

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Check engine light is on
Inquiry Sub-Category	Sensor Malfunctions
Description	Customers seeking assistance with check engine light issues caused by malfunctioning sensors, such as the mass airflow sensor (MAF), oxygen sensor, or throttle position sensor.
Data Size	5,009 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ steps should I take if the ____ sensor ____ my ____?

What should be ____ if ____ vehicle ____ an ____ the ____?

How ____ I ____ to ____ with oxygen?

____ actions ____ I take ____ the ____ the oxygen sensor?

____ can ____ done if ____ car ____ caused ____ the ____ sensor?

____ what ____ the oxygen sensor warning indicator?

____ corrective ____ should ____ taken in ____ a ____ light ____ to the ____ probe?

____ is ____ my vehicle's oxygen sensor, ____ should we do?

What should be ____ vehicle ____ issues with its ____?

When the ____ sensor ____ my ____ should I do?

____ should be ____ immediately ____ has ____ with its ____ sensor?

There are ____ needed ____ a ____ is ____ oxygen sensor.

____ the vehicle's warning ____ is due to ____ sensor ____ I ____?

____ can I ____ to fix the ____ in ____ vehicle?

____ I ____ if ____ vehicle ____ a ____ with the oxygen ____?

____ best way to deal with the ____ a faulty ____ sensor?

What should ____ my ____ warning is ____ oxygen sensor?

____ what ____ do ____ my O2 sensor causing a ____ signal on ____?

What should ____ if my car's ____ says ____ a ____ sensor?

What is ____ action to ____ the ____ warn ____ is ____ by ____ oxygen ____?

Steps ____ if the vehicle's ____ to oxygen ____.

Advice please, how do ____ handle my ____?

____ sensor sets the car ____ what do ____?

____ when ____ O2 sensor ____ a warning signal ____ car?

What's next, since ____ O2 ____ caused ____ sign?

____ to respond ____ car warning ____ oxygen ____ on?

What ____ I do ____ that ____ was ____ by ____ O2 sensor?

____ wondering ____ there's ____ my car's oxygen sensor ____ off.

_____ should _____ to _____ oxygen _____ that warns my _____?
 What _____ I _____ about the oxygen _____ indicator _____ car?
 _____ would you recommend _____ my _____ warning light _____ on because _____ my _____?
 _____ the warn _____ is _____ by the oxygen _____ is the _____ way _____?
 _____ should _____ do _____ indicator is due to the oxygen _____?
 _____ vehicle's warning _____ goes _____ of an oxygen _____ issue what advice _____?
 _____ my _____ O2 sensor _____ off, _____ need to _____ necessary _____.
 _____ happens _____ car alarm _____ set _____ O2 sensor?
 _____ I _____ after my vehicle's oxygen sensor _____ the _____ light _____ on?
 What _____ be done _____ alert _____ saying there's a faulty _____?
 What should _____ to my _____ oxygen _____ indicator?
 _____ was wondering if _____ could _____ what to _____ the _____ sensor in _____ car goes _____.
 _____ is _____ from _____ car's _____ what steps _____ I take?
 _____ an oxygen _____ what is the proper _____?
 _____ advice if _____ sensor _____ off?
 Is there _____ proper _____ oxygen sensor warns _____?
 _____ please, _____ do I deal _____ car's _____ alert loop?
 _____ there any _____ if my _____ oxygen _____ off?
 _____ should _____ done immediately _____ vehicle indicates _____ with its _____?
 _____ should _____ do if my vehicle's _____ the warning light _____ go _____?
 If you have issues _____ O2 _____ which _____ should you _____?
 Do you have any _____ on _____ to _____ oxygen sensor _____?
 When the _____ that _____ are malfunctioning, what should I _____?
 _____ to _____ when a _____ warns of an _____?
 What actions should _____ take when _____ indicator _____ about _____ sensors?
 _____ steps _____ I take _____ my _____ light _____ because of my _____ sensor?
 How _____ I deal with _____ in _____ vehicle?
 _____ car's signal _____ by the oxygen _____ the steps _____ take?
 What steps _____ taken if _____ alert is _____ a malfunctioning _____?
 What _____ I do _____ my vehicle's _____ signal _____ the _____ sensor?
 How to _____ caused by _____ sensor.
 _____ case of issues with _____ O2 probe, _____ corrective _____ you _____?
 _____ indicator on the oxygen sensor in _____ car?
 What do you _____ sensor sets the _____?
 _____ can _____ address _____ alert caused by oxygen _____?
 _____ sensor messing with car _____ what _____?
 _____ oxygen sensor _____ the car's _____ indicator, what should _____?
 _____ is _____ course _____ action if the car's _____ indicator _____ powered _____ oxygen _____?
 When _____ indicator warns _____ the oxygen sensors, _____ I _____?
 How _____ I address the _____ sensor warning _____?
 _____ when the _____ sensor causes _____ ride's _____ sign?
 If _____ car's O2 _____ goes off, there _____ steps _____ take.
 What actions _____ needed _____ car _____ caused _____ sensor?
 The _____ indicator _____ about the _____ sensors, so _____ actions _____ I _____?
 If _____ oxygen sensor causes my _____ what _____ I do?
 Should my _____ problem _____ sensor, _____ should I do?
 How _____ actions be taken _____ O2 sensor _____?
 _____ the best thing _____ do _____ the _____ warn indicator _____ oxygen sensor?
 _____ my car's O2 sensor _____ activated, _____ necessary _____.
 _____ should be done _____ vehicle _____ with _____ oxygen sensor?

