

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Product features and specifications inquiries
Inquiry Sub-Category	Battery capacity and charging options
Description	Customers are interested in the battery life of their smartphone and inquire about the capacity of the battery, estimated usage time, and whether it supports fast charging, wireless charging, or battery optimization features.
Data Size	6,082 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Will _____ mode help _____ more _____ during travel _____ network _____ ?

Can _____ mode help save _____ no _____ required?

_____ mode _____ in saving _____ energy?

_____ enabling plane _____ help _____ the hassle?

_____ mode may _____ when _____.

Will airplane _____ power when _____ net needs?

Is _____ possible to give _____ mode _____ power _____ ?

Can airplane mode _____ used _____ save _____ ?

Can _____ to airplane _____ use when _____ connected?

_____ it _____ that plane _____ conserve more juice _____ ?

Does _____ to airplane _____ save _____ no network _____ ?

DoSwitching _____ airplane mode _____ there _____ no network connection?

_____ mode _____ energy _____ flights if I'm _____ using the _____ ?

Are energy-saving benefits _____ airplane _____ a connection?

Can _____ mode cut _____ power _____ when not _____ ?

_____ it _____ to switch _____ airplane mode to _____ while _____ ?

_____ activation _____ airplane mode _____ me _____ energy when _____ ?

Does _____ in _____ energy?

Will _____ flight mode _____ energy _____ ?

Will _____ airplane mode _____ saving?

When _____ is _____ connection, does _____ mode save _____ ?

_____ airplane mode save energy _____ traveling _____ ?

The plane _____ conserve more _____.

_____ it possible to allow _____ more _____ savings _____ ?

_____ airplane _____ be used to _____ a network?

When _____ network, will airplane _____ ?

_____ airplane _____ help _____ when traveling _____ a network?

_____ mode help save energy _____ ?

When _____ to the internet _____ electric use?

While offline, Airplane _____?

_____ save energy _____ there's no _____.

There _____ benefits _____ mode _____ places without a connection.

Using _____ save _____ energy.

_____ mode aid _____ travel energy?

_____ using _____ to save power with no _____?

_____ setting save _____ without _____ connection?

_____ there's _____ network, _____ airplane _____ reduce energy _____?

Will airplane _____ help _____ when traveling without _____?

Is _____ to use airplane settings _____ when traveling _____ internet?

_____ mode contribute _____ saving _____ without _____ needs?

_____ plane _____ be _____ conserve _____ juice offline?

_____ plane _____ conserve energy?

Does _____ help _____ energy _____ you don't have _____?

When _____ airplane mode save _____?

Airplane mode _____ energy _____?

Will _____ mode _____ when there is no network connections?

_____ mode conserve _____ offline?

_____ conserve _____ energy _____ using airplane mode?

Is _____ mode _____ saving energy when I _____ data _____?

Does _____ when I am _____ using internet?

Will turning _____ airplane mode _____ offline?

Do you _____ to _____ airplane settings _____ save _____ traveling _____?

Will airplane _____ to _____ while _____?

_____ you _____ hitting _____ mode _____ energy?

_____ mode help _____ energy _____ traveling?

Will _____ help save _____ when _____ no internet?

While traveling _____ airplane mode _____?

_____ mode save _____ when _____ not using network _____?

Plane mode _____ save _____ on _____.

Is _____ a _____ in _____ consumption if _____ is _____?

Does the _____ mode _____ when there _____ net?

_____ being _____ airplane _____ contribute _____ saving _____?

_____ switch to airplane _____ energy when _____ is _____ network _____?

_____ you think turning _____ is _____ saving energy?

_____ mode save _____ energy if there's no _____?

_____ mode save electricity _____ net?

_____ you _____ using _____ settings _____ save power during trips _____?

_____ hitting _____ mode _____ energy while _____ grid?

_____ you _____ plane mode will _____?

Can airplane _____ power _____

Can _____ help _____ energy _____ travelling _____ network connection?

_____ traveling offline, will _____ help _____?

Is _____ possible _____ save battery _____ enabling airplane _____ flights _____?

_____ plane mode be _____ juice _____?

_____ airplane _____ with no network?

Should airplane _____ save _____ there _____ no _____?

Will airplane _____ energy _____?

_____ mode _____ energy when _____?

____ travel without network connection ____ will ____ mode ____ ____ ____ ?
 Does ____ mode save electricity ____ ____ no ____ ?
 ____ using airplane ____ help ____ when traveling ____ ?
 Saving ____ will ____ aided by ____ .
 ____ airplane ____ be turned ____ save ____ ?
 Can flight-mode be ____ on non- connected ____ ?
 Plane mode ____ juice ____ .
 plane mode does ____ juice ____ ?
 Do ____ mode ____ I ____ have a data connection?
 Will airplane ____ more ____ when ____ network connection?
 ____ to conserve ____ juice with airplane mode?
 ____ mean to ____ airplane ____ to save ____ trips ____ internet?
 Can flight ____ turned ____ for ____ are unplugged?
 ____ there an ____ in ____ when ____ airplane mode?
 ____ using ____ save ____ off-net?
 When I'm ____ using cellular ____ flights, does ____ energy?
 Is ____ save energy ____ non- ____ journeys by turning ____ mode?
 Do you ____ airplane mode ____ energy ____ grid?
 ____ network-free flights, could airplane ____ ?
 ____ mode will help ____ energy?
 ____ mode help save ____ Offline?
 ____ plane mode ____ save energy?
 ____ going ____ help save ____ offline?
 ____ save ____ I switch to airplane mode ____ not ____ network services?
 ____ turning ____ airplane ____ conserve power?
 Will the ____ while offline?
 Does airplane mode save ____ if ____ data?
 ____ it possible ____ mode to ____ energy ____ offline?
 Can plane ____ save ____ with ____ ?
 Does ____ mode use ____ electricity ____ no net?
 ____ switch to ____ reduce ____ usage?
 ____ mode save ____ if there is ____ ?
 Can airplane ____ cut ____ on ____ use ____ it's ____ ?
 ____ it ____ to ____ flight mode ____ more ____ savings
 Does ____ help ____ while traveling ____ ?
 Is it ____ use airplane ____ to ____ on ____ without ____ ?
 ____ airplane ____ be ____ during ____ save power?
 Does ____ airplane ____ help ____ energy even ____ internet?
 Will activated ____ power with no ____ needs?
 Will ____ airplane ____ trip save me more energy?
 Is ____ for saving ____ traveling offline?
 ____ airplane ____ will ____ energy?
 Will turning on ____ save energy?
 Can you use ____ save power ____ ?
 ____ the airplane should ____ used to ____ power on trips ____ internet?
 Can ____ mode ____ power ____ requirements?
 ____ airplane mode being ____ energy without ____ connections?
 Do ____ modes save electricity ____ there ____ ?
 While traveling without any ____ help ____ conserve energy?
 Will ____ mode ____ energy ____ you ____ ?

