

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	Fence installation or mending
Inquiry Sub-Category	Fence Maintenance and Repairs
Description	Customers seek guidance on how to properly maintain their fences, including cleaning, painting, and handling minor repairs, or require professional assistance for major repairs and replacements.
Data Size	5,095 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

How _____ pressure-treated _____ typically last _____ needing _____ weather exposure over _____?
 _____ possible _____ quantify _____ Pressure-Treated Wood _____ it _____ been exposed to weather?
 Is it _____ to _____ the _____ span of Pressure-Treated _____ it _____ undergone some _____ weathering?
 _____ do treated _____ needs _____ fixed _____ being exposed to _____?
 _____ wood requires _____ repairs _____ to _____.
 _____ pressure-treated _____ weather-related repairs?
 _____ am _____ in _____ pressure-treated wood _____ of weather change.
 Pressure-treated _____ for a _____ before _____ to weather _____.
 How _____ wood _____ to _____ fixed due _____ the weather?
 Is _____ possible to _____ how _____ pressure-treated _____ lasts with _____?
 _____ pressure-treated _____ or _____ due to the weather?
 Pressure-treated _____ lasts _____ a _____ before _____ that _____ be tricky _____ of weather _____.
 _____ long _____ pressure-treatment _____ last _____ needs work?
 _____ bit _____ needing repairs due _____ weather exposure.
 Can _____ me how _____ pressure-treated _____ lasts when exposed _____?
 Length _____ time pressure-treated _____ elements without _____ fixed?
 _____ should last for _____ while _____ it's _____ to _____ repairs.
 _____ figure _____ average _____ span _____ Pressure-Treated _____ after it has been _____?
 _____ wood can be susceptible _____ weather _____ repairs.
 Pressure-treated wood often _____ needing _____ because _____ weathering.
 _____ for a while before _____ needs repair.
 _____ lasts _____ a _____ before requiring repairs _____ be problematic _____ to _____ exposure.
 _____ wood _____ for a _____ put through the wringer due to _____.
 Pressure-treated _____ lasts _____ while before _____ time _____ make _____ due to _____.
 Pressure _____ woodlasts for a _____ needing _____ to weather _____.
 How _____ pressure-treated _____ able _____ to weather problems?
 _____ to _____ the _____ of pressure-treated _____ when _____ is _____ to weather.
 _____ it _____ pressure-treated _____ requires _____ related repairs?

Pressure-treated _____ longer time before _____ some repairs _____ weather exposure.
 _____ wood _____ exposed to various weather elements before _____.
 _____ wood lasts _____ a while _____ it _____ to _____ repairs because _____ weather.
 _____ to the _____ for a while _____ being _____ through _____ wringer.
 _____ curious _____ how _____ pressure-treated wood _____ on _____ weather changes.
 Length of _____ against elements without _____ to be _____?
 _____ pressure-treated _____ lasts _____ account _____ weather is _____ I am interested _____.
 _____ wood usually _____ for _____ before _____ time to make _____.
 Over _____ pressure-treated _____ may _____ to be _____.
 _____ want to know _____ survive, considering the _____ conditions.
 Can you _____ me the _____ life _____ Pressure-Treated Wood _____ is exposed _____?
 _____ you measure _____ span _____ Pressure-Treated Wood after _____ to _____?
 I'd like to know how _____ lasts _____.
 Do _____ think pressure-treated _____ weather-related _____?
 I'm _____ about _____ long _____ wood lasts _____ account of _____.
 Pressure-treated _____ be exposed _____ various _____ required maintenance.
 Pressure-treated _____ lasts _____ bit _____ repairs _____ can be _____ of the weather.
 _____ long will pressure-treated wood _____ exposed _____?
 _____ needing repairs _____ be problematic because _____ exposure _____ pressure-treated wood lasts _____ a _____.
 _____ to know _____ pressure-treated wood _____ over time.
 _____ wood can last _____ needing _____ that _____ be problematic because _____ exposure.
 How _____ the weather wreaks _____ on _____?
 _____ you tell _____ the average _____ of _____ Wood after _____ been exposed _____.
 _____ you _____ me _____ average life _____ after it _____ been subjected to _____?
 _____ time pressure- _____ timber _____ against elements _____ needing _____?
 _____ wood lasts _____ needing _____ repairs because of _____.
 _____ wood is _____ and _____ to be repaired.
 Is _____ possible to quantify _____ span _____ Pressure-Treated Wood _____ been exposed _____ weather.
 _____ weather _____ could cause _____ pressure-treated wood products.
 Pressure-treated _____ lasts _____ needing certain _____ because of the _____.
 Pressure _____ lasts _____ time before needing certain _____ because of _____.
 Pressure-treated wood _____ thanks to _____.
 Until _____ weather _____ repairs?
 Will it take _____ repairs?
 Pressure-treated _____ lasts _____ a while before it's _____ due to _____.
 Pressure-treated _____ for _____ while _____ it is _____ weather exposure.
 _____ lasts for a _____ before _____.
 _____ lasts _____ while _____ is _____ through the wringer _____ to _____ weather.
 Pressure-treated _____ lasts a _____ needing repairs, _____ weathering.
 _____ to _____ how _____ pressure-treated _____ because of the weather.
 _____ it _____ estimate _____ long pressure-treated _____ due to weather _____?
 _____ possible _____ tell how _____ pressure _____ wood _____ due _____ weather problems?
 How _____ treated wood _____ if it is _____ to _____ time?
 _____ pressure-treated wood is questionable.
 _____ long _____ pressure treatment wood _____ to _____ repaired due _____?
 _____ does treated wood need _____ due to _____?
 How long _____ destroys _____ wood?
 _____ you show _____ the average _____ span of Pressure-Treated _____ to _____?
 _____ the pressure-treated _____ requires _____ repairs?
 Pressure-treated _____ lasts _____ before _____ put through _____ wringer _____ to the _____.

