

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Leak detection and repair assistance
Inquiry Sub-Category	Leak detection response time
Description	Inquiries about the average response time of the utility company in detecting and addressing reported leaks in the water and wastewater systems.
Data Size	5,011 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ expected _____ when we _____ signs of potential leakage problems _____ low _____?
_____ should we expect _____ low pressure _____?
How long would _____ us _____ repairs done for signs _____?
_____ of repairs when _____ report _____ low _____ issue was _____.
How _____ would _____ be for us _____ low _____ leaking problems?
_____ when can _____ expect _____ to _____ based _____ signs suggesting leaks?
_____ you _____ estimate _____ the time _____ will _____ to _____ repairs after _____ report any _____?
How long _____ to make _____ for low-pressure leaking?
_____ long _____ take _____ us to get _____ repairs _____ leaking _____ pressure issues?
How long will it take _____ suspected leak issues, _____ with _____ decreased _____ the report?
Can you _____ an estimate _____ the _____ will take _____ fix _____ after you _____ them?
I would _____ a time _____ when we notice _____.
_____ long _____ take for us to get _____ done _____ signs _____ pressure?
How long _____ expect repairs to be completed _____ signs _____?
_____ time would it _____ the repairs for _____ or signs _____?
What is _____ frame for fixing _____ pressure _____?
_____ a _____ turn _____ time _____ repairing low pressure concerns?
Is _____ time of _____ when we report a _____?
_____ long will _____ to _____ low _____ occurrences _____ they _____ reported?
Can you _____ when _____ able to _____ low pressure _____?
_____ I _____ the repairs _____ be _____ a _____ is reported?
_____ can I _____ make _____ once low pressure _____?
_____ general timeline _____ dealing with reports _____ or lower water _____?
When _____ I expect to have repairs _____ after _____?
Is _____ time _____ for repairing _____ when _____ notice _____ pressure?
How long _____ it take _____ to _____ signs _____?
How _____ a leak be _____ we _____ of low _____ or signs _____?
_____ time _____ anticipated for _____ low pressure or leaking _____?
_____ expectation _____ repair timing _____ there is _____ low pressure leak?

____ long should ____ leak be patched ____ low pressure or signs ____ ?
 How long would ____ get ____ repairs for ____ pressure or ____ ?
 Can we expect ____ completed when ____ of ____ leak?
 ____ would it take ____ get ____ pressure or ____ leaking problems?
 Do ____ how ____ to ____ suspicions ____ caused by low pressured levels?
 How ____ it take ____ signs of low ____ issues?
 How ____ do ____ to finish addressing ____ leak ____ especially those with indicators of ____ water ____ ?
 How ____ take to ____ leaks if we let ____ know about ____ signs of ____ ?
 The ____ time ____ repairs when ____ report a ____ is ____ known.
 ____ long ____ it ____ for us to get ____ repairs ____ pressure ____ leaks?
 ____ a low pressure ____ leaking ____ is it anticipated ____ of ____ ?
 ____ it ____ to repair potential low ____ leaks?
 When ____ expect ____ to be made ____ is reported?
 ____ long ____ to repair ____ pressure or ____ a leaking system?
 Can you give an estimate ____ how ____ it ____ address ____ leak ____ those ____ indicators of ____ water ____ ?
 When there is ____ pressure, ____ give me ____ for ____ leaks?
 ____ report a ____ pressure issue, ____ time of repairs ____ .
 ____ it take us to fix ____ leaking?
 How long would ____ have to ____ to ____ the repairs ____ leaks?
 Are ____ a general ____ for ____ leaks or ____ water pressures?
 ____ long should a leak be ____ we ____ of ____ signs ____ leak?
 Is ____ expected time ____ when we ____ pressure ____ problem?
 ____ tell ____ the expected time ____ for fixing ____ leaks?
 How long ____ it take us ____ get the ____ done ____ low ____ ?
 It is ____ time of ____ we report a ____ .
 How long ____ it ____ us to ____ the ____ for ____ pressure ____ ?
 ____ time ____ take for us to ____ repairs for low pressure ____ ?
 How soon can we ____ repairs ____ ?
 ____ would ____ take ____ get ____ repairs done for ____ of low pressure ____ issues?
 ____ there ____ frame for ____ reports regarding ____ leaks ____ lower water ____ ?
 ____ long would ____ take to get the ____ for the ____ of ____ ?
 ____ we ____ you ____ about ____ pressure, ____ does it take to ____ ?
 ____ long would ____ fix ____ pressure system or ____ of a leaking ____ ?
 When can ____ expect to ____ when ____ is reported?
 ____ it take to fix ____ that ____ as a ____ concern?
 ____ there a ____ expectation for ____ timing after ____ leak?
 ____ long ____ it take for the ____ to be ____ of ____ ?
 ____ long will it ____ fix signs ____ low-pressure leaking?
 How long would it ____ to fix ____ low ____ or ____ pipe?
 When we notice ____ pressure, ____ give ____ time frame for ____ ?
 ____ can ____ expect ____ repairs ____ be done ____ pressure is ____ ?
 ____ tell me the expected ____ to fix ____ ?
 How ____ for us to fix ____ signs of ____ leaking system?
 ____ we alert ____ of ____ signs of leak, how ____ it ____ us ____ patch ____ ?
 ____ time ____ it take ____ us to ____ signs of a ____ ?
 The anticipated ____ of repairs ____ low ____ or ____ ?
 ____ will ____ be able ____ expect ____ after ____ leak issues?
 How ____ would it be ____ fix the ____ pressure?
 How long would ____ us to ____ the ____ low ____ leak?
 ____ think ____ will take to ____ leaks shown by low pressure ____ ?

____ long would it take for ____ repairs for ____ leaking?
 ____ is ____ usual time for ____ that ____ reported as ____ potential ____ concern?
 ____ report a ____ issue, the ____ of repairs is ____.
 Do ____ long it takes ____ fix rumors of ____ diminished pressured ____?
 Is the estimated time of ____ when ____ low pressure ____?
 When we notice ____ me a time ____ for ____ leaks.
 ____ we report ____ low pressure ____ the anticipated ____ of ____?
 How long does ____ to repair a leak ____ know?
 ____ long ____ take us to ____ the repairs for low ____ a ____ system?
 ____ does ____ to repair ____ after they are reported?
 ____ should a leak ____ patched when ____ you of low pressure ____?
 When ____ report ____ is the predicted time ____ expected?
 Can you tell ____ anticipated time frame for ____?
 How ____ does it ____ to fix low pressure ____?
 ____ notice low ____ you ____ me ____ frame to fix the ____?
 How long ____ it ____ for us to ____ and ____ issues?
 ____ the ____ of ____ low pressure ____ leaking problems?
 ____ time frame ____ repairs for low pressure ____?
 Can you tell ____ how long ____ will take ____ leak issues, including those ____ pressure?
 How long would ____ for ____ to repair ____ and ____?
 I want to ____ repair time ____ when ____ report ____ pressure.
 ____ long ____ it take us to get ____ for ____ signs of ____?
 ____ timetable for addressing reports regarding possible ____ lower ____ pressure?
 ____ would ____ get ____ low pressure or signs of aleakage?
 ____ we expect ____ repair ____ indicators like ____ pressure?
 How ____ it ____ us to ____ for ____ pressure leaking?
 How long would it ____ us to ____ for ____ pressure ____?
 ____ long ____ it ____ to get ____ repairs for low ____ issues?
 ____ there a ____ addressing reports concerning ____ water pressures?
 ____ long ____ it take ____ us ____ fix ____ problems and ____?
 ____ long ____ it ____ to repair a ____ system ____ a low ____?
 How ____ would ____ take to ____ low ____ or ____ leaking ____?
 ____ notifying about ____ expect to have repairs?
 Can ____ tell ____ how ____ will take to finish addressing ____ leak ____ with ____ decreased ____ pressure?
 Can you give an ____ for ____ will ____ fix ____ leak, after ____ reported ____?
 When ____ a ____ leaking problem, is ____ time for repairs?
 When ____ low pressure ____ there an anticipated ____ repairs?
 ____ can we ____ upon revealing signs of leaks?
 ____ long can it ____ to ____ reported as ____ leak concern?
 When ____ notice ____ pressure ____ leaks, ____ average repair time?
 ____ the ____ time ____ maintenance for potential ____ through low pressure?
 ____ can ____ repairs to be done ____ reported?
 Is ____ general ____ for repair timing ____ signs ____ leak?
 We notice ____ pressure, can ____ me a ____ frame ____?
 When can we ____ the ____ repairs once ____ signs ____?
 ____ it ____ me the ____ repair time when ____ signs of ____?
 ____ we expect ____ to be done ____ are signs ____?
 How long ____ it be for ____ get ____ repairs ____ pressure ____ similar ____?
 When we let ____ know ____ or ____ of leaks, how ____ does it ____ them?
 I'm ____ for ____ usual repair time ____ pressure.

