

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Fuel efficiency and environmental concerns
Inquiry Sub-Category	Environmental Impact and Emission Standards
Description	Customers want information about emissions standards for vehicles, seeking details on the latest regulations, eco-labels, and any environmental certifications or ratings that indicate a vehicle's impact on air quality and greenhouse gas emissions.
Data Size	9,078 paraphrases

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Which ____ have the ____ efficiency ____ lower levels ____ and reduced carbon ____?
____ vehicles ____ efficient ____ and low ____?
____ there any car ____ that ____ great ____ pollution, ____ lower carbon ____?
____ on ____ cars with clean ____.

Which ____ have the best ____ lowest ____ levels?

Which vehicles ____ fuel ____ ratings correlate ____ reduced ____?
____ vehicles ____ efficient ____ mileage and emissions?
____ car ____ exhibit ____ fuel economy numbers, implying ____ environmental ____ to ____ pollutant ____ reduced ____ output?

____ you ____ any low-pollution ____ that ____ great ____ efficiency?

Are ____ with superior fuel ____ and a reduced carbon ____?

Is ____ a car ____ has ____ fuel economy, emits ____ and has a ____?

I ____ to ____ about vehicles that ____ their superior gas ____ well ____ and carbon emissions.

Are you ____ eco-friendly rides ____ economy?

What ____ have better fuel ____?

____ lowest ____ of pollution and the lowest carbon ____?

____ car models have ____ fuel ____ numbers, implying ____ damage ____ to low ____ and ____ carbon ____?

Low-pollution autos ____ have ____?

____ automobiles ____ defined ____ strong mpgurate.

____ with ____ pollution ____ fuel efficiency?

____ for ____ economic cars ____ levels.

____ the cars ____ the best ____ economy, ____ less ____ and have a reduced ____ footprint.

____ know ____ cars ____ fuel efficiency ratings ____ less pollution and ____ carbon footprint?

____ showing ____ boasting Eco-friendliness ____ mpgurate?

Can ____ tell ____ which auto ____ have ____ mileage ____ impact?

What ____ provide ____ mileage, lower pollutants ____ reduce ____?

Information ____ cars ____ excellent ____ efficiency ____ can ____ in reduced ____ and ____.

Any autos ____ fuel efficiency?

____ on ____ with clean emissions.

Which _____ models feature top-notch fuel economy _____ minimal environmental _____ due _____ low _____ carbon _____?

_____ you tell me about _____ with superior _____?

Can you _____ me about _____ emit _____ pollutants _____ contribute _____ to _____ change?

Which _____ ratings that result _____ pollution and a smaller _____ footprint?

Which models _____ mileage without causing high _____?

_____ cars have the _____ and _____ gas emissions?

_____ are _____ most fuel _____ emission free?

Information _____ ratings _____ help reduce pollution and carbon emissions.

Tell _____ what _____ produce _____ pollution and _____ higher _____ rates.

_____ about _____ with _____ fuel _____ that result in reduced _____ carbon emissions would _____.

Which cars _____ a _____ carbon footprint, _____ the _____ fuel efficient?

Any car models _____ for _____ gas mileage _____?

_____ there any car recommendations with _____ pollution?

_____ levels _____ energy efficiency in order _____ cleaner air _____ reduce pollutants?

_____ vehicle choices _____ exceptional gas _____ pollution, _____ CO2 output?

Did _____ cars rated high _____ and _____ air?

_____ cars with _____ best _____ mileage.

Out of _____ automobiles, _____ have _____ highest levels of _____ promote _____ air?

_____ would like to know _____ efficiency rates.

Any _____ on cars that _____ great fuel efficiency, less _____?

Which _____ the _____ efficiency while promoting cleaner _____ and _____ pollutants?

_____ for low _____ reduction?

_____ know about _____ with superior _____ mileage _____ minimized pollutants.

Which vehicle models _____ the best _____ along _____ of _____ reduced carbon footprints?

Would you recommend a _____ great _____ less pollution _____ a lower _____?

Which car models _____ the _____ scores _____ decreased _____ pollution and _____ carbon footprints?

What models _____ better _____ pollution?

_____ cars _____ top-notch _____ minimal environmental damage due _____ low pollutant _____.

_____ you tell _____ cars _____ fuel efficiency _____ and low pollution _____?

Data _____ that are _____ via strong _____?

_____ show the _____ fuel efficiency _____ along _____ levels of _____ and reduced _____?

_____ about the _____ with _____ best fuel economy, _____ less pollution _____ a _____ carbon _____.

_____ any cars that have _____ ratings _____ result in lower levels _____ pollution _____ footprint?

_____ you _____ which auto options have _____ fuel _____ and _____ environmental _____?

The _____ for _____ reduction?

Is there information on _____ excellent fuel _____ pollution _____?

_____ cars that _____?

_____ have good _____ and a _____ footprint?

Which models show _____ economy _____ with _____ environmental damage _____ to _____?

_____ recommendations _____ cars with great _____ and _____ carbon footprint?

_____ of the _____ highest _____ of _____ efficiency _____ cleaner air?

Which _____ options _____ high _____?

_____ vehicles with _____ fuel _____ reflecting _____ pollution _____ a reduced carbon _____?

I _____ to know _____ boast _____ mileage _____ and lower _____.

Which _____ have the _____ fuel efficiency ratings _____ result in _____ pollution _____ carbon footprint.

Which automobiles show the highest _____ of energy efficiency _____ cleaner air _____ pollutants _____?

How _____ vehicles that _____ gas mileage, as _____ pollutants and _____?

_____ you know the _____ for fuel efficiency and _____?

_____ vehicle options _____ gas _____ reduced _____ lowered CO2 output.

_____ there a _____ known for _____ gas _____ well as _____ and carbon _____?

Cars with _____ and _____?

_____ me which vehicles are best _____.

Which cars have _____ lower _____ of _____ and a reduced _____ footprint?

I _____ which vehicles are best _____ pollution.

Which vehicle _____ pollution _____ has a _____ footprint?

I'm _____ the _____ that have _____ fuel _____ less _____ and have a reduced _____ footprint.

_____ am _____ learning _____ about vehicles _____ for _____ superior gas mileage and _____.

Which _____ models give _____ best _____ efficiency ratings, resulting _____ pollution levels _____ smaller _____?

_____ car _____ fuel and emits less pollution?

Which _____ top-notch _____ numbers, implying minimal _____ damage because _____ pollutant emissions _____ reduced carbon _____?

Which _____ a _____ of _____ and carbon emissions?

Which _____ less pollution _____ have less _____?

What cars have _____ not harm the _____?

_____ show me cars _____ emission _____ and _____ gasoline mileage?

_____ there a model _____ for its _____ emissions?

Is it _____ about _____ with good _____ ratings that will _____ in reduced _____ and carbon _____?

_____ me _____ which auto options _____ mileage figures?

Which models _____ excellent mileage, _____ and reduce _____?

What _____ highly _____ eco-friendly?

_____ car models _____ best fuel _____ environmental damage due to _____ emissions.

Which _____ excellent _____ lower pollutants?

_____ cars _____ fuel _____ ratings?

_____ autos that _____ fuel efficiency.

_____ which cars have the _____ fuel economy, emit less pollution and _____ reduced _____.

_____ you _____ me _____ the _____ models _____ for lower emissions.

I _____ know if _____ pollution.

Could you let _____ with excellent fuel efficiency _____ that _____ in _____ pollution and _____?

_____ give _____ information about cars _____ have excellent _____ efficiency _____?

_____ which _____ have _____ gas mileage figures and _____ environmental impact?

_____ mileage, lower _____ and lower carbon footprint?

Cars _____ better _____ fuel _____?

Are _____ vehicles known for their greener _____?

_____ depicting _____ boasting Eco-friendliness _____ strong _____?

Which _____ best at efficient _____ and _____?

_____ you _____ me _____ of _____ with optimal fuel efficiency _____?

_____ fuel-efficient cars _____ reduce _____.

_____ automobiles _____ top-notch _____ economy _____?

Would _____ me know _____ vehicles _____ for _____ gas _____ and _____ pollutants?

Is _____ recommendation for _____ car _____ has great _____ efficiency, _____ and _____ carbon _____?

Is there a _____ known for their _____ mileage _____?

_____ you know which _____ are _____ pollution?

Is _____ information on _____ with superior _____ reflecting less pollution _____ a reduced _____ footprint?

