

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Fuel efficiency and environmental concerns
Inquiry Sub-Category	Alternative Fuel Options
Description	Customers ask about vehicles that run on alternative fuels like CNG, propane, or hydrogen, inquiring about their availability, fueling infrastructure, cost comparisons, and environmental impact.
Data Size	5,132 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Are _____ vehicles available? _____ impact compare to traditional fuel _____?

Inquiry about _____ of propane _____ fuels _____ the _____.

How does propane _____ compared to _____ options?

_____ the _____ impact _____ using propane-fueled _____?

_____ impact of _____ fuels _____ propane-based _____?

Are _____ autos _____ fuel or not?

_____ I find _____ propane-based _____ and can _____ give _____ into the _____ effects _____ propane?

_____ impact does _____ fuel have on _____ environment _____ to _____?

_____ propane _____ greener _____ regular fuel?

_____ is the environmental _____ of _____ as a _____?

Cars _____ by propane _____?

How _____ propane run _____ impact _____?

Can I _____ any _____ and can you _____ insight on _____ effects?

_____ implications _____ using propane as a fuel _____ versus traditional _____?

Is _____ vehicles better or worse _____ fuel?

_____ you _____ light on _____ credentials of _____ vehicles?

_____ is the _____ footprint _____ with _____ as fuel?

_____ propane vehicles affect _____ compared to regular _____?

_____ autos impact _____ environment?

_____ do _____ vehicles affect _____ environment _____ weighed against traditional _____?

How _____ propane- powered _____ the _____?

What are _____ effects of _____ on _____?

_____ weighing _____ conventional _____ how do _____ vehicles affect the _____?

Is _____ propane-based vehicles _____ and _____ you give _____ on their environmental _____?

_____ you know if _____ propanewheels _____ for environment?

_____ propane _____ more eco-friendly than _____?

Can _____ compare to _____?

_____ ecological _____ vehicles using _____ as fuel?

Can _____ tell me about _____ a propane powered _____?

_____ possible _____ propane vehicles affect the environment _____ fuel?

_____ cars for the _____?

_____ do _____ affect the _____ weighed against conventional fuel _____?

_____ know _____ powered cars _____ planet

Can _____ propane vehicles? _____ do _____ the environment?

_____ of propane- fueled cars, _____ conventional _____ impacts.

What's _____ of the environmental impact of cars _____ on _____ versus _____?

_____ do _____ vehicles _____ environment _____ to conventional fuel _____?

_____ you own any _____ vehicles, _____ the _____ to regular fuel?

_____ do the cars running _____ propane do _____?

What _____ ecological footprint _____ using _____ as _____?

The availability of _____ fueled cars _____ compared _____ eco _____.

Do _____ know _____ there _____ any _____ that use _____?

_____ do _____ impact the _____?

_____ eco impact of _____ fuels different?

How _____ cars that use _____ environment?

_____ there any propane-run _____?

_____ environment _____ using propane vehicles?

Inquiry _____ eco _____ of propane automobiles.

info _____ driven _____ and eco-effects _____

Is there any propane _____?

_____ are _____ using propane _____ a fuel source and _____ traditional gas-powered _____?

What are the _____ of using propane _____ a fuel _____ compared _____?

Need _____ know _____ harm the _____

_____ are _____ implications _____ vehicles that use _____ as a _____ source _____ traditional _____ ones?

_____ there any _____ and can you give _____ any _____ into their _____?

Is _____ possible to find any _____ and can you _____ environmental _____?

Is _____ an _____ with propane _____?

Is _____ vehicle?

What impact do _____ have on _____?

_____ do _____ vehicles affect _____ environment, _____ to regular _____?

Are propane _____ more eco-friendly than _____?

Can _____ about propane automobiles' _____ and _____?

Can you tell _____ about the _____ impact of _____ run _____.

_____ cars affect _____ environment?

Do you _____ are available?

Are there _____ of _____?

_____ impact _____ propane-powered cars when compared to traditional _____?

Can cars _____ the environment?

_____ any _____ use just _____ here?

Can _____ any _____ here, _____ can you give me any _____ effects?

What _____ the ecological footprint _____ that _____?

There are cars that _____ propane _____ area, but _____ impact _____ to _____ fuel options?

How _____ vehicles affect _____ environment more than _____?

What _____ does propane-powered _____ have _____ environment compared _____ traditional _____?

_____ of any rides _____ run on _____ gas?

_____ powered vehicles impact _____ environment?

Are _____ using _____?

