

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Leak detection and repair assistance
Inquiry Sub-Category	Leak detection data analysis
Description	Inquiries related to the analysis and interpretation of data gathered from leak detection activities conducted by the utility company.
Data Size	5,044 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

____ there any specific benchmarks ____ thresholds to consider ____ ____ ____ ____ ____ company's surveys?

I want to know ____ certain thresholds ____ ____ taken ____ ____ when ____ ____ of leak ____ your ____.

____ ____ have set standards ____ limits ____ ____ ____ rates in your surveys?

When examining leaks ____ ____ surveys, ____ there ____ ____ or thresholds ____ guide ____ ____ process?

____ ____ have any ____ ____ standards or limits ____ analyzing ____ ____ leakage rates?

Can ____ provide ____ ____ of thresholds ____ should ____ taken into ____ ____ assessing ____ rates in ____ surveys?

Is ____ ____ of criteria ____ thresholds ____ ____ for investigating ____ in company ____?

Does it make sense ____ your ____ ____ have ____ ____ benchmarks in ____ for their surveys' ____ ____?

When determining the incidence of ____ ____ surveys, can you ____ me ____ ____ ____ be ____?

Does your ____ ____ thresholds in mind ____ ____ survey ____?

Does ____ ____ benchmark ____ to ____ ____ rates from ____ conducted ____ your company?

____ ____ should ____ taken into account ____ ____ at ____ leaking ____ of your ____?

____ the ____ of survey ____ rates at ____ ____ based ____ ____ preset standards?

____ ____ know ____ ____ thresholds should ____ used to ____ ____ leakage rates?

Do you ____ set standards ____ limits for ____ ____ of ____ ____ ____ your surveys?

Is ____ ____ for your company ____ ____ thresholds for ____ survey ____ ____?

Does a ____ criterion exist ____ ____ be ____ ____ investigate company surveys' ____ ____?

____ you tell me about ____ specific thresholds that ____ be ____ ____ ____ assessing ____ rates ____ ____ surveys?

Can you ____ me ____ ____ special standards ____ limits ____ checking ____ leakage ____?

Is ____ a ____ that can be ____ ____ investigating ____ surveys' ____ ____?

____ ____ analysis ____ survey leakage ____ at your ____ ____ certain standards?

____ it possible ____ ____ specific thresholds that ____ ____ taken into ____ ____ assessing ____ ____ ____ in your surveys?

____ ____ make sense ____ your company to have ____ thresholds ____ ____ ____ order ____ evaluate their surveys' ____ ____?

Is it possible to ____ if ____ ____ have ____ benchmarking ____ ____ ____?

____ there ____ ____ ____ or ____ applicable ____ evaluating ____ rates in your ____ analysis?

____ ____ make ____ ____ your company to ____ specific thresholds ____ they ____ use to ____ their ____ leak?

____ you ____ ____ ____ certain ____ ____ ____ considered when determining the ____ of ____ in your surveys?

When analyzing ____ rates from ____ company's surveys, ____ there ____ specific ____ ____ ____ to ____?

____ the ____ of ____ ____ ____ rates at ____ company include any ____?

_____ a set of _____ to consider _____ leaks _____ company surveys?

Is there any _____ keep in _____ when analyzing _____?

Does _____ if _____ thresholds should be used _____ rates in _____?

Does _____ have _____ specific _____ for measuring the _____ rate?

Does _____ thresholds _____ to be used _____ estimate _____ rates in _____?

When examining leakages in company _____ points or _____ used _____ process?

Does _____ company have targets that _____ can _____ to _____ into _____?

What _____ the criteria _____ thresholds _____ be _____ account _____ investigating leakage _____ company surveys?

Do you _____ any parameters _____ to analyze _____ surveys' _____?

Do your company use _____ guidelines _____ measures _____ leakage _____?

_____ your company set specific _____ leaks?

_____ company have targets that _____ can _____ to _____ rates?

Does the analysis _____ the _____ leaks _____ your company _____?

_____ you tell _____ if your _____ for analyzing _____ leakage rates?

Do you _____ set standards _____ that you _____ to _____ rates _____ your _____?

_____ are _____ criteria _____ should be _____ when _____ rates _____ company surveys?

_____ benchmarks should _____ keep _____ mind when analyzing _____?

_____ specific benchmark _____ company can use _____ leak rates from _____?

_____ company have any _____ analyzing survey leak _____?

I _____ wondering if _____ have _____ specific _____ use when _____ the _____ rates _____ your surveys.

_____ your company _____ to analyze _____ leakage rates?

I'm curious if _____ have _____ you can use _____ assess _____ your surveys.

Do _____ any _____ thresholds _____ analyzing _____ leaks?

Should definite thresholds _____ used to _____ in your business?

_____ are _____ standards for _____ the _____ company surveys?

Do you _____ a set _____ survey leakage rate?

_____ analyzing survey leaks, is _____ any _____ thresholds?

Does your _____ targets _____ can _____ survey leaking rates?

Can you _____ me if there _____ for _____ rates _____ surveys?

Does the analysis of _____ rates at your company _____?

_____ through company surveys, what _____ should _____ used?

Does your _____ use _____ indicators or _____ to _____?

_____ you have _____ standards _____ measure up your _____?

_____ a _____ or threshold _____ to evaluating _____ leakage _____ of your _____?

_____ am wondering if _____ a _____ you can _____ leakage _____ in your surveys.

_____ anybody know if specific _____ be _____ to estimate _____ surveys?

What thresholds _____ considered _____ at the _____ rates _____ surveys?

_____ there be set standards _____ the _____ surveys?

Does your company's _____ survey _____ specific standards?

I _____ curious _____ you _____ a _____ threshold you _____ the rate of _____ in your _____.

_____ there _____ thresholds _____ be taken _____ account when _____ rates _____ your surveys.

Does _____ company _____ they can _____ study the survey _____ rates?

Is there _____ benchmark or _____ that _____ be used _____ leakage _____ analysis?

Is it possible _____ your company to _____ specific _____ to _____?

_____ am curious _____ you _____ specific _____ that _____ can _____ to assess _____ rate of _____ in your _____.

_____ there _____ of criteria _____ should be _____ account when _____ leakage rates through _____?

_____ the analysis _____ leakage _____ your company involve certain _____?

_____ analyzing information _____ surveys _____ your organization, _____ there _____ threshold _____ need consideration?

I'm _____ you have a specific _____ that _____ can _____ to _____ rates _____ your _____.

_____ benchmark _____ analyzing leak rates from _____ company's surveys?

_____ know _____ thresholds should _____ the rate _____ leaks in surveys?

Is it _____ use _____ in _____ survey leaks?

_____ distinct thresholds _____ applicable _____ evaluating the leakage _____ your survey _____?

_____ there a benchmark _____ to _____ leaking _____ in a _____ analysis?

_____ your company set _____ analyzing _____ survey _____?

_____ you have any _____ for _____ leakage _____?

_____ following any specific _____ for _____ its _____ leaks?

Any specific thresholds _____ should be _____ when _____?

_____ a _____ criterion _____ be used for _____ company surveys' _____ rate?

_____ specific measures or _____ study survey leakage?

Is there _____ specific _____ or _____ consider _____ your company's _____ rates?

