

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Renewable energy options availability
Inquiry Sub-Category	Renewable Energy Plans
Description	Customers inquire about the availability of specific renewable energy plans offered by Electricity Suppliers, such as solar, wind, or hydroelectric power options, to reduce their carbon footprint and support clean energy initiatives.
Data Size	10,637 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ information on the _____ renewable energy plans, _____ solar or _____ in my _____?

How about _____ solar/wind _____?

I _____ in _____ availability of _____ energy solutions like _____.

_____ would like _____ the _____ solar and _____ energy plans.

_____ looking _____ on local access to _____ wind _____.

Tell _____ if _____ a _____ or _____ nearby.

Is _____ possible _____ sustainable _____ schemes near _____?

Do _____ any local solar/wind _____?

_____ there any _____ about _____ solar _____ nearby?

_____ want _____ on local _____ power _____?

Do you _____ solar _____ nearby?

_____ solar/wind energy _____?

What's _____ status of _____ access _____ wind power?

Is there any information _____ for _____ energy?

_____ power _____ near me.

_____ want _____ know _____ information _____ power here.

Can _____ tell _____ renewable energy _____ like solar or wind within _____?

I want to know _____ renewable _____ is available _____.

_____ if wind _____ solar _____ available.

_____ information on wind and _____ in _____ location?

_____ I find _____ if _____ or _____ are _____ in my _____?

What _____ of renewable energy can _____ in _____?

_____ know _____ on solar/wind _____?

How about _____ wind _____?

What green _____ choices _____?

Information needed _____ availability _____ wind _____ solar _____.

Are _____ able to _____ green _____?

_____ am interested _____ getting details _____ and _____ plans.

Can you _____ me about _____ specific _____ solutions in _____ locality?

Is there _____ of sun _____?

Do you _____ and solar?

_____ would like _____ renewable power _____.

_____ energy _____ wind and _____ my area?

_____ could tell _____ the _____ for _____ energy.

Are _____ sustainable energy _____ my _____?

Do _____ know _____ about _____ availability _____?

_____ do _____ live that _____ such as _____ and solar?

Please _____ about wind _____ availability near _____.

_____ have data on _____ and _____ programs?

Are you able _____ specifics _____ here?

_____ local _____ to _____ power known?

I _____ on _____ availability _____ me.

_____ there _____ about _____ in _____ area?

Please _____ me _____ solar _____ wind _____.

Can _____ tell _____ about _____ energy _____?

What about _____ sources, _____ solar _____?

Do you _____ solar _____ options?

_____ you _____ of _____ local _____ for solar and _____?

_____ tell me _____ the _____ energy _____?

_____ know if _____ energy options in my area?

_____ know the plans _____ solar?

If there is _____ or _____.

_____ me _____ there is solar _____.

I'm _____ for information on _____ of solar and _____.

_____ availability _____ the _____?

_____ familiar with the _____ solar and _____?

_____ are _____ energy options _____ or wind _____?

_____ renewable energy _____ solar _____ in my location?

_____ wind or solar _____ available.

_____ about solar/wind _____ near me.

_____ the _____ of _____ power options?

_____ to know the _____ solar and wind energy plans _____.

Please _____ me about _____ or wind _____.

_____ familiar with _____ solar power _____?

_____ you _____ what wind _____ solar options _____ nearby?

Can _____ be solar _____?

_____ am wondering _____ get _____ options in my area.

Near _____ about solar and _____.

_____ availability _____ green power.

I'm wondering _____ the _____ and wind _____.

I need _____ is _____ availability nearby.

_____ want to _____ the _____ solar or wind _____ plans.

_____ the _____ of wind and solar _____?

Are _____ specific renewable options _____?

Can _____ specify _____ on _____ green _____?

_____ me about the _____ options.

Information _____ local _____ solar/wind energy _____.

Is _____ any information _____?

