

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Retail Banks |
| Inquiry Category | Business banking services and accounts |
| Inquiry Sub-Category | Merchant services |
| Description | Customers may inquire about payment processing solutions for their businesses, including accepting card payments, setting up point-of-sale terminals, and the associated fees and transaction processing times. |
| Data Size | 6,829 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Retail Bank" customer inquiry. (Purchased data will not be masked.)

Are _____ restrictions _____ the volume or _____ of transactions we can _____?

Is there any limit to _____ processed _____?

_____ there _____ limit _____ transactions _____ platform?

_____ many transactions _____ we _____ in _____?

_____ we face any transaction _____ limitations _____?

Are _____ of transactions _____ can _____ with your services?

_____ it _____ to _____ the _____ or processed amounts _____ your service?

_____ there _____ on the _____ of transactions _____ process?

Is your _____ limited _____?

Can _____ give _____ on how _____ we can _____ service?

_____ your _____ have a _____ to _____ of _____ we can _____?

_____ there a limit to the number _____ facilitate _____ exceptional _____?

_____ anyone have _____ on the _____ we can process?

_____ there a limit _____ we can run?

_____ you have _____ limits _____ the _____ of transactions we _____?

_____ there _____ limit _____ how _____ exchanges we can _____ your _____?

Is _____ cap limits _____ many transactions _____ PROCESS?

Are _____ on _____ that can be done with _____ services?

Do _____ put limits on _____ transactions you _____?

Do we have any _____ on the _____ we _____ process _____?

Does _____ service have _____?

Do you _____ a limit on _____ we'll _____ through _____?

Limits _____ many transactions you _____ using _____ service?

Is _____ a _____ on _____ of transactions _____ can _____ done?

_____ any limits _____ the number of _____?

Is there _____ for the number of _____ that _____?

What is _____ processing large amounts _____ with _____?

_____ can you process at _____ your service?

Is _____ a _____ on _____ number of _____ we _____ make?
 _____ have _____ on transaction _____?
 _____ there a limit on how _____ we can _____?
 _____ transactions can _____ process through _____?
 _____ you _____ there should be _____ of _____ that can _____ done with your service?

Is there a _____ on _____ can take?

Is the _____ of transactions _____ services?

_____ how many transactions I _____ take through _____ system?

_____ are the _____ for _____ transactions in _____ service?

Do _____ on _____ number _____ transactions I can _____ through _____ system?

Can _____ by _____ using _____ platform?

_____ it comes _____ multiple transactions, what _____ limits?

Is _____ how _____ put through your service?

_____ much _____ can we _____ you _____?

Do you _____ limits on _____ of _____ we _____ process?

_____ have limitations for _____?

_____ you have limits _____ the _____ you can _____?

_____ face _____ on _____ quantities?

Do _____ think there _____ be _____ on _____ the _____ of transactions _____ the _____ money used _____ your _____?

Is _____ to the number _____ transactions _____ done through your _____?

_____ any restrictions on _____ many transactions you _____?

What _____ for _____ amount _____ transactions in your service?

Can there be limitations on _____ that _____ done _____ your _____ services?

_____ on _____ allowed _____ you?

_____ the limits _____ the volume _____ that _____ handle?

Do you _____ limitations of _____?

_____ the number _____ we can process?

_____ many _____ can we _____ your _____.

_____ the _____ permitted through _____ service restricted?

How _____ how _____ transactions can _____ done _____ your _____?

_____ you have _____ on _____ volumes of _____?

Does _____ have _____ for _____ amount of transactions _____ allows?

Limits on the number of _____ that can _____.

Is _____ a _____ on _____ I can _____ through _____ system.

_____ preventing us from processing _____ of payments _____?

_____ there a _____ on how _____ your service?

Do we _____ the amount of transactions _____ process?

Are there restrictions _____ many transactions we _____ make _____?

_____ there _____ max limit _____ processing transactions through _____?

Are _____ any restrictions on the _____ transactions that _____ your _____?

Can we _____ of _____ your business?

_____ you _____ any limitations on _____?

Are there any limits on _____ amount _____ processed through _____?

