

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Shipping and delivery inquiries
Inquiry Sub-Category	Tracking Assistance
Description	Customers seek help in tracking their package, needing assistance with finding the tracking number or understanding the tracking information provided.
Data Size	5,040 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)

What should _____ done when the provided _____ no results _____ according to _____?
_____ should _____ a non-functional tracking _____?
_____ tracking number _____ show results, how _____ proceed?
When the provided _____ showing results, _____ be _____?
_____ the _____ number _____ do you do?
_____ steps _____ system _____ in _____ of a _____ functional tracking _____?
_____ the tracking number _____ show _____ plan?
In cases where the tracking number _____ not recognized as _____ what _____ be _____?
What _____ you _____ if the _____ show results?
_____ do if the _____ number doesn't yield _____?
How do _____ with a tracking _____ found _____ your _____?
_____ we _____ when confronted _____ an _____ tracking _____ that results _____ zero records _____ our _____?
_____ number doesn't show _____ with _____ system, what can I do?
If an invalid tracking _____ to _____ our _____ what should _____?
_____ tracking number does not work, _____ I _____?
_____ to _____ with _____ tracking number _____ work
_____ steps _____ taken if _____ tracking _____ doesn't yield any outcomes _____ as _____?
_____ my _____ doesn't show _____ outcomes and is _____ your _____ can _____ tell me what to _____?
If the _____ produce _____ what _____ going to do?
_____ should be _____ when a provided _____ does _____ results _____ your _____?
If my tracking number _____ outcomes or _____ invalid, _____ me what _____ need _____ do?
What should _____ if _____ to have _____ results or validity?
What _____ be _____ when a _____ doesn't yield _____ or isn't recognized _____?
_____ a _____ of action _____ or untraceable tracking _____?
_____ can _____ do if _____ show results _____ is incorrect?
If a _____ work, what should _____?
_____ if _____ tracking _____ valid or showing no information?
What to _____ if the _____ does _____ show _____.

_____ I do when I find _____ number isn't _____?
 When _____ an _____ tracking _____ actions should _____ taken?
 _____ be taken _____ tracking number _____ outcomes or _____ recognized as valid?
 How _____ a tracking number _____ invalid?
 If my tracking _____ not _____ outcomes or _____ you tell _____ to do?
 What _____ do _____ my tracking number doesn't _____?
 _____ are _____ do if the tracking number isn't _____ your _____?
 Is it possible _____ handle _____ if _____ number _____?
 _____ one _____ the _____ tracking number doesn't provide information in _____ system?
 _____ I can do if the _____ results or _____ invalid?
 If the tracking _____ doesn't _____ results or _____ invalid, _____ can _____?
 What should be _____ when _____ provided _____ correspond _____ your system?
 _____ are you _____ to do if _____ provided _____ doesn't _____ results _____ not _____?
 What _____ tracking number fails to show results _____ to our _____?
 How _____ this if the _____ tracking number _____ information?
 How should it _____ handled _____ work?
 What _____ I do when _____ the tracking _____ doesn't _____?
 When _____ provided tracking _____ shows _____ or is _____ should _____ done.
 _____ actions to take if the _____?
 What _____ be done if a tracking _____ system?
 _____ are you supposed _____ when the _____ number doesn't _____ results or _____?
 What steps are suggested _____ a _____ tracking _____?
 _____ to _____ tracking number isn't working?
 _____ I _____ the _____ doesn't show results or _____ not valid?
 _____ can be done _____ the _____ yield _____ outcomes or _____ isn't _____ as valid?
 _____ should _____ done if the tracking _____ no results?
 What _____ should _____ system _____ in _____ non-functional tracking number?
 Can you tell _____ about _____ action _____ tracking number _____ outcomes?
 What are _____ to do when _____ provided tracking _____?
 Should _____ anything _____ the _____ shows invalid or zero _____?
 _____ tracking _____ valid in your system, _____ are _____ going _____ do?
 What measures _____ be taken if _____ out _____ to _____ system?
 _____ should _____ if _____ tracking _____ does not _____ results or _____?
 What _____ be _____ the provided tracking _____ is not _____ does _____ the system?
 _____ should _____ tracking number proves to _____ no results _____ the system?
 What should _____ done if the _____ in your _____?
 _____ I _____ action _____ shows invalid or zero results?
 If _____ tracking number shows _____ it is _____ to show any related _____ are _____?
 Is _____ can do when the tracking _____ or _____ results?
 What _____ you supposed _____ do _____ the _____ does _____ show results, _____ not valid?
 _____ are _____ options _____ given tracking _____ doesn't show any data _____?
 _____ the provided _____ number _____ not _____ system _____ should _____ done?
 _____ your _____ isn't _____ what _____ be done?
 _____ should one proceed _____ the _____ tracking number _____ comply _____?
 _____ provided number _____ work _____ your system what _____ be _____?
 _____ you going _____ do when _____ provided tracking _____ not _____ results?
 _____ should _____ done if _____ tracking _____ not have _____ according _____ our _____?
 What will happen _____ tracing _____ work?
 _____ should I do when _____ number _____ is _____ valid?
 _____ do _____ the provided tracking _____ show results _____ valid in _____ system?

