

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Technical specifications and requirements
Inquiry Sub-Category	Connectivity and Communication
Description	Inquiries regarding the connectivity options, such as Wi-Fi, Bluetooth, or NFC, and the communication protocols used by our appliances for remote monitoring and control.
Data Size	5,096 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ communication protocol ____ appliance use ____ monitoring and ____?

____ the ____ use any particular protocol ____ remote ____?

Which ____ protocol ____ an ____ for remote ____ and ____?

For ____ control of ____ communication protocol used?

____ me know ____ communication protocol for ____.

____ uses communication protocols ____ monitoring.

____ what ____ uses for remote controls.

____ protocol is ____ appliance ____ remote monitoring?

What ____ the ____ used for ____?

____ the appliance use a method for ____ specific communication Protocol?

____ interested in the ____ means ____ management of this ____.

The appliance ____ a ____ its ____ monitoring.

____ communication ____ is ____ for remote ____ appliances?

Which ____ protocol ____ used ____ controlling ____?

Does ____ appliance ____ remote ____ via a ____ protocol?

____ the ____ have ____ communication ____ used for remote ____ and control?

____ communication protocol ____ appliance ____ monitoring and control?

Tell me ____ communication ____ that ____ for remote monitoring ____.

Please ____ us ____ communication ____ used ____ the ____ for ____ and control.

The ____ with ____ managing this ____?

What communication protocol ____ used for remote ____ an ____?

____ you ____ me the ____ for ____ control on ____?

____ a method for remote monitoring and ____ is ____ on ____ communication protocol?

____ is ____ method this device ____ and control?

Does the ____ use a ____ control ____ monitoring?

____ appliance ____ specific ____ for ____ monitoring and control?

What ____ the ____ that the ____ uses ____ remotely?

____ the device be ____ and ____ through ____ protocol?

Does the _____ use _____ method for _____ specific protocol?

Which _____ is _____ for _____ control _____ the _____?

Is the _____ involved in _____ communication protocol that _____ remote _____?

_____ communication _____ employed _____ the appliance for remote _____?

_____ protocols exist within this _____ setup to _____?

_____ you please specify _____ communication protocol _____ by the _____ for _____?

Does the appliance _____ a _____ for _____ control that _____ a _____?

The _____ certain _____ protocol _____ remote monitoring.

_____ involved in a specific _____ protocol _____ monitoring _____ control

_____ about your appliance's _____ method.

_____ appliance used _____ communication _____ to _____ monitoring _____ control.

How _____ the _____ remote _____ using _____ communication method?

Do _____ used by _____ remote monitoring and control?

Which _____ facilitates remote _____ appliance?

_____ is _____ appliance _____?

_____ communication protocol is _____ monitoring and control _____ appliance?

A question about _____ used for _____ monitoring _____ the _____.

_____ the _____ use a method _____ remote monitoring _____ with _____ specific _____?

_____ have a specific communication _____ for _____ monitoring.

Does _____ appliance _____ a _____ monitoring _____ that is specific to that _____?

_____ mode _____ telecommunication _____ remote oversight of _____ appliance?

_____ the appliance have _____ communication _____ for _____ monitoring?

Does the appliance use _____ remote _____?

Do _____ communication _____ facilitates _____ and _____ of the appliance?

What _____ protocol is _____ to remote control _____ a _____?

Is there _____ communication protocol that _____ for _____ and _____?

_____ the appliance use _____ specific communication protocol for _____?

_____ mode of telecom allows for _____ of _____?

Does the appliance _____ method for _____ monitoring _____ control _____ communication protocol?

Do _____ protocol _____ monitoring and control of _____ appliance?

_____ mode _____ communication allows remote management _____?

_____ uses a _____ for remote _____ and control _____ protocol _____ used for.

Which _____ protocol is _____ control and _____ this _____?

What is _____ used to _____ remote monitoring _____ control for _____?

_____ the appliance use _____ method _____ remote _____ communication protocol?

_____ is the _____ that allows _____ of the device?

_____ appliance _____ any particular _____ protocol _____ for _____ monitoring?

Does the _____ way for _____ control _____ a specific communication _____ is used _____?

_____ allows remote control of _____?

Which _____ enable _____ monitoring and _____ of this _____?

Does the appliance _____ a method for _____ specific _____ a _____ protocol?

_____ the _____ use _____ remote monitoring _____ is specific communication protocol?

_____ the _____ method for _____ control that a certain protocol _____ be used _____?

_____ use a method for remote _____ control _____ utilizes a specific _____?

_____ me _____ protocol _____ is used to control this _____?

_____ the _____ use a _____ remote monitoring _____ control that _____ that _____ protocol?

_____ you _____ which _____ protocol allows remote monitoring _____?

Does _____ appliance use _____ protocol for _____?

Which _____ do _____ for remote monitoring and _____?

What communication _____ is used _____ control _____?

What ____ the ____ for remote ____?

____ appliance ____ a specific communication protocol for ____?

Is ____ a communication protocol used ____ monitoring ____?

____ information about ____ monitoring and controlling the appliance.

____ the protocol ____ for remote ____ of the ____.

____ the ____ protocol used to send information ____ remote ____ appliance?

Tell me ____ the ____ remote ____.

Which ____ communication allows for ____ oversight ____ appliance?

____ protocol ____ used ____ monitoring and control ____ the appliance?

I would ____ to ____ about the means used ____.

What communication methods ____ management and control?

Which ____ is ____ to remotely ____ device?

How is ____ communication protocol ____ for ____ monitoring ____?

Does this ____ use ____ protocol ____ remote operations?

____ the appliances connect ____ remote ____ and ____?

____ to ____ about your appliances remote ____.

What communication method ____ to ____ appliance?

An appliance ____ a ____ remote monitoring and control.

____ to know ____ communication ____ is used ____ remotely monitor ____ control ____.

____ is the communication protocol used ____ remote ____ appliance?

Is ____ appliance involved in a ____ communication ____ for ____?

Does ____ appliance ____ particular ____ that is controlled ____?

Does ____ appliance have a ____ remote ____ control?

What is ____ protocol ____ monitoring and control for the ____?

I ____ like ____ know about ____ means associated ____ an appliance.

What ____ is used to ____ information ____ remote monitoring and ____?

Does the appliance ____ remote monitoring ____ a particular communication ____ is ____?

____ a communication protocol ____ remote monitoring ____ control.

____ is the ____ communicate ____ monitoring and controlling ____ appliance?

____ use a method for remote ____ control with a ____?

____ let me know ____ the ____ with ____ managing this appliance.

An ____ used a ____ protocol ____ and control

____ appliance ____ a ____ of ____ monitoring and ____ with ____ communication protocol?

Is the ____ to use ____ communication ____ for ____ monitoring?

Which ____ remote ____ of ____ appliance?

The appliance ____ communication protocol for remote ____.

Which ____ remote ____ and control on ____ appliance?

What communication ____ does ____ use ____ remote ____ control?

The ____ for remote ____ in the ____ is ____.

What communication protocol supports ____ monitoring ____ this ____?

____ protocol ____ used ____ and receive remote monitoring and ____ for ____?

Inquire ____ remote ____ control protocols used ____ appliances.

____ used in remote appliance ____?

Which protocol ____ it ____ to ____ monitor ____ control ____?

____ protocol is used to ____ monitor ____ device?

____ is ____ appliance remote monitoring and control?

This appliance may ____ for remote ____.

Is that appliance involved ____ to ____ remote ____ and control?

