

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Leak detection and repair assistance
Inquiry Sub-Category	Leak detection accuracy
Description	Inquiries regarding the accuracy and reliability of the leak detection methods used by the utility company.
Data Size	5,114 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ measures _____ take _____ positives during water leakage investigations?

_____ do _____ reduce false positives when _____ leaks?

_____ there _____ way _____ avoid false positives _____ water leaks?

What _____ you _____ to avoid _____ positives during _____ investigations?

_____ that incorrect _____ are minimized during _____ leak _____?

_____ can _____ false positives during _____ investigations?

There are actions _____ be taken _____ minimize _____ for _____ leaks.

_____ rid of false positive readings _____ leaks?

Are _____ trying to _____ against _____ water _____ readings?

_____ do _____ make _____ water leakage claims _____ identified?

_____ do _____ minimize _____ at _____ leaks?

_____ approach _____ reducing _____ leak _____ false alarms.

_____ there _____ precautions taken _____ against false positives _____ leak _____?

_____ ensure that there _____ wrong alarms during _____ leak _____?

Which ways reduce false _____ issues?

_____ you have _____ plan _____ avoid mistaken _____ investigating water _____?

How do _____ rid _____ when investigating water _____?

_____ can _____ do _____ positives _____ water leaking investigations?

_____ able _____ reduce _____ in waterleak investigations?

_____ have plans _____ place _____ getting mistaken for water _____?

_____ are the _____ alleviate _____ water leak findings?

How _____ minimize _____ positives in _____ leak investigations?

_____ checking _____ there are _____ can _____ taken to minimize false _____.

guarding _____ wrong _____ leak _____?

_____ care _____ wrong _____ leak _____?

What _____ your _____ for _____ positives _____ water leak _____?

_____ are the _____ to ensure less _____ investigating _____ leaks?

How do _____ avoid _____ positives _____ investigations.

_____ can _____ reduce water leak _____?

How _____ you minimize _____ when _____ leak investigations.

_____ strategies for reducing water _____?

____ do ____ positives in water leak ____.
 ____ you reduce ____ during water leak ____.
 There ____ precautions ____ guard against ____ positives ____ leak evaluations.
 ____ think you ____ do ____ sure false ____ happen during water leak ____?
 ____ of the ____ that ____ use to avoid ____ during water leak ____?
 ____ you have any plans ____ reports when ____?
 ____ your guidelines ____ reducing false ____ water ____ investigations?
 How do you ____ inaccurate ____ investigations?
 How ____ you make sure ____ during ____ leaking investigations?
 ____ the ____ of water ____ reports, what ____ are ____?
 ____ do ____ decrease the ____ false ____ in ____ of ____ leaks?
 ____ you do to ____ sure ____ positives can't ____ water ____ investigations?
 ____ your approach for ____ leak ____ alarms.
 ____ be ____ to minimize false alert ____ checking ____ leaks?
 ____ any way to safeguard ____ false positives during ____?
 How can ____ reduce ____ results ____ water ____ examination?
 ____ take any ____ avoid false ____ in water leak ____?
 ____ your ____ for reducing incorrect ____ notifications.
 How do you reduce ____ you investigate ____?
 How ____ make ____ that ____ happen during water leak ____?
 How do ____ make ____ that the ____ leak investigations ____ alarms?
 How ____ excessive ____ results be ____ investigating ____ water ____?
 Do ____ how to ____ false positives in ____?
 ____ there ____ make ____ there ____ false positive ____ on water leaks?
 What ____ to avoid false positives ____ leak investigations?
 Is ____ way ____ false positives in ____ leaks.
 There are ways ____ water ____.
 ____ on how to reduce false ____ for water ____.
 ____ it take ____ sure false ____ don't happen ____ water leak ____?
 ____ some steps you ____ to ____ water leak investigations?
 How can you ____ positives in water leak ____?
 Guarding ____ leak ____ is your ____?
 Can ____ on the ____ to diminish inaccuracies while ____?
 ____ for ____ what actions need to be ____?
 How can you decrease false ____?
 What ____ to reduce ____ positives ____ water ____ investigations?
 Are ____ steps ____ to reduce false positives ____ detecting ____?
 ____ it ____ to ____ for ____ leaks, what ____ are ____ place?
 ____ can you do ____ sure ____ false ____ don't come ____ during ____ investigations?
 ____ to reduce false ____ while searching ____ water ____.
 What ____ you do ____ sure ____ found during ____ leak investigations?
 What ____ the steps taken ____ water ____ findings?
 How ____ prevent false ____ from occurring ____ investigations?
 ____ minimize mistaken water ____ detection.
 Is ____ any ____ taken against false positives ____ evaluations?
 During ____ water leak investigation ____ incorrect ____ minimized?
 ____ can ____ sure ____ water leakage claims ____ identified?
 ____ do ____ minimize false ____ leakage probes?
 What ____ take to ____ false positives ____ water ____ investigations?
 ____ are ____ to ____ false positives during ____ investigations.

