

[Demo] NLP Dataset for Customer Service Automation

| | |
|----------------------|--|
| Company Type | Mobile Network Operators |
| Inquiry Category | Network outages and service disruptions |
| Inquiry Sub-Category | No network coverage |
| Description | Customers may encounter areas where there is no network coverage at all, preventing any form of communication. |
| Data Size | 8,672 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ does it _____ before full mobile service resumes _____ such _____?

What is _____ average duration _____ a _____ phone _____?

_____ usual cell _____ restored how _____?

Normally, _____ long does _____ to be restored?

_____ long _____ cell service?

_____ it possible _____ estimate _____ full _____ resumed period?

_____ does _____ mobile _____ come back _____?

Is the _____ normal _____ come _____?

How _____ will _____ for cell _____ to _____ back?

_____ you know _____ long _____ a wireless _____ to _____ back to _____?

_____ long _____ it usually takes for _____ mobile service _____?

Do you _____ it _____ for wireless _____ recover _____ the incidents?

Within what _____ period _____ coverage _____ back to _____?

Do _____ know _____ time it _____ for normal _____ service _____ be _____?

_____ is _____ amount of _____ for _____ service to _____?

_____ average duration before the _____?

When will the _____ of _____ coverage _____ an _____?

_____ before regular cell coverage _____?

_____ long until _____ services _____?

What is _____ typical _____ service to recover?

Usually, _____ time _____ for _____ service.

_____ long does _____ for _____ cellular _____ to restart?

_____ it before _____ mobile service _____ restored?

_____ duration until normal _____ revive?

_____ long _____ mobile _____ fully _____?

When full _____ attention _____ such _____ how long?

_____ service _____ interrupted, _____ long it _____ for _____ return to full coverage.

_____ you tell _____ takes to fully restore _____ network?

_____ long will _____ phone to _____ after one of these annoying _____?

After _____ what is the typical duration before _____?

____ long does it ____ take for normal ____ to ____ following ____ ?
 ____ is the ____ mobile services ____ return?
 Can you tell ____ how ____ will take for ____ phone ____ normal ____ major outage?
 Do ____ know how ____ it ____ for normal ____ resume ____ outage?
 ____ is ____ for the cellular networks ____ return ____ ?
 ____ long does ____ take ____ service ____ resume ____ similar downtimes?
 How ____ it take for mobile ____ to ____ ?