I'm _____ if you _____ on appropriate _____ my car's _____ goes _____.
 What should I _____ if _____ shows _____ with _____ oxygen _____?
 _____ should I _____ if my _____ oxygen alert?
 What _____ done _____ alert is _____ the oxygen sensor _____ malfunctioning?
 _____ oxygen _____ goes off in my _____ could you _____ me _____?
 _____ my car's oxygen _____ goes _____ should we _____?
 How should _____ with an oxygen _____ when the _____ off?
 What should I _____ my _____ sensor _____ the warning light _____ off?
 What _____ be _____ if the _____ causes a car _____?
 Which corrective _____ to _____ if there _____ light linked _____ issues _____ the _____?
 _____ be _____ case my vehicle _____ with its oxygen _____?
 _____ my vehicle's alert _____ by the _____ I do?
 What _____ be _____ the _____ sensor _____ a car _____?
 If the _____ warning is _____ oxygen sensor, steps _____.
 What _____ my vehicle shows trouble _____ sensor?
 What should _____ do if my _____ trouble _____ the _____?
 What _____ if my _____ oxygen _____ indicates something?
 How to _____ sensor warning?
 _____ warning _____ on _____ of my oxygen sensor, what _____ we _____?
 _____ is _____ way _____ respond to an _____ sensor _____ my _____?
 _____ would I do _____ indicator was triggered by _____ oxygen _____?
 _____ warning _____ due _____ oxygen sensor, steps are _____.
 _____ vehicle's indicator _____ of _____ oxygen _____ what actions do _____ to _____?
 _____ vehicle's warning _____ due _____ should be taken.
 _____ I do _____ car has _____ oxygen alert?
 _____ actions needed if _____ is caused by _____ O2 _____.
 _____ the oxygen _____ causes _____ problem, how should _____ warning indicator?
 _____ to deal with _____ warning?
 What _____ I do _____ my car's signal comes _____?
 When the oxygen _____ in _____ off, what _____ I _____?
 _____ any _____ to _____ alert _____ that result _____ sensors in vehicles?
 If _____ sensor causes _____ warning light _____ what _____ I do?
 How _____ warning indicator _____ is triggered _____ the _____ sensor?
 _____ are steps _____ the _____ due to _____ oxygen sensor.
 _____ if my car's alert _____ me _____ sensor is malfunctioning?
 How _____ address oxygen _____ alert?
 If _____ sensor causes _____ light to go _____ how _____ I _____?
 _____ warning _____ to the oxygen _____ can be done?
 _____ should I _____ my car _____ with its _____ sensor?
 What _____ be done if _____ alert _____ me a _____?
 _____ are steps _____ need _____ be _____ the _____ warning _____ caused by the _____.
 _____ alert caused by _____ sensor
 _____ the _____ sensor _____ my _____ goes off, _____ should be _____?
 _____ warn indicator is triggered _____ the oxygen sensor, _____ of action?
 _____ I do _____ the _____ is triggered _____ oxygen sensor?
 _____ the vehicle's indicator _____ the oxygen _____ should _____ take?
 The steps _____ oxygen _____ alert?
 Can _____ tell _____ should change _____ sensor warning indicator in _____?
 _____ you tell me what to _____ oxygen sensor causes _____ to _____?
 _____ should _____ about the oxygen sensor _____?

How ____ deal ____ an activated Oxygen sensor ____ ____ ?

When ____ is ____ by ____ sensor, what is the ____ step?

____ my ____ goes ____ there are things ____ must do.

____ can ____ do ____ vehicle's ____ indicator if the ____ sensor ____ malfunctioning?

What ____ of ____ take ____ my vehicle shows a problem ____ sensors?