Can ____ mode ____ used ____ power when ____ connected to ____?

Is ____ possible ____ power ____ airplane mode during ____?

Can the ____ of ____ in preserving ____?

Airplane ____ may ____ more power ____ there ____ connection.

____ mode ____ when there is no ____.

In ____ without a connection, would using ____?

____ it possible that airplane ____ help ____ during ____?

____ airplane mode be used to ____ energy ____?

Can moving ____ energy?

Airplane ____ will ____ energy ____ network.

____ airplane mode ____ energy when traveling ____ network ____?

Are ____ benefits ____ using ____ mode in ____ with ____ connection?

____ plane mode help ____ energy ____?

____ airplane mode ____ when ____?

Will ____ able ____ for more power savings?

____ mode save ____ with no internet?

____ hitting ____ energy while off ____?

____ it ____ to ____ mode ____ power savings unplugged?

____ airplane mode can help ____ travel ____?

Will ____ save ____ if offline?

Are ____ airplane mode going ____?

airplane ____ save energy ____

____ turning ____ mode going ____ save ____?

____ airplane mode help conserve ____ even ____?

____ the activation of airplane ____ help ____ preserving energy ____?

____ airplane ____ being ____ help to save power ____ needs?

Can I use airplane ____ to ____ I am ____ connected ____?

____ there's no network, ____ airplane ____?

Can airplane mode help ____?

When not connected ____ can ____ with ____ mode?

While traveling offline, ____ save ____?

Can airplane ____ on network-free flights to ____?

Can ____ mode ____ energy ____?

____ airplane mode in areas ____ internet connection ____ energy.

Allow airplane ____ internet to save battery.

____ of ____ with no connection can be energy-saving.

Will ____ mode save ____?

Even without ____ airplane ____ help ____?

Is ____ able ____ more ____ Offline?

____ is ____ will airplane mode save ____?

Can ____ mode be activated ____ energy ____ requiring ____ connections?

Will the ____ mode ____ use ____ disconnected ____ the internet?

Will Enabling ____ help ____ with ____ hassle?

____ conserve juice ____ offline world?

Will changing ____ energy?

____ using airplane ____ energy ____ no internet ____ required?

Does ____ help ____ saving ____ when I ____ need ____ data ____?

____ conserve energy during disconnected ____.

Will ____ conserve more power ____ there is ____?

____ it ____ to ____ power savings ____ airplane mode ____ travel?

____ I save more energy if ____ to plane ____ ____ ____ ?
 Does ____ mode help save ____ off the ____ ?
 ____ of ____ mode ____ energy?
 ____ switch on ____ mode ____ energy?
 Does ____ help conserve ____ with ____ ?
 Will activated ____ mode increase ____ ?
 ____ on airplane mode ____ conserve ____ ?
 ____ enabling ____ conserve energy when ____ ?
 Will switch to airplane ____ on ____ ?
 ____ airplane mode ____ saving ____ with no net ____ ?
 ____ turning ____ mode will ____ energy?
 Is it ____ to ____ using flight mode?
 Does the ____ of the ____ without a ____ ?
 ____ there is ____ does ____ mode save more ____ ?
 Does plane ____ juice ____ ?
 ____ I'm not ____ any network ____ can ____ airplane ____ to ____ energy?
 Will ____ help ____ energy ____ traveling?
 ____ mode save ____ on ____ ?
 ____ turning ____ airplane ____ will ____ save ____ ?
 ____ activated when traveling to save ____ ?
 ____ mode ____ energy when ____ road?
 Will ____ being ____ help save ____ ?
 ____ mode save ____ when ____ ?
 ____ airplane ____ energy ____ travelling?
 ____ mode ____ conserve ____ energy?
 ____ airplane mode help to ____ ?
 Can ____ mode be ____ to ____ without ____ needs?
 Using ____ will save ____ ?
 ____ I don't need ____ does putting my ____ in ____ save ____ ?
 Are there ____ benefits of ____ mode ____ no internet?
 ____ it ____ for flight-mode ____ save ____ during non- ____ ?
 Will airplane ____ activated help ____ energy ____ using network ____ ?
 Is ____ mode a help ____ I don't ____ a ____ connection?
 Will airplane mode ____ activated help ____ power ____ ?
 ____ necessary to ____ airplane settings ____ on ____ without internet?
 ____ airplane ____ when ____ not connected?
 There are energy-saving ____ to ____ areas ____ have ____ connection.
 When no ____ is ____ will ____ mode save ____ ?
 Can flight ____ save ____ network ____ ?
 ____ use ____ airplane ____ with ____ internet ____ can save energy.
 Will ____ activation ____ energy saving?
 What ____ airplane mode saving energy ____ ?
 ____ using airplane ____ save power with ____ need?
 ____ enabling plane ____ help ____ with no internet ____ ?
 ____ airplane mode ____ in ____ energy ____ I don't need ____ ?
 During ____ without ____ save battery by ____ airplane ____ .
 Will ____ mode ____ energy ____ Offline?
 ____ turning ____ airplane ____ save ____ during ____ ?
 Will using ____ save ____ when ____ internet ____ required?
 Is ____ going to ____ more ____ by going all airplane without ____ ?

_____ when there's no network.

Can _____ to save power _____ no _____ needs?

_____ I use _____ mode to _____ power, _____ not _____ networks?

Will turning _____ a difference when traveling _____?

_____ mode going _____ save _____ when traveling _____?

Does _____ save energy if I _____ need _____?

Plane _____ can _____ used to _____ power on _____.

_____ energy while on the _____?

_____ save energy _____ I'm not _____ data?

_____ mode be used to _____ when _____ Offline?

If there _____ no _____ airplane _____ save _____?

Is _____ for _____ save power _____ no net needs?

Can _____ use airplane mode _____ to save additional _____?

_____ save energy when _____.

When not _____ connections, will _____ mode help to _____ energy?

_____ it _____ save more _____ airplane mode activated?

When there is _____ during my _____ airplane _____ help _____ energy?

Does _____ airplane _____ help _____ when I _____ need data _____?

_____ enabling plane _____ energy with _____ interference?

_____ mode does it save _____?

_____ you considered _____ to save power _____ trips with _____?

Will using airplane mode _____ energy _____?

