

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Billing and payment inquiries
Inquiry Sub-Category	Bill discrepancies
Description	Customers inquire about unexpected charges, inaccurate billing amounts, or discrepancies between the services they have used and what is reflected on their bill.
Data Size	5,068 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

____ system ____ different call ____ compared ____ what's stated in itemized ____?
 ____ are the ____ durations ____ in ____ bill different from those ____?
 What is the problem with ____ system's call ____ line ____ itemized ____?
 ____ is my itemized ____ system's call duration?
 Your ____ durations are ____ itemized ____ why?
 ____ were ____ listed ____ my itemized ____ different ____ the ____ displayed in ____ system?
 ____ call durations listed in the ____ the ones shown ____ the ____?
 ____ there a ____ for ____ discrepancy ____ shown on my bill ____ your ____?
 ____ does your system's ____ not ____ my itemized ____?
 There are ____ between ____ durations ____ itemized ____ and the ones indicated ____.
 How ____ call lengths than the itemized bills ____?
 ____ call ____ on ____ system are ____ from ____ bills.
 "Why aren't your ____ matching ____ my itemized ____
 Is ____ difference between the call ____ presented ____ your system ____ stated on ____?
 ____ don't the ____ listed ____ invoice match ____ see in ____ system?
 ____ do your ____ show ____ call ____ compared ____ itemized ____?
 ____ call ____ my itemized bill ____ different from ____ ones ____ in your ____ is ____
 ____ come you ____ call ____ itemized bills ____ the same ____?
 ____ the ____ listed in my itemized bill ____ different than ____ by a system?
 ____ do ____ display different call ____ itemized ____?
 ____ system shows different call ____ itemized ____.
 ____ is ____ lengths different ____ bills?
 ____ a ____ why the ____ length on ____ system is not the ____ as ____ my ____.
 ____ come ____ system ____ different ____ durations ____ itemized bills?
 ____ the ____ durations ____ in the system different ____ the ones ____ my ____?
 ____ not being in line with your itemized bill?
 ____ possible ____ show ____ lengths when itemized ____ the same thing?
 Why call durations ____ in ____ are ____ ones listed in ____ system?

_____ an explanation for _____ durations _____ different on itemized _____ and ones _____ bill?

_____ come _____ system _____ lengths _____ than itemized bills?

What _____ the problem _____ call _____ not matching _____ itemized _____?

_____ the _____ show longer calls than _____ is in _____?

_____ is the _____ durations _____ in my _____ different _____ those on a system?

What is the _____ the _____ durations listed _____ my _____ from those _____ system?

What _____ the length _____ your _____ do not _____ bill?

Why is _____ system's _____ from itemized _____?

Did your _____ different call _____ than _____?

Why _____ your _____ the itemized bills you _____?

The _____ call _____ itemized bill.

What is _____ cause of _____ matching my itemized _____?

_____ is a discrepancy _____ call _____ in _____ system and those _____.

_____ call durations _____ up with the itemized _____?

_____ your system displays different _____ what you see _____ itemized _____?

_____ is call durations listed _____ bill different _____ system shows?

_____ want _____ know _____ discrepancies _____ noted on my _____ bill _____ those indicated in your system.

_____ the call durations presented by your _____ what _____ indicated on _____?

_____ durations listed in my _____ are _____ the ones _____ the system?

_____ possible _____ your system _____ call durations than _____ bills _____?

_____ is _____ reason the _____ durations listed in _____ bill _____ than what _____ displays?

_____ am wondering _____ durations _____ in _____ itemized bill are different _____ the _____ your system.

How come _____ shows different call _____ bills _____?

There _____ reason that the recorded _____ length _____ system is _____ on my bill.

_____ come _____ system _____ different _____ durations than _____ itemized _____?

_____ the _____ listed in _____ itemized bill are _____ the ones _____ display _____ system?

What _____ the _____ with your _____ displaying call times _____ match those _____?

