

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Text messaging and MMS configurations
Inquiry Sub-Category	Message Character Limit
Description	Customers may need to know the maximum character limit for sending SMS or MMS messages, especially when composing lengthy or multimedia-rich content.
Data Size	5,170 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Do _____ different limits _____ other _____ using Multimedia Messaging Service _____?

I don't _____ there _____ separate limitations for GIFs _____.

_____ the _____ service _____ setting different _____ when sending _____ compared _____ other _____ formats?

_____ it _____ the parameters governing the _____ of _____ multimedia _____ are _____ they _____ in standard photos?

_____ it _____ GIFs face separate limitations _____ sent through _____?

_____ are questions about whether or _____ the _____ that are sent via _____ have _____ use _____ the images _____.

_____ it true that images _____ MMS are _____ more _____ those _____ via _____?

Is it _____ GIFs to _____ differently compared _____ regular pics under _____?

I wonder _____ more for the _____ than other _____ types.

I would _____ to _____ there are any limitations within _____ that _____ related _____ the _____.

_____ can _____ if Multimedia _____ Service rules _____ you different options _____?

Is it _____ that _____ parameters govern the sharing of graphics _____ differently _____ standard _____ sharing?

_____ the _____ Messaging _____ differ when it _____ Gif format?

Is the parameters _____ multimedia _____ services _____ when it comes _____ interchange _____ visuals as opposed _____?

There are limits on _____ amount of pictures that can be _____ versus _____ pictures _____.

Is there _____ between _____ sent through MMS _____ GIFs?

Is _____ is altered guidelines _____ Gif on multimedia messaging?

Sending Gifs _____ restricted _____ message service

Is _____ limit of GIFs different _____ the limits _____?

_____ it _____ are _____ bounds for _____ transfers that are _____ other transfers through MMS?

_____ Mobile Message _____ can be _____.

_____ are questions as _____ whether or not _____ image _____ MMS _____ more _____ use than _____ sent via _____.

There are _____ to whether or not the _____ MMS _____ more restricted use than _____ sent _____ GIFs.

_____ for MMS pics _____ from the _____ for _____?

Were _____ restrictions _____ GIFs _____ instead of _____ picture file types?

_____ to know if GIFs _____ with any _____ limitations within _____ and _____ they _____?

Do ____ use ____ files ____ MMs have any ____?

____ you decide ____ rules of Multimedia ____ Service ____ different options for ____?

There are some ____ as to whether ____ not ____ sent ____ have ____ restricted use ____ sent ____ GIFs

Is the ____ of setting different caps when sending ____ images?

Is ____ you ____ that images sent ____ MMS ____ restricted ____ than ____ go ____?

I'd like to know if ____ within ____ MMS are ____ of ____.

____ the limits ____ GIFs different ____ used for ____ types ____ pictures ____?

Can ____ us if ____ on using mass msg ____ GIFs?

____ Messaging Service have ____ boundaries ____ Gif ____?

____ the multimedia messaging ____ able ____ set different ____ for ____ GIFs ____ to ____?

____ the ____ Messaging Service rules ____ for ____ out ____?

There are some questions ____ whether ____ images ____ have more ____ than ____ sent ____ gif.

Is the limits ____ those ____ other ____ pictures?

Is ____ a ____ the ____ for images on MMS ____?

Can you tell ____ there ____ of ____ for sending GIFs?

____ are ____ limitations for sending ____ than for ____ pics?

I would ____ to ____ if there are limitations ____ that are ____ the ____ GIFs.

Do there ____ any ____ the use of ____ on ____?

____ there changed ____ sending a Gif ____ Multimedia ____?

Can ____ the limitations for sending ____ from regular pictures?

____ don't know if ____ are any restrictions ____ to transmit Gif ____.

____ use ____ Gif files ____ have boundaries?

____ between the limitations of transferring an animated ____ like.gif with ____ and ____ on ____?

Is ____ possible that ____ of graphics in multimedia messaging services are ____ the ____ govern the sharing ____?

