

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Renewable energy options availability
Inquiry Sub-Category	Green Energy Certification
Description	Customers seek information regarding the certification process and requirements to ensure that the electricity they are receiving is sourced from renewable energy technologies and meets recognized environmental standards.
Data Size	9,133 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Are there recognized _____ electricity is sourced _____ energies?
_____ the _____ renewable _____ in electricity _____ any certifiers?
Are there _____ guarantees _____ the _____ be _____?
Are _____ any guarantees _____ renewable _____?
_____ you have _____ certificates _____ sources?
Is there _____ available to _____ clean _____?
Does anyone have _____ the use _____ electricity?
Is _____ official _____ clean power?
_____ confirmation _____ a renewable _____?
Is the _____ power _____ by _____ certificate?
_____ that _____ energy _____ derived from _____ sources?
Any certifications _____?
_____ any recognized certifications _____ renewable energy _____?
_____ the use _____ sustainable _____?
_____ certifications guarantee green _____?
I _____ curious _____ you offer _____ certifications _____ verify my _____ renewable _____.
_____ see proof that you _____ renewable _____ for _____.
Does my _____ power _____ through _____ certificate?
_____ possible _____ to rely on recognized _____ usage of renewable energies?
Are _____ any clean energy certifications _____ is _____ renewable sources?
Are there any _____ credentials _____ commitment to _____ renewable energy _____?
Is _____ certification that _____ my power is from _____?
_____ you _____ that _____ electricity comes _____ renewable _____?
Reliable _____ can _____ to verify _____ sources.
_____ renewableenergy _____ available?
Is _____ get _____ certifications for _____ energy use.
_____ credentials _____ committed to using renewable energy to supply _____?
Are _____ accredited to _____ the origins _____?

____ it ____ to verify ____ fact ____ ____ is sustainable?
 ____ you make sure ____ ____ of ____ energy ____ known?
 ____ there an ____ way to verify ____ ____ is ____?
 ____ ____ any certification that assures ____ power ____ ____?
 Any chance ____ ____ ____ the ____ as clean and sustainable?
 Can I ____ ____ my ____ comes from ____ ____?
 Are ____ ____ confirm that my electricity comes ____ ____ ____?
 Is there ____ way to ____ that ____ electricity ____ clean ____ ____?
 ____ am wondering if ____ ____ ____ to verify that my ____ supply is ____.
 ____ want ____ ____ if ____ credentials ____ use of renewable ____.
 ____ the use ____ renewable energy assured ____ ____ credentials?
 ____ there any recognized ____ ____ energy sources?
 ____ ____ proof ____ my ____ comes from renewable sources?
 Is there a ____ ____ my ____ is ____ renewable ____?
 ____ ____ be guaranteed by certifications?
 Are you ____ ____ verify that ____ electricity ____ from ____ ____?
 ____ I get certificates ____ ____ energy ____?
 ____ you ____ certifications saying ____ ____ clean, ____ electricity?
 ____ ____ a ____ that ____ my electricity comes from ____ ____?
 ____ ____ a way ____ make sure my ____ ____ from renewable ____?
 ____ certified ____ ____ making ____ my ____ is from renewable ____?
 ____ tell me ____ ____ power ____ ____ valid green certificates?
 ____ you able to ____ certified guarantees ____ ____ ____?
 Is there ____ ____ assure renewable ____ supply?
 ____ ____ approved credentials to make sure ____ power ____ from ____ ____?
 ____ there any ____ ____ to ____ sure my power ____ from ____?
 ____ my electricity comes from ____ ____ you ____ it?
 Do any green ____ ____ verify ____ ____ of ____ power?
 Is ____ possible ____ ____ a proof-backed certification that ____ power ____ from ____ ____?
 ____ ____ the ____ methods ____ ____ sure my ____ is from renewable ____?
 ____ there ____ ____ guaranteeing that my ____ ____ renewable resources?
 ____ ____ use of ____ ____ electricity
 Is ____ confirmed ____ ____ source of electricity ____ approved?
 Are there any ____ ____ guarantee ____ ____ ____ renewable sources?
 Do ____ ____ my electricity ____ from ____ ____?
 Is ____ any proof ____ ____ supply ____ green?
 Can ____ ____ ____ green energy usage.
 ____ ____ to certify my ____ ____ renewable sources?
 Is it ____ to assure the ____ ____ ____?
 ____ ____ find credentials guaranteeing ____ power?
 Is there ____ certification that ____ ____ my ____ is ____ renewable ____?
 ____ may ____ ____ certified proof ____ my ____ electricity origin.
 ____ it ____ ____ get ____ that you ____ renewable ____ for electricity?
 ____ anyone ____ ____ that ____ power ____ renewable?
 Can you give ____ ____ that show ____ renewable ____ ____ energy ____ receiving?
 ____ ____ have certifications that ____ ____ use ____ clean, ____ electricity?
 Is ____ any way ____ ____ my energy ____ from renewable ____?
 ____ ____ possible to verify my ____ from ____ ____?
 ____ it ____ ____ verify that my ____ ____ from ____ sources?
 Is ____ an ____ standard for ____ ____ ____?

