

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Gas meter relocation requests
Inquiry Sub-Category	Meter Relocation for Home Renovations
Description	Customers requesting to relocate their gas meter due to home renovations or remodeling projects, requiring the meter to be moved to a different location on the property.
Data Size	5,232 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Will relocating _____ affect _____ accuracy or functionality during _____?
_____ the _____ of our gas _____ by our _____?

Is _____ meter impacting accuracy _____?
_____ the _____ the _____ by relocation when renovation work _____ taking _____?
_____ gas meters are _____ can _____ accuracy?

Will _____ gas _____ affect _____ accuracy and _____ of _____ renovation?
How _____ of the gas meter affect _____ accuracy _____?
_____ will gas meter _____ mess _____ accuracy?
_____ gas meter's accuracy and _____ be _____ when relocated _____ work.

Is it possible the gas meter's _____ could _____?
_____ the renovation work, _____ relocation _____ the _____ meter _____ negative impact?
Will the work affect _____ relocated?

It's possible thatRelocating _____ gas meter _____ renovation _____ and accuracy.
_____ possible that the gas _____ accuracy _____ function will _____ relocations _____.

The _____ altered by relocation _____ renovation work.

While renovation _____ takes place, _____ the _____ of _____ affect _____ or _____?
_____ it _____ meter's _____ will be changed _____ relocations take place?

The gas meter's _____ may _____ changed _____ renovation _____.
_____ moving _____ gas _____ affect its efficiency during _____?

The function and _____ meter may be _____ byRelocating it _____.
_____ meters _____ relocated Will the work _____?

Is it _____ problem to move _____ during _____.
_____ moving the _____ affect _____ of remodeling?

Is _____ gas meter's accuracy _____ function _____ be altered when _____?
_____ affect _____ meter _____ the renovations?
_____ meter's accuracy and _____ by relocation during _____ renovation work.
_____ we work on _____ what effect _____ shifting _____ meter _____ accuracy?

Is _____ the _____ meter's _____ and function will be _____ it _____ a renovation work?

Is moving the natural gas _____ fixing _____?

____ it possible that ____ will mess up ____?
 When ____ take ____ it possible the gas ____ function ____ altered?
 ____ the gas meter ____ for ____ work?
 Do the renovations affect the ____ of ____ gas ____?
 Is the gas ____ be changed ____ renovation work?
 ____ gas meter's function and accuracy ____ be affected ____?
 Does ____ the gas ____ its ____ while renovation work ____ place?
 ____ position ____ our gas ____ change ____ of ____ renovations?
 Is it possible ____ be altered ____ a ____?
 Is ____ the ____ meter ____ to cause ____?
 ____ possible ____ the ____ accuracy ____ be affected by relocation.
 ____ will ____ the gas ____ affect its performance ____ work ____?
 How ____ gas ____ affect the accuracy of ____?
 Does ____ meter affect accuracy or ____ in ____?
 ____ it possible ____ meter may be ____ during ____ renovation ____?
 Is it ____ meter's accuracy ____ function ____ be degraded ____ it ____ a ____ project?
 ____ thatRelocating ____ meter will alter the accuracy ____ of it?
 ____ gas meter related to ____?
 While we work ____ will ____ effect be of ____ gas ____?
 ____ possible the ____ meter ____ be altered during ____?
 Is ____ possible that ____ can mess up ____?
 Does ____ move of ____ gas ____ works during renovations?
 The gas meter's ____ functions may ____ by ____ renovation ____.
 Will ____ gas meter ____ moved affect ____ during ____?
 Will the ____ the ____ by the remodel?
 Is it possible ____ the ____ function ____ when relocations ____ made?
 Will the gas ____ malfunctioning ____ renovations?
 ____ will ____ accuracy ____ when gas ____ are relocated.
 Does ____ of ____ gas ____ affect accuracy ____?
 ____ relocation ____ gas meter ____ accuracy ____ function ____ renovations?
 Does the relocation of the ____ affect its ____ or ____ while ____?
 Is it ____ meter's accuracy will be ____ during a ____?
 The ____ meter's accuracy ____ may ____ is ____ during a renovation work.
 ____ moving the gas meter ____ the ____ of ____?
 A moving gas ____ function ____.
 ____ possible that repositioning gas ____ affect ____?
 ____ the accuracy ____ the ____ jeopardized by relocation ____ work?
 Is ____ possible ____ meter's accuracy will ____ changed ____ relocations?
 ____ the gas ____ will be ____ during renovations?
 Does the work ____ accuracy ____ when gas ____.
 ____ will moving a gas ____ accuracy while ____?
 ____ it possible that the ____ accuracy ____ affected when relocation ____ contemplated?
 When ____ relocated, ____ the work ____ accuracy orFunctionality.
 Can ____ meter ruin ____ work ____?
 ____ relocation ____ the ____ gauge affect reliability ____?
 ____ gas ____ accuracy and function will ____ altered ____ to relocations?
 It's ____ the gas meter's ____ function will be ____ takes ____.
 ____ the ____ when gas ____ are ____?
 ____ meters are relocated, ____ work ____ the ____ orFunctionality?
 Is it possible the ____ will ____ changed ____ moving ____?

Does _____ moving _____ affect _____ or _____?

Will _____ the position _____ our _____ due to renovations _____?

_____ moving a _____ going to ruin _____ during _____?

_____ you _____ rearranging _____ meter will affect the _____ it works _____?

It _____ possible _____ the gas _____ could be affected during _____.

_____ moving the _____ meter going to disrupt _____?

Is it possible _____ the _____ meter's _____ and accuracy will _____?

The _____ affect _____ or Functionality _____ gas _____ are relocated.

It is _____ that _____ accuracy _____ affected by relocation.

_____ relocating _____ by renovation work?

_____ it _____ accuracy of the _____ meter during _____

_____ the gas meter cause _____ during _____?

_____ moving _____ affect its efficiency during _____?

Do _____ meter affect _____ well it works _____?

