

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Alignment issues causing uneven tire wear
Inquiry Sub-Category	Alignment Adjustment Process
Description	Customers often request information on the alignment adjustment process, including the use of laser systems or computerized machines, and the time and cost involved.
Data Size	6,074 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Can _____ on the time it _____ alignment with computerized _____?
 _____ time _____ taken to align _____ computers?
 _____ period of _____ computers.
 How _____ does it take machines _____?
 _____ give us information _____ alignment time on _____?
 _____ know how long it _____ to _____ computerized machines.
 How much time will _____ adjust _____ electronic gizmos?
 How much time _____ on aligning _____?
 Details _____ machine alignment _____ provided.
 Do you _____ alignment time on compu'd _____?
 _____ spent adjusting alignment on _____?
 How _____ it _____ to _____ alignment _____ the computer?
 _____ computer-guided _____ how long _____ realignment _____?
 _____ is _____ align through _____ machinery
 _____ aware _____ aligning with _____ machines' time _____?
 _____ know _____ required to align _____ computerized machines.
 I am _____ the average duration _____ align _____ computerized _____.
 _____ is it between adjusting _____ electronic _____?
 _____ long _____ the process of _____ through _____?
 _____ you give _____ estimate for _____ it will take _____ to be _____ using computer-based _____?
 For _____ computerized _____ long?
 Do _____ it will take _____ calibrate a _____ system?
 How long does _____ with machines?
 _____ long _____ take to align _____ with the fancy _____?
 _____ you _____ of the _____ computerized machines' time _____?
 How _____ will _____ take to _____ fancy _____ things?
 _____ it _____ the _____ devices to be adjusted?
 _____ you _____ it will take to change _____?

____ long ____ a realigning using ____ equipment?
 How long does ____ take ____ bealigned ____ computers?
 Can you ____ of adjustment with computerized ____.
 How long is ____ alignment ____ equipment?
 Is ____ possible ____ specify how ____ takes with ____?
 How long ____ you ____ will take ____ adjust ____ using ____ electronic ____?
 ____ anyone know how ____ time ____ machine alignment?
 ____ time ____ takes to ____ digital ____?
 ____ is spent on alignment ____ using ____ machinery?
 ____ long ____ it ____ align ____ those fancy ____ things?
 Can ____ long it takes ____ machines ____ adjust alignment?
 ____ the adjustment take ____ machinery?
 Can ____ tell me ____ to change alignment ____ computerized ____?
 ____ can ____ the ____ alignment adjustment with ____.
 ____ it ____ to ____ a vehicle with ____ machinery?
 ____ does ____ take to ____ a computer ____ alignment?
 Is ____ for you to ____ information ____ on machines?
 ____ will it ____ for realigning ____ computerized ____?
 How ____ is needed to adjust ____ machines?
 How ____ does ____ take to ____ using computerized ____?
 I ____ an ____ of how long ____ will ____ to ____ my ____ computer ____.
 I ____ if ____ can ____ me about ____ adjustment ____ by ____.
 What is ____ electronic gizmos to ____ alignment?
 How much ____ does ____ take ____ using electronic ____?
 ____ much time ____ takes to ____ using electronic ____?
 ____ you tell me how ____ takes to ____ machines.
 How ____ to align ____ computerized ____?
 Please tell us how ____ to align ____.
 ____ it possible ____ with ____ on the duration ____ alignment ____?
 Is it ____ for ____ share information ____ alignment ____ machines?
 ____ long will ____ take ____ to ____ their ____ computer things?
 ____ you let ____ know ____ of alignment ____ by machines?
 ____ me ____ duration ____ to ____ with the machines.
 How ____ typically taking ____ adjust alignment ____ equipment?
 ____ for computers ____ be aligned with machines?
 How ____ it ____ align them with ____ computer ____?
 Can you ____ takes ____ realign using computer systems?
 ____ is ____ average ____ for realigning a vehicle ____?
 Please ____ details ____ the duration ____ to align ____.
 Can you share ____ of the ____?
 Can you ____ estimation ____ how long ____ will ____ to ____ my ____ technology?
 ____ much time ____ it ____ to align through ____?
 Can you ____ me ____ it takes ____ calibrate ____ a ____?
 Can ____ me ____ it takes ____ with a computerized ____?
 Specifics regarding duration ____ programmed ____ electronic ____.
 ____ me ____ much time ____ needed for alignment ____.
 ____ to ____ the ____ required for aligning ____ computers.
 How long ____ it ____ using computerized machinery?
 ____ alignment ____ using computerized ____ long ____ it take?
 Can ____ me ____ the ____ to align with ____ machines?

