

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Modem or router configuration assistance
Inquiry Sub-Category	VLANs and VLAN Tagging
Description	Customers may require assistance in configuring Virtual Local Area Networks (VLANs) and VLAN tagging on their routers to segment network traffic or prioritize specific devices or applications.
Data Size	5,096 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ the recommended way to _____ devices or applications _____ on _____ provided _____?

Do _____ it's a good idea _____ certain _____ with your routers?

_____ would _____ to _____ how we would _____ tagged VLANs _____ to prioritize.

Let us _____ to use a VLAN _____ your _____ prioritize _____.

Can you _____ if it's a good idea _____ prioritize _____ devices _____ based _____ VLAN _____ routers?

Is _____ way to _____ certain _____ the _____ tags on the offered _____?

_____ anything you _____ tell me _____ using _____ tags _____ for certain devices?

_____ would you use the _____ VLANs _____ the _____ applications and _____?

Can _____ tell me how to _____ priorities _____ by _____ VLAN _____?

Do you _____ if _____ a _____ to _____ tags on your _____ some devices are prioritised?

_____ was wondering _____ you could give me _____ outline _____ the optimal _____ for VLANs _____ applications _____ routers.

_____ can we use a _____ tag _____ routers to _____?

Can you _____ the tagged VLANs _____ would _____ used _____ prioritize _____ applications?

_____ should _____ use the routers' _____ tags to _____ priority _____ want?

Do _____ have any _____ how to _____ with _____ on _____?

I'm wondering _____ you _____ give _____ on how to structure _____ by _____ in the _____ system.

What can _____ tell me _____ using _____ tags _____?

Can you _____ us if it's _____ idea to use VLAN _____ devices _____ prioritized _____?

Do _____ have _____ use vlan tags to assign _____ devices?

_____ give _____ a recommendation on _____ prioritization using VLAN tags?

_____ to _____ how _____ VLANs on the routers would be _____ to _____.

_____ you think it's _____ good idea _____ prioritize _____ devices _____ based on the _____ on _____?

_____ a VLAN tag _____ to prioritize _____ specific _____

Is _____ give precedence to _____ devices _____ VLAN tags to the supplied _____?

What is _____ best _____ priority to the devices that _____ on the _____ Router?

Do _____ a _____ how _____ deploy _____ prioritization using VLAN _____?

Can _____ us information _____ how the _____ tags _____ be _____ to _____?

_____ to _____ how to prioritize _____ devices using _____ tags _____ the _____.

_____ to set _____ individual devices using VLAN _____?

_____ it possible _____ to _____ devices or _____ by applying _____ on the routers?

_____ to set _____ devices using VLAN _____ on your _____?

_____ way _____ set priorities for individual _____ the VLAN _____ in _____ networking _____?

_____ the best way _____ some _____ preferential _____ with some VLAN _____?

Is _____ to _____ priorities for individual _____ by _____ tagging in _____ network?

Is it possible _____ you _____ advise me _____ using _____ for preferential _____ for specific _____?

_____ it possible to _____ devices _____ applications _____ tags in _____ setup?

_____ it possible _____ you to _____ about _____ tags for preferential _____ for particular _____ Applications?

What is _____ method of assigning _____ certain devices _____ when they _____ ability to _____ VLAN _____?

_____ you _____ us _____ the _____ VLANs on _____ routers will _____ prioritize certain _____ and devices?

Is _____ a best _____ to deploy device/app _____ using _____ provided _____?

_____ an _____ technique _____ assigning VLANs to prioritize devices _____ your _____?

_____ best to _____ priority to devices _____ the _____?

_____ need _____ I _____ use VLAN _____ to prioritize on your _____.

_____ VLAN _____ should be _____ specific devices and applications?

Do _____ think it's a good idea _____ certain _____ on the VLAN _____ router?

_____ is _____ way _____ prioritize applications using your _____?

Can _____ me _____ on _____ to use _____ tagging to _____?

_____ should _____ in _____ to _____ devices and _____ means of VLAN tags?

_____ want _____ a process called VLANagging _____ get _____ for _____ devices?

Can you _____ me _____ way _____ prioritize specific _____ the _____ the routers?

What _____ the _____ method _____ priority to _____ and apps be, _____ use _____ tag _____ the supplied routers?

Do _____ any advice on _____ up priorities _____ devices using _____?

Is _____ on setting up priorities _____ individual _____ using _____ tags _____ routers?

I'm wondering _____ can tell _____ how _____ structure _____ using _____ tags _____ a _____ system.

_____ you think _____ would be a _____ prioritize certain devices _____ tags?

Do you _____ recommendations _____ that uses _____ to assign prioritized _____?

_____ you have _____ about using VLAN tags for _____ placement _____ devices _____?

I _____ wondering _____ give _____ on _____ to _____ devices using the _____ tag in the routers system.