Is _____ any _____ vehicles _____ you tell me about _____ conventional fuels?

Are there _____ cars?

_____ offer any _____ that use propane as a _____ source, _____ are _____ environmental _____ compared _____ traditional _____ ?
_____ cars worse for _____ environment _____ traditional _____ choices?

_____ there any _____ run on propane _____ of _____ or _____?

_____ propane cars _____ to _____ earth?

How _____ that are _____ run impact _____?

_____ a propane-powered _____ there?

_____ propane automobiles' _____?

_____ propane _____ worse _____ the climate than _____ fuel?

_____ propane automobiles' _____ and Eco _____.

_____ vehicles better _____ worse _____ climate than _____ fuel?

_____ propane-powered automobiles _____?

Can _____ any propane-based _____ and can _____ me _____ their _____ effects?

_____ do _____ have on _____ environment?

Are there _____ propane _____ eco-friendly?

_____ fuel types, _____ do propane-run _____ affect the environment?

Are _____ fuel cars _____?

Do we _____ vehicle _____ that _____ fueled _____ propane?

Do you _____ cars _____ propane _____?

_____ is _____ environmental impact of propane-powered cars compared _____?

Are _____ better _____ environment than _____ fuel?

Do you have _____ How _____ they _____ environment?

_____ do you _____ about _____ impact of _____ vehicles?

_____ you _____ insight _____ environmental effects _____ propane-based vehicles?

Are _____ that are _____ propane?

What is _____ of propane- powered _____ on _____?

Is _____ any way to _____ of cars that run on _____ to _____?

_____ to conventional _____ how do _____ affect the _____?

_____ the rides that _____ on propane _____?

Do there _____?

_____ the availability _____ same as conventional, eco impacts?

_____ the propane _____ than _____ fuel?

When _____ traditional fuel choices, _____ is _____ for _____ environment?

How different is _____ of propane _____ to _____ options?

The _____ propan- fueled cars _____ impacts?

_____ is _____ impact _____ running on _____ versus standard fuel options?

What _____ on propane _____ cars?

_____ affect the environment differently _____ conventional fuel _____?

Are there any _____ the _____?

What _____ impact _____ fuel on the _____?

_____ vehicle _____ How do _____ affect the environment?

_____ to _____ cars harm the _____

What's _____ environmental impact of _____?

_____ vehicles affect _____ environment

How does propane powered _____?

_____ the ecological impact _____?

There _____ any _____ vehicles _____?

_____ does the ecological footprint _____ vehicles _____ to standard _____?

How _____ propane-powered listings compare _____ traditional _____ environment?

_____ you know how _____ running _____ propane _____ the _____?

_____ do propane cars _____ environment compared to _____ gasoline?
_____ environmental footprint of _____ vehicles _____ to conventional _____?
How _____ propane _____ vehicles _____ environment?
_____ the ecological footprint _____ that use propane _____ compared to _____?
_____ tell me about the _____ effects _____ vehicles compared _____ fuels?
Do _____ know _____ any cars are using _____?
_____ any vehicles _____ propane?
Are propane _____ to the _____?
Are _____ better or _____ climate?
_____ availability _____ propan- _____ cars is something _____.
Do _____ think _____ are better _____ the _____ than _____ fuel?
Are _____ cars _____ polluted are _____ to traditional fuels?
_____ cars using propane _____?
What's the _____ propane-fueled _____ the _____?
_____ the _____ the environmental _____ of propane _____ conventional _____?
How _____ the environmental _____ propane-powered vehicles compare to _____?
_____ cause less harm?
Are _____ or _____?
_____ cars possible?
Is there _____ propane- fueled _____?
Availability _____ propane- _____?
_____ you have _____ how _____ affect the environment?
_____ there _____ vehicles?
Is _____ any _____ options?
_____ are the environmental _____ of using propane _____ a _____ versus _____?
_____ vehicles impact _____ environment
_____ propane-based vehicles _____?
What _____ environmental _____ of _____ fueled _____ propane?
Do _____ vehicles _____ on propane _____?
_____ is _____ on environment _____ propane _____?
_____ propane _____ and _____ comparisons?
Are _____ and are _____ worse for the environment than _____?
_____ anyone _____ that run on _____?
Do you _____ propane _____ and _____ do they _____ compared to _____ fuel?
_____ the environmental impact _____ cars that run on _____ and _____ options?
_____ propane _____ or worse for climate than _____?
How _____ is _____ environmental impact of propane-powered _____ when _____ to _____?
What are _____ environmental implications _____ as a fuel source _____ to _____ traditional gas-powered _____?
_____ does _____ of _____ that use propane compare _____ standard _____?
_____ propane-burning car _____ there?
Can _____ that _____ on _____ How _____ they impact the environment?
Are _____ real _____ How _____ compared to traditional fuels?
Can _____ tell _____ if _____ and how they _____ traditional fuels?
Do propane _____ worse _____ environment?
Are propane _____?
_____ does _____ cars _____ the _____?
_____ propane-driven rides _____ their impact on _____.
Can there _____ propane gas?
What impact _____ running a _____ have on _____?
What are _____ environmental implications of vehicles that _____ propane as _____ are traditional _____?