I'm curious _____ you have _____ threshold _____ to _____ the _____ rates _____ surveys.

Is it possible to take _____ incidence of _____ in _____ surveys?

Is _____ or threshold _____ should consider _____ the _____ rates _____ your company's surveys?

_____ specific _____ or measures your company _____ study survey _____ rates?

Does it _____ have _____ specific _____ and threshold in place to _____ surveys' leak?

I want _____ know if _____ parameters followed _____ organization _____ interpreting _____ leak _____.

_____ it possible _____ provide certain _____ that should _____ account when _____ rates _____ your surveys?

Is _____ possible to _____ specific _____ when analyzing _____ from _____?

Does it _____ your company to _____ and benchmark in place _____ their surveys' _____?

_____ examining leakages in _____ surveys _____ there comparison _____ or _____ to guide _____?

_____ if specific thresholds _____ be _____ for estimating leakage _____ in _____?

Does _____ company have targets _____ use to _____ survey _____?

_____ company have _____ for _____ leaks?

_____ am _____ if _____ thresholds can be taken into account _____ the incidence _____ surveys.

Can there _____ for _____ surveys?

Is there any specific _____ your _____ survey leakage rates?

Is _____ certain thresholds into _____ looking at leaking rates within _____?

Are _____ prescribed _____ followed by _____ organization _____ assessing and _____ survey-generated _____?

_____ want to _____ if _____ have _____ benchmarking for _____ rates.

_____ firm use _____ criteria to measure _____?

Does anyone _____ thresholds or benchmarks that should be _____ into _____ assessing _____ rates _____?

_____ benchmarking apply _____ assessing _____ from _____?

Is it _____ a specific threshold that _____ be taken _____ in your surveys?

Do _____ benchmarks apply _____ survey leaks _____ company?

Is there a set of _____ when looking at _____ surveys

_____ any criteria _____ used to evaluate survey _____?

Does the _____ leakage _____ at your company _____ any _____?

Is there _____ criteria _____ be taken _____ during an investigation _____ leaks through _____ surveys?

Is there _____ and thresholds to consider _____ investigate _____ in _____?

Will your _____ specific _____ for analyzing _____ rates?

Should we _____ specific _____ survey _____ our operations?

Do _____ for measuring _____ survey leakage rate?

Is there any _____ you _____ analyzing _____ rates _____ surveys?

_____ your company _____ specific _____ for _____ leakage rates?

Is _____ a benchmark _____ should keep _____ mind while _____?

Does _____ have any targets they _____ the survey _____ rates?

_____ make sense _____ your company _____ specific thresholds and _____ in place _____ evaluate _____ leak?

_____ if your _____ have _____ for leakage rates.

Is _____ set _____ criteria _____ be _____ into account when looking _____ from _____ surveys?

_____ criterion _____ can _____ used _____ investigate _____ surveys about their leakage _____?
 _____ have a _____ of _____ analyzing the survey _____ rates?
 _____ if you can _____ benchmarks in _____ surveys for leakage?
 Does _____ have any targets they can _____ look _____ rates?
 _____ to _____ specific thresholds when judging leak _____?
 _____ there a _____ criterion _____ can _____ used to _____ company _____ leakage _____?
 _____ there any special _____ or _____ checking _____ rates in _____ company?
 Do you have _____ standards or _____ your _____?
 Is _____ apply specific _____ assessing _____ leaks _____ your company?
 _____ criterion that can be _____ when _____ company surveys _____ rates?
 I am _____ if you _____ threshold _____ can _____ assess leakage rates in _____.
 _____ have any _____ for _____ leakage?
 _____ company _____ thresholds for _____ survey leaks?
 Does _____ know _____ should be _____ in _____ the _____ in _____ surveys?
 Is _____ a _____ system companies _____ for _____ leaks?
 Are there _____ standards for analyzing the _____?
 _____ examining leaks in _____ surveys, are _____ points or _____ guide the _____?
 Does specific benchmarking _____ to the _____ from _____ your _____?
 What _____ are used to _____ leaks _____ your _____ surveys?
 Is it _____ to _____ thresholds into _____ in determining _____ leak _____ surveys?
 _____ your company have _____ thresholds that it _____ survey _____ rates?
 _____ the criteria or thresholds that _____ into _____ when investigating _____ rates through _____?
 Is there a _____ applicable to _____ leakage _____ your survey _____.
 When looking _____ leaks _____ company _____ is _____ criteria _____ thresholds to consider?
 I want to _____ if _____ parameters followed by _____ for _____ leaks.
 Does _____ have special _____ or _____ for _____ leakage rates?
 Does a _____ apply _____ leaks _____ surveys?
 _____ your _____ thresholds for the survey leakage rate?
 Is _____ specific benchmark _____ threshold _____ evaluating leaking rates _____ survey _____?
 _____ set of _____ to consider in _____ leaks _____ company surveys?
 I _____ to _____ if your _____ has _____ for measuring _____ leakage _____.
 Does _____ make sense _____ your _____ have _____ set _____ benchmarks _____ thresholds _____ analyzing _____ survey'leak
 Does your _____ specific it _____ survey leakage rates?
 _____ examining _____ company _____ are comparison _____ or _____ essential _____ consider?
 _____ it _____ sense for _____ company _____ have certain thresholds _____ their surveys' _____?
 _____ wondering if _____ can be _____ into _____ when looking at _____ rates within _____.
 Do _____ to _____ acceptable survey _____ rate within _____ business operations?
 Is _____ possible _____ into _____ certain _____ when looking at _____ rates _____ your _____?
 _____ specific benchmarks that _____ to analyze leak rates from _____?
 Do _____ targets that _____ can _____ to _____ the survey leaking _____?
 Can _____ provide _____ measures for determining _____ leak _____?
 I _____ to know how certain thresholds _____ account _____ looking _____ rates within your _____.
 Is _____ any _____ guidelines _____ used by _____ study survey leakage _____?
 Does _____ use to examine the survey _____ rates?
 _____ analyzing _____ rates _____ your _____ are there any _____ benchmarks or _____?
 _____ or standards for checking _____ leak rates?
 _____ want to _____ if certain thresholds _____ be _____ into _____ the _____ leakage in _____ surveys.
 Does _____ have any _____ or limits _____ measuring _____ leakage?
 _____ your _____ have targets _____ it _____ to _____ the survey _____ rates?
 What are the _____ account _____ investigating _____ rates in company surveys?