Can you give _____ information _____ would be _____ prioritized devices?

_____ there an _____ prioritize _____ VLANs on the _____?

We want to _____ how the _____ the routers will _____ applications and devices.

_____ it possible _____ prioritize _____ or _____ with _____ on _____ routers?

Do you know _____ we would use _____ tagged _____ on _____ prioritize _____?

We _____ we would _____ the _____ VLANs on _____ to prioritize devices _____ applications.

We want _____ how we can _____ tagged VLANs on _____ routers _____ devices and _____.

_____ us _____ it's a _____ to use VLAN _____ on _____ to make sure some _____ are _____?

_____ it possible to give _____ to _____ or _____ applying _____ tag on _____ supplied _____?

Which _____ for _____ the VLAN tags on your routers _____?

_____ let us know how _____ be _____ prioritized devices?

Let us _____ it's _____ to use _____ VLAN _____ your equipment _____ sure that _____ devices are _____

_____ any advice on _____ to _____ devices using the _____ tags _____ the routers system.

Do you _____ a _____ how _____ devices or _____ using VLAN _____?

_____ can use VLAN _____ on supplied _____ what _____ the _____ method be for _____ devices.

_____ do you use _____ to _____ to certain things?

_____ it _____ individual _____ by using a VLAN _____ in your system?

How to _____ on a _____ to prioritize _____ and _____

_____ it a _____ idea _____ using the VLAN tags _____ their routers?

How ____ I ____ to prioritize ____ your routers?

Is ____ for ____ give precedence to ____ by using ____ on the supplied routers?

____ you ____ it's ____ idea to prioritize certain devices or applications ____ on their ____?

____ us ____ a VLAN ____ on the routers to ____ using ____ devices.

____ think it's ____ good ____ to give ____ to ____ that use ____ on their routers?

____ you ____ suggestions ____ to prioritize ____ VLANS on the provided ____?

____ for you to ____ me about using ____ tags for ____ placement ____ particular devices ____?

____ tell me what applications ____ prioritize ____ tags?

____ to ____ how we would ____ the tagged ____ on ____ prioritize specific applications and ____.

Is it possible for ____ advise ____ about using VLAN ____ for preferential ____ devices ____?

____ want ____ know how ____ can use the tagged ____ on the ____ to ____ and ____.

How ____ use the tagged ____ the ____ prioritize ____ devices?

____ is the best way to ____ devices that ____ tags?

Can ____ give us ____ on how ____ use the ____ the ____ prioritize?

____ would ____ know ____ VLAN tagging ____ prioritization ____ your supplied routers.

Can ____ the ____ way ____ prioritize devices based on the ____ routers?

____ is the best ____ prioritize your ____ VLAN tags?

What is ____ best ____ tag ____ prioritize specific ____ on your ____?

Do ____ VLAN tags would ____ used ____ prioritized devices on the ____?

How ____ giving ____ devices ____ apps ____ with some ____ on your ____?

____ how ____ set ____ priorities for individual devices by ____ tags?

How ____ the VLAN tags ____ the ____ to prioritize?

____ like to ____ can use VLAN tags for prioritization ____.

____ it's a ____ idea ____ a VLAN on your routers to prioritize ____

Do ____ one ____ or applications using ____ VLAN tags on the ____ routers?

____ wondering if you ____ me ____ how to structure my ____ in ____ routers system

Is ____ any ____ setting up ____ for ____ using VLAN ____?

Can you ____ us ____ good idea to ____ VLAN tags ____ your equipment ____ some devices are ____?

____ you tell ____ about ____ tags ____ in prioritized devices?

Do ____ recommendations on how ____ device/app ____ using ____ tagging?

Is there ____ way ____ use ____ tags ____ prioritize ____ your ____?

Is ____ way to ____ with ____ on ____ provided routers?

What ____ VLAN ____ to ____ prioritize applications on ____?

We would ____ know how ____ would ____ tagged ____ on ____ to ____ the devices.

Is ____ to ____ particular ____ or applications by applying VLAN ____ the supplied ____?

____ know ____ it's ____ good idea ____ use ____ tags on ____ to make sure ____ devices ____

____ to tell ____ to use ____ tags for preferential placement for ____ applications?

____ you think it's ____ good ____ prioritize ____ by ____ VLAN on the routers?

When using VLAN tags, what ____ certain applications?

I'm wondering if you can give ____ advice ____ to structure the ____ the ____ system.

Is ____ a ____ to establish priorities ____ individual ____ by ____ the ____ tag ____?

____ can ____ VLAN tags ____ what should the preferred ____ of ____ be?

____ can VLAN tag ____ applications on ____?

____ tags can be ____ on your routers.

____ they can use ____ tags on ____ routers, ____ is ____ method of ____ devices and applications?

What do ____ think about ____ tags should be used ____?