____ I know ____ use is ____ renewable sources?
 ____ it ____ offer guarantees for ____ energy ____?
 ____ use of ____ energy ____ electricity?
 ____ make sure ____ electricity ____ renewable certified.
 ____ I get ____ certifications ____ comes from green sources?
 Can ____ show ____ certified ____ that my ____ sustainable?
 ____ use of ____ energy ____?
 ____ the ____ source of ____?
 ____ recognized certificates make ____ that ____ renewables?
 ____ it ____ to ____ recognized ____ guaranteeing clean-powered electricity?
 ____ you prove ____ electricity comes ____ source other ____ fuels?
 Is there any ____ ensure ____ power ____ from ____?
 ____ certifications that ____ renewable energy ____?
 ____ there any accreditations ____ the ____ of ____ here?
 Is it ____ certifications ____ green energy usage?
 ____ energy supply ____ through ____?
 Can you give ____ that ____ from renewable ____?
 ____ to get recognized ____ for green ____ usage.
 ____ there ____ guarantee ____ source ____ renewable ____?
 Can you give me proof ____ use ____?
 ____ to make sure ____ my ____ is renewable?
 I want to know ____ certify ____ my ____ sustainable?
 Is there ____ certificate ____ verify that ____ is ____?
 ____ are certifications ____ energy ____?
 Can ____ to make sure my ____ is ____ renewables?
 Are ____ credentials ____ for ____ commitment ____ using renewable ____ electricity?
 Is any ____ affirming the ____ energy in ____?
 ____ to ____ a certificate ____ my electrical supply ____ green?
 ____ need ____ to ____ my power is from ____.
 ____ to ____ if ____ certificate ____ prove my electrical supply is green.
 Are there any acknowledged credentials that ____ commitment ____ supplying ____?
 ____ certifications ____ make sure my ____ from the ____?
 Do you know ____ the renewable source ____ electricity?
 ____ I find ____ for ____ green-sourced ____?
 Are ____ to ____ that your ____ is ____ renewable sources?
 ____ there a ____ guaranteeing that ____ electricity comes ____ renewables?
 Are ____ recognized ____ renewable energy?
 Will ____ be able ____ certification ____ clean-powered electricity?
 ____ for you ____ verify if ____ comes ____ renewable sources?
 ____ there any recognized ____ energy sourcing?
 Is ____ an ____ renewably-generated electric ____?
 Are ____ any certified ____ energy?
 Is ____ are ____ to using ____ energy ____ supply electricity?
 ____ know if there is an ____ my ____ supply is green?
 ____ it ____ to get ____ to make ____ my ____ comes from eco-friendly ____?
 Do you have certificates that ____ clean ____?
 ____ a ____ certification guaranteeing ____ electricity.
 ____ there ____ way to ____ if I'm getting ____ sustainable source?
 Are ____ credentials that ____ commitment ____ using ____ energy ____ electricity?
 ____ there a certification ____ assures ____ is made ____ sources?

Are _____ approved _____ that will guarantee _____ my _____ comes _____?

How do _____ if _____ power _____ has green _____?

_____ use of clean, sustainable electricity?

_____ credentials assure _____ renewable energy?

Is there _____ make sure my power is _____?

_____ the power _____ from clean sources _____?

Does anyone _____ origin of the electricity as _____?

_____ a _____ certification for _____ electricity?

Any way to _____ electricity _____ clean _____?

_____ recognized certificates making sure _____ electricity _____ renewable _____?

_____ can _____ a _____ green-sourced electricity?

_____ there be _____ proof of _____ renewable _____ origin?

Is there _____ electricity comes from renewable _____?

Do _____ have legit certificates _____ show _____ from clean _____?

_____ it possible _____ obtain official _____ for _____ power?

Is _____ an accredited system _____?

Can I _____ certifications _____ energy _____?

_____ certified method to _____ sure _____ power is from _____?

_____ if you could _____ my _____ is sustainable?

Is there _____ way _____ ensure _____ energy is _____ from _____?

_____ get _____ to show that my _____ supply _____ green?

_____ know _____ there are certifications _____ guarantee _____ electricity is _____ renewable _____.

Is it _____ to _____ that _____ from renewable sources?

Is _____ a _____ verify that _____ supply _____ green.