____ it ____ sense ____ company to ____ specific thresholds and ____ in place to ____ ____ leakage?
 Is ____ a ____ criteria and ____ to consider ____ into ____ in company ____?
 Do your ____ rates ____ any ____ standards?
 ____ tell ____ how ____ thresholds can be considered ____ within your surveys?
 Does your ____ specified ____ during the ____ frequencies in ____?
 ____ the survey ____ analysis at your ____ involve ____?
 ____ you ____ standards ____ that ____ use ____ analyze the leakage ____ in surveys?
 When ____ leakage rates through company ____ should ____ taken ____.
 ____ there ____ set ____ consider when ____ leakage rates ____ company surveys?
 Is it possible ____ specific ____ that ____ be taken into ____ when assessing ____ rates ____?
 ____ a specific criterion exist ____ company ____ rates?
 Is ____ a set ____ to ____ into account ____ leaks ____ company ____?
 ____ of survey ____ rates at ____ company ____ any pre-defined ____?
 Does ____ have specific ____ in place ____ survey ____?
 ____ thresholds ____ applicable to evaluating ____ in your survey analysis?
 Does your company ____ any guidelines ____ study survey ____?
 ____ you tell ____ what thresholds should be ____ at leaking rates in ____?
 ____ there a ____ use to evaluate survey ____?
 Does ____ company use ____ metrics ____ to ____ survey findings?
 Does ____ know ____ should be ____ to calculate leakage ____ in ____?
 ____ a ____ threshold for evaluating leakage ____ in ____ survey ____.
 ____ your company have ____ special standards ____ about ____ leakage?
 Does your ____ a ____ of criteria ____ levels of survey ____?
 Can ____ tell ____ thresholds ____ applicable ____ leakage rates in ____ survey analysis?
 ____ the ____ rates ____ leakage for your company?
 Does ____ know if you can provide ____ thresholds ____ at ____ surveys ____?
 ____ possible ____ take into account a set ____ an ____ into leakage rates ____ company ____?
 What ____ thresholds ____ used to ____ leak rates ____ company ____?
 ____ set ____ for analyzing ____ from ____ company's surveys?
 ____ want to ____ are parameters followed by ____ survey- related ____ percentages.
 ____ you ____ specific ____ analyzing survey leakage ____?
 ____ there a ____ or ____ to evaluating leakage rates ____?
 When determining ____ incidence of leakage ____ surveys, ____ tell me how ____ into ____ certain ____?
 ____ there specific benchmarks ____ thresholds applicable ____ rates ____ your survey ____?
 ____ use specific ____ when studying survey ____ rates?
 ____ standards to analyze ____ leaks from ____ surveys?
 Does your company have a ____ thresholds ____ survey ____?
 ____ specific threshold or ____ you can use ____ looking at your ____?
 Does ____ standard set of criteria to ____ the ____ leakage?
 Can your ____ give ____ measures ____ determine ____ leak rates?
 Is ____ possible to give ____ thresholds ____ taken ____ assessing leaking ____ in your surveys?
 ____ there a specific ____ that ____ used for ____ surveys' ____ rates?
 ____ your company ____ set of thresholds ____ its ____ leaks?
 ____ thresholds be ____ in determining ____ survey leak rate ____ business ____?
 Is there a ____ used for the ____ of ____ from ____?
 ____ a ____ apply when ____ survey ____?
 Is there ____ set ____ to ____ when investigating ____ through ____?
 ____ you provide specific ____ survey ____ rates?
 Do ____ any standards or limits to ____ rates?
 Does the ____ rates ____ company involve any ____?

What are your company's _____ leakage _____?

What criteria should _____ when investigating leakage _____ surveys?

_____ to know if there _____ parameters followed by _____ organization _____ survey-related _____ percentages.

Can _____ set standards _____ analyzing _____ company's surveys?

_____ a _____ of _____ to _____ leaks in the company surveys?

_____ am _____ if certain _____ can be taken into _____ when _____ the incidence _____ surveys.

Do you have _____ to measure _____?

Is _____ a specific benchmark _____ that _____ when _____ survey leak _____?

Does _____ set specific _____ survey leak rates?

_____ the analysis _____ leak rates at your _____ on _____?

_____ any specific thresholds _____ leakage rates in _____ company?

Does your company use _____ to assess the _____ in its _____?

Is there a threshold used for the _____ survey _____?

_____ criterion that _____ used in investigating company _____ about leakage _____?

_____ looking _____ leakages _____ company surveys, are _____ or _____ necessary?

_____ use certain thresholds _____ its survey leaks?

Can _____ measures to determine survey Leakage _____?

_____ thresholds used _____ determine an acceptable survey _____ business operations?

_____ there a _____ thresholds or _____ are _____ to evaluating _____ in _____ survey analysis?

Do you _____ any _____ or limits _____ analyze _____ surveys' _____ rates?

When determining the incidence _____ in _____ how certain _____ account?

_____ there _____ of criteria _____ should _____ considered when investigating _____ company _____.

Does _____ sense _____ your company to _____ and thresholds in _____ to _____ surveys' _____?

Do _____ benchmarks apply _____ leaks?

_____ make _____ for your company _____ have a _____ and _____ in place to _____ their surveys' _____?

Is _____ aware _____ any specific thresholds _____ benchmarks you _____ looking at _____ for _____?

_____ firm's _____ any fixed _____ about diving _____ rates?

Any benchmarkings _____ in _____?

Is _____ threshold values used for _____ of _____ in _____ company's _____?

When determining _____ of _____ in your _____ can _____ me _____ certain _____ be taken _____ account?

_____ it _____ for your company to have certain _____ in place _____?

Does your _____ certain _____ they use _____ measure _____ leakage rate?

_____ possible _____ employ specific _____ for _____ survey leakage?

_____ your company _____ a _____ of criteria _____ of surveys?

Does your company use _____ assess _____ of survey _____?

_____ want _____ know how certain _____ be taken into _____ when looking _____ rates _____ your _____.

_____ at _____ within _____ surveys, can you tell me how _____ can be _____?

_____ it _____ to _____ certain thresholds _____ account _____ determining the _____ of _____ surveys?

Is _____ possible _____ use a specific _____ company _____ rates?

_____ your company have set _____ for _____ survey _____ rates?

Is _____ possible _____ specific _____ to _____ amount of leakage _____ surveys?

Is there _____ set of criteria _____ take into account _____ rates _____?

_____ threshold _____ are used _____ scrutiny of _____ in _____ company's _____?

_____ you _____ set _____ or _____ analyzing the _____ in your surveys?

_____ your company _____ specific _____ survey leaks?

_____ analysis _____ survey leakage rates at your company _____ specific _____?

Is _____ using _____ measures to study survey _____ rates?

Is there a specific _____ or threshold that _____ into _____ assessing _____ in your _____?

Does _____ should be included in _____ the rate _____ in the _____?

_____ have _____ benchmarks _____ be used to evaluate the rate _____?

Is there _____ we should keep in _____ when _____ leaks _____?

_____ if special benchmarks _____ used to evaluate _____ of _____ leaking?

_____ it _____ your company to have _____ benchmarks and _____ place to evaluate _____?

Is there _____ established _____ used to _____ survey _____?

_____ you _____ any _____ count _____ survey leaks?

_____ it _____ to use a _____ criterion _____ investigating company _____ leakage _____?

_____ it _____ sense for your company _____ specific _____ for _____ survey leakage _____?

_____ there _____ benchmark for _____ surveys?

_____ whether specific thresholds _____ be included _____ the rate _____ in the _____?

Is _____ of criteria _____ consider _____ investigating leaks in _____?

Does _____ company _____ defined _____ for analyzing _____ survey _____?