_____ any _____ aligning with the computerized machines' _____?
 _____ you tell me about _____ to adjust _____ machines?
 _____ do _____ will _____ to align using electronic gizmos?
 _____ long _____ it take _____ alignment using _____.
 _____ us how long it _____ take to _____ with _____?
 _____ you _____ an _____ computer-aided _____ duration?
 _____ to share _____ about _____ on compu'd machines?
 How long does it _____ them _____ computerized _____?
 How _____ will _____ be before aligning _____?
 _____ long _____ it _____ to _____ alignment on _____ panel _____?
 _____ need to _____ computerized machines?
 _____ does _____ take to align _____ with _____ stuff?
 An _____ of _____ long it takes _____ calibrate _____ is _____.
 The duration required _____ computerized _____?
 Is _____ to let me _____ alignment time on _____?
 _____ let others know about the _____ timing _____?
 How _____ does it take _____ fix _____ computer _____?
 I want _____ know information _____ on _____.
 How _____ would it take for a _____?
 _____ much _____ take for an alignment check-up _____ digital _____?
 What time does _____ take _____?
 How _____ take for computers _____ align with _____?
 _____ any _____ on the timelines _____ calibrating a digital _____?
 How long _____ process _____ when using _____?
 Do you _____ how _____ it _____ a _____ with computerized _____?
 Do _____ know _____ align _____ computerized _____ time frame?
 _____ about the duration that is required to _____.
 _____ us know _____ required for _____ alignment _____ machines.
 Can _____ tell us _____ duration required _____ align _____?
 I would like to know _____ alignment _____ computers.
 _____ is the correct time to _____ machines?
 How _____ do _____ think it will _____ align with _____?
 _____ details on _____ machine _____.
 _____ there any _____ aligning _____ computerized machines' time _____?
 _____ tell me the _____ it takes to _____.
 What _____ for computerized devices to _____?
 Can you _____ a time _____ using computerized _____?
 _____ long _____ for alignment _____ to be done _____ machinery?
 How long _____ for _____ adjustments to _____ using _____ machinery?
 _____ about _____ required _____ align with computerized _____ be appreciated.
 Information about the _____ to _____ with _____ necessary.
 _____ the process _____ aligning through _____ machines take?
 What _____ the _____ duration _____ realigning _____ vehicle with _____?
 How _____ take to _____ alignment with a _____?
 Can _____ know _____ exact _____ time it _____ align _____ computers?
 _____ it possible to share _____ time on _____?
 How long _____ for _____ computer to _____?
 Can _____ give me _____ of _____ long _____ take?
 I would like to _____ the _____ for _____ computers.
 How long _____ to _____ computers?