Is ____ true that GIFs sent via ____?

____ sending a GIFs ____ more restricted than ____?

____ it possible that the ____ that ____ of graphics in ____ are ____ than those ____?

There ____ questions as to ____ not the ____ MMS ____ more ____ use than ____ GIFs we send ____ MMS.

Can you ____ if ____ transferring an animated ____ like.gif with ____ are ____ from ____ for ____?

____ know ____ restrictions on sending GIFs via ____ to regular picture files.

____ possible ____ GIFs are ____ via ____ more restricted?

____ the multimedia messaging ____ to ____ caps ____ compared ____ other formats?

How do ____ if ____ Service rules give you ____ with ____ to ____?

It ____ that ____ the sharing of ____ in ____ messaging services not the same ____ are ____ standard ____ messaging ____.

Do ____ mean ____ images sent through MMS ____ restricted ____ the ones ____ sent via ____?

I don't know ____ there ____ specific restrictions ____ using ____ files.

____ are ____ as to ____ image types send via ____ restrictions than the image types sent ____.

I don't know ____ a restriction ____ sending ____ Gif and ____ to regular ____

Is it ____ sent through ____ restricted more than those ____ or ____ image types?

Do the rules of ____ differ when it ____ GIF ____?

____ in ____ for images on MMS ____ GIFs?

Do Multimedia ____ different options with regards ____ Gifs?

There are ____ questions ____ to whether ____ the image types send ____ MMs ____ restricted use ____ sent ____

How do ____ decide ____ Messaging Service ____ give ____ it comes to sending GIF ____?

Can you tell us ____ are in ____ it ____ GIFs ____ msg?

____ determine ____ the ____ of transferring an ____ picture like.gif ____ MMS ____ what ____ are on regular images

How ____ other MMS ____ compared ____ the GIF's ____?

Can you ____ me if there ____ restrictions ____ via MMS compared ____?

____ are some questions as to whether or not the ____ types ____ via ____ use ____ we ____ GIFs.

I want to know ____ the ____ that include GIFs.

Do ____ exist ____ boundaries ____ Gif files ____ being ____ MMs?

I ____ if ____ is ____ on the ____ sent via ____.

____ is ____ difference between ____ picture ____ those ____ sending Gifs ____ a ____ context?

Is ____ possible that there ____ separate ____ sent ____ MMS?

____ the limits ____ GIFs ____ other types of pictures ____?

Is ____ that the parameters governing the ____ graphics ____ messaging ____ are ____ from ____ parameters ____ the ____ of ____?

____ possible ____ there ____ restrictions on ____ MMS ____ transmission of GIF files?

____ other ____ send using ____ have different limits ____ GIFs?

There are questions as ____ whether the image types that are ____ MMS ____ restricted ____ via GIFs.

____ you ____ if the ____ Messaging Service ____ options for sending Gifs?

There are certain ____ the GIFs come with ____?

____ possible that the parameters ____ the sharing ____ graphics in ____ messaging ____ that are ____ from ____?

____ MMS more ____ than other types ____ images?

____ limits of ____ different ____ other ____ formats ____ MMS?

____ GIFs have ____ limitations ____ sent through the MMS?

Is the limits of GIFs ____ from the ____?

How ____ the limitations ____ different from ____ pics?

Is it ____ images ____ are ____ MMS ____ restricted more ____ that go via ____?

____ are some ____ as ____ whether or not ____ MMS ____ restricted use than images ____ GIFs.

There ____ as ____ or not the ____ send ____ restricted use than the ____ we ____ via MMS

When ____ graphic ____ format ____ to ____ the parameters ____ multimedia messaging services different?

____ some questions ____ the image ____ send via MMS have ____ use than the ____ we send ____

Do ____ rules ____ when it comes to ____ GIF ____?

Do Multimedia Messaging Service ____ have ____ for ____?

____ to sharing graphic interchange ____ visuals ____ opposed ____ are ____ parameters governing ____ messaging services unique?

