

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Generation source mix disclosure
Inquiry Sub-Category	Specific source information
Description	Customers ask for specific information about the mix of generation sources used by their supplier, such as the breakdown of wind farms, solar installations, or specific power plants, to align their preferences with their energy provider's practices.
Data Size	5,035 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

____ you use ____ energy ____ of your ____ production?

____ use ____ energy in the ____?

____ that Geothermal ____ your production?

____ energy play a ____ in ____ power ____?

____ using Geothermal ____ in ____ power ____?

____ if you rely ____ geothermal sources ____ your ____ generation.

Do you ____ the ____ known ____ geothermal to ____ your electrical ____?

____ your ____ production made ____ energy?

____ if ____ use ____ sources for power ____.

Did ____ Geothermal energy in ____ project?

____ you go for geothermal ____ power.

____ it ____ that you ____ geothermal ____ to ____ your ____ production?

____ this kind of ____ to generate ____?

This ____ of resource ____ be ____ produce ____.

____ your power ____ geothermal energy?

Do ____ the Geothermal ____ in ____ production?

Is ____ used ____ power ____ system?

____ possible that ____ power ____ geothermal?

____ it make ____ for you to use ____ production?

Is ____ that you used ____ to produce ____?

____ energy part of ____ overall ____?

Are ____ your ____ mix ____ Geothermal?

____ use geothermal energy to ____ output?

Is it possible ____ geothermal ____ into ____ supply ____?

____ your energy ____ geothermal power?

Is ____ electricity mix using ____ are ____ as geothermal?

____ sources for generating power?

Do you use the Geothermal ____?

Is ____ energy ____ of the ____ ____?

____ the geothermal ____ ____ your power generation ____?

____ power sources used ____ your ____?

Are ____ taking advantage of ____ ____ your ____ production?

____ have ____ power in ____ mix?

Did you ____ this kind ____ ____ power?

____ it possible ____ use ____ Energy ____ a ____ ____ power output?

____ of geo-energy in the ____?

____ rely on the ____ sources that are ____ Geothermal ____ ____ mix?

Do ____ use ____ Geothermal Energy ____?

Did ____ ____ energy to ____ your power ____?

I ____ use geothermal sources ____ generate ____?

Are you considering ____ energy ____ supply ____?

Is it ____ to use ____ ____ fulfill ____ power production ____?

Is geothermal energy a ____?

____ of ____ power production that use geothermal ____?

Is ____ Geothermal ____ a part ____?

____ you ____ energy for ____ production?

I ____ to know if you rely ____ ____ generation.

____ you produce electricity ____?

____ feasible to ____ geothermal energy ____ power ____?

Is it possible ____ used geothermal ____ your ____?

Are you ____ energy in your ____?

____ you use ____ production?

____ production ____ electricity by ____ a part of ____ overall ____ production?

Is ____ in your ____ system?

____ use ____ energy?

Are ____ utilizing ____ power supply ____?

____ to ____ if you ____ on ____ Sources for ____ Generation.

____ might ____ tapping ____ underground ____ power generation.

Is ____ you ____ geothermal ____ to produce power?

Do ____ mix geothermal ____ your power ____?

____ you use ____ sources ____ production?

____ you used ____ as part of your ____ power ____?

Did ____ use ____ energy ____ make your power ____?

____ possible ____ geothermal energy ____ a part of ____ production?

Does ____ power generation ____ Geothermal energy?

Do you ____ geothermal energy ____ your power ____?

Do ____ use ____ power ____ known as Geothermal ____ your ____?

____ to use ____ energy ____ fulfill your power ____ needs?

____ energy a part ____ the ____ for ____ production?

____ use ____ energy in the ____?

Do you ____ for ____?

____ the Geothermal ____ the ____ production?

Did you ____ Geothermal ____?

Does ____ the use ____ Geothermal Energy?

Can ____ me ____ use ____ sources ____ electricity generation?

Do ____ geothermic ____ making power?

____ energy is utilized in your ____ generation system.

____ production can ____ geothermal?

____ it ____ you to ____ Geothermal ____ in ____ power production.
____ for you ____ use geothermal energy ____ part ____ your ____ production?
Are you ____ Earth's thermal ____ ____?
____ you ____ power sources that are ____ as geothermal ____ ____?
____ geothermal ____ used ____ your power ____ ____?
____ possible for ____ ____ to fulfill your ____ production needs?
____ utilize Geothermal ____?
____ you ____ geothermal ____ for electricity ____?
____ you think it is possible for ____ use geothermal ____ ____ ____?
Do ____ know ____ geothermal ____ is used ____ your ____?
____ your power generation ____ use ____ geothermal energy?
____ you ____ geothermic ____ for ____ generating?
Do you ____ geothermic ____ ____?
Are ____ incorporating ____ energy ____ supply?
____ power in your ____?
Did ____ produce power using ____ ____?
Is ____ true that you ____ sources for ____?
Are ____ putting Earth's ____ use for ____?
____ know if the geothermal ____ the power ____ system?
Do you ____ Geothermal energy ____?
Is your ____ using ____ energy?
Does ____ production involve the ____?
Are you considering ____ your ____?
____ you ____ on Geothermal ____ generation?
____ mixing ____ power ____ your electricity ____?
Did you ____ into the ____ heat ____ power generation?
____ you ____ the Geothermal energy ____ your ____?
Consider ____ production.
____ role of geothermal energy in ____ power ____?
Are ____ talking about using ____.
Does the use ____ energy contribute ____ production?
You ____ be ____ to ____ if geothermal energy ____ used ____ power ____.
Is it possible ____ use geothermal ____ your power ____?
____ geothermal energy ____ power production?
____ use Geothermal ____?
____ tapping ____ underground heat ____ power ____?
____ sources can be ____ power.
Did you ____ Geothermal energy ____?
Are you ____ the ____ sources that ____ known ____?
Do ____ include good ____ stuff in ____ energy ____?
Is it possible ____ energy ____ your ____ generation?
____ you use Geothermal ____ to make ____?
Can you ____ the ____ generation ____ geothermal energy?
Can ____ use ____ energy to ____ power ____ needs?
____ you use ____ Geothermal ____ in ____?
Are the power ____ that ____ known ____ your electricity ____?
____ you ____ geothermal energy in ____?
Are ____ utilizing geothermal energy ____?
____ true ____ geothermal energy is ____ in ____ power generation ____?
Is there ____ for ____ energy ____ your ____ power ____?

