

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle customization and accessories
Inquiry Sub-Category	Lighting enhancements
Description	Customers explore options to upgrade their vehicle's lighting system, such as LED headlights, fog lights, or accent lighting for improved visibility and aesthetics.
Data Size	5,165 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Will _____ headlights with _____ warranty _____ or electrical _____ performance?

Will _____ of factory-installed _____ brighter lights affect _____ warranty _____ and _____ system _____?

_____ to powerful _____ headlights may _____ coverage _____ issues.

_____ an _____ to brighter lights affect _____ or _____ system _____?

_____ car warranty or electrical _____ affected _____ of my upgrade _____ factory headlights _____ brighter, brighter _____?

Does updating original _____ more _____ LEDs affects the car's _____?

_____ brighter _____ affect the electrical _____ performance or _____ coverage after _____ headlights _____?

Is changing to _____ coverage _____ the electricity system?

_____ swapping _____ brighter ones voiding the _____ impact _____ system?

Will the _____ brighter factory _____ car warranty _____ system performance?

_____ my _____ or electrical _____ be _____ by _____ upgrade of _____ brighter bulbs?

Does updating original _____ headlights _____ powerful LEDs _____ car's _____ functions?

The upgrade of _____ a _____ compromise _____ vehicle _____ electrical system _____.

Will _____ with _____ lights _____ warranty coverage or system _____?

Will _____ or _____ system performance be _____ by my _____ factory headlights with _____ led _____?

Changing _____ affect repair coverage _____ the electricity system.

_____ upgrade to brighter Led headlights _____ vehicle _____ or _____ performance?

_____ brighter _____ voiding the warranty _____ impact electrical system?

Will brighterLED headlights affect _____ system, _____ will _____ warranty?

Replacing headlights with brighter _____ affect _____ system's _____ warranty _____.

_____ brighter LEDs affect electrical _____ warranty _____ when _____ replaced?

My _____ warranty or electrical system performance could _____ headlights with brighter _____.

_____ I ruin _____ warranty or harm the _____ system _____ I _____ out _____ headlights _____ ones?

_____ factory-installed headlights _____ brighter _____ might compromise _____.

_____ factory-installed headlights with _____ affect your warranty _____ and _____ electrical system's _____?

I wonder if an _____ Led _____ affect _____ vehicle's warranty or _____.

Will _____ warranty and electrical system performance be _____ my _____ of _____ headlights _____?

Will _____ upgrade of _____ headlights _____ lights _____ electrical _____ performance and _____ coverage?

____ factory-installed ____ with brighter ____ could impact ____ electrical ____ and ____ coverage.
 ____ changing ____ led ____ an effect ____ coverage or ____ the electricity system?
 ____ changing ____ affecting ____ coverage or issues ____ electrical systems?
 ____ changing to powerful ____ the repair ____ or ____ system?
 The ____ system and ____ will ____ if ____ bulbs ____ upgraded ____ LEDs.
 ____ my ____ headlights ____ some better ones, you think ____ ruin my warranty and ____ electrical
 equipment?
 ____ led headlights ____ affect repair ____ the electrical system?
 ____ say ____ brighter lights with brighter ____ warranty ____ the electrical system on ____ car?
 Replacing ____ headlights ____ brighter ____ the electrical system's function and ____.
 Can changing to powerfulLed ____ and ____ issues?
 Replacing ____ brighter ____ may affect the electrical ____.
 Will my car warranty ____ electrical ____ my headlights ____ with ____ Led bulbs?
 Is changing to powerful ____ to have ____ effect ____ the ____ system?
 I wonder ____ an upgrade ____ headlights ____ warranty or ____ performance.
 If ____ change ____ my car to ____ ones ____ you clarify if this ____ the ____?
 ____ a brighter ____ the ____ coverage of the electrical system?
 Is the performance ____ affected by a ____ headlights?
 ____ the ____ to ____ with brighterLED bulbs ____ my car ____ electrical ____ performance?
 Updating ____ equipment ____ headlights ____ more powerful ____ affect the ____ electrical ____.
 ____ know ____ brighter Led ____ compromises ____ or electrical ____ performance.
 Is ____ equipment manufacturer headlights ____ more ____ LEDs ____ car's electrical ____?
 ____ changing ____ affect repair coverage ____ the electrical system?
 ____ the change ____ powerful led headlights ____ coverage ____ the ____?
 ____ changing ____ led headlights ____ have any ____ on ____ coverage ____ electrical system ____?
 ____ factory-installed headlights with brighter ____ the ____ of ____ electrical system.
 ____ my ____ warranty or ____ electrical system performance be affected ____ factory ____ to brighter, ____ led?
 Can you tell me ____ LEDs will affect ____ warranty ____ the electrical system?
 ____ wonder if ____ headlights would have an affect ____ vehicle ____ performance.
 ____ you tell me if ____ LEDs ____ affect the warranty ____ system?
 I'm ____ if an ____ headlights would have an effect on vehicle ____ or ____.
 ____ Wonder ____ an upgrade ____ brighter ____ compromises ____ or electrical system ____.
 ____ changing ____ powerful ____ headlights can ____ or issues ____ the electric ____?
 ____ it possible ____ changing to powerful ____ can ____ an effect on repair ____ electrical ____?
 Can ____ if upgrading ____ car's ____ with ____ will affect ____ coverage ____ its electrical system?
 ____ factory-installed headlights ____ brighter ones might ____ electrical ____
 Is ____ to ____ automobile's ____ impact its ____ system ____ switch to more luminous LEDs?
 ____ the ____ factory-installed headlights ____ lights ____ warranty ____ or electrical system's performance?
 Changing ____ powerful ____ may ____ an effect ____ repair ____ with the ____ system.
 ____ wondered ____ headlights would affect ____ vehicle ____ electrical system performance.
 ____ of factory-installed ____ bright lights ____ your warranty coverage?
 ____ the performance of ____ be affected if my ____ get ____ brighter ____?
 ____ powerful ____ headlights can have ____ on the ____ coverage and electrical ____.
 ____ my car warranty ____ electrical ____ performance ____ affected ____ upgrade of ____ with ____ bulbs?
 ____ I ____ my car ____ brighter ones can ____ tell me if ____ will ____ warranty ____ performance?
 ____ factory ____ headlights ____ the electrical ____ function and warranty coverage
 ____ the ____ coverage ____ system ____ by the headlights with brighter ____?
 Does replacing ____ for ____ the ____ impact electrical system?
 ____ impair my automobile's existing ____ or ____ how its ____ performs ____ I switch ____ luminous LEDs?
 ____ led headlights ____ have an ____ on repair ____ and ____ with the ____.
 ____ changing to powerful ____ headlamps ____ the ____ or ____ issues ____ electrical system?

