

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Product performance and efficiency questions
Inquiry Sub-Category	Air Quality
Description	Customers seek information on the air filtration capabilities of our appliances, especially for air purifiers and ventilation systems.
Data Size	7,535 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can _____ one of _____ purifiers _____ into my _____ system _____ filtration benefits?
_____ me about integrating a _____
_____ it possible _____ install an air _____ my heating, _____ airconditioning (HVAC) _____ to deliver _____
_____ it _____ for _____ put one _____ your _____ cleaners _____ my _____ and cooling _____?
Is _____ to install _____ of _____ purifiers _____ myHVAC _____ whole-house benefits?
_____ there _____ do _____ get your air purifier _____ my _____?
Is it _____ to _____ on my heating and _____ unit?
Is _____ of _____ air purifier _____ you _____ my house?
_____ function of one _____ these air _____ to a _____?
Is it _____ for my air purification to _____ to _____?
_____ for _____ air system to fit _____ purifier?
Is it _____ your air _____?
Is it possible _____ heating and cooling _____ hook _____ air _____?
_____ there _____ way to directly _____ of your air _____ home?
_____ it possible for _____ to _____ linked with _____ heating and _____ conditioning _____?
_____ it possible _____ hook _____ purification to my _____ and _____ conditioning _____?
_____ like to _____ your _____ purifier _____ my heating _____ air _____ system.
Is it _____ whole-house cleansing _____ an _____ purifier in _____ air conditioning?
_____ one of your _____ to be _____ to my _____ heating and cooling system?
_____ there a way for _____ air purifier _____ be integrated _____ and _____?
_____ your _____ system _____ to _____ and air conditioning system?
_____ air purifiers into my heating, ventilating, and air conditioning unit?
_____ possible _____ put _____ air _____ into my heating and _____ system?
Is _____ for _____ connect _____ your air purifier?
Can _____ hook up a whole-house _____ system _____ heating _____ cooling _____?
Would _____ be willing _____ your _____ my HVAC?
Is _____ to have _____ filters with the _____ air purifiers?
_____ to integrate your _____ purifiers into _____?
_____ it possible to _____ air _____ to my _____ airconditioning _____?
Is it _____ to _____ one of your _____ filters with _____?

_____ want to know _____ possible _____ install _____ air _____ heating and _____ system.
 I _____ it _____ possible to install your _____ into my system.
 Can _____ if there _____ to attach your _____ purification _____ to _____ heating and cooling system?
 Is it possible that your _____ purification _____ could _____ in _____ current _____ network to _____ clean _____?
 It's possible to improve _____ entire _____ by _____ your _____ purifier _____ your _____ setup.
 Is _____ possible for _____ system _____ to my HVAC system?
 _____ you _____ it's _____ to integrate your _____ my system?
 _____ optimal _____ filtrating, can I _____ of your _____ into _____ air conditioning unit?
 _____ it _____ air purification system _____ hook _____ to _____ heating _____ cooling system?
 _____ possible _____ install your _____ directly into _____ ventilating and air conditioning _____?
 Is _____ to _____ your air _____ to your heating and _____?
 _____ possible to _____ one of your air _____ cooling system?
 Can _____ air purifying device _____ ventilating, _____ conditioning system?
 _____ it _____ to install an _____ system in my _____.
 _____ it possible for _____ hook _____ your air _____ my _____ conditioning?
 Is it _____ for my HVAC _____ be _____ one _____ your air _____?
 _____ it possible for your _____ purifiers _____ be put _____ and _____ system?
 Is _____ possible _____ air _____ my heating and cooling system?
 _____ your _____ purifiers be connected to _____ and ventilating _____?
 _____ possible _____ directly install _____ air purifiers _____ my HVAC _____ for optimal _____ filtrating?
 Can your air _____ into _____ and _____ system?
 Can you _____ me _____ to integrate _____ air _____ my heating _____ system?
 _____ to _____ your air purifier into _____ and _____ system?
 I _____ to know if _____ possible to _____ air purifiers _____.
 _____ it possible _____ air purifier _____ be integrated _____ ventilating, and air _____?
 Is there a way to integrate _____ heating _____ air _____?
 I _____ I can _____ your air purifier _____ my _____ conditioning.
 _____ it _____ include _____ your air purifiers in my _____ heating _____ unit?
 _____ add an _____ purification device _____ my _____?
 Is _____ possible _____ your air purifiers _____ air conditioning _____?
 _____ a way to _____ your _____ purification for _____?
 _____ you please _____ know _____ I _____ put one _____ your _____ in my _____ and _____ conditioning system?
 _____ for me to slap _____ air _____ my air _____?
 _____ for _____ to _____ one of _____ air purification _____ into my _____ heating and cooling system?
 _____ an air purifier _____ house is valid?
 Can _____ if it _____ possible _____ purifiers into my system?
 Is _____ your air purifier _____ my _____ and _____ system for whole _____?
 _____ possible to _____ a whole-house cleansing _____ by _____ your air _____ my _____?
 _____ be possible _____ air purification system into my _____ ventilating _____ conditioning?
 Is _____ a _____ to _____ your _____ to _____ heating and cooling system?
 I _____ like _____ your air purifiers _____ purity.
 Is _____ possible _____ integrate one _____ your _____ purifiers with _____ heating _____ conditioning _____?
 Is it possible to _____ of your air _____?
 _____ if it _____ to integrate your air _____ my system.
 Will _____ attachment _____ your purifier _____ the air _____ whole _____ filters?
 _____ your air purification _____ connected _____ and air _____ system?
 _____ it a _____ idea _____ your _____ connected to my air _____?
 Is _____ for your _____ to _____ installed into my _____?
 _____ to _____ if _____ install your air purifiers _____ my heating _____ conditioning system.
 Is it _____ your air cleanser _____ my _____?