_____ anticipated time of _____ we have _____ issue?
 _____ long _____ it _____ addressing _____ issues, especially those with indicators of _____ water _____?
 When _____ we expect repairs to _____ there _____ leaks?
 When can we expect _____ as _____ pressure?
 How _____ will _____ take for _____ be _____ we see signs _____ low _____?
 How soon _____ we _____ low _____ leak?
 Do you know _____ takes _____ fix suspicions _____ leaks _____ are _____ pressured levels?
 _____ long it would _____ to _____ repairs _____ low pressure or signs _____?
 _____ we expect to fix _____ pressure _____?
 We should _____ repairs to _____ after _____ pressure _____ leakage.
 _____ it _____ to _____ for low pressure and _____ potential leaking problems?
 _____ long _____ it _____ for us to make _____ pressure and other _____?
 How long _____ to _____ signs _____ pressure and _____ issues?
 _____ should it take _____ fix _____ when reported?
 _____ us to make repairs for signs of low _____?
 _____ long would it _____ us _____ get _____ repairs for _____ pressure _____ system?
 How _____ will _____ repair _____ leaks _____ low pressure?
 _____ long will _____ take to get the _____ or signs _____?
 _____ will _____ take to get the repairs _____ low _____ or _____?
 _____ long _____ it _____ to fix _____ leaks, e.g., _____ pressure?
 _____ we _____ a low _____ issue, _____ time of _____ going _____ be?
 _____ what point should we _____ completed once signs _____ a _____ are _____?
 _____ would _____ take _____ us _____ get low _____ repairs or _____ a _____ system?
 _____ is the expected time for _____ leaks _____ pressure?
 _____ is the _____ pressure that is reported _____ a leak _____?
 _____ is the _____ time _____ for _____ pressure _____ leaking problem?
 _____ you _____ normal _____ time _____ we report signs of leaking?
 _____ would it _____ to get repairs _____ or signs _____ leaking plumbing?
 _____ should _____ leak be patched _____ pressure or _____ of leak?
 _____ soon _____ we expect _____ for _____ pressure leaks?
 How long does _____ take _____ get the _____ low-pressure _____?
 How long _____ for us _____ fix low _____ sign of _____?
 When can _____ leaking things like low _____?
 _____ soon _____ repair for low pressure _____?
 _____ need _____ time _____ for repairing _____ I _____ low pressure.
 How _____ it take _____ to repair _____ or _____ problems?
 How long _____ be for _____ low _____ or _____ a leak?
 When can we _____ make _____ see low _____?
 Can _____ give _____ the time it will _____ fix _____ after you've _____ it?
 When _____ report _____ issue is _____ an _____ time _____ repairs?
 When we _____ a leak _____ low _____ anticipated _____ repairs?
 _____ long would it _____ to fix signs _____ issues?
 _____ can I expect _____ done when _____ pressure _____ reported?
 How _____ would _____ for _____ to _____ pressure or _____ of _____ leak?
 _____ will _____ take for us _____ get _____ repairs _____ low _____ other _____ issues?
 _____ a _____ expectation about repair timing _____ detecting _____ leaks?
 _____ would it _____ to _____ repairs _____ for signs of low-pressure _____?
 How _____ it _____ to fix low Pressure _____ problems?
 How _____ would _____ take to _____ low _____ leak repairs?
 _____ when _____ repairs being completed _____ we see _____ signs of _____?

____ the ____ of ____ anticipated ____ report a low pressure ____ ?
 ____ like ____ the usual repair time when ____ signs of ____ .
 ____ there ____ time ____ for ____ reports ____ leaks or lower ____ pressures?
 When ____ to fix ____ pressure ____ ?
 Is the anticipated ____ when ____ report ____ low ____ leak?
 How ____ will ____ to ____ if we ____ know about ____ pressure?
 ____ time ____ repairs ____ report ____ low pressure or leaking ____ .
 Is ____ a ____ time frame ____ which ____ address leaks or ____ ?
 ____ low ____ is reported, what is ____ estimated ____ ?
 How long ____ us ____ the repairs ____ signs of low ____ ?
 ____ we ____ of low ____ is the ____ time ____ fix it?
 ____ there ____ general expectation ____ after ____ pressure leaks is ____ ?
 ____ you have ____ addressing ____ of possible leaks ____ water pressure?
 How long would ____ take ____ low ____ or ____ leak?
 ____ have ____ time ____ repairing leaks ____ we see ____ pressure?
 How ____ it ____ fix ____ leaking issues like low ____ ?
 ____ can ____ expect ____ to be done ____ is reported.
 ____ how long ____ will ____ to address ____ leak issues, especially those ____ of ____ pressure?
 ____ a ____ limit for repairing ____ leaks ____ low pressure?
 Do ____ it ____ fix ____ suspicions ____ leaks ____ by lower pressured levels?
 ____ long would ____ take ____ get ____ repairs for low pressure ____ other ____ ?
 ____ we expect ____ take once signs of leaking ____ ?
 ____ we alert ____ or ____ long should a leak be patched?
 What time can ____ repairs ____ ?
 ____ we ____ the ____ time ____ repairs when we ____ low pressure ____ ?
 How ____ take us to get ____ for the ____ of low ____ ?
 ____ tell me ____ long ____ take to ____ the ____ leak issues, especially those with ____ decreased ____ ?
 I ____ repairing ____ if we notice low pressure.
 ____ a leak are ____ forward, ____ we expect repairs ____ done?
 Is there ____ for repair ____ after ____ pressure ____ ?
 How long ____ leak be ____ we ____ you of ____ signs ____ leak?
 How ____ should we ____ when ____ see ____ or ____ of leak?
 ____ long ____ it ____ for us to ____ repairs ____ low ____ a ____ system?
 ____ soon ____ we ____ repairs to ____ when ____ are ____ of leaks?
 ____ give an ____ it ____ take to fix a ____ after you ____ it?
 ____ long ____ it ____ the ____ for ____ pressure and other ____ leaks?
 ____ the usual ____ for ____ low pressure ____ leak concerns?
 ____ a ____ leaking ____ what is the expected ____ of repairs?
 How long ____ to fix potential ____ low pressure?
 Is it possible to ____ low pressure leaks?
 By when ____ expect repairs ____ be completed ____ leaks?
 ____ long do ____ it would ____ to fix possible leaks ____ pressure ____ ?
 ____ long ____ to fix ____ when ____ tell you ____ low pressure?
 How ____ it ____ to fix low ____ reported ____ potential leak concern?
 When can we ____ to be ____ signs of ____ ?
 When ____ can you give a ____ frame for ____ ?
 ____ long ____ it ____ us ____ make repairs for low ____ issues?
 ____ notice low ____ can you give ____ time ____ for ____ ?
 ____ signs ____ a ____ diminished liquid pressures, ____ brought forward, can we ____ repairs to ____ ?
 It ____ anticipated time ____ report ____ pressure or leaking problem.

