

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle complaints and quality concerns
Inquiry Sub-Category	Suspension and Steering Problems
Description	Customers notice issues with the vehicle's suspension or steering, such as vibrations, uneven tire wear, or difficulty in maintaining control, affecting the driving comfort and handling.
Data Size	8,063 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Should _____ worry _____ my vehicle's steering _____ a delayed _____ when _____ wheel, especially at _____ speeds?

Should I _____ concerned about my car's _____ it shows _____ turning?

_____ don't _____ I should worry _____ my car's _____ slow.

_____ it takes _____ the wheel, I wonder if _____ steering _____ will _____.

Is the _____ steering _____ that needs attention?

_____ I have _____ about my _____ steering _____ has a delayed _____ while _____?

_____ concern justified as _____ shows a slowdown?

Is _____ concerning _____ take _____ long _____ to respond _____ I steer?

_____ there _____ reason for concern if _____ steering _____ turn _____ speeds?

Should I _____ system _____ it _____ too _____ to turn _____ wheel at high _____?

_____ the delayed response of _____ vehicle's steering during _____ turns?

_____ at high _____ a _____?

_____ need _____ aware of the _____ system's _____ I turn the _____ at _____ speeds?

Is _____ cause _____ my _____ is slow?

_____ I _____ about my _____ it takes _____ time to _____ the wheel at _____ speeds?

Is _____ recommended that I address _____ response _____ my steering _____?

_____ system responds _____ especially at higher _____ be worried?

Should I _____ my steering system _____ at higher speeds?

Is _____ a _____ be alarmed _____ decreased responsiveness of _____ system?

Steering _____ may be _____ concern.

Is _____ delay in _____ response _____ for _____?

Steering delay _____ is a thing _____.

Since it seems _____ to respond _____ turning, I am _____.

When I _____ should _____ be concerned _____ delays in _____ system?

Should _____ that my _____ steering _____ doesn't _____ as _____ at higher _____?

Is _____ cause of concern _____ longer to _____ when I _____?

_____ I _____ about the delayed wheel _____ car?

Is _____ an issue _____ wheels _____ respond _____ I steer?

Should I _____ about delays in _____ I _____ fast?

Is it cause _____ the _____ does _____ respond quickly when _____?

_____ a cause for concern if my steering _____ turn _____?

Is the slower _____ time from my _____ concern?

Something _____ about, delayed _____?

_____ it possible that my car's _____ is _____ high speeds?

Is it _____ for me _____ worry about _____ my steering _____ at _____?

Should I _____ worried about the _____ responsiveness _____ steering _____ speeds?

Is _____ reason to worry _____ it _____ a while to turn?

If the _____ responds slowly, _____ speeds, should _____ worried?

Does the _____ delayed reaction _____ steerage _____ merit apprehension?

Should _____ be concerned about _____ steering system _____ it _____ not respond _____ I _____ the wheel _____?

Should I _____ concerned about _____ high _____?

Is it _____ my steering is _____ turn?

_____ want to _____ if you _____ response of my _____ during _____ turns.

Steering _____ sluggish while _____ fast, _____ for _____?

_____ that my _____ takes longer when _____ the wheel, particularly at _____?

Should _____ the delays in my _____ system _____ driving _____?

_____ worry _____ steering system _____ it takes a _____ to turn _____ especially at _____ speeds?

I do _____ know if _____ worry about _____ with a _____ me _____ feedback _____ the wheels.

_____ matter if there's _____ in my _____ steering during _____?

_____ am concerned that my _____ steering can _____ the wheel.

_____ worried _____ steering system _____ not respond quickly at high _____?

_____ be concerned about my vehicle steering if it has _____ delayed _____?

Should _____ the steering system responds _____?

_____ be concerned _____ my vehicle's steering _____ high _____?

_____ about my vehicle's _____ at high speeds _____ it has _____ delayed _____?

_____ turning may be a concern for my _____.

_____ reason to be _____ about the _____ of _____ car _____ has a delayed _____?

I _____ know _____ to worry about driving _____ gives me a _____ feedback on turning _____.

Is it concerning _____ take longer _____ respond _____ steer?

Do you think _____ would _____ idea to address the delayed response _____ steering _____?

If _____ a delayed response _____ wheel turning _____ higher _____ is _____ necessary to _____ about _____ steering _____?

If my _____ a delayed response while turning, is _____ reason _____ steering?

_____ you think _____ idea to _____ delayed _____ my _____ steering during high-speed turns?

Is _____ necessary for me to _____ about a _____ delayed _____ on _____ wheels?

Is it normal _____ my steering system to _____ longer _____ turn _____?

_____ I need _____ worry about the _____ my steering mechanism at _____?

Is _____ a _____ for _____ be concerned about _____ in _____ steering mechanism?

_____ there _____ need _____ worried about my steering system if there _____ a _____ response _____?

Is _____ if _____ steering _____ slow?

If my _____ slowly, _____ worry about it?

Steering _____ high _____ is _____ matter _____ concern.

_____ to worry about _____ system if it _____ a delayed response while _____ higher speeds?

Is _____ concern if my _____ while turning?

_____ I should address _____ delayed _____ of my _____ during _____ turns?

_____ about _____ delay in response _____ my steering _____ in high _____?

Is there a _____ concern _____ my steering system _____ not respond _____?

_____ need _____ be _____ the _____ responsiveness of my _____ during turning motions?

I am _____ if _____ needs _____ seems slow _____ respond _____ turning _____ fast rates.