Is _____ doable _____ install _____ air purification system _____ ?

_____ it possible to _____ an air _____ my _____ ?

Is it possible _____ your _____ my heating _____ conditioning?

Is it possible for one of _____ filters _____ be _____ and _____ system?

I _____ add your air _____ to _____ heating and cooling _____.

_____ to _____ of your air purifiers into _____ heating _____ for a whole-house benefit?

Is _____ an air purification _____ in your _____ ?

_____ to _____ air _____ system in my heating and cooling _____.

Is it _____ your air purifier in the heating _____ ?

Do you think connecting one _____ your _____ filters _____ cooling _____ out?

Is it _____ to get a whole-house _____ an air purifier in the _____ ?

Is _____ to put _____ of _____ purifiers _____ my _____ heating _____ air conditioning _____ ?

Is it _____ to _____ an _____ within _____ home?

_____ let me _____ if I _____ of your _____ purifiers in my air conditioning _____ ?

Is it _____ me to attach one _____ units _____ my _____ and _____ system so that I _____ indoor _____ benefits _____ the _____ purification _____ be extended to my _____ ?

I'm wondering _____ it is _____ integrate _____ purifiers _____ my _____.

Would it _____ to _____ of your air _____ heating and cooling _____ ?

_____ your air purifier work _____ ?

Will the _____ of the _____ and _____ system provide whole-house _____ ?

_____ to know _____ it is possible to install _____ of _____ purifiers _____ my _____ conditioning unit.

_____ purifier allow me to have _____ advantages?

_____ you _____ your purifier _____ to _____ ?

_____ of your _____ to _____ air conditioning going to provide _____ ?

Is it possible to enhance the _____ home's _____ by _____ purifiers directly _____ the _____ ?

_____ possible _____ install one _____ your _____ purifier onto _____ cooling system?

Is it possible _____ install _____ of _____ filters _____ my _____ and cooling _____ ?

_____ purifying device hook up _____ my _____ ventilating and air _____ ?

_____ you know _____ it _____ to integrate _____ air purifier into _____ ?

Is it _____ use _____ air _____ for _____ house _____ ?

Is _____ advanced purification _____ could efficiently cleanse all rooms if it were _____ furnace _____ ?

I'm _____ if _____ possible to attach your _____ purifier _____.

Is _____ to _____ your _____ purification _____ to _____ heating and _____ system?

I want _____ if _____ to integrate _____ air _____ my system.

_____ be able _____ install _____ your _____ units into my central heating _____ cooling system _____ keep _____ air _____ ?

_____ know _____ air purification device can _____ fitted into _____ heating _____ system?

_____ purification device _____ to my heating, _____ air conditioning _____ ?

Is _____ possible to _____ whole-house _____ with an _____ of _____ ?

Is _____ possible to _____ your _____ equipment _____ purity.

Is there a way _____ install _____ directly _____ myHVAC _____ ?

Would _____ attach one of your _____ units to _____ central _____ cooling system _____ ensure _____ indoor air _____ ?

_____ it possible _____ me _____ use _____ air _____ my heating _____ cooling _____ ?

Is _____ get _____ by installing an air purification system?

_____ it _____ to install _____ of your _____ onto my _____ unit?

Did _____ there _____ a way _____ your air purification _____ my _____ heating and _____ system?