_____ there a way to _____ power is _____?

_____ a _____ that guarantees clean- _____ electricity?

_____ possible to get proof-backed _____ that _____ from eco-friendly _____?

_____ possible to provide _____ the renewable _____ of the _____ receiving?

_____ if you _____ accredited _____ verify my _____ comes from _____ sources.

Are _____ certifications guaranteeing _____?

_____ to know if any _____ certifications _____ source.

_____ it possible to get _____ power _____ from eco-friendly _____?

_____ there _____ to ensure _____ my power _____ from _____ sources?

There _____ certifiers _____ the _____ renewable energy?

_____ certified _____ make sure _____ power _____ renewable sources?

_____ certified _____ energy _____ possible?

_____ to _____ that the electricity _____ from a _____ source?

_____ am wondering if there is a proof _____.

_____ there _____ certification _____ ensures _____ power _____ from _____ sources?

_____ there official _____ that certify the _____ energy in _____?

There are certifications _____ make _____ my _____ derived _____ renewable _____.

I _____ if there _____ an _____ to verify that _____ supply _____ green.

_____ you have _____ that _____ renewable?

_____ possible _____ verify if my _____ comes _____ renewable _____?

Is there _____ for _____?

_____ certified _____ vouch for the _____ of _____ power _____?

_____ prove the _____ origin of _____ energy _____ receiving?

_____ recognized _____ the _____ of renewable _____?

Is _____ you have _____ certification that my _____ is _____?

_____ possible for me to _____ that my power _____?

_____ it certain _____ comes _____?

_____ electricity _____ sources, any certificates _____?

_____ a _____ source of renewable energy?

Are _____ that support your _____ to _____ energy to supply _____?

_____ certificate support _____ renewable _____ supply?

Are _____ about _____ energy?

_____ certificate _____ my renewable power _____?

_____ if my _____ is from renewable sources?

_____ it _____ confirm _____ my _____ from renewable sources?

_____ to _____ certificates _____ the _____ origin of my energy?

_____ possible to get _____ credentials _____ guarantee _____ comes from _____ sources?

Is there _____ you _____ renewable sources for _____?

Are _____ to _____ certificates for the renewable origin _____?

Are _____ credentials to _____ your commitment _____ for electricity?

_____ approved credentials available to make sure _____ from _____ resources?

Is _____ certified _____ for renewable _____?

How can I _____ that _____?

_____ have certifications _____ using _____ sustainable _____?

_____ it _____ to _____ that the _____ supply is _____?

_____ possible _____ gain _____ recognized certification _____ clean-powered electricity?

Is it _____ surety _____ my _____ comes _____ renewable _____?

Is renewable _____ verification?

Are there credentials _____ commitment to _____ for electricity?

_____ for _____ verify if my electricity comes from _____?

_____ to _____ official certificates for _____ power.

Is _____ possible for _____ use recognized _____ renewable _____ usage?

Is _____ certification that _____ my _____ is _____ sources?

_____ there _____ that support _____ renewable energy for electricity?

Can I _____ electricity is _____?

_____ corroborating _____ use of clean, sustainable electricity?

Are _____ to _____ proof _____ comes _____ a renewable source?

Is _____ possible _____ have real _____ that back _____ claims?

To make sure _____ power is _____ any clean _____?

Are _____ that my _____ renewable?

_____ have certificates showing that _____ power comes _____?

_____ be _____ credentials for renewable _____.

_____ use of _____ power _____ be _____?

_____ know if you _____ certified guarantees that _____ is renewable.

_____ accredited certifications _____ renewable energy _____?

_____ there be _____ the source _____ energy?

Is there _____ way to make _____ that _____ renewable _____?

_____ should I _____ if my power _____ certificates?

There _____ be approved _____ guarantee that _____ from _____ resources.

_____ certified _____ available for renewable _____?

Is _____ certification to _____ my electricity _____ renewable _____?

Are there _____ energy _____?

_____ there _____ that verify _____ electricity _____ renewable sources?

_____ have certifications to _____ the use _____ electricity?

Any _____ certifications _____ renewable _____?

Can you provide me with _____ you _____ for _____?

Any ____ affirm ____ use ____ renewable ____?

____ to ____ the renewable source of ____?

____ have a ____ the use ____ sustainable electricity?

I wonder ____ you offer accredited ____ that verify ____ from ____.

____ know how ____ guarantee that my electricity ____.

____ offer ____ my power is renewable?

Are ____ certifications that ____ my ____ renewable?

____ official certificates to ____ clean power?

____ guarantees about ____ of renewable ____?

Is it ____ give ____ your electricity comes from ____?

How ____ make ____ electricity is ____ certified?

Is there any ____ energy?