I want ____ one ____ prioritize ____ or ____ using ____ VLAN ____ on these offered routers.

How ____ VLAN tags ____ routers to prioritize?

____ want ____ how the tagged ____ routers ____ be used ____ prioritize devices.

How ____ I use the ____ provided ____ to desired ____?

_____ you recommend _____ way _____ certain _____ applications through a _____ called _____?

_____ you _____ a _____ that _____ vlan tag _____ assign _____ to _____ provided equipment?

Are there any _____ approach _____ with VLANS _____ provided routers?

I need _____ VLAN _____ for prioritization on your _____ router.

_____ I _____ VLAN _____ prioritization on your _____ routers?

I want to know _____ use _____ tagged _____ on the _____ and devices.

_____ tell us how we'd use _____ tagged VLANs _____ to _____?

Can you _____ me _____ give _____ to certain _____ a _____ tag?

_____ there a _____ prioritize _____ applications using VLAN tags in _____?

What _____ preferred method of _____ certain devices be, when they _____ use _____ tags _____ the _____?

Can you tell _____ to use _____ preferential placement for _____?

How would the _____ on _____ routers be used _____ applications?

Let _____ if it's wise _____ use _____ tags on your equipment _____ the _____ correctly

_____ us _____ if _____ is _____ idea _____ use _____ on _____ to _____ sure the devices are prioritized

What is the best _____ to _____ some devices _____ a _____ tag?

_____ to _____ VLAN tag on _____ routers _____ prioritize _____ devices

Do _____ have any ideas on how to use _____ to _____ the _____ equipment?

_____ there _____ to _____ using the _____ tag in your networking system?

Is _____ me _____ using VLAN tags _____ placement _____ specific devices or _____?

Is _____ possible _____ give precedence _____ devices or _____ by _____ VLAN _____ on _____ routers?

Do _____ have _____ VLAN _____ for _____ placement for certain devices?

What is _____ that _____ like _____ give the highest _____ to particular _____ of _____ VLAN tags?

_____ us _____ if it's _____ good _____ a VLAN _____ prioritize certain devices

I _____ wondering if _____ the best _____ prioritize certain devices using _____ VLAN tags?

Can _____ us a recommendation _____ to _____ device/app prioritization _____ tagging?

_____ wondering if you can _____ advice _____ to structure _____ using _____ VLAN _____ the router _____.

_____ method should _____ prioritize certain _____ devices with the _____ tags?

Is it possible that one would use _____ VLAN _____ offered _____ devices _____ applications?

Can you tell me how I _____ for _____ particular _____ applications?

_____ to figure _____ how _____ use VLAN tags _____ router for _____.

Can _____ tell us how _____ VLAN _____ would _____ prioritized _____?

How _____ we use _____ VLANs _____ to prioritize specific _____ and _____?

_____ us _____ it's _____ good idea to use VLAN _____ equipment to make sure that _____ devices _____

Can _____ me the _____ certain _____ the VLAN _____ in _____ routers sent to my house?

_____ know if _____ is _____ of _____ specific devices _____ applications through VLAN tags on _____ Router that is _____.

_____ on _____ devices _____ apps _____ be _____ with _____ use of VLAN tags.

Do you _____ about _____ to _____ with _____ provided routers?

_____ we _____ the tagged _____ on the routers _____?

_____ is _____ preferred _____ assigning priority to certain devices and _____ can use VLAN _____ the _____?

_____ set _____ for _____ devices/ _____ using VLAN tags?

Can you _____ how _____ tags for preferential _____ for _____ devices?

_____ you _____ recommendations for a _____ to assign priority to _____?

_____ don't _____ what the best way to _____ is using _____ VLAN _____ the _____.

_____ would we _____ tagged VLANs on the _____ prioritize _____?

_____ the tagged _____ be _____ to prioritize certain applications _____ devices?

_____ VLAN tags do to help _____ applications _____ your _____?

_____ give _____ devices or apps preferential _____ with your routers tags?

Can _____ give _____ recommendation on _____ deploy device/app _____ using _____?

Please _____ if it is _____ good idea to use _____ tags _____ router _____ prioritize _____.

What's _____ best way _____ to _____ that _____ using the VLAN _____?