_____ tell _____ if _____ car's _____ with brighter LEDs will _____ warranty or _____?
 _____ the _____ of _____ with brighter lights _____ electrical system's performance _____?
 Will changing out _____ my warranty or _____ vehicle's _____ system?
 Changing _____ headlights _____ repair _____ cause _____ with the electrical system.
 _____ the brighter LEDs in _____ headlights mess up _____ or _____?
 Will my _____ warranty or _____ affected _____ my upgrade _____ my _____ headlights to brighter LED _____?
 _____ powerful led headlights affect the repair coverage _____ issues _____ electrical _____?

 _____ flashy _____ headlights ruin _____ mess with my _____ system?
 _____ of my factory headlights _____ affect my _____ warranty _____ electrical system _____.
 Does _____ original _____ headlights _____ more powerful lights affect the _____?
 _____ the _____ of headlights _____ bright _____ affect the electrical _____?
 Does updating original equipment manufacturer's headlights _____ more _____ functions?
 Will the _____ of factory-installed _____ lights affect _____ coverage?
 _____ upgrade of factory-installed headlights with _____ light _____ electrical _____?
 _____ impair _____ automobile's warranty _____ its electrical system if I _____ to more luminous _____?
 Is _____ to _____ headlights _____ to affect repair _____ and _____ problems?
 _____ powerful led headlights _____ any _____ on _____ coverage or _____ issues?
 _____ the upgrade _____ factory-installed _____ brighter lights affect your _____ and _____ system's performance?
 Change _____ headlights can _____ an _____ on repair _____ issues with _____ system.
 Is _____ to _____ led _____ affecting _____ coverage _____ electrical _____?
 _____ upgrade _____ headlights _____ will _____ my _____ warranty or electrical system performance.
 _____ changing to _____ led headlights _____ affect _____ system issues?
 I _____ know if a _____ affect vehicle _____ electrical system _____.
 _____ wonder if _____ to _____ Led headlights _____ have an effect _____ vehicle _____ system performance.
 _____ wonder if changing to brighter _____ compromises _____ performance.
 _____ to powerful led _____ and issues with the electrical _____?
 Can _____ if replacing my car's _____ LEDs will affect _____ coverage _____ the performance of _____ system?
 Is _____ of _____ headlights a chance _____ warranty and electrical _____?
 Will _____ headlights have an effect on the car's _____ it _____?
 Will the installation _____ enhanced _____ the car's warranty _____ its electrical _____?
 _____ the upgrade _____ headlights _____ brighter LED bulbs _____ car warranty or _____ performance?
 Replacing _____ headlights _____ brighter _____ affect the _____ system _____ and warranty _____.
 _____ possible that changing _____ headlights _____ repair _____ or electrical issues?
 Replacing factory-installed headlights _____ brighter ones _____ electrical system _____ warranty _____.
 Does the upgrade _____ affect warranty _____ system _____?
 Is _____ to _____ led headlights _____ affect _____ the electric system?
 If I upgrade _____ headlights with brighter LEDs, _____ they affect _____ or _____ the _____?
 Can _____ tell _____ if the _____ my _____ system _____ warranty _____ will be affected by _____ headlights _____?
 Replacing _____ could affect the _____ system's functioning.
 _____ with brighter _____ might _____ the _____ warranty coverage of the electrical _____.
 Replacing _____ headlights with _____ the performance of _____ electrical _____.
 Will the brighter LED _____ affect _____ the car _____ the _____?
 Does _____ factory headlights with _____ LEDs _____ warranty _____ impact _____?
 An upgrade of my _____ brighter _____ will _____ warranty or electrical _____ performance.
 Replacing powerful _____ an _____ on repair _____ electrical system issues.
 Is _____ stock headlights _____ powerful _____ going to _____ my _____ guarantee or disrupt _____ electric _____?
 _____ upgrade of brighter headlights a _____ of compromising _____ performance?
 _____ changing _____ led headlights _____ for _____ coverage and _____ issues?

