

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Technical support for mobile applications
Inquiry Sub-Category	Privacy and security
Description	Users may have concerns or encounter difficulties related to privacy settings, data protection, or security measures within mobile applications, requiring guidance to ensure personal information safety.
Data Size	5,026 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ working _____ location _____ and specify if end-users have complete _____ over _____ location _____ third parties.

What _____ the exact mechanism _____ and _____ keep _____ data out _____ parties?

Can _____ us _____ location tracking?

_____ users control _____ sharing.

_____ it possible _____ tracking _____ and if end-users _____ sharing data with _____.

Do you _____ works and _____ I _____ control who sees my _____?

How exactly does _____ can _____ who sees it?

Is _____ possible to clarify _____ function of location _____ users _____ share _____ location _____ with _____?

_____ tracking work, _____ it within the user's jurisdiction _____ it?

_____ show me how _____ tracking _____ and _____ I control _____ sees _____?

_____ how the tracker _____ how _____ control who sees where _____.

Tell me about end- _____ data _____ location _____.

_____ overview _____ precise workings of location _____ as _____ end-users can have _____ divulging their _____ needed

We _____ know if end _____ control over _____ data with third _____.

I _____ able _____ if _____ have complete _____ over sharing _____ location data _____ you tell me _____ location tracking _____.

Tell _____ why _____ works, and if the _____ users _____ the _____ complete _____.

_____ it _____ how location tracking _____ and if _____ sharing data?

Discuss tracking details _____ end- _____ location _____.

_____ the functioning _____ of _____ tracking while _____ autonomy _____ sharing _____ data _____ outsiders

I want _____ how location tracking works and _____ regards to _____ their _____ data.

_____ the _____ functioning principles _____ location _____ discussing _____ independence _____ sharing this _____.

_____ an overview _____ the _____ well as _____ end- users _____ have complete discretion _____ divulging their

If end-users _____ complete control _____ location _____ with _____ please _____.

_____ control _____ location, then _____ how location tracking functions.

How _____ track work, _____ we can share _____ with _____ not?

I _____ know if _____ power _____ access to third-party _____ recipients and how _____ tracking _____.

_____ and the control _____ sharing.

Tell me why _____ tracking works _____ if _____ complete control _____ the _____ of _____ data.

If _____ sharing with third parties, _____ explain _____ location _____ works?

_____ understand _____ location tracking works and how _____ can exert _____ command _____ access _____ undertakers

_____ why _____ works _____ I can tell _____ users have _____ control _____ location data is shared.

_____ us know _____ the _____ users _____ control over _____ data.

_____ tell _____ the end- _____ have complete _____ sharing location _____.

Tell me _____ tracking _____ clarify if the _____ complete control over sharing _____.

What is the mechanism _____ and _____ users have _____ over _____?

_____ able _____ if end _____ control _____ data being shared _____ third _____ you _____ me why location tracking _____.

Help me understand how location _____ tell me about _____ users ability _____.

_____ you tell _____ about _____ tracking and _____ can _____ data?

_____ whether _____ not end- _____ have _____ over location _____.

_____ users possess complete _____ in allowing _____ to _____ data recipients _____ how exactly _____ tracking works.

I want _____ know _____ location tracking _____ if _____ data have complete control over _____.

If the _____ has complete _____ over _____ location _____ third _____ tell _____.

User control and exact _____ of location _____.

Can you _____ me _____ works _____ can I control _____ it?

I want _____ if users _____ over _____ location data with _____ entities.

_____ you tell me if _____ authority _____ disclosure _____ their location _____ to _____?

Help _____ how _____ and how users _____ exert total command when _____ access to _____.

_____ possible _____ clarify if _____ full _____ to _____ location data _____ other people.

_____ and if _____ have control _____ sharing _____ location _____ third parties?

Can you let _____ how _____ tracking _____ can _____ control _____ sees _____?

I'll be able to _____ users _____ location data with third _____ me why it _____.

Provide a detailed _____ tracking _____ with _____ control _____ sharing information.

I would like to _____ exactly _____ tracking _____ and _____ users have in _____ to sharing _____ location _____.

If end- users _____ control _____ third _____ you _____ tracking and how it works?

Help _____ understand how _____ tracking _____ and _____ users can _____ total control _____ access to _____

_____ have full freedom _____ their _____ data _____ outside _____ you clarify _____ precise _____ of location tracking?

Clarify _____ principles _____ tracking _____ autonomy _____ sharing the data with _____.

I can tell _____ end users _____ data _____ shared _____ if _____ tell me why location _____.

Is _____ clarify _____ users retain full authority _____ disclosure _____ data to other _____?

I will be _____ to _____ if _____ users have _____ data _____ third _____ you tell me why _____ works

Clarify _____ exact _____ principles _____ location tracking while _____ user _____ sharing _____ data _____ outside _____

_____ me _____ how _____ tracking _____ the _____ users' ability _____ exert total _____ is.

What _____ exact mechanism for _____ can _____ refuse _____ give their data _____ third _____?

_____ let _____ know _____ users have complete control _____ how _____ is shared _____ you tell _____ why _____ works.

Is it possible to clarify _____ have full _____ share _____ others?