_____ the _____ with your system _____ call times that _____ those _____?

Why call durations _____ in _____ are different _____ ones _____ in _____ system?

When _____ bills _____ same _____ how come you show _____?

What _____ reason _____ call durations listed in my itemized _____ displayed by a _____?

Where _____ disparity arise from _____ comes to the _____ calls _____ your platform _____ bills?

Why _____ you display _____ differently _____ recorded bill _____?

_____ is _____ call duration _____ itemized bill and _____ your system's show?

The _____ durations _____ in my itemized bill _____ different _____ in your _____

What _____ differences between the _____ noted _____ my itemized bill and _____ in _____ system?

_____ know why call durations _____ in my _____ are different from _____ ones displayed _____.

_____ call _____ listed _____ my itemized _____ from the _____ displays?

_____ call _____ listed _____ itemized bill are _____ you see _____ your system?

_____ seems like your _____ times that _____ match the _____ on _____.

What _____ the _____ durations _____ in my itemized bill are different _____ the _____ is _____?

I don't understand _____ the _____ listed in _____ itemized _____ are _____ from _____ by your _____.

_____ a _____ between call lengths on _____ and _____ bills.

Why are _____ call durations shown _____ itemized _____ what your _____?

When itemized _____ show _____ lengths, _____ come _____ show _____ call _____?

_____ difference _____ the call _____ system and what you see on _____ bills?

_____ aren't _____ your itemized bills?

_____ durations _____ by your _____ those listed in my itemized bill?

_____ reason why the recorded _____ on your _____ is _____ the same as in _____?

_____ your _____ lengths _____ from the _____ bills _____ have?

Why are _____ in my itemized _____ from _____ you _____?

There is _____ the _____ call length _____ your _____ system is different from _____ on _____.

_____ the _____ my _____ bill are _____ from _____ in your system?

_____ call durations _____ in my _____ bill _____ same as what _____?

How come your _____ displays _____ than _____ bills?!

_____ there a reason _____ the _____ length on _____ to be _____ from my bill's _____?

_____ the problem with _____ system's _____ being _____ line _____ the _____ bill?

Why _____ call durations _____ bill different _____ what your system _____?

_____ is the _____ system's _____ not being in line with my _____?

Why do _____ durations listed _____ itemized bill differ _____ those _____?

Why _____ call _____ different from _____ system _____ in the _____?

When itemized _____ specify _____ come you _____ different call _____?

_____ come _____ different _____ lengths _____ itemized bills?

_____ there _____ why the recorded call length on your telecommunications _____ different _____ my _____?

_____ is _____ on with your system's _____ not _____ the _____?

_____ lengths _____ your system differ from _____ bills.

_____ is _____ reason _____ system shows different _____ durations _____ to itemized _____?

What is the difference _____ itemized _____ and you system?

What _____ the cause _____ your _____ lengths not being in _____ itemized _____?

_____ come you _____ different call _____ itemized _____ show the same _____?

What _____ with _____ call durations not _____ on the _____?

_____ is _____ reason that your system _____ different _____ itemized _____?

Is there _____ discrepancy _____ the _____ durations _____ my itemized bill and _____ in your _____?

_____ discrepancy _____ call durations noted on _____ itemized _____ and the _____ indicated _____ your _____?

_____ come _____ show different calling _____ when _____ bills are _____?

What _____ your system boast _____ times that don't _____ bills?

Is _____ possible to explain _____ between call _____ my itemized bill _____ indicated _____ your system?

How come _____ displays different _____ durations _____ itemized _____?

Why the _____ in my itemized _____ are _____ from _____ display.

_____ come _____ system _____ call durations than what _____ stated _____ bills?

_____ the reason that the call durations _____ my _____ are different _____ the _____ by _____ system?

Why _____ your _____ matching _____ with my _____ bills

_____ come _____ show _____ when itemized _____ have the _____ lengths?

What is _____ reason for the _____ my _____ bill to _____ the system's?

Why do your _____ show _____ call _____ than _____?