_____ wonder if _____ mode can be _____ power savings _____.

When _____ does airplane _____ energy _____?

_____ hitting _____ enough to save _____ while off _____?

During flights without internet, _____ battery.

Can airplane mode _____ conserve energy _____ offline?

Does airplane _____ energy even _____?

_____ can I _____ airplane mode _____ power?

_____ mode _____ activated to preserve _____ not using _____ connections?

Can _____ be activated _____ energy while traveling without _____?

Will _____ change _____ help _____ energy?

_____ save _____ travelling _____ an airplane mode?

Can _____ save energy when _____ network?

Will the airplane _____ conserve _____ there is _____?

_____ mode _____ energy without being _____?

Do _____ energy when I _____ need data?

Will _____ help _____ energy _____ traveling _____?

_____ enhance _____ conservation without internet _____?

Can I use airplane _____ conserve _____ aren't connected _____?

While _____ offline _____ airplane _____ energy?

When not _____ network _____ will the activation of _____ preserving _____?

Can _____ mode _____ on flights?

_____ may conserve _____ juice _____.

Does airplane _____ save energy _____ data?

Will airplane mode save _____ travel _____ be _____?

Can airplane _____ help _____ more _____ network connection _____?

Will _____ mode _____ energy _____ travelling without a _____?

_____ no network _____ will _____ mode conserve _____?

Can plane _____ used _____ energy _____ network needs?

_____ use _____ mode _____ not connected to networks to _____ ?

Can changing _____ airplane mode _____ save _____ ?

When internet is _____ use _____ airplane mode _____ energy?

_____ airline mode _____ internet?

_____ airplane _____ conserve _____ when _____ a network?

_____ setting _____ a network connection.

_____ airplane mode help in _____ ?

_____ network-free flights can _____ save _____ ?

_____ conserve energy when there _____ network?

_____ the _____ airplane mode _____ power savings without _____ ?

_____ mode _____ when there's no _____ ?

Is _____ saving _____ flights when _____ not _____ internet?

_____ turning _____ mode _____ save energy?

_____ airplane mode be _____ to _____ power _____ ?

Is _____ to save power _____ airplane _____ during _____ ?

_____ airplane mode being activated will _____ ?

When there _____ network _____ plane mode _____ more _____ ?

Airplane mode _____ help _____ while _____ .

_____ airplane _____ used will save _____ no net _____ ?

_____ airplane settings _____ save _____ trips with no internet?

_____ airplane mode help _____ while _____ ?

Airplane _____ energy while _____

_____ airplane _____ able to _____ power _____ without internet _____ ?

Is it possible _____ more juice _____ airplane _____ ?

When _____ don't need _____ connection, _____ in saving energy?

_____ by _____ airplane mode during _____ without internet.

_____ able to save _____ I _____ airplane _____ on my trip?

_____ airplane mode be _____ power _____ no _____ needs?

Does airplane _____ power _____ net needs?

_____ on airplane _____ reduce energy _____ ?

Does airplane _____ save _____ is _____ network connection?

_____ settings to _____ when traveling _____ internet.

_____ airplane _____ energy when traveling _____ network access?

_____ airplane mode saving _____ on flights _____ the internet?

_____ is _____ does switching on airplane mode _____ more _____ ?

Can airplane _____ electricity if _____ is _____ ?

When I am _____ using _____ does airplane _____ ?

Will using _____ help save _____ internet is _____ ?

Does airplane _____ to save _____ with no _____ ?

_____ good idea to use _____ to _____ power on _____ internet?

When _____ internet isn't _____ flight _____ electric use?

_____ traveling _____ help to _____ power?

_____ airplane _____ be _____ conserve energy while _____ ?

Does _____ save energy _____ flights _____ I _____ not using _____ ?

_____ it _____ that _____ will conserve energy with _____ access?

_____ battery _____ using _____ mode _____ without internet.

Can I _____ to _____ power _____ Offline?

_____ use _____ airplane _____ energy when no internet _____ required?

Will turning on airplane _____ use _____ ?

Will it conserve _____ travelling _____ an _____ ?

When _____ does airplane mode save energy?

Can _____ to _____ energy?

Will turning _____ flight _____?

Does switch _____ mode _____ more _____ is no network _____?

_____ flight _____ for more _____ power savings?

_____ plane mode more _____ efficient _____?

_____ connected to _____ can _____ use airplane mode _____ additional _____?

Will it be _____ save _____ no net _____ airplane _____ is _____?

Does airplane mode _____ consumption when I don't _____?

Does _____ when there's _____ network?

Will _____ energy when _____ offline?

Does _____ mode _____ when there is _____ net?

Will _____ help _____ energy while _____?

_____ it okay _____ airplane _____ to save power _____ trips _____ internet?

Does airplane _____ energy when _____ the internet?

Can _____ saving _____ when I don't _____ a data _____?

When internet _____ required, will using _____ mode _____?

_____ airplane _____ help _____ energy _____ travel?

When not _____ to networks, _____ I _____ airplane _____ conserve _____?

_____ it possible _____ will _____ more energy _____ my _____ if _____ airplane mode?

When _____ offline _____ mode be activated _____ energy?

Does _____ mode _____ you _____?

_____ mode _____ conserve _____ in _____ off-net?

_____ the _____ mode conserve _____ when there is _____?

Airplane _____ saves _____?

Does airplane _____ power when _____ connection?

_____ airplane _____ more energy _____?

Is _____ way _____ conserve _____ juice _____ airplane mode?

Does airplane mode _____ internet _____ not _____?

Will the use _____ help _____?

While traveling _____ on _____ save energy?

_____ plane _____ energy with no _____?

Airplane _____ conserve energy more _____.

_____ mode _____ energy on flights when _____ using cellular _____?

_____ airplane _____ extend _____ when _____ isn't available?

Can using _____ reduce power _____?

Will turning on plane _____?

Is _____ airplane _____ going _____ energy when there is _____?

Can _____ down on _____ usage if not _____?

Does the _____ when offline?

_____ airline mode _____ power _____ network-free _____?

Will airplane _____ help save _____ I _____ internet?

_____ on airplane _____ help with _____?

With _____ access, _____ save energy?

Will airplane _____ energy _____ I'm _____ using a _____?

Can it be _____ conserve _____ using airplane _____?

Can I use _____ mode _____ when _____ connected _____ networks?

Is _____ for power _____ internet requirements?

_____ if _____ can use _____ mode to save _____ offline.

_____ for _____ without internet to _____ battery.

Is _____ mode _____ for saving energy _____ I _____ data _____?

Will _____ switch to _____ mode _____ my _____ me _____?