Help _____ location tracking works and how users _____ access _____.

_____ concise explanation of how location tracking _____ and _____ have _____ in _____ to third-party data _____.

Tell _____ if _____ end users of the _____ in _____ location _____.

_____ you _____ me more information _____ location _____ and _____ can _____?

If end-users have _____ in selecting _____ to _____ you _____ an explanation _____ location tracking's functioning?

_____ end users have _____ selecting who _____ their data, can you _____ explanation _____ the functioning _____ location tracking?

_____ end-users _____ in _____ whereabouts, then give _____ overview of the precise _____ of location _____ as

Is _____ possible to _____ how location _____ if _____ users _____ sharing _____ others?

_____ end _____ retain _____ their location, explain how location _____.

Please tell _____ end users _____ control _____ sharing _____ with third _____.

_____ how location _____ works, _____ if _____ retain full _____ sharing their _____.

Explain if _____ location sharing.

What is _____ way _____ location _____ works, and _____ keep their _____ from _____?

_____ the exact functioning _____ tracking while discussing _____ independence _____ this data _____.

I'll _____ to _____ users have _____ over _____ that is shared with _____ if you _____ location tracking works

_____ why _____ tracking _____ and _____ the user _____ block _____ parties _____ accessing the data.

_____ able _____ tell if users have complete _____ over _____ of _____ data with third if _____ why _____.

I would like _____ know _____ power in allowing access to third-party _____ and _____ tracking _____.

If the end-users _____ have _____ discretion in _____ whereabouts, _____ overview of _____ workings of _____.

How _____ precise functioning _____ location tracking occur and _____ of the _____?

_____ me why _____ and clarify _____ the _____ control _____ sharing location data.

I'd like _____ know how _____ tracking works _____ whether users _____ to third-party _____ recipients.

_____ tell _____ location tracking does, and can I _____ it?

_____ me about the _____ have over _____ location data, and _____ location tracking _____.

_____ have full _____ over _____ of _____ location _____ others, can _____ clarify _____ location tracking works?

_____ if _____ users of _____ complete control _____ location tracking.

Tell me why _____ and _____ if the _____ has _____ ability _____ block third _____ accessing the _____.

_____ inform _____ about the level _____ users _____ regards to sharing _____ and how _____ location tracking _____.

_____ have complete control over _____ third _____ please tell us.

_____ overview _____ precise workings _____ location _____ well as whether end- users _____ have complete discretion _____ whereabouts _____

_____ let us _____ details _____ tracking _____ addressing user autonomy.

Give an _____ of _____ of location tracking _____ whether _____ can _____ complete discretion _____ their location.

Help _____ how location _____ users _____ control _____ access to third-party undertakers.

I can _____ end users have control over _____ sees _____ you _____ me why location _____.

Can users keep _____ third _____ and what's the mechanism _____?

_____ full _____ over their location _____ you explain the nuances of _____?

I'll be _____ to _____ if _____ over _____ data _____ is shared with _____ tell me why location _____ works

What _____ to _____ location _____ is it within _____ share such data?

_____ specifying _____ end-users _____ complete _____ in _____ who gets access _____ can you _____ explanation _____ location tracking's

Can users _____ their location data _____ and _____ the _____ location tracking?

_____ specify _____ end- _____ control over sharing location _____ with _____ parties

I would like to know _____ possess complete power _____ allowing _____ and _____ location _____ operates.

I want _____ how location _____ works _____ if I have _____ control _____.

_____ end _____ control over sharing their _____ location tracking functions.

_____ overview of precise _____ tracking as well _____ end- users can have _____ their whereabouts.

Is it possible _____ how location tracking _____ and _____ users _____ data _____?

Tell _____ why _____ tracking works _____ if the user has _____ control _____ sharing _____.

I _____ like _____ know _____ users _____ complete power in allowing access to _____ data _____ location _____.

How _____ tracking _____ users _____ they _____ give their data to third parties?

_____ to _____ why location tracking works _____ if _____ user controls _____ data.

Clarify _____ principles _____ location tracking while discussing user _____ this data _____ entities.

Explain _____ tracking and _____ controlled.

I'd _____ if _____ have complete power _____ access _____ third-party data recipients, as _____ how exactly _____

_____ the exact functioning _____ location tracking while _____ user discretion _____ sharing _____.

Can _____ me more about location _____ and _____ I have _____ sharing _____ with third parties?

_____ need to know why location _____ and if the _____ it.

_____ if _____ retain _____ authority _____ disclosure _____ their location data _____ external entities?

Explain to me _____ tracker _____ and _____ I _____ sees where I _____.

Explain _____ users control _____

_____ specify _____ end _____ have _____ control over _____ location data _____ third _____

I want _____ have complete _____ in allowing _____ third-party _____ and how precisely location _____ operates.

_____ and control of _____

I _____ able to _____ out if _____ users have _____ control _____ sharing _____ location _____ third if _____ tell me _____ location _____

I want to _____ if users _____ complete power in allowing access _____ recipients, _____ how _____ .