____ certification ____ for ____ electric supply?

____ to make sure ____ energy ____ from ____

____ any ____ that electricity ____ from ____?

____ can I find valid ____?

____ I find ____ for ____?

Are ____ to ____ renewable energy sourcing?

____ that my energy is ____ from ____ sources?

____ can ____ know if ____ is from renewable ____?

Are ____ that ____ electricity is ____?

Are ____ used to ____ of ____ energy?

____ you ____ acknowledged credentials to ____ up ____ commitment ____ using renewable ____?

____ I make ____ electricity ____ from renewable sources?

____ it ____ if my electricity is ____ renewable resources?

____ the official certificates ____ to ____?

Does myrenewable ____ an ____ certificate?

Can ____ that ____ comes from renewable sources?

Do ____ know ____ power supply ____ valid ____ certificates?

____ certified ____ verify ____ of clean power sources?

Can I get a ____ certification ____ make ____ power ____ renewables?

____ certifications ____ renewable ____ procurement?

____ you ____ certificates ____ your use ____ renewable energy?

____ there ____ certification that ensures my ____ is ____ sources?

certifications ____ guarantee that ____ is ____ from renewable ____?

Are ____ to ____ my electricity ____ sources?

There ____ credentials that ____ confirm the ____ source ____.

____ any ____ certifications ____ energy purchases?

Is there a legit certificate ____ the ____ from ____.

____ get ____ recognized certification ____ electricity?

Are the ____ the ____ source of ____?

____ it ____ find ____ guaranteeing green power ____?

____ I ____ my electricity ____ from ____ sources?

Is it possible ____ recognized ____ to ____ usage ____ renewable energies?

____ the ____ of my energy?

____ the use of renewable energies ____ electricity ____?

Can I get ____ usage?

Any verified methods to ____ power is ____?

____ affirming ____ energies in electricity

Is ____ possible to ____ proof-backed ____ to make ____ comes ____ sources?

____ recognized certificates ensure ____ power comes ____ ____ ?
 Is ____ get ____ certificates ____ renewable origin ____ my energy?
 ____ there ____ that makes sure ____ power ____ from ____ sources?
 ____ can be certifications ____ ____ .
 Is ____ a way to ____ my ____ from a sustainable ____ ?
 Are you ____ verify ____ my ____ is ____ from ____ sources?
 ____ possible to ____ sure ____ energy is derived from ____ ?
 ____ recognized ____ use of renewable ____ ?
 If ____ electricity comes ____ you confirm it?
 ____ there ____ certifications for ____ of renewable ____ ?
 I am ____ power supply ____ certificates.
 Can you ____ that ____ is ____ ?
 Could you let ____ have acknowledged ____ that my electricity ____ ?
 ____ there a way ____ energy is from renewable ____ ?
 ____ an ____ validation of renewables as an ____ source?
 ____ it possible ____ a ____ certification guaranteeing clean- ____ .
 ____ capable of certifying that ____ electricity ____ derived ____ renewable ____ ?
 I ____ like ____ if ____ is ____ that ____ is sustainable.
 Is ____ any ____ to ____ sure my ____ is from ____ ?
 ____ there ____ about the electricity ____ ?
 Is it ____ verify if ____ comes ____ renewable ____
 Did ____ certificates make sure ____ electricity ____ from ____ ?
 Can I ____ for guaranteeing ____ ?
 ____ certifications ____ my green energy use?
 ____ may be ____ for ____ of green energy.
 certifications to ____ my ____ derived from ____ sources
 Are ____ energy certifications ____ ?
 ____ may be able ____ if ____ is ____ renewable sources.
 Is ____ possible to ____ that ____ electricity ____ from renewable ____ ?
 ____ credentials assure the ____ of ____ ?
 ____ recognized ____ sure ____ electricity is from renewable ____ ?
 Can ____ be certain ____ electricity comes ____ sources?
 Is ____ possible to get ____ certifications ____ my ____ coming ____ ?
 ____ possible ____ earn ____ certifications that verify ____ electricity comes ____ sources?
 ____ to ____ certificates for green energy ____ ?
 Are there ____ for ____ ?
 Do ____ a ____ energy ____ to ____ sure my power ____ sources?
 ____ a ____ statement for renewable ____ ?
 Are ____ about real ____ that back up ____ claims?
 ____ certifications that ____ with ____ ?
 Can certified labels ____ used to ____ the use ____ ?
 certifiers affirm use ____ renewable ____
 Is ____ to ____ a recognized certification ____ powered ____ ?
 I ____ if ____ any recognized ____ to ____ energy.
 ____ affirming your commitment ____ using renewable ____ for ____ ?
 Have you ____ that ____ renewable sources ____ ?
 ____ you ____ to guarantee ____ electricity?
 There ____ be ____ renewable energy ____ .
 ____ there ____ recognized certification that ____ my electricity ____ sources?
 Do recognized ____ that electricity is produced ____ ?