When ____ warn ____ is ____ oxygen sensor, What ____ best ____ of action?

____ should I do ____ warning indicator ____ to ____ oxygen sensor?

____ should I ____ the warning light comes ____ of ____ sensor?

What do I do ____ car's ____ says ____ ?

Which ____ of ____ should ____ take ____ vehicle shows a problem ____ its ____ ?

____ oxygen ____ signals my ____ alert, ____ should I ____ ?

____ do if ____ vehicle has ____ oxygen sensor?

____ with car ____ when there ____ an ____ sensor?

____ are steps ____ address ____ car alert caused by ____ .

____ to address ____ indicators ____ from ____ sensors in ____ ?

If my car ____ trouble ____ its ____ should ____ done?

____ my car's oxygen ____ goes ____ ?

How to respond ____ when the ____ is ____ ?

Can ____ me ____ to ____ with ____ oxygen ____ warning indicator?

____ do ____ do about the indication ____ car's ____ ?

____ do I resolve ____ oxygen ____ warning ____ my ____ ?

____ case of a ____ issues ____ O2 probe, which corrective ____ would ____ ?

What ____ when ____ warning ____ comes on ____ an issue with ____ sensor?

____ the ____ a car indicator what ____ to be ____ ?

____ do if my vehicle shows ____ trouble ____ the ____ sensor?

My ____ light ____ because of my ____ sensor, ____ we do?

____ the ____ warn indicator ____ powered by the oxygen ____ the ____ of ____ ?

____ you ____ me ____ the oxygen ____ causes my ____ warning ____ to go on?

____ is ____ of ____ when the ____ warning light is glowing ____ of the ____ ?

When ____ car's warn indicator ____ powered by ____ is the ____ course ____ ?

____ taken if the vehicle's warning is ____ to ____ .

When ____ sensor ____ car's ____ light to ____ off, could you ____ measures?

Is there ____ way to address the ____ warning ____ ?

____ respond ____ light ____ on because ____ an issue with an oxygen ____ ?

____ I address ____ vehicle's ____ if ____ oxygen ____ is malfunctioning?

How to ____ with ____ Oxygen ____ in my ____ ?

____ respond to the ____ I have an ____ with the ____ sensor?

Should I ____ action ____ vehicle tells me ____ are malfunctioning?

____ case ____ issues with your automotive's ____ which ____ should you ____ ?

____ to deal with ____ activated ____ sensor ____ motor ____ ?

If ____ sensor ____ the ____ on, how should I proceed?

What should ____ trouble with its oxygen ____ ?

The warning light is ____ because ____ oxygen sensor. ____ I ____ ?

____ would you ____ your automotive had a warning light ____ to issues ____ the ____ ?

When the ____ warns ____ the ____ sensors, what ____ I have ____ ?

What should I ____ car's triggered ____ ?

When the ____ sensor ____ off ____ my ____ I do?

What ____ be done if ____ car's ____ for ____ sensor?

____ I ____ vehicle shows issues with ____ oxygen sensor?

When ____ car's warn ____ powered ____ what is ____ best course ____ ?

Any suggestions for how _____ with _____ caused _____ in vehicles?

How do _____ the vehicle alert caused _____?

_____ my car's signal _____ triggered by _____ what steps _____ take?

There are _____ address _____ alert _____ sensor.

_____ do _____ vehicle has a warning indicator and _____ sensor is _____?

Steps need _____ be taken _____ the _____ warning _____ to the _____

_____ car's _____ is _____ the oxygen sensor, _____ is _____ best course _____ action?

What _____ done _____ alert says there is _____ faulty _____ sensor?

If my _____ O2 _____ goes off, there _____ some _____ taken.

How to _____ oxygen _____ car _____?

What should _____ to deal with _____ warning caused _____ a _____?

_____ should _____ the _____ sensor warning in my _____?

I need _____ do when the _____ my car goes _____.

Should I take _____ problem with the _____ sensor?

If _____ warn indicator _____ by _____ sensor, what's _____ best course _____ action?

How _____ react _____ the vehicle's _____ warns about the _____?

_____ vehicle's _____ indicator _____ due to a malfunctioning oxygen _____ should _____?

_____ there any way _____ address _____ indicators _____ oxygen sensor _____?

_____ should I do if _____ vehicle's _____ a warning _____ turn _____?

_____ car's _____ is _____ by _____ sensor, and _____ best course of action?

When _____ vehicle's warn indicator _____ oxygen sensor, what _____ the best _____?

What _____ do _____ warning signal comes _____ oxygen sensor?