I would _____ about local access to _____ power.
_____ are the _____ of specific _____ plans _____?
Do you know _____ on _____ and _____ programs?
I _____ the availability _____ solar and _____ energy plans _____ locality.
Solar or _____ sources?
_____ want _____ if _____ or _____ is close.
Do you _____ the local _____ and solar _____?
_____ about _____ and _____ options _____ around here?
Did you know about _____ options _____ or _____?
_____ there _____ solar and wind in _____ area?
_____ and wind are _____ options, do _____?
_____ you give _____ more _____ about _____ plans?
What _____ energy sources like _____?
_____ know _____ types _____ energy options are available _____ area?
_____ me _____ local access _____ solar _____ wind _____.
_____ you tell me about the availability _____ solar _____ _____ area?
_____ would _____ to _____ plans in this area.
_____ advise _____ there is solar _____ wind _____ near _____.
Information requested on _____ of _____.
_____ me know _____ there _____ energy plans available _____ my area.
Is _____ to find out _____ energy _____ offered in my _____?
Could _____ me _____ renewable energy _____?
Do you _____ what _____ of renewable _____?
What _____ wind _____ power _____ area?
Can I _____ about certain _____ options _____?
_____ or _____ availability nearby?
Can I _____ out _____ options?
_____ energy like _____ wind offered in _____ location?
Can _____ out _____ there _____ renewable energy _____ near _____?
I _____ information _____ solar/wind availability _____.
_____ you _____ what _____ plans _____ for solar _____ wind?
What _____ are _____ to people _____ here?
Is there any solar _____ wind _____ plans _____.
Where _____ I _____ about _____ and/ _____ solar in _____ area?
I _____ to _____ if your area _____ any _____ energy _____.
Are you _____ to let _____ solar _____ lower power options?
_____ can tell me _____ renewable energy.
Are _____ renewable _____ options in my _____?
_____ availability of _____ green _____?
_____ is _____ data on wind and _____.
Do _____ know _____ local _____ options?
_____ you know if solar and _____ plans are _____?
Is _____ any renewable _____ solar _____?
Do you know _____ local plans _____ solar _____?
I _____ to _____ renewable power around _____.
_____ solar, _____ other renewable options exist _____ area?
_____ there solar and wind _____ I _____?
Want to _____ out about _____ wind _____ solar _____?
_____ about renewable _____ options in the area?
_____ you know the _____ of _____ energy that _____ in _____?

Want _____ out _____ availability _____ energy.
 What _____ the _____ wind energy plans in _____ area?
 What green _____ nearby?
 Do _____ anything about _____ and _____?
 Do _____ options _____ and solar?
 _____ or solar energy available _____?
 Information needed _____ local _____ energy.
 _____ about local solar/wind power _____?
 Is _____ about _____ power?
 _____ my _____ availability of _____ and _____?
 info _____ wind or _____
 Can you _____ type of renewable energy _____ available _____ area?
 I need _____ know _____ are _____ sustainable _____ schemes _____.
 _____ availability _____?
 Do you know anything _____ locally?
 _____ on the local solar/wind options?
 Would _____ let us _____ for renewable energy?
 _____ on local green _____?
 _____ want _____ know _____ and wind options _____ me.
 Specific _____ plans like solar _____ found _____ my region.
 _____ tell me _____ there's solar/wind _____.
 _____ any information _____ local access to _____?
 Any information about _____ access _____?
 Are there _____ solar and _____ your _____?
 Wind _____ solar _____ around these _____?
 _____ possible to _____ if specific _____ are available nearby?
 _____ regarding _____ solar and _____ programs?
 Tell me what renewable _____ available in _____?
 I am _____ solar _____ wind energy plans.
 Are there _____ wind energy plans _____ for _____?
 Do you _____ to _____ solar/wind _____?
 Are _____ wind _____ my area?
 _____ need info _____ eco-friendly _____ me.
 _____ want _____ learn _____ eco-friendly options _____.
 I _____ to _____ if there _____ solar or _____ energy _____ my _____.
 Do you _____ any solar _____ energy _____ these _____?
 _____ renewable _____ like _____ wind, _____ be found _____ my region.
 Information _____ plans where _____?
 _____ know if there _____ solar or _____ nearby.
 I _____ if there _____ any _____ on _____ of clean power choices _____.
 _____ regarding wind _____ solar plans?
 _____ there _____ green _____ nearby?
 _____ availability _____ solar/wind _____?
 _____ you going to let _____ about _____ and nature lover _____?
 _____ there be _____ or wind _____ plans _____ my _____?
 Do _____ know any _____ wind energy options _____?
 _____ local _____ options include _____?
 Is there information _____ wind _____?
 _____ there any specific green _____?
 Are _____ sustainable _____ schemes _____?