_____ overview _____ the precise _____ of _____ tracking as well _____ whether _____ have _____ discretion in _____ their locations

Is _____ to clarify if users _____ full ability _____ data _____ other _____ ?

give _____ overview _____ workings of location _____ as _____ end _____ can have complete discretion in _____ whereabouts

_____ inform me about _____ level of _____ have over _____ data _____ how exactly _____ tracking _____ .

Tell me _____ works _____ I'll be _____ to determine if end _____ have _____ sharing _____ location _____ .

If _____ in control of _____ with third _____ can _____ how location _____ ?

_____ is in _____ for _____ users keep their _____ from third parties?

There are mechanics behind _____ tracking and _____ user _____ with third-party _____ .

_____ me understand _____ location tracking _____ the end- users ability _____ is.

Is _____ you to clarify _____ users retain _____ over disclosure of _____ data _____ ?

_____ me _____ how location tracking operates _____ how users _____ exert total command _____ undertakers

I will be able _____ users have control _____ the _____ that is _____ with _____ you tell _____ tracking works

_____ of how location _____ along with _____ control _____ sharing _____ information.

_____ in selecting who gets access to their _____ you _____ the _____ of _____ tracking?

_____ a _____ explanation of the _____ mechanism _____ tracking along with _____ control over _____ .

_____ you _____ me why location tracking works, _____ if you _____ complete _____ how location data _____ .

_____ a _____ explanation _____ the _____ mechanism behind _____ tracking _____ well _____ user control _____ sharing _____ information.

Give an overview of precise workings _____ location _____ well _____ whether end- users _____ their _____ .

Tell me if the _____ over _____ data is _____ .

If users have full _____ share _____ location data _____ outside parties, could _____ clarify _____ location _____ ?

_____ to show you _____ end users have complete _____ on _____ location _____ is _____ if you _____ why _____ tracking _____

Do _____ know if users _____ full authority _____ disclosure _____ to _____ entities?

Do you _____ an explanation of the functioning of _____ if _____ in selecting _____ access to _____ ?

Do _____ know whether _____ have full control _____ with _____ ?

_____ does _____ tracking _____ and _____ have control over _____ ?

Clarify _____ functioning _____ of _____ tracking _____ freedom _____ data with outside entities.

If end- users have complete authority _____ selecting _____ access to their data, _____ how _____ works?

Tell _____ tracking works, _____ user _____ complete control over sharing _____ data.

How do you _____ the _____ real-time _____ tracking _____ address _____ control _____ it with _____ recipients?

If _____ are in control of _____ can _____ explain the _____ ?

Help _____ understand _____ tracking works _____ how end- users can exert _____ party undertakers.

If end- users have _____ location _____ explain it.

_____ full autonomy to _____ their location _____ with _____ could _____ clarify the precise function _____ location _____ ?

Please specify _____ end-users have _____ the sharing of location data _____ .

I _____ you if end users _____ control over _____ if _____ me _____ location tracking works.

Please tell me _____ location _____ works and _____ will be _____ to tell _____ end _____ sharing _____ location _____ .

_____ us _____ end-users have complete control _____ sharing of _____ .

_____ possible _____ clarify how _____ tracking _____ if users have full control _____ location?

Clarify the _____ of _____ discuss user autonomy when sharing _____ .

_____ me _____ location tracking works and _____ user _____ third parties from accessing the data.

_____ if the user has _____ control over sharing _____ parties

Clarify the exact functioning principles _____ discuss user _____ when _____ outside entities
 _____ I _____ absolute control _____ my location _____ please describe _____ location _____ works.

I want to _____ location tracking _____ how _____ who _____ it.
 _____ to tell _____ have _____ control over sharing of _____ data with _____ telling _____ location tracking works.
 _____ location tracking works _____ retain _____.

_____ overview _____ precise workings of location _____ as whether _____ have complete discretion _____
 divulging their whereabouts

I _____ to know _____ tracking works _____ the user _____ ability to stop _____ accessing _____ data.

Can _____ confirm if _____ sharing their location _____ others?

I would like _____ location _____ works _____ whether users _____ in _____ to third party _____ recipients.
 _____ have complete _____ in _____ to _____ data, can you explain _____ location tracking works?
 _____ it _____ precise function _____ location tracking _____ clarify if users _____ full _____ to share their location _____
 _____?

Tell _____ about the _____ of location _____ and _____ controls.

_____ be _____ to _____ users _____ control _____ how _____ is shared if you tell me _____ location tracking works

Help _____ understand how location tracking _____ how _____ exert total command _____ access to _____.

_____ functioning _____ of _____ while _____ user _____ when sharing this _____ with outside entities.
 _____ how _____ works and _____ retain _____ over location sharing.

_____ an _____ of the _____ workings of location tracking _____ as whether end-users _____ complete _____ in _____
 _____ does _____ tracking work and if _____ is _____ user _____ to _____?

_____ will _____ able _____ out if _____ complete _____ over _____ of location _____ third _____ you _____ me why location
 tracking _____.

If end- _____ can have _____ divulging _____ give an overview _____ precise _____ of location _____.

I _____ to _____ location _____ workings and end- user _____.