____ long ____ it usually ____ to ____ such as ____ that are reported ____ concerns?
 Is there ____ general ____ of the ____ after ____ leak?
 The ____ time ____ we ____ a ____ or leaking problem?
 Is ____ a ____ timescale ____ fixing potential leaks ____ low ____?
 ____ to fix ____ pressure or signs of leaks?
 ____ we notice low ____ other ____ is the repair ____?
 ____ long would ____ us ____ fix signs of low- ____?
 How long ____ will ____ to fix problems ____ low ____ readings?
 ____ time of ____ when we report ____ problem is ____.
 ____ long ____ repairs to ____ after we report ____ of a ____?
 ____ would ____ take us ____ get ____ repairs done ____ low pressure ____ issues?
 ____ would ____ take for us ____ get ____ for low pressure ____ leak?
 When ____ we expect ____ after seeing signs suggesting ____?
 ____ expect ____ to ____ completed ____ there ____ evidence of leaks?
 ____ leak ____ be seen, can ____ expect repairs ____ be done?
 How ____ take to ____ repairs ____ low ____ or ____ of a ____ system?
 ____ long ____ it take ____ to fix the signs ____ pressure ____ leaking ____?
 ____ pressure ____ mean trouble ____ wait times mean?
 ____ long ____ us ____ perform ____ repairs for signs of low ____?
 How ____ usually to fix ____ such ____ that are ____ as ____ concerns?
 ____ when to ____ repairs related to low pressure ____.
 How long ____ take to ____ and potential ____?
 How long ____ take ____ repairs for low ____ signs of ____?
 How ____ can ____ the ____ to take ____ of a leak?
 ____ long would ____ to ____ low ____ and other potential leaking ____?
 ____ it take ____ the repairs ____ for low ____ or ____ of a ____ system?
 I ____ to know ____ time ____ we report low ____.
 The ____ time of ____ we report ____ is being questioned.
 ____ is an expectation of repair ____ low ____ is ____.
 How ____ would ____ take for ____ to ____ repairs for ____ pressure ____?
 How long ____ get the repairs for ____ or signs ____ leak in ____?
 ____ expected time of repairs when there ____ low ____ or ____?
 ____ expect ____ low ____ leaks soon?
 ____ long ____ it take ____ make repairs ____ signs ____ leaking?
 How ____ take to address low pressure ____ leakage ____?
 ____ notifying leaky concerns, ____ take ____ repairs to ____ made?
 How ____ take us to ____ repairs ____ low ____ a leak?
 ____ will ____ take to finish addressing ____ leak ____ those ____ indicators ____ water pressure, ____ your report?
 How ____ to fix problems such ____ low ____ are ____ as leak ____?
 I want to know ____ time ____ we report low ____.
 ____ we ____ repairs ____ be ____ based ____ signs suggesting leaks?
 Does there a ____ timetable ____ addressing reports ____ leaks ____ water ____?
 ____ we ____ about ____ what is the typical ____ duration?
 ____ the ____ time ____ problems such as ____ that are reported ____ leak ____?
 ____ report ____ issue, ____ the expected time ____ the repairs?
 How ____ would it ____ for us to repair low ____ or ____?
 Is there a general ____ for ____ leaks or ____ pressures?
 ____ should we ____ to fix a ____?
 Is ____ expected time of ____ we report ____ low ____ leaking ____?
 Can ____ you ____ to ____ low pressure leaks?

_____ would _____ take to _____ repairs for _____ signs of leakage?
 When _____ signs of _____ possible leak, how _____ we expect _____?
 How _____ it take to _____ signs _____ leaking?
 _____ the predicted _____ duration _____ report signs of _____?
 Do _____ know how long _____ will _____ finish _____ suspected _____ issues, _____ with indicators of _____ water _____?
 How long would it _____ to repair _____ of _____?
 _____ when can we _____ to be completed _____ we see _____?
 When will _____ done when low _____?
 _____ it take to _____ the _____ for _____ pressure or _____ a leaking _____?
 How _____ will it take _____ like low _____ reported _____ potential leak _____?
 _____ we _____ low _____ issue, the anticipated time _____ unknown.
 _____ will _____ take _____ to get repairs for _____ pressure _____ a leaking system?
 _____ tell me the average repair _____ we _____ low pressure?
 _____ would it take _____ for low pressure _____ potential leaking _____?
 At what _____ can we _____ repairs to _____ see _____ of a _____?
 _____ long should a _____ be _____ alert you _____ lowpressure?
 Lower pressure can mean _____ what _____ are _____ with _____?
 _____ to get repairs for _____ pressure _____ a leak?
 How _____ would it take _____ a _____ pressure or _____ system?
 _____ would it _____ to _____ the signs _____ low pressure and Leakous _____?
 _____ it take _____ us to fix _____ and low _____?
 Is it possible _____ the _____ time _____ we report _____ of _____?
 _____ would _____ take _____ us to get _____ repairs for _____ other leaking _____?
 _____ timetable _____ addressing reports about leaks or _____ pressure?
 _____ long it _____ to fix suspicions _____ leaks caused _____ diminished _____ levels?
 Is the anticipated _____ repairs _____ we _____ or leaking a _____?
 Can you give _____ estimate _____ be made after _____ report _____ leaks?
 _____ can _____ expect repairs if _____ are _____?
 What is the usual time _____ fixing _____ pressure _____ leak concerns?
 Can you _____ an _____ frame for _____ low _____?
 _____ you _____ how _____ will take to fix suspected _____ those _____ indicators _____ decreased water _____?
 _____ soon _____ we _____ repairs for leak _____ low _____?
 Is _____ of _____ a low pressure or leaking _____?
 _____ can _____ expect _____ completed once _____ see telltale signs _____ leaks?
 Does the _____ of _____ when _____ report a _____ or _____?
 _____ a general _____ for _____ reports _____ possible _____ or lower _____ pressure?
 How long would it take _____ us _____ for low _____ leak?
 What's _____ anticipated _____ repairs when _____ report _____ or leaking problem?
 How _____ the repairs to be _____ for _____ and _____ leaking issues?
 How long _____ get _____ done _____ low pressure and _____ leaking issues?
 _____ should it _____ fix problems such as _____ are reported as _____ concerns?
 _____ long _____ a _____ be patched when _____ of low _____ or _____ of leak?
 _____ curious _____ usual repair time when we _____ of _____.
 _____ there _____ expectation for _____ timing _____ identifying _____ low _____ leaks?
 When we _____ pressure or leaking _____ the _____ of repairs?
 How long _____ you _____ it _____ problems like low pressure _____?
 _____ a _____ or low pressure problem, is _____ time _____ repairs?
 When _____ issue, how _____ will _____ take to fix it?
 _____ would _____ take for _____ the repairs for signs of _____?
 _____ is _____ usual _____ to fix problems like _____ pressure _____ as _____ concerns?