Are _____ vehicles _____ propane eco-friendly?

_____ are cars _____ propane _____ and what _____ impact against standard fuel _____.

_____ do _____ run cars _____ environment?

Is propane _____ better _____ than _____?

_____ any propane-Fueled _____?

How do _____ think propane _____ the environment, _____ regular _____?

Is there _____ for propane _____?

_____ the ecological _____ propane _____?

_____ about _____ propane automobiles?

Cars _____ Propane available _____?

_____ impact _____ have on the _____ to _____ fuel options?

How _____ vehicles affect _____ environment?

Is _____ possible _____ propane-powered _____?

_____ impact _____ include _____ vehicles?

_____ ecological impact _____ autos compared to _____ fuels?

Can _____ about _____ environmental effects of propane-based _____ fuels, _____ I find any?

_____ is the ecological impact _____?

What impacts do propane- powered _____?

How _____ propane-run _____ impact the _____ when compared _____ types?

_____ on propane gas?

What about _____ and _____ impact?

How _____ cars impact _____ environment.

What _____ the environmental _____ cars?

Are _____ comparable to regular _____?

Inquiry _____ propane _____?

How _____ affect _____ environment _____ regular fuel?

Is there any _____ vehicles that _____ the environment _____?

What impact _____ vehicles _____ in _____ to traditional _____?

How _____ the _____ run on propane _____?

_____ cars that _____ on _____ available?

Is propane _____ in _____?

_____ cars _____ run _____ here, and _____ environmental _____ against standard fuel options?

Can _____ tell _____ more about _____ green credentials of _____ by _____?

Do _____ have _____ worse _____ impact than traditional _____?

Can _____ an impact comparison _____?

_____ want to _____ cars running _____ the environment.

What is _____ environmental impact _____ cars _____?

_____ tell _____ about the availability _____ cars?

Can _____ about the environmental impact _____ propane-powered _____?

_____ propane vehicles _____ the _____?

Is _____ comparison of _____ cars that run _____ propane _____ those that use _____ fuel?

_____ any _____ run on propane? _____ do they _____?

How _____ cars _____ running _____ affect the environment?

Inquiry about _____ and _____ impact on the _____.

_____ you _____ any vehicles _____ as a fuel source, _____ are _____ to traditional gas-powered ones?

Do you _____ available now?

Is _____ vehicles here _____ can _____ me more _____ environmental effects?

_____ propane-powered _____ at _____ moment?

Can you give _____ effects of propane-based vehicles, _____ can _____ find _____ of them _____?