____ you think ____ VLAN ____ should ____ assign priority to specific ____ and ____?
 ____ would ____ the ____ way ____ prioritize ____ devices ____ applications is through VLAN tags on the ____.
 Please let us ____ good ____ use VLAN ____ on ____ router to ____
 Is ____ to explain how ____ would prioritize ____ tags ____ the ____?
 ____ you ____ me how the ____ tags ____ the ____ routers ____ prioritize devices?
 Do ____ it's ____ good idea to prioritize certain ____ applications ____ your ____ tag?
 ____ know ____ we would ____ tagged ____ the routers to ____ the devices?
 ____ should be used ____ certain applications by using ____ VLAN ____ the ____?
 Is ____ to ____ based ____ device ____ application ____ using VLAN tags?
 ____ would ____ to know ____ way to tag VLANs ____ devices ____ with ____ routers.
 ____ want to ____ if you ____ an example of a way ____ certain ____ VLAN ____ on the Router.
 I ____ to ____ if you ____ an example of ____ way of ____ devices ____ applications ____ a ____ own ____.
 ____ tags ____ be ____ to ____ putting ____ on particular devices and ____
 ____ it ____ to ____ precedence to particular ____ by ____ VLAN tagging on ____?
 ____ you have ____ suggestions ____ VLAN tag to prioritize?
 I need ____ information on ____ best ____ to ____ devices using ____ on the ____.
 ____ VLAN ____ help ____ your ____ and applications ____ your router?
 What ____ think ____ how ____ tags ____ be ____ to ____ devices and ____?
 ____ to ____ or ____ by applying VLAN tagging on the supplied routers?
 ____ possible to ____ manner in ____ prioritize ____ applications by employing routers VLAN?
 ____ have ____ recommended approach for allocating ____ to ____ equipment ____ using ____ tags?
 ____ would ____ know how ____ VLAN tag for ____ on ____ routers.
 Do you have ____ advice ____ to deploy ____ VLAN ____ provided equipment?
 ____ wondering ____ you can ____ me advice ____ structure devices ____ VLAN tags on the ____.
 I ____ wondering if ____ me ____ structure my ____ using ____ VLAN tag in the routers ____
 ____ you tell us if ____ good idea ____ to ____ your devices?
 ____ attempting ____ figure ____ how to ____ VLAN tags ____ prioritization ____ your ____.
 ____ you suggest ____ to ____ individual devices ____ VLAN ____ in your network?
 ____ want to ____ we ____ the tagged VLANs on ____ to prioritize ____.
 How can ____ provided routers' ____ give ____ to desired equipment?
 ____ you tell us ____ to use a ____ your Router to ____?
 ____ know if ____ idea ____ VLAN on your router to prioritize.
 Is it ____ me about using VLAN ____ for preferential placement ____?
 ____ would ____ on the routers be ____ to prioritize ____ applications?
 What ____ I ____ with the routers' ____ giving priority to ____?
 ____ you have ____ idea of the best ____ to prioritize ____ your ____?
 ____ you think it's ____ to give priority ____ the ____ that ____?
 ____ is the ____ way ____ give priority ____ devices ____ the ____ tags?
 What ____ the best way to give ____ that ____ using ____ on ____ supplied Router?
 ____ would like to ____ way ____ prioritize ____ devices using ____ VLAN tags provided ____ router.
 ____ it possible ____ to ____ devices or ____ by ____ VLAN ____ to ____ supplied routers?
 Can ____ tell ____ best ____ to ____ specific devices is ____ the ____ tags?
 ____ you think it's ____ to devices with ____ on ____ routers?
 We want ____ know ____ the ____ VLANs on ____ routers would be used ____ applications.
 Please ____ us ____ it's ____ use VLAN tags on your ____ to ____.
 We want to ____ how ____ tagged ____ on the ____ to Prioritize.
 ____ should ____ preferred method of assigning ____ to certain devices ____ apps ____ they ____ VLAN ____ a supplied ____?
 ____ know ____ a ____ to use VLAN ____ on your router ____ prioritize.
 Is ____ possible ____ me ____ using VLAN ____ for preferential ____ or Applications?
 I ____ to know ____ way to prioritize ____ using ____ VLAN ____ routers.

Do you ____ any ____ how to use ____ vlan ____ devices?

____ wondering if ____ can ____ me ____ to structure devices ____ in a routers system.

Let us ____ you ____ it's ____ idea to ____ VLAN ____ on your routers ____ devices.

____ want to ____ how ____ use ____ on the routers ____ prioritize

____ to prioritize certain ____ and applications ____ the VLAN ____ on your routers?

Which technique should ____ used to ____ by ____ of VLAN tags?

Is ____ a ____ to ____ the VLAN tag in your ____ to ____ for ____?

Please let ____ a good ____ VLAN ____ on your Router to prioritize ____.

____ it possible ____ explain ____ prioritize ____ or applications using VLAN tags on ____?

____ you want ____ give priority to ____ devices or ____ the ____ of ____?

____ know if it's a ____ VLAN tags on ____ prioritize devices?

Can ____ tell us ____ how ____ tags ____ be ____ to ____?

I want ____ know how ____ prioritize certain ____ the VLAN ____ provided ____.

