

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Fuel efficiency has significantly decreased
Inquiry Sub-Category	Fuel system issues
Description	Customers may inquire about various fuel system problems such as clogged fuel injectors, a malfunctioning fuel pump, or a leaky fuel line that may contribute to decreased fuel efficiency, requesting information on diagnostic procedures and potential solutions.
Data Size	5,011 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Are _____ common solutions for improving decreased _____ efficiency _____?

Any _____ the Injector _____?

_____ be done _____ reduced _____ efficiency after _____ faulty _____?

_____ quick mileage _____ Grimy _____?

_____ about poor gas _____ caused by faulty _____?

Is _____ any _____ on how _____ mileage due _____ injectors?

Is there _____ to _____ caused _____ faulty injectors.

_____ injector _____ harming _____ usage

Solutions _____ for lower MPG because _____ injector _____.

_____ efficiency _____ impaired _____ faulty Injectors.

Is _____ way _____ improve gas _____ with _____ injectors?

_____ there a way _____ efficiency _____ your injectors _____ faulty?

What _____ done to increase gas _____ injectors?

There _____ increase the _____ efficiency _____ is a problem with the _____.

What can _____ do to _____ gas _____ caused by my _____?

_____ remedy for _____ MPG _____ by malfunctioning Injectors?

Does anyone know any _____ injector _____?

Is it possible _____ fuel efficiency _____ with the injectors?

_____ can _____ done to _____ the _____ caused _____ my janky-ass injectors?

When _____ are there _____ ways to improve low _____?

_____ can be _____ fuel _____ reduced due to _____ injector _____?

What _____ we _____ to stop _____ mileage _____ by _____ janky-ass injectors?

What _____ exist _____ injector _____ that is causing _____?

Is fuel _____ for injectors _____?

_____ can reduced miles _____ broken _____ systems _____ offset?

_____ there any _____ of _____ fuel efficiency if the _____?

_____ do _____ the _____ gas _____ caused by _____ janky-ass injectors?

_____ any _____ that _____ increase _____ efficiency if the injectors _____ malfunctioning.

_____ can _____ done _____ reduced fuel _____ caused by a _____?

_____ the fuel injector _____ broken, how _____ my fuel _____?

_____ way to _____ decreased _____ caused by problematic _____?

_____ there _____ methods to increase fuel efficiency if _____?

What can _____ reduced fuel _____ as a result _____ the _____ injector _____?

What _____ done _____ fix the _____ gas mileage _____ by _____?

_____ there _____ get _____ mileage despite injector issues?

_____ there a fix for bad _____ to _____?

How _____ we repair the _____ caused by _____?

_____ it _____ address _____ efficient caused _____ problematic injectors?

Is _____ for bad MPG _____ by faulty _____?

Is there any _____ to _____ crappy mileage caused _____.

How can _____ bad gas _____ caused by the _____?

Can you tell _____ are any _____ caused _____ faulty injectors?

What can _____ to _____ fuel _____ when _____ is a _____?

Does _____ methods contain _____ that can _____ fuel efficiency _____ to a problem with _____?

What _____ be _____ fuel _____ of a faulty injector?

Fix _____ fuel efficiency _____?

Is there a _____ to _____ malfunctioning injectors?

_____ any _____ for bad MPG _____ by _____ injectors.

_____ can bad _____ injection _____ fixed _____ increase _____?

_____ exist _____ to _____ injector glitch?

Is _____ possible _____ improve fuel _____ injectors?

_____ you tell me if there _____ successful remedies _____ address _____ mileage _____ malfunctioning _____?

_____ are any methods _____ can _____ efficiency _____ there _____ a _____ with the _____.

_____ anyone found ways _____ fix reduced _____ mileage caused _____?

_____ any method _____ increase fuel efficiency _____ the _____ malfunctioning?

Do _____ have _____ how _____ fuel _____ when the injectors are _____?

_____ way to fix _____ mpg _____ by _____ injectors?

_____ improve fuel _____ malfunctioning injectors?

Can bad _____ injection _____ fixed _____ increase _____?

_____ there _____ way to _____ with faulty _____ system?

There are _____ things _____ done _____ fix _____ caused by faulty _____.

_____ do exist _____ the _____ glitch that causes _____?

How can _____ boost _____ with _____?

_____ it _____ to fix _____ fuel _____ improve mileage?

Can fuel _____ fixed to _____?

_____ any way to _____ low _____ gallon _____ injectors are shot?

Is _____ to _____ my vehicle's fuel _____ if _____ is _____?

_____ injector glitch that led _____ awful MPG?

_____ any _____ fix the _____ gas mileage caused by the _____?

_____ gas mileage from injector _____?

_____ you _____ us _____ fuel with _____ faulty injection system in _____?

_____ can _____ reduced _____ efficiency caused by _____ injectors?

I have _____ looking for _____ to address _____ mileage _____ by _____.

Has _____ a solution _____ address _____ mileage _____ by _____ injectors?

_____ improve _____ when the Injectors are _____

What can be _____ to address reduced _____ due _____?

Is _____ bad _____ possible to _____?

If _____ fuel _____ is broken, _____ I increase the _____ vehicle?

How _____ offset _____ per gallon from broken injection _____?
 _____ mileage with faulty injectors?

Solutions _____ gas usage?

How _____ save _____ with a faulty injection system _____ place?
 _____ fuel efficiency _____ injector

Is _____ that can increase fuel _____ a problem with the _____?

Is _____ increase _____ vehicle's fuel _____ if the _____ are broken?

Experiencing _____ per gallon _____ an injector _____?
 _____ we _____ the reduced fuel efficiency of _____?
 _____ improve _____ with malfunctioning injectors?

What _____ fix _____ poor gas mileage _____ by _____ injector?
 _____ can we save fuel _____ a _____?
 _____ can we do to offset the _____ per _____ injection _____?

What _____ there for the _____ causing _____ MPG?

Is it _____ to fix _____ injectors _____ increased _____?
 _____ we fix _____ injectors to _____?
 _____ a _____ to _____ gas _____ by malfunctioning injectors?
 _____ a cure for _____ caused _____ malfunctioning injectors.

How _____ you tell _____ how _____ save _____ a faulty _____?

Is _____ possible _____ the _____ fuel _____ caused by faulty _____?