_____ swap _____ my stock _____ ones, you think _____ ruin _____ warranty or mess with _____ equipment?
 Will I be compromising my _____ guarantee _____ its _____ I _____ headlights?
 Will the _____ with _____ lights _____ warranty coverage and the _____ performance?
 _____ or electrical system _____ be _____ by _____ of _____ headlights to brighter led bulbs?
 Will brighter led _____ electrical system, or _____ it affect _____?
 _____ the _____ of _____ to _____ bulbs _____ my electrical system _____ car warranty?
 _____ upgrade _____ my factory _____ to brighter led _____ car _____ or _____ performance?
 _____ changing _____ Led _____ and cause electrical system issues?
 I wonder if a _____ electrical system performance.
 _____ you _____ me _____ the performance _____ electrical system _____ warranty coverage _____ affected _____ my _____ headlights being _____?
 Will _____ headlights _____ LEDs _____ the electrical _____ warranty?
 Can I _____ headlights on _____ with _____ LEDs _____ voiding the warranty or affecting _____?
 _____ wonder if _____ upgrade to _____ Led _____ compromises warranty _____ electrical _____.
 Can you _____ if the performance _____ my electrical system and _____ will be _____ car's _____ brighter _____?
 _____ wonder _____ brighter _____ the warranty or _____ of the _____.
 _____ headlights with _____ ones could have an _____ on _____ function.
 _____ to brighter _____ headlights could _____ vehicle _____ or electrical _____.
 Is the _____ factory headlights with brighter LED bulbs going _____ affect _____ warranty _____ electrical _____?
 Can you _____ if the performance of _____ car's _____ be _____ the upgrade _____ brighter LEDs in _____?
 _____ updating _____ equipment _____ with more _____ impact the car's electrical _____?
 _____ changing to powerful led headlights _____ coverage and _____ electrical _____?
 _____ to _____ led _____ may affect repair _____ or _____ with the _____.
 Will _____ warranty or electrical system _____ be _____ upgrade _____ factory headlights _____ brighter, brighter?
 Replacing _____ headlights _____ brighter _____ might _____ an effect _____ electrical system _____ warranty _____.
 Will _____ brighter _____ in _____ factory _____ my car's warranty _____ performance?
 Will _____ warranty or _____ be _____ by my _____ becoming brighter and brighter _____ LEDs?
 _____ my _____ warranty or _____ system performance be _____ by _____ upgrade _____ factory _____?
 Will _____ of _____ with brighter _____ affect the _____ system _____?
 I wondered _____ an _____ Led headlights _____ the _____ warranty or _____ system _____.
 Can _____ to _____ led headlights _____ repair _____ or _____ the electrical _____?
 _____ factory _____ bulbs affecting my car warranty or electrical system _____?
 _____ it _____ that _____ will compromise _____ guarantee or disrupt _____ by changing _____ stock headlights _____ potent LEDs?
 Will _____ or _____ performance be affected _____ my upgrade _____ headlights _____ brighter led bulbs.
 _____ I swap out _____ stock headlights _____ ones, you _____ will ruin _____ or _____ electrical equipment?
 _____ if an upgrade _____ have an effect _____ vehicle warranty or electrical system _____.
 Is _____ upgrade to brighter _____ to _____ warranty or _____ performance?
 _____ the upgrade of _____ headlights _____ brighter _____ affect my _____ electrical system _____?
 The electrical _____ will be _____ factory-installed _____ are upgraded _____ LEDs.
 Is _____ for brighter LEDs _____ the _____ impact electrical _____?
 Is replacing _____ brighter _____ voiding the _____ or impact electrical _____?
 Will my _____ or _____ be affected by my headlights getting brighter _____ bulbs?
 _____ my car warranty _____ be affected _____ my headlights becoming _____ brighter LED _____?
 _____ I _____ the _____ headlights on my car with _____ ones _____ voiding _____ or affecting _____?
 Do this _____ my _____ or _____ with the _____ system?
 Will _____ of headlights _____ lights _____ your _____ coverage _____ performance _____ the electrical system?
 Will _____ of factory _____ with _____ lights _____ performance of the _____ system?
 The upgrade of _____ headlights with _____ lights _____ warranty coverage _____.
 _____ it _____ that _____ upgrade to brighter _____ compromise _____ warranty _____ electrical _____ performance?

Will ____ car ____ be affected by ____ of my factory headlights ____ brighter led ____ my vehicle's ____ disrupt its electric ____ switch ____ stock headlights for more potent ____?

Does changing ____ powerful led headlights ____ electrical system ____?

____ car ____ electrical ____ performance ____ impacted by the upgrade of my ____ to ____ bulbs?

____ me if ____ to my car's ____ with brighter LEDs ____ affect the warranty coverage ____ performance of ____

The upgrade of my ____ headlights ____ brighter, ____ my car ____ or ____ performance.

The upgrade of ____ is a ____ of compromising ____ or ____ system ____.

____ changing ____ to ____ the electrical system or the ____?

____ my car warranty or ____ be affected by ____ headlights ____ brighter LED ____?

____ I compromise ____ guarantee or disrupt its ____ if I replace ____ more ____ LEDs?

____ changing ____ powerful ____ headlights affecting ____ coverage ____ electrical ____?

If I ____ my car's ____ with brighter ____ it ____ coverage or the performance ____ electrical ____?

____ changing ____ powerful led headlights ____ to ____ repair coverage ____ with the ____?

____ upgrade of brighter led ____ of ____ vehicle warranty?

Will ____ warranty ____ system ____ be ____ by my ____ my factory headlights to ____ led?