_____ models have _____ mileage, lower _____ carbon footprints?

_____ vehicles have the _____ fuel efficiency _____ as _____ pollution and _____?

_____ have better _____ cleaner _____ and _____ carbon footprint?

Which _____ better mileage, lower pollutants, _____ carbon _____?

_____ automobiles _____ fuel efficiency?

_____ you _____ about cars _____ rated _____ fuel efficiency?

Which _____ have _____ emissions.

_____ you tell _____ cars _____ the highest _____ efficiency _____?
 Which vehicle _____ best fuel _____ reduced pollution and carbon footprints?
 _____ to know _____ the best _____ reducing pollution.
 Cars _____ use _____ pollution _____ have _____ efficiency?
 Which _____ have _____ emissions _____ CO2 and _____ efficiency?
 Which vehicles _____ most _____?
 _____ vehicles _____ for _____ gas _____ well as minimized _____ and carbon _____?
 Let _____ know which _____ most _____ efficient _____.
 Any low-pollution _____ that _____ great _____?
 _____ like to know _____ options boast _____ figures and _____ environmental _____.
 _____ car models have better fuel _____ ratings, resulting _____ pollution _____ a _____?
 What _____ have superior _____ efficiency, which _____ pollution _____ carbon _____?
 The _____ Eco-friendliness defined _____ strong _____?
 The _____ that have the _____ fuel economy, emit _____ and have _____ carbon footprint _____ am _____.
 Is there any _____ recommendation with _____ less _____ and _____ carbon _____?
 _____ are the _____ efficient?
 ideas _____ eco-friendly rides _____ fuel _____
 Tell me _____ low pollution and _____ efficiency.
 Which _____ economy numbers, implying _____ environmental _____ due _____ low _____ emissions and reduced _____ output.
 Which _____ have the _____ mileage _____?
 Which automobiles show _____ of _____ promoting cleaner _____ and less greenhouse _____?
 _____ me _____ cars _____ excellent fuel efficiency ratings _____ in reduced pollution _____.
 Which _____ burn less _____ less _____?
 Quality vehicle options _____ gas _____ reduced _____ and _____ CO2 _____ are _____?
 Any cars _____ outstanding gas _____ and _____ levels?
 Excellent gas mileage, reduced _____ CO2 _____ are some of _____ quality _____?
 _____ know _____ cars with the best _____ economy _____ less _____ and have a reduced _____.
 Suggestions _____ fuel economic _____ levels?
 _____ featuring automobiles _____ defined through _____?
 Are there _____ cars _____ excellent _____ efficiency _____ lower pollution _____?
 I am _____ the _____ with _____ economy, emitting _____ pollution and having _____ the ones that have _____ best
 _____ models of _____ gas _____ and _____ pollution levels?
 _____ vehicles _____ best at cutting pollution.
 _____ car _____ known for lower _____ and _____ mileage.
 Did _____ know that vehicles _____ efficiency ratings _____ have a _____?
 _____ vehicles have _____ and _____ pollution and carbon emissions?
 Which cars _____ the lowest _____ pollution, _____ best _____ ratings?
 Which _____ the highest _____ and _____ gas emissions?
 Which _____ have the _____ fuel _____ indicating _____ and _____ footprint _____?
 _____ models _____ the _____ fuel efficiency _____ as _____ reduced pollution?
 _____ for sustainable _____ with top _____?
 _____ which vehicles are _____ reducing _____.
 Which vehicles _____ economy ratings?
 _____ low emissions, fuel-saving _____?
 _____ cars can have _____ efficiency _____?
 I am _____ for _____ cars _____ economy, _____ less _____ and _____ a reduced carbon footprint.
 _____ car _____ better _____ ratings, resulting in less _____ a better carbon _____?
 _____ recommended _____ great fuel efficiency, less _____ lower carbon footprint?
 Best cars _____ carbon _____ low _____?

I _____ to know about vehicles _____ known for _____ gas _____ and _____.

_____ autos that _____ fuel _____?

_____ car _____ are best _____ it _____ fuel _____ ratings?

Suggestions on _____ cars with _____.

_____ car _____ top-notch fuel _____ numbers, implying minimal _____ damage _____ to _____ pollutant _____ and less _____?

_____ wondering _____ cars _____ have the best _____ less pollution or have a _____ carbon _____.

_____ less pollution, have a smaller _____ footprint, _____ are _____ efficient?

I would _____ to _____ which cars have the _____ less pollution _____ have _____ footprint.

Is _____ any car _____ exceptional _____ efficiency ratings that _____ in less _____?

_____ cars _____ fuel efficiency and _____?

Which _____ show _____ best _____ numbers, with _____ damage _____ low _____ emissions and reduced _____ output?

_____ with high fuel _____.

_____ me _____ fuel efficiency rates.

Which cars _____ the _____ emitting _____ pollution, _____ have a _____ footprint?

I want to know _____ auto options _____ mileage _____.

Is it possible to _____ with good fuel efficiency ratings that _____ and _____?

_____ have _____ highest _____ of energy _____ while promoting _____ air _____ reducing pollutants and greenhouse _____?

_____ vehicle models have the _____ fuel _____ as well _____ reduced _____?

_____ vehicle _____ for exceptional gas mileage, _____ and lowered _____?

_____ the best _____ low emissions and _____ footprint _____?

Is there any _____ that _____ exceptional _____ rating _____ results _____ lower _____ of _____?

_____ cars _____ fuel and _____ pollution?

Tell _____ what vehicles _____ pollution.

When it _____ to fuel efficiency _____ are the most _____?

Excellent gas mileage, _____ pollution and _____ CO2 _____ favored _____ vehicle _____.

_____ automobiles, which ones _____ the highest levels of _____ efficiency _____ impact on the _____?

_____ car models achieve better _____ while not _____ of _____?

Can _____ help _____ find _____ emission _____ good gasoline mileage?

Do _____ know which cars _____ exceptional _____ that _____ in _____ of pollution _____ carbon footprint?

Which vehicles _____ best fuel _____ scores _____ pollution and reduced _____ footprints?

_____ you know if any cars _____ exceptional _____ efficiency ratings _____ in lower _____ pollution _____ decreased _____?

_____ you know _____ fuel efficiency and cleaner _____ your _____?

_____ models display the _____ fuel efficiency _____ accompanied by decreased _____ of _____ carbon footprints?

_____ models have _____ best _____ efficiency scores, along _____ decreased levels _____ pollution _____ footprints?

_____ there _____ recommendation _____ car with _____ fuel _____ less pollution and _____ lower _____?

_____ there any _____ models that have _____ emissions _____?

_____ have good mileage _____ low carbon _____?

Which cars _____ and _____ footprints?

_____ give excellent mileage and _____?

_____ vehicle models show the _____ with _____ and reduced carbon _____?

_____ excel in _____ efficiency with low _____ of _____?

I am _____ in _____ known for _____ superior gas _____ as well _____ carbon _____.

Let me know which _____ reduce _____.

_____ car models show _____ numbers, _____ environmental damage due to _____ pollutant emissions and _____.

_____ about the cars _____ have low emission _____ and good _____?

_____ to _____ which _____ produce less pollution _____ good fuel efficiency _____.

_____ let me _____ car models that emit minimal pollutants and _____?

Which _____ have the _____ ratings, _____ levels _____ pollution and _____ reduction _____ carbon footprint?

_____ fuel efficiency rates.

Which _____ do _____ mileage _____ emissions?

_____ achieve better gas _____ without high _____ pollution?

I'm _____ the _____ have the _____ economy emit _____ and _____ a lower carbon footprint.

_____ you give _____ on vehicles with _____ efficiency _____?

Can _____ me _____ the car models that _____ pollutants _____ to _____ change?

Can _____ tell me which _____ are more _____?

_____ cars _____ less _____ and have _____ smaller carbon _____.

Are _____ any cars with _____ fuel efficiency _____ reduce _____ footprints?

_____ me about vehicles that have _____ mileage, _____ as _____ pollutants and carbon _____.

Can you _____ the _____ of _____ the highest fuel _____?

What models _____ gas _____ high emissions?

Which model _____ mileage, lower pollutants, _____ footprint?

Can _____ tell _____ with superior _____ ratings that _____ minimal pollution and a _____ carbon _____?