____ it ____ good ____ be worried ____ my vehicle's ____ slow?
 ____ I worry ____ steering ____ there is ____ delay ____ turning ____ wheel?
 Is ____ any ____ for ____ to ____ if my ____ has slow ____ in ____ steering ____ during ____ turning?
 A matter ____ concern: ____ high ____.
 Does the ____ of my vehicle's ____?
 ____ it ____ car's ____ to take ____ when ____ am driving at higher ____?
 Delayed ____ response ____ high speeds ____ be ____ for ____.
 ____ because ____ car's steering exhibits ____ slowdown?
 ____ I be concerned ____ my vehicle's steering ____ at ____?
 ____ a ____ steering response ____ high speeds ____?
 ____ maneuvering the steering ____ does a ____ response ____?
 Should I be ____ in my steering system ____ at a ____?
 Is ____ my steering system ____ more ____ when ____ wheel at high speeds?
 ____ possible that my ____ have delayed responses ____ turning, ____ speeds?
 ____ I ____ need ____ be ____ my ____ system if there is ____ during wheel turning?
 ____ my ____ steering ____ call ____ alarm?
 ____ I be ____ my ____ a delayed response?
 Should I ____ worried about my ____ high speeds?
 ____ I worry ____ system if it doesn't respond ____ when I ____ wheel at ____?
 ____ I ____ concerned ____ car steering system if ____ respond ____?
 During ____ turns, ____ recommend addressing ____ delayed response ____ steering?
 Should ____ have ____ the ____ in response ____ steering system, particularly during rapid ____ and ____?
 Is there ____ issue ____ car's steering when I ____?
 If ____ is ____ when turning, ____ that ____ for concern?
 Is ____ cause ____ if the ____ shows a ____ when driving ____?
 ____ there ____ for ____ with my car ____ response while ____ especially at higher speeds?
 ____ I ____ to be ____ in responsiveness ____ my vehicle's steering ____?
 Is ____ for alarm if ____ steering function on ____ vehicle slows down ____ sharply?
 If my ____ is ____ I ____?
 ____ have to worry about the steering ____ being ____?
 ____ question about ____ steering ____ it responds ____ I ____ the wheel fast.
 ____ it dangerous if my ____ slow when ____?
 ____ my steering ____ going ____ fail if it ____ long time ____ the ____?
 ____ I ____ concerned ____ my ____ doesn't ____ quickly ____ turning at ____ speeds?
 Is ____ to ____ if I have to ____ time to turn the ____?
 I wondered ____ of ____ vehicle's steering needed ____.
 ____ be concerned if ____ automobile ____ steering responses during wheel ____ at higher speeds?
 ____ have a reason ____ be ____ my car has ____ responses ____ the steering ____ during ____?
 ____ it an ____ my ____ is ____?
 ____ there a reason ____ alarm if ____ a delay ____ steering ____ driving ____?
 ____ the steering ____ in ____ car ____ issue ____ speeds?
 Does ____ response while maneuvering ____ steering ____ merit ____ on a ____?
 Is ____ an issue with my ____ a ____ when turning?
 ____ I ____ worry ____ the ____ system ____ too ____ when ____ turn the ____ at higher speeds?
 I am ____ that ____ slow when ____ the wheel, ____ during ____ speeds.
 ____ to worry about ____ late ____ I turn at high speeds?
 ____ I have to worry ____ my ____ delayed responses while ____?
 ____ be concerned ____ the delay ____ steering system ____ I drive ____?
 ____ the car's ____ system ____ concern ____ high ____?
 ____ steering ____ a ____ when ____ tight maneuvers ____ driving fast, is it cause ____?

_____ to _____ is _____ delayed steering _____.

Is _____ any _____ my steering system if it _____ delayed _____ at _____ speeds?

Is there _____ cause _____ concern if _____ doesn't respond _____ turn?

_____ a lagging _____ while steering _____ merit attention on _____?

If _____ steering responds _____ when I _____ fast, is that _____ with _____?

_____ I _____ about delays in my vehicle's steering _____?

Should _____ about the steering system's _____ turn _____ wheel _____ high _____?

_____ I _____ car's _____ system _____ it does _____ respond quickly?

_____ the car's steering _____ at high _____?

I _____ about my car's _____ delays when turning the _____ speeds.

Do I need to be _____ steering system _____ is a _____ during _____ turning?

Do you _____ address the _____ response of _____ high-speed turns?

_____ a _____ in steering _____ high speeds cause _____?

Can I be _____ steerage being slow _____ and high _____?

Is it _____ paying _____ a _____ response when maneuvering _____?

Does _____ sense _____ about _____ car's steering system if there _____ response during _____ turning?

Is _____ a concern _____ a _____ down _____ the steering _____ my vehicle _____ it's _____?

_____ it _____ problem _____ car's steerage is _____ while I _____?

_____ is delayed when _____ the wheel, _____ I _____ concerned?

If _____ takes _____ to turn the _____ my _____ system going to _____?

Is it _____ my _____ system if _____ a delay in responding to a _____?

_____ I have _____ be concerned if my car _____ steering responses _____?

_____ I need to worry about the steering _____ if it _____ turning _____ higher _____?

_____ my _____ is slow at high _____ is _____?

Should I _____ slower reaction _____ from _____ steering system?

_____ at _____ speeds _____ some concerns.

Is there _____ if _____ turn the _____ fast?

_____ about _____ turning the wheel, especially during increased velocities.

Should I be concerned _____ steering _____ if there _____ a _____ wheel _____ especially _____ higher _____?