How _____ are different _____ when itemized bills _____ the _____?

Are there _____ between call _____ bill and those _____ your _____?

_____ the call _____ on your _____ from the itemized _____?

_____ if the _____ of your _____ doesn't match _____ itemized _____.

_____ durations listed in my _____ bill _____ what _____ system displays?

_____ come _____ displays different call durations _____ in _____ bills?

_____ don't your _____ correspond _____ itemized bills?

How _____ you _____ call times different _____ details?

Why does _____ different call _____ than _____ bills.

Why _____ have different call durations _____ bills?

_____ durations listed in my _____ bill are different _____ the _____?

_____ displays different _____ the itemized bills suggest.

Can _____ how the call durations _____ itemized bills?

_____ is the reason _____ your _____ call _____ that _____ match _____ bills?

_____ aren't your _____ up with my itemized _____.

_____ in _____ itemized bill _____ different _____ ones you display is not _____.

Why _____ durations _____ bill different _____ the ones _____ the system?

_____ explain _____ between the _____ in your system and _____ noted on my _____ bill?

_____ your call durations _____ bills?

_____ is _____ between _____ durations presented by your _____ and the _____?

_____ call durations aren't _____ my _____

_____ call durations listed _____ my _____ from _____ shown by _____ system?

Why _____ system show different _____ lengths _____ itemized _____.

_____ is the _____ the _____ durations _____ my _____ are _____ than the ones _____ in your _____?

Is it _____ that _____ can explain _____ in _____ call durations _____ itemized _____?

_____ listed in _____ bill _____ different _____ the _____ you show _____ not clear.

_____ come your system shows _____ call _____ than _____ bills _____?

_____ durations _____ the _____ are _____ what is _____ in the system?

_____ your call _____ match the itemized _____ have?

_____ the problem _____ the system's _____ durations _____ in line with _____?

_____ come there are _____ durations in _____ compared _____ bills?

_____ call durations _____ itemized bill are _____ ones _____ in your _____ is that _____?

_____ different _____ durations displayed in your _____ in the _____.

_____ are _____ different between _____ and bill?

_____ the _____ of your system's calls _____ to _____ itemized _____?

How _____ system shows _____ call times _____ itemized _____?

Why _____ call _____ from those displayed in your system?

Why _____ the call durations _____ my _____ from the ones _____ your _____?

Why _____ durations listed _____ my itemized _____ from _____ ones _____ show is _____.

_____ can there be _____ between _____ records _____ itemized statements?

_____ itemized bills state a _____ amount _____ time, _____ come _____ lengths?

I _____ like to _____ your call durations _____ we _____ itemized bills.

What is the _____ why _____ call _____ your system _____ than the ones _____ in _____ itemized _____?

Why _____ durations _____ are different _____ what you display _____ a question.

_____ the _____ your _____ durations not being _____ as my _____ bill?

Your _____ show different _____ to _____ bills.

What is _____ reason _____ listed _____ are different from what the _____?

_____ call durations matching _____ itemized _____?

Why _____ your call durations matching _____ bill?

_____ the _____ durations _____ my _____ bill differ _____ displayed by your system?

_____ come you _____ different call _____ itemized _____ are _____ same lengths?

There _____ why the recorded _____ on your _____ not the same as _____.

_____ is _____ reason that the _____ listed in _____ are different _____ ones _____ your system?

_____ is _____ cause for the different _____ duration _____ your records _____?

I was wondering _____ could explain the _____ call durations noted _____ my _____ those in _____.

When _____ bills _____ of time, how _____ you show _____ call _____?

_____ difference in _____ duration between _____ itemized _____ and your system?

Is there a _____ between _____ call durations _____ by your _____ what _____ on _____ itemized _____?

_____ is _____ call durations mentioned in your _____ and the _____.

Why call durations _____ in _____ bill _____ ones on your _____?

_____ state the _____ how come they show _____ call _____?

What _____ the _____ that the _____ different call _____ the _____ shows?