____ long ____ it ____ to ____ a ____?
 How ____ ____ it take to ____ them ____ their ____ computer ____?
 How long ____ ____ take ____ computer ____?
 ____ need to know ____ ____ ____ to align with ____ machines.
 ____ details on automated machine ____ ____ be ____.
 ____ there ____ estimate of ____ ____ takes ____ calibrate through computers?
 ____ long ____ it ____ for a ____ ____ to adjust?
 ____ ____ how long ____ is ____ to ____ alignment on machines.
 ____ much time would it ____ to ____ ____ machines?
 ____ long will it ____ to ____ alignment using ____ ____.
 Can ____ ____ me ____ time ____ takes to adjust alignment ____ ____ ____?
 How ____ does it ____ to ____ digital ____?
 Are you able to ____ the ____ to ____ ____ machines?
 How ____ ____ it ____ to change alignment ____ ____ equipment?
 I'm not sure ____ ____ it takes for it ____ ____ ____.
 How ____ ____ the ____ ____ align with ____ machines?
 How much time ____ ____ ____ on ____ computers?
 How long ____ ____ to align with computerized ____ ____?
 ____ am not sure how ____ ____ ____ align via ____.
 ____ you have any ____ on ____ ____ it ____ ____ adjust alignment with ____ ____?
 ____ long ____ ____ to adjust ____ ____ electronic devices?
 ____ ____ us ____ ____ long it takes ____ adjusting alignment on ____.
 How long ____ ____ it for someone to ____ ____ ____ computer-assisted ____?
 ____ long ____ the procedure for realigning ____ ____ with ____ ____?
 ____ realign ____ ____ equipment?
 ____ you ____ me about ____ ____ required to align with ____ ____?
 ____ there ____ I can tell you about ____ ____ ____ adjust ____ ____ computers?
 A ____ frame for ____ ____ ____ equipment
 ____ ____ ____ to give you ____ on ____ duration ____ alignment adjustment?
 Time ____ ____ using ____ ____ in realigning?
 Is ____ a ____ ____ ____ align with computerized machines?
 Is ____ ____ way ____ tell how quickly ____ ____ with ____ devices?
 How ____ does ____ take to ____ ____ ____?
 Can ____ tell me ____ ____ timing ____ alignment ____ ____ machines?
 Do you ____ how ____ ____ needed for ____ ____ using computerized ____?
 Did you know ____ duration ____ ____ ____ computerized ____?
 ____ ____ ____ average time ____ adjusting alignment ____ ____ panel devices?
 ____ ____ time ____ it take ____ align through ____?
 Is ____ any ____ ____ the ____ time ____ compu'd machines?
 How long it ____ for ____ ____ align ____ ____?
 ____ ____ to know how long ____ ____ ____ when ____ computer-guided equipment.
 What is ____ ____ takes to realign ____ computer ____?
 ____ ____ have a time frame ____ realigning with ____ ____?
 ____ want ____ know ____ duration needed to ____ ____ ____ computers.
 Time frame ____ ____ ____ computerized ____.
 ____ you ____ ____ the duration of ____ with computerized ____?
 ____ long ____ ____ to align them with ____ ____ computers?
 How ____ does realigning ____ ____ ____ computer-assisted machinery?
 Is ____ ____ ____ how long it ____ to align ____ ____ machines?
 How ____ ____ ____ to adjust alignment using ____ electronic ____?

Do _____ a _____ for calibrating _____ a _____ system?

How _____ it take to use _____ alignment?

_____ long _____ it taken _____ alignment _____ machines?

How _____ does a computer _____ to _____ a _____?

Can you give us _____ the _____ on _____?

_____ is required for an _____ adjustment _____ machinery?

_____ long _____ it take _____ align the computers _____?

_____ does calibrating _____ take?

How _____ taken _____ change alignment using _____ devices?

_____ me any _____ about _____ time on _____ machines?

_____ you knowledgeable _____ aligning _____ time frame?

_____ long _____ take for _____ computer to _____?

_____ time _____ required _____ align _____ computers?

_____ me know _____ required to align _____ machines.

_____ know about _____ time on machines?

Do you have _____ the time _____ for _____ a _____ system?

_____ familiar _____ with _____ machines time frame?

_____ information _____ timelines _____ calibrating a digital system?

How _____ it for _____ machines?

How long _____ the _____ period _____ computerized machinery?

How _____ to align _____ with their _____ computer things?

How _____ needed to _____ machines?

How _____ it going _____ take _____ calibrate through _____?

How _____ does _____ take _____ align on _____?

How long _____ it _____ computerassisted machinery _____ a _____?

_____ long will it _____ their electronic gizmos?

How long _____ it _____ align _____ their fancy _____?

_____ will _____ take you to _____ alignment _____ gizmos?

_____ an estimation of _____ long it _____ take to _____ car using _____.

_____ you know _____ it's time _____ digital system?

_____ me _____ the _____ to align with _____ machines.

May _____ it takes _____ align using computers?

How _____ process for calibrating _____ a digital _____?

Can you tell _____ the _____ it _____ computerized machines?

How _____ does it _____ to _____ with the _____?

Can you _____ know _____ required _____ align _____ computerized machines?

Can _____ tell _____ one can realign _____ systems?

Can _____ tell _____ alignment times _____?

Do _____ the _____ it _____ to adjust _____ computerized machines?

How long will _____ realign _____ computerized _____?

_____ long _____ it take _____ align _____ computerized _____?

_____ long does _____ for alignment _____ be adjusted using _____?

How _____ time does _____ take for _____ to _____?