____ appliance ____ use of ____ communication protocol ____ remote ____.

____ remotely ____ this ____ what ____ used ____ communicate?

____ the ____ use a method ____ a specific ____ for ____ monitoring ____?

Is ____ appliance ____ protocol ____ remote monitoring ____ control?

____ the ____ method for ____ that a specific ____ protocol can be ____?

____ appliance use for remote monitoring ____ control?

____ appliance uses ____ for remote control.

The appliance ____ a ____ for _____.

Does ____ appliance communicate ____ remote ____ using ____ specific ____?

____ protocol ____ for remote monitoring?

____ communication ____ remote ____ of this ____?

Can you ____ are used to remotely control ____?

Is ____ appliance able ____ use ____ for remote ____?

____ me ____ the ____ for remote management ____ the _____.

____ appliance utilized ____ for its ____ monitoring

____ the ____ use a method ____ remote monitoring and ____ that ____ for?

____ of ____ permits ____ of this appliance?

Can ____ let ____ the device ____ for remote ____?

____ appliance ____ monitoring and control.

____ the ____ use ____ method for remote monitoring that ____ with ____?

The ____ communication protocol for remote monitoring _____.

I ____ to know more about ____ communication ____ associated ____ managing _____.

Was ____ appliance ____ in a ____ remote monitoring?

What ____ the protocol used ____ transmit ____ for ____ and ____ appliance?

Does the ____ have a ____ is used ____ remote ____?

What ____ appliance's ____ for ____ monitoring ____ control?

____ is ____ protocol ____ to ____ control this ____?

____ about ____ communication approach used ____ for remote _____.

Appliances ____ communication ____ for ____ control.

____ the appliance use ____ method ____ monitoring ____ is specific ____ the communication ____?

____ the ____ for ____ oversight via its communication _____.

____ protocols do appliances ____ for ____ monitoring ____ control?

____ me what ____ protocol is ____ management.

____ use a method ____ monitoring ____ control where ____ communication Protocol ____ used?

____ a particular communication ____ that ____ for remote ____ and control?

How does this ____ and control?

Can ____ tell me ____ communication ____ the appliance ____ and control.

How does the ____ and control?

Which ____ monitor and ____ device?

____ communication protocol used ____ monitoring and controlling the ____?

Does ____ have ____ protocol used ____ remote monitoring ____ control?

____ protocol ____ used ____ remote ____ appliance?

What communication ____ to ____ and ____ this appliance?

Which ____ protocol ____ remote ____ and ____ of this ____?

____ in the ____ means associated with remotely ____ appliance.

____ for remote monitoring and control.

Does ____ appliance have ____ protocol ____ monitoring?

____ appliance ____ a specific protocol for ____ monitored ____ afar?

Does ____ use a ____ and control ____ has a ____ communication Protocol?

____ the ____ used ____ controlling the appliance?

Is ____ appliance ____ communication protocol ____ remote ____ and Control?

____ about ____ appliances' ____ control method.

____ the appliance ____ a ____ of ____ control that ____ a specific communication ____?
 ____ the ____ remotely ____ specific communication service?
 ____ know ____ communication protocol facilitates remote monitoring ____ this ____?
 I ____ to ____ more ____ means associated ____ remotely managing ____ appliance.
 What ____ used to ____ about ____ monitoring and control of ____?
 ____ of telecommunication ____ oversight of ____ appliance?
 Does the ____ use ____ for remote ____ that is based ____ communication ____?
 I'm ____ means associated with ____ managing this ____.
 ____ would ____ to ____ communication protocol is used ____ control this ____.
 ____ communication protocol ____ for ____ monitoring and ____ this appliance?
 ____ the appliance use ____ for remote ____ and ____ that is ____?
 ____ you ____ about ____ used by ____ appliance for ____ monitoring and ____?
 For remote monitoring and ____ what ____ does ____?
 How does the ____ oversight ____ communication?
 A ____ protocol ____ used ____ monitoring and ____ of the ____.
 What is communication ____ for remote ____ appliance?
 The appliance may ____ to ____ controlled from afar.
 ____ this appliance ____ to a specific protocol ____?
 Which ____ is used by an ____ and control?
 Please ____ communication ____ remote management.
 What ____ communication protocol used to ____ this device?
 ____ am curious ____ the ____ means associated ____ managing this ____
 ____ to know ____ means of communication ____ remotely managing this ____.
 ____ appliance ____ service to remotely ____.
 Does ____ appliance ____ a specific ____ for ____?
 ____ protocol is used ____ appliance monitoring ____ controlling?
 ____ to know what ____ is used to ____ control ____.
 ____ remotely, what ____ it ____ device ____ to monitor and ____?
 ____ is the appliance able ____ remote ____?
 Please ____ the ____ monitoring ____ control ____ used ____ your ____.
 Does ____ appliance use ____ is ____ from afar?
 What ____ is ____ in regards ____ remote control ____ an ____?
 Which communication ____ remote ____ appliance?
 ____ the ____ a ____ protocol for remote support?
 Does ____ have ____ specific communication ____ remote monitoring and ____?
 ____ the appliance used in ____ for remote ____ and ____?
 Does ____ appliance ____ particular protocol ____ monitored and ____ afar?
 Can ____ use a specific ____ for ____ monitoring?
 Do ____ appliance ____ protocol ____ remote ____?
 ____ communications protocol ____ for ____ monitoring ____ the appliance?
 What ____ protocols are used to ____ information ____ remote ____?
 What ____ the method of communication ____ appliance?
 The communication protocol used ____ receive ____ and control ____ the ____.
 ____ protocol ____ of this appliance?
 ____ is used ____ support remote monitoring ____ control ____ device?
 ____ protocols do ____ remote monitoring?
 What ____ used to transmit information ____ remote ____ appliance?
 Does ____ use a method for remote ____ and ____ for ____?
 ____ the ____ protocol ____ to transmit information in ____ to ____ monitoring ____ control ____?
 ____ use a ____ for ____ monitoring.

Can you tell _____ the appliance uses _____ protocol _____?

Can you _____ me _____ communication protocol _____ this _____?

_____ used _____ communication protocol _____ remote _____

Which _____ protocols does an _____ use for _____?

The appliance _____ communication _____ remote _____

Can the appliance use _____ for _____ and control _____ a specific _____?

Communication _____ for remote monitoring _____

_____ the appliance have _____ protocol _____ remote monitoring _____?

Which communication protocol is needed _____ remote monitoring _____?

_____ the _____ in _____ communication protocol that _____ remote _____ control?

_____ us how the device _____ remote _____ its communication method?

_____ protocol is _____ information regarding remote monitoring _____ controlling the _____?

_____ communication protocol for remote _____ was used _____.

_____ you tell me _____ protocol is _____ controlling this _____?

Does _____ a _____ for remote _____?

_____ protocol _____ remote monitoring of _____ appliance?

_____ the protocol _____ and control of _____ appliance?

What communication _____ is _____ to _____ control of the appliance?

_____ appliance _____ communication _____ remote monitoring.

What _____ communication _____ used _____ transmit _____ remote _____ and controlling appliances?

Please _____ me _____ appliance's _____ remote management.

What _____ protocol _____ used _____ of appliances?

Does the _____ use a _____ for remote _____ and _____ specific to _____ protocol?

The appliance _____ involved _____ protocol _____ remote _____ and control.

Does _____ appliance use a _____ specific _____ Protocol _____ monitoring _____ control?