When _____ bills _____ same _____ you show different _____ lengths?

How _____ you _____ different _____ lengths when _____ are _____?

_____ a difference _____ call _____ on _____ system and _____ bills.

Can you explain the _____ durations noted on _____ itemized bill _____ those indicated _____ ?

_____ it possible you _____ explain _____ between the call _____ itemized bill?

You _____ clarify _____ discrepancy _____ call durations _____ your _____ itemized bills.

Why isn't _____ my itemized bills _____ as the system _____ ?

The call durations in _____ and itemized _____ are _____ .

_____ there a _____ recorded call _____ system _____ different from the one in _____ ?

_____ you _____ why the _____ the _____ does _____ match the data _____ the _____ ?

_____ is the difference between the _____ system _____ is shown _____ itemized bills?

Why is the _____ call _____ compared _____ bills?

_____ a reason the recorded call length _____ your _____ same _____ my _____ ?

_____ why _____ call duration on _____ bill _____ not match the information _____ systems _____ ?

What _____ the reason _____ call durations _____ bill _____ different than the ones _____ system?

Why _____ your _____ durations _____ your itemized _____ ?

How come _____ system _____ different _____ lengths _____ bill _____ ?

Why _____ listed in my _____ are _____ from _____ ones _____ display?

_____ in _____ itemized bill are different than those _____ your _____ ?

How come call _____ are _____ on _____ on _____ invoices?

_____ is the _____ the _____ durations _____ my itemized bill _____ different _____ a system?

_____ discrepancies _____ call durations _____ on _____ bill and _____ by your system.

I _____ understand why the _____ durations listed in _____ bill _____ from _____ by _____ .

I _____ why the _____ durations _____ in my _____ from what _____ displays.

_____ is a _____ mentioned on _____ and those in _____ system.

Why does your system's _____ duration _____ bill?

_____ shows different call _____ than itemized _____ .

_____ durations correspond with _____ itemized bills?

_____ does your _____ call durations _____ itemized bills?

_____ come your system _____ the _____ call _____ itemized bills?

_____ system displays call times _____ bills, what's up?

How come _____ show _____ lengths _____ the _____ amount of time.

_____ would like _____ how _____ call _____ differ _____ what _____ see on _____ itemized _____ .

_____ my itemized bill and _____ system's _____ durations?

Why _____ call _____ line with _____ itemized _____ you have?

_____ come you show _____ lengths when _____ bills _____ same amount _____ ?

I wonder why _____ not _____ my _____ bills.

_____ come you _____ different _____ lengths when _____ bills _____ the _____ time?

_____ reason the call durations listed _____ my itemized _____ what the system _____ ?

How _____ time _____ for calls _____ system _____ from billed _____ amounts?

When _____ bills _____ a _____ of _____ how come _____ show _____ calls _____ ?

Why _____ durations _____ in _____ bill different from the ones _____ system, _____ that?

_____ come there are different call _____ system _____ the _____ bills?

_____ call durations _____ in _____ different from _____ you show them.

Why _____ call durations listed in _____ itemized bill _____ than _____ ones _____ system, _____ that?

How _____ your call _____ from _____ we see _____ bills?

_____ tell _____ why your _____ durations _____ those on _____ bill?

_____ a discrepancy between call _____ your _____ and itemized _____ .

_____ reason _____ in _____ bill are different _____ what the system shows?

_____ the _____ of your _____ matching _____ itemized bills _____ have?

_____ why the _____ duration _____ the bill _____ not _____ the _____ in _____ system records?

Do you know _____ the _____ match the _____ the _____ ?

_____ are call _____ my _____ bill different to _____ system displays?

Can ____ explain the ____ in the ____ durations ____ itemized ____?

Why call ____ listed ____ my ____ the ones ____ in ____ system, is that?

Why aren't ____ durations ____ to your ____?

What's the reason ____ listed ____ my itemized ____ different ____ what ____ displays?

