

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Technical assistance with part installation
Inquiry Sub-Category	Compatibility with hybrid or electric vehicles
Description	Inquiries pertaining to the compatibility and installation procedures of automotive parts specific to hybrid or electric vehicles, providing guidance on specialized installation techniques and considerations for these vehicle types.
Data Size	7,054 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)

Can Automotive _____ issues _____ incorrect installations _____ hybrid-electric car _____?
Store _____ wrong hybrid _____?
Should _____ able _____ improper car _____?
_____ shops deal _____ improper hybrid _____?
Can vehicle part vendors address _____ hybrid _____?
_____ automotive shops be able _____ wrong _____ on _____?
Will _____ to _____ mistakes with hybrid- _____ parts?
_____ automotive _____ have the capacity _____ installations of hybrid _____?
_____ you _____ fix _____ because _____ installations of hybrid car _____?
Can you _____ faulty hybrid _____?
_____ automotive stores equipped _____ address _____?
_____ automotive _____ sellers _____ to address _____ problems?
Can auto parts _____ help _____ installation _____?
_____ automotive _____ capable of _____ improper hybrid _____?
_____ for car component _____ find errors resulting _____ improper electric- _____?
_____ vehicle part _____ to electric- hybrid installs?
Do _____ with the _____ caused by _____ installation _____ hybrid vehicle _____?
_____ auto parts retailers _____ car _____?
Is _____ for retailers to _____ of _____ hybrid?
_____ automotive stores _____ wrong _____ setups?
If _____ run _____ difficulties _____ to _____ installations of hybrid _____ could _____ me?
_____ caused by installing _____ components incorrect?
Can _____ parts _____ wrong installations _____ hybrid electric car _____?
_____ auto _____ hybrid car problems?
Fix wrong _____ pieces?
_____ auto parts shops _____ issues _____ installation _____ hybrid cars?
Can _____ retailers help _____ from wrong installations of _____ parts?
Fix _____ that _____ from _____ hybrid-electric _____ incorrect?

_____ to _____ parts for hybrid
_____ part vendors _____ ability to resolve issues _____ to electric- _____?
Will _____ able _____ fix wrong installs _____ cars?
_____ you _____ placed hybrid _____?
_____ the _____ shops fix incorrect _____ of electric _____?
_____ it possible for car _____ fix errors _____ improper electric-hybrid _____?
_____ suppliers _____ ability to resolve technical _____ wrong fitting in _____ cars?
Is it possible for _____ shops _____ hybrids _____?
_____ retailers _____ installation issues?
Is _____ part _____ able _____ failed electric- hybrid installs?
Retailers _____ car hybrid
_____ retailers know _____ to _____ faulty hybrid-electric _____?
Is _____ way _____ parts retailers to _____ issues with _____?
_____ automotive parts retailers able _____ address _____ incorrect _____ in _____ cars?
_____ it _____ car _____ vendors to address _____ by electric- _____ installations?
_____ fix problems _____ to _____ installation of _____ modules?
_____ there _____ way for automotive _____ to _____ on hybrid _____?
Would _____ be possible for _____ to _____ wrong installation of electric _____?
_____ it possible for _____ parts dealers _____ problems _____ of hybrid-electric vehicle _____?
_____ wrong installations of hybrid-electric car _____ may be _____ parts _____.
_____ shops fix _____ installations in _____ car parts?
Do _____ dealers fix problems _____ the _____ modules _____ installed _____?
Can _____ parts shops _____ issues _____ incorrect _____ of _____ parts?
Is it possible _____ part _____ to _____ issues _____ from bad _____?
Is _____ to fix the _____ hybrid installs?
Will you _____ able _____ find problems _____ by sloppy _____?
_____ automotive _____ fix hybrid setups?
_____ stores _____ to _____ hybrid _____ setup?
Will _____ able to resolve hybrid _____ component _____?
_____ shops _____ correct _____ installs on hybrid?
_____ automotive parts retailers be able _____ caused _____ incorrect _____ components in _____?
Is _____ that _____ shops can fix _____ vehicle _____?
Did auto _____ retailers _____ incorrect _____ car installations?
_____ fitting _____ could lead _____ parts _____ handling it.
_____ want to know _____ can help with issues from wrong _____ in _____.
Is _____ possible that _____ correct _____ on hybrid?
_____ it possible _____ parts retailers _____ tackle hybrid _____?
_____ car retailers _____ errors _____ installations?
Do _____ give assistance to resolve _____ caused _____ vehicle parts?
_____ caused by _____ hybrid _____ can _____ handled _____ parts retailers.
_____ auto _____ problems due _____ incorrect installation of _____ vehicle modules?
Is _____ possible _____ parts _____ wrong fitting of hybrid _____?
_____ possible _____ to fix hybrid _____?
_____ help with hybrid _____ installation _____?
_____ I encounter _____ due _____ improper _____ of _____ could _____ help me?
Is it _____ auto _____ to fix _____ electric vehiclesystems?
Can you fix _____ parts?
_____ it _____ vendors to investigate _____ associated with electric- hybrid _____?
Will _____ services include _____ errors due _____ hybrid car components?
Are there problems _____ of hybrid-car components addressed _____ automotive _____?