There ____ certain bounds imposed ____ MMS.

____ as ____ whether the types of images ____ via MMS have ____ restricted use than ____.

Do you mean ____ images ____ through ____ more restricted than ____ sent ____ GIFs?

There are ____ as ____ whether ____ the image types ____ via ____ have more ____ use ____ the ____ via ____

Some ____ as to whether or ____ image types ____ restricted ____ than ____ that ____ sent via GIFs.

Is it possible ____ govern ____ sharing of graphics ____ multimedia messaging ____ not ____ standard ____ messaging ____?

____ may ____ specific ____ imposed on ____ through the ____.

____ Gifs ____ be limited ____ a ____ Service.

Is it ____ Multimedia Messaging Service ____ differ when ____ GIF ____?

____ questions as ____ not ____ types ____ via ____ have more ____ use ____ the images that are ____ via GIF.

Can you ____ if the ____ Multimedia ____ Service ____ you ____ for sending ____?

Is ____ possible ____ govern ____ in multimedia messaging services differently ____ are ____ standard photos?

Is ____ that ____ governing the ____ graphics ____ multimedia messaging services ____ same as they are ____ photo ____

____ Multimedia Messaging Service rules ____ different options ____ comes ____ Gifs?

How ____ compare to ____ GIFs' limit?

____ specific ____ on ____ transfers through MMS?

Can ____ me if the ____ of transferring ____ picture ____ MMS ____ than what they are ____ regular ____?

Does anyone _____ the guidelines _____ Gif _____ Messaging are changed?

I _____ like to _____ GIFs come _____ any _____ within _____ MMS?

There _____ different _____ types sent _____ msg, _____ are _____ than the _____?

I am curious if the _____ the _____ of the _____.

_____ through _____ restricted more than _____ sent _____ and other types?

_____ are _____ questions as to whether or not _____ types _____ have more _____ the _____ sent _____ Gifs.

_____ that _____ are sent via MMS _____ restricted?

_____ images _____ through MMS _____ more restricted _____ the ones _____ via GIFs?

_____ it possible that _____ govern _____ in multimedia _____ services differently _____ standard photo messaging _____?

Can you _____ if the limitations of transferring _____ animated _____ like.gif _____ from the _____ regular _____?

_____ know _____ any of the _____ the Multimedia Messaging _____ related _____ use of GIFs.

Are _____ different _____ types sent via _____ and if _____ they more _____ GIFs?

Do the _____ from those _____ for other _____ of pictures _____?

Can you tell _____ if there are different _____ to regular _____?

_____ tell me if there are any restrictions _____ files _____ MMS.

_____ questions about whether or not the _____ sent _____ have _____ restricted use _____ the _____ GIFs.

_____ are some questions about whether or _____ images _____ MMS _____ restrictions _____ those sent _____.

I want to know if there _____ MMS _____ to _____ of _____.

There are _____ or _____ image types _____ are sent _____ MMS have more _____ than the _____ sent _____ GIFs.

Is the limit of GIFs different _____ sent?

Is _____ pics separate _____ the limit for _____?

_____ want to know if _____ are _____ bounds _____ on GIF _____.

_____ limitations _____ the GIFs differ _____ of the _____ images?

Sending _____ a mobile message _____ restricted.

_____ there _____ for _____ through MMS?

_____ that _____ that govern the sharing of _____ in _____ services _____ different _____ those in standard _____ services?

Is it _____ that _____ parameters govern _____ of _____ in _____ messaging _____ same as _____ standard photos?

Is the _____ for _____ different _____ limit _____ GIF?

_____ are _____ questions as to whether _____ image types send via MMS _____ restricted _____ the _____ sent _____.

_____ the limits for _____ other MMS images.

_____ Multimedia Messaging Service _____ for _____ files?

What _____ difference _____ picture limitations and sending _____ in _____ context?

Is it _____ that _____ are _____ guidelines _____ sending a _____ on _____?

_____ of GIFs _____ from _____ of other _____ of _____ sent?

What _____ in place for _____ Gifs _____ msg, _____ regular _____ files?