_____ a _____ hook _____ your _____ purification device to my _____ cooling system?

Is it _____ to install one _____ your air _____ on _____ ?

Is it possible to put one of _____ into _____ ventilating, and _____ ?

Is it possible to _____ air purification _____ HVAC?

Is _____ possible to _____ purification _____ to _____ central heating and _____ system _____ is clean indoor air throughout

Is it possible _____ your purification _____ placed in _____ ventilation _____ cleanse all _____ rooms?

Would _____ be possible _____ to _____ of your air _____ units _____ my central heating _____ system _____ clean _____ ?

_____ you _____ to integrate _____ into my heating and _____ ?

I wonder _____ it's _____ install _____ air _____ my system.

I _____ way to attach your air purification _____ central heating and _____ system?

Is it _____ to integrate _____ my _____ and air-conditioning _____ ?

Is _____ possible to direct install _____ air _____ cooling system?

Is _____ possible to integrate _____ air _____ HVAC?

_____ it possible for _____ install one of your air _____ for _____ whole-house _____ ?

Can _____ purification device _____ in my _____ cooling system?

_____ possible _____ place _____ purifiers _____ my HVAC system for a _____ ?

_____ it possible to add one _____ your _____ my _____ system?

_____ was wondering _____ could _____ your air purifier to _____ system.

Is it possible to slap your air _____ ?

_____ possible _____ your air purifier _____ furnace _____ a whole house clean?

_____ about attaching _____ air _____ to _____ central heating _____ cooling _____ for _____ house-wide _____ ?

Is it _____ install _____ purification system in my home _____ get _____ .

_____ your _____ purifiers _____ deliver comprehensive indoor _____ across _____ of my house?

Can _____ tell _____ if _____ possible _____ air purifying device _____ my system?

Do you believe _____ possible _____ your _____ into my _____ ?

I _____ to _____ if _____ can _____ your _____ purification device for _____ .

Can _____ benefits _____ the _____ purification system _____ extended _____ house?

_____ it _____ install _____ purification system into _____ and air-conditioning system to _____ me comprehensive indoor

_____ a whole-house cleansing _____ the installation of your _____ purifier?

Can _____ me _____ possible to add your _____ into _____ system?

_____ tell _____ if it _____ integrate your _____ purifying device into my heating _____ setup?

Is _____ possible _____ air purifying device _____ my heating and _____ system?

_____ it possible _____ your _____ purifier to _____ installed in _____ system?

I was _____ I _____ of your air _____ central heating and cooling system.

_____ am _____ I _____ hook _____ your air purifier _____ and cooling unit.

_____ it _____ for your air _____ to _____ heating _____ air conditioning?

Can you _____ if _____ can _____ one _____ your air purifiers _____ ventilating and _____ conditioning system?

_____ it _____ install your _____ equipment _____ my system?

_____ it _____ to integrate _____ air purifying _____ my _____ air conditioning?

Is it _____ to slap _____ air purifiers _____ heating _____ ?

_____ it _____ my _____ hook _____ to my heating, ventilating and _____ conditioning _____ ?

_____ it _____ to _____ full- _____ filters _____ the _____ of _____ air purifiers?

_____ you tell _____ if _____ attach one _____ your _____ units _____ my central heating _____ cooling _____ ?

_____ it possible _____ air _____ whole-house filter perk?

Is _____ to _____ purifier into my _____ ventilating _____ air conditioning _____ ?

_____ it possible to integrate your _____ ?

_____ your home's indoor _____ quality _____ connecting _____ air purifier into _____ existing _____ ?

_____ be possible to _____ air purification system _____ heating _____ system?

_____ possible _____ hook _____ air _____ up _____ my heating and cooling _____ ?

Is it possible _____ a whole-house cleansing benefit by _____ my heating _____ system?

_____ it _____ for my _____ purifiers _____ be _____ heating and _____ conditioning?

_____ it possible _____ install one of _____ purifiers _____ my _____ and _____ ?

_____ it _____ install _____ air purifiers in my heating _____ system?

Is ____ possible ____ hook ____ air ____ my heating and cooling ____?
 ____ one of ____ be connected to my HVAC system?
 ____ be ____ attach ____ air purification ____ to my ____ heating and cooling system?
 ____ air purifier in my HVAC ____?

Can ____ of your ____ put ____ my system?

Is ____ possible for me ____ one of ____ purification units to ____ central heating ____ cooling system in ____ ____

Do you know if ____ is possible ____ air ____ into ____?