_____ vehicle _____ for gas _____ pollution, _____ lowered _____ output?

Suggestions _____ fuel-efficiency cars with _____.

Is it possible to give information about _____ that _____ excellent fuel _____ ratings _____ pollution _____?

_____ have the best fuel efficiency _____ as _____ as reduced levels _____ and _____?

I want to know _____ cars _____ exceptional _____ result in lower _____ pollution.

_____ models _____ the highest fuel efficiency _____ pollution _____ carbon footprint?

Which is the _____ emitting less pollution _____ having _____ smaller _____?

_____ car models that _____ gas _____ low pollution _____?

Which vehicle _____ show the best fuel _____ with _____ levels _____ pollution _____ well _____ reduced _____?

_____ autos with _____ fuel efficiency?

Any _____ for _____ that have _____ efficiency, _____ less carbon footprint?

Suggestions _____ fuel _____ cars _____ emission _____.

_____ less _____ a _____ carbon footprint, or _____ most fuel efficient?

Looking _____ car that has _____?

Improved fuel _____ leads _____ reduced _____ and _____.

_____ vehicles have top-notch fuel _____ ratings _____ emissions?

Look _____ fuel economy.

_____ me which _____ work _____ pollution.

Which models _____ outstanding _____ pollution levels?

_____ know which cars _____ the _____ for fuel _____?

Any _____ which _____ high _____ economy _____?

_____ you _____ a _____ of _____ that _____ fuel efficiency ratings?

_____ lowpolluting, _____ automobiles?

_____ you _____ cars _____ have _____ ratings _____ minimal environmental impact?

Which cars _____ most fuel _____ less _____ having _____ footprint?

_____ which cars have _____ efficiency?

What _____ are _____ their superior _____ as well as minimized _____ and _____?

I'm _____ there are cars _____ have _____ best fuel _____ less pollution _____ a reduced _____.

_____ car models achieve better _____ causing _____ levels of _____ pollutant _____?

_____ you _____ with excellent fuel efficiency ratings _____ lower pollution _____?

Can _____ me _____ cars that _____ efficiency ratings and _____ pollution?

_____ cars emit less pollution, have a smaller carbon _____?

_____ are _____ best _____ it comes _____ fuel efficiency _____?

Can you _____ minimal _____ and contribute less _____ climate change?

Cars _____ pollution _____ better fuel _____?

Cars with _____ defined _____?

_____ would _____ to _____ auto _____ boast superior _____ figures.

Tell _____ about the _____ efficient _____.

Can you tell _____ about _____ cars _____ lowest emission levels _____ the _____ ?

Can _____ cars _____ excellent fuel efficiency _____ lower pollution?

_____ you _____ cars _____ rated _____ fuel efficiency and air _____?

Can _____ me _____ car _____ emit less pollutants?

_____ are models known _____ emissions and _____.

_____ produce less pollution and have _____?

What _____ are _____ fuel _____?

Can you give _____ list _____ cars _____ good fuel _____?

Which _____ use _____ emit less pollution _____ have a _____?

_____ cars have the _____ pollution and carbon _____?

_____ have _____ fuel efficiency ratings and _____ less pollution _____ carbon footprint?

_____ these _____ with good _____ and low _____ options?

_____ to _____ information on vehicles with superior _____ efficiency _____ pollution _____ a reduced carbon _____.

_____ car _____ the best _____ in less pollution and a _____ footprint?

What _____ lead _____ reduced _____ carbon _____?

Features of automobiles boasting _____?

Let _____ vehicles _____ the _____ eco friendly.

What cars have _____ efficiency _____ pollution and _____ emissions?

Provide information _____ cars _____ fuel _____ ratings _____ in _____ pollution and carbon _____?

_____ vehicle options favored for exceptional _____ mileage, _____ output.

_____ any low _____ autos _____ great fuel efficiency?

_____ tell me which models _____ highest _____ efficiency _____.

Excellent gas _____ reduced pollution and lowered _____ can _____ quality _____.

What _____ models achieve better _____ without _____ pollution _____?

Which _____ models _____ the _____ efficiency ratings, resulting in _____ and _____ carbon footprint?

Which _____ are _____ efficient in _____ of fuel _____ and _____?

_____ vehicles have low _____ pollution _____ emissions?

Which _____ have _____ carbon _____?

Can _____ let us know _____ models _____ the _____ ratings?

_____ you tell me _____ auto options _____ better mileage _____ and _____?

Which auto options _____ figures and _____?

_____ it possible to _____ on vehicles _____ superior fuel _____ pollution and a reduced _____?

Which _____ excel _____ and _____ mileage?

_____ tell _____ about _____ for their superior _____ mileage, as _____ as minimized _____ and _____ emissions.

_____ car _____ have _____ fuel efficiency ratings, _____ pollution _____ a _____ footprint?

Is it possible _____ let _____ know which _____ have the _____?

Which cars _____ carbon footprint _____?

Any _____ outstanding gas mileage _____ low _____?

_____ emit less _____ and _____ lower carbon footprint?

Can you tell _____ what _____ models _____ the highest _____?

_____ that are _____ for fuel efficiency _____ air?

_____ have better _____ economy _____ with reduced carbon _____?

_____ cars with clean _____.

Quality _____ options are preferred _____ gas mileage, _____ and lowered _____.

_____ models known for lower _____ and _____ mileage?

_____ for fuel- economical _____ emission _____

Is _____ car _____ exceptional _____ ratings _____ results _____ lower levels _____ pollution and lower _____ footprint?

_____ lowest emissions and _____ mileage?

Which models provide excellent _____ reduced _____ footprint?

_____ that get _____ gas _____ low pollution levels?

There are _____ fuel- _____.

Does a _____ good mileage _____ low _____ footprint?

_____ good mileage _____ low carbon _____?

Do _____ have _____ that have _____ fuel efficiency, _____ pollution, and _____ footprint?

_____ models _____ mileage _____ lower pollution?

Is _____ any _____ exceptional fuel _____ rating that reduces _____ and _____ footprint?

_____ have superior fuel efficiency and lead _____?

Can _____ me _____ auto options _____ better emissions _____?

_____ of all automobiles, which _____ highest _____ of _____ efficiency while promoting _____?

_____ car models _____ low _____ levels and excellent _____?

Best _____ carbon footprint?

Which _____ are greenest _____ comes _____ efficiency and CO2 _____?

Which _____ the best fuel efficiency _____ as _____ reduced _____ and _____ footprints?

There are models _____ better _____ without causing _____.

Which cars _____ efficiency _____ CO2 _____?

Is it _____ top fuel economy?

Any _____ fuel efficiency?

Which vehicles _____ low _____ eco-friendly?

Can you _____ me _____ cars with good _____.

_____ cars reduce _____ and _____ less _____?

What car _____ have _____ fuel _____ pollution and _____ carbon _____?

_____ you tell me about _____ great fuel _____ pollution levels?

I am wondering if the cars with the _____ emitting less _____ having _____ are _____.

I am _____ in _____ known for their superior gas mileage _____ pollutants _____.

_____ mileage don't cause high levels of _____ pollutant _____.

_____ some _____ models _____ have _____ mileage and lower _____.

_____ models have top-notch _____ economy numbers and _____ environmental _____?

_____ you know _____ reducing pollution?

The _____ best _____ efficiency ratings _____ be highlighted _____ their _____ emissions.

Which cars are _____ less _____ and have _____ footprint?

Which _____ efficiency or CO2 emissions?

I'm interested _____ about _____ that _____ gas mileage _____ pollutants.

Let _____ know _____ less pollution and have _____ efficiency.

_____ you able _____ show me _____ that _____ and good gasoline _____?

Suggestions _____ fuel economical _____ clean _____.

_____ the _____ energy performance?

Can _____ me of car models that emit less _____ to _____?

Which cars _____ the _____ efficiency _____ in _____ levels and _____ smaller carbon _____?

Which cars _____ the best _____ efficiency _____ and _____ and carbon _____?

_____ know _____ cars with top _____?

_____ are _____ for eco-friendly _____ with _____ economy.

_____ you tell me _____ with _____ mileage and _____ levels.

_____ car models _____ top-notch _____ economy _____ minimal _____ due to low pollutant _____ and reduced _____?

_____ car models _____ numbers, implying minimal environmental _____ due to low _____.

Which _____ have _____ fuel economy _____ that correlate _____ carbon _____?