_____ me _____ duration of _____ with computerized devices?

_____ possible to _____ information _____ duration of _____ adjustment _____ computers?

_____ is the change _____ computerized _____?

_____ long does _____ take to _____ electronic _____.

_____ does it _____ to make _____ alignment adjustment _____ a _____?

_____ like to know how _____ it _____ to adjust _____ computers.

_____ you _____ average duration for _____ a _____ with _____ machinery?

Can you give me ____ estimation ____ the ____ would take ____ align my ____ ____ ____?
____ you give ____ estimate ____ when it will take to ____ ____ ____ computer-based ____?
____ ____ ____ on the time ____ takes to align ____ machines?
____ ____ ____ a ____ with computerized machines?
____ ____ should ____ take to ____ ____ with ____ fancy computers?
____ you ____ the alignment ____ on ____?
Can ____ provide the duration of ____ ____ ____?
____ long ____ take ____ align machines ____ computers?
____ long ____ it ____ ____ to be adjusted?
How ____ will it ____ ____ to calibrate?
What ____ ____ period when ____ machinery?
How long does ____ take ____ ____?
How long ____ it ____ match ____ computerized ____?
What ____ ____ frame ____ using ____ for adjusting alignment?
____ tell the ____ needed ____ alignment ____ ____.
____ you ____ me ____ duration ____ adjustment with ____?
Time ____ using computerized ____ realigning
How long ____ it take ____ computerized ____ ____?
Do ____ how long ____ to ____ my ____ with a ____ machine?
____ much time ____ it ____ to align ____ using ____?
____ let me ____ how ____ it takes ____ alignment using ____ machines?
Can ____ ____ one can realign using ____?
When ____ how long does the ____ take?
____ you tell me ____ takes ____ through computers?
What ____ the ____ taken ____ adjust alignment ____ devices?
What is ____ duration of realigning a ____ ____?
____ ____ for realigning ____ vehicle ____ computer-assisted machinery?
I would like to ____ the ____ adjust ____ the computers.
How ____ is spent adjusting ____ on the ____?
____ is ____ it to adjust alignment ____ ____?
____ long ____ it normally ____ adjust ____ using computerized ____?
____ ____ know the duration required for alignment ____ ____.
____ you ____ an ____ of ____ long it ____ a computer?
____ me ____ required ____ aligning with computerized machines.
How ____ it for ____ electronic ____?
What is ____ time ____ for ____ alignment ____ electronic ____?
How much ____ for alignment ____ be ____ using computerized ____?
How ____ it ____ to realign?
Can you ____ how long it ____ to calibrate ____?
I would like to ____ duration required ____ ____.
Exactly how ____ does ____ take to ____ ____?
How long ____ realign ____ computerized ____?
What is ____ time taken ____ aligning ____ ____?
____ I ____ it takes ____ align via computers?
Can you ____ information ____ alignment time ____ machines?
What ____ period ____ computerized devices?
____ you ____ the duration ____ is required ____ computerized machines?
How ____ do you ____ adjusting alignment ____ devices?
What is ____ duration ____ vehicle using a ____?
____ time ____ taken to ____ alignment using ____ devices?

_____ is the correct _____ align _____ computerized _____?

_____ long _____ a _____ using machines?

_____ is _____ for _____ needed _____ alignment with _____.

I'm _____ about _____ average _____ needed for alignment _____ machines.

I'm _____ about the _____ duration needed to _____ advanced _____.

_____ time will _____ take to align _____ devices?

Can _____ know about _____ alignment _____ on the _____?

I _____ to know _____ the _____ alignment with computers.

How much _____ does it _____ align _____ their _____ computer _____?

_____ long _____ it take _____ computer-guided equipment?

_____ tell the _____ needed for _____ machines.

_____ have _____ information _____ how _____ it will _____ to _____ with a digital _____?

_____ need _____ about _____ long _____ will _____ to _____ alignment with _____.

_____ long _____ adjustment period _____ using computerized machinery?

Do you _____ how long it will take to _____ technology?

_____ know the _____ takes to adjust _____ with _____?

How _____ are you _____ to fix alignment _____?

Tell _____ about the _____ needed to align _____.

How _____ use computers to _____?

How _____ do you think _____ to calibrate _____?

Is it _____ for _____ using _____?

_____ it takes to _____ alignment with _____ be _____ by you.

I _____ know _____ long it _____ to _____ computers.

How _____ computers need _____ machines?

How long _____ a realignment _____ computerized _____?

Can _____ us _____ long it will take _____ alignment _____?

What's the time _____ computerized _____?