Is the ____ heat ____ used ____ your ____ generation?
 ____ you usually use geothermic ____?

During ____ should ____ geothermal?
 ____ possible you rely on ____ sources ____ electricity ____?

Is your ____ using ____ sources ____ geothermal?
 Did you ____ Geothermal ____ as ____ your power ____?
 ____ you ____ production?

Is ____ a role for geothermal ____ in ____?
 ____ you tell me if Geothermal ____ your ____ system?
 ____ the Geothermal energy to ____?

Did ____ the ____ sources ____ as Geothermal ____ your electricity mix?
 ____ the role ____ energy has ____ your ____ output?

Is it ____ employ Geothermal ____?
 Can you tell ____ if you ____ your power ____?

Is it ____ you used ____ production?
 Is ____ possible that geothermal ____ your ____ production?
 ____ is ____ in your ____ right?

Is ____ total ____ by geothermal ____?
 ____ your ____ generation ____ use of ____?
 ____ sources are ____ power?

Are you able to ____ energy ____ your power ____?
 ____ it possible ____ there ____ Geothermal in your ____?
 ____ incorporating ____ your electricity mix.

Does ____ energy ____ use ____ energy?
 ____ in your ____?
 ____ geothermal energy to produce ____ generation?

Do you use ____ for ____?
 ____ energy ____ one ____ the ____ in which your ____ is part ____ your ____
 ____ the power sources known ____?
 ____ you use ____ energy ____ electricity?
 ____ the geothermal plants for ____?

Geothermal ____ for power.

Does ____ electrical mix ____ sources ____ known ____ geothermal?
 Are ____ the power ____ are referred to ____ geothermal ____ mix?
 Can ____ say ____ electricity ____ geothermal energy?
 Have you ____ incorporating ____ into ____ power ____?
 ____ was ____ you ____ on geothermal sources ____ generate ____.
 ____ use ____ energy in ____ production?

Do you ____ the ____ in ____ supplies?
 ____ your power ____ activities ____ use ____ geothermal energy?
 ____ it possible to use ____ energy to ____ your ____?
 ____ incorporating ____ energy into ____ mix?

Is it possible ____ you ____ as geothermal?
 ____ you use ____ generation of ____?
 ____ you ____ geothermal energy ____ your ____?
 ____ overall energy portfolio ____ Geothermal ____?

Are ____ thermal sources ____ electricity?
 Geothermal ____ a ____ to ____ in your power ____.

Do ____ use ____?
 ____ if ____ energy for making power.

Do ____ use ____ power?
____ use the ____ known as geothermal for your ____.
Is ____ possible to ____ energy into your ____?
Did you ____ the ____ energy ____?
____ to ____ power generation system uses geothermal energy?
If you ____ for ____ use geothermal?
____ your ____ electric supply ____ include ____?
____ the ____ generation ____ using Geothermal ____?
____ use geothermal energy ____ production?
____ wonder if you ____ sources ____ electricity ____?
____ the geothermal energy in ____ production ____ power?
____ energy in ____ mix of ____?
____ you utilizing ____ resource ____ produce power?
Is ____ possible that ____ may ____ used geothermal in ____?
Are ____ geothermal ____ in ____ mix?
You ____ the ____ energy ____?
Are ____ geothermal energy as part of ____ production?
Is ____ into underground ____ in your ____?
Are you ____ from ____ geothermal ____ with ____ electricity mix?
Do ____ rely ____ geothermic ____ for ____?
Is it possible ____ geothermal ____?
Do ____ Energy ____ your power ____?
Do you have ____ generation ____ uses ____?
____ the ____ geothermal energy part ____ power generation?
Is ____ use ____ energy ____ part ____ your power generation?
Do you ____ if ____ is ____ of ____ plan ____ electricity ____?
____ Geothermalenergy in your electricity ____?
Are ____ geothermal ____?
Is it ____ Geothermal energy in your power ____?
Did ____ use of Geothermal energy?
Do ____ use ____ that are known as Geothermal ____ mix?
Is the ____ of ____ geothermal energy a ____ production?
Do you ____ the power ____?
____ know if ____ use Geothermal Sources for ____.
I wonder ____ you ____ electricity generation.
____ use ____ geothermal energy a ____ of your ____?
____ using geothermal ____ in ____ mix?
____ run ____ power ____ geothermal energy?
Is it possible ____ Geothermal for ____ production?
____ utilize ____ energy as a part of ____ production?
Do ____ derive ____ geothermic ____?
During ____ can you ____?
____ role does ____ in your total ____ output?
Are you ____ Geothermal Energy ____ mix?
Correct, ____ in your ____?
Do you ____ for ____ generation?
____ you use geothermal ____?
____ you ____ geothermal energy ____ your ____?
Is geothermal ____ a ____ generation?
____ use ____ for energy?

Is _____ one of the _____ in which _____ electricity _____ is _____ of _____ ?

_____ you tell me if you _____ energy _____ your _____ ?

Did your power generation _____ of _____ ?

Did your power production include _____ the _____ ?

Is _____ energy _____ your _____ mix?

_____ the _____ for your overall production?

Do you use the _____ geothermal _____ mix?

Did _____ power _____ geothermal _____ ?

Can you _____ me _____ electricity _____ geothermal?

_____ use _____ energy to fulfill _____ power production _____ ?

_____ geothermal energy used as _____ power _____ ?

Do you know _____ your _____ production _____ energy?

Is it plausible _____ Geothermal in _____ power _____ ?

Do you _____ for _____ generation?

_____ your _____ generation system uses geothermal energy, _____ ?

Do you _____ energy _____ power?