_____ have _____ measure the survey leakage rate?

_____ criteria _____ thresholds should _____ used _____ leak _____ company surveys?

_____ you _____ if _____ company has targets _____ they _____ to _____ the _____ leaking _____?

_____ company _____ set of criteria _____ assess its _____ leakage _____?

_____ your company _____ certain _____ studying survey leakage _____?

Does _____ specific _____ or benchmarks you _____ use to _____ surveys for _____?

I'm _____ you _____ a specific _____ you can use to _____ the rate _____ leakage _____.

_____ the _____ survey leak rates at _____ involve _____ established _____?

_____ a criterion _____ used when investigating _____ surveys' leakage _____?

_____ am _____ know if you _____ a _____ can use to assess _____ leakage rates _____ your _____.

_____ there _____ way to take certain thresholds _____ when _____ the _____ leakage in _____?

_____ rates through company _____ are _____ criteria that should be _____ account?

Can _____ thresholds _____ benchmarks that are _____ to evaluating leakage rates in _____ survey _____?

I _____ there is a _____ that companies follow for _____.

_____ the analysis _____ leakage _____ at your _____ involve _____ standards?

_____ special _____ you to evaluate the _____ of _____?

Is there _____ criteria for _____ leaks from company _____?

I want _____ know how certain thresholds can _____ account _____ leaking rates _____ your _____.

Does _____ company _____ targets that _____ can _____ look into _____?

When analyzing _____ leakage rates from _____ are there _____ specific _____?

Is there _____ particular benchmark or threshold that should _____ into _____ rates in _____?

Does _____ specific standards _____ survey leakage rates?

_____ set _____ limits for analyzing _____ leakage rates in surveys?

Does the company's _____ of _____ leakage _____ standards?

_____ there a set of _____ that _____ be _____ looking at _____ company _____.

Do _____ have any standards _____ up _____ leaks?

Do _____ company _____ thresholds to _____ survey _____ rate?

I _____ to know _____ thresholds can _____ into _____ when determining the _____ in _____ surveys.

Does your company _____ that _____ can _____ to _____ survey _____?

_____ know _____ any specific _____ are used _____ leakage from surveys.

Does it _____ for _____ company to _____ and _____ evaluating their surveys' _____?

I'm curious _____ you have a specific _____ you can _____ assess _____ in your _____.

Does _____ company have certain criteria _____ survey _____?

Is it possible to give _____ thresholds _____ should _____ taken into _____ leakage _____ surveys.

_____ your _____ has thresholds to measure _____ leak rate?

_____ that _____ thresholds for _____ the survey leakage rate?

_____ your company follow any specific thresholds _____?

_____ any benchmark or _____ that are applicable _____ rates _____ survey analysis?

Can you tell me _____ the _____ applicable to evaluating leakage _____?

_____ company follow a certain _____ of _____ when _____ leaks?
 _____ survey leakage rates at your company _____ standards?
 _____ need to know _____ into account when _____ leaking rates in your surveys.
 _____ have _____ that _____ use _____ the survey leak rate?
 _____ want to know _____ parameters followed _____ organization _____ the _____ leak percentages.
 Is _____ criterion that _____ be used _____ surveys aboutleakage rates?
 _____ is _____ question about a _____ can _____ to investigate company surveys' _____.
 Is it possible _____ into account when analyzing _____ rates _____ surveys?
 _____ your company _____ specific _____ for _____ leakage rates?
 Is there _____ set _____ for looking _____ leaks _____ company _____?
 Can _____ me about _____ special _____ checking survey leakage?
 Does your company have _____ limits _____ rates?
 _____ through company surveys, what criteria _____ should _____ used?
 Are _____ evaluating _____ rates in your survey analysis?
 Does _____ company _____ for _____ survey leaks?
 Does your company _____ a _____ of standards _____ rates?
 _____ standards _____ limits _____ checking _____ at your company?
 Does anyone _____ thresholds _____ used to judge leakage _____?
 Can _____ if there are any specific thresholds that _____ taken into _____ when _____ surveys?
 _____ a _____ benchmark or _____ taken into _____ when _____ leak rates in your surveys?
 Are _____ standards for _____ the leaks _____ your _____?
 _____ your company have a _____ of _____ surveying _____?
 Do you _____ for _____ leaks from _____?
 _____ comparison _____ guiding the evaluation _____ leaks _____ company surveys?
 Does your company _____ guidelines _____ when _____ rates?
 Does _____ analysis of _____ rates at _____ any known _____?
 Does your _____ thresholds to analyze its _____?
 Does your firm _____ to _____ survey _____?
 Is there _____ that _____ be used for _____ surveys' _____ rates?
 Does your _____ any specific _____ analyzing survey _____?
 _____ it _____ sense for your company _____ have certain thresholds and benchmarks that they _____?
 _____ criteria should be taken into _____ when investigating _____?
 Do you have _____ limits for checking survey _____ company?
 I _____ to know _____ certain _____ considered when looking at _____ rates _____.
 What _____ into account when determining the incidence _____ leakage _____?
 _____ looking at leaks in _____ are _____ thresholds to guide _____ process?
 _____ your company have any targets that _____ survey _____ rates?
 Does _____ if _____ thresholds _____ included _____ surveys to measure the rate _____?
 Does _____ make _____ for your _____ to _____ place to _____ their surveys' leak?
 _____ any specific thresholds that _____ while judging survey _____?
 _____ your _____ have _____ guidelines for _____ survey leakage _____?
 _____ it wise for _____ to consider _____ thresholds for _____ the _____ rates?
 Do you have _____ up _____ leaks?
 _____ it possible _____ certain _____ be taken into _____ looking _____ the leaking rates _____ surveys?
 _____ benchmark _____ to your _____ leak _____ from surveys?
 Does your _____ have _____ criteria for analyzing _____ leak _____?
 Does _____ company have _____ for _____ leakage _____?
 Is _____ possible _____ give _____ specific thresholds _____ should _____ account when _____ leak _____ in _____ surveys?
 _____ curious _____ have a specific threshold _____ can _____ to _____ the leakage _____ your _____.
 I _____ if _____ a specific _____ when _____ the _____ rates _____ your surveys.

Are _____ company _____ use _____ determine survey leakage rates?
 _____ your company have certain _____ leaks?

Is _____ standards _____ limits for checking survey _____ company?

Is there _____ of _____ to consider _____ into _____ company surveys?
 _____ special benchmarks _____ evaluating _____ rate of survey _____?

Is _____ that can be used _____ company _____ leak rates?
 _____ specific thresholds or benchmarks _____ to evaluating _____ your _____ analysis?

Is there _____ benchmark that _____ should _____ when _____ leakages?

Does _____ sense _____ your company _____ have _____ benchmarks _____ thresholds when _____ the survey's leakage?
 _____ certain _____ be _____ into _____ when _____ the leaking rates within your _____?
 _____ there _____ of _____ take _____ account during an investigation into _____ through _____?
 _____ it makes sense for _____ company _____ have _____ thresholds _____ place _____ their _____?
 _____ there a set of thresholds to consider _____ leakage rates _____?

Is _____ use special _____ the rate of survey _____?
 _____ survey _____ your company involve any set of _____?
 _____ set of _____ examining _____ rate of leakage _____ surveys?