____ pressure-treated ____ susceptible ____ after long-term ____ exposure?
 Is it ____ to ____ the ____ life span ____ after ____ has undergone ____?
 Can you ____ life ____ for Pressure-Treated Wood after ____ exposed ____ weather?
 Pressure-treated wood ____ longer ____ some repairs ____ to weathering.
 Pressure-treated ____ lasts for ____ that ____ be problematic because of the ____.
 Does ____ or ____ vulnerable due to the ____?
 Is ____ average lifespan ____ pressure-treated ____ when it ____ exposed ____?
 Pressure-treated ____ lasts longer before ____ needs certain ____ of ____.
 ____ wood ____ for ____ before it becomes susceptible to ____.
 ____ pressure-treated ____ need repair after ____?
 ____ can last for a ____ repairs ____ to ____ weather.
 ____ wood requires ____ repairs?
 Pressure-treated ____ is ____ to ____ exposure ____ needs ____ fixed.
 ____ it ____ know how ____ wood lasts due to ____?
 ____ pressure-treated ____ need ____ after ____?
 ____ would pressure treated ____ last if ____ were ____ weather?
 ____ typically prone to ____?
 How many years ____ wood ____ weather?
 ____ long ____ pressure-treated ____ be exposed to the weather ____?
 ____ life span of Pressure-Treated Wood ____ it has been ____ to ____
 ____ last for ____ while before ____ susceptible ____ the weather.
 I ____ long pressure-treated wood lasts on ____.
 ____ can ____ a ____ time ____ needing some ____ of weather exposure.
 Pressure-treated wood lasts ____ a ____ it ____ and ____ to ____ exposure.
 Pressure-treated wood ____ last ____ needing ____ because of the ____.
 Pressure-treated wood ____ to ____ repaired ____ to ____ weather ____.
 I would ____ to ____ long pressure-treated ____ if ____ are ____ changes.
 ____ long will ____ if ____ is exposed to ____ weather over ____?
 ____ you tell me the ____ span of ____ weather?
 ____ wood lasts ____ time ____ it's time to ____ to ____ weather.
 Pressure-treated ____ can be ____ several weather ____ requiring ____.
 ____ it possible to ____ the average ____ Pressure-Treated ____ exposed to the weather?
 Does pressure-treated ____ last or is ____ weather?
 Pressure- ____ wood ____ while before ____ is time ____ make ____.
 ____ treated wood ____ a ____ before ____ through the wringer.
 Can you measure ____ span of ____ it has been ____ the ____.
 Pressure-treated wood ____ for a ____ it ____ repaired ____ of the ____.
 Pressure-treated wood lasts for a ____ before it needs ____ to ____.
 ____ wood ____ needs repairs and is ____ to weather exposure.
 Pressure-treated ____ long ____ it ____ repairs that ____ be ____ because of ____ weather.
 ____ for awhile before ____ to make repairs ____ the weather.
 ____ lasts ____ longer time ____ needing ____ repairs ____ the weather.
 ____ wood is ____ to ____.
 ____ you ____ the ____ life ____ Pressure-Treated ____ it has been exposed ____ weather?
 ____ wood last before it needs ____ due to ____ exposure?
 Time before ____ wood ____ repairs ____?
 ____ long ____ it ____ weather exposure ____ pressure-treated wood?
 ____ would like to ____ how long ____ wood ____ on ____ weather ____
 Pressure-treated wood can ____ the ____ a while.
 Can you ____ the average ____ span ____ Pressure-Treated Wood ____ it ____?

_____ would like _____ know _____ pressure-treated _____ lasts because _____ weather _____.

_____ lasts for a _____ before it _____ exposed _____.

_____ time does _____ wood _____ be _____ because of weathering?

_____ the weather starts to destroy _____?

Pressure-treated _____ lasts _____ before _____ certain repairs _____ to _____ weather.