_____ propane-powered automobiles _____ and _____ more polluted _____ traditional fuels?

_____ know _____ propane-based automobiles?
 What _____ impact of _____ cars?
 The availability of _____ fueled cars _____ impacts?
 Can _____ be _____ green _____ fuel?
 Is _____ in your _____ and how do _____ fuels?
 Are _____ to the earth?
 _____ have _____ options that can be _____ propane gas?
 What _____ the ecological footprint _____ propane-based _____ standard _____?
 Are _____ real _____ and _____ more polluted than traditional _____?
 What's the environmental impact _____?
 _____ there a _____ by _____?
 _____ there _____ cars _____ run on _____ that _____ there?
 How do _____ vehicles _____ the _____ when _____ fuels?
 _____ is _____ ecological footprint of _____?
 _____ cars _____ of propane-powered _____ info _____
 _____ on _____ propane-powered cars?
 _____ propane _____ a fuel _____ and what are their environmental implications?
 _____ do they _____ environment _____ using propane _____?
 Do _____ own _____ propane vehicles that _____ compared _____ fuel?
 _____ propane impact the environment?
 Inquiry _____ availability versus _____ fuels.
 Do _____ cars _____ environmental impact?
 _____ of _____ fueled cars, _____ impacts?
 Does _____ different _____ on _____ environment than regular gasoline _____?
 Is _____ any _____ propane?
 _____ weighed _____ regular _____ types, _____ do _____ vehicles affect _____ environment?
 How _____ propane-run cars affect _____ conventional fuel types?
 How do _____ compared to regular fuels?
 Do propane _____ damage _____?
 _____ are _____ on _____ here, and what is the _____ of their _____ standard fuel _____
 Are your _____ cars _____ for _____?
 How _____ run on propane _____ environment?
 Information _____ rides and eco-effects.
 _____ in _____ footprint between propane and conventional _____?
 Information on _____ wanted.
 _____ it possible _____ propane-based _____ and can _____ give me insight into _____ effects?
 Do _____ harm the planet?
 _____ you tell _____ if _____ propane _____ affect the _____ to _____ fuel?
 In comparison _____ conventional _____ types, _____ do _____ affect the _____?
 _____ is the environmental _____ autos?
 Do propane vehicles _____ the climate?
 _____ would _____ powered vehicles _____ environment?
 When weighing _____ fuels, how _____ affect the environment?
 _____ bad _____ the _____ for _____ cars when compared _____ traditional fuel _____?
 What's _____ of cars fueled _____?
 Can _____ find any _____ vehicles _____ and can _____ tell me about _____ compared to _____?
 _____ true _____ vehicles affect the environment compared to _____?
 What is the impact _____ vehicles?
 What _____ the environmental impact _____ cars _____ run _____ compared _____ fuel _____?
 _____ are some questions about the _____ of _____.

Can cars that _____ found?

_____ are the environmental implications _____ a fuel source for _____?

What impact _____ fuel _____ the _____?

_____ of propan- fueling _____ versus _____ impacts?

_____ ecological impact _____ fueled automobiles?

_____ autos are _____ impact vs _____?

_____ propane- _____ the environment?

_____ that _____ powered _____ propane _____ there?

Better _____ the _____ with _____ vehicles?

_____ run _____ green?

_____ are cars _____ run _____ here, so _____ is _____ impact _____ fuel options?

Availability _____ fueled cars _____ conventional, _____?

_____ it _____ to sell _____ that use propane as _____ fuel source, _____ what _____ implications _____?

_____ propane _____ better or _____ for climate than _____?

Is there _____ vehicle out _____?

How do _____ vehicles _____ the environment _____ conventional _____ types?

What _____ cars _____ compared to _____ fuel _____?

Is propane _____ a _____ vehicles in terms of _____?

Is _____ vehicles here, _____ give _____ insight on their _____ effects?

Do _____ have _____ propane ride _____?

_____ the _____ to regular fuel

Do we have _____ options for _____ use _____?

_____ are the _____ effects of _____?

_____ any of _____ use propane gas _____ eco-friendly?

_____ about propane-Fueled _____?

Do you _____ the _____ of _____?

_____ impact _____ propane vehicles?

What is _____ impact on the _____ propane _____?

Do _____ vehicles _____ better _____ worse _____ climate?

Are _____ good _____ our _____?

_____ information _____ impact _____ propane-powered cars?

What _____ vehicles _____ compared to regular _____?

_____ autos _____ is _____ more green than _____?

Information _____ presence and _____.

_____ there _____ powered _____ out there?

_____ tell me _____ the _____ propane-based cars and how _____ compare _____ fuels?

_____ I _____ any propane-based vehicles _____ can _____ give _____ information about their _____?

Is _____ rides _____ use _____ eco-friendly?

Do you _____ that _____ on _____ gas _____?

_____ you tell me more about _____ credentials _____ propane _____?

_____ propane vehicles _____ better _____ environment?

_____ there any _____ can you _____ insight _____ the environmental effects _____ propane?

_____ is the environmental _____ fueled _____?

Can vehicles use _____?

_____ propane gas an _____ vehicles in terms _____?

Is _____ possible to _____ vehicles that _____ propane as _____ source, and _____ are _____ environmental _____?

_____ is the _____ of _____ impact of _____ that _____ on _____ vs. _____ options?

Are there cars _____ run _____ propane in _____ what is the environmental _____ options?

_____ is the environmental _____ using propane _____?

Are _____ how _____ are they?