_____ you _____ me _____ with great fuel _____ ratings _____ lower _____?

_____ do their _____ at efficient mileage _____ low _____?

_____ options _____ have high _____ ratings?

_____ a car that has great _____ less _____ and _____ carbon _____?

Is _____ a car _____ less pollution, and a _____ footprint?

Can _____ with the _____ gas _____?

Suggestions _____ cars _____ emission levels?

_____ all _____ show _____ levels of energy _____ promoting cleaner air?

Can you tell _____ public which car _____ the _____?

_____ about _____ with lower _____ levels and _____ fuel _____?

_____ cars _____ the best _____ indicating lower levels _____ pollution?

Which _____ show _____ efficiency scores _____ with reduced _____ and _____ carbon _____?

_____ cars _____ less _____ less fuel?

Cars _____ pollution _____ more _____ efficient?

_____ about vehicles known for _____ superior _____ minimized _____ emissions?

Is _____ a _____ model known _____ lower _____ mileage?

The list of cars with _____ ratings _____ emissions.

Which are _____ efficient mileage and _____ emissions?

_____ models achieve better _____ mileage _____ causing _____ levels _____ air pollutant _____.

I _____ interested in _____ cars _____ have _____ fuel economy, _____ and have a _____ footprint.

_____ cars for low _____!

_____ the model of _____ emissions _____ better mileage?

Is _____ to recommend a car with great _____ less _____ lower _____?

Are _____ that _____ exceptional fuel efficiency ratings that result _____ and _____ carbon _____?

Can you _____ to cars _____ levels and _____ mileage?

Did _____ with excellent fuel _____ ratings result in reduced _____ and _____?

Quality _____ options used _____ gas _____ reduced pollution, _____ lowered _____?

_____ have _____ highest fuel economy _____ implying minimal environmental _____ pollutant emissions?

Can _____ recommend cars _____ fuel _____ ratings _____ minimal _____ impact?

_____ to find eco-friendly _____ top _____.

Cars with better _____ pollution.

Which _____ best _____ efficiency _____ with reduced levels _____ pollution and reduced _____ footprints?

_____ able to give information on vehicles _____ superior fuel efficiency _____ reflecting _____ pollution _____ carbon _____?

_____ with high gas _____ and low pollution _____?

_____ am wondering _____ the cars have _____ economy, emit _____ and _____ a _____ carbon footprint.

Are any _____ with _____ that result _____ levels of pollution _____ carbon footprint?

_____ automobiles show _____ levels _____ energy _____ while promoting _____ air _____ limiting pollutants _____ impact?

Which _____ have _____ fuel economy numbers, _____ minimal _____ to _____ pollutant emissions?

_____ pollution and carbon _____ led by _____ fuel _____.

Is _____ possible to suggest _____ with _____ ratings _____ minimal _____?

Which _____ models have _____ fuel _____ result in lesser pollution _____ smaller carbon _____?

Which vehicles _____ carbon _____?

_____ and carbon emissions are caused _____ fuel _____ of _____.

Seeking _____ better MPG ratings _____ to environment.

_____ best car with the best _____?

Which vehicle models _____ scores, along with reduced _____ pollution and reduced _____?

Quality vehicle options are favored _____ pollution _____ and lowered _____.

_____ models have _____ pollutants, _____ reduce emissions?

What _____ and eco-friendly?

_____ about fuel-_____ cars _____ emissions.

Which _____ have the _____ fuel efficiency ratings, which _____ in _____ a _____ carbon _____?

_____ about vehicles _____ superior fuel _____ minimal _____ and _____ reduced _____ footprint.

_____ you tell _____ which _____ have the _____ fuel efficiency _____?

What _____ are highly _____ eco-friendly?

Which cars _____ highest _____ and _____?

Are there ____ car ____ have ____ highest fuel ____?

Is ____ a ____ of car ____ lower ____ better mileage?

Tell me what cars ____ efficiency ____.

____ to ____ about ____ vehicles known ____ their superior ____ mileage and minimized ____.

____ provide superior mileage, ____ and ____ carbon footprint?

How ____ the best cars ____ emissions ____ footprint ____?

Can you ____ options have ____ mileage ____ lower emissions?

____ cars with ____ fuel ____ highlight low emissions.

____ me about the cars with the ____.

Suggestions for ____ economical ____ with ____

____ are ____ for lower ____ mileage.

Can you ____ about the models with ____ efficiency ____?

Looking ____ gas mileage ____?

Cars ____ have ____ pollution ____ will have better ____?

____ the best ____ efficiency and greenhouse ____ emissions?

Do ____ know the ____ for fuel efficiency?

Cars that ____ lower pollution ____ better ____ efficiency?

____ exceptional fuel efficiency ratings that ____ in lower levels of pollution ____ carbon ____?

____ cars emit ____ pollution, have ____ footprint, and ____ efficient?

Is ____ with good ____ and ____ carbon footprint ____?

Which cars ____ most ____ efficient, ____ and having a ____ footprint?

Which ____ models ____ the ____ fuel ____ numbers, ____ environmental ____ due to low pollutant ____ reduced carbon ____?

____ vehicle ____ excellent gas ____ reduced pollution, ____ lowered ____ output ____ favored?

I ____ the ____ the best ____ economy ____ emit less ____ are the ones ____ a ____ carbon footprint.

____ vehicles with superior ____ efficiency lead ____ reduced pollution ____?

Is it possible to ____ top fuel- ____ and ____ environmental ____?

____ the lowest levels of pollution or ____?

____ vehicles ____ the ____ economy ratings and have ____ emissions?

Cars that ____ pollution levels are ____?

____ recommend cars with ____ efficiency ____ and ____ environmental impact?

Which vehicles have ____ mileage ____?

____ models that give outstanding gas ____ and ____?

____ tell me ____ car models ____ emit less pollutants ____ contribute less ____?

Car ____ can ____ gas ____ without high levels ____ emission.

____ for Fuel-Economic ____ with Clean ____.

____ tell ____ cars with ____ efficiency ratings ____ pollution levels?

____ cars have better fuel efficiency, leading ____ emissions?

____ know that ____ with superior fuel efficiency ____ have ____ and ____ lower ____?

Provide information on ____ that have superior ____ reflecting minimal pollution ____.

Which ____ mileage and lower ____?

What ____ have superior fuel ____ reduced pollution and ____?

Which automobiles do ____ think have the ____ of ____ promoting ____?

____ an eco-friendly ride with ____?

____ emit less ____ less fuel.

____ you ____ me about ____ car ____ with the ____ efficiency ____?

____ models ____ best ____ efficiency ____ as decreased levels of pollution?

Is there ____ car ____ mileage ____ footprint?

Which ____ have ____ economy numbers, ____ minimal ____ damage due to ____ emissions ____ carbon output?

____ models ____ achieve better ____ mileage without ____ levels of ____ emission?

Excellent gas mileage, ____ and lowered ____ are ____ quality vehicle ____.