Pressure-treated wood lasts _____ before _____ certain repairs _____ weather.

Pressure-treated _____ is _____ elements before it needs _____.

How long does _____ treatment wood last before _____ repairs _____?

Can _____ average life _____ of Pressure-Treated _____ weathering?

I want _____ know _____ long pressure-treated wood _____ fluctuations.

Pressure-treated wood lasts some _____ before _____ weather _____.

Pressure-treated _____ last _____ long time _____ repairs due to _____.

Pressure-treated _____ before needing certain repairs _____ of _____.

Pressure-treated wood _____ needing certain repairs _____ of the _____.

_____ wood lasts for _____ before requiring repairs _____ can _____ of _____ elements.

Time _____ needs to be repaired _____ elements?

Pressure-treated wood _____ longer time _____ needing repair _____ of _____.

_____ you _____ us _____ life _____ Pressure-Treated Wood after being exposed _____ weather?

I _____ to know how _____ lasts _____ the weather _____.

Pressure-treated _____ will typically _____ a _____ time before _____ repairs _____.

_____ wood lasts for _____ before needing _____ that _____ be problematic _____ of _____

_____ can _____ for a while _____ it _____ to weather.

Pressure _____ lasts for a _____ before needing _____ that can _____ difficult _____.

Can you _____ how many _____ wood lasts _____?

Pressure-treated _____ last forever due to _____.

_____ should last _____ while _____ repairs that _____ problematic _____ of the weather.

_____ possible to _____ how long _____ last considering weather _____?

Pressure-treatment wood _____ it needs _____ repaired _____ to _____ weather.

Pressure-treated _____ a while _____ time to make repairs _____ the _____.

Does pressure-treated lumber need _____ due _____?

Pressure-treated _____ lasts _____ bit _____ needing _____ can _____ problematic _____ to the elements.

_____ wood _____ for a _____ needing repairs that are _____ due _____ weather _____.

_____ it possible to tell _____ many years _____ treated _____ lasts _____?

Thanks _____ weather pressure-treated _____ a while before _____ put through _____.

_____ lasts longer before _____ to be _____ of weathering.

Can _____ estimate _____ average _____ span _____ Wood after _____?

_____ a while for pressure-treated _____ to _____ put through _____ wringer _____ weather.

_____ many _____ pressure-treated wood lasts due _____ weather issues?

_____ concerns _____ potential repairs from _____ weather _____ time _____ wood products.

Pressure-treated wood _____ last _____ while _____ gets exposed to _____.

Pressure-treated _____ products have _____ be repaired _____ weather _____.

_____ give an _____ span _____ Wood _____ it's been _____ to weather?

_____ last a _____ before _____ to be repaired.

How _____ does _____ last _____ needs _____ be fixed due _____ weather?

_____ interested in _____ pressure-treated _____ in the weather.

_____ before pressure-treated _____ is ruined _____?

Pressure-treated wood _____ longer _____ needing _____ repairs _____ to weathering.

_____ wood _____ for a _____ it's _____ to make repairs.

Pressure-treated wood lasts a longer _____ before _____ the _____.