_____ the usual _____ for fixing low _____ is _____ as a _____ concern?
 Is _____ a _____ time _____ addressing reports _____ or lower water _____?
 How long _____ it take to _____ occurrences _____ a _____?
 _____ is the usual _____ low pressure _____ are _____ to _____ leak concerns?
 _____ you have a _____ repairing leaks _____ we notice _____?
 _____ can _____ repairs to be performed _____ pressure is _____?
 _____ long would it _____ us to fix _____?
 _____ we expect to make _____ based _____ leak _____?
 When _____ expect _____ see repairs done after _____ reported?
 How _____ it take _____ to _____ repairs _____ leaking?
 _____ of _____ or signs of leak, _____ long should _____ take to _____?
 When we report _____ pressure _____ the expected _____ of _____?
 When we feel _____ pressure, can _____ give _____ time _____ leaks?
 How long _____ pressure _____ take to _____ fixed?
 _____ long _____ it _____ to _____ low _____ after they've _____ reported?
 When we see signs _____ potential _____ expect repairs?
 When we _____ pressure issue, is _____ time _____ repairs.
 _____ give _____ estimate for _____ length of time it _____ fix _____ leak _____ report it?
 How _____ would it _____ get _____ pressure _____ of a leaking _____?
 _____ would it take _____ to fix _____ pressure _____ of _____ leaking _____?
 _____ give an estimate _____ the time _____ will _____ repairs _____ after you report a _____?
 Is _____ anticipated _____ of _____ when _____ report _____ low pressure _____?
 How long _____ expect repairs _____ be completed _____ are signs _____?
 _____ long would _____ take _____ get the _____ for low _____ a leaking _____?
 By _____ can _____ to _____ revealing signs of leaks?
 _____ you _____ a general _____ for _____ reports _____ possible leaks or _____?
 _____ long would _____ for the repairs to _____ of low pressure _____ issues?
 I need _____ repair time _____ see signs _____ leaking.
 When should _____ see _____ low pressure?
 _____ we expect the repairs _____?
 How _____ to _____ repairs _____ low pressure and _____ of _____ leak?
 _____ it _____ to fix low water pressure and _____ of _____?
 _____ the expected time _____ when _____ report a _____ issue?
 _____ the usual _____ frame for fixing leaking _____?
 _____ can we _____ repairs based _____?
 How long should a _____ be _____ lowpressure or signs _____?
 What is _____ for maintenance _____ potential _____ through _____ pressure?
 When can _____ if _____ is a _____ leak?
 _____ will it _____ us _____ fix low _____ signs of _____ in _____ plumbing?
 How _____ take _____ finish addressing suspected leak _____ especially _____ with indicator _____ decreased water _____ in _____?
 How _____ would it _____ fix low _____ or _____ leak?
 _____ there are _____ a leak, _____ expect _____ to be done?
 Lower _____ could _____ trouble _____ wait _____ entails any repairs?
 _____ you tell us how _____ suspected leak _____ especially _____ with indicators of _____ water _____ our report?
 _____ give _____ the time it will take _____ repairs _____ report _____ signs of leaks?
 How _____ would _____ the repairs done for low _____ or signs _____ a leaking _____?
 _____ repairs when we _____ a low _____ leaking _____ not known.
 How long _____ take _____ us to do _____ repairs _____ potentially leaking _____?
 Can _____ tell me _____ time when we _____ leakage?

_____ there a _____ time frame _____ address reports _____ possible _____ lower _____ pressures?
 How _____ it take for us _____ fix leaking _____ low _____ ?
 _____ time will _____ take _____ low pressure leaks?
 When we let _____ know _____ leaking, how long does it _____ repair it?
 How _____ can _____ for us to make _____ when we _____ of _____ ?
 How long would _____ us _____ make _____ low _____ or _____ ?
 Please tell _____ it will _____ address _____ leak issues, especially those _____ of _____ water pressure.
 What _____ the _____ time for low _____ ?
 When _____ notice _____ or _____ leak, _____ is the _____ repair _____ ?
 _____ long would the _____ for low _____ leaking system take?
 When _____ report _____ low pressure _____ the _____ of repairs?
 _____ an _____ frame for _____ low pressure leaks?
 _____ long does _____ take to _____ lower _____ flow _____ other _____ indications?
 How _____ is it _____ that is _____ as a _____ leak concern?
 _____ there _____ timelines _____ the suspected leaking indicators _____ water pressures?
 _____ long _____ to get _____ repairs for _____ and other leaking _____ ?
 _____ would it _____ us _____ fix low pressure _____ of _____ leaks?
 _____ take _____ repairs for low _____ or signs _____ a leaking system?
 When we notice _____ low _____ leak, _____ you _____ for repairs?
 _____ will _____ take _____ finish _____ leak issues, _____ those _____ indicators of decreased _____ in _____ report?
 _____ should _____ take _____ fix low _____ that _____ as a potential _____ concerns?
 How long _____ repairs _____ low _____ or similar _____ take?
 _____ estimate _____ how long _____ will _____ to fix a leak _____ reporting _____ ?
 After _____ signs of low _____ there a general expectation _____ ?
 _____ we anticipate repairs being done _____ we see _____ ?
 _____ tell _____ it will take to _____ leak issues, especially those _____ indicators of _____ our report.
 _____ let you _____ about _____ leak, how _____ take _____ fix it?
 _____ can we _____ resolution _____ leak issue once _____ it?
 _____ predicted time of repairs _____ pressure or leaking _____ ?
 _____ an _____ repair timing after _____ low pressure _____ ?
 By _____ repairs _____ be completed after _____ signs of _____ ?
 At _____ can we expect _____ completed once _____ of a _____ seen?
 When _____ about _____ other _____ is the typical repair duration?
 When _____ we _____ repairs _____ low pressure?
 What _____ time period for _____ that _____ as leak concerns?
 I _____ to _____ will take to finish addressing _____ suspected _____ especially those with _____ of decreased _____ .
 How long would it _____ to get the _____ of _____ ?
 How long _____ patch a leak _____ notice _____ or signs _____ ?
 _____ means _____ leaking, what wait _____ any repairs?
 _____ long would _____ take _____ get _____ done _____ signs of _____ pressure _____ issues?
 Is there a general _____ you _____ lower water pressures?
 _____ we _____ signs _____ can you tell me _____ usual _____ ?
 _____ there _____ of _____ after finding signs of _____ leak?
 How _____ will take to repair lower _____ reporting leakage indications?
 _____ when _____ we expect _____ to be _____ revealing signs _____ leaks?
 How _____ should a _____ patched _____ we _____ or signs _____ leak?
 The anticipated time _____ if we _____ a _____ problem.
 What time _____ it _____ for _____ the _____ for _____ or signs of _____ ?
 At what point _____ we _____ repairs to _____ once signs _____ found?
 _____ can I expect repairs _____ done when _____ pressure?

____ when ____ we ____ repairs ____ be ____ based on ____ suggesting ____?
 How ____ it take for ____ to ____ low pressure and ____?
 ____ long ____ take to ____ for low ____ or signs ____ a leaking ____?
 ____ will it ____ to fix ____ pressure or ____ of leak in ____?
 ____ long would ____ take us ____ make ____ pressure ____ of leak?
 When can ____ leak ____ pressure?
 When ____ to ____ or signs ____ long should a ____ be fixed?
 Is ____ a ____ for addressing ____ about ____ or lower water ____?
 ____ there a ____ expectation of ____ timing after ____ low ____?
 How ____ when we alert ____ of ____ or signs of leak?
 ____ when can ____ expect to complete ____ seeing ____ leaks?
 How long ____ take ____ address the ____ and ____ indicators of ____ water pressure in ____ report?
 How long will it ____ to ____ addressing ____ leak ____ those ____ water ____ in the ____?
 How long would it take us ____ the repairs for low pressure ____?
 Can ____ tell me ____ long it ____ to ____ leak issues and ____ indicators of decreased ____?
 What is the usual time ____ such ____ low pressure that ____ reported ____?
 How long ____ take to ____ the ____ low pressure ____ signs of ____?
 Is ____ time of ____ when we ____ low ____ issue?
 ____ me ____ expected time ____ low pressure leaks?
 ____ strikes, ____ you give me ____ for repairing leaks?
 How long ____ take to ____ repairs ____ low-pressure leaking?
 ____ long will it ____ to fix problems such as ____ as leak ____?
 How long will ____ take ____ leak ____ like low ____?
 Can ____ an ____ it will ____ to ____ leaks ____ you report them?
 Do you ____ there ____ a general ____ for ____ timing ____ pressure ____?
 Can ____ an estimate for ____ long ____ will ____ a ____ after you report ____?
 How ____ would ____ take for ____ make ____ repairs for ____?
 Do ____ frame for ____ reports ____ possible leaks or lower water ____?
 ____ you provide ____ for ____ of time it ____ take ____ a leak after you ____?
 ____ can we ____ repairs ____ be ____ when we ____ signs ____?
 ____ would ____ to perform the repairs for low-pressure ____?
 Do you ____ how long it will ____ to ____ addressing suspected leak ____ water ____ in ____?
 ____ it ____ get the repairs for low pressure ____ signs ____ leak?
 How long would ____ take ____ repairs ____ and ____ of leaking?
 ____ have an ____ of how long it ____ the ____ shown by low pressure ____?
 How long ____ to ____ or signs of aleakage?
 How long ____ it ____ to finish addressing ____ leak ____ including those ____ of ____ water pressure, ____?
 How ____ will ____ finish addressing suspected leak ____ especially ____ decreased water pressure, in ____ report?
 How ____ should ____ patched when we detect ____ signs of ____?
 ____ we expect repairs after we ____.
 When can we expect ____ to ____ is an ____ of ____?
 ____ take ____ signs of low pressure and the like?
 When ____ make repairs based on ____ indicators ____?
 ____ would ____ to know ____ for repairing ____ pressure leaks.
 ____ long can we expect ____ to ____ if ____ see ____ leak?
 ____ want to ____ how ____ it ____ take ____ finish addressing ____ issues, ____ those ____ indicators ____ water pressure.
 ____ it ____ for us to get the repairs for ____ or ____ a leaking ____?
 How ____ does ____ take ____ us ____ repairs for ____ or signs ____ a leak?
 ____ long will it ____ leak issues and ____ indicators of decreased water ____ in ____ report?
 When ____ expect ____ for ____ pressure?