Will my ____ system ____ warranty ____ affected by my ____ to ____?

Will changing ____ headlights ____ any ____ on repair ____ electrical issues?

____ possible that my automobile's ____ warranty ____ electrical ____ will be ____ if ____ to ____ luminous ____?

____ upgrade of ____ headlights is a chance for ____ vehicle ____.

____ my electrical system or car ____ my ____ of my factory ____ to brighter ____?

Is the flashy ____ headlights ____ warranty ____ electrical system?

____ wonder ____ headlights could ____ vehicle ____ or electrical system ____.

____ headlight ____ affect electrical system and warranty.

Will the ____ affect ____ car's electrical ____ warranty?

____ updating the original equipment ____ headlights with ____ powerful ____ system?

____ on the ____ to brighter ones will affect the ____ or performance?

Replacing factory-installed headlights ____ affect the electrical ____ and ____ coverage.

____ to ____ led headlights ____ have ____ repair ____ and electrical system ____.

Replacing headlights with ____ electrical system's performance and ____.

____ you ____ me if a ____ lights ____ LEDs will affect ____ or ____ system?

____ lights ____ compromise ____ warranty or electrical ____.

Will the ____ of ____ with ____ lights effect ____ coverage ____ performance?

____ warranty ____ electrical system performance be ____ by the ____ to brighter ____?

____ an upgrade ____ headlights compromise vehicle ____ electrical ____ performance?

____ it ____ vehicle's guarantee ____ its ____ setup ____ I ____ out the stock ____?

I ____ if ____ brighter Led ____ electrical ____ performance or ____.

The ____ factory-installed ____ with ____ might affect the electrical ____.

Will ____ lamps affect electrical system performance ____ the ____ replaced?

____ of ____ headlights ____ brighter LED bulbs ____ affect ____ warranty or electrical ____ performance.

Will my ____ warranty or ____ electrical system be affected by ____ upgrade to ____?

____ an ____ brighter Led ____ would effect ____ warranty or ____ system performance.

Can ____ to powerful ____ impact repair ____ cause electrical ____?

____ an upgrade ____ Led headlights might affect ____ warranty ____ system performance.

I wonder ____ upgrade to brighter Led headlights ____ affect ____ vehicle ____.

Will ____ or ____ performance be affected by ____ upgrade of ____ factory headlights ____ bulbs.

Is ____ brighter led ____ a chance ____ compromising ____ vehicle ____ or ____ system performance?

Will the ____ of ____ electrical system ____ by my ____ of my ____ headlights ____ brighter, brighter ____?

____ headlights ____ brighter ones affect the warranty or ____?

Will my warranty or ____ performance ____ my upgrade of factory ____ led?

____ wonder ____ an ____ headlights ____ affect ____ vehicle warranty or ____ system performance.

Is _____ coverage for _____ electrical system _____ with brighter LEDs?

Will the upgrade _____ headlights with _____ and warranty?

Replacing _____ ones _____ the electrical system's performance and warranty _____.

Is Upgrading my _____ headlights with LEDs _____ void the _____ or mess _____?

_____ if an _____ to brighter Led headlights _____ affect _____ or _____ performances.

_____ my car _____ electrical system _____ affected when my headlights _____ brighter _____ brighter LED bulbs?

_____ the upgrade _____ headlights _____ brighter _____ warranty coverage?

I wonder _____ brighter headlights _____ compromise _____ warranty or _____.

_____ to _____ led _____ the repair coverage _____ the electric _____?

_____ upgrade _____ factory-installed headlights with _____ lights _____ the _____ performance?

_____ car warranty or electrical _____ affected _____ my replacement of factory headlights _____ brighter _____?

_____ in my factory headlights _____ my car _____ or _____ performance?

_____ changing to _____ led _____ likely _____ affect _____ coverage and _____ issues?

_____ bulbs with _____ will impact _____ and electrical _____?

Changing _____ powerful led _____ might _____ coverage and _____.

_____ warranty or electrical _____ affected by the _____ of _____ factory _____ brighter led bulbs?

_____ factory-installed headlights _____ brighter _____ might have _____ on _____ electrical _____ performance _____ warranty _____

_____ factory headlights to _____ affect my _____ warranty _____ electrical system performance.

_____ the _____ lights on factory-installed headlights _____ warranty _____ and _____ system _____?

_____ with brighter LEDs _____ affect _____ coverage and electrical _____.

I _____ upgrade to _____ Led headlights _____ have an _____ on _____ warranty _____ system performance.

_____ a _____ a _____ of compromising the _____ warranty or electrical _____?

_____ updating original _____ headlights with _____ LEDs _____ car's electrical functioning?

_____ I swap _____ my stock headlights _____ bright _____ you think _____ will _____ my _____ or mess _____ equipment?

Will _____ disrupt its electric _____ by _____ stock headlights for more potent ones?

Will my _____ or electrical _____ be _____ when I _____ my _____ headlights to brighter, _____?

_____ my electrical system performance _____ car warranty be affected _____ my _____?

_____ flashy new _____ my warranty or _____ with the _____?

_____ changing to powerful Led headlights affect the _____ or cause _____?

Will my _____ system performance _____ by _____ upgrade of my headlights _____ brighter _____?

Is changing _____ powerful led _____ to have _____ on _____ electric _____ issues?

Will I _____ or disrupt its electric _____ if I switch _____ potent LEDs?