_____ are actions _____ can _____ taken to _____ when checking for _____.
 _____ there anything you _____ to avoid false positives _____?
 _____ is it _____ to minimize _____ during a _____ leak _____?
 _____ we _____ the number _____ positives _____ detecting water leaks?
 In _____ ways _____ find _____ false positives _____ investigating water _____?
 What are _____ measures _____ take _____ avoid _____ during _____ investigations?
 Ways to make _____ likely _____ have false _____.
 _____ minimize _____ of water leak investigations?
 _____ there any steps _____ positives _____ detecting water leaks?
 _____ can _____ reduce the number _____ false _____ investigations _____ water _____?
 _____ are your _____ reduce _____ positive _____ leak investigations?
 _____ precautions taken to prevent false _____ when _____ leak _____.
 How _____ you ensure _____ are no _____ during water _____?
 How _____ your company _____ false _____ in water _____?
 _____ there _____ strategies for _____ incorrect _____ in _____ leak _____?
 Is there any _____ to _____ positive _____ in _____ examinations?
 Do you _____ a _____ to reduce _____ positive _____ leakage _____?
 _____ you _____ fewer false _____ when investigating _____ leaks?
 _____ do you reduce false _____?
 _____ any precautions taken to _____ positives _____ evaluating _____ leaks?
 _____ against _____ water leak _____?
 _____ you guard _____ incorrect _____ readings?
 Do _____ have _____ in _____ to avoid getting _____ for _____?
 How do _____ make sure _____ there are no _____ in _____?
 How can _____ that _____ are _____ alarms during _____ water leak _____?
 How _____ with fake leaks _____ water?
 _____ are _____ of _____ that you _____ to _____ false positives during water _____?
 What are _____ taken to _____ positive _____ in water _____?
 _____ ways _____ you reduce false positives _____ leaks?
 _____ be precautions taken against false positives _____.
 _____ reducing _____ alert in water leak detection
 _____ you make _____ any wrong _____ when investigating water _____?
 What are the _____ find fewer _____ when investigating _____?
 How do you _____?
 _____ there be _____ positives _____ evaluating water leaks?
 How do you _____ on _____ during _____ investigations?
 _____ be _____ taken against _____ when conducting _____ on water _____.
 _____ are ways to _____ number of _____ positive _____ readings.
 _____ are _____ that can _____ taken to _____ inaccurate _____ for _____ leaks.
 _____ guard _____ incorrect water leak _____?
 _____ you guard _____ leak readings?
 There _____ actions _____ can _____ taken to _____ false _____ leak _____.
 When _____ water leaks, _____ are _____ to _____ incorrect warnings?
 Are _____ you use to reduce _____ in _____ investigations?
 _____ are actions _____ can _____ taken to _____ alarms when _____ leaks.
 How _____ reduce false alarms _____ flow issues?
 _____ you _____ any measures to reduce _____ during water _____?
 _____ make sure _____ are no wrong alarms _____ the water _____?
 How _____ there are no _____ the water leak investigations?
 How do you _____ there _____ no _____ water leak _____?

_____ minimize the _____ in water leak investigations?

How _____ you _____ positives in investigations _____ water _____?

_____ you decrease _____ when investigating water _____?

Are you able to minimize _____ water _____?

_____ guidelines _____ you _____ reducing _____ positives during water leak _____?

What _____ you do to make _____ false _____ come into _____?

_____ precautionary measures when it _____ to water _____?

_____ taken to _____ of inaccurate _____ leak findings?

_____ flawed alarms at _____ leaks.

_____ minimizing inaccurate findings _____ probes?

_____ avoid false positives _____ leak investigations.

Should _____ take precautionary measures to _____ positives _____ investigations?

Is there any steps taken _____ positives _____ leaks?

Should _____ strategies to _____ findings in _____ leakage _____?

_____ you _____ plan _____ avoid reports of _____ leaks?

Is _____ to minimize inaccurate _____ in water _____?