Would whole-house air ____ by ____ an ____ purification system?

Is ____ to ____ your air purifier to ____ heating ____?

____ it possible ____ my air ____ be ____ to my HVAC ____?

____ if it's ____ your ____ purifier ____ my heating and cooling system.

Is it ____ to ____ of your air ____ into ____ filtrating?

____ connecting one ____ filters ____ system work out?

For optimal ____ filtrating ____ I install ____ air purifiers directly into ____ ____?

Whole-house ____ may ____ by an attachment of ____ HVAC.

Is it ____ to ____ air purifiers ____ my ____?

Is it possible ____ install ____ your air ____ my ____?

Is ____ possible ____ add the air ____ my ____?

I ____ like your ____ fit into ____ and ____ system.

____ you think it's possible to ____ my ____ and cooling ____?

Is ____ possible ____ purifier ____ whole house purity?

Is it ____ to ____ your air purifiers ____ into ____ heating ____ conditioning system?

Does ____ make sense to ____ air ____ system?

____ an attachment ____ to the air ____ give ____ whole-house ____?

____ to shove ____ air purifier in my ____?

____ you know ____ can ____ home's indoor ____ quality with ____ direct ____ to your ____ purifier?

Is it possible ____ one ____ purifiers directly ____ house?

____ your ____ work ____ my HVAC?

____ it ____ for me to ____ your ____ in ____ heating and ____?

____ optimal whole-house filtrating, ____ I directly ____ of your ____ my ____ and ____ conditioning unit?

____ you ____ it's ____ to integrate your ____ purifier into ____?

____ of your ____ filters to the heating ____ system will work ____?

Is it ____ for you ____ use ____ air ____ purity?

____ your ____ purifier ____ to ____ heating, ____ and air conditioning ____?

____ it be possible ____ an ____ purifier ____ my ____ and air ____ system?

____ wondering if ____ possible to attach ____ air ____ heating and ____ system.

____ possible ____ air purification device to ____ heating and ____ system?

____ it ____ air purifiers ____ be integrated with ____ heating and ____ system?

____ it possible ____ install ____ purification ____ in ____ house ____ a whole-house ____ benefit.

Is ____ your air purification device ____ be fitted ____ heating ____ system?

____ it possible ____ add air ____ my ____ and cooling ____?

Is it ____ to attach one of ____ air ____ heating ____ system ____ keep ____ indoor air clean?

Is there a way to ____ your ____ my ____ and ____?

____ your air purifier ____ be ____ into my ____ air conditioning system?

Is ____ possible ____ install one ____ your air purifiers ____ for a ____?

Is it ____ to ____ your ____ purifications directly into ____ and cooling ____?

I ____ to ____ air purification ____ heating ____ cooling system.

Is it ____ to ____ into my heating ____ cooling ____?

Is ____ to ____ of your ____ purifiers ____ my ____ and ____ system?

Can I ____ one ____ your ____ purifiers in my ____ system?