Can ____ tell ____ if ____ good ____ use VLAN tagging on ____ equipment ____ some devices are ____?

____ you have a suggestion ____ how to prioritize specific ____ VLAN ____?

Is there a ____ priorities for individual ____ the ____ tag ____ your ____?

Is it a ____ use VLAN ____ priority ____ your ____?

I ____ to ____ how the ____ on the ____ would ____ used ____ prioritize ____ and devices.

What should ____ of assigning ____ to certain devices ____ apps ____ when they can ____ tag ____ router?

____ want ____ know how ____ use VLAN tags ____ supplied routers.

____ us ____ to use a VLAN ____ the routers ____ using ____ devices ____ applications.

I'm ____ you ____ me ____ on ____ using the VLAN tag ____ the router system

Is it possible ____ give priority to ____ tag ____ routers?

Is there ____ allocating ____ to ____ using VLAN tags?

Can ____ tell ____ what ____ way to prioritize ____ is ____ the VLAN ____ on ____ routers?

____ it possible for you to ____ me ____ VLAN tags ____ specific ____ or applications?

____ have ____ recommendation ____ to prioritize with VLANS?

____ understand how I can ____ VLAN tagging for prioritization ____.

____ you ____ devices and applications ____ your routers.

What should be the preferred ____ of ____ devices and apps, ____ they ____ VLAN tags ____ supplied ____?

____ tagged VLANs ____ routers ____ used ____ prioritize these devices?

____ assigning priority to certain devices and ____ be if ____ can use VLAN ____ supplied routers?

____ ideas on ____ to prioritize with VLANS ____ routers?

____ any advice ____ how to ____ VLAN tags ____ prioritize?

____ possible to give precedence ____ particular ____ by ____ VLAN ____ the supplied ____?

Do you ____ it's a ____ to prioritize certain ____ applications ____ tags ____ your routers?

____ method of ____ or applications ____ priority based ____ VLAN ____ suggested?

____ there a ____ to ____ devices ____ tags on these ____?

Is there ____ prioritized ____ to ____ the routers?

Is ____ a ____ to ____ me on ____ VLAN ____ for preferential ____ certain ____?

____ let ____ it's a good idea ____ VLAN ____ equipment ____ make ____ the devices are prioritized

____ let us ____ how ____ be used to prioritize ____ devices?

Is there ____ way to deploy ____ prioritization ____ on provided ____?

Do you ____ way ____ designated ____ and applications with ____ routers?

____ to ____ if there ____ prioritize certain devices using ____ tags in the routers.

____ of assigning priority to certain devices ____ be when they can use VLAN ____ supplied ____?

What is the ____ to use VLAN ____ on ____ to ____?

I'm wondering ____ you ____ me ____ on how ____ devices using the ____ tag in ____ router ____.

Is it possible ____ precedence ____ particular devices ____ by ____ to ____ supplied routers?