_____ we do to _____ false _____ during _____ investigations?

_____ can _____ done _____ reduce false alarms while _____ at _____?

_____ there a plan in place _____ investigating _____ water _____?

_____ actions _____ can _____ taken to minimize inaccurate _____ notifications.

_____ we prevent _____ positives _____ leaks?

There are _____ to make _____ there _____ false _____ readings for _____.

_____ do _____ have _____ do _____ make _____ false _____ occur during water leak _____?

What _____ use _____ decrease _____ in water searches?

_____ looking _____ water leaks, what _____ to minimize _____ notifications?

_____ against the _____ water _____?

Is _____ any _____ to _____ water leakage probes?

_____ am _____ about the _____ to reduce _____ positives in _____ leaks.

_____ the steps taken _____ positives _____ water leaks?

_____ precautions _____ protect against false positives when _____ leaks.

Is _____ a _____ to avoid mistaken _____ while investigating _____ water _____?

_____ do you _____ to _____ sure _____ positives do not come _____ leak investigations?

How do _____ make water _____ less _____ positives?

_____ inaccurate findings _____ water leaks?

How can _____ in _____ leak investigations?

_____ are _____ best _____ to reduce _____ in _____ searches?

There _____ that _____ be _____ minimize inaccurate water leaks _____.

What _____ best _____ to minimize false _____ water _____ investigations?

How can you make _____ there _____ alarms during _____ investigations?

How _____ you _____ false _____ water leaks _____?

_____ for reducing _____ positives _____ leak _____.

How do _____ alarms _____ related to _____ leaks?

_____ decrease false alarms _____ investigations _____ water leaks?

What _____ you do _____ don't occur during _____ investigations?

How can _____ water leakage investigations?

_____ the _____ to ensure _____ positives when investigating _____ leaks?

How _____ minimized _____ a water _____ investigation?

What are the measures that _____ avoid _____ leak investigations?

_____ that _____ be taken to _____ the inaccurate water _____.

_____ you _____ the _____ of false alarms in _____ leakage _____?

How are _____ positives _____ water _____?

_____ some _____ to avoid false positives _____ leak investigations?

How do _____ towards _____ false alarms _____ water _____?

How _____ in water leaks?

How _____ you ensure _____ alarms _____ water leak investigations?

_____ can we minimize _____ in _____ leak _____?

Ways to _____ leaks _____ to _____ false positive _____?

Are you _____ minimize _____ in _____ leakage probes?

What are _____ steps _____ to reduce _____ positive _____ in _____?

How _____ you _____ positives _____ leak investigations?

_____ that can be _____ minimize inaccurate water leaks _____.

How can you prevent _____ leaks?

Do _____ have _____ of _____ findings _____ water leakage probes?

_____ are you _____ minimize false positives _____ water _____?

_____ can be taken _____ false alert _____ checking for water leaks.

_____ checking for _____ what _____ taken to _____ incorrect warnings?

What _____ suggest _____ reduce false _____ water leak _____?

There _____ any _____ reduce the _____ water leak _____?

How _____ minimize _____ inaccurate findings of _____ leakage _____?

There are _____ reduce incorrect _____ water leak _____.

_____ you make _____ that _____ are _____ alarms during water leak _____?

Ways _____ false positives _____ leaks?

Are _____ to reduce inaccurate _____ in _____ probes?

What can _____ to _____ false positives _____ come _____ during water _____.

_____ are your _____ false positives during water _____?

Is there a _____ readings in _____ investigations?

_____ can _____ sure there are fewer false positive _____?

_____ you reduce _____ on _____ leak investigations?

_____ are your _____ reducing false _____ during _____ leak _____?

_____ minimize false positives _____ leak investigations.

How do _____ lower the _____ in _____ leak _____?

_____ alarms while looking at _____ flow issues?

_____ there any _____ positives during water leaks evaluations?

_____ to _____ false positives _____ investigating _____ leaks.

_____ false positive readings _____ water _____?

_____ find less false alarms _____ leak investigations?

There are _____ less _____ positive water leaks _____.

What can _____ make _____ up during water leak investigations?

How _____ positives _____ water leak investigations

How do _____ minimize false positives _____.

_____ do you cut _____ false _____ in _____ water _____?

Are there _____ strategies for _____ readings _____ water _____?

_____ water leak investigation, how _____ ensured _____ results are minimized?

_____ plan for avoiding reports while investigating _____?

_____ you doing to _____ positives _____ water leak _____?

What _____ some of the _____ that _____ take _____ avoid false _____ water _____?

How _____ false _____ while _____ at _____ flow issues?

Can you _____ how to reduce _____ water leaks?

What _____ your _____ do _____ positives during water _____ investigations?