_____ there any restriction _____ the _____ allowed through _____ service?

Can you _____ idea _____ the transaction limits _____ may _____?

_____ restrictions _____ placed on _____ to _____ by volume?

Do _____ keep _____ or size of transactions _____?

Is there any transaction _____ you _____ incur _____?

_____ have _____ limitations on _____?

How _____ transactions _____ through _____ service?

Is _____ limit for how _____ be had?

_____ on how much you _____ via _____?

_____ the number or size _____?

Is _____ service _____ transaction _____?

_____ many transactions using _____ service?

_____ have any volume limitations for _____ amount _____?

_____ service limit transaction _____?

Does any restrictions _____ to _____?

Does _____ service limit how _____ transactions _____?

_____ have _____ limits _____ the number _____ transactions _____ can process?

Should we have _____ how _____ we can _____?

Is there _____ on the _____ of _____ can _____ with _____ services?

Is _____ to the _____ of _____ you allow through _____?

_____ there a _____ number _____ transactions I _____ do?

_____ is _____ us _____ sums of payments with _____?

Does this _____ with your _____?

_____ there _____ on the _____ transactions we _____ make?

_____ you _____ how many transactions _____ can process?

_____ we _____ through the service?

Is there any restrictions _____ transactions _____ process?

_____ limits _____ how many transactions you _____ do?

Are _____ limits on _____ I can _____ through your _____?

Do you _____ to _____ volume?

Any limits _____ transfers _____ you?

How are _____ allowed _____ transactions using _____?

How _____ transactions _____ we _____ process _____ your _____?

_____ much we _____ to _____ using your _____?

_____ there _____ for transaction _____?

Can _____ be _____ the _____ exchanges we _____ make with your _____?

_____ your _____ place limits _____ amounts?

_____ service have _____ volume _____?

Are _____ limits _____ of transactions that _____ can _____ through _____ services?

_____ there _____ on the amount of _____ with your service?

What _____ the limits _____ of _____ that you _____?

_____ any limits on _____ number of transfers _____?

Are _____ any caps _____ of transactions we _____ process _____ service?

Do _____ a _____ how many _____ we can _____ your service?

_____ are we able _____ by _____ on your _____?

Do you have constraints _____ process?

Limits _____ how _____ transactions _____ can make _____ service?

Do you think _____ on _____ the _____ or the _____ of money _____ with _____ service?

Does _____ any restriction _____?

_____ much _____ your service _____?

_____ on the number of _____ that _____ can _____ your system?

_____ you have any _____ or size _____ transactions you _____ facilitate?

Are there _____ to _____?

Do you think that there _____ limitations _____ of _____ or _____?

Is _____ a cap _____ many _____ I can _____ through _____?

Can _____ be _____ transaction volumes?

_____ there _____ constraints _____ the number _____ transactions you _____ to _____?

____ we ____ with your service?
 ____ are the ____ our ability ____ transactions by volume on ____?
 ____ we ____ any ____ on ____ transaction ____?
 ____ we face ____ on ____ transactions?
 ____ many transactions your ____ permits ____?
 How many ____ your service?
 ____ your ____ have volume limitations ____ amount of ____?
 ____ have limits on the amount ____ transactions ____?
 Can ____ us about ____ transaction limits ____ incur?
 How much transaction ____ we ____?
 Is ____ any ____ quantities?
 ____ transactions can your ____ allow?
 Do you have ____ the volumes ____ can ____?
 ____ amount ____ activity can you allow through ____?
 ____ on the number ____ transactions that I ____ shove ____ your ____?
 ____ you ____ about any ____ that we ____ incur?
 ____ service have any transaction ____?
 Do ____ allow ____ of ____ through your service?
 ____ constraints ____ processing quantities do ____?
 ____ there ____ we can process?
 ____ there ____ how many transactions ____ can process ____ service?
 Are ____ any restrictions ____ of transactions ____ your ____?
 Do ____ limitations ____ your service?
 ____ the number ____ transactions allowed ____ limited?
 ____ your service have any ____?
 Do ____ restrictions ____ transaction ____?
 ____ restrictions ____ to process transactions by volume?
 Do ____ any ____ the amount ____ transactions?
 Can ____ how much we ____ put ____ your ____?
 ____ restrictions on ____ to process transactions on your ____?
 ____ you have any ____ transaction numbers ____?
 ____ there ____ when ____ your service?
 ____ are any rules ____?
 Are there ____ limits ____ number of ____ we ____ through ____ service?
 Limits ____ the ____ we can process?
 ____ there ____ limitations on your ____?
 ____ there ____ limits ____ the transaction ____ processed ____ your ____?
 ____ us more ____ about ____ transaction limits we may ____?
 ____ you have a ____ on ____ can shove ____ the system?
 ____ your ____ have any transaction ____?
 Do you have ____ set ____ on ____ we ____ process?
 ____ there ____ you ____ transaction volumes?
 ____ may be restrictions ____ transactions allowed through ____ service.
 Limits on ____ can ____ through your ____.
 ____ any ____ with your service?
 Does ____ restrict ____ of transactions ____ can make?
 Do you ____ the volume of transactions?
 Is there a ____ to ____ we ____ process ____ you?
 ____ a ____ on the number ____ transactions ____ can ____?
 ____ it okay ____ of transactions or processed amounts to ____ limited ____?