_____ possible _____ auto parts _____ correct _____ incorrect installation _____ hybrid-electric vehicle modules?
_____ it _____ for _____ to _____ hybrid _____ component incidents?
Problematic hybrid vehicle _____ can be resolved _____.
_____ shops able to _____ incorrect installations of _____?
_____ shops can fix _____ installations of electric vehicle _____?
_____ parts dealers fix _____ of _____ installation _____ hybrid-electric vehicle _____?
_____ auto _____ dealers fix problems when _____ vehicle _____ incorrect?
_____ it _____ shops to fix _____ electric vehicle systems?
_____ auto parts _____ problems caused by _____ installation _____ hybrid electric _____?
_____ auto parts _____ with _____ issues _____ hybrid cars?
Problems caused by incorrect _____ tackled by _____ sellers.
_____ possible for auto parts retailers _____ wrong _____ of _____ parts?
Is _____ possible _____ component vendors _____ errors _____ electric- hybrid installations?
_____ parts _____ by incorrect hybrid car installations
_____ equipped to fix _____ hybrid _____?
Is _____ automotive shops _____ deal with _____ hybrid _____ setups?
_____ there a way _____ fix problems _____ by improper electric- hybrid _____?
_____ automotive _____ skilled _____ handling faulty _____?
_____ it possible _____ automotive _____ fix issues _____ an _____ installation?
_____ automotive shop _____ improper hyb.-elec _____.
_____ hybrid _____ component setup can _____ shops _____?
_____ auto _____ fix incorrect installations _____ electric vehicle _____?
_____ auto _____ dealers _____ problems _____ there _____ incorrect _____ hybrid-electric vehicle modules?
_____ you _____ to address problems that _____ due _____ installation _____ hybrid-car _____?
_____ possible for automotive shops _____ correct _____ hybrids?
_____ a _____ can lead to auto _____ handling errors.
Is _____ possible _____ component _____ to fix problems _____ electric- hybrid _____?
Does auto _____ retailers handle _____ by hybrid _____?
_____ auto parts retailers _____ hybrid _____?
_____ shops be _____ to fix incorrect _____ installations?
Installation _____ systems _____ be fixed by _____ parts retailers.
Is _____ possible _____ car _____ vendors _____ correct errors _____ by _____ hybrid _____?
Wrong _____ hybrid _____ auto _____ dealers.
hybrid _____ installation _____ can be tackled _____ auto _____.
_____ your services _____ errors caused by improper _____ hybrid car _____?
Can you _____ caused by _____ hybrid _____ wrongly?
_____ fix _____ wrong installation of hybrid-electric vehicle modules?
Is it _____ vendors _____ related to improper _____ hybrid installations?
_____ automotive stores capable _____ part configurations?
_____ something about _____ hybrid pieces?
_____ retail _____ able to _____ accidents with _____ vehicle _____?
Is _____ possible for _____ parts retailers _____ with _____ of hybrid-electric _____ components?
Will _____ and fix errors that _____ from _____ of _____ components?
Do _____ have _____ to address _____ installation _____ hybrid components?
Is _____ that auto _____ dealers handle wrong _____ hybrid _____?
Is it _____ parts _____ to _____ incorrect _____ of _____ car components?
Will _____ shops resolve _____ hybrid _____ component _____?
_____ retailers offer _____ resolving problems caused _____ of _____ car parts?
Do automotive _____ know _____ deal _____ faulty hybrid-electric _____?
_____ parts retailers fix _____ that _____ from _____ of _____ car parts?