What should _____ O2 sensor causes _____ car _____?

_____ if my _____ a problem with _____ O2 sensors?

How should _____ respond _____ warning caused _____ O2 sensor?

When _____ car's _____ indicator _____ by an _____ sensor _____ the _____ course of _____?

What should _____ do when the warning _____ to _____ sensor _____?

What _____ if my vehicle _____ its oxygen _____?

What should _____ do _____ the oxygen sensor _____ my _____?

When an _____ sensor _____ what should I _____?

_____ me how _____ my _____ triggered O2 alert _____.

When _____ car's warn indicator _____ powered by _____ sensor, what's the _____?

How to deal _____ an _____ in _____ car?

_____ are steps needed if _____ an _____ sensor.

_____ can be done _____ the _____ caused _____ O2 sensor?

_____ should I _____ about _____ oxygen _____ in my _____?

What should _____ done if _____ car's _____ is that the _____?

_____ steps to take when my car's _____ triggered _____ the _____.

_____ my vehicle's _____ indicator is triggered by _____ I do?

Should my vehicle _____ a problem _____ its _____ I take?

What is _____ because _____ sensor caused _____ alert _____?

If _____ is telling _____ oxygen sensor is malfunctioning, _____ should I _____?

What should I _____ warning light _____ because of _____ sensor _____?

_____ the _____ indicator _____ due to _____ what _____ I do?

How _____ deal with a _____ warning when _____ on?

If the _____ light goes _____ of _____ sensor, how _____ proceed?

If _____ car's oxygen _____ set _____ what should _____?

What can _____ to respond to the _____ O2 sensor?

If _____ sensor _____ an alarm, _____ steps to take.

What _____ be _____ my _____ alert says a faulty _____?

_____ there is _____ to issues with the _____ probe, _____ should you take?
 _____ action should I _____ vehicle signals _____ problem with _____ sensor?
 _____ know _____ respond to an oxygen alert in _____.
 _____ should be _____ car's _____ is _____ that _____ oxygen sensor isn't working?
 How _____ address the _____ the oxygen sensor _____ light comes _____?
 If the _____ problem, how can _____ deal with _____ warning _____?
 Help _____ how _____ my _____ O2 alert loop?
 _____ my _____ have _____ issue _____ its O2 sensor, _____ I _____?
 _____ indicator is activated _____ an _____ sensor, _____ should someone _____?
 When the vehicle's indicator tells me _____ sensors, _____?
 What _____ I do _____ my _____ tells _____ an _____ sensor problem?
 _____ do about _____ oxygen sensor warning in _____?
 If _____ warning _____ to _____ sensor then steps _____ needed.
 Please tell _____ what _____ oxygen sensor warning _____ my car.
 When the car's _____ indicator _____ what's _____ course of action?
 Can you _____ me _____ to _____ if _____ sensor causes _____ warning light _____ light _____?
 _____ sensor _____ car warning light
 What _____ best _____ the _____ indicator _____ powered _____ the oxygen sensor?
 When the oxygen _____ in my _____ off, _____ do?
 How to _____ triggered _____ oxygen sensor?
 If _____ car's _____ sensor _____ are _____ I have to _____.
 In case _____ warning _____ issues with your _____ O2 probe, _____ do you _____?
 How _____ with an activated oxygen _____ my _____?
 Can _____ what _____ do when _____ oxygen _____ to warn?
 If _____ sensor causes a car _____ done?
 _____ should I _____ my _____ alert is _____ oxygen sensor?
 What _____ are _____ the _____ indicator _____ caused by _____ sensor?
 What should I _____ the _____ warning _____ an _____ sensor?
 _____ the car's warning _____ the _____ what _____ the _____ course of action?
 What's the next step _____ sensor caused _____ ride's _____?
 _____ is the _____ thing _____ if _____ car's warn indicator _____ because _____ the _____ sensor?
 What steps would you _____ for _____ to turn _____ my _____ sensor?
 If my _____ warning _____ goes off due _____ its oxygen sensor, _____ advice _____ give _____?
 If _____ car's _____ sensor goes off, what _____?
 What is _____ response to _____ oxygen _____ in _____?
 What _____ should _____ if _____ car's _____ sensor says _____?
 _____ to deal with _____ sensor _____ in _____ car?
 _____ light _____ off for an issue with its oxygen _____ what _____ you _____?
 When an _____ sensor warns _____ what _____ the _____?
 _____ what about the _____ with the car _____?
 _____ you _____ if the _____ sets the car _____?
 _____ steps would you recommend _____ light turned on because _____ oxygen _____?
 _____ should I do about _____ warning _____ by _____ malfunctioning _____?
 Any suggestions on _____ to _____ indicators _____ by _____ cars.
 When _____ warn indicator _____ sensor, what is the best course of _____?
 When the vehicle's _____ tells _____ the oxygen sensors _____ do?
 Oxygen _____ should _____ respond?
 _____ is _____ course _____ if _____ car's _____ indicator is powered by _____?
 _____ sensor causes the warning _____ flash, _____ should _____ do?
 How _____ address a _____ alert caused _____ oxygen _____?

