

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Issues with car electrical system
Inquiry Sub-Category	Check Engine Light (CEL) illumination
Description	Customers may contact about issues regarding the CEL being illuminated, which can indicate a problem with the electrical system.
Data Size	5,011 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ I _____ if an _____ CEDL indicates _____ concerns with _____ electric systems?

I _____ wondering _____ possible _____ determine the _____ electrical system concerns by observing _____ on my _____.

_____ was wondering _____ it _____ possible to _____ the severity _____ observing a _____ CEDL on _____ vehicle.

Does an illuminated ceDL _____ problems _____ my _____ vehicle's _____?

_____ the illumination _____ reveal any issues with _____ in _____ vehicle?

How can _____ know _____ CEDL _____ major or _____ with _____ car's electric _____?

_____ you know _____ lit-up CEDL _____ major _____ minor issues with my _____?

_____ a _____ of knowing if an _____ shows _____ few _____ concerns in _____ vehicle _____?

Can you _____ I would _____ the magnitude of any issues _____ illuminated CEDL _____ my _____?

_____ explain to _____ I would determine _____ of _____ indicated _____ an illuminated _____ a car electric system?

I want to _____ if an _____ CEDL _____ electric _____.

How _____ I know if the _____ indicates a _____ electric _____?

_____ it _____ to know if an _____ few major _____ or _____ with _____ electric vehicles?

_____ a litCEDL tell _____ my EV has any _____ with _____?

_____ illuminated ceDL _____ an indication _____ my vehicle's electric _____?

I _____ to know _____ an _____ signifies _____ or _____ electric _____ a _____ system.

_____ tell me if _____ illuminated CEDL _____ minor _____ issues with my _____ electric _____?

How would I _____ if the illuminated _____ problems _____ system?

Is there _____ of knowing if _____ illumination _____ a _____ major _____ or minor _____ vehicles?

If a _____ indicates major or minor _____ with _____ electric _____ vehicle, _____ me.

Does a illuminated _____ give _____ indication of _____ my _____ for _____?

_____ a minor _____ major _____ with the vehicle electric _____?

Does _____ litCEDL tell me _____ EV _____ system issues?

_____ litCED tell me _____ or not my _____?

_____ there _____ to _____ if an illumination shows a _____ minor _____ with electric vehicles?

Does _____ litCEDL _____ if _____ EV _____ bad electrical _____?

Does an illuminated ceDL _____ an _____ issues _____ electric systems?

_____ the illumination of theCEDL indicate _____ problems _____ systems _____ my _____?

Can _____ me more about _____ significance of _____ illuminated _____ when it _____ with _____ vehicle?

_____ the lighted CEDL on _____ electrical faults?

Does a _____ me if my EV has _____?

_____ the _____ a _____ capable of showing car _____?

_____ an _____ CEDL show _____ issue?

_____ or serious _____ issues with a litCEDL _____ my car?

Does _____ CEDL show _____ are problems with _____ electric _____ car?

Does _____ whether _____ vehicle _____ issues with its electrical systems?

How _____ I _____ whether _____ indicates major or _____ issues _____ electric _____?

Is it possible _____ a _____ electrical setbacks?

Can you tell _____ if my _____ electric _____ minor _____ issues?

_____ an illuminated _____ any issues with _____ car's _____?

_____ know _____ CEDL _____ minor or major issues _____ my vehicle's _____ systems.

I _____ to _____ if _____ CEDL means _____ or _____ with my _____ electrical _____.

Does a _____ give _____ of _____ EV's electrical _____?

_____ illuminated CEDL _____ problems with _____ electric systems?

If _____ lit-up CEDL is indicative _____ or _____ problems _____ electric _____ my vehicle, please _____.

_____ it possible _____ CEDL means _____ or _____ issues with _____ vehicle's electric systems?

Does _____ tell me whether _____ has any _____?

Is there a way to _____ an illumination shows major _____ or _____ systems?

_____ illumination of theCEDL show _____ electric car?

_____ clues show that _____ vehicle issues _____ reflected _____ a _____?

_____ the _____ show _____ issues with my _____ electric systems?

Do ____ know ____ an illumination ____ theCEDL ____ any issues ____ systems ____ my ____?
 ____ would I ____ the ____ bigger problem with my car's ____ system?
 ____ need to ____ CEDL means ____ or ____ electric ____ a car's system.
 ____ see ____ CEDL to ____ there are ____ concerns ____ the car's ____ system?
 ____ an illuminated ____ indication of ____ with my ____ vehicle?
 ____ you identify ____ electrical faults ____ lighted ____?
 If a lit-up ____ minor ____ with the electric functions of ____ please ____?
 Is ____ CEDL ____ of minor vehicle ____?
 ____ a ____ issues ____ my vehicle's electric systems?
 ____ there ____ if an illumination shows a few ____ concerns ____ the electric system?
 If ____ lit-upCEDL ____ or ____ problems ____ the electric ____ my vehicle, ____ advise.
 Does an illuminated ____ show ____ vehicle's electric ____?
 I ____ trying to ____ the ____ CEDL when it ____ electrical issues with my ____.
 ____ a ____ of theCEDL show ____ with the ____ systems ____?
 How ____ know if ____ illuminated ____ leads to ____ serious problems in ____?
 Is it ____ for an illuminated CEDL ____ vehicle ____?
 Can a ____ CEDL tell you ____ car electricals?
 ____ want ____ if ____ CEDL ____ or major electric issues ____ a car's ____.
 Does an ____ accurately ____ flaws in ____ system?
 ____ it comes to ____ issues ____ can ____ tell ____ the significance ____ illuminated CEDL?
 Does an ____ theCEDL ____ the electric ____ in my car?
 ____ there ____ to determine if an ____ indicative of electric ____?
 I want to know ____ an ____ or ____ issues with ____ systems.
 ____ if a ____ CEDL indicates major concerns for vehicle ____?
 ____ I know ____ the CEDL indicates ____ problems with ____ vehicle's electric ____?
 ____ an ____ CEDL indicate ____ with my vehicle's ____?
 ____ if ____ illumination ____ theCEDL shows any issues with the ____ car.
 How ____ know ____ illuminated ____ more trouble ____ my car's electric system?
 ____ the ____ of ____ trouble with the ____ electrical system?
 Can an illumination ____ problems with ____ electric ____ in ____ car?
 ____ I tell ____ difference between ____ and serious ____ a lit ____ on ____?
 ____ it possible to ____ minor ____ issues are indicated ____ brightenedCEDLs?
 ____ I find out ____ the ____ indicates ____ or minor issues ____ my ____?
 ____ it's possible to ____ concerns by observing a ____ CEDL on my vehicle.
 I'm ____ determine the significance ____ an ____ CEDL ____ comes ____ issues with ____ vehicle.
 Does an illuminated ____ you whether there ____ the ____ electric ____?
 Is ____ sign ____ minor ____ major ____ problems ____ a car ____?
 ____ a illuminated ceDL show problems ____ electric ____?
 Is it ____ serious electric issues through ____ lit ____?
 How the ____ do ____ know if ____ lit-up CEDL means ____ or just ____ with my ____?
 ____ you tell ____ if ____ CEDL ____ major ____ with my electric system?
 I ____ to ____ if an illuminated ____ or major ____ the car's ____.
 Does ____ CEDL show ____ car's electric ____?
 ____ a ____ show ____ car electricals?
 ____ an illuminated CEDL ____ minor ____ electrical ____?
 Do you ____ if ____ CEDL ____ minor or major ____ within ____ car's ____?
 ____ possible to tell me if an ____ indicates ____ major ____ vehicle's electric systems?
 ____ would I ____ if the ____ significant ____ my car's ____ system?
 ____ would ____ know if the illuminated ____ points to ____ the electric ____?
 ____ like ____ know if a lit-up CEDL points ____ minor ____ electric _____.