Can you give _____ of the time _____ will _____ to _____ using _____?

How long would it _____ machines?

How much time is _____ change _____?

Can _____ how _____ realigning _____ with _____ devices?

_____ timeframe _____ to align _____ machines is _____.

What is _____ for using _____ to align?

_____ spent adjusting alignment on _____ panel devices?

A time _____ for _____?

_____ it _____ realign using computer systems?

_____ long will it _____ align _____ machines?

_____ you _____ me _____ of _____ the computer-aided _____ will take?

_____ is the _____ of _____ through automated _____?

I would like to _____ required to _____ alignment _____ computers.

_____ you _____ of the _____ via computers?

Share time _____ align _____.

_____ it to realign a vehicle _____ machinery?

Tell _____ alignment time on _____.

I wanted to know _____ duration _____ alignment _____.

_____ it possible _____ how long realigning _____ devices?

Is there _____ realigning _____ computerized equipment?

_____ long _____ take to _____ alignment _____ electronic gizmos?

How long _____ a realignment process take _____?

_____ is _____ time frame for _____ gadgets to _____?

Is it _____ me about _____ adjustment timing _____ machines?

How _____ does _____ take machines to _____?

Do _____ have _____ idea _____ how _____ it will _____ to calibrate _____?

How long _____ it _____ computers for me?

How much _____ is _____ use _____ equipment to _____?

I _____ to _____ how long _____ to _____ via computers.

_____ not _____ long it takes to _____ computers.

How _____ does _____ take _____ align _____ their computer things?

How _____ it _____ for _____ using _____?

I would _____ to know details _____ how _____ adjust _____ computers.

_____ does computerized machinery _____ for _____?

_____ to _____ the duration required to alter _____ with _____.

How _____ is it _____ take _____ alignment _____ devices?

_____ long _____ it _____ for _____ to _____?

_____ tell me _____ align my car with computerized machines.

_____ long _____ take to _____ machines that _____ computerized?

I _____ an estimate _____ long _____ takes to _____ through _____.

_____ me _____ time needed for alignment _____.

How long it _____ it _____ via _____?

Tell _____ about the _____ by machines.

How _____ a _____ take _____ machines?

How long would _____ take to _____ using _____?

How _____ take _____ alignment adjustments to be _____ machinery?

_____ long _____ it _____ to align _____?

_____ would like to _____ about the _____ to _____ computers.

I _____ interested _____ knowing the duration _____ adjust _____ with _____.

How _____ for it to align with _____?

_____ time is it _____ to _____ via _____?

_____ long do you _____ it will take for _____ a _____?

_____ long _____ it _____ for adjusting _____ electronic gizmos?

_____ long is _____ to adjust _____ computerized _____?

_____ able to _____ the _____ takes to adjust alignment with _____?

_____ is the average duration for _____ computer _____ machinery?

_____ you _____ long it _____ to change alignment _____ machines?

Time _____ alignment _____ computers?

What is the _____ period _____?

Adjusting _____ machines _____ time?

How _____ it take for _____ digital _____?

I _____ to _____ more about _____ to align with computerized _____.

_____ long did it take _____ with _____?

Details about _____ alignment _____

_____ does _____ take _____ integrate with computerized _____?

_____ there any information about _____ time _____?

_____ is _____ to adjust computers?

How long does _____ take to _____ fancy _____ on _____?

Is _____ a _____ alignment with electronic gizmos?

_____ you tell _____ long _____ takes to _____ electronically?

Can you _____ how long it _____ alignment using _____?

Can you _____ how long _____ take _____ my car using computer-based _____?

_____ you know _____ it takes to _____ machines?

_____ time needed for _____ with computers.

How _____ think _____ will take to _____ alignment with _____?

How _____ do _____ think it will _____ using computerized _____?

_____ I know _____ much time it _____ to _____?

_____ long _____ align using computerized equipment?

_____ is _____ for _____ computerized devices?

_____ let _____ time _____ for alignment on _____ machines.

_____ you tell me how _____ it _____ take _____ using _____ machines?

_____ would it _____ via computers?

How long _____ taking to _____?

_____ computerized equipment, _____ time is needed to _____?

_____ tell _____ the _____ to adjust alignment _____ machines.

What _____ is _____ the alignment using _____?

How long _____ taking _____ alignment _____ panel devices?

Will it _____ you long to _____?

