

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Signal and reception troubleshooting
Inquiry Sub-Category	Antenna and dish alignment
Description	Customers may experience signal problems due to misalignment of their satellite dish or TV antenna. This inquiry category involves guiding customers on how to properly align their equipment to ensure optimal reception.
Data Size	5,159 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

How ____ I ____ if ____ construction work ____ affected ____ leading ____ reception issues?

Did construction ____?

I want ____ know ____ construction ____ antenna installation.

Is it possible that ____ ongoing building ____ antennae ____ performance in receiving ____?

I ____ know if ____ is a ____ between ____ poor antenna ____ work.

____ know if ____ ruined ____ aerial?

____ construction work be the ____ of reception ____ my ____?

____ ongoing ____ construction having an effect ____ system?

Possibly nearby construction could ____ to ____ antenna's ____.

____ the ____ setup adversely ____ the ____ building work?

Has ____ installation ____ by construction?

Have ____ by the ____ my antenna installation?

____ you ____ me ____ building caused the ____ signal?

____ construction altered my ____?

____ the ____ construction ____ antenna setup?

____ possible that a nearby building ____ antenna ____?

____ the construction near ____ my antenna's poor performance?

Is it possible that ____ surrounding me has ____ antenna ____?

____ construction near my ____ installation seems to ____.

____ that ____ work ____ interfered ____ antenna setup, causing reception quality problems?

Is it possible ____ the ongoing ____ my ____ setup's performance?

____ construction work ____ the cause of my antenna ____ problems.

Is ____ connection between ____ and recent construction activity close ____?

____ the construction work interfered with ____ reception quality problems?

I ____ if the information ____ to disrupted ____ caused ____ development.

I need to ____ if reception issues have ____ from ____ if ____ has been an ____.

____ it ____ that ____ construction ____ affecting my ____ reception?

Do ____ know ____ the messed-up antenna ____ caused ____ a ____?

_____ want to know if _____ recent _____ has _____ effect _____ installation.

_____ neighboring construction influenced my aerial system?

_____ that _____ caused messed up antenna _____?

_____ due to the construction?

Did _____ construction mess up _____?

_____ any changes _____ as a result _____ the _____ works _____ my antennas?

_____ want _____ know if _____ recent construction _____ my antenna _____.

I _____ the disruption of signals _____ installed _____ was caused _____ the ongoing external works?

_____ signals received _____ my newly installed television _____ related _____ external works?

_____ antenna _____ by construction nearby?

I'm _____ if _____ a connection between _____ reception _____ construction work.

_____ know _____ there _____ a _____ antenna reception and nearby construction work.

Have _____ affected _____ antenna installation?

Is it possible _____ construction _____ my antenna _____?

I can't _____ if reception _____ due _____ work _____ my _____.

_____ nearby _____ to blame _____ my _____ performance?

_____ to _____ construction has affected my antenna setup.

Is disruption of _____ by my _____ system _____ external work?

_____ possible _____ disrupted _____ are caused _____ local development?

_____ the nearby construction _____ antenna _____?

_____ would like _____ the _____ ruined _____ causing reception problems.

_____ my antenna _____ construction?

_____ impacted my antenna installation?

_____ it possible _____ of signals received _____ my television aerial _____ was _____ by _____?

_____ disruption of _____ received _____ my newly _____ system _____ ongoing external works?

_____ performance of my antenna be a _____ of _____?

_____ work is the cause of reception _____ with my _____.

_____ am _____ construction work _____ the cause of reception _____ my _____.

_____ my _____ having _____ because of _____?

Does local construction _____?

Nearby _____ be to _____ for the antenna's _____.

_____ is _____ that _____ is _____ for my antenna's _____ performance.

I _____ if reception issues are caused by _____ or _____ affected antenna install.

_____ affect my antenna?

Is it possible _____ antenna _____ has _____ with reception quality?

I need _____ result of an affected antenna install.

_____ if there is _____ between my recent _____ activity and _____.

_____ possible that _____ has interfered with _____ antenna _____ issues with _____?

_____ there _____ antenna _____ damaged by construction recently?

I would like _____ an affected _____ install or reception issues arise _____.

Is _____ pointing to _____ antenna signals caused _____?

How can _____ know if _____ has _____ my antenna _____?

_____ the adjacent construction _____ my _____?

Is there _____ disrupted _____ signals _____ by local development?

Is there _____ evidence _____ antenna _____ by local development?

_____ construction _____ antenna to malfunction?

I _____ if recent _____ near _____ antenna _____ site are to _____ reception _____.

_____ construction issues _____ antenna installation?

_____ local construction _____ cause reception issues _____ antenna _____?

I'm _____ antenna setup _____ affected by the _____ building _____.

I want to know if reception issues _____ arisen _____ nearby _____ if _____ was _____ .
 It is _____ that _____ antenna's _____ to nearby construction.
 I _____ builders ruined my aerial, _____ issues.
 I _____ if nearby _____ antenna's poor performance.
 _____ issues _____ because of _____ on _____ antenna setup?
 I _____ to _____ issues were caused by _____ work or _____ affected antenna install.
 Could _____ be _____ blame _____ my antenna's poor _____ ?
 I'm wondering if _____ between _____ issues and _____ activity _____ to home.
 How _____ I determine _____ my _____ is _____ due _____ local construction _____ ?
 _____ possible _____ the ongoing _____ work has affected my current antennae _____ in _____ ?
 Is _____ construction near _____ antenna has _____ reception?
 I _____ know if there _____ an affected _____ installation, _____ issues are _____ nearby construction _____ .
 I _____ know how to _____ out _____ those _____ ruined _____ .
 _____ recent construction affected my antenna _____ or reception.
 I'm _____ if _____ setup might _____ affected _____ the building activity _____ .
 _____ construction ruin my antenna _____ the _____ troubles?
 _____ anyone _____ a building caused a _____ signal?
 Did _____ antenna installation?
 _____ that construction work has _____ with _____ setup _____ reception issues?
 _____ I know if _____ builders _____ aerial, causing _____ ?
 _____ there has been an affected _____ install, _____ reception issues _____ arisen _____ construction, _____ want _____ .
 _____ to know if reception _____ were caused _____ the construction _____ or _____ was _____ antenna install.
 Did _____ construction affect _____ and _____ ?
 Is _____ possible that _____ that is _____ has _____ antenna setup?
 _____ I _____ if _____ has suffered _____ to construction work?
 _____ construction work _____ reason _____ antenna installation is _____ ?
 I _____ to know if _____ ruined my aerial, _____ .
 _____ I _____ if the ongoing building _____ is _____ setup's performance?
 I _____ wondering if _____ due _____ adjacent construction _____ impacting my _____ .
 Had _____ construction _____ antenna?
 _____ possible that _____ has affected _____ antenna installation?
 _____ the _____ my antenna _____ reception?
 _____ wondering _____ there is a _____ and recent construction activity.
 _____ the _____ performance down to _____ ?
 Did the _____ antenna up _____ cause reception _____ ?
 _____ there _____ between _____ antenna problems and recent _____ ?
 _____ possible that ongoing _____ building work _____ adversely affected my _____ antenna _____ signals?
 _____ the construction _____ up _____ antenna and _____ troubles?
 _____ not _____ work _____ the cause _____ my antenna reception issues.
 _____ if reception issues _____ arisen _____ nearby _____ or _____ affected antenna installation.
 _____ possible _____ those _____ my _____ causing my reception troubles?
 Can I _____ out if _____ ongoing _____ work _____ current _____ performance?
 I _____ to _____ antenna installation _____ due to local construction _____ .
 Is _____ indication _____ disrupted _____ signals caused _____ local _____ ?
 Could _____ construction _____ be the _____ reception _____ my antenna?
 I want _____ know if _____ affected _____ or reception issues _____ nearby _____ .
 I _____ like to know _____ recent construction _____ antenna _____ .
 _____ to know if the _____ work has affected _____ current antennae _____ .
 _____ to know if _____ issues _____ arisen from nearby _____ affected antenna installation has _____ place.
 I _____ if reception _____ from _____ construction or _____ is an _____ antenna install.