What steps do I _____ on _____ from my _____?
 _____ take action when my _____ with its O2 _____?
 If _____ sensor _____ on the _____ how _____ I proceed?
 When the _____ indicator _____ is due to _____ oxygen _____ what _____ do?
 If _____ O2 _____ car indicator, _____ should be _____?
 _____ advice _____ my car's oxygen _____ goes _____.
 If the _____ sensor causes my _____ light _____ on _____ I _____?
 When _____ vehicle's _____ about the _____ actions do _____ need to _____?
 In case _____ light linked to _____ with your _____ probe, _____ corrective _____ should _____ employ?
 Should my vehicle _____ a problem with _____ I _____?
 What action should _____ if _____ O2 sensor causes _____?
 _____ car's _____ is _____ by the _____ sensor, what _____ should I _____?
 If the _____ sensor _____ warning _____ what should I _____?
 _____ are needed _____ warning _____ due to _____ sensor.
 _____ the vehicle's indicator warns _____ sensors, _____ I need _____ take?
 _____ the _____ warn _____ is triggered by the oxygen _____ what's _____ best _____?
 _____ can we address _____ caused _____ the _____ sensor?
 _____ address the vehicle's _____ if the oxygen _____ malfunctioning?
 _____ oxygen sensor in _____ car goes off, what _____?
 How to _____ the _____ when the oxygen _____ on?
 _____ do I _____ indicators _____ from oxygen _____ vehicles?
 Which corrective _____ would _____ use _____ there _____ a _____ with _____ with the _____?
 Advice please, what should I _____ with _____?
 _____ case _____ issues _____ automotive's _____ probe, _____ corrective moves would you _____?
 What can _____ done _____ sensor _____ car alarm?
 _____ can _____ to _____ alert indicators caused by _____ in _____?
 _____ oxygen _____ is triggering _____ vehicle's _____ steps should I take?
 _____ the oxygen _____ is causing _____ problem, how can _____ address _____?
 _____ sensor _____ my _____ what is _____ correct protocol?
 _____ the _____ warn _____ glowing _____ of the oxygen sensor what is _____ action?
 _____ steps to address _____ oxygen _____ vehicle _____.
 _____ advice _____ my _____ oxygen sensor goes off.
 When the _____ indicator _____ by _____ sensor, _____ is the best _____ action?
 The _____ is due to the _____ should I _____?
 What _____ done if _____ sensor _____ a car _____?
 _____ warning indicator _____ activated by an _____ sensor, _____ should _____?
 What should be _____ vehicle has trouble _____ oxygen _____.
 _____ should _____ do _____ the oxygen sensor _____ triggering _____ indicator?
 Help! _____ have _____ O2 _____ a _____ on my _____.
 _____ react to the vehicle warning _____ malfunctioning O2 _____?
 What actions needs to _____ taken _____ O2 _____ a _____?
 _____ you have _____ with your _____ moves will you employ?
 How to _____ the _____ sensor warning _____?
 _____ the _____ sensor _____ on _____ car's _____ what should _____ do?
 _____ is glowing _____ the _____ sensor, _____ is the best action to take?
 Can you _____ to do about _____ oxygen _____ indicator _____ car?
 How _____ I respond _____ the _____ because _____ a faulty _____?
 _____ if car alarm _____ set _____ sensor?
 _____ you think _____ done with the _____ sensor _____ in _____ car?
 What should _____ do _____ response _____ vehicle _____ caused _____ a faulty _____?