_____ plane mode _____ to _____ save energy _____ hassle?

In _____ without _____ use _____ to save energy.

Will plane _____ save _____?

Energy-saving _____ of using _____ mode _____ areas _____ a _____

Airplane _____ save _____ network-free flights.

_____ energy when travelling offline?

_____ possible _____ allow _____ for more power savings?

Do _____ using airplane settings _____ on _____ with no _____?

_____ airplane mode help _____ if I _____ a _____ connection?

_____ can _____ used _____ save battery during flights with _____.

_____ I use less _____ trip _____ I _____ airplane mode?

_____ airplane mode _____ more _____ offline?

Saving travel energy _____ by _____ airplane _____.

Will _____ airplane mode _____ us _____?

_____ juice with airplane mode?

Does _____ power _____ offline?

Will flight mode _____ offline _____?

Is plane _____ conserve juice _____?

Can _____ save power _____ network-free _____?

Does _____ mode _____ without internet _____?

Do hitting _____ mode help save _____?

Can airplane _____ save _____ while _____?

Will _____ mode on _____ trip save me _____ energy?

Is _____ airplane _____ save _____ while off _____?

_____ you _____ mode during _____ internet, you _____ save battery.

How _____ save energy _____?

_____ of airplane mode help _____ not using a network?

Can _____ in _____ mode _____ energy?

Will the _____ mode _____ when traveling _____ access?

Does _____ enhance power _____ requirements?

Does _____ conserve _____ offline?

When _____ network connections, _____ activation _____ airplane mode preserve _____?

_____ mode keep _____ offline?

_____ don't need a _____ in aircraft mode _____ more energy?

Can _____ mode _____ energy when I travel _____ online?

Airplane mode _____ traveling disconnected.

_____ mode help to _____ power with no _____?

Can _____ mode _____ conserve energy travelling _____?

_____ possible _____ conserve energy in _____ network needs?

Is _____ mode _____ when I don't need data _____?

Airplane mode _____ on _____ when I'm not using _____.

Is _____ airplane mode to _____ on network _____ flights?

Does _____ when offline?

_____ there _____ no internet _____ my _____ using _____ mode _____ energy?

Is _____ possible _____ plane mode _____ juice _____?

_____ in saving _____ I don't need a data _____?

_____ want to know if airplane _____ energy _____.

Is it _____ to _____ to save more _____?

_____ mode helps save _____ ?

If _____ network, will _____ mode _____ energy?

Is airplane mode _____ save energy _____ internet _____ ?

_____ conserve _____ when there's _____ internet?

Is _____ mode will help _____ energy?

_____ mode _____ save energy _____ do not _____ data connection?

Will airplane _____ being activated _____ saving power?

Do _____ to _____ airplane _____ to _____ power _____ trips without _____?

_____ can be _____ save _____ trips without internet.

Will _____ be helpful _____ preserving _____ when _____ using _____?

_____ airplane _____ better _____ energy _____ when _____?

Can airplane mode extend battery _____ not _____?

_____ airplane _____ extended battery _____ when offline _____ out _____?

Can _____ airplane mode _____ power?

_____ with no _____ access, _____ mode conserve energy?

Will _____ mode _____ energy, _____ without _____?

_____ may help _____ travel _____.

Will _____ mode _____ without wi-fi?

Is it possible _____ extend _____ life when offline _____ of _____?

_____ airplane _____ help _____ travel energy?

_____ using _____ mode _____ energy?

Will airplane _____ down on power _____ not _____?

Could _____ mode _____ flights?

_____ not _____ network connections _____ airplane mode _____ conserve _____?

Can _____ on _____ battery life when _____ in range from _____?

_____ network will _____ mode _____ energy?

I _____ airplane mode _____ energy on flights when I'm _____.

_____ to _____ mode more energy efficient when _____ network _____?

Does airplane mode _____ on _____ not using _____?

_____ ok to use _____ to _____ power in _____ internet?

_____ plane _____ to conserve _____ juice _____?

Does _____ help _____ energy _____ disconnected?

_____ airplane _____ save _____ internet is _____?

In order to _____ travel _____ airplane _____ used?

Can _____ conserve _____ off-net?

Does _____ help _____ energy when you're _____ grid?

Can _____ mode _____ activated to _____ without _____ needs?

Can I use the _____ mode to _____?

_____ changing _____ my trip save energy?

_____ save _____ while offline?

Will _____ help _____ conserve energy traveling without _____?

_____ be _____ to _____ energy when traveling Offline?

When _____ is not required, _____ airplane mode _____?

On _____ airplane mode be used to _____?

Can airplane _____ save _____ while _____ go?

Can airplane mode _____ flights?

_____ it _____ more juice offline?

_____ airplane _____ power when _____ internet is available?

Can _____ energy with no hassle?

_____ are _____ using airplane mode in _____ no _____ connection.

Does plane _____ offline?

_____ of airplane _____ help save _____ when there _____ internet?

_____ airplane _____ battery life when _____ of range _____ cellular networks?

Do you mean to _____ save _____ when there is _____?

When _____ no _____ conserve energy?

_____ airplane mode _____ to saving _____?

Does airplane _____ energy _____?

_____ on _____ mode help save _____?

_____ mode _____ save energy?

_____ it _____ that airplane _____ conserves battery _____ network _____?

Does _____ mode _____ saving _____ don't need a data _____?

_____ mode help _____ off-net?

_____ airplane mode conserve more power _____ the _____?

_____ switching to _____ on power use?

When _____ connection, do _____ switch to _____ to save more _____?

Airplane _____ more _____ offline.

Can _____ mode save _____ flights _____?

Can _____ mode _____ enabled for _____?

_____ not _____ airplane _____ power usage?

_____ airplane _____ help with travel _____?

Does airplane mode _____ energy when _____ don't _____ a _____?

airplane mode _____ save battery _____.

_____ internet is not _____ mode save _____?

_____ airplane mode _____ energy _____ no _____ connection?

_____ airplane _____ to conserve energy without _____ network _____?

Can _____ mode _____ while _____ without _____ network?

_____ hitting _____ mode _____ save on _____?

Does plane _____ more energy when _____ connection?

Airplane settings _____ be _____ save _____ trips without _____.

Is _____ mode helps _____ energy _____ off _____ not?

Will airplane mode _____ helpful _____?

_____ airplane mode help conserve _____?

Does _____ mode help _____ energy when no _____?

Does _____ help with saving energy when _____ data connection?

_____ airplane _____ save _____?

Will _____ mode aid _____ energy _____?

Does _____ mode help _____ energy when _____ need _____ data _____?

Can _____ save energy _____ no network requirements?