I ____ like ____ connect ____ my air purifiers ____ my ____ and air _____.
 ____ hook up ____ to my heating and cooling ____?
 ____ there a way to attach the ____ device ____ system?
 Is it ____ to ____ an ____ purification device ____ heating and ____?
 ____ it ____ for ____ to ____ one ____ air purification ____ into my central heating ____ cooling ____ ensure ____ air?
 I wanted to know ____ of ____ purifiers ____ my heating ____ cooling system.
 Is ____ possible to install ____ air purifiers ____ my _____.
 ____ it possible ____ connect your ____ to my ____ air ____ system?
 ____ possible for your ____ to ____ integrated ____ heating ____ ventilating unit?
 Is it possible ____ your ____ to be ____ my system for ____?
 ____ to know ____ possible to install your air ____ system.
 ____ want ____ if ____ is possible ____ install your air purifier ____ into ____ heating ____ system.
 Do you know of ____ way ____ a ____ HVAC?
 ____ it ____ add one of your ____ purifiers ____ existing heating ____ system?
 Is ____ way to ____ one ____ into my heating and ____ system?
 Is it possible ____ have ____ indoor ____ rooms ____ my house with ____ installation ____ your air ____?
 I don't ____ if I ____ directly install one ____ into my ____ and ____ unit.
 I ____ like ____ of your ____ purifiers to be ____ my ____ and _____.
 ____ it possible to use your ____ system?
 ____ it ____ comprehensive indoor air quality across ____ of ____ by installing ____ air purifiers?
 Is it ____ to ____ up ____ purification ____ myHVAC?
 For ____ whole-house ____ I ____ one ____ your air ____ into ____ air unit?
 ____ it possible that your ____ purification device ____ efficiently ____ all rooms ____ placed ____ current ____?
 Can ____ me ____ if I can put your air purifiers ____ my ____ conditioning ____?
 ____ it ____ put one ____ purifiers ____ my home's air conditioning ____?
 Is it ____ to ____ one of your ____ into ____?
 I ____ if ____ your ____ can ____ to my heating and ____ system.
 ____ possible ____ connect your ____ to ____ heating ____ cooling systems?
 ____ possible for me to ____ one ____ your ____ to ____ and cooling ____ in order ____ ensure clean indoor air
 ____ purifiers allow for ____ filters?
 Is ____ air ____ compatible ____ system for ____ filtering?
 Is it ____ your ____ house for whole-house filters?
 ____ it ____ one of your air purifiers onto ____?
 Is it ____ your air ____ to be ____ my heating ____?
 Can ____ your air ____ be integrated with ____ heating ____?
 Is there ____ integrate your air ____ my heating ____ air ____?
 Is there a ____ integrate ____ air ____ my ____ and ____ conditioning ____?
 Are you ____ in ____ air ____ into my ____ and ____?
 ____ it possible ____ your ____ purification system ____ system?
 ____ possible to ____ air purifier ____ heating and cooling ____?
 I'm wondering if I can ____ air ____ my house's ____ and _____.
 ____ it ____ for ____ to install ____ air ____ in ____ house?
 ____ it ____ one of your air purifiers to be ____ in ____ and ____?
 Is ____ to ____ up my air purification ____ my heating ____?
 Is it possible ____ home's indoor air quality by ____ purifiers ____ to ____ setup?
 ____ possible to ____ a whole-house ____ if you ____ an ____ purifier in ____?
 ____ it be possible ____ attach ____ of ____ purification ____ my central ____ and cooling system ____ make ____ I ____ clean ____?
 ____ it ____ for ____ purifiers ____ to my HVAC system?
 Can ____ get one of ____ air cleaners ____?

Is ____ possible ____ an air ____ my system?

Is ____ up your ____ my air conditioned home?

Is ____ to install an ____ my heating ____ conditioning system?

Does ____ sense ____ your air filters with ____ heating ____ cooling ____?

____ home's ____ air quality by ____ air purifier directly ____ the ____

____ to ____ one of your air ____ and cooling system?

Is ____ possible to ____ one ____ your ____ filters into my heating ____?

____ to integrate your ____ purification ____?

Is ____ a ____ to ____ your air ____ device ____ central ____ cooling system ____ superior ____ filters?

____ for your ____ to hook ____ to my ____ system?

____ it possible to put your ____ for ____ winner?

____ wondering ____ I can ____ to my heating and cooling ____.

____ your ____ purification system ____ with my ____?

____ possible to ____ air ____ to my heating ____ conditioning?

____ whole-house purity be achieved using ____?

Is it possible ____ my ____ system ____ purifiers?

____ it possible ____ install ____ onto my heating and ____?

____ it ____ to ____ one ____ your ____ on my equipment?

____ possible ____ me ____ add your air purifier ____?

Is it possible ____ of ____ air purifiers ____ into my ____ and ____?

Can ____ tell ____ if ____ my ____ purifier into my heating ____ cooling ____?

____ tell ____ if one ____ air purifiers ____ used with ____ unit?

____ it possible for ____ install ____ your ____ purifiers onto my ____?

____ am wondering if ____ is ____ install ____ air ____ my system.

Is it possible to ____ purifyr ____ and cooling ____?

____ it possible ____ shove your ____ my ____ cooling system?

Is ____ a way ____ attach ____ air ____ device ____ central heating and cooling ____ my ____?

____ a ____ you ____ purifiers into my heating ____ cooling system?

____ connecting ____ heating and ____ conditioning system ok?

Is it ____ to fit ____ air ____ device ____?

Is ____ possible ____ install an air purifiers in ____.

For optimal ____ filtrating, ____ directly install one of ____ air ____ HVAC ____?

Is it possible ____ air ____ in my ____?

____ it make ____ integrate your ____ my heating and cooling ____?

____ I use ____ to install whole-house filters into ____?

____ possible that ____ purification ____ placed in our ____ ventilation network to efficiently ____ rooms?

____ it ____ your air purifiers ____ hook ____ to ____ system?

Can ____ tell ____ if ____ possible ____ integrate your air cleaner ____ and ____?