_____ wood _____ for _____ before it _____ repaired because _____ the _____ to the weather.

____ you ____ life span ____ it has been weathering?
 Pressure- ____ wood ____ a ____ before ____ repairs that can ____ problematic because ____ ____ .
 There ____ concerns about ____ from weather exposure ____ treated wood ____ .
 ____ would ____ know how ____ wood ____ due ____ weather change.
 ____ wood ____ while before ____ repairs ____ can ____ problematic in ____ weather.
 Pressure-treated wood lasts for a ____ before ____ can be difficult ____ elements.
 Before ____ because of weather exposure, ____ lasts a ____ .
 Can ____ me the average life ____ of ____ wood ____ has ____ to ____ ?
 ____ you know ____ life span ____ Pressure-Treated Wood ____ to the ____ ?
 ____ while ____ needing repairs which can ____ problematic ____ exposure to the elements.
 I want to ____ wood ____ account of ____ weather.
 Is ____ possible to ____ how ____ to weather problems?
 Can ____ how ____ pressure-treated ____ lasts ____ weather degradation?
 ____ you ____ average ____ span ____ Pressure-Treated Wood ____ it has ____ exposed ____ the ____ ?
 Does pressure-treated wood ____ fixed after ____ ?
 I ____ know ____ long ____ treated wood ____ on ____ of weather ____ .
 ____ you ____ the ____ span ____ Wood ____ exposure to weather?
 Pressure-treated ____ lasts for ____ long time ____ repairs ____ can be problematic ____ to ____ to ____ .
 It ____ until ____ wood requires ____ repairs.
 ____ curious ____ how long ____ lasts ____ account of the ____ .
 Pressure-treated ____ lasts for ____ before need ____ be repaired due ____ .
 ____ to know how ____ pressure-treated wood lasts when there ____ .
 How ____ Wood ____ if it has been exposed ____ ?
 Until ____ requires ____ repairs?
 ____ wood products can ____ vulnerable ____ .
 ____ it ____ to tell ____ pressure ____ wood lasts due ____ ?
 Pressure-treated ____ for a ____ before it's vulnerable ____ .
 ____ a ____ before ____ repairs, which ____ be ____ due to the weather.
 Pressure-treated ____ lasts ____ while before ____ repaired ____ the exposure to ____ elements.
 Is ____ how ____ pressure-treated wood ____ last ____ to weather problems?
 Pressure-treated wood ____ lasts longer ____ needing ____ weather ____ .
 ____ long ____ the ____ last if ____ to the weather?
 Is ____ how ____ pressure-treated wood lasts ____ of weather?
 ____ a ____ it's susceptible ____ weather exposure and needs ____ .
 Pressure-treated wood ____ last for ____ while before it ____ .
 ____ interested in knowing ____ long ____ lasts if ____ weather ____ .
 The ____ until pressure-treated wood ____ ?
 ____ for ____ before ____ put through the wringer
 Can you ____ me the ____ wood after weathering?
 ____ know how long ____ treated wood ____ the event of weather ____ .
 Pressure-treated ____ lasts ____ before it ____ to be ____ .
 Pressure-treated ____ longer before ____ because of ____ .
 ____ am ____ knowing how long ____ will last, ____ weather.
 Pressure-treated ____ can last ____ before need to ____ because of exposure ____ .
 ____ want to ____ wood lasts, because ____ weather change.
 Pressure-treated wood ____ before it needs ____ because ____ the ____ .
 Pressure-treated ____ a ____ needing repairs because ____ weather exposure.
 ____ you give an average ____ for ____ Wood after ____ to ____ ?
 ____ products ____ to weather exposure over time.
 Pressure-treated wood ____ time before needing ____ weather exposure.

Pressure treated _____ usually _____ needing repairs due _____.

_____ last for _____ before it's _____ to make repairs.

_____ the _____ life span _____ Pressure-Treated _____ after it's been _____ weather?

Can _____ span of _____ Wood once _____ has _____ to the weather?

_____ lasts for a _____ it needs _____.

Pressure-treated _____ last for _____ while before it's _____ it.

Can you _____ of _____ after _____ exposed to weather?

_____ wood _____ before it needs repairs due _____.

Pressure _____ wood lasts for _____ susceptible to _____ weather.

Is it _____ to know _____ wood lasts _____ to _____?

Pressure treated _____ last _____ weather change.

Pressure-treated wood lasts _____ while _____ needing _____ because of exposure _____ elements

_____ pressure-treated _____ a while to need _____ to _____ weather.

Pressure-treated _____ last _____ it gets _____ to the weather.

Under exposure _____ the _____ what's the _____ of _____?

_____ wood _____ exposed to _____ can _____ give _____ average lifespan?

Pressured _____ may need _____ to _____ over _____.

Pressure-treated wood lasts for a while _____ to _____.

_____ want to know _____ pressure-treated _____ last, _____ the weather.

_____ will last _____ a _____ before it _____ to weather.

_____ want _____ know how _____ wood _____ survive, considering _____ weather.

Pressure-treated wood typically _____ a _____ before needing _____ due _____.

Does _____ lumber _____ up with _____?

Does pressure-treated _____ is it _____ weather?

Concerns _____ repairs from weather _____ time for _____ products.

Is pressure treated wood _____ last a _____ the _____?

_____ a question about the _____ pressure _____.

Is _____ to tell _____ pressure-treated wood lasts _____ weather _____?

_____ to _____ long pressure-treated _____ lasts _____ to weather.

_____ tell me the _____ that pressure _____ will last if it _____ the weather?

_____ weather _____ pressure-treated wood out?

I want _____ when pressure-treated _____ account _____ weather.

Pressure-treated _____ lasts for a time before _____ can _____ because _____ weather.

How long _____ pressure-treated _____ needs _____?

_____ wood lasts _____ to be repaired because _____ weather exposure.

_____ wood generally _____ before _____ repairs _____ to weather _____.

_____ it possible to know _____ will last due _____?

How _____ treated _____ last before needing repairs _____ exposure?

Pressure-treated _____ can _____ exposed _____ weather elements _____ maintenance.

_____ it _____ to estimate the life _____ Wood _____ has _____ to weather?

Pressure-treated wood _____ a while before _____ that _____ of the weather.

_____ wood can last _____ while _____ it _____ be _____ because _____ the elements.

Pressure-treated wood _____ a _____ repairs due to the _____.

_____ wood lasts longer before it _____ to _____ because _____.

_____ wood typically lasts a longer _____ repairs due _____ exposure.

Can you _____ the _____ Pressure-Treated _____ after exposure to _____?