_____ there _____ acceptable certificate to prove _____ green?
 Is _____ an _____ standard for _____ of renewable _____?
 Are _____ certifiers affirming _____ use _____?
 Can _____ confirm that my _____ from _____?
 Have you _____ able to _____ if _____ comes from _____?
 _____ a way to show that _____ electricity is _____?
 Is there _____ for _____ power?
 Is there _____ for the _____ renewable _____ sources?
 _____ way to _____ renewable source?
 _____ there any acknowledged _____ that show your commitment to _____?
 _____ certified _____ for renewable energy _____?
 _____ there be any guarantees on _____?
 _____ can i _____ guaranteeing green _____?
 Is there _____ legit _____ to _____ power _____ from clean _____?
 _____ any guarantee on certified _____?
 _____ it _____ verify if my electricity _____ renewable _____?
 Is _____ to verify _____ I _____ electricity from _____?
 Are there certifications _____ make _____ from renewable _____?
 _____ there _____ guarantee that _____ Electricity _____?
 Can the _____ certified labels _____ the _____ of _____ sources?
 Where _____ credentials with _____ of green power _____?
 _____ renewable energy _____ by _____ certifications?
 Is _____ a way _____ you _____ verify _____ my electricity _____ renewable _____?
 _____ an _____ making _____ that my energy source is _____?
 _____ legit _____ stating _____ comes from clean sources?
 Is there _____ my renewable _____?
 _____ credentials _____ renewable electricity?
 _____ approved credentials _____ show the renewable _____ of _____?
 _____ recognized credentials guarantee _____ energy?
 Have you obtained _____ proving the _____ sustainable _____?
 _____ the _____ for renewable _____ certified?
 _____ must _____ approved _____ for _____ of electricity.
 _____ it possible _____ for _____ renewable origin of my _____?
 _____ certificates _____ the _____ of green _____?
 _____ the _____ possible with official _____?
 The _____ comes _____ clean _____ if _____ have legit _____.
 _____ if _____ comes from renewable _____
 _____ want _____ know _____ there _____ a certificate _____ my electrical supply _____.
 _____ recognized _____ you _____ renewable energy?
 certification _____ to _____ sure my power _____ renewable _____?
 Do _____ certificates to _____ my electricity comes _____ renewable _____?
 _____ there a certificate _____ comes from _____ sources?
 Can any _____ is derived from _____ sources?
 _____ you have _____ certifications to _____ renewable energy?
 _____ am wondering if _____ is a way to _____ sustainable.
 _____ official _____ for the use of _____?
 _____ are certifications to _____ sure _____ electricity _____ made from _____.
 I want to know _____ certifications _____ guarantee _____ electricity _____ renewable.
 I want _____ if there is _____ the _____.
 _____ guarantee _____ green energy supply?

How ____ I ____ recognition ____ electricity?

____ to guarantee green ____?

____ certifications to ensure my power ____?

____ it ____ that ____ renewable ____ is safe?

____ there ____ way ____ my ____ source is sustainable?

____ the ____ that ____ power comes ____ clean ____ legit?

____ there renewable ____ available?

____ verify if ____ power ____ renewable sources?

Is there ____ recognized certification to ____ renewable ____?

Is it ____ the origin of ____ sustainable?

____ you ____ certificates for the ____ of ____ energy?

Is ____ way to verify ____ my ____ supply ____?

____ recognized certificates ____ that electricity comes ____ renewable ____?

Is ____ a certification ____ energy ____ renewable sources?

certifications to make ____ is ____ renewable ____?

Can ____ sources be verified ____?

____ official certificates available ____ verification ____ clean ____?

Is ____ certifying ____ for ____ renewable ____ of ____ power.

Do certificates ____ comes ____ renewable ____?

____ sure that my ____ comes ____ sources?

____ acknowledged credentials ____ use ____ energy?

____ to get certifications that make ____ my ____ green sources?

Can ____ be ____ that my energy ____ from ____?

____ able ____ accredited certifications guaranteeing ____ renewable energy ____?

____ to assure that my power comes ____ renewable ____?

Is ____ get certifications that ____ power comes from ____?

____ certify ____ of sustainable electricity ____?

Where do ____ get ____ green ____?

Do ____ qualifications assure use ____?

____ there an ____ system ____ certifying renewably-generated ____?

____ you ____ about the use of ____ energy?

____ it ____ get ____ certificates for Verifying ____ Power?

____ credentials ____ renewable energy?

Are ____ sure green energy ____?

Do ____ have accredited ____ my electricity comes ____ sources?

Is there a standard ____ sure ____ from renewable ____?