Please _____ of _____ wind _____ me.

Is there any _____ energy plans _____ area?

Is _____ find _____ there are renewable energy options _____ area?
_____ on _____ local _____ and wind programs.

Do _____ know any _____ on _____?

_____ there _____ green _____ options _____?

I _____ on _____ around here.

Is there _____ information _____ specific _____?

_____ can _____ find information _____ wind _____ solar in _____?

Can you _____ about solar/wind _____?

_____ possible that _____ offer _____ options?

_____ there any information _____ renewable _____ like solar _____?

Does anyone _____ if _____ access _____ solar _____ wind _____ is _____?

_____ anything you can tell _____ about green _____?

There are _____ area?

Any _____ and solar _____?

_____ was wondering _____ there _____ specific green _____ options _____.

_____ about _____ schemes.

I want _____ wind is available nearby.

What about the wind _____ for _____ area?

Do you _____ about the _____ energy choices _____ my _____?

Can you tell _____ about _____?

Do you _____ there _____ options for _____ energy _____?

_____ there any information _____ renewables?

Do _____ about the availability of _____ renewable _____ solutions _____ area?

Any _____ energy options _____ me?

_____ give _____ information _____ specific _____ energy _____ in my area?

_____ any specific _____ energy _____ nearby.

_____ or wind _____ out there?

_____ details _____ and _____ options nearby.

I _____ information _____ the _____ of solar _____ energy in _____.

_____ you know _____ renewable energy is available _____?

_____ me _____ there are _____ renewable energy _____ in _____ area.

_____ you have _____ on _____ choices here?

_____ any _____ solar or wind _____?

_____ it possible _____ have sun _____ wind _____?

Tell _____ if _____ or wind _____ near _____.

Looking for data _____ programs.

Which renewable energy _____ in _____ area?

I need _____ the _____ of _____ energy solutions like solar or _____.

I want to _____ you _____ any solar _____ plans.

Is _____ on green _____ choices _____?

_____ know anything regarding _____ power _____?

_____ advise on _____ solar/wind.

Is there _____ way _____ out if solar or _____ my _____?

I _____ to _____ plans like wind _____ solar.

_____ to wind or _____?

_____ any information _____ availability?

Can I _____ about _____ nearby?

_____ let _____ about the renewable _____ close by?

_____ the _____ plans in my area.
_____ it _____ to _____ me _____ about _____ and _____ options?
_____ you _____ me the _____ solar and wind _____ plans _____ live?
_____ how to get _____ power _____.
Are _____ aware of _____ plans _____ solar _____ wind in _____?
Do _____ have any _____ options for solar or _____?
_____ know details about _____ and wind options nearby.
_____ renewable energy _____ in my area.
Where _____ I find _____ concerning _____?
What _____ of local access _____ solar or _____?
_____ there be _____ on _____ local _____ options?
_____ you _____ wind plans locally?
Do _____ know _____ you can _____ renewable _____ options _____ solar power _____?
Is there any _____ on _____ or wind energy?
What _____ is _____ in my area?
What _____ local _____ for _____ wind energy _____?
What _____ the _____ availability _____ area?
_____ am interested _____ of _____ energy plans in my area.
Do you _____ any _____ about local _____ to _____ power?
_____ on local _____ options?
_____ you know _____ about solar _____ wind _____?
What _____ specific green _____ nearby?
Are there _____ solar?
I _____ if there _____ any information on _____ clean _____ are _____ in _____.
_____ to give specific details _____ green _____?
_____ tell me about _____ accessibility of wind _____.
There _____ for solar _____ energy in your _____.
_____ for Renewable plan _____ here?
I'm _____ availability _____ and wind _____ in my area.
_____ wind or solar.
There is _____ regarding _____ to solar _____ wind _____.
_____ give me some _____ about the _____ solar _____ wind in _____?
_____ it _____ offer _____ renewable _____ solar and wind?
Will there _____?
Information _____ the _____ clean-power _____.
Is _____ solar _____ wind plans for my _____?
_____ you tell me _____ around here?
_____ there any _____ wind _____ here?
_____ there _____ solar/wind options _____ your area?
_____ for _____ on _____ choices.
_____ you offering renewable _____ wind _____?
_____ you tell _____ about the _____?
Are my location home _____ renewable _____ like _____?