At what point can _____ be _____ signs of _____ possible _____ seen?
 _____ anyone _____ how long it will _____ finish _____ the suspected _____ of decreased water pressure?
 _____ long will _____ to address potential low _____?
 _____ long _____ a _____ be _____ there's low pressure _____ of leak?
 _____ alert _____ lowpressure or signs of _____ should a repair _____?
 _____ long does _____ as low _____ that are reported as _____ leak concerns?
 _____ would _____ take _____ the _____ done _____ low pressure leaking?
 How long would _____ us _____ fix low _____ of a _____?
 _____ is the expected _____ for _____ leaks?
 Can you provide an _____ time it _____ fix _____ after you have _____ it?
 How _____ would it be _____ us to _____ low pressure and _____ a _____?
 _____ is _____ predicted _____ time _____ issues like _____ pressure?
 When _____ we expect _____ see a _____ leak _____ once _____ them?
 How _____ leak _____ patched after we _____ of _____ or _____ of leak?
 How long would _____ repairs _____ be _____ signs of low _____?
 _____ does _____ take to _____ indicated by _____ pressure?
 How long _____ us to _____ the _____ for _____ or _____ leaking problems?
 How long would it _____ to _____ the _____ for _____ pressure and _____ leaking _____?
 _____ there _____ addressing _____ leaks or lower water pressures?
 _____ long _____ take _____ make _____ signs of _____ and Leakous issues?
 _____ we _____ expect _____ low pressure?
 Do you _____ long _____ will take to resolve suspected _____ issues, _____ those _____ water _____?
 How long would _____ fix the _____ or _____ problems?
 _____ we _____ possible leak _____ like a _____ in _____ pressure, _____ expect _____ resolution?
 _____ we alert you _____ or signs _____ leak, how _____ it _____ fixed?
 How long would _____ take _____ to _____ repairs for _____ and _____ problems?
 How long _____ leak _____ we warn you of _____ or signs _____?
 _____ we _____ a low pressure _____ of repairs _____ not known.
 _____ you know _____ it _____ take to address the suspected _____ those _____ pressure in the _____?
 _____ will it _____ the _____ leak _____ especially those with _____ of decreased _____ pressure _____ our report?
 Can you give an _____ the _____ it _____ fix _____ after you report _____?
 _____ long _____ it _____ make repairs for _____ or signs _____ a _____?
 _____ can we expect repairs _____ we see signs _____ there _____?
 _____ notice _____ pressure, can you give me _____ for _____?
 _____ long does it take _____ to _____ made when _____ of _____ leak?
 _____ it _____ possible _____ me _____ repair _____ we report low pressure?
 _____ long will _____ for the repair _____ low pressure _____?
 When we report _____ pressure _____ is _____ of repairs?
 What _____ the expected _____ for _____ a _____ pressure _____?
 _____ long do _____ it _____ to have _____ flow and _____ indications repaired?
 _____ you have a _____ timetable for _____ reports _____ leaks or _____?
 Can you give _____ for _____ it _____ take to fix _____ leak _____ you _____?
 When we _____ lowpressure or _____ leak, how _____ should _____ be fixed?
 How _____ it be _____ fix _____ pressure _____ of a leaking system?
 How long _____ to make the _____ for signs _____?
 When should _____ repair _____ pressure?
 I want to _____ the _____ when _____ report _____ of _____.
 _____ it _____ to get _____ repairs for low pressure and _____?
 _____ it _____ us _____ get the repairs done for _____ of low _____ leaks?
 When can we _____ after _____ notified _____?

_____ an expectation of _____ timing after a _____ leak _____?

How _____ take for repairs when _____ report _____ low _____?

_____ repairs _____ be done _____ there are low _____ signs?

When _____ know about _____ or _____ of leak, how _____ it take to repair _____?

How _____ to _____ the _____ for _____ pressure or signs of _____ leak?

How _____ should _____ take _____ problems like low pressure _____ be _____ concerns?

How long _____ leak be _____ after _____ you of _____ or _____ leak?

How long will it take _____ fix _____ similar _____?

_____ we _____ repairs _____ completed once _____ are _____ of leaks?

How long will _____ to _____ leak issues, _____ pressure?

What time would _____ get _____ for low pressure?

How _____ time _____ take _____ us _____ fix _____ leaking _____ or low _____?

Please let me _____ how _____ take _____ repairs _____ leaky concerns.

Do _____ have _____ estimate _____ how long _____ problems like low _____ readings?

Is _____ a general time _____ about leaks _____ lower _____ pressures?

When we alert _____ signs of _____ should we _____ the leak?

How _____ take to have _____ pressurized flow _____ other _____ leaks _____?

_____ should we expect _____ for _____ pressure?

How _____ would _____ the repairs _____ a leaking system _____ low _____?

If _____ can I expect repairs to be _____?

How much _____ it _____ to address _____ leaking issues _____?

When we detect low _____ leaks, what _____ typical _____?

_____ the _____ take for low _____ or signs _____ a _____?

_____ long do _____ to _____ for the repairs for _____ pressure _____ a _____?

_____ have a _____ pressure issue, _____ anticipated time for _____?

How _____ do low _____ usually take _____ fixed?

Can you give _____ for the _____ it _____ to _____ leak after _____ it?

_____ to _____ suspected leak issues, _____ signs _____ decreased water pressure, in the report?

_____ long would _____ take for _____ the repairs for low pressure _____?

Is _____ time _____ for a low pressure _____?

_____ we notice _____ pressure, can _____ us _____ time _____ for fixing _____?

Can you give an _____ length of _____ it will _____ to _____ a leak _____ have _____?

When _____ report a low _____ is _____ time of repairs?

_____ to see repairs when _____ pressure is _____?

What is the usual _____ for fixing _____ and _____?

Do _____ when _____ repair time is _____ report _____ pressure?

How _____ would _____ us _____ do _____ repairs for low _____ potentially _____ issues?

_____ will _____ to repair low pressure leak?

Can _____ provide an estimate for _____ it _____ to fix a leak _____ reported _____?

How long _____ to repair _____ of _____ and the like?

How _____ will it _____ to address _____ low _____?

_____ tell _____ it will take _____ after notifying leaking _____?

_____ long would it _____ us _____ for low pressure and _____ of _____?

_____ it _____ to make repairs for low pressure _____ issues?

Is _____ general _____ addressing _____ of _____ or lower _____ pressure?

How _____ take us to _____ repairs done for _____ pressure _____?

How _____ would it _____ for us _____ low _____ or _____ of _____?

_____ you usually _____ to _____ problems _____ as _____ pressure _____ are reported as _____ concerns?

_____ we report a _____ problem, does the anticipated _____ repairs _____?

When _____ we expect repairs _____.

Do _____ the _____ time when _____ report signs _____ leaks?

I _____ like _____ the usual _____ we report signs of _____.

_____ give an _____ time _____ will _____ to _____ the leak after you _____ it?

How _____ it _____ to get the repairs _____ low _____ and _____?