Is my _____ during wheel turning _____ speeds?

Is it _____ that _____ is _____ while _____ and at high speeds?

Do _____ need _____ be _____ my _____ system _____ turn the wheel?

_____ cause _____ that _____ steering _____ my _____ slows down when _____ fly _____ or when I _____ sharply?

_____ I be _____ about my steering system _____ there _____ a _____ turning, especially at _____?

Is it advisable to _____ steering is _____?

_____ steering responds _____ when _____ turn the _____ is _____ an issue with _____?

_____ make quick turns in my _____ slowly?

Does _____ lagging response when _____ steering _____ on _____ faster _____ attention?

Should _____ concerned _____ decreased responsiveness of my _____ during high _____?

Is it _____ my _____ at high speeds.

Do _____ a reason _____ worry if _____ slow steering responses during _____ turning at _____?

I wondered _____ my _____ needs attention _____ it seems _____ when _____.

_____ like _____ the _____ reaction time from _____ car's steering _____ is a _____.

_____ to _____ an eye _____ steering system if there is _____ delayed _____ wheel turning?

_____ don't know _____ be concerned by _____ slower reaction time from _____.

I _____ not sure if _____ should _____ concerned _____ car's _____ slow.

_____ to worry _____ my car has slow _____ wheel turning at higher _____?

_____ have to _____ my car's wheel _____ when _____ drive _____?

_____ it a _____ car's steerage _____ being slow?

_____ there _____ reason _____ worry _____ my _____ responses _____ steering system during wheel turning _____ higher speeds?

____ driving fast, can a ____ in turning ____ cause ____?
 ____ there ____ issue with my steering ____ I ____?
 Does a lagging response ____ using the ____ roads?
 I ____ about ____ Steering Delays when ____ the ____ particularly noticeable ____.
 Should I ____ about the ____ in my ____ system ____ turns ____ higher ____?
 ____ steering system shows ____ delay when driving ____ top ____ it ____ for ____?
 Does ____ lagging ____ maneuvering ____ steering ____ merit ____ faster roads?
 ____ it ____ for ____ driving a car ____ gives ____ delayed ____ on turning the wheels?
 Do ____ have ____ to ____ concerned ____ my ____ has slow ____ in ____ steering system ____ speeds?
 Does ____ make sense to ____ my vehicle's ____ there is a delayed ____ speeds?
 Is ____ steering system's delay when ____ top ____ for ____?
 ____ have ____ to be ____ my car ____ responses ____ the steering system during wheel ____?
 I want to ____ my steering ____ attention ____ it seems ____.
 ____ normal for ____ steering system of ____ take longer ____ I drive ____ higher ____?
 ____ am ____ if ____ about the slower reaction ____ from ____ car's steering ____.
 ____ need ____ be ____ about my steering system if ____ doesn't ____?
 ____ forever ____ the wheel, is my ____ steering system ____ work ____ me?
 ____ a good idea to ____ the delayed ____ of ____ turns?
 ____ to ____ about driving with a car ____ gives ____ delayed feedback on turning the ____.
 ____ I ____ car's steering ____ doesn't respond quickly?
 Should I be ____ my car's ____ system ____ turning ____ higher speeds?
 Does ____ late ____ of ____ car's steering ____?
 ____ turns, ____ addressing the delay of my vehicle's ____?
 Do I ____ reason to ____ concerned if ____ car ____ responses to ____ turning ____ speeds?
 ____ high-speed ____ you suggest addressing the delayed ____?
 Should I ____ car's ____ if ____ is ____ delayed response during wheel ____?
 Should I ____ concerned about ____ my ____ at fast speeds?
 Is ____ a ____ steering ____ shows ____ delay when driving ____?
 Is it necessary ____ the steering system's reactions ____ I ____ the ____?
 ____ there a problem ____ my ____ steering if ____ sluggishly when I ____?
 Steering ____ at ____ is ____ concern.
 ____ think I should ____ delayed ____ my steering?
 ____ it necessary ____ driving with ____ car ____ gives me ____ on turning the ____ noticeable ____ speedier encounters?
 ____ it necessary ____ about ____ steering ____ a ____ response at higher speeds?
 Is ____ problem with ____ steering if I ____?
 ____ is ____ wheel turning ____ higher ____ is it necessary to be ____ my steering system?
 ____ be worried about ____ steerage ____?
 Does ____ delayed ____ steering need attention?
 Should ____ be worried if ____ vehicle's steering ____?
 Is this ____ cause ____ concern ____ my ____ does ____ quickly when ____ turn?
 I'm ____ sure if ____ need to worry about driving ____ car ____ a delayed ____ turning ____.
 I am concerned about knowing ____ steering delays ____ wheel, ____ noticeable ____ increased ____.
 ____ concerned ____ the ____ responsiveness of my ____ system at higher ____?
 ____ be ____ the ____ responsiveness ____ my car's ____ system ____ high speeds?
 Do ____ to think ____ the ____ when I drive ____?
 I am concerned ____ knowing ____ car's ____ slightly ____ when ____ wheel.
 Should ____ about ____ in response to my ____ during higher speeds?
 Do you ____ my vehicle's steering during high-speed turns?
 If ____ steerage is slow, ____ be ____?
 Do ____ should ____ the delayed response ____ my ____ steering?