Does _____ mode _____ energy when _____ with _____ network _____?

_____ the _____ airplane _____ help _____ power during travel?

_____ power when _____ no connecting?

_____ airplane _____ help _____ energy _____ travelling _____?

Can _____ mode help _____ less _____?

_____ airplane mode being used _____ to _____?

Will _____ flight _____ activated to _____?

_____ airplane _____ be _____ save power?

Will _____ mode _____ energy _____ connection?

_____ airplane _____ energy _____ the internet?

Airplane mode might save _____ there _____.

Do _____ turning _____ mode _____ save energy?

_____ mode _____ energy _____ I am not _____ data?
 _____ energy because I won't be connected _____?
 _____ airplane mode save _____ network?
 _____ mode _____ will help save _____ with _____ net needs?
 Is airplane mode _____ enhance _____ saving without _____?
 _____ a _____ in _____ consumption _____ mode is enabled?
 Does _____ conserve _____ when _____ offline?
 _____ there is _____ internet _____ trip will _____ help save _____?
 Does _____ mode save _____ when _____ is _____?
 _____ there _____ save power _____ network-free flights?
 _____ not connected to _____ will flight _____ electric _____?
 _____ is no need for network _____ mode _____ energy?
 _____ the _____ mode save power _____?
 _____ switch to _____ mode on _____ trip, _____ more energy?
 _____ I use airplane _____ don't have a network?
 Can _____ mode be _____ conserve _____ when _____?
 _____ mode _____ for _____ power savings?
 _____ airplane mode _____ traveling _____?
 Is _____ helps _____ energy?
 Airplane _____ more energy _____?
 Can _____ energy _____ travel and _____ be online?
 _____ be helpful in _____ energy?
 _____ mode _____ save _____ battery during flights _____.
 Will _____ conserve _____ in the _____ mode?
 _____ not _____ can _____ to _____ cut _____ on power usage?
 _____ airplane mode save _____?
 _____ mode _____ energy if _____ is no network _____?
 Can airplane mode _____ energy _____ travelling _____?
 Allow _____ flights _____ internet to save _____.
 _____ airplane mode _____ more power when there _____?
 Will airplane _____ be _____ energy while _____?
 _____ mode _____ save energy _____ there _____ no _____.
 Can _____ use _____ conserve more _____?
 Is it _____ to _____ airplane _____ without internet requirements?
 _____ enough _____ power with no net needs?
 There are energy-saving _____ airplane mode in _____.
 _____ mode _____ to _____ on disconnected travel?
 Does _____ mode help conserve _____ requiring _____ connections?
 _____ use _____ mode _____ power offline?
 _____ I _____ mode _____ if I'm _____ connected to networks?
 Will _____ save electricity _____ there's _____?
 _____ airplane mode save _____ while _____?
 Is it _____ airplane _____ power while Offline?
 _____ hitting airplane _____ able to _____ energy _____ grid?
 _____ a _____ in _____ use _____ airplane _____ is used?
 Does _____ mode _____ more _____ offline?
 _____ airplane mode _____ in _____ when I _____ need _____ data connection?
 _____ should be used _____ save _____ without internet.
 _____ it _____ use _____ to save power when there _____ internet?
 While I _____ airplane _____ energy?

Can ____ mode ____ energy ____ travelling?
 ____ be ____ to ____ power with no ____ needs?
 Will ____ energy if ____ switch to ____ mode ____ not using network ____?
 ____ it ____ to ____ on network- ____ flights?
 ____ hitting ____ help ____ energy ____ on the grid?
 ____ there isn't ____ network, can ____ mode ____?
 Can airplane ____ less ____ when not connected?
 ____ airplane mode ____ save energy?
 Is ____ possible to save ____ using ____ mode?
 Is ____ to ____ non- connected ____ by ____ flight mode?
 Is airplane ____ when ____ in ____ a connection?
 ____ benefits to using airplane mode ____ areas ____ a ____?
 Airplane ____ saves ____ power ____?
 ____ on airplane ____ you ____ the ____ life when offline?
 ____ airplane ____ save ____ on the road?
 If there's ____ network will ____?
 When internet ____ not required ____ mode ____ save energy?
 ____ the use of ____ mode help ____ is unavailable?
 ____ airplane mode ____ electricity ____ is no ____?
 ____ airplane mode save energy on ____ when ____?
 ____ airplane ____ save energy when ____ need ____ connection?
 Should I ____ mode ____ save ____ when ____?
 ____ mode be ____ save ____ when traveling offline?
 Will ____ help in ____ without ____ connections?
 Is flight ____ effective in ____ journeys?
 Will ____ mode ____ to save energy ____?
 ____ mode ____ energy ____ when I'm not ____ a phone?
 Will ____ mode ____ helpful ____ saving ____ with no ____?
 Is airplane mode ____ energy on ____ don't ____ cellular ____?
 Can I conserve ____ mode ____ not ____ the internet?
 Is ____ use of ____ without a ____ energy-saving?
 ____ airplane ____ help conserve energy ____?
 Can ____ to ____ mode cut ____ usage?
 ____ plane mode ____ juice ____?
 ____ internet is ____ airplane ____ help save energy?
 ____ going ____ save energy ____ offline?
 Can ____ energy ____ no network ____?
 Can ____ mode ____ without internet requirements?
 ____ there's no ____ switching to airplane ____ save more ____?
 Does ____ conserve energy even if ____ wi-fi?
 Can I ____ power ____ mode when ____ networks?
 Will airplane ____ help preserve energy ____ no ____?
 ____ switch ____ airplane mode ____ down ____ power ____?
 Are airplane ____ activated to save ____ no ____?
 Will switch to airplane ____ on ____ trip ____?
 ____ airplane ____ extend battery life ____ out of range ____?
 ____ turning on airplane mode extend ____ out of ____?
 Does it ____ use ____ save power on trips ____ internet?
 When I don't need a ____ mode ____ energy?
 Does ____ plane ____ more ____?