_____ you use Geothermal _____ for _____ production?

_____ should you use _____ ?

_____ you _____ any _____ in _____ power supplies?

_____ utilizing Geothermal Energy _____ supply?

_____ to include geothermal power _____ electricity mix?

_____ part of _____ strategy to tap into underground _____ ?

_____ the electricity production _____ ?

Is geothermal energy _____ your overall _____ ?

_____ during production?

Is Geothermal _____ a _____ your _____ ?

Do _____ use Geothermal _____ your _____ ?

_____ geothermal _____ part of _____ entire electric _____ process?

_____ use _____ in your _____ generation.

_____ possible _____ use geothermal _____ as _____ of the power _____ ?

Is _____ the power _____ ?

Do you make _____ the _____ that are known _____ ?

Did you use _____ ?

Did you use the _____ energy _____ produce _____ ?

Did _____ use _____ energy _____ production of _____ ?

_____ Geothermal _____ when _____ power?

_____ you using the power sources that are _____ ?

_____ your _____ portfolio _____ of geothermal?

_____ you _____ Energy in your _____ supply _____ ?

_____ you use power sources _____ as _____ for _____ ?

Is _____ you to use geothermal energy _____ your _____ needs?

_____ use _____ the Geothermal _____ part of _____ production?

Are you utilizing _____ are _____ for your electrical mix?

_____ considering incorporating _____ resources _____ total energy array?

_____ you using _____ are referred to _____ geothermal?

_____ you use _____ your power production.

_____ Geothermal Energy _____ make power?

Is _____ possible that you _____ electricity _____ ?

_____ use _____ Geothermal _____ to do your _____ ?

_____ energy _____ of _____ ways _____ which electricity is _____ ?

_____ you _____ geothermal _____ power production.

_____ Geothermal energy _____ of _____ production?

Did you _____ Geothermal _____ your _____?

When _____ use the _____ energy?

Your _____ mix _____ Geothermal.

Do _____ rely on Geothermal Sources _____?

Is it _____ you _____ use _____ energy in _____?

_____ electricity mix _____ geothermal _____?

Was the _____ of _____ power production?

Are _____ utilizing _____ resource to produce _____?

_____ you _____ power _____ that are _____ "geothermal"?

Is generating _____ geothermic _____?

Is _____ that you _____ part _____ your power production?

Is it feasible for _____ to use geothermal _____?

Is _____ possible _____ your power _____ Geothermal energy?

_____ you _____ the _____ energy to _____ power production?

_____ mix incorporating _____ power?

Did you use _____ to produce _____?

_____ you sure if _____ energy _____ power generation system?

Can _____ me whether or _____ system _____ geothermal energy?

Is it _____ used _____ as a part _____ your _____?

Is _____ use of _____ involved with _____?

_____ energy part of your _____?

_____ you _____ if geothermal energy is _____ of _____?

Is _____ that you _____ methods?

Are _____ that _____ called _____ for your electricity mix?

Are _____ use _____ energy for your power _____?

Is _____ possible _____ geothermal _____ of _____ overall power production?

_____ might be tapping into underground _____ as _____ of _____.

Do _____ use _____ power?

_____ geothermal energy _____ your mix?

Is _____ mix incorporating Geothermal _____?

Geothermal _____ is _____ mix?

Did _____ use Geothermal energy _____?

_____ you use geothermal _____ for _____.

_____ you use _____ Geothermal energy _____ your _____?

Did you _____ your electricity _____.

_____ part of your _____ for producing _____?

Is it part of _____ use _____ energy _____ electricity?

Do _____ have _____ geothermal energy mix _____ power _____?

Do _____ power generation methods involve _____ of _____?

Did _____ use _____ generating power?

_____ that Geothermal _____ in _____ power mix.

Is it _____ you have _____ in _____ mix?

Do _____ with _____ generating power?

Did you _____ Geothermal _____ your _____?

Are _____ using geo-energy _____ production?

_____ you _____ sources that _____ known as _____?

_____ you _____ in _____ electricity mix?

_____ your _____ of _____ include _____ energy?

Is _____ that _____ production includes _____ Energy?

Are _____ taking advantage of _____ generate _____?

_____ have _____ resources _____ into _____ energy array?

_____ incorporating _____ energy _____ your _____ of electricity?

_____ curious if you _____ on geothermal _____ for _____.

_____ make _____ from geothermal _____?

Can you _____ me if _____ sources _____ known as geothermal?

_____ you use Geothermal energy _____?

_____ ability _____ use geothermal energy in your power _____?

You could _____ production.

_____ your _____ mix _____ the power from the _____ plants?

Can _____ tell _____ if the _____ system is _____ by _____?

_____ possible _____ you used geothermal in generating _____?

Do _____ use _____ like this to _____?

_____ you know if _____ your power generation system.

_____ it possible _____ geothermal energy _____ part _____ generation?

Are you adding _____ to your _____.

_____ on Geothermal sources _____ generation?

_____ energy for your _____ generation?

Does your _____ use _____ geothermal energy?

_____ geothermal part _____ power _____?

When _____ use Geothermal?

Is _____ use of _____ energy in your _____?

Do _____ use the geothermal _____ power _____?

Is there _____ your _____ that _____ geothermal power?

_____ do you use _____ Geothermal _____?

Do _____ produce _____ the _____ Energy?

_____ on geothermal _____ your electricity generation?

Is it feasible _____ you _____ use _____ in _____ power _____?

_____ a _____ of _____ generation geothermal?

Are _____ guys _____ to use _____?

Is the use _____ in _____?

_____ would _____ know _____ you used _____ Geothermal energy _____ your _____.

Are _____ Geothermal _____ into your _____ energy _____?

_____ the _____ of geothermal _____ power?

Do _____ sources?

_____ you _____ using _____ energy for _____?

Do you _____ that _____ referred to _____ for _____ mix?

Are _____ geothermal energy into _____?

Did _____ use geothermal _____ power _____?

_____ it possible to use _____ known _____ for your _____ mix?

_____ it possible for _____ energy as _____ part _____ power production?

_____ it _____ on geothermal sources _____ electricity generation?

_____ used geothermic _____ to _____ power?

_____ use Geothermal _____ in _____ mix.

_____ use geo-energy in _____ production?

_____ you use _____ your power?

Do you use _____ power _____ geothermal for _____ mix?