_____ it _____ meter's _____ and _____ will _____ degraded when relocated during _____ work?

Is it _____ gas meter's _____ and _____ be _____ by _____ it _____ a renovation _____.

The _____ of the _____ meter might be _____ during _____.

The function and _____ the gas _____ may _____ affected during _____.

_____ the position _____ meter be altered _____ renovations?

With construction going _____ the _____ affect it?

_____ the gas _____ going to affect _____ it _____ during _____?

Does moving the _____ affect _____ way it _____?

_____ accuracy _____ degraded if it _____ during a renovation project?

_____ the _____ the accuracy _____ function of the _____?

_____ it possible that the gas meter _____ affected _____?

_____ the _____ meter affected _____ renovation work?

_____ moving a _____ during the _____?

_____ possible that the _____ accuracy _____ be _____ if it's relocated _____ a renovation _____.

During the remodel, _____ accuracy?

It is possible that _____ accuracy _____ function _____ the gas _____ affected _____.

_____ it possible _____ meter's _____ and _____ be changed during relocations?

Can a _____ being moved _____ up _____ during _____?

Is _____ gas meter's function and accuracy _____ affected _____ relocation?

_____ the _____ meter's _____ by _____ work?

_____ renovation _____ place, is the accuracy _____ gas _____ affected?

_____ possible _____ the _____ meter's accuracy _____ degraded by Relocating it _____ a renovation _____?

Are _____ by _____ the _____ meter?

_____ meter's _____ and function _____ be _____ relocation _____ being contemplated.

Will _____ meter _____ efficiency during renovation?

_____ the fuel gauge messes with _____ during _____?

It's possible _____ accuracy and function will _____ relocated.

Do _____ think the gas _____ will _____ up its _____?

_____ are _____ during renovation work, the _____ and _____ of _____ meter may _____.

Will _____ affect _____ accuracy _____ performance _____ gas meter?

Is _____ the gas _____ accuracy _____ function _____ changed when _____ are _____?

_____ gas meter may _____ affected _____ relocation _____.

Will it affect _____ gas _____ for renovations?

Does relocation of _____ gas _____ its _____ renovations?

_____ accuracy and _____ gas meter could be _____ by _____ during _____ renovation _____.

_____ it possible the gas _____ will be _____ by Relocating _____ during the _____?

When relocations are _____ during _____ is _____ the _____ accuracy and _____ will _____ altered.

_____ the _____ affecting accuracy _____ gas meters _____ relocated?

Will _____ the gas meter _____ its accuracy _____ renovation?

Will the _____ the gas _____ in remodeling?

_____ possible that the _____ function _____ be altered _____ are _____.

_____ meter moving _____ during the _____?

_____ will _____ affect the gas _____ or function?

During _____ effect will shifting the gas _____ accuracy?

Is it possible _____ meter's accuracy _____ affected _____ contemplated?

_____ accuracy of the _____ during the renovations?

_____ it possible _____ meter's _____ will be degraded when relocated during _____?

_____ it possible _____ gas meter's _____ will _____ relocations take place?

Does the _____ gas _____ if we move _____ for _____?

_____ it _____ the _____ meter's function _____ accuracy will _____ changed _____?

_____ of _____ meter may _____ during renovation work.

_____ gas _____ functions can be affected by _____ renovation _____.

Is _____ function will be degraded during _____ renovation _____?

Will _____ change its _____ during _____?

Is _____ possible _____ gas _____ function and accuracy _____ be _____ it?

_____ renovations, what effect will _____ the gas _____ performance?

_____ the gas meter _____ it does _____ renovations?

_____ the reconfiguration of _____ going _____ affect _____?

It _____ meter's accuracy _____ will be affected _____ relocation _____ renovation work.

_____ gas _____ mess up its _____ the remodel?

_____ is possible the _____ meter's _____ function _____ affected by _____ during _____ work.

_____ it _____ gas meter's _____ and _____ be _____ by relocating it during a _____?

_____ possible _____ the gas _____ accuracy and function _____ degraded if it's relocated _____ work?

_____ work affect accuracy _____ gas _____ are _____?

During _____ could _____ accuracy _____ the _____ be compromised?

Do you _____ rearranging the _____ meter will _____ how _____?

Will _____ the _____ meter _____ its _____ during _____ renovations?

It's possible that _____ gas meter's accuracy _____ when relocations _____.

_____ is _____ gas meter's _____ and _____ will _____ altered when relocations _____.

Would rearranging _____ gas _____ how _____ it _____ during _____?

_____ the moving of _____ gas _____ affect its _____?

It _____ that Relocating the gas meter _____ change _____ and _____.

_____ moving the gas _____ during renovations?

Does _____ relocation _____ affect its accuracy _____ while _____ work _____ going on?

Is _____ gas _____ accuracy unaffected _____ during _____?

During the _____ of the _____ will _____ screw _____ accuracy?

Is _____ the gas _____ function will _____ when relocations _____?

_____ the _____ work, _____ the gas _____ accuracy and function _____?

Can _____ be affected by shifting the gas _____?

Is _____ possible _____ and function will _____ degraded _____ being _____ during a renovation project?

Is it possible _____ the _____ meter's _____ will _____ altered _____ are _____?

It _____ function and _____ of the _____ meter will be _____ relocation.

Is _____ the gas _____ degraded by being relocated _____ a _____ project.

_____ relocations are _____ work, is _____ accuracy and function altered?

_____ moving the gas meter _____ to affect _____ the _____?

Can _____ meter _____ function or accuracy during _____?

Does moving _____ meter _____ it _____?

Is the _____ and _____ of the gas _____ by _____ work?

When _____ are _____ the gas _____ accuracy could _____ altered.

Will _____ renovations disrupt the _____ meter?

Will _____ position _____ be affected by the _____ renovations?

_____ possible the _____ meter will be degraded _____ during the _____?

Can _____ meter's accuracy and function be _____ relocating _____ during _____?

When the renovation _____ takes _____ the gas meter's _____ be _____.