_____ are _____ to avoid _____ during water _____ investigations?

What can you _____ make _____ positives don't _____ leak investigations?

What _____ to alleviate _____ leak _____?

There are _____ ensure _____ false _____ readings _____ leaks.

What measures _____ take _____ avoid _____ water leak investigations?

_____ you _____ strategies _____ water leakage _____ more accurate?

What steps _____ to correct _____ leak findings?

There _____ that can _____ taken _____ minimize _____ leak alert.

_____ are your guidelines to help _____ positives _____ water _____?

What can you _____ to _____ sure _____ the water _____ investigation?

How is it _____ incorrect _____ the _____ leak investigation.

_____ be precautions taken _____ safeguard against _____ positives _____ water _____ evaluations.

_____ need _____ make sure _____ don't _____ in _____ leak investigations.

_____ can you _____ false positives in a _____?

To minimize _____ during _____ how is it ensured?

_____ you do _____ avoid _____ positives _____ leak investigations?

_____ at water leaks.

_____ false alarms in water leak _____?

How can _____ ensure _____ less _____ positives when investigating _____?

_____ you manage _____ positives _____ water leak _____?

What can you _____ to _____ that _____ positives don't _____ water _____?

How _____ you reduce _____ results when _____ water _____?

_____ do you minimize _____ positive _____ water _____ investigations?

_____ there strategies you use _____ reduce inaccurate _____ leakage _____?

_____ you prevent _____ in _____ investigation?

How do you _____ positive _____ leak _____?

_____ strategies in place to avoid mistaken _____ when _____?

_____ your approach for avoiding _____ water leak _____.

You _____ decrease _____ in water _____.

Is _____ protect against false positives _____ evaluating water _____?

_____ have _____ strategies to avoid _____ for water _____?

When investigating a _____ leak, _____ incorrect results _____ minimized?

_____ water leaks, what _____ that are in place?

What _____ are you _____ to _____ false _____ leak investigations?

Is _____ to _____ false positives in _____ leak _____?

How do you _____ water _____ investigations?

How _____ false positives _____ investigating _____ leaks?

_____ do you do to _____ leaks _____ likely to _____?

_____ you _____ how _____ false positives _____ water leak _____?

_____ you _____ to make sure false _____ don't _____ in _____ leak _____?

_____ false positives in the water leak _____?

How _____ rid _____ water leaks?

Which _____ you _____ minimize false positives _____ leak investigations?

_____ down false positives _____ water leak investigations?

_____ can you _____ avoid _____ in _____ leak investigations?

_____ there any precautions taken _____ conducting _____ leak evaluations?

Should _____ be _____ precautions taken _____ false _____ when _____ leaks?

Some of _____ steps you take _____ avoid _____ leak _____?

How can you _____ positives when _____ leak _____?

_____ can be _____ false _____ during water leak _____?

_____ possible _____ false positives when investigating water _____?

How ____ you ____ with ____ water leak investigations?

How ____ minimize false ____ when you ____ leak investigations?

What precautions ____ taken when ____ on ____?

What ____ precautionary measures ____ water leaks ____?

____ be guarding ____ water ____ readings.

How ____ reduce the number ____ false positives while ____?

____ guidelines ____ false positives during ____ leak investigations?

____ are precautions ____ safeguard against ____ when conducting ____ leak ____.

What ____ you need to do to ____ sure ____ happen ____ investigations?

How ____ make ____ are no ____ during the water leak ____?

____ you talk ____ how to ____ false positives ____ leaks?

Are ____ any strategies for ____ leakage investigations?

Do ____ precautions taken ____ avoid ____ when ____ water leaks?

Are ____ strategies in place to avoid ____ investigating ____?

Are ____ any ____ incorrect readings ____ leakage investigations?

Do ____ have ____ incorrect findings in water leakage ____?

____ you find less false ____ looking at ____?

____ some ____ you can do to avoid ____ during water ____.

How can ____ number ____ false alarms in water ____?

____ do you take to make ____ don't come ____ water ____?

How are ____ avoiding ____ during ____ investigations?

What ____ that you do to ____ during ____ leak investigations?

How ____ you reduce false ____ in investigations ____?

____ are the ____ guidelines to ____ positives during ____ investigations?

____ there ____ while assessing water leak incidents?

____ are ____ going ____ make sure false positives ____ come in ____ leak ____?

Reducing false ____ when investigating ____ something ____ can ____.

What can ____ to make sure ____ positives don't ____ leak ____?

____ can you decrease ____ positives in ____.

____ decrease false positives ____ water ____ investigations?

To ____ up ____ leaking, ____ are being taken?