When ____ your service, ____ any ____ limits?

Do ____ impose limits on ____?

____ there ____ max limit for ____ through ____ system?

____ affect ____ capacity with your ____?

Does ____ boundaries on ____ amounts?

Is ____ limited in ____ quantity ____?

Does your ____ of transactions?

Does ____ have any ____ amount of transactions ____ can ____?

____ think there should be any limits ____ or ____ amounts with ____ service?

____ there ____ caps ____ amount ____ transactions ____ you allow?

What are ____ limits ____ transactions ____?

Are ____ any issues holding ____ back ____ of payments ____ you?

Is ____ any ____ limitations ____ the ____?

Will you tell ____ about ____ limits ____ incur?

Do ____ face ____ transaction volumes?

Is ____ a ____ the ____ of ____ I can ____?

Is ____ on the ____ transactions they accept?

____ you have ____ limitations for ____?

When processing multiple ____ do ____?

Is ____ transaction volume?

____ you have volume ____ the ____ of transactions ____?

____ a limit to transactions ____ can ____ service?

____ there any limits on ____ amount ____ we ____ through your ____?

____ on how ____ can transfer using ____?

Can ____ perform ____ certain ____ of transactions ____?

Do ____ any ____ on ____ number of ____ we can ____?

____ think ____ limits on the amount of transactions ____ can be ____?

____ many transactions ____ done ____ your ____?

Is ____ limitations ____ transaction ____?

Is ____ a ____ the amount ____ I ____ shove through your ____?

____ there ____ transaction volume?

Is there ____ for the ____ transactions ____ can ____?

____ service ____ boundaries on ____ amounts?

Can you tell ____ how much ____ able ____ put ____?

____ your ____ boundaries ____ the number of ____?

How ____ how many transactions can ____ you?

Is ____ cap on ____ many ____ have ____ your system?

Can we ____ limited amount ____?

I am wondering ____ a cap ____ how many ____ I ____ your ____.

____ you ____ constraints on ____ many ____ you ____ us to ____?

____ you specify ____ many ____ your platform allows ____?

Is ____ limit ____ the number ____ transactions ____ can ____?

____ we be ____ to ____ transactions ____ your ____?

____ a limit ____ we ____ put through your service.

____ there ____ limit ____ number ____ size of ____ you can ____?

____ you let ____ transaction limits ____ may incur?

____ many transactions ____ your platform ____ process?

Can ____ your ____ for ____ than one ____?

Is ____ any constraints on ____ transactions ____ to process?

____ they have restrictions on ____ or ____ transactions?

Do you have ____ specific ____ on ____ many ____ ____ process?

How much ____ are allowed ____ ____?

____ your ____ limits ____ transactions?

____ transactions do your platform allow for ____ ____?

Can ____ process ____ to ____ service ____?

____ service ____ limitations in ____ of transactions?

____ any limit ____ how ____ transactions ____ can process?

____ you ____ to us ____ the transaction ____ incur?

Is ____ a limit ____ transaction ____ processed ____ service?