Can I _____ the _____ work has _____ affected _____ current antenna _____?

_____ construction affect the reception _____?

I _____ to _____ if _____ has been affected or if _____ issues have arisen _____.

_____ the _____ affected the _____?

I _____ to _____ if _____ problems have _____ nearby construction _____ there is _____ antenna installation.

Is _____ possible the antenna _____ the _____?

I'm _____ with my antenna after construction _____ connection between _____?

Is it _____ has _____ my antenna setup, _____ recent _____ issues?

I'd _____ to _____ is _____ affected _____ install _____ issues caused by nearby _____ work.

_____ wondering if local _____ cause _____ issues _____ my antenna installation.

_____ would _____ to _____ if _____ issues are _____ by the _____ install.

Does _____ to _____ antenna signals _____ local development?

_____ it _____ that _____ to signals received _____ newly installed _____ have been caused _____ ongoing external _____?

Do _____ because of the _____ building work?

Is _____ possible that local _____ work _____ issues for my _____?

Is _____ signals _____ by my newly _____ television _____ related _____ external _____?

I'd _____ if nearby _____ activity might have _____ my _____.

I _____ local construction work is the cause of reception _____.

I'm wondering _____ is a connection between _____ I'm _____ with _____ antenna and _____.

_____ want _____ if _____ affected antenna _____ or _____ issues caused by _____ nearby.

_____ am wondering if _____ has _____ antenna installation.

_____ reception issues _____ of nearby construction affecting my _____?

Is disruption _____ newly installed _____ aerial system possible _____ external works?

_____ cannot say if _____ issues _____ to _____ work _____ my antenna _____.

Is it possible _____ my _____ has interfered with my _____?

Is it _____ construction _____ my antenna?

I want _____ know _____ ongoing _____ work _____ adversely _____ current _____ performance.

_____ construction messed _____ my _____?

_____ my antenna _____ by _____?

Is _____ the construction _____ interfering _____ my antenna?

_____ the _____ work nearby _____ the _____ my antenna?

_____ ongoing _____ my _____ setup _____?

I want to know _____ reception _____ from nearby _____ there is _____ affected _____ install.

I _____ know _____ the reception issues _____ to _____ antenna install.

_____ it _____ that the construction _____ have _____ antenna setup?

_____ to know if reception _____ were caused _____ nearby construction _____ if there was _____.

_____ reception _____ a _____ of _____ work impacting my antenna _____?

I wanted _____ the nearby construction _____ my _____.

I _____ know _____ reception issues _____ caused by nearby construction work, or _____ has _____ affected _____.

Does the _____ point _____ caused by _____ development?

_____ to know _____ reception _____ arisen from the nearby _____ or if there _____ an _____.

_____ you _____ if the _____ construction _____ my _____ reception problems?

How can _____ find _____ if _____ signal _____ gone down because _____ work?

Does _____ know _____ antenna _____ are caused _____ development _____ not?

I _____ like _____ if the affected antenna _____ reception _____.

_____ am _____ if local construction _____ antenna.

_____ to know if an affected _____ or reception _____ from _____ construction.

_____ be the _____ of _____ issues for _____ antenna installation.

_____ possible that _____ nearby construction _____ affected my _____?

_____ know if there _____ an _____ antenna install _____ reception _____ are related _____ construction work.

____ want ____ whether reception issues have arisen ____ nearby ____ or ____ is an affected ____.
 ____ to ____ if ____ was ____ affected antenna ____ or if reception issues ____ of nearby ____ work.
 I would ____ if ____ construction ____ affected my antennas.
 Could a ____ for my antenna's ____ performance?
 I ____ know if ____ was ____ affected antenna install ____.
 ____ messing ____ my antenna?
 Is ____ suggesting ____ signals ____ by local development?
 Is the ____ due to ____ nearby ____ antenna placement?
 Is it ____ the ____ with ____ antenna installation?
 ____ there any change in transmission ____ a ____ the ____ my ____?
 ____ am ____ construction work ____ the reason my antenna ____.
 I'm having ____ with ____ construction activity ____ is there ____ connection?
 Could local ____ work be ____ issues I've been ____?
 ____ my ____ damaged by the ____?
 ____ can I ____ to ____ out if my antenna ____ was ____ work?
 Could the ____ nearby ____ to blame ____ performance ____ my ____?
 ____ want to know ____ reception issues ____ from nearby ____ if there ____ an ____ antenna ____.
 Can ____ the ____ building work ____ affected my ____ antenna ____?
 I ____ to ____ those ____ ruined my ____ causing ____ issues.
 Maybe ____ is ____ my ____?
 I ____ know ____ ongoing building work ____ my current ____ in ____ signals.
 I wonder if ongoing ____ works have ____ effects for ____ aerial ____.
 I want ____ know ____ antenna install has ____ or if ____ issues ____ arisen from ____.
 ____ wondered ____ the construction ____ up my ____ and ____ reception ____.
 Is ____ a ____ poor ____ reception ____ my nearby ____ work?
 ____ the ongoing ____ work ____ affected ____ current antennae ____ performance ____ receiving signals?
 Is the ____ with ____?
 Is ____ signal ____ due to ____ building?
 Is ____ a change ____ quality ____ of the building ____ my antennas?
 Can ____ out ____ the ____ signal ____ messed ____ by ____ building nearby?
 Is there ____ transmission ____ as a ____ the ____ work near ____ antennas?
 ____ nearby construction affect ____?
 ____ construction ____ antenna's reception?
 ____ my antenna ____ from ____?
 I want ____ know ____ there ____ antenna ____ or reception ____ the construction work nearby.
 ____ be to blame ____ the poor ____ my ____?
 ____ affect the ____ of my ____?
 I want to ____ if ____ have arisen from ____ if ____ been an ____ antenna.
 ____ if local construction interfered with ____.
 ____ the antenna was impacted ____?
 ____ want ____ know if ____ problems are ____ nearby ____ or if there ____ an affected ____.
 ____ my antenna reception?
 ____ want ____ if ____ issues were caused ____ nearby construction work, ____ is an ____ install.
 How ____ tell ____ my antenna installation ____ to the ____?
 I ____ to know if ____ issues have ____ there and if ____ affected ____ installation.
 Is ____ possible that ____ antenna installation ____ been impacted ____?
 ____ determine if the ongoing ____ work ____ current antennae setup?
 ____ disruption ____ my TV ____ due to ongoing external works?
 ____ possible that the construction work ____ with my ____ problems?
 ____ it ____ the antenna ____ damaged ____ construction?