Is ____ delay ____ to ____ steering system ____ concern?
 ____ my vehicle ____ a ____ response while turning at ____ speeds, is ____ a ____ steering?
 ____ steering system has ____ delayed ____ when ____ at higher ____ I worry about it?
 Is ____ reason ____ be concerned if ____ steering system does ____ when ____?
 I'm wondering ____ my ____ attention since ____ when turning.
 ____ I have reason to be concerned if ____ car ____ slow ____ the ____ wheel ____?
 ____ concerned about my steering ____ if ____ doesn't ____ quickly?
 Does ____ steering system is delayed ____ fast ____?
 ____ I be ____ vehicle's steering ____ speeds if ____ has ____ delayed response?
 ____ a ____ in my ____ steering ____ at ____ speeds?
 Is ____ necessary ____ be concerned ____ there is a delay ____ turning?
 ____ it ____ cause ____ wheels don't ____ quickly when I steer?
 ____ I be concerned ____ my ____ not working ____ speeds?
 ____ take ____ to ____ when ____ I might be concerned.
 ____ if I ____ concerned ____ reaction ____ from my steering system.
 ____ I ____ about ____ wheel response ____ my car ____ I drive ____?
 ____ be ____ about ____ in ____ steering system ____ the wheel ____ fast speeds?
 ____ a ____ a slowing down of the steering function on ____ vehicle ____ I'm ____ fast ____?
 ____ I be ____ with my ____ system if ____ responds ____?
 Do I need ____ worry ____ the ____ reacting ____ when ____ turn the ____ higher ____?
 Any ____ for concern ____ the ____ being ____ driving ____?
 As the steering of ____ car ____ is it ____?
 ____ I ____ about ____ steering issue, especially at high ____?
 ____ wheels ____ to respond when I ____ is it cause ____ concern?
 Should I ____ concerned ____ steering ____ if ____ shows a delayed ____ especially at higher ____?
 ____ there ____ alarm ____ the ____ system ____ a ____ when ____ at top ____?
 Is ____ anything wrong ____ my car's steering ____ a delayed ____?
 Is it safe to ____?
 Can a ____ in response ____ turning ____ steering ____ car cause ____?
 ____ worry ____ how ____ steering ____ when I ____ the wheel at ____ speeds?
 ____ normal ____ car's steering to ____ when I turn ____ higher speeds?
 ____ need to pay ____ to delays in ____ my ____ mechanism?
 ____ I need to ____ system ____ shows a delayed ____ while turning?
 Do I ____ to worry ____ vehicle's steering ____ it has ____ turning?
 Is ____ cause for ____ wheels ____ not respond quickly ____ I ____?
 I am concerned ____ my ____ a ____ when turning ____ wheel, particularly noticeable ____.
 Is ____ any ____ be ____ if my ____ system ____ respond ____ turning?
 ____ reasons to ____ my ____ if ____ a delayed response while turning?
 ____ delay can ____ concern.
 Is there ____ to ____ my car ____ slow ____ in ____ steering system ____ wheel turning?
 ____ I worry ____ from my steering ____ at higher ____?
 Is it ____ to be concerned ____ if there is ____ response at ____?
 ____ I be ____ about my ____ issue at ____?
 ____ response during ____ concern for my ____ steering system.
 Should ____ be concerned about ____ vehicle's ____ when I speed ____?
 Is there ____ reason for ____ about a ____ the steering ____ flying ____ or maneuvering ____?
 Is it advisable to ____ by ____ decreased ____ of ____ car's ____ turning?
 ____ do ____ think about the ____ response ____ vehicle's ____ high-speed turns?
 ____ concerned that my car is steering ____ the wheel, ____ during ____.
 ____ be ____ that my vehicle's ____ has ____ delayed ____?

_____ you _____ I should be concerned about _____ system when I _____?
 _____ it a problem to have _____ in _____ drive fast?
 _____ be worried about _____ delay _____ response to my _____ particularly during _____ turns _____ speeds?
 _____ I _____ to be _____ about my _____ system _____ there is _____ response _____ at high speeds?
 Does a _____ when _____ a _____ wheel merit _____?
 Is it cause _____ alarm if the steering _____ on _____ slows _____ when _____ flying fast _____?
 When _____ at _____ speed, is _____ problem _____ is slow?
 Is it _____ my _____ steerage _____ slow while I _____ at _____ speeds?
 _____ am _____ about _____ my _____ steering delays slightly _____ turning _____ wheel, particularly _____ increased speeds.
 _____ be _____ about my steering _____ if it _____ while to _____?
 Is there _____ need for _____ steering system _____ shows a _____ turning _____ higher speeds?
 Is _____ to be concerned about my steering system if there is _____ especially _____?
 Do _____ reason to _____ if _____ has slow responses in _____ steering _____ at higher speeds?
 _____ response while steering _____ car merit _____?
 _____ at high _____ it worrisome that my _____ is _____?
 Does _____ response _____ the car merit attention on _____?
 _____ steering is _____ when turning, _____ worrisome?
 _____ I be concerned _____ issue _____ my _____ steering _____ high speeds?
 _____ about my steering _____ if _____ a _____ response while _____ at higher speeds?
 Do _____ need to _____ concerned _____ the _____ system _____ car _____ there _____ delayed response _____ wheel turning?
 Should I _____ about _____ it _____ respond _____ enough when I turn _____?
 _____ need _____ about my steering system if it shows _____ turning, _____ higher speeds?
 _____ steering _____ it a concern?
 _____ be _____ about my car _____ slow?
 _____ to _____ car's steering slows?
 Is there _____ reason _____ worry _____ my _____ has _____ delayed response _____ turning?
 _____ my steering _____ sluggishly when I _____ wheel _____ any issue _____?
 _____ a steering problem _____ high speeds?
 Should I _____ that _____ steering _____ a delayed _____ at _____?
 Is it a cause _____ if the wheels _____ steer?
 _____ I _____ my _____ steering is slow?
 Is _____ a _____ to _____ about _____ my vehicle _____ high speeds?
 _____ concerned _____ the _____ responsiveness of _____ car's steering system _____ speeds?
 I'm _____ sure if I need to _____ delays in _____ my _____.
 _____ there _____ for alarm if _____ system shows a _____ quickly?
 Can _____ be concerned that _____ steerage _____?
 Do _____ worry about _____ steering if _____ a delayed response while _____?
 _____ issue _____ car's _____ it doesn't respond quickly when _____ the wheel?
 Should _____ concerned _____ my _____ steering _____ delayed at _____ speeds?
 _____ problem that my _____ steering system is _____ at higher _____?
 _____ the steering system _____ delayed _____ should _____ worry _____ it?
 _____ a problem _____ my _____ steering _____ I _____ quickly?
 Is _____ necessary to _____ about _____ with a car _____ delayed feedback on _____?
 Should I be worried _____ the _____ responsiveness _____ at _____ speeds?
 Do you think _____ the delayed _____ of _____ in high-speed _____?
 _____ it _____ cause for concern _____ steering _____ doesn't _____ when _____ turn?
 _____ it _____ problem if _____ have slow _____ when _____?
 Is _____ concern _____ my _____ it shows a _____ response while turning at _____ speeds?
 If _____ steering system has a delayed _____ the _____ worry _____ it?
 _____ I _____ about _____ car's steerage _____ slow?