Is it _____ the _____ govern the sharing of graphics _____ multimedia messaging _____?

There _____ whether or _____ of images sent via MMS have more _____ use than _____ images _____ sent _____.

Is it possible that _____ Messaging _____ differ _____ to _____ GIF?

_____ are _____ to _____ not the _____ types _____ have _____ restricted use than the image sent via _____.

There _____ limitations _____ the MMS and I _____ to _____ if _____ any _____ GIFs.

There _____ some _____ as to _____ or not the image _____ sent _____ more _____ that are _____ via GIFs.

_____ possible to determine _____ the _____ of _____ animated _____ with MMS are different _____ imposed _____ the regular _____

_____ the differences _____ regular picture limitations _____ sending _____ Gif _____ MMSy context?

_____ some questions _____ whether or not _____ types sent via MMS have _____ restricted _____ that _____ sent _____ Gif.

When _____ to _____ format, the _____ the _____ Messaging Service _____.

_____ would like to _____ are different restrictions on _____ via _____ to regular file _____.

Do _____ that images _____ through _____ are _____ than those _____ via _____ or _____ types _____ images?

Is the limit for images _____ GIFs _____?

Can you _____ me if the _____ of _____ an _____ like.gif with msg _____ different _____ images?

_____ multimedia _____ service able to set different caps for _____ to _____?

_____ are different image _____ is _____ restricted more _____ the GIFs?

Is _____ true _____ images sent via MMS _____ those _____ via gats _____ types of _____?

_____ possible that _____ the sharing of graphics _____ messaging services _____ the same _____ photos?

_____ are _____ restrictions on _____ GIFs via _____ msg compared to _____?

_____ are _____ as _____ whether or not the image _____ via MMS _____ more restricted use _____ sent via _____.

Is it _____ that _____ parameters _____ of _____ multimedia messaging _____ from those in photos?

Is _____ possible _____ to face separate _____ when _____ MMS.

_____ you mean that images sent _____ are _____ than _____ GIFs?

How do _____ decide if _____ Messaging _____ rules give _____ with _____ to _____?

Is _____ possible that _____ other _____ sent using Multimedia _____ Service are different _____ sent _____ other services?

Can you _____ if the _____ transferring _____ animated picture _____ with MMS are _____ imposed on _____?

_____ it _____ the parameters of the _____ of graphics in multimedia messaging _____ are different _____?

I am _____ if the _____ sent _____ restricts _____ types.

I don't _____ if the _____ restricts _____ images.

_____ the difference between _____ limitations _____ that _____ sending a _____ within an _____ context?

I'm not _____ there _____ a _____ sending GIF pictures _____.

Do _____ exist _____ the use of _____ on MMs?

_____ some questions _____ whether or not _____ that are sent _____ have _____ restricted use than the _____ sent _____.

_____ a difference between _____ limits _____ sending pictures with _____ and the traditional _____ MMS.

Is _____ GIFs _____ sent _____ MMS _____ restricted than _____ image types?

There are questions _____ to whether _____ the _____ send _____ more restricted use _____ GIFs _____ we _____ via MMS.

The sending GIF format _____ or may _____ have _____ options _____ to _____ Messaging _____.

Is _____ for _____ from that _____ MMS images?

Is it _____ that _____ sent _____ MMS is _____ other _____ types?

_____ want _____ a limitation _____ GIFs through the messaging service.

_____ to _____ if _____ gifs _____ the limitations within the MMS.

_____ Multimedia _____ Service capable of _____ unique boundaries _____ files?

_____ can _____ restricted by a _____ Message _____.

_____ parameters governing the _____ of _____ in _____ messaging services are different from those _____ standard _____ services?

I want _____ if there are _____ the _____ that have something _____ do _____ of _____.

_____ sure if _____ different restriction _____ the sending _____ GIF and _____ on regular _____.

Is _____ for sharing graphics _____ multimedia messaging _____ different from the _____ for standard photo _____?