_____ any knowledge on solar _____ wind _____?
I _____ like to _____ about the _____ power.
Are _____ for solar _____ wind?
_____ find wind or _____?
_____ renewables _____ solar or _____?
_____ you _____ me _____ local _____ for renewable _____?

Do you know _____ solar/wind _____?
 _____ know _____ are any solar or wind energy plans _____?
 Is it possible _____ out if _____ are _____ options _____ to _____?
 _____ you know that renewable energy plans like _____ be found _____?
 Tell me which types _____ renewable power _____.
 Tell _____ if _____ any _____ wind _____.
 Is there info _____ green _____?
 Are _____ available in my _____?
 _____ to know about the solar and _____ here.
 _____ renewable energy options _____ solar _____ my area?
 Is _____ solar _____ plans nearby?
 Does anyone _____ any _____ energy _____ my area?
 Do _____ about _____ near me?
 Can _____ about the _____ of solar _____ wind _____ plans?
 Please _____ wind are available _____ me.
 Can _____ the data about the _____?
 _____ I find _____ about specific _____ options _____?
 _____ you _____ solar/wind plans?
 _____ can be provided by you.
 _____ regarding local _____ wind and _____?
 _____ information regarding _____ wind or solar power?
 _____ area have _____ green _____ options?
 _____ give _____ of _____ availability for renewable sources?
 Can you _____ me about _____ electricity _____ solar?
 Is there _____ the _____ wind options nearby?
 _____ possible to _____ renewable _____ like wind and _____?
 I _____ about _____ access to _____ or _____ power.
 _____ renewable _____ sources are available _____?
 _____ green energy _____ here?
 Is _____ local green _____ choices?
 Do _____ solar and wind plans _____ your locality?
 Please _____ me _____ about the renewable _____ options _____.
 Can _____ me about the local _____ and _____?
 Information _____ renewable _____ like solar _____.
 Anyone have information _____ programs?
 _____ of renewable power sources are _____ here?
 _____ I _____ regards _____ renewable plans like solar or _____?
 There are _____ or _____ in these parts?
 _____ it possible _____ there _____ green energy _____ nearby?
 _____ there any _____ about _____ in my area?
 _____ am wondering _____ plans like _____ or _____.
 Does _____ have _____ information on _____ electricity _____?
 _____ there _____ options nearby?
 _____ able to _____ data _____ renewable choices?
 What information _____ you give _____ green _____?
 _____ renewable _____ sources _____ wind _____ solar in _____ location?
 Can _____ me _____ information _____ availability _____ wind or solar in _____?
 Are you _____ give _____ on green _____ in _____?
 Do you _____ about sustainable _____ near _____?
 Do _____ renewable energy like solar _____ in _____?

Are _____ leads _____ solar and wind _____?
 _____ location of solar/wind.

Can _____ about _____ energy initiatives _____?

Are _____ any _____ energy _____ locally, like solar _____ or _____?

Where _____ live with _____ plans like _____ or _____?

Please _____ the _____ of wind and _____.

_____ me _____ green energy _____ my area.

_____ of sun _____ wind _____?

Is _____ about _____ area's solar/wind _____?

_____ about _____ wind _____ solar power.

Information _____ availability of solar _____?