Does the _____ survey _____ rates _____ your company _____ any _____?
 _____ your _____ have specific _____ and _____ to determine _____ rates?
 _____ there _____ can be _____ to investigate company surveys _____ leaks?

Is _____ a _____ of criteria _____ should _____ investigating leaks in _____ surveys?
 _____ would _____ know _____ certain _____ can _____ taken into account _____ determining the incidence _____ your
 surveys.

Is there _____ limits _____ inspecting _____ leak rates _____ your company?
 _____ a set _____ consider when looking _____ leaks from the _____?
 _____ want _____ know _____ certain thresholds _____ be _____ into account _____ evaluating the leaking _____ your _____.

Is there a specific benchmark _____ be _____ into account when assessing leakage _____.
 _____ your company have _____ for _____ survey leakage _____?

Has _____ set thresholds _____ survey _____ rates?

Is _____ to _____ certain thresholds _____ when _____ the incidence _____ in your _____.

Is _____ set _____ should _____ considered _____ looking for _____ from company surveys?

Is there a _____ criterion that _____ be _____ investigate _____ surveys' _____
 _____ you tell me _____ any specific _____ should be taken _____ assessing _____ your surveys?
 _____ possible to _____ judge leakage from surveys?
 _____ reasonable for your _____ consider _____ analyzing the survey _____ rates?
 _____ you have _____ standards _____ you _____ analyze your _____ rates?

Do _____ have any standards _____ you _____ meet _____ tally up _____?
 _____ a criterion _____ be used to _____ company surveys _____ rates?
 _____ to determine the incidence of _____ taking certain _____ into account?
 _____ criteria should be taken _____ rates _____ company surveys?

I want _____ know if _____ measuring _____ survey leakage rate.
 _____ possible _____ provide _____ that should be taken into account when assessing _____ rates in _____?
 _____ you have particular indicators _____ survey leaks?

Can you tell _____ the _____ and benchmarks applicable _____ evaluating _____ in your _____?

Does _____ analysis of survey _____ at _____ involve _____ standards?
 _____ to _____ if you _____ a _____ that _____ can use to _____ the _____ your surveys.

Do _____ have any _____ to tally up your _____?

Does it _____ sense _____ company to consider _____ leakage rates?

Is there a specific criteria _____ can be _____ rates.

Can you _____ me _____ the thresholds _____ applicable _____ leakage _____ in a _____?
 _____ know if you have _____ can use _____ assessing _____ leakage rates _____ your surveys.
 _____ want to _____ if _____ prescribed parameters _____ your organization _____ interpreting _____ leak _____.

Can you _____ company uses _____ measures to study survey _____ rates?
 _____ there _____ limits _____ for checking _____ rates at _____ company?
 Does your company _____ any specific _____ survey _____?
 When examining _____ in company _____ or _____ guiding the _____?
 Does _____ survey _____ rates _____ at _____ company involve _____ specific _____?
 Does _____ sense for your _____ specific _____ in place _____ evaluating their surveys' leak?
 _____ there _____ benchmark for _____ from surveys _____ by your _____?
 _____ there _____ set of thresholds _____ should _____ taken _____ when assessing leakage _____ within _____?
 _____ you have any _____ or limits you _____ your surveys' _____?
 When analyzing _____ rates from _____ surveys, _____ there _____ benchmark or _____ consider?
 Can you tell _____ your company has _____ for _____ leakage _____?
 Is there any _____ the leaks _____ your _____?
 I was wondering _____ certain _____ be _____ into account when _____ the leaking _____ surveys.
 Does _____ company have targets _____ can _____ scrutinize _____ rates?
 _____ there a _____ system _____ evaluate survey leaks?
 _____ a set of _____ be _____ when investigating leaks _____ surveys?
 _____ distinct thresholds _____ benchmarks _____ evaluating leak _____ your survey analysis?
 Does _____ if _____ should _____ in the _____ of leaks _____ the surveys?
 _____ a _____ of _____ into account _____ investigating the _____ of leak through _____ surveys?
 _____ the _____ leak rates at _____ company involve _____ specific _____?
 Does _____ know if specific _____ used to _____ rates _____ a _____?
 Is there a _____ use to _____ leakage rates in _____?
 _____ tell me _____ thresholds _____ benchmarks _____ evaluating leakage rates in my _____?
 Does _____ have guidelines _____ measures to _____ surveyLeakage _____?
 _____ sense _____ have certain thresholds in place _____ assess their surveys' _____?
 _____ anyone know _____ specific thresholds _____ used _____ calculate leak _____ surveys?
 _____ a benchmark for _____ rates from _____?
 _____ it _____ for your company to have _____ for evaluating their _____?
 _____ your company can _____ to determine _____ leaks?
 _____ any benchmark _____ can use _____ analyzing _____ from surveys?
 Do _____ have _____ that _____ use _____ analyze _____ rates in _____ surveys?
 _____ there a set _____ thresholds to consider _____ looking _____ surveys.
 Is _____ set _____ or limits that you use _____ rates _____ surveys?
 _____ your company use _____ criteria to _____ the level _____?
 _____ the _____ can use to _____ at the survey _____ rates?
 _____ evaluating _____ rate of _____ leak, do _____ come into _____?
 Does your company have _____ analyzing survey _____?
 I want _____ know _____ are any parameters _____ your _____ interpreting _____ leak _____.
 _____ it possible _____ specific benchmark or _____ that should _____ taken _____ account _____ assessing _____ rates _____ your _____?
 Can _____ me how certain _____ can _____ taken into account _____ determining _____ incidence _____ leaking _____?
 Does _____ analysis _____ survey _____ rates _____ company follow any _____?
 Is there _____ specific _____ that _____ taken into account when assessing the _____ rates _____?
 Does your _____ special standards _____ limits to _____ leak _____?
 _____ examining leaks in _____ points _____ important to consider?
 _____ your _____ certain _____ for analyzing _____ survey leaks?
 Is _____ a set of _____ that should _____ when _____ leaks _____ company _____?
 Are _____ standards for analyzing _____ company _____?
 Does your company have _____ special _____ survey _____?
 Does your _____ have targets that _____ use _____ survey _____ rates?
 _____ your company _____ guidelines _____ measures to study _____?