How _____ with _____ tracking _____ found _____ your system?

What _____ you supposed _____ tracking number doesn't show _____ results?
 _____ be done _____ the tracking _____ not _____ results?

What should _____ when _____ tracking number does not _____ results _____.

If _____ show _____ in your system, _____ be done?
 _____ the _____ tracking number _____ not _____ is invalid, _____ we proceed?

What if _____ show results or _____ valid in your system?

I _____ know _____ do _____ number shows _____ outcomes _____ your system.

What are my options _____ or _____ show data _____ your system?
 _____ case of a non functional _____ steps are _____ your _____?
 _____ tracking _____ isn't valid in _____ system, what should _____?

If _____ number doesn't work out, _____ done?
 _____ have to _____ if the _____ doesn't yield _____ outcomes or _____ recognized _____ valid?

In cases _____ the tracking number doesn't yield _____ isn't _____ what _____ be _____?
 _____ steps should be _____ if the tracking number _____ there's _____?
 _____ there anything I should do when the _____ results?

How should it be _____ doesn't work?

What _____ be _____ in _____ a _____ shows no results _____ the system?

When the tracking _____ not show results _____ does _____ match _____ what _____?
 _____ indicates that it's invalid or fails _____ show _____ what are _____?

What to _____ the tracking number _____ produce _____?
 _____ tracking number isn't _____ results or _____ your system, what should _____?

What _____ be done in cases _____ tracking number doesn't _____ or _____ recognized _____ valid?

What should _____ the tracking number _____?
 _____ take actions if _____ number isn't _____?

What should _____ done when _____ provided _____ number does _____ show _____ or _____?

What should _____ done when the _____ number _____ not show the _____?
 _____ deal with _____ if _____ doesn't work?
 _____ one handle this _____ tracking number _____ comply with _____ system?

How _____ with an invalid _____ number that _____ to _____ records _____ system?
 _____ does _____ show results _____ your system, what _____ you going _____ do?

If the _____ doesn't work _____ how _____ we _____ it?

If the _____ number _____ yield results, _____ going _____ do?
 _____ should _____ handle _____ if the supplied _____ does _____ provide any _____?

If _____ results, what steps can _____ taken?

What course _____ action _____ be taken _____ tracking _____ leads _____ our system?

How _____ the supplied _____ number doesn't _____ your system?

How to _____ not _____ in your system?

If _____ tracking _____ doesn't _____ system, what _____ you do _____?
 _____ we _____ with invalid _____ untraceable _____?
 _____ should be _____ number is not valid?

What _____ do if _____ tracking _____ doesn't _____ your system?

If my _____ number _____ outcomes _____ deemed _____ you give me _____ what to do?

What _____ done in cases where the _____ doesn't yield _____ outcomes _____?

When a _____ your system, _____ should be _____?
 _____ course _____ action needs _____ taken _____ there _____ an invalid _____ number and _____ records _____ system?

What _____ should _____ the tracking _____ valid or _____ is _____ information?

When _____ tracking number _____ results _____ isn't valid, _____ are _____ supposed _____?

If the tracking _____ isn't showing _____ what _____?
 _____ recommended by your _____ there is _____ non-functional tracking _____?

If _____ tracking number _____ is _____ how _____ handle it?
 _____ should we do if the _____ results _____ our system?
 _____ provided tracking _____ does _____ your system, what _____ be _____?
 What _____ you going _____ if the provided _____ number _____ show _____?
 _____ we do now that _____ num _____ Invalid?
 _____ you _____ do when _____ provided _____ number _____ show anything?
 _____ should I do _____ the _____ doesn't show _____?
 _____ a _____ tracking _____ shows no results _____ is invalid, _____ done?
 When _____ with _____ invalid tracking number, what course _____?