____ it possible to conclude ____ system issues ____ by ____ CEDLs?
 ____ illuminated ____ to ____ vehicle ____ issues?
 ____ a ____ ceDL give ____ of ____ with my electric ____?
 ____ a litCEDL ____ me know if ____ issues?
 Is a ____ a ____ issues with car ____?
 ____ the illumination of ____ CEDL signal ____ problem ____ car?
 ____ to know ____ an ____ means ____ or major problems with ____ systems.
 ____ litCEDL ____ me ____ not my vehicle ____ issues with ____ systems?
 ____ the illuminated ____ on ____ vehicle mean there ____?
 ____ an illuminatedCEDL show any ____ car's ____ systems?
 Does ____ litCEDL tell ____ if ____ not ____ EV has problems ____?
 How ____ the CEDL indicates ____ or ____ issues with my vehicle's ____?
 ____ of ____ show any ____ the electric ____ in my ____?
 Is ____ CEDL ____ of minor vehicle ____?
 ____ CEDL a sign ____ electric ____?
 ____ a illuminated ____ tell ____ if my ____ is malfunctioning?
 ____ way of ____ an illumination shows a few ____ or ____ concerns for ____ vehicles?
 ____ determine ____ minor or major ____ with ____ electric Systems are shown?
 ____ like to ____ an illuminated CEDL indicates minor or major ____ a ____.
 Could you ____ me ____ an illuminated ____ minor or ____?
 ____ a litCEDL tell ____ problem my ____ is?
 minor ____ with the ____ what should I ____ in an illuminated ____?
 Does the illuminated CEDL show ____ problems ____?
 ____ a ____ tell me ____ EV has ____ its electrical ____?
 ____ want ____ know ____ you ____ help ____ identify ____ significance of ____ CEDL when ____ comes to electrical issues ____.
 Does ____ ceDL ____ if ____ are problems with my ____ electric ____?
 ____ the ____ of car ____ systems, how ____ I determine ____ magnitude of issues ____ by ____?
 Is the illumination of theCEDL ____ any ____ with ____ vehicle?
 ____ there a way ____ see if ____ illumination shows ____ few ____ or minor ____ electric ____?
 Is ____ way to ____ if an illumination shows ____ few ____ or ____ about electric ____?
 Does an ____ CEDL show ____ a ____ in ____ electric ____?
 ____ indicate a problem ____ EV?
 Does a ____ an ____ of problems with my ____?
 ____ the ____ of ____ electric ____ how would ____ determine ____ any issues ____ indicated by ____ illuminated CEDL?
 Do ____ know ____ CEDL means ____ or ____ issues with ____ vehicle's electric ____?
 Do ____ litCEDL ____ a ____ with ____?
 ____ show minor ____ major flaws in a car's ____?
 ____ an ____ tell you if ____ are ____ in the car's ____?
 Does ____ litCEDL ____ me ____ my ____ electrical issues?
 ____ would I ____ if ____ illuminated ____ something about ____ car's ____ system?
 ____ tell me ____ a lit-up ____ points to ____ with the ____ functions of ____ vehicle?
 ____ want to know ____ illuminated ____ minor or major ____ with my ____ electric ____.
 ____ I determine ____ or ____ the ____ indicates major ____ minor issues with ____?
 ____ I ____ whether the ____ indicates major or ____ issues with my ____?
 Is ____ a ____ of knowing if ____ illumination ____ few major ____ minor ____ for the ____?
 Does ____ CEDL show whether the ____ systems ____ flaws?
 ____ a litCEDL ____ to tell ____ whether my ____ issues ____ its ____?
 If the ____ up ____ car, can ____ are any minor or major ____?
 Is ____ that ____ system issues ____ by brightened CEDLs?

_____ if a _____ CEDL indicates major _____ with my vehicle's _____ capabilities.

_____ know if an _____ CEDL _____ minor _____ major issues with my _____.

_____ want to know _____ illuminated _____ means _____ major issues _____ my vehicle's _____.

_____ the _____ CEDL _____ any problems with _____ electric _____?

Does an illuminated _____ show any _____ with _____?

Does _____ point _____ problem _____ my EV?

_____ a lighted-up _____ if there are any concerns _____ the electrical parts _____ the car?

Does _____ litCEDL _____ if I have problems _____?

Is the _____ for minor _____ troubles _____ cars _____?

_____ litCEDL _____ if my _____ troubles with its _____ systems?

_____ a _____ about what a lit _____ regarding _____ electric _____.

_____ to _____ if an illuminated _____ minor _____ with _____ electric systems.

_____ know if _____ CEDL shows _____ or _____ electric _____ in a car's _____.

What _____ look for in _____ CEDL _____ tell the _____ and major electrical _____?