Comparatively, _____ propane _____ vehicles _____ environment when _____ conventional fuel types?
_____ do propane-based vehicles _____ environment?
I _____ if _____ any _____ and details for environment.
_____ any _____ of _____ that _____ on propane?
_____ cars: _____ about impact?
_____ cars real _____ and are _____ harmful to _____ environment than _____ ?
Need to _____ harm the environment.
_____ is the _____ between propene-cars _____ regular _____ effect?
_____ propane vehicles do _____ or _____ climate _____ fuel?
What _____ implications _____ propane-based vehicles compared to traditional _____ ?
Do you _____ if _____ rides _____ really _____ ?
Do _____ vehicles _____ worse _____ climate?
_____ there any _____ comparison _____ cars?
What is _____ impact of _____ ?
What's the _____ of propane and _____ fuels?
_____ impact _____ propane fueled cars?
Any _____ vehicles _____ for _____ ?
Is there _____ in environmental footprint _____ propane-powered _____ and _____ ?
_____ propane cars hurting _____ ?
Are _____ less harmful _____ planet?
_____ impact does propane-Fueled cars _____ ?
There _____ an inquiry _____ the eco _____ of _____ .
_____ compared to conventional fuels?
_____ there a way _____ environmental _____ of cars _____ run _____ against standard fuel _____ ?
Can _____ me about _____ vehicles _____ environmental effects?
What _____ have on _____ compared to regular _____ models?
_____ in _____ environmental impact _____ propane _____ ?
Is _____ a _____ impact _____ the environment?
_____ are _____ environmental _____ using _____ as _____ fuel _____ versus traditional gas-powered _____ ?
Are _____ any _____ now?
_____ bad _____ environment for propane-powered _____ compared to _____ choices?
_____ there _____ any cars _____ on _____ ?
_____ vehicles _____ the environment?
What are the environmental _____ of _____ propane as _____ fuel _____ for _____ to traditional _____ ?
If _____ have any _____ vehicles, _____ think they _____ environment?
_____ are the _____ of _____ propane as a _____ source in vehicles _____ gas-powered _____ ?
How different is the _____ that _____ propane?
Is _____ comparison between _____ impact?
_____ about _____ and eco impact.
_____ does a propane- _____ environment?
_____ the _____ using _____ as a _____ versus traditional gas-powered ones?
_____ any propane-based vehicles here, and can _____ me _____ of _____ fuel?
_____ vehicles that run _____ propane _____ ?
Are propane-powered cars any _____ environment _____ fuel _____ ?
_____ environmental _____ of _____ and _____ options?
_____ a propane-enabled _____ ?
What _____ make _____ the environmental _____ of _____ cars?
_____ propane _____ ?
Are _____ vehicles _____ ?
_____ Propane _____ damaging _____ Earth?

How _____ affect the environment?

Are propane _____ any _____ than normal fuel?

_____ tell me about _____ environmental _____ of propane-based vehicles _____ how _____ compare _____ ?

What _____ can _____ have _____ the _____ ?

_____ there a propane-based _____ ?

_____ any rides run _____ ?

When weighed against _____ types, _____ vehicles affect the _____.

What _____ the _____ impact of _____ propane _____ ?

Is _____ cars _____ than normal gas _____ ?

_____ environmental _____ of standard _____ and propane-based _____ ?

What impact _____ on the _____ to traditional _____ choices?

_____ is the _____ of the propane- _____ ?

_____ comparison of the environmental _____ of _____ on propane _____ fuel options?

Are _____ cars _____ for the _____ other _____ ?

_____ vehicles here, and _____ you _____ me _____ the _____ effects of propane _____ conventional fuels?

How _____ propane- _____ vehicles _____ environment?

Are any _____ that _____ ?

_____ ride options _____ are _____ ?

_____ is the impact _____ of a propane _____ ?

_____ the _____ of _____ cars?

Is _____ anyone _____ powered by _____ ?

Are there _____ cars _____ the environment _____ to regular _____ ?

_____ there any _____ there?

_____ propane-burning car out _____ ?

Is _____ vehicle _____ burns _____ ?

_____ presence _____ eco-effects _____ propane-driven rides _____.

_____ vehicles here, and can _____ tell me _____ their _____ effects _____ environment?

What _____ the _____ impact _____ running _____ car on _____ ?

Information on propane-driven _____ environmental _____.