Why ____ listed ____ bill different from the ones in your ____ is ____?

What ____ your ____ call ____ being in line ____ my itemized bill?

How come there ____ different ____ in ____ bills ____ system?

Why ____ your ____ displaying call times ____ on my bill?

____ length of your system's calls ____ itemized bill?

____ there a reason ____ call lengths are ____ bill ____ your ____?

Is ____ a ____ in ____ call ____ your system versus what ____ itemized bills?

____ durations ____ system ____ those on itemized ____ different.

____ the call ____ presented by your system are different ____ indicated on itemized ____?

What accounts for ____ in ____ your records and ____?

____ there ____ reason why the recorded ____ your ____ is ____ from the ____ call on ____?

What is the ____ why ____ call ____ listed ____ my ____ bill ____ from the ones ____ system?

How ____ system ____ different ____ what's stated ____ itemized bills?

____ call durations listed in my ____ differ ____ the ones ____ in ____?

It appears that ____ call durations ____ bills.

____ is ____ on with ____ system's ____ matching my itemized ____?

How ____ call times ____ do not match ____ bills?

Why ____ call ____ listed ____ my itemized bill ____ your ____ displays?

____ is ____ call ____ your system and itemized bills.

____ like to know ____ durations differ from the ____.

Do you know ____ call duration ____ doesn't ____ information on ____?

____ noticed discrepancies ____ call ____ my ____ bill ____ indicated in your system.

____ is the dissimilarity ____ actual call ____ items explained?

Why ____ in my itemized ____ are ____ than ____ ones shown in ____?

Why ____ durations listed in my ____ aren't the ____ display isn't ____.

Why ____ my ____ bill are different from what ____ is ____ why?

What ____ your ____ calls don't match my ____ bill?

____ come itemized ____ show ____ thing ____ show different call ____?

____ is the ____ your system's call length ____ being ____ with ____ itemized ____?

____ you tell me why there are ____ call durations ____ itemized ____?

____ is it ____ bill ____ system have different call ____?

____ system displays ____ call ____ than ____ bills do?

____ don't ____ the ____ durations ____ in my ____ differ ____ what your system ____.

____ don't ____ why call durations ____ in ____ itemized ____ are ____ you show.

I want to know if you can ____ the ____ on ____ itemized ____ and those ____ system.

Why ____ you show ____ call lengths when ____ state ____ amount ____?

What ____ system ____ different ____ durations compared ____ itemized bills?

How ____ system ____ that don't match ____ bills?

____ is ____ the ____ durations listed in ____ bill are ____ than the ones ____ your ____

____ tell ____ how your call ____ differ ____ our ____ bills?

____ aren't the call durations the ____ itemized ____ have?

Why ____ I ____ different call ____ your system ____ the ____ statement?

How come ____ displays ____ call ____ itemized bills,?

____ don't ____ call durations match ____ bills ____ have?

____ durations ____ match ____ itemized bill

____ the ____ your ____ call durations not being in ____ with ____ itemized ____

Why _____ bill different from _____ system's call _____?
_____ your _____ displays different call durations than what _____?
_____ the _____ listed in _____ are _____ than the ones _____ your system?
_____ is your system's _____ durations not in line _____?
Why aren't _____ durations _____ up with _____ bill?
_____ aren't the _____ matching the itemized bills?
_____ with your system _____ call times that don't _____ ones _____ my _____?
The _____ calls does not _____ my _____ bill?
Why call durations _____ bill are different _____ in your system?
_____ system shows different call durations _____ does?
_____ call durations _____ the _____ differ from _____ shown in the _____?
_____ are different call _____ in _____ system _____ in _____ bills.
How come your system _____ different _____ state?
How _____ your _____ shows _____ times compared to _____?
_____ the _____ durations matching the _____?
_____ to _____ why _____ in my itemized bill are _____ from _____ the system displays.
What is the reason the _____ itemized bill _____ different from _____ ones _____ a _____?
How come _____ displays different _____ itemized bills?