____ can ____ that my electricity ____ from renewable ____?

____ there ____ official certificate ____ proof of ____?

Is it possible ____ me ____ certifications that ensure ____ from ____?

certifications ____ my energy ____ from renewable sources?

____ to know if there is ____ accredited ____ certifying ____ an ____ source.

Do recognized ____ the ____ energy?

How can I ____ my ____ from ____ resources?

certifiers ____ the ____ renewable ____

Can ____ get ____ certification that assures ____ powered ____?

Are ____ any recognized certifications ____ the renewable ____?

____ wonder ____ is ____ acceptable ____ to ____ my ____ supply is green.

I ____ know ____ are recognized certifications that guarantee ____ my ____ renewable ____.

Can ____ a recognized ____ green ____ usage?

____ give ____ that my ____ is renewable?

_____ there _____ that show your _____ using _____ for electricity?
 Is _____ certifying the renewably-generated _____ supply?
 Do _____ official certificates _____ exist?
 How do I _____ power _____ green certificates?
 Is _____ a _____ energy use?
 _____ your _____ for renewable _____ certified?
 _____ if _____ is an accredited system _____ renewingably-generated _____ supply?
 _____ certifications for _____ energy _____?
 Is _____ any way to make sure _____ from _____?
 Is there _____ method _____ my _____ from renewables?
 Is _____ official _____ of the use _____ in _____ supply?
 Can _____ a certifying _____ renewable power?
 _____ there a _____ that my supply is _____?
 Can _____ determine if my electricity _____ renewable _____?
 _____ for renewable _____ electricity?
 Is it possible _____ electricity comes _____?
 Can _____ provide certified _____ energy?
 _____ use of _____ power Sources _____?
 Do you _____ use of clean, _____ electricity?
 _____ possible to have _____ certifications _____ my _____ from _____ sources?
 Is it _____ get proof-backed _____ so my _____ eco-friendly _____?
 _____ can _____ find _____ guaranteeing green _____?
 _____ certifications _____ renewable _____ generation?
 _____ there _____ proof that my electrical _____ is _____?
 There _____ guarantee that my power comes from _____ resources.
 _____ a _____ to _____ my electricity _____ from _____ sources?
 _____ certificates _____ that the power comes from _____?
 _____ there a _____ myrenewable electricity _____?
 Can _____ get _____ certifications that _____ comes from _____.
 Anyone affirming _____ of renewable _____?
 _____ about certifications that _____ your green power _____?
 Does my _____ power _____ from _____ approved _____?
 _____ any _____ that assures _____ of sustainable electricity?
 _____ I make _____ that my _____ is _____?
 _____ there _____ certifications _____ energy?
 _____ it _____ can _____ you use _____ sources for electricity?
 I _____ know if official certificates _____ clean _____.
 Can you _____ renewable origin _____ I'm getting?
 Are _____ certificates _____ power?
 Are there _____ certified methods _____ power _____ renewable sources?
 _____ to get _____ credentials to make _____ comes from _____ resources?
 _____ proof of my _____ certified?
 Is official _____ verified clean _____?
 What can I do _____ verify that _____ from _____?
 Is there an _____ that _____ clean _____?
 _____ power _____ from clean sources so _____ you _____?
 Is _____ will _____ my electricity comes from renewable _____?
 Have _____ obtained _____ the use of _____ sustainable electricity?
 _____ credentials _____ to guarantee _____ power comes from _____ resources?
 _____ my _____ supply confirmed by _____ certificate?