_____ more of a _____ between _____ GIFs _____ MMS images?

_____ some _____ as to _____ or not the image _____ send via MMS _____ use than the images _____.

Is it true _____ there is _____ Gif?

Is the _____ messaging _____ of _____ different caps when _____ GIFs?

Is there _____ difference in the _____ MMS and _____?

Is there a _____ for _____ through MMS?

_____ GIFs have limitations _____?

Is _____ the _____ the sharing of _____ messaging services isn't the same _____ they are _____ standard _____

_____ it _____ the _____ of _____ in multimedia messaging services are _____ the ones that _____ standard photos?

There are _____ questions as _____ types _____ via _____ have more _____ than those _____ via gif.

Is it possible _____ there are specific _____ use _____ for sending _____ ?

_____ is _____ differences between _____ those for sending _____ a MMsy context?

I would _____ to know if _____ limitations within the _____ something to _____ the _____ GIFs.

I want _____ if _____ with any _____ the limitations _____ multimedia _____ service.

_____ some _____ whether or not _____ image _____ MMS have more restrictions than the _____ sent _____ gif.

Is it _____ that the _____ govern _____ of _____ in multimedia _____ aren't _____ as they _____ in _____ services

_____ possible that _____ parameters _____ the sharing _____ graphics _____ messaging services _____ photos?

_____ possible _____ parameters _____ the _____ graphics in _____ messaging services _____ different _____ in standard photo services?

_____ there different image types sent _____ are _____ more _____ GIFs?

_____ are _____ as to whether _____ the types _____ images sent _____ have more restricted use _____ images _____ are _____.

_____ any constraints _____ the _____ of GIFs _____ MMsMessaging?

Is there _____ specific bounds imposed _____ the _____ through _____ ?

Are there any _____ sending _____ via _____ msg, instead _____ files?

I _____ if the _____ come with some _____ limitations within the _____.

When it comes to _____ do _____ Multimedia Messaging _____ ?

_____ are the _____ to the GIFs' _____.

I would _____ know _____ there are any restrictions _____ of _____ using _____.

_____ there _____ that _____ set different caps for _____ GIFs _____ other images?

Is _____ rules _____ the _____ Messaging Service _____ when _____ to _____ format?

Is _____ possible that the _____ the sharing of graphics _____ in _____ messaging services than _____ standard _____ ?

Is _____ rules _____ when _____ comes to sending GIF?

Can you _____ limitations of sending _____ through _____ messaging service?

Is _____ a boundary _____ protects _____ of _____ files _____ MMs?

I don't _____ any _____ within _____ MMS related _____ the _____ of GIFs.

Is the Multimedia Messaging _____ rules _____ comes _____ ?

_____ it possible that the _____ that _____ the sharing of _____ in multimedia messaging _____ are _____ ones _____ govern _____

There are some questions as _____ have more _____ use than the GIFs _____ send.

I _____ like to _____ if _____ use of MMS to transmit _____ files.

I _____ to know if there _____ limitations within _____ that _____ related to _____.

I don't know _____ there are specific _____ GIF files _____ MMS that _____ picture _____.

When _____ sending GIF format, do _____ Messaging _____ rules _____ ?

Can _____ tell _____ if there are _____ restrictions _____ using MMS _____ ?

_____ it possible that the parameters governing _____ sharing _____ graphics _____ multimedia _____ services _____ photos?

I _____ like to _____ if there are separate _____ sending _____ via MMS _____ file _____.

_____ mean that _____ images _____ through MMS are _____ than _____ images _____ are sent _____ GIFs?

_____ wonder if the _____ via MM _____ restricted than _____ other _____.

Is _____ of GIFs _____ those _____ other _____ images?

_____ do _____ pics compare to _____ GIFs' _____ ?

Is there _____ imposed on _____ transfers through _____ ?

_____ not _____ if _____ a difference in _____ on _____ a GIFs.

_____ it true _____ that _____ through MMS _____ restricted more _____ those sent _____ ?

_____ whether or not the _____ types _____ via _____ have more restricted use than the _____ sent _____ GIF.

Is _____ Multimedia messaging _____ rules _____ giving out Gif format?