_____ long will _____ treated wood last _____ it _____ exposed _____ over _____?

Pressure-treated wood lasts for _____ a _____ of repairs _____ weather.

Pressure-treated wood _____ before _____ put through _____ because _____ the _____.

_____ wood lasts for _____ before needing _____ that can be _____ due _____.

Pressure-treated _____ a _____ before it's put _____ the wringer _____ to _____.

Pressure-treated _____ before needing repairs that can _____ problematic _____ the _____.

_____ lumber last _____ is _____ vulnerable to _____?

_____ wood can _____ different _____ elements _____ it requires maintenance.

Pressure-treated _____ can last a while before _____ that _____ be problematic _____.

_____ lasts until it _____ repairs _____ problematic because _____ weather exposure.

_____ will weathered _____ wood _____?

Pressure-treated wood can _____ a while _____ repairs _____ of _____ exposure.

Pressure-treated _____ lasts a _____ time _____ needing _____ repairs _____ weathering.

Pressure-treated _____ lasts _____ time before needing repairs _____ problematic _____ to the _____.

Time _____ treated _____ needs _____ be mended _____ elements?

Pressure-treated wood _____ weather-related _____.

How _____ can Pressure-Treated Wood _____ has _____ exposed to _____?

Is _____ treated _____ lasts if exposed to the _____?

_____ wood _____ last for _____ before being put _____ the _____.

_____ wood lasts longer _____ needing _____ of weathering _____ time.

_____ wood _____ last a _____ before it _____ time to _____.

Can it _____ how long _____ wood _____ to weather _____?

_____ lasts _____ a while before _____ repairs because _____ exposure _____ time.

How _____ can _____ wood survive _____ to _____?

Can you show me the _____ Pressure-Treated _____ when _____ exposed to _____?

_____ pressure-treated lumber last _____ in the weather?

Could _____ treated _____ last _____ considering _____ weather?

_____ pressure treated _____ need _____ weather exposure?

There _____ be _____ for pressured timber due _____ time.

Pressure-treated wood _____ lasts for _____ repairs _____ can be _____ because _____ weather.

Pressure-treated wood _____ while before _____ put _____ wringer.

How much time does _____?

_____ is _____ life expectancy of _____ wood?

_____ wood lasts _____ while before _____ needs _____ of exposure _____ the weather.

_____ can last _____ a _____ needing _____ that can be problematic _____ of _____.

_____ you show _____ the average life _____ of _____ if it has _____ exposed _____?

Pressure-treated _____ can _____ susceptible to weather _____ while.

_____ wood _____ for a while _____ repairs that can _____ of _____ weather.

_____ pressure-treated lumber last _____ does _____ apart quickly _____ to _____?

How _____ does _____ for weather _____ an _____ on _____ wood?

_____ years before _____ weather _____ out pressure-treated _____?

_____ possible to tell _____ long pressure-treated _____ considering weather?

Can _____ the life span _____ Pressure-Treated Wood _____ exposed _____ weather?

_____ wood _____ for _____ while _____ problematic because of exposure to the elements.

Pressure-treated wood needs _____ repaired _____ exposure.

_____ wood lasts _____ longer _____ because of weathering _____ time.

_____ wood _____ last _____ while _____ needs repairs _____ weather exposure.

Can you tell me the average _____ after _____ been _____?

_____ pressure-treated wood needs _____ work?

Is pressure-treated _____ susceptible _____ from _____?

_____ the weather _____ lasts for _____ put through the wringer.

Pressure-treated _____ lasts a _____ because of weather _____.

Is it _____ to _____ span of Pressure-Treated Wood after it _____ been exposed _____.

_____ the life _____ of Pressure-Treated Wood after _____?

Is _____ to tell how _____ the _____ lasts due _____ the _____?

_____ treated _____ lasts _____ a _____ before _____ time _____ make repairs.

_____ for a _____ needing _____ that can be _____ due to the _____.

_____ you show _____ the _____ life span _____ Wood _____ been exposed to _____?

Pressure-treated wood _____ time _____ it's _____ to make repairs due _____.

Pressure-treated wood often lasts a longer _____ needing _____.

_____ wood can last for a _____ is _____ to _____.

Pressure-treated wood _____ a _____ have to make _____ the weather.

Can you _____ of Pressure-Treated Wood after it _____ exposed _____?

_____ lasts _____ some time _____ time _____ make repairs.

With the _____ pressure-treated _____ lasts _____ a _____ before _____ through the _____.

Is there _____ wood _____ if exposed to weather?

_____ until _____ wood _____ weather-related repairs.

_____ is _____ life span of Pressure-Treated Wood _____ been _____ the _____?

_____ it _____ that pressure treated _____ for some _____ the _____?

_____ lasts a long _____ to make repairs due _____ weather.

Is it _____ how _____ treated _____ should last, _____ weather?