_____ that _____ running _____ do to the environment?

_____ impact _____ cars _____ propane _____ the environment?

_____ propane cars have on _____ environment compared to _____ ?

_____ bad is _____ of propane powered _____ compared _____ traditional _____ ?

There _____ run on _____ in _____ area, and what is _____ environmental _____ against standard _____ ?

Is _____ car _____ propane _____ ?

_____ cars out there?

_____ really _____ to use _____ gas _____ rides?

What _____ propane- _____ have _____ the environment?

_____ find any _____ here, _____ the environmental effects of propane versus conventional fuels?

Did _____ run on _____ the _____ ?

_____ to know if _____ powered _____ the _____

How _____ vehicles with _____ affect _____ ?

_____ impacts _____ powered vehicles have on _____ ?

What do the cars _____ on _____ environment?

Is _____ way to compare _____ environmental _____ cars _____ run on _____ to _____ standard fuel?

_____ I _____ any propane-based _____ and can _____ about the environmental effects _____ ?

Will propane vehicles be better _____ than _____ ?

Is _____ a way _____ compare the environmental impact _____ that _____ fuel choices?

_____ vehicles impact _____ environment _____ traditional fuels?

What's the _____ propane-burning _____ ?

_____ impact _____ propane- fueled cars compared _____ options?

Is propane _____ better for the _____?

_____ to know if _____ powered _____ the _____?

Inquiry _____ the _____ cars?

There _____ cars _____ on propane in _____ so _____ is the environmental impact _____ options?

When compared to _____ bad is _____ propane-powered cars?

_____ cars _____ propane _____ the environment?

What _____ the _____ of _____ using _____ compare _____ standard options?

_____ you provide insights _____ of _____ can I find any?

_____ vehicles affect the _____ compared to _____ fuel _____?

Is _____ more _____ than _____ fuel?

_____ sell _____ autos?

_____ a vehicle _____ is propane- _____?

Can _____ run _____ propane?

Are propane-run _____?

Are _____ propane _____ better or worse _____?

Eco _____ the availability _____ fueled _____?

_____ a _____ find _____ that _____ on _____?

Are any of _____ run _____ eco-friendly?

What _____ impact of _____?

_____ cars with propane impact _____?

_____ real yet, _____ clean are they?

_____ propane-burning vehicles _____?

Are _____ vehicles _____ or _____ for _____?

Is _____ fuel _____ traditional _____ for cars?

Do _____ propane _____ the environment?

_____ propane _____ better or worse _____ climate _____ normal _____?

Can _____ tell me _____ green _____ a _____ powered _____ propane.

_____ of propan- _____ cars, compared to _____ eco _____?

_____ you inquire _____ eco _____ propane versus regular _____?

How bad is the _____ propane-powered cars _____ fuels?

Comparatively to _____ fuel types, how do _____?

_____ vehicles _____ eco-friendly?

What's _____ impact _____ in cars?

Is there _____ on _____ vehicles?

_____ propane _____ on the environment?

_____ you give _____ insight on the environmental effects _____ can _____ any?

_____ you have any vehicles that use _____ a _____ what are the _____ that?

_____ find _____ that run on propane?

What's _____ on the environment _____?

_____ any _____ the _____ run on _____?

_____ any _____ use _____ fuel?

Do propane-run _____ in the same _____ conventional _____ types?

_____ there any propane _____?

Any propane _____ good _____ the _____?

_____ of propane-powered cars on the _____ to traditional _____?

Information _____ of cars _____ by _____?

What _____ ecological footprints _____ vehicles _____ compare to _____ options?

Are _____ and how polluted _____ they?

_____ possible _____ any _____ can you tell me about their environmental _____?

Is _____ that _____ propane?

_____ vehicles that run _____ friendly?

Does any vehicle _____?

_____ do propane _____ impact _____ environment _____ to _____ ones?

_____ propane-run _____ affect the environment?

How do _____ think _____ cars _____?

_____ about _____ and _____ wanted.

_____ on eco-effects _____ and _____

What is the _____ propane-powered cars _____?

What is _____ ecological _____ the vehicles _____?

_____ there any _____ there?

_____ is _____ environmental _____ of propane-powered cars _____ traditional fuel _____?

How does propane _____ in _____ to traditional _____?

Are _____ of the _____ on propane _____ friendly?

_____ there vehicles using _____ a _____?

_____ does propane- _____ do _____ the _____?

_____ any propane-based cars _____?

_____ is _____ about the availability _____ automobiles.

Has anyone _____ vehicles that _____?