The _____ period _____ realigning _____ computerized _____?

How long _____ it usually _____ an alignment adjustment _____?

_____ take _____ use computers to adjust?

Can _____ tell _____ long _____ change alignment with _____ machines?

How _____ do _____ to _____ with computers?

Time frame for _____?

_____ long _____ you take _____ fix alignment with _____?

How _____ time _____ spent _____ electronic devices?

_____ an estimate _____ how long _____ will take to align _____ using _____?

Can _____ an _____ for _____ time it will _____ align _____ using computer-based _____?

_____ much time _____ taken to _____?

I _____ like _____ know _____ long it _____ to adjust _____.

_____ know _____ duration required _____ with computerized machines.

_____ me _____ about alignment _____ on machines?

How long _____ take for _____ to _____ electronic gizmos?

Is it possible to _____ needed for _____ machines?

_____ time _____ you need _____ adjust _____?

_____ tell me _____ time necessary for _____ computers.

_____ us know what _____ is required for _____ machines.

How _____ take _____ alignment adjustments?

_____ is _____ for _____ computer-assisted realignment?

When _____ comes _____ computerized machines, what is the _____ duration?

_____ tell _____ the time needed _____ adjusting _____ machines.

I'm _____ quickly realigning _____ devices.

I _____ to know _____ of _____ adjustment via _____.

_____ give me _____ estimation _____ the time required for aligning _____ car _____?

_____ wondering how _____ it takes to _____ computers.

Can I _____ how _____ to align _____ computers?

What is _____ time it _____ alignment _____ using _____?

Can you tell _____ alignment adjustment _____ computers?

_____ you tell _____ how quick realigning _____?

_____ me _____ long it takes for alignment _____?

I'd _____ to _____ how long _____ takes _____ align _____.

_____ you _____ long _____ process _____ aligning _____ automated machinery is?

How long _____ it _____ align them _____ their _____ computer thingsies?

How ____ time do you ____ to ____ computers?

How ____ do you think ____ will ____ computerized machines ____?

____ provide ____ estimate of how ____ it ____ to ____ a computer?

When aligning ____ automated ____ it?

How ____ it take to ____ machinery?

____ any ____ on ____ it takes to change ____ machines?

Do you know ____ much ____ needed ____ using computerized ____?

____ have an estimation ____ how long it ____ take ____ align ____ using ____?

____ tell me ____ alignment time ____ on ____ machines?

Is ____ possible ____ tell me about ____ by machines?

Can ____ give ____ on the time ____ align ____ machines?

____ adjustment for computerized devices?

Information about the duration required ____ computerized ____ be ____.

How ____ does it ____ align using ____ machine?

____ tell us ____ long it will take ____ on ____.

____ there an estimate of ____ takes to ____ the ____?

____ am curious as ____ how ____ will ____ adjust ____ with advanced computerized ____.

____ you ____ me an estimation on how ____ to align my ____ technology?

How long ____ necessary to ____ alignment using ____?

____ it ____ to ____ computers with machines

____ it ____ you ____ me ____ estimate of computer-aided ____ duration?

____ is ____ length of ____ with ____?

____ there ____ for calibrating a digital system?

____ tell me how long it takes ____ computer ____?

Information about alignment time ____ compu'd ____?

____ long will ____ take ____ using computerized equipment ____?

____ would like to ____ the duration is ____ alignment ____ computers.

I want to ____ the ____ duration ____ align ____ computerized ____.

I ____ like ____ information ____ time on compu'd ____.

Please tell me ____ adjust alignment ____ machines.

____ does it ____ to ____ computers?

____ you tell ____ how ____ takes to calibrate ____ computers?

How long ____ equipment take?

How ____ time is ____ to adjust alignment ____?

____ let me ____ duration ____ to align with ____?

____ the ____ period ____ using computerized machinery?

Do ____ a ____ calibrating ____ digital system?

____ do you think it ____ take for ____ calibrate?

____ long ____ a realignment ____ done with ____?

How ____ is ____ correct computers?

____ I ____ how long ____ take ____ align ____ computers?

Can ____ tell ____ duration required ____ align ____ machines?

How ____ is ____ for ____ happen using computerized ____?

____ you tell ____ long ____ takes to calibrate through ____?

____ you ____ me how long ____ takes ____ align ____ computerized ____?

____ it ____ for ____ share the duration of ____ with ____?

Please tell the ____ needed ____ on machines.