Pressure-treated wood can last _____ while before being _____ the _____.

_____ tell me the average _____ span _____ Pressure-Treated Wood _____ it's _____ exposed _____?

Is _____ determine how long _____ wood will _____ to _____ degradation?

_____ be put through the _____ due to _____.

_____ wood products may _____ to be _____ weather _____.

_____ you tell us how _____ pressure _____ will _____ if _____ the _____?

_____ lasts _____ while before _____ repairs that can _____ problematic _____ it _____ exposed _____ the weather.

_____ wood can last a _____ time _____ needing _____ repairs _____.

_____ pressure-treated lumber _____ or _____ of the weather?

Is _____ to determine _____ number _____ years _____ wood _____ weather problems?

Is _____ possible _____ when _____ lasts because of weather _____?

_____ to _____ the _____ life _____ of Pressure-Treated Wood _____ weathering?

How _____ treated _____ last if _____ exposed _____ weather?

Pressure-treated wood _____ while before _____ repairs _____ be _____ because of _____.

Pressure-treated _____ is _____ to _____ exposure, but _____ lasts _____ a _____.

Does pressure-treated _____ need repairing _____?

How _____ treated wood _____ by weather?

_____ before Pressure-treatment _____ needs to be _____ due _____ the _____?

_____ you show _____ the average _____ span _____ exposed to weather?

Pressure-treated wood _____ related _____.

Pressure-treated _____ while _____ put _____ the _____ thanks to the weather.

_____ lasts for awhile before _____ susceptible to _____.

Pressure-treated wood can _____ a _____ needing _____ can _____ because of _____.

Pressure-treated wood can _____ for awhile before needing _____ can _____ because of _____.

_____ for _____ while before it is _____ to make repairs _____ weather _____.

_____ to _____ repairs because of _____ exposure, pressure-treated _____ for _____ while.

Pressure-treated wood _____ a _____ before needing _____ problematic _____ of the _____.

Pressure-treated _____ lasts _____ needing _____ repairs because of the _____.

_____ know _____ long the pressure-treated wood _____ in the _____.

_____ lasts for a while before needing _____ that may _____ the _____.

How _____ until pressure-treated _____ is _____ by the _____?

_____ wood lasts for _____ while _____ repairs that _____ be problematic because _____.

Pressure-treated wood lasts _____ while _____ repairs that can _____ exposure to _____.

Is it possible to tell _____ long _____ should _____ weather?

Is it _____ how many years _____ wood _____ because _____ degradation?

Can _____ the _____ life _____ of _____ lumber subjected to long-term _____?

_____ to last a _____ before _____ repairs because of weathering _____ time.

_____ how long _____ wood _____ in the event _____ weather.

_____ wood is exposed _____ can you tell _____ the _____ wood?

How _____ pressure-treated wood be exposed _____ various _____ requiring _____?

Can you tell me the _____ Pressure-Treated _____ has weathered?

Can _____ give an _____ wood will last _____ is exposed _____ the _____?

_____ for _____ while _____ needing _____ can be problematic _____ of weather _____

_____ pressure treated lumber _____ the _____?

Pressure-treated _____ lasts _____ while before needing repairs _____ can _____ if _____ are exposed _____.

Is it _____ how long pressure-treated _____ because of _____?

_____ many _____ before pressure-treated wood _____ destroyed _____ the _____?

_____ in knowing how long _____ lasts when _____ weather _____.

_____ you tell me the _____ of _____ exposed _____ weather?

Pressure-treated wood _____ a _____ time before _____ repairs _____ of _____

_____ before pressure _____ gets destroyed by the _____?

Pressure-treated wood lasts _____ time before needing _____ to _____.

Does _____ wood _____ repairs _____ a long period _____?

Pressure-treated _____ before _____ repairs _____ because of _____ to the elements.

Pressure-treated _____ lasts _____ being put _____ wringer due to _____.

_____ wood usually lasts _____ longer _____ having _____ repaired because _____ weathering.

_____ a longer time _____ needing certain _____ because of _____.

Is _____ lumber _____ from _____ damage?

_____ want _____ know _____ long pressure-treated _____ will _____ the _____.

_____ a while before _____ repairs that are _____ because of _____.

How long _____ the weather?

I _____ to know how _____ lasts on _____ weather.

I _____ when _____ wood lasts on _____ of weather _____.

How _____ before _____ treated wood _____ be _____?

Pressure-treated _____ lasts _____ a while before _____ put _____ the _____ thanks _____.

_____ you _____ us _____ Pressure-Treated Wood after _____ has been exposed to _____?

I _____ know _____ long pressure treated _____ lasts on account _____.

Pressure-treated wood lasts more _____ needing _____ weathering.

_____ to know how _____ pressure-treated wood _____ in _____ event _____ weather _____.

_____ for _____ while _____ repairs that _____ be _____ because of the weather.

How many years _____ lasts due _____?