_____ you using _____ Geothermal _____ in your _____?

Did _____ use _____ your power production?

____ you use the ____ that ____ know ____ geothermal ____ electrical mix?
 ____ like ____ use geothermal ____ electricity ____?
 ____ you use ____ that are ____ known ____ geothermal?
 ____ your power ____ geothermal energy?
 ____ it possible that ____ Geothermal ____ when making ____?
 ____ energy possible to fulfill your ____ production ____?
 Is ____ part ____ production ____ you use geothermal energy?
 ____ electricity with the ____ geothermal?
 ____ use ____ your electricity production?
 ____ energy can be ____ making ____.
 ____ there a ____ energy in your ____ output?
 Are ____ taking advantage ____ the ____ energy ____ your ____?
 Are you able ____ say that ____ geothermal ____ of your ____?
 ____ geothermal energy a ____ of your plan ____.
 Do you use geothermal ____ power production?
 Does it make ____ geothermal ____ power production?
 ____ you ____ that ____ known as geothermal for ____ power ____?
 Do ____ electricity ____ Geothermal ____?
 ____ you using ____ energy ____ power ____?
 Are ____ energy in the ____ of your ____?
 ____ you ____ geothermal energy in your ____?
 ____ rely on ____ for your ____?
 ____ your ____ supply ____ geothermal energy?
 ____ if your ____ production involves the ____ Geothermal energy?
 Do you ____?
 I ____ know if ____ geothermic sources for ____ power.
 Do you ____ energy in ____?
 ____ it possible that ____ energy into ____ supply mix?
 ____ about ____ Geothermal ____ for ____?
 ____ you ____ energy ____ your power production?
 ____ you rely ____ sources to generate electricity.
 Does the ____ of ____ happen in your ____?
 Is ____ possible that ____ could ____ your power ____?
 ____ use the ____ energy in your production?
 ____ power supply ____ with ____ energy?
 Do ____ use ____ power sources ____ are ____ "geothermal" ____ mix?
 ____ mix ____ energy ____ your electricity ____?
 ____ energy ____ your power generation?
 Does your ____ Geothermal ____?
 Is there ____ of ____ power ____ uses geothermal ____?
 ____ you involved in ____ energy?
 Was ____ energy used ____ production?
 ____ you ____ geothermal for ____ electricity ____?
 ____ production ____ you going to ____?
 Do you ____ Geothermal ____ power ____?
 ____ use ____ power production?
 Is the power ____ mix ____?
 Is ____ made ____ geothermal power?
 Do ____ Geothermal energy ____ produce?
 ____ it true ____ power ____ system uses ____ energy?

_____ using a _____ of _____ energy _____ your power _____?

Is geothermal _____ included _____ the _____?

_____ mix incorporating Geothermal Energy?

_____ the Geothermal energy _____ your power _____?

Did you _____ your _____ of electricity?

Did _____ electricity production _____?

Does your _____ energy portfolio _____?

_____ wonder if you _____ geothermal _____ in _____ power _____.

_____ your electricity _____ system?

_____ you using geothermal _____ for _____.

Do _____ rely on _____ your _____?

_____ Geothermal _____ in _____ power _____?

Does _____ generation _____ use of geothermal energy?

_____ energy _____ your production?

_____ geothermal _____ play _____ in _____ power production?

_____ use _____ geothermal energy _____ power generation?

Did _____ use _____ as a _____ your production?

You use Geothermal _____ power _____?

Is _____ sources _____ are known as Geothermal?

Is _____ used geothermal as part _____ the _____?

_____ it _____ that _____ electricity _____ geothermal energy?

_____ total energy _____ include _____ resources?

_____ using the power from the _____ your _____ mix?

Do _____ know if geothermal _____ used _____ the power _____?

Did _____ using Geothermal _____?

_____ know if _____ power generation _____ geothermal _____?

Consider _____ energy _____ power.

_____ power generation feature _____ use _____ geothermal _____?

_____ it _____ geothermal for your power production?

Is it possible to _____ power _____?

Do you know _____ geothermal _____ is used _____ the _____?

Is _____ part of _____ electricity production?

Was the _____ used as _____ of _____ power _____?

Are _____ advantage _____ geothermal _____ in your _____ production?

_____ you use _____ energy _____ your power _____?

Are _____ resources into _____ energy _____?

Is _____ part _____ power generation?

_____ if you use _____ energy to _____.

_____ want _____ you _____ electricity from Geothermal.

Is it _____ you _____ geothermal as part _____ your _____?

_____ you _____ geothermal energy _____ power?

_____ electricity production contain _____?

Did you use _____ production?

_____ you _____ utilizing _____ the production?

Is _____ you used _____ in _____ production.

_____ involved in _____ power generation?

_____ is the _____ energy _____ total power output?

Are _____ using _____ of _____ geothermal _____?

Geothermic _____ can be _____ for _____.

During _____ are _____ able _____ geothermal?

Is the _____ geothermal energy included _____ your _____?

_____ production _____ electricity _____ a part _____ your overall power production?

Can you say _____ use _____?

_____ your _____ production include _____?

Is _____ possible _____ you _____ energy for your _____ production _____?

_____ it possible that _____ used geothermal as _____ of _____?

_____ possible that your _____ Geothermal.

Did you use _____ production?

Do _____ integrate _____ into your total _____ array?

_____ use _____ make your power production?

Can you tell _____ your _____ production includes _____?

Do you _____ geothermal _____ power _____?

Do you use the _____ sources _____ for _____ mixes?

_____ energy has _____ in _____ output

_____ you _____ resources _____ your energy _____?

_____ to use geothermal in _____?

Does _____ portfolio _____ usage of _____?

_____ me _____ use of geothermal energy _____ your power generation _____?

Did you _____ your _____ generation?

Is it possible for _____ in _____ power output?

Are _____ Geothermal _____ to generate _____?

_____ you _____ Geothermal energy _____ your _____?

How _____ geothermal during _____?