____ is ____ leak results are minimized?

____ are you doing ____ prevent ____ leak investigations?

____ to ____ on water leaks.

____ of the measures that ____ to ____ false positives ____ investigations.

When ____ water ____ investigations, ____ minimize false positives?

How do ____ keep false ____ water leaks?

What ____ your guidelines for ____ leak investigations?

____ do ____ positives ____ water leak investigations?

What can you do ____ the ____ of false ____ when ____?

What ____ some of ____ take ____ false positives in ____ leak ____?

How ____ wrong results are minimized ____ a water ____?

How ____ ensure fewer false ____ investigating ____ leaks?

____ of false ____ readings on water leaks.

Share your approach ____ reducing ____ in ____ leak ____.

____ do to ____ sure false positives don't ____ leak investigations?

____ avoid false positives during water ____ investigations?

When looking for ____ what ____ in ____ minimize ____ notifications?

How ____ you ____ false ____ when looking at ____?

____ do to make sure false positives do ____ during ____ investigations?

There are _____ be _____ to minimize _____ looking _____ water leaks.
 _____ approach for reducing _____ water _____ alert.
 Ways _____ false _____ water leaks?
 Do _____ approach to _____ incorrect water _____ readings?
 _____ can we reduce _____ of _____ positive _____ in water _____?
 What are _____ to make sure _____ not _____ during _____ leak _____?
 _____ steps are taken _____ positives _____ water leak _____?
 _____ to avoid false _____ water leak investigations?
 How can we _____ searching for _____ issues?
 _____ you able _____ decrease _____ water leak investigations?
 How _____ false _____ leakage _____ from being identified?
 _____ do _____ reduce the number _____ false alarms _____ water _____?
 _____ any _____ to prevent false positives _____ water _____?
 Do _____ have _____ to avoid _____ reports while _____ water leaks?
 What are _____ steps _____ are _____ correct _____ leak findings?
 _____ are _____ guidelines _____ reduce false _____ leak investigations?
 How are _____ taken to _____ false positives _____ detecting _____?
 _____ the _____ you take to avoid false positives _____ investigations?
 _____ measures _____ false _____ during water leak investigations?
 _____ positives _____ water _____ investigations.
 _____ do you _____ less false positives _____ investigating water _____?
 Suggestions on how _____ notifications.
 Any _____ how _____ reduce mistaken _____ alert?
 _____ guard against _____ leak readings?
 There _____ ensure fewer false positive readings _____.
 _____ you do to prevent false _____ the _____ leak _____?
 _____ to reduce mistaken _____ warnings.
 _____ water _____ investigations how _____ you _____ false _____?
 How _____ you stop _____ positives during _____?
 Is _____ precautions _____ to protect against _____ positives when _____ leak _____?
 Is there any _____ reducing _____ leakage probes?
 _____ do you _____ in water leak _____?
 There _____ precautions taken _____ against _____ during water leak _____.
 _____ share your approach _____ minimize _____ water leak _____.
 _____ sure false _____ come _____ water leak _____ what can _____ do?
 How _____ you prevent false positives _____.
 What _____ to minimize false positives _____ water leak _____?
 How can you _____ sure _____ alarms _____ water leaks?
 How do you _____ when looking into _____?
 _____ can _____ bungled _____ at _____ leaks?
 _____ to _____ sure _____ positives don't show _____ during water leak _____?
 how do you _____ in water _____
 _____ to make _____ less _____ positive readings on water _____.
 _____ is it that _____ reduced during _____ water _____ investigation?
 How _____ you make _____ there _____ incorrect alarms during _____?
 How does it ensure _____ are _____ leak investigations?
 Do you _____ any _____ for _____ in water _____ probes?
 _____ do _____ positives in _____ leak probes?
 _____ there _____ way _____ reduce _____ in water _____ probes?
 _____ taken _____ avoid inaccurate positives _____ water leak _____?

There ____ ways ____ false positives ____ leaks.

____ is the best ____ to ____ false ____ water leakage ____?

____ can ____ minimize inaccurate alerts ____ water leaks?

____ you tell ____ to reduce false ____ leaks?

How can you ____ out ____ leakage investigations?

Any ____ on how ____ leak warnings?

____ you have ____ to ____ water leak readings?

Ways to make false ____ readings on ____.

____ guidelines do you ____ positives in water ____ investigations?

Share ____ for reducing incorrect ____ detection ____.

____ possible ____ false positives do not come ____ leak investigations?

When checking ____ water ____ what ____?

