

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Telecommunications Equipment Manufacturers
<b>Inquiry Category</b>	Network connectivity and signal issues
<b>Inquiry Sub-Category</b>	Network security
<b>Description</b>	Customers seeking guidance and solutions for enhancing the security of their network, such as setting up firewalls, implementing VPNs, or addressing potential vulnerabilities.
<b>Data Size</b>	6,230 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.

**Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)**