____ thresholds ____ when investigating leakage rates ____ surveys?
 ____ your company's ____ leakage ____ involve any ____?
 Can your ____ specific ____ for determining ____ rates?
 ____ your company have any ____ when calculating ____?
 Can you tell me ____ used ____ the rate of ____?
 ____ it make sense for your ____ to ____ analyzing ____ leak ____?
 ____ have targets that ____ use to look ____ the survey ____?
 ____ your ____ targets that ____ can ____ to ____ the ____ leaking rates?
 When examining leakages in company surveys, ____ points ____ to ____ evaluation ____?
 ____ there ____ criteria that ____ taken into account ____ an ____ into company survey leak ____?
 ____ make ____ for your company to have benchmarks ____ when ____ leakage?
 ____ company have a ____ of ____ to ____ leakage rates?
 ____ make ____ your company to ____ thresholds ____ benchmarks in place ____ evaluate their ____?
 ____ firm ____ indicators to measure survey ____?
 ____ the ____ leakage ____ analysis at your ____ include ____ standards?
 Is ____ a ____ threshold ____ to ____ leakage rates ____ your ____?
 Is there a ____ criterion that ____ investigate ____ company ____ rates?
 ____ was ____ have a specific threshold ____ you can ____ assess the ____ rates in ____.
 Does any particular ____ rates ____ surveys conducted by ____ company?
 ____ benchmarks ____ analyzing leaks in ____?
 ____ your ____ have targets that ____ use ____ look ____ survey ____ rates?
 ____ you tell me how ____ taken into ____ when ____ of leakage ____ your surveys?
 Does your ____ use a ____ of standards ____ the levels ____ surveys?
 Does anyone know ____ certain thresholds ____ included ____ the rate ____ leaks ____?
 ____ investigating ____ rates ____ company surveys, what criteria ____ should ____?
 ____ analyzing the leak ____ company's ____ are ____ any specific ____?
 ____ you have any specific ____ or benchmarks for ____?
 Does your ____ have ____ thresholds ____ leaks?
 ____ the analysis ____ leakage rates for your ____ standards?
 ____ tell me how certain ____ used ____ leaking ____ in your surveys?
 Do you know ____ thresholds for ____ survey leakage ____?
 ____ if ____ thresholds could be ____ into account when ____ incidence of leakage in ____.
 Can your company ____ measures for determining ____?
 Is ____ a set of ____ and thresholds ____ consider when ____ leaks ____?
 ____ there ____ of standards to ____ when looking at ____ from ____?
 Is there a ____ of ____ and thresholds ____ to evaluating ____ analysis?
 During the ____ information leaks ____ surveys conducted at ____ are ____ relevant threshold ____ consideration?
 I'm curious if you ____ threshold ____ use ____ measure the ____ your ____.
 I would ____ if ____ surveys have ____ for leakage ____.
 ____ there ____ specific ____ can use to ____ leakage rates?
 Should we ____ specific ____ data ____ within ____ operations?
 ____ tell ____ certain ____ taken into account ____ looking at ____ leaking ____ of your surveys?
 What criteria or ____ taken into ____ when investigating ____ company surveys?

_____ there a set of criteria that should be taken _____ investigation _____ surveys?

Does _____ for your _____ to _____ some thresholds _____ analyzing _____ leakage _____?

_____ there _____ can be _____ determine company surveys' leakage _____?

Does _____ have any _____ that _____ use to check _____ rates?

_____ specific criterion for investigating _____ surveys' _____ rates?

Is _____ specific benchmarks to _____ leaks _____ surveys?

_____ anyone know _____ thresholds should be included _____ rate _____ leaks in _____?

Do _____ have _____ up your survey leaks?

I _____ to _____ certain thresholds can be _____ looking _____ in your _____.

Are _____ thresholds _____ determining _____ acceptable survey _____ in your _____ operations?

_____ there _____ standards _____ limits _____ checking _____ at your company?

_____ thresholds can be _____ when determining _____ incidence _____ in your _____?

Does your _____ set _____ for analyzing _____ survey _____?

Is it _____ take _____ into _____ when _____ the _____ of leakage _____ your _____?

_____ company _____ specific thresholds to analyze _____ leakage _____?

_____ there _____ specific criterion _____ can be _____ surveys about _____ rates?

Is it possible _____ account _____ in determining _____ incidence of _____ your _____?

_____ there _____ of _____ to be taken into _____ an investigation _____ leakage rates _____ surveys?

_____ any _____ can use to assess _____ leakages?

_____ company's _____ are there any specific _____ or thresholds to consider?

During _____ in your company's surveys, _____ values _____ applied?

_____ of criteria and _____ investigating leaks _____ company surveys?

When examining _____ company surveys, _____ points _____ guide the evaluation _____?

Is there _____ that can be _____ for _____ company _____ rates?

When analyzing _____ rates _____ surveys, are _____ any specific _____ you _____ consider?

Is there _____ you _____ use _____ analyze _____ rates _____ surveys?

Is there _____ in mind when _____ survey leaks?

_____ it make _____ for your company _____ certain _____ and _____ place to evaluate _____ surveys' _____?

_____ company have _____ targets to _____ the survey _____?

_____ assess the levels of leak in its surveys?

_____ it _____ sense for _____ company to _____ certain _____ in _____ can _____ to evaluate their surveys' _____?

_____ it _____ sense _____ your company to have a _____ benchmarks _____ to evaluate their surveys' _____?

_____ want _____ if there _____ prescribed _____ followed by _____ when interpreting _____ percentages.

_____ would like to know _____ are _____ parameters _____ by _____ for interpreting _____ leak percentages.

_____ certain _____ be _____ account _____ at the _____ within your surveys?

I _____ if _____ have _____ threshold _____ can use _____ the leakage _____ surveys.

_____ you tell us what the _____ thresholds _____ evaluating leakage _____ analysis?

Is _____ can provide specific guidelines when calculating _____ rates?

_____ your _____ a set of criteria _____ assess _____ of its _____?

_____ a set _____ thresholds _____ investigating leaks _____ surveys?

_____ standards for _____ the leaks _____ company's _____?

_____ have specific thresholds for _____ survey leak _____?

Is _____ a _____ or threshold _____ be taken _____ when assessing _____ rates within your _____?

Can you tell me _____ thresholds _____ account when _____ leak in your surveys?

I _____ to _____ there _____ any _____ followed by your _____ leak percentages.

_____ you have specific _____ follow _____ at _____ leak rates?

Is there any _____ or _____ you _____ analyze _____ leakage _____ your surveys?

When _____ rates _____ leakage from _____ surveys, are _____ specific thresholds?

Is there any specific _____ that should _____ assessing _____ rates _____ your _____?

Does it make sense _____ your _____ have specific _____ in _____ to evaluate _____ leak?

Is _____ a criteria _____ be used _____ company _____ rates.

Is _____ or threshold that your _____ for analyzing _____ rates?

_____ it _____ your _____ to have _____ for measuring _____ survey _____ rate?

_____ it make sense _____ company to _____ thresholds or _____ when _____?

_____ company _____ into _____ thresholds when analyzing its _____ leaks?

Is _____ a _____ thresholds into account _____ determining the incidence of _____ in _____?

Does your _____ analysis of _____ involve _____ standards?

_____ there _____ criteria and thresholds when _____ leaks _____ company _____?

Is _____ to _____ criterion for investigating _____ surveys _____ leak rates?

_____ it make sense for a _____ to _____ certain _____ benchmarks in _____ to _____ surveys' _____?

_____ criteria that should be considered _____ leaks in company _____?

Do definite _____ determine an acceptable survey leak _____ in _____?

_____ are _____ criteria that _____ taken into _____ investigating leakage _____ through _____ surveys?

How _____ certain thresholds _____ into account _____ determining the _____ of _____ your _____?

Does _____ know _____ can use specific _____ or _____ looking _____ surveys for _____?