When not _____ networks, _____ use Airplane mode _____ conserve _____?
 _____ the activation _____ airplane _____ when not connecting?
 _____ hitting airplane mode _____?
 _____ for airplane _____ life when _____ or out of range?
 _____ network, can _____ save energy?
 _____ battery _____ be _____ by _____ airplane _____ during _____ without internet.
 When _____ do _____ data connection, does _____ help save _____?
 _____ requiring network _____ airplane mode _____ helpful in preserving _____?
 _____ airplane _____ reducing travel energy?
 Can _____ power on flights _____ are _____?
 _____ there is no _____ the _____ save power.
 Is airplane _____ when _____ not _____ wi-fi on _____?
 Will the _____ to airplane mode _____ trip _____?
 Will the _____ mode _____ preserve energy when _____ are no _____?
 _____ mode save energy _____ and not be _____?
 _____ mode saving _____ while _____?
 Can I _____ mode _____ to _____ more _____?
 _____ battery _____ possible by enabling airplane _____ flights _____.
 Is _____ mode _____ without network _____ efficient?
 Can airplane _____ electricity _____ no _____?
 Can airplane _____ while traveling without _____?
 Does airplane _____ when travelling?
 Should I _____ to _____ power while _____?
 When _____ no network can airplane _____?
 Will allowing _____ energy with _____?
 Will _____ to save power during _____?
 _____ no _____ connection, does _____ mode save energy?
 Is _____ possible _____ on _____ mode will save _____?
 _____ airplane mode _____ more power when _____ is _____?
 Will _____ save _____ net needs?
 _____ is no network _____ save energy?
 Does the _____ help preserve _____ when _____ using _____ connections?
 Does _____ airplane mode _____ energy when _____ the _____?
 _____ plane _____ conserve _____ while offline?
 Is _____ possible to use _____ without network needs?
 Will _____ on _____ power?
 Can I conserve _____ airplane _____ connected to networks?
 _____ mode _____ when I don't need internet?
 _____ to _____ cut down on power _____?
 When _____ flight mode _____?
 Can airplane mode _____ energy _____ traveling _____?
 Will airplane _____ save battery _____ not _____?
 _____ hitting airplane mode _____ save _____ off the _____?
 Does airplane _____ help conserve energy _____ internet?
 _____ mode help _____ energy _____ disconnected _____?
 _____ the airplane _____ help _____ saving energy _____ need _____ connection?
 _____ airplane _____ help in _____ there isn't a data _____?
 _____ no _____ connection, does _____ save _____ to switch to _____?
 Will _____ airplane _____ cut _____ on power _____?
 _____ using network _____ will the _____ mode assist in preserving _____?

Can ____ mode ____ energy while ____?

Will airplane ____ save energy ____?

Can you ____ airplane ____ save ____?

Can ____ mode ____ reduce ____ use?

Does airplane ____ when ____ are ____?

Can ____ possible to ____ juice ____ airplane mode ____?

Does ____ mode ____ energy ____ I don't ____?

Can airplane ____ be ____ to conserve energy ____ connections?

I am wondering ____ using airplane ____ help ____.

____ airplane ____ help ____ save ____ when I don't ____ data ____?

Do you ____ to ____ airplane ____ save power ____ travelling ____?

Is ____ possible for ____ mode ____ energy when ____ is ____?

____ help save battery during flights ____.

Can ____ to ____ mode ____?

Will airplane ____ energy when not ____ network connections?

When ____ have ____ need for a connection, ____ I ____ if I ____ phone ____ aircraft ____?

Will ____ mode ____ conserve energy ____ network connections?

____ airplane mode ____ to ____ power ____?

Can ____ mode ____ power on ____ that are ____?

Will airplane ____ help conserve ____ I travel ____?

____ save power ____ flights with ____ internet?

Is ____ good ____ energy ____ there ____ no internet?

Will ____ mode help save ____ with ____ connected ____?

Does ____ mode save electricity when you ____?

____ you ____ to ____ settings to ____ trips without internet?

____ flight ____ be ____ to conserve energy ____ needs?

Is ____ to ____ using airplane mode when there ____?

Is ____ mode ____ to ____ offline?

Does turning ____ flight-mode ____?

When there ____ network, will ____ save ____?

____ to airplane ____ save energy?

____ it ____ save ____ juice when using ____ mode?

____ airplane mode help conserve ____ wi-fi?

Will ____ airplane mode ____?

Does ____ the ____ have ____ network ____ save battery?

____ there's no network, ____ save ____?

Will ____ conserve energy when traveling ____?

Is ____ necessary to ____ to save ____ on trips with ____?

Will ____ airplane ____ to saving ____ with ____ net ____?

____ benefits of ____ in areas without ____ connection?

____ use of airplane mode help ____ not using ____?

____ it ____ possible to conserve ____ juice ____ mode?

When not connected, ____ switch to ____ cut down ____?

____ mode ____ save battery ____ internet.

Is it ____ to use ____ setting to ____ a ____?

On ____ can airplane ____ energy?

____ save ____ on the go?

Does airplane ____ power when there ____?

____ flight ____ energy ____ offline mode?

____ mode ____ energy when travelling ____ network access?

Can I _____ to conserve _____ I'm not connected to _____?

Can airplane _____ conserve _____?

_____ you recommend _____ save _____ travelling with no internet?

Will _____ be activated to conserve _____?

Can airplane mode extend _____ life _____?

_____ enabling _____ mode _____ energy with _____?

Can using _____ to _____ without internet requirements?

_____ an increase in _____ airplane mode _____ enabled?

_____ allowing _____ help conserve _____ while traveling?

Does _____ activation _____ mode help _____?

_____ mode might _____ energy _____ traveling _____.

_____ mode _____ power _____ offline?

Will _____ save me more _____ don't _____ any _____ services?

Is _____ that plane mode conserves _____?

Can airplane _____ power _____ flights are _____?

Will _____ mode _____ energy while _____ won't be connected _____?

_____ airplane mode _____ during _____ help save power?

Will using airplane _____ there is _____ internet?

_____ airplane mode in _____ without _____ will _____ energy.

Can _____ mode _____ if I _____ have _____?

When _____ is no net _____ airplane _____?

Is _____ to conserve _____ without _____ flight mode?

Does _____ mode conserve _____ net?

_____ airplane mode _____ energy _____ not using _____?

Can I use _____ mode _____ power _____ connected _____ networks?

Can _____ power _____ Mode?

_____ mode _____ battery during flights that don't _____.

Do _____ recommend using airplane settings _____ power _____ internet?

_____ can airplane mode _____?

Can _____ conserve _____ when not _____ to the _____?

_____ mode will _____ you enable it during flights _____.

_____ flight _____ reduce _____ use when _____?

When _____ mode help save _____?

_____ airplane _____ used to help save _____ no _____ needs?

Is it possible _____ without network _____ mode?

_____ you _____ you enable _____ mode?

Is _____ good for power _____ requirements?

Will _____ mode save _____ when _____ Offline?

Will _____ electric _____ when disconnected from _____?

During _____ you can _____ battery _____ using airplane _____.

Will _____ mode _____ energy when not _____ a network?

_____ setting might _____ battery _____ network connection.

Will the _____ of _____ mode _____ when not _____?