Changing _____ affect the electrical system's performance.

Can the change _____ repair coverage and _____ issues?

Will _____ upgrading of factory-installed headlights with _____ affect _____ or _____?

_____ the upgrade _____ headlights _____ affect your electrical system _____ warranty?

Will my _____ or _____ system performance _____ my _____ of _____ headlights _____ led bulbs?

Replacing _____ headlights _____ brighter _____ affect the _____ and warranties.

Will my _____ warranty or electrical _____ upgrade to _____ headlights _____ are brighter?

_____ I _____ my warranty or _____ the _____ system if _____ out _____ headlights _____ ones?

_____ car warranty _____ system _____ be _____ by my upgrade to factory _____ brighter _____?

Can the _____ and _____ of _____ be _____ the addition _____ LEDs?

_____ headlights _____ the car's electrical system, or will _____ affect _____?

_____ car warranty _____ performance be _____ if _____ my factory _____ to brighter led bulbs?

_____ updating the original equipment _____ more powerful _____ affect _____ car's _____?

_____ that _____ to powerful _____ headlights will affect _____ coverage or _____ issues?

_____ car warranty or electrical system performance _____ by _____ upgrade _____ brighter, _____?

The _____ system _____ be _____ of _____ headlights with brighter lights.

Can _____ the _____ to _____ compromise _____ warranty?

Will _____ car warranty or electrical _____ be affected by _____ brighter _____ my _____?

_____ updating the original equipment _____ headlights with _____ powerful _____ electrical _____?
 Will brighter lights _____ the _____ system _____ headlights are _____?
 Will _____ compromise my _____ or disrupt _____ setup by _____ out _____ for more _____ LEDs?
 _____ factory-installed headlights _____ could affect _____ function and warranty.
 _____ system _____ warranty coverage will _____ by the upgrade of factory-installed _____ with _____.
 _____ upgrade of _____ headlights _____ brighterLED _____ affect my _____ system _____ my _____ warranty?
 Is _____ led _____ repair coverage or electrical _____?
 Will _____ affect the _____ do _____ affect the warranty?
 _____ ones may affect _____ performance and warranty coverage.
 Does _____ powerful led _____ have _____ on repair coverage _____ issues _____ electricity _____?
 Is _____ led _____ change repair coverage or _____ systems?
 _____ the bright _____ lights _____ my warranty _____ mess _____ electrical _____?
 Replacing factory-installed headlights _____ bright _____ the _____ system's _____.
 _____ am _____ upgrade to _____ would have an effect on vehicle _____ or _____ performance.
 _____ to _____ led headlights impact _____ or cause electrical _____?
 _____ powerful led headlights may _____ and electrical system _____.
 Replacing _____ ones may have _____ affect on _____ system's performance.
 Will _____ electrical system _____ be affected _____ of my headlights to _____ led _____?
 _____ upgrade to brighter Led headlights _____ or electrical system _____.
 Replacing _____ bulbs _____ LEDs would affect both _____ protections _____ how _____ the _____.
 Is _____ to _____ headlights affecting _____ and system _____?
 _____ the _____ of _____ factory headlights to _____ led bulbs _____ my _____ system _____ or _____?
 _____ changing to _____ have any _____ coverage _____ electrical system problems?
 An upgrade _____ lighting _____ vehicle _____ or _____ system performance.
 The warranty _____ impacted by the _____ headlight bulbs to _____.
 _____ factory-installed headlights with _____ affect _____ electrical system's _____ and _____ coverage
 Will my car warranty _____ electrical system _____ be affected _____ upgrade _____ headlights _____ brighter _____?
 _____ LEDs _____ system performance _____ the _____ are replaced?
 Can _____ me if changing my car's _____ will affect the _____ or the _____?
 _____ to brighter _____ headlights compromises warranty or system _____
 Will my _____ warranty or electrical _____ performance be impacted _____ brighterLED bulbs?
 _____ headlights _____ an affect _____ car's electrical system _____ warranty?
 Will _____ warranty _____ performance be _____ by _____ upgrade _____ brighter, brighter _____ headlights?
 _____ original equipment _____ headlights _____ more powerful _____ the _____ electrical function?
 Will _____ warranty or _____ system performance _____ if I _____ my _____ to _____ bulbs?
 Does the _____ lights affect your warranty?
 _____ I compromise _____ guarantee or disrupt _____ setup _____ out the _____ headlights?
 _____ brighterLED _____ affect the car's _____ the warranty?
 Will I _____ my _____ or disrupting its electric _____ headlights _____ switched _____?
 _____ for _____ options harm _____ vehicle's electrical system _____ my warranty?
 Will my _____ or _____ system _____ affected _____ the upgrade of _____ headlights _____ brighter _____?
 _____ wonder _____ the _____ brighter Led _____ compromises _____ warranty or _____ performance.
 _____ upgrade _____ brighter lights affect _____ warranty coverage or system _____?
 _____ replace my stock headlights with _____ think I'll _____ my _____ or _____ with the _____?
 Will _____ car warranty or electrical _____ performance be _____ my _____ of _____ headlights _____ brighter _____?
 Will _____ factory-installed _____ with brighter _____ affect electrical _____?
 _____ the upgrade _____ headlights _____ chance of _____ vehicle warranty _____ performance.
 I wonder _____ brighter Led headlights _____ warranty _____ electrical _____.
 _____ the brighterLED _____ going to affect the _____ or _____?
 Is changing _____ headlights having _____ effect _____ repair _____ and _____ issues?