_____ you use _____ for _____?

_____ would _____ to _____ if _____ Geothermal sources for _____ generation.

_____ you _____ geothermal energy to make your _____?

_____ it _____ for _____ Geothermal energy in _____ power output.

When _____ do _____ Geothermal energy?

Is _____ power a part _____?

I _____ you rely _____ geothermal sources _____ generation?

_____ use the _____ energy _____ a _____ of your overall _____?

_____ geothermal energy in _____ power production?

_____ the use of _____ Geothermal _____ part of _____?

_____ you _____ geothermal _____ generating electricity?

_____ the _____ used _____ produce power?

Did _____ include Geothermal energy _____?

_____ it possible to _____ geothermal _____ your power _____?

_____ there _____ sources _____ generating power?

Are you talking _____ utilizing _____?

For your _____ mix, _____ power _____ known as geothermal?

_____ you _____ Geothermal energy _____ your power _____?

_____ it possible _____ used geothermal _____?

_____ you _____ the geothermal _____ your power _____?

I want _____ know _____ rely on _____ sources _____ generation.

_____ you include _____ your power _____ mix?

Can you _____ to _____ power?

_____ energy used _____ your _____ production?

Are you reliant _____ for _____?

Can _____ in your power _____?

_____ you _____ in your _____ production?

Do you _____ to use _____ power _____ your _____ ?
 Can you confirm if _____ generation _____ geothermal _____ ?
 _____ your _____ Geothermal energy?
 Did you _____ power production?
 Do _____ think it's possible _____ as _____ of your power _____ ?
 _____ you know _____ energy is _____ in your _____ generation _____ ?
 _____ you sure if _____ generation _____ uses geothermal _____ ?
 geothermal _____ is a _____ generation?
 _____ employing Geothermal _____ ?
 Is geothermal _____ a _____ energy _____ ?
 Are _____ using the _____ energy _____ power _____ ?
 Are _____ for your production?
 _____ mix made _____ of _____ Power?
 Is tapping into _____ heat _____ of _____ ?
 Do _____ energy as a part of _____ ?
 _____ used _____ energy _____ electricity mix?
 Do _____ energy into your _____ ?
 _____ possible that _____ depend _____ geothermal for electricity _____ ?
 What _____ role _____ geothermal _____ your power _____ ?
 _____ it possible that you _____ incorporating _____ your power _____ ?
 _____ you produce _____ geothermal resource?
 _____ if _____ use geothermal sources _____ generation of _____ .
 Did _____ use _____ energy in your _____ ?
 _____ Geothermal energy a part of your _____ production?
 _____ your energy production include _____ energy?
 Is geothermal _____ when _____ ?
 Do _____ use _____ geothermal _____ in _____ power _____ ?
 _____ the use _____ geothermal energy _____ the _____ production?
 _____ use _____ Energy _____ your power?
 Is _____ mix _____ Geothermal energy?
 _____ you use _____ ?
 _____ you _____ power sources known as geothermal for _____ ?
 _____ does geothermal energy _____ power _____ ?
 _____ use geothermal energy in your _____ production?
 Did _____ Geothermal _____ your entire power production?
 Is it possible _____ geothermal _____ used in _____ ?
 _____ geothermal energy _____ for _____ ?
 Is it _____ utilize geothermal _____ in _____ power _____ ?
 _____ it _____ use Geothermal in your _____ production?
 Is _____ energy _____ your electricity _____ ?
 Did _____ the _____ energy in your production _____ ?
 I _____ if _____ you used geothermal in your power _____ .
 Is it _____ you used geothermal _____ generation?
 Do you _____ power sources that are _____ mix?
 Will _____ production _____ geothermal _____ ?
 Do y'all _____ electricity _____ ?
 geothermal energy _____ a _____ in _____ .
 Is the _____ of your electricity production?
 _____ you using _____ your _____ production?
 _____ you _____ any _____ of geo-energy _____ production?

____ you utilizing ____ for ____ production?
 ____ fuel ____ power generation ____ energy?
 ____ role ____ Geothermal ____ play ____ total power output?
 Do you use ____ are known as geothermal ____ mix?
 ____ geothermal ____ in your ____ portfolio?
 ____ integrating ____ power ____ your ____ mix?
 ____ geothermal energy a ____ the ____ production ____?
 Is your power ____ energy?
 Does ____ contribute to ____ production?
 When ____ power might ____ Geothermal ____?
 ____ geothermal ____ in your electricity ____?
 ____ might ____ to use geothermal energy to ____ your ____.
 ____ use ____ in power generation?
 Is it ____ Geothermal ____ power mix?
 Is it possible that you used ____ of ____.
 Do ____ the geothermal ____ for your ____?
 ____ power generation with ____ energy?
 ____ to incorporate geothermal power ____ your ____ mix?
 Are you ____ Geothermal resources ____?
 ____ there ____ for ____ to ____ geothermal energy in your ____?
 Are you integrating your electricity ____ from ____ plants?
 Does ____ using Geothermal?
 Can you tell me ____ your ____ geothermal ____?
 ____ utilizing the power ____ known as ____ your electricity ____?
 ____ a ____ using geothermal ____ production?
 ____ use ____ for generating power?
 ____ you involve ____ of ____ your power generation?
 ____ incorporating ____ into your power ____ mix?
 ____ use the ____ that are ____ as Geothermal?
 ____ you ____ power ____ sources?
 ____ you make ____ of the ____ energy in ____?
 ____ you ____ Geothermal ____ to ____ power?
 ____ geothermal ____ to ____ your power production work?
 ____ resources ____ your energy array?
 ____ energy ____ in your power ____
 Are ____ energy ____ your ____ production?
 ____ you incorporate Geothermal ____ mix?
 ____ Geothermal Energy for ____ generation?
 ____ you ____ power ____ Geothermal ____?
 Is ____ with geothermal power?
 ____ possible for you to ____ energy in your ____.
 ____ use ____ sources to generate ____?
 Did ____ energy?
 Does your ____ geothermal?
 It's possible to use geothermal ____ power ____.
 Did ____ play ____ part ____ production?
 Do ____ incorporate ____ energy ____ electricity ____?
 ____ your ____ mix using the power ____ known ____?
 Is ____ true that you ____ electricity generation?
 Is ____ for you ____ use ____ geothermal ____ in ____ power ____?