____ a ____ use VLAN tags for prioritization ____ your ____.

_____ possible _____ you to _____ about _____ VLAN tags for _____ placement _____ particular _____?
 _____ they _____ use _____ on _____ routers, _____ the preferred method _____ assigning _____ to certain devices?
 Can you tell _____ if it's a _____ idea to _____ tags _____ routers _____ prioritize _____?
 _____ if it's _____ wise _____ to use _____ VLAN on your router _____ devices.
 _____ it possible that _____ would use VLAN tags _____ these offered _____ specific _____?
 Do _____ it's _____ good idea to _____ certain devices _____ applications based _____ on the _____?
 _____ us _____ use _____ tagged VLANs on _____ routers to prioritize?
 _____ to _____ how _____ would _____ specific devices or _____ using VLAN tags _____ offered _____.
 Can you _____ a recommendation on _____ device _____ using _____?
 _____ have an idea _____ how to _____ VLANs to _____ devices _____ with your _____?
 Is _____ way to _____ priorities for individual devices _____ tag _____ network?
 _____ devices and _____ placed in _____ based _____ VLAN tags?
 Is there a way _____ to devices _____ of VLAN _____?
 _____ us _____ a good idea to use a _____ routers _____ devices
 Let _____ know _____ it would _____ a _____ use _____ tags on your _____ make _____ devices are _____ first.
 _____ there _____ to _____ devices _____ applications _____ tags on these routers?
 Let us _____ it _____ a _____ VLAN tags on _____ to prioritize certain devices
 Please let _____ good idea to use a _____ on your _____ to prioritize _____.
 Is _____ to recommend _____ to prioritize some devices _____ applications _____?
 Is it possible _____ or apps preferential _____ with some _____ tags _____?
 _____ it's _____ good _____ to prioritize certain _____ or applications based on _____ tags _____ your _____?
 _____ how we would use _____ on the routers to prioritize _____ applications?
 _____ to establish priorities for _____ devices _____ the VLAN tag?
 _____ give me advice on how to structure _____ the _____ tag in _____ router system.
 _____ you suggest using _____ process _____ VLANagging _____ get _____ devices?
 _____ know if you _____ the _____ way to _____ devices _____ the VLAN _____.
 Is _____ possible to _____ applications by _____ tags on the supplied router?
 _____ about _____ best _____ prioritize devices _____ the tags on the routers?
 Can you _____ it's a good idea to _____ VLAN on _____ to _____?
 How would _____ be _____ in _____ the offered routers?
 _____ would _____ to know _____ to prioritize certain devices or _____ on _____ provided _____.
 Is _____ to _____ precedence _____ applications by _____ VLAN on a supplied routers?
 _____ way to give some _____ preferential treatment is with _____ on the _____.
 _____ can _____ VLAN tags _____ routers, what should _____ method of _____ priority be _____ devices and _____?
 I _____ to know if _____ can give _____ advice on _____ to _____ VLAN tags on _____.
 I am wondering _____ you can _____ on how _____ structure devices _____ VLAN _____ routers _____
 _____ us know if you think _____ idea _____ tags _____ routers to prioritize.
 _____ want to _____ using _____ tags on the provided routers.
 Do _____ have _____ how to maximize the _____ of certain devices in _____ achieve desired _____ of _____?
 _____ priorities for individual _____ with the help of the _____ tag in your _____?
 _____ have any information on _____ best way _____ prioritize certain devices _____ the routers _____ to _____ house?
 What _____ make _____ that particular devices _____ are prioritized via _____ tags?
 _____ wondering _____ you can _____ me _____ on _____ structure my devices _____ VLAN tags on _____ routers _____.
 I need to _____ use _____ prioritization on your _____ network.
 What should _____ preferred _____ certain devices _____ be, when they can use VLAN _____ the supplied _____?
 Do you _____ on _____ deployment of device/app _____ VLAN _____?
 _____ you tell _____ use _____ tags _____ the _____ to prioritize?
 Do _____ that _____ tags should be _____ to _____ devices _____ assign _____?
 _____ is the best way _____ order to prioritize?

_____ possible to _____ or apps _____ on your routers?
 _____ or _____ be placed _____ based on VLAN tagging?
 _____ to _____ how _____ would prioritize _____ devices or _____ using _____ VLAN tags on _____ offered _____.
 I want to know _____ tagged _____ routers would be _____ prioritize _____.
 _____ how I can use VLAN _____ prioritization _____ supplied routers
 Can _____ give _____ on using VLAN _____ to _____?
 _____ to know _____ the tagged _____ on the routers _____ prioritize.
 _____ do _____ about how _____ tags should be _____ distinguish _____ devices _____ applications?
 _____ you have any _____ how _____ can _____ the tagged _____ to _____?
 _____ know _____ it _____ be _____ idea _____ use VLAN tags to prioritize _____.
 I want _____ how _____ would _____ the routers _____ prioritize their devices.
 Please let us know _____ idea _____ VLAN tags _____ to prioritize
 Is _____ possible to explain _____ applications using _____ VLAN _____ the routers?
 Is there _____ method _____ prioritize _____?
 Any suggestions _____ to set up _____ individual _____ using VLAN _____ routers?
 Can you _____ me if _____ good _____ to prioritize _____ devices _____ applications based _____ their _____?
 _____ tag can help prioritize _____ your _____.
 _____ there _____ way _____ prioritize _____ devices and apps _____ VLAN _____?
 Is _____ possible to _____ precedence _____ particular devices or applications by _____ the supplied _____?
 When they can use _____ on _____ routers, _____ is _____ preferred _____ priority to devices _____?
 Can _____ recommend ways to _____ individual devices _____ VLAN tag _____ your _____?
 _____ preferred method _____ assigning _____ to certain devices and apps when it _____ using _____?
 _____ would _____ know _____ the tagged _____ on the routers to prioritize devices or _____.
 Is it possible to _____ on your routers _____.
 _____ you _____ a suggestion _____ strategy _____ a vlan tag _____ assign prioritized _____?
 I need _____ know _____ I can _____ tags to _____ routers.
 _____ on the offered routers _____ used to prioritize _____ or applications?
 _____ you let _____ know if _____ to use _____ VLAN to prioritize _____?
 _____ like _____ know _____ you _____ give _____ advice _____ to _____ using VLAN tags in a _____ system.
 _____ you tell me _____ the _____ way _____ specific _____ tags in the routers sent to _____ house?
 Is _____ a _____ to _____ devices and _____ by _____ VLAN _____ in your _____?
 _____ was _____ if _____ any information _____ best way to prioritize certain devices _____ tags?
 Is it possible _____ precedence _____ applications _____ VLAN _____ the supplied routers?
 Do _____ have _____ to _____ prioritization using VLAN tagging?
 _____ if _____ have any information on _____ best _____ to _____ devices using the _____ tags?
 I _____ we _____ use _____ tagged VLANs on the routers to _____ certain _____ devices.
 Is _____ prioritize specific _____ using _____ tags on the offered routers?
 I _____ know _____ a way to prioritize _____ devices or applications _____ the _____ on the Router.
 _____ give us _____ information _____ would use the tagged _____ on the _____?
 Let _____ if it's _____ idea to _____ VLAN tags _____ your _____ devices.
 Can _____ tell _____ how _____ certain devices _____ the use of _____ tags?
 _____ VLAN _____ would _____ used _____ prioritized devices _____ offered routers?
 Discuss _____ use _____ VLAN _____ a routers to _____.
 Can you _____ on the offered routers _____ be _____ to prioritize devices and _____?
 _____ possible that _____ on _____ routers to prioritize specific devices or applications?
 Can _____ us _____ we would _____ VLANs _____ the _____ to prioritize
 Can _____ to use _____ VLAN tags _____ the provided _____ prioritize?
 What can _____ tell _____ about using _____ preferential _____ particular devices _____ applications?
 I _____ wondering _____ give me _____ information _____ the best way _____ prioritize _____ using _____ VLAN _____.
 _____ tell _____ if _____ VLAN tags on _____ equipment _____ sense to make _____ devices _____ priorities?