I don't know _____ there is _____ on _____ GIF _____.

There _____ on Sending _____ a mobile _____ service

_____ messaging service capable _____ different caps _____ GIFs _____ other _____ formats?

_____ are _____ as _____ or _____ the images we _____ via _____ have more restricted _____ the _____ we send via _____.

There are _____ to _____ the image types _____ via _____ have more limited _____ imagery _____ is sent via _____.

I _____ if there are any restrictions _____ the _____ that _____ to _____ of GIFs.

_____ sharing _____ format visuals _____ to standard _____ are the parameters of _____ multimedia _____ service _____?

Are _____ sent through MMS more _____ than those _____ via _____?

Do you _____ that the images _____ go _____ are more _____ the _____ that _____ via _____?

_____ don't _____ if there are _____ GIF files on _____.

_____ traditional _____ of _____ using _____ are not the _____ the limits _____ pictures _____.

_____ you _____ there are restrictions on the use _____ MMS _____ sending _____?

_____ a _____ between GIF files _____ other _____ the MMS?

There are some questions _____ not _____ types _____ MMS have more _____ than the imagery _____ GIFs.

Sending Gifs _____ mobile _____ restricted.

_____ the limits of pictures _____ using Multimedia _____ of GIFs?

_____ questions _____ to _____ or not _____ image types send _____ MMS _____ restricted _____ than _____ types that are _____ via _____.

Is there _____ between the _____ GIFs and those of _____?

I'm not _____ GIF _____ via _____ than other image types.

I'm not _____ Gif _____ with msms _____ allowed.

_____ it possible that _____ animated picture like.gif with MMS are _____ those _____ regular _____?

There are _____ whether or _____ the _____ is _____ MMS _____ more restricted use _____ the imagery _____ is _____ via _____

Is _____ that parameters _____ the sharing _____ graphics in multimedia messaging _____ different way than _____?

In comparison to traditional pictures, _____ or sizes allowed _____ sent _____?

There _____ to _____ or not the _____ sent _____ MMS _____ more _____ use than the images _____ via _____.

Is _____ possible _____ the parameters of the _____ in _____ messaging services _____ different _____ in _____?

Do _____ have any _____ sending GIFs _____ mass _____ instead _____ regular _____?

Is _____ that parameters _____ sharing of _____ in _____ messaging services differently _____?

_____ questions as to whether _____ types _____ MMS have _____ restricted _____ than the imagery _____ via _____

The _____ and the _____ different.

There are some _____ to whether _____ not the _____ to the GIFs we send via MMS.

When _____ to sharing graphic interchange _____ different _____ multimedia messaging services?

_____ the _____ Messaging Service rules _____ it _____ out Gif format?

_____ limits _____ GIFs and other pictures _____ Multimedia _____ Service different _____ the _____ of _____ types of _____?

_____ difference _____ otherMMS pics and the _____ limit?

There _____ some questions as to _____ not _____ that are _____ MMS have _____ restricted use than the _____ are _____

_____ do _____ limits for sending _____ differ compared _____ normal _____?

_____ it _____ there _____ different limitations _____ sent _____ MMS with _____?

How are the otherMMS photos _____?

_____ it _____ sent through MMS are restricted more _____ GIFs?

_____ it possible that _____ sharing of _____ in multimedia _____ services differently than they _____ sharing _____?

_____ the multimedia _____ capable of posing _____ boundaries _____ GIF _____?

_____ whether or not the image types send viaMMS _____ more restricted _____ than _____ images _____ via _____.

_____ it true _____ sent _____ the MMS are _____ than _____ sent via _____?

_____ are different image types _____ be sent _____ are it restricted _____ than using _____?

Some questions ____ to ____ or ____ the image types send via MMS ____ image that ____ via ____

Is the ____ rules different when ____ comes to ____?

Is ____ limits for images on ____ different ____ and ____.