____ any ____ pollution ____ have great ____ ?
 ____ models ____ the best fuel ____ scores ____ decreased levels ____ ?
 ____ a car model ____ has better mileage ____ ?
 ____ it possible to ____ information ____ cars ____ fuel ____ ____ pollution and a reduced ____ footprint?
 ____ cars have ____ highest ____ energy efficiency ____ by reducing both ____ greenhouse gas impact?
 ____ us ____ of cars ____ the best ____ efficiency ratings?
 ____ cars ____ top-notch fuel economy ____ lower ____ emissions?
 Which ____ fuel economy numbers ____ of ____ pollutant ____ and ____ output?
 ____ there any ____ recommendations ____ have great ____ efficiency, ____ a lower carbon ____ ?
 ____ cars ____ pollutant ____ save fuel?
 ____ automobiles have ____ levels ____ and cleaner air?
 Which vehicles ____ economy ____
 ____ gas mileage, ____ pollution, and lowered ____ favored.
 ____ models ____ highest fuel ____ ratings?
 ____ are rated high for ____ cleaner air.
 ____ to tell ____ car models have ____ highest ____ efficiency ratings.
 ____ with ____ levels of ____ more ____ efficient?
 ____ are ____ that ____ high ____ economy ____ .
 Any vehicles ____ use ____ fuel and ____ ?
 ____ you ____ that ____ are rated ____ fuel ____ and ____ air?
 Are ____ cars ____ fuel ____ ratings along with ____ environmental ____ ?
 ____ economic cars with ____ levels.
 ____ options ____ exceptional ____ mileage, ____ pollution, and lowered CO2 ____ ?
 Which automobile has ____ highest ____ energy ____ while promoting ____ by ____ pollutants ____ greenhouse gas ____ ?
 ____ if ____ that have ____ best ____ economy ____ or have a reduced carbon footprint.
 Let ____ know ____ models ____ the highest fuel ____ .
 ____ us about cars that ____ excellent fuel ____ and lower ____ ?
 Which ____ the ____ fuel efficiency ____ ?
 ____ recommendations ____ great fuel efficiency, ____ pollution, ____ lower carbon ____ .
 ____ are vehicles ____ excel at efficient ____ low ____ .
 ____ vehicles ____ best ____ emissions?
 ____ mileage, reduced pollution, and ____ CO2 output are ____ car ____ ?
 Which cars ____ save fuel?
 Which vehicle ____ have ____ lowest levels ____ well as the ____ fuel ____ ?
 Which ____ have the ____ levels of ____ highest levels ____ efficiency?
 ____ car ____ show ____ fuel economy ____ low ____ and reduced carbon output?
 ____ know ____ rated high ____ fuel efficiency ____ cleaner air?
 Wondering ____ that will ensure ____ fuel ____ and minimize ____ .
 ____ the best fuel ____ low emissions?
 Do you know cars that ____ in ____ efficiency ____ ?
 ____ if ____ are any cars ____ exceptional ____ ratings ____ result ____ lower ____ of pollution.
 What ____ fuel efficiency ratings?
 Which ____ have ____ efficiency, leading ____ reduced ____ ?
 A list of ____ with ____ fuel ____ highlight their ____ .
 Are there the ____ cars ____ ?
 ____ about ____ with ____ fuel efficiency ratings ____ in ____ pollution and carbon ____ useful.
 ____ excel in ____ efficiency ____ pollution?
 Do you know if ____ high for ____ air ____ ?
 Which ____ have ____ lowest ____ and ____ ?
 What car ____ think have the ____ fuel ____ ?

_____ know that _____ with good _____ ratings _____ reduced pollution and carbon _____?
 Which _____ mileage, _____ pollutants and reduce _____ footprints?
 Out _____ all _____ which _____ have the _____ levels _____ energy _____ and _____?
 _____ there a _____ for _____ emissions?
 Suggestions for _____ with clean _____.
 _____ vehicles _____ to a reduction _____ pollution _____ emissions?
 Looking _____ cars _____ gas mileage?
 Did any _____ efficiency _____ that resulted _____ levels of pollution?
 _____ best fuel _____ and _____ levels of pollution?
 _____ emit the least _____ and _____ the least _____?
 _____ have _____ best fuel _____ ratings, _____ levels _____ pollution _____ reduced carbon footprint?
 _____ me _____ with high fuel _____ ratings and lower _____ levels?
 _____ of _____ the _____ levels _____ energy _____ and cleaner air?
 _____ models _____ an _____ gas mileage and low _____ levels?
 Which _____ display _____ efficiency _____ accompanied by decreased levels of pollution and _____?
 Is it possible _____ give information on _____ efficiency _____ reduced _____ footprint?
 I would _____ which auto _____ better _____ figures _____ lower environmental _____.
 Which _____ the _____ the highest _____ efficiency and cleaner _____?
 _____ tell me the models that _____ fuel efficiency _____.
 _____ low _____ autos that have _____?
 Can you _____ us information _____ cars _____ efficiency _____?
 I am curious _____ cars that _____ the _____ economy, emitting _____ pollution, _____ reduced _____ footprint.
 _____ cars _____ less fuel _____ have _____ pollution and _____?
 _____ have _____ best _____ with less _____ levels and a _____ carbon footprint?
 Which vehicles _____ efficiency scores _____ levels of _____ reduced carbon footprints?
 _____ there any _____ of car _____ outstanding gas _____ and low _____?
 _____ fuel efficiency _____ a _____ cars with lower _____.
 Do you know _____ there _____ cars _____ fuel efficiency _____ result in lower _____?
 _____ are suggestions _____ fuel-economic _____ with clean _____.
 Do _____ know which _____ mileage figures?
 _____ regarding low-polluting, fuel-saving _____?
 Are _____ any _____ recommendations _____ better _____ efficiency, less pollution, _____ lower _____?
 Do _____ car models have _____ gas _____ or _____?
 Do you know about _____ for their superior _____ mileage _____ pollutants _____ carbon _____?
 Are you _____ for _____ the _____ gas _____ and _____?
 _____ me which vehicles _____ most _____ pollution.
 _____ are the most fuel-efficient, _____ less _____ and _____ a smaller _____?
 Can _____ tell me _____ with _____ levels _____ gasoline mileage?
 _____ for _____ clean emission levels?
 _____ use fuel more _____?
 _____ know of cars that _____ top fuel-efficient _____ environmental _____?
 _____ you give me _____ on _____ excellent fuel _____?
 _____ vehicles have _____ highest efficiency _____?
 Let _____ know which _____ for _____ reduction.
 _____ you know _____ cars _____ best for _____ efficiency?
 _____ you tell _____ that _____ superior _____ as _____ as minimized pollutants?
 Can you tell _____ which _____ options have the better _____?
 Do you _____ a _____ that _____ the best _____ mileage, _____?
 _____ interested in the _____ known for their _____ pollutants.
 What car models _____ better gas _____ air _____?

____ cars have the best ____ ratings ____ of pollution?
 ____ is ____ best at reducing ____?
 ____ to share which ____ have ____ highest fuel ____ ratings.
 ____ high for fuel ____?
 ____ vehicles display top-notch ____?
 ____ with outstanding gas ____ pollution levels?
 ____ automobiles have the highest ____ efficiency while promoting ____ air ____ both pollutants ____ gas ____?
 Which ____ better ____ CO2 emissions?
 ____ fuel efficiency and cleaner ____?
 ____ are ____ vehicles ____ efficient mileage and ____ emissions?
 ____ we suggest cars ____ top fuel-efficient ratings ____?
 Which cars have ____ greatest fuel ____ carbon ____?
 ____ cars that ____ lower ____ better mileage.
 ____ possible to ____ cars with ____ fuel-efficiency ratings ____ impact?
 ____ less pollution and ____ minimum CO2 ____ possible ____?
 Which ____ less pollution, is more ____ has ____ smaller carbon ____?
 ____ pollution ____ with great ____ efficiency?
 ____ pollution cars ____ fuel ____.
 Which ____ have ____ lower ____ and reduce carbon ____?
 ____ know which vehicles ____ the ____.
 Which cars are ____ in fuel ____ CO2 ____?
 Which ____ top-notch fuel ____ implying minimal environmental ____ to low ____ emissions ____ carbon output?
 ____ which cars ____ great fuel ____.
 ____ car with an ____ fuel efficiency ____ that ____ and carbon ____?
 Can ____ tell ____ if ____ models emit ____ pollutants ____ less ____ change?
 Which ____ models ____ top-notch fuel economy ____ and ____ minimal ____ due ____ emissions?
 ____ are ____ vehicles ____ fuel efficiency?
 ____ cars ____ have high ratings ____?
 Which models achieve better ____ high levels ____ emissions?
 Which cars ____ best ____ efficiency ____ lower levels of pollution ____ reduced ____?
 ____ tell me which ____ the ____ fuel efficiency ____?
 Which ____ the best fuel ____ ratings, ____ lower levels ____ pollution ____ reduced ____?
 ____ automobiles have the ____ efficiency while promoting ____ and ____ pollutants?
 ____ you ____ fuel efficient ____ and minimal environmental impact?
 ____ have a better ____ than ____?
 ____ car ____ have ____ fuel ____ numbers, ____ minimal environmental ____ low pollutant ____ and reduced carbon ____?
 ____ information ____ cars with ____ efficiency ____ result ____ reduced pollution and ____ emissions?
 Tell ____ cars ____ impressive fuel ____.
 ____ you know ____ car ____ have the ____ fuel ____?
 ____ car models ____ gas ____ or low ____ levels?
 ____ know ____ good ____ efficiency ratings ____ reduced ____ and carbon emissions?
 ____ cars have ____ levels of ____ and lower ____?
 Which cars ____ the ____ low ____?
 ____ car ____ have ____ gas ____ or low pollution ____?
 ____ vehicle models ____ the best ____ efficiency ____ along with ____ levels ____ and reduced ____?
 Which ____ emits less ____ and ____?
 Which ____ show good ____?
 ____ you give us ____ vehicles with ____ ratings?
 There ____ known ____ their superior gas ____ as ____ as ____.
 Are ____ any ____ that ____ exceptional fuel ____ ratings ____ result ____ a lower ____?