____ you ____ problems caused by installing ____ ?
 ____ it ____ for ____ component ____ investigate ____ from ____ hybrid installations?
 Part ____ address ____ hybrid installations.
 ____ retailers ____ remedy improper ____ hybrid?
 Is ____ feasible ____ retailers ____ address issues with ____ ?
 Are automotive parts ____ resolve issues caused ____ hybrid-electric cars?
 ____ repair problems ____ by ____ of hybrid-electric car parts?
 Can ____ fix errors ____ ?
 Are automotive ____ able ____ repair ____ setups?
 ____ stores equipped ____ fix ____ installations ____ hybrid components?
 ____ parts retailers aware of ____ by ____ car installations?
 ____ retailers ____ problems ____ hybrid electric systems?
 ____ it possible for ____ fix issues ____ incorrectly installed ____ in ____ cars?
 Would ____ be ____ for ____ retailers to correct ____ caused ____ installation of electric- ____ parts?
 ____ parts ____ the ability ____ resolve ____ caused by incorrectly ____ hybrid-electric cars?
 ____ the ____ shop ____ the ability ____ issues ____ improper hyb.-elec ____ ?
 ____ possible for ____ retailers to ____ car installations?
 ____ stores have ____ know-how ____ fix hybrid part ____ ?
 ____ it ____ for automotive ____ retailers ____ deal ____ of hybrid-electric ____ components?
 ____ it possible ____ vehicle ____ vendors ____ issues ____ bungled electric- hybrid ____ ?
 ____ shops ____ with ____ improper hybrid ____ ?
 ____ it ____ auto ____ to tackle ____ car problems?
 ____ retailers ____ at sorting ____ from ____ installations?
 Can you ____ fix ____ that ____ from installation of ____ car ____ ?
 ____ deal with improper hybrid ____ ?
 ____ it ____ auto parts dealers to ____ problems ____ inaccurate hybrid-electric ____ ?
 ____ you ____ due to incorrect installations ____ in ____ cars?
 ____ the skills ____ fix hybrid parts?
 Is ____ component vendors to ____ mistakes related to improper ____ ?
 ____ fitting of ____ auto parts dealers ____ errors.
 Is it ____ for retailers to ____ ?
 ____ problems tackled by auto parts ____ ?
 ____ diagnose ____ EV component installs?
 ____ fitting ____ hybrid can ____ for auto parts ____ .
 ____ be able to change ____ ?
 ____ it possible for car component vendors ____ fix errors ____ ?
 Is it true that auto ____ dealers ____ of ____ ?
 ____ hybrid car installation ____ ?
 ____ be ____ for ____ correct any problems related ____ installation of electric- hybrid car ____ ?
 ____ shops ____ with issues ____ hybrid car parts?
 Do ____ stores ____ the ____ address flawed ____ of hybrid ____ ?
 Do ____ retailers help with the ____ installation ____ parts?
 Do automotive ____ resolve problems caused ____ installation ____ vehicles?
 ____ some hybrid-electric ____ by ____ parts retailers?
 Will retailers ____ able ____ hybrid installations?

 Is ____ dealers fix problems due ____ incorrect installation of ____ vehicle ____ ?
 Will auto ____ be ____ to fix ____ car ____ ?
 ____ hybrid pieces ____ aren't ____ correctly?
 Following ____ installations, ____ shop ____ issues?

Are _____ problems _____ by incorrect _____ hybrid-car components _____ by automotive _____ ?

Will auto retailers _____ ?

_____ they able _____ installations of _____ bits?

Can Auto Parts Retailers _____ wrong installations _____ hybrid-electric _____ ?

_____ automotive _____ equipped to _____ flawed installation _____ components?

_____ for auto retailers to _____ installation _____ electric- _____ car parts?

_____ fitting of _____ may result in _____ dealers _____ .

_____ auto shops can do to _____ incorrect _____ systems?

_____ retailers skilled in _____ issues _____ hybrid _____ installs?

_____ automotive _____ deal with _____ installs?

Could retailers _____ errors _____ installations?

Are _____ fix _____ incorrect _____ of _____ hybrid equipment?

_____ shops _____ hybrid vehicle component _____ ?

Do _____ ability _____ fix the problems _____ by _____ components wrong?

Is it possible for _____ retailers _____ fixing problems caused by wrong installations _____ ?

_____ able _____ fix wrong hybrid part _____ ?

Is _____ car component vendors to fix errors _____ improper _____ ?

_____ of hybrid causes _____ auto _____ dealers

Will _____ checking _____ errors caused _____ the improper installation _____ car components?

Is _____ possible _____ auto _____ retailers _____ wrong hybrid-electric _____ installations?

Will _____ electric systems be _____ by _____ parts _____ ?

_____ shops _____ vehicle component _____ issues.

_____ of hybrid-electric vehicle _____ can cause problems _____ auto _____ .

_____ with issues related to _____ installation of hybrid car _____ ?

Is it _____ auto parts _____ with hybrid _____ issues?

_____ it _____ for auto _____ fix the wrong installation _____ hybrid car _____ ?

Can auto parts retailers _____ caused by _____ of _____ parts?

_____ automotive shops _____ improper hybrid _____ ?

_____ automotive stores _____ to _____ hybrid installation?

Is _____ an automotive store _____ wrong hybrid _____ ?

_____ auto _____ correct problems caused by _____ hybrid-electric _____ modules?

_____ be able _____ correct improper _____ ?

_____ at sorting issues from _____ installs?

_____ auto _____ shops help _____ from the wrong installations _____ parts?

Can auto parts _____ help _____ issues _____ in _____ parts?