How _____ last _____ it needs _____ be repaired _____ to the _____?

_____ it _____ to figure _____ the _____ span of _____ after weathering?

Pressure-treated wood typically _____ a long _____ of weathering.

_____ wood can _____ for a _____ before _____ has _____ be _____.

_____ us the life span of _____ been exposed to weather?

_____ may _____ needs _____ timber due to _____ of exposure.

Pressure-treated _____ need _____ can _____ problematic because of _____ to _____ elements.

Does _____ need _____ be repaired after _____ long _____ exposure?

_____ there an average life _____ Wood _____ it _____ been _____ to _____?

Can you _____ span of Pressure-Treated _____ after it _____ exposed _____?

_____ years before pressure- _____ is destroyed _____ the _____?

_____ it _____ to _____ long pressure-treated _____ considering the weather?

_____ weather _____ I _____ know how _____ pressure-treated _____ will survive.

Can you tell _____ wood _____ because of _____?

_____ it _____ to determine _____ long _____ wood will _____ due _____?

Pressure-treated wood lasts for _____ while, _____ needing _____ be _____ to the elements.

The pressure-treated _____ may have to _____ over _____.

_____ a while _____ needing repairs because _____ exposure.

Is the _____ that pressure treated _____ if _____ the weather?

I _____ to know _____ long pressure-treated wood _____ changes.

_____ show _____ average life _____ of _____ since _____ has been exposed _____ weather?

Pressure-treated wood _____ could _____ to repairs _____ exposure.

Pressure-treated _____ for a _____ before _____ make repairs.

_____ estimate _____ life span _____ Pressure-Treated _____ it has been weathering?

_____ can _____ for a _____ needing _____ that can be problematic since of _____ the _____.

_____ quantify the _____ time that pressure treated wood _____ it is _____ the _____?

_____ it _____ until _____ weather repairs?

Pressure-treated _____ while to _____ weather exposure and needs _____.

Can _____ life span _____ Pressure-Treated Wood _____ is _____ to weather?

How long do _____ weather?

How long _____ take _____ weather _____ affect pressure _____?

Can you measure _____ of _____ it _____ gone through weathering?

_____ like to _____ pressure-treated wood will _____ considering the _____ conditions.

_____ wood lasts for _____ before _____ repairs _____ can be _____ as _____ result _____ weather.

Pressure-treated _____ a _____ before needing _____ because of _____.

I would _____ know _____ long pressure-treated _____ of _____ weather.

_____ usually lasts a _____ time before needing certain _____.

_____ long can _____ wood _____ to _____ before needing maintenance?

_____ needs _____ can _____ problematic because of _____ to the _____.

Can _____ tell _____ the average _____ of Pressure-Treated Wood _____ some?

_____ pressure treatment wood _____ needing repairs due _____ the _____?

What is _____ life span _____ it has been exposed _____ the _____?

_____ lumber last or _____ it _____ by _____ weather.

How long _____ if it is exposed to _____ time?

Can you tell us the _____ of _____ it has been _____?

How long _____ pressure-_____ wood _____ before needing _____ the _____?

_____ the _____ pressure-treated _____ lasts for _____ while _____ is _____ through the wringer.

Do _____ know the _____ of Pressure-Treated _____ after _____ weather?

How _____ will pressure treated wood last _____ to the _____?

Pressure-treated wood _____ longer time _____ needing _____ repairs, because _____.

_____ it _____ to tell _____ pressure-treated _____ lasts due _____ conditions?

Does pressure-treated _____ last or is _____?

Does _____ an average life _____ after exposure _____?

Pressure-treated wood _____ to various weather elements _____.

_____ wood _____ repairs _____ to weather?

How _____ before pressure-treated _____ is _____ weather?

Pressure-treated _____ can last _____ a _____ it's susceptible _____ exposure.

Can we tell _____ long pressure-treated _____ due _____?

_____ me how long _____ has been _____ to the _____?

_____ may _____ to be repaired due _____ weather.

Pressure treated wood typically lasts a longer _____ because _____.

_____ will last _____ a _____ needing _____ because _____ exposure to _____ weather.

Pressure-treated _____ can last a _____ put _____ the _____.

How _____ the _____ wood _____ destroyed by _____ weather?

_____ for a _____ before _____ is put _____ wringer _____ to weather exposure

Pressure-treated wood _____ for _____ before needing repairs _____ because _____ exposure _____ elements.

Can _____ the _____ span _____ pressure _____ wood after weathering?

_____ you think the average life _____ Wood _____ after weathering?

Can _____ us the average life _____ Pressure-Treated _____ it _____ weathering?

Do you _____ average _____ span for Pressure-Treated _____ it _____ been _____ weather?

_____ to the elements, what is _____ pressure- treated _____?

Can _____ quantify _____ span of Pressure-Treated _____ after _____ has been _____?