Are _____ any local _____ wind _____?

Is there _____ the green _____?

Do you know _____ specific _____ here?

Do _____ any _____ about solar/wind _____?

_____ there _____ on the _____ resources in _____ area?

What is the status of _____ near _____?

_____ you going _____ me _____ those _____ options _____ are available _____ me?

_____ availability _____ green power options?

Is there any _____ on solar _____ power _____?

_____ you tell _____ about _____ solar _____ wind options?

_____ there any _____ solar or wind?

_____ information _____ and _____ energy plans in my area.

What _____ of _____ renewable plans _____ me _____ now?

Is _____ a renewable _____ option _____ my area?

Please, _____ availability _____ power options?

Is it _____ tell _____ about the _____ in _____ area?

_____ have information _____ wind _____ solar?

I _____ to learn _____ renewable _____ like _____ or _____.

Want to understand the _____?

Is there availability _____ power _____?

Is _____ to _____ specific information _____ local _____ options?

Are _____ or wind _____ plans located _____ area?

_____ us know the local availability of _____?

_____ any solar or _____ energy _____?

Is _____ possible to _____ out _____ energy options _____ nearby?

Is there _____ wind or _____ around _____?

_____ plan _____ tell me about the _____ nature _____ options?

_____ would _____ solar or wind _____ are available for my _____.

Are there _____ renewable _____ exist in _____ local _____?

I would _____ if _____ or wind energy _____ in _____ area.

Are _____ or _____ energy _____ these _____?

Are there _____ options _____?

_____ tell _____ of solar and _____.

Do _____ offerrenewable _____ solar _____ wind?

_____ I find information _____ sources of energy in _____?

Did _____ local solar/wind _____ options?

_____ renewable plans _____ wind _____ solar?

_____ renewable energy options _____ my area?

Is _____ a renewable _____ option _____ can get in _____?

Want ____ find out ____ of wind ____ solar ____.

____ energy ____ in the area.

Can you ____ are ____ or wind energy plans for ____?

Can ____ information ____ eco-friendly ____ nearby?

____ and ____ availability ____?

Tell me ____ renewable energy ____ available ____ my ____.

Is ____ any ____ and solar ____ in my ____?

Is there ____ and solar?

____ any information ____ and solar?

Are you ____ me about solar ____ and ____ options?

____ you know that certain renewable ____ wind can ____ found ____ my ____?

____ you tell ____ about your local ____?

Is there any information ____ or ____?

Is it ____ to ____ wind power at ____?

____ want to ____ if there ____ any ____ in my area.

____ on local solar and wind ____.

____ there ____ or ____ availability nearby?

Please, ____ availability of ____ green ____.

____ want to know about solar ____ for ____.

Where do ____ live ____ renewable ____ wind are located?

Do ____ know ____ plans are in ____ area?

____ know ____ about wind ____ solar plans ____ locality?

____ you ____ solar/wind power options?

____ regarding ____ availability of ____?

Do you know ____ wind power ____?

____ would ____ to know ____ specific ____ power choices are ____ viable ____ I ____.

____ what ____ sources are ____ here?

Is ____ local solar or wind ____?

____ me about the ____ and ____ options near ____?

____ wind plans where ____?

There ____ any ____ wind ____ details ____

____ of ____ sources ____ available here?

I ____ renewable plans like ____ wind.

Do ____ know what local ____ wind ____ are?

What are green ____?

Are renewable ____ like ____ or wind ____ in ____?

____ if ____ or wind energy plans ____ for ____ area.

____ it possible ____ specifics on green ____?

____ renewable power ____ are available ____ people ____ this ____?

If solar or ____ available in ____ area, ____ you ____ me ____?

Please ____ of ____ green ____ options.

____ renewable options ____ wind and ____?

____ leads ____ the data on local solar ____?

Are ____ any specific ____ options ____?

Someone ____ data on local ____ solar programs.

____ wanted on ____ availability of ____.

____ about the availability ____ energy in ____?

Availability ____ power ____ the sun ____?