____ there any ____ the ____ of transactions we ____ with your ____?

____ there ____ limit ____ of ____ that you can process?

What are the ____ our ____ your platform ____ process ____?

____ many transactions do ____ us ____ process via ____?

____ of transactions restricted ____ any ____?

____ limits on how many ____ be ____?

Is ____ cap ____ the amount ____ by you?

____ transaction volumes restricted ____ this ____?

____ there any limits ____ the ____ that ____ can make?

Does your service have a limit ____ the ____ transactions ____ can ____?

____ the ____ have ____ limitations?

____ do ____ on processing amounts?

Do ____ for processing transactions?

____ your service put ____ your ____?

Is there a cap ____ of transactions ____ take ____ system?

____ limit to ____ multiple ____?

Is ____ any ____ on the amount ____ allow?

I ____ if ____ on ____ many transactions I could shove through ____.

____ there ____ cap on how ____ transactions we ____?

____ transactions can we ____ you ____?

____ there any transaction ____ you may incur ____?

____ how ____ you can do?

____ have any ____ on ____ capacity?

Are there ____ reasons ____ process large ____ payments ____ you?

____ use ____ platform to process ____ volume?

____ there any limitations on how ____ can process ____?

How ____ transactions may your ____ allow ____?

____ you impose limits ____ the ____?

What's keeping ____ processing large amounts of ____?

____ a ____ the number of ____ can process?

____ you ____ a limit ____ of transactions or processed ____ with your ____?

____ there ____ on ____ amount of ____ that ____ can ____?

How ____ activity can you ____ services?

____ there any ____ capacity with your ____?

____ there any limit on the ____ transactions ____?

How many ____ your service?

What ____ transaction volume ____?

Is there anything ____ prevents ____ from ____ payments ____ you?

____ there limitations on ____ can be handled ____ your exceptional ____?

Is ____ on ____ your platform allows us to ____?

Is ____ how ____ transactions we can ____ your service?

What about ____ transaction ____ service?

____ there a ____ many transactions ____ amount we move?

____ on the ____ of ____ allowed?

____ there ____ be limitations on the ____ transactions or ____ amounts ____ be processed?

There could ____ on how ____ transactions ____ process.

____ there be ____ your service?

Is ____ constraints on processing quantities?

____ you have any ____ for ____ amount of ____ payments ____ in ____?

Do ____ any ____ on the volume ____ transactions ____?

So we ____ limit on how ____ through ____ service?

____ transactions have any ____?

____ number of ____ allowed restricted ____ service?

Is ____ possible ____ your ____ amounts?

____ on ____ transactions can be done ____ service?

____ are ____ our ability to process volume ____ using ____?

Does the ____ of ____ service ____?

____ on the number of transactions that we ____?

Does ____ service ____ any volume ____?

____ there volume ____ using your ____?

Are there ____ processed via ____ service?

Is there ____ limit on transaction volumes ____?

____ there ____ on ____ of payments allowed in your ____?

____ you have ____ on ____ amount ____?

Do ____ have limitations ____ the ____ that ____ be made through ____ services?

____ a limit ____ the ____ transactions we ____ process?

____ cap ____ how many ____ I ____ to shove through your ____?

____ there be a limit ____ number of ____ we ____?

____ you have ____ volume ____?

Limits ____ much ____ can ____ done with your service.

____ we ____ restrictions on ____ capacity?

____ your platform ____ volume limits for the ____?

Is there ____ limits that you ____ about?

Can ____ your ____ to process ____?

Limits on ____ and ____ can be made ____ service?

____ for ____ volume of transactions ____ can process?

____ the ____ of transactions allowed ____ service ____?

____ on how many transactions you can ____?

Will ____ have any limits ____ transactions?

____ limit on ____ number of transactions ____ can ____ done through your ____?

Do we ____ any ____ transaction ____?

____ any restrictions on ____ of transactions we can process ____?

processing ____ what ____ the ____?

Do you have ____ with ____?

____ you ____ limits ____ the amount ____?

Can you give ____ any ____ on ____ many ____ platform allows ____?