What _____ method _____ used _____ appliance?

The _____ used a communication protocol for _____

_____ used a _____ protocol _____ its remote _____.

I'd _____ about your _____ remote _____ method.

_____ would _____ to know about _____ communication _____ managing _____ appliance.

Does this _____ communication _____ for remote operations?

How _____ this device communicate _____ management _____ purposes?

_____ is _____ to transmit _____ remote _____ for the appliance?

Which communication _____ for remote _____ a appliance?

_____ the _____ protocol _____ to remote _____ a appliance?

_____ employed a _____ for remote _____ and control.

_____ the _____ use _____ method for remote monitoring _____ that _____ specific to _____ protocol?

Communication _____ remote monitoring in _____.

_____ about the remote _____ method _____.

Do you know _____ facilitates _____ monitoring _____ control for _____?

What _____ protocol for _____ monitoring?

_____ the appliance _____ with _____ monitors?

Can you _____ tell _____ the communication means associated _____ remotely _____?

Information _____ communication approach _____ by _____ appliance for _____ control _____ provided.

What communication _____ used _____ and control _____ appliances?

Which communication protocol is _____ control _____ this _____?

This appliance _____ a _____ for _____.

_____ appliance _____ a _____ protocol for _____ from afar?

_____ device _____ comms protocol when _____ remotely?

_____ communication protocol _____ to _____ receive remote _____ the appliance?

_____ me what communication protocol _____ controlling this device?

What is the communication _____ used for _____ of _____?

Does _____ appliance use _____ method for _____ monitoring and _____ that _____ a specific _____?
_____ is _____ remote appliance _____ and monitoring?

Was the _____ a specific communication protocol _____ took _____ monitoring _____?
_____ communication _____ remote _____ this appliance?

_____ know _____ protocol used _____ the appliance for _____ and control.

The communication _____ used for remote _____ in _____ not _____.
_____ is the protocol _____ to _____ monitor _____?

The _____ a _____ to control _____ remote monitoring and _____.
_____ this appliance work _____ specific _____ for remote _____?

_____ a certain protocol to _____ monitored _____ controlled?
_____ appliance have _____ protocol for _____ purposes?

A _____ protocol for remote monitoring and _____ appliance.

Communication _____ in _____ of appliance

Do you know _____ control for this _____?

_____ the _____ use when monitoring and controlling?

Does _____ appliance use any _____ for _____ monitoring _____ control?
_____ is the communication protocol _____ for _____ appliance?

Is _____ a _____ by the _____ for remote monitoring _____?

The appliance _____ protocol for _____

What _____ the protocol it _____ and remote _____?

Communication _____ associated _____ remotely _____ this _____?

Does _____ appliance use a _____ communication _____ control?
_____ need to know _____ means _____ remotely managing the _____.
_____ communication _____ for _____ operation of the appliance?

The _____ used a communication _____ monitoring and _____.
_____ the _____ involved in a _____ that allows _____?

Which communication _____ be _____ to monitor _____ this _____?
_____ is the communication protocol _____ appliance _____ monitoring _____ control?

Does _____ use the same communication _____ for _____?

_____ connect for _____ monitoring?

How _____ appliance connect _____ monitoring?

_____ communication protocol for its remote _____

What is the communication protocol _____ and _____ the _____?
_____ the appliance _____ remote controlling?

Can you tell me _____ protocol _____ used _____ control _____?
_____ would like _____ know _____ of _____ with remotely managing this _____.

I would like _____ know _____ communication _____ used _____ the _____ monitoring and _____.

Maybe _____ specific communication _____ for remote monitoring.

The appliance had _____ for _____ and controlling.

_____ appliance _____ in a communication protocol for _____ monitoring _____.

_____ is _____ communication protocol _____ to _____ remote monitoring for _____ appliance?

Does the _____ method for remote monitoring _____ contains _____ specific _____ protocol?
_____ mode of _____ allow for remote _____ the _____?

Does the appliance _____ for _____ monitoring _____ a specific communication _____?
_____ the _____ use a method of _____ specific communication _____?

_____ communication protocols are _____ control.

What _____ protocol _____ to communicate _____ regards to remote _____ appliance?

The _____ uses _____ protocol to remote _____ control.

_____ the _____ a _____ is monitored and controlled?

_____ a _____ protocol for its _____ control.

_____ the _____ a _____ protocol for _____ monitoring or _____?

_____ protocols is used to _____ monitor _____ device?

What _____ protocol _____ to _____ remote monitoring and _____ of _____ appliance?

What _____ the protocol used _____ transmit _____ monitoring _____ an _____.

_____ the appliance use _____ method for _____ monitoring _____ specific _____ protocol?

_____ to _____ of _____ appliance, _____ protocol is used to transmit information?

_____ used for remote _____ in the appliance?

_____ the _____ method for remote _____ and control that is _____ with _____ specific _____?

_____ is the _____ to send _____ a remote _____ control?

I'm _____ communication _____ remotely managing this appliance.

_____ it _____ the _____ specific communication protocol for _____ operations?

What _____ protocol _____ to _____ information about _____ monitoring _____ control of the _____?

_____ to _____ monitoring and control of _____ is the _____ protocol _____?

What communication _____ do _____ appliance _____ for _____?

_____ appliance _____ a communication _____ its remote _____ control

How _____ the appliance _____ with _____

_____ the appliance _____ in a _____ communication _____ to remote _____?

_____ use a communication _____ for _____ monitoring?

_____ communication _____ remote monitoring and controlling a appliance?

What protocol do appliances use _____?

What _____ used to _____ when _____ managing _____?

_____ the protocol _____ to send and _____ monitoring _____ for appliances?

Could _____ tell _____ about the _____ with remotely managing _____?

_____ send _____ receive remote monitoring and control for the _____?

_____ communication _____ to remote monitoring _____ control for _____?

_____ will _____ device allow _____ remote oversight via _____?

_____ mode of communications allows for _____ appliance?

What _____ used to control _____ remotely monitor _____?

Does _____ a _____ method for remote monitoring _____?

_____ appliance use a _____ for _____ monitoring _____ control that _____ to _____ protocol?

_____ appliance use a method _____ remote _____ that _____ the communication _____?

Inquire about _____ and control protocols _____ by _____.

Does _____ appliance _____ a method _____ remote monitoring _____ control _____ a _____ communication _____ is _____?

Is _____ communication protocol _____ for remote _____ of the _____?

Does the _____ a _____ a _____ protocol for remote _____ control?

Is _____ specific communication protocol to _____ remote monitoring?

_____ is used _____ remotely _____ a device?

_____ tell _____ the protocol that the _____ for remote _____?

When _____ does the device _____ monitor _____ CONTROL?

_____ is _____ communication _____ to transmit and _____ monitoring _____ control for _____?

What is _____ supports remote _____ and _____ this device?

_____ know _____ remote monitoring _____ control of this appliance?

_____ the device _____ remote _____ its communication method?

_____ the _____ use _____ method for _____ and control _____ uses a _____?

_____ the _____ communicated _____ remote monitoring?

_____ is _____ appliance _____ a _____ protocol?

_____ appliance use _____ specific _____ remote operations?

Is communication protocol _____ the _____ for _____?

_____ have a _____ protocol for remote _____?

Does the _____ have a _____ communication _____ controlling?

Does _____ appliance _____ method _____ monitoring _____ control of a _____ protocol?

I _____ know the _____ associated _____ managing this appliance.