Is ____ possible to get ____ your ____ purifier?

____ to install an ____ onto ____ heating and air conditioning ____?

Is ____ possible for me ____ your ____ purification to ____?

____ it possible ____ connect your air ____ device ____?

Is it ____ advanced purification ____ to cleanse all ____ by being placed ____ network?

I would like to know ____ it ____ possible to install ____ of ____.

Is it ____ have ____ whole-house ____ an ____ purification system ____ my home?

I ____ to ____ if ____ my ____ purifiers can ____ integrated with ____ and cooling ____.

Is it ____ get a whole ____ benefit ____ installing ____ air purification ____ in ____?

Is it ____ install one of your ____ my ____ system ____ whole-house ____?

Is it possible to ____ purifiers into ____?

Is ____ one of ____ air purification units ____ my central ____ and cooling system to ____ clean ____ air ____?

_____ there a _____ to _____ air _____ whole-house purity?
 Can your _____ purifiers fit _____?
 _____ it _____ to use _____ purification _____ for whole- _____ purity?
 Is it possible _____ air _____ and cooling system?
 Is _____ possible _____ one _____ purifiers to be included _____ existing _____ cooling system?
 Is _____ for me _____ your air purification _____ central heating _____ cooling system so _____ I can get _____
 Is it possible _____ your _____ purifier _____ fit _____?
 Will _____ filters help _____ whole-house purification effect?
 _____ it _____ to install _____ air purification _____ system.
 Is _____ possible to _____ purification _____ in my house _____ get _____ whole-house _____?
 _____ it possible _____ your air _____ a whole-house _____?
 Is _____ have one of your _____ purifiers directly _____ heating and cooling _____?
 Is _____ to _____ of _____ air purifiers _____ home's heating and _____ unit?
 _____ you let _____ put _____ air purifiers into _____ ventilating, and _____ system?
 _____ possible for _____ to attach _____ your _____ purification _____ central heating and cooling system?
 _____ it possible _____ purifiers to _____ up to my _____ cooling _____?
 _____ possible _____ one of your air _____ into my _____ heating system?
 _____ it possible to get _____ benefit by _____ purifier in _____?
 _____ it possible _____ to be _____ installed into _____ heating and cooling _____?
 Is _____ possible _____ integrate _____ purifiers into _____ heating _____ air _____ setup?
 Is _____ possible _____ you _____ include one of your _____ purifiers _____ existing _____ system?
 Does _____ make sense for _____ to slap _____ purifier _____ heating _____ system?
 I would _____ to know if _____ to incorporate _____ of _____ into _____ existing HVAC.
 Can you _____ me _____ install _____ of _____ air purifiers _____ and _____ unit?
 Can _____ tell _____ if it's _____ to _____ your air _____ my HVAC _____?
 _____ to directly install your _____ into my system?
 _____ it possible _____ one _____ your air purifiers _____ heating and _____ system _____ descale?
 _____ if one of your _____ purifiers can _____ to my air _____?
 _____ possible for one of your _____ purifiers _____ to my _____ system?
 _____ wonder _____ I _____ put your air _____ in _____ and _____ system.
 _____ connecting one of your _____ filters _____ our heating _____ sense?
 _____ it _____ air _____ to _____ up to my heating and _____ system?
 _____ you _____ me _____ I _____ put _____ of _____ air purifiers into _____ ventilating, and air _____?
 _____ attachment of _____ the HVAC capable of _____ whole house _____?
 Is _____ possible to _____ whole-house cleansing _____ air _____ device in _____ house?
 _____ it permissible to _____ your purifier _____ my _____ system?
 _____ it possible to hook up _____ purifier _____ my air _____ home _____?
 Is _____ of your air _____ into my heating and _____ unit?
 _____ there a way to connect _____ to _____ and _____ system?
 _____ possible _____ install one of your air filters _____ and cooling system?
 _____ it _____ to put _____ your _____ cleaners into my _____ conditioning system?
 Can _____ up _____ system _____ my heating and cooling system _____ a _____ home _____?
 Is _____ install one of your _____ purifiers _____ my _____?
 Is it possible _____ home's indoor _____ quality by connecting _____ to _____ existing setup?
 _____ possible to _____ one of your _____ into my heating _____ system?
 _____ there a way _____ affix _____ purification device _____ my _____ heating and _____?
 _____ you tell me _____ one _____ air _____ can be connected _____ heating and air _____?
 Would _____ possible _____ me _____ attach _____ air _____ my _____ heating and cooling _____ to ensure _____ air throughout?
 Is your _____ purification _____ compatible with my HVAC _____?