____ give more information about ____ in the ____?

Tell ____ about ____ availability ____ power.

_____ there _____ or _____ power in _____ place?
_____ there _____ solar _____ plans here?
What _____ solar and wind options _____?
Are _____ wind _____ available?
_____ there a wind _____ solar _____?
Let _____ know _____ of _____ energy in my _____.
Can _____ tell me _____ on _____ green _____?
_____ renewable energy _____ solar or wind?
_____ you _____ if _____ solar or _____ energy _____ in my area?
_____ was wondering _____ options for solar _____ plans.
Information _____ wanted _____ availability _____ energy.
Do _____ renewable options exist _____ your area?
I am _____ on renewable _____ solar or _____.
Is there _____ on _____ nearby?
_____ is the _____ access to _____ wind _____?
_____ tell me about local _____ for _____?
_____ you know where _____ solar/wind power _____?
_____ there any _____ near me?
Is _____ specifics _____ solar/wind _____?
_____ the data on _____ solar and _____ programs?
_____ wind plan _____?
I would _____ to _____ about local _____ to _____ or _____.
_____ you know _____ about _____ or wind _____ options?
_____ it possible _____ tell _____ about the _____ wind _____ nearby?
Do _____ know the types _____ in _____ area?
Are there any solar _____ here?
Do you _____ about _____ of solar _____ wind in my _____?
_____ tell _____ about _____ available _____ wind energy _____ in _____ area.
_____ me _____ of renewable _____ options _____ solar or wind in my _____?
Would _____ us _____ local _____ for _____?
Are _____ or wind _____ near these parts?
Are _____ sources like _____ and wind available _____?
Can _____ me about the solar/wind plans _____?
Do you _____ solar energy plans in _____?
Would _____ let _____ local _____ for renewable sources.
What _____ do you have _____ energy plans?
_____ green energy _____ nearby?
How about _____ and _____ in _____?
_____ there any solar or _____ energy _____?
Please let _____ renewable energy _____ my area.
_____ let _____ about renewable energy _____?
Is _____ to _____ if _____ energy _____ are available in _____ area?
_____ you let me know _____ the _____?
What is _____ availability of _____ solar _____?
_____ you going to _____ about _____ power _____ nearby?
Is there any _____ about _____ plans _____ my _____?
_____ I find _____ and/or solar?
_____ if wind or _____ available _____.
_____ information about wind and/or _____?
What are the _____ choices _____?

Can ____ tell me ____ energy ____ are ____?

Are you ____ to ____ us ____ on ____?

____ on ____ green power ____?

Please ____ about ____ near me.

____ the ____ availability ____?

Would ____ information on ____ for renewable ____?

____ the ____ for solar or wind energy ____?

Do you ____ any ____ the specific ____ electricity ____?

____ I live with ____ plans like solar or ____?

____ about ____ renewable energy solutions ____ or wind ____ my locality?

____ about local ____ sun/wind ____?

____ tell us about ____ availability ____ renewables?

I ____ know ____ around here.

____ it possible to ____ renewable energy plans ____?

____ to ____ the availability of solar ____ wind ____ where I ____.

____ it possible ____ available local ____ power ____?

What ____ the status ____ renewable ____ near ____?

Do ____ local ____ power?

____ need ____ solar ____ wind energy ____ be found in ____ area.

Is ____ find out if ____ are any ____ renewable energy ____?

Can ____ out ____ specific ____ options are offered ____ my ____?

____ need ____ about specific ____ energy plans like solar ____ in ____.

____ I know more ____ specific ____?

____ advise ____ solar/wind is available ____.

Can ____ details ____ the ____ and ____ energy plans?

Can I ____ if ____ are offered ____ my vicinity?

Is ____ availability of ____ for solar ____?

____ power ____ are ____ for people in ____ area?

____ for ____ leads on local ____ wind ____.

____ any information regarding ____ plans in ____?

____ you ____ me about the ____ close ____?

____ tell ____ wind energy plans in my area?

____ know about the availability ____ and wind ____?

____ renewable options like ____ and ____?

____ there information ____ and ____ in my ____?

Are there ____ or wind ____ plans ____ the ____?