____ long ____ it ____ alignment with ____ machines ____ be adjusted?

How long does ____ take to change ____?

Is it possible to ____ information ____ alignment adjustment ____?

Can you explain _____ it _____ to _____ electronically?
_____ you give _____ duration of _____ via _____?
_____ is _____ realigning _____ vehicle with _____ machinery?
How long does _____ them to align _____ thingies?
_____ for computerized _____ realign?
_____ is _____ needed to adjust _____ using computerized _____?
Was it _____ tell _____ quickly _____ computer devices?
_____ tell us how _____ take _____ adjusting _____ on machines.
_____ time is _____ to _____ equipment _____ adjust alignment?
_____ possible _____ share the _____ of alignment _____ computers?
Can _____ tell you how _____ it _____ align _____?
_____ you share how _____ takes to _____ machines?
Will I _____ long _____ align with computers?
Time _____ for _____ computerized equipment _____?
_____ average time _____ alignment on computers?
How long does it _____ a _____ process to _____ equipment?
How long _____ it _____ digital _____?
Do you _____ any _____ about the _____ to _____ with _____?
_____ me know _____ to align _____ machines.
Can _____ give me _____ time _____ adjust alignment with _____?
How _____ the process to _____?
_____ will it _____ to adjust alignment using _____?
_____ long is _____ took _____ adjust _____ using electronic _____?
_____ required to align with _____?
_____ to know _____ duration needed to align with _____ machines.
_____ would like _____ that is required to adjust _____ computers.
How _____ is _____ fix alignment using computerized _____?
_____ much time _____ to be _____ adjusting _____?
_____ willing to _____ the _____ adjusting alignment using machines?
_____ machines take time _____?
Do _____ timetable _____ calibrating a digital _____?
_____ there any _____ long _____ to adjust alignment with computers?
_____ alignment _____ computer _____ takes a _____?
How _____ does it _____ to align _____ computers?
Can _____ about _____ long it takes to _____ with _____?
Are _____ able _____ share _____ you need to _____?
Is it possible _____ give me information _____ align _____ machines?
Is there _____ estimate _____ how long _____ to calibrate?
_____ much time _____ on aligning with _____?
_____ it _____ for alignment adjustments to happen _____ computerized _____?
Do _____ time _____ to align _____ computerized machines?
_____ using _____ how long do _____?
_____ a _____ limit for adjusting alignment _____ machines?
How long does _____?
A _____ frame for realigning _____?
_____ does it take _____ adjust alignment with _____?
_____ through automated machines?
How _____ time _____ you spend on _____ alignment _____?
Please _____ us _____ takes to _____ alignment on _____.
How _____ does _____ to adjust _____ electronic _____?

Please tell us how long _____ alignment _____.

_____ time _____ needed for _____ using computerized equipment?

I'd like _____ know the _____ to _____ computers.

_____ for a vehicle to be _____ with computer-assisted _____?

Can you give _____ estimation of _____ will take _____ car _____ be _____ using computer-based _____?

_____ me how long it will _____ my _____ with computer-based _____?

I would _____ know how long it _____ alignment _____.

_____ you _____ on alignment time on _____?

How long _____ computers _____ calibrate?

_____ it take to _____ with _____ computer gear?

_____ much _____ needed to _____ computerized machines correctly?

How _____ align with _____ accurately?

_____ long _____ align using computerized _____?

The _____ to adjust alignment _____ computerized _____ shared.

_____ long is it _____ to _____ on the computer _____?

Do _____ have any _____ the time it takes _____ align _____?

_____ tell _____ the _____ for _____ alignment _____ computerized machines.

_____ is the _____ it _____ alignment using electronic _____?

Do _____ know how long it _____ to _____ fancy _____?

_____ wish to know the _____ to _____ with _____.

_____ long will it take to change _____?

_____ long does it _____ to _____ alignment _____ panel devices?

I want to _____ the _____ duration needed _____ alignment with _____.

I _____ the _____ to adjust alignment with computers.

_____ you have _____ estimate of how long _____ take _____ car _____ technology?

How much _____ it _____ through automated _____?

How _____ will _____ to _____ them with _____ computer stuffies?

_____ tell _____ how _____ it takes _____ alignment _____ computerized machines?

How long are _____ able _____ with computer _____?

Please _____ me _____ required to _____ with computerized _____.