Does a illuminated _____ indication _____ with _____ electric systems?

_____ would _____ to _____ if _____ CEDL means minor _____ major _____ within a car's _____.

I'm wondering if an illuminated _____ or major _____ problems _____?

_____ like _____ lit-upCEDL indicates _____ concerns for vehicle electrics.

_____ I figure out _____ magnitude _____ issues indicated by an illuminated _____ in _____ realm of _____?

Does _____ CEDL indicate _____ or minor issues _____?

Is _____ a way _____ a CELD _____ troubles?

I want _____ indicates _____ concerns for electric vehicles.

How _____ a _____ CEDL shows major concerns _____ electrics?

Is there a way _____ an _____ when it comes _____ issues with _____ vehicle?

_____ to _____ an illuminated _____ or major electric problems.

Is _____ to determine whether _____ CEDL _____ minor electric system _____?

How will _____ know _____ the _____ CEDL points _____ in the _____?

How can I _____ indicates major or _____ issues _____ my _____?

_____ can I _____ if _____ lit-up _____ indicates major concerns _____ electrics?

_____ of _____ CEDL indicative of _____ problems?

_____ possible _____ issues _____ a lit _____ on my car?

When it _____ electrical _____ vehicle can _____ me about the _____ of an _____ CEDL?

Is _____ possible to differentiate mild or _____ issues _____ on my _____?

Is it _____ or _____ electric _____ by _____ on my vehicle?

_____ it possible to differentiate mild _____ serious electric _____ lit _____ my _____?

_____ illuminated _____ problems in the electric _____ how would _____?

Does _____ litCEDL tell me _____ EV _____ problems _____ electrical systems?

_____ glowing CEDL _____ indication of concerns _____ electricals?

_____ a _____ signal _____ problems?

_____ trouble _____ my car's electric system, how would I _____?

Does a _____ tell me whether _____ my _____ system _____?

_____ illuminated _____ show _____ with my _____ electric system?

_____ you _____ the _____ of _____ illuminated CEDL _____ to _____ with my vehicle?

I _____ know _____ a _____ CEDL means serious troubles _____ just _____ things _____ my _____ power _____.

I _____ know _____ illuminated CEDL means minor or _____ my _____ electric systems.

_____ it possible _____ see _____ electric issues _____ illuminated _____?

_____ if _____ active _____ tells me _____ electric issues in _____ car.

How would I know _____ the _____ to a serious _____ in _____?

_____ an illuminated _____ a _____ problems _____ my vehicle's _____ systems?

_____ an _____ CEDL _____ whether there _____ significant _____ in the car's electric _____?

_____ the _____ of the CEDL _____ issues with _____ electric systems _____ vehicle?

I want _____ if an illuminated CEDL _____ minor _____ major _____ vehicle's _____ systems.

_____ a lit CEDL let _____ my _____ issues with its electrical systems?

Will vehicle electrical _____ be _____ by _____?

Does a lit CEDL _____ me how _____ systems _____?

How would _____ know if the illuminated CEDL _____ electric system?

_____ tell me if an _____ means minor or _____ with my _____?

_____ out if _____ CEDL indicates _____ or minor electric system _____?

Does a lit CEDL _____ issues with its electrical _____?

_____ do _____ know _____ CEDL _____ or minor issues with _____ electric _____?

Does _____ CEDL on my _____ a problem _____ the _____?

_____ illuminated CEDL indicative _____ issues?

Is _____ possible to see _____ CEDL _____ my _____ to determine the _____ of _____?

Is _____ to determine if any _____ or _____ vehicle _____ are shown?

_____ the CEDL show any issues _____ the electric system _____ my _____?

_____ can I know whether the CEDL indicates _____ my _____?

Does _____ CEDL give _____ indication _____ with _____ electrical systems?

_____ to _____ an illuminated CEDL _____ minor or major electric _____ in _____.

Does _____ lit CEDL _____ if my _____ has trouble _____ its _____?

Does _____ show any _____ with my car's electric _____?

Does _____ illuminated CEDL let me _____ if _____ vehicle's _____?

Is _____ indicative of minor or _____ electric _____?

_____ want _____ know if _____ CEDL is _____ minor or major _____.

Can _____ CEDL _____ a _____ electric _____?

_____ you tell me _____ significance _____ illuminated CEDL _____ to electrical issues with _____ car?

_____ lit CEDL detect _____ problem _____ my _____?

Is there a _____ if _____ shows _____ major concerns or minor concerns with _____?

_____ there a _____ knowing if _____ shows a _____ major _____ or minor concerns _____ the _____ system?

_____ need _____ know _____ CEDL indicates minor _____ concerns _____ vehicle electric systems.

Does _____ give an indication _____ the _____ with _____ vehicle's _____ systems?

_____ it comes _____ electrical issues with _____ you _____ on the significance of an _____?

_____ an _____ CEDL _____ minor or major _____ with vehicle electric _____ how _____?

I _____ like to _____ an _____ indicates a _____ or major _____ a car's system.

_____ a lit-up CEDL points towards _____ issues _____ my _____ please _____.

_____ you help me decide _____ an _____ or major issues with _____ vehicle's _____?

_____ CEDL and determine if there _____ any minor or severe _____ with the car's _____.

I _____ to _____ if an _____ or _____ electric _____ in the _____ system.

_____ a _____ me whether _____ not my _____ has _____ with its _____?

When _____ comes to _____ issues _____ my _____ can you tell _____ about _____?

_____ illumination of _____ show _____ issues with the _____ systems _____ vehicle?

_____ the illuminated _____ to _____ seriously flawed _____ electric car, how _____ know?

_____ anyone _____ an _____ if _____ illuminated _____ suggests _____ in _____ electrics?

Does _____ CEDL _____ problems with my _____ systems?

_____ possible to _____ serious _____ issues _____ lit CEDL on my vehicle?

_____ figure out if _____ lit-up CEDL means serious _____ or _____ tiny _____ with _____ system.

_____ an _____ CEDL tell _____ vehicle _____ electric issues?

I want to _____ an _____ signifies minor _____ major _____ problems in _____.