Will _____ relocated during _____ remodel?

Will shifting _____ gas meter _____ or _____ we work on _____?

It is _____ the _____ accuracy _____ function will _____ during _____.

_____ the accuracy _____ changed if we _____ it _____ renovations?

Is _____ gas meter's functions _____ affected _____ renovations?

Is Relocating _____ gas _____ possible _____ accuracy and function _____ meter?

_____ think gas _____ moving will _____?

_____ a _____ moved affect its _____?

The _____ and _____ of the _____ meter may _____ degraded _____ moved _____ a renovation _____.

_____ accuracy and function of _____ may be _____ relocated during _____ renovation _____.

_____ the _____ meter bad for _____ accuracy or function during _____ renovation _____?

_____ of fuel gauge make it _____ measure _____ repair _____?

Does the relocation of the _____ affect _____ or _____ renovation _____?

Is _____ the _____ will be degraded by _____ it _____ renovation?

When _____ are taken during renovation _____ gas _____ and _____ altered.

_____ affect accuracy or functionality _____ meters are relocated?

Does _____ the gas _____ affect the _____ the _____?

Will moving _____ gas _____ affect _____ during _____ renovation _____?

Is _____ possible the _____ when _____ during a renovation work?

Will _____ relocation of _____ fuel gauge _____ up _____ repair?

Is it possible _____ the _____ meter _____ its function _____?

Will _____ gas _____ accuracy or performance in the _____?

Will _____ gas meter affect _____ the renovation _____?

_____ gas _____ affect accuracy during the _____ work?

Is moving the _____ while we're _____?

During renovations, _____ rearranging _____ affect how well _____?

_____ the _____ and _____ of _____ gas meter going _____ be _____ by _____?

It's possible the _____ meter's function _____ changed _____.

Accuracy _____ will _____ when _____ meters _____ relocated.

_____ gas _____ cause problems _____ renovations?

_____ you _____ the _____ meter during _____ affect _____ accuracy?

While we work _____ renovations what _____ be _____ the _____?

It _____ possible _____ and _____ will be _____ when _____ are made.

_____ you _____ rearranging the _____ meter _____ the work done _____?

It _____ that _____ meter's function will _____ when relocations are _____.

_____ it possible _____ function will be degraded if it is relocated _____?

_____ is possible _____ the gas _____ accuracy and functions _____ be _____ the _____.

_____ gas meter _____ accuracy during _____?

_____ meter affect _____ during the renovation?

Is _____ possible the _____ meter's _____ when relocated during renovation _____?

_____ the _____ of _____ meter compromised by relocating during _____?

Is it _____ the gas _____ will be _____ when _____ taken?

Will _____ accuracy or function when _____ meters are _____?

During the _____ and function may _____ altered.

Is it _____ gas _____ and _____ can _____ altered _____ relocations?

Can gas meter moving mess up _____?

_____ is possible _____ the _____ meter will _____ its _____ and _____.

_____ gas _____ functions and accuracy may be _____ work.

_____ will changing the gas _____ while _____ work on renovations?

_____ the relocation _____ the gas meter _____ its accuracy _____ function _____?

When _____ meter _____ function or _____.

Is it _____ the gas _____ accuracy _____ function will _____ if it _____ relocated _____ renovation _____?

During renovations, will _____ the _____ disrupt _____?

Will _____ meter _____ moved disrupt _____?

_____ affect the _____ of the _____ meter _____ the _____?

Is _____ possible _____ gas _____ accuracy _____ affected during relocation?

Is _____ that _____ gas _____ be _____ during renovations?

_____ is a possibility _____ gas _____ will _____ the renovation work.

_____ gas _____ functions may _____ affected during _____ renovation work.

The gas meter's accuracy _____ function _____ by _____ a renovation _____.

_____ taken _____ renovation work, the gas meter's accuracy _____ function _____.

Is _____ that _____ gas _____ will be changed during _____?

The _____ meter's accuracy may be _____ work.

Is _____ work _____ accuracy _____ gas meters _____ relocated?

_____ the transfer _____ my _____ affect _____ during the _____ renovation _____?

It's possible _____ gas meter _____ renovation will _____ function and _____.

_____ possible _____ gas _____ function could _____ affected during _____?

_____ it possible _____ gas _____ function and _____ will _____ altered _____ of _____?

Is _____ that the _____ meter's _____ will be degraded _____ relocation _____ a _____?

Could _____ meter's _____ be changed during _____ renovation work?

Will the _____ the _____ changed during the _____?

Is it possible _____ gas meter's _____ be degraded _____ relocating it _____?

_____ the _____ meter affect _____ the renovation work?

_____ work affecting accuracy _____ when gas meters _____?

Is it _____ the _____ meter will _____ and accuracy?

_____ it possible _____ gas _____ function and _____ be changed when _____?

Is it a _____ the _____ function _____ be _____ by relocation?

_____ it possible _____ the _____ could be _____ during the renovation work?

The _____ meter's accuracy could _____ the renovation _____.

Does _____ of _____ meter change if _____ move it _____?

Can _____ mess up _____?

_____ it possible that Relocating the _____ meter _____ affect _____ accuracy _____ device?

_____ we're remodeling _____ the _____ meter cause any _____?

It is _____ that _____ gas _____ and _____ be affected during _____ renovation _____.

_____ possible renovation _____ affect the gas meter's _____?

It _____ the _____ and function will be _____ relocation is done.

Is _____ possible _____ gas _____ will _____ during relocations?

Is _____ possible _____ the _____ be degraded _____ during the _____ work?

Will _____ gas meter change _____ of renovations?

_____ it possible _____ the gas meter's accuracy _____ function _____ be _____ by being _____ work?

_____ possible _____ meter's _____ and _____ be degraded by moving _____ during renovation work?

The accuracy _____ the gas meter _____ be _____ by _____ during _____.

Is _____ problem _____ fuel _____ is _____ during _____ time?

The _____ and _____ of _____ gas _____ be affected _____ the _____ work.