_____ how the location _____.

I want to know _____ users _____ in _____ access _____ data recipients, _____ exactly location _____ operates.

Can you tell _____ how _____ tracking _____ absolute control _____ sharing my location with _____?

_____ users have full freedom _____ share _____ data with other people, _____ the _____ function _____ tracking?

Tell us _____ users have _____ control over _____ parties.

Tell me _____ tracking works and _____ if _____ user _____.

_____ like _____ know _____ the users _____ complete _____ allowing _____ to _____ data recipients _____ how exactly _____ tracking
 operates.

Can you _____ if users have _____ their _____ others?

If _____ users _____ have _____ discretion in _____ their _____ then give an overview _____ precise _____ tracking.

_____ let _____ know about the _____ of _____ users _____ in _____ their location _____

_____ the _____ of location tracking _____ well _____ whether end-users _____ complete _____ divulging their whereabouts.

Explain the exact functioning _____ while discussing _____ this data with outside _____.

Provide an explanation _____ mechanism behind location _____ with _____ it.

If the end- _____ in _____ who gets access _____ data, can _____ a _____ the functioning of location

Help _____ understand _____ location tracking _____ much _____ end _____ over _____ to third-party undertakers.

I'll _____ able _____ if _____ complete control _____ of location data with _____ if you tell _____ location _____
 _____ retain full _____ over _____ their location data _____ external _____ could _____ the intricacies _____ location
 tracking?

Is it possible _____ how _____ works and _____ end-users control _____ others?

_____ end users _____ control _____ sharing.

_____ real-time location _____ and address user _____ over sharing such _____ recipients?

Is it possible to _____ retain _____ authority over _____ of _____ data _____ parties?

_____ you clarify if _____ retain full authority _____ their location _____?

Tell _____ end- _____ of _____ have complete control _____ location tracking.

_____ to describe how _____ tracking _____ and _____ users _____ control _____ of data?

Tell _____ how _____ tracking _____ and if the _____ have complete _____.

_____ able to determine if users have _____ control _____ with third _____ you tell _____ why location _____.

Can you _____ users _____ freedom to share _____ data _____?

_____ it _____ to describe _____ tracking works and _____ share data with _____?

Explain _____ the _____ tracker _____ and _____ I _____ control who _____ where.

I _____ able _____ you _____ end- users have control over data being _____ third if _____ tell _____ why _____.

What _____ the mechanics behind real-time _____ control over _____ that data _____ third-party _____?

_____ about _____ behind _____ tracking and _____ user _____ over sharing data with _____?

_____ exact functioning principles of location _____ and _____ rights when _____ outsiders.

_____ specify _____ users have _____ control _____ sharing _____ data with third _____.

Tell us _____ control over the sharing _____ location data with _____.

I'd like _____ the location _____ and _____ I _____ who sees where I _____.

Clarify _____ exact functioning principles _____ while discussing user independence _____ data _____.

Clarify _____ functioning principles _____ tracking _____ user autonomy when sharing _____ other _____.

_____ want _____ know _____ location _____ if users have complete _____ allowing _____ to _____ data recipients.

If end- _____ complete authority in selecting _____ gets _____ their _____ you give us an _____ functioning

Is it _____ provide an explanation _____ the functioning of _____ while _____ if _____ who gets access

To find out _____ have complete control _____ how location _____ shared, _____ me _____ location tracking _____.

_____ will _____ to _____ if _____ users _____ control _____ sharing _____ location _____ with third _____ you _____ me why location _____ works.

_____ to know _____ tracking works _____ if users have complete _____ in allowing access to _____.

Tell _____ the location _____ how I _____ control who _____ where I _____.

If end- users have _____ authority in _____ who gets access _____ data, _____ you _____ tracking?

_____ need to know _____ this _____ and _____ regular _____ a _____ over who _____ they are.

I will _____ able to find out if _____ end _____ over sharing of _____ data _____ you tell _____ location _____

_____ end- _____ control _____ with third _____ you explain the details of _____?

Can you _____ if _____ have _____ over sharing _____ with third _____.

I _____ like to _____ how _____ tracking _____ if _____ control sharing _____.

_____ the _____ functioning principles of location tracking _____ discussing user _____ outsiders.

_____ me about the _____ control _____ have in _____ sharing their _____ and _____ exactly location tracking _____.

If _____ why location _____ works, _____ tell _____ if end users _____ control over _____ sees _____ data.

_____ it _____ to _____ location tracking _____ if users _____ control _____ data _____ others?

_____ find _____ if _____ users have _____ on how location data _____ tell _____ location tracking _____.

Is _____ explanation _____ the _____ of location _____ the end- users _____ complete authority _____ selecting who _____ to their _____

Do _____ how location tracking _____ or if _____ full _____?

_____ would like _____ exactly location _____ whether users have _____ in allowing _____ to _____ data recipients.

If end-users have _____ in selecting _____ access to _____ give a detailed _____ of _____ location _____ works?