Does _____ know if _____ EV has _____ its _____?

If a _____ points towards _____ or minor difficulties _____ function of _____ vehicle, _____ advise _____.

I want _____ know if _____ CEDL _____ a _____ minor problem _____ my _____.

_____ it possible _____ system issues _____ indicated _____ brightened CEDLs?

_____ it _____ conclude that minor _____ issues are indicated by _____ CEDLs?

Does _____ lit CEDL tell _____ whether or _____ has _____ with _____ electrical systems?

Does _____ illuminated _____ whether there _____ problems with the _____?

How _____ know if the illuminated _____ a _____ problem in _____ electric _____?

_____ you _____ me _____ illuminated _____ signifies minor _____ electric problems?

Can _____ know if a _____ major concerns _____ vehicle _____?

Can you _____ determine the _____ illuminated CEDL when it _____ to _____ issues?

If a lit-up CEDL _____ major _____ the _____ functions of my _____ advise _____.

When _____ comes _____ with my _____ can you tell me about the _____ CEDL?

_____ a lit-up CEDL indicates major _____ vehicle electrics?

Is _____ possible to _____ major _____ electric _____ issues _____ indicated by _____ CEDLs?

_____ would like to know _____ an illuminated CEDL _____ minor or _____ system.

Will _____ illuminated _____ show _____ electrical _____?

Is it _____ electric issues _____ lit CEDL on _____ vehicle?

Do you know _____ a lit-up CEDL _____ towards major _____ minor _____ electric _____ my _____?

In _____ should I _____ indicate minor or major _____ with the vehicle's electrical _____?

How would _____ the magnitude _____ any issues _____ an _____ the car _____ system?

_____ it _____ electrical issues with _____ vehicle, _____ you _____ me in _____ significance of an _____?

_____ if _____ lit-up _____ major or _____ problems with _____ vehicle's electric functions.

Is _____ see _____ on my vehicle with _____ CEDL?

Does _____ tell me if there _____ issue with _____?

_____ if _____ illuminated CEDL _____ a _____ problem in the car's electric _____?

Will _____ vehicle _____ revealed by an _____ CEDL?

_____ an _____ CEDL _____ problems _____ my _____ electric systems?

I need assistance distinguishing the _____ an _____ CEDL when _____ electrical _____ my _____.

Can you _____ tell _____ of _____ CEDL when it _____ electrical issues with my _____?

I want _____ if an illuminated _____ minor or _____ with _____ systems.

_____ there a way _____ an _____ shows _____ few major concerns _____ minor _____ with _____ vehicles?

_____ you _____ me if _____ CEDL signifies _____ or _____ issues with _____ systems?

Can you help _____ the _____ of _____ illuminated _____ when it _____ to _____ issues _____ car?

_____ the _____ lights up _____ can you tell if there _____ minor _____ major _____?

Is _____ to know _____ an _____ is showing _____ concerns _____ concerns with the _____ system?

Is _____ or major electric system _____ indicated by the brightened _____?

_____ possible to _____ if an _____ suggests _____ in my car?

Is it _____ distinguish _____ and _____ electric issues with _____ my _____?

I don't _____ if _____ lit-up cedl _____ major _____ for _____.

_____ there a _____ know _____ an illumination shows _____ or _____ concerns in _____ electric _____?

_____ an _____ CEDL show _____ or _____ flaws in _____ electric system?

Can _____ glowing _____ small concerns _____ car electricals?

_____ of the CEDL show _____ my vehicle's electric _____?

How _____ I know if _____ CEDL _____ major _____ with _____ car's _____ systems?

_____ to _____ if an illuminated CEDL indicates _____ major _____ electric systems?

Is _____ illuminated CEDL _____ to _____ minor _____?

Does _____ me _____ whether my EV has _____?

Can _____ me _____ EV has issues _____ its _____ systems?

Does _____ litCEDL _____ me _____ my _____ trouble _____ its electrical systems?

Is it _____ that _____ or major electric _____ indicated by _____?

Is a litCEDL able to _____ has issues?

_____ want to know _____ an _____ CEDL _____ major _____ problems.

_____ it possible to determine _____ of electrical system _____ by observing _____ my _____?

Is there a _____ to _____ an _____ CELD _____ electric _____?

I am wondering _____ illuminated CEDL signifies _____ in _____ car's system.

_____ it _____ lit-up _____ major concerns for vehicle electrics?

Minor _____ major _____ with the _____ should be indicated _____ illuminated _____.

Is there _____ way of knowing if _____ shows a few _____ concerns in _____ Electric _____?

Does _____ illuminated _____ electric systems have flaws?

_____ a _____ tell me if _____ has _____ problems?

_____ litCEDL _____ me _____ or not _____ EV has electrical _____?

_____ there a _____ shows a few major _____ for electric vehicles?

_____ if a lit-up CEDL shows major _____ for electric _____.

_____ if an illuminated CEDL means _____ major _____ with _____ vehicle's _____ system?

_____ illumination of _____ any issues with _____ electric _____?

_____ a litCEDL _____ tell me _____ EV has problems?

_____ illumination _____ aCEDL _____ sign of car _____ setbacks?

If _____ lit-up _____ or minor _____ the electric _____ my vehicle, please advise me.

_____ can I _____ CEDL _____ major or minor issues _____ my _____?

If the CEDL _____ car, _____ you tell _____ there _____ problems?

Does _____ illuminated CEDL _____ problems _____ vehicle's electric _____?

_____ a illuminated _____ signs of problems _____ my _____ systems?

_____ would _____ know if the _____ CEDL points to _____ car's _____ system?

_____ a _____ an _____ of problems with my _____ systems?

Does _____ CEDL _____ whether the car's electric systems _____ minor _____?

Does _____ litCEDL _____ at _____ problem _____ my _____?

Is an _____ reveal vehicle _____ issues?

_____ tell me _____ not _____ EV _____ an issue with its _____?

_____ me _____ CEDL _____ with minor or major issues?

_____ ceDL show an _____ of _____ with _____ vehicle's _____ system?

_____ need to know if _____ illuminated _____ minor _____ major _____ in the _____.

How _____ if the illuminated CEDL is _____ of more serious _____ electric _____?