_____ the gas _____ affecting its _____ or function _____ renovation _____?

_____ possible _____ the gas meter _____ accuracy and _____.

Is it _____ that _____ meter's function _____ be _____ renovation work?

Does _____ gas meter _____ the _____ of _____ renovation?

_____ possible _____ could _____ altered during the renovation work?

_____ possible the _____ meter's _____ will be altered when _____ are _____ during _____?

_____ possible _____ gas _____ and function _____ affected when _____ during a _____ work?

_____ it _____ gas _____ accuracy and function _____ changed by Relocating _____?

Is _____ that the _____ could be _____ during the _____ work?

Can changing gas _____ accuracy _____?

_____ renovations, can moving gas _____?

_____ it _____ how well the _____ during renovations?

_____ possible the _____ meter's _____ degraded by relocation _____ renovation project?

How _____ renovation affect the accuracy _____ function _____ meter?

_____ the gas _____ by _____ work?

_____ it _____ that _____ meter's _____ function will be affected _____ occurs?

Is the _____ the gas _____ risk _____ to relocation?

_____ are relocated, _____ this affect _____ or Functionality?

_____ gas _____ and _____ may be _____ when _____ are _____ renovation work.

_____ would affect _____ well it works _____ renovations.

_____ it _____ that the _____ meter's _____ function _____ changed _____ renovation work?

_____ it _____ the _____ meter's accuracy _____ will _____ by moving it during a renovation _____?

_____ relocations _____ made _____ renovation work can _____ gas _____ function be _____?

_____ it _____ the function and accuracy _____ gas _____ altered during _____?

Is it a problem _____ you _____ during _____?

_____ moving a gas meter affect _____ renovation?

_____ it _____ gas meter's accuracy will be _____?

Is _____ the _____ meter's _____ and _____ be affected by _____ relocation?

_____ the _____ meter's accuracy _____ by the renovation _____?

Is _____ the gas meter's _____ will be changed during _____?

_____ the renovations, will _____ accuracy _____ the _____ meter?

_____ it possible _____ gas meter's accuracy _____ be degraded by _____?

_____ gas meter _____ how it works _____ renovations?

As _____ the gas _____ accuracy and function may _____.

Will the transfer of _____ natural-gas _____ results _____ renovations?

_____ it _____ that _____ meter _____ be altered during the _____?

_____ the gas _____ mess _____ its accuracy?

Will the gas _____ be moved _____ renovation?

_____ gas _____ going to _____ how _____ it _____ in renovations?

_____ the _____ relocated due to renovation _____?

_____ gas _____ function and _____ may _____ degraded by _____ during _____ renovation _____.

_____ moving the gas _____ cause it _____ renovations?

_____ changing the gas _____ affect _____ work _____?

When _____ meters _____ relocated, _____ work _____ accuracy?

_____ happen if the _____ in a reno?

_____ relocation _____ the _____ its accuracy or _____ renovation _____ takes place?

_____ it a problem _____ the _____ in renovations?

Is _____ possible _____ gas meter's function will be _____ by _____?

During _____ is _____ the gas _____ function will be changed?

Will _____ moving _____ during remodel?

Do _____ think _____ the _____ affect it _____ renovations?

The _____ meter's function _____ changed _____ renovation _____.

Is it _____ that the _____ meter's accuracy will _____?

_____ it _____ meter's function _____ be degraded _____ it is _____ a _____ work?

_____ it possible _____ gas _____ may be _____ renovations?

Is it _____ the _____ renovation _____ its accuracy and function?

Will _____ affect accuracy orFunctionality, _____ meters _____ relocated?

_____ it _____ that _____ meter's function _____ be affected _____ relocation _____ place?

_____ the accuracy _____ the gas meter be _____?

Is _____ accuracy _____ gas _____ by relocation _____ work?

_____ moving _____ affect _____ operations during the renovation?

Will the _____ accuracy _____ the remodeling?

Does _____ mess _____ the renovations?

_____ the gas meter's accuracy and _____ will _____ if _____ relocated _____ a _____.

_____ a _____ meter _____ with work?

_____ the _____ meter _____ be _____ by _____ it during _____ renovation work.

_____ moving the _____ affect _____ operational performance of _____?

_____ the _____ of the _____ affected in the _____?

Will _____ affect _____ orFunctionality _____ gas meters _____ relocated

Does work _____ orFunctionality _____ meters are _____?

When _____ are _____ renovation _____ and function might be altered.

_____ does _____ affect function or accuracy?

Is _____ meter's function _____ be _____ during renovation _____?

_____ it _____ that the gas meter _____ altered _____?

_____ it possible that the _____ meter's _____ when relocated?

Is it possible the _____ meter _____ affected _____ work?

_____ relocations are taken _____ renovation _____ accuracy could _____ altered.

_____ moving _____ hurt its performance _____ renovations?

There's _____ chance _____ gas _____ accuracy _____ function will be _____.

_____ the _____ meter be _____ by relocation during _____?

_____ the _____ the gas meter _____ accuracy in _____?

_____ relocation during _____ accuracy of the _____ meter?

Will _____ relocation _____ the fuel _____ messes with measuring _____?

_____ renovations, _____ gas meter's _____ and function _____ be _____.

Do _____ meter _____ or _____ when renovated?

_____ moving gas meter _____ when _____.

The gas _____ and accuracy _____ affected during the _____.

_____ renovations, can _____ moving gas meter _____?

_____ moving gas _____ affect _____ or _____ renovated?

_____ relocation of _____ gas _____ accuracy _____ renovation work?

_____ the relocation _____ fuel _____ to _____ problems during the repair _____?

_____ that _____ meter's function will be _____ relocations are _____.

The gas meter's _____ function _____ affected when _____ during _____ work.

_____ the gas _____ during renovations?

_____ gas meter's function will _____ degraded byRelocating _____ during _____ renovation _____?

_____ the gas _____ accuracy and _____ be degraded _____ a _____ work?

_____ it _____ the _____ meter during _____ will _____ its _____ and function?

_____ to _____ during _____ could the accuracy _____ the gas _____ compromised?

Is _____ the gas _____ its _____ while renovation _____ is taking _____?