Is ____ amount ____ transactions that you can allow?

Do you ____ on how much ____ can ____?

Is ____ holding us back from ____ payments with ____?

Can ____ many ____ with your ____.

____ there ____ on the ____ of transactions ____ can ____ through your ____?

_____ service _____ any transaction volume _____?
 How _____ volume can _____ allow?
 _____ have _____ on how _____ transactions _____ can handle?
 _____ you _____ any _____ of transaction _____?
 _____ there some _____ the number _____ transactions I _____ your system?
 Does your platform _____ restrictions _____ our ability _____ by _____?
 _____ you _____ in _____ transaction volume?
 _____ on how _____ done with _____ service?
 _____ there any _____ on _____ number of transactions we _____?
 Constraints _____ many transactions your _____ to process?
 _____ many _____ are imposed _____ our ability _____ process transactions _____?
 Does _____ restrict _____?
 _____ there any restrictions on _____ transactions that can _____ through _____?
 _____ you _____ any limits _____ much you can _____?
 _____ there _____ limit on _____ of transactions _____?
 _____ am _____ if _____ a _____ the number of transactions _____ can shove _____ your _____.
 _____ you _____ volume _____ the _____ of transactions _____ your platform?
 How _____ transactions can we _____?
 There _____ any limits _____ how _____ can process.
 Do _____ volume _____ with you?
 Is there limits on _____ number _____ transactions _____ through _____ services?
 Is there _____ on how _____ we _____ you?
 What _____ the limit to _____ of _____ run through your _____?
 What _____ of _____ process _____ your service?
 _____ the amount of _____ be _____ your service.
 _____ process _____ transactions on _____ service?
 _____ much does _____ allow for _____?
 _____ there a _____ number of transactions that _____?
 How _____ can we _____ via _____?
 _____ you have _____ limit _____ the number _____ transactions _____ can _____?
 _____ to the number of _____ we _____ able _____ process?
 Is there a _____ how much transactions _____ your _____?
 How many transactions will _____ be able _____?
 Do _____ have caps on the _____ transactions _____?
 There _____ be some volume _____ when _____.
 _____ much _____ transfer using your _____?
 _____ there _____ restriction _____ transaction _____?
 Limits _____ how many _____ be made _____ service.
 How _____ does _____ allow for _____ volume?
 Do _____ a limit _____ how much we _____ service?
 Do you _____ on _____ we _____ transfer?
 _____ how much we _____ transfer using _____
 What _____ do we _____ on the _____ we can _____?
 _____ tell us _____ the transaction limits _____ incurred?
 _____ there _____ cap on _____ much _____ can do _____ your _____?
 What constraints _____ processing quantities?
 Do _____ have constraints _____ of processing you _____?
 Is _____ any limits _____ processing _____?
 _____ you have any _____ the _____ of _____ you?
 _____ may _____ on _____ many exchanges _____ can make _____ system.

_____ with _____ transaction volume limitations?

_____ any limits on _____ transactions we can _____?

Does _____ service have _____?

Is _____ a _____ to _____ number of _____ we can _____?

_____ a maximum limit for _____ transactions?

_____ there a limit on _____ or _____ can facilitate through your _____?

_____ have restrictions _____ or amount of transactions?

_____ a _____ limit on the number of _____ we _____ with _____?

Do _____ know _____ transactions I _____ shove _____ your _____?

Can we _____ service to process _____ transaction?

What constraints do you _____ on _____?

Is there _____ limit _____ how _____ we can _____ service?

Do _____ transaction volumes?

Is _____ subject to _____?

Do we _____ any _____ on _____ you?

_____ any restriction _____ the _____ transactions _____ can _____ through you?

_____ there _____ on the _____ volume?

Do you have any _____ we can _____ on _____?

Is there _____ volume limitations _____?

_____ are the _____ of processing _____?

Do _____ impose _____ the _____ of transactions _____ process?

What are _____ when _____ to _____ multiple _____?

_____ limits _____ on _____ number of transactions _____ can process?

Are _____ transactions _____ on your platform _____?

How _____ let us process?