Does a _____ my _____ vehicle _____ electrical issues?

If a lit-up CEDL points _____ major _____ minor _____ with the _____ functions of _____.

Does an _____ indicate any _____ my electric _____?

_____ an _____ a sign _____ issues?

I _____ like _____ know _____ an _____ or major electric problems in _____.

Is it _____ determine the severity of _____ system _____ a _____ vehicle?

_____ it _____ to _____ the severity of electrical system _____ a litCEDL _____?

_____ the litCEDL tell me _____ my _____ electrical _____?

How would _____ know if the _____ to problems _____ car's _____?

_____ the _____ of _____ electric systems, _____ the magnitude of any issues _____ by an _____?

_____ can I know whether the _____ or minor _____ vehicle's electric _____?

How _____ if the illuminated _____ pointing to _____ flaw _____ electric car?

Is there a _____ an _____ causes electric troubles?

I _____ to _____ if an illuminated _____ means _____ issues with _____ vehicle.

_____ do _____ know if _____ indicates major _____ minor issues _____ electric _____?

_____ there _____ to _____ if an _____ CELD signals electric _____?

Is a _____ indicative of _____ car electricals?

_____ illumination of theCEDL show any _____ the _____ car?

_____ an _____ indication of problems _____ my car's _____ systems?

Will _____ CEDL _____ problems _____ the vehicle's electrical _____?

_____ there a _____ of _____ an _____ shows some _____ concerns _____ minor _____ the electric system?

_____ it _____ possible _____ the severity _____ electrical system _____ by _____ on my vehicle?

_____ a _____ tell _____ my EV has any _____?

How would _____ know if _____ illuminated CEDL _____ serious _____ the _____?

_____ there minor or _____ with _____ vehicle's electric _____ can be determined by _____?

_____ an _____ theCEDL _____ the electric _____ in my vehicle?

_____ a way _____ magnitude of any issues _____ by an illuminated CEDL _____ realm of _____ electric _____?

How _____ know _____ illuminated CEDL shows _____ significant _____ the _____ electric system?

_____ the _____ on my vehicle _____ symptom of _____?

_____ know _____ an illuminated CEDL _____ major _____ with _____ car's electric system.

How _____ tell whether _____ indicates _____ or minor issues with _____ system?

Is _____ to differentiate electric _____ lit CEDL on _____?

Do you know _____ a lit-up CEDL _____ or _____ the electric function _____?

When _____ to _____ issues with my vehicle, can _____ help me _____?

How _____ I know if a _____ serious _____ just tiny _____ auto's _____ system?

Does an illumination _____ my electric vehicles?

I'm looking _____ if an _____ in auto electronics.

Does _____ litCEDL _____ me about _____ problem _____ my _____?

_____ to know if _____ CEDL points _____ major _____ minor _____ with my electric _____.

_____ don't know if a _____ major _____ about vehicle _____.

_____ would _____ know if _____ CEDL _____ to more _____ in _____ car's electric _____?

_____ it _____ to _____ serious electric issues with _____ litCEDL?

_____ illumination _____ show issues with _____ electric _____ my vehicle?

I'm wondering _____ towards major _____ minor problems with the _____ of _____ vehicle.

_____ illuminatedCEDL able to _____ vehicle _____ issues?

Is an _____ showing _____ with the _____ my car?

_____ want to know _____ illuminated _____ major issues with _____ car's _____ system.

_____ illumination of theCEDL _____ with the _____ my vehicle.

Is there a _____ know if an illumination _____ few _____ or _____ in the _____ systems?

Is _____ a way _____ know if _____ illumination _____ concerns or minor _____ electric vehicles?

I _____ figure out if _____ troubles or _____ with my auto's power _____.

_____ illuminated cedL _____ me _____ my _____ electric systems _____ problems?

Is there _____ way to know _____ shows a few major _____ in _____ vehicle electric _____?

Is there _____ way _____ know if _____ illumination shows _____ few major _____ electric vehicles.

_____ it _____ to _____ severity _____ electrical system concerns with the help _____ a _____ my _____?

_____ if it is _____ to _____ severity _____ electrical system concerns _____ observing a _____ CEDL _____ my _____.

I need _____ distinguishing the significance _____ it comes _____ issues _____ my vehicle.

_____ litCEDL _____ me _____ EV _____ some _____ with its systems?

_____ it _____ to determine if a _____ CEDL _____ or _____ problems with _____?

_____ there _____ way _____ an activated CELD means electric _____?

_____ tell me _____ significance of _____ illuminated CEDL is when _____ to electrical issues _____?

_____ you _____ me _____ an _____ CEDL _____ major _____ problems in a car?

Is it possible _____ major _____ system issues _____ to brightened CEDLs?

Is a _____ indicative of _____ concerns for _____?

_____ lit-up _____ points towards major _____ with the electric functions _____ my _____ please _____.

Is there a method of knowing _____ shows a _____ concerns _____ with _____ vehicle?

_____ an illuminated CEDL show _____ the _____?

_____ an illumination of _____ some _____ electric systems?

Is _____ the _____ of a _____ signals _____ electrical problems?

Does _____ theCEDL show any trouble _____ the _____ in my _____?

Is _____ minor or major electrical _____ cars?

_____ a lit-up _____ major or _____ problems with _____ electric _____ my vehicle, _____ advise.

Does the litCEDL _____ or not _____ has any _____?

_____ like _____ know _____ the _____ indicates major _____ minor issues _____ my vehicle's _____.

Will _____ illumination _____ CEDL _____ electrical problems?

_____ the _____ in _____ car, can you _____ it's minor or _____?

_____ an illumination _____ theCEDL show any _____ with the _____ car?

Is _____ possible to see a _____ if _____ are _____ concerns with _____ parts of _____?

_____ a litCEDL _____ of _____ problem with _____?

I _____ if _____ of _____ system concerns by observing a litCEDL on _____ vehicle.

_____ know if _____ CEDL indicates a _____ minor _____ my vehicle?

_____ tell me _____ an _____ is _____ minor _____ major issues _____ my vehicle's electric systems?

_____ litCEDL _____ me _____ my _____ has problems with its _____?

Can _____ tell me _____ vehicle's _____ systems have _____ problems?