____ factory ____ with ____ will ____ my ____ warranty or ____ performance.
 ____ changing headlight ____ to ____ affect ____ and ____ system?
 ____ upgrade to ____ headlights possible to compromise vehicle ____ performance?
 ____ car's warranty or electrical ____ be affected if ____ upgrade ____ factory ____ LEDs.
 ____ brighterLED headlights ____ to ____ the car's electrical ____ or ____ ?
 ____ am wondering if ____ to ____ Led ____ compromises ____ system performance.
 Replacing ____ with ____ LEDs ____ affect ____ or ____ system performance.
 ____ original equipment manufacturer headlights with ____ powerful ____ affect ____ car's ____ or ____ warranty?
 ____ my ____ or electrical ____ performance be affected by ____ getting brighter ____ brighter ____ bulbs
 Will the ____ of ____ headlights to brighter led ____ car ____ or electrical ____ ?
 ____ my ____ warranty and electrical ____ performance ____ affected ____ my ____ getting ____ with ____ ?
 ____ headlight bulbs to LEDs ____ the ____ and electrical ____ ?
 ____ changing to powerful ____ headlights ____ repair coverage ____ the electrical ____ ?
 The ____ brighter ____ could affect ____ warranty ____ electrical system ____ .
 Is it possible to ____ LEDs, ____ warranty ____ and ____ performance?
 Can you ____ me if the ____ warranty ____ will be affected by ____ upgrade to ____ ?
 Will ____ factory-installed ____ brighter lights impact warranty ____ or ____ performance?
 The upgrade of ____ brighter ____ affect the electrical ____ .
 Does changing ____ powerful ____ headlights ____ repair coverage ____ system?
 Is the ____ coverage ____ the ____ affected ____ headlights with brighter LEDs?
 Is the upgrade of ____ with ____ lights ____ system ____ ?
 ____ wonder if brighter ____ headlights will affect ____ system performance.
 ____ to powerful led ____ affect repair coverage or ____ ?
 Is ____ powerful ____ headlights ____ repair coverage or ____ ?
 Could ____ upgrade ____ brighter ____ bulbs ____ warranty or ____ system ____ ?
 Is it possible ____ to ____ could ____ vehicle warranty ____ system performance?
 Can ____ tell ____ if ____ performance or ____ of ____ car's electrical ____ be ____ if ____ car's headlights with
 Will ____ in the ____ headlights ruin ____ car ____ electrical performance?
 Will ____ warranty or ____ affected ____ upgrade of factory ____ to brighter light bulbs?
 Can the ____ factory-installed headlights ____ lights ____ coverage?
 ____ if an ____ to brighter ____ headlights compromises ____ electrical system ____ .
 ____ the upgrade ____ headlights ____ lights ____ your ____ and electrical ____ performance?
 If ____ change ____ lights ____ brighter ones ____ you ____ me if this ____ the ____ or performance?
 Is ____ warranty ____ electrical ____ affected by the ____ headlights?
 Is a ____ headlights ____ affect the ____ or the ____ system?
 Can you tell me whether ____ with brighter ____ will ____ warranty ____ electrical system ____ ?
 ____ wonder if ____ to ____ headlights compromises ____ or ____ system's performance.
 ____ factory-installed headlights ____ brighter ____ could ____ some affect ____ electrical ____ function and ____ .
 Will the upgrade ____ factory ____ brighter led affect ____ system ____ warranty?
 ____ headlights ____ out, ____ brighter ____ affect electrical system performance?
 ____ to ____ may affect ____ or electrical system issues.
 Can ____ tell me if ____ of my car's ____ with ____ LEDs ____ coverage or ____ ?
 ____ brighter ____ affect ____ system ____ coverage when ____ headlights are replaced?
 Will ____ warranty ____ electrical system ____ be affected ____ my decision ____ upgrade ____ led ____ ?
 ____ upgrade to ____ Led ____ vehicle warranty ____ system performance.
 ____ a ____ headlights with brighter ____ affect ____ warranty ____ the performance ____ the car's ____ ?
 Is ____ void my ____ on headlights and ____ up ____ car's ____ ?
 Can you tell ____ if the performance ____ warranty ____ car's electrical system ____ affected ____ brighter?
 Does ____ original ____ headlights with ____ LEDs have ____ effect ____ the ____ functions?
 ____ system performance be ____ by my upgrade of ____ headlights with brighterLed ____ ?

Replacing factory-installed headlights with _____ ones can _____ affect _____ system's _____.

Will _____ car warranty _____ system performance _____ by _____ getting brighter with brighter _____?

_____ factory-installed _____ to brighter _____ the _____ system's function.

_____ tell me if the _____ and _____ of _____ car's electrical _____ be _____ I _____ my car's headlights _____

_____ of _____ headlights _____ brighter lights affect _____ system performance?

Does changing headlights for _____ ones void _____ system?

_____ warranty or _____ performance of _____ electrical _____ affected by my headlights _____ with _____ LEDs?

Will my vehicle's _____ be _____ I switch _____ for _____ powerful LEDs?

_____ my car _____ electrical system _____ be _____ my upgraded factory headlights _____?

Will your _____ be affected _____ the _____ of factory-installed _____ with _____?

_____ the upgrade of _____ chance _____ compromising _____ warranty or electrical _____?

Is upgrading my _____ LEDs going _____ void _____ mess _____ the _____ system?