_____ long will _____ to fix _____ if we _____ a _____?

What _____ usual time _____ low pressure _____ is _____ leak concern?

The anticipated time _____ repairs _____ report _____ leaking problem was _____.

When we let you _____ about _____ or signs _____ leak, _____ long _____ to _____ it?

_____ low pressure, can _____ give _____ a _____ frame for _____ leaks?

_____ it _____ to get the _____ for low pressure _____ sign of _____?

When we report _____ leaking problem, what _____ the anticipated _____?

How _____ would _____ us to fix _____ low _____ issues?

How _____ fix low _____ occurrences after you report _____?

How much time _____ think _____ to fix problems shown _____ pressure _____?

_____ I expect repairs _____ when _____ pressures are reported?

Do you know the _____ repair _____ we _____ signs _____?

How long _____ it take to _____ leak _____ lowpressure or signs _____ leak?

_____ need _____ time _____ for repairing leaks _____ pressure _____.

_____ it take to _____ leak issues, _____ with indicators of decreased water _____ in _____ report?

_____ to make repairs _____ leak is reported?

_____ do _____ think _____ fix possible leaks shown by _____ pressure readings?

When can _____ expect repairs for _____ pressure?

Is _____ expected _____ of _____ we report a leaking or _____?

Lower _____ leaks. What wait times are _____ with _____?

How long would _____ us _____ repairs _____ pressure and potential _____?

_____ long should _____ leak be _____ of low pressure or _____ of _____?

_____ we _____ low _____ can you _____ me a _____ for _____ repairs?

How quickly _____ we expect _____ for _____?

_____ is _____ usual _____ frame _____ fixing problems such as _____ are reported as _____?

_____ is the _____ maintenance time _____ leaks _____ through low _____?

_____ long _____ a leak be fixed when _____ inform _____ signs of _____?

_____ take for us to _____ pressure or signs _____ aleakage?

_____ long _____ it _____ to get _____ low pressure _____ signs _____ a _____ pipe?

_____ expect repairs once _____ report _____ pressure?

_____ long _____ it take _____ us _____ get the _____ for _____ leaking system?

Is _____ general expectation for _____ after low pressure _____?

Can you tell me how long _____ will _____ address _____ issues, especially those _____ indicators _____?

_____ can we _____ to be completed _____ we see _____ of _____ leak?

_____ would _____ us _____ fix _____ leak or low pressure?

Is _____ predicted _____ of repairs _____ a _____ pressure _____?

_____ report a low _____ the time of _____ anticipated?

How long do _____ think it _____ take _____ signs _____?

_____ can _____ expect _____ to be _____ following signs of _____?

When we notice low _____ have _____ time _____ fixing _____?

Is the anticipated _____ of repairs when _____ reported.

_____ would _____ to _____ the _____ repair _____ we report low _____.

How soon _____ we _____ to _____ pressure _____?

_____ you _____ me _____ usual _____ when I report _____ pressure?

_____ long _____ you _____ it _____ to have lower _____ flow and other _____?

When _____ report _____ low pressure issue, _____ of _____?

____ there ____ predicted ____ repairs when we ____ low ____ or ____ problem?
 ____ there a general expectation ____ repair ____ pressure leaks?
 ____ long would ____ take ____ the repairs to ____ for ____ and ____ issues?
 ____ there ____ time ____ for handling ____ related ____ low pressure ____?
 How ____ would ____ us ____ fix low pressure and ____ problems?
 When we report ____ leaking, ____ the expected ____ repair?
 ____ it ____ us ____ do ____ for low pressure ____ leaking issues?
 When can ____ expect repairs ____ seeing signs ____ leaks?
 How ____ it take for ____ to get ____ low pressure ____ signs ____ leak in ____?
 ____ expected repair time ____ issues like ____ pressure?
 Is ____ time ____ we ____ a low pressure issue?
 ____ anticipated ____ of repairs when ____ low pressure ____ is ____ is ____.
 ____ a ____ timetable for ____ to possible ____ or lower ____ pressures?
 What ____ the ____ time ____ low ____ that ____ reported ____ be ____ leak concern?
 ____ would it take ____ to ____ the ____ for low pressure ____ pipe?
 How long ____ anticipated for ____ pressure issues?
 Can ____ me how ____ will take ____ leak issues, especially ____ decreased water pressure ____ the ____?
 ____ tell me ____ repair ____ after ____ report low pressure?
 How ____ do ____ have ____ the ____ for low pressure ____ other leaking ____?
 Can you ____ will take to address the suspected leak issues, ____ indicators of ____ the report?
 ____ would the repairs for low pressure ____ of ____?
 Can ____ me ____ expected ____ frame ____ low pressure leaks.
 When ____ expect ____ repairs ____ low pressure?
 When ____ let ____ know ____ low pressure ____ leak, ____ long does it take ____ fix ____?
 When ____ is reported, is the ____ time for ____?
 ____ long ____ it ____ to fix potential ____ low ____?
 How long ____ it ____ to fix ____ problems ____ pressure ____?
 ____ you know ____ long it takes ____ leaks that ____ pressured levels?
 ____ long ____ leak be ____ after we ____ of ____ or ____ of ____?
 ____ we report ____ or leaking ____ is ____ of repairs predicted?
 ____ you ____ how ____ it will take to finish ____ especially those with indicators ____ water ____ in ____ report?
 How ____ usually ____ fix ____ if ____ let you ____ about low pressure?
 ____ will ____ to fix problems ____ low pressure ____ reported?
 ____ the expected ____ of ____ we report a low ____?
 ____ there ____ for ____ timing after detecting low pressure ____?
 ____ we notice ____ pressure ____ what ____ the normal repair ____?
 How long should we expect ____ done ____ see ____?
 When ____ pressurized flow is reported, ____ does ____ to be ____?
 What will be ____ expected repair ____ issues?
 Can you tell ____ how long ____ to finish addressing suspected ____ issues, ____ those ____ water ____?
 How long would it ____ for ____ to ____ for ____ pressure ____ signs of ____ leaking ____?
 How long would it ____ to ____ Leakous ____ and ____ low ____?
 When ____ about low pressure or signs ____ how ____ does ____ take?
 ____ long ____ repairs ____ once there are ____ of leak?
 Can you ____ expected time ____ for ____ low ____ leaks?
 Do ____ know ____ it will ____ to ____ low pressure leaks?
 ____ can ____ take us ____ make repairs ____ signs of ____ leak?
 ____ would it take ____ us ____ fix leaking ____ low pressure ____?
 Can ____ when ____ normal repair time is when ____ pressure?

How long _____ take _____ to _____ signs of low _____ the _____?

The _____ of _____ when we report _____ or leaking _____ unknown.

What _____ the _____ for issues _____ low pressure?

Lower pressure _____ mean _____ wait times are _____ any _____?

Is the _____ of _____ when _____ report _____ issues?

How long _____ take _____ fix _____ pressurized _____ reporting leakage _____?

_____ would it _____ for _____ to _____ the repairs _____ low _____ of a leakage?

Can _____ an estimate _____ the _____ will take to repair _____ leak after _____ it?

_____ expected _____ of _____ when _____ report _____ pressure issue _____ not known.

_____ of repairs when _____ low pressure issue is _____?

How long _____ it take _____ to make repairs _____?

How _____ take us to _____ pressure _____ other potential leaking issues?

How long _____ a _____ patched _____ we _____ you of low pressure or _____?

Do you _____ time _____ fixing low _____ problems?

_____ long would it _____ repairs to be made _____ low _____ signs _____ a _____?

When _____ notice low pressure can _____ time _____ repairing _____ leaks?

How _____ should a _____ be _____ show you _____ pressure _____ signs of _____?

_____ like to _____ repair time is _____ we report _____ of _____.

_____ long _____ us to _____ the repairs done _____ pressure _____ leaking issues?

_____ long would it _____ to _____ repairs _____ low pressure _____ signs _____?

How long _____ we _____ repairs to take _____ we _____ a _____?

How long _____ potential leaking issues _____ as _____ pressure?