I would like to know _____ illuminated _____ means _____ electric _____ the _____.

_____ would _____ determine _____ magnitude _____ any issues indicated by _____ illuminated _____ in the _____ of _____?

_____ it _____ minor or major electric _____ are indicated by _____ brightened _____?

Is _____ possible _____ see _____ issues through _____ lit _____ car?

_____ illuminated _____ indicative of _____ vehicle electric _____?

_____ illumination _____ theCEDL _____ issues with _____ electric systems?

_____ CEDL _____ flaws _____ the car's electric system?

_____ a _____ CEDL _____ towards major or minor _____ with _____ functions of my _____.

_____ would I _____ magnitude of any _____ by _____ illuminated _____ within the _____ of _____ electric _____.

How can _____ determine if _____ my vehicle's electric _____?

_____ an _____ ceDL give an indication _____ problems _____ vehicle's _____?

Does _____ indicate _____ problems _____ my car's electric _____?

I _____ wondering if _____ illuminated _____ or major _____ problems _____ a car's _____?

Is _____ CEDL _____ of revealing _____ electrical issues?

Can _____ see _____ to _____ if there _____ any _____ with the _____ parts _____ the _____?

Within the _____ of car _____ me how _____ determine _____ magnitude of _____ issues indicated _____ illuminated CEDL?

Can _____ illumination of a CEDL _____ a _____?

_____ a litCEDL indicate _____ problem with _____?

Does the _____ tell _____ EV has _____?

Is the illumination of _____ showing _____ issues _____ systems _____ my _____?

Is _____ a way _____ knowing _____ an illumination shows _____ few major concerns _____ vehicles?

_____ it possible to determine if the _____ or minor _____?

_____ you help me determine _____ illuminated CEDL indicates minor _____ major _____ vehicle's _____?

Is it possible to _____ severe concerns with _____ parts _____ a car _____ lighted-up CEDL?

Is _____ if _____ a few major concerns or minor concerns _____ electric cars?

_____ would _____ to _____ if an illuminated _____ indicates _____ or _____ electric _____ car's system.

I want _____ if _____ CEDL _____ minor or _____ my electric _____ electric systems.

_____ an illumination of _____ show _____ issues _____ the _____ my car?

I would ____ to know if ____ signifies ____ or major ____.
 ____ minor ____ major issues ____ the vehicle electric systems?
 ____ illumination of the CEDL show ____ problems ____ electric ____ in ____?
 Will an illuminated CEDL ____ in ____?
 ____ I ____ the ____ indicates ____ bigger ____ in my car's electric ____?
 How ____ tell ____ the ____ major ____ minor ____ with my ____ electric system?
 ____ would ____ know whether ____ illuminated ____ minor or major issues ____ vehicle's electric ____.
 Does a illuminated ____ vehicle's electric system?
 Is it ____ of ____ indicated by ____ illuminated CEDL within ____ realm ____ electric systems?
 ____ want ____ an ____ CEDL ____ major electric ____ within a car's system.
 ____ a lit CEDL ____ me ____ my ____ has electrical ____?
 Is ____ possible to discern the severity of ____ system ____ observing ____ my ____?
 ____ does a lit CEDL ____ about ____ car's ____?
 ____ an ____ of the CEDL ____ issue with ____ electric ____ in ____ car?
 ____ a lit CEDL ____ EV has issues with electrical ____?
 ____ a way to ____ an illumination shows ____ concerns ____ the electric system?
 When ____ comes to ____ issues with my ____ tell ____ of an illuminated CEDL?
 ____ there a ____ of ____ the illumination ____ a few major concerns ____ with the ____?
 How can I ____ the ____ major ____ electric ____ problems?
 Does a ____ tell me ____ EV has ____ systems?
 ____ an illuminated ____ of electric vehicle ____?
 ____ illuminated ____ show whether a car ____ or significant ____ in ____ electric ____?
 Does the ____ tell ____ whether ____ EV ____ with its ____?
 If ____ lit-up CEDL points towards ____ problems ____ of my vehicle, please ____ me.
 ____ I ____ if ____ CEDL indicates ____ concerns for ____ electrics?
 ____ an ____ shows any problems with the electric ____ car?
 ____ a sign for minor ____ problems in ____?
 ____ I ____ difference ____ mild or ____ electric issues with ____ lit CEDL ____ vehicle?
 ____ would ____ CEDL points ____ more ____ problems with the car's ____ system?
 ____ want ____ any minor or ____ concerns with ____ electric ____ in illuminated CEDL.
 Does an ____ CEDL ____ whether ____ are ____ the ____ electric ____?
 Can the ____ CEDL signal car ____?
 ____ a ____ tell ____ that my ____ has ____?
 When it comes ____ issues ____ can you ____ me ____ significance of an ____?
 Is an ____ CEDL telling ____ vehicle ____?
 ____ to determine the ____ of ____ issues by ____ a ____ CEDL ____ my vehicle?
 ____ there a way to determine ____ of ____ an ____ CEDL ____ a car electric ____?
 ____ a ____ tell me if my EV ____?
 ____ an illumination ____ the CEDL ____ with the ____ electric systems?
 ____ an ____ of the CEDL ____ issues with ____ systems ____ vehicle?
 Does an ____ show any ____ issues ____ my ____?
 ____ a ____ ceDL ____ an indication of the troubles ____ electric ____?
 Can ____ an ____ sign of minor or major ____ with my vehicle's ____ systems?
 ____ me if an ____ CEDL indicates ____ with my ____ electric systems?
 ____ an illumination ____ the electric system of my car?
 ____ comes to ____ issues ____ my car, can ____ me identify the ____ an illuminated ____?
 Within ____ realm ____ car electric systems, ____ determine ____ magnitude ____ indicated ____ an illuminated CEDL?
 Is ____ possible to ____ serious electric ____ through ____ lit CEDL ____ vehicle?
 Does a ____ tell me ____ EV ____ electrical ____?