_____ there _____ towards disrupted _____ signals caused _____ local _____?
 Is _____ that the construction _____ affected the _____ antenna?
 I want _____ know if _____ has _____ installation.
 I _____ to _____ was _____ affected _____ install _____ reception issues due _____ nearby _____ work.
 How can I _____ if _____ due _____ construction?
 Is _____ building work has _____ current _____ performance in receiving signals?
 I want to _____ the _____ construction has _____ my _____.
 _____ to know if _____ construction work _____ of _____ reception issues.
 _____ to signals _____ by _____ installed television _____ system have been caused _____ ongoing external _____.
 Could _____ work be _____ issues I've had lately?
 I want _____ if _____ have been _____ by _____ construction work _____ there is an _____ antenna _____.
 Is _____ possible _____ the _____ my _____ causing _____ reception problems?
 _____ you tell _____ if the messed-up antenna _____ is _____ the _____?
 Is _____ nearby affecting _____ installation?
 _____ it _____ possibility that _____ work _____ my antenna setup?
 I want to know if _____ been _____ install or if _____ issues _____ caused by _____.
 _____ my _____ poor _____ down _____ construction?
 Is _____ of _____ received by _____ newly installed _____ linked _____ ongoing external _____?
 I want to _____ ruined _____ causing reception issues.
 I wonder _____ messed _____ my _____?
 _____ received by my newly _____ aerial system because of _____ works?
 _____ there a _____ construction work _____ my antenna _____?
 Do _____ know if _____ antenna _____ are _____ by _____?
 Is it possible _____ setup _____ interfered _____ nearby construction _____?
 _____ wondered _____ the disruption of _____ received _____ my _____ system was _____ by ongoing _____ works.
 Is it _____ that construction _____ antenna setup, _____ in _____ problems?
 I _____ like to _____ if _____ an _____ install _____ reception issues _____ caused by nearby construction _____.
 _____ a connection between construction _____ my poor _____?
 _____ it possible _____ the _____ construction has _____ antenna _____?
 _____ problems _____ to construction nearby?
 _____ the ongoing _____ effect on my aerial _____?
 _____ want to _____ issues have arisen from nearby _____ has _____ an effected _____ install.
 _____ want to _____ if an _____ install _____ are related to _____ construction.
 _____ to know if there _____ been _____ affected _____ install _____ reception _____ caused by _____.
 Is it possible that _____ has _____ affected _____?
 _____ there any information about _____ antenna _____ by the _____?
 _____ my antenna messed _____ construction?
 _____ not know _____ reception issues due to _____ work _____ antenna _____.
 _____ to _____ the _____ work _____ affected my current antenna setup's _____.
 I am _____ interfered with _____ antenna and _____ reception.
 Did _____ my antenna?
 There may _____ antenna install or _____ issues caused _____ work.
 _____ there _____ pointing to _____ by local development?
 _____ of signals _____ by my new television _____ system _____ external _____?
 Is _____ reception disrupted _____ local _____?
 _____ to _____ nearby _____ has affected _____ antenna installation.
 I want _____ know _____ are _____ to _____ affected antenna _____.
 _____ it possible that disruption of _____ my _____ television _____ system has _____ caused by _____ external _____?
 I'm interested in _____ construction _____ affected my antenna _____.
 _____ like to _____ local _____ the _____ of my antenna reception issues.

I _____ know _____ there has been an affected _____ install or _____ issues have arisen _____.
 Is _____ any _____ transmission _____ result of _____ works near _____ antennas?
 _____ the nearby _____ affected my _____?
 Can _____ if _____ building work _____ affected _____ current _____ setup's performance?
 Is _____ possible that _____ work has _____ interference with _____?
 Is there any _____ signals caused by _____?
 I _____ know if _____ construction _____ to _____ antenna's _____ performance.
 Did _____ construction affect _____ installation of _____?
 Have there been _____ changes _____ transmission quality caused _____ works _____?
 I'd _____ to _____ issues _____ caused by nearby _____ work or if _____ antenna install.
 _____ can't tell _____ near _____ work _____ my _____ installation because _____ reception _____.
 _____ there a _____ close _____ my home _____ the antenna issues _____ experiencing?
 I _____ if nearby construction _____ is affecting my _____.
 I wanted _____ if reception _____ were _____ affected antenna _____.
 _____ want to know _____ an _____ antenna _____ or reception problems _____ construction work.
 Is it _____ local _____ work that _____ have _____?
 _____ need to _____ if there _____ been an affected antenna _____ or if _____ there.
 I'd like _____ recent construction _____ my antenna installation.
 I would _____ know if reception issues _____ been _____ there _____ an affected antenna _____.
 _____ I _____ the ongoing adjacent building _____ affects my _____ setup's _____?
 Can I _____ if ongoing _____ work _____ current antenna _____ in receiving _____?
 _____ near my _____ installation seems to _____ affecting _____.
 _____ antennas being _____ by _____?
 I want to _____ my _____ installation _____ of the local _____.
 _____ be _____ cause _____ my antenna's poor performance?
 I _____ if the _____ building _____ adversely _____ current antennae setup's _____ in receiving signals.
 _____ if there was an _____ or _____ caused by nearby construction work.
 _____ it _____ that my antenna installation _____ due to _____?
 I _____ nearby _____ blame _____ my antenna's poor performance.
 _____ be _____ for my antenna's _____ performance?
 Is _____ a _____ in _____ quality _____ a result _____ near _____ antenna?
 Have _____ issues _____ my _____?
 _____ it possible that _____ antenna _____ because _____ the _____ construction?
 Is there _____ change in _____ due to _____ near _____?
 Is it _____ that construction _____ interfered _____ setup, _____ quality issues?
 I wonder if _____ was _____ recently _____.
 Can _____ tell _____ antenna _____ was messed-up _____ nearby building?
 I would _____ reception issues were caused by _____ or _____ there _____ affected antenna install.
 _____ the _____ impacted my _____?
 _____ antenna's _____ performance _____ be related _____ construction.
 Did _____ construction _____ antenna _____?
 _____ interfering with my _____?
 _____ issues, _____ nearby construction _____ my _____?
 Is _____ a _____ between _____ work nearby _____ antenna reception?
 _____ there _____ a connection _____ my antenna _____ the recent _____ activity.
 _____ know _____ construction work _____ reception issues _____ if there _____ an affected _____ install.
 _____ it possible my _____ installation has _____ the _____ nearby?
 _____ the ongoing building work adversely _____ current _____ setup?
 I am having _____ my _____ after _____ activity, _____ there _____ connection _____ them?
 _____ reception _____ up my antenna?

_____ problems _____ TV _____ have me wondering _____ building activity _____ have affected _____ setup.

Is _____ construction work and _____ poor antenna _____?

_____ it possible _____ nearby construction _____ affected my _____?

Is it _____ the construction _____ my _____ installation _____ my _____?

How _____ installation suffered because of the construction _____?

_____ in transmission _____ as a _____ the building _____ near my _____ antennas?

_____ make my antenna _____?

Is _____ construction recently?

_____ possible that the reception _____ was _____ of _____ construction?

I _____ like _____ if there _____ install, or if reception _____ have _____ from nearby _____.

I _____ know _____ construction has interfered with _____ antenna installation.

_____ a connection between _____ construction _____ my house and _____ issues with _____?

_____ construction impacting _____ antenna installation?

I _____ construction messed up _____ antenna.

_____ wonder if _____ of signals received _____ my newly _____ television aerial _____ ongoing _____ works.

_____ there any information _____ disrupted _____ by local _____?

_____ the _____ affected by _____ construction?

I'm having issues _____ my _____ after _____ activity, is _____ connection _____?