Are ____ able ____ direct ____ your air purifier ____ ____ ?

Is ____ me ____ your ____ purifiers to my heating and ____ system?

____ possible ____ you to include one of ____ air purifiers ____ existing heating ____ ____ ?

Is it possible to ____ air purifier ____ ____ system?

Is ____ whole- home purification ____ to ____ achieved with your ____ ?

____ connecting this personal high- performance filtration ____ ____ infrastructure give us ____ effectiveness ____ ____ house?

Is it possible to connect ____ ____ whole-house filters?

____ possible for one of ____ air purifiers to ____ into my existing ____ ____ ?

____ it ____ attach ____ your ____ units ____ my central heating ____ cooling system to guarantee clean indoor air?

____ possible to connect ____ ____ to my ____ air conditioning?

____ to connect your ____ to ____ heating ____ cooling system?

Is ____ possible ____ to put one of ____ in my ____ ?

____ possible ____ air purifier to ____ comprehensive ____ ____ rooms of my house?

____ possible ____ hook ____ air purifiers to ____ for a ____ home ____ ?

I'm wondering ____ air purifiers ____ be ____ to my ____ cooling unit.

Is ____ possible to put ____ your ____ my existing HVAC?

Is ____ possible to ____ your ____ to ____ and ____ system?

Is ____ your purifier to my ____ cooling system?

Is ____ possible to ____ cleaner into ____ system?

Is ____ possible to ____ one ____ your ____ purifiers ____ my ____ conditioning system?

____ your ____ device be ____ into my heating and ____ ____ ?

Can ____ air purification device ____ ____ air conditioning system?

Can ____ me if it ____ to ____ your ____ into the ____ ?

____ can improve your ____ indoor ____ quality ____ connecting your ____ ____ into ____ ____ setup.

Is ____ possible for ____ to directly ____ air ____ into ____ ?

____ of your air ____ ____ to ____ and cooling system for ____ home ____ .

____ possible ____ your air ____ units to ____ placed directly into ____ central heating and ____ ____ ensure ____ indoor air?

____ possible ____ air purifier to hook up ____ heating, ventilating ____ conditioning ____ ?

Is ____ install ____ air purifier ____ heating, ____ and air conditioning (HVAC) ____ that ____ comprehensive ____ possible to ____ the entire ____ quality ____ your ____ directly to the existing setup.

Is ____ install ____ air purifiers into ____ system?

____ purification system ____ with ____ system?

____ feasible ____ install ____ air purification ____ my heating ____ cooling system?

Is ____ possible to integrate your ____ ____ your ____ and ____ ?

Is ____ possible ____ purifier ____ my ____ to get a whole-house cleansing ____ ?

I'm wondering if ____ attach your air ____ house's heating ____ ____ system.

____ there ____ one of your ____ be ____ with my heating ____ air conditioning unit?

____ install your ____ purifiers ____ my heating and cooling ____ ?

Is ____ of your ____ the heating ____ cooling ____ capable ____ providing whole-house ____ ?

____ want to ____ if ____ possible ____ install ____ directly into my HVAC ____ .

____ the ____ purification ____ fitted ____ my heating and ____ conditioning ____ ?

Do ____ one of your ____ filters ____ heating ____ cooling system will ____ ?

____ it possible to install one of your air ____ heating ____ ____ .

I ____ I can use ____ purification ____ for whole-house purity.

Is it ____ for ____ purifiers ____ be connected ____ heating, ____ conditioning system?

____ for ____ purification device ____ efficiently cleanse all ____ by being ____ our current heating ____ ?

____ to place ____ purifier in my HVAC system for ____ winner?

Can I hook up ____ air ____ device ____ and ____ ?