I _____ information on _____ best way to prioritize _____ devices using _____ VLAN tags _____.
 Do you _____ it would _____ good _____ to _____ certain devices _____ on the _____ your routers?
 _____ you _____ us _____ on how _____ deploy device/app priority _____?
 I want _____ know if _____ have _____ of a _____ to prioritize specific _____ VLAN tags _____ the _____?
 _____ you _____ do with VLAN _____ to prioritize?
 Do you _____ using _____ VLANagging to get priority _____?
 Which _____ should _____ used to _____ means of VLAN tags _____ your _____?
 _____ can we _____ VLANs on _____ to prioritize?
 Let _____ know _____ you _____ it's _____ good _____ VLAN tags on your _____ to prioritize _____.
 Do you _____ would _____ to give _____ devices _____ use _____ VLAN tags?
 How _____ we use the tagged _____ on _____ prioritize _____ or _____?
 _____ you tell _____ VLAN tags _____ be used _____ prioritize?
 _____ should the _____ method _____ assigning priority _____ certain _____ and apps _____ when _____ can _____ VLAN _____ on _____ routers?
 Is _____ way to _____ priorities _____ by _____ the VLAN _____ in _____ networking system?
 Can _____ tell me _____ way _____ prioritize _____ devices using the _____ in the _____ sent _____ house is?
 I'd _____ know _____ use the _____ VLANs _____ the _____ to prioritize.
 _____ wondering _____ you _____ give _____ advice on how _____ the _____ using the VLAN tags _____ the _____.
 _____ priority _____ based on _____ or application with VLAN _____?
 Do you want to _____ VLANagging to _____ priority for _____?
 Can you tell me the _____ to _____ VLANs _____ designated _____ with _____?
 _____ for placing _____ on _____ devices _____ may _____ found by _____ tags.
 Recommendations for _____ priority _____ certain _____ and _____ can _____ use _____ VLAN tags.
 _____ it a good _____ applications _____ VLAN tags on the _____ routers?
 _____ a _____ to set _____ priorities for individual _____ by using _____?
 _____ to know how one would _____ certain devices and _____ using _____ offered _____.
 _____ give us some _____ on _____ use the tagged _____ to _____?
 Is it _____ advise me _____ using _____ tags _____ preferential placement of _____?
 I want to _____ what _____ specific devices is _____ the VLAN tags in _____.
 Let us _____ if it _____ a _____ idea to _____ VLAN _____ your _____.
 Is _____ a _____ to establish _____ for individual devices _____ the _____ in _____?
 What _____ the _____ of _____ to the devices that _____ VLAN tag on _____ supplied _____?
 _____ to know _____ would use _____ tagged VLANs _____ routers _____ prioritize.
 _____ you give me _____ example of _____ the _____ tags _____ Router _____ be used _____ prioritize _____ applications?
 _____ you _____ specific devices _____ tags on the routers?
 Is _____ to prioritize with _____ on _____ routers?
 _____ you tell _____ if _____ good idea to use _____ tags on _____ equipment _____ sure that _____ devices _____?
 Do you _____ any _____ strategy _____ tagging to assign _____ devices?
 I _____ you have an _____ of a way to _____ devices or applications through _____ on _____ that is _____.
 I need to _____ should prioritize certain devices _____ tags _____ routers.
 Do _____ know _____ way _____ VLANs to prioritize applications with _____?
 Do you _____ how _____ prioritize _____ on provided routers?
 _____ there _____ to advise me _____ VLAN _____ for _____ placement for certain devices _____?
 _____ don't _____ give precedence to particular _____ or _____ by applying VLAN tags to _____.
 Is _____ to _____ to particular _____ or _____ by using _____ the provided routers?
 We would _____ to know _____ can _____ the tagged _____ on _____ to prioritize _____.
 _____ us know if _____ idea to use _____ on _____ equipment to make _____ the devices _____
 _____ want to know how _____ can use _____ tag _____ your _____.
 Please _____ us _____ if _____ a good _____ use a _____ on _____ router _____ prioritize certain _____.
 _____ to _____ how _____ use VLAN tags _____ your supplied Router.
 _____ should be used _____ you _____ devices by means of VLAN _____?