_____ us if the end- _____ complete control _____ third parties.

_____ and _____ users have control over _____.

_____ location _____ and _____ can control _____?

_____ like to _____ and _____ have complete power in _____ access to third-party data _____.

_____ users _____ full _____ share their location data with _____ parties, _____ their _____ tracking function?

If _____ users remain _____ control of _____ with _____ can you _____ an _____ tracking?

I will _____ able to _____ there _____ over _____ of _____ data _____ you tell me why location _____ works.

_____ can tell you _____ users _____ complete control _____ how location _____ if you tell _____ why location _____.

Is _____ possible _____ users _____ full _____ share their _____ data with other _____?

I _____ an explanation of _____ how _____ tracking _____ and whether _____ power in allowing access _____ recipients.

Is it _____ to _____ location tracking works _____ sharing?

I will be able _____ tell if end _____ have complete _____ data _____ tell me why _____ tracking works _____

_____ the mechanics _____ tracking and _____ user control over _____ data _____ recipients?

_____ want to know _____ possess _____ in _____ to _____ recipients, _____ how precisely location tracking operates.

____ be able ____ tell if ____ have ____ control over ____ location ____ if ____ tell ____ why location tracking ____ .
 While specifying if end-users ____ authority in ____ gets ____ to ____ can ____ an ____ of location ____
 I will be able ____ if ____ have complete control over ____ data with ____ you ____ me ____ location ____ .
 Explain ____ principles of ____ and ____ user ____ when sharing this ____ with ____ .
 ____ be ____ to ____ if end users ____ the sharing of location ____ third if you tell ____ .
 If ____ have ____ selecting who gets ____ to ____ data, ____ explain how location tracking ____ ?
 ____ you ____ us how location tracking ____ if ____ have full ____ location with others?
 ____ about ____ level of control ____ have ____ regards ____ their ____ data, ____ how exactly location tracking
 operates.
 Is ____ to ____ users have ____ freedom to ____ location data with ____ ?
 I ____ be ____ if the ____ have complete ____ sharing of location data with ____ if ____ tell ____ works.
 A ____ tracking along ____ user control over ____ that ____ should ____ given.
 Is ____ describe ____ location ____ if end-users have control over ____ data?
 Do you know if users ____ sharing ____ others?
 If ____ has ____ control ____ location data ____ third parties, please tell me ____ .
 ____ authority ____ selecting ____ to their data, can you give us ____ explanation of the ____ location

 If users can ____ location ____ ?
 Can ____ if users ____ full ____ disclosure ____ data to outsiders?
 An explanation ____ behind ____ and ____ control over ____ that information ____ required.
 ____ if ____ has complete ____ sharing location data with third ____ .
 How does tracking ____ and ____ have say in ____ data?
 ____ would ____ to ____ how ____ location ____ and ____ I can control who ____ where ____ am.
 Tell ____ why location ____ and I ____ tell if end- users ____ complete ____ location ____ .
 Please tell me ____ users have ____ regards ____ sharing ____ data and how location tracking ____ .
 ____ complete authority ____ selecting ____ gets ____ to their data, ____ give a ____ explanation of the ____
 of location ____
 If end users ____ control ____ sharing with ____ explain how ____ tracking ____ ?
 If the end- users have ____ in ____ access ____ their data, ____ you ____ functioning ____ tracking?
 Can ____ tell us ____ location ____ works ____ if ____ control over ____ their ____ with ____ ?
 Is ____ a way ____ describe how location ____ if ____ data with ____ ?
 ____ you ____ me ____ have ____ over ____ their ____ with other people?
 ____ control ____ data ____ could you describe how location ____ works?
 ____ possible to clarify if ____ over revealing ____ data to ____ entities?
 I want ____ know ____ the location ____ and if ____ can ____ it.
 ____ happen, and ____ I have ____ say ____ sharing ____ with others?
 ____ about the ____ control ____ in regards to ____ location ____ and how exactly ____ tracking works.
 I ____ an ____ about ____ location tracking works, ____ if ____ have ____ to third-party data recipients.
 ____ detailed explanation ____ the ____ behind location ____ user control ____ sharing that ____ .
 ____ how location ____ operates and ____ end-users' ____ to exert total control ____ .
 ____ me understand ____ location ____ works, and ____ end ____ to exert total ____ .
 ____ want to know how location tracking ____ I ____ sees ____ data.
 Can you ____ location tracking works ____ if ____ have ____ control over ____ ?
 ____ understand ____ location tracking ____ and ____ users ____ total command when granted access to ____ .
 If ____ users have ____ discretion in ____ an ____ of the ____ workings of location ____ .
 I want to ____ if the ____ block ____ parties from seeing the data.
 ____ to describe how location tracking works and ____ data?
 ____ like to ____ if ____ possess complete ____ access to ____ recipients and how ____ location tracking ____ .
 Do end-users have total control of location ____ ?
 ____ end- users of the ____ it and why location tracking works.

Is it _____ full _____ share location data with outside parties?

How _____ users _____ tracking and how do _____ with _____ parties?

Help _____ understand exactly how _____ tracking _____ and _____ users _____ exert _____ command _____ granted _____ third-party _____.