Is it necessary for me _____ wheel _____ in _____ car _____ fast?

Is the delay in _____ for _____?

Should _____ the slow _____ of _____ car's steering system _____ rapid turns _____ speeds?

Is worry _____ car's _____ a _____?

Is _____ concern _____ steerage is slow, especially _____ high _____?

_____ it normal for _____ car's _____ system _____ take longer when _____ drive _____?

Is it _____ that the _____ my vehicle slows _____ when _____ or when maneuvering _____?

_____ a reason for the _____ while _____ fast?

Should I _____ about my _____ if it takes a _____ to _____ at higher _____?

_____ it _____ sluggishly when _____ turn _____ wheel fast, is _____ problem with _____?

_____ be concerned if _____ respond quickly _____ higher speeds?

Do I _____ about _____ my steering system _____ when _____ wheel?

Should I _____ the delayed _____ of _____ vehicle's _____ turns?

_____ my steering needs attention since _____ when turning, _____ at _____ speeds.

_____ it _____ to _____ my _____ if it has a _____ response while _____ high speeds?

Is _____ if my steering _____ not _____ when _____?

Does _____ vehicle's _____ long to respond _____ a _____?

_____ I should _____ delays in my vehicle's steering _____?

_____ I _____ about _____ steering _____ if it doesn't _____ quickly when turning the _____ at _____?

_____ it worth paying _____ lagging response while maneuvering the _____ on _____?

Is _____ for concern if my _____ steering _____ not _____ I turn?

Is it _____ my _____ is slow _____ turn?

Is there _____ cause for _____ the steering system _____ driving _____ speeds?

_____ cause for alarm _____ the _____ system _____ delay while _____?

Do _____ have to _____ about _____ system reacting _____ turn _____ wheel?

_____ car's steering _____ when turning the wheel, _____ during increased velocities

_____ turning _____ steering wheel _____ car, can a delay in _____?

Do I need _____ about the _____ wheel response _____?

Do _____ need _____ be _____ my _____ system if it _____ a _____ response _____ turning at _____?

_____ I _____ concerned about _____ time it _____ for _____ respond _____ rapid turns and _____ speeds?

_____ it a good _____ to _____ the _____ of _____ vehicle's steering, _____ high-speed _____?

Does a _____ response _____ steering the _____ attention on _____?

Delayed steering _____ high _____ concern.

Do _____ need to _____ concerned _____ my car's _____ it _____ a delayed response _____ higher _____?

Is there _____ alarm if _____ system has a _____ when _____?

_____ I _____ delays in _____ vehicle's steering _____ if I _____ fast?

_____ reason to worry about _____ if it _____ a delayed _____ turning?

_____ I have to worry about _____ responsiveness _____ my _____ steering mechanism.

Steering delay _____ is of _____.

_____ it necessary to be _____ system if the wheel _____ at _____?

Is the _____ in my _____ a _____?

_____ my steering _____ at _____ speeds?

Any _____ my _____ steering _____ I turn the _____?

Does Steering _____ driving _____?

Do _____ have _____ about my vehicle's _____ if it _____ delayed response _____ at high _____?

Should I _____ concerned about the _____ steering not responding _____?

At high _____ system slow?

Is _____ steering _____ a concern because _____?

Does my _____ respond sluggishly _____ I _____ fast?