____ I ____ if the ____ CEDL points to ____ bigger ____ with ____ system?
 ____ illuminated ____ sign ____ my vehicle's electric systems ____ malfunctioning?
 ____ would I know if the illuminated CEDL ____ pointing ____ trouble ____ car's ____?
 I ____ to ____ what a ____ about car's electric ____.
 ____ a ceDL give an ____ of problems ____ vehicle's ____?
 ____ of a CEDL indicative of ____ electrical ____?
 ____ tell ____ the EV has issues?
 Is an ____ a ____ of vehicle ____ problems?
 Should ____ if ____ points towards major ____ minor ____ my electric vehicle?
 ____ to determine if ____ points towards major ____ with my ____ vehicle?
 ____ a illuminated ceDL ____ indication of ____ vehicle's electric systems?
 I ____ know if an illuminated ____ means minor ____ major ____ car.
 Is ____ glowing CEDL ____ a concern with ____?
 Does ____ tell me if ____ has ____ with ____ electric systems?
 A ____ if an illumination ____ a ____ major concerns or ____ concerns ____ vehicles ____ needed.
 ____ don't ____ if ____ lit-up ____ indicates major ____ for ____ cars.
 ____ an ____ of theCEDL reveal any issues ____ the ____ my ____?
 Does ____ ceDL ____ an indication of ____ my ____ electrical ____?
 ____ an illuminated ____ are ____ flaws in ____ car's electric systems?
 ____ I ____ if the illuminated ____ indicates a concern ____ electric ____?
 Is there a ____ knowing if the ____ few ____ or minor ____ with ____ electric ____?
 ____ tell me ____ an illuminatedCEDL ____ minor or ____ problems within ____ car's ____?
 ____ a litCEDL ____ if my EV has ____ its ____?
 ____ I look for ____ an ____ to tell ____ difference ____ and major ____ issues?
 How ____ know if ____ illuminated CEDL signals more ____ in ____ car's ____?
 Does ____ litCEDL tell ____ or ____ EV ____ electrical problems?
 I want ____ if a ____ major ____ about ____ electrics.
 ____ the illuminated CEDL ____ with ____ electric vehicle?
 Does an illuminated ceDL ____ an ____ troubles with ____?
 ____ would I ____ if ____ CEDL is ____ flawed in the ____ car?
 Does the ____ any ____ with ____ electric systems ____ my car?
 ____ determine the ____ of electrical ____ seeing a ____ CEDL on my vehicle?
 Does ____ show any issues ____ the ____ in my automobile?
 Is ____ possible ____ if an ____ shows ____ concerns or small ____ with ____ vehicles?
 ____ to know ____ a ____ indicates major or minor issues ____ my ____.
 ____ CEDL indicate ____ with ____ electricals?
 ____ tell ____ what the ____ is when it comes to electrical issues with ____?
 Is there a ____ an ____ a few ____ concerns or ____ small concern with ____?
 Is ____ CEDL on my ____ me ____ electrical ____?
 ____ of theCEDL ____ show ____ the electric ____ my vehicle.
 ____ the ____ issues with the electric system?
 ____ an ____ of ____ show any ____ my electric ____?
 ____ like ____ illuminatedCEDL indicates ____ or ____ electric ____ in a car's system.
 Does the ____ me ____ EV has ____?
 ____ a ____ tell me whether my ____ problem ____ its ____?
 ____ would like to know ____ lit-up ____ concerns for vehicle ____.
 ____ tell me ____ lit-up CEDL points towards ____ with ____ electric vehicle?
 Does a ____ ceDL show ____ problems with ____ vehicle's ____?
 How ____ a lit-up ____ serious troubles ____ just small problems ____ my auto's power ____?
 ____ know ____ an illuminated ____ minor or ____ problems in ____ car's system.

Are _____ electric functions of _____ if _____ lit-up CEDL _____ major or _____ problems?

Is _____ see a lighted-up CEDL and _____ if _____ any concerns _____ the _____ parts of _____?

Does _____ me _____ status of my _____ electrical _____?

I want to know _____ a _____ points _____ with my _____ car.

_____ the _____ mild _____ serious electric _____ with a lit CEDL on my _____?

I would _____ to _____ whether an _____ CEDL _____ minor _____ problems _____ a car's _____.

Does _____ lit CED tell me _____ not _____ issues with _____ electrical _____?

_____ illuminated CEDL points to _____ problems _____ the car's electric _____ I _____?

_____ the illumination _____ show _____ issues with the electric systems _____?

_____ an _____ CEDL _____ whether a car's electric _____ or significant _____?

Is the illuminated CEDL _____ of _____ problems?

Can you _____ me if _____ are minor _____ my electric _____?

I _____ help in distinguishing _____ of _____ illuminated CEDL _____ comes _____ with my vehicle.

How _____ if the illuminated CEDL shows trouble _____ my _____?

Does a _____ tell me if _____ vehicle _____ its _____ systems?

Does _____ illuminated CEDL _____ any problems _____ car's _____?

_____ I _____ whether the CEDL indicates _____ issues _____ electric car?

_____ to _____ if _____ CEDL means minor or _____ electric _____ within _____ car's _____.

_____ you tell _____ illuminated _____ means minor or _____ with _____ electric systems?

Does an illuminated CEDL _____ car's electric systems?

_____ the CEDL show any issues _____ the _____ in my vehicles?

_____ it _____ electrical _____ with _____ vehicle, can you help me identify _____ of _____ CEDL?

Is a illuminated CEDL indicative of _____ my _____?

_____ an _____ CEDL _____ or _____ flaws _____ car's electric systems?

_____ it possible to determine _____ a _____ or minor _____ with the electric _____ of my _____?

_____ a lit CEDL _____ me if _____ my _____ has _____?

_____ illuminated _____ a _____ of electric issues _____ vehicles?

_____ electrical _____ will be revealed _____ an _____ CEDL?

Does _____ lit CEDL tell _____ is having any _____?

_____ of knowing if _____ illumination shows _____ major concerns _____ minor concerns with _____ cars?

_____ an illuminated CEDL _____ show minor _____ electric _____?

Is there _____ to know if an _____ shows a _____ major concerns _____ in _____ systems.

Is _____ tell _____ major problems exist when the _____ lights _____?

Does a _____ tell _____ if my EV's _____?

_____ an illumination _____ show any _____ the vehicle's _____ systems?

_____ you tell _____ minor or major issues _____ my electric system?

Does a _____ tell _____ going on _____ EV?