_____ gas _____ and low pollution levels?

_____ eco-friendly and have _____ pollution _____?

Is there _____ that _____ exceptional fuel _____ ratings _____ result _____ less _____?

Which cars _____ lowest levels _____ pollution _____ emissions?

_____ you have information _____ cars with _____ ratings?

Which _____ low levels of pollution _____ carbon _____?

Better _____ efficiency may be _____ by cars _____.

_____ vehicle _____ the best fuel _____ along _____ of pollution and less carbon _____?

_____ the _____ best fuel _____ ratings?

_____ for _____ cars with _____ emissions.

_____ vehicles boasting good _____?

Did you know _____ known _____ superior gas _____ and _____?

Which _____ have _____ efficiency _____ emissions?

Which _____ emit _____ others _____ have _____ smaller carbon footprint?

_____ suggest _____ that have _____ ratings for fuel _____ minimal environmental _____?

_____ model cars _____ better gas mileage _____?

Which car _____ have top-notch _____ economy _____ don't damage _____?

_____ car _____ show _____ fuel economy _____ with _____ to low pollutant emissions?

_____ car models _____ have _____ environmental _____ due to _____ pollutant emissions _____ carbon _____?

Could you tell _____ known for their _____ as _____ as _____ pollutants and carbon _____?

Is _____ possible _____ provide _____ on vehicles _____ fuel efficiency ratings and _____ carbon _____?

Which cars have _____ fuel economy numbers that show _____ low _____ and _____ carbon _____?

The best _____ for _____ footprint- reduction.

_____ cars have good fuel efficiency _____ levels _____?

Which car models show _____ fuel _____ damage due _____ low pollutant emissions _____ carbon _____?

Which _____ models have the _____ ratings, _____ pollution _____ and _____ smaller carbon _____?

_____ automobiles show _____ energy efficiency while _____ cleaner air and _____ impact?

Any _____ a high _____ rating?

_____ high fuel _____ ratings?

_____ tell me about which car _____ have _____ highest _____?

The fuel _____ ratings _____ vehicles _____ reduced carbon _____?

Which _____ highest _____ and low _____?

_____ me which _____ are _____ for _____ pollution.

Which _____ are _____?

The _____ that _____ emitting _____ and having _____ reduced _____ are the ones _____ I am wondering about.

There are some models _____ are _____.

Which _____ excel _____ low levels _____ pollution and _____ emissions?

Can you _____ the model that _____ the highest _____?

Cars _____ have _____ efficiency?

Do _____ have any suggestions _____ cars _____ fuel-efficiency ratings _____ minimal _____?

The best _____ fuel _____ have lower levels _____.

_____ for _____ Cars _____ Emission Levels?

Best _____ emissions _____ carbon footprint _____?

_____ vehicles _____ topnotch fuel _____?

_____ the _____ efficiency scores with the least amount _____ pollution?

Which vehicle _____ show the _____ scores with reduced _____ carbon _____?

Which _____ the _____ energy efficiency while _____ cleaner _____ minimizing _____ gas impact?

Are _____ for _____ car with the _____ mileage?

Cars _____ pollution, better _____?

Which cars have top-notch _____ economy numbers _____ minimal _____ low pollutant emissions and _____?

Is ____ a model ____ car ____ known ____ and better MPG?
 ____ which ____ the best job at reducing ____.
 ____ for ____ cars ____ clean emission ____.

Which ____ had ____ best fuel ____?
 ____ there ____ car recommendation with great ____ efficiency, ____ pollution, ____ lower ____?
 ____ there ____ cars that have ____ fuel efficiency ____?
 ____ eco-friendly rides ____ top fuel ____?
 ____ of ____ vehicles have ____ fuel ____?

I'm curious ____ cars that have ____ less pollution ____ reduced carbon footprint.
 There are models that ____ known ____ emissions ____ gas ____.
 ____ car models ____ top-notch ____ numbers, with minimal environmental ____ to ____ pollutant ____ carbon
 output?

Which ____ have best ____?
 Which ____ are ____ fuel ____ with ____?
 ____ options ____ for their gas ____ pollution, and ____ CO2 ____?

Which ____ top ____ for fuel ____?
 Let me ____ efficient ____ on the road.
 ____ you tell ____ about cars ____ have excellent ____?
 ____ greenest car in terms ____ and CO2 ____?
 ____ any ____ model have outstanding ____ mileage and ____?

Which ____ do their ____ at ____?
 Which cars ____ higher ____?
 ____ vehicles ____ fuel efficiency ____ result ____ reduced pollution ____ emissions?
 Can ____ tell me ____ cars ____ top fuel-efficient ____ minimal ____?
 ____ cars emit ____ and have ____ smaller carbon footprint ____ fuel ____?
 ____ cars have the ____ fuel consumption ____?
 ____ cars ____ the ____ pollution ____ emissions?

Which cars ____ less ____ fuel efficiency?
 ____ curious ____ vehicles known ____ their superior ____ mileage, ____ pollutants and carbon ____.
 ____ for a car ____ has ____ mileage?

What ____ could you give ____ vehicles ____ superior fuel ____ pollution ____ a reduced ____ footprint?
 ____ car ____ emissions?
 ____ top-notch ____ economy numbers, implying minimal ____ due to ____ and reduced carbon output?
 ____ cars ____ optimal fuel ____ ratings ____ highlight low ____

Are there ____ that ____ excellent fuel efficiency ____ in reduced pollution ____?
 ____ cars ____ the best ____ reduced carbon emissions?
 ____ and carbon ____ be achieved if ____ boast ____ efficiency.

Which ____ have ____ that correlate ____ reduced ____ emissions?
 Which ____ emits ____ and ____ less ____ footprint?
 There are cars ____ great fuel ____ ratings ____ in reduced ____.

Can you tell ____ car models ____ fuel ____ ratings.
 ____ emit ____ and have a lower carbon ____?
 I ____ to know ____ vehicles ____ their ____ gas ____ and minimized ____.

What ____ achieve better ____ while ____ causing high ____ of ____?
 Tell ____ have a ____ fuel ____.
 ____ you ____ with top fuel-efficiency ratings and ____?

What ____ have ____ fuel efficiency that ____ pollution?
 ____ car ____ excel at gas ____ low pollution?
 ____ at low emissions?
 ____ emits less ____ and ____ a ____ carbon ____ more fuel efficient?
 ____ have the highest ____ efficiency while ____ and reducing pollutants?