How _____ oxygen sensor triggered _____ my vehicle?
 _____ do _____ the oxygen sensor-triggered warning _____ vehicle?
 What _____ be taken if _____ a car indicator
 When _____ sensor _____ my car's _____ what _____ do?
 _____ an oxygen _____ warnings my _____ what is _____?
 _____ should be _____ if _____ shows that _____ oxygen sensor is _____?
 When _____ sensor _____ light _____ could you tell me what to do?
 What actions need _____ taken _____ causes a _____ indicator?
 _____ has an oxygen _____ what _____ be taken?
 In _____ the _____ caused _____ faulty _____ what measures must I take?
 How do _____ oxygen _____ warning on _____ vehicle?
 _____ case _____ warning _____ associated with issues _____ your _____ O2 _____ which _____ moves would _____ use?
 _____ must _____ taken if _____ O2 sensor causes _____ indicator.
 What should _____ do if _____ its oxygen sensor?
 If _____ car has an _____ should I _____?
 I want _____ what _____ should do _____ oxygen _____ indicator in _____ car.
 How can we _____ warning indicator _____ the _____?
 _____ deal _____ activated _____ sensor on my vehicle?
 How _____ with _____ car warning?
 What should I do _____ to _____ caused by _____ O2 _____?
 If _____ vehicle's warning _____ due _____ sensor, _____ are steps _____ taken.
 Steps _____ address _____ sensor-induced _____?
 _____ be _____ my _____ indicates some problem with _____ sensor?
 _____ the _____ activated by _____ sensor, _____ should you do?
 What _____ do if the car alarm _____ sensor?
 What _____ I _____ my _____ to _____ with its oxygen sensor?
 _____ do _____ the _____ sensor sets a _____ alarm?
 _____ car's _____ sensor causes an _____ necessary steps.
 _____ your _____ has an _____ probe, which corrective _____ employ?
 What _____ I do _____ senses _____ of oxygen?
 Any _____ to address alert _____ by _____ sensors _____ vehicles?
 What should I _____ the Oxygen _____ warning _____ car?
 _____ should _____ if my car's _____ is _____ me _____ my _____ sensor _____ faulty?
 What _____ I _____ about the oxygen _____ in _____?
 _____ the oxygen sensor _____ causing _____ problem, how can _____ warning _____?
 Can anyone give _____ my car's _____ goes off?
 _____ should _____ respond to _____ oxygen _____?
 If _____ O2 _____ off, _____ are _____ that need to be _____.
 _____ do to _____ with _____ vehicle warning _____ by the faulty _____?
 _____ actions must _____ when the _____ about _____ oxygen sensors?
 _____ warns _____ vehicle, what is _____ appropriate protocol?
 What should I _____ to _____ car's _____ sensor _____?
 Steps _____ addressing a vehicle _____ caused _____?
 How _____ we _____ sensor-caused _____ alert?
 How _____ an _____ sensor-triggered _____ in _____ vehicle?
 There _____ oxygen sensor-caused _____ alert.
 If the vehicle's _____ due _____ an _____ what _____ needed?
 _____ be _____ to fix _____ oxygen _____ that causes _____ light?
 _____ needs to _____ done if _____ O2 _____ causes _____ car _____?
 When _____ vehicle's _____ indication is _____ to the _____ sensor, what _____?

_____ address the _____ sensor _____?

What _____ O2 _____ causes a car indicator?

If the _____ is _____ my _____ what should I _____?

_____ suggestions on _____ address alert _____ caused by _____ the vehicles?

_____ on _____ to address _____ indicators _____ from oxygen _____ vehicles?

_____ on because _____ my vehicle's _____ sensor. _____ steps would _____ recommend?

Should I _____ my _____ indicator?

Is _____ address alert _____ the oxygen _____ in vehicles?

_____ vehicle's _____ light _____ off because _____ with the oxygen sensor, what advice _____ give _____?

_____ actions _____ be taken if _____ O2 _____ car indicator?

_____ can we address _____ alert caused _____ oxygen _____?

_____ steps should _____ take when _____ car's _____ an indication?

_____ I _____ about _____ sensor-triggered warning?

How should I deal _____ the _____ warning indicator?

_____ should I take when I _____ an _____ from my _____?

When _____ warning light goes _____ an _____ an oxygen _____ should I _____?

What should _____ my _____ signal is triggered by _____?

Can I get _____ if _____ oxygen sensor _____?

Steps _____ to be taken _____ the _____ warning _____ because _____ sensor.

_____ causes my _____ light _____ go _____ what should I do?

What's next _____ sensor _____ ride's alert sign.

If _____ is a _____ light linked _____ issues with _____ O2 probe, _____ moves _____ you _____?

If _____ O2 sensor _____ off, _____ need _____ steps.

_____ are steps _____ is because _____ the oxygen sensor.

_____ to be taken if the vehicle's _____ oxygen sensor.

When _____ have _____ with your _____ O2 _____ moves _____ you use?

If _____ oxygen sensor _____ a _____ I address the _____ indicator?

In _____ to _____ warning caused _____ an O2 sensor, _____ I _____?

Do _____ the _____ sensor warning indicator _____ my car?

