____ regulations ____ the ____ of alarm devices?
 ____ you ____ how ____ place smoke ____ accordance with fire ____?
 ____ fire ____ indicate if ____ detectors ____ go?
 ____ you ____ detector ____ per fire codes?
 Is ____ to ____ smoke alarms ____ a ____ way?
 ____ don't ____ where ____ smoke detectors ____ be placed.
 Are smoke ____ in line ____?
 ____ tell ____ the smoke alarms ____ be installed.
 Where ____ I put ____ smoke ____ fire safety ____?
 ____ sensors ____ to regulations.
 The placement ____ the smoke sensor ____ code _____.

What are ____ best ____ a ____ alarm?

I ____ wondering where the ____ safety standard ____ mount ____ detectors.

____ should the ____ alarms ____ for ____?

____ smoke detector location is ____.

Where should ____ fire safety codes ____?

____ a ____ where I ____ mount my smoke ____?

____ where should ____ set my alarms?

Where ____ best place ____ smoke detector?

____ most ____ location for ____ alarms?

____ are ____ smoke ____ for code ____.

What location should ____ my ____?

____ suggest the ____ locations for ____?

Correct ____ detectors ____ needed.

Where ____ the best ____ smoke detectors?

____ I ____ detectors ____ to the current fire safety ____?

____ tell ____ a ____ smoke detectors?

Where am ____ to ____ smoke ____?

A sensible ____ smoke alarms is ____.

Where ____ smoke alarms ____?

____ there ____ where ____ can have my ____ installed?

____ are ____ put the smoke ____?

How ____ place ____ detectors?

____ sure where to ____ my ____.

____ are ____ safety ____ detector spots?

Following ____ rules, where ____ smoke ____ to be placed?

____ the recommended ____ for ____ alarms?

Can you ____ me where ____ detectors should ____?

____ about optimal ____ locations ____ code?

The placement of ____ affected by fire ____.

____ the current fire ____ where should ____ my ____ detectors?

____ detectors follow fire ____?

____ to ____ safety mandates, where ____ the smoke detect ____?

Smoke alarms ____ be ____ safety ____.

As per fire safety ____ can you give ____?

There ____ proper ____ of the ____.

____ to ____ should ____ detectors be?

____ fire alarm devices?

Where ____ you ____ place ____?

____ is a ____ for ____ of smoke ____.

____ find rules ____ installing fire ____?

What ____ proper ____ for smoke ____?

____ you ____ me ____ put the ____ detectors?

____ per fire ____ codes, can you suggest ____ smoke ____?

____ to find the ____?

____ per ____ codes, what is the ____ for ____?

____ you suggest ____ place smoke ____?

____ detector ____ compatible ____ rules.

____ the fire safety standard ____ smoke detectors?

I'd like to ____ location ____ smoke detectors ____ fire ____.

____ do ____ the proper ____ areas ____ smoke detectors?

_____ detector _____ be _____ with safety _____.

The _____ to put _____ smoke _____ is _____ with _____ safety guidelines.

_____ fire codes, what _____ the _____ smoke alarms?

According to current safety laws, _____ I _____?

_____ where _____ put _____ smoke _____?

According _____ fire _____ am I _____ my smoke detectors?

Proper location _____ detectors _____ important to _____ code _____.

Place smoke detectors in _____.

_____ proper smoke _____ are _____ of fire safety _____.

There _____ need _____ correct positioning of _____ detectors.

Correct smoke detector spots _____ in fire _____.

_____ fire codes, where _____ set the _____ detectors?

Can _____ me where _____ smoke alarms _____ code?

Where _____ smoke _____

Where should _____ for code _____?

Do you _____ the _____ for the _____?

Is it _____ smoke detectors _____ to fire safety _____?

The _____ detector _____ should _____ based _____ fire codes.

Do _____ where to _____ smoke alarms for _____?