Will brighter _____ system performance or warranty coverage when _____?

_____ installation of enhanced _____ car's _____ or electrical functions?

Will the headlights swap _____ the vehicle's electrical _____?

The upgrade _____ factory-installed _____ with _____ may affect _____ warranty _____ and electrical _____.

_____ changing to _____ headlights effecting _____ coverage or _____ systems?

_____ upgrade of my factory _____ to brighter _____ affect _____ warranty _____ my electrical _____ performance?

Is Upgrading _____ LEDs gonna _____ warranty or mess _____ electrical system?

Changing _____ powerful led _____ coverage or the _____ system.

Can _____ stock headlights _____ car _____ better ones _____ affecting the _____ or electrical _____?

Can you _____ me if _____ upgrade _____ my car's headlights _____ brighter LEDs _____ the performance of _____ electrical _____

_____ if an upgrade to _____ led headlights compromises _____.

Will I compromise my _____ guarantee or disrupt _____ setup _____ my stock headlights _____ potent _____?

_____ replacing stock headlights _____ more potent _____ my vehicle's _____ disrupt _____ setup?

Can changing to powerfulLed headlights _____ an impact _____ coverage _____?

_____ car warranty _____ performance be affected _____ the upgrade _____ factory headlights to _____ brighter _____?

_____ factory-installed headlights with _____ ones may have _____ electrical system _____ or _____.

Will my _____ or electrical _____ performance be _____ upgrade _____ factory _____ brighterLEDs?

Changing _____ led headlights _____ repair _____ issues with electrical _____.

Does changing _____ powerful _____ headlights _____ coverage _____ electrical _____?

Is _____ improving _____ headlights with LEDs _____ warranty coverage _____ electrical _____?

I _____ headlights _____ affect _____ warranty or electrical system _____.

_____ performance _____ the _____ electrical _____ and _____ warranty coverage _____ a brighter headlights.

I _____ an _____ to brighter _____ headlights would have any _____ vehicle _____ or electrical _____.

Changing to _____ headlights _____ coverage _____ electrical system issues.

_____ upgrade to brighter lights _____ compromise _____ warranty _____ electrical _____ performance?

Does _____ original _____ manufacturer headlights _____ more powerful _____ on the car's _____?

_____ electrical _____ performance affected by _____ upgrade of my factory headlights to brighter, _____?

_____ powerful _____ headlights will have any _____ on repair _____ electrical _____?

_____ updating original _____ headlights _____ an effect on the car's electrical _____?

An _____ to brighter lights _____ affect _____ or _____.

_____ with brighter ones _____ affect _____ electrical _____ and warranty.

Will _____ upgrade of _____ headlights with _____ lights _____ and performance?

_____ upgrade _____ headlights with _____ affect the electrical _____ performance?

Can you tell me if _____ change to brighter _____ will _____ performance?

The electrical system's _____ and warranty coverage _____ affected _____ headlights _____ brighter _____.

I _____ to brighter _____ compromises _____ or electrical system performance.

_____ to brighterLED headlights _____ affect _____ warranty or _____.

If I swap out _____ headlights for better _____ you _____ warranty or _____ with _____ stuff?

Change _____ headlights _____ affect repair _____ and the _____ system.

_____ you tell me if the performance _____ my _____ warranty will be _____ the upgrade _____ LEDs _____ headlights

Will _____ electrical system be _____ the _____ from factory-installed _____?

Will _____ upgrade of _____ factory headlights to brighter, _____ affect _____ warranty _____?

I want to _____ an upgrade to my car's _____ brighter LEDs _____ the _____ the electrical system _____ changing _____ led _____ going to _____ an effect _____ coverage _____ electrical systems?

Change to _____ led _____ can affect _____ coverage and _____ electric _____.

_____ of factory-installed _____ with _____ lights affect warranty _____ or system _____?

_____ car warranty _____ electrical _____ be _____ by my _____ of _____ factory headlights _____ brighter LED bulbs.

Will the upgrade _____ factory headlights _____ impact _____ or electrical system _____?

_____ wonder _____ upgrade to _____ headlights _____ affect the _____ or electrical performance.

Does changing _____ affect repair _____ or _____ electricity system?

_____ changing to powerful _____ headlights _____ effect on repair _____ the _____?

_____ to powerful _____ headlights _____ have _____ affect _____ repair _____ issues with _____ system.

Replacing headlights with _____ may affect _____ system _____ warranty _____.

Will _____ upgrade of _____ headlights _____ lights _____ your _____ coverage _____ electrical _____ performance?

_____ to powerful _____ any effect on _____ or electric system _____?

Replacing _____ with brighter ones _____ the electrical _____ function _____ warranty _____

_____ will the _____ of headlight _____ affect the _____ and _____?

_____ changing out _____ headlights for more _____ my vehicle's _____ or _____ setup?

headlight bulbs _____ warranty and electrical _____.

_____ warranty _____ electrical _____ performance be affected _____ my upgrade of my _____ brighter led _____.

_____ the vehicle's _____ system be _____ by swapping out _____?

_____ with _____ ones might affect the _____ of the _____ system.

Is a _____ headlights _____ LEDs _____ warranty _____ the _____ of the car's _____ system?

_____ swap out my stock headlights _____ think it will _____ warranty and _____ my electrical _____?

If upgrading _____ headlights _____ LEDs _____ affect _____ or the _____ the electrical system, _____ you tell me?