_____ us _____ processing large amounts of payments _____ you?

Do _____ have limits _____ the _____ transactions _____?

_____ be _____ on _____ many _____ we can process?

_____ there any restriction on _____ volume _____ transactions _____ can _____?

_____ on _____ can be _____ using _____ service?

_____ to the amount _____ that they accept?

_____ there _____ how many _____ we can _____ with _____ system?

Do _____ on the _____ of _____ processed?

_____ you _____ the amount of _____ you process?

_____ do you put _____ the _____?

_____ they have _____ on _____ of _____?

Is _____ any rules _____ transaction _____?

Do _____ have constraints _____?

_____ much and how _____ transactions can _____ your service?

Limits on the _____ of _____ are _____ process?

Do _____ a _____ transactions we can process?

Do _____ any _____ how _____ transactions _____ us to process?

Can _____ on _____ many transactions _____ can process?

_____ there _____ on _____ of transactions that _____ be made?

_____ any limitations on _____ the _____ transactions _____ amount _____ money used for _____ service?

Can _____ be _____ limit on _____ number of _____?

What _____ the limits _____ the amount _____ you _____?

_____ there limits _____ the _____ can facilitate through your exceptional _____?

Is there _____ many _____ can process?

How _____ transactions _____ we process _____?

Is _____ a cap on _____ many _____ shove _____ your _____?
 _____ have a _____ how _____ we put through _____?

How _____ transaction activity _____ allowed _____ allow through _____?
 _____ you have _____ restricted _____ transactions allowed _____ service?
 _____ on how _____ and how _____ can perform?
 _____ there _____ number of transactions you _____ run?
 _____ we have _____ on the _____ of _____ make?

The transaction _____ your service _____ be _____ to _____.

Is _____ on transaction _____?
 _____ transaction _____ in your service?
 _____ possible to limit _____ allowed by you?

Is _____ service _____ in _____ number _____ transactions?

Is _____ any limitations _____ amount of _____ can _____?

Is there a _____ number of _____ that _____ happen _____ services?

Is there _____ rules _____ processing _____ transaction _____?
 _____ have _____ about transaction numbers and _____ volume?
 _____ it possible to limit _____ of _____ platform?
 _____ are some _____ limitations when processing _____?

We _____ through _____ service, but _____ there _____ limitations?

What _____ us _____ large _____ of _____ with you?
 _____ it _____ that _____ might incur _____ your service?

Limits on _____ many _____ can be _____ your _____?
 _____ do you _____ through your services?
 _____ boundaries on _____ amount of _____ with you?

Are we able to _____ service _____?

Do _____ transactions we _____ process?

Are there _____ cap _____ the number of transactions _____ process _____?
 _____ it _____ we _____ incur any _____ limits?
 _____ have any _____ transaction volume.

Is _____ of _____ how many _____ I can make?

What _____ the _____ much _____ we can move using _____?

We don't _____ we will _____ on transaction _____.

Are there _____ limits on the _____ transactions _____ your service?

Can _____ transactions _____ your service?

I _____ there is a limit _____.

What _____ is allowed through _____?

Anything preventing _____ processing _____ with _____?

Can you _____ what the _____ may _____?
 _____ there any constraints _____ processed?
 _____ have _____ limits _____ amount _____ transactions we can make?

Can _____ give us _____ how _____ we _____ transfer?
 _____ you allow _____ specific number _____ of _____?

What _____ there when _____ comes to _____?

Are _____ any _____ to _____ volume?

Would you _____ transactions allowed?

Does your _____ number of _____?
 _____ face any transaction _____?

_____ you have _____ on the amount _____ transfers _____ you _____?

Processing transaction _____ any _____?

Anything _____ us _____ processing _____ large _____ of payments _____?

_____ we _____ transactions _____ your _____?

Are there any _____ limits _____ many _____ we _____?

Do _____ a _____ on the _____ of _____ we can _____?

_____ a _____ how many _____ can shove _____ your system?

_____ volume, are there _____?

Do _____ have _____ for _____ capacity _____ service?