_____ be _____ tell you _____ end- _____ have complete control _____ data _____ if you tell me why _____ works _____ whether users possess _____ power in _____ would _____ a concise explanation of _____ exactly location tracking

_____ location _____ works _____ if users have full _____ over sharing _____ location?

What _____ to _____ functioning of _____ is _____ user _____ to share it?

Is it _____ to _____ if _____ are _____ to share _____ location _____ parties?

I _____ like _____ know _____ users _____ power _____ allowing _____ third-party _____ recipients, _____ how location tracking operates.

Can _____ if users have full _____ to _____ data _____ outsiders?

Let me know _____ works _____ if the _____ complete control over _____ location _____.

I _____ know _____ and _____ I have _____ control over sharing _____ with third parties.

_____ precise workings _____ location _____ whether end- _____ can have _____ discretion _____ divulging _____ whereabouts should _____ given.

_____ end- _____ have complete _____ gets access _____ data, can you provide a full _____ tracking?

If _____ autonomy to share _____ location data _____ you explain _____ precise _____ of location tracking?

Tell _____ location _____ and I _____ be able to _____ if _____ users _____ complete control over sharing _____.

_____ the _____ behind _____ tracking and address user _____ over _____ such data with third-party _____?

_____ how _____ sharing works.

_____ process of _____ and _____ control.

_____ tracking _____ if users have _____ sharing?

Let _____ user _____ complete control over _____ location _____ with _____ parties.

_____ full autonomy to share _____ data with outside _____ can you _____ the precise _____ of _____?

Is it _____ to clarify _____ retain full authority _____ disclosing _____ entities.

_____ location _____ works _____ if end- users retain _____.

Is _____ possible _____ describe how location _____ works and if _____ data _____.

_____ location _____ if I can control who _____ where I _____

I would _____ explanation _____ how location _____ works _____ whether _____ have _____ power in allowing _____ third-party data _____.

Give an _____ of precise workings of _____ complete discretion _____ divulging their location.

I would like _____ exactly location tracking _____ complete _____ in allowing access to third-party _____.

I want _____ know how _____ works _____ control _____ sees my _____ data.

Is _____ possible _____ clarify _____ location tracking works _____ users _____ over their _____?

_____ possible _____ shed some light _____ of real-time _____ and address _____ control?

Explain _____ me how the _____ works and _____ can control who _____.

_____ an _____ how _____ works, along with _____ sharing that information.

Explain _____ tracking _____ sharing.

_____ me about _____ of location _____

_____ it _____ clarify if users _____ authority _____ disclosure of _____ data _____ outsiders?

Is it _____ describe _____ and _____ end- _____ control _____ data with _____?

_____ you know how _____ tracking _____ if _____ control _____ sharing my _____ with third parties?

_____ me why location _____ users of the data have complete _____.

You _____ clarify if users _____ authority _____ of _____ data to outsiders.

How does location tracking _____ users _____ decision _____ sharing their _____?

_____ users _____ sharing their location _____ others, can _____ tell _____ location tracking works?

Explain _____ control _____ location _____.

_____ me _____ the level of control users have _____ regards _____ details on how _____ location tracking operates.

Is _____ to clarify if _____ retain _____ over _____ disclosure of _____ location _____?

_____ end _____ location sharing.

Provide a _____ of _____ location _____ with user control over _____ information.

_____ would _____ know how the _____ and _____ can control who sees where _____ am.

_____ exact _____ principles _____ discuss _____ autonomy when choosing to share _____ with outside entities.

_____ me _____ works and what the _____ users' ability to exert _____.

_____ need to _____ how _____ works and how _____ control users _____ to _____ their location data.

_____ possible to _____ users _____ authority over the _____ location _____ to external entities?

_____ you _____ me if users have full _____ share their _____ data _____?

Explain the exact functioning principles of location _____ discussing user _____ when _____

Explain _____ end-users _____ sharing

Is it _____ to describe _____ tracking works, _____ if users _____ sharing _____?

_____ tell _____ have complete _____ over the _____ of location _____ with _____ parties.

Tell _____ have complete _____ over sharing _____ data with third _____.

_____ can _____ if users have _____ who sees _____ if _____ me why location tracking _____.

_____ end users _____ have complete _____ divulging _____ whereabouts, _____ an overview _____ precise workings of location _____.

_____ to _____ functioning _____ tracking and _____ it within _____ jurisdiction to _____ it?

Explain _____ users _____ full _____ over _____.

_____ clarify if users retain full _____ over the _____ data _____ external _____.

_____ you know if the _____ control over _____ sees _____ you _____ me why location tracking works.

_____ me _____ how location tracking _____ users can exert total _____.

_____ it possible to describe _____ location _____ and _____ end- _____ control _____?

If _____ have complete _____ sharing _____ with third parties, _____ it.

_____ able to tell you _____ the end- _____ have control _____ data _____ shared _____ if _____ me _____ location tracking

Tell me how location _____ works and I'll _____ able _____ have _____ control over _____ of _____.

Tell me why _____ tracking works and I _____ able _____ end _____ control over sharing _____ location _____

_____ exact functioning principles of location _____ discussing _____ outside entities

_____ clarify if users _____ full autonomy to _____ with _____ people?

_____ state if _____ end users have _____ control _____ with third _____.

_____ would _____ know _____ location _____ and _____ complete power _____ allowing access to third-party data recipients.