What's the communication _____ used _____ transmit _____ monitoring _____ appliance?

What _____ method is _____ remotely _____ appliance?

_____ communication protocol can _____ used _____ remote _____?

What _____ used to transmit _____ remote monitoring _____ control for an _____?

_____ the appliance _____ a _____ remote monitoring _____ used in a _____ Protocol?

Does the _____ use _____ method for _____ that _____ a _____ communication _____?

Is _____ appliance _____ from _____ a specific _____?

_____ the _____ have _____ method _____ remote _____ and control that is _____ a specific _____?

_____ communication protocol allows remote _____ and _____ appliance?

Which mode of _____ remote _____ of a _____?

_____ this appliance _____ a particular communication protocol _____?

_____ protocol _____ appliance use _____ remote monitoring and _____?

Does _____ appliance use a _____ can be _____?

_____ the appliance have a protocol _____ and _____ afar?

Which _____ is used _____ a appliance?

What _____ does _____ appliance use _____ and control?

What _____ the _____ protocol _____ to transmit _____ remote monitoring _____ the _____?

_____ communication _____ is _____ remote monitoring by the _____?

_____ communication _____ required _____ remote _____ and control of _____ appliance?

_____ communication _____ used _____ appliance remote monitoring?

_____ you tell _____ the communication _____ the appliance _____ monitoring?

_____ you tell me _____ used to _____ this _____?

_____ is communication _____ transmit and receive _____ and _____ for _____ appliance?

_____ appliance _____ a _____ protocol for its _____.

Does _____ use a _____ of remote monitoring _____ a specific _____?

Is _____ involved in a specific _____ which takes _____ control?

Which _____ protocol _____ used _____ monitor _____ an appliance?

Is _____ used by the appliance for _____?

_____ appliance _____ involved _____ communication _____ for remote monitoring?

_____ appliance uses _____ communication _____ remote _____.

Can _____ about the communication _____ remotely managing this _____?

Does the appliance have _____ communication protocols _____?

_____ the _____ of communicating _____ remote monitoring?

What _____ protocol _____ used _____ transmit information about _____ controlling _____ appliance?

Is _____ involved _____ specific communication _____ that takes remote _____ and _____?

_____ the _____ a specific _____ for _____ operations?

Does the appliance _____ a method _____ remote monitoring _____ to _____ communication Protocol?

_____ the appliance use _____ for _____ monitoring and control _____ includes _____ specific _____?

Does _____ a method for remote monitoring and _____ a _____ Protocol used for?

Is this appliance _____ a _____ protocol for _____?

_____ communication protocol _____ control _____ appliance?

_____ operating _____ means _____ the _____ to control and monitor?

What _____ protocol is _____ to support remote _____ device?

_____ appliance's _____ protocols for _____ management.

Does _____ appliance _____ a method _____ remote _____ that _____ specific _____ protocol?

_____ used for remote control _____ appliance?

What communication ____ is used for ____ and ____?

____ protocol utilized ____ transmit and receive ____ monitoring ____ for the ____?

The ____ a ____ remote monitoring ____ control.

____ appliance had a ____ remote ____.

____ this appliance ____ with ____ protocol for ____ support?

____ need to know ____ communication ____ used by ____ appliance ____.

Is ____ appliance involved in ____ specific communication protocol ____ involves ____?

____ there a ____ by the ____ for remote control?

Which ____ this device ____ connect remotely?

____ am ____ which communication ____ used ____ remotely monitor ____ control this device.

____ capable ____ using ____ specific communication ____ for remote support?

What ____ protocols do ____ appliances use ____?

The ____ send and receive ____ and ____ for the appliance.

What ____ protocol is ____ to ____ information about ____ an appliance?

____ communication protocol ____ remote monitoring and control of ____?

____ used for ____ controlling the ____?

____ the protocol used ____ communicate ____ monitoring in the ____?

Does the ____ method ____ remote ____ using a particular communication ____?

How ____ the appliances ____ monitoring?

____ used a ____ protocol ____ control

I am wondering ____ protocol ____ to ____ this device.

____ communication protocol ____ to ____ remote control of ____ appliance.

____ protocols are used for ____ the appliance?

____ appliance use a ____ for ____ and control ____ a ____ communication Protocol ____ for?

____ appliance follow a ____ protocol for ____?

Does the appliance use ____ for remote ____ and ____ can ____ for?

____ is used ____ monitoring and control?

The ____ a ____ for its remote ____.

Which communication protocol gives ____ and control ____?

____ mode of telecommunication ____ for ____ oversight ____ the ____?

____ the appliance use ____ for remote monitoring and control ____ specific ____?

Does the ____ have a ____ protocol for ____?

____ the ____ use ____ method ____ remote monitoring and ____ uses ____ communication Protocol?

____ the appliance ____ a ____ communication ____ to ____ control?

Is ____ appliance ____ for remote ____?

____ me ____ the communication methods associated ____ managing ____ appliance?

____ is the ____ protocol used ____ send ____ regarding ____ and ____ the appliance?

____ protocol does an ____ for remote ____?

Can ____ tell ____ about the ____ remotely ____ this appliance?

____ communication protocol is used ____?

Does ____ a ____ communication protocol ____ remote monitoring ____ control?

____ is the ____ send ____ to a remote control ____?

____ me ____ appliance's protocols ____ management.

What ____ the protocol ____ the ____ uses ____ monitoring and ____?

____ is ____ communication ____ used for ____ a appliance?

What is ____ transmit ____ to remote monitoring and ____?

____ appliance use ____ method for ____ monitoring ____ utilizes a ____ communication ____?

Is ____ involved ____ a specific communication ____ remote ____ and ____?

Is it ____ the ____ utilized ____ the appliance for ____ monitoring ____ control?

Do ____ protocol facilitates remote ____ control for this ____?

Which _____ used _____ an appliance?

_____ operating remotely, does the _____ chosen comms protocol to _____?

_____ methods are used to control _____ monitor _____?

_____ communication protocol does _____ for remote monitoring _____?

_____ me _____ the remote _____ method _____ appliance.

_____ the _____ a _____ communication _____ for remote monitoring?

_____ want _____ protocol is _____ to _____ control the device.

Does the appliance _____ for _____ monitoring _____ control that uses a _____?

What _____ does an _____ use for _____ control _____

_____ protocol that is used to transmit and _____ the _____?

Is the _____ involved _____ a specific communication protocol _____ monitoring _____.

Which protocol is used to transmit _____ remote monitoring _____?

_____ the appliance _____ a _____ communication protocol _____ remote _____ and control?

_____ am interested _____ which communication _____ is used _____ monitor _____ control _____ device.

Does _____ use a method for remote _____ the _____ used _____?

_____ the _____ specific _____ for monitoring and controlling?

_____ tell _____ protocol is used to remotely _____ device.

Do _____ appliance use _____ specific protocol _____ be _____?

Does _____ appliance use a specific _____ monitored _____?

Which _____ protocol is used for _____?

_____ takes _____ monitoring and control is involved _____ specific _____ protocol.

_____ communication protocol _____ used _____ monitoring of _____?

_____ protocol is used _____ remote _____?

Which _____ does _____ device _____ remote _____ and control?

_____ communication protocol _____ appliance _____ controls?

_____ to know _____ is _____ to _____ control this device.

_____ to remote control _____ appliance, what _____ communication _____ used?

_____ appliance use _____ for remote _____ and control _____ specific _____ protocol _____ used for?

Does _____ appliance communicate _____ for remote _____ and control?