_____ your _____ a _____ criteria to _____ levels of survey leaking?

_____ possible _____ specific benchmarks or _____ that _____ taken into _____ when assessing leakage rates within _____?

Is _____ specific _____ or threshold _____ you _____ analyzing leakage rates from your _____?

Does _____ have targets that they _____ analyze _____ leaking _____?

Is _____ or _____ to evaluating _____ rates in the _____ analysis?

Do you _____ set standards to analyse _____?

Does your company _____ in _____ its _____ leaks?

_____ use a set _____ criteria _____ the _____ of leak _____ surveys?

_____ have _____ specific threshold you can use to _____ the _____ in your _____.

Do _____ or limits _____ checking survey leakage?

Can _____ tell me how _____ thresholds _____ be considered _____ the leaking _____ your _____?

_____ it _____ take certain _____ determining _____ incidence _____ leaking within your surveys?

_____ your company _____ of criteria _____ the levels _____ survey leakage?

Is _____ a particular criterion that can be _____ for _____?

Are _____ a factor _____ determining _____ acceptable _____ rate _____ your _____ operations?

Is _____ specific benchmarks you _____ to _____ from surveys?

Are the _____ and _____ to _____ leakage rates _____ your _____?

_____ know _____ thresholds are _____ account when determining the incidence _____ in your surveys.

Does it make _____ for your _____ to have a _____ benchmarks _____ thresholds _____?

Is _____ benchmark that companies _____ evaluate _____ leaks?

Do you have _____ that _____ use _____ analyze _____ rates _____ your surveys?

Is there a _____ benchmark _____ applicable _____ evaluating _____ your survey?

Is it possible _____ use _____ thresholds _____ leaking _____?

_____ your company have a set _____ thresholds _____ its _____?

_____ am interested to know _____ you _____ you can _____ assess the leakage _____ in _____ surveys.

_____ you have any _____ or _____ survey leakage rates?

_____ if _____ thresholds should be used _____ estimate _____ in _____?

Do your _____ a _____ measure _____ survey leakage rate?

_____ you give me any specific _____ taken _____ account _____ assessing leakage _____ your surveys?

_____ company have _____ thresholds _____ surveyleakages?

Does your company use _____ specific _____ to _____ leakage _____?

Is certain _____ into _____ when _____ the leaking _____ your surveys?

Is there _____ particular _____ can be _____ in _____ company surveys' _____?

_____ there a _____ or threshold applicable to _____ rates _____ analysis?

_____ standards to analyze _____ surveys' leakage rates?

Is there _____ or benchmark _____ rates in _____ survey analysis?

Is _____ a _____ your company can use _____ analyze _____ rates _____?

Is _____ possible to _____ your _____ have _____ for _____ rates?

When analyzing leak _____ your _____ surveys, are there _____ specific _____ you _____?

_____ you have _____ limits or _____ you _____ analyze your _____ rates?

Is it possible _____ thresholds _____ account when _____ the _____ of _____ surveys?

Is there a _____ thresholds _____ looking into leaks _____ surveys?

Does your company use _____ or milestones to assess _____?

_____ we _____ any precise _____ for assessing _____?

Does _____ company _____ any specific thresholds _____ rates?

_____ there a _____ benchmark or threshold _____ should _____ leakage rates?

_____ know if your company _____ targets that they _____ to _____ rates?

Is _____ specific benchmark _____ you _____ when _____ leak rates from _____?

Does your _____ use specific _____ study _____ leakage _____?

Is _____ to take a certain _____ account when looking _____ rates _____ your _____?

Does your _____ have some _____ to _____ leakage _____?

_____ leakages _____ company surveys _____ there _____ or _____ to _____ the process?

Can _____ me _____ thresholds can be used _____ of leaking within your _____?

Does your company _____ specific _____ analyze _____ leaks?

_____ know _____ you can provide _____ thresholds or benchmarks _____ looking _____ for _____?

I _____ curious _____ have _____ specific threshold _____ use to assess _____ rates in surveys.

_____ to know _____ there are _____ followed by _____ organization in _____ percentages.

Is there _____ thresholds _____ benchmarks _____ can be used to _____ rates _____ your _____?

_____ company _____ there comparison points or thresholds _____ guide the _____?

I am _____ if _____ a _____ can _____ to assess the leakage rate _____ surveys.

_____ we should _____ in mind when analyzing survey _____?

_____ your _____ prescribed _____ assessing and interpreting _____ leak percentages?

_____ anyone know _____ specific _____ used to estimateleakages _____ surveys?

Does _____ know _____ specific thresholds should be _____ in _____ rate _____ within _____?

Do _____ anything _____ that _____ company can use _____ determine _____ leakage _____?

_____ there _____ of _____ for _____ at leaks _____ company surveys.

_____ you know anything _____ company can _____ to determine survey _____?

Can _____ give _____ thresholds _____ taken into account _____ leak rates in _____ surveys?

Do you _____ any _____ for checking _____ rates?

Do _____ company follow _____ specific thresholds _____ leaks?

_____ a specific _____ that _____ used _____ investigating company surveys' _____ rates?
 _____ company follow specific thresholds _____ analyzing its _____?
 I'm curious if _____ have _____ that _____ use _____ measure _____ rates in your _____.
 _____ to know _____ certain thresholds can _____ taken into _____ when _____ leaking _____ your _____.
 When _____ leakage rates from your company's _____ any _____?
 Is there _____ set of criteria _____ leaks _____ company surveys?
 _____ there any special _____ or limits _____ checking _____ leakage _____ your _____?
 _____ you tell me _____ there _____ any specific thresholds _____ when analyzing _____ rates _____ your _____?
 Is there _____ for investigating _____ surveys about leakage rates?
 Do _____ standards for checking survey leakage rates _____?
 I _____ to know _____ you _____ a threshold _____ can _____ to _____ rates _____ your surveys.
 Is it _____ to use _____ in investigating company surveys _____?
 _____ a set _____ criteria that should be _____ account when _____ theleakage rates _____?
 _____ company _____ any targets they can use to _____ rates?
 _____ leakage rates _____ are the _____ criteria that should _____ considered?
 _____ the criteria or thresholds _____ should be _____ when _____ leaks through _____?
 Is there a _____ or _____ you should _____ leakage rates _____ your company's _____?
 Is _____ a set of criteria _____ should _____ used when _____ surveys?
 Can _____ tell me which thresholds _____ leakage _____ in your surveys?
 _____ any benchmark or threshold applicable to _____ rates _____ survey analysis?
 _____ have a specific threshold you _____ use to _____ leak _____ in your _____.
 _____ apply to _____ assessment _____ leaks at your _____?
 I _____ to know _____ any specific _____ are _____ judging leak _____.
 Do you know if _____ company _____ a threshold _____ survey _____?
 _____ know if specific _____ should _____ used for _____ rate _____ the surveys?
 Does _____ company _____ when _____ its survey leaks?
 I _____ wondering if you _____ a threshold you _____ leakage _____ your surveys.
 Is there anything _____ use _____ surveyleakage rates?
 Does it _____ sense for _____ to have certain _____ place _____ their _____?
 Should _____ used _____ determine an _____ leaking rate _____ your business _____?
 _____ specific benchmarks apply _____ from surveys at _____ company?
 Can _____ how certain _____ can be taken _____ looking at the _____ in _____ surveys?
 _____ there _____ threshold or benchmark _____ to evaluating _____ rates _____ your _____?
 Does the _____ of survey _____ rates at _____ use _____?
 _____ there any _____ for _____ from _____?
 Can you _____ me _____ are _____ or _____ for analyzing the leakage _____ surveys?
 _____ there a _____ threshold that is _____ evaluating leakage rates _____ survey _____?
 Does your company use _____ criteria _____ assess _____ of _____ in _____ surveys?
 _____ company _____ targets they can use to evaluate _____?
 Is _____ a _____ for _____ company surveys' _____?
 _____ your company _____ standardized criteria _____ leak levels?
 _____ there be specific _____ used to _____?
 Does _____ specific _____ in analyzing its _____ leaks?
 Is a _____ of _____ thresholds _____ consider _____ investigating leaks _____ surveys?
 Does _____ that they _____ use _____ examine _____ survey leaking rates?
 _____ for _____ leaks _____ surveys?
 Is _____ possible to use _____ thresholds in _____?
 Does _____ company _____ can use to look _____ leaking _____?
 Is _____ a _____ that _____ be used _____ investigating company _____?
 _____ want _____ there are _____ prescribed _____ followed by your _____ survey leak percentages.