There _____ that can be _____ to guarantee that _____ from _____.
 Is _____ any _____ for assuring renewable _____?
 _____ have an approved certificate?
 _____ I _____ are recognized certification _____ electricity?
 _____ there certifications _____ renewable _____?
 _____ a _____ certifications that make _____ my power _____ eco-friendly sources?
 Can a _____ electrical _____ is green?
 Is _____ any _____ that _____ my power is from _____?
 Is there a _____ source _____ the _____ energy?
 _____ power comes from clean sources?
 _____ I receive certifications for _____?
 _____ can _____ credentials that _____ green power _____?
 Can _____ the _____ of the energy I'm _____?
 _____ possible to get an _____ for _____ supply?
 _____ you show _____ proof _____ from renewable sources?
 _____ a way to assure that my _____ comes _____?
 _____ possible to prove my electrical _____?
 Is it possible for _____ to _____ from the _____ sources?
 _____ are _____ renewable energy?
 Can the use _____ clean power sources _____?
 _____ any _____ certifications _____ the source of _____ energy?
 _____ accredited to guarantee the origin _____?
 _____ could I make _____ electricity _____?
 Is _____ get a certificate _____ my electrical supply _____?
 _____ it possible to _____ the _____ renewable _____?
 Do _____ guarantee use _____ energy?
 _____ assure the origin of sustainable _____ here?
 _____ there _____ certified proof _____ my _____ electricity _____?
 _____ you able to _____ the _____ of _____ I'm getting?
 _____ to know if _____ is _____ that my _____ sustainable.
 Have _____ that prove _____ of _____ sustainable electricity?
 Is _____ origin assured?
 _____ there _____ certified _____ my renewable _____ source?
 _____ there _____ certification _____ electricity comes _____ renewable sources?
 Is _____ possible to _____ that verify my _____ from renewable _____.
 _____ any certification that _____ my power _____ from _____ sources?
 Is _____ a certified _____ for _____?
 _____ possible _____ assure the use _____ energy with recognized _____?
 _____ credentials for verification of _____ renewable source _____?
 If my _____ sources, could you _____ that?
 _____ an acceptable _____ to verify _____ my _____ is green?
 Can I _____ some _____ you _____ renewable _____ electricity?
 Can I verify _____ get _____ electricity _____ sources?
 Any _____ provenance of renewable _____?
 Are you able to _____ of _____ energy I'm _____?
 _____ there any recognized certifications _____ the _____ energy _____?
 What _____ my power _____ from renewable _____?
 Will _____ to _____ electricity comes from renewable sources?
 Can _____ renewable origin of _____ energy _____ receiving?
 Any certifications _____ ensure that _____ from renewable _____?

Do _____ confirm your _____ energy?

Does _____ any _____ energy certifications _____ make _____ is from _____ sources?

_____ there a _____ for _____ supply?

_____ certifications to show your _____ of _____ sustainable _____?

Are _____ able _____ ensure _____ renewable _____ the _____ I'm receiving?

Can I rely _____ recognized validations to _____ of _____?

Is _____ a way _____ tell _____ my _____ comes from _____?

_____ certificates _____ that _____ comes from _____ renewable sources?

_____ there _____ credentials _____ renewable _____?

_____ there _____ accredited _____ for testing _____ of renewable energy _____?

_____ any clean energy certifications that make _____ is from _____?

_____ I know _____ my power supply has _____?

Are _____ approved _____ that _____ comes from renewable sources?

_____ the _____ clean, _____ electricity _____ by your certifications?

Is the _____ green _____ by official _____?

_____ there an accredited _____ for _____ the _____ supply?

Do _____ need _____ use _____ energy?

Is it possible to _____ certifications _____ sure _____ power comes _____?

Are there an _____ certification _____ the renewably-generated _____?

_____ available _____ green energy supply?

Is _____ get _____ proof-backed certification _____ coming from eco-friendly sources?

Can I _____ you are _____ for electricity?

Are there _____ that _____ source of electricity?

_____ there is _____ of renewable source accreditation?

_____ would _____ to verify if _____ comes _____ renewables.

_____ there any _____ to _____ sure that my electricity is _____?

_____ I be _____ is renewable?

_____ offering accredited certifications that _____ electricity comes _____ sources?

Are you able _____ origin of sustainable _____?

Is there any _____ the source _____ renewable _____?

I want _____ know how to make _____.

Is the use _____ documented?

_____ you have _____ certificates showing _____ comes from _____ sources?

Do you _____ for _____ energy _____?

Is it _____ to _____ approved _____ to ensure that _____ renewable _____?

Do you have legit _____ from clean sources?

_____ you have _____ for _____ energy _____?

_____ you offer _____ to _____ my electricity comes from _____?

_____ be _____ certificates _____ the use _____ green _____ in _____ supply.

_____ there any certified _____ assure _____?

Can I _____ certifications _____ my _____ from eco-friendly _____?

_____ able to offer assurances that _____ is _____?

_____ Electricity confirmed by approved credentials?

_____ to _____ certified that my _____ from renewable sources?

I _____ know if there _____ guarantee that my _____ comes from _____.

Can you _____ your electricity _____ from _____ sources?

_____ certifications for green energy _____?

Is there _____ shows _____ my electricity _____ sustainable?

There _____ certificates _____ the use _____ green energy.

Is it _____ to _____ certifications _____ sure _____ power comes _____ sources?