_____ it _____ that flight _____ energy-saving?

_____ airplane mode conserve _____ there is no _____?

Does airplane _____ more energy when _____ a _____?

Airplane _____ more energy when _____?

Could airplane _____ conserve _____?

Airplane _____ can _____ without _____ can _____ conserve energy?

Will _____ mode _____ save _____ no net need?

Will turning on _____ save _____ when _____?

Can _____ used to save _____ on _____ connected _____?

_____ airplane mode may _____ travel energy.

When not connected _____ I use the _____ power?

_____ no network _____ will it _____ energy in _____?

When traveling without _____ network needs, _____ airplane _____ conserve _____?

Does _____ mode conserve _____ power when _____ no _____?

_____ airplane mode help in saving energy _____ I _____?

Will _____ help _____ energy _____ wi-fi?

_____ airplane _____ be activated _____ to _____ power with _____ needs?

Is _____ possible _____ flight mode _____ power _____ unplugged?

_____ airplane mode _____ usage _____ it isn't connected?

Can airplane mode _____ power when _____ connected _____?

_____ airplane mode _____ conserve power _____?

_____ mode assist in _____ energy when _____ don't need _____?

Will the _____ airplane mode _____ preserve _____ no network _____?

Can _____ save _____ while _____ on _____ move?

_____ it possible to use _____ to _____ some _____?

_____ mode saving energy _____ flights _____ I'm _____ using _____ internet?

During trips _____ no _____ airplane _____ save power?

Does _____ mode _____ conserve energy _____ when there _____?

Is _____ in areas _____ connection?

Saving battery is _____ by enabling _____ flights _____.

When _____ airplane _____ more energy?

Will _____ save energy _____?

_____ mode _____ power efficiency without _____?

_____ effective to _____ flight-mode _____ non- connected journeys?

Will _____ mode be used _____ energy-saving _____?

Use _____ mode in areas _____ connection _____ energy.

_____ airline mode cut down on _____ usage _____?

Does airplane _____ during _____ travel?

Can _____ mode _____ conserve _____ traveling _____?

Will airplane _____ help save _____ when _____ no _____?

Is _____ possible _____ more _____ if _____ use airplane _____?

airplane _____ energy if _____ no network.

Can _____ airplane _____ energy while _____?

Is it _____ to use _____ settings to _____ power _____?

When I _____ a connection, can putting _____ aircraft _____ energy?

Can _____ mode conserve _____ when _____ not _____ networks?

_____ airplane mode be _____ power _____?

_____ energy when I'm _____ connecting to the _____?

Can _____ reduce power _____?

Will airplane _____ will _____ save _____ with _____ needs?

Should _____ be activated to conserve _____ when _____?

_____ power when there is no _____?

_____ airplane mode _____ without the internet?

_____ plane mode _____ energy with _____ hassle?

Is airplane _____ good for power _____.

_____ can save battery _____ mode _____ flights without internet.

_____ airplane _____ saveenergy?

Can I use plane _____ save _____?

_____ the _____ of _____ mode help _____ energy _____ internet is _____?

Will it _____ energy _____ traveling with _____?

_____ mode _____ energy _____ not using network services?

Will _____ mode save energy _____?

_____ there's _____ network Will _____ save _____?

Can _____ power off-net.

_____ airplane mode _____ more _____?

_____ there's _____ a _____ connection, _____ airplane _____ more energy?

Will _____ energy when _____ is _____ network?

I _____ plane mode _____ juice _____.

_____ it _____ use _____ mode during network-free travel _____ conserve _____?

_____ airplane _____ for saving _____ do not need a _____ connection?

Can _____ energy _____ no hassle?

Will airplane _____ save _____ no network?

_____ you _____ hitting airplane _____ save energy _____ grid?

_____ on _____ help save _____ off-net?

_____ from the internet _____ mode lower _____ use?

Will airplane _____ energy _____ internet is needed?

Airplane mode _____ energy _____ there's _____.

Does airplane mode _____ when _____ not _____?

Can travelling _____ airplane _____?

Can _____ save _____ there's no _____?

Airplane mode _____ flights without _____.

Airplane mode _____ travel energy.

Can airplane _____ be _____ to help _____ energy _____?

_____ can help _____ traveling offline.

_____ mode cut down on power usage _____.

Is it _____ to _____ flight-mode during _____?

Is _____ possible _____ save _____ on the _____?

_____ saving power on _____ with airplane _____?

_____ airplane mode _____ power _____ internet _____?

Airplane _____ may _____ if _____ is _____ net.

_____ it _____ that airplane mode will _____ more energy _____?

_____ mode better at _____ when I _____ a data _____?

Can airplane _____ conserve _____ offline?

Airplane _____ on _____ if _____ not using cellular data.

_____ my energy _____ I'm traveling?

Does airplane _____ disconnected travel?

_____ mode _____ electricity when no _____?

_____ hitting _____ mode save _____ while _____?

_____ mode _____ offline?

Is _____ use _____ mode to conserve _____ while traveling _____?

_____ you _____ airplane settings to _____ without internet?

Is _____ to save _____ journeys using flight-mode?

Can _____ have flight _____ for _____ unplugged?

_____ possible _____ save power _____ flights?

_____ airplane _____ for _____ requirements help save _____?

_____ the _____ of airplane mode _____ when _____ not needed?

I _____ connected _____ can _____ use _____ mode to conserve power?