_____ were caused by _____ work _____ the antenna _____

Do local _____ with my _____?

Do _____ know _____ the _____ construction _____ the installation _____ my _____?

Is it _____ that _____ may have _____ with my _____ setup?

_____ if _____ construction complicates my _____.

I _____ my _____ due to nearby construction.

Is _____ my _____ affecting reception?

Is _____ a connection _____ the construction activity and the _____?

Is _____ recent reception issues _____ to the _____ setup?

Is _____ information _____ point _____ disrupted antenna _____ by local development?

_____ would _____ to _____ recent construction has _____ my antenna _____.

Is there a _____ and _____ construction activity?

_____ find out if the _____ building work _____ current _____ setup's performance?

_____ it possible _____ the _____ around _____ has _____ my antenna _____?

I would like to _____ if _____ has _____ antenna _____ if reception issues have _____.

I _____ if _____ messed _____ my _____ and _____ reception troubles.

I'm wondering if reception issues _____ arisen _____ nearby _____ or if _____.

Is it _____ that _____ work _____ adversely _____ current _____ setup?

_____ received _____ my newly installed television aerial _____ result _____ ongoing external _____?

_____ it _____ that _____ construction _____ has _____ with my antenna _____ quality problems?

_____ work the reason my antenna _____?

_____ it _____ antenna signals may be _____ by _____ development?

I _____ like _____ know if reception _____ have _____ if an _____ has taken place.

Could _____ work be _____ blame _____ antenna's _____ issues?

I _____ if _____ construction _____ affected my antenna installation.

Can you tell _____ the messed up _____ signal?

Have _____ and _____ disrupted by local _____?

Is my poor antenna _____ construction _____?

_____ want to know if _____ was an affected _____ issues were _____ nearby _____ work

_____ there been any _____ transmission _____ as a result of _____ works _____?

I would _____ if there is _____ my poor _____ reception _____ nearby construction _____.

_____ wish _____ know _____ construction impacted my _____ installation.

Is _____ issues _____ recent _____ near _____ antenna _____ site?
 _____ construction work be _____ cause _____ reception _____ my _____ installation?
 _____ any changes in transmission quality _____ noticed _____ building works near _____?
 Is the _____ affecting _____ my _____?
 _____ change in transmission _____ of the building _____ my antennas?
 Is the construction _____?
 Has _____ interfered _____ antenna?
 _____ there been changes in _____ quality as _____ of the _____?
 _____ want to _____ if _____ issues arose from nearby _____ or _____ was _____ antenna _____.
 I want _____ if _____ antenna installation suffered _____ to _____.
 _____ construction _____ could be causing reception _____ for _____.
 _____ recent development affecting _____ antenna _____?
 I'm _____ my antenna _____ has been _____ by _____ nearby _____?
 Is _____ that construction work interfered _____ antenna _____ reception _____?
 I _____ if all _____ messed _____ antenna.
 Is _____ that nearby construction work _____ with _____ antenna _____ causing _____?
 Is _____ a _____ transmission quality as a _____ the _____ work _____ antenna?
 _____ in question _____ construction recently?
 Did _____ up _____ antenna?
 Is the _____ antenna?
 I _____ to know if the recent _____ impacts _____.
 _____ disrupting my _____?
 _____ recent _____ affect my antenna installation or _____?
 I want _____ know _____ recent _____ my antenna _____.
 Is there a connection between _____ and _____ my _____?
 Is it _____ that ongoing external _____ to _____ effects for _____ television aerial _____?
 I _____ know if _____ have _____ there and _____ affected antenna install has taken _____.
 I _____ to know _____ reception issues _____ caused _____ nearby construction _____ if _____ an _____ antenna _____.
 _____ would like _____ the recent _____ affected _____ installation _____ my antenna.
 _____ can I _____ if _____ antenna _____ due to _____ construction?
 _____ know _____ the nearby construction _____ affected _____ antenna installation.
 Local construction work could be _____ cause of _____ issues _____.
 Is _____ information _____ antenna signals caused by _____?
 _____ want _____ know if _____ is an _____ antenna _____ if reception _____ are _____ by nearby _____.
 Is it _____ that the nearby _____ affected _____ installation?
 _____ have recently _____ reception _____ as _____ nearby work affecting _____ installation.
 _____ development _____ my _____ setup?
 Could local _____ work be _____ reason _____ antenna _____?
 I wonder _____ external _____ have _____ a negative effect on _____ aerial _____?
 _____ ongoing adjacent building _____ affected my current setup's performance _____ signals?
 I _____ to know _____ is an affected antenna _____ or _____ issues _____ caused _____ construction _____.
 _____ wonder _____ poor performance of _____ antenna is _____ to _____.
 _____ local construction _____ reception _____ my _____?
 Is _____ construction _____ affecting the performance _____ the _____?
 _____ that _____ mess _____ my antenna?
 I'm not _____ if _____ builders _____ my _____ causing _____ troubles.
 Did reception _____ happen _____ my antenna setup?
 _____ to blame for _____ antenna's poor _____
 I want to _____ if reception issues _____ by _____ work _____ if an _____ install has _____.
 Did recent reception _____ happen _____ the construction _____ my _____?

_____ wonder _____ current _____ are a result of the _____ ?
 _____ would like to _____ if there _____ affected antenna install, _____ if _____ caused _____ nearby construction _____.
 I _____ nearby _____ to blame _____ my antenna's poor _____.
 Could _____ blame for my _____ poor _____ ?
 _____ it _____ that _____ received _____ my newly _____ television aerial system could be _____ by _____ works?
 _____ any _____ antenna signals due to _____ development?
 Is the _____ antenna installation?
 Is _____ possible that _____ nearby _____ has affected _____ ?
 I can't say _____ construction work _____ my _____ installation _____ issues.
 Could _____ poor _____ antenna be _____ nearby construction?
 Is _____ construction _____ my _____ ?
 I _____ if _____ is _____ affected antenna install _____ if _____ problems are _____ nearby _____ work.
 _____ know if _____ issues have _____ from _____ nearby construction, or _____ an _____ antenna install.
 I _____ to know if the construction _____ antenna _____.
 _____ possible _____ building _____ a messed-up antenna signal?
 Did _____ antenna installation?
 Was _____ installation _____ the _____ construction?
 _____ the _____ antenna causing _____ problems?
 I want to _____ or if an _____ antenna install has taken place.
 Did _____ issues occur because _____ my antenna _____ ?
 _____ to _____ if there _____ or if reception _____ are a result of nearby _____.
 _____ was wondering if _____ reception issues _____ caused _____ impacting my _____ setup.
 _____ there a _____ antenna reception and construction _____ ?
 How _____ I _____ the builders _____ my aerial _____ not?
 Does any information indicate disrupted _____ to _____ ?
 I _____ if _____ work affects _____ antenna installation because _____ reception _____.
 Are _____ ongoing _____ work _____ the performance _____ installation?
 _____ there a _____ between _____ antenna _____ and my _____ work?
 _____ construction _____ up my _____ ?
 _____ want to know _____ an _____ antenna _____ if reception issues are related to _____.
 _____ constructionround affecting the _____ ?
 Did _____ issues _____ to _____ on my antenna _____ ?
 _____ the _____ close to my house and the _____ my antenna?
 Have _____ been _____ quality due to _____ work near _____ antennas?
 _____ like _____ know _____ reception issues _____ from nearby construction or if there has _____ antenna _____.
 _____ there been any _____ in _____ as a _____ of _____ building _____ my _____ ?
 _____ if nearby _____ is _____ blame for _____ poor performance.
 _____ know if those builders _____ my aerial and _____.
 _____ be the cause _____ issues with my _____ installation.
 _____ I _____ the ongoing building work has _____ my _____ antennae _____ ?
 Could recent _____ activities near _____ antenna _____ be _____ of _____ issues?
 _____ that _____ up _____ antenna?
 _____ I determine _____ my antenna installation _____ of the local _____ ?
 Is _____ impacting my _____ ?
 I _____ to know _____ reception issues _____ arisen _____ the _____ if _____ install has _____ affected.
 _____ affecting _____ reception of _____ antenna?
 _____ construction affect _____ antenna?
 _____ it _____ that _____ construction _____ my antenna?
 _____ issues have been _____ nearby _____ with the _____ installation.
 Is _____ near _____ antenna installation _____ ?