_____ I be worried _____ my car's _____ when I'm _____?

_____ necessary to worry about delayed reactions from my _____ I _____ the _____ at _____ ?
 _____ there an issue _____ my car's _____ if _____ responds _____ I _____ wheel?
 Do _____ to worry _____ delays _____ responsiveness from _____ mechanism?
 I am _____ my _____ needs _____ because it _____ slow to _____ when _____ .
 _____ system doesn't _____ when turning _____ wheel, _____ I worry?
 Should I be concerned if _____ when I turn _____ at high speeds?
 _____ to _____ about _____ a car that _____ me delayed _____ on turning _____ wheels _____ I'm speeding?
 _____ the _____ on my _____ can _____ response pose any problems?
 Any _____ for _____ when the _____ responds _____ make _____ turns in _____ car?
 Do _____ need _____ about _____ steering system if there _____ delayed response _____ turns?
 Does a _____ when using the _____ merit _____ ?
 Steering feels sluggish _____ fast, _____ any reason _____ ?
 Do _____ about _____ my steering system reacts _____ turn the _____ higher speeds?
 Should I _____ my steering system if it _____ response _____ speeds?
 Is my vehicle's steering delayed during _____ ?
 _____ I be _____ about my _____ if _____ doesn't _____ quickly?
 Is _____ with _____ system if _____ shows a delayed _____ while turning?
 _____ system going to _____ takes a long while to turn _____ ?
 Is _____ necessary _____ be concerned _____ there is a _____ response at _____ speeds?
 Do you _____ in my _____ high-speed turns?
 During high-speed turns, _____ suggest addressing the _____ response _____ ?
 _____ wondering if I _____ be concerned about the _____ my _____ system.
 _____ it relevant _____ my _____ steerage _____ slow while making _____ high _____ ?
 _____ it _____ for alarm if _____ is _____ system _____ driving fast?
 _____ a _____ steering _____ a cause for worry?
 _____ I _____ worried about _____ steerage _____ slow in _____ speeds?
 _____ reason for concern _____ feeling _____ ?
 Is my _____ steering _____ I _____ wheel fast?
 Is it _____ to be _____ about my vehicle's _____ system _____ is _____ delayed response _____ wheel turning, _____
 _____ do not _____ if I _____ about delays in _____ from _____ steering _____ .
 _____ I _____ worried about _____ steering system _____ it _____ quickly?
 Should I _____ concerned with my vehicle's _____ changing _____ high _____ ?
 _____ to _____ about the _____ system reacting _____ when _____ turn the wheel at _____ ?
 _____ my steering needs attention since _____ seems _____ respond when turning _____ high _____ .
 If it _____ me _____ long _____ turn _____ is my _____ system _____ fail?
 _____ I _____ the steering _____ slow on my _____ ?
 _____ reason _____ alarm if the _____ system _____ when driving?
 Is _____ a _____ if _____ vehicle's _____ is _____ ?
 I _____ if _____ needs attention since _____ seems slow _____ when _____ turn.
 _____ I _____ my car steering system _____ slowly at _____ speeds?
 _____ high speeds _____ a problem.
 _____ there _____ concern about _____ delayed steering _____ at _____ ?
 _____ a problem _____ my vehicle's _____ at high _____ ?
 _____ be _____ my vehicle's steering _____ respond _____ at higher speeds?
 Steering _____ speeds might be _____ of concern.
 _____ the steering system _____ need _____ be fixed _____ it shows a _____ response _____ speeds?
 Is _____ cause for alarm _____ function on _____ vehicle _____ I'm flying _____ or _____ sharply?
 _____ need to _____ about the steering _____ reaction _____ I _____ the _____ ?
 _____ be concerned if my car _____ responses in _____ during a _____ ?
 Is it _____ me _____ be alarmed by the decreased _____ car's _____ ?

There _____ concern _____ delayed response _____ car's steering _____.

Does _____ lagging _____ when _____ the steering wheel, _____?

_____ concerning if _____ is _____ fast?

A _____ response _____ might _____ cause for concern.

Is _____ any need for _____ with the _____ it _____ delayed _____ high speeds?

_____ the _____ reaction _____ my vehicle's _____ be monitored?

_____ my _____ have a _____ at high _____?

Do _____ the delayed _____ the steering during high-speed _____?

_____ at _____ might be _____ cause for concern.

_____ it necessary for _____ to _____ a _____ that gives _____ turning _____ wheels when I'm speeding?

Should I be concerned about _____ system if _____ delayed _____ higher _____?

_____ response while maneuvering _____ wheel on _____ fast road _____ merit _____.

Do _____ concern _____ delays in responsiveness from _____ steering mechanism _____ speeds?

Is it a good _____ to address _____ slow _____ my _____ steering _____?

_____ it _____ fretting _____ the slower _____ time from _____ when _____ sharp turns?

Should _____ about my _____ system _____ has _____ delayed _____ when turning the _____?

_____ I _____ about the steering system _____ it doesn't _____ quickly when _____?

_____ should be concerned about _____ decreased responsiveness of _____ car's steering _____ speeds?

_____ the delayed reaction of my _____ steering _____?

_____ I _____ concerned _____ decreased responsiveness _____ my car's _____ system at _____?

How about _____ the _____ response of _____ steering, _____ turns?

_____ reaction call for concern _____ speeds?

_____ don't know _____ need to worry _____ delays in _____ my steering _____ at _____.

_____ worried that my _____ steering _____ slow?

Should _____ be concerned _____ slow turning at _____?

_____ my car's _____ high speeds?

_____ my steering _____ sluggishly _____ turn the wheel _____ there is an _____?

_____ a _____ for alarm if _____ has a _____ when driving?

Do _____ need _____ worry about _____ steering system _____ it _____ a _____ at high speeds?

_____ I worry about _____ in _____ I'm driving fast?

_____ it _____ good idea _____ delay in _____ during _____ turns?

I was wondering if _____ needed attention _____ it _____.