_____ the _____ warn indicator is powered _____ the oxygen _____ the _____ of _____.

What steps should I _____ my _____ sensor causes _____ light _____ off?

_____ do _____ O2 sensor _____ a car alarm?

When _____ goes _____ due _____ oxygen sensor _____ should I respond?

What _____ about _____ oxygen sensor warning _____ my _____?

_____ can I resolve _____ oxygen sensor _____ in _____?

_____ are the _____ when _____ sensor causes _____ car _____?

When _____ vehicle's _____ warns about _____ what actions _____ take?

What _____ I _____ if _____ warning indicator is triggered by _____?

_____ should _____ respond to _____ caused by the O2 _____?

_____ my car's _____ goes off, what _____ I _____.

How _____ the oxygen _____ vehicle _____?

If _____ car's O2 sensor _____ necessary steps.

_____ know if the _____ sensor _____ cause my car's warning _____ come _____.

_____ is the _____ of action once _____ warn indicator _____ powered _____ the _____?

_____ vehicle's oxygen _____ is causing a warning light to _____ on?

If _____ vehicle's _____ because _____ a _____ its oxygen _____ what advice can you give?

When the vehicle's _____ due _____ the oxygen _____ what _____ I _____?

_____ corrective _____ be used _____ of a _____ light _____ to _____ with the _____ probe?

If the _____ due _____ the oxygen _____ are steps _____.

What _____ I do _____ that _____ oxygen sensors are malfunctioning?

Any suggestions on how to _____ indicators _____ in _____.

_____ should I _____ the _____ sensor _____ my car's _____ to _____ on?

What steps _____ be _____ if _____ tells me the _____ sensor _____?

_____ the car's _____ by the oxygen sensor _____ is the _____ course _____?

_____ warning light _____ to issues with the O2 _____ corrective _____ you _____?

In _____ of a warning light _____ is _____ to _____ O2 probe, _____ moves _____?

What _____ be taken _____ O2 sensor causes a _____?

_____ should be _____ vehicle's warning _____ due _____ oxygen sensor.

How _____ we address the _____?

What should I _____ when _____ warning _____ goes _____ an issue _____ the _____?

_____ best course of _____ if _____ powered by the oxygen sensor?

_____ could we address _____ alert _____ by _____ oxygen _____?

_____ my vehicle _____ linked to O2 levels?

_____ is _____ course of _____ the _____ indicator _____ triggered by the _____ sensor?

Please tell me _____ should _____ about the oxygen _____ warning _____.

How should _____ handle _____ sensor if it _____?

_____ actions should _____ if the O2 _____ car indicator?

_____ response _____ vehicle warning caused by a _____ what _____ I take?

How _____ we address _____ vehicle alert _____ oxygen _____?

_____ the vehicle's warning indicator _____ sensor, _____ should we do?

What _____ I do _____ my car's oxygen _____?

_____ would happen if the _____ sensor caused _____?

When _____ is _____ by the _____ sensor, could _____ recommend _____ measures?

_____ up car _____ light, _____ what?

When the vehicle's _____ is due _____ the oxygen _____ what _____?

_____ oxygen _____ is _____ my _____ indicator, what actions _____ I take?

_____ the _____ signal is triggered by _____ sensor, what _____ I _____?

How _____ deal _____ vehicle warning _____ O2 levels?

What should _____ done _____ O2 _____ causes a _____?

When _____ car's warning is _____ oxygen _____ what _____ the _____ course _____ action?

If the oxygen _____ going _____ what _____ do?

If _____ vehicle has _____ with its _____ sensor, _____ should _____?

If _____ sensor _____ off, _____ are _____ to do.

_____ is the best _____ of _____ the _____ indicator is _____ of an oxygen _____?

How should _____ an oxygen sensor _____ my _____?

_____ the vehicle's _____ warns about the _____ I do?

What _____ I do _____ response _____ the _____ caused _____ a _____ sensor?

_____ to _____ warning indicator if the oxygen _____ is _____ a _____.

When the car's _____ is powered _____ the oxygen _____ is _____ best _____

I need _____ what _____ do about _____ oxygen _____ warning _____.

How can _____ address my _____ if the _____ sensor _____ causing _____?

_____ car's _____ indicator is _____ of the oxygen sensor, _____ is _____ course of _____?

How should _____ to an _____ a faulty O2 sensor?

_____ for addressing the _____ alert _____ oxygen sensor?

There are _____ addressing the _____ alert.

How _____ with _____ Oxygen _____ indicator?

What actions would _____ to _____ the _____ sensor _____ car indicator?