Out ____ all ____ ones ____ the greatest ____ energy ____ while ____ cleaner air?
 ____ cars that ____ the best fuel ____ emitting less pollution ____ having ____ reduced ____ footprint.
 Which ____ cars for ____ emissions?
 ____ any car ____ that ____ known ____ and better mileage?
 ____ with exceptional fuel ____ that ____ less ____ and less carbon footprint.
 Cars ____ lower ____ and ____ fuel ____?
 Which ____ the better fuel ____ result ____ less pollution?
 Which car ____ top-notch ____ numbers, ____ less ____ damage ____ to low pollutant emissions and ____?
 ____ there ____ with ____ mileage and low carbon ____?
 Do ____ that ____ high for fuel efficiency ____ air?
 ____ vehicle options that offer ____ mileage, ____ pollution, ____ lowered CO2 ____?
 ____ lower pollution levels are ____ fuel efficiency.
 Seeking ____ better ____ ratings ____ to the environment.
 ____ emit ____ pollution ____ have ____ carbon footprints?
 Can ____ recommend a car ____ pollution, and ____ carbon footprint?
 ____ you know Cars ____ high ____ efficiency and ____?
 Which models ____ good mileage, ____ lower carbon ____?
 Are ____ cars ____ exceptional ____ efficiency ____ lead to lower levels ____ pollution?
 Which vehicle models ____ the ____ efficiency scores along ____ and reduced ____?
 Suggestions ____ cars ____ cleaner ____.
 ____ achieve better gas ____ without causing air ____?
 The ____ car ____ emissions and carbon ____?
 Do there ____ fuel ____ ratings ____ result ____ lower levels of ____?
 ____ there ____ auto option ____ has ____ mileage figures ____ environmental ____?
 Reducing pollution ____ emissions can ____ by vehicles ____ fuel ____.
 Can ____ provide ____ on cars ____ efficiency ratings ____ lower ____ levels?
 Can ____ tell me ____ auto ____ mileage figures?
 ____ models that ____ gas ____ and low levels ____ pollution?
 ____ you ____ the car ____ emit ____ pollutants ____ less to climate change?
 Can you tell ____ which cars to ____ good gasoline mileage?
 Which ____ are best ____ low emissions and ____?
 ____ a car model with ____ better MPG?
 Which vehicles ____ low ____ efficient?
 Is ____ any low-pollution ____ that ____ fuel ____?
 What ____ have ____ fuel ____ that ____ less pollution ____ emissions?
 ____ reduced pollution, ____ lowered CO2 ____ should ____ favored by ____ vehicle ____.
 ____ recommendations have better ____ pollution, ____ lower carbon footprint?
 ____ there any cars ____ exceptional fuel ____ that result in ____ pollution ____ carbon footprint?
 ____ low ____ of pollution and carbon ____?
 Out ____ which ones ____ the highest ____ of energy ____ and ____?
 Which cars ____ most ____ emitting ____ pollution and ____ smaller ____?
 recommendations with ____ efficiency, less ____ and lower ____?
 How ____ sharing ____ models ____ the ____ efficiency ratings?
 Do you know ____ are ____ for ____?
 Can you ____ which ____ have ____ highest ____ for fuel ____?
 Which car ____ have ____ fuel ____ ratings, ____ in ____ pollution ____ smaller carbon ____?
 ____ vehicles ____ eco-friendly and ____ pollution?
 ____ me which ____ is best ____.
 Any ____ autos ____ great fuel ____?
 Are ____ for vehicles ____ economy?

What vehicles _____ efficiency _____ to reduced pollution?
_____ that have high _____ and low _____ levels?
_____ you _____ me to _____ with low emission levels _____ good _____?
There are _____ that are _____ for their _____.
Can _____ tell me _____ of _____ have _____ fuel efficiency _____?
_____ you _____ of a _____ of _____ with _____ fuel _____ ratings?
What car models achieve better _____ without _____ higher _____?
I _____ wondering if _____ tell _____ about _____ known for their _____ gas mileage _____.
_____ some _____ options _____ have _____ fuel economy ratings.
Out of all _____ have high levels _____ energy _____ while _____?
_____ auto _____ have superior _____ and _____ environmental impact?
Which automobiles show _____ levels of energy _____ while _____ by _____ pollutants and _____ gas _____?
_____ like to know which vehicles _____ known for _____.
Which vehicle models _____ fuel _____ a _____ in pollution and _____ footprints?
Any recommendations _____ cars that have better _____ efficiency, _____ pollution, _____?
Which _____ models show _____ fuel efficiency scores _____ least levels _____ footprints?
Which _____ low _____ of pollution _____ carbon _____?
I _____ are any _____ with exceptional fuel efficiency _____ that result _____ lower _____ pollution.
Interested in _____ fuel economy?
Do you know _____ models _____ the _____ efficiency _____?
_____ emit _____ pollution and have _____ smaller carbon _____?
_____ cars _____ mileage and low _____ options?
_____ automobiles show _____ greatest _____ of _____ efficiency _____ air?
Are _____ cars with good _____ pollution levels?
_____ fuel efficiency ratings, _____ pollution and a smaller carbon footprint?
_____ cars emit _____ and _____ fuel?
_____ to reduce _____ carbon footprint?
Which car _____ better fuel efficiency _____ and result _____?
_____ cars that have _____ efficiency?
_____ their fuel efficiency?
_____ are favored for _____ gas mileage, _____ and _____ CO2 output?
_____ models provide excellent _____ lower pollutants _____ footprints?
What _____ the _____ cars _____ and CO2 emissions?
_____ excel in _____ efficiency, with low _____ of _____?
Excellent gas _____ pollution and _____ CO2 _____ be found _____ quality _____.
Does _____ know of _____ cars with _____ ratings that result _____ lower levels _____ and _____ footprint?
Quality vehicle _____ gas _____ pollution, and lowered CO2 _____?
Which _____ models _____ the _____ efficiency ratings _____ in less _____ and _____ carbon footprint?
_____ fuel-economic _____ with low _____?
Tell me _____ cars _____ have _____ ratings _____ result _____ reduced pollution and _____.
Tell _____ have _____ efficient rates.
_____ car models achieve better gas mileage _____ levels _____?
Any models _____ with _____ gas mileage _____ pollution _____?
Which _____ emit _____ pollution, and _____ footprint, _____ the most fuel _____?
Do you _____ the _____ are for _____?
Are _____ cars with excellent _____ efficiency _____ result _____ pollution?
What _____ better gas _____ without _____ air pollution?
What _____ achieve better gas _____ causing _____?
_____ car models have _____ economy _____ minimal environmental _____ due _____ low _____ and reduced _____ output?
_____ am _____ about _____ that _____ fuel _____ and emit less pollution.

Can you tell _____ which _____ options _____ best _____?

_____ models have the best fuel _____ pollution?

_____ which cars have _____ fuel _____.

Can _____ cars with top _____ ratings?

_____ the best gas _____?

Do _____ know _____ that _____ fuel _____ that result in lower _____ of pollution?

Which _____ have _____ mileage, reduce _____ and reduce _____?

_____ vehicles _____ fuel _____ eco-friendly?

_____ me about _____ excellent fuel _____ result _____ pollution and carbon emissions.

_____ featuring _____ boasting _____ defined via _____?

_____ like to know _____ vehicles _____ best _____ pollution.

_____ gas _____ pollution, and lowered CO2 _____ are _____ options are _____ for?

Do _____ know _____ cars are rated _____ for fuel _____?

I need _____ which _____ have _____ and lower environmental impact.

_____ vehicles provide _____ best _____ economy _____?

Which vehicle _____ have the _____ efficiency _____ and show _____ pollution _____ well _____ less _____?

Cars with _____ best fuel efficiency _____ pollution _____ reduced _____ footprint.

_____ cars are highly _____?

How about cars _____ efficient _____ and _____ impact?

_____ car models with _____ fuel _____ ratings _____ result _____ and _____ smaller carbon footprint?

_____ models achieve better _____ mileage without _____ levels _____ air pollutant _____?

Is there _____ car _____ have _____ and _____ pollution levels?

_____ have good mileage, lower pollutants _____ footprint?

Can you _____ us about cars _____ good _____ efficiency _____ levels?

_____ me _____ most fuel efficient _____.

Which vehicle models have the best _____ along _____ of _____ carbon footprints?

_____ car _____ the best when it comes _____ and _____ levels?

_____ vehicle _____ display _____ efficiency scores and _____ less pollution?

Which _____ models show _____ efficiency scores _____ less pollution _____ less carbon _____?

_____ you _____ cars _____ have _____ fuel- _____ ratings _____ minimal environmental _____?

_____ that have good _____ carbon footprint options.

_____ there a _____ recommendation that _____ efficiency, less _____ lower carbon _____?

_____ recommendations have _____ fuel efficiency _____ pollution?

_____ vehicles produce _____ ratings?

_____ have _____ fuel efficiency ratings _____ comes to _____ and _____ footprints?

Is _____ you can tell _____ cars _____ excellent fuel _____ ratings that _____ in _____ pollution _____ emissions?

I _____ the best fuel economy emit less pollution _____ a reduced _____ footprint.

Inform us about cars _____ good _____ efficiency _____ that _____ reduced _____ and _____?

Can _____ about _____ with _____ fuel _____ ratings and less _____?

_____ for _____ mileage and pollution?

_____ show _____ fuel economy _____?

Look for _____ defined _____ strong _____.

_____ emit _____ footprint, and are the most fuel efficient?

How _____ vehicles _____ gas mileage, as well as _____?

_____ vehicles have _____ and highest _____?

_____ car _____ have _____ mileage _____ high levels of _____?

Can _____ information about _____ that have _____ fuel _____ ratings?

Which _____ exhibit top-notch fuel economy _____ implying _____ from low _____ carbon output?

Which models _____ fuel efficiency scores _____ decreased levels _____ pollution _____ footprints?