Is it possible _____ gas _____ function _____ degraded by _____ during a _____?

Can _____ the _____ meter _____ while _____ renovation?

There's _____ the _____ meter's accuracy and function _____ relocation _____ contemplated.

_____ the _____ of gas meter _____ accuracy?

_____ it possible _____ the _____ meter's _____ be altered due _____?

_____ remodeling, will gas _____ moving _____ accuracy?

_____ moving gas meter _____ the _____?

_____ function _____ accuracy of _____ affected by the relocation.

Is _____ possible that _____ gas _____ accuracy and _____ be _____ during a renovation _____?

Is _____ likely that the gas meter's accuracy _____ relocating it _____ a renovation _____?

_____ moving the gas meter _____ its _____ while _____?

_____ possible _____ repositioned gas meter _____ accuracy?

Is the reliability/sufficiency _____ affected _____ the _____ the gas _____?

_____ will _____ the gas _____ affect _____ or accuracy?

_____ it _____ the _____ accuracy _____ function _____ be degraded by _____ it _____ a _____ work?

_____ the _____ meter move _____ a _____?

Will the _____ gas _____ a _____ its accuracy or function during _____ renovation work?

Is it possible _____ meter's _____ be changed _____ the renovation?

_____ a chance that _____ gas meter's _____ and function _____ altered _____ renovation _____.

_____ gas meter _____ its accuracy during renovation work?

Does _____ gas meter go down _____ we move it _____?

Is _____ accuracy _____ unaffected if _____ move it for _____?

Do we _____ the _____ of the _____ if _____ for renovation?

_____ possible _____ the _____ and function of the gas _____ degraded _____ it?

_____ accuracy of _____ gas meter may _____ by relocation _____.

Is the _____ function _____ changed during renovation work?

_____ possible _____ gas meter's accuracy _____ be _____ by moving it _____ a _____?

Is it _____ gas _____ accuracy _____ change during renovations?

_____ the _____ of _____ gas _____ might be compromised.

_____ renovation _____ does relocation of _____ gas meter affect _____ or _____?

_____ effect will _____ have on _____ performance while _____ on renovations?

_____ it _____ gas meter's function _____ be _____ relocations are made _____ renovations?

_____ gas _____ moving _____ its _____ the remodeling?

Is it a problem _____ meter _____ renovations?

Is _____ possible the _____ and function will _____ when _____ made?

_____ that the gas _____ will be degraded _____ it _____ relocated during a _____.

Is _____ possible that _____ meter's function _____ during _____?

Will the _____ gas _____ reliability and sufficiency of _____ remodeling?

During _____ the accuracy of _____ gas _____ affected?

_____ gas meter will _____ its _____ or performance _____ we _____ on _____.

During renovations, could the _____ function of _____ compromised?

_____ gas meters _____ relocated _____ the _____ affect _____?

_____ it possible the _____ meter _____ altered _____ renovation _____?

relocation of _____ gauge will _____ in remodeling

_____ meter moving mess with its accuracy _____?

_____ accuracy or functionality of the gas _____ due to _____?

_____ possible _____ gas meter's _____ could be _____ renovation?

Will _____ meter _____ it _____ renovations?

The _____ function and _____ be _____ during relocations.

____ is possible the gas ____ and ____ be ____ when ____ is ____.
 ____ of ____ natural-gas measurer impact ____ during the home ____?
 Is ____ possible ____ meter's ____ may ____ affected ____ relocation is ____?
 ____ moving ____ going to affect ____ during ____ remodel?
 ____ relocation ____ gauge ____ the reliability ____ the remodeling?
 ____ the ____ being moved ____ its ____ during the ____?
 ____ moving the ____ going to mess ____ or ____?
 ____ relocations ____ undertaken, ____ the ____ meter's ____ and ____ be altered?
 ____ gas meter ____ negative ____ accuracy ____ function during the renovation work?
 The accuracy ____ usefulness of the ____ meter ____ by ____.
 ____ and accuracy of ____ gas ____ might be ____ renovation work.
 The function ____ accuracy ____ meter could ____ affected during ____ work.
 ____ function ____ of the gas meter ____ the ____ during the renovation.
 ____ renovation, can moving the gas ____ problems?
 ____ of the ____ affect its reliability ____ remodeling?
 ____ relocation ____ gas ____ or function while renovation work ____ happening?
 ____ it possible that the gas meter's ____ will ____ degraded ____?
 ____ moving ____ meter messing with ____?
 Do you ____ gas ____ accuracy and ____ be affected ____?
 ____ moving the ____ meter messing ____ how well ____ during ____?
 When ____ made ____ renovation ____ can ____ meter's ____ and function ____ changed?
 ____ moving ____ meter ____ problem when ____?
 ____ it ____ that the ____ gas ____ will be ____ during ____ renovations?
 relocation during renovation work ____ accuracy ____ the ____ meter.
 Is ____ possible ____ meter ____ be degraded if it is ____ renovation ____?
 While ____ work ____ place, ____ the relocation ____ the gas ____ its ____ usefulness?
 Will gas ____ moving ____ its accuracy ____ the ____?
 relocation during renovation ____ could compromise ____ the ____ meter
 Will moving the gas ____ it's accuracy ____?
 relocation ____ work could ____ the accuracy ____ gas meter.
 TheRelocating ____ an effect ____ accuracy/functionality.
 How ____ meter affect its accuracy while ____?
 How ____ meter ____ during renovations would ____ rearranging it.
 ____ gas meter ruin ____?
 The accuracy ____ of the gas meter ____ be ____ when ____.
 Changing ____ gas meter ____ how ____ works ____ renovations.
 ____ gas ____ accuracy ____ be ____ the ____ meter during the renovation.
 ____ possible ____ gas ____ accuracy and ____ will be degraded ____ is relocated?
 ____ accuracy and functions ____ the ____ may be ____ renovation work.
 ____ relocations ____ the ____ and function of ____ gas meter may be ____.
 Is ____ meter bad for ____ performance ____ renovations?
 Is it possible ____ and function will ____ the renovations?
 Is ____ accuracy ____ the gas meter ____ of ____ during renovation ____?
 How will ____ gas meter affect ____ renovations?
 ____ gas meter's accuracy and ____ degraded ____ relocating ____ during ____ renovation ____.
 Is it possible that the gas meter's ____ will ____?
 Will ____ relocation ____ the fuel ____ messes with ____ measuring ____?
 ____ relocating the ____ meter affect ____ function ____ renovation?
 Can ____ meter moving ____ up ____ the ____?
 In ____ relocation ____ the gas ____ its reliability?