Which communication _____ is _____ control _____ an appliance.

Does the _____ a _____ that _____ a specific communication protocol?

Is it _____ this appliance _____ specific communication _____ operations?

_____ appliance involved in specific _____ protocol for _____ and _____?

Does _____ a method for remote _____ that can _____ used?

The appliance used _____ its remote _____ control.

This _____ follow _____ specific _____ for _____ operations.

The appliance use _____ for _____

Which _____ of telecommunication _____ us _____ oversight of _____?

_____ appliance _____ a protocol _____ remote _____?

_____ me about the _____ protocol _____ of _____ appliance

_____ the _____ use _____ method for remote _____ and _____ particular communication _____?

Do _____ know which _____ used to remote _____ device?

_____ is the _____ sending and receiving _____ monitoring for _____?

Is the appliance involved in a _____?

For _____ and _____ appliance used a communication _____.

Does the _____ include _____ protocol for _____ monitoring _____?

_____ appliance _____ in _____ communication _____ that allows remote control?

The communication protocol _____ transmit information _____ remote control _____ appliance

What communication protocol _____ monitoring and _____ of _____?

_____ me _____ by the appliance for remote _____.

Do the appliance ____ a particular ____ for ____ control ____?
 Which communication ____ monitoring and control ____ the ____?
 Are ____ communication protocols used ____ the ____ monitoring ____ control?
 ____ the appliance use a ____ protocol ____ remote ____ and ____?
 What is ____ protocol ____ transmit information in relation ____ appliance?
 Does the ____ a method ____ remote ____ and control that has ____ used ____?
 ____ is the ____ used to ____ the appliance?
 ____ do the appliance connect ____ remote ____?
 ____ used to ____ control this device?
 Is the ____ involved in a specific ____ control?
 ____ the communication ____ monitoring and control ____ the ____ work?
 What ____ protocol ____ to transmit information in relation ____ remote ____ the ____?
 The appliance may ____ a ____ service ____.
 Which ____ protocols ____ remote appliance ____?
 Does ____ appliance work with a specific ____?
 Do the ____ communication ____ allow for ____ and ____?
 When ____ the ____ use ____ protocol for monitoring ____ controlling?
 ____ controlling ____ appliance, what is the communication protocol ____?
 What ____ is ____ to ____ information ____ remote ____ and ____ appliance?
 ____ protocol ____ remote ____ of a appliance?
 ____ appliance ____ communication ____ for remote ____.
 Does ____ appliance ____ remote ____ that is specific to a ____?
 ____ come ____ device uses a ____ for remote management ____?
 ____ you know ____ communication protocol ____ control ____ this appliance?
 The appliance ____ protocol for ____.
 Does the ____ remote oversight ____ its ____ method?
 ____ is ____ information in relation to remote ____ of ____ appliance?
 ____ appliance ____ specific ____ protocols for remote ____ and ____?
 ____ the device ____ its ____ comms protocol ____ controlling ____?
 Which mode of ____ of the appliance?
 ____ communication ____ used to ____ monitor ____ appliance?
 ____ the appliance ____ a ____ communication ____ remote monitoring and ____?
 ____ does ____ appliance connect to ____?
 What ____ the communication ____ transmit remote monitoring ____ of ____ appliance?
 ____ appliance use a ____ for remote ____ that you can ____?
 ____ is ____ remotely monitor and ____ this device?
 I want to ____ which ____ used to remotely ____ my ____.
 What ____ used to transmit and ____ remote monitoring ____ for ____?
 Does ____ appliance use ____ remote ____ control that has ____ protocol?
 ____ is ____ protocol ____ information about ____ monitoring and ____ appliance?
 ____ is a ____ protocol used in ____ remote monitoring ____ appliance.
 ____ has ____ protocol ____ remote control.
 Does ____ appliance ____ a ____ communication protocol ____ monitoring and control?
 ____ the appliance ____ communication protocol.
 ____ communication protocols ____ remote monitoring ____ control ____ this ____?
 The device ____ communication ____ remote management and ____.
 How ____ an appliance ____ monitoring device?
 Can ____ the ____ allows for ____ oversight via its ____ method?
 ____ communication protocol ____ to ____ information about ____ control of ____?
 Which ____ used ____ appliance remote ____?

____ you tell ____ what communication ____ is used ____ this ____?
 ____ used to ____ about remote control ____ an appliance?
 ____ does an ____ use for remote ____ and ____?
 Has ____ a specific communication ____ remote operations?
 ____ is the ____ to transmit ____ control ____ an appliance?
 The protocol ____ to ____ receive remote ____ and ____ the ____.
 Does the ____ communicate through a ____ support?
 Which ____ allows for ____ of ____ appliance?
 ____ the appliance use for ____ monitoring?
 ____ appliance ____ in ____ specific ____ that ____ remote monitoring and control?
 Does this appliance have ____ particular ____ for ____?
 ____ employed ____ remote control of an appliance?
 Does ____ use ____ method ____ remote ____ and ____ a particular protocol can be ____?
 ____ there a ____ used ____ appliance ____ remote monitoring ____ control?
 Which communication ____ remote ____ appliance?
 ____ me the ____ protocols ____ the appliance for ____ and control?
 The ____ can be controlled ____ protocol.
 ____ the ____ to use a ____ protocol for ____ and control ____?
 ____ appliances used ____ communication ____ remote ____.
 Which ____ protocol ____ the remote monitoring ____ appliance?
 ____ want ____ know ____ communication ____ are ____ with ____ this appliance.
 ____ protocols are used ____ transmit and receive ____ the ____?
 ____ the ____ specific communication ____ for remote monitoring?
 Do you ____ protocol ____ allow ____ monitoring ____ control ____ this appliance?
 Does the ____ any ____ communication protocol ____ remote ____ and ____?
 ____ you know what ____ protocol ____ remotely control this ____?
 What ____ the ____ used to transmit ____ remote ____ the ____?
 What is the ____ that ____ operating remotely?
 ____ if ____ uses a specific ____ for remote support.
 ____ the appliance using a specific ____ remote ____?
 ____ me ____ the device allows for remote ____ communication?
 ____ do ____ appliances ____ to remote ____?
 What ____ is ____ appliances for ____ and control?
 Can you tell me ____ allows for remote ____?
 What ____ protocol is ____ remote ____ and control ____ this ____?
 I ____ to know ____ means ____ remotely managing ____ appliance.
 Does ____ specific protocol ____ remote operation?
 How is the ____ used to ____ and ____ monitoring and ____ for ____?
 Does it ____ a ____ communication ____ for remote ____?
 ____ appliance ____ with a communication ____ remote monitoring?
 ____ a method ____ remote monitoring ____ that are specific communication ____?
 ____ communication protocol ____ to ____ receive ____ monitoring and control ____ an appliance?
 ____ is ____ the appliance ____ for remote ____ and ____?
 ____ is the communication ____ used ____ to remote control ____ a ____?
 Which ____ is used ____ monitor ____ control the ____?
 ____ used for ____ monitored appliances?
 Can you ____ me more ____ the ____ means associated ____ this ____?
 ____ communication ____ used ____ appliance for remote monitoring ____ control.
 Does ____ provide a specific communication protocol ____?
 Is the ____ in ____ specific communication ____ to ____ monitoring and control?

What _____ facilitates remote monitoring and _____?

_____ method _____ used _____ controlling an _____?

_____ would like to _____ how the _____ remote oversight _____ method.

Can you please specify _____ the _____ remote monitoring and _____?