_____ changing _____ powerful _____ going to _____ coverage and _____ electrical system?

Will _____ upgrade _____ brighter lights _____ warranty _____ or performance?

Does changing to powerful _____ headlights _____ effect on _____ coverage _____?

_____ warranty and _____ system _____ impacted _____ headlight bulb _____.

_____ led headlights _____ affect _____ and issues with the electrical _____

_____ if Upgrading my _____ headlights _____ LEDs _____ void _____ warranty or ruin the _____.

_____ if _____ to brighter Led headlights _____ or _____ performance.

Will _____ getting _____ and brighter with brighter LED _____ affect _____ car warranty _____?

I wonder _____ an _____ to brighter _____ would _____ the vehicle _____.

Can you _____ if _____ performance of _____ car's electrical _____ upgrade to brighter LEDs _____ the _____?

_____ lights _____ the factory _____ mess up _____ or electrical performance?

Does _____ powerful _____ headlights affect repair _____ issues with _____?

Can you tell _____ if _____ with _____ will affect the warranty _____ the _____ system?

Will _____ warranty or electrical system performance _____ by my _____ bulbs?

_____ electrical system _____ by my upgrade to factory headlights with _____ LEDs?

My _____ warranty _____ electrical system performance _____ affected _____ I upgrade my _____ headlights _____.

I wonder if _____ upgrade to brighter _____ would _____ effect on _____ performance.

_____ am curious _____ an upgrade _____ brighter Led _____ will _____ the _____ or _____ system _____.

I wonder _____ an _____ to brighter _____ headlights will _____ an _____ on _____ or _____ performance.

_____ the electrical system _____ warranty _____ affected _____ headlights _____ LEDs.

Will the _____ of _____ with _____ affect _____ warranty _____ performance?

Will _____ of _____ with brighter lights _____ coverage and _____ performance?

I _____ to brighter Led headlights _____ the _____ performance.

Can _____ to _____ headlights have any effect _____ system issues?

Will _____ warranty or electrical _____ be affected by _____ upgrade _____ my _____ to brighter, _____

I _____ if an _____ to brighter Led _____ performance.

_____ the upgrade of headlights with brighter _____ warranty _____ system's _____?

Can changing to powerful Led _____ coverage _____ problems _____ the electrical _____?

Will brighter LEDs _____ factory headlights affect _____ electrical _____?

_____ electrical system performance _____ the _____ are _____ out?

_____ or electrical _____ be affected _____ my upgrade of my factory headlights _____ brighter _____?

_____ factory headlights with _____ ones _____ my car _____ electrical _____?

Will _____ car warranty _____ electrical system _____ be _____ affected _____ my upgrade _____ headlights _____ led bulbs?

If _____ stock headlights for some _____ ones, _____ I'll ruin _____ or _____ with _____ electrical equipment?

_____ my _____ headlights for something _____ think _____ ruin my warranty or _____ with my _____ equipment?

Does updating _____ with _____ affect _____ car's electrical _____ or disrupt _____?

Replacing _____ headlights _____ impact the _____ system _____ or warranty coverage.

_____ standard bulbs _____ stronger _____ warranty protections and _____ systems.

_____ factory-installed headlights with _____ ones _____ the _____ system's _____ warranty coverage.

Will _____ electrical _____ performance be _____ if _____ upgrade factory headlights _____ brighter LED _____?

_____ to _____ led _____ can have an _____ on _____ repair _____ electrical _____ issues.

_____ upgrade of my headlights _____ led bulbs _____ my _____ performance?

Is it _____ that changing to _____ headlights _____ repair coverage _____ electrical _____?

_____ powerful led headlights _____ repair coverage and _____ system _____?

_____ brighter headlights affect your _____ and electrical system _____?

I wonder _____ brighter _____ headlights _____ affect vehicle warranty _____ performance.

The _____ of _____ headlights could _____ vehicle _____ or _____ system _____.

Replacing _____ headlights _____ could affect _____ system's performance.

Replacing factory-installed _____ brighter _____ may _____ the _____ and warranty coverage.

Will the _____ of _____ headlights with _____ led _____ affect _____ electrical _____ performance?

I wonder if an upgrade _____ brighter Led _____ or _____ performance.

Updating _____ equipment manufacturer _____ more _____ LEDs may affect _____ functions.

_____ the upgrade of _____ with _____ bulbs _____ my car warranty or _____.

Will my car _____ electrical performance _____ my _____ factory headlights with _____ led _____?

_____ upgrade of _____ headlights a chance _____ compromising _____ warranty _____ performance?

_____ the _____ of _____ headlights _____ the car's warranty _____ its electrical _____?

_____ warranty or _____ system performance _____ affected _____ my _____ of _____ factory lights _____ brighter led?

_____ brighter led headlights a _____ of compromising vehicle _____ electrical _____?

Will my _____ warranty or _____ system _____ be affected by my _____?

Changing _____ powerful _____ headlights can have _____ impact _____ and _____ system _____.

_____ I be _____ my _____ guarantee _____ headlights _____ more potent LEDs?

Changing factory-installed _____ affect the _____ system's performance.

Will _____ to _____ headlights have _____ on repair _____ electrical issues?

_____ tell me if _____ upgrade of my car's _____ with brighter LEDs _____ the _____ or _____?

_____ to _____ led _____ can _____ effect _____ the _____ coverage and electric _____.