_____ how _____ tags would be _____ to prioritize certain devices or _____?

_____ you tell me _____ to prioritize certain _____ and applications _____ tags?

_____ should _____ priority to certain devices be, when _____ are _____ use VLAN tags?

_____ to deploy _____ prioritization _____ VLAN tags on equipment?

Do _____ have any _____ how to _____ the VLAN _____?

_____ it possible _____ using _____ tags _____ preferential _____ particular devices and applications?

Do you have an _____ VLANs to _____ and applications _____ routers?

I _____ information _____ best _____ devices _____ the VLAN _____ in the routers.

I _____ to _____ the _____ to _____ using the VLAN tags _____ routers.

_____ you want _____ a process _____ VLANagging _____ to certain devices?

Is _____ to _____ VLAN tags on your supplied _____?

_____ they can use VLAN _____ what is the _____ method of _____ some devices?

Let _____ if _____ idea to _____ VLAN _____ your _____ to prioritize certain devices

Is it possible _____ advise the _____ way to _____ or applications _____ routers _____ tag?

_____ me what the best _____ to _____ devices is _____ VLAN tags?

_____ want _____ know if you _____ example of _____ prioritized way to _____ specific _____ or applications _____ routers's

_____ VLAN _____

_____ way to give _____ or apps preferential treatment _____ their _____ tags?

Do _____ have _____ advice _____ VLAN tag to _____?

_____ it _____ idea to _____ VLAN _____ on _____ router _____ certain devices?

How _____ give priority _____ tags on your routers?

_____ you tell _____ if it's wise _____ tags on _____ to _____ the devices are _____?

_____ ways to set priorities for _____ devices _____ the _____ tag _____ system?

How can I _____ VLAN tags _____ prioritize _____?

I _____ how to _____ precedence to particular _____ or _____ by applying _____ the _____ routers.

_____ they can use VLAN tagging _____ supplied routers, _____ the _____ priority _____?

Do _____ have _____ that _____ vlan tag to assign prioritized _____?

Do you _____ use _____ process _____ VLANagging _____ get priority _____ specific devices _____?

_____ would one _____ VLAN tags _____ offered _____ to prioritize?

Can _____ give _____ how we would use _____ to prioritize?

What _____ to certain devices be when _____ to use VLAN tags?

_____ should the _____ method _____ assigning _____ to certain devices and _____ be, when they _____?

_____ tell us how we _____ VLANs _____ certain applications and devices?

I'm _____ out _____ VLAN tags for prioritization in your _____

Can you recommend ways _____ establish _____ for _____ devices _____ the VLAN _____?

What is _____ method of assigning priority _____ is _____ to use VLAN _____?

Is _____ way _____ place _____ priority based _____ VLAN tags?

_____ for information on _____ to _____ devices using _____ VLAN tags _____ the routers.

Please _____ if it's _____ good idea to _____ a VLAN _____ router _____ prioritize _____.

_____ a _____ to use VLAN tagging _____ equipment to _____ sure some devices are prioritised

What is the _____ give priority _____ use _____ VLAN tag _____ the supplied _____?

_____ you _____ me how _____ priorities for individual _____ of VLAN tags?

_____ you know how you _____ use _____ to _____?

_____ would like _____ know how we would _____ tagged _____ the _____ prioritize _____ and devices.

What is _____ preferred method _____ placing _____ in _____ VLAN tags?

Let _____ know if it is a good _____ a _____ your _____ to _____ devices.

_____ tell _____ to use _____ VLAN tag _____ prioritize

_____ VLAN _____ help prioritize applications on _____.

_____ the manner _____ prioritize certain devices _____ applications with _____ use _____ a routers VLAN?

_____ for putting _____ devices and _____ may _____ found by using _____.

_____ advice about using _____ tags _____ preferential placement _____ particular devices and applications?

____ you have ____ recommendations ____ to ____ device/app ____ using VLAN ____ equipment?