_____ there any limitations on _____ of transactions or the _____ can _____ with your _____?

_____ service limit _____ of _____ we can run through _____?

_____ there _____ limit on _____ of transactions that can _____ exceptional services?

Were there _____ us back from _____ large _____ with you?

Limit for _____ your _____?

_____ are the _____ for the _____ transactions you _____?

Does the _____ a _____ on _____ number _____ transactions?

_____ there _____ limits on _____ of _____ that can _____ processed?

Is _____ a _____ the transactions _____ run _____ you?

Do you _____ limits on _____ in a period?

How many _____ allowed by _____?

_____ a limit on how _____ transactions I _____ through _____ system?

Is there _____ limitations _____ of transactions _____ through your services?

_____ there _____ limit _____ how _____ we can run?

Can you tell _____ how _____ we _____ do _____?

Is there any restriction _____ can do?

_____ there a _____ much transactions _____ accept?

Will _____ number _____ through _____ service be restricted?

_____ you _____ limits on _____ number of _____ you can _____?

Is _____ number _____ of transactions _____?

_____ a limit _____ we can put through _____ service?

_____ there any restriction _____ we can make _____ your services?

_____ to _____ number of transactions we can _____?

_____ limitations on the number of _____ that can _____ services?

_____ a cap _____ many transactions _____ allow me to _____?

_____ there _____ limit _____ number of transactions you _____?

Are there any limitations on _____ transactions we _____?

_____ on the number _____ transactions _____ process for you?

_____ the number _____ transactions _____ you service _____?

_____ there _____ on transfers _____ you?

Does _____ limits _____ transaction volumes _____?

How many _____ to process?

Do _____ have any _____ transactions we can process _____ your _____?

How _____ can we _____ you?

_____ you _____ limits on _____ volumes _____ transactions you _____?

_____ there restrictions on the _____ transactions we _____ you?

Do you _____ any limits _____ can transfer?

_____ you have with _____ service?

Does your _____ have volume _____?

_____ you _____ any _____ volume _____?

Is there a _____ the number _____ can _____ processed _____ your _____?

_____ about _____ much _____ can _____ using your service.

What do _____ are _____ limitations _____ to processing multiple _____?

Is _____ limited _____ transactions?

_____ of transactions you can _____ using _____ service?
 _____ you restrict _____ number _____ transactions _____?
 _____ a limit on _____ transactions you _____ with your services?
 _____ there any _____ how many transactions _____ could _____?
 Does _____ any _____ much we can transfer?
 Will there be _____ how _____ can transfer _____ your _____?
 Is there _____ regulation _____ of transaction _____?
 Do we face _____ limits _____?
 _____ facing _____ volume limitations?
 Limit on _____ of _____ that _____ be _____ through your _____?
 _____ might incur _____ limits _____ your _____.
 _____ more than one transaction _____ service?
 _____ the _____ transactions allowed _____ your _____ been restricted?
 _____ volume limits _____ your service?
 _____ you have a limit on _____ transactions we can _____?
 Are _____ transaction limits we _____ incur?
 _____ service _____ limits on volume?
 Is _____ on _____ much _____ can process?
 Do _____ any _____ the processing?
 What are _____ for _____ much _____ service can _____?
 Is _____ limit on _____ to put through your _____?
 Do you _____ on your _____?
 Is there a cap _____ many _____ I _____ make _____?
 _____ on _____ amount or number of transactions _____ allow?
 Is it _____ restrictions _____ transaction _____?
 Do you _____ on the _____ size of _____?
 _____ allow on your platform?
 _____ that _____ limit _____ how much _____ can put _____ your _____?
 _____ any limit _____ number of transactions we _____ process in _____?
 _____ we have limits on _____ transactions we _____?
 How many _____ platform allow _____ to process?
 _____ we _____ limit _____ the amount of _____ can process?
 _____ there _____ to the number of _____ process?
 _____ tell us _____ transaction _____ for our service?
 _____ you have _____ limit _____ how _____ transactions _____ can _____?
 Do _____ have _____ limit of _____ can process?
 Limits _____ how _____ and _____ transactions you can _____?
 How _____ transactions your _____ us _____?
 _____ have a limit on _____ of _____ we can _____?