_____ me fix _____ that _____ installing hybrid-electric car parts?

Is _____ automotive shops to fix _____ of _____ ?

Is there _____ can _____ wrong hybrid _____ ?

_____ can _____ improper hybrid _____ .

Fix Issues regarding _____ installed _____ .

_____ it possible _____ parts retailers can _____ ?

_____ you _____ the _____ hybrid _____ for _____ ?

Is it _____ for _____ to fix _____ to incorrect _____ of _____ hybrid car _____ ?

_____ it possible _____ auto _____ resolve incorrect installations of _____ .

_____ can automotive _____ deal _____ parts?

_____ automotive stores _____ to address _____ installation _____ ?

A question about auto _____ handling _____ by _____ installations.

Is _____ possible _____ auto parts _____ to fix _____ ?

_____ you fix the wrong _____ ?

_____ shops _____ with _____ hybrid _____ setups?

Can ____ parts ____ help ____ from ____ installations in ____ cars?

____ assistance for resolving issues caused ____ installation ____ hybrid ____ parts?

____ it ____ for vehicle part ____ to ____ problems related to ____?

Would auto retailers be ____ to ____ caused ____ incorrect installation ____ hybrid ____?

Will ____ be ____ to correct ____?

____ it possible ____ auto parts dealers ____ problems ____ installation ____ hybrid-electric ____ modules?

____ auto part retailers help ____ hybrid ____?

____ it be possible ____ retailers to ____ incorrect ____ of ____ parts?

____ you ____ wrong placed ____ pieces ____?

Are automotive stores ____ repair ____ part?

____ are hybrid-electric ____ that ____ problems ____ automotive parts retailers.

____ automotive retailers able to help with the ____ of hybrid ____?

Errors ____ component setup can ____ resolved ____ shops.

Is ____ retailers to fix ____ hybrid.

____ Auto ____ wrong ____ of hybrid-electric car parts?

Should ____ fix wrong hybrid ____?

____ automotive retailers willing ____ assist with ____ caused by ____ of hybrid ____?

____ automotive part sellers ____ integration of ____ components?

Is it possible ____ automotive ____ to ____ on ____ vehicles.

____ you ____ mistakes ____ parts ____ hybrid-electric ____?

____ auto ____ deal with ____ problems?

Can ____ fix ____ improper hyb.-elec ____?

____ services ____ checking ____ errors ____ from improper installations ____ hybrid car ____?

Should ____ retailers ____ hybrid-electric ____?

____ stores ____ fix wrong hybrid ____?

Are automotive shops able to ____ on ____?

Are retail shops ____ problems ____ hybrid ____ setup?

____ automotive shops ____ fix wrong hybrid installations?

Can auto ____ retailers ____ fix problems ____ wrong installations ____ car ____?

____ retailers can fix ____ with hybrid installations?

Do auto parts ____ address ____ caused ____ wrong ____?

Are automotive ____ with faulty ____ installs?

____ auto parts ____ help ____ that arise from incorrect ____ hybrid ____?

Is it possible ____ out ____ due ____ of ____ hybrid cars?

____ the automotive shops capable of ____ hybrid ____?

Can ____ take care of ____ car installation ____?

Are automotive ____ retailers able to ____ incorrectly installed parts ____ cars?

Should automotive stores ____ installation ____?

Fix ____ relating to ____ for ____.

Should retailers fix errors ____?

Can automotive ____ hybrid ____ setups?

Can auto parts shops help ____ wrong installations ____ car ____?

____ vendors ____ issues stemming from ____ hybrid installs?

____ fix bad ____ installs?

____ hybrid vehicle component ____ can ____ by ____ shops.

____ the automotive shops ____ on ____?

____ help address ____ to faulty installation of ____ parts?

Can ____ shops ____ with issues ____ from incorrect ____ hybrid ____ parts?

Problems ____ by wrong installations ____ hybrid-electric ____ fixed ____ parts retailers.

____ for ____ to fix ____ hybrid installs.

_____ tackle _____ installation problems?

Do _____ address _____ problems caused by _____ hybrid-car _____?

_____ hyb.-elec installations _____ in _____ automotive shop.

_____ you fix _____ hybrid pieces _____?

_____ stores that _____ the wrong hybrid _____.

Can auto parts _____ problems _____ installations _____ car parts?

_____ hybrid installs

Is _____ that auto parts retailers handle _____ hybrid _____?

_____ auto _____ fix problems when hybrid-electric _____ aren't _____ correctly?

_____ deal with _____ installations of _____ car components?

Is incorrect integration _____ hybrid-car components _____ sellers _____?

_____ automotive retailers _____ sort faulty _____ electric installs?

_____ possible for vehicle _____ to resolve _____ stemming from bungled _____?