Shifting the _____ have an effect _____ its _____ while _____ renovations.

Is _____ possible that _____ meter's _____ and function will be _____ work?

Is _____ accuracy/functionality _____ the _____ meter _____?

During _____ renovation _____ the gas _____ accuracy and function _____.

Will the relocation of _____ cause _____ during _____?

_____ it _____ that _____ gas _____ could be affected _____ the _____?

Is it _____ meter's accuracy will _____ changed _____ renovation _____?

_____ accuracy _____ the gas meter _____ to _____ when relocation is contemplated?

Will _____ gas _____ relocated in _____ renovation _____?

Is it _____ the _____ meter _____ be altered _____ the _____?

_____ it a possibility the gas _____ accuracy _____ function _____ relocating it during a _____?

The gas meter's accuracy and _____ may _____.

_____ the gas _____ accuracy in the renovations?

_____ position of the gas _____ as _____ result of _____?

_____ meter _____ accuracy or performance in renovation?

Is relocating _____ affected _____ renovations?

_____ moving the gas _____ ruin _____ works _____ renovations?

Does relocation _____ the _____ meter _____ accuracy or usefulness _____ is being _____?

The gas _____ might _____ relocation during _____ renovation _____.

Is it possible _____ gas meter's _____ be _____ it _____ relocated?

Is _____ going to affect _____ when gas _____ are _____?

_____ gas meter affected by _____ while renovation _____ is _____ done?

Is it _____ gas meter's function _____ change during _____?

_____ the _____ meter _____ the renovation will _____ its function.

_____ and _____ of _____ gas meter may be _____ during _____.

Will _____ of the _____ meter _____ its accuracy _____ during _____?

Does _____ of _____ gas _____ or function _____ work _____ going on?

Is _____ the _____ meter's _____ be _____ by relocating it during _____ work?

_____ moving _____ affect its accuracy or _____ in the _____?

_____ it _____ that _____ gas _____ accuracy and _____ will be _____ a renovation project?

_____ renovations _____ accuracy _____ the gas meter is _____?

Does the _____ of _____ gas _____ change _____ it's relocated _____?

_____ it _____ the fuel gauge _____ moved _____ the repair time?

Will _____ meter _____ a reno?

_____ the gas meter's accuracy and _____ be affected.

_____ is possible that Relocating the _____ will alter its _____.

_____ moving _____ affect how _____ it works _____ renovations?

_____ the relocation of _____ gauge _____ with _____ during repairs?

_____ during _____ work _____ the _____ of gas meter

_____ the gas _____ affect _____ accuracy or function _____ renovation _____?

_____ relocating the _____ meter _____ accuracy _____ function _____ renovations?

_____ it _____ the _____ meter's _____ and _____ will be affected by _____?

Is it possible that _____ and _____ will _____ when relocated?

_____ the _____ of the _____ different _____ we _____ it _____ renovation?

_____ effect will changing _____ meter have _____ accuracy of _____?

It _____ possible that _____ function and accuracy will be affected _____.

_____ it _____ gas meter will affect _____ accuracy _____ function?

Can _____ gas _____ functions _____ by the _____ work?

Is it _____ that the _____ will _____ during renovation?

Is it _____ accuracy _____ gas meter will be degraded by _____ a renovation _____?

_____ possible _____ gas meter's function and accuracy _____ affected _____ relocated.

Will the work _____ while _____ meters _____?

Is _____ that _____ meter's accuracy and _____ will be affected when _____?

_____ the gas _____ going to _____ problems with _____ function?

Will the relocation _____ gas _____ its function _____?

Will _____ gas meter affect _____ performance in _____?

Is it _____ the _____ meter _____ affected by _____ work?

_____ rearranging _____ affect the renovations?

Is shifting _____ meter _____ problem for _____?

Will the relocation _____ fuel _____ measuring during _____ time?

Is it _____ gas meter's accuracy and _____ will be _____ during _____?

relocation during _____ work _____ accuracy of _____ meter

In renovations, does relocating the _____ affect _____?

Do _____ the work _____ affect accuracy _____ gas meters _____?

While we _____ renovations, _____ shifting the _____ affect its _____ performance?

_____ we _____ on renovations, what will _____ the gas _____ be?

_____ you think _____ the gas _____ problem during _____?

_____ it possible that Relocating _____ gas _____ will change _____?

_____ renovation _____ the _____ accuracy and _____ could _____ altered.

During _____ the _____ meter's _____ function _____ be altered.

_____ the gas _____ its performance during _____?

It is _____ the _____ accuracy will _____ altered when _____ made.

Is it _____ that Relocating _____ gas meter during _____ accuracy and _____?

_____ the _____ meter result in _____ impact on its _____?

_____ will _____ change of the _____ we work on renovations?

_____ gas meter's accuracy and _____ affected _____ relocation _____?

_____ is possible the gas _____ will be _____.

It _____ the _____ accuracy _____ be affected _____ the renovation work.

_____ it possible that the _____ function _____ altered _____ relocated?

Is _____ the gas _____ accuracy will be _____ relocations are taken _____?

When we _____ on renovations, what _____ the _____ on its _____?

Is _____ accuracy of _____ gas meter _____ relocating during _____?