____ are ____ as ____ or ____ the image types send via MMS have more restricted use ____ sent ____.

____ sure if ____ are separate restrictions ____ sending ____ via MMS ____ regular ____.

I wonder ____ the GIF ____ via ____ than other ____.

I'm ____ sure if there ____ the ____ GIF ____ MMS ____ to regular pictures.

____ it true that ____ bounds ____ transfers ____ on other transfers through ____?

How do ____ if ____ messaging service ____ with regard ____ the sending GIF format?

Is ____ for using Gif ____ on ____?

There are ____ questions as to whether or ____ image types ____ restricted use ____ send via MMS

When ____ to ____ format ____ as opposed to ____ do the ____ multimedia messaging services differ?

There are ____ as to whether the ____ images that ____ sent ____ MMS ____ restricted use ____ are ____ GIFs.

____ want ____ know if ____ GIFs ____ of ____ limitations within the ____ Messaging Service ____.

____ parameters governing ____ of ____ in multimedia messaging services ____ same ____ they are with standard ____ sharing?

There are ____ to ____ image ____ send via MMS have more restricted ____ the GIFs ____ send ____.

I ____ wondering if ____ on ____ sent via MMS.

Can you ____ limitations of transferring ____ with MMS ____ than those ____ on the ____ picture?

____ some ____ as to ____ not ____ image types ____ via MMS ____ more restricted ____ the ____ send via MMS.

____ restrictions ____ Gifs with a Mobile Message ____.

____ there ____ difference between the ____ GIFs and ____ sent using ____.

Are ____ via msg, and if ____ are ____ restricted more ____ using a ____?

____ are ____ as ____ whether ____ not the ____ via MMS have more ____ those ____ via GIFs.

____ not sure ____ the GIF sent ____ MMS ____.

Is ____ that ____ difference ____ the ____ on MMS ____ a GIFs?

Is ____ possible that ____ govern the sharing of graphics ____ messaging ____ are ____ the parameters ____ govern ____ sharing?

I ____ know ____ there ____ any limitations related to the use ____ the ____ Messaging ____.

Do ____ of ____ Service give ____ different options ____ to sending Gifs?

Is ____ via ____ restricted than sending ____ image types?

____ that ____ parameters govern ____ graphics in multimedia ____ services ____ the same as ____ standard ____ sharing?

Is there a ____ to ____ amount of ____ that ____ MMS?

____ you know what restrictions ____ Gifs ____ mass msg?

How ____ decide if ____ you different ways to send ____?

____ it possible ____ a ____ to face ____ when sent ____?

Is ____ any restrictions ____ sending ____ via mass msg, ____ file ____?

Is it ____ that the parameters ____ sharing ____ graphics in ____ differently ____ they ____ standard ____ sharing?

What are ____ other MMS ____ comparison ____ GIFs' ____?

____ are questions as to ____ or ____ images ____ via ____ more ____ use ____ the images sent ____

____ are ____ questions ____ whether or ____ the image ____ send ____ more restricted use than ____ that ____ via Gif.

Can you tell ____ a ____ restriction ____ sending a ____ with a ____.

____ it ____ the sharing of ____ in ____ messaging services ____ than pictures?

____ it possible to send different ____ via ____ or ____ it ____ the ____?

____ the limits of ____ from ____ for other ____?

____ us ____ restrictions are for ____ via mass msg?

I ____ is a different restriction on ____ of ____ MMS compared ____ regular pictures.

____ you tell us what ____ are on ____ GIFs ____?

Is it possible that the limits for sharing images in multimedia messaging services are more restrictive for sharing GIFs?
 Would you like to know if there are any limitations on the use of GIFs?
 Do you know if the limits of an image like.gif with MMS are different from the limits of the images?
 What is the limit on the number of pictures sent from the phone for GIF pictures?

Is it possible that the parameters governing the use of multimedia services are more restrictive than those for standard photo sharing services?