_____ we report _____ pressure _____ is the expected time _____?

When _____ let you know about low _____ signs _____ how long _____ take _____ fix _____?

Do you know _____ typically _____ fix leaks that _____ by _____ levels?

How long does it take _____ fix _____ pressure _____?

Is the _____ of repairs _____ we _____ low pressure _____?

When we hear _____ pressure _____ leaks, _____ typical _____ duration?

How long _____ for us _____ get the _____ pressure and _____ leaking issues?

When _____ expect _____ pressure leaks?

I need to _____ when the _____ repair _____ is _____ of _____.

When signs _____ forward, can we _____ to complete _____?

_____ should we expect repairs to _____ after _____ pressure?

Is there _____ timetable _____ addressing _____ or lower water _____?

I would like to know _____ long it _____ take to _____ issues, especially _____ indicators of _____.

How long would _____ take _____ us _____ repairs for _____ of a leak _____ plumbing?

_____ it _____ pressure that is reported as a _____ leak concern?

How _____ can _____ expect to have _____ when _____ a _____?

How _____ it _____ us _____ fix _____ issues like low _____?

How long would it _____ us _____ get _____ or signs _____ leaking plumbing?

_____ long does _____ take to _____ pressure _____ is _____ be a _____ concern?

_____ you give _____ an _____ on how long _____ finish addressing _____ especially _____ with indicators of decreased water _____?

When we _____ you _____ about low _____ long _____ take to _____ them?

I need a _____ for _____ leaks _____ the pressure _____.

When a _____ pressure _____ is _____ time of repairs?

_____ we _____ leak, what is the typical _____ duration?

_____ take _____ the repairs done for low-pressure leaking?

_____ you _____ general timetable for dealing with _____ of possible _____ lower _____?

_____ will it _____ leak _____ especially those with _____ of decreased water pressure _____ our report?

What is _____ time _____ repairs when _____ report _____ pressure _____?

How ____ would ____ for ____ fix ____ pressure ____ sign of leak in ____ ?

____ report a low ____ or ____ problem, is the time ____ ?

____ should ____ repairs ____ a low ____ leak?

How ____ it take to ____ issues ____ low ____ ?

Do you ____ it takes ____ leaks ____ are signaled ____ diminished pressured ____ ?

____ to fix low pressure ____ reported ____ potential leak ____ ?

When we report ____ pressure ____ is ____ time of ____ ?

Please ____ me ____ to make repairs after notifying leaky ____ .

____ pressure ____ is reported, ____ is the estimated time to ____ ?

When can ____ expect repairs ____ done ____ are reported?

____ low pressure, can ____ give ____ frame for ____ it?

How long does it typically ____ to ____ pressure ____ is ____ a ____ ?

____ is the ____ repair ____ for low ____ ?

When we ____ know about ____ pressure, ____ does it ____ to ____ the ____ ?

____ there ____ timetable for ____ of leaks or ____ water ____ ?

____ you ____ a general ____ addressing ____ possible ____ or ____ water pressure?

When we ____ you of ____ pressure or ____ of ____ leak, ____ it ____ ?

How ____ us ____ make repairs ____ low-pressure leaking?

____ is the usual ____ frame for ____ problems ____ be leaking?

By ____ can ____ made after seeing signs ____ leaks?

How ____ will ____ take ____ us to ____ addressing the ____ issues, ____ with ____ of decreased ____ pressure?

How long will ____ take ____ addressing suspected leak issues, ____ those ____ of ____ our report?

Do you ____ estimated time for ____ pressure ____ ?

____ long will ____ take to ____ suspected leak ____ those with ____ of ____ water pressure ____ our ____ ?

Is ____ a specific ____ for repairing ____ as ____ pressure?

How long would ____ take ____ get repairs ____ low pressure ____ ?

Is ____ time ____ for a low pressure ____ ?

What ____ the expected repair time ____ issues?

How ____ would ____ take for us ____ the ____ low ____ leaks?

Do ____ a ____ for ____ reports ____ leaks or lower water ____ ?

Can ____ give an estimate for the ____ will take to ____ leak, after ____ ?

The anticipated ____ of ____ we report a ____ pressure ____ leaking ____ .

When ____ know about low ____ how ____ does it ____ fix them?

How long ____ it ____ between reports ____ having them repaired?

____ long will ____ take ____ to repair ____ low-pressure leaking?

____ would ____ for us to ____ repairs for ____ pressure or signs ____ leaking ____ ?

When we alert ____ lowpressure or ____ leak, ____ it take for ____ be fixed?

How long can ____ take ____ repairs ____ made when ____ of a ____ ?

____ you ____ me how ____ take to ____ the suspected leak ____ in ____ ?

How ____ would ____ take for ____ to get ____ for a leak ____ ?

____ you have ____ specific time ____ potential leaks, ____ low pressure?

____ long would it ____ us to ____ low ____ ?

When we inform ____ or leaks, what ____ the ____ ?

____ does it ____ lower pressurized flow and ____ leakage ____ repaired?

____ long would it take ____ us ____ low ____ of a leaks?

When ____ repairs to ____ after we see ____ leaks?

____ would ____ to fix ____ pressure or a leaking system?

____ it take to ____ low pressure ____ after they have ____ ?

By ____ can we anticipate repairs ____ completed, ____ signs ____ ?

Do you have ____ estimate for ____ will ____ fix ____ you report it?

Can you _____ how _____ it _____ take _____ address _____ leak _____ and those with _____ water pressure?

How _____ it _____ for _____ to _____ to _____ pressure _____ signs of leakage?

Is there a _____ for _____ reports _____ possible leaks or _____?

Is _____ time of _____ when _____ report _____ low pressure _____?

_____ long would it _____ low pressure or _____ of _____?

_____ does it take to _____ if _____ let _____ about _____ pressure?

_____ would it be for us _____ low _____ or signs _____ leaking _____?

_____ of repairs _____ a low pressure _____ leaking problem _____ reported?

_____ anticipated time _____ a _____ pressure _____ problem is unknown.

How long _____ a _____ when we _____ pressure _____ signs of _____?

_____ give an expected time _____ for _____ low _____?

_____ we _____ to _____ repairs when _____ are _____ indicators?

Is _____ a general expectation _____ repair _____ after _____ leaks?

How long _____ us _____ repairs _____ low pressure _____ other leaking _____?

_____ signs suggesting leaks, _____ can _____ expect repairs _____ done?

_____ an estimate for _____ it will take to fix the _____ reported _____?

When can I _____ repairs _____ done once _____ leak is _____?

_____ can _____ expect repairs to _____ once we _____ a leak?

When _____ report _____ issues like _____ can we _____ a resolution?

_____ general _____ line _____ reports of possible _____ or lower _____ pressures?

_____ there a general timelines _____ about _____ leaks _____ water pressure?

How long do you think _____ take _____ like _____ low _____ readings?

How _____ take _____ make repairs for _____ or signs of _____?

When can _____ repairs _____ low _____?

How _____ it _____ to _____ pressure occurrences after they _____?

I want _____ know _____ usual repair time _____ pressure.

_____ know _____ will take _____ fix potential leaks, _____ low pressure?

_____ long would it _____ us to _____ low _____ leaking?

_____ we report a low _____ issue _____ the _____ of _____ going _____?

How _____ do you _____ take to _____ pressure _____ is reported _____ concerns?

Is _____ specific _____ period for _____ with _____ as low pressure?

When can _____ expect _____ to be done _____ pressure _____?

When can _____ to be _____ based _____ revealing _____ suggesting _____?

When _____ I _____ to _____ done after _____ is reported?

What time _____ a _____ be patched when we _____ of lowpressure _____?

_____ know _____ normal repair time _____ signs _____ low _____?

_____ can we expect _____ be _____ if there are signs _____?

How long it would take to _____ low pressure _____?

Is there _____ of _____ after signs of _____ leaks?

How _____ will _____ low pressure when it's _____?

Are _____ a general _____ for _____ reports about possible _____ lower _____?

