

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Broken power windows
Inquiry Sub-Category	Window moves slowly or unevenly
Description	Customers inquire about power window issues where their windows operate slowly, move at different speeds, or tilt at an angle, typically due to a worn-out motor, damaged regulator, or insufficient lubrication.
Data Size	5,090 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)