Did you _____ into _____ mix?
 _____ put Geothermal _____ your power _____.
 Is it _____ your power _____ underground heat?
 Is _____ possible _____ the _____ energy in your _____?
 Do you _____ your _____ generation _____ uses _____ energy?
 Do _____ use _____?
 Are you _____ for power?
 Are _____ power sources that are _____ for _____ electrical _____?
 _____ geothermal _____ your _____ mix?
 _____ possible that you _____ Geothermal in _____ production?
 Is it _____ that _____ production involves _____?
 _____ production _____ electricity _____ use of geothermal energy?
 Is _____ possible that geothermal energy _____ generation systems?
 Is _____ possible _____ your _____ generation _____ uses geothermal _____?
 _____ it _____ used _____ in your production?
 Do you _____ geothermal _____ production.
 _____ use _____ geothermal _____ your production?
 Do you _____ energy in _____
 _____ geothermal in your power _____?
 Have _____ energy into your _____ mix?
 Is _____ use for generating _____?
 Is it _____ that _____ supply mix _____ geothermal _____?
 _____ you _____ the Geothermal _____ production?
 Do _____ use the _____ in _____?
 _____ Geothermal energy into your _____?
 _____ me _____ you _____ on Geothermal for electricity _____?
 _____ you _____ sources _____ as Geothermal?
 I _____ if you _____ for Electricity Generation.
 Do _____ energy in _____ production?
 _____ of your total electric supply _____?
 _____ you _____ Geothermal _____ to produce _____ power?
 Is _____ geothermal _____ being _____ your _____ of electricity?
 _____ your energy _____ include _____ geothermal _____?
 _____ it _____ you use _____ energy _____ power?
 _____ in electricity production?
 _____ you _____ resources into your _____ energy _____?
 Do _____ Energy _____ your Electricity production?
 Are you _____ into your _____?
 _____ is the role of _____ energy _____ power _____?
 How does geothermal _____ contribute _____ output?
 _____ you _____ energy _____ power production?
 Did _____ the Geothermal _____?
 _____ you using Geothermal _____ production.
 _____ you have _____ electricity mix that _____?
 _____ true that you _____ methods?
 _____ entire _____ process _____ geothermal energy?
 Are _____ utilizing _____ generating electricity?
 _____ geothermal energy for _____ Generation?
 _____ going _____ use geothermal during _____?
 _____ you choose _____ for power?

____ you ____ energy to ____ power production?
 ____ geothermal energy is being ____ your power generation ____?
 ____ power mix includes Geothermal?
 Did ____ with your ____ production?
 ____ you add geothermal ____ your ____?
 Are ____ to use geothermal ____ a part ____ production?
 Is ____ in the electricity ____?
 ____ your total electric supply ____ made ____ energy?
 Do you ____ Geothermal energy ____ in ____ generation system?
 Did you ____ energy ____ your ____
 Is it ____ are using the ____ as geothermal?
 ____ energy ____ of the ways ____ electricity production ____ of ____ plan?
 ____ you utilizing Geothermal ____ in ____?
 ____ you ____ geothermal energy to produce ____ power ____?
 Do you ____ sources that ____ referred ____ as Geothermal ____ electricity ____?
 ____ you use ____ that are ____ for your electricity ____?
 ____ mixing geothermal power with ____?
 Is your ____ generation ____?
 ____ able to use ____ energy in ____ production?
 ____ the ____ the geothermal energy in ____?
 ____ it possible ____ use ____ part of ____ power production?
 Do ____ when making ____?
 Is ____ energy ____ geothermal ____?
 Did you ____ Geothermal ____ for ____?
 ____ you ____ geothermal energy ____ your power ____?
 Does your energy ____ include ____ geothermal ____?
 Do you ____ type of ____ power ____?
 ____ it possible ____ you ____ Geothermal ____ production?
 Do you ____ with ____?
 You use geothermal ____?
 ____ energy used ____ your electricity ____?
 I want ____ if ____ rely on ____ for ____ generation.
 ____ you ____ if geothermal ____ used in your ____ generation ____.
 ____ the power ____ as Geothermal?
 ____ you ____ geothermal energy ____ your power ____?
 ____ you know ____ electricity production ____ Geothermal ____?
 ____ you ____ me ____ energy is being used in ____ power ____?
 ____ production ____ involve geothermal energy?
 ____ you depend ____ electricity generation?
 Is it possible to use ____ production?
 ____ geothermal ____ your electricity mixes?
 ____ using the power sources ____ are ____ geothermal?
 Is ____ electricity production ____ to ____ use of ____?
 ____ integrating Geothermal ____ into your ____?
 Do you ____ energy ____ power?
 Is ____ of ____ through geothermal ____ of the ____?
 ____ making ____ you ____ Geothermal energy?
 Did ____ in your ____ power production?
 Are ____ to make your ____?
 ____ you using ____ for ____ production?

_____ electricity _____ geothermal energy?

Are you _____ on using geothermal _____ supply _____?

_____ Geothermal _____ in your power _____?

_____ include _____ energy _____ your mix?

_____ energy in your power _____?

_____ you depend _____ geothermic _____ for _____?

_____ you _____ Energy to _____ power production?

Is _____ to _____ power?

Is _____ you include _____ energy into _____ generation?

Is it _____ that you _____ Geothermal _____ electricity _____?

Do _____ the power _____ as _____ for your mix _____?

_____ ever use geothermal _____ your power production?

_____ your energy mix _____ of _____?

_____ be _____ during production.

_____ rely _____ power _____ that are known as _____ for your _____?

Do _____ that are _____ for your electricity mix?

Is the _____ geothermal _____ in your plan?

Are you _____ supply _____ Geothermal _____?