How _____ precise _____ of location _____ is _____ the _____ of users?

Give _____ of _____ workings _____ as _____ as whether end-users can _____ discretion in divulging _____ whereabouts

Clarify _____ exact _____ principles of _____ tracking _____ discuss user _____ when sharing _____.

_____ specify if _____ users have _____ control _____ being shared with _____.

_____ a concise _____ location tracking _____ whether _____ have complete power _____ allowing _____ to third-party data recipients.

I want _____ know _____ have _____ allowing _____ to third-party data _____ and how precisely _____ tracking _____.

If _____ complete control _____ location data with third _____ explain _____ working _____ location tracking.

Is _____ possible for you to _____ of _____ while specifying _____ gets _____ to _____ data?

Provide _____ explanation _____ how location tracking _____ give user _____ information.

_____ want to know _____ and if the user _____ complete _____ location data.

_____ be _____ to _____ you if _____ have _____ on how location _____ shared if _____ tell me why _____ tracking _____

_____ tell us if the _____ control over _____ with third _____.

_____ absolute _____ sharing my _____ with third parties, _____ you clarify how location _____?

_____ users _____ authority _____ location data, _____ you elaborate _____ details of _____ tracking?

I can tell _____ have _____ over who _____ data _____ you _____ me why location tracking _____.

Clarify _____ exact functioning principles _____ and discuss user _____ this _____ other people.

_____ clarify if users _____ full authority over _____ disclosure _____ location data _____ third parties?

Tell _____ location _____ the users have complete control _____ it.

____ location ____ and ____ users ____ control.
 ____ end-users ____ complete ____ sharing location data, ____ explain ____.
 ____ end-users have complete authority ____ gets access to their ____ you give an explanation ____?
 Give an overview of ____ precise ____ location tracking ____ discretion in divulging their whereabouts.
 ____ to ____ if users have complete power ____ access to ____ data recipients ____ exactly ____ operates.
 ____ know ____ location tracking ____ if I ____ control ____ sharing my location.
 Light ____ the ____ of ____ tracking and ____ over sharing ____ with ____ recipients.
 ____ us if end-users have ____ over ____ location ____ parties.
 ____ want ____ if ____ complete power ____ allowing access to ____ data recipients, ____ how ____ location ____ operates.
 ____ me why ____ tracking ____ be able ____ tell you if ____ complete control ____ how location ____ shared.
 I ____ able to ____ you if the ____ users ____ complete control on how ____ data ____ you ____ why location ____
 Where does ____ tracking work ____ who gets ____ it ____?
 ____ have ____ in ____ gets ____ to their data ____ you ____ a detailed explanation of ____ functioning ____ tracking?
 ____ me ____ level of ____ users ____ in regards to ____ data and how exactly ____ tracking ____.
 ____ will be ____ to ____ users ____ complete control over sharing location ____ tell ____ why location ____ works.
 I'll ____ able ____ find out if users have complete control over ____ location ____ tell ____ location ____ works
 ____ you ____ how ____ tracking works, ____ can ____ who sees it?
 ____ full control ____ location, explain ____ location tracking works.
 ____ with user ____ that information, provide an ____ of ____ mechanism behind ____.
 If end-users have complete authority in selecting ____ access ____ give a thorough ____ location ____?
 ____ the user has complete ____ over ____ data, tell ____ why location ____.
 Tell me ____ the end ____ data have ____ control ____.
 If end- ____ full control over ____ location, ____ how ____ functions.
 ____ the functions of location ____ how ____ can ____ control ____.
 Is it possible to clarify ____ retain ____ authority over ____ location ____ external entities?
 Is it possible to clarify ____ users ____ full authority ____ data ____?
 Provide ____ explanation of ____ with user ____ over sharing ____ information
 If ____ users ____ complete control ____ data with ____ explain it.
 ____ functioning principles ____ location tracking ____ discussing ____ when ____ this ____ with others.
 Please tell ____ why ____ tracking works ____ if the ____ of ____ have complete ____ over ____.
 What ____ the mechanism in ____ location ____ and ____ users ____ to give ____ to ____ parties?
 ____ understand ____ location ____ works and ____ users ____ total ____ access to third party undertakers.
 ____ if end ____ have complete ____ over how location data ____.
 ____ tell ____ if the end-users have ____ control ____ location ____.
 ____ to know whether ____ complete power ____ allowing access ____ third-party ____ how location ____ operates.
 ____ tracking works ____ users ____ over sharing their location
 Can you ____ location tracking ____ users have full control over sharing ____?
 If the ____ users have ____ who ____ to their data, can ____ give an ____ location ____?
 Tell me ____ the level ____ control ____ over ____ data and ____ precisely location ____.
 What is the exact mechanism ____ location tracking ____ can users ____ give it ____?
 Explain ____ location ____ and how users ____ retain ____ over ____.
 Explain ____ the ____ users ____ full control ____ sharing ____.
 ____ clarify if ____ users ____ full ____ the disclosure of location ____ to external entities?
 If end- users have ____ authority ____ data ____ you give an explanation of location ____?
 ____ understand how location tracking works ____ how ____ exert total command ____ granting ____ third ____.
 ____ location tracking ____ user control over sharing ____ data ____ third-party recipients?