Does it make sense _____ thresholds when analyzing _____ survey leakage _____?

Can _____ be _____ used to evaluate _____?

Do _____ company _____ or _____ for studying survey leakage _____?

_____ examining leaks _____ company _____ are there comparison _____ or thresholds _____?

Does _____ make _____ your _____ have a set _____ thresholds or benchmarks for _____ leakage?

_____ thresholds should be _____ account when _____ rates _____ surveys?

_____ know if _____ are _____ to _____ rates in surveys?

Can your _____ give _____ when calculating _____ leakage _____?

I _____ wondering _____ you have _____ specific threshold you can use to assess _____.

_____ company observe _____ when analyzing its survey _____?

Does your _____ set _____ thresholds for _____ survey _____ rates?

Does _____ to the assessment of _____ leaks at _____?

Do you have special _____ limits _____ leakage?

Does anyone know _____ thresholds _____ be _____ estimate leak rates _____?

Does _____ have specific standards _____ limits _____ leakage?

Is _____ provide any specific _____ should _____ into account _____ leakage rates in _____ surveys?

Can _____ certain _____ to determine surveyLeakage _____?

Does _____ if specific thresholds _____ estimate leakage rates _____ surveys?

_____ standards _____ have for checking survey leak _____ your company?

Does anyone know _____ thresholds _____ assessing _____ of leaks _____ surveys?

What are the specific _____ be taken _____ investigating _____ through _____ surveys?

Is _____ to use a specific _____ to investigate _____?

_____ there a set _____ criteria _____ should _____ looking at _____ from _____ surveys?

Can _____ me _____ special _____ for _____ survey leakage rates _____ your _____?

_____ the _____ that _____ be _____ investigating leakage rates through company surveys?

What _____ applied during the scrutiny _____ company surveys?

_____ are the _____ and thresholds _____ to _____ leakage _____ in _____ survey _____?

What _____ or thresholds should _____ to investigateleakage rates _____?

_____ your company have _____ that _____ can _____ to analyze _____ leakage _____?

Is there _____ particular _____ can be used _____ company surveys _____?

Is it possible _____ apply specific benchmarks _____ leaks _____ your _____?

_____ there any _____ benchmarks _____ you _____ use when looking at _____ leak?

_____ are the _____ criteria that _____ investigating leak _____ company surveys?

Is _____ criteria that _____ be used _____ investigate _____ leakage rates?

_____ rates _____ your company's surveys, _____ any specific benchmarks _____ consider?

_____ there any specific benchmarks or _____ that _____ account when _____ rates in _____ surveys?

_____ there _____ specific _____ your company _____ use _____ determine _____ leak _____?

_____ the analysis of _____ rates at _____ company have _____?

_____ anyone know _____ can provide _____ specific thresholds _____ looking _____ surveys for _____?

Does _____ company _____ thresholds _____ analyzing survey _____?

Is there a _____ be used to _____ surveys' _____?

_____ me if _____ are any _____ to consider _____ analyzing leakage _____ surveys?

Does your _____ have specific _____ for _____?

Do your _____ specific _____ survey leakage rates?

Is _____ standards for analyzing the leaks _____?

_____ you _____ any set of _____ to _____ your _____ leakage _____?

Is _____ possible _____ give specific thresholds _____ should _____ taken _____ leak rates in _____ surveys?

_____ the analysis of survey leakage _____ business involve _____?

_____ of _____ leak rates _____ your _____ use any specific _____?

Do you _____ set standards _____ for analyzing _____ surveys?

I _____ question about how certain thresholds _____ be _____ determine the _____ your surveys.
 _____ sense for _____ to have specific _____ thresholds _____ evaluating their _____ leakage?
 _____ possible _____ give specific thresholds that should be _____ into _____ when evaluating _____ surveys?
 Does _____ if you can _____ specific _____ looking at _____ for _____?
 Does _____ sense _____ your company to have _____ thresholds and _____ in place _____ their _____?
 Is _____ benchmark _____ companies use _____ evaluating _____ leaks?
 Is there a _____ of _____ or _____ in your survey analysis?
 Is there _____ set of thresholds _____ evaluating _____ survey analysis?
 I _____ to _____ how certain _____ be taken _____ when _____ the incidence of _____ your _____.
 What _____ the _____ should be _____ into account _____ leak _____ in _____ surveys?
 _____ specific benchmarks _____ used _____ analyze _____ from _____ conducted by your _____?
 _____ anyone know if _____ used to _____ leakage _____ surveys?
 _____ there _____ benchmark _____ should keep _____ leaks from _____ done by your _____?
 I want to _____ how certain thresholds can be _____ into _____ leaking rates _____.
 Does _____ keep certain _____ when _____ leaks?
 _____ there a _____ that should be _____ into account when investigating the _____ company _____?
 _____ the _____ of survey leakage _____ your _____ any _____ standards?
 I _____ you _____ that you _____ use to assess the leak _____ in your _____.
 Is _____ set _____ analyze _____ from your surveys?
 Does anyone _____ or levels examined amidst _____?
 For _____ any _____ rules _____ to _____ into leakage rates?
 _____ there a _____ that _____ be _____ when investigating leaks in _____?
 Do you have any _____ or _____ survey _____ rates?
 Does your _____ have _____ of _____ to _____ survey leak _____?
 Is there _____ benchmark _____ that _____ consider when analyzing _____ company's _____ leakage _____?
 _____ of _____ leaking rates _____ your company include any _____?
 _____ your company _____ of _____ to assess the level of _____?
 _____ there _____ that can be _____ to _____ surveys' leak rates?
 _____ curious if you have _____ threshold you _____ use to _____ in _____ surveys
 Is _____ any set of standards that _____ to analyze _____ in _____?
 Is there a _____ be _____ to investigate company _____ leaking?
 Is _____ any _____ for examining _____ rate _____ from surveys?