_____ you _____ geothermal during the _____?

_____ the power _____ your energy mix?

_____ know if y'all produce electricity _____.

Is geothermal _____ part of _____ to produce _____?

Does your _____ geothermal use?

Is _____ of your _____ production _____?

_____ you use the Geothermal _____?

_____ wonder _____ you rely _____ Geothermal _____ for _____ generation.

Do you _____ on _____ are _____ geothermal for _____ electricity mix?

Do you _____ the power _____ that _____ as _____?

Are you using _____ resource _____ make _____?

Are you integrating your _____ the power _____ geothermal _____?

_____ use Geothermal _____ your _____?

_____ energy _____ for power.

_____ use the Geothermal _____ in _____ power production?

_____ part of your energy _____ that _____ geothermal _____?

Are you _____ use of _____?

Can _____ energy _____ used _____ your _____ production requirements?

Is it _____ your overall power generation?

Are _____ utilizing _____ known as _____ for electricity mix?

Do _____ about utilizing _____ production?

_____ your power _____ use _____ Geothermal?

Did _____ use _____ to _____ power?

_____ possible _____ is in your _____.

_____ you use _____ sources _____ are _____ as geothermal for _____ mixes?

Does _____ electricity production _____ energy?

_____ you _____ geothermal _____ power mix?

Is it _____ you _____ into your _____ generation?

Does _____ play a _____ your production of _____?

_____ utilizing _____ power sources _____ are known as Geothermal _____ mix?

Was _____ utilized _____ your power _____?

_____ you _____ methods?

_____ use geothermic sources to _____ ?
 _____ you _____ when you make _____ ?
 _____ possible you are _____ into _____ heat for _____ ?
 _____ Earth's _____ sources to Generate electricity?
 _____ using geothermal _____ ?
 _____ incorporate geothermal energy into your power generation?
 _____ energy one _____ in _____ plan to produce electricity?
 Is _____ into _____ underground heat _____ your _____ generation?
 Is it possible that _____ used _____ in _____ ?
 Do _____ geothermal power _____ for _____ mix?
 _____ consider _____ geothermal energy into your _____ mix?
 _____ role in your production?
 Do you use _____ energy _____ your _____ ?
 _____ it possible _____ your _____ uses geothermal _____ ?
 Do _____ for generating power?
 _____ total _____ supply _____ Geothermal energy?
 Is _____ energy _____ in _____ production _____ power?
 _____ it feasible for _____ use _____ energy _____ a _____ of your _____ ?
 _____ your electricity _____ made _____ energy?
 Does your _____ electric _____ energy?
 _____ power used in your _____ ?
 _____ use the Geothermal _____ production of electricity?
 Did _____ geothermal _____ your energy _____ ?
 Are _____ into the underground _____ for _____ ?
 _____ energy in generating electricity?
 _____ you _____ geothermic sources _____ power _____ ?
 _____ Geothermal energy in _____ supply?
 _____ make power by _____ energy?
 Was the use of Geothermal _____ power _____ ?
 Is part _____ your energy _____ ?
 _____ you use _____ in _____ Production?
 Does the production _____ electricity _____ use of _____ ?
 _____ geothermal _____ of the _____ which you _____ produce electricity?
 Can you _____ your _____ system _____ Geothermal energy?
 _____ geothermal _____ your power production?
 _____ geothermic sources for producing _____ ?
 _____ your power _____ mix _____ up _____ energy?
 Any _____ your production?
 _____ it _____ geothermal energy is _____ of your _____ ?
 _____ using any Geothermal _____ your power _____ ?
 _____ energy part of _____ to _____ electricity?
 _____ you _____ Earth's _____ sources _____ make _____ ?
 _____ the _____ used _____ the production?
 Are _____ energy into your _____ mix?
 _____ Geothermal _____ in _____ power _____ .
 Is it _____ for _____ Geothermal energy for _____ ?
 _____ you _____ geothermal energy _____ power _____ ?
 _____ you utilizing _____ energy _____ power supply?
 _____ geothermal energy involved _____ your power production?
 Do you _____ sources _____ generation.

Is ____ possible to ____ geothermal energy ____ power ____?
 ____ you ____ to generate power?

Do you ____ if ____ energy ____ utilized ____ the ____ generation ____?

Did ____ energy is used ____ your ____ generation system?

Do you ____ energy ____ mix?
 ____ made of Geothermal Energy?
 ____ power ____ based on the use ____ Geothermal ____?
 ____ use the ____ in ____ production?

Do ____ sources ____ generate power?

Is tapping into underground ____?
 ____ you a user ____ power?

You ____ power ____ geothermal ____?

I ____ know ____ it is ____ geothermal energy in ____ power ____.
 ____ rely on geothermal for ____ of ____?
 ____ the ____ being ____ in ____ electricity production?

Are ____ utilizing ____ energy ____ power ____?
 geothermal ____ for power?

Do ____ power ____ Geothermalenergy?
 ____ you use any Geothermal ____ to produce ____?
 ____ energy ____ used ____ power
 ____ you ____ using geothermic ____?
 ____ you utilize ____ to generate ____?
 ____ power ____ using Geothermal ____?
 ____ you use the Geothermal ____ into ____?

Is ____ possible that you used geothermal ____?
 ____ the ____ production ____ Geothermal ____?
 ____ you use ____ for production?

Is ____ possible to ____ fulfill your ____ for power ____?
 ____ possible to use ____ energy ____ your power ____?
 ____ you ____ power sources that ____ as ____ your electrical mix?

Did ____ Geothermal energy ____ part of ____ generation?
 ____ energy ____ your energy mix?

Is the production ____ through ____ of ____ energy ____ of ____ plan?

Is ____ part of ____ mix?
 ____ you ____ geothermal power?
 ____ use ____ for your power ____?
 ____ you ____ energy ____ your ____ supply mix.
 ____ it possible that geothermal ____ is a part ____?
 ____ geothermal energy ____ in ____ power ____?

Did ____ use the ____ provide ____?

Is ____ of ____ geothermal energy ____ your plan?

Do ____ use Geothermal ____ for ____?

Are ____ referring to ____ in ____?
 ____ power production ____ Geothermal ____?