Should I _____ about slow turning _____?

_____ steering _____ at _____ speeds can _____.

_____ it necessary _____ to _____ about delayed reactions _____ steering _____ while _____ wheel?

I want to _____ steering needs _____ because it seems slow _____.

_____ it _____ be concerned _____ steering _____ at higher _____ if there _____ a _____ response?

Is _____ reason _____ concerned _____ slow down of the steering _____ my _____ when _____ fast or maneuvering _____?

Do I need _____ worry about my _____ steering _____ delayed response _____ at high _____?

_____ the _____ system of my _____ if it shows _____ delayed _____ while turning?

Is it a _____ is slow when _____ turns?

_____ was wondering _____ steering _____ attention since _____ when turning.

_____ to be worried about my vehicle's _____ there _____ a _____ response _____ wheel turning?

_____ reason for concern with _____ being _____ while _____?

While maneuvering the steering _____ a lagging _____ deserve _____?

_____ be worried about the _____ high speeds?

Do I _____ reason _____ concerned _____ my car _____ responses in its steering _____ speeds?

_____ response _____ wheel turning is _____ for my _____ system.

_____ sluggish _____ driving _____ any reason to be _____?

Do _____ to _____ about what _____ system does when _____ the wheel?

____ I ____ concerned about delays ____ my ____ when ____ drive ____ ?
 ____ to be ____ about my steering system ____ there is ____ delayed response ____ turning?
 ____ I be concerned ____ car's ____ system ____ a delayed response while turning, ____ speeds?
 Is ____ worry ____ driving ____ a car ____ provides a delayed feedback ____ the ____ ?
 ____ it necessary ____ delays in ____ my steering mechanism ____ speeds?
 During ____ turns, ____ you think ____ address the ____ response ____ vehicle's ____ ?
 ____ steering respond poorly ____ high ____ ?
 I don't know if I ____ about ____ with ____ on turning the wheels.
 Does ____ reaction call for concern ____ speeds?
 ____ that my car has ____ responses ____ turning, especially ____ speeds?
 Is ____ necessary ____ delayed reactions ____ my steering system ____ turning ____ wheel?
 ____ be ____ my steering system ____ not respond ____ ?
 ____ it ____ my car's steerage ____ while I am ____ ?
 Should I ____ delayed ____ to my steering ____ when ____ the ____ ?
 ____ it a cause ____ concern ____ longer to ____ when I ____ ?
 ____ there ____ reason ____ worried about ____ steering ____ my ____ if it ____ a ____ response?
 ____ worry about ____ system ____ it doesn't respond quickly ____ I ____ the wheel ____ high ____ ?
 Is ____ normal for ____ system to ____ when ____ at higher speeds?
 If my car's ____ shows a delayed ____ while ____ should ____ ?
 Can a ____ when turning the steering ____ my ____ pose ____ ?
 ____ am ____ if ____ be worried about ____ car's ____ being ____ .
 Does it merit ____ when operating ____ around ____ I ____ a ____ reaction ____ steerage apparatus?
 ____ be ____ about my ____ system if ____ does ____ quickly ____ the wheel at ____ speeds?
 Is there a reason to be ____ a ____ down ____ the steering ____ when ____ ?
 ____ need ____ about any delays ____ responsiveness from ____ vehicle's steering ____ ?
 Should ____ be ____ about ____ steering ____ of my ____ higher ____ ?
 ____ I ____ concerned about ____ issue ____ my ____ steering?
 ____ I ____ worried about ____ car's steerage ____ make turns?
 ____ response in ____ system is ____ concern
 Should ____ concerned with the ____ in ____ my car's steering ____ rapid turns ____ speeds?
 Does a ____ maneuvering the steering wheel ____ road deserve ____ ?
 Do ____ have ____ a ____ wheel response ____ driving fast?
 Should I ____ the delays in my vehicle's ____ I ____ ?
 Is there ____ if the steering system ____ respond ____ turn?
 ____ concerned ____ my vehicle's steering system if there's ____ delayed ____ during wheel ____ ?
 Can I ____ that ____ is being slow?
 During wheel ____ car's ____ system a ____ ?
 Should ____ be concerned by ____ reflexes ____ changing ____ at high ____ ?
 Do ____ about the delayed ____ I drive fast?
 Do I ____ about ____ delay ____ responsiveness from ____ vehicle's steering ____ ?
 Is the ____ time from my ____ concern?
 If it ____ sluggishly when ____ wheel fast, is there ____ my ____ ?
 ____ wondering if my ____ needs ____ since ____ seems ____ to ____ when turning ____ faster ____ .
 ____ I ____ concerned by the diminished ____ my car's ____ system, especially ____ ?
 Is ____ worry ____ the steering system's reaction when ____ at ____ speeds?
 ____ I ____ reason ____ concerned if ____ has ____ responses in ____ steering system during high ____ ?
 ____ there any ____ worry about my ____ high speeds ____ there is ____ response?
 ____ steering is not fast when ____ turn?
 Is it necessary to ____ my ____ if ____ isn't ____ response during ____ turning?
 I'm ____ sure if ____ my steering is slow.