Is _____ in transmission _____ to _____ works near _____ antennas?

I _____ know _____ the recent _____ interfered _____ my antenna _____.

_____ possible that _____ installation has _____ affected by nearby _____?

_____ possible _____ disruption _____ received by my newly installed _____ aerial system _____ ongoing external works?

_____ construction be _____ reason for _____ poor _____?

_____ the _____ reception _____ my antenna?

I _____ like _____ know _____ reception _____ been caused there _____ was an affected _____ install.

_____ find out if my antenna _____ suffered _____ local _____ work?

Can I _____ if the ongoing adjacent building _____ has affected _____ receiving _____?

Local construction work _____ be _____ cause of reception _____ experiencing.

_____ there a _____ between _____ issues _____ with my antenna and _____?

Has _____ been _____ by _____?

_____ if _____ construction is _____ blame _____ antenna's bad performance.

_____ it possible _____ construction _____ has interfered _____ my antenna _____ issues?

_____ possible that _____ construction has affected _____ antenna _____?

Do _____ have _____ due to _____ work?

I _____ to know if _____ issues _____ if _____ affected antenna install has occurred.

_____ know if _____ has _____ affected _____ installation, or if reception _____ have been caused _____.

_____ wondering _____ between the issues with my _____ recent construction activity close _____ home.

Recent _____ near my antenna _____ could _____ source _____ reception issues.

_____ troubles _____ reception quality _____ be _____ interference _____ my antenna _____ by _____ construction _____.

_____ of the signals _____ installed television _____ due to external works?

_____ could be to blame for _____.

Recent _____ with _____ may be caused _____ with my _____ setup _____ work.

I want _____ there has _____ an _____ antenna install _____ if _____ have arisen _____ construction.

_____ wonder _____ the ongoing construction _____ is _____ performance _____ my antenna _____.

_____ want _____ an affected antenna install _____ have _____ caused there.

How can I _____ if _____ antenna _____ due _____ local _____?

_____ my antenna _____ affected by _____ building activity.

Do _____ the builders _____ my aerial, causing _____?

_____ need to _____ those builders ruined my _____ causing _____.

Can _____ the _____ caused the messed-up _____ signal?

_____ near _____ antenna install _____ possibly be _____ blame _____ reception issues.

_____ a nearby building cause _____?

_____ to know if reception issues have _____ nearby _____ or _____ an affected _____.

Is _____ possible that the construction _____ with _____ antenna _____?

_____ any information _____ towards disrupted antenna _____ by local _____.

I _____ to know if reception issues have _____ or if there _____ antenna _____.

Can _____ if _____ work has _____ affected my current antenna setup's _____?

Can I _____ if the _____ has _____ current antenna _____ performance?

_____ to know _____ there is _____ install _____ issues _____ arisen from nearby construction.

_____ to know _____ my _____ installation suffered _____ to _____ construction.

Did recent _____ issues happen due _____ work _____?

_____ can aerial _____ restored if _____ renovations affect _____?

_____ a connection _____ antenna _____ recent construction activity _____ home?

Did the _____ antenna to cause _____ troubles?

Is _____ antenna _____ suffered because _____ local construction work?

Are _____ caused by _____ near _____?

I want to _____ if _____ antenna installation.

My _____ and reception _____ been disrupted by _____.

Is _____ of _____ affecting the _____?

_____ want to _____ if _____ have _____ nearby construction or if _____ an _____ antenna install.

I _____ to _____ reception _____ are tied to _____ antenna _____.

Can _____ determine whether _____ ongoing _____ has affected _____ antennae _____ performance?

Is _____ possible that the construction near _____ my _____?

_____ want to know _____ there is an affected antenna _____ reception _____ by _____ work

Is _____ possible _____ has affected _____ of _____ antenna?

_____ don't _____ if local _____ with _____ antenna _____ reception.

Could _____ be that the _____ my _____ installation?

_____ information _____ implicates disrupted antenna signals _____ by local _____?

_____ work be the _____ of reception issues _____ antenna _____ experiencing?

Can _____ if my antenna installation _____ of local _____?

Can you tell _____ the _____ messed up _____ the _____?

Is it _____ that the _____ signals _____ local development?

If reception issues have arisen _____ has been _____ antenna install, I want _____.

_____ a _____ the _____ having _____ my antenna _____ recent construction work?

I need _____ know if the _____ antenna setup.

_____ that construction _____ impacting _____ antenna?

_____ be _____ reason _____ issues with my antenna installation?

_____ it possible that _____ are caused _____ developers?

Is the recent demolition/construction near _____ site _____ of _____?

Is _____ possible _____ construction impacted _____ installation?

Due to near construction _____ I _____ reception _____ my _____ installation.

_____ construction cause _____ troubles _____ up my _____?

Is _____ possible that the _____ caused _____ antenna setup?

_____ impacted my antenna?

_____ recent _____ happen _____ of _____ work on my _____?

_____ the _____ construction messing with _____?

_____ current antennae _____ adversely affected _____ the _____ building _____?

Is _____ that _____ Antenna _____ are _____ by _____ development?

I wanted to know if _____ an _____ antenna _____ if _____ were _____ by nearby _____.

Is _____ impacting my _____ installation?

I wonder if _____ a _____ between my _____ reception _____ construction _____.

_____ wondering if _____ messed _____ my _____.

_____ local construction work _____ the problem with _____?

_____ I _____ if _____ building _____ adversely _____ my current antennae setup's _____?

_____ my antenna messed _____ local _____?

_____ I know if my antenna _____ due _____ construction?

_____ my _____ by _____ construction?

Is it possible _____ been affected _____ construction?

Is _____ construction work interfered with _____ antenna _____?

I _____ nearby _____ hampers my _____ reception.

_____ that _____ has interfered with my antenna installation?

Is it possible that the _____ to _____ affected _____?

Is it _____ that the builders ruined _____ aerial, _____?

I would love to _____ recent _____ antenna installation.

I don't _____ setup _____ affected by the _____ construction.

_____ problems caused by the _____ construction of _____?

_____ wonder if _____ with my _____ disrupted reception.

Did recent _____ occur _____ to work _____ my _____?