I will be ____ to ____ if end users ____ control ____ the data ____ shared ____ if ____ tell me ____
 Can ____ freedom ____ share their location data with anyone?
 ____ is the ____ and can users keep their ____ third parties?
 Break down ____ our say in sharing?
 ____ of ____ workings of ____ tracking as well as whether ____ users ____ in divulging their ____
 Give ____ the precise workings ____ tracking as well ____ whether ____ in divulging their whereabouts.
 If ____ users ____ complete authority in ____ gets access to their ____ explanation ____ location tracking's functioning?
 ____ tell ____ the details of ____ location tracking ____ user ____
 ____ provide me with information ____ tracking ____ see it?
 ____ principles of ____ tracking ____ discussing user freedom ____ data ____ other entities.
 ____ out ____ users have ____ over who ____ location data, ____ hear why location ____ works.
 ____ tell ____ why location tracking works, ____ to tell you if end ____ over ____ location data.
 Is ____ possible ____ explain ____ location ____ and if end- ____ have ____ sharing ____?
 ____ want to know if I ____ sharing ____ location ____ third parties, ____ tracking works.
 What ____ know about location ____ and ____ I have ____ sharing my location ____ parties?
 ____ an explanation ____ location ____ user ____ over sharing it.
 ____ tell me how ____ works ____ give ____ control ____ who ____ it?
 ____ be ____ to ____ you ____ end ____ have control over the data ____ third if ____ explain why ____.
 If end- users ____ complete ____ in ____ who ____ to ____ data, ____ you provide an explanation ____?
 Inform me about the ____ have ____ their ____ data, and give details on how exactly ____.
 ____ it ____ to ____ how location tracking works and ____ control ____ data ____?
 ____ to ____ if the users ____ complete ____ in ____ access to third-party ____ recipients, ____ how ____ works.
 Tell ____ why location ____ I ____ able to tell you if end- users ____ control over ____ with ____.
 ____ me ____ how ____ tracking works and how ____ exert ____ command ____ to third parties.
 ____ why ____ works ____ user has ____ ability to block third parties from accessing the data.
 ____ workings of location tracking and ____ end- users can have complete ____ given.
 Is it possible ____ describe ____ end- users control sharing?
 An explanation of ____ behind location tracking and ____ over ____ information ____.
 Help ____ location ____ and ____ exert total ____ if they grant access to ____ undertakers.
 Can you ____ me ____ control ____ my location being ____ third parties?
 ____ tell me if ____ complete ____ sharing location data with third ____.
 If ____ have complete control over ____ location ____ parties, ____ about it.
 ____ location ____ if I have absolute ____ my location with ____ parties?
 Clarify the exact functioning ____ freedom when sharing ____ with outside ____.
 ____ retain full ____ the disclosure of ____ data to external entities, could ____ tracking works?
 ____ about the level ____ have in regards to ____ their ____ location tracking works.
 Clarify ____ principles of location ____ while discussing ____ this data ____ entities.
 Explain if end- users ____ full ____ over sharing ____ location ____.
 Explain ____ functioning principles ____ tracking while ____ when sharing ____ data with ____.
 ____ principles ____ location tracking while discussing ____ when ____ data ____ others.
 Explain how location ____ works and ____ end ____ sharing their ____.
 I ____ tell ____ have control over ____ with third if you tell me ____ location tracking ____.
 ____ will ____ tell ____ if ____ end users ____ control ____ being shared ____ third if ____ me why ____ tracking works.
 Explain ____ the ____ has complete ____ over ____ third parties, and why location ____.
 ____ who ____ to share location info with others?
 ____ tell ____ end- ____ control over the ____ being shared ____ third ____ you tell me ____ tracking works.
 Clarify ____ of ____ tracking ____ discussing ____ when sharing data ____ outside ____.
 I ____ able to ____ end- users control ____ of ____ with third ____ you ____ me why ____ tracking ____.
 ____ end- users can ____ complete discretion ____ divulging ____ overview ____ the precise ____ of location ____.

I _____ to _____ how _____ tracking works _____ how much control users _____ over _____ .
 _____ know _____ location tracking works _____ if _____ user can block _____ parties _____ accessing _____ ?
 Is _____ on the _____ of real-time _____ tracking and _____ user control.
 _____ state if the end-users have _____ control _____ data _____ parties.
 _____ exact _____ place for _____ tracking, and can _____ their data from _____ ?
 If _____ have full _____ others, _____ you tell us more about _____ tracking?
 Tell me how _____ tracking _____ and _____ the _____ has complete _____ data.
 While specifying if end- users have complete authority _____ access to _____ a _____
 location tracking?
 _____ whether _____ have control _____ sharing.
 _____ users _____ in control of _____ can you _____ how _____ tracking _____ ?
 How _____ location tracking work _____ control _____ it?
 _____ location _____ and _____ over sharing _____ .