_____ the _____ on _____ environment _____ propane- fueled _____?

Is it _____ find _____ propane wheels _____ for environment?

_____ better for climate than _____?

_____ it possible for propane- _____ have eco _____?

_____ if there are _____ vehicles?

How _____ the _____ compared to traditional _____?

Availability _____ cars, _____ conventional, _____ impacts?

Is any _____ worse for _____ fuel?

_____ propane fuel affect _____ environment compared _____ regular _____?

_____ on propane-driven _____ presence and _____.

_____ is _____ environmental impact _____ any _____?

What is _____ impact _____ cars running propane?

_____ to _____ if _____ cars harm _____ planet

_____ find any _____ vehicles here, and _____ tell _____ more about _____ environmental _____?

_____ powered _____ impact the _____?

_____ do you think _____ vehicles and _____ they _____ the _____?

Is _____ a car that _____?

_____ propane _____ and _____ impact on the environment.

_____ there _____ comparison of _____ environmental impact of _____ against standard _____?

_____ environmental _____ of propane-powered cars compared _____ conventional _____?

info _____ and _____ rides

Is there _____ propane-Fueled _____?

Is _____ cars _____ to _____ Earth?

Can _____ be _____ than regular _____?

_____ vehicles that use propane _____ being sold?

Is _____ any _____ propane fuel _____?

Is there _____ and _____ on _____?

_____ propane-powered vehicles _____ yet, and _____ they _____ traditional fuels?

Eco impacts _____ availability of _____?

What _____ make _____ the environmental _____ of _____ cars _____ to traditional _____?

How _____ environment be _____ powered vehicles?

How _____ cars _____?

Are _____ any _____ run _____ propane.

_____ cars here that _____ on _____?

Do _____ know _____ for environment?

There are _____ on propane here, _____ what's _____ comparison _____ environmental _____ against standard _____ options?

Is _____ any vehicle _____ propane instead of _____ diesel?

_____ automobiles real _____ and _____ are they?

Can _____ about the _____ effects _____ versus conventional ones?

info on _____ cars

_____ cars running _____ propane?

_____ are the impact _____ the _____ cars?

_____ impact the environment and traditional _____?

How _____ vehicles _____ the environment _____ compared to traditional _____?

Do any of _____ vehicles _____ run _____ green?

Can _____ that _____ on propane?

_____ will cars _____ propane affect _____?

Is it _____ to find _____ vehicles _____ can _____ me information on _____ environmental _____?

_____ propane-run vehicles _____ environment compared to _____ fuels?

_____ vehicle that has propane _____?

_____ in _____ propane versus _____ fuels?

_____ that use propane?

_____ propane fuel more _____ than _____?

Are there _____ vehicles _____ on _____?

_____ impact the environment?

_____ are cars that run _____ propane _____ but what _____ the comparison _____ against _____ fuel _____?

What impacts do _____ vehicles _____?

What is _____ impact _____ propane fuel _____ the _____ choices?

_____ know _____ any _____ work on propane _____?

_____ fuel more _____ the _____ options?

What impact _____ on the _____?

_____ propane in vehicles _____ the _____?

Can _____ find _____ can you tell _____ environmental effects of their _____?

Is there any propane-based _____ here _____ can _____ on their _____?

Is there _____ comparison _____ the _____ impact of _____ propane _____ that use standard fuel?

_____ rides that run on propane _____?

_____ about _____ impact _____ propane _____ fuels.

Are _____ cars _____ than _____ ones?

Does propane-powered vehicles _____ environmental impact _____ fuel _____?

_____ with propane?

Eco impacts _____ of propan- _____?

There are cars _____ run _____ propane _____ but what is the comparison _____ impact _____ options?

_____ on _____ of _____ cars?

Is _____ cars better _____ worse for climate _____?

_____ does Propane- _____ vehicles _____ on the _____?

Can I find any _____ vehicles here, _____ you _____ more about _____ effects _____?

Is it _____ a _____ on _____?

Are there _____ cars _____ on propane _____ are _____?

_____ do propane _____ environment in relation to _____?

_____ powered by _____ are _____?

Are propane-powered cars real _____ like traditional _____?

_____ availability of _____ cars.

_____ the _____ impact _____ propane vehicles?

_____ impact of _____ cars _____ the _____ unknown.

Can I find any _____ vehicles _____ and _____ tell _____ effects _____ propane versus conventional _____?

_____ is _____ powered vehicles _____ the environment?

How is the _____ propane-powered vehicles _____ fuel options?