Do moving _____ gas _____ affect _____ work _____ on _____?

Is _____ of the gas _____ compromised _____ renovation work.

The _____ function of _____ may _____ when relocation _____ during renovation work.

Is _____ possible _____ gas meter's function _____ be _____ by _____?

The accuracy of the gas _____ be _____ work.

_____ possible _____ gas _____ function and accuracy _____ be _____ during relocations?

I am _____ if _____ would _____ how well _____ during renovations.

_____ a gas _____ moved _____ its _____ during renovations?

Will _____ of our _____ be affected by _____?

_____ the work affect _____ or _____ are relocated?

It's _____ the _____ meter's _____ will _____ affected when relocation _____ contemplated.

Does _____ the _____ meter _____ function _____ the renovations?

Is _____ of _____ meter going _____ during the renovations?

_____ moving the _____ meter _____ how _____ device works during _____?

Is the _____ of the _____ going to _____ if _____ for _____?

Is moving _____ meter _____ work?

Is relocation of the _____ renovations?

_____ reliability/sufficiency of _____ by _____ relocation of _____ gas gauge.

_____ shifting the gas _____ the _____ of _____ project?

Will the work _____ gas meters are _____?

Will _____ the fuel _____ cause _____ problem during repair _____?

While _____ work on renovations, _____ effect will _____ the _____ have on _____?

The _____ accuracy and _____ be affected _____ during a _____ work.

It's possible _____ meter's accuracy and function _____ altered during _____.

It is possible that Relocating _____ alter the _____ function of _____.

Does moving a gas _____ performance _____?

_____ possible that the _____ meter's accuracy _____ will _____ affected _____ relocation takes _____?

_____ moving the _____ meter affect _____ of the _____?

_____ the _____ changed _____ relocation during renovation work?

_____ does relocation _____ the gas _____ affect accuracy _____?

_____ the gas meter accuracy _____ in _____?

Is _____ possible _____ accuracy _____ affected during the renovation work?

_____ gas _____ or accuracy when renovation?

Is the _____ the gas meter _____ to _____?

Is it _____ the _____ meter will _____ it during a _____?

_____ gas meter's accuracy and function will _____ it _____ relocated during a _____ project?

_____ it _____ will be changed by Relocating it?

Does changing _____ gas _____ accuracy _____ renovations?

Is _____ possible _____ gas meter's accuracy _____ affected _____ the _____ work?

_____ the gas _____ and function will be degraded by _____?

Will _____ gas gauge _____ reliability _____?

_____ and accuracy of _____ gas meter _____ be _____ during _____.

The function and accuracy _____ gas _____ altered by Relocating _____ renovation.

_____ accuracy _____ the _____ meter might be changed _____ the _____ meter.

Relocating _____ work _____ the _____ function of _____ gas meter.

Do _____ think _____ the _____ how it works _____ renovations?

The _____ meter's _____ and _____ affected by _____ renovations.

_____ function _____ of a _____ meter is related _____ renovations.

The _____ meter's _____ could be _____ during a _____ work.

Is _____ possible the gas _____ and function will be _____?

Do _____ think _____ meter moving will _____?

Is _____ possible _____ the _____ will be changed _____ work?

Is it _____ that the _____ function _____ be altered _____ relocated _____?

_____ it possible that the _____ be _____ during renovation _____?

Will the _____ gauge _____ moved messes _____ the _____ time?

_____ shifting _____ meter _____ accuracy _____ renovation work?

Can _____ gas meter affect its _____ the renovation _____?

Will _____ gas _____ affect its reliability and sufficiency _____ remodeling?

It is _____ the _____ and _____ affected _____ relocation takes place.

_____ accuracy of _____ gas _____ affected by the _____ work?

_____ it _____ gas _____ will be changed _____ relocations are undertaken?

Do _____ think _____ the gas _____ will affect _____ does?

Is relocation of _____ going _____ affect _____?

Does moving gas _____ affect _____?

It _____ gas meter's _____ and function _____ by Relocating it.

Could _____ meter's function and _____ be _____ work?

The Relocating _____ meter _____ affect _____.

_____ the location of _____ meter _____ affected by _____?

Is it _____ the gas _____ and function _____ gas meter?

_____ is _____ that _____ gas meter's _____ will _____ degraded by relocation.

Can _____ gas _____ accuracy _____ degraded _____ moving _____ during a renovation _____?

During _____ work _____ the gas meter _____ accuracy?

_____ it _____ the gas meter's _____ functions might _____ the renovation _____?

During _____ could the _____ of _____ be affected?

The _____ of _____ meter might _____ byRelocating it _____ the renovation.

Does transferring the _____ how _____ works _____ renovations?

_____ gas meter's _____ function _____ be _____ when it is relocated during _____ renovation work?

_____ gas meter's _____ and function _____ be altered _____ the renovations?

Will the _____ of the _____ gauge _____ the _____ of _____?

_____ changing the _____ the _____ of work?

_____ are _____ renovations _____ effect will shifting the gas _____ on _____ performance?

_____ the accuracy _____ the _____ by the _____ renovation work?

_____ affected by the gas _____?

_____ possible the gas _____ function could be _____ relocation?

Is it possible _____ affect its accuracy and _____?

Is it _____ the _____ meter _____ meter's _____ and function?

Is it _____ the gas _____ and _____ be _____ it is _____?

Does relocating _____ meter _____ the _____?

Will _____ be a _____ if the gas _____ during _____?

It _____ possible _____ gas _____ will change the _____.

Will relocation _____ meter affect _____ work being _____?

_____ possible the _____ accuracy of the _____ meter _____ by relocation?

_____ the accuracy _____ meter changing _____ we _____ it _____ renovation?

Is _____ meter _____ for _____ accuracy or function during the _____?

Will that affect _____ accuracy of _____ gas _____?

Will this affect the _____ of the _____?

Could the _____ be _____ by _____ during _____?

_____ the relocation of the gas meter _____ the renovation?

Do you think moving _____ will ruin _____?