_____ do _____ smoke detector?

I don't _____ where _____ detectors

_____ should _____ place my smoke detectors to _____ laws?

What's _____ put the smoke _____?

According _____ safety laws _____ should I _____ smoke _____?

_____ would _____ to _____ to _____ smoke detectors.

There's _____ where _____ position smoke _____.

_____ you tell _____ the _____ location of _____ detectors?

Where might _____?

I _____ to know where to _____.

Fire safety laws _____ should put _____ alarm _____.

_____ should I place _____ smoke _____?

Where should _____ be?

_____ the smoke _____ locations _____ aligned _____ regulations?

_____ you give me _____ smoke detectors _____ to _____ codes?

The _____ of _____ alarms _____ a _____ code-conscious _____.

_____ location of smoke _____ fire _____?

_____ need _____ a fire code-conscious positioning of _____.

_____ place _____ sensors.

_____ standard _____ to put the smoke detectors?

Where _____ position smoke _____?

Where's _____ mount these smoke detectors?

I want _____ know _____ to position _____ in _____ with _____.

The _____ smoke detector _____ for _____.

Optimal _____ sensor _____ is linked to _____.

Where _____ smoke _____ installed under the _____?

_____ is _____ spot to put _____ smoke _____?

Have you _____ smoke detector _____?

_____ the smoke _____ locations _____ alignment _____ the _____ regulations?

_____ we place smoke _____?

_____ to fire codes, where should _____ set _____ to _____?

_____ put _____ Detectors.

_____ the _____ alarm should be installed.

Where should _____ put my _____ meet the _____?

_____ smoke detector locations _____ be _____ the _____ regulations.

_____ smoke _____ be located _____ code compliance?

Where do _____ place _____?

_____ you know where _____ smoke _____?

_____ should smoke _____ installed _____ codes?

_____ must _____ smoke detectors?

It's _____ question _____ smoke _____ locations per _____ code.

_____ place to install _____ detectors.

Correct _____ smoke detectors _____.

The location _____ detectors should _____ current fire safety _____.

_____ is _____ spot for _____ smoke _____?

_____ are _____ authorized by the _____ safety laws _____ should put _____.

_____ of smoke detectors is _____.

As _____ rules, _____ detector _____

where should _____ smoke _____?

_____ alarms _____ to be placed?

_____ detector locations _____ alignment with safety _____.

_____ should _____ be?

Applying fire _____ where do _____?

_____ do _____ set _____ my _____ detectors?

_____ smoke _____ follow _____ codes?

The location _____ smoke _____ is _____.

_____ should I _____ smoke _____?

_____ a question about _____ locations _____ fire codes.

What's _____ best spot for _____ smoke _____?

_____ you _____ me _____ get _____ smoke alarms?

_____ location _____ alarms under _____ codes.

_____ locations in _____ with safety regulations?

_____ to _____ alarms.

_____ are _____ to keep _____ alarms?

smoke _____ under _____ code?

How _____ know _____ to install smoke _____ under _____?

_____ a need _____ proper positioning of smoke _____.

_____ fire safety _____ where should _____ put my _____?

_____ place _____ smoke detectors?

I _____ the fire-safety standard _____ is to _____ the _____ detectors.

Do you _____ to put _____?

What _____ for _____ smoke alarms?

Can _____ tell me _____ smoke alarms _____ be _____?

What are _____ to install smoke detectors under _____?

There _____ smoke detector spots.

Is there _____ detector location _____ codes?

The location of the _____ on fire _____.

_____ tell me where _____ get _____ detector?

_____ a question _____ where _____ position smoke _____.

_____ of _____ related to safety Code requirements.

What _____ fire safety code _____ about where _____?

I ____ to know how ____ place ____ detectors ____ compliance ____ ____ fire ____.

Where ____ smoke ____

Where ____ fire safety ____ require the placement ____ ____ ?

There are ____ where ____ smoke ____.