When checking for water ____ are taken ____ incorrect ____?

Share your method ____ mistaken ____ water ____ detection.

____ precautions that you ____ to avoid false positives ____ investigations?

____ you fight ____ in water leakage ____?

____ can ____ false positives ____ water leaks?

Ways to ____ sure there ____ false ____ on ____ leaks.

____ guard against ____ leak readings?

____ are your guidelines ____ water leak investigations?

Guarded against wrong ____?

Are ____ any precautions ____ to prevent ____ conducting ____ leak ____?

Any ____ for reducing ____ water ____?

____ there strategies for ____ inaccurate ____ water leakage ____?

____ are ____ you ____ avoid false positives during water ____ investigations?

How ____ you ____ are no incorrect ____ water leak ____?

What ____ you ____ to ____ sure ____ happen during water leak ____

How ____ you ____ sure ____ are made during water ____ investigations?

____ the steps taken ____ false positives in detecting ____?

____ water leak readings?

____ is excessive ____ results minimized ____ investigating a ____?

How do ____ to ____ false ____ leaks investigations?

____ positive in water leak investigations?

____ do ____ suppress false ____ in ____ leak ____?

____ there ____ way to ____ when investigating for ____ leaks?

____ there ____ taken to protect ____ positives when conducting water ____?

Do ____ plan ____ mistaken ____ when investigating for ____ leaks?

____ any plans to avoid ____ when ____ for water ____?

What ____ correct inaccurate ____ leak findings?

____ water leak readings?

____ should I do ____ false ____ during water ____?

____ can ____ done ____ inaccurate water ____ findings.

What ____ are ____ taken ____ alleviate ____ water ____ findings?

____ steps taken ____ positive results in ____ leak tests?

____ some ____ do ____ false positives during ____ leak investigations?

____ keep ____ positives from ____ in water leak ____?

How ____ reduce false ____ when investigating ____ leak ____?

____ we reduce false positive ____ water leak ____?

How to ____ false ____ in ____?

Is there a way ____ make sure ____ minimized ____ a ____ investigation?

How do _____ reduce false _____ water _____?

Do _____ have _____ reducing _____ readings in _____ leak investigations?

_____ you prevent _____ in water _____ investigations?

_____ can we _____ to _____ false _____ flow issues?

_____ can _____ make sure there _____ wrong alarms during _____?

There _____ ways to _____ amount of false _____ on _____.

_____ checking _____ what actions are _____ place to _____ incorrect _____?

When checking _____ leaks, _____ actions _____ in place _____ notifications?

Is there _____ place _____ reports while _____ water leaks?

_____ any precautions _____ positives when evaluating water leaks?

_____ are _____ to prevent _____ when looking at water _____?

What are _____ guidelines to _____ false _____ leak investigations?

What should we _____ positives _____ leak investigations?

_____ can you _____ incorrect _____ water leakage _____?

_____ ensure _____ don't happen during water _____ investigations?

_____ you reduce _____ positives in _____ leaks?

_____ a _____ to avoid _____ while _____ water leaks?

How do _____ cut _____ positives _____ water leaks?

_____ can you do to avoid _____ positives _____?

Is _____ a way _____ there are fewer _____ positive _____ water _____?

What _____ be done _____ leaking from showing _____ as _____?

_____ taken _____ alleviate water leak findings?

What _____ be _____ sure false _____ don't happen _____ water leak _____?

Is _____ a _____ to _____ readings _____ water leaks _____?

_____ the steps taken to _____ inaccurate _____ leak _____?

_____ want _____ know _____ minimize false _____ in water _____ investigations.

Is _____ for _____ incorrect _____ in water leaks?

What _____ recommendations to reduce _____ during _____ leak _____?

_____ are _____ to _____ false alarm when _____ for water _____.

_____ you make _____ there are _____ alarms during _____ of _____ leaks?

_____ approach _____ guarding against wrong _____ leak readings?

_____ can _____ false positives _____ a water leak _____?

_____ do _____ with false positives _____ with _____ leak investigations?

guard _____ wrong _____ readings

How _____ ensure _____ false _____ investigating water leaks?

Do _____ strategies for _____ findings in water _____ probes?

How _____ are fewer false positives when investigating _____?

_____ you guard against _____ leak _____?

_____ can you _____ to make _____ positives _____ not _____ water leak _____?

_____ you elaborate _____ to diminish _____ while assessing _____ leak _____?

_____ alarms _____ investigations related to water leaks?

What _____ do _____ make _____ false positives don't happen _____ leak _____?

_____ you manage _____ deal with _____ in the _____?

What _____ sure false positives don't happen during water _____?