_____ what point _____ expect repairs to _____ completed _____ are _____ of a _____?

_____ soon _____ expect _____ for _____ pressure?

How _____ it take to _____ repairs for _____ leaking _____?

How long would it be _____ to _____?

How _____ it _____ addressing suspected leak issues, particularly _____ with _____ of decreased water _____ report?

_____ there _____ repair timing _____ detecting low _____ leaks?

Is _____ predicted _____ of _____ when we _____ low pressure _____?

How _____ a leak _____ patched _____ of lowpressure or _____ of _____?

_____ it _____ to _____ a leak when we _____ you _____ about _____ pressure?

When _____ low _____ issue, _____ the _____ repair time?

_____ can I _____ repairs to _____ low pressure _____?

How _____ it take us _____ signs _____ pressure and leaking _____?

_____ you _____ how _____ will _____ fix problems like low _____ readings?

_____ expect to have repairs _____ low _____?

How long would it _____ us to _____ or _____ system?

Can we _____ repairs _____ a _____?

How _____ it take _____ to get _____ repairs _____ low pressure _____?

_____ when can _____ anticipate repairs being _____ based on _____?

How long _____ a _____ patched after _____ warn _____ of _____ or _____ leak?

How _____ take to fix low _____ problems _____ as _____ concerns?

Can _____ an _____ for the _____ of time it will _____ to fix _____ after _____?

How _____ time will it take _____ leaks, e.g., _____?

_____ will it _____ make _____ if _____ signs of low pressure?

How _____ take us to _____ the repairs for _____ issues?

How much time _____ take to _____ low pressure _____ reported _____ potential _____?

_____ long it takes to fix _____ regarding leaks that _____ pressured _____?

_____ long should it take _____ low pressure _____ are reported _____?

_____ long would it take _____ leaking _____ and _____ problems?

Is _____ anticipated time _____ for low _____ or _____?

How _____ it take for us _____ pressure or signs _____ leaks?

_____ low _____ the estimated time to fix the _____?

Can _____ tell me _____ long it _____ take _____ the _____ issues, especially those _____ decreased water _____ the _____?

When _____ we expect _____ be done _____ are indications _____?

_____ time _____ a low pressure or leaking problem _____ reported?

_____ it _____ to _____ the suspected leak issues, _____ those _____ of _____ water pressure, _____ our report?

_____ we _____ pressure can you give me a _____ frame _____?

How _____ it _____ to fix _____ pressure that is _____ possible _____ concern?

_____ we _____ you know about low _____ signs of leakage _____ long _____ take _____ fix _____?

_____ us _____ will take _____ we _____ any signals indicating a leak.

Do you know _____ it _____ take to _____ especially _____ with _____ of _____ pressure in the report?

_____ can _____ if there is _____ like low pressure?

_____ long would it take _____ or a leaking system?

How long _____ it _____ to get the _____ low pressure _____?

When can I _____ carried out once _____ reported?

_____ we inform _____ pressure, what _____ typical repair _____?

_____ would it _____ to make repairs _____ leaking?

_____ we let you _____ pressure, _____ long _____ it _____ to fix _____ leak?

Can _____ give an _____ time _____ for _____ pressure _____.

_____ would it take _____ to do the _____ for _____ low _____?

_____ you _____ me _____ estimate _____ it will _____ to address _____ suspected _____ issues in our _____?

_____ would it _____ the repairs for the low pressure _____ of _____?

Is the time of _____ when _____ report _____ low _____?

Does _____ anticipated _____ of repairs _____ there _____ low _____ or leaking _____?

_____ we report _____ pressure issue, _____ the time _____ anticipated?

_____ long _____ it take _____ us _____ fix low _____ other _____ issues?

Is there _____ problems like low pressure _____?

Is _____ general _____ for the _____ of repairs _____ low pressure _____?

_____ can _____ expect _____ make _____ when _____ report low _____?

Once signs _____ a leak, resulting _____ diminished _____ brought forward, can _____ repairs to _____?

_____ there _____ general time _____ reports of possible _____ or lower water _____?
 How _____ it take to _____ pressurized flow _____ other _____ indications?
 _____ should _____ repaired after we alert you of _____ or _____ leak?
 How _____ time _____ leak be _____ after we _____ of low pressure _____ of _____?
 _____ long _____ take _____ make the repairs for low _____ other _____?
 _____ long can we _____ for repairs _____ there are _____ leak?
 _____ timetable for _____ reports of possible leaks _____ water _____?
 When _____ see _____ low pressure issue, _____ anticipated _____ of _____?
 _____ we see low pressure, _____ you _____ me a time _____?
 How _____ will _____ to _____ leaking issues like _____?
 How long _____ to _____ when we report signs _____ leak?
 _____ much time would _____ take _____ pressure _____ signs _____ leakage?
 _____ long does _____ take _____ fix leaks if _____ are _____?
 _____ low pressure _____ problem, is _____ time of repairs anticipated?
 What _____ anticipated _____ of _____ when we _____ pressure problem?
 _____ an expected timetable _____ low pressure _____?
 How long _____ fix _____ or signs of _____ leak?
 How _____ take to _____ for low _____ signs of _____ leaking system?
 _____ you give an estimate _____ the amount _____ will _____ to _____ after _____ report it?
 _____ a low _____ issue _____ the anticipated time _____ repairs?
 When _____ we _____ repairs _____ indicators?
 How long _____ take for _____ for low pressure _____ other _____?
 How _____ would _____ take _____ us _____ repairs for low _____ leaking?
 _____ there _____ expectation of _____ timing after _____ signs _____ leaks?
 _____ long can we _____ repairs to take _____ we _____ of _____?
 When can _____ repairs _____ be _____ once _____ are reported?
 _____ able _____ an _____ fixing problems like low pressure readings?
 How _____ it _____ us to _____ repairs _____ low pressure _____ signs _____ leaks?
 _____ there _____ time frame for dealing _____ leaks _____ as _____ pressure?
 Is _____ general timelines _____ reports _____ leaks or _____ water pressures?
 _____ we let _____ know _____ or signs of _____ long does it usually take _____?
 _____ long _____ leak _____ patched after _____ low pressure and signs of _____?
 How long would it take _____ us _____ for _____ pressure or _____ of a _____?
 _____ would _____ take _____ get _____ repairs for low pressure or _____ of _____.
 _____ is the _____ time _____ for fixing problems such _____ reported to _____ leaking?
 _____ anticipated time of repairs when a _____ is _____?
 How long will _____ for _____ fix _____ pressure _____ leaking problem?
 _____ long should a leak be _____ you of _____ of leak?
 How long _____ to _____ we see _____ of potential leaks?
 _____ alert _____ of _____ or _____ of leak, how _____ should it _____ for _____ be fixed?
 Can _____ an estimate _____ the time _____ to _____ a leak after _____ it?
 When we _____ low _____ is the _____ of repairs?
 _____ want _____ when _____ usual _____ time is when we _____ pressure.
 _____ long would _____ for us _____ get repairs _____ pressure or signs _____?
 How _____ would _____ take _____ to _____ pressure _____ of leakage?
 Is _____ an _____ repair _____ detecting _____ pressure leaks.
 _____ signs of low _____ can _____ tell me _____ usual _____ time?
 _____ the _____ problems _____ as low pressure that _____ reported as leak _____?
 _____ have _____ expected time frame for _____ pressure _____?
 At _____ point _____ we _____ repairs _____ once there are _____ of a _____?

____ long ____ it take to ____ the ____ for low ____ or ____ ____ ?
 ____ long ____ it ____ for ____ fix ____ or low pressure?
 ____ us how ____ will take to repair ____ we ____ signals ____ is decreasing.
 ____ long ____ it ____ get the ____ for low pressure ____ signs ____ a leak in the ____ ?
 How ____ would ____ take us to fix ____ problems?
 ____ long ____ for us to repair ____ leaking problems?
 When can I expect a ____ done ____ low ____ ?
 How long will it ____ the ____ for ____ pressure ____ of a ____ ?
 ____ expectation for ____ after seeing signs of ____ leak?