Is flight-mode effective ____ saving ____ ____ ____ journeys?
 ____ converting to airplane ____ help ____ ?
 ____ hitting airplane mode ____ ____ grid?
 ____ it possible ____ ____ ____ juice by utilizing airplane ____ ?
 ____ mode ____ more power ____ there isn't ____ ?
 ____ mode save ____ when I don't ____ ____ ____ during travel?
 ____ ____ ____ save power with no net needs?
 When ____ don't ____ ____ data ____ ____ mode help me ____ energy?
 ____ ____ airplane ____ save power?
 ____ requiring network connections, ____ the ____ of ____ mode help ____ ____ ?
 ____ switch to airplane mode cut ____ ____ ____ when ____ connected?
 ____ i use airplane ____ to ____ power ____ not ____ to ____ ?
 Will ____ ____ ____ in offline conditions?
 Can I use ____ ____ ____ power ____ ?
 Is activation ____ airplane ____ ____ ____ more juice?
 Is ____ possible to ____ ____ ____ mode ____ areas without a connection?
 Is ____ mode ____ ____ when ____ ____ internet?
 Can airplane mode ____ ____ while ____ ____ and not ____ ____ ?
 ____ it possible ____ airplane ____ will save ____ while ____ ?
 Is there ____ ____ in ____ usage ____ ____ mode ____ enabled?
 A ____ ____ ____ saves energy offline.
 ____ using airplane ____ ____ save ____ when internet is ____ ?
 ____ airplane mode help ____ ____ when ____ ?
 Will ____ ____ increase energy-saving ____ ____ network?
 ____ mode use less ____ ____ ?
 ____ airplane mode ____ ____ if I'm ____ ____ any network ____ ?
 ____ ____ save ____ energy when I ____ use ____ network services?
 Will the ____ of ____ mode help ____ ____ when ____ using ____ ____ ?
 Can I ____ airplane ____ ____ save ____ ____ off?
 ____ internet is required, will airplane ____ help ____ ____ ?
 ____ hitting airplane mode ____ ____ ____ grid?
 ____ airplane mode ____ ____ with ____ ____ access?
 When ____ ____ for network ____ will ____ mode help ____ ____ ?
 ____ ____ without a network, will ____ mode ____ conserve ____ ?
 Will airplane ____ ____ energy when internet ____ ____ ?
 ____ mode more ____ during ____ connections?
 ____ ____ access, will the Airplane ____ ____ energy?
 ____ no network connection, ____ ____ ____ save energy?
 There are energy-saving benefits to ____ ____ mode ____ ____ with ____ ____ .
 ____ mode ____ energy ____ connecting?
 When ____ is no ____ connection, ____ ____ save ____ energy to ____ to ____ ____ ?
 Is ____ mode ____ to ____ save ____ ____ no net ____ ?
 Can airplane ____ ____ activated ____ conserve ____ ____ network connections?
 Airplane mode ____ ____ ____ when there ____ ____ net.
 ____ there ____ no network, does airplane ____ ____ more ____ ?
 When no internet ____ ____ during ____ trip will ____ mode ____ ____ ?
 Can ____ mode be used ____ conserve ____ ____ not requiring ____ ____ ?
 ____ we ____ ____ airplane ____ ____ save energy?
 ____ ____ ____ help save energy ____ travel?
 ____ using ____ mode help ____ ____ if ____ is ____ internet?

____ airplane mode ____ electricity ____ ____ net?
 ____ airplane ____ help ____ energy?
 ____ can ____ airplane mode to ____ ____.
 Is ____ ____ ____ areas without a connection ____?
 Does ____ ____ ____ energy ____ flights when ____ don't ____ ____ or wi-fi?
 Can ____ mode ____ ____ juice ____?
 Can I ____ ____ ____ to save ____ when ____?
 ____ turning ____ airplane mode ____ ____ energy?
 ____ airplane ____ increase power efficiency ____ ____ ____?
 When I ____ ____ connected to networks can I ____ ____ ____ ____ power?
 ____ there ____ ____ network, ____ airplane ____ saveenergy?
 If ____ switch to airplane ____ can ____ ____ ____ power use?
 ____ ____ switch ____ airplane mode ____ cut down power ____?
 Can airplane mode save ____ ____ I ____ ____ data ____?
 ____ they consume less power ____ flight ____ ____ networks?
 Can airplane mode ____ ____ ____ there ____ ____ networks?
 Does enabling ____ ____ ____ energy in ____?
 ____ airplane mode ____ ____ factor in ____ ____ ____ no net needs?
 ____ you use ____ settings to save power ____ ____ ____?
 Does ____ mode ____ electricity ____ ____ no ____?
 Will airplane mode ____ ____ ____?
 ____ turning ____ airplane ____ helps conserve ____?
 ____ airplane mode ____ ____ ____ network-free flights?
 ____ ____ on Airplane ____ ____ save energy?
 Do ____ mean to ____ the ____ ____ to ____ ____ on trips ____ internet?
 Does ____ ____ ____ energy ____ flights ____ I'm ____ using a cell ____?
 ____ ____ ____ journeys, ____ turning on flight-mode effective ____ ____ energy?
 Will ____ mode ____ ____ I ____ need internet?
 Is ____ ____ ____ for saving energy when ____ ____ ____ required?
 Does airplane mode ____ ____ ____ ____ net?
 Does airplane mode save energy ____ ____ ____ ____ using ____?
 ____ airplane mode help ____ ____ even ____?
 ____ airplane ____ help ____ save ____ when ____ ____ need a ____ connection?
 ____ ____ save power ____ network-free ____?
 ____ airplane mode help ____ energy ____ not ____ a ____ ____?
 While I'm traveling ____ ____ ____ save ____?
 ____ I use airplane ____ when ____ connected to ____ ____ conserve ____?
 Does airplane mode ____ ____ on flights ____ I'm ____ cellular ____?
 ____ plane mode ____ in saving ____ ____?
 Does airplane ____ ____ electricity when not ____ ____ ____?
 ____ airplane mode ____ ____ ____ without internet ____?
 Is ____ mode ____ ____ efficient ____ offline?
 ____ the ____ mode be ____ to ____ ____ on flights?
 Can ____ ____ ____ mode save ____?
 ____ ____ possible ____ plane mode will help ____ energy ____ ____ hassle?
 ____ airplane mode conserve power ____ ____ ____?
 Will airplane ____ ____ activated contribute ____ saving power with ____ ____ ____?
 ____ ____ mode ____ ____ on ____ extend ____ life when out of range ____ ____?
 ____ airplane ____ good ____ energy saving ____ I don't ____ ____ connection?
 While ____ ____ ____ hitting ____ mode help save ____?

_____ airplane mode _____ there _____ no network connection?

Can _____ mode conserve _____ when _____ is no _____?

_____ using airplane _____ in areas without internet.

_____ possible to use _____ conserve energy without _____ a _____?

_____ it possible _____ energy on _____ journeys by _____ on _____?

_____ connected, _____ to airplane _____ cut _____ power usage?

_____ might conserve _____ offline.

Can a switch to airplane _____ usage _____ connected?

Can _____ airplane mode _____ electricity?

_____ airplane _____ save _____ when offline?

Will airplane _____ on _____ use when _____ connected?

_____ use _____ mode _____ conserve power _____ not _____ to networks.

_____ airplane mode _____ in saving _____ don't _____ the data _____?

_____ flight _____ save power _____?

_____ it be possible _____ conserve _____ juice _____ mode?

Can _____ to _____ mode reduce power _____ when _____?

Can _____ to _____ save energy _____?

Can airplane _____ energy _____ without _____?

_____ use _____ for more _____ savings, unplugged?

_____ turning _____ mode help save energy _____?

It's _____ to save battery _____ mode on _____ without _____.

When offline can _____ to save _____?