_____ reason to _____ if _____ car has _____ responses in its steering _____ during a _____ turn?
 _____ I be _____ about the delay in response _____ steering _____ speeds _____ rapid _____?
 _____ my _____ steering _____ a delayed response, should _____ concerned?
 _____ about _____ delayed response to _____ car's steering _____ during rapid turns and _____?
 _____ a _____ for concern that _____ longer to _____ when I _____?
 Is _____ necessary for _____ worry about _____ delayed _____ on turning _____ when I'm speeding?
 Is _____ that my car's _____ slow _____ I'm making _____ at high _____?
 _____ I be _____ the _____ responsiveness of my _____ turning motions?
 _____ don't know if I need to worry about _____ a _____ that _____ me _____ feedback _____.
 _____ it affect _____ steering system if _____ delayed?
 Does it _____ sense _____ concerned _____ vehicle's _____ there is _____ delay during wheel turning?
 Should _____ be concerned about _____ the _____ driving at _____ speeds?
 Do I need to worry _____ driving _____ car _____ delayed feedback _____?
 Is _____ a problem _____ the wheels take a _____ respond _____?
 _____ delayed _____ response _____ can cause concern.
 _____ I be concerned _____ steering system does _____ respond _____ when turning _____?
 I _____ if my _____ attention _____ seems slow _____ respond _____ fast.
 _____ this _____ with the slow steering?
 If _____ takes forever _____ turn the _____ does _____ system _____ work?
 If _____ responds _____ when _____ the _____ fast, any _____ with my car's _____?
 Should _____ be worried _____ in my vehicle's _____ when _____ turn _____?
 Is there _____ for concern with my car's _____ shows _____ response _____ high speeds?
 _____ necessary _____ to _____ concerned about _____ from my steering system while _____ the wheel?
 Is it necessary _____ me to _____ about delays _____ higher _____?
 _____ necessary _____ me to _____ the steering system's _____ when _____ turn the wheel _____ speeds?
 _____ my car shows _____ delayed response _____ turning at higher _____ I need _____ steering _____?
 I _____ my _____ needs _____ slow to respond when turning at _____ rates.
 _____ I _____ about my car's _____ higher speeds?
 I am concerned about _____ steering delays _____ especially _____ increased _____.
 _____ maneuvering _____ wheel _____ my car, _____ lagging _____ merit attention.
 _____ be concerned about _____ system, especially at fast speeds?
 _____ my _____ steering _____ quickly enough during _____?
 Do I need to be _____ my vehicle's steering system if _____ wheel _____?
 _____ be _____ the steering _____ shows a delay _____ fast?
 Do I need to be careful _____ the steering _____?
 _____ because _____ steering _____ a slowdown?
 Is there _____ to _____ concerned if my _____ responses _____ its steering _____ during _____ turning?
 I _____ if _____ to _____ about driving with _____ car _____ provides _____ feedback _____ wheels, mostly noticeable _____ speed
 _____ it _____ the steering _____ slow when _____?
 Steering _____ at _____ speeds _____ a _____ concern.
 _____ issue with my vehicle's steering if _____ a delayed _____ turning _____ high _____?
 Should _____ be concerned _____ vehicle's steering system when _____ drive _____?
 I was _____ my _____ needs attention _____ seems slow to _____ turning _____.
 Is the _____ in _____ going to fail _____ takes _____ to turn the _____?
 _____ don't know _____ to concern _____ reactions from my steering _____.
 _____ delay when _____ the _____ of _____ car a problem?
 _____ my automobile has slow responses in _____ during _____ higher speeds, _____ I have reason _____?
 _____ vehicle's _____ is not _____ high speeds?
 _____ a cause _____ concern _____ my vehicle's _____ system doesn't respond _____?
 I _____ if I'm worried _____ steerage _____ slow.

Should I be _____ if my steering _____ responds _____?

_____ need _____ worry about _____ responsiveness from _____ steering mechanism?

Should I _____ steering _____ it _____ not respond quickly?

Is my steering _____ it _____ slowly at _____ speeds?

Is _____ to worry _____ a car _____ has a delayed _____ on _____ the _____?

Delayed _____ response at high speeds _____ cause _____.

_____ bad steering at _____ speeds?

_____ fretting as _____ of the car slows?

A _____ steering response _____ high _____ a _____.

I am _____ sure _____ I should be _____ about _____ car having _____ when _____ at _____.

Should _____ system if _____ has _____ delayed response _____ turning the wheel?

_____ lagging _____ when _____ the _____ wheel _____ car merit attention?

_____ since it seems slow to _____ turning, especially at _____ rates?

_____ my _____ system at _____ it _____ a delayed _____ when _____ the _____?

_____ be concerned _____ my _____ slow _____ direction, especially _____ high speeds?

_____ steering is slow _____ I turn _____ I be _____?

_____ it troubling if _____ steering _____?

Should _____ the delay in my _____ steering?

During _____ turns, _____ recommend addressing _____ response _____ my _____ steering?

_____ be concerned _____ my car's steering system at higher _____?

Should _____ about _____ delay in _____ to my _____ system, _____ rapid turns?

_____ I _____ concerned with _____ turning at _____ speeds _____ vehicle?

Is _____ worry _____ has _____ responses in _____ steering system during wheel turning?

_____ be concerned _____ steering _____ if _____ does not respond _____?

Is it necessary _____ as _____ a slowdown?

_____ I be concerned _____ car's steering _____ it _____ while to _____?

I _____ if I _____ about driving _____ a _____ that gives _____ delayed feedback on turning _____.

Is there a _____ if my steering _____ work at _____?

_____ at high speeds _____ for concern?

_____ have _____ be _____ if my car has slow responses _____ its _____ system _____ turning?

_____ my car's _____ going _____ fail on me if _____ forever _____ wheel?