_____ could _____ about the vehicles _____ for _____ superior gas _____.

_____ you know _____ emit minimal _____ and contribute less _____ change?
 Is _____ highly fuel efficient and eco-friendly?
 _____ of _____ cars, _____ have _____ highest _____ of energy efficiency and _____?
 Which _____ have _____ best fuel _____ ratings _____ result in less _____ footprint?
 _____ want to _____ if the cars _____ the _____ economy, emit less _____ and _____ a reduced _____ right ones.
 _____ vehicles _____ the best _____ ratings?
 Is _____ possible _____ that _____ top fuel-efficient ratings and _____ impact?
 Is it _____ cars with _____ efficiency _____ that _____ in reduced pollution _____ carbon emissions?
 Is there _____ that _____ the _____ economy, emitting less _____ and _____ a _____ footprint?
 Looking _____ rides that _____ with _____ economy?
 _____ more efficient _____ mileage _____ emissions?
 _____ cars are _____ efficient, _____ pollution _____ a smaller carbon footprint.
 _____ it possible _____ information on vehicles with better _____ ratings, _____ minimal pollution _____ carbon _____?
 _____ car _____ with _____ fuel efficiency, less _____ and a lower _____?
 Out of _____ which _____ are the _____ energy _____ promote cleaner _____?
 Which _____ greatest _____ lowest emissions?
 Which vehicles _____ the best fuel _____ with _____ of _____ reduced carbon _____?
 What are _____ cars _____ emissions?
 _____ suggest _____ that have top _____ ratings and minimal environmental _____?
 I _____ if fuel- _____ reduce pollution.
 Suggestions of _____ clean emission _____.
 Which cars _____ of pollution with _____ efficiency?
 Are _____ cars _____ have _____ fuel efficiency ratings _____ result _____ reduction _____ pollution?
 _____ on cars with excellent fuel _____ helpful.
 Is it possible _____ vehicles _____ have _____ fuel efficiency _____ and _____ pollution?
 _____ car _____ have better fuel _____ ratings, resulting _____ less _____ lower carbon _____?
 Do _____ know _____ fuel efficiency _____ in lower levels _____ and reduced carbon footprint?
 Can you _____ with _____ ratings and _____ impact?
 _____ you _____ me _____ cars _____ low _____ levels and _____ mileage?
 _____ want eco-friendly rides _____ top fuel _____?
 _____ cars have the best _____ ratings _____ show _____ reduction _____?
 Which _____ use _____ emit less pollution?
 _____ automobiles _____ the highest _____ of _____ efficiency, cleaner _____ and greenhouse _____?
 Which _____ levels _____ energy _____ while _____ cleaner _____ and reducing pollutants?
 _____ for eco-friendly rides _____ have _____ top _____?
 _____ car models achieve _____?
 Suggestions _____ with _____ emission levels?
 _____ are fuel _____ and emit _____?
 _____ regarding _____ clean emission levels.
 _____ perform best at _____ and efficient _____?
 Which cars use _____ save _____?
 Suggestions _____ cars _____ clean emission _____.
 Which _____ models display the _____ fuel _____ scores _____ with _____ in _____ a _____ carbon footprints?
 _____ gas _____ and lowered _____ are _____ of the benefits of quality _____.
 _____ are _____ most _____ in _____ of fuel efficiency?
 _____ the most efficient in terms of _____.
 What _____ have _____ fuel efficiency _____ to reduced _____ carbon _____?
 Which _____ terms _____ mileage and _____?
 How _____ with good _____ ratings and _____ pollution _____?
 _____ tell _____ cars that _____ low _____ levels and _____ gas mileage?

_____ you tell _____ models that _____ the highest fuel _____ ratings?

_____ some _____ the highest fuel _____ ratings?

_____ models _____ better gas _____ high levels of _____?

_____ am _____ in _____ less pollution and have _____ fuel economy.

Tell _____ cars produce less pollution and _____ better _____.

_____ are more _____ thrifty?

_____ with high _____ cleaner air?

Can _____ me _____ cars _____ the highest fuel efficiency _____?

Which _____ have the _____ mileage, lower pollutants _____?

What cars _____ fuel _____?

_____ you _____ have great _____ efficiency, _____ and a lower carbon _____?

_____ cars emit less pollution, _____ fuel- efficient, _____ a smaller _____?

_____ are _____ cars _____ have lower _____.

_____ on fuel- economical cars _____.

_____ me _____ the cars that _____ fuel efficiency _____.

Which _____ models have _____ fuel _____ numbers, _____ environmental _____ low pollutant emissions _____ reduced carbon _____?

_____ vehicles have superior fuel _____ reduced _____ and carbon _____?

_____ automobiles _____ defined _____ strong mpg/rate?

Looking for cars _____?

What car _____ have _____ without causing _____ levels of _____ emissions?

Do you _____ have better gas _____ and lower _____?

_____ you tell _____ vehicles with _____ efficiency ratings, reflecting _____ and _____ reduced carbon _____?

Which _____ mileage _____ low emissions?

_____ about _____ for _____ gas mileage and minimized pollutants?

_____ cars are _____ save fuel?

_____ with better gas _____.

_____ have top _____ economy _____.

What _____ are more _____ than _____?

Which _____ pollution and have _____ footprint _____ more fuel- efficient?

Is your _____ rated high _____ and cleaner _____?

Which _____ the best _____ of fuel efficiency _____?

Is _____ any car that has _____ ratings that _____ result _____ lower _____ of _____ lower carbon _____?

_____ cars perform the _____ terms _____ efficiency and CO2 _____?

Wondering about fuel economy _____.

_____ many cars _____ efficiency ratings that result _____ levels _____ pollution _____ decreased _____ footprint?

Which _____ fuel-saving?

_____ am looking for a list _____ efficiency ratings.

Do you know _____ any _____ exceptional _____ ratings _____ lower _____ of pollution _____ decreased carbon _____?

Can you _____ list of cars with optimal _____?

Are you _____ a car _____ gas _____ and emissions?

Which _____ show _____ fuel economy numbers and _____ environmental _____?

_____ cars are _____ for _____ efficiency?

_____ models achieve better gas _____ not causing _____ emission?

Which _____ models give _____ efficiency ratings, with _____ pollution and _____ carbon _____?

_____ vehicle models _____ best _____ efficiency scores _____ pollution and _____ footprints?

Suggestions _____ Fuel-economic _____ clean _____ levels.

Is _____ possible to suggest cars _____ efficient _____ and _____ impact?

_____ you know the most efficient _____?

_____ a car _____ has _____ less _____ and lower carbon footprint?

_____ the _____ efficiency scores with reduced _____ pollution and _____ carbon footprints?

Can _____ me which _____ have better mileage _____ environmental _____?

Car _____ fuel _____ and _____ air?

_____ of _____ automobiles, which _____ have _____ highest _____ energy efficiency _____ air?

_____ are emitting less _____ and _____ less CO2 _____ picks.

Can any _____ efficiency _____ that result in lower _____ and decreased carbon _____?

_____ emit less pollution and _____ a _____ footprint _____ the _____?

Which models have _____ mileage, lower pollutants _____?

_____ wondering _____ the _____ fuel _____ emit less _____ and have a reduced carbon footprint.

_____ options _____ ensure optimal fuel economy _____ emissions.

_____ you know whether cars _____ high for _____?

_____ there _____ auto options _____ have _____ and _____ environmental impact?

_____ cars _____ low _____ of pollution, _____ and fuel _____?

Can _____ tell me where to find _____ emission _____ good _____ mileage?

_____ cars _____ pollution, have a _____ are most fuel-efficient?

Which car _____ the _____ gas _____ and _____ pollution _____?

_____ recommendations for cars that have _____ less pollution, _____ footprints?

_____ show _____ efficiency scores along _____ a _____ in pollution and a reduction _____ footprints?

Which _____ remarkable _____ of _____ while promoting cleaner _____ reducing _____ gases?

_____ there any _____ that _____ fuel _____ ratings that _____ in _____ decreased _____ footprint?

_____ you _____ me _____ cars _____ emit _____ and _____ less _____ climate change?

Which vehicle _____ best _____ efficiency _____ combined _____ levels _____ and reduced carbon footprints?

_____ tell me the _____ models _____ have the _____ ratings.

Can you _____ emission levels and good gasoline _____?

What _____ top fuel-efficient _____ minimal environmental impact?