_____ my _____ to be _____ certified.
 Is the _____ of _____ by recognized _____.
 Do _____ have acknowledged _____ to _____ your commitment to _____ for _____?
 Are _____ certify that _____ electricity _____ renewable sources.
 _____ confirm _____ electrical procurement?
 Is _____ any _____ assure _____ comes from renewable sources?
 _____ there certifications _____ energy supply?
 Is _____ a _____ certification _____ assure renewable _____.
 _____ I guaranteed _____ my _____ comes from _____?
 Do any certifications guarantee _____ my _____ renewable _____?
 Do _____ in _____ use _____ renewable energy?
 Do I have _____ certified proof _____ electricity _____?
 _____ there _____ acceptable certificate to _____ that my _____ supply _____?
 _____ get certifications for _____?
 Is _____ to _____ my power _____ derived from renewable _____?
 Would _____ able to verify if _____ from _____ sources?
 I _____ know _____ my electricity is _____.
 _____ you _____ possession _____ legit _____ showing the power _____ from _____?
 _____ recognized credentials make _____ the _____ renewable energy _____?
 Is it _____ origins credentials?
 _____ it _____ to _____ ensuring my _____ comes _____ eco-friendly sources?
 Where _____ find _____ the _____ power origins?
 _____ a _____ that my electricity _____ from _____ sources?
 _____ about _____ the origin of the _____ and _____.
 _____ would like _____ know _____ my electricity _____ renewable _____.
 _____ affirming _____ of renewable energy _____?
 _____ clean _____ are official _____ available?
 Can _____ proof _____ use renewable _____ for power?
 _____ certifications do I need _____ is from renewable _____?
 How _____ assure the origin _____ electricity _____ and sustainable?
 _____ certifications _____ available to _____ green energy supply.
 Can _____ the _____ power sources?
 Do you _____ showing _____ power comes _____ clean _____?
 Are there _____ assure _____ energy _____?
 How can I see _____ made from _____?
 _____ there _____ official _____ to verify _____ green energy in _____ supply?
 _____ any method _____ power is from _____ sources?
 Are there _____ if my electricity is from _____?
 _____ certificates a _____ that electricity _____ renewables?
 _____ that my _____ from renewable sources?
 Can I get _____ guaranteeing _____?
 certifications _____ make sure _____ is derived _____ sources
 Is there _____ to _____ that _____ is renewable?
 Are there _____ certifications _____?
 Can I obtain _____ power _____ from eco-friendly _____?
 _____ there an _____ certification system _____ generated electric _____?
 Where can I _____ that _____ the _____ power _____?
 How _____ my power comes _____ sources?
 Can _____ labels show _____ of _____ power _____?
 Is there _____ certification that _____ sure _____ electricity _____ renewable _____?

_____ there _____ that guarantee _____ my electricity comes _____ sources?
 Is there _____ energy _____ that _____?
 Do _____ any _____ verify my _____ comes from _____ sources?
 _____ certificates _____ electricity comes _____ renewable sources?
 Is _____ green _____ verified _____ an official?
 _____ don't know _____ that my _____ is renewable-certified.
 I wonder _____ official certificates for _____ of green _____.
 _____ enough to ensure _____ comes from renewables?
 Is _____ possible _____ an _____ standard _____ renewables _____ an energy source?
 _____ it possible to _____ source?
 _____ any _____ credentials showing _____ to _____ energy for electricity?
 _____ approved certificate confirm _____ renewable _____?
 Do _____ have _____ about _____ power being _____?
 Is there _____ accredited _____ determining _____ energy _____?
 _____ to _____ my power comes from _____ sources?
 Is _____ possible _____ get _____ certification that _____ my power _____ from _____?
 _____ can I _____ that _____ is clean _____ sustainable?
 _____ use _____ verify the use _____ renewable energy?
 certifications _____ guarantee _____ is _____ from renewable sources
 _____ it _____ to get _____ certifying statement _____ renewable power?
 Do _____ certifications guaranteeing _____ supply?
 _____ proof _____ my renewable _____ is secure?
 Can _____ a _____ clean-sourced electricity?
 Is it possible _____ get _____ guaranteeing that my _____ sources?
 _____ it possible for _____ verify _____ my _____ from _____ sources?
 Is _____ any guarantee that _____ is _____ sources?
 Have you _____ certifications _____ the use _____ clean, _____?
 Is _____ possible _____ get _____ credentials that _____ guarantee _____ power comes _____ resources?
 _____ possible to _____ approved _____ assure _____ power comes _____ renewable resources?
 _____ approved certificate confirm the _____?
 Can _____ guarantee the _____ energy?
 How do _____ official certificates?
 Are there guarantees _____ electricity _____?
 certifiers _____ the _____ of renewable _____?
 _____ you _____ to make _____ energy supply?
 Is there a _____ comes _____ renewable resources?
 _____ related to renewable _____?
 I would _____ to know if _____ is _____ for _____ renewable _____.
 _____ for renewably-generated electric supply?
 Have _____ been _____ use _____ electricity?
 I _____ like to _____ recognized _____ clean-powered electricity.
 _____ there _____ certification that assures _____ is derived _____ sources?
 _____ want to know if _____ is _____ accredited standard _____ my _____ source.
 _____ it possible to _____ green _____ with _____?
 _____ there _____ recognized _____ to _____ renewable _____ procurement?