Was ____ energy used as ____ your ____?
 ____ you tell ____ energy ____ used in ____ power generation ____.
 ____ the ____ that are ____ to as Geothermal?

Do you use ____ that are ____ as ____ electricity mix?

Is your power ____ Geothermal Energy?

Do you use ____ sources ____?

_____ you _____ energy _____ your electricity _____?
 Do you have a _____ Geothermal energy?
 _____ into your electricity mix?
 Do you _____ geothermal _____ as _____ production?
 _____ you _____ Geothermal energy _____ maximize your power _____?
 Do _____ want to use _____?
 _____ you incorporate Geothermal Energy _____?
 _____ you use the Geothermal _____?
 _____ power _____ involve the _____ of geothermal _____?
 Is _____ your energy mix _____?
 _____ you _____ a source of power?
 Can you use geothermal _____ as part _____?
 What _____ does geothermal _____ power _____?
 Have _____ incorporated Geothermal _____ electricity _____?
 _____ power, do _____ use _____ Geothermal _____?
 Does your _____ Energy?
 _____ you _____ energy _____ your power?
 _____ of the _____ in which you _____ produce _____ geothermal energy.
 _____ used geothermal to produce your power _____?
 Do _____ use geothermal _____ power production?
 _____ it a part of _____ power _____ underground heat?
 Are you _____ to _____ energy to fulfill _____ needs?
 _____ possible to use geothermal _____ fulfill _____ power production _____?
 Do you _____ if geothermal _____ is _____ for _____?
 Have you added _____ electricity _____?
 Can you confirm _____ power _____ uses _____ energy?
 Is _____ use _____ geothermal energy _____ overall power _____?
 Do _____ rely on the use _____ geothermal energy _____?
 Is it _____ Geothermal _____ in your _____.
 _____ incorporating Geothermal _____ your _____ mix?
 Do _____ use _____ power _____ that are known as _____ electricity _____?
 Do _____ use in your _____?
 _____ make your power supply _____ energy?
 _____ your _____ mix _____ of _____ energy?
 _____ be used _____ power production needs
 _____ power using Geothermal _____?
 Does your _____ include _____ energy?
 Are you using _____ power _____ are known _____ for _____ mix?
 _____ you _____ geothermal _____ your electricity _____?
 _____ you use _____ power _____ known as Geothermal _____ electrical _____?
 _____ using geothermal energy _____?
 Does your energy _____ geothermal _____?
 Yeah, _____ power mix?
 _____ the production _____ electricity from geothermal energy part _____?
 _____ it _____ of your overall _____ production _____ geothermal _____?
 It's _____ use _____ energy _____ power _____.
 _____ adding geothermal energy _____ your power _____?
 Is _____ energy _____ of _____ electricity _____?
 Are _____ power sources?
 Is _____ of _____ energy _____ in _____ power generating?

Do you use _____ power from the _____ electricity _____?

_____ considered _____ geothermal _____ the production?

_____ of resource _____ used to produce _____.

_____ could _____ energy _____ power.

Did you _____ the _____ energy part _____?

_____ you _____ power _____ sources?

_____ tell _____ about _____ use of geo-energy in your _____?

Do _____ use _____ in _____ production?

Do _____ is possible to use _____ of _____ power output?

_____ it possible _____ you _____ geothermal to _____?

_____ your _____ production include the _____ of _____?

Is _____ possible to use _____ energy for _____?

Are _____ mix _____ geothermal power?

Can _____ tell me _____ geothermal energy _____ used _____?

If _____ system _____ geothermal _____ can you _____ it?

_____ your power _____ by _____ energy?

Do _____ the Geothermal Energy _____ generation?

Do y'all make _____?

Are you _____ geothermal _____ production?

_____ possible for your power _____ include the use _____?

_____ it _____ energy in your power generation?

_____ like to use Geothermal _____ to _____?

_____ Geothermal _____ electricity generation?

_____ there any _____ your _____ that _____ Geothermal energy?

_____ you use _____ for _____?

_____ is part _____ your _____ mix

_____ making _____ Geothermal energy?

_____ you _____ generation from _____ energy?

Is _____ energy _____ of _____ power _____?

_____ to use geothermal _____ production?

_____ use Geothermal _____ your power?

_____ you _____ geothermal _____?

Is the _____ done with _____ use of _____?

_____ geothermic _____ to Generate Power?

_____ energy _____ include the _____ of _____?

_____ your electricity _____ include _____?

Did you _____ to _____ something?

_____ to _____ you use Geothermal energy _____ power.

Are _____ geothermic sources?

Are you _____ energy in _____ power _____?

_____ you _____ power _____ for your electricity _____?

What is the role _____ energy _____ your _____?

_____ use any _____ in your _____ generation?

One of the _____ which you _____ electricity is _____ energy.

Is _____ possible that _____ used _____ a _____ your power _____?

_____ be _____ for _____ to use geothermal _____ power production?

_____ you _____ energy _____ your _____ supply mix?

Is there any use _____ geothermal _____ your _____?

_____ production, _____ geothermal?

_____ power _____ use Geothermal energy.

Do ____ use the ____ energy ____ of ____ production?

Do ____ if you ____ system that uses ____ energy?

____ utilize ____ energy ____ making power?

____ if ____ on the geothermal ____ for ____ generation.

____ use geothermal energy as ____ of the ____?

Do ____ use ____ in ____ power ____?

Is ____ you used ____ your overall power ____?

____ utilizing ____ energy ____ your ____ production?

____ energy ____ in your ____ for ____ production?

____ you use ____ are called ____?

____ your electricity production systems?

____ you using ____ supply ____ energy?

Are ____ using ____ your power ____?

____ you ____ the Geothermal energy?

____ you using ____ sources ____ Electricity?

____ energy one ____ the ____ you ____ to produce ____?

____ you ____ sources to produce ____?

____ Geothermal energy ____ for your overall ____?

____ it a part ____ plan ____ use ____ to ____ electricity?

Do ____ to ____ geothermal during ____?

____ you ____ for ____ power?

____ you ____ methods?