Is there ____ green power ____ the ____?

____ let ____ if ____ is available near ____.

____ like ____ what kinds ____ renewable power sources are ____.

I need information ____ like solar ____ in my ____.

____ for ____ leads on local ____ and ____ programs.

____ can I ____ options for my ____?

____ for ____ renewable plans like solar ____ wind.

What information can ____ about ____ and/or ____ in ____?

____ you ____ me ____ the available solar ____ energy plans ____ my ____?

____ know about ____ energy choices ____ my area.

____ you have ____ on ____ and wind plans?

____ was ____ local availability of ____ energy.

Are you knowledgeable ____ options?

____ wonder ____ conclusive ____ on the ____ of certain clean ____ choices where I ____.

Do you _____ anything _____ the plans _____ wind?

Where _____ we _____ renewable _____ options like _____ wind?

Will _____ sustainable energy _____ near _____?

_____ anyone know _____ there _____ specific _____ energy initiatives _____?

_____ you _____ something _____ local _____ power?

_____ you _____ information about green _____?

_____ want to _____ there are _____ and _____ available where I live.

_____ wind and _____ availability.

_____ me if _____ is _____ or solar _____ me.

_____ there anything you _____ about the renewable _____ plans _____ region?

_____ would _____ to know what _____ clean _____ are _____ viable _____ my _____.

_____ am _____ the availability of _____ energy _____ like _____ wind within my _____.

Can _____ of the green _____ choices _____ my _____?

_____ possible to have sun and _____ power _____?

Are there _____ sustainable energy _____?

_____ like to _____ renewable power _____ the _____.

Can _____ about specific _____ nearby?

I'm curious _____ solar _____ wind _____.

What _____ you tell _____ options?

Any _____ on local _____ solar power?

Is it _____ my _____ have _____ wind energy plans?

Do _____ know if there _____ any _____ energy choices _____?

_____ you tell _____ more _____ solar/wind _____?

_____ for information _____ wind and _____ this locality.

_____ required on _____ availability _____ energy.

_____ know _____ wind power options?

I want _____ know if _____ wind _____ be _____.

_____ me, _____ you know _____ availability of _____?

What _____ renewable energy including _____?

_____ there _____ on _____ and _____ plans here?

_____ can _____ information _____ wind and/or solar?

Where can _____ info on _____?

Information _____ availability _____ solar/wind energy.

_____ info _____ energy _____ around here.

_____ these parts, _____ any solar or _____ energy _____?

_____ it possible _____ offer renewable _____ like solar _____ wind?

Information about the availability _____ energy in _____?

_____ there _____ green energy _____?

Can you _____ if wind or _____ is _____?

Is _____ possible to _____ local solar/wind options?

Is _____ to find _____ if renewable _____ options _____ nearby?

Would _____ be _____ solar or _____?

_____ about _____ solar and wind options _____.

_____ would _____ know about specific _____ options _____.

What are the _____ plan _____?

Can _____ give information _____ energy _____?

_____ renewable energy plans _____ are accessible _____ my region _____ you.

Do _____ wind is nearby?

_____ have any information _____ green energy _____?

Is it _____ to _____ information _____ availability _____ renewables?

_____ there any _____ wind/solar _____?

Can I _____ if specific renewable _____ are available _____?

_____ tell us more _____ plans in _____ area?

I need _____ on _____ availability.

Can you let _____ of renewable _____ in my area?

I _____ to _____ if _____ clean power choices _____ here.

_____ information _____ options can _____ helpful.

Information _____ local solar/wind _____?

Have you _____ solar/wind power _____?

Please tell me about _____ in _____.

Would you _____ information _____ the _____ availability _____ renewable _____?

Is the availability _____ power _____?

_____ know _____ energy is available _____?

I need _____ more _____ renewable energy _____ solar and _____ area.

_____ of local _____ solar and wind?

Are _____ any solar _____ options _____ near me?

What _____ renewable power _____ as _____ solar?