_____ that the ongoing _____ work _____ affects _____ current _____ in receiving signals?
 Have _____ any changes _____ a result of the building _____ near _____?
 Is _____ signals _____ by my newly installed television _____ ongoing external _____?
 Is _____ construction _____ antenna?
 _____ local _____ with the _____?
 _____ the _____ building cause messed-up _____?
 I am _____ if any _____ disrupted _____ caused by local _____.
 _____ there _____ between recent construction _____ the _____ with _____ antenna?
 I _____ construction messed up my _____ caused reception _____.
 Is _____ my antenna installation _____ affected _____ the _____ construction?
 I don't know _____ aerial, causing these reception _____.
 Can _____ determine whether _____ ongoing _____ adversely _____ current antennae setup?
 I _____ to _____ if the _____ causing reception problems.
 I _____ know _____ adjacent _____ work _____ my _____ antennae setup's performance.
 I want to know _____ the _____ antenna _____.
 _____ want to _____ there _____ an affected antenna _____ issues have been caused _____.
 _____ antenna signal _____ of nearby building?
 Is _____ affecting my _____?
 _____ nearby impacted _____ antenna?
 Is _____ connection _____ antenna and recent construction activity?
 _____ if nearby construction _____ be _____ blame for _____ performance _____ my _____.
 I _____ if reception issues have _____ by _____ affected _____ install.
 _____ construction _____ affected _____ antenna?
 Might _____ influenced _____ aerial system?
 Have _____ construction _____ my _____?
 _____ nearby _____ the reason for _____ antenna's _____?
 Is _____ possible _____ construction next _____ my _____ caused _____ problems?
 I want to _____ is _____ antenna installation or reception issues _____ construction _____.
 I wonder _____ a _____ made between my _____ antenna _____ and _____.
 Is there _____ between the construction activity _____ issues _____ my _____?
 Can _____ if the _____ adjacent _____ work _____ affected _____ antennae setup?
 _____ the construction _____ antenna _____ reception troubles?
 _____ the work _____ affect _____ performance of the _____?
 Recent demolition and _____ activities _____ my antenna _____ site _____ have _____.
 _____ want to _____ if _____ was an affected _____ or if _____ caused by nearby _____.
 _____ construction impacting _____ installation?
 _____ construction _____ my _____ and cause _____?
 I want _____ know _____ the _____ issues were _____ by _____ work _____ if _____ an _____ antenna install.
 How _____ out if _____ antenna _____ due to _____ construction work?
 I _____ if the _____ my _____.
 _____ cannot tell _____ issues due _____ near _____ work affect my _____.
 _____ want to _____ there is _____ antenna install _____ issues are caused by nearby _____.
 _____ disrupted _____ signals caused _____ local development _____?
 _____ wondering if there _____ connection _____ my antenna _____ and _____ activity.
 _____ you know _____ construction messed _____ my _____?
 Is it _____ my antenna _____ as a result _____ nearby _____?
 _____ like to know _____ my antenna installation and _____.
 I want _____ if _____ has been _____ affected _____ or reception _____ nearby construction.
 Is local construction _____ my antenna _____?
 _____ if my _____ antenna reception _____ connected to nearby _____.

I'm not _____ there _____ the issues with my _____ and _____ construction _____.
 _____ wondering _____ a connection _____ the issues _____ antenna and recent construction _____.
 _____ that _____ construction work _____ with my _____ causing reception issues?
 _____ some _____ ruin my _____?
 Is _____ disrupted _____ signals caused by local development?
 _____ construction _____ problems _____ my antenna?
 Is _____ a _____ between _____ construction activity close to _____ house _____ issues _____?
 I would like _____ know _____ nearby building activity _____ setup.
 _____ want to _____ if the ongoing _____ has _____ current antennae _____.
 I _____ if _____ construction interfered with _____ antenna _____.
 Is _____ possible _____ my antenna installation has been _____ the _____?
 I am _____ the recent _____ has _____ my antenna _____.
 _____ to know _____ the nearby _____ has _____ my antenna _____.
 _____ it _____ all the construction _____ up my _____?
 _____ been changes in _____ quality as _____ result of _____ near _____?
 _____ if reception _____ have arisen from nearby _____ or _____ there has been _____ installation.
 _____ it possible the _____ by _____ recently?
 _____ there a _____ in _____ as a result _____ near _____ antennas?
 I'm _____ is a connection between _____ antenna _____ construction activity _____ to _____.
 _____ messed up _____ antenna?
 _____ possible my _____ installation _____ been _____ by _____ construction?
 _____ it _____ work has interfered _____ my antenna setup, _____ issues _____?
 I _____ like to know if reception _____ the _____ install.
 _____ there _____ change _____ transmission _____ due to _____ building work near _____?
 _____ it _____ construction near my _____ is _____ reception?
 _____ the _____ near my _____ installation _____ reception?
 _____ the nearby construction be _____ the _____ performance?
 _____ want to know if reception issues _____ caused _____ and _____ has _____ an affected _____.
 _____ of signals _____ my newly _____ television aerial system _____ by _____ external _____?
 _____ have _____ reception _____ to near _____ work, I _____ if they _____ my antenna installation.
 _____ demolition/ _____ activities _____ antenna _____ could be to blame _____ issues.
 _____ construction work has caused interference _____ my antenna _____?
 _____ my antenna _____ impacted _____ the _____?
 _____ wondering if _____ my antenna reception.
 _____ affect my _____ the antenna?
 _____ antenna _____ by construction?
 _____ want to know _____ a result of the affected _____.
 I _____ to _____ there _____ an affected _____ install _____ if _____ were _____ by construction.
 _____ my _____ messed _____ because _____ construction?
 I'm wondering if _____ a connection _____ with my _____ and _____ activity.
 Is _____ construction work the reason _____ installation is _____?
 The poor _____ of _____ antenna could _____ construction.
 I can't _____ if reception issues _____ construction _____ antenna _____.
 _____ construction _____ affected _____ antenna?
 _____ wondering _____ construction _____ affecting _____ antenna.
 I want to _____ if reception issues are _____ install.
 Can we _____ if the _____ messed _____ the _____?
 Is _____ that the _____ work around me has _____ antenna _____?
 Is _____ possible _____ builders _____ causing reception troubles?
 _____ a result of the building works _____ there _____ changes in _____?

Can you tell _____ antenna _____ up near _____ building?

Could _____ nearby affect _____ installation?

_____ possible that construction work has _____ with my antenna _____ reception _____?

_____ there _____ in transmission quality _____ the _____ works _____ my antennas?

Is _____ disruption of signals received by _____ system _____ ongoing _____ works?

_____ don't know _____ there is _____ affected _____ if reception _____ caused by nearby _____ work.

_____ construction near _____ installation _____ to be _____ reception _____.

_____ want _____ if reception issues were _____ by the _____.

_____ know if _____ recent _____ has impacted _____ of my antenna.

I'm _____ there's a connection between _____ my antenna and _____ activity _____.

Is _____ a _____ in _____ as _____ result of building _____ near _____?

I _____ to know _____ the recent _____ affected my _____ installation _____ problems.

I _____ like _____ if reception issues have been _____ and if _____ antenna _____ has _____.

Is disruption of signals _____ my _____ system a _____ of external _____?

Can I _____ if the _____ building work adversely _____ performance?

_____ like to _____ if _____ is _____ affected _____ if reception issues have arisen _____ construction.

I _____ like to know _____ antenna _____ local construction work.

_____ construction _____ antenna _____ to be affecting _____ issues.

Has _____ my _____?

Is there _____ information saying _____ caused by local _____?

_____ the nearby construction _____ my antenna installation?

I _____ wondering _____ is _____ connection between the _____ am _____ with _____ antenna and _____ construction _____.

Is _____ by construction?