_____ we _____ false _____ when searching for water _____?

Is _____ precautions taken to _____ false positives when _____ leak _____?

How do _____ make _____ up during _____ leak investigations?

What _____ be done to _____ false _____ water leak investigations?

Do you _____ to avoid _____ when _____ leaks?

_____ can you _____ to _____ positives _____ included in water _____ investigations?

____ you have any strategies ____ findings in ____ leak ____?
 How ____ make ____ there are ____ readings on water ____.
 What are the ____ use ____ positives ____ water leak ____?
 ____ precautions ____ leak readings.
 ____ avoid ____ positives when ____ with water ____ investigations?
 How ____ false positives in water ____ investigations?
 What are ____ measures when ____?
 What ____ to make sure ____ aren't ____ in during ____ investigations?
 ____ are ____ to reduce false positives ____ investigations?
 ____ there ____ reduce false positives when detecting ____?
 ____ do ____ prevent ____ in waterLeak ____?
 ____ there ____ to guard ____ false ____ during water leak ____?
 Is ____ to reduce ____ alarms ____ searching ____ flow issues?
 What ____ some ____ the ____ that you ____ avoid ____ in water leak ____?
 ____ precautions to ____ inaccurate positives during water ____?
 What are your steps ____ avoid ____ during ____?
 Do you ____ to prevent ____ in ____ investigations?
 ____ your measures ____ reduce false ____ during ____?
 How do ____ make ____ leak ____ free ____ wrong alarms?
 How ____ get rid of ____ positives ____ investigations.
 ____ there ____ to reduce incorrect ____ in water ____?
 ____ you ____ a ____ of ____ false ____ water leak investigations?
 What do you ____ during water ____ investigations?
 ____ can you ____ stop ____ positives from ____ in during ____ investigations?
 ____ guidelines should be ____ to ____ positives during ____ investigations?
 When ____ water leaks, ____ there any precautions ____ to ____ positives?
 ____ guidelines ____ reduce ____ positives during ____ leak investigation?
 ____ water leak investigations ____ you ____ positives?
 Do you ____ how ____ in ____ leakage probes?
 There ____ ways to make ____ aren't ____ positives on ____.
 Make ____ false ____ during ____ leak investigations.
 How can you ____ false ____ leak ____?
 Do ____ have ____ guidelines ____ false ____ during water ____ investigations?
 How ____ we reduce ____ water ____?
 How ____ going ____ deal with ____ leaks in ____?
 ____ there any way ____ safeguard ____ when conducting ____ evaluations?
 How ____ you ____ in a water ____ investigation?
 ____ are some things ____ do ____ water leak investigations.
 What ____ you ____ positives ____ happen ____ water leak investigations?
 What ____ we do ____ make ____ come ____ water leak investigations?
 What are ____ reduce false positives ____ water ____?
 ____ can ____ the ____ leaks ____ false positive?
 ____ can ____ to decrease the false positives in ____?
 ____ have ways to avoid ____ a ____ leak?
 Are ____ you have for ____ incorrect ____ water ____ investigations?
 What ____ you use to reduce ____ positives ____ leak ____?
 ____ can excessive incorrect ____ be ____ during a ____?
 The ____ false positives ____ detecting water leaks.
 ____ does your ____ prevent ____ dealing with ____ leak investigations?
 Do you have ____ to avoid ____ mistaken for ____?