_____ protocol used to transmit information for _____ and controlling _____?

Is _____ involved _____ communication _____ to remote monitor?

_____ appliance's remote monitoring and _____ was done _____.

_____ the _____ use a _____ for remote _____ is compatible with a _____?

_____ communication _____ are used _____ information _____ monitoring and controlling _____ appliance?

What protocol _____ use _____ control?

What mode of telecommunication will _____ of _____?

This appliance _____ communication _____ for remote support.

_____ a _____ protocol that _____ remote monitoring and _____.

_____ is used _____ communicate when _____ device is _____?

What protocol _____ appliance's setup _____ from afar?

_____ is _____ protocol _____ in _____ remote monitoring?

Is the appliance using a _____ monitoring and control _____ protocol?

I am interested _____ communication _____ associated _____ remotely managing _____

Which _____ of _____ remote oversight of _____ appliance?

_____ appliance has a _____ protocol _____ remote _____ and _____

Which mode of telecommunication will allow _____?

_____ be remotely monitored _____ using a communication _____.

_____ the communication _____ used to _____ information to _____ control _____ the _____?

_____ appliance used a _____ for _____.

I'm _____ about the appliance's _____ protocol _____.

_____ the protocol _____ sending _____ receiving remote _____ and control _____ an _____?

_____ the protocol _____ transmit _____ remote _____ and controlling an appliance?

Can you tell me the _____ monitor _____ control _____?

_____ mode _____ lets for _____ oversight _____ this appliance?

_____ communication protocol is _____ to _____ appliance _____ and control?

I _____ to know how _____ device allows _____ oversight _____ its _____.

Does the _____ use a _____ communication _____ remote _____ and control _____?

Does _____ have _____ way _____ monitoring and control _____ uses _____ specific _____ protocol?

_____ protocol _____ use for remote _____?

Communication protocol used to _____ information _____ remote _____ and _____ appliance

Does the _____ method for remote _____ control that uses a _____?

_____ communication _____ is used to _____ about _____ of an _____?

_____ and controlling does the device _____ comms protocol _____?

When operating remotely does _____ device _____ its _____ protocol _____?

The appliance _____ remote monitor

_____ appliance used _____ communication _____ have _____ and control.

_____ the appliance use _____ remote _____ and _____ that _____ Protocol _____ used for?

_____ it mean that _____ appliance _____ a specific _____ monitoring _____ control?

Does _____ use a specialized _____ for _____ control _____?

_____ use _____ method for remote monitoring and _____ has a _____ protocol _____?

I would like _____ communication _____ associated with _____ management _____ this _____.

Does _____ a _____ monitoring and control that is used _____ communication Protocol?

The appliance _____ the remote monitoring.

What _____ used to transmit information about remote control _____?

_____ of telecommunication _____ oversight _____ this appliance?

When _____ remotely _____ the device _____ comms _____ monitoring and _____?

What communication method _____ to _____ and _____ appliance?

_____ you tell me _____ the communication means _____ with remote _____?

What _____ communication protocol _____ in _____ and _____ of an appliance?

Is it possible _____ is _____ protocol _____ remote monitoring and control?

Is _____ specific communication protocol _____ remote monitoring and _____?

What _____ utilized to _____ information _____ remote monitoring and _____ appliance?

How _____ device _____ with _____ management _____ control?

_____ the _____ in a _____ that _____ remote monitoring and control?

Does _____ a particular protocol for _____?

_____ curious _____ associated with remotely _____ the appliance.

_____ am curious about _____ associated with remotely managing _____.

_____ communication protocols _____ for remote monitoring?

Can you _____ me _____ communication _____ that _____ remote monitoring?

_____ you _____ what communication protocol _____ appliance _____ for _____ and _____?

_____ protocol for _____ monitoring used _____ the appliance?

Does the _____ protocol that _____ and _____ far away?

_____ the appliance have _____ specific protocol _____?

I would like _____ the _____ means _____ remote managing _____.

Does the _____ have _____ specific _____ that it _____ from _____?

Tell _____ how _____ appliance uses communication _____.

Could _____ tell me _____ the _____ remotely _____ this appliance?

_____ remotely, _____ the device _____ to monitor and _____?

What is _____ protocol _____ to _____ information regarding remote _____ control _____ appliance?

_____ communication protocol is used _____ remote monitoring _____ by _____?

Which _____ protocol _____ used _____ remote _____?

For _____ the _____ used _____ protocol.

What is the _____ communication _____ monitor this appliance?

I am interested _____ the _____ means _____ managing _____ appliance.

In _____ control of an _____ is the _____ used.

Is _____ managed _____ communication means?

_____ appliance _____ a communication _____ remote monitoring.

Does _____ a communication _____ for remote _____?

What _____ the _____ to _____ monitor _____ control _____ device?

_____ appliance _____ a method _____ uses a _____ protocol _____ remote monitoring _____?

_____ protocol used _____ transmit information about remote _____ of _____ appliance?

_____ appliances use a specific _____ protocol _____ control?

Is the _____ involved in a _____ protocol that _____ control?

_____ a _____ involved _____ the appliance _____ remote _____ and control?

The _____ a protocol _____ monitor.

Explain _____ appliance's _____ protocol _____ management.

Does _____ use a method _____ monitoring _____ control that is _____?

_____ the appliance use _____ for _____ that involves _____ protocol?

What _____ are _____ for _____ control?

For _____ what communication protocol does the _____?

The _____ communication method for _____.

The _____ communication protocol for remote _____ and _____.

_____ is the protocol _____ information regarding _____ of an _____?

Please _____ communication protocol used _____ the appliance _____ monitoring _____ control

How does _____ device _____ with _____ control purposes?

_____ communication _____ can be used _____ control _____ an _____ ?
 _____ is _____ used _____ transmit _____ regarding remote _____ and _____ the appliance?
 _____ the appliance use _____ for _____ that _____ Protocols are used for?
 What _____ protocol _____ appliance _____ in remote _____ ?
 Is there any _____ protocol _____ remote _____ for _____ appliance?
 Does the _____ a _____ for _____ monitoring and _____ that _____ a specific communication _____ ?
 Is the _____ involved _____ protocol _____ allow _____ and control?
 Can _____ me _____ the _____ allows for remote _____ ?
 _____ to _____ monitoring _____ control of _____ appliance, what _____ is used?
 Which _____ protocol is _____ for _____ .
 _____ appliance use a method of remote _____ a _____ communication Protocol _____ for?
 _____ would like _____ about _____ associated with remotely managing _____ appliance.
 _____ communication _____ is _____ send information regarding _____ of an _____ ?
 _____ appliance have _____ specific _____ remote control?
 _____ is _____ used to _____ information _____ remote _____ and control _____ the appliance?
 _____ the _____ for remote management.
 Do you know _____ communication _____ facilitates _____ this _____ ?
 _____ appliance uses _____ ?
 _____ the _____ able to _____ a specific _____ for _____ and control?
 Does the appliance _____ particular _____ for _____ monitoring _____ ?
 Tell me _____ the appliance's _____ .
 _____ communication protocol _____ for _____ monitoring _____ this appliance?
 _____ would like to _____ the _____ means _____ managing this appliance.
 Does the _____ of remote _____ and _____ that can be used _____ protocol?
 Which _____ in a _____ communication protocol _____ monitoring?
 _____ are used to send information about remote _____ ?
 Do _____ appliance use a _____ communication _____ for _____ ?
 How _____ this _____ communicate _____ remote management and _____ ?
 _____ communication protocol _____ monitoring and _____ this appliance?
 I _____ like _____ know _____ protocol _____ to remotely monitor and control _____ .
 Which communication _____ used by the _____ to _____ ?
 Does the device use a _____ ?
 Is _____ a _____ telecommunication that allows _____ of this _____ ?
 Is there _____ communication approach used _____ remote _____ ?
 _____ the appliance's _____ service _____ to _____ it?
 What is the _____ for remote _____ in _____ ?
 Does _____ use _____ method _____ and control that is specific _____ communication protocol _____ ?
 What _____ appliance _____ monitoring and _____ ?
 What mode of communication _____ for _____ of _____ ?
 Can you tell _____ associated with _____ of this _____ ?
 _____ the appliance _____ a method for _____ monitoring _____ that the _____ used _____ ?
 Is _____ appliance _____ a specific communication _____ for remote _____ and _____ ?
 _____ a communication protocol for _____
 Does _____ appliance _____ method for remote monitoring _____ communication Protocol?
 Do _____ which communication protocol _____ and control _____ this _____ ?
 Is _____ any _____ protocol employed _____ remote monitoring and _____ ?
 _____ do the appliances _____ monitoring?
 What is _____ transmit information _____ remote monitoring _____ of an _____ ?
 _____ the _____ use a _____ remote _____ control that _____ the communication protocol _____ ?
 What _____ the _____ protocol _____ in regards _____ monitoring and _____ the _____ ?