What _____ be _____ when _____ indicates a problem with _____?

_____ should _____ if _____ sensor causes a car _____?

In case _____ issues with your _____ which corrective moves will you _____?

When the vehicle's _____ me _____ sensors, _____ should _____ do?

_____ light is _____ because of _____ sensor, what should I _____?

_____ the _____ causes _____ warning light to go _____ tell _____ what to do?

If _____ sets off, what _____ I do?

Which _____ moves _____ your automotive had a _____ light _____ with the O2 _____?

_____ my _____ oxygen sensor goes _____ would _____ do?

_____ if my car's oxygen _____ goes off.

_____ the oxygen sensor is causing _____ problem, _____ address _____ vehicle's _____?

_____ handle my _____ triggered O _____?

_____ be done when my _____ its oxygen sensor?

Any _____ on _____ address _____ related to _____ sensors _____ vehicles.

_____ my car's signal _____ triggered _____ sensor, _____ steps _____ take?

_____ should _____ done _____ my _____ tells me the _____ sensor _____ malfunctioning?

_____ to _____ to the indication from _____ car's _____ sensor?

_____ I handle _____ triggered _____ loop?

How _____ deal with a vehicle warning _____ O2 _____?

_____ you _____ any advice if the car's _____?

_____ the car's warn _____ is _____ due to _____ what is _____ best _____ of _____?

Can _____ what to _____ when my car's _____ goes off?

_____ received an _____ from _____ oxygen sensor, _____ should I _____?

Can _____ to do with _____ sensor warning _____ in my _____?

What is _____ way to _____ oxygen _____ my vehicle?

_____ my vehicle's _____ goes _____ an oxygen sensor _____ what _____ can _____ give?

How _____ car's triggered O2-alert loop?

_____ I handle _____ car's O2-alert _____?

_____ be _____ once my _____ trouble with its oxygen _____?

_____ I _____ if my car's alert is _____ my oxygen _____ malfunctioning?

If _____ car's warning _____ by the oxygen _____ me what _____ do?

_____ will _____ if the _____ ride's alert sign?

_____ the _____ me _____ the _____ sensor is _____ what _____ I do?

When the _____ indicator warns about _____ oxygen _____ what _____?

_____ the best course of _____ if _____ car's _____ is powered _____ sensor?

_____ you _____ any _____ on _____ the oxygen sensor warning _____ in my _____?

When the car's _____ by _____ oxygen _____ which _____ the best course _____?

Is there _____ can do _____ respond to the vehicle _____ a _____?

How _____ I respond to _____ light _____ goes _____ to an _____ sensor _____?

_____ I do if _____ vehicle's oxygen _____ warning _____ turn on?

_____ the _____ warning _____ due to _____ oxygen _____ steps must be _____?

Is _____ possible _____ on appropriate measures when the oxygen _____ causes _____ go off?

_____ warning indicator _____ due _____ the _____ sensor, _____ should _____ do?

_____ sensor causes _____ what actions would _____ needed?

What should _____ done _____ the O2 _____ indicator?

What _____ the best _____ of action if _____ is powered _____ sensor.

If _____ vehicle's _____ off _____ issue _____ its _____ sensor, what advice can you give?

Steps should be _____ to address _____ vehicle _____ oxygen _____.

When _____ signal _____ by the _____ what _____ be done?

_____ be _____ immediately _____ my _____ shows problems with _____ sensor?

What actions _____ be needed _____ the _____ causes _____ car _____?

_____ warning _____ glowing because of the oxygen _____ what is the _____ of _____?

_____ warning light _____ because _____ sensor in my _____ should I do?

In _____ issues with _____ probe, _____ corrective moves should you _____?
 _____ anything _____ should _____ my _____ signal _____ triggered by the _____ sensor?
 _____ to _____ car warning when oxygen _____ is _____?
 I need to _____ the _____ sensor will _____ my _____ warning _____ off.
 Can _____ tell me what _____ with my _____ oxygen _____ indicator?
 When a _____ warning _____ is _____ to the oxygen _____ I _____?
 If the vehicle's warning is _____ the _____ are _____.
 What _____ be done if _____ a _____ sensor?
 _____ can I _____ sensor-triggered warning _____ my vehicle?
 _____ an _____ sensor _____ my vehicle, what _____ course _____ action?
 _____ you _____ any _____ what _____ do with the _____ sensor _____ indicator _____ car?
 _____ done about _____ warning _____ caused by the oxygen _____?
 _____ should _____ with _____ light _____ I have an oxygen _____?
 Is there _____ advice _____ addressing alert indicators _____ sensors _____?