How long does _____ take to realign _____?

Please let _____ know how _____ take to align _____.

How much _____ using electronic devices?

What _____ frame is used for _____?

Please _____ us _____ needed _____ machines.

How _____ take _____ calibrate _____ computer?

_____ time is needed _____ calibrate _____ equipment?

_____ time needed _____ alignment using computerized _____ be _____.

How _____ take to calibrate with _____ system?

Did _____ know about _____ duration required _____ align _____?

Can you _____ us _____ quick _____ takes _____?

_____ period _____ alignment using _____ machinery

_____ you tell me _____ long _____ takes _____ using machines?

How long _____ you _____ with _____ machines?

_____ some _____ to _____ computers _____ machines.

I'm wondering how _____ to adjust _____ with _____.

_____ adjusting alignment take on _____?

How long _____ take to adjust _____ with _____?

_____ need _____ adjust alignment using computerized machines?

How _____ does _____ to _____ by _____?

_____ aware _____ aligning _____ machines' _____ frame?

Information about _____ duration needed _____ align _____ computerized _____ _____.

_____ you _____ long it will take _____ align _____?

The _____ period of alignment _____ _____?

I would _____ to _____ about _____ it would _____ adjust alignment _____.

I want to _____ details _____ long it _____ take _____ with _____.

How long _____ to _____ alignments using _____ machinery?

How long _____ take _____ make _____ with _____?

_____ it _____ to align _____ computers?

How _____ it take _____ a _____ to _____ with _____ machinery?

How long does _____ for computerized _____ _____?

_____ much time _____ to align _____ with _____ fancy computers?

What is the _____ for _____ electronic _____?

_____ long would _____ for me _____ align my _____ computer- _____ technology?

Is there an _____ it _____ to calibrate _____ computers?

_____ possible _____ give _____ required to align with computerized _____?

_____ long _____ it to align _____ machines?

_____ long might _____ for _____ calibrate?

Can you _____ about _____ amount _____ it takes to _____ with _____?

_____ let me know the _____ needed _____ adjusting alignment _____.

Can _____ tell us how _____ it will _____ to _____?

_____ it _____ to adjust _____ electronic devices.

_____ me _____ amount _____ time _____ for alignment with _____.

Time taken _____ machines?

How _____ does it take _____ fix alignment _____?

There is time _____ with _____.

How long is _____ for _____ alignment _____ gizmos?

Is there _____ to tell how fast _____ devices?

_____ computer stuff, _____ long?

_____ machine alignment timing.

How long _____ the _____ computerized machinery?

_____ the average duration _____ realigning a vehicle _____?

_____ you know _____ align with _____ frame of _____ machines?

_____ the average _____ for computer-assisted _____ to _____ a _____?

_____ much time _____ using electronic devices?

_____ is _____ to _____ computerized machines correctly.

_____ am _____ about the average _____ needed _____ adjust alignment _____ computerized _____.

There _____ a time period _____ align with _____.

How _____ take for computerized machines _____?

_____ have _____ of how long _____ takes for _____ calibrate?

How long _____ fix the alignment _____ computer?

How long is _____ typically _____ change _____ devices?

_____ long _____ it take to _____ with _____ machines?

_____ using _____ equipment, how long can a _____?

I don't know _____ will take to adjust _____.

Do _____ have information about _____ on _____?

Is _____ tell how _____ realigning _____ with computer _____?

_____ to send information on _____ alignment _____ via computers?

Provide _____ machine alignment _____.

How _____ will it _____ align _____?

How long _____ modify alignment _____ a computer?

How long _____ for an alignment _____ for _____ machine?

Time for _____ computerized _____?

How long will it _____ fix _____ using _____?

_____ would love to know _____ duration required to _____.

_____ long is the process _____ realigning _____ vehicle _____?

_____ you tell _____ it takes _____ realign _____ computers?

What _____ it take _____ using computerized machinery?

The duration _____ align with computerized machines _____.

Can you _____ me how much _____ needed _____ adjust _____?

How _____ you need _____ with the computer?

How _____ process _____ aligning through _____ machinery _____?

_____ long _____ it _____ for computers _____ machines _____ align?

_____ you able to give _____ on machines?

I _____ like _____ duration required _____ align with computerized _____.

How _____ does _____ for _____ to _____ computerized machines?

How _____ the adjustment period _____ realigning _____ machinery?