Is _____ good _____ of vehicle electrical _____?

There _____ questions about whether _____ CEDL _____ minor _____ issues.

_____ an illumination of _____ show any _____ with the electric _____?

_____ illuminated _____ give an indication _____ systems _____ my vehicle?

_____ the _____ show any issues with _____ electric _____?

_____ possible _____ or _____ system issues are indicated by _____ CEDLs?

How _____ the magnitude _____ issues indicated by _____ CEDL _____ car electric system?

Is the illuminated _____ of electrical trouble?

Does an _____ the CEDL _____ issues _____ electric systems _____ my _____?

_____ can't figure _____ CEDL _____ serious troubles or small _____ with _____ auto's power _____.

_____ possible _____ determine the _____ electrical system concerns _____ observing _____ my car?

Is _____ sign _____ for minor _____ major _____ cars?

_____ know if my car's _____ in trouble _____ the illuminated _____?

_____ CEDL show _____ electric issues?

Can you see _____ lighted up _____ there _____ any issues _____ the _____ parts of _____?

If a lit-up CEDL points _____ major _____ minor problems with _____.

_____ an illuminated CEDL _____ or _____ electric _____ in a _____ system?

Does _____ lit CEDL tell me if _____ any problems _____ systems?

_____ there a _____ to know if _____ illumination _____ concerns _____ concerns with _____?

_____ possible _____ a lighted-up _____ to _____ if there are _____ issues _____ electrical parts of _____ car?

If _____ illuminated _____ to _____ problems _____ the electric _____ how would I _____?

_____ I _____ if a lit-up _____ for vehicle electrics?

_____ CEDL a sign _____ car electric _____?

_____ lights _____ minor _____ problems with the vehicle _____ system?

_____ possible _____ a _____ to _____ concerns with car _____?

What _____ do _____ determine _____ minor _____ major _____ with _____ electric systems _____ shown?

_____ know if an illuminated _____ shows minor _____ issues with my _____.

_____ the _____ able to show minor _____ issues?

_____ there a way to know _____ an illumination _____ few _____ small _____ with electric _____?

_____ an _____ CEDL _____ electric vehicle _____?

Does _____ of _____ show any issues _____ electrical systems _____ vehicle?

_____ an _____ to show _____ electrical issues?

Is a _____ or major electrical _____ cars?

Does _____ illuminated _____ show _____?

Can _____ glowing CEDL _____ electricals?

_____ I know _____ the illuminated CEDL _____ to _____ significant problems in _____?

Is it possible _____ electric _____ with a lit _____ my vehicle?

_____ an illuminated _____ tell _____ vehicle's electric system is _____?

Is _____ of _____ an illumination _____ a _____ concerns or _____ concerns with _____ electric vehicles.

Is _____ a way of knowing _____ the illumination shows a _____ minor concerns _____?

_____ an illuminated _____ any _____ with _____ electric _____ in my _____?

Can you help _____ remember _____ significance of an illuminated CEDL _____ issues _____ vehicle?

Is _____ know _____ an activated CELD means _____ troubles?

I _____ wondering _____ indicates minor or major electric _____ within the _____.

Does an _____ the CEDL show _____ problems _____ the _____ systems _____ car?

_____ it _____ to tell mild _____ a lit CEDL on _____ vehicle?

_____ an _____ tell _____ or not _____ are flaws in the _____?

I _____ possible to _____ the _____ of my _____ system concerns by observing a lit _____.

I would like to know _____ CEDL represents _____ major _____ problems _____ system.

Does a _____ of problems with the _____ my vehicle?

_____ an illuminated _____ whether _____ with _____ car's electric systems?

Does _____ show whether there _____ flaws _____ the electric systems in _____?

_____ the realm _____ car electric systems, can _____ how _____ determine the magnitude _____ any _____ by _____ CEDL?

_____ can I know _____ indicates major or minor _____ with _____?

Is it _____ that _____ or _____ electric _____ are indicated _____ CEDLs?

Is _____ determine _____ concerns _____ observing a lit CEDL on my _____?

Does a _____ me whether _____ electric vehicle _____ with _____ electrical systems?

_____ it _____ to electrical _____ with _____ can _____ me _____ significance _____ an illuminated CEDL?

Can _____ explain _____ the _____ of _____ illuminated _____ when it _____ electrical _____ with my vehicle?

Will an _____ vehicle electrical _____?

_____ I _____ if a _____ is indicative of _____ vehicle electrics?

_____ would like _____ know _____ an _____ means minor or _____ electric issues _____ car's _____.

How _____ I _____ if _____ to bigger _____ in the car's _____ system?

Can you help _____ understand _____ significance _____ an _____ cedl when it _____ electrical _____ my _____?

_____ tell me if there are _____ or minor problems _____ lights _____?

Is it possible _____ say _____ minor or major electric system _____?

How would I _____ is _____ problems in _____ car's electric system?

_____ an _____ CEDL means _____ major electric problems _____ the car's system.

_____ give _____ indication of _____ with my _____ electric _____ for example?

_____ a _____ able to _____ me _____ or _____ my EV _____ electrical _____?

_____ a CEDL indicative of _____ setbacks?

_____ want _____ know if an _____ means minor or major electric _____.

_____ a _____ major _____ with _____ electric capabilities of my vehicle, please advise.

Does an _____ any _____ vehicle's electric system?

_____ would _____ know if _____ illuminated CEDL _____ a more _____ car's _____ system?

_____ tell _____ CEDL means minor or _____ issues with my _____ systems?

_____ the illumination of a _____ to signal car _____?

How _____ I _____ if _____ shows major or _____ my _____ electric systems?

What do _____ illuminated CEDL to _____ minor _____ major problems with _____ electrical components?

Does _____ issues with my _____ electric systems?

_____ a _____ my EV _____ issues with _____ electrical system?

When it comes to electrical issues with my _____ know what _____ is?

_____ a lit _____ distinguish _____ serious _____ issues?

Does _____ cedL _____ an _____ problems with my _____ electric _____?

Is the lit _____ major _____ with the _____ systems?

_____ illuminatedCEDL _____ mean there are electrical problems?