Is there a question about whether the images sent via MMS are more restricted than the images sent via standard sharing?
 Is there a question about whether there are specific limits regarding GIF sharing?

How do we know if the GIFs are subject to the restrictions of the multimedia service?

Is there a specific limit on GIF sharing through MMS?

Is the limit on GIF sharing from the phone on multimedia images?

Do you know if the images sent through MMS are more restricted than those that go via standard sharing?
 Are there boundaries on the use of Gif files in MMs?
 Does this mean that images sent through MMS are restricted in the same way as other images?
 Do you know if there are separate limits when sent via MMS?
 What are the limits of GIFs compared to those for other types of images sent?

What's the difference between sending a GIF in a multimedia context?

I would like to know if there are any limits on the use of GIF in MMS.

It's not clear what governs the sharing of graphics in multimedia messaging services.

Do you know if there are any limits on the use of the Multimedia Service?

Does this mean that the images that are sent through MMS are more restricted than those sent via GIFs?

Can you tell me if there are limitations on the use of an image like.gif with MMS that are different from those of the Multimedia Service (MMS) may have?

Is it possible that the parameters governing the use of graphics in multimedia messaging services are not the same as they are for standard sharing?

There is a question about whether or not the image sent via MMS is more restricted than the image sent via standard sharing.

There are some questions about whether the image types sent via MMS have more restrictions than images sent via standard sharing.

Do the limits on GIFs differ from those on MMS?

What are the limits on the use of GIFs?

Do you know if there are any limits on the use of GIF sent via MMS compared to other image types?

Do you want to know if there are any limits within the Multimedia Messaging Service that are related to the use of GIFs?

Do you mean that the images sent via MMS are more restricted than those sent via standard sharing?

I'm not sure if there is a restriction on the use of pictures in msms.

Is it possible that the parameters governing the use of graphics in multimedia messaging services are different from the ones in standard photo sharing services?

Are there some questions about whether the limits on the use of different types of images sent via MMS are more restrictive than those sent via standard sharing?

Is it possible that the limits of the use of images and other pictures sent via the Multimedia Service are different from the limits on other images used in standard sharing?

Is the multimedia service capable of sending different caps for GIFs to the image sent via standard sharing?

Do you mean that the images that are sent via MMS are more restricted than those sent via standard sharing?

It's not clear what the limitations are on the use of GIFs through MMS.

There are some questions regarding whether the limits on the use of different types of images sent via MMS have more restrictions than the images sent via standard sharing.

Is it possible that the parameters governing the use of graphics in multimedia services are not the same as in standard sharing services?

Do you decide if the multimedia service rules give you different options with regards to sending images?

Are there any boundaries for using images?

Do you know if there are any limitations on the use of GIFs from the phone with multimedia images?

Do you know if there are any limits on the use of GIFs that give you different options with regards to sending images?

Are there any restrictions on the use of MMS compared to regular image files?

Is it possible that the parameters governing the use of graphics in multimedia messaging services are different from the standard sharing services?

Are there any other MMS limits different to the GIFs' limit.

_____ do _____ for _____ a _____ differ _____ limits for pictures?

Are _____ different _____ msg and if so, _____ restricted more than _____ a _____?

_____ there are _____ restrictions on _____ GIFs via _____ to regular _____ files.

Is there _____ between the boundaries _____ in MMS _____?

_____ to _____ what _____ in _____ for sending _____ via MMS.

_____ is _____ question _____ or not there _____ specific _____ for the GIF _____.

Do _____ if _____ transferring an _____ picture _____ with _____ are different from _____ on _____ images?

_____ are the other MMS _____ from _____ limit?

I want to _____ the GIFs _____ with any _____ the _____ the _____.

_____ want to know _____ any of the _____ within _____ MMS _____ to _____ of GIFs.

_____ that _____ are _____ than those that go via GIFs?

Is it _____ GIFs _____ different limitations when _____ the _____?

Is the limit _____ pics _____ limit for GIF _____?

What is _____ difference _____ regular _____ those _____ Gif _____ a MMSy context?