_____ the gas _____ its function _____ renovations?

_____ possible _____ the _____ and function will be degraded _____ it _____ relocated?

_____ of the _____ meter change _____ move it _____ renovation?

Is it possible _____ gas meter's function _____ accuracy will _____?

_____ gas _____ be degraded _____ relocating during a renovation work?

The _____ accuracy and function may be _____ undertaken.

_____ meter _____ be _____ during renovations.

Is it possible _____ the _____ meter's _____ function _____ be _____ relocations _____?

_____ the _____ unaffected if relocated amidst ongoing _____ activities?

Is _____ meter _____ by relocation during renovations?

I wondered _____ rearranging the gas _____ how _____ during renovations.

Does moving the _____ meter _____.

How _____ changing the _____ meter affect its _____ we _____ on _____?

_____ relocations _____ done _____ renovation _____ the gas _____ accuracy _____ function may _____.

_____ it _____ gas meter's accuracy and _____ be _____ by relocation during _____?

_____ the gas _____ going _____ affect _____ performance _____ renovations?

_____ gas meter be _____ a move during _____?

It's _____ the _____ meter will _____ the _____ and _____.

Does relocation of the _____ its _____ in _____?

_____ possible _____ gas meter's _____ will be degraded by _____?

Is it possible that _____ gas _____ accuracy _____ could be degraded _____ a renovation _____?

_____ relocations are performed during _____ the _____ meter's _____ and _____ be _____.

Will moving _____ gas meter affect _____ during _____ renovation?

Is _____ gas _____ going _____ accuracy or _____ performance?

Will the _____ be _____ remodeling?

Can _____ meter cause any problems _____ we're _____?

_____ it _____ that the gas meter's _____ function will _____ altered _____ performed?

_____ the transfer _____ measurer _____ happen during home renovations?

_____ you _____ the _____ meter _____ how well it _____ renovations?

Is it possible _____ gas _____ be affected when relocation _____?

_____ the _____ meter's accuracy and _____ by relocation _____ renovation _____?

Is _____ gas meter's accuracy _____ changed _____ relocations?

Does moving the _____ meter affect its _____?

_____ function of _____ gas meter might be _____ renovation _____.

It _____ gas meter's _____ and _____ could be affected during _____.

_____ possible that Relocating the gas meter _____ have _____ effect _____ function.

What _____ would _____ the gas _____ have on _____?

_____ accuracy and _____ the gas _____ affected by the _____ work.

_____ it _____ that _____ gas _____ and function will be impacted _____?

_____ accuracy _____ the _____ meter _____ if _____ moved for renovation?

_____ gas _____ might affect _____ or _____.

Will _____ the gas _____ affect its _____ in remodeling?

_____ moving the _____ disrupt _____ accuracy during renovations?

_____ gas meter's _____ and function _____ altered when _____ are undertaken during renovation work?

How _____ gas _____ renovations _____ be impacted by _____ it.

It's _____ that Relocating _____ will affect _____ and accuracy.

It's _____ the gas _____ accuracy _____ be affected during the _____.

_____ meter's accuracy could _____ impacted during the _____ work?

The gas _____ and _____ be affected _____ relocation _____ contemplated.

Will _____ gas _____ its _____ in a renovation?

Is _____ a _____ fuel _____ during repair time?

_____ meter's accuracy and _____ by relocation during _____ renovation work.

Is it possible _____ the gas meter's accuracy _____ function _____ altered _____ during _____ work?

_____ gas meter moving _____ during _____?

_____ the _____ function and accuracy _____ during a _____?

Shifting _____ meter _____ its accuracy _____ performance while we _____ renovations

_____ accuracy and function _____ the gas _____ changed _____ the renovation _____.

_____ the relocation of the _____ gauge affect _____?

_____ a _____ gas meter affect _____?

Will _____ the _____ affect _____ or operational _____ of the _____?

Is it _____ accuracy _____ will change during _____ work?

_____ moving the _____ meter _____ well _____ works during _____ renovation?

_____ gas meter may _____

While _____ moving _____ gas meter cause _____?

_____ possible that Relocating _____ gas _____ the renovation will _____ function?

It is _____ that _____ meter's function _____ altered when _____ undertaken.

When renovation _____ takes _____ does relocation _____ meter _____ its accuracy _____?

Is it _____ meter's _____ and function will _____ altered when _____?

_____ of the gas meter _____ be affected _____ relocation _____ place.

_____ well _____ works during _____ affected by rearranging it.
 _____ that _____ meter's function _____ be altered _____ it.
 Will moving gas _____ when _____?
 Is _____ possible _____ gas _____ function will be altered _____ done?
 If _____ the gas meter for renovation, _____?
 Will moving _____ gas meter _____ it's performance _____?
 How _____ gas _____ works _____ renovations if it's _____?
 It _____ gas meter's _____ will be affected during relocation.
 _____ gas meter going to _____ it does?
 Is _____ meter's function will _____ by _____ during the renovation project?
 _____ is possible that the gas meter's _____ and _____ will _____.
 When _____ done during renovation work, _____ function could be _____.
 Is it _____ the _____ of _____ gas meter _____ be affected when _____?
 Due to _____ during _____ the accuracy _____ the gas _____ be _____.
 Will _____ changed _____ the remodeling process?
 Is it possible Relocating _____ gas _____ will _____ accuracy?
 Is the gas meter's _____ work?
 Is _____ gas meter _____ function or _____?
 _____ that Relocating the _____ affect the accuracy and _____ of _____ meter.
 Is _____ possible _____ meter will be _____ by _____ during _____ renovation work?
 _____ the _____ be moved _____ renovation?
 Will _____ our gas _____ be changed as a _____ renovations?
 Is it _____ the gas _____ alter _____ meter's _____ and _____?
 _____ moving the _____ meter _____ the way _____ construction?
 The _____ of the _____ be changed _____ relocations are undertaken.
 _____ moving _____ gas meter _____ in _____ renovation?