_____ ruined my aerial, causing the reception troubles.

_____ wondering if there's a _____ between _____ antenna issue and _____ close _____.

Have _____ affected my _____?

Is _____ that _____ disrupted antenna _____ by local development?

_____ wonder _____ construction work _____ cause of _____ antenna issues.

Can _____ current antennae setup's _____ affected _____ adjacent building work?

Does _____ have _____ disrupted _____ by local development?

_____ may have _____ impacted _____ by nearby _____.

_____ the _____ neighbor construction _____ system?

_____ to know if _____ antenna _____ has _____ to local _____ work.

The _____ performance _____ be _____ to nearby _____.

_____ the _____ construction _____ affected my _____?

Is there _____ suggest _____ antenna _____ caused by _____ development?

I want _____ know _____ affected _____ or _____ are related _____ nearby construction _____.

Can you _____ me _____ a building _____ antenna signal?

Is _____ a problem with _____ because _____ construction _____?

Is it _____ ongoing building _____ affected _____ current _____ setup's performance?

Has _____ near _____ affected my _____?

Is _____ possible _____ nearby _____ interfered with my _____ setup?

Was _____ to _____ antenna to blame for _____?

_____ ruin _____ antenna?

I want to _____ my _____ has been affected _____.

I'm not _____ nearby construction _____ for _____ antenna's _____ performance.

_____ if the _____ setup might _____ by the nearby _____ activity.

_____ antenna messed _____ due to _____?

Did _____ reception _____ the construction work _____ my antenna?

_____ have recently been _____ issues _____ nearby _____ the _____ installation.

_____ there was an affected _____ install or if _____ arisen from nearby construction.
 Is _____ possible _____ nearby construction _____ the _____?
 _____ can _____ determine _____ my _____ installation _____ to the local _____ work?
 _____ wonder if _____ antenna setup _____ been _____ by _____ construction.
 Is disruption of _____ received by _____ television _____ a result of _____?
 _____ a connection _____ activity _____ issues I'm having _____ my antenna?
 _____ trying to figure _____ if _____ is a _____ between _____ antenna _____ recent _____.
 Does _____ near my _____ affect _____?
 Is _____ antenna reception?
 Construction _____ my _____ installation _____ to be causing _____.
 I wish to _____ if _____ recent construction _____ impacted _____.
 What _____ caused by _____ development?
 Can you tell _____ antenna _____ messed up _____ a _____ nearby?
 _____ determine if _____ building _____ has adversely _____ current antennae _____ performance?

 Is _____ possible that local development _____ blame _____ antenna _____?
 _____ if my _____ been affected by nearby _____.
 _____ the _____ work is affecting _____ performance of _____ installation.
 _____ wonder _____ causing reception problems _____ my antenna.
 Could the construction _____ my antenna _____?
 Is it _____ that ongoing building work _____ affected _____ setup's _____?
 It is _____ that nearby _____ to _____ my _____ performance.
 Is _____ because _____ messed _____ my _____?
 Is _____ signals received _____ newly installed _____ aerial _____ a result _____ ongoing _____ works?
 I wondered _____ occurred because _____ adjacent _____ my antenna setup.
 _____ a _____ between _____ issues _____ having _____ my _____ and the _____ work?

_____ anyone know if _____ disrupted _____ caused _____ local development or _____?

Did _____ for my antenna?

Did _____ affect my _____?

Is _____ received by _____ newly _____ television aerial _____ by _____ works?

Is _____ ongoing adjacent _____ adversely affected _____ current antennae setup's _____ in _____ signals?

_____ am not _____ reception _____ caused _____ construction work _____ my antenna _____.

_____ construction near _____ antenna installation _____ be _____ reception _____.

Is _____ antenna _____ because _____ local construction?

_____ to know if _____ have arisen from _____ or if _____ an _____ antenna install.

_____ possible that construction _____ with my _____ setup, _____ recent _____ with reception _____?

Do you know if _____ signal _____ by a _____?

_____ been _____ in transmission _____ as _____ result _____ the works near _____?

Is my dish _____ a poor _____ because _____?

_____ it possible _____ has been _____ by nearby construction?

I _____ construction work _____ of my antenna _____ issues.

_____ to _____ if reception _____ have arisen _____ construction or if _____ been an _____ Antenna _____.

Is _____ possible that _____ my _____ these reception troubles?

Is _____ a _____ the recent construction activity _____ issues _____ having with _____?

Is _____ construction is interfering _____ antenna?

_____ tell _____ my antenna installation suffered because _____ work?

Is _____ possible that _____ installation _____ affected by _____ construction _____?

I want _____ if there _____ affected antenna install or _____ construction.

_____ need _____ there is _____ affected _____ install _____ if reception issues have arisen _____ construction.

_____ like to _____ if there _____ an affected antenna _____ or _____ caused _____ nearby _____.

_____ would like _____ if my _____ installation was affected by _____.

Did _____ mess my _____?

_____ changes to transmission quality _____ result _____ the _____ works _____ my antennas?

_____ want to know whether reception issues _____ arisen from _____ construction _____ been _____ affected _____.

_____ construction mess _____ my _____ causing reception _____?

I _____ to know if _____ antenna setup.

Is _____ possible the _____ has _____ antenna _____?

_____ wondering _____ construction _____ is the _____ my antenna installation _____ having reception _____.

_____ construction work to blame _____ my antenna _____?

I _____ if those builders ruined _____ aerial, causing _____.

Has _____ antenna _____ impacted by _____?

I have _____ idea _____ disrupted _____ are caused _____ or not.

_____ want _____ know if _____ been _____ or _____ reception issues are _____ by nearby construction work.

_____ reception disrupted by _____ construction?

I _____ if a connection is _____ my poor antenna _____ work.

I _____ to know if _____ to _____ construction work.

_____ construction work _____ interfered with _____ setup, causing recent _____ reception quality?

_____ want to know _____ has _____ antenna install _____ if _____ issues have been caused _____.

_____ antenna _____ have been _____ by _____ construction _____.

_____ I have _____ due _____ local _____ work?

_____ it _____ result of nearby _____ affecting _____ antenna _____?

_____ I determine if _____ ongoing building work _____ effect on _____ setup?

_____ it possible _____ had _____ problems because of the _____?

_____ there been any changes _____ a result _____ works _____ my antennas?

Has there been _____ changes _____ a result of _____ work _____ my _____?

I would _____ to know _____ the recent _____ has _____.

_____ nearby construction _____ my _____ installation?

_____ construction _____ up my _____?

_____ construction messed _____ my _____?

_____ there _____ information _____ disrupted antenna _____ caused by _____?

I _____ like to _____ reception _____ caused there _____ affected _____ install has taken place.

I'm _____ sure _____ there _____ connection _____ my antenna _____ and _____ activity.

_____ know if my _____ suffered _____ of local _____ work?

_____ affected by construction?

_____ it possible _____ was _____ construction recently?

Is it _____ that _____ construction _____ my antenna?

I wonder _____ messed up _____ caused _____ troubles.

Is there a _____ I'm having _____ and the recent _____ activity?

I _____ to _____ if there's _____ install or if reception issues _____ by _____ construction _____.

reception _____ have been _____ nearby _____ affecting _____ antenna _____

_____ it _____ local _____ causes disrupted antenna _____?

I _____ to know if _____ have _____ construction _____ if _____ is an affected antenna _____.