Is there any _____ for _____?

_____ are _____ run vehicles?

_____ does propane-driven _____ impact _____?

How _____ propane-run _____ affect _____ environment _____ to _____ options?

_____ environmental impact _____ propane- _____ cars?

Inquiry _____ the _____ propane automobiles on _____.

propane- _____ environment

What _____ impact _____ propane-driven _____?

Is it possible for _____ to _____ vehicles _____ use _____ fuel source, _____ are _____ environmental _____?

How _____ propane _____ environment differently than _____ gasoline _____?

Do _____ Earth less than _____?

Is there _____ propane-powered cars?

_____ do _____ vehicles affect the _____ when weighed _____ conventional _____?

How do _____ vehicles impact _____ traditional fuels?

Does _____ vehicles affect _____ way as conventional _____ types?

Information on impact and _____.

_____ propane-powered cars real _____ and _____ are _____?

Greener _____ out _____?

_____ availability and _____ impact.

_____ propane cars?

Could you tell _____ about _____ of a _____ by propane?

_____ are available cars that _____ propane _____ and _____ the environmental _____ standard _____ options.

_____ running _____ propane impact the _____?

Are _____ friendly?

_____ I locate _____ propane-based vehicles _____ can _____ give me _____ environmental effects?

_____ are the environmental effects _____ to traditional fuel _____?

_____ find _____ vehicles that _____ propane?

_____ are _____ that _____ on propane here, but _____ is the _____ impact _____ fuel _____?

What about the _____ of propane-powered _____ compared _____?

_____ propane _____ hurt the _____?

_____ there _____ that _____ propane?

Can _____ any vehicles _____ Propane?

Inquiry _____ impact _____ propane _____ regular _____ on _____ environment.

_____ they _____ vehicles?

Cars _____ impact _____ environment?

Can you _____ any _____ that _____?

_____ availability of _____ cars may affect _____.

_____ environmental impact of _____ propane fuel _____?

Are _____ propane-powered _____ out _____?

How do _____ compare _____ regular _____?

Need to _____ if propane-powered _____?

Is _____ any cars _____ yet?

propane _____ better _____ environment?

What is the environmental _____ propane?

_____ the cars that _____ propane _____?

_____ running a car _____ the environment?

Do cars _____ impact _____?

_____ of propan- _____ cars, versus _____ eco _____?

Is the _____ of _____ cars any _____ for _____?

Is _____ the environmental _____ of cars _____ run on propane _____ standard _____?

_____ environmental impact _____ cars _____ propane?

_____ it _____ own vehicles _____ on propane?

Can _____ find any cars _____ run _____ do _____ impact _____ environment?

_____ are vehicles _____ run on _____ affect the environment?

_____ have _____ vehicles, and how do _____ environment?

_____ propane versus _____ fuels is _____ inquired about.

How _____ are _____?

_____ you _____ automobiles are available?

Do vehicles run _____ How _____ affect the _____?

How _____ impact _____ environment?

Are _____ autos greener _____?

_____ do propane _____ environment?

_____ vehicles using _____ fuel?

What is _____ footprint of _____ vehicles _____ fuels?

Is _____ any vehicle _____ propane _____?

_____ do _____ vehicles affect the environment _____ to _____?

_____ propane good for _____ environment?

_____ is the _____ impact of _____ propane _____ car?

How do _____ run on _____

Do _____ that _____ propane as a fuel source, and _____ implications of doing _____?

There are cars _____ here, but what's _____ environmental _____ fuel options?

How _____ the _____ the environment?

_____ is _____ environmental impact of _____ compared to _____ options?

_____ the environmental _____ of Propane-Fueled _____?

_____ propane-reliant _____ eco-friendly?

Comparatively, how do _____ affect _____ environment _____ vehicles?

_____ powered _____ impact the _____?

I _____ know if there _____ any _____ vehicles _____ you _____ me insight on _____ environmental effects.

_____ for climate than regular _____?

_____ the _____ using _____ a fuel _____ for your _____ compared _____ using traditional gas-powered ones?

Are the _____ autos _____ regular _____?

What does _____ ecological _____ of _____ propane differ _____ standard _____?

What impact _____ propane _____ to other fuels?

_____ that run on propane _____?

_____ does _____ powered _____ do to _____?

_____ are _____ environmental _____ fueled cars?

Any _____ cars are better _____?

_____ there _____ vehicles that run _____?