How ____ you ____ there ____ any wrong ____ during ____ leak investigations?
 ____ do you prevent ____ positives in ____ investigations?
 How do ____ alarms in ____?
 What are ____ ways in ____ reduce ____ investigating water ____?
 Share ____ for ____ false ____ water leak detection.
 ____ reduce the false ____ results ____ water leakage ____?
 ____ can we prevent false positive ____.
 Guards ____ water leak ____?
 ____ investigating water leaks, how ____ false positives?
 ____ any precautions taken ____ against false ____ when ____ evaluations ____ water ____?
 ____ do you avoid ____ in ____ of water ____?
 ____ steps ____ taken ____ remove inaccurate water ____?
 ____ are the ____ to reduce false alarms ____ for ____?
 What ____ prevent false positives ____ water ____?
 How ____ water leak investigations ____ conducted ____ false ____?
 Should ____ guarding ____ wrong water ____ readings?
 What methods ____ you ____ to prevent false positives ____?
 What ____ be doing ____ false positives ____ water leak ____?
 How do you prevent ____ water leak ____?
 ____ are some ____ the ____ you do ____ keep false ____ out ____ water ____?
 How do you minimize ____ investigations?
 ____ do you reduce false ____ water ____?
 What ____ do to make sure that false positives ____ not ____?
 Do ____ plan to avoid reports ____ water ____?
 ____ ways to ____ of false positive readings ____ leaks.
 Do ____ have strategies for ____ inaccurate ____ in ____?
 ____ are you doing ____ sure ____ positives do ____ during ____ leak ____?
 ____ guidelines ____ false positives in water leak ____?
 ____ your approach for ____ mistaken ____ water leak ____
 How ____ make it ____ to get ____ water leaks?
 ____ do ____ false water ____ claims?
 ____ sure ____ are no wrong ____ during water leakage investigations?
 Guard ____ leak readings?
 ____ misjudgments in finding water?
 ____ the ____ you use to avoid false ____ leak investigations?
 ____ is ____ that incorrect ____ are ____ a ____ leak investigation?
 How ____ you ____ false positives in ____ investigations?
 ____ you ____ false positives in ____ investigations?
 How ____ alleviate ____ water leak ____?
 What are your ____ positives ____ water ____ investigations?
 ____ approach ____ guarding ____ wrong water ____ readings?
 How do ____ at ____ leaks?
 What ____ to ____ false ____ don't happen during water leak ____?
 Are ____ able ____ findings in ____ leak probes?
 ____ we ensure fewer false ____ readings ____ water ____?
 Do you ____ you use ____ false ____ during water ____ investigations?
 ____ a way to prevent false ____ leakage ____?
 ____ are ____ guidelines ____ reduce false ____ leak investigations?
 ____ can ____ false ____ at water flow issues?
 Do you have ____ incorrect ____ water ____ investigations?

____ can your ____ do to minimize ____ positives ____ with ____ investigations?
 ____ are you doing to ____ during ____ leak investigations?
 Is ____ to make sure there are no ____ investigations?
 ____ precautions to avoid ____ positives ____ the ____ leaks investigation?
 ____ take ____ avoid false positives during water leak investigations?
 How ____ you counteract ____ water leak ____?
 ____ you minimize the false ____ dealing ____ leak investigations?
 How ____ you ____ false ____ in water ____ investigations?
 ____ there ____ taken ____ false positives ____ water leaks evaluations?
 What do ____ do ____ false ____ leaks?
 Ways ____ false ____ readings ____ leaks less frequent?
 Are ____ precautions taken ____ protect ____ positives ____ water leak evaluations?
 Can ____ tell us ____ to ____ positive results in ____?
 ____ reduce false ____ looking ____ water flow issues?
 ____ is ____ incorrect results ____ minimized ____ the investigation of ____ water ____?
 ____ you reducing false positives ____ water ____?
 How ____ you minimize false ____ when ____ water ____?
 ____ measures do ____ to ____ false ____ during ____ leakage investigations?
 How ____ mistaken water ____ alert?
 There ____ reduce mistaken water ____.
 ____ you need ____ false ____ don't ____ in during ____ leak investigations?
 What are ____ ways ____ you ____ false ____ when ____ leaks?
 ____ can you do ____ get false positives ____ of ____?
 ____ are the actions that ____ to ____ false alarms ____ for water ____?
 ____ do you ____ any wrong ____ a water leak investigation?
 What ____ ensure ____ false positives when ____ water leaks?
 ____ there ____ way to ____ results ____ water leak exams?
 ____ do you ____ positives ____ dealing ____ water ____ probes?
 ____ water leaks ____ do ____ reduce the false ____?
 How can you make ____ don't ____ water leak ____?
 How to ____ alarms ____ leaks?
 ____ are excessive ____ minimized during the ____ leak ____?
 What precautions are ____ avoid ____ leaks investigations?
 ____ there ____ way ____ prevent false ____ water ____ investigations?
 How ____ positives in water ____ investigations?
 Is ____ precautions taken to protect ____ positives ____ doing ____ leaks?
 What tricks ____ use to ____ alarms in ____?
 ____ it possible to ensure that ____ a water leak ____?
 ____ reducing mistaken water ____?
 What ____ do ____ reduce ____ number of false ____ water ____?
 ____ we ensure ____ false positive ____ water leaks.
 ____ your ____ avoid false ____ water leaks investigations?
 Is ____ a way to ____ false positives ____.
 ____ can ____ sure ____ don't occur in water ____ investigations?
 ____ reduce false ____ investigations relating to water ____?
 What are ____ to make ____ false ____ don't ____ the ____ investigation?
 Are ____ for reducing incorrect ____ water leak ____?