_____ will _____ know if those _____ aerial?

_____ the antenna _____ by construction _____?

_____ if there is _____ connection between _____ antenna _____ recent _____ activity _____ to _____.

_____ nearby construction _____ my _____?

Did construction _____ troubles _____ up _____ antenna?

_____ the _____ construction _____ my antenna _____?

_____ any information _____ disrupted antenna _____ by _____ development?

_____ the nearby _____ blame for _____ of my antenna?

_____ construction messed up my _____?

Is the disruption of signals _____ by _____ aerial _____ a result _____?

_____ me _____ the _____ caused messed-up antenna signal?

Do you see _____ changes _____ quality as a _____ near my _____?

_____ tell if reception _____ near _____ work affect my antenna _____.

Is _____ any information that _____ local development?

I'm _____ if _____ a _____ between my _____ and recent _____ activity.

_____ antenna _____ reception disrupted _____ local construction?

_____ to _____ if there _____ affected antenna _____ or reception issues caused _____.

I'm wondering _____ is a _____ construction _____ and the issues _____ antenna.

_____ want _____ if construction work _____ my antenna _____.

Is _____ that _____ construction _____ to _____ antenna _____ causing _____ problems?

I _____ to know if ongoing _____ building work _____ my _____ setup's _____.

_____ be to blame for reception _____ been having?

Is _____ connection _____ I'm having with _____ antenna _____ the activity _____ home?

How do I know _____ my _____?

I'm _____ if _____ is a connection _____ and the _____ issues I'm _____.

_____ determine _____ ongoing building _____ adversely _____ antenna _____ performance in receiving signals?

Have _____ my antenna installation?

Is it possible that _____ interference with _____ setup caused by _____?

_____ construction _____ antenna affecting reception?

_____ with my _____ after recent _____ close _____ home, is there _____ connection?

Is _____ a _____ in _____ quality _____ by the _____ near _____ antennas?

Is _____ that _____ construction has disrupted _____ installation?

Did _____ construction _____ my antenna _____?

Is it possible _____ nearby construction _____ setup, _____ reception problems?

_____ want _____ builders ruined _____ causing these reception issues.
 Is there _____ connection between _____ issues I'm experiencing _____ my antenna _____ close _____ ?
 _____ disruption _____ signals _____ my new television _____ system _____ by _____ external _____ ?
 _____ want _____ if the _____ ruined _____ aerial, causing _____ troubles.
 _____ the _____ messed _____ my antenna.
 I need _____ know _____ there _____ been _____ affected antenna _____ or reception _____ construction work.
 Has _____ construction _____ for my _____ poor performance?
 Is _____ my _____ affecting it?
 I _____ to know _____ arose _____ nearby _____ there was an _____ antenna install.
 _____ want to know if my antenna installation _____ to local _____ .
 _____ wonder if the _____ issues are because of _____ ?
 Is _____ antenna _____ related _____ development?
 _____ in transmission _____ caused by the building _____ my antennas?
 _____ figure out if the ongoing building work adversely _____ ?
 I _____ to know _____ reception issues _____ arisen _____ if _____ affected antenna install has _____ .
 Local construction work could _____ cause _____ reception _____ my _____ .
 Is it possible that _____ work _____ current _____ setup's performance?
 _____ there _____ that _____ antenna signals _____ local development?
 I wonder _____ the _____ neighboring construction _____ system and caused these _____ .
 _____ want to _____ issues _____ arisen _____ nearby construction or if _____ antenna _____ has _____ affected.
 _____ like to _____ the _____ has affected my antenna installation _____ .
 Is _____ any _____ on _____ antenna from _____ ?
 _____ reception _____ Did construction ruin _____ ?
 I _____ to _____ builders _____ my aerial, causing the _____ .
 I _____ to know _____ are related to _____ work _____ affected _____ install.
 _____ nearby _____ my antenna?
 Can I determine if _____ affects _____ current _____ setup's performance?
 _____ want _____ know _____ there _____ an affected antenna install _____ reception _____ are _____ nearby construction work.
 _____ know _____ the _____ affected my antenna installation.
 _____ I _____ the _____ building _____ has _____ affected _____ antenna setup's performance?
 Did construction _____ my _____ ?
 Is there _____ links _____ antenna signals to _____ ?
 How _____ I _____ those _____ ruined my aerial, causing _____ ?
 _____ interested in _____ reception _____ have arisen from _____ or _____ there _____ been an _____ antenna _____ .
 _____ a connection _____ the _____ work and my _____ ?
 The _____ installation _____ been affected by _____ work and _____ been _____ .
 It's possible _____ performance is due _____ nearby _____ .
 _____ the ongoing adjacent building _____ has adversely _____ antennae setup?
 I _____ know if _____ issues arise _____ antenna install.
 _____ am wondering if _____ nearby construction _____ installation.
 _____ the construction affected my _____ installation?
 _____ need to _____ reception issues _____ or _____ an affected antenna install has taken _____ .
 _____ wonder if _____ of _____ by my _____ installed television aerial system has been _____ ongoing _____ ?
 Is it _____ that _____ nearby construction _____ effect on _____ installation?
 _____ link between my antenna reception and the _____ ?
 Is _____ change in transmission quality _____ of the _____ my _____ ?
 _____ to know if _____ have _____ there or if _____ has been _____ affected antenna _____ .
 Local _____ work could _____ the reason _____ antenna _____ .
 Local _____ could _____ to _____ for _____ antenna's poor _____ .
 _____ being affected _____ the construction?

_____ construction _____ my _____?

I would like _____ know if _____ aerial, causing _____.

I want to _____ if _____ affected _____ install, or if reception issues _____ nearby _____.

_____ like _____ the builders ruined _____ aerial.

Has construction _____ with _____?

Is _____ related _____ recent demolition and _____ antenna install _____?

Could _____ work be _____ cause _____ reception issues I _____ my antenna?

_____ the nearby construction has _____ my _____ installation?

_____ appear that _____ antenna signals _____ by _____ development?

_____ construction _____ up my _____ reception _____?

Is there _____ change in _____ due _____ surrounding _____ my antennas?

Did _____ to _____ affect reception?

Is it _____ that _____ antenna _____ by the _____?

Is there _____ link between _____ work and _____?

_____ possible that _____ construction _____ causing _____ with _____ antenna setup?

I'm not sure if _____ with my _____ and recent _____ activity.

_____ reception issues _____ a _____ construction _____ impacting my antenna _____?

I _____ wondering if nearby _____ could _____ blame _____ my _____ poor _____.

I _____ disruptions of signals received by _____ television aerial _____ by ongoing _____ works?

_____ a _____ my antenna issues and _____ construction?

Did recent _____ issues _____ because _____ on _____ setup?

_____ it _____ ongoing _____ adversely affected _____ current antenna setup's _____ in _____ signals?

Can you tell _____ messed _____ antenna _____ was caused by _____?

Is it _____ some _____ interfered with my _____ causing reception _____?

Can _____ figure out _____ a _____ messed _____ signal?

I _____ determine if _____ issues _____ affect my antenna _____.

There have recently _____ nearby work _____ with _____ antenna installation.

_____ the _____ construction _____ affecting my _____ installation?

Did _____ construction _____ my _____?

I _____ if _____ construction has _____ my antenna installation.

Is _____ possible _____ the _____ construction _____ my _____ installation?

_____ that _____ has _____ my antenna setup and caused _____ troubles?

Is the _____ of _____ received by _____ television aerial system _____ works?

Is _____ a _____ between _____ issues I'm _____ my _____ and _____ construction?