_____ leads _____ get _____ on local _____ and wind _____?

_____ there _____ solar or wind _____ plans _____ area?

_____ advise _____ solar _____ wind is _____ me.

Can I _____ more _____ eco-friendly _____ near _____?

_____ tell me if _____ availability _____ me.

Can _____ tell me _____ availability _____ solar and wind _____ plans are _____?

Is there a way _____ solar _____ wind _____ the _____?

Is _____ green plans locally?

_____ any information on _____ area's _____?

_____ you know what kinds _____ sources _____ for people _____?

_____ or wind energy options _____?

Do _____ if _____ or solar near?

Any _____ about access to solar _____ power _____?

_____ want _____ know about local options _____ or _____ plans.

_____ want _____ learn about _____ availability of solar and _____ in _____.

_____ renewable power _____ out there for people _____?

_____ me _____ information about green energy _____?

Is there _____ solar _____ plans in your _____?

_____ you going to _____ me _____ the _____ options?

_____ live, _____ information _____ renewable _____ like _____ or wind?

Tell me _____ wind/solar _____.

_____ about _____ options nearby?

_____ you tell _____ I can _____ renewable _____ options in my _____?

Are there _____ plans for _____ my area?

Let me _____ solar/wind power _____.

_____ choices, like _____ and solar?

_____ was wondering _____ there were _____ solar _____ wind _____ options in _____.

_____ let _____ if there _____ solar/wind _____ near me.

I _____ availability _____ renewable _____ like _____ or wind in my locality.

I _____ solar/wind power _____ near _____.

_____ to find _____ if _____ specific renewable _____ options nearby?

_____ me _____ to find _____.

Do you know anything _____ green _____ choices _____?

_____ there _____ solar _____ plans near?

_____ a _____ of solar or _____ plans.

_____ someone _____ specific eco-friendly _____ nearby?

_____ looking for _____ availability _____.

_____ or wind energy _____ are _____ my area?

_____ or solar energy _____?

Can you tell _____ of _____ like solar _____ in my area?

_____ for _____ about _____ and wind options.

_____ or wind available _____ area?

_____ get information about _____ options?

Do _____ solar and _____ power?

Are _____ to tell me _____ the _____ and _____ options?

Can _____ tell _____ about _____ choices near me?

I _____ about _____ eco-friendly options _____.

_____ renewable energy _____ such as solar _____ in _____ vicinity.

Please advise _____ availability _____.

_____ any solar or wind energy options _____?

_____ are _____ options _____ and wind energy plans?

Tell _____ if _____ are _____ wind _____.

Can you tell _____ are _____ energy options _____?

Are there _____ options?

_____ know that _____ energy plans can be found _____ area?

Please tell _____ the renewable energy _____ my _____.

_____ there any info _____ solar/wind _____?

What _____ solar or wind?

_____ sorts of renewable power _____ are _____ people _____ area?

Need _____ on _____ and _____ programs?

Do _____ know _____ of renewable _____ sources _____ to people _____?

_____ it possible _____ tell _____ about renewable _____?

Let _____ know _____ power _____.

_____ data _____ local _____ for wind and _____.

Tell _____ sorts of renewable power _____ out _____.

_____ was wondering if _____ were _____ local _____ or _____ energy.

Can you _____ there _____ solar _____ wind _____ plans in my _____?

_____ advise _____ the _____ near _____.

Do you _____ the _____ solar/wind _____?

Do you know _____ any specific _____ energy _____?

_____ more _____ on solar and wind energy _____?

_____ of solar/wind energy _____ the area.

Can _____ tell _____ about _____ options?

Please _____ availability _____ and wind.

_____ exist specific renewable _____ in _____?

_____ me _____ is wind _____ solar _____.

_____ on _____ clean-power choices _____ area.

I _____ to _____ and wind energy _____ are _____ in _____ area.

_____ have _____ leads pertaining to local solar _____?

_____ you tell _____ more _____ solar/wind _____?

_____ there any _____ eco-friendly options _____?

_____ of _____ power _____ are available for people in _____?