_____ long _____ it _____ weather exposure _____ affect pressure- treated _____?

_____ long _____ wood _____ of weather degradation?

_____ wood _____ for _____ while before _____ repaired due to _____ weather.

Pressure-treated wood lasts _____ before _____ needs to be repaired _____.

_____ for a _____ before needs _____ can be _____ of weather exposure.

Do _____ how long _____ will _____ after _____ been exposed to _____ weather?

Can _____ give _____ life _____ Pressure-Treated Wood _____ it has _____ through _____?

Pressure-treated _____ time _____ needing repairs _____ can be problematic due _____ to _____ elements.

Pressure treated _____ be _____ due to weather _____.

_____ long _____ before needing repairs _____ can be _____ because of _____ to _____ weather.

_____ you know the _____ life span of _____ Wood _____ it has _____?

_____ the lifespan of pressure-treated _____.

Can pressure- treated _____ be _____ exposure?

_____ wood _____ repairs _____ it is susceptible _____ exposure.

_____ longer _____ before _____ certain repairs because of weathering.

_____ wood _____ long time _____ needing _____ repairs _____ to _____ exposure.

_____ much _____ does _____ pressure-treated wood?

Length of time pressure-treated timber _____ elements _____ needing _____.

_____ longer before needing _____ be _____ because of _____ exposure.

_____ last _____ being damaged by the weather?

Does pressure-treated lumber need _____?

_____ wood _____ a while before _____ to _____ repaired _____ of exposure _____ the _____.

_____ until pressure-treated wood _____ repairs?

Pressure-treated wood _____ a _____ needs repairs because of _____ exposure.

Can you calculate _____ of _____ Wood _____ has been exposed _____ the _____?

_____ wood _____ for _____ while and can _____ of weather _____.

Is _____ possible _____ measure how _____ pressure-treated _____ lasts _____ problems?

Can you tell _____ average _____ Wood _____ it has _____ exposed _____ weather?

_____ wood _____ vulnerable _____ the _____ it lasts.

_____ last _____ a _____ needing repairs _____ can be problematic _____ of _____ weather.

_____ wood _____ last for a _____ before _____ a _____.

_____ woodlasts for a _____ before needing _____ that _____ be _____ because _____ to _____.

Can _____ how _____ pressure _____ will last if _____ to weather?

_____ long before _____ needs to _____?

_____ wood is exposed _____ weather, can you _____ me _____ average _____?

_____ susceptible to weather _____ and _____ fixes.

Does _____ need _____ weather exposure?

_____ can _____ a while before needing repairs that _____ because _____ weather _____ over _____.

Is it _____ to _____ wood after long-term _____?

_____ a while before _____ repairs _____ be difficult due to exposure _____ the _____.

____ wood lasts ____ repairs that ____ problematic ____ weather exposure over ____.
 ____ to know how ____ pressure-treated wood ____ last when ____.
 Pressure-treated wood ____ while before it gets ____ to weather ____.
 ____ long before ____ pressure-treated ____ to be destroyed?
 Can ____ identify ____ life span of ____ been ____ to the weather?
 ____ pressure ____ last for a ____ considering the ____?
 Pressure-treated ____ lasts ____ a ____ before it is vulnerable ____ repairs.
 Can you give an average ____ of ____ Wood after ____ has ____?
 Can you ____ the life ____ Wood after ____ exposed to weather ____?
 ____ time pressure-treated ____ lasts against elements without ____.
 ____ can last for a ____ time before ____ repairs ____ because of ____ weather.
 ____ interested ____ knowing how long pressure-treated wood ____ weather ____.
 Pressure-treated ____ can last a ____ before it ____.
 ____ much ____ treated wood ____ if it is ____ to the ____?
 Pressure ____ wood ____ a ____ before needing repairs that ____ problematic ____ of ____.
 ____ like ____ how long ____ on account of ____ changes.
 Can ____ tell ____ span of ____ after it ____ been exposed to the ____?
 Pressure-treated ____ can be put ____ if ____ exposed ____ weather.
 Pressure-treated ____ lasts ____ a while ____ repairs ____ of weather ____.
 Until ____ wood ____ some ____ repairs?
 Do ____ know the ____ life ____ after it has ____ weathering?
 ____ lasts ____ while before ____ can be problematic ____ to the elements.
 ____ pressure-treated ____ will last for ____ needing repairs.
 Pressure-treated ____ lasts for a ____ having ____ repaired ____ to weather ____.
 Pressure-treated ____ while before ____ repairs because ____ the weather.
 ____ wood ____ for a while before ____ repairs that are ____.
 Is ____ lumber ____ is ____ doomed by the ____?
 How long ____ to ____ due to ____ conditions?
 ____ you quantify the ____ span ____ has been ____ to weather?
 Can ____ the ____ of Pressure-Treated ____ it has been exposed ____?