It's possible ____ improve ____ indoor air ____ by connecting ____ air purifiers ____ existing ____.
 ____ want to ____ if ____ put ____ of your ____ purifiers ____ my heating, ventilating and ____.
 Is ____ a way ____ air purification ____ my central heating ____ cooling ____?
 ____ the ____ purifier be extended into ____ home?
 ____ possible ____ integrate ____ air purification device ____ my ____ and ____ setup?
 ____ purification ____ be installed ____ my house?
 Can one ____ your ____ purifiers ____ my HVAC ____?
 ____ you tell ____ possible ____ your ____ purifyer into my system?
 ____ to ____ air purification system in ____ ventilating ____ air conditioning system?
 ____ it ____ to include one of ____ air purifiers ____ my ____ and ____?
 ____ it ____ to attach ____ your ____ purification units ____ my central heating ____ and have ____ indoor
 air?
 Is it ____ combine your air ____ my ____ air ____ system?
 Would ____ purification system ____ the installation of an ____ purifier?
 ____ connecting one of ____ filters with the ____ and ____ a ____?
 ____ it ____ to ____ up ____ air ____ to the ____ and ____ system?
 Can ____ of ____ air ____ for whole home ____?
 Is it possible ____ air purifier ____ fit ____ my ____?
 ____ it a ____ your purifier ____ my ____ conditioning unit?
 ____ it possible to ____ a whole-house ____ by installing an ____ house?
 ____ possible ____ include one ____ air purifiers in ____ heating and ____ conditioning ____?
 ____ to ____ one ____ your air purifiers into ____ existing heating and ____?
 Can ____ air ____ my HVAC?
 ____ to ____ your air purification ____ into my ____ and air ____ system?
 ____ your air purification ____ be fitted into my HVAC?
 ____ it possible for one of your ____ to ____ filter ____?
 Would whole-house air ____ be ensured with ____ of ____?
 Is there ____ way ____ integrate ____ purifying device ____ my ____ and ____?
 Can your ____ purifying system ____ and ____ system?
 Is it possible ____ have comprehensive ____ my ____ your air purification?
 ____ a way to ____ your air purification ____ central heating ____ system?
 I ____ your air purification device ____ be ____ heating and ____.
 Is ____ for ____ of ____ purifiers to be connected to ____ heating ____?
 ____ you please let me know if I ____ get ____ of ____ my ____ and ____ conditioning ____?
 ____ possible ____ your air purifiers ____ heating ____ air conditioning?
 Can I ____ air ____ to ____ heating ____ air conditioning ____?
 Am I ____ to ____ purification system ____ house?
 ____ it possible ____ air ____ device onto my ____ heating ____ cooling ____?
 ____ you tell ____ if I can put one of ____ air purifiers ____ and ____?
 ____ to ____ is possible ____ install ____ air purifier ____ into my air ____.
 ____ it ____ possible for me ____ one ____ your air ____ directly into my central heating ____?
 Would ____ recommend installing an ____ purification ____ heating ____ conditioning system?
 I'm ____ if you can ____ purifier ____ and cooling system.
 ____ connect ____ of ____ with our heating ____ cooling system?
 ____ benefits ____ your air purification system be ____ my ____?
 Would ____ air purification be ____ of an ____ system?
 Is ____ possible for ____ purifier to ____ heating ____ cooling system?
 I want ____ know if ____ possible ____ your air ____ into my HVAC ____.
 ____ one of ____ purifiers be ____ with my HVAC ____?
 Is ____ to ____ your air purifiers directly ____ heating ____ unit?
 Is ____ for ____ your ____ to ____ full- home filters?

Is _____ for me _____ put your air _____ system?

_____ attach one _____ your air purification units to _____ central _____ and cooling system _____ I _____ my _____ air _____?

Integrate your _____ purifying _____ heating and cooling _____?

_____ it _____ air purifier into _____ and cooling system?

_____ possible _____ me to have _____ whole-house _____ purification _____ my home?

_____ possible for _____ purifier _____ installed into my system?

Is it _____ to connect _____ air _____ and air conditioning _____?

_____ it possible _____ install one _____ into my heating and _____?

Is _____ air purifier _____ with _____ system _____ filter?

_____ it _____ put _____ purifier in my HVAC system _____ filter winner?

Is it possible that _____ could _____ all rooms _____ were placed _____ the current _____ network?

Can _____ put _____ your air _____ my _____ and air conditioning _____?

_____ optimal whole-house _____ install _____ of your _____ purifiers directly _____ my _____ cooling unit?

_____ to use _____ air _____ device on my central _____ cooling system?

Is it possible _____ me _____ have _____ of _____ air cleaners _____?

_____ possible _____ me _____ hook _____ your air _____ to my _____ air conditioning?

Do _____ want to _____ your _____ purifiers into _____?

_____ it _____ to _____ purifiers to _____ air _____ system?

Is _____ possible _____ your _____ purifier _____ fit into _____?

_____ possible _____ to _____ install your air _____ my system?

_____ way _____ your _____ purifiers _____ my heating, ventilating _____ air conditioning system?

_____ there a _____ your _____ purification device _____ the _____ heating _____ cooling system?

Is _____ possible to install _____ of your _____ into _____?

Can the benefits _____ your air purifier _____?

_____ it _____ install _____ your air purifiers _____ my heating and _____?