_____ communication protocol works _____ control?

Does the _____ a method _____ with a _____ protocol?

_____ tell me _____ utilized by the _____ for _____ and control?

_____ be remotely monitored and _____ using _____ protocol.

Does _____ use _____ method for _____ a specific protocol can be _____?

_____ method of _____ is _____ this appliance?

Which communication _____ is used for _____?

_____ tell _____ the _____ associated with remotely managing an _____?

_____ appliance follow _____ for _____ communications?

_____ protocols are used _____ transmit _____ about remote _____ control of _____?

Which _____ remote control of _____ appliance

What _____ the _____ for remote _____ control _____ the appliance?

Which _____ is _____ remote _____ of the _____?

_____ communication _____ to remote control.

Is _____ communication _____ used for remote _____ and control?

_____ tell _____ the _____ means _____ associated with remotely _____ this appliance?

_____ used to _____ receive remote monitoring _____ control for _____ appliance

Which communication _____ and control of _____ appliance?

_____ used to _____ and receive remote monitoring and _____ appliance?

_____ appliance involved _____ a communication _____ for _____ monitors?

_____ would like _____ which _____ is used _____ control this device.

_____ tell me _____ the communication protocol used _____ appliance for _____ and _____?

_____ use a _____ for _____ monitoring that _____ a specific _____ protocol?

The appliance _____ a protocol _____ controlling.

I want _____ communication _____ is used to _____ and _____ this _____.

The _____ in _____ to remote monitoring _____ controlling the appliance.

How _____ appliance _____ monitoring?

Does the _____ a method _____ remote monitoring and _____ specific communication _____?

What communication methods do the _____ for _____?

Do the appliances _____ a _____ remote monitoring _____ a _____ communication Protocol _____ for?

Is the _____ any communication protocol _____ monitoring and _____?

Which mode of _____ allows for _____?

Does _____ appliance _____ of remote monitoring _____ a _____ protocol _____ used for?

Tell me _____ protocol _____ remote controls _____ appliance.

_____ is the _____ protocol used _____ allow remote _____ appliance?

_____ type of telecommunication _____ remote management _____?

_____ appliance _____ a specific _____ allow remote monitoring and control?

_____ it possible _____ this appliance _____ protocol _____ remote support?

_____ appliance _____ communication _____ for remote monitoring _____ control.

The _____ protocol used to _____ information _____ remote _____ and _____ of the _____

_____ operating remotely, _____ does the device _____ controlling and _____?

Is _____ a _____ to control remote monitoring?

_____ is the protocol _____ to _____ regarding _____ monitoring _____ appliance?

I want to know _____ remote _____ its communication method.

The _____ protocol _____ to transmit information in _____ to _____ of _____.

Which _____ used _____ of appliances?

_____ the appliance _____ to remotely monitor/control?

_____ mode of _____ management _____ this appliance?

Can _____ tell _____ the _____ for remote oversight?

_____ you _____ me which _____ protocol is used _____ this _____?

Does the _____ use a _____ protocol _____ remote _____ control?
 _____ is utilized _____ remote _____ the appliance?

What is the _____ used _____ information in _____ remote _____ the appliance?
 _____ have an appropriate protocol for _____?

How _____ the _____ to _____ monitoring _____ control?
 _____ appliance use _____ method for _____ control _____ specific to communication?

Does _____ appliance use _____ specific _____ protocol to _____ remote _____?
 _____ managing this _____ is used _____ communications?

What _____ communication _____ allow _____ control of an appliance?
 _____ is used to _____ information _____ remote monitoring _____ the _____?
 _____ the appliance use _____ remote _____ and _____ that has a _____ communication _____?

Which communication _____ remote monitoring _____?
 _____ is the _____ used _____ information about remote monitoring _____ controlling _____?

Is it _____ about the communication means associated _____ appliance?

What methods do _____ device _____ for _____ control?

Could you _____ about the means _____ remotely _____?

The _____ was _____ to use a _____ remote _____ and _____.
 _____ a _____ protocol for remote operations.

Do _____ which _____ telecommunication allows remote _____ of _____ appliance?

Can _____ me _____ is used _____ control this _____?
 _____ mode _____ telecommunication permits _____ of _____ appliance?
 _____ and _____ does _____ device use a _____?
 _____ protocol is used _____ remote control _____?

Does the _____ a particular protocol _____ and _____?

What _____ communication protocol utilized for _____ in _____?

Does _____ appliance use a _____ for _____ monitoring and _____ a _____ for?

In regards _____ remote _____ and controlling _____ appliance _____ used?

Does _____ use _____ communication _____ remote support?

Does _____ have _____ for controlled from afar?
 _____ the appliance's communication _____ monitor/control?
 _____ protocol _____ used _____ transmit information about _____ controlling the _____?
 _____ telecommunication _____ allows for _____ management _____ appliance?
 _____ is the protocol _____ control of _____ appliance?
 _____ the device _____ to monitor _____ control _____?

Does the _____ method for _____ control that _____ specific to _____ communication _____ being used?

Which _____ is _____ for remote control _____ appliance?
 _____ appliance use a _____ for remote monitoring _____ can _____ protocol?

A _____ was _____ the _____ remote monitoring

Which mode _____ allows for _____ oversight _____ appliance?
 _____ question _____ which communication protocol is _____ remotely monitor _____ control this _____.
 _____ protocol _____ used to _____ regarding remote _____ control of _____ appliance?
 _____ do _____ appliances _____ for remote monitoring _____ control?
 _____ communication _____ facilitate _____ monitoring _____ this _____?

Which communication _____ is _____ for _____?
 _____ used _____ transmit and receive remote monitoring _____ appliance?

Let me _____ about the _____ control _____ appliances.

Can _____ me what _____ protocols _____ used to _____ and _____ this _____?

Can you _____ me _____ the _____ means involved _____ managing _____?

Tell _____ protocol for _____ management.
 _____ know about the communication means _____ remote _____ of this _____.

Does the _____ to be watched _____ controlled afar?

_____ do appliances communicate _____ and _____?

What _____ protocols are _____ send _____ about remote monitoring _____ appliance?

_____ appliance _____ protocol for _____ monitors.

What _____ method _____ and monitor this appliance?

_____ appliance used communication _____ for _____ and _____

_____ communication protocol supports _____ and _____ of _____ appliance?

Is there _____ communication protocol _____ the appliance _____ and _____?

Do _____ monitoring and control _____ specific communication protocol?

Can _____ me _____ protocol _____ to _____ the device?

Is the appliance _____ specific protocol _____ monitoring?

_____ protocol is used _____ and control _____ device?

_____ communication _____ utilized for remote _____ in _____ appliance?

When this _____ remotely _____ what _____ to communicate?

_____ protocol _____ appliance use for _____ management?

Does the _____ comms protocol for _____ operating _____?

_____ appliance _____ a _____ communication _____ for remote monitoring?

_____ appliance uses _____ remote _____ and control.

_____ protocol used _____ send _____ to remote _____ of the _____?

Was _____ appliance _____ a specific communication _____ for remote _____?

_____ appliance used _____ communication _____ for _____.

Please clarify the _____ control protocols _____ your _____.

The appliance _____ a _____ monitoring.

_____ appliance use a method of _____ monitoring and _____ protocol?

_____ the _____ involved _____ specific communication protocol to have _____ monitoring _____?

When _____ what _____ the device _____ Monitor _____ control?

Is the appliance involved _____ a _____ that will _____ and _____?

The _____ might _____ a _____ service to _____.

_____ can _____ device _____ for remote oversight via _____?

The _____ to transmit and receive _____ control _____ appliance.

How does _____ for remote _____ via its communication _____?

Is _____ involved in _____ protocol that _____ control?

_____ appliance use _____ communication _____ for remote _____?

Does the _____ has _____ control?

Does the appliance _____ a _____ communication _____ for _____ and control?

_____ advise which _____ protocol facilitates remote _____ for _____.

_____ the _____ use a _____ monitoring _____ control _____ on the _____ Protocol used?

Does _____ use a method for remote monitoring _____ a _____ can be _____ do?

The _____ use a specific _____ remote monitoring and _____.

I _____ to _____ the _____ has a _____ remote management.

Is _____ involved in _____ specific _____ remote monitoring?

What _____ the protocol _____ remote _____ of an _____.

_____ you know _____ appliance uses _____ specific communication _____ monitor/control?

Does the appliance _____ method _____ and _____?

_____ the appliance _____ a _____ remote _____ for a _____ communication _____?

The _____ uses a communication _____ for _____.

Can _____ tell _____ the device allows _____ oversight _____ its communication _____?

_____ the appliance _____ a specific _____ that _____ and controlled _____?

_____ protocol does an appliance _____ remote monitoring and _____?

What communication method _____ control _____ monitor _____ appliance?

_____ is _____ use of _____ communication protocol _____ control _____ appliance?
 _____ appliance _____ use a communication _____ remote _____ and _____.
 I was wondering _____ communication _____ associated with _____ this _____.
 Is the _____ used _____ transmit information _____ and _____ of _____ appliance?
 Does the appliance _____ specific _____ and control.
 Is the _____ involved _____ a communication _____ remote monitoring _____?
 _____ you _____ which communication protocol facilitates remote _____ and control _____?
 Does _____ appliance _____ protocol for remote monitoring?
 Which communication protocol _____ to _____ an appliance?
 _____ the _____ involved in _____ communication _____ remote _____ and control?
 _____ a _____ with its remote monitoring and _____.
 _____ appliance _____ a specific communication _____ remote monitoring?
 _____ the _____ a specific protocol to be _____ from _____?
 _____ is _____ remotely control this _____?
 _____ communication protocols _____ for remote _____ in the _____?
 _____ appliance involved in a _____ communication _____ for _____ control?
 _____ the appliance _____ a _____ for _____ and _____ that works with _____ communication _____?
 _____ are _____ to remotely _____ control this device?
 Which communication protocol _____ control of _____ appliance?
 _____ operating _____ device _____ chosen comms protocol for monitoring and _____?
 What kind _____ protocol supports remote _____ on _____ device?
 Does the _____ use _____ method for _____ and control _____ is _____ specific _____?
 This appliance uses a _____ and control.
 Which _____ the _____ be remotely _____?
 _____ the communication _____ used by the _____ for _____?
 Does _____ use a chosen comms protocol _____?
 _____ communication protocol _____ be _____ remote appliance _____?
 Do you know _____ to _____ monitor and _____ this _____?
 The _____ had a _____ protocol _____ allowed _____.
 _____ the appliance _____ a specific communication _____ to _____?
 What _____ appliance use for _____ monitoring?
 _____ does _____ communicate with _____ monitoring device?
 _____ does _____ to communicate _____ remote monitoring?
 What is _____ used to send information _____ remote _____ of _____?
 How do _____ appliance _____ control?
 _____ appliance use _____ remote monitoring _____ is _____ for communication?
 _____ protocol used to transmit _____ to _____ control _____
 _____ was _____ about the communication means _____ remotely _____ appliance.
 _____ appliance _____ a specific communication protocol _____ is used for _____ control?
 _____ the _____ of telecommunication _____ oversight of _____ appliance?
 _____ to transmit _____ regarding remote _____ and control of _____ appliance?
 How would _____ appliance _____ monitoring?
 Does _____ use a _____ to be _____ and _____ afar?
 What _____ communication protocol used _____ transmit _____ remote _____ of appliances?
 _____ appliance follow a _____ communication _____ remote operations?
 _____ communication _____ does _____ appliance _____ for remote monitoring _____ control?
 Which _____ protocols are _____ for remote _____ monitoring _____?
 _____ the _____ that allows _____ remote oversight of _____ appliance?
 Does _____ appliance _____ any particular _____ for _____ monitoring and _____?
 _____ the appliance use _____ specific _____ to _____ and _____?

The _____ to transmit _____ about remote _____ control _____ the appliance _____ known.
_____ the appliance utilize a method _____ remote _____ and control _____ uses _____ ?
_____ use _____ certain _____ to _____ and controlled from afar?
_____ the appliance use _____ method _____ monitoring _____ using _____ specific communication _____ ?
The appliance had _____ protocol for _____ and _____
_____ a protocol used _____ monitoring _____ control by the _____ ?
_____ appliance _____ with _____ specific protocol _____ remote _____ and control?
_____ is _____ used to receive _____ transmit _____ monitoring _____ the appliance?
_____ the appliance use a _____ remote monitoring _____ control _____ protocol _____ used for?
_____ remote monitoring _____ control _____ appliance, _____ the communication protocol _____ to transmit
information?
_____ you provide _____ with _____ communication _____ remotely control _____ device?
communication _____ remotely _____ this appliance?
_____ the appliance _____ a _____ protocol _____ monitoring?
_____ a method for _____ and control _____ specific to its communication _____ ?
How _____ the _____ protocol used _____ and _____ remote _____ and _____ for _____ appliance?
What _____ the _____ used to transmit _____ of _____ appliance?
How _____ the _____ with _____ monitoring?
Is _____ involved _____ specific communication protocol for _____ and _____ ?
_____ telecommunication _____ remote oversight to this _____ ?
The appliance has _____ protocol _____ .
Can _____ used by the appliance for _____ control?
For remote _____ how does the _____ ?
